## JOSHUA GARWOOD, 78, DIES OF HEART ATTACK AT HIS HOME HERE

Joshua Garwood, 78, died at 9:35 p. m. Monday at his home in Mentone. Death occurred while he was sitting in a chair, from coronary occlusion. Mr. Garwood had just returned from Florida a week ago, where he had spent the winter and was planning to return to Colorado with his daughter, who had just recently come to visit him. He had not been feeling well for the past four days and on Monday he had come to Warsaw to visit a doctor. He was born in Kosciusko county October 2, 1864, the son of Amasa and Mary Garwood, and was married to Mary Baker, who preceded him in death several years ago. The deceased was a retired farmer and had spent his entire life around Mentone.

Surviving relatives are one daughter, Mrs. Mary Smith, Manzanola, Colorado; one grandson, Wilbur Smith, an aviation cadet at Eagle Pass, Texas; two sisters, Mrs. Elra Rapp, South Bend; Mrs. Alice Borton, Mentone; one sister, Mrs. Allen Nelson, preceded him in death about thirty days ago.

Funeral services will be held at the Reed funeral home in Mentone with Rev. Victor E. Stoner officiating. Burial will be in Harrison Center cemetery. Funeral services Friday afternoon at two providing the grandson arrives.

## GEO. IGO MOVING STORE FROM SEVASTOPOL TO PALESTINE

George Igo, who has been operating a general store at Sevastopol, announces that he is moving his merchandise to Palestine. A good portion of the moving will take place Sunday. Mr. Igo stated he preferred not to move on a Sunday, but that was the only day he could secure sufficient help without interfering with essential farm work.

Robert Anderson returned to his school work at Bloomington Tuesday afternoon. Bob is in the Enlisted Reserve Corps and expects to be called into active service in the near future. Carl Rush, also a member of the ERC, we are told, is to report for duty this week.

## CASTORIA CONTAINS HARMFUL INGREDIENT

The concern manufacturing Fletcher's Castoria announced Tuesday that the product manufactured within the past 60 days has been found to contain an ingredient that induces vomiting and warns everyone not to use any they have purchased within that period of time.

The stock is all being returned and anyone having any on hand that has been purchased in the past two months is requested to return it to their druggist for full refund.

## MRS. IDA RATHFON PASSES AWAY

Relatives report the death of Mrs. Ida Rathfon at the Epworth Hospital, South Bend, Indiana. She was born and reared near Mentone but has lived in South Bend for many years. She celebrated her eighty-fourth birthday April 17. She was a sister of Harry Griffiths. Those attending the funeral from Mentone were Mr. and Mrs. Isaac Kesler, Elmer Rathfon, Mr. and Mrs. Wayne Shunk and Mr. and Mrs. Carl Griffiths, of Akron.

## "PORKY" JONES HAS HARD TIME GETTING INTO ARMY

A week ago Tuesday Mervin Jones was to have reported at Toledo, O., for acceptance into army service, but a back injury prevented him doing so. The draft board had given him authority to remain at home, but the board seemingly failed to handle all the details to the satisfaction of the Toledo army masters. This week end Mr. Jones reported to the board that he was ready to go now—and then it looked as if they wouldn't take him. The matter was new to them and they were not definite as to the proper procedure to pursue. However, "Porky" was finally permitted to leave Tuesday.

## ANNOUNCE MARRIAGE

Dr. and Mrs. E. D. Anderson announce the marriage of their daughter, Kathleen, to Sgt. Clarence E. Camplejohn, of Jacksonville, Fla. The wedding took place May 1st at Denver, Colorado and they will reside at 1544 High Street in that city.

## FIRE AT TIPPECANOE

The Mentone Fire Department was called to the Jacob Fore home at Tippecanoe Wednesday where a fire was burning in the roof. Tippecanoe citizens had formed a bucket brigade and had the blaze well under control by the time the department arrived. It was indeed fortunate that the fire didn't get a head start as a strong wind was blowing.

Peculiar as it may seem, the Buddy Miller family which has suffered two disastrous fires recently, is now living just across a narrow street from the building that was afire. If the Fore home had burned, it would have been difficult to have kept the flames from the Miller home with the strong wind blowing that direction.

## MOTHER'S DAY AT METHODIST CHURCH

Mother's Day will be observed at the Mentone Methodist Church next Sunday at the morning worship hour, 9:30.

The day will also be membership Sunday when new candidates for baptism, both infants and adults, and members will be received into the church.

Mothers of boys in the service will be especially honored.

The girls choir will sing again. Sunday school will follow morning worship; youth services and evening services will be held at 6:30 and 7:30, respectively.

## BARBER NOW WORKING AT BLUE BARBER SHOP

Chet Creighbaum, of Tippecanoe, has accepted a position at the Blue Barber Shop and will work each Tuesday, Wednesday and Friday until six o'clock.

Mr. Creighbaum has been a barber at Tippecanoe for 15 years and comes to Mentone well qualified.

Mr. Blue will have the shop open on Thursday and Saturday nights, as usual.

## DAMAGE SUITS FILED

Gifta Boganwright, administratrix of the estate of Lawrence E. Boganwright, 49, of Fulton county, who was killed May 9, 1941, when his truck was struck by a Pennsylvania railroad passenger train in Etna township, Kosciusko county, has filed two damage suits in circuit court against the railroad company. Both suits charge that the railroad crossing where the accident occurred in section 36, Etna township, was in very bad condition, making a slow crossing by vehicles necessary, and blame this situation, plus excessive speed on the part of the west-bound passenger train and failure of the train whistle to sound properly, for the death of Mr. Boganwright, a farmer, stock buyer and township trustee. One suit asks a judgment of \$10,000 for damages to the widow, Gifta Boganwright, and two children, Martha Jane and Joseph. The other suit seeks damages of \$1,450 for destruction of the truck and the killing of three horses.

## TIN CANS TO BE COLLECTED

We have been informed that a man will be in Mentone Thursday, May 6, and the first Thursday of each succeeding month to collect the tin cans at the old Ford garage. Housewives rinse the cans so that there is no food left in the cans. The tops and bottoms of the cans should then be removed or cut in such a manner that they can be tucked inside and the can then flattened. Care should be taken, however, that you do not completely smash the can as there should be enough space to allow the detinning fluid to touch all parts of the can. Also, if the cans are rinsed and flattened as they are opened instead of leaving them and flattening them all at once you will not notice the time taken nearly as much.

## HOBERT CREIGHTON PRESIDENT OF SCOTTISH RITE CLASS

Hobart Creighton, of this county, was named president of the Gaylard Millard Leslie class at the spring convocation of the Scottish Rite at Fort Wayne Saturday.

### MAY STILL PAY SPRING TAXES WITHOUT PENALTY

It was announced Monday that taxpayers of Kosciusko county have until Saturday, May 8th, to pay their spring installments without penalty. The time extension was announced by the county treasurer.

### BOY SUFFERS BROKEN LEG WHEN TRAMPLED BY COW

(Newcastle Reporter)

Duane Clayburn, 10-year-old son of Mr. and Mrs. Edward Clayburn, suffered a broken leg Wednesday when he was trampled by a cow at the Clayburn farm in Newcastle Township. The accident occurred as the youth was milking the cow. He was taken to the Woodlawn Hospital in Rochester for treatment and later was returned to his home.

### SOCIAL AND EDUCATIONAL MEETING HELD THURSDAY

(Newcastle Reporter)

A very enjoyable meeting was held at the home of Mrs. Don Nickols Thursday afternoon, April 25, in Newcastle Township.

The meeting opened by all taking part in community singing, followed

by devotions. Roll call was answered "Helpful Garden Hints." A short business session was held and it was decided to remember the sick with flowers. Mrs. James Newcomb gave a very interesting talk on "The Care of Flowers and Shrubs." Along with our large Victory Gardens we are asked to plant flowers. Fifty per cent of our canned goods is to be sent to our armed forces. We can establish friendship through flowers. Mrs. Berrier, county AAA lady gave a good talk on "Farm Women for Victory." Mrs. Berrier said in part: "We can't fight but we can feed." United States farm families have a huge task—the greatest production order in the world.

The meeting was then turned over to the program committee with Mrs. Marion Fultz in charge. The following program was given: Twirling by the first and second grade children under the direction of Mrs. Lukens. Songs by five of the sixth and seventh grade girls of the Talma school, piano music by Barbara Duzenbury, Mrs. Kermitt Biddinger and Mrs. Faye Swihart. A white elephant sale was held.

The hostess and her assistants served dainty refreshments to 57 members, guests and children. The hostess committee for May is Mrs. Ransford Peterson, Mrs. Clarence Peterson, Mrs. Bert Sauserman and Mrs. Charley Shock. The program committee is Mrs. Roland Lukens, Mrs. Cleo Drudge and Mrs. John Dawson.

### HINTS TO MOTORISTS

Tramping on the accelerator to make a quick getaway is recognized as one of the greatest causes of low gasoline mileage, cautions the Chicago Motor Club. Not only does this habit pump more fuel than can effectively be used into the motor, but also it shortens tire life, motorists are advised.

Before draining the radiator, the engine should be warmed up enough

to loosen any sediment which may be present in the cooling system, advises the Chicago Motor Club. The motor should be kept running while the radiator is being drained to keep the water in circulation.

Slow or sluggish car performance is oftentimes caused by windshield wipers that are operated by vacuum from the car's engine, advises the Chicago Motor Club. If the trouble is caused by a defective hose, replace it. If grease has hardened in the mechanism, the unit should be disassembled, cleaned and relubricated.

The average car consumes one and one-half ounces of gasoline in one minute of idling, according to survey reports forwarded to the Chicago Motor Club.

British motor vehicles are being operated satisfactorily on gases pro-

duced from readily obtainable supplies of sawdust, the Chicago Motor Club was informed recently.

## Eliminate the Production Bottlenecks on Your Farm NOW!

The "Food for Freedom" goals set by the Department of Agriculture call for the greatest agricultural production in all history. Every "farm factory" has been conditioned to the hilt to meet its quota in this all-out effort. Don't let your production drive bog down because of inefficient or obsolete farm buildings!

Only well-planned, properly-constructed stock quarters, poultry houses and crop storages can insure continuous capacity pro-

duction . . . and protect your profits! It's easy and economical to erect such buildings today with the tested Celotex Farm Plans! Developed by expert farm architects after months of painstaking research . . . the plans have been used by hundreds of farmers without the change of so much as a single comma in the specifications . . . let them be your guide to the placing of your farm on a capacity war production basis!

### WHY SHOULDN'T HITLER LAUGH?

The Axis triplettes undoubtedly had many things to which they could point to convince themselves that America was in a confused state. They believed we were divided and unable to get together solidly enough to wage a war. Thank goodness they were wrong, but it is regrettable how nearly correct their deductions were.

The threatened coal strike is a positive example of plain adulterated lack of proper consideration of the points involved. The coal miners of America have swallowed their pride and in most cases, just rewards, in one gigantic and determined gesture of patriotism. They have more true Americanism than all the opposing elements together would ever be possible to conceive, let alone put into practice. This is the second time so far this year that the miners have rescued the adamant operators from the end of the proverbial limb. Let's only hope that the miners will be given an equitable adjustment within the allotted fifteen days' grace they have extended to the operators.

No army can force a coal mine to produce. They might herd workmen into the shafts but they can't make them mine the coal while they are down there. Our system of government, too, isn't based on a force system, but is upon the assumption that all men are equal and entitled to a fair trial and just consideration around a conference table. Charlie O'Neil, the operators' trigger man who has been flatly denying the miners any new consideration, should be tutored a bit in just what Americans are and what they are made up of.

Miners are highly skilled workmen and are engaged in a very dangerous occupation—so dangerous that few of us could be forced down into one of those ugly, gasping holes. Men in ordinary defense plants get paid from eight to twenty dollars a day (where govern-

ment contracts are cost plus ten percent and they even permit listing donations to USO, etc. as a cost) yet a miner isn't entitled to more than eight. A miner, too, cannot live like most of us do. He lives in a "company" house, trades at a company store and is almost a slave within the threatening horizons of the company towns. Some of us can barely conceive of some of the conditions that do exist in mining areas. The eastern Anthracite mine owners got the miners in such a shape a few years ago that the miners opened mines in their backyards and started bootlegging to forestall starvation.

A miner, too, can't consider his pay check as a net return. A few years ago, while Andy Mellon was putting the squeeze play on the mines to the south of us for the benefit of his interests in Pennsylvania, a West Virginia miner told me that for him to earn \$6 a day he had to pick out and load onto the "dollies" twenty tons of coal. And in addition, the miner had to buy his own blasting powder and own and maintain his own mining light. Swinging a pick isn't entirely pleasure at any time, but when you have to do it while on your knees in a 3-foot vein of coal—well, I'd be resigning before I expired.

Patriotism is the obligation of all of us, and there is no reason why any individual or any group should use the excuse: "war effort" to force an inequality upon any other group. Let's hope the miners get their just reward, whether it be the "two cents a day" Lewis asked O'Neil to offer to start negotiations or the "two dollars a day" that was asked for originally.

### REGULAR BARBER at BLUE BARBER SHOP

Chet Creighbaum, of Tippecanoe, will be in my shop each Tuesday, Wednesday and Friday until 6 o'clock and he will be pleased to serve you whatever your barber needs may be.

Mr. Creighbaum has been barbering for fifteen years and likely needs no introduction to the people of this community.

I will continue barbering on Thursday and Saturday evenings, as in the past.

Phillip Blue

## PUT THESE PYREX WARE GIFTS at the top of your list!

### UTILITY DISH

She can bake chicken croquettes in this Pyrex Utility Dish. Saves fat. Only 40 minutes in a 350° oven. Use it for meats, breads, desserts. 2 sizes. Large 12½ inch size . . . **65¢**

For her First Anniversary cake! She can watch it brown through clear glass. Neat glass handles. Grand for all kinds of baking and serving. She'll want a pair . . . Each **35¢**

### PERFECT MIXING BOWLS

Every bride deserves this set of three for mixing, baking, serving, and storing. Use the big one for a salad bowl; the small one for dessert for two. Set of 3 bowls . . . Only **95¢**

# THIS SOLDIER PREFERS THE "WIDE OPEN SPACES"

Salt Lake City, Utah  
April 27, 1943

George Clark:

I received your card quite some time ago and since I have been quite busy going to G. I. schools I haven't had time to answer it. The card was sent to Muroc, Calif., but was forwarded on to Las Vegas, Nev., where I was going to Aerial Gunner school.

I don't know where or how you got my name or what makes you think I am from that locality. I am from Montana and intend on staying a Westerner. I do have a grandmother near Warsaw, Ind., so it must have been through them you got my name and address.

I correspond with her regularly as well as an aunt in Ft. Wayne. I have never been east of the Mississippi river and what's more, don't care to. At least not to live. I was stationed at Jefferson Barracks, Mo., for awhile and that was enough of the east for me.

In case you are still interested in anything of interest about myself I will start from when I entered the service.

I enlisted in the Air Corps in Sept. 1941 at Ft. Lewis, Wash., went to Jeff. Barracks, Mo., for awhile, then went to Armament school at Lowry Field, Colo., on the outskirts of Denver. After 22 weeks of school I went to Luke Field, Ariz., 22 miles from Phoenix. Stayed there several months then my outfit was transferred to Roswell, N. Mex. From there we went to Muroc, Calif., in the Mojave Desert, and 120 miles from Los Angeles, the closest town of any size.

Up until that time I worked on the line doing mechanic work on planes of all kinds. While at Muroc, Cal. I volunteered for Aerial Gunner school so after some months of waiting I went to Las Vegas, Nev., for five weeks of school, both ground school and flying. From there I was sent back to Lowry Field to a school on power turrets and sights, which was 9 weeks.

When I completed that course I was sent to this air base at Salt Lake and am awaiting assignment to a heavy bombardment outfit. After four or five months more training with my crew we will then be sent across someplace.

I will be leaving here shortly but where I don't know although it will be in the Second Air Force Command. That takes in the western states.

Have a snap shot I will enclose of myself taken after two weeks of maneuvers on the desert. Hadn't shaved or washed in that time. what's more we didn't have the wat-

er to do so if we would of had the time for it.

Have been in one plane accident so far and came out of it OK, after two weeks in the hospital.

That's about all I know of that's worth writing about, so will close for now.

In case you know my grandparents, say hello to them when you see them the next time.

Sincerely,

Sgt. Eugene F. Hively.

Poultry supplies at the Co-Op. mill.

### NUGGETS FOR BEREANS No. 58

We hear a great deal about the Church Militant and Christian soldiers marching as to war, but in Eph. 6:10-13 the soldier of the Lord is instructed to STAND. Our Lord has already taken the ground, we are to stand and hold it. Search as we may, we can find no other instructions for the Christian soldier of this dispensation.

1. PUT ON THE WHOLE ARMOUR OF GOD, THAT YE MAY STAND AGAINST THE WILES OF THE DEVIL. Any armour of our own making is not sufficient to protect us against so great an enemy. We are not standing up against flesh and blood of this world, but against powers of darkness in high (heavenly) places. Our strength must come from the Lord, v. 10.

2. TAKE UNTO YOU THE WHOLE ARMOUR OF GOD, THAT YE MAY BE ABLE TO WITHSTAND IN THE EVIL DAY. This is a clear warning that we are going to have to fight, that trouble is ahead, and preparedness is the only proper course for us to take. Twice we are advised to take the WHOLE armour of God. Nothing must be left out, for we have an enemy who can soon detect the soft spots in our defense. Notice how that our flesh must be protected by the armour, for it is only thru the flesh that the evil one can attack the Christian. By that I mean the desires and lusts of the flesh. He cannot touch our life which is hid in God.

3. AND HAVING DONE ALL (margin, "overcome all"), TO STAND. When we have been successful, and every fiery dart of our adversary has been quenched, we are still to stand until our Captain relieves us of our duty. Do we doubt? "I can do all things through Christ which strengtheneth me." Phil. 4:13. Can we hold out? Is the enemy too strong for us? "Nay, in all these things we are more than conquerors through Him that loved us." Rom. 8:37.

—Oscar M. Baker.

### TUESDAY EVENING FOR GIRLS AT YOUTH CENTER

On last Tuesday evening several girls and their committee, composed of Lois Davison, Louise Paulus, and Ruth Cullum, met at the Mentone Youth Center for the purpose of organizing. Tuesday evening has been set aside as Girls' Night at the Youth Center and the hours from seven to nine will be open for girls of 12 years of age and older, all games to be supervised. In addition there will be a class in hygiene or health conducted by Mrs. F. B. Davison.

Decorations for the club room were

discussed and for the next meeting, on Tuesday, May 4, each girl is to bring a small piece of bright cotton print, for applique and ideas for Mexican designs.

All girls who are 12 or over are urged to come and become a member of this girl's club. Don't forget, next Tuesday evening, we'll look for you there.

### HOUSEKEEPING HINTS WORTH REMEMBERING

#### Wartime Pies

You can have pie without raiding your ration coupons IF you go in for deep-dish pie with a top crust and IF you substitute suet for shortening. Mrs. Julia Kiene, Manager of Home Economics Institute at Westinghouse, tells how to render suet: Carefully remove excess fat from meat before cooking. Store in refrigerator until you have about a cupful. Tear off outer layer of skin, then cut suet in small pieces. Put skillet or saucepan over a low heat and slowly fry out the fat. As fat melts, pour it into a bowl. Let cool before using.

#### More Light

Clean light bulbs give about 25 per cent more light, estimates Miss Myrtle Fahsnyder, Director of Home

Lighting for Westinghouse. To keep bulbs clean, wipe the glass with a damp, soapy cloth, remove suds and dry well. Positively don't "dunk" bulbs in water—the base is cemented to the glass bulb and they're likely to part company if the cement gets wet.

#### Meatless Meals

Remember that portions of meat alternates must be at least doubled to equal the food value in an average serving of meat. Since that's impractical for ordinary menu purposes, Mrs. Julia Kiene, Manager of Westinghouse Home Economics Institute, offers these simple solutions: (1) Serve two meat alternates a day—one for lunch one for dinner; (2) Spread meat alternates over all three meals—for example, an extra large portion of cooked cereal for breakfast; a generous serving of cheese with salad for lunch; beans plus a milk dish such as custard for dinner.

## NEWCASTLE

TOWNSHIP NEWS

By Lavoy Montgomery

Mr. and Mrs. Charles Good and family were the supper guests Sunday evening of Mr. and Mrs. Lou Grove.

Mr. Lon Walker and son, Bud, of Indianapolis, were the week-end guests of the former's parents, Mr. and Mrs. C. M. Walker.

Mr. and Mrs. Elmer Lamb spent Tuesday afternoon in Rochester.

Mrs. Ernest Bryant has been on the sick list.

Mrs. William Deamer, who has been quite ill for the past week, is improving.

Mr. Gail Mathews and Mr. Charles J. Good spent Monday in South Bend where they were looking for employment.

Mr. Robert Calvert, who has been attending school at Detroit, Michigan, spent the week-end here the guest of his wife and children.

Mr. Ted Hubbard, of New Carlisle, spent the week-end here the guest of his parents, Mr. and Mrs. Roy Hubbard.

Mrs. Billy Bellward has returned to her home near Etna Green after spending some time in Camp Shelby, Mississippi, where her husband is stationed. Mr. and Mrs. Bellward were formerly from Newcastle Township.

Mrs. Lillie Myers will leave in the near future for South Bend where she will be employed in the Health Wind Hospital.

Mr. and Mrs. Robert Calvert and family spent Saturday afternoon in Rochester.

Mrs. Charles Green and daughter, Mary Louise, and son, Charles, of this place and Mr. and Mrs. Paul Grile, Nelson Dean and Larry Hunter of Rochester spent Sunday in Hammond the guests of Mr. and Mrs. Will Wisner. Mr. and Mrs. Phil Hartung and son, of Chicago were also guests. Mrs. Hartung and son returned home with Mrs. Green.

Mrs. Charles Green, of this place, Mrs. Philip Hartung and son, David, of Maywood, Illinois, and Mrs. Ralph Reese, of Rochester visited Mrs. Josie Washington, of Plymouth, Wednesday.

Mrs. Lloyd Barkman is on the sick and is unable to attend her duties at Kingsbury Defense Plant.

Mrs. Omer Holloway is enjoying a month vacation from her duties at Kingsbury.

Mr. Robert, of Elkhart, spent the week-end here the guest of his parents, Mr. and Mrs. Levi Tippy.

Master Johnny Mathews has been on the sick list with the measles.

Miss Eva Mathews has been on the sick list.

Mrs. Harry Wenger has been on the sick list the past week but is improving.

Mrs. Sid Dick and son, Jimmie, and Mrs. Frank Souther spent Wednesday in Rochester on business.

Mrs. Loren Kramer is on the sick list.

Sonny Green and Joe Good spent Thursday in Rochester.

Miss Rosalie Good is employed at the Mrs. L. W. Hatfield store.

Mr. and Mrs. Roy Hubbard and family entertained at dinner recently the following guests: Mrs. Eva Middleton and son, of Argos, Mr. and Mrs. Jim Hubbard and Miss Nina Shively, of Tiosa.

Miss Mildred Mathews is employed at the Armour's Creamery at Rochester.

Miss Mary Jane Mathews has accepted a position at Plymouth.

Miss Nina Shively, of Tiosa, spent Sunday evening the guest of Mr. and Mrs. Roy Hubbard and family.

Miss Rosalie Good spent Sunday afternoon in Plymouth.

Mr. Roy S. Dick has purchased the milk route of Mr. Russell Ailer.

Mr. and Mrs. Harold (Hap) Utter of Mentone spent Sunday evening the guest of Mr. and Mrs. Ralph Hatfield.

Mr. and Mrs. Loren Kramer and family spent Saturday evening in Rochester.

Mr. and Mrs. Sid Dick and son, Jimmie, spent Saturday evening in Rochester.

Mr. and Mrs. Clair Jones and family called at the home of Mr. and Mrs. Robert Calvert and family, Sunday.

Mrs. Frank is caring for Mrs. Lloyd Barkman, who is ill at her home here.

Mrs. Philip Hartung and son, David, have returned to their home in Maywood, Illinois, after a visit with the former's sister, Mrs. Charley Green.

## MENTONE WINS IN DISTRICT POULTRY, EGG CONTEST

in the district poultry and egg judging contest held at the West Wayne school at Warsaw last Thursday, the Mentone team, coached by E. G. Harrison, took top honors. Six counties: Allen, Noble, Whitley, Elkhart, Grant and Kosciusko, had ten teams participating.

The results, in earned points, were as follows:

Mentone—2895.	
Warsaw—2860	
Kendallville—2815.	
Washington Center—2775.	
Avilla—2715	
Millersburg—2625.	
Nappanee—2575.	
Fairmount—2575.	
Sweister—2325.	
South Whitley—2315.	
<b>Individual Scorings</b>	
Frank Isenhardt, Warsaw	990
Dean Nellans, Mentone	980
Paul Glass, Kendallville	970
Leonard Smith, Mentone	960
Martin Kreider, Wash. Ctr.	960
Eugene Sarber, Mentone	955
Lawrence Stevens, Warsaw	940
Ernest Lovett, Kendallville,	930
Chas. McCracken, Fairmount	930
Ronald Wiltrout, Warsaw	930
<b>Mentone Team</b>	

(All the scores are based on a possible 1,000.)

The three teams scoring the highest are entitled to attend the Purdue Roundup on June 14-16.

## FRIENDS HELP NEIGHBOR

Tuesday, May 4th, neighbors of Harry Mosier, whose wife died recently, came in and helped him with his farming. They plowed 20 acres and harrowed six in three hours. 11 tractors and one team were on hand to do the work. Those present were: Chas. Creighton, Arnold Casner, Ralph Tumbleson, Burl Clingenfield, Kyle Gibson, Harry Witham, Clyde Johnson, Forrest Meredith, Mr. Perry, James Beeson, Howard Hudson and Lloyd Miner.

## C. G. VINCENT TO SPEAK AT CHURCH OF CHRIST MAY 30

Other Noted Speakers to Appear on Two Previous Sundays

Members of the Mentone Church of Christ congregation announce that C. G. Vincent, of St. Louis, Mo., their former pastor, will return to Mentone on Sunday, May 30th, to address them at both the morning and evening services. Mr. Vincent was held in high esteem while here and undoubtedly all will want to hear him speak again.

Sunday, May 16th, Albert J. Baughman, of Detroit, will be guest speaker at the church.

Sunday, May 23, A. E. Morris of Fresno, California will appear at both services.

Services each Sunday, as follows:

Sunday School 9:30.  
Morning Worship 10:30.  
Evening Worship, 7:45.

## PLANE MOTOR EXPLODES

Allen (Chick) Herendeen, who has endured a terrific yen to fly ever since he was able to tip over his milk bottle, has had a number of experiences in and about airplanes the past several years but Sunday was likely the first time he ever had the motor to lose a cylinder on a take-off. Fortunately it occurred when he still had runway enough left to bring the plane to a stop without further damage.

The LeBlonde motor, a five-cylinder air-cooled affair, for some unknown reason, lost or blew off one whole cylinder. The cylinder head hit the whirling propeller which then knocked it thru the right wing from the under side and at a rather oblique angle.

Chick's looking for a new cylinder now and will be in a continual sweat until he gets that crate into the air again.

Bud Paulus and Doc Jefferies are now located at Ft. George E. Mead, which is about 20 miles from both Baltimore, Md., and Washington, D. C. They arrived there April 28th.

## SURPRISE SUPPER

A surprise and pot luck supper was held on Mr. and Mrs. Chas. Christian and daughter Nellie. Those present were: Mr. and Mrs. Alpheus Taylor, South Bend; Mr. and Mrs. Pete Taylor and family, Mr. and Mrs. Kenneth Taylor and family of Elkhart; Mr. and Mrs. Johnnie Lowery and family, Mr. and Mrs. Raymond Sickmiller of Plymouth; Mrs. Icie Taylor and son, Mr. and Mrs. Chet Christian and daughter, Mr. and Mrs. Floyd Stackhouse and daughters, Mr. and Mrs. Clarence Taylor, Jr., Mrs. Cleo Taylor, Mrs. Cora Romine and son Earl.

(The above contributed news article carried no name, hence we were unable to secure the date of the occasion.—Ed.)

## FATHER OF MENTONE WOMAN DIES IN FULTON COUNTY

Frederick Ault, 62, lifelong resident of Fulton county, died Wednesday night at Woodlawn hospital in Rochester. Death was due to congestion of the lungs. He was the father of Mrs. Carl Alderfer, of Mentone. He is also survived by his widow, three sons, three brothers, 13 grandchildren. Funeral services were held at the home at 2 p. m. Sunday with burial at Rochester.

## MARRIED HERE MONDAY

George Taulbee, aged 23, of Plymouth, son of Mr. and Mrs. Marion Taulbee, and Betty Jean Shoemaker, 19, of Argos, daughter of Mr. and Mrs. Loyd Shoemaker, were married at the Methodist parsonage Monday afternoon, with Rev. Victor E. Stoner performing the ceremony. Witnesses were Charles Shoemaker and Pauline Mae Shoemaker.

The bride was born at Mentone, according to information contained in the marriage return.

Word from Walter Martin at So. Whitley states that his sister, Etta Coplen, is now at that place. Mr. Martin further stated that two of South Whitley's old-timers, P. A. Edwards and Wm. Glassley had died recently.

## LIMIT SET FOR

## CANNING SUGAR

Washington, May 10.—The Office of Price Administration today set the limit for sugar allotments for home canning at 25 pounds per person. It will be allotted on the same basis as last year—one pound for each four quarts to be put up.

The amount of sugar allotted for jams, jellies and preserves has been increased from one to five pounds of sugar of the 25 pounds granted, the OPA said. The reason for this increase, Price Administrator Prentiss M. Brown explained, is "so that jams, jellies and preserves can be used more extensively as a spread to stretch the butter and margarine ration."

At the top limit of 25 pounds of sugar, the housewife can plan to can 100 quarts. However, the OPA declared, this is a maximum figure to be "granted only in the relatively few cases where this amount of fruit will be canned and preserved."

## No Limit Last Year

Last year there was no top limit, and some housewives got as much as 45 pounds.

To obtain the extra sugar for canning, the housewife should apply in writing to the local ration board. There is no special form, unless she plans to sell the home product. The application may be made in person or by mail, and should contain the following:

1. A copy of war ration book one for each person for whom home-canning sugar is sought.

2. The total number of quarts or pounds of finished fruit to be put up.

3. The amount of sugar to be used for making jams and jellies.

(The Kosciusko board, however, judging by the comments of traveling men who visit various counties in the state, have established a reputation of inaugurating and exercising a scarcity program on all rationed commodities irrespective of the dictates of Washington or public opinion, and they may conjure up a few new ones for the canning sugar, too.)

## BIBLE STOPS DEATH-DEALING BULLET; MANY SOLDIERS TRULY CONVERTED

Below we are reprinting a rather unusual letter, written by a lieutenant in the army. It was contributed from another paper and it is affirmed that the original reproduction was made only after a sworn statement verifying its authenticity was secured. The reprint is as follows:

This is a letter from a Lieutenant sent to his sister, Miss Nannie Belle Beck of Pennsylvania. Government restrictions will not allow the Lieutenant's name to be printed. This letter is authentic and backed by an affidavit signed by the above mentioned sister.

The Wilds of No Where  
The Land of Death and Destruction  
Received September 3, 1942

Dear Sis:

In writing this letter to you, I don't know where to start first. So many things have happened since last I wrote. Well, to begin with, I have escaped death at the hand of an enemy in a way so amazing I'm still in a daze. You remember I told you when I knew I was going over, I was going armed with the Bible? . . . That Bible is the reason I am still here and able to write this letter to all America. . . .

Here is the story: My buddy and I were sent out on duty with our equipment in the work I told you before was our job. We had just received information. The most important for weeks. When we were discovered by the enemy, I gave my buddy the information we had collected, told him to beat it with it, prepared myself to face them alone. It was the first time I'd been faced with the necessity of pointing my gun at a man and blasting the life from his miserable body. I thought fast: then I said, "Lord, it's Your responsibility now." My buddy had not obeyed my order. He had no such scruples. As I reached for my carbine, a shot from one of them struck me in the breast and blasted me down. Thinking I was dead my pal jumped for me, grabbed my carbine as well as his own, stood astride my body, blasting away with both guns. He was blasted to his knees with three bullet wounds, but when he finished there was not one of them left. He was amazed when I rolled over and tried to get up. The force of that bullet had only stunned me. Dazedly, I wondered why. I pulled that little Book out of my pocket and in utter muteness looked at the ugly hole in the cover. . . . It had ripped through Genesis, Exodus, Leviticus, Numbers, on through the other books, Samuel, Kings, Chronicles, and kept going. Where do you think it stopped? In the middle of Psalm 91, pointing like a finger at this verse: "A thousand shall fall at thy side, and ten thousand at thy right hand, but it shall not come nigh thee. Only with thine eyes shalt thou behold and see the reward of the wicked." Sis, when I read that verse it raised me three feet off the ground. I did not know there was such a verse in the Bible. I'd been reading mostly in the New Testament. I read the rest of that chapter—the first part was ripped apart. In utter humility I said, "Thank You, precious God," and felt like a little boy that had escaped the mouth of an enemy of prey. . . .

When I got my buddy back to the post, he said, "Lute (he calls me Lute), I've had enough. This convinces me. Come on—I want to get right with God, starting right now." He wouldn't let them tend his wounds. He said, "Nothing matters now but this." He stayed on his knees sixteen hours with three wounds. His body became so numb he couldn't move it. But he wouldn't give up. When the Lord finally came in, he moved. That soldier went crazy for God. He jumped over chairs (I mean boxes). He jumped over bunks. He even ran outside and shouted to the whole camp.

Since, I've given my heart to God, and talk with the boys, hold meetings and pray with them, God has given me 25 souls. Twenty-five of my buddies have prayed through and come out for God. God even gave me my general. It took a long time. He was so dignified. But God told me to go after him. I stuck on his tail until he was grounded and came through. The Spirit of God hovered over that tent with a sort of glimmering golden haze. I tell you, Sis, prayer is going to win this war. Not guns alone. Fervent, agonizing prayer I know is. God is bringing them in one by one. The whole company will be a company of praying men. God has promised them to me. Given me assurance. Think of it, 120 praying men and one general in one regiment! When that happens this unit will be unconquerable. Pray, Sis. Pray as you never prayed before. Tell everyone to pray. Tell all America to go to its knees.

Before each decisive victory anywhere over here, sometimes for hours, sometimes for days, there has been a feeling of people praying far away. The feeling is so strong, you can hear. One of the men, the most stubborn of them, said in the stillness of the night, "God, did you hear anything? Sounded like people praying from that distant place. Must be hearing things in this dead place."

So, pray, everyone. It will have to come from afar. No one prays in this land of utter desolation. God has turned His face away from the horror and destruction man has brought on himself.

Again I plead, tell America to pray! This war will not end until nations and people have paid in blood and tears for thrusting God out of their hearts, out of their nations, out of their lands. And tell them for God's sake to send Bibles, and more Bibles! A Bible will give him the confidence that God is with him. I'd like to have this letter broadcast from every radio station in America. Try to get it on the air, in the papers, in anything that is printed. Make copies of it. Send it from coast to coast. Tell them the Army wants prayers and Bibles.

And you complacent, bridge-playing, fox-trotting, cocktail-drinking mothers, why didn't you teach your sons about God instead of handing him a cigarette, a cocktail glass and a dance program! Get on your knees and ask God to forgive your sins. Then pray for the Army—pray, pray, pray! And you great dignified preachers! Why didn't you teach your people to pray? To follow God instead of standing before them in your silken robes and reading them a ritual. Only atonement for sin can stop the shelling, the killing, the murdering. Even the shells that come whizzing through the air scream only one word—"Atonement!"

. . . I could go on, but I am so tired, so weary. But in all so happy to see them coming to God one by one. So tell them to pray, atone for sin, and keep praying. And when you send things to your boys, send Bibles. They want Bibles.

Your loving brother,

LIEUTENANT.

(The original copy is in possession of Rev. Ray White, of Zarephath, N. J.) —(Contributed)

ENTERTAINS PLEASANT  
VALLEY CLUB RECENTLY  
(Newcastle Reporter)

Mrs. Mildred Clay and daughter, Margaret, were hostesses to the Pleasant Valley Club, one Wednesday afternoon recently.

The meeting opened with singing of the song of the month, "Annie Laurie," followed by roll call answered with "Some Interesting Memory of Mother." Plans were made for the club to buy a \$25.00 bond. The project leaders, Mrs. Marjorie Duzenbury and Blanche Eisert presented the lesson, "Refresher on Food Preservation," noting these points: (1) Save the food; (2) Help women who have never canned, and (3) Learn and practice labor saving methods. Another urgent call is made for scraps. The clubwomen endorsed the plan to carry out a thorough clean-up in the county. Mrs. Henry Alspach gave a very interesting talk on her recent trip to Norfolk, Va., to visit their son, Harold, who had a short leave from his duties on a submarine chaser. Mrs. Kermit Biddinger read the poem, "The Girl He Left Behind Him," by Edgar A. Guest and "Mother's Day" by William Herschel. Mrs. Celia Grove conducted a "Mother's Contest" which was won by Fay Swihart. There were 17 members and seven children and one guest, Frances Kamp, present. The June meeting will be in the home of Mrs. Blanche Eisert.

### For Wood Burning

Some steam boilers may be adapted to burning wood by taking out the grates, lining the ash pit with fire brick, and building the fire on the ash pit floor.

### OBITUARY

Joshua Garwood, son of Amasa and Mary Garwood, was born October 2, 1864 near Mentone and, departed this life May 3, 1943.

December 28, 1886 he was united in marriage to Matilda Baker. To this union was born William Edison, who died at the age of five months, and Mary A. Mrs. Garwood passed away March 4, 1920.

On November 24, 1924 he was again united in marriage to Jennie W. Smith of Columbia, Penna., who suffered fatal injuries in the wreck of their car near Dalton, Georgia, October 16, 1941. Mr. Garwood never fully recovered from the shock of this wreck.

He lived near Mentone all his life, and held the distinction of having purchased the first article sold when the town of Mentone was settled.

He is survived by the daughter and son-in-law, Mr. and Mrs. W. E. Smith of Manzanola, Colorado with whom he expected to accompany home in a very short time. His grandson, Aviation Cadet Wilbur H. Smith, of Eagle Pass, Texas, and two sisters, Mrs. Elia Papp of South Bend, Ind. and Mrs. Alice Borton of Mentone are the surviving relatives. Another sister, Mrs. Allen Nelson, of Mentone, preceded him in death only one month.

### Joshua Garwood

Sunset and evening star,  
And one clear call for me!  
And may there be no moaning of the bar

When I put out to sea;  
But such a tide as moving seems  
asleep,

Too full for sound and foam,  
When that which drew from out the  
boundless deep

Turns again home.  
Twilight and evening bell,  
And after that the dark!

And may there be no sadness of farewell,  
When I embark;

For tho' from out our bourns of Time  
and Place

The flood shall bear me far,  
I hope to see my Pilot face to face  
When I have crossed the bar.

—Alfred Lord Tennyson.

### "A SOLDIER'S LIFE"

A soldier's life is a weary life,  
A weary life it be.  
When in war far from home,  
Far across the sea.  
In all his endeavors  
All the day through  
His heart is not with him,  
It's all home here with you.  
When the shadows fall,  
And work of day is through,  
All he wants is a word from home,  
Just a line or two.  
After which he reads his mind at  
ease.

It helps his weary head  
And now again its time  
For him to go to bed.  
In his cot all through the night  
He fights a battle new.  
The greatest battle of a soldier  
He fights it just for you.  
The battle of the mind is hard,  
The hardest yet to win.  
But he fights on very strong,  
Sure, he never will give in.  
But when the war is over  
And the battles have been won,  
His chest will shine with medals,  
He's proud of everyone.  
But what of those who died for us?  
They fought it all the way.  
They, too, are heroes as heroes be,  
But in their grave they lay.

So in our prayers,  
Oh noble God please be kind.  
Please help the soldiers across the  
sea  
Brothers of yours and mine.  
—written by Cpl. Jesse D. Grubbs,  
somewhere in the Pacific.

**German Occupation Cost**  
The daily cost to France of German occupation would build 2,500 modern workmen's homes.

## STORED FOOD INSURED WHEN IN LOCKERS

We've been informed that most insurance companies supply a percentage of protection on food commodities stored in commercial locker plants when the company has the householder's household belongings insured. This protection may vary among various insurance policies, but some run as high as 10% of the face of the household policy.

## MENTONE LOCKER PLANT

# NOTICE

On May 7 Frank Warren, Marshall of Mentone, informed our driver that he could no longer deliver baked goods in the town of Mentone without a license. As the cost of this is one dollar per day, it is impossible for us to continue our service.

We regret this deeply as there are quite a number of Mentone people using our Health Loaf (Nuttty Brown) and we feel this will be quite an inconvenience to them. We wish to take this opportunity to thank our customers for their patronage.

**MRS. SARAH HAIMBAUGH  
DIES AT DAUGHTER'S HOME**  
(Newcastle Reporter)

Mrs. Sarah Haimbaugh, life-time resident of neighboring Fulton county, died at the home of her daughter, Mrs. Arthur Deamer, at Cedar Rapids, Iowa. Her other daughter, Mrs. Walter Brubaker of Rochester, was in Cedar Rapids visiting her mother at the time of death.

The 84-year-old Mrs. Haimbaugh was to celebrate her 85th birthday Tuesday, May 4th, with her family and friends in Cedar Rapids. Her death was caused by complications arising from a four-year illness.

Mrs. Haimbaugh was the daughter of Mr. and Mrs. Porter Francis Waugh. She was born in Ohio on May 4th, 1858. At the age of five she moved to Talma and has resided in this vicinity all her life until last fall when she went to live with her daughter. In 1877 she was married to Jack Haimbaugh, who preceded her in death. She was a member of the First Baptist Church of Rochester.

The survivors are: two daughters, named above; one son, Porter Haimbaugh of Rochester; nine grandchildren and eleven great-grandchildren.

Funeral services were held Wednesday afternoon at two o'clock at the Walter Brubaker home in Rochester with Rev. H. J. Bailey of the First Baptist Church officiating. Burial was made in the family lot at the I. O. O. F. cemetery at Rochester.

**NINA SHIVELY BRIDE  
OF FREDERICK HUBBARD**  
(Newcastle Reporter)

Miss Nina Shively of Tiosa, became the bride of Frederick Hubbard of Talma Thursday, May 6th, in a single ring ceremony read at 6:00 p. m. in the parsonage of the Church of God with Rev. Caul officiating.

The bride wore a beige suit with poudre blue accessories and a corsage of snapdragons. Misses Virginia Ann and Bonnie Jean Hubbard, sisters of the bridegroom, were the only attendants.

**MASONIC RINGS**

Several Fine Masonic Rings on display this week ONLY.

If you'd like a nice ring, see this display now.

**JOS. A. BAKER

Immediately following the ceremony a wedding supper was served at the home of the bride's parents, Mr. and Mrs. Charles W. Shively, to the members of the immediate families.

Mrs. Hubbard is a graduate of the Richland Center High School this year and the groom graduated from the Talma High School. Mr. Hubbard

is the son of Mr. and Mrs. Roy Hubbard of Talma. The couple will reside in New Carlisle, Indiana.

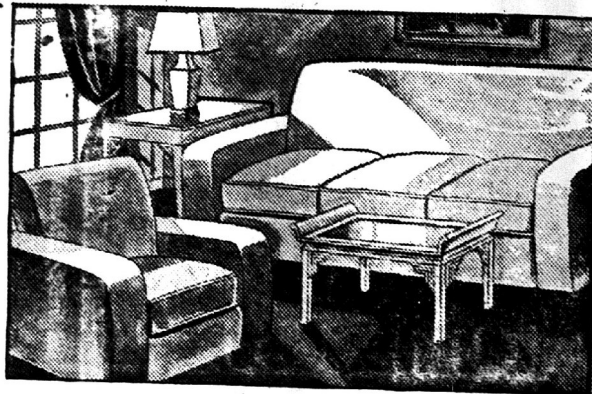

**BAPTIST YOUNG PEOPLE MEET**

The Young Peoples class of the Baptist Sunday School met at the parsonage Tuesday evening with seventeen present.

After the business meeting games and contests were enjoyed and refreshments were served by the hostess. The next meeting will be held at the camp grounds during the summer camp for the young people at the Kosciusko County camp June 8.

### CHURCH OF CHRIST Mentone, Ind.

Bible Classes 9:30 a.m.  
Bible Study (Thursday) 8:00 p.m.  
A hearty welcome to all.

### FIRST BAPTIST CHURCH Mentone, Ind.

You Are Ever Welcome to This  
House of God

The Sunday School I cannot overstate my opinion as to the value and necessity of developing this phase of church work. The religious training of the child should begin at the earliest possible time, and next to the home the Sunday School is the most important agency in this mission.

In most American communities in years gone by the reading of the Bible attended with some form of religious services, was a part of every school exercise. Religion was also inculcated in the higher institutions. Under conditions as we find them today religious training has been practically abandoned as a part of the school curriculum. This gives tremendous importance to the Sunday school where religious influences may be impressed upon the childish mind, developed in the growing boy and girl, and made a permanent and stable influence in the adult." John F. Fisher, former governor of Pennsylvania. George H. Dern, former governor of Utah, says that the training received in the Sunday School has molded the lives and characters of many of our most outstanding public men. Are you giving your children the advantage of this most important influence. Bring them Sunday.

### NUGGETS FOR BEREANS No. 59

#### THE WHOLE ARMOUR OF GOD.

The word here should be "panoply." This is from the word PAN, meaning "all" and HOPLON, meaning "arms." The armour of Satan is mentioned in Luke 11:22, and it is against this one with his wives that we are to stand clad in the whole armour or panoply of God. There are six pieces, but they naturally divide into pairs.

- A. The Girdle. Truth or faithfulness.
- B. The Breastplate. Righteousness.
- C. Shoes. Gospel of peace.
- A. The Shield. Faith or faithfulness.

- B. The Helmet. Salvation.
- C. The Sword. The Word of God.

1. THE GIRDLE AND THE SHIELD. "Faithfulness shall be the girdle of His reins," (Isa. 11:5). Practically every word translated faith and faithful in the O. T. is derived from the Heb. AMEN, which also means TRUTH. In Psa. 91:4 we read, "His truth shall be thy shield and buckler," and the next verse describes the fiery darts, "Thou shalt not be afraid for the terror by night; nor the arrow that flieth by day."

2. THE BREASTPLATE AND THE HELMET. "He put on righteousness as a breastplate, and an helmet of salvation upon His head," (Isa. 59:17). There is no more vital connection in either law or gospel than that of righteousness and salvation. Salvation without righteousness as its basis would be useless in the conflict with the evil one.

3. THE SHOES AND THE SWORD. One for feet and one for hands. Both speak of a message. "How beautiful . . . are the feet of him that bringeth good tidings, that publisheth peace" (Isa. 52:7). "He hath made my mouth like a sharp sword" (Isa. 49:2). The sword is the Word of God, so here we must run to give out the Word of God. Finally, "Put on the armour of light, put yet on the Lord Jesus Christ, and make no provision

for the flesh, to fulfil the lusts thereof" (Rom. 13:12-14).

—Oscar M. Baker.

### FORMER RESIDENT DIES AT DAUGHTER'S HOME (Newcastle Reporter)

Funeral services will be held Saturday afternoon for Mrs. Flora Haimbaugh, 72 years old, former Fulton county resident and widow of Mahlon Haimbaugh, who died Thursday at the home of her daughter, Mrs. Harvey Sprick at Quincy, Ill.

Rites will be conducted at 1:30 p. m. by Rev. Glenn McGee, pastor of the First Presbyterian church, at the Zimmerman Brothers funeral home. Burial will be made in the J. O. O. F. cemetery.

Mrs. Haimbaugh was born on a farm in Newcastle township. She was the daughter of the late Dr. and Mrs. J. N. Clymer. She was a member of the Christian church and resided in Denver, Colo., for a number of years. Her husband died Aug. 14, 1940.

Survivors are the daughter, Mrs. Sprick, and a brother, Harry Clymer, of Rochester.

### HAPPY-GO-LUCKY 4-H CLUB HAS MEETING

The Happy-Go-Lucky 4-H Club met at the Talma school recently. Roll call response was answered by giving the name and the project each member was taking.

The group sang "God Bless America," followed by the Pledge of Allegiance. Officers were elected as follows: President, Carol Jean Cooper; secretary-treasurer, Joan Long; pianist, Barbara Duzenbury and Frances Berrier; song leader, Mary Ann Dawson; yell leaders, Shirley Peterson and Mary Gambree; reporter, Charlotte King; health director, Betty Nichols, and recreational director, Dora Caslow.

The slogan for every club member was read by Carol Jean Cooper. Prayer for 4-H leaders was read by Shirley Peterson. Marjorie Duzenbury gave a demonstration on "Fitting a Pattern."

The next meeting will be held on May 18th. Demonstrations will be given by Frances Morris and Barbara Duzenbury. Adult leaders will be as follows: Mrs. Daisy Barr, Frances Berrier, Marjorie Duzenbury, and Mary Lukens, and Junior leader Frances Morris.

## News of Mentone and Vicinity

All kinds of plants at Harold Markley's. North Broadway. M19

J. D. Long made a business trip to Plymouth Saturday.

Chas. Dorland of Calumet City, Ill., is visiting friends in Mentone.

This vicinity was visited with several exceptionally heavy rains during the past week.

Mr. and Mrs. W. E. Smith left for their home in Manjandola, Colorado Wednesday noon.

Mr. and Mrs. Kenneth Towne, of South Bend, spent Sunday with Mr. and Mrs. L. C. Bowen.

Mrs. Dean C. Bowen and parents from Pierceton, spent Sunday with Mr. and Mrs. L. C. Bowen.

We are in receipt of two copies of SOS (Service of Supply), a weekly publication printed by the Signal Corps camp at Camp Tyler, Texas.

Kem-Tone, that wonderful wall finish, can be used over wall-paper, one coat does the job. The Big Drug Store.

Mrs. Eva Irvine and granddaughter of Leesburg, spent last Monday with the former's sister, Mrs. Lydia Rynearson.

Mrs. A. I. Nelson is improving rapidly at the Woodlawn hospital at Rochester where she recently underwent a major operation.

The dinner bell program of radio station WLS, of Chicago, conducted by Arthur Page, was broadcast Tuesday noon from the Creighton Bros. egg farm near Atwood.

Wayne Irvine, son of Mrs. Eva Irvine of Leesburg, who has been home on a furlough, called on his aunt, Mrs. Lydia Rynearson last Tuesday before leaving next Thursday for Camp Geiger Field, Washington.

### Warsaw Laundry Co.

TRUCK

will be in Mentone next Monday.

Put card in window for stop.  
Deliver Thursday.

Mr. and Mrs. Earl Leedy and daughter of Warsaw spent Thursday afternoon with her sister, Mrs. Howard Horn.

Mr. and Mrs. George Borton and children spent Sunday with Mr. and Mrs. Ira Borton. Mrs. Borton returned to Huntington to spend the week with her son and family.

Miss Jean Manwaring was a Tuesday evening dinner guest of Mr. and Mrs. Frank Newton in honor of their daughter, Frances Elaine's, first birthday.

Kem-Tone, a full line of colors. The Big Drug Store.

The First Baptist Church is sponsoring a summer camp for their young people at the Kosciusko County Conservation Club Camp from June 7th to June 12th.

A nine pound son, Charles Patrick, was born to Mr. and Mrs. Elmer Lamb, of Talma, at the Woodlawn hospital at Rochester, Sunday, May 9th.

Monday morning Aviation Cadet Wilber H. Smith left for his base at Eagle Pass, Texas after attending the funeral of his grandfather, Joshua Garwood.

Albert Tucker, former manager of the Standard Oil Station at Mentone, was among those accepted for army service at Toledo last Saturday. He is now home on the usual 7-day furlough before actual service begins.

Mr. and Mrs. Earl Shinn received a letter from their son, Jack, who is an Air Cadet, Monday, stating that his flight instructor let him bring the plane in for a landing recently. Needless to say, Jack was plenty thrilled as would be any all-American boy.

Kem-Tone, that wonderful wall finish, can be used over wall-paper, one coat does the job. The Big Drug Store.

Advertising really goes places when you put it in the Co-Op News. Recently George Clark received a letter from California asking for some Bermuda onion plants. The writer stated that he had seen the advertisement in our paper.

## WOULD THAT BOY APPRECIATE SEEING YOUR NAME AGAIN?

Our boys in the service of Our Country were compelled to leave behind everything that really counts to them. Each of them hunger and thirst daily for any little thing that reminds them of home or puts new life into the still vivid memories of home. A letter, a card, a newspaper—or maybe a casual word with a fellow soldier who once trod the highways near home—bring them much satisfaction and encouragement. I'm sure this is true. I've enjoyed those experiences even though I have traveled in but about half the states of our Union—and these boys are traveling in nearly half the world.

Memorial Day is but a few days distant, and we feel that it is our duty to put forth a little unusual effort to possibly bring a little joy to our distant friends. Consequently, we plan a special page or two in the issue of May 26th. The printed word, even with all its fervent messages, is cold and inanimate. We want to go farther this time and will attempt to print the written signature of as many fathers, mothers, friends and business people as we can. But we must have the cooperation of everyone to do this. Zinc printing plates must be secured of every signature and they must all be sent to the plate manufacturer by May 23. To partially defray the expense of getting the printing plates made, mailing to all the boys in service, etc. we ask that 25c accompany each signature submitted.

Signatures can be left at the Co-Op News office, Clark's Store, the Co-Op Association main office, or mailed to the News office. Coin or stamps will be accepted in payment.

### Special Instructions

Write your name on a plain (unruled) piece of white writing paper, using black ink if at all possible. Kindly do not write your name so that it is longer than 2 1/2 inches long. (A sample signature, showing how your name will appear, is printed below. Let's really make this a personal message to the boys this Memorial Day.)

*Artley D. Pullum*

### DINNER HONORING PFC. KENNETH HORN

A dinner was held Sunday honoring Pfc. Kenneth Horn who is home on furlough, at the Granville Horn home. Those present were: Mr. and Mrs. Clarence Horn and Son, Mr. and Mrs. Howard Horn and family, Mr. and Mrs. Ford Meredith and family, Mr. and Mrs. Howard Clipp and son of Elkhart, Chas. Dorland of Calumet City, Ill., Mrs. Harve Mollenhour, Wilma Mollenhour, and Mrs. Winifred Maloy of South Bend. Afternoon callers were Mr. and Mrs. Chas. Horn and family of Talma, Mr. and Mrs. Ralph Robbins and sons of Fort Wayne and Mr. and Mrs. Jerry Robbins.

## ESTHER KELLEY MARRIED

Esther Kelley, daughter of Mr. and Mrs. Vere Kelley, of near Burket, became the bride of Jack W. Wise, son of Mrs. Doris E. Wise, of Dayton, Ohio, Saturday afternoon at 4 o'clock. The double-ring ceremony was performed by Rev. A. J. Bachman, of Detroit, Mich., at the home of the bride's parents. The couple was attended by Miss Fluella Rose Kelley, sister of the bride, and Lt. Leslie E. Troutman, of Washington, D. C. Preceding the ceremony, Harold Nelson, of Burket, sang, "I Love You Truly," and "Ah, Sweet Mystery of Life," accompanied by Miss Jean Bachman of Detroit. The bride attended Manchester college and Indiana university and is now a student in the Indiana university training school for nurses at Indianapolis. The bridegroom is a graduate of Purdue university, a member of the Triangle fraternity, and is now an associate of the naval ordnance laboratory of Washington, D. C.

Out of town guests were Mrs. Doris E. Wise and Miss Mary Miles, of Dayton, Ohio; Mr. and Mrs. John Bowman and daughter Amelia, of South Bend; Mrs. Delois White of LaPorte; Mr. and Mrs. Hale Hurd of Lucerne, and Mr. and Mrs. P. A. Blue and daughters, Barbara and Nancy, of Elmwood Park, Ill.

## WHESTONE MATTHEWSON

Mr. and Mrs. Lindsey Huffer, of near Claypool, received word recently of the marriage of their son, Cpl. DeVerle Whetstone, to Miss Junie Matthewson, daughter of Mr. and Mrs. George S. Matthewson of Chicago. The marriage took place May 4 in the Presbyterian church at Reno, Nevada. Cpl. Whetstone just recently returned to the west coast after having spent a furlough with his parents.

## CAP MANEUVERS AT

### SOUTH BEND MAY 30TH

The various Civil Air Patrol units in this part of the state will participate in the maneuvers at South Bend on Sunday, May 30th, starting at 1:30 o'clock. High CAP and army officials will review the units.

## MEMORIAL DAY PROGRAM

### AT MENTONE MAY 30TH

The committee in charge of the Memorial Day program at Mentone on Sunday afternoon, May 30th, announce that they believe they will have one of the nicest programs yet presented to the public in this vicinity. They have secured a speaker that not only holds a highly rated and responsible position with our armed forces but is also well known here. The program is varied and complete.

Come to Mentone Memorial Day to hear the following program:

Song ----- Audience  
Invocation ----- Rev. C. G. Vincent  
Song ----- Mixed Octet  
Introduction of Service Men  
Song ----- Mixed Octet  
Address, Lt. Col. A. Stanley Dodson  
Adjourn to Site of Honor Roll  
Music ----- Brass Sextet  
Adjourn to Cemetery  
Decoration of Soldier Graves by the  
Girl Scout Brownies  
Taps  
Benediction ----- Rev. Silas Hill

## MENTONE READING CLUB MET

### WITH MRS. PEARL LACKEY

Nineteen members and thirteen guests of the Mentone Reading club met Wednesday evening, May 12, at the home of Mrs. Pearl Lackey with Mrs. Mildred Greulich and Miss Francis Clark assisting.

The short business session was followed by a very enjoyable program. Miss Flora Holt talked on the subject of Consumer's Education. She had with her articles of clothing and samples to illustrate her points, and she also had some pamphlets to pass out to those who wished them.

The group then enjoyed a tableau entitled, "The Perfect Gift." Mrs. Marjorie Harrison was the reader and Miss Francis Clark presided at the piano while Mrs. Eileen Fenstermaker, Mrs. Mary Boggs, Mrs. Pearl Lackey, Mrs. Trella Tombaugh, Mrs. Dora Taylor, Mrs. Orpha Blue, Mrs. Faye Bunner, Mrs. Ruth Cullum and her two children, Jody and Jon, presented the tableau. The tableau was made complete by a violin and vocal solo by Miss Rowena Lackey.

This was the club's last meeting until next fall.

## HARROLD BOY ONLY SURVIVOR OF BOMBER CRASH

Cpl. Merl E. Harrold, son of Mr. and Mrs. Gail Harrold of south of town, is confined in a hospital at Walla Walla, Wash., following the crash of bombing plane while on patrol duty somewhere in the northwest. Cpl. Harrold was the only member of the crew to survive when the plane crashed and burned the first week in February.

The plane was on patrol duty some 300 miles from shore when two Japanese ships and a submarine were sighted. The lone bomber attacked, setting one ship afire. Concentrated anti-aircraft fire on the single plane was tremendous. One exploding shell killed the pilot and wounded Cpl. Harrold, who was a top turret gunner. He suffered wounds in his leg and hand. The copilot took over the controls and made an effort to bring the plane home even after two motors were put out of commission. Lack of power made a crash landing necessary as even though the plane did reach land it was unable to gain sufficient altitude to cross a mountain range. The bomber burned all aboard when it crashed. Cpl. Harrold escaped only because he parachuted out before the landing. He crawled to a nearby highway, as his right leg was broken, and was picked up and taken to an emergency medical station.

## CONSERVATION CLUB MEETS

Several members of the Mentone Conservation club, and the directors, met at the Lake Trail Cafe Monday evening. Several matters were discussed, and various motions made and carried.

The club still has room for many more members and all members of the board of directors were detailed to seek new members. The dues are 25c per year. The Palestine club, which requested the opportunity of joining with the Mentone club, was given the privilege of doing so. Mr. East, Ed. Shirey and Mr. McSherry were delegated as membership solicitors for that area.

NEWS?—PHONE 38

## MRS. BARBARA MCGOWEN DIED EARLY THURSDAY

Barbara Ellen McGowen, died at a few minutes past midnight Wednesday at the home of her son, Bert McGowen, five miles north of Mentone. Mrs. McGowen, who would have been 77 years of age next Wednesday, had been ill with a complication of diseases since last December.

The deceased was born near Milford May 26, 1866 to John and Mary Fawley and spent her entire life in this county. She moved from a farm east of Burket fourteen years ago. She was married to John McGowen in 1883. He preceded her in death 10 years ago. She was a member of the Pilgrim Rest Baptist Church.

Surviving relatives include three sons, Bert of Mentone, Melvin of Talma and Erman of Mishawaka; one sister, Mrs. Sam Truex of Wakarusa; 15 grandchildren and 10 great-grandchildren.

Friends may call at the Johns funeral home until Saturday at 8:30 a. m. when the body will be removed to the Bert McGowen home five miles north of Mentone. Funeral services will be held at the Pilgrim Rest Baptist church north of Mentone on Saturday afternoon at 1:30. Elder Elias Sarber will officiate and interment will be in the Palestine cemetery.

## A. E. HALL DIES FOLLOW-

### ING MAJOR OPERATION

A. E. (Dell) Hall, 70, residing at the corner of Hickory and Main Sts., in Warsaw, passed away at 7 o'clock Sunday morning at the McDonald hospital of pneumonia. He had undergone an operation on the previous Wednesday for hernia and was ill but a few days.

Mr. Hall, employed more recently at the Warsaw foundry, was a native of Indiana, living in the Mentone and Akron vicinities before going to Warsaw. He was a blacksmith by trade. He maintained membership for many years in the Mentone Baptist church.

Surviving is one daughter, Mrs. Melvin Michaels, of Glendale, Calif., and a step-daughter, living in Fort Wayne. Funeral arrangements were to be announced following the arrival of the daughter from California.

**T.H.E. CLUB HOLDS REGULAR MEETING**

The T.H.E. Club of Talma met at the home of Mrs. Sid Dick on Thursday afternoon, May 13th, with Mrs. Charles Good assisting.

The meeting opened with singing "God Bless America," after which

the club creed was repeated in unison. Roll call was answered with: Why Mothers Get Gray. A short business session was held. Mrs. Verdie Brockey gave a paper on "Canning," followed by a paper on "China," given by Mrs. Roy Hubbard. Mrs.

Ed Staldine read an interesting paper on "Our Youth." A contest was enjoyed, with Mrs. Lou Grove and Mrs. Ora Horn as winners. Refreshments were served to 12 members and two children.

#### 1943 DAIRY, POULTRY PRICES EXPECTED TO REMAIN HIGH

Lafayette, Ind., May 17.—Indiana farmers may expect prices of dairy and poultry products during 1943 to crowd established price ceilings, because the demand for these products at ceiling prices will be greater than the supply, say Purdue University extension agricultural economists. Upward revision of ceiling prices for some poultry and dairy products is expected, but even if this does not occur, farm prices of dairy and poultry products will average higher than in 1942.

The upward trend in the cost of production is expected to continue. However, increased costs during the next six months, as compared to a year earlier, will be more than offset by higher prices of dairy and poultry products and will result in returns continuing at a profitable level.

#### RUSSELL DILLMAN SUFFERS MASHED FINGER WEDNESDAY

Russell Dillman, employee of the Mollenhour Lumber & Mfg. Co., at Mentone, mashed the end of the little finger of his left hand early on Wednesday morning. He was ripping a warped board in a power saw, and his finger was jammed against the side guide when the board caught in the saw. The injury was dressed at the office of a local physician where it was determined that about all the loss Russell would suffer would be a finger nail and some valuable time.

**Diamond Hardest Substance**  
A diamond is from five to six times as hard as corundum, the next hardest substance.

## CLASSIFIED DEPARTMENT

### WANTED

By Local War Industry—Yardmen, night fireman—prefer elderly man—High School students with work permits. No experience necessary. Apply D. A. Pike Lumber Company, Akron, Ind. j2c

U. S. APPROVED WHITE LEG-HORNS—14 thousand for May 24-May 31-June 7. If Barred or White Rocks are wanted in June we must have your order at once. JOHN BORDER HATCHERY, 1/2 mile west of Bourbon, R. R. 2.

**WANTED:** An ambitious, wide-awake man or woman to look after renewals and new subscriptions for the popular, fast-selling magazine, **THE AMERICAN HOME**. It is easy, pleasant work, and it pays big commissions. Spare time only required. Write today to Director, Sales Div., **THE AMERICAN HOME MAGAZINE CORP.**, 251 Fourth Avenue, New York, New York.

**FOR SALE**—Dunham cultihoe, \$30. K. M. Mollenhour, Rochester, Ind., R. R. 2 or 2 miles south of Talma. Phone 712R. 1c

**CAN SPARE** three bushels early seed corn to someone needing same. No. 425 at \$7.00 per bushel. Manwaring Leghorn Farm, Mentone. 1c

**WANTED TO BUY**—Vacuum cleaner. John Morse, phone Burket 6 on 44. 1c

**FOR SALE**—Duroc male hog, old enough for service. R. G. Reed, phone 3 on 80, Mentone. 1p

Reaches more germs faster. **HERE'S A TIP.** I get better results applying full strength. Feel it take hold." At any drug store. Locally at The Big Drug Store.

## NOTICE

★ ★ ★

### To Our Time and Savings Depositors:

In view of past developments and the very definite future trend in the economic situation of the nation wherein bank deposits have risen from \$50 Billion in 1938 to \$100 Billion in 1943 with a further potential rise to \$160 Billion in 1945, and the continuing decreased demand for loans as a result of this increased national income, making it necessary for banks to resort almost entirely to low yielding Government Bonds as a source of safe investment for these surplus funds at a time when operating costs are rising rapidly, our Board of Directors has decided that, in the interests of sound banking and in accordance with the policy of lower interest rates being established by the government, it is advisable to discontinue the payment of interest on all deposits.

Therefore, we will discontinue the payment of interest on all Savings Accounts after June 1st, 1943, and on all Time Certificates of Deposit as they subsequently mature.

We assure you that as soon as conditions warrant we will resume the payment of interest and in the meantime we will continue to pay the taxes and insurance assessments on all deposits.

We invite you to continue to avail yourselves of the facilities offered by our Savings Department which provides the safest and most convenient method of saving. For others who do not maintain a checking account we shall be pleased to issue Demand Certificates of Deposit.

## MENTONE 4-H CLUB MEETS

The Mentone 4-H Club held its regular meeting at the School Building. Roll call was responded to with what I have done to help win the war." A talk on how to select pattern and material for a dress was given by Fay Sarber. Plans for Achievement Day were discussed. One guest, Miss Doris Flenar, was present. It was adjourned to meet again on May 25.

## FARM NEWS

(AAA Newsletter)

Soybeans produced in 1942 will not be eligible for the 1943 support price. Urge farmers to sell 1942 crop now. Processors need soybeans.

Additional items of farm machinery will be placed on non-quota basis in the near future.

Farm machinery and supplies situation is not entirely satisfactory, but is improving.

The army relies on farmers for a lot of other things besides food. Your soybeans make the glycerine that fires out anti-tank shells. Oil from your castor beans soften the lining of army shoes. Cotton goes into our liferafts, our raincoats, our explosives and the tires for our jeeps, ambulances and trucks. Wool makes our uniforms. Even in an 80 mm. gun mount there's enough wool to make a woman's skirt. Your peanuts provide cooking oils, thereby releasing other oils for explosives.

Petroleum administration pledges a full supply of gasoline for farm production, even though possible cuts in civilian supplies may become necessary.

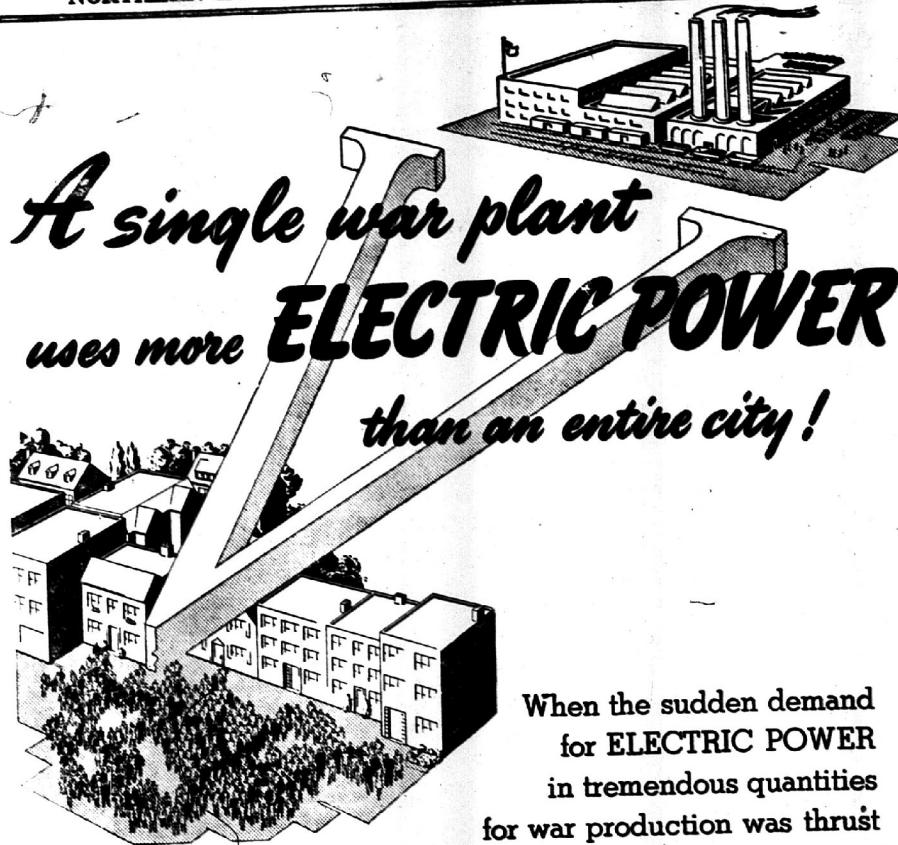

Lend-lease shipments for first three months this year, of all meats, was 437 million pounds (dressed weight equivalent). For all milk products, 600.5 million pounds (fluid milk equivalent).

The War Food Administrator has requested the WPB to authorize production of 9,530 additional combines, 4,460 corn pickers and 2,000 pick-up balers to relieve harvest labor problem.

Preliminary requests for 1944 farm machines 80 per cent of the 1940 production of farm implements.

## Urges Attention to Gutters

Federal Housing administration cautions that leaky and corroded gutters and downspouts often cause serious building damage by resulting in ruined and unsightly walls and ceilings, as well as considerable deterioration of exterior materials, some of which are practically irreplaceable for the duration of the war. Further deterioration of metals which are subject to corrosion may be retarded by the use of suitable paint, says FHA.

*A single war plant*  
uses more **ELECTRIC POWER**  
*than an entire city!*

When the sudden demand for **ELECTRIC POWER** in tremendous quantities for war production was thrust upon us, this company was able to meet the emergency promptly because of our efficient, interconnected electric transmission system and an experienced organization of men and women back of it with the "know how" to run the system properly. Only with the flexibility of interconnection is it possible to meet the sudden and unexpected demands of war production.

Due to the foresight and planning of the management of our company, Northern Indiana was fortunate to have a well integrated, interconnected electric transmission system, built up through years of effort, which enabled Northern Indiana war production to go "full speed ahead" here without delay. Today as never before, **ELECTRIC POWER** is needed in both homes and industries—and while the gigantic demand in war industries still grows, we are putting forth every effort to meet it, and at the same time maintain our dependable, economical service to you.

## Church Notes

### CHURCH OF CHRIST Mentone, Ind.

Bible Classes ..... 9:30 a.m.  
Bible Study (Thursday) .. 8:00 p.m.  
A hearty welcome to all.

### FIRST BAPTIST CHURCH Mentone, Ind.

You Are Ever Welcome to This  
House of God

Thomas Dreier, writer and editor, writes, "I agree with Emerson that 'the greatest enterprise in the world, for splendor, for extent, is the up-building of a man.' It is necessary for all of us, young and old, to idealize something, to have a goal far be-

yond our reach, and as Stevenson said, 'to keep travelling hopefully toward it.' Trained Sunday school teachers of the right quality can awaken in young people a desire for a finer, richer, fuller life, and, from what I've learned, it is in the Sunday schools that young minds are fed nourishing truths in obedience to that greatest of all commands, 'Feed my lambs. Feed my sheep.'"

Our Sunday school teachers are teaching and feeding their supreme truths to our young people. Bring them this Sunday.

Evening Service ..... 8:00 P. M.  
Thursday Evening ..... 8:00 P. M.  
Prayer and Bible Study.

E. COLEMAN RALSTON, Pastor.

Another of the Victory Heroes series, this poster is being distributed during May to more than 38,000 classrooms in the Illinois and Indiana territory of the Chicago Motor club.

With the approach of the summer vacation season, the motor club is again concentrating on persuading parents to provide safe outdoor play yards for their children. Yards with simple but interesting equipment will keep the children from playing in the streets and will aid in the fight against juvenile delinquency by keeping the children occupied.

### NUGGETS FOR BEREANS No. 60

A PRAYER FOR UTTERANCE. Eph. 6: 19, 20. As the apostle comes to the close of his epistle, he asks that the saints of Ephesus pray for him. This prayer is threefold as follows:

1. THAT I MAY OPEN MY MOUTH BOLDLY. Thus speaks a man of like infirmities as ourselves. He knew what it was to have a feeling of shrinking. He could sympathize with a timid spirit (2 Tim. 1:7). He knew what it was to be despised. He knew that wherever there was "an open door" there would be also "many adversaries." Did he ever become discouraged when he had to labor with his hands to furnish the bare necessities of life?

2. THAT HEREIN I MAY SPEAK BOLDLY. He is in chains. Yet he prays that he may be given utterance to speak boldly in chains. This might be a good place for us to pause and think. Are we willing to speak boldly when free and without opposition? But maybe Paul did need the night vision in which the Lord said to him, "Be not afraid, but speak, and hold not thy peace: For I am with thee, and no man shall set on thee to hurt thee, for I have much people in this city," (Acts 18:9, 10).

3. AS I OUGHT TO SPEAK. Here is the realization of a debt, a duty. What less could one do who followed the One Who despised the shame, bore the cross, took the abuse, and

died that he might live? Paul never turned back. He was a scholar, not used to physical blows. He felt his own unworthiness and felt that he appeared as a boaster as he gave forth the message which Christ entrusted him with. He may have shrunk from the mob at Corinth, but he was ready to face the mob at Ephesus, and the enraged Jews at Jerusalem. He could write to the Philippians:—"That with all boldness, as always, so now also Christ shall be magnified in my body, whether by life or by death."

—Oscar M. Baker.

### HOME ECONOMICS CLUB MET AT COX HOME THURSDAY

The Mentone Home Economics Club met on Thursday, May 13, with Mrs. Maude Cox. She was assisted by Mary Borton and Linnie Vernet. The creed was read and the club prayer sung. The song of the month, "Annie Laurie," was sung by all.

Roll call was answered by 16 members.

Miss Janalyce Rouls gave a very interesting lesson on "Fitting of Dresses."

The secretary's report was read by Esther Sarber due to the absence of the regular secretary, Mabel Warren, who is in the hospital.

A canning school was announced for June 1st at the Mentone School Building at 1:45 p.m. All ladies of the community are invited.

Guests were: Miss Rouls, Mrs. Lydia Sanders of Warsaw, Mrs. C. Ralston, Mona Lue Darr, Joyce Lee McIntyre and Sue Ann Borton.

The June meeting will be held with Effie Rathfon.

High bidders at the auction were Maude Cox and Lena Anderson.

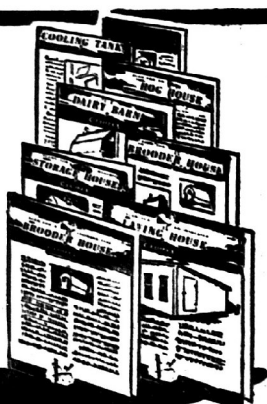

Refreshments were served at the close of the meeting.

## Eliminate the Production Bottlenecks on Your Farm NOW!

The "Food for Freedom" goals set by the Department of Agriculture call for the greatest agricultural production in all history. Every "farm factory" has been conditioned to the hilt to meet its quota in this all-out effort. Don't let your production drive bog down because of inefficient or obsolete farm buildings!

Only well-planned, properly-constructed stock quarters, poultry houses and crop storages can insure continuous capacity pro-

duction . . . and protect your profits! It's easy and economical to erect such buildings today with the tested Celotex Farm Plans! Developed by expert farm architects after months of painstaking research . . . the plans have been used by hundreds of farmers without the change of so much as a single comma in the specifications . . . let them be your guide to the placing of your farm on a capacity war production basis!

NORTHERN INDIANA  
COOPERATIVE ASSOCIATION

## TOUGH, EFFICIENT ENGINEERS LEARN TO LEAD THE WAY

(The following article was sent by Pvt. Lewis F. Fawley to Adam Bowen, and although it is definitely a reprint of a service publication, no identification was given.)

Rigorous training under closely simulated combat conditions is rapidly welding the 309th Engineer Combat Battalion of the 84th Div. into a tough, efficient outfit, which, while doing a job of building tank traps, bridges, roads and performing the other functions will, in the traditional style of the "Fighting Engineers," be giving the enemy a lot of headaches.

Included in the training is what Lt. Col. D. McCoach III, describes as a mental conditioning course. The course consists mainly of teaching the men to realize the necessity of keeping close to the ground when getting through barbed wire entanglements, when coming out of shell holes and at all other times when approaching enemy positions. For greater emphasis on this necessity, a machine gun is fired a few feet from the ground over the group's heads. Sticks of dynamite thrown among the men, says Colonel McCoach, keeps them moving at an accelerated pace.

Most of these men are, as far as length of Army service is concerned, green at the game. However, many of them have had considerable engineering training and experience, and are

adapting themselves to their duties as Army engineers with an efficiency and enthusiasm that exceeds the expectations of those in authority.

Because it is a tradition of the Engineers that they "work all day and fight all night" the 309th receives the best possible training in the use of combat weapons. They have shown great proficiency with all weapons, that they will use, including everything but the mortar and heavier weapons.

In addition to their program of training, the 309th performs a great many services to the camp. Theirs is the responsibility of supplying the post water. They also built the battle practice course for the 84th and 86th divisions. The close combat course, a valuable training program, in which the conditions of jungle warfare are simulated by targets which bob up and down in unexpected places was also constructed by these versatile soldiers. When ordered to make a million square feet of camouflage, the battalion was not stopped by the fact that there was no netting available; they constructed their own.

During the time that they carry out the rest of their assigned functions, the 309th finds time to conduct a demolition school, and assisted by the 84th Reconnaissance Group and the Ammunition and Pioneer platoon of an 84th Infantry Regiment, blew up three bridges that will be covered by water backed up by the Denison Dam. The bridges will be used

## WOULD THAT BOY APPRECIATE SEEING YOUR NAME AGAIN?

Our boys in the service of Our Country were compelled to leave behind everything that really counts to them. Each of them hunger and thirst daily for any little thing that reminds them of home or puts new life into the still vivid memories of home. A letter, a card, a newspaper—or maybe a casual word with a fellow soldier who once trod the highways near home—bring them much satisfaction and encouragement. I'm sure this is true. I've enjoyed those experiences even though I have traveled in but about half the states of our Union—and these boys are traveling in nearly half the world.

Memorial Day is but a few days distant, and we feel that it is our duty to put forth a little unusual effort to possibly bring a little joy to our distant friends. Consequently, we plan a special page or two in the issue of May 26th. The printed word, even with all its fervent messages, is cold and inanimate. We want to go farther this time and will attempt to print the written signature of as many fathers, mothers, friends and business people as we can. But we must have the cooperation of everyone to do this. Zinc printing plates must be secured of every signature and they must all be sent to the plate manufacturer by May 23. To partially defray the expense of getting the printing plates made, mailing to all the boys in service, etc. we ask that 25c accompany each signature submitted.

Signatures can be left at the Co-Op News office, Clark's Store, the Co-Op. Association main office, or mailed to the News office. Coin or stamps will be accepted in payment.

### Special Instructions

Write your name on a plain (unruled) piece of white writing paper, using black ink if at all possible. Kindly do not write your name so that it is longer than 2½ inches long. (A sample signature, showing how your name will appear, is printed below. Let's really make this a personal message to the boys this Memorial Day.)

*Artley D. Cullum*

## News of Mentone and Vicinity

Allen Blue has returned to Mentone to catch up on his visiting with old friends and neighbors.

Earl Rush and son Jackie, of Detroit, spent the week end May 15th with the former's parents, Mr. and Mrs. Bert A. Rush.

Canning sugar blanks at Clark's.

We've been informed that Newton Barkman, life-long resident of New-castle township, has sold his farm and moved to Elkhart.

It has been reported that Wayne Besson has been visiting home folks. He is stationed at Camp Livingston, La.

Bread—Two twenty-ounce loaves for 19c. Clark's.

Richard Dean, two-year-old son of Floyd Bixler, had his tonsils removed at the McDonald hospital at Warsaw Tuesday.

Several of the Mentone boys who are stationed at the Peru Naval Base have been occupied in combatting the flood waters that reached serious proportions there this week.

Tomato, Cabbage, Mango, Pimienta and Egg Plants at Clark's.

Edna Louise Whetstone, 17-year-old daughter of Mr. and Mrs. Dewey Whetstone, underwent a tonsillectomy Tuesday at the McDonald hospital at Warsaw.

Sgt. Clarence DeTurk returned to Camp Livingston, La., Monday evening after spending a ten-day furlough with his parents, Mr. and Mrs. Walter DeTurk, of near Claypool.

All kinds of plants at Harold Markley's. North Broadway. M19

Earl Rush and son Jack and Roy Rush and daughter Eleanor Frances were Saturday evening visitors at the Ray Rush home.

Fresh choice beef and pork at Clark's Saturday.

Byron Nellans is enjoying a nine-day furlough with home friends after graduating from his "boot" training at the Great Lakes Naval Training Station.

M. Roy Rush, accompanied by his daughter Eleanor Frances, made a business trip to Detroit this week, and while there were guests at the wedding of Emigene Bachman and Brick Kelley.

Dressed chickens at Clark's Saturday. Call your orders ahead if possible.

Mr. and Mrs. Eugene Lancaster and two children, of South Whitley, were guests at the Artley Cullum home Sunday. Afternoon and evening callers were Mr. and Mrs. I. E. Coleman, of the Manchester Printing Co., at North Manchester.

Don Rush returned to Mentone Sunday after spending several days with his sister and family, Mr. and Mrs. Forrest Hoffer of South Bend. Miss Virginia Rush returned with Mrs. Hoffer and son Jimmie Sunday.

Mrs. Clemmie King of Fairfield, Ia., and Mrs. Lottie King of South Bend, left Saturday evening to return to their homes after visiting the most of last week in the home of Mr. and Mrs. Lewis Foor. Mr. and Mrs. John Weisert, of Plymouth, were callers in the Foor home Sunday afternoon.

A family birthday dinner was enjoyed at the J. D. Long home on North Broadway street Sunday. The guests were Mr. and Mrs. C. E. Coon of near Argos, Mr. and Mrs. Leo Long of Wabash, Mr. and Mrs. Truman Long and son Malcolm of west of Mentone, Justin Long and Marjorie Long of Chicago and Sylvan Long and Miss Eash of Rochester.

Jody Cullum has been visiting with friends at South Whitley and Nickie Carey, of South Whitley, is assisting with the juvenile misdemeanors in the southwest corner of town.

## CHANGES ANNOUNCED IN CANNING SUGAR REGULATIONS

Immediately following the canning sugar regulations issued last week, Washington officials announced that a stamp in ration book one would be designated as being good for ten pounds of canning sugar. This is to be secured without any formal application to county ration boards. If the balance of the allotted 25 pounds (15 pounds) is needed or desired, application must be made to the county boards for this additional amount.

The regulation appears to be one of much value in that it will alleviate the arduous processes usually encountered in making formal applications. To many, the ten pounds per person will be sufficient.

## CHARTER NIGHT PROGRAM AT CULVER NEXT TUESDAY

Another new Lions club has been organized in this part of Indiana and the official charter night program will be held at Culver on Tuesday evening, May 25th. All Lions and their wives and friends who desire to attend this affair are advised to notify Artley D. Cullum, deputy district governor, before next Tuesday.

## HAVE YOU LEFT YOUR NAME FOR THE SOLDIER PAGE?

Since the announcement last week that we were proposing to print a special page for the soldier boys in our issue next week—May 26th—we have received a number of signatures. However, there are others who have expressed a desire to have their names included but yet haven't arranged to do so. The names must be secured by Saturday night, May 22. The plan, as explained on another page of this issue, is to reproduce the exact signatures on this special page. Would you like to have your signature printed and sent to all the soldier boys? Read the ad in this issue.

## FAREWELL PARTY

Mr. and Mrs. Ora Tucker, of Mentone, entertained at a farewell party Thursday evening of last week in honor of Albert Tucker, who left Saturday for the army. Those present were Mr. and Mrs. Jess Jones, Mr. and Mrs. Richard Jones and Martha Ann of Warsaw, Mr. and Mrs. Turner Boggs, Mr. and Mrs. Donald Boggs and son, Clinton J., Mr. and Mrs. Max Smith and son, Claire, of Mentone, Lilly Tucker, Mr. and Mrs. Ralph Tucker, and Mrs. Charles Rodger, of Akron, and guests of honor, Mr. and Mrs. Albert Tucker. Ice cream and cake were served to the guests.

## GOVERNOR URGES WORK ON HOLIDAY MONDAY

Gov. Henry F. Schricker has called upon Hoosiers to observe Memorial day on Sunday, May 30, instead of the next day in order that there will be no halt in war production.

Indiana law provides that legal holidays falling on Sunday are to be observed the following day.

"I am not trying to set aside the law, but I am appealing to the citizens of Indiana as a matter of patriotism," the governor said. "I have thought about this for some time, and have the support of labor leaders and the American Legion in asking that Monday, May 31, be a day of work for the war effort, instead of an occasion for the observance of Memorial day."

Mrs. Bessie Matthews, who is enjoying vacation from her duties as nurse in the Dr. Wm. H. Parmenter home in Mishawaka, left Thursday, after several days visit with her daughter, Mrs. Franklin E. Newton, and family, of near Mentone, for an extended visit with her son, Captain John W. Matthews, at North Charleston, South Carolina, who is the executive overseas supply officer at the port of Embarkation.

## To Celebrate Memorial Day

Appropriate Services at Baptist  
Church Sunday After-  
noon, May 30th

### TO DEDICATE HONOR ROLL

Erecting Permanent Memorial to the  
Boys Serving In World War II

### RESERVATIONS FOR RELATIVES AT CHURCH SERVICE

Special Invitation Extended to All  
Next of Kin.

Mentone is planning on a very appropriate and complete commemoration and dedication service on Sunday afternoon, May 30th. In conformity with the spirit of the day, memorial services will be held at the Baptist Church, starting at two o'clock in the afternoon. Every citizen of the community, and all Service men home on leave, are given a special invitation to attend. A mixed octet will render several selections and a brass sextet will play. The school band will play at the cemetery services following the church services.

#### Former Minister to Speak.

Lt. Col. A. Stanley Dodson, former pastor of the Mentone Baptist church and now a chaplain in the Air Transport Command, will be the speaker of the day.

#### Services At Honor Roll Memorial

Immediately following the services at the church, appropriate dedicatory services will be held at the location of the new honor roll being erected on the lots just west of the old hardware building on Main street. This memorial is being erected by the people of Mentone and vicinity and will carry the names of all those serving in the armed forces.

#### To Decorate Soldier Graves

The Brownie Girl Scouts will decorate all the soldier graves at the cemetery as a fitting climax to the activities of this Memorial Day.

## MORE HONOR To All of You

HERE'S an Honor Star for every man in this territory who is now in uniform and who is doing his part to make this world a safe place in which honorable people can live in peace. Yours is a duty which will be remembered forever by decent people of the world. We are proud of you . . . and extremely grateful!

### THE CO-OP NEWS

#### CANNING SUGAR NOW AVAILABLE ON COUPONS 15 AND 16; LIMIT 10 POUNDS

Coupons 15 and 16 in war ration book No. 1 are now good for five pounds of canning sugar each, the local rationing board has announced. One of the coupons should supply enough sugar for all early canning, the board said, urging that the other one be held until the need for the other five pounds is definitely established. The coupons will be good for the rest of the year, it was said, so

residents need be in no hurry to take action.

A policy of waiting was also urged in applying for 15 additional pounds of sugar per person which the board can allow. If the present application rush continues, it was stated, the office force will be swamped and return of ration books — which must accompany each application — may be delayed. If applications are made only when the need for extra sugar arises no rush will occur and ration books can be mailed back on the day received.

#### ORA ANDERSON PASSES AWAY

Ora Anderson, 66, passed away at his home 6½ miles south-west of Mentone, where he has been a victim of paralysis for the past 22 months.

He was born Sept. 19, 1877 in Fulton county and died 10 a. m. May 19.

On January 18, 1902, he married Minnie Laird and 15 years later he moved to the farm where he became ill. He was a farmer by vocation and was a member of the Sycamore Church of Christ.

Survivors are: the widow, Minnie; one daughter, Bernice, Indianapolis; one son, Ernest, Fort Sill, Oklahoma; two brothers, Emory, Mentone; Lay, Argos; one half-brother, Wilvin Long, near Mentone; one sister, Laverda Anderson, Garret, Indiana.

Funeral services will be held Saturday afternoon at 2:00 at the Mentone Church of Christ, with J. S. Johns of Indianapolis officiating. Interment will be in the Sycamore cemetery.

#### SERVICES HELD FOR

##### WILLIAM O. SMITH

Services were held last Monday afternoon at the Mentone Baptist Church for William Omer Smith, 73, with Rev. Silas Hill officiating.

The deceased was born in Kosciusko county on August 4, 1870, to John and Silas Smith. He was married to Emma Jefferies in 1892. He has been a farmer all his life up to the time when he became ill last March. Death overtook him at the home of his daughter, Mrs. Roy Eherenman, of Burket. Survivors include: 3 daughters; Mrs. Roy Eherenman, Burket, Vesta Swihart, Akron, and Ruth Pontius, Silver Lake; one son, Merl, Warsaw; one brother, Ora; one sister, Bertha Sarber, Mentone; 23 grandchildren, and 20 great grandchildren.

#### MAKE APPLICATION FOR NEW

##### RATION BOOKS JUNE 1 to 10

During the past few days every family should have received a numbered cardboard application for War Ration Book No. 3. These applications must be mailed between June 1 and June 10. Only one application is made for an entire household and if you failed to receive an application, you should immediately secure one from your postmaster.

## Soldier Letters

Fort Sill, Okla.  
May 18, 1943

Dear George,

I'm sending you my picture under separate cover. I'm sorry to have delayed so long in complying with your request. But, things here at Fort Sill are like all the other Service schools—pretty rushed!

I am in the midst of preparing a new set of objective examinations for the O. C. S. Motors. Once these new exams are worked out they must be given to several hundred men to establish standards or norms. This process involves time, so I'll be swamped for the next several weeks. In addition to regular duty, we are running study hall five nights a week for about three extra hours. But these hours are small compared to those being kept by friends and classmates in both the Atlantic and Pacific areas. . . . No pep talk intended—just a statement of facts! Much of the research work being done at Fort Sill is of a restricted nature and we can't talk about it, but some of the Massed Fire Technique which we have worked out would be interesting to anyone who is inclined to like math. Some of

these techniques were tried out in Africa and on Guadalcanal with very good results. I wish you could see one of the Massed Fire demonstrations. In brief, a battalion of field artillery can now be handled as a unit much as a battery of four guns were fired in World War I. A battalion has three batteries of four guns each, or twelve guns. An infantry division, working through the Division Artillery Commander, can mass all the fires of the artillery (four battalions—48 guns). I have seen a Corps Artillery (96 guns) massed fire demonstration. When these numbers of guns start hammering a certain point of resistance it doesn't resist very long! It was such massing of superior artillery fires that drove Rommel out of Africa. As to the details of how this much fire is massed within an area in a few minutes, I'll have to wait and tell you after the war is over. Naturally, it involves—as does all modern warfare—very close teamwork.

I mention this to you because many people do not realize the efforts expended by the artillery of the army to keep abreast of opposing armies of the world. We don't get all the publicity other branches get, but when battle comes, the opposing land forces are driven out by our super-

ior firepower of the artillery. The Field Artillery School, under the capable leadership of a series of excellent Commandants, was ahead of the German army when war came. Techniques and new methods now under development will keep us ahead. Again, I wish you could see one of our demonstrations—then you would understand why the Japs and Germans fell back under the artillery pounding they received.

Please give our regards to all our friends in and around Mentone.

Your sincere friend,

Ernest W. Anderson, Major, F.A.

April 9, 1943

Mentone News,

Greetings from no man's land. I have been asked to report from way down here in the South Pacific.

This leaves me well and in good spirits. Except for the heat and flies everything as far as I'm concerned is just fine.

I hope everything is o. k. at Mentone. Haven't had the opportunity to meet anyone from home as yet. But we will all meet again some day.

I'd like to take this opportunity to say hello to the rest of the boys in Service from Mentone. And wish to bid them God speed.

I'm sure the rest of you fellows are doing yur best and getting on good in the army.

Would like to trade places with you guys in Iceland. It is too hot here. But we can endure the heat and cold as long as we live and are able to fight.

I've seen little action so far. Have seen numerous dog fights though which makes a person quite uncomfortable at time. Who cares for comfort though as long as we win. Come on Bulldogs, let's show them Mentone has some scrappers. And let's put Mentone on the map. We

can do it and we will do it, won't we?

Sorry this is so short but I have a little work to do. So must close for now.

Will write more next time. You folks at home keep the fires going. And I'm sure we'll all be home soon.

This is hello to everyone, from the South Pacific. Be good all, and God be with you.

Yours sincerely,

Cpl. Jesse D. Grubbs.

P. S. Please tell Mr. Christian and Mr. Paxton that they should save some fox for us when we return home.

### AT CHAPLAIN SCHOOL

Chaplain (1st Lt.) C. C. Collins, a former pastor of the local Methodist Church, is now attending the Army Training School for chaplains located on the campus of Harvard University at Cambridge, Massachusetts. He has been assigned to the American Air Force, Southeast Training Command, with headquarters located at Maxwell Field, Alabama. Chaplain Collins will serve at some post in the southeast area composed of ten southeastern states.

### To Jobs in Automobiles

It has been estimated that 82 per cent of Americans normally get to their jobs in automobiles.

## Soldier Letters

Camp Barkeley, Texas  
May 15, 1943

Dear Geo. and Family:

How's everybody up in the home town. I'm really deep in the heart of Texas, but I like it a lot George. The country here is very beautiful, cool at night but very hot in day time. Too have a lot of rain and mud. I've been here two weeks. I have one more week of basic training then go to cooking and baking school eight weeks. By getting some meat experience from you George it really helped me get what I wanted.

They keep us busy here and not much time to write, but will do the best I can.

George is there anybody here that I know? So if you have any address of anybody here I know, please tell me.

We have very good food. A lot of pork and not any beef but plenty of it. Seems funny as they don't raise much pork in this part of the country and do have a lot of cattle but we don't get any. Ha! Ha! Such is life in the army. Army life is very interesting, hard work but fun. I have lost some of my stomach but the same in weight. Well, George, I must close and it is time for chow.

So be good. Write.

Your Friend,

Pvt. Dean C. Bowen.

Camp San Luis Obispo, Cal.  
April 25, 1943

Dear George:

Well how is the stamp business by this time? I guess you keep getting

more every day.

I am back to the same old grind again now. Although I did have a swell time while I was home on my furlough.

Now just a little about what I do out here. I am driving a truck part of the time which I like very well, but the rest of the time I put in drilling and training in the squad, which I don't like so well. We also have some parades, at least one every three weeks.

I guess I can't complain too much though, as I am in the nicest camp I have ever been in, and I have been in several—six to be exact.

We sleep in 6 men huts and the camp is all enclosed by mountain ridges which are all green with trees, grass and wild flowers growing all over.

I guess I have said about all that I dare to, so I will close.

I want to say hello to all the readers of the Co-Op. News.

Wishing you the best of luck.

Just a Soldier Friend,

Pfc. Dwayne Bergstrom.

P. S. I wish it was so I could have my wife and daughter with me. It would surely help a lot.

May 6, 1943

Dear George,

Just a line to let you know that I haven't forgotten the pleasant time I spent in Mentone, the many friendships gained and the interesting conversations that you and I had.

During the two years that I have been in the service, most of the time has been spent in different parts of Texas. After infantry training near Mineral Wells I was assigned to the 45th division, where I worked in division headquarters. We were then stationed near Abilene in west Texas. Since that time I have been stationed at San Antonio, Brownwood, Houston, and several other places. Last fall I was fortunate to be sent as a student in army administration to Mississippi Southern College, Hattiesburg, Miss. During the term we were near New Orleans and able to visit many interesting places in the

## KILL Those Pesky Critters That Give Your Cows the Jitters

When pesky, bitin', buzzin' flies start climbin' your cow's framework, how can she do anything else but wiggle and shake and switch her tail? How can she keep her mind on givin' down her milk?

She can't, unless you get rid of the flies . . . kill 'em so they won't start holdin' conventions on your cows at milkin' time. Watkins Fly Spray'll kill 'em! Yes Sir! The Government calls it a double AA spray an' says that's the highest rating it can give any spray. And it really kills flies!

You can use it anywhere . . . in the house or barn or milkhouse. Won't taint milk or stain things. Let me tell you more about it when I call. My other specials will save you money.

## KEITH DORAN MARRIED

Lt. (j. g.) and Mrs. Keith Doran left Wednesday for San Francisco to make their home, where Lt. Doran will be stationed for the next two months. Mrs. Doran, the former Elmore Hatfield, daughter of Mr. and Mrs. Glen Hatfield, Burket, and Lt. Doran, son of Mr. and Mrs. Virgil Doran, of Burket, exchanged marriage vows in a candle-light service Saturday evening at 7:30 o'clock in the First Methodist church chapel at Bloomington, Ind. The single-ring ceremony was read by Rev. McFall. Miss Delta Dean Doran, sister of the bridegroom, attended the bride as maid-of-honor, and Hal Doran, brother of the bridegroom, acted as best man. The bride chose a white suit trimmed in black with black accessories and wore an orchid corsage. Miss Doran wore a powderblue suit with black accessories and a corsage of red roses. Lt. Doran's home base is at Pearl Harbor, Hawaii.

Mr. and Mrs. Edison R. Vandermark, of Palestine, report that word from their son, Paul Vandermark, who is located somewhere in the South Pacific, states that it is awfully hot but that he is feeling fine and gaining weight. He stated that there are five boys from Warsaw on his ship.

Mr. and Mrs. Irvin Snyder enjoyed a visit from their son, of Flint, Michigan, a few days last week.

## C. G. VINCENT AT CHURCH OF CHRIST SUNDAY

C. G. Vincent, of St. Louis, former pastor of the Mentone Church of Christ, will be the speaker at both the morning and evening services on Sunday, May 30th.

Mr. Vincent, a former missionary in Japan, will have as his evening subject: "Why Japan Cannot Win This War."

Stella Meredith was taken to the Woodlawn hospital at Rochester Saturday morning for further medical treatment.

Mrs. Frank Warren, who recently underwent an operation for goitre at the Woodlawn hospital at Rochester, was returned to her home here on Tuesday.

Rev. E. Coleman Ralston pastor of the Baptist church, underwent a hernia operation at the Woodlawn hospital at Rochester last Thursday.

Mr. and Mrs. Arthur Brown, of Chicago, spent Thursday in Mentone. Mr. Brown came down to letter some memorial stones for the monument company.

H. O. Blodgett reports that he received a telegram from their son, Robert Blodgett of Flint, Michigan Saturday stating that an eight pound daughter had been born that morning at the Constantine hospital. Mr. Blodgett is employed at the Ford Willow Run bomber plant.

## THIS ISSUE DELAYED

Final printing of this issue of The Co-Op. News is being held up awaiting the arrival of a printing plate to be used on the special Memorial Day page. This special page contains the signatures of a number of individuals of this vicinity, and although time did not permit much solicitation other than through newspaper advertising, we trust that all the boys in the service will appreciate the message of best wishes and good will which the signers extend.

## Prevented Electric Power Shortage

Five thousandths of an inch of copper plating recently averted a threatened electric power shortage in the Boston war production area. A vertical steam turbine in a power plant developed a bad "chatter" and had to be shut down. Replacement of the worn 65-ton shaft measuring two feet through and towering 30 feet would have meant costly delay. An electro-deposition of copper on the shaft, varying in thickness from two to five thousandths of an inch, put it back in service within 24 hours—the largest plating undertaking ever attempted.

NORTHERN INDIANA CO-OP NEWS

# Memorial Day

No matter how we look at war . . . we cannot overlook the supreme courage and sacrifice of those who gave their lives and who are giving their lives now for Freedom's cause. Surely it is fitting that one day a year should be set aside for the purpose of honoring our soldier dead.

But this Memorial Day we must do more than that! We must not only resolve that our brave men shall not have died in vain, but we must make sure! Even while our nation hurls men and machines against the enemy, we must plan the future intelligently. That toy-playing son of yours must not be another draft number in the "goldfish bowl" of 1963.

What do we want out of this War? Isn't it to "the fundamental rights of all the various peoples cured" PERMANENTLY?

This nation needs the support of every American in the determination that this war will not be ended by another. This time we've got to win the this time there must be no compromise between justice and injustice; no yielding to expediency; no swerving from man rights and liberties! We won't have a free any other way!

PUBLISHED in the INTERESTS of an ENDURING PEACE by the INDIVIDUALS and BUSINESS FIRMS listed below: who believe these sentiments reflect the will of this community, and who realize to build a better and more prosperous community, it is necessary for progressive citizens to publicly express themselves in matters of this kind.

# NEWCASTLE

TOWNSHIP NEWS

By Lavoy Montgomery

Mr. and Mrs. Lou Grove spent a few days with his sister, Mrs. H. E. Imler, of Logansport, recently.

Rolland, the small son of Mr. and Mrs. Robert Calvert, has been on the sick list.

Mr. Charles J. Good spent Sunday in Warren, the guest of his parents, Mr. and Mrs. Frank Good.

Mrs. Ralph Hatfield was a business visitor in Rochester Friday afternoon.

Mrs. Frank Coplen, Mrs. Bill Coplen and son, Steve, and Mrs. Harry Wenger and son spent Friday afternoon in Rochester.

Miss Eva Matthews, daughter of Mr. and Mrs. Gail Matthews, underwent an emergency operation at the Woodlawn Hospital at Rochester for appendicitis. Her condition is improving.

Mrs. Loren Kramer, who has been in the Woodlawn Hospital at Rochester for treatments was removed to her home here Saturday morning.

Mrs. Elmer Lamb and infant son, Charles Paterick, have been removed to their home here from the Woodlawn Hospital in Rochester.

Sonny Green is confined to his home on account of illness.

Mr. and Mrs. Harry Wenger, and son, Danny, were the dinner guests of her mother, Mrs. Frank Coplen, Sunday.

Mr. Robert Tippy of Elkhart spent the week-end here the guest of his friends.

Mr. and Mrs. Sid Dick and son, Jimmie, spent Saturday evening in Rochester.

Mrs. Gail Matthews is taking a leave of absence from her duties at Kingsbury on account of illness in the family.

Betty and Bob Kramer attended the Times Theatre at Rochester Tuesday evening.

Mr. and Mrs. Howard Daniels, of Chicago spent the week-end here at their home.

Mrs. Lee Tippy, who has been ill is improving.

Mr. and Mrs. Wilbur Utter and family, of Fulton were the Sunday guests of her parents, Mr. and Mrs. Russell Walters.

Mr. and Mrs. C. M. Walker spent Tuesday afternoon in Tippecanoe with friends.

Mr. and Mrs. Fred Barr, of East Chicago, Indiana were the guests of her parents, Mr. and Mrs. Frank Arter, recently.

Mrs. Frank Arter called on the Misses Alice and Nora Haines Sunday evening.

Mr. and Mrs. Robert A. Calvert and family spent Saturday evening in Rochester.

Rev. Harlin Waite, of Bourbon, who is the pastor of the local Methodist church will leave the last of the week for a visit with his parents of Los Angeles, California. Mrs. Waite and daughter, Becky, have been out there for the past two weeks visiting her parents and other friends.

Mr. and Mrs. Dick Wiley, of Bourbon, and Mr. and Mrs. Sid Dick and son, Jimmie, spent Sunday afternoon and evening in Logansport.

Mr. and Mrs. Ted Hubbard, of New Carlisle, spent the week-end here the guests of his parents, Mr. and Mrs. Roy Hubbard.

Mrs. Betty Shapman, of Rochester, spent Thursday and Friday here the guest of her cousins, the Misses Virginia Ann and Bonnie Jean Hubbard.

Mrs. Roy Hubbard and daughter, Virginia Ann and Mrs. Russell Chapman and son, Dale, are spending some time in Gary, where they will attend the graduation of Mrs. Chapman's daughter, Miss Helen Chapman. She will graduate from the Gary Methodist Hospital.

Miss Rosalie Good spent the week-end in Plymouth.

## Church Notes

### CHURCH OF CHRIST Mentone, Ind.

Bible Classes ..... 9:30 a.m.  
Bible Study (Thursday).... 8:00 p.m.  
A hearty welcome to all.

### FIRST BAPTIST CHURCH Mentone, Ind.

You Are Ever Welcome to This  
House of God

Frank C. Emerson, former governor of Wyoming, says: "The world is moving along at a tremendous pace today and marvelous indeed are the continuing accomplishments of science and invention. With it we need to build moral and spiritual fiber into our people to keep pace with the development of material things. In training the children of today as the leaders of tomorrow, the Sunday school constitutes a potent force for good and contributes quality to the art of living in the right way."

How can we expect to create a world of peace if we fail to instill the spirit of peace in the hearts and lives of the future generation? The only way we can hope to have a national or international peace is for the Prince of Peace to dwell in the hearts of individuals. The purpose of the Sunday School is to bring the truth to the future leaders of our nation. Bring your children and come this Sunday. Classes for all ages.

Sunday School ..... 9:30 A. M.  
Morning Worship ..... 10:30 A.M.  
B. Y. P. U. .... 7:00 P.M.

Thursday Evening ..... 8:00 P.M.  
Prayer and Bible Study.

E. COLEMAN RALSTON, Pastor.

### NUGGETS FOR BEREANS No. 61

"Go ye therefore, and teach all nations, baptizing them in the name of the FATHER, and of the SON, and of the HOLY GHOST." Matt. 28:19.

This was a commission given to the eleven just before the Lord's ascension. Yet, in all the history of the early church as recorded in the Bible, not once do we find that this three-fold formula of baptism was ever used. Why?

Did the apostle disobey the Lord? Or did the Lord really mean what He said? It just seems that most men today think that the apostles did as they pleased regardless of the command, and that is sufficient excuse for them to do likewise. When the Word of God happens to go contrary to their philosophy and practice, they never dream that they might be wrong, but rather criticize the Word. As for me, I am ready to say with Paul, "Let God be true, but every man a liar."

Now the solution to our difficulty is simple if we only heed the command of II Tim. 2:15. The command is given to the Jewish nation. It is only a continuation of what had been revealed to them from Abraham on. They were to teach the nations. They were to be a blessing to the Gentiles. Nowhere in the Word do we find a missionary commission given to the Gentiles.

But during the Acts period of church history, the Jews as a nation were rejecting Christ. So the command could not be obeyed. The program was changed, and it was a matter of individuals going out and teaching individuals. The Kingdom was postponed. So they baptized in or into the name of Jesus.

But the time will yet come when Israel will repent and will say, "Blessed is He that cometh in the name of the Lord." Then they, as a

nation, will go out and teach nations, and baptize them "in the name of the FATHER, and of the SON, and of the HOLY GHOST."

—Oscar M. Baker.

## Let's Talk TURKEY!

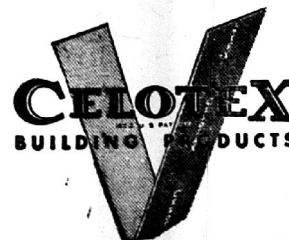

"There isn't a cow in our herd who won't give her all to put our 'Food for Freedom' program over the top. But we can't produce to capacity in a dairy stable where the temperature skeedaddles up and down the thermometer with every change in weather. Stable us in a building where conditions are comfortable all year 'round and we'll meet your victory production goals with flying colors."...

That, of course, means a dairy stable insulated with Celotex Vapor-seal Sheathing. By conserving heat generated by your herd, this efficient structural insula-

tion insures comfortable stable temperatures the year 'round. And it helps you to keep your barn dry and well-ventilated. These proved advantages of Celotex Insulation guarantee capacity production month in and month out for the life of your farm buildings.

Get Your Victory Building Plans Today!  
They're Free!

The tested Celotex Farm Plans — for every building need — are the last word in modern farm construction. They'll help you put your "farm factory" on a war production basis — simply and economically. Come in for your free copies.

## Soldier Letters

April 23, 1943

Hi George:

I have been wanting to write you for some time but haven't met with much success until now. I am feeling fine and always get plenty to eat even tho' the places I've been are not civilized.

I have received a few of the home town papers and have read several of the letters of fellows from home. It really is wonderful to know what each and everyone is doing. I have been on five different islands since I left the States. I have been on several coral islands and truly have seen some interesting things. One of the most interesting experiences was

catching a parrot fish. I thought sure it was a parrot as it had all the colors of a parrot and even a beak like a parrot, but of course it had scales instead of feathers. We used to shoot sharks along the beach as they were very plentiful there. When we went swimming in the ocean some of the guys would stand guard for sharks while the others swam. One of the most amazing things about this island was that there were no mosquitos, just a south sea paradise. We did lots of work establishing and maintaining an air base here. I saw several generals such as Lieutenant General Emmons and General Tinker. I had the pleasure of having a personal conversation with Maj. Gen. Tinker, who was shot down in the Midway battle. A finer man I never

met and as common as they come. He made himself at home with us in the wilderness and was more than pleased with the progress which we had made. Well now I am on Guadalcanal and have been here about three months and a half. We have had Aircobras ever since I left the States. So you see I kinda got mixed up with Larry Bell's product which has proved a very good plane. Mosquitoes are really bad and large here. We put 40 gallons of gas in one before we discovered it wasn't an Aircobra. Just a bit exaggerated, don't you think. But seriously many of our fellows have been overcome with tropical diseases. Fortunately none have lost their lives. We have been out of the most efficient units and have made several records. We can truly give

a good account of ourselves as a unit. We have a good radio in our tent but can only receive short wave broadcasts. We can keep up on all the events in the outside world. We even get Radio Tokyo every night and they play dance music for all us Americans in the South Pacific, so we can think of home. "How about that?" We get a big kick out of that and their Japanese news casts. We also have picture shows whenever the condition permits. It's really not so bad but all the fellows like myself would like to come home and we think we are really deserving of such a break, since we were among the first to leave the States. I am sixteen months old in this Pacific the end of this month and maybe sooner than I think, I'll be back.

Well George and fellows, this about includes all I dare say. Only I have some very interesting photographs to back up my statements. You will have to excuse my pen as I have written this with a flashlight in one hand and my pen in the other and battling mosquitoes with both hands. Maybe I'm not so full of news but assure you I'm full of experiences. So here's wishing you the best of luck and my regards to all you readers.

Yours very truly,  
DON BLUE

## News of Mentone and Vicinity

Mr. and Mrs. John King, of Tippecanoe, have been visiting Mr. and Mrs. William J. Walters of Mentone.

Miss Betty Lyon was one of 48 nurses to graduate from the City Hospital.

Mr. and Mrs. Vernon Jones called on Mr. and Mrs. Ellis Alexander of Burket, Sunday.

Mervin Jones, of Camp Grant, Illinois, spent Sunday with his wife, Bernice.

Mr. and Mrs. Hugh Aughinbaugh and children, of South Bend, visited Sunday afternoon in Mentone.

Jean Horn underwent an operation for appendicitis at the McDonald hospital at Warsaw Saturday.

Mr. and Mrs. Vernon Jones took supper with Mr. and Mrs. Ralph Matix, Monday.

M. F. Todd has a crew busy dressing poultry in the building at the rear of Snyder's restaurant.

Mrs. Melvin Michaels, of Glendale, California, is visiting with Mr. and Mrs. Derone Jones.

Mr. and Mrs. Gus Moullenhour visited his father and mother, Mr. and Mrs. H. A. Moullenhour, Sunday evening.

Pvt. Carl B. Rush, son of Mr. and Mrs. W. R. Rush has been transferred from Purdue University to Ft. Eustis, Virginia for basic training.

Miss Alma Cattell will be hostess to the W. S. C. S. Friday afternoon of next week. All interested are urged to attend.

Lloyd A. Rickel, Mentone postmaster, spent last Friday and Saturday in Indianapolis attending the annual meeting of the Indiana Postmasters' association.

According to an announcement in the Warsaw Times, a marriage license has been issued by the county clerk to John R. Knecht, 22, Dayton, O., theological student, son of Ervin Knecht, Upland, Mich., and Marjorie E. Hill 22, school teacher, daughter of Rev. and Mrs. Silas M. Hill, Mentone.

Sgt. Miles Kesler arrived home Sunday for a short visit with his parents, Mr. and Mrs. Isaac Kesler. Miles leaves on his return trip to Indio, California Tuesday.

Mr. and Mrs. Elmer Rathfon; Mrs. Everett Rathfon and daughter, Marilyn, and Mrs. I. E. Kesler made a business trip to Warsaw last Friday afternoon.

Miss Janalyce Roulis, county Home Demonstration Agent will conduct a canning school at the Mentone school Building on June 1 at one-thirty p.m. All ladies are urged to attend.

Mrs. Allie Lyon, Mr. and Mrs. Bob Reed and daughter, Janet, and Mr. and Mrs. Bob Hoover attended the graduation exercises at Christ Church in Indianapolis, Sunday. Miss Betty Lyon was a member of the class that graduated from nurses' training.

Mr. and Mrs. Rolling Long, Mr. and Mrs. Kenneth Pickett and Hattie Jones, all of Fort Wayne, spent Sunday afternoon and evening visiting at the Artley Cullum home.

Lowell Whetstone has returned to the home of his parents, Mr. and Mrs. Dewey Whetstone, after undergoing an operation for appendicitis at the McDonald hospital at Warsaw last week.

Louis Smith, son of Mr. and Mrs. Ross L. Smith of 901 south Florida avenue, Lakeland, Florida, was graduated Thursday from the army air forces bombardier school at Midland, Tex., and received his commission as a second lieutenant. He is expected to arrive today for a visit with his parents. Their other son, Stanley Smith has just been promoted from private first class to sergeant. He is stationed at the medical examination center at Camp Blanding.

The soldier honor roll board was put into place on the vacant lot just west of the old hardware building last Sunday morning. This board is to carry the names of all men now in the service and those who will subsequently serve in like manner. The committee in charge, realizing the magnitude of the task and the possibility of unintentionally omitting a name, urges that in case such a thing happens that they be properly notified.

Mr. and Mrs. H. C. Clymer, of Talma entertained at Sunday dinner: Mr. and Mrs. Jess Taylor and niece, of North Webster and Mr. and Mrs. Lon Walters, of Mentone. In the evening Mr. and Mrs. Lon Walters, Mr. and Mrs. H. C. Clymer and granddaughter attended the Progressive Brethren Church in Tiosa. Reverend Sutton, a missionary to Africa, showed pictures of the natives and country.

Mr. and Mrs. Fred Carey of South Whitley and Mr. and Mrs. Artley Cullum attended a charter night program at Culver Tuesday evening. The new Lions club in that city has a membership of better than 35. Other new Lions clubs are in the making at Medaryville and Akron. District 25-A (in which Mentone is located) leads the world in the percentage of new clubs organized since last July. This is quite a record when one realizes that there are Lions clubs in fifteen countries of the world.

On again, off again, gone again Finney! That's just a slightly warped reproduction of an old saying, but that about explains what happened to Talma's ex-show clown one day this week. He's always having a good time with everyone, but he got a bit flustered when a young lady waved at him while he was driving down Main street. He couldn't figure just what arm to use in returning the friendly gesture, so he used both. His automobile headed for a parking place along the curb while Finney's hands were both waving in the air, but the driver didn't apply the air quickly enough. When Finney got his car herded back off the sidewalk, the feminine imp had departed.

### HOG PRICES EXPECTED TO REMAIN AT HIGHEST LEVEL

Indiana farmers may expect hog prices to continue throughout 1943 at the highest levels allowable under the pork price ceiling and rationing. With prospective civilian demand continuing to exceed the supply, it is expected that farmers will receive about the same price per hundred for large as for a small number of hogs.

### COME TO THE— MENTONE CAFE

Plate Lunches - Meals  
REGULAR LUNCHES - PIE  
Sandwiches - Good Coffee

--- West Main St. ---

### MRS. EILEEN FENSTERMAKER ENTERTAINS D. A. R.

A lovely three course breakfast was held at the home of Mrs. Eileen Fenstermaker with Pearl Lackey, Ercie Manwaring, Hazel Linn and Francis Clark as assisting hostesses. As breakfast was being served, Francis Clark played several piano selections.

Jean Burns very capably sang, "Smiling Thru" and "Silver Land." The new officers were installed at that time. Mrs. Burns gave a very interesting report on the Continental Congress held at Cincinnati.

The meeting was closed with Francis Clark singing "Afterward." Seventeen members were present.

### PSI IOTA XI SORORITY MEETS

Jeanette Moullenhour entertained members and guests of the Psi Iota Xi Sorority Thursday night at the home of Maude Snyder.

Bridge was played and prizes were awarded to Geraldine Clark, Dorothy Herendeen and Emma Clutter.

Jean Manwaring, Hope Deaton, Dorothy Herendeen and Mary Utter were guests of the sorority.

Chapter Vice President Geraldine Clark presided over a short business session. Lucille Whetstone and Dorothy Nelson were chosen as delegates to the national convention to be held at Indianapolis, June 15-16.

The next meeting will be a business meeting June 1st at the home of Emma Clutter.

### MENTONE 4-H CLUB

The Mentone 4-H club held its regular meeting at the school house May 25. Roll call was responded to by: "What I expect to learn in 4-H." It was decided by those present to pay 5c dues each meeting if you are present and 8c dues if you are absent. If you are a member we urge you to attend. A demonstration was given by Frances Baum on how to fit a pattern. Those present were Norma Nellans, Nondus Hodges, Betty Nicodemus, Martha Fitzgerald, Helen Long, Barbara Fenstermaker, Lois Baum, Doris Snider, Zeldia Sarber, Fay Sarber, Josephine Creighton, Elaine Creighton and Frances Baum. Miss Roulis, our county Home Demonstration Agent, is to be a guest at our next meeting June 8.
