ELECTION RETURNS

The primary election in Kosciusko county Tuesday found 9,012 of the 19,134 registered voters making their ways to the polls to do their part in selecting candidates for the fall election. This represented less than fifty percent of the registered voters, and even though it was a better average than in some other years, it still leaves much to be desired.

The official county results follow:

REPUBLICANS

For National Representative

Charles A. Halleck 5,415; Maurice Mathias, 1,444.

For Judge—

Walter Brubaker 4,380; John A. Sloane, 2,527.

For State Representative—

Frank O. Rarick 3,030, Herbert B. Robinson 2,719, Stephen D. Slaymaker 1,118.

For Auditor—

Earl Himes 4,652, Milo Maloy 2,178.

For Treasurer—

J. D. Lee Cline 2,714, Chester R. Jontz 2,068, Edith B. Lichtenwalter 2,001.

For Recorder—

Hazel Phillips Perry 1,250, Wilma Hale 1,192, Clyde U. Lowe 1,134, John W. Ferverda 1,080, Roy W. Harter 821, M. Roy Rush 768, Tomaline Yarger 591.

For Sheriff—

Carl L. Latta 2920, Charles H. Rice 2,562, Benjamin McKrill 1,424.

For Sureyor—

For Treasurer—

Boyd McKibbin 1,255, Fred M. Hawthorne 864.

For Sheriff—

H. Dale Tucker 1,367, Ralph C. Liggett 312, Alden G. Jones 232, Talman

ANNUAL MOTHER-DAUGHTER BANQUET ON MAY 11

The Annual Mother Daughter banquet, of the Methodist Church, will be held Thursday, May 11, at 6:30. This will be a carry-in dinner, and each mother is asked to also bring table service for herself and daughter. Rolls and drink are to be furnished. All church women are invited whether they have daughters or not.

Program chairman for the event is Elener Manwaring. The speaker will be Mrs. "Jack" Frost, of Warsaw. Local people will be interested to know that she was Margaret Meredith, daughter of Orlando Meredith, and went to school here.

Mrs. Mildred Essig will sing again this year at the request of many who enjoyed her so much last year.

Decorations will be planned by Lois Fenstermaker, Iris Anderson, and Golda Mollenhour.

Favors will be made by Lois Davison, Bess Manwaring, Grace Boggs and Barbara VanGilder.

Kitchen hostesses will be Bessie Kohr, Mary Johnson and Alice Brugh.

SCHOOL BAND AND CHORUS TO PRESENT CONCERT

The Mentone School Band and Chorus will present their Spring Concert Sunday, May 7 at 2:30 p. m. at the school gymnasium. The public is invited to the concert.

Mrs. Blickenstaff is entertaining the band members and their parents. The chorus and their parents will also attend with their parents following the concert.

G. DeLaughter 195.

Both of Mentone's candidates in the election received splendid votes in the two Mentone precincts. M. Roy Rush was a republican candidate for recorder and H. Dale Tucker ran for sheriff on the democratic ticket.

Royce Tucker was nominated by the republican party as candidate for trustee in Harrison township, with H. Earl Boggs selected as his democratic opponent.

Robert O. Jones and Robert Sittler are the candidates selected in Franklin township.

Over in Seward township Clancie L. McSherry and I. Joe Leckrone are the republican and democratic nominees, respectively.

MARTIN-WEISSERT

Miss Carol Rose Weissert, daughter of Mr. and Mrs. Harold A. Weissert, of South Bend, became the bride of Diehl Harold Martin, son of Mr. and Mrs. D. H. Martin, of South Bend, Saturday afternoon in the So. Bend Methodist Church. Matron of honor was Mrs. William Reading, of Mishawaka, and best man was F. W. Martin, of South Bend, brother of the bridegroom. Bridesmaids were Mrs. F. W. Martin, of South Bend, and Miss Fauntelle McDaniel, of North Liberty. Ushers were Stanley Tsallikis, Norman W. Merrick, Jr., Don L. Cleary and Norman K. Peters, all of South Bend. Rev. Harold D. Neel read the nuptial vows and a reception was held in the church parlors. The couple left for a wedding trip through the east and after May 15 will be at home at 203½ South Scott Street, South Bend. The bride graduated from Mishawaka High School and attended the Texas State College for women, Denton, Texas. The bridegroom graduated from Central High School, South Bend, and attended Purdue University, Lafayette, Indiana, and Indiana University, Bloomington. Out-of-town guests at the wedding included the bride's grandparents, Mr. and Mrs. John M. Weissert, of Plymouth, Ind.

CELEBRATE BIRTHDAYS

A pot luck dinner was served at the home of Mr. and Mrs. Harry Sullivan, east of Mentone, on April 30th. The occasion was in honor of the birthdays of Mr. Sullivan and Mrs. Mildred Dorsett, of Goshen.

The occasion was also a school reunion for several of the guests who graduated from the Williams High School in southern Indiana.

The graduates present were: Mr. and Mrs. Harry Sullivan, Mr. and Mrs. Clyde Dorsett, of Goshen; Mrs. Herb Carlisle, Rochester; Mr. and Mrs. Denzil Walls, Akron; Ward and Lloyd Sullivan, South Bend. Mrs. and Mrs. William Fields, of South Bend; were unable to be present.

Others present were: Mrs. Dard Sullivan, Sandra, Bruce and Maureen; Jean, Doris, Connie and Donald Walls;

Herb Carlisle and daughters, Barbara and Phyllis; Donald, Monna and Donna Dorsett; Larkin Fields, Monna Lee, Martha Ann and Larry Sullivan.

In the evening, after the Sullivans returned home from church, a surprise came when several friends came to wish Harry a happy birthday.

They were: Mr. and Mrs. Earl Smalley and sons; Mr. and Mrs. Howard Horn; Mr. and Mrs. Herb Carlisle and daughters; Mr. and Mrs. Vance Johns; Mr. and Mrs. Elgie Vandermark and family; Mrs. Mattie Jones; Joseph Jones, and Linda Barkman.

Harry wishes to thank all his friends for remembering him on his birthday.

This Is
**Your Paper
Its 'Space'
Is Its Life**

By William R. Nelson

EVERY column inch of every copy of every issue of this newspaper costs so many cents to produce, regardless of whether it is occupied by editorial matter or advertising. Knowing what that cost is, it may seem only natural that publishers would be inclined to increase earnings by devoting to advertising all of the space they could sell.

Strange as it may appear, such is not the case. All recognized newspapers set quotas or percentages for productive and non-productive material, and seldom violate them. It is not uncommon for a newspaper to omit advertising in order to get in more news.

It may sound altruistic to sacrifice revenue and dis-appoint an advertiser to allow more space for non-productive news matter. It isn't. Although the paper owns all of its space and can use it as it sees fit, it has obligations it will not avoid, for several very sound reasons.

When this newspaper accepts subscriptions it is entering into a contract with readers. An unwritten clause of that contract assures that the issues readers will receive will contain an established amount of news, editorials, features and advertising.

There is another side, too, that the publisher keeps in mind. It is that of costs. To maintain qualified staffs, in both news and advertising departments, is expensive. It is increasingly so if the space each fills each issue fluctuates wildly.

Both "sides", as they are called in most newspaper offices, can occasionally turn out additional pages, by working longer hours. But they cannot do so at frequent intervals. It is to the self-interest of the paper, therefore, to maintain a staff keyed to fairly rigid quotas of news and advertising. Any other merely increases the cost-per-column inch.

Those who submit news, particularly publicity chairmen, should understand and remember this cost-per-inch fact.

And when your club or group can profitably do so, isn't it not only good business but also neighborly to reciprocate the newspaper's numerous gifts of space by placing advertising in it?

including the lung, the larynx, and the pleura — seems to be increasing rapidly. Mortality today — around 15,000 per year is more than twice what it was 15 years ago.

Part of the sharp rise, perhaps most of it, may be due to more careful diagnosis. Other causes have been suggested — pollution of the air and chain-smoking of cigarettes. None has been proved guilty, but research, with the help of the American Cancer Society, is studying the problem.

With the growing awareness of respiratory cancer have come improvements in treatment and in diagnosis. In 1933 for the first time a cancerous lung was completely removed — the patient is today a healthy obstetrician. This operation can in early cases save many hundreds of lives.

Diagnosis depends largely on the x-ray and the bronchoscope but in certain institutions studies of smears of sputum — the Papanicolaou technique — have been marvelously accurate. Mass x-ray surveys for tuberculosis have uncovered a substantial number of lung cancers in early and curable stages.

To help save more lives from this and other kinds of malignant disease, support the 1950 Cancer Crusade of the American Cancer Society. Strike Back: Give to Conquer Cancer.

R. N. A.

Mrs. William Cook was hostess to Maple Leaf Camp No. 2452 R. N. A., Tuesday evening, May 2nd with Vice Oracle Mae Borton presiding.

After the regular business session, bingo was played, which caused much merriment. Prizes went to Mrs. Anderson, Mae Borton, Mary Borton, Pearl Fenstermaker, and Mary Goodwin. The mystery package went to Fern Rickel.

A lovely greeting signed by each Neighbor was sent to Cora Williams, of Claypool, whose health has been failing lately.

The hostess, with Lidia Rynearson as co-hostess, served delicious refreshments.

Chester Manwaring has returned to his home in Mentone after spending the winter in the west.

MCMILLEN FEED MILLS CREATES
NEW RESEARCH POST

Dr. J. L. Krider, head of the Swine Division of the Department of Animal Science at the Illinois College of Agriculture, has been appointed Director of Feed Research and Education of McMillen Feed Mills, Division of Central Soya Co., Inc. It was announced today by Fred W. Thomas, President of the company.

Recently Dr. Krider was the recipient of a \$1,000 award from the American Feed Manufacturers Association for Outstanding Research in Swine Nutrition.

In commenting on Dr. Krider's appointment, which will be effective July 1st, Mr. Thomas stated, "The creation of a post of Director of Feed Research has been considered for some time by the executive management of the company. Dr. Krider has made an outstanding record in the field of nutritional research and has achieved eminence as an author of more than 50 popular and technical articles on swine research which have been published in magazines and various journals of national circulation.

"It is another step towards the integrated and unified research program for the betterment of feeders and feeding practices. As director of feed research Dr. Krider will have over-all supervision of research and education."

Dr. Krider has had a long time interest in the problems of swine production. He was born and reared on a 160-acre farm near Lewiston, Illinois. He took an active interest in 4-H Club work and was Fulton County and Illinois 4-H swine club champion in 1934, and that same year received the Thomas E. Wilson Swine Award.

Dr. Krider was graduated with the highest honors from the University of Illinois in 1939. Following his graduation Dr. Krider became an assistant in animal husbandry at Illinois and completed work for his master's de-

gree there. He then went to Cornell University and served as an assistant in animal husbandry and did research work with swine and sheep. He received his Ph. D. degree from Cornell in 1942. Dr. Krider returned to the University of Illinois College of Agriculture in 1942 as an associate in animal husbandry and in 1946 was named head of the swine division. Dr. Krider's research tests and his articles have covered a wide range of investigations in the field of swine nutrition. His investigations include the nature of deficiencies of all plant ration for weaning pigs in dry lot; the effect of diet on gestation and lactation performance and the importance of B vitamins in swine nutrition. Other experiments dealt with the use of dehydrated alfalfa meal and by-products of the fishing industries on the dry lot rations for weaning pigs.

Dr. Krider will make his headquarters at the McMillen Feed Mills Research headquarters at Decatur, Indiana.

Mr. and Mrs. James Hatfield, Jr., of North East, Pennsylvania, spent part of their vacation with their grandmother, Mrs. Mae Borton.

SCHOOL NEWS

The Seniors' Day was quite a success we feel. On Tuesday the seniors were excused from school during which time they worked at many of these cleaning and lawn rolling and house cleaning jobs they have been working at. Of course many of these were completed. The class received much pleasure and financial reward from the part Cooper's Store played in helping on that day too. The door prizes that Mr. Cooper offered went to Max Flenar, Mary Creamer, Ervin Nelson, Janice Nelson, Paul Blue and Martha Sullivan.

Several class groups are taking trips this Saturday. Mr. Lash is rewarding his freshman biology class with a trip to interesting places in Chicago. On the same trip but in another bus, Mr. Ferverda is taking the seventh grade. Rev. Gösner is accompanying the seventh grade on this trip. These groups want to take in Brookfield Zoo and some place of interest to young scientists on Lake Shore Drive such as the Museum and the Hall of Science and Industry. Mr. Kelley is taking the sophomores on a trip to Turkey Run for an all-day outing Saturday.

The public is invited to attend a

music festival that Mrs. Blickenstaff's music groups are giving Sunday afternoon in the gymnasium. She is including a group of numbers from the band, several by grade school vocal groups, and several by special groups and individuals.

Tuesday evening the County Junior High track meet was held. It was the first track meet our boys have participated in, and accordingly our boys didn't score so very many points. Our point winners were Joe Kinch and Jerry Tinkey besides a half-mile relay team made up of Joe Kinch, Norman Method, Jon Cullum and Larry McKinley.

Mrs. Hoffman is planning a Home Ec. class Style Show in the school cafeteria for next Wednesday afternoon. Mothers of her sewing students are invited to attend. The girls will be modeling clothing they have made in class this year.

The examination day for our students has been set on Friday May 19. The seniors will take their exams a day earlier, on Thursday and will offer their Senior Class Day Program in the assembly on that same afternoon. Students will not return to school after exams, as the teachers will mail the reports home. The teachers will use the Monday after exams, May 22, for checking final reports.

MURMURS**

by
DAVID and SALLY GOSSER

"Eighteen dollars a night?" we asked in amazement, and the poor fellow seemed somewhat taken back by our astonishment at the price he quoted for rooms. "I know it's high-way robbery, but we have to do it for the peak season," he honestly admitted. Nothing he could say, however, would convince us that we had to take them, and we drove into St. Petersburg. It was late Tuesday evening, and Croxalls were anxious to get settled. Across the "city of the living dead" the slanting rays of the setting sun gave color and life. Traffic was heavy, and rooms were hard to find. We were directed to a residence on Second Avenue South, out on the west part of the city, where it was quiet and restful.

It was decided then and there that we would stay for three nights. Both Mr. and Mrs. Crawford were congenial and friendly. Murmurs had the best quarters of his trip, a living porch converted into a bedroom where the aroma of roses wafted him to sleep, and he was awakened by the song of mocking birds early in the morning. It was a poet's paradise, but Murmurs was not in the mood for poetry, nor had he time for it.

The first evening was spent touring Webb City, the strangest, if not the largest, drug store in the world. Anything under the sun except liquor can be purchased there, and until recently, it was purchasable.

Wednesday was spent in looking for friends and acquaintances. Rev. DeWitt had made contact with Rev. Shipley whose daughter is married to Emmerson Zolman. We found Rev. Shipley at the study of the First Methodist Church where he is associate pastor. Out visit was pleasant, although brief, for we were in search of the Partridges of Mishawaka who winter in St. Pete.

On the north side of the city we found their apartment, but Mr. Partridge was on the Gulf fishing. Arrangements were made for the Croxalls to spend Thursday with them while Murmurs went fishing, then we hunted up Emmerson Zolman's service station on the "main drag" of the city for gas.

Emmerson was in Indiana at the time and was expected back then, and a surprise it was to Murmurs to meet him next morning out at sea. Not only was Emmerson there, but Mentone's own "Hap" Utter and Carl Zolman, Emmerson's brother. Truly, it is a grand feeling to meet your neighbors so far from home and never know that they are visiting in that vicinity. Our constant alertness to find Mollen-hours failed, but we finished Wednesday by calling at the Shipley home and an acquaintance.

A hasty drive to Safety Harbor brought Dr. Croxall and Murmurs to the Nicewonger parsonage, but the pastor was making his calls and we had to interrupt a ladies' W. S. C. S. meeting to visit briefly with Mrs. Nicewonger. We were not far from Tampa and Floyd Tuckers, but we had left Mrs. Croxall sunning herself at Webb City and we were afraid she would be boiled tender, so we hurried back to St. Pete.

That evening we went to hear Dr. Norman Vincent Peal, minister and author of "The Art of Living," "Confident Living" and "Guideposts." If the city has been referred to as that of "the living dead," it was not because people do not turn out for church. Over 5,000 people tried to get into the 2,500 seats of the First Methodist Church. Several hundred crowded the lecture rooms, but almost 2,000 were turned away. Firemen were on hand to keep the exits clear in case of fire. Certainly, it was thrilling to be lost in so fine a congregation as that. By no means, were the people all elderly, many were young, and more than half of the voices in the choir of one hundred were young people. Dr. Peal had a wonderful hearing, and no one was disappointed in his message.

As Murmurs has indicated, the next day was spent fishing from the motor launch Miss Birmingham. She behaved nicely, but the sea was calm and the trip uneventful. Grunts and octopus were the main catch, with "Hap" and Carl doing a very nice piece of fishing. Emmerson was an old hand at it, and a few suggestions brought him in the fish. To get the fish smell out of his system, Murmurs went swimming, but the water was cold, too cold.

For once, on the trip, Murmurs returned to his quarters before the Croxalls, but the cold swim and visit to Webb City was enough for the day, and as driver, Murmurs wanted to be his best for the trip to Orlando. Before sunrise he was up to bid Mr. Crawford goodbye, and after packing we were on our way.

In Tampa Murmurs made two calls, but neither party was home. Floyd Tucker had gone with Chauncey Mollenhour to hunt a fishing site. The ladies had gone to town to shop. Mrs. Croxall was no better in her inquiry for a friend, so we continued towards Orlando, which is our next stop.

FRIENDSHIP GARDENS

TO OPEN MAY 7

A spring opening far more beautiful than any in the past apparently is assured for the International Friendship Gardens on May 7, at Michigan City.

J. Virgil Stauffer, director of the world-famous Gardens, said today recent sunshine, combined with the Gardens' warm and protected location, should mean an attractive preview of spring and beauty at their best to the winter weary. The thousands of tulips for the annual festival, "Tulips on Parade," are coming along rapidly now, he added.

A year ago an extreme cold spell slowed the blooming of many spring flowers.

Gov. Henry F. Schricker will open the season officially from the island stage in the amphitheater with brief ceremonies starting at 3:30 p. m. He will be joined by other governmental and civic leaders including Lieut. Gov. John A. Watkins, Senator Homer E. Capehart, Ely Lilly, Jr., president of the Indianapolis drug firm, and Rev. John Cavanaugh, C. S. S., president of the University of Notre Dame.

"This very practical plan of search-in for world friendship through the international love of flowers and beauty merits the support not only of Hoosiers but of all people."

Director Stauffer promised music

lovers the opening festivities would include a surprise musical program in keeping with quality usually offered.

Located on 100 acres of fertile land watered by historic Trail Creek, the Gardens are completely surrounded by a wall of timber covered dunes. Because this tract is not subject to chilly winds from Lake Michigan, spring normally reaches it a week or 10 days ahead of the non-protected area.

SENIOR DAY PROVES SUCCESSFUL

Tuesday in Mentone was officially "Senior Day," as the members of the Senior Class spent the entire day as clerks at Cooper's Store, or in some other occupation.

Mr. Cooper gave the seniors a percentage of "the day's sales for their efforts. This amounted to around \$60.00.

The three seniors who were responsible for bringing in the greatest number of customers were: first, Lois Boganwright, who received a school jacket; second, Jim Mollenhour, who received 2 pair of hose, and third, Alice Davis, who received a box of candy.

The money earned will be used to help pay for the Senior's trip to New York City.

MAYTAG PRICES REDUCED

The Maytag Company, of Newton, Iowa, has notified Cooper's Store, Maytag dealer in Mentone, of a price reduction on all washing machines models.

Attributing the action to "large scale production and manufacturing economies," Maytag officials today announced a reduction of \$10 on automatics and \$5 on conventional washers.

"In the past 18 to 24 months, The Maytag Company has spent many millions of dollars for new and modern equipment and facilities to achieve cost reductions," Roy A. Bradt, Maytag vice president in charge of sales and advertising said in a letter to dealers, announcing the price cut. "Materials, both raw and manufactured, have shown definite trends upward in costs and more increases appear to be in the offing. Our manufacturing division, however, has done a superb job absorbing the increased costs and in using our large volume of sales to the best advantage.

These reductions have been made at the earliest possible moment and in spite of the fact that our factories are working at capacity and with a sizeable backlog of unfilled orders."

The Maytag Company recently built an ultra-modern multi-million dollar plant at Newton for manufacture of its new automatic washer, which is meeting with phenomenal acceptance over the country resulting in a sharp increase in originally contemplated production schedules for the product. Large areas are to be added to the new plant this summer for production of a newly developed clothes dryer and for warehousing of appliances.

The original factory, also at Newton, was started in 1893 and was recently the scene of a big open house celebration, marking production of Maytag's 6,000,000th washer. The company also distributes ironers, gas ranges and home freezers.

BAPTIST NEWS

Recently the members of the church voted to consider taking on the support of another missionary. The young lady being considered is one who is ready to go to Brazil under Mid-Missions, a Baptist Mission Board with over 325 missionaries on the field. It is hoped she will be able to come to Mentone soon so the members of the church can get acquainted with her and get to know more of the work in Brazil.

During the month of April, attendance at the Sunday School averaged 215 per Sunday. The church is looking ahead to Daily Vacation Bible School June 12-23. Last year the school average was almost 100 children per day and it hoped to be able to do even better this year. All the children of the community are invited to attend.

Next Sunday evening there will be a special attraction for all music lovers in Mentone. Mr. and Mrs. Al Zahlout, of Winona Lake, will have the entire service and will present a piano and violin sacred concert for those who come. Mr. Zahlout was for some seven years the violin soloist for Rev. Percy Crawford on his coast-to-coast "Young People's Church of the Air." He was here at the Baptist Church last fall and played on the morning broadcast and many letters came in at that time expressing real appreciation for his playing. His wife is an accomplished pianist and will play for him for the concert. The public is cordially invited. A free-will offering will be taken for Mr. and Mrs. Zahlout.

MENTONE METHODIST CHURCH

The following ladies are representing the local society of the Womens Society of Christian Service at the District meeting in Elkhart, Thursday, May 4: Mrs. Walter Lackey, president of the local society, Mrs. John Boggs, Mrs. Donald VanGlider, and Mrs. F. B. Davison.

May 16 is Officers' Training Day for Womens Societies of the Warsaw District. It is hoped that all officers of the local Society will attend the meeting at Kendalville. Mrs. D. L. Bunner will arrange for transportation for those desiring to attend. Please contact her as soon as possible.

On Tuesday, May 2, J-O-Y Circle met to continue with the cleaning of the church and pack costumes and decorations for storage.

Sunday, May 7, is accession day for church membership and baptism. The hour of the service is ten o'clock. DST. Thursday, May 11, at 6:30 p. m. (DST) will be held the annual Mother and Daughter Banquet. All W. S. C. S. members are urged to attend whether they have a mystery daughter or not. This is in the form of a pot luck dinner. A general invitation is extended to the public for the program when Mrs. Thomas (Margaret Meredith) Frost will speak. Mrs. Raymond Esig will sing.

GROCERY SPECIALS IN 1914

M. O. Mentzer brought in a sales letter which had been sent to the customers of the Mentzer Store way back on June 29, 1914.

The grocery special listed for that week might cause many to wish for "the good old days."

Here they are:
25 pound sack of the best cane granulated sugar, \$1.20; 24½ pound sack of Silver Dust flour, 60c; 4 cans of Red Seal lye, 25c; 3 cans of pink salmon, 25c; 3 pounds of early June peas, 25c; 4 cans old fashioned lye hominy, 25c; 4 cans sweet corn, 25c; 2 cans Veribest pork and beans, large size, 25c; 6 cakes Fels-Naptha soap, 25c; 5 pounds hand picked navy beans, 25c; 5 pounds whole grain rice, 25c; 4 pkgs. Maple corn flakes, 25c.

THE WEATHER 76 YEARS AGO

J. H. Robinson tell us that on May 2, 1874, there were 4 inches of snow in this area. The reason the date is so clear to him is that his sister was born on that day, 13 miles northeast of Mentone.

MRS. JULIA FRETZ HURT IN CRASH

Mrs. Julia Fretz, of route 1, Mentone, is recovering from bruises sustained in an automobile collision late Friday morning at Inwood. She was treated by a Plymouth physician and then released.

Officers said Mrs. Fretz drove her car across U. S. Highway 30 from a side road into the path of a car driven by Robert Shimer, of Kewanee, Ill. None of the other occupants of the two cars were injured.

Mrs. Fretz paid a fine and costs totaling \$14.75 in a Plymouth justice of the peace court on a charge of failing to yield the right-of-way. Damage to the automobiles was estimated at \$500.

LEGION BRASS IN MENTONE

Mentone Post 425 The American Legion will be host to the Kosciusko County Council at the Post Home on Friday evening at 8:00 p. m. CDT.

A number of distinguished guests will be present, the State Commander, Homer McDaniel, Past State Commander, Dean Bechtol; District Commander, Clarence Hipsher and the leading candidate for State Commander this year Jack McIntyre and others.

The Kosciusko County Council was first organized in July 1948 for the purpose of inspiring the teamwork which is necessary to the success of the Legion in all that it attempts to do in rehabilitation or child welfare work, in Americanism, in the legislative field, in membership effort or in activities which primarily are post efforts.

The officers for the 1949-1950 fiscal years are as follows:

Commander, Howard Ashley, Piercetown; 1st vice Commander, Charles Rupe, Silver Lake; 2nd vice Commander, Herman Anglin, Leesburg; Adjutant, Robert Kinsey, Mentone; Finance Officer, Charles Wainwright, Burket; Chaplain, M. Roy Rush, Mentone; Sgt. at Arms, John Bishop, Warsaw; Historian, Robert Whetstone, Mentone; Service Officer, Melvin Dillen, Syracuse; Judge Advocate, Gilbert Bates, Warsaw; Trustee, 3-years, Ed Ragen, Warsaw; Trustee, 2 years, Harold Baker, North Webster.

Don't forget Friday night, the 12th, at 8:00 CDT. Every Legionnaire is welcome.

TO REOPEN BEAUTY SHOP

Mrs. Lyman (Jeanette) Mollenhour plans to re-open her beauty shop at their residence on North Tucker St., on Thursday, May 18.

Her ad will be found elsewhere in the Co-Op. News.

WITH THE SICK

Mrs. Edith Scott, who has been a patient at the Murphy Medical Center, was able to return to her home here Saturday.

Kathy, the small daughter of Mr. and Mrs. Jack Shinn is home after being a patient at the McDonald Hospital for a few days.

Mrs. Chester Herendeen was taken to the Woodlawn Hospital last Friday for observation.

GIVEN GOOD CITIZENSHIP AWARD

Miss Iris Jones, of Beaver Dam, was recently awarded a pin and certificate as first place winner in the Good Citizenship contest sponsored by the Anthony Nigo Chapter of Daughters of the American Revolution.

Miss Jones, a senior in the Beaver Dam High School, is the daughter of Mr. and Mrs. Alden Jones. She has been very active in all school functions, one of these being cheer leader of the basketball team.

Five other students who competed in the contest were: Janet Carr, of Claypool school, second place winner; Louise Summy, Burket; Betty Bollinger, Mentone; Louise Jordan, Atwood; Norma Metzger, Silver Lake.

These senior girls are chosen for their dependability, service, leadership, and patriotism.

The winning essay, written by Iris, was sent on to the state where it was entered in the state contest.

CLUB CALENDAR

Merry Mollies Home Ec. Club will meet Monday evening, May 15, at 7:30 at the home of Mrs. Eva Belle Smith. Eastern Star, Monday, May 15, at 7:30. Mother's Day program. Alumni banquet Saturday, May 13.

THIRTY-THREE TO GRADUATE
FROM MENTONE SCHOOL

There are thirty-three in the Mentone high school graduation class this year. They are: Lois Boganwright, Betty Bollinger, Elaine Creighton, Alyce Davis, Martha Fitzgerald, Mary Hedington, Nondas Hodges, Carolyn Johnson, Anne Marzke, Joyce McIntyre, Patricia Hively, Betty Orcutt, Edna Quier, Virginia Rush, Elinor See, Dolores Shirey, Donald Boyer, Eddie Creighton, Norbert Darr, Richard Dillman, David Cooper, Floyd Dorsey, Forst Dunnuck, Donald Emmons, Jr., Richard Gibson, Donald Grubbs, Loren Gross, David Johns, Bill Lowman, James Mollenhour, Billy Reed, Floyd Thomas and Loyd Thomas.

Scholastically there was very close ranking among four boys in the class for the honors. However, the valedictorian is Forst Dunnuck, the salutatorian Floyd Dorsey, and very close rankings were gained by Donnie Grubbs and Junior Emmons.

Rev. R. C. Plank, former minister at the Warsaw First Methodist church, is going to give the commencement address, Tuesday night, May 23 in the Mentone Baptist church.

Mr. Joseph Jones, pastor at Mentone's Church of Christ, will deliver the baccalaureate sermon Sunday night, May 21, in the Methodist church.

Robert Nelson is to furnish the music for the commencement. The baccalaureate music will be supplied by several of the music groups of the school. They will be under the direction of Mary Blickenstaff.

The seniors are taking a trip thru Washington, D. C., New York City, and Niagara Falls, starting May 25.

HIGH SCHOOL MUSIC GROUPS
GIVE SPRING CONCERT

A large crowd was on hand at the Community Building Sunday afternoon when the music departments of the Mentone schools presented their spring concert, under the direction of Mary Blickenstaff.

The program included renditions by the girls chorus, third and fourth grade chorus, band, girls sextet, boys quartet, seventh and eighth grade chorus, and a solo by David Johns.

Following the program, punch and cookies were served to the parents of the school children. Eileen Fenstermaker and Wreatha McPareen assisted Mrs. Blickenstaff at the social.

CONDITION UNCHANGED

Miss Bonnie Clymer, of Talma, remains in a critical condition at the Robert Long hospital in Indianapolis. She is suffering with tubercular meningitis of the brain.

On Tuesday several of her friends from the Talma High School went to Indianapolis to donate blood.

Mr. and Mrs. Earl Davis and daughter, Mr. and Mrs. Lon Davis and Mr. and Mrs. Harry Clymer were in Indianapolis last Wednesday to see her.

SMYTHE-KONKLE

In a quiet ceremony, which took place at 1 p. m. Saturday at the home of the bride's parents, Miss Louise Konkle, daughter of Mr. and Mrs. Andrew Konkle, became the bride of Robert Smythe, son of Mrs. Josie Smythe. All are residents of the Palestine community. Mr. and Mrs. Ronnie Zimmerman were the attendants at the single-ring marriage service, read by Rev. John Drury, pastor of the Palestine Christian Church.

The bride was attired in a navy blue suit and her corsage was of yellow roses. Mrs. Zimmerman wore a gold colored dress and her flowers were red roses.

Other close relatives and friends present were: Mr. and Mrs. Clyde Lackey, grandparents of the bride; Mr. and Mrs. Robert Waggoner, Mr. and Mrs. Clancie McSherry and daughter, Mr. and Mrs. Chester Hoover, Mr. and Mrs. Cedric Utter and son, Mr. and Mrs. Harry Smythe and daughter, Mr. and Mrs. Harold Smythe and son, Mrs. Charlie Moore, Clarence Lackey, Gene Earl Smythe and Mrs. Drury.

Mr. and Mrs. Smythe will reside in Mentone. Mr. Smythe is employed at the Frank Manufacturing Company here. Mrs. Smythe is a graduate of the Mentone High School.

SOFTBALL SEASON IS HERE

The local softball diamond is being prepared for another season's play. Tryouts for the Merchants team will start next Tuesday night, May 16, at 7:30 p. m. All players interested in trying for a place on this team are urged to come to this initial practice session. If you are interested see Herschel Linn who has charge of these tryouts.

CATTLE BLOAT DANGER GREATEST NOW

Bloating may occur in cattle and sheep at any time of the year, but the danger is greatest early in the spring pasture season. The condition results from excessive accumulation of gas in the rumen coupled with failure of the animal to belch. Most cases follow heavy grazing on legumes, the reason being that legumes are soft and do not stimulate belching as grasses and other fibrous feeds do. Keeping animals off legume pastures until these crops have reached the bloom stage is one way to prevent bloat. If this is not practical, the next best thing is to give a substantial feeding of good grass hay prior to turning them out and to keep some extra pay before them on pasture.

MANY ANIMALS TREATED WITH STREPTOMYCIN

Streptomycin, costly and scarce until recently, is now coming into wide use in treating diseases of livestock and pets. It is one of the group of antibiotic drugs obtained from molds that grow in the soil. Veterinarians report that it gives excellent results against certain types of kidney infection in dogs and against swine erysipelas in turkeys. It also is being used in combination with other drugs in treating infections of cattle, including bovine mastitis.

INSECT CONTROL URGED TO CURB LIVESTOCK LOSSES

An insect-control program, started before hot weather sets in, will do much to cut down livestock losses this summer, the American Veterinary Medical Association advises farmers.

Flies, ticks, and mosquitoes play a part in spreading many infectious diseases of animals, including the malaria-like cattle disease known as anaplasmosis, the so-called sleeping sickness of horses, swamp fever, and bovine mastitis. In addition, insects such as screwworm flies and heel flies are directly responsible for costly parasitic diseases.

Besides all that, insects cause dis-

comfort that may be reflected in decreased gains and milk production.

A general clean-up of barns and premises, including draining or fencing of swampy places where mosquitoes and certain other parasites breed, is recommended as the first step.

Use of good insecticides of known safety for spraying barns and for spraying or dipping the animals is the next step suggested by the veterinary medical organization. In this connection, stock owners are urged to "keep informed of latest developments in the use of insecticides."

Research is constantly turning up new facts about the value and safety of insect-killing chemicals, the AVMA points out, and it is essential that farmers know the right kind of product to use for each species of stock.

LEGION AUXILIARY HONORS GOLD STAR MOTHERS

Gold Star Mothers, Mrs. Royce Tucker, Mrs. Ray Rush and Mrs. Cloice Paulus were guests of honor at the meeting of the Mentone American Legion Auxiliary Tuesday evening, May 9.

Rev. David Gosser was the speaker of the evening. His subject was "As We Weave the Tapestry of Life."

Duets, "That Wonderful Mother of Mine" and "The Old Refrain," were sung by Mrs. Wayne Bowser and Mrs. Kenneth Romine.

During the business meeting, president, Mrs. Eldred Paulus, heard reports from the following committee chairmen: Mrs. Frank Hudson, legislation; Mrs. Robert Kinsey, rehabilitation, who asked that members bring jig-saw puzzles to be sent to veterans hospitals to next meeting, May 23; Mrs. Ralph Ward, poppy, who urged members to send in \$1.00 payments for Poppy Club memberships.

Announcement was made of Hospital Day at Marion Veterans Hospital Sunday, May 21. All members and

families of the Legion Auxiliary are invited to attend this celebration. The day's program will begin with church services at both the portestant and Catholic Chapels at 9:00 a. m. From 9:30 to 11:00 a. m. guided tours will be provided for those persons who wish to visit various buildings throughout the hospital. Grant County High Band will provide a concert from ten to eleven in the morning. The picnic grove will be available for all those who wish to bring their picnic baskets for their noon meal. Afternoon events include a parade, an address by George N. Craig, National Commander of the American Legion, and a baseball game at 4:00 p. m. on the hospital diamonds. In the evening, beginning at 7:00 p. m. there will be a dance for patients and visitors in the gymnasium.

The president appointed a nominating committee, composed of Mrs. Tom Stanford, chairman, Mrs. Ralph Arnsberger and Mrs. William Hudson, to select a slate of officers for the coming year.

Mrs. Richard Manwaring won the attendance prize.

Refreshments were served by the hostesses for the evening, Mrs. Ervin Wagner, Mrs. George King and Mrs. Vandemark.

EVERFAITHFUL CLUB

The Everfaithful Club met at the home of Sadie Black with 15 members responding to roll call with a house cleaning hint. Club pal gifts were received by Ada Babcock and Margaret Butts. A card of thanks from Cleo Tinkey for the birthday gift was read.

Dirty bingo was played with prizes going to Mable Nellans, Mable McDaniel, Ada Babcock, Rosellyn Nellans, Bernice Valentine and Fro Tucker. A very humorous contest in letter writing was won by Lena Igo and Frances Marshall. The hostess was assisted by Helen and Vera Black in serving delicious refreshments.

CORRECTION

In the article in last week's Co-op News it was incorrectly stated that Mrs. Fretz was the driver of the car at the time that she and Mr. Fretz were involved in an accident near Inwood. Mr. Fretz was driving the car and Mrs. Fretz sustained slight injuries.

PSI IOTA XI

On Thursday, May 4, members of Beta Epsilon chapter of Psi Iota Xi held their business meeting at the home of Mrs. Wayne Nellans. Election of officers was held, with results as follows: Mrs. Earl Anderson, president; Mrs. Ralph Mollenhour, vice president; Mrs. James Rodibaugh, corresponding secretary; Mrs. Ralph Ward, recording

secretary; Miss Annabel Mentzer, treasurer; and Mrs. Marshal Parker, conductress. Among other matters of business, it was decided to change meeting night to the first and third Tuesday of each month rather than Thursday, the change becomes effective in June. Next meeting will be a dinner party at the Crystal Dairy Bar, Warsaw, on May 18, at 7:00.

JOLLY JANES SPONSOR

STYLE SHOW

On Monday evening the Jolly Janes Home Economics Club sponsored a style show in the cafeteria of the school building. Over 125 members and guests were present.

Carters Store, of Warsaw, furnished the garments, and Miss Virginia Gieseking served as commentator.

Mrs. Kenneth Romine, president of the Jolly Janes Home Economics Club greeted the guests and introduced the following county officers: Mrs. Elmer Longyear, Mrs. Sherman Deaton, Mrs. Everett Rookstool, and Mrs. Boyce Howard. Mrs. Cleo Tinkey was also able to be present.

Following the singing of America the Beautiful and repeating the creed. Meditations on Mothers Day and Family Week were given by Mrs. Roland Ferverda.

The style revue was in three groups, the first for Toddlers and Childrens Clothing, the second for Teen Agers, and the third for Ladies. The models were nearly all ladies from the Home Economics Club and children of club members.

Other numbers on the program were: Reading, by Mrs. Vance Johns; two vocal solos by Marita Tucker, with Marilyn Tucker as accompanist; two piano solos by Mary Ellen Bryan.

Dainty refreshments of fruit punch and cookies were served at the close

of the program from a candle lighter table.

The room was beautifully decorated with a profusion of spring flowers.

COOPERATION PAYS

P. T. A. NEWS

It was announced at the April meeting that the Mentone P. T. A. will purchase a strip film projector for the Mentone school.

With the exception of the committee for the survey on enlarging the school, there will be no holdovers of P. T. A. committees for next year.

Mrs. Dan Urschel announced, since there will be no May meeting, that the P. T. A. will hold a reception for the Mentone school teachers May 21st at the Methodist church after the baccalaureate services.

The subject of devotions by Rev. Jones was, "The Relationship Between Home, Family and Church." He also read from the 6th chapter of Proverbs.

Vocal solos were given by Marita Tucker and Marilyn Rathfon, each accompanied at the piano by Miss Marilyn Tucker.

The third and fourth grade chorus, under the direction of Mrs. Mary Blickenstaff, sang two numbers.

Mrs. Hobart Creighton introduced the guest speaker, Miss Esther Burrin, from the state librarian's office, who gave a very interesting discussion on children and teen-age books.

Mr. Kelly's art class had a very love-

ly exhibit on display. This is a new subject at Mentone, and we want to congratulate Mr. Kelly and the students on their progress.

The 1950-51 P. T. A. officers were installed by Mrs. Urschel.

Following the grade count which was won by the third grade, the meeting adjourned for a social period in the cafeteria where refreshments were served.

P. T. A. membership may be renewed in September. The dues will remain at 50c.

HOG CHOLERA STILL**NUMBER ONE PIG KILLER**

Hog cholera is still the top-ranking menace to United States hog production, but other diseases are rapidly moving up. Erysipelas, infectious gastroenteritis, and rhinitis ("bull nose") are causing increasing trouble in swine-growing areas and in a few specific instances have caused heavier losses than cholera. According to veterinarians, swine are subject to at least 300 different diseases and sometimes several of them strike a herd at once. Vaccination prevents cholera and erysipelas, but farmers must rely on good sanitation and smart management to keep out most of the others.

METHODIST CHURCH NEWS

Last Friday, May 5, the Sunday School Class, the Young Methodists, taught by Denton Abbey, was host to the Builders Class taught by Mrs. Lois Davison, at a Supper Meeting, in the residence of Charles Manwaring. A delicious meal of sandwiches, potato salad, baked beans, relish dish, fruit punch, and cup cakes, prepared by Mrs. Abbey, Mrs. Davison, and Mrs. Manwaring, was served. An hour of recreation followed the supper in the recreation room of the residence.

Tuesday, May 16, is Officers Training Day for the Womans Society of Christian Service, at the Kendallville Methodist Church. All local officers will be attending.

A Nursery is in the planning stage

for use during both the Worship and Study Period hours on Sundays. A public address speaker will carry the Worship Service to the room.

The Pastor, Rev. David Gosser attended the Warsaw District Conference held at Wakarusa on Monday of this week. Rev. and Mrs. E. E. DeWitt were also present at the meeting. Rev. Gosser sang "O Lord, Correct Me" by Handel. Rev. Thomas Frost, of Warsaw, presented the inspiring sermon of the afternoon.

Bible School will begin May 29 at 8:30 a. m. (CDT). The meeting of the North Indiana Annual Conference held at Marion this year, prevents the school from beginning a week earlier.

Friday evening of this week is a call meeting of the Finance Committee and Board of Stewards at seven-thirty.

AUXILIARY PLANS FOR POPPY DAY

Everyone in Mentone will be given an opportunity to wear a memorial poppy in honor of the war dead on Poppy Day, May 27, under plans for observance of the day which were completed at a meeting of Mentone Unit No. 425 of the American Legion Auxiliary at the Legion Home yesterday.

The observance will be directed by Mrs. Ralph Ward, the Auxiliary's Poppy Chairman. Assisting her as district captains will be Mrs. Robert Whetstone and Mrs. Wilbur Cochran. Other members of the Auxiliary and volunteers from other organizations will work with these leaders to bring poppies to everyone on Poppy Day.

Each district of the city will have its team of workers who will distribute poppies on the streets throughout the day. All will be unpaid volunteers, and the entire amount of contributions given for the poppies will go to support American Legion and Auxiliary welfare work for disabled veterans and needy children of veterans. Workers will receive their assignments and supplies at a rally to be held at the Legion Home the night before Poppy Day.

Poppies for the day have been ordered from the veterans hospital at Marion, where they are being made by disabled veterans. They are crepe pap-

er replicas of the wild poppies which bloomed "between the crosses, row on row," in the war cemeteries in France and Belgium, and which have become the memorial flower of the English-speaking world. Making the poppies provides employment for thousands of veterans unable to do other work.

There was a time, not long ago, when the veteran's sacrifice meant security to you. Today the red paper poppy you wear on Poppy Day means security to him. So when you see the volunteer poppy ladies of the American Legion Auxiliary, meet them more than halfway. Give for Them, who have given for you!

On bleak, war-scarred battlefields the poppies bloomed, bringing new hope to an embattled world. Now, in memory of that time, their gay paper replicas blossom forth each spring under the encouraging hand of your veterans' women folk. Take one on Poppy Day. Wear it as your pledge of faith in a bright new world for the future.

YOUTH FOR CHRIST

Another good Youth for Christ Rally will be held at Lincoln High School auditorium, Plymouth Ind., on Saturday night, May 13th, at 7:30 p. m.

Jack McDonald, pastor of Grace Bible Church, of Elmhurst, Ill., will be the speaker of the evening. Mr. McDonald is a graduate of Philadelphia School of the Bible, Wheaton College and much of his time in the summer is spent in Evangelistic work and young peoples conferences. He has also spent some time as a missionary among the Navajo Indians in Arizona and New Mexico. Also is an excellent trumpeter. You will want to hear his youth appealing presentation of the Gospel of Christ.

A good music program is also in store with the boys quartet of Lapaz; trumpet Trio of Lapaz; Glen Lockwood, soloist of Knox; Gospel Four Mixed quartette from Walnut Church of Brethren, Argos; Personette sister, youthful duetists of Plymouth and the Greater Marshall County Youth for Christ Orchestra.

Pastors are urged to bring their young people. Don't forget the date Saturday, May 13th, 7:30 p. m., Plymouth High School.

4-H JUNIOR LEADERS MEET

County Junior Leaders Meeting was held at the Burket School on Monday evening, May 1. Carolyn Bowen, of Burket, conducted the meeting. Group singing was held by Marilyn Summe.

Announcement was made and plans completed for the next meeting, which will be a boat ride at Webster Lake on June 26.

The Junior Leaders from the county selected to attend Kiwanis Leaders Training School at Indianapolis June 5 to 8 are: Ann Tom, Leesburg; Ruth Ann Nine, North Webster; Carolyn Bowen, Burket; and Alternate Martha Drudge, of Beaver Dam. From the boys group Everett Earl Rookstool, Beaver Dam; Gene Likens, Monroe Township; and alternate, Doyle Thompson, Warsaw.

The Junior Leaders will meet with the Adult Leaders of the county on June 13 to make plans for the County Fair. This meeting does not include the assistant junior leaders.

Plans were discussed for 4-H Sunday on May 7, also for the health contest to be held early in June.

The group voted to operate a cold drink stand at the Grassland Field Day to be held on June 9. The committee named for the arrangements is: Richard Sparrow, Atwood; Forest Dunnuck, Mentone; Jackie Harden and Anita Barnett, both of Silver Lake.

The Silver Lake Tatapocheon Club gave an interesting demonstration on "Conducting a 4-H Initiation." The officers participating in the initiation were president, Jackie Harden; vice president, Lucille Deaton; secretary, Anita Barnett; treasurer, Marilyn Kreis, with Shelia Kissinger acting as conductress. The girls initiated were Roberta Bouse, Kay Freed, Nancy Wise, Jeraldean Deaton, and the demonstration was sponsored by Marilyn Summe and Virginia Vance, adult leaders. The group also demonstrated a ceremony which might be used for the installation of officers in the club.

Mrs. Glen Snellenberger, Home Demonstration Agent, emphasized that girls club enrollment cards and junior lead-

ers blanks were due in the office by May 15.

In the divided session, the girls completed plans for 4-H Home Economics Day to be held on June 14, at which time there will be clinics on judging in the various projects, and a demonstration will be given by Sue Ann Harmon, of Claypool, which will be evaluated by the group, and discussed as to good and bad points.

Song leaders for the day will be Jackie Harden, Silver Lake and Janet Carr, Claypool, with Joyce Metzger and Anita Garman as pianists, both of Claypool.

Registrations will be handled by June Gieseking, Atwood; Ruth Ann Nine, North Webster; Carolyn Bowen, Burket; and Martha Drudge, of Beaver Dam.

In the boys session Tractor Maintenance and the new electrical projects were discussed by assistant county agent, Bill Johnson, who also announced a new crafts project for 1951.

At the close of the meeting refreshments were served by the Burket Club, and recreation conducted by the Beaver Dam Club.

MENTONE MURMURS

by
DAVID and SALLY GOSSER

Last Sunday afternoon the Mentone School Band and Chorus gave a splendid Spring Concert. The program was varied and interesting with the Girls Chorus dressed in formals. It is always a startling thing to see some of our community's youth suddenly become grown young ladies, but the effect is always a pleasing one to an audience. The pastel colors of gowns lend an atmosphere in keeping with the season. All of the youth are like blossoms that have burst forth into a world that suddenly becomes wonderfully beautiful. Murmurs was favorably impressed with the presentation of the young people under the direction of Mrs. Blickenstaff.

The effect produced by the boys' quartet and the hidden chorus on their final number, "Cool Water," was pleasing and certainly the Band entered its final number with gusto and zest. Youth enjoy playing the selections of their own choice, and we oldersters may be too prone to criticize their selection. Murmurs is frequently reminded that we are continually trying to make youth conform to an adult world. Our prejudices frequently curtail the wholesome outlet of energy so necessary to youth without providing adequate substitutes. One of the tragedies of an era of reform is the outbreak of dwarfed and twisted personalities caused by repressions and too rigidly enforced codes of ethics.

Murmurs is not advocating the release of discipline, in fact, there are

evidences that more rigid home discipline is necessary. This is particularly true in regard to the respect of people in authority, leaders, and people older than the youth, and the respect for the property of others. We, as modern Americans, are short on courtesy. There could be definite improvement on the part of all of us toward attitude and friendliness. Too often our desire to impose our rightness destroys the opportunity to convince others to our cause by the unethical means which may be employed. We are unmindful that all of us are Americans, that God grants each and every one the same sunshine and rain. We live in the same community, enjoy the same privileges, partake of the same blessings, and are not so much different from our neighbors as we are prone to think.

Murmurs has seen so many small communities with such outstanding defects that he shall always think that Mentone is almost perfect, but while we are in the season of planting, it is well that we plant within the minds and character of our youth, by our own example, the qualities of a truly democratic nations. This Mothers Day may be the opportunity to demonstrate the principles referred to above, by assuming the tasks of the home, and giving Mother a rest.

MERMAID QUEEN TO BE CROWNED AT WEBSTER

Between 20 and 25 communities are expected to be represented in the Mermaid festival "Queen of the Lakes" bathing beauty contest to be held at North Webster during Mermaid festival week, June 24 to July 1.

Plans for selecting a queen are now under way in Pierceton, Sidney, Mentone, Silver Lake, Claypool, Burket, Beaver Dam, Etna Green, Bourbon, Warsaw, Milford, Syracuse Ligonier, North Webster and South Whitley. Homer Shoop is chairman of the queen committee.

The Mermaid festival will award the queen \$100 and a week's vacation at the Yellow Banks hotel at Webster lake or at the South Shore hotel or the Johnson hotels on Lake Wawasee at Syracuse. The girl placing second will receive \$50 and a week's vacation at one of the three hotels and the girl placing third, will receive \$25 and a week's vacation at one of the hotels.

The Mermaids' ball at Waco pavilion on Lake Wawasee June 24 will have all the queens and their escorts as guests.

Mentone's queen is Bonita Miner, daughter of Mr. and Mrs. Loyd Miner.

MEMORIAL DAY SERVICES

Post No. 425 of the American Legion, Mentone, announces that the annual Memorial Day services will be conducted Sunday afternoon, May 28, 1950. The services will include a parade from the Legion Post to the high school gymnasium where the principal address will be given by Mr. F. Dean Bechtol, Garrett, Indiana, Past State Commander. This will be followed by a parade from the gymnasium to the Mentone cemetery for appropriate ceremonies.

Members of Post 425 serving on the Memorial Day committee are James Rodibaugh, Robert Whetstone, Robert Reed, Gerald Brown, Chester Smith, Deverl Whetstone, John Ellsworth, Dale Wallace, and Fred Beeson.

BEAVER DAM CANDIDATES FOR GRADUATION ANNOUNCED

Plans are completed for the graduation of the eight members of the Class of '50 at Beaver Dame. This class includes Carole Kathleen Perry, valedictorian; Marilyn M. Paul, salutatorian; Jackie Keith Riner, Iris Virginia Jones, Joan Ummel, Dale W. Doering, Donald Earl Swick, and Samuel Allen Summe.

Baccalaureate service will be held in the school auditorium, Sunday, May 21, at 2:00 p. m., DST. The sermon will be delivered by the Rev. Arlo F. Newell, Associate Pastor of the Akron Church of God.

Commencement is scheduled for Tuesday night, May 23, at 8:00 o'clock, DST. Dr. Lee Carter Maynard, of Angola is the speaker.

PROGRAM ENJOYED BY LIONS AND LADIES

Around one hundred Lions and ladies enjoyed Ladies Night on last Wednesday evening, May 3, at the cafeteria of the school building.

The tables were decorated with spring flowers and candles.

After a delicious dinner, program chairman, Dick Manwaring, introduced the guest of the evening, Walter Stickler.

Mr. Stickler has made films and photographs of the natural beauties of America for 18 years. He is also vice president of the lovely Cypress Gardens, in Florida.

Mr. Stickler gave an hour's program of colored slides showing many of America's scenic spots. Some of special interest were those taken at the Rainbow Natural Bridge, in Colorado. He made the trip up the Colorado River. Although this part of the country has been open as a park for the past 40 years, only 6,000 people have been able to visit it due to the actual difficulty of reaching the spot.

Mr. Stickler showed some very unusual and breathtaking flower pictures. His fine personality and the type of pictures showed combined to make a most interesting program.

Group singing was led by Vance Johns.

Response and appreciation to the Lions was given by Mrs. Kenneth Riner.

SPRING CLASSES MODEL CLOTHING

The girls in the Junior High and High School sewing classes gave a style revue in the cafeteria of the school building on Wednesday afternoon at 1:15.

Mrs. Ralph Hoffman, our Home Economics instructor, greeted the mothers who had been invited to see the girls model their garments.

There were 48 girls who took part and it was truly thrilling to see the interest taken by these girls, and the fine articles of clothing they have made. Mrs. Hoffman is to be congratulated on her instruction and patience.

Forrest Miner is working at the Farmers State Bank in Mentone. It was incorrectly stated in last week's Co-op News that he was employed at a Warsaw Bank.

TRIBUTE TO TEACHERS

To close the school year, the Mentone Parent Teacher Association is giving a reception for the teachers of our school following the Baccalaureate service Sunday evening. It is their hope to close the year with an affair to show much appreciation to those who often feel that they get only criticism. The training of the children in our community requires that teachers and parents work together and the parents would like to stop and say thank you to the teachers for their many services.

Committees in charge of the affair are:

Decorations: Mrs. Zanna Hommer, Mrs. H. V. Johns, Mrs. Delford Nelson, Mrs. Elmore Fenstermaker.

Arrangements of room: John Boggs, Mott Bryan, Wayne Tombaugh, Elmore Fenstermaker, H. V. Johns.

Punch: Mrs. Noble Oyler, Mrs. Robert Reed, Mrs. Kenneth Riner.

Cookies: Mrs. George Mollenhour, Mrs. I. D. Fisher, Mrs. Hobart Creighton, Mrs. Glen Secrist, Mrs. Esther Shoemaker, Mrs. Clayton Clutter, Mrs. David Gosser, Mrs. Don Van Gilder, Mrs. Marie Coleman, Mrs. Mott Bryan, Mrs. John Boggs, Mrs. Lyman Mollenhour, Mrs. Charles Hammer.

Supplies: Mrs. Raymond Cooper.

TO GIVE WATCHES AWAY

As a token of their interest in the accomplishments of the seniors of the Mentone High School, Baker & Brown jewelry and appliance store, of Mentone, is sponsoring a popularity contest in which the Juniors and Seniors vote on the Senior boy and girl showing the most courage, integrity and leadership. As a reward the winning boy will receive a 17-jewel Lord Calvert watch and the winning girl a 17-jewel Lady Calvert watch.

Stop in at Baker & Brown for full details.

DEAN BECHTOL TO
SPEAK AT MENTONE

Mr. Dean Bechtol, of Garrett, Indiana, an eminent speaker of great note and a Past Department (State of Indiana) Commander of the American Legion will deliver the principal address at the Memorial Day Services to be held in Mentone on Sunday afternoon, May 28, 1950.

Tentatively the parade will start at 1:45 p. m., DST and will proceed from the Legion Home east on Main Street, turning north to the gymnasium. The program at the gymnasium is scheduled to start at 2:00 p. m., DST and will feature the address of Mr. Bechtol. Following the program at the gymnasium, the parade will continue to the Mentone Cemetery for a short service at the Memorial Monument. A copy of the complete program will appear in this newspaper next week.

Decoration of graves at the Mentone and Harrison Center cemeteries will be performed on Sunday morning by the Mentone Legion Post, assisted by the Auxiliary and War Mothers.

Organizations participating in the services, beside the Mentone American Legion Post No. 425, are the Mentone Boy Scouts, the War Mothers of World War II, and the American Legion Auxiliary, the Mentone High School Band, and the Wawasee Drum and Bugle Corps.

"They fought for us. Now, with one accord, in deepest reverence, we do them honor. Let us not remember them

MARION LATIMER DIES

Marion Latimer, aged 45, died at his home in Harrisburg, Illinois, early Wednesday morning after an illness of several months due to coronary thrombosis.

Marion Latimer was born on August 14, 1904 to Lyndes and Nellie (Lyon) Latimer. He graduated from Burket High School where he was a star athlete, and went on to Purdue, where he graduated as a civil engineer. During one year at Purdue he was champion wrestler of all the big ten colleges.

Survivors are the wife, Lillian; one daughter, Sally, 12; a son, Lyndes, aged 8; the father, Lyndes, and a brother, Wilber.

Funeral services will be held at Harrisburg at 4 o'clock Thursday. The body will then be brouth to Mentone for burial. The Masonic rites will be conducted at the cemetery on Friday afternoon at 2 o'clock DST.

FRANKLIN "49ers"

The Franklin "49ers", Girl's 4-H Club, met at the home of Sandra Ballenger, May 10, 1950, at 7:00 for a Mother's Tea and a meeting combined. The meeting was called to order by our president, Patty Ballenger. Our vice president, Velma Coplen led our 4-H and allegiances pledges. We then had the reading of the minutes and response toll call, "Our Mother's Maiden Names," by our secretary, Elener Norris. We then had a program for our mothers which consisted of a poem, "Ma's Tools," by Iris Jones, a poem, "Mother," by Jo Ann Tucker, a piano solo, "Minuet," by Marilyn Rathfon, and a skit by Doris C., Lois U., Beverly T., Elener N., Norene B., and Mary D. There were 11 mothers present and two guests. All of our 14 members were present. Pat Ballenger then led recreation. Refreshments consisting of sandwiches, cookies and tea were served by Sandra B., Velma C., and Elener N., and were enjoyed by all.

in anguish: they would not wish our pity. For their sakes also let us not forget the loved ones left behind. Our tears or words or sympathy cannot bring back the comfort of their loving hands or the music of their voices now stilled. All the world, because of what they gave, is debtor to them."

Everyone is earnestly requested and urged to attend the observance of this sacred occasion honoring our departed servicemen.

MRS. SARAH CORMICAN
BURIED SUNDAY AFTERNOON

Sarah Armina Cormican, wife of Albert Cormican, Tippecanoe, aged 73 years, six months and 12 days, died Friday morning at the home at Tippecanoe, after many years of affliction, which she had endured with Christian fortitude. She was the youngest daughter of John and Lavina Shatto Cole and was born Oct. 31, 1876 in Kosciusko county. She, with her parents, moved to Tippecanoe township in 1884. In this community she spent the greater part of her life. She was united in marriage to Albert M. Cormican Jan. 1, 1896.

The deceased leaves to mourn her going a loving husband with whom she had journeyed for over 54 years, a foster son, Oscar Bolen; four grandchildren, Wakarusa, Ind.; three sisters, Mrs. Lizzie Fawley and Mrs. Nora Gochenhour, Elkhart, Ind., and Mrs. Cora Waltz of Rochester, Ind.; a number of nieces and nephews and a host of relatives and friends.

Many years ago she was converted and united with the Union Wesleyan Methodist church to which faith she remained true until death. A loving wife and mother, a dear sister, a true friend, a true neighbor, has slipped away to be at rest with her Saviour. Her going was not with sorrow but with holy anticipation to be at rest.

Funeral services were held at the Christian church at Tippecanoe Sunday afternoon at two o'clock, with Rev. DeWitt and Rev. Jenkins officiating. Burial was at Harrison Center, with the Johns funeral home in charge.

CLEAN UP WEEK SUGGESTED

It has been suggested that Mentone have a Clean Up week and do a bang-up job of cleaning, not only our yards, but sidewalks and streets, too.

What do you folks think of the idea? Why not get Mentone all spic and span before Memorial Day?

CLUB CALENDAR

**HEALTH FACTS FROM YOUR
STATE BOARD OF HEALTH**

Several new pamphlets are available through the Division of Health and Physical Education of the Indiana State Board of Health for the use of organized groups for study courses, according to Robert Yoho, director of the division.

Included in the group is a series of five pamphlets on cancer prepared by the National Cancer Institute in cooperation with the American Cancer Society. The first of the series tells what to know and do about cancer and the other four deal specifically with cancer of the mouth and respiratory tract, breast, female reproductive organs and digestive tract.

"Making the Grade As Dad," "Mental Health is a Family Affair," and "Rheumatic Fever — Childhood's Greatest Enemy" are titles of three public affairs pamphlets which are available for limited distribution as is the pamphlet entitled "That Extra Something A Full Time, Local Health Department Gives You."

A new supply has also been received of "Dental Health for Young America," "When, What To Use — How To Brush Your Teeth," and "Suggested School Health Policies." The first two published by the American Dental Association and the latter by the Health Education Council.

The seventh edition of the official report of the American Public Health Association entitled "The Control of Communicable Diseases in Man" is also available for doctors. The report is for reference purposes in relation to various diseases and their isolation, quarantine, period of communicability, source, mode of transmission, incubation period, etc.

About 2900 accidental deaths occur in Indiana each year and the number is increasing as compared to five years ago.

Falls kill about 900 persons each year running a second to motor vehicle accidents which claim over 1,000 lives a year, Verne G. Robinson, public health statistics director, Indiana State Board of Health, points out.

Over one hundred Indiana citizens die yearly of drowning, and from burns; electric currents and firearms each kill about 30; mechanical suffocation as many as 70 and lightning claims five to 10 lives a year.

Each year several Indiana residents are victims of unusual circumstances such as in the case of switching of a train when the engine fell over and mashed a parked car and its driver. One man was killed when a pencil pierced his body while he was fixing a flat tire.

Several children died from lead poisoning from fumes of discarded burning battery cases; the explosion of paint thinner resulted in a man's death, and an 81 year old woman died of a bite by a poisonous insect, probably a tarantula.

FRIENDLY NEIGHBORS CLUB HAS GUEST NIGHT

The Friendly Neighbors Home Ec. Club met Thursday evening, May 4th in the cafeteria room at the Mentone school house.

There were 22 members and 28 guests present. The following program was enjoyed by all. Piano solos by Shirley Igo and Janet Romine, accordion solo by June Romine, Vocal solos by Beverly Teel and Sandra Bollinger, a reading by Carol Teel, a duet by Audrey Boggs and Maude Romine, and a duet by Carol and Beverly Teel.

Stella Studebaker gave meditation. A tribute to mothers was given by Alta Hudson. Corsages were then presented to the following mothers, Maude Snyder, Bess Manwaring, Juanita Boggs and Mary Frances Hudson.

Rev. Gosser then gave a very inter-

esting talk about mother and the home.

Several gifts were received from cheerio pals.

Door prizes were awarded to Elenor Manwaring and Mrs. Floyd Huff.

Each member introduced her guest in answer to roll call.

Refreshments were served to all present by Mildred Fawley, Bess Manwaring, Edith Teel and Mildred Greulach.

HOME ECONOMICS CLUB LEADERS GIVEN TRAINING

"Family Financial Planning" and "Better Home Business Methods" are the subjects of two lessons for Kosciusko County Home Economics Club leaders on May 10 and 11. Miss Gertrude Monhout, home management specialist, Purdue University, presented the subject matter for the meetings which were held in the county extension office. Ninety-two leaders representing 47 clubs attending.

Proper banking procedures were described. The need for knowing where the money goes — keeping a record — before planning the use of one's income was discussed. Conclusions for persons having irregular incomes was that the plan would need to be very flexible, but that some plan or guide even if unexpected emergencies arose was better than none at all. The value of wills was described. Names and signatures on deeds and titles so that specific ownership is designated was emphasized. Suggestions for a home business center were made and probable small equipment shown.

Delegates who attended will now present these two lessons to their own local clubs.

Lest old acquaintance be forgot, "and never brought to mind," disabled veterans of two world wars have fashioned the crepe paper memorial poppy in remembrance of their fallen comrades. The American Legion Auxiliary will distribute them on Saturday, May 27, Poppy Day. Take one, and wear it proudly — in memory of one who was dear to you.

FARMERS GET MILLIONS

OF MULTIFLORA

The Indiana Department of Conservation, through cooperation of the Pittman-Robertson Wildlife Restoration Program has completed shipment to Indiana landowners 3.75 million Multiflora Rose or enough of the Asiatic shrubs to plant a straight line extending from Indianapolis to Philadelphia.

An average of 53 bird nests per mile soon will be found in this living fence. This figure multiplied by 700, or the approximate mileage involved between Indianapolis and Philadelphia, will reveal that the housing shortage for our wildlife will be greatly decreased by these plantings. Also in the winter splendid food sources will be provided. An excellent cover for wildlife, it also helpful in erosion control, contour tillage and for stopping pasture gullies. Also multiflora helps control weeds and by harboring bird life hordes of destructive insects are eliminated. The shrub has an ornamental foliage and is well suited to line, contour and irregular fencing. Investigation has revealed that fencing planted twenty-five years ago still is strong and vigorous. Individuals familiar with Multiflora are most enthusiastic in regard to it because the natural fence requires no clipping, pruning, training or support. It also serves as an effective

windbreak thereby reducing wind damage.

Plantings made this spring should be cultivated where possible to prevent inroads of weeds among the new and tender shrubs. They should be mulched heavily this fall with straw, old hay or sawdust. The second year requires no cultivation.

More seedlings will again be available this fall and again next spring according to attaches of the Pittman-Robertson Project. They are free to farmers who write to the Department of Conservation or Pittman-Robertson 6-D, 311 West Washington Street, Indianapolis 9.

ED BOWSER HOSPITALIZED WHEN HIT BY AUTOMOBILE

Ed Bowser was injured in a very unusual accident Monday noon when an auto came onto his lawn and hit him while he was talking to Paul Rhoads. The auto, owned by Kenneth Coplen of Atwood and driven by Berna-Dean Sensibaugh, failed to make the turn at the Bowser corner, went onto the lawn and hit Mr. Bowser.

Mr. Bowser was taken to the Murphy Medical Center at Warsaw, and present indications are his injuries include a shattered collar bone, a chip of bone off his shoulder blade, and two pretty sore legs.

LIONS HAVE INTERESTING MEETING WEDNESDAY EVE.

The regular meeting of the Mentone Lions club, held Wednesday evening, was an interesting affair. There was no planned program, but the discussion of various projects, activities and club purposes proved very interesting and encouraging. Chester Manwaring gave a short synopsis of his winter's visit in the south and west.

PAYS FINE.

Donald Boyer appeared in Justice of the Peace Clarence Eller's court Wednesday evening and was assessed a fine of \$1 and costs, amounting to \$12.75, for reckless driving.

LABORATORY REPRESENTATIVES TO MEET FARMERS HERE

Roy Merriott and Don Smith, representatives of Lederle Laboratories, will be in Mentone next Wednesday evening, May 24th, to speak to the farmers of this area relative to the diseases most common to hogs, cattle, poultry and sheep. There will be a special moving picture on poultry diseases, and every farmer is invited to attend. The meeting is scheduled to start at eight o'clock.

HIGHWAY BEING REPAIRED

The past few days highway workmen have been repairing the berm on highway 25 towards Warsaw. Rumor has been current for some time that money has been set aside to resurface the entire stretch between Mentone and Warsaw this summer, and motorists who are compelled to travel that way should appreciate anything that can be done to this bit of Indiana's roadway. In fact, the distance between here and Warsaw has more than doubled the past year or so. It's farther up and down than it is on a level.

CARD OF THANKS

I sincerely desire to express my heartfelt thanks for the visits, flowers and cards I received while in the hospital. Everything was surely appreciated.

BAKER & BROWN

Never blooms a flower so red as the one you'll wear over your heart on Poppy Day, May 27. Made by veterans and distributed by the American Legion Auxiliary, the brave little memorial poppy is your way of giving the type of thanks there are no words to say.

War veterans can reinstate their government insurance at any time upon proof of good health and filing proper application papers.

"HOME, SAFE HOME"

We think of the home as a place of rest and safety, but the fact is that about five times as many people are injured by accidents in the home as by motoring accidents on the highways. And this takes into account only disabling or fatal accidents, not the countless home accidents that cause painful but minor injuries that can be taken care of with a good antiseptic and one of those ready-to-use adhesive bandages that has the gauze pad already affixed to the adhesive tape.

If you wish your family and yourself to be safe in your home, here are a few common-sense precautions to be observed:

Slip-proof your scatter rugs and keep them away from the head and foot of the stairs; Use a firmly set ladder, never a chair or wobbly boxes, to climb on;

Train children not to leave toys scattered over the floor, to be tripped over, and to remember that a thrown ball or other object can be a dangerous missile;

Always keep saucepan handles turned away from the edge of the stove to avoid tipping over scalding liquids;

Never turn on a light switch or handle electrical appliances with wet hands.

All of these and other precautions cannot entirely eliminate the possibility of accidents, so the final precaution is to be sure that your medicine cabinet is always stocked with an antiseptic, ready-to-use adhesive bandages and other standard first-aid equipment.

HUMAN COST OF WAR VICTORIES SHOWN IN WINDOW DISPLAY

Cost of America's world war victories in the lives of young Americans is vividly depicted in a display now to be seen in the Main Street window of Denton's Drug Store.

Central feature of the striking window display is a battle cemetery in miniature with its crosses "row on row." Between the crosses, as they grew in the cemeteries in France and Belgium, are the bright red poppies which the American Legion Auxiliary will distribute on Poppy Day Saturday, May 27, to be worn in honor of the war dead.

The display was arranged by No. 425 Mentone Unit of the American Legion Auxiliary, under the direction of Mrs. Robert Whetstone, assisted by Robert Whetstone. Use of the large display window was donated to the Auxiliary for the week by Mr. and Mrs. Denton, owners of the store. Help in decorating the window was given by the Dentons, and war souvenirs in the display were loaned by Mrs. Dave Ellsworth, Mrs. Clara Baker, Mr. Leroy Norris and Mr. Earl Shinn.

"On Poppy Day, everyone in Mentone will have an opportunity to show that they remember and honor those who sacrificed their lives that we might live in freedom," said Mrs. Eldred Paulus, President of the Mentone Auxiliary Unit. "Auxiliary volunteers will be on the streets all day Saturday offering poppies to be worn in honor of the war dead and receiving contributions for the welfare of the wars' living victims, the disabled veterans and needy children of veterans."

PLANT MANY TREES IN CO.

Seventeen Kosciusko county farmers and organizations planted a total of almost 13,000 trees this spring. Trees were supplied by both the Division of Forestry and through the Pittman-Robertson wildlife program.

This year 14 farmers purchased almost 10,000 trees from the State Division of Forestry. Each year state forest nurseries supply organizations and individuals with about 6,000,000 young trees. Trees from these nurseries are sold at cost for windbreaks, reforestation, erosion control, and Christmas tree production. Trees must be planted outside city limits and may not be resold as rooted stock. County Agent P. E. Jackson stated that he will be able to accept orders for trees after September 15 for next spring delivery. Order blanks may also be obtained by writing directly to J. G. MacAllister, Farm Forester at Plymouth.

Persons and organizations planting trees this year are: Jack Vonderford, Darl Wood, Lorraine Warner, Leon Fulton, Robert Weirick, Maurice Kuhn, Everett Tom, Howard Workman, Lester Lehman, Glenn Disher, Harry Zimmerman, Ralph Hudson, and members of the Warsaw American Legion Post. A. T. Parrish, District Extension For-

ester, demonstrated tree planting methods at the Louis Fry Farm last month. According to the forester, the combination of the Leon Fulton windbreak planted in 1948 and the Louis Fry windbreak planted this year may prove to be one of the finest windbreak combinations in the county.

In addition to these, three farmers cooperated in the Pittman-Robertson wildlife program by planting about 500 trees. In addition, they planted over 2,000 wildlife food producing shrubs and Multiflora Rose. Under this program the land owner leases a small area to the Indiana Department of Conservation for a five year period and agrees to do the planting and fencing. In return, he receives planting stock and fence for the area. The objective of the program is to provide food and cover for small game. The project leader for this area is Raymond E. Wilson of Wabash. Farmers and organizations cooperating in this program this year are Leroy Goshert, John Davidson, and C. O. Mollenhour.

O (MISTER) POSSUM

A possum up a' simmon tree,
A hound-dog on the ground,
We'll shake it down right merrily,
To please the hungry hound.
Let's roast the rat-tailed animal,
In relish, like a pig,
And eat it like a cannibal,
In swallows mighty big.
This meaty morsel we all crave,
Like us, and we, and you,
Then hunger-longing, will behave,
With tasty tongue, anew.
A' simmon tree, a possum fat,
A picture that will seem,
A hocus-pocus, this and that,
A highfalutin dream.
We won't play possum, any more,
But try to keep awake,
Persimmon fruit we will deplore,
But now — please pass the cake.

—Roundtree.

Modern Noah's Ark in Ozarks

Deep in the Ozark Mountains on Route 66 at Stanton, Missouri, Lester Dill is readying his 22-mile long, five-level Meramec Caverns as America's Atomic Refuge No. 1.

Thousands of vistors are flocking to view this modern Noah's Ark, just 65 miles from St. Louis, as Dill plans to convert the great caves into a bomb haven for "those whose survival is essential to future civilization."

The cave has a wide river in its bowels with a capacity of 5,000,000 gallons a day— sufficient to provide water supply for a small city. The year-round temperature is 60 degrees inside the cave which situated as it is on a paved road two miles off Route 66, is accessible by plane, train and car. Dill explained that dehydrated foods could be stored in sufficient quantity to feed the cave refugees for two or three years.

"When the situation is so serious that our own government officials are urging an alternate capital for Washington and are seeking hidden spots for military and industrial installations" Dill explained, "we should also be preparing to protect the scientific, engineering, medical, educational and creative genius which has made our country great."

TULIP DAYS AT AKRON

15,000 BLOOMS

Sunday, May 14 and Sunday, May 21, will be tulip days at the Gast Tulip Gardens in the west edge of Akron, on State Road 14. The tulips will be coming into their best blooming period from about the 14th to the 18th and the Gasts' always welcome everybody from far and near to see them during this time. Thousands of people from miles around make the trip each year to see this array of many bright spring colors. The Tulip Gardens are kept amateur to assure maximum enjoyment for all.

There will be some fifteen thousand blooms this spring, representing every color, shade and hue known to tulipdom, as well as many combinations and blends. There will be over one hundred varieties which are kept separate in raised beds, which make the best spring floral display in this part of the

HOME EC. CLUB MEETS

Members of the Mentone Home Economics clubs were entertained Thursday afternoon at the home of Mrs. Earl Smith, of Rochester. Mrs. Harry Vernet, who talked on "Hostess Helps" gave suggestions for planning to avoid the last minute rush; group conversation and making introductions. Proper lighting was discussed by Mrs. Agnes Rans, who gave the health lesson. Mrs. Raymond Welrick gave the history of the son of the month, "Comin' Through the Rye." For the meditation thoughts on Mother's Day were given by Mrs. Jacob Gross. In the business session, conducted by Mrs. Smith, announcement was made of the picnic for Kosciusko County Home Economics Club members to be held June 1. A tour of some of the Warsaw industries was planned. Mrs. Gross assisted Mrs. Smith in entertaining the 24 members present. An auction was held in which Mrs. Claud Gates and Mrs. Smith were high bidders. Mrs. Edith Darr was awarded the mystery package and birthday gifts were received by Mrs. Elmer Rathfon and Mrs. Harry Sullivan. June 8 is the date for the next meeting of the club.

BOY SCOUT CAMPOREE

The annual scout Camporee for all boy scouts and explorers of the Pioneer Trails Council will be held at Rice Field, Elkhart, on June 3 and 4. C. D. Jackson, general chairman, indicated participation may reach the 1000 mark including the cub scout Cuboree being held on Saturday afternoon and evening.

The objective of the Camporee will be to stage an adventurous fun weekend for all boys in Scouting through contests, demonstrations, inspections, games, and practice of campskills and cooking. It will strengthen the ideals of scouting and the fun of camping with other scout units.

Checking in on the morning of the 3rd, a short uniform inspection will be conducted followed by the erection of the troop and patrol camps. One of the chief highlights will be the Gold Rush, a scoutcraft competitive event utilizing the skills of knot tying, first aid, signalling, nature, judging, knife and ax, compass and observation. The title of this event comes from the giving of small "gold" pieces as award merits. A colorful review and campfire program will climax the first day.

Sunday morning will be devoted to church services and informal games. The Order of the Arrow, national camping fraternal order, will hold a

conclave for its members in the forenoon. Patrol and Crew demonstrations and exhibits for parents and other scouts and explorers will precede the final retreat and recognition ceremonies.

Cooking will be another fun activity as each patrol and crew prepares its food in legion methods — all tasty. To supplement the boys meals and to satisfy the appetites of many visiting parents, the Scout Mothers' Club of the Elkhart Simpson Methodist Church will operate a concession stand.

Complete details have been mailed to each Scoutmaster and explorer advisor, their assistants and committee chairman. Entry Sheets are returnable by May 15th and not later than May 20th.

METHODIST CHURCH NEWS

The following ladies attended the Officers Training Conference at the Kendalville Methodist Church on Tuesday of this week: Mrs. Walter Lackey, Mrs. Jack Van Gilder, Mrs. Chauncey Mollenhour, Mrs. Dan Urschel, Mrs. Abe Whetstone, and Mrs. David Gosser.

The young people of the church who are graduating from high school this year will conduct the worship service on Sunday morning. The W. S. C. S. of

ficers for the new year of 1950-1951 will be installed, and the Board of Stewards will distribute the subscription envelopes.

Next week the Pastor, Rev. David Gosser, will be attending the North Indiana Annual Conference, at Marion. It is at this time the Methodist ministers receive their appointments for the following church year which begins the first of June.

The Gideon Bible Society will present a speaker for the service of Sunday, May 28. Mr. Denton Abbey, the lay leader of the local church will conduct the service in the absence of the pastor.

MENTONE MURMURS

by
DAVID and SALLY GOSSER

School will be out in another week and folks will be thinking of vacations and day trips to parks and playgrounds in and out of Indiana. Tulip Time in Holland, Michigan, is a wonder to behold; and the array of tulips in our own community give us some idea what whole farms of tulips would be like. You may or may not wish to "tip-toe through the tulips," depending on the romance of the moment, but now is the time to visit Holland.

Lilacs are in bloom also; and Murmurs never sees the lavender and white blossoms without thinking of the great poetic tribute Walt Whitman paid Lincoln in "When Lilacs Last in the Door-Yard Bloomed." Usually we think of his "O Captain! My Captain!", but the first mentioned is by far the greater poem, but not as easily quoted and memorized. Along with many of his great lines on the democratic man, you find the Lincoln poems in "Leaves of Grass" by Whitman, the champion of democracy, the poet who loved people.

A Nation, any nation, can be only as great as its people. Mentone can be only as great as we, its citizens, will let it become; and there are many fine people here, business and professional people, the average bread winner, the common man, good substantial and hard-working people. In these tempting days for travel there are some of us, however, who have a tendency to cross the community boundary to fill

the coffers of merchants who never have an opportunity to support the Mentone Community. They do an admirable piece of work in the communities of their own business, but that does not help Mentone.

Some of our chief offenders resent foreign trade and business alliances with other nations, yet they fail to see that in practice they do the very thing at home which they object to on a national basis. This does not make sense. If you believe America should have American business then practice it by giving Mentone your business, supporting your merchants, your own professional workers.

Perhaps it should be stated that Murmurs is not a merchant, nor the son of a merchant. He is not reimbursed for these community plugs, but out of all fairness to all business men (and ladies) of Mentone, and being a resident of said community, he feels indignant that there is the tendency to do so much out-of-town shopping for items that are of equal quality here. Usually the day spent on such a spree amounts to more than the difference in the cost of the articles which are purchased.

A demand for greater variety of merchandise is met by increasing the buying power of your merchants and urging them to order the articles that you desire. Invite other industries and business and professional opportunities by supporting your Mentone.

PASTOR TO GRADUATE

Rev. Milton Dowden, pastor of the First Baptist Church, will receive his Bachelor of Divinity Degree in the graduation exercises of Grace Theological Seminary on May 23rd, at 7:30 p. m. in the Warsaw High School auditorium. Mr. Dowden graduated from Iowa State Teachers College in 1932, Moody Bible Institute, of Chicago, in 1940, and now has completed three years of work at Grace Seminary. He accepted a call to the First Baptist Church, of Mentone, on the 24th of April, 1949, and is now beginning the second year in the local church. Since he will be the speaker in the Senior Class Day exercises next Sunday morning, in Winona Lake, the speaker for the morning service at the church will be Dr. Paul Bauman, vice president of Grace Theological Seminary. Dr. Bauman has just returned from a world tour and will bring an interesting message in the 10:30 service. The public is cordially invited to the service or to listen to the broadcast over WKAM at that hour. Regular evening services next Sunday evening will be dismissed in favor of the Baccalaureate Services at the Methodist Church for graduates of the Mentone High School.

MOTHERS OF WORLD WAR II

Mrs. Blanche Paulus presided over the meeting of the Mothers of World War II, Unit 106, which was held at the home of Mrs. Pearl Cormican, near Argos, Wednesday evening, May 10. The meeting opened by Pledging Allegiance to the flag and singing one verse of America. In the absence of the chaplain, Mrs. Wagner offered prayer. Roll call was answered by 16 officers and members. The secretary and treasurer's report was accepted, bills were allowed and an order drawn on the treasurer for same. A card of thanks was read from Mrs. Bertha Meredith for flowers received during her recent illness. Mrs. Almyra Fisher, Child Welfare Chairman, reports a veteran's family in need, the mothers voted to send a grocery collection to same, which was to be left at the home of Mrs. Paulus by Monday evening. Another wheel chair has been purchased by the War Mothers and we now have six chairs and are all in use at the present time. Final arrangements were made for Memorial Day. Mrs. Wagner was appointed to get the flags and stands. Some discussion was raised as to the helpful work the mothers can do. Mrs. Dora Norris paid her dues, Mrs. Opal Tucker and Mrs. Ethel Wagner paid birthday money. The June meeting is to be held at the home of Mrs. Blanche Paulus. The door prize was won by Mrs. Mae Borton. The Mother's Creed, retiring of the colors, singing one verse of God Bless America and prayer by the chaplain closed the meeting. During the social hour Mrs. Paulus read a poem, "The Sphere of a Woman," and Mrs. Maude Romine held an auto contest which was won by Mrs. Paulus. The hostess and co-hostess, Mrs. Fisher, served lovely refreshments.

MENTONE READING CLUB

The Mentone Reading Club enjoyed a 6:30 potluck dinner on Wednesday evening, May 10, at the home of Mrs. Leroy Norris. Assisting hostesses were Mrs. Walter Fenstermaker and Mrs. Chauncey Mollenhour.

During the business meeting Mrs. Fred Lemler, president, conducted a very impressive installation service for the new officers. They are, president, Mrs. Harold Nelson; first vice president, Mrs. Leroy Norris; second vice president, Mrs. Walter Lackey; secretary, Mrs. Raymond Cooper; treasurer, Mrs. Byron Peterson.

Mrs. Don Van Gilder, chairman of the program committee, introduced Dr. Lloyd Hoff, instructor of English and Dramatics at Manchester College. Dr. Hoff read two plays, "Elijah" and "White Dresses." These plays both portray life in the south, although each deals with characters in entirely different situations and places in society. His ability to take each actors place and characterization made a very interesting presentation.

The boys quartet from the Mentone High School sang several numbers be-

tween the reading of the plays. Their singing was very much enjoyed.

Other guests were Mrs. Lloyd Hoff and Mrs. Mary Blickenstaff.

The Thomas family, which has been living on Mrs. Naoma Baker's farm, has moved onto a farm north of Mulberry Hill.

CARD OF THANKS

We sincerely appreciate the splendid way everyone remembered Mrs. Cormican and I with flowers, cards and visits during our long period of illness, and the assistance of friends during the burial of Mrs. Cormican. Our heartfelt thanks to everyone.

COMMENCEMENT EXERCISES

Rev. R. C. Plank, former minister of the Warsaw Methodist Church, gave the commencement address for the 1950 Mentone graduates at the Baptist Church on Tuesday evening.

There were 33 members in the class. Forst Dunnuck and Floyd Dorsey had the honor of being valedictorian and salutatorian, respectively. Each received an award from the Psi Iota Xi Sorority for their scholastic standing. Others graduating were: Lois Boganwright, Betty Bolinger, Elaine Creighton, Alyce Davis, Martha Fitzgerald, Mary Hedington, Nondas Hodges, Carolyn Johnson, Anne Marzke, Joyce McIntyre, Patricia Hively, Betty Orcutt, Edna Quier, Virginia Rush, Elmer See, Delores Shirey, Donald Boyer, Eddie Creighton, Nobert Darr, Richard Dillman, David Cooper, Donald Emmons, Jr., Richard Gibson, Donald Grubbs, Loren Gross, David Johns, Bill Lowman, James Mollenhour, Billy Reed, Floyd Thomas and Loyd Thomas.

Bibles were presented to Betty Bolinger and Lois Boganwright from the Mothers of World War II. These awards were made because of an unusual attendance record. Each girl had missed only 5 days during their entire high school attendance.

Two local businessmen, Baker & Brown, had offered Lord and Lady Calbert wrist watches to the boy and girl graduate chosen by the votes of the Junior and Senior Class members. Those chosen were Nondas Hodges and Forst Dunnuck.

The seniors left for New York and other points of interest on Thursday morning. Mrs. H. V. Johns and Roland Ferverda accompanied the young people.

INJURED IN ACCIDENT

Tom Fitzgerald, Jr., a student at Indiana University, suffered cuts and bruises last Monday night when a station wagon, belonging to the school, overturned near Bloomington, when a group of students were returning from an astronomy field trip. Jack Frederick, of Marion, Ind., sustained a slight concussion and two cracked ribs. Tom was released from the infirmary after first aid treatment and x-rays.

When we recall the things they did, the hero hosts seem mighty in our midst. When peril threatened and their country called, with what divine self-sacrifice they left their paths of peace to spring to arms, to make their breasts a barricade against our nation's foes. No sorrow for the loved ones left behind could dim the purpose in their souls. No weariness of march and watch could keep them from their heart's desire. No horror of the field, or sea, or air, could beat their courage down.

They fought for us; for us they fell. Now with one accord, in deepest reverence, we do them honor. Let us not remember in anguish; they would not wish our pity. For their sakes also let us not forget the loved ones left behind. Our tears or words of sympathy cannot bring back the comfort of those loving hands or the music of those voices stilled. Only the solemn pride of having given more than all the rest is theirs who live to weep. But all the world, because of what they gave, is debtor to them.

FARMER HURT IN
TRACTOR ACCIDENT

Allen Eizinger, 57, Route 1, Rochester, was seriously injured about 5 p. m. Friday in a tractor accident on his farm, about four miles south of that city.

He was reported in fair condition at the Woodlawn Hospital today where he is suffering from several broken ribs, chest injuries and numerous body and head bruises.

According to reports, Eizinger was working in the field with the tractor when the plow became unattached. When he got down to fix it, the Woodlawn hospital Monday where a hill, rolled backwards and into gear.

Eizinger was caught between the wheel and the fender but somehow managed to free himself and drive back to the house, a distance of approximately 80 rods, to summon help.

Mr. Eizinger formerly resided near Mentone.

WINFRED WARREN

Winfred Warren, aged 76, died at 9 p. m. Friday at his home, six miles west of Mentone. He had been ill for seven years, due to a heart ailment. Mr. Warren, who was a farmer and former school teacher, was born Sept. 18, 1873, in Marshall county, the son of James and Malinda (Emmons) Warren, and had lived most of his life in the same community. He was married April 2, 1896, to Gladys Palmer, who died in 1912. In 1914 he was married to Helen Maroney.

He was a member of the Talma Christian Church.

Surviving relatives include his wife; four daughters, Mrs. Nellie Hudleston, of Manhattan Beach, Cal., Mrs. Esther Lange, of Lakewood O., Mrs. Winifred Quigley, of South Bend, and Mrs. Lois Jean Stone, of San Diego, Cal.; a son, Palmer Warren, of Indianapolis; a brother, Jesse Warren, of Argos; four sisters, Mrs. Fannie Clark, of Warsaw; Mrs. Gertie Railsback, of Argos; and Mrs. Bertha Senour and Mrs. Della Compton, of South Bend; six grandchildren and two great-grandchildren. Funeral services were in charge of the Johns Funeral Home. Burial was in the Reister Cemetery, near Talma.

IN MURPHY MEDICAL CENTER

Mrs. Anna Hudson is a medical patient at the Murphy Medical Center. She entered the hospital Sunday.

SEA LAMPREYS IN INDIANA

Daily catches of from 100 to 150 large Sea Lampreys are being made in Trail Creek, LaPorte County, by means of recently installed weirs, according to announcement by the Division of Fish and Game, Indiana Department of Conservation. This has been accomplished through the cooperation of the U. S. Fish and Wildlife Service with the Conservation Department.

The weirs were installed some time ago in preparation for the annual spawning run of Lamprey up tributaries of the Great Lakes.

The Sea Lamprey attaches its vacuum like mouth to the side of a fish at the same time operating its rotar like teeth so as to break through the scales. Then it sucks the blood and body fluids from the victim. A solution with which the Lamprey is supplied prevents the fish blood from coagulating thus robbing the fish of any protection. When its appetite is satisfied the Lamprey drops away.

The large Sea Lamprey is not to be confused with the small Lamprey Eel many of which inhabit Indiana streams. The latter type, of which

there are six species, ordinarily do not attach themselves to fish. Of these six, however, there are said to be two which have been known to attack but this is indeed rare.

Sea Lampreys have moved into the Great Lakes in great numbers and have wrought much havoc. Commercial fishing has been reduced tremendously and the U. S. Fish and Wildlife Service together with Conservation Departments of many states are fighting its propagation by all known methods.

Kenneth M. Kunkel, Director of the Indiana Department of Conservation, believes that the Sea Lamprey is not yet a great menace in Indiana waters

but that the department is overlooking no bets in connection with the elimination of the predator.

The weirs are so constructed that the Lamprey has to pass through them on the way upstream to the spawning grounds. It is trapped immediately, taken from the stream and destroyed

by agents of the U. S. Fish life Service and Conservation. This work is being carried states bordering the Great

WHAT TO WEAR POPPIES SATURDAY

Millions of Americans will wear red poppies Saturday to honor the memory of America's dead in the World Wars. Women of the American Auxiliary will be on the streets early Saturday morning with bouquets of the memorial flowers for the coats of passers-by. They are actually everyone in the city wearing a poppy before nightfall. More than 35 million crepe paper poppies have been made for the Auxiliary disabled veterans for this year in observance of Poppy Day, according to Mrs. Ralph Ward, Auxiliary chairman. Approximately 150,000 men and girls, all serving as volunteers, will distribute the flowers throughout the country. Contribute to American Legion and rehabilitation and child welfare, given in exchange for the poppies will reach a total of \$3,500,000, estimated.

Gifts for thousands of disabled veterans confined to hospitals or doing other work has been provided by the Auxiliary's poppies-making campaign. The work has given them the encouraging experience of earning money again and has filled hospital days with interesting activity.

Poppies to be distributed here have been at Marion Veterans Hospital. The poppies have been worked in their in the occupational therapy. The flowers are lifelike replicas of the European wild poppy which Col. Crae, Canadian medical officer, brought into the war memorial flower English-speaking world with which begins: "The poppies blow where the crosses, row on row..." "On Saturday," said Mrs. Ward, "we see poppies blooming over the memorial heart."

A LETTER FROM ALASKA

Anchorage, Alaska
7 May 1950

Dear Mr. Cullum;

Here is a dismal cloudy Sunday afternoon up here in the Alaska hills, and as I have nothing to do I decided to write you a few lines.

Our boat, the Gen. D. E. Aultman, left the Oakland pier at 3 p. m., P.S.T. Friday afternoon, March 28th, to start its 911 mile journey to Seattle. Friday night about 10:30 the water was the roughest that we had until after we left Seattle, and it made a lot of fellows sick. I was very lucky because I did not get really sick. My stomach felt rather funny and I had a slight headache, but that was all.

We docked in Seattle around 6 p. m. M.D.T. Sunday evening to unload some cargo, pick up some 100 tons more and around 700 regular army men and some dependents. The dock men spent all night and part of the morning working the cargo and the troops got on around 1 p. m., and we were pulled away from the dock at 3 p. m. We still had 1,263 miles to go before docking at Whittier, Alaska, which is an army post with 2 piers, a railroad and some oil storage tanks and a few civilians.

We came into some more rough water Tuesday morning and again Wednesday afternoon. Wednesday evening it was a job to eat chow as we had to try and keep our balance and keep our trays from sliding all over the table at the same time. The ship was rolling considerably and everything not fastened down or very heavy did not stay in one place very long. Some fun, I must admit.

From Oakland to Seattle, when it was clear, we could see the coastline, but after we got out of the straits north of Seattle we headed out to sea and saw no more land until we hit the island area of Alaska. Thursday morning when we got up, 6:30 a. m., this is slower than P.S.T., we could see an occasional snow capped island mountain. From then until 3:30 p. m. when we docked, we were zig-zagging around all kinds and shapes of islands and rock formations. There were trees from 1/2 to 2/3 of the way up the slopes and then nothing but snow, snow and more snow. Occasionally one could see a rock or two sticking out of the snow, and the crevices were bare of snow near the tops.

We left the boat around 5:15 p. m. and boarded the train which brought us to Anchorage and the base. We had about 60 minutes to go and it took us 3 hours as the train travels at a very slow rate of speed through the two tunnels nad around all the curves and hills along the way. We arrived at Ft. Richardson, Elmendorf A.F.B. around 9:30 p. m. where we were met by men from our new outfits which took us to our squadrons, showed us to our new barracks and took us to

the mess hall for our 1st Alaskan meal. We had eggs and toast and coffee and very nice surroundings to enjoy our meal with. They have oil cloth on the tables, the silverware and cups are already on the tables, and we eat off of plates. So far the food has been very good and the officers seem like very nice men.

An officer of the 57th FW Wg. told me that I was assigned to the best unit on the base, and since I've been here several other people have told me the same thing. I guess I was lucky in getting assigned to the 10th Rescue Sq. "Hunting and Fishing Group," our nickname) as there were only 4 of us out of some 450 men assigned here.

This unit has 3 detachments, this being Det. A. Det. B is at Ladd Field, Fairbanks, and Det. C is out on the "Chain." I do not know as yet which Det. I'll be assigned to, but should know Monday or Tuesday.

I can look out the window of my bunk, towards the east and see several snow capped mountains with a lot of bare places showing. To the west and north of the field is a range of hills that are covered with a variety of trees and a little snow. All in all it makes a very pretty scene.

The temperature is low enough that a coat is needed whenever one goes out doors for any length of time, but one does not need to bundle up any. I hear the temperature was up to 75° last 4th of July, and down to around 35° to 40° below zero last winter. Nice warm weather up here.

The barracks are mostly all wooden, 2-story frame buildings, and most of them are in sad need of repairs. There are 3 new concrete 500 men barracks here so far, and plans of building several more. The streets are all dirt, but a construction company is putting in the forms to pour concrete on several of them at present.

I believe that this will be a very nice base in another 2 or 3 years.

I'm looking forward to receiving the Co-op News again as I haven't had any since I left Wyoming, and I must admit that I miss it as it kept me posted

on the local happenings which is always welcome news.

Hoping this finds you enjoying a nice warm Indiana spring, I'll close for now.

Sincerely,

Pfc. Harry F. Kinzie

FARM RESEARCH MEET JUNE 8-10

The American Farm Research Association conference, which annually attracts about 400 persons, some from great distances, will be held June 8 through 10 at Purdue university. The Indiana Farm Bureau and its cooperative association are hosts to the event this year. All sessions will be held in the Memorial Union Building.

The program, as announced by Dr. George D. Scarseth, director of research of the association, and his co-chairman, Arthur Mullin, of the Indiana Farm Bureau Cooperative Association, will include study by lecture and discussion of many of the more important phases of agricultural research.

The American Farm Research Association was founded in 1944 jointly by the American Farm Bureau Federation and a number of state cooperative farm supply purchasing organizations. Its purpose is to supplement and extend work of agricultural extension services by shortening the gap between discoveries and their translation into action for the farmers' benefit.

Dan A. Williams, St. Paul, Minn., as president of the association, will open the conference at 1:30 p. m., June 8. Attendance is expected from Washington, Florida, the New England states, Canada, Puerto Rico, and all the mid-western states.

The program will present, besides Purdue faculty members, other such outstanding authorities as: W. E. Peterson and Paul Burson, Minnesota university; Romeo E. Short, vice president of the American Farm Bureau Federation, Ark.; W. N. McMillen,

Michigan State College; W. W. Cravens and Kermit C. Berger of Wisconsin University; Ed. McCaulley, Richmond, Va.; Tom Kennard, Harry L. Cook, and Fred McLaughlin of Columbus, Ohio; Dr. Jackson B. Hester, Rutherford, N. J.; Allan T. Leffler and Ralph W. Held, of Iowa; L. T. Kurtz, Illinois University; J. W. Burch, University of Missouri; Ivan Miles, Mississippi State College; Dr. Gustav Egloff, Chicago; Morris Crandall, Kingston Mines, Ill.; Earl Huntley, Lansing, Mich., and R. H. Bethke, Wooster, O.

Among subjects to be discussed are: lowering costs in dairy production, B vitamins in hog feeding; current status of B-12 in poultry feeding; importance of trace elements in agriculture; the use of common knowledge in diagnosing plant food needs; the future in power fuels; what water transportation does for Illinois; green land for abundance, and life cycle nutrition.

D. A. R. HOST TO MOTHERS AND DAUGHTERS

The annual Mother-Daughter meeting of Anthony Nigo Chapter, D. A. R. was held at the sportsmen's Club, at Beaver Dam Lake, on May 22nd.

Forty eight members and guests enjoyed a lovely three course dinner. During the dinner, recordings furnished a background of music. Miniature spring hats in decorative colors were at each place. The favors had been made by the committee composed of Mrs. Maribel Riewoldt, Mrs. Porter Williamson, Mrs. Ernest Igo and Mrs. Eileen Fenstermaker.

Following the dinner, Mrs. Igo graciously welcomed the members and their guests. Miss Cara Lynn Fenstermaker, very sweetly, gave the response.

Mrs. Igo thanked her officers and committees and members for their fine cooperation during her two years as regent and read a poem in tribute to them. Mrs. Frank Smith, the new regent was presented to the group.

Mrs. Ray Linn, program chairman for the evening introduced the following program: Miss Janet Ann Tucker presented two piano numbers; Miss Marita Tucker, a vocal solo; and a poem was read by Miss Shirley Igo.

Mrs. Charles Manwaring was then introduced by Mrs. Linn. Mrs. Manwaring gave a descriptive account of their recent Caribbean cruise. She told many details of the islands and cities which they visited. The history, geography, vegetation, languages and customs proved to be most interesting. Mrs. Manwaring illustrated her talk with colored slides.

The program was concluded by a piano solo by Miss Igo and Miss Tucker singing "That Wonderful Mother of Mine." Each member in turn introduced her guest.

VISIT AT MASONIC HOME

Mr. and Mrs. Bud Cole, of Elkhart, Mr. and Mrs. Mahlon Mentzer and Mr. Chester Manwaring, of Mentone, visited at the Masonic Home, at Franklin, Ind., last Sunday. They had prepared a picnic dinner and the superintendent of the hospital had arranged a space so as to include Lawis Poor and I. H. Sarber, as their dinner guests. Lewie is confined to his room in the hospital. Both he and Ike send greetings to their Mentone friends. They especially enjoyed drinking some Mentone water.

IN MEMORIAM

In sacred memory of our loved one who departed this life a year ago this week.

MRS. S. M. HILL AND FAMILIES.

LOCAL NEWS

Mr. and Mrs. John Lackey and daughter, Sue, spent Monday evening with Mrs. Raymond Billee and family, of near Bourbon. Mr. Billee passed away early that morning. They also attended final rites which were held at the Methodist Church, in Bourbon, Wednesday afternoon. The Lackeys and Billees were neighbors at one time several years ago.

Mr. and Mrs. Byron Nellans and children spent several days visiting relatives in Cromwell and Rome City and Sturgis, Michigan. While in Sturgis, Barney called upon an old friend, Carl Blanchard, who worked with him at

Burns Bakery years ago.

Mr. and Mrs. Beryl Burgh, of Plymouth, and Mr. and Mrs. Davis Grady, of near Warsaw, were guests Sunday evening of Mr. and Mrs. John Lackey and daughter, Sue Ann.

Mrs. Earl Bidelman is spending two weeks in Indianapolis with her son, Gerald, and family.

Mr. and Mrs. Abe Whetstone were Sunday guests at the home of Mr. and Mrs. Bert Holloway.

Mrs. Elnora Severens is staying with her niece, Mr. and Mrs. Bert Holloway. The address is Warsaw, Ind., R. R. 5.

Mr. and Mrs. Robert Elam, of Decatur, Ill., spent Wednesday and were overnight guests at the Barney Nellans

home. Barney and Bab were in the navy together for 3 years.

Sunday afternoon callers on Mrs. Bessie Wilson, who is at the home of her daughter, Mrs. Kenneth Barkman, were: Mr. and Mrs. Orin Wilson and daughter, of Wabash; Mr. and Mrs. Jed Jordan, of Culver; and Mr. and Mrs. J. C. Craig, of near Mentone. Mrs. Wilson is about the same, but is still confined to her bed. She is able to sit up some.

Mr. and Mrs. U. R. Oldfather and son, Ruskin, of Elkhart, and Mr. and Mrs. Irwin Wissler and son, Donald, and granddaughter, Patty, of Fort Wayne, spent Mothers' Day with their mother, Mrs. E. E. Jones, and her husband. Later in the day Mr. and Mrs. C. O. Blue were callers

Boy Lost In Mentone

Not kidnapped by bandits and hidden in a cave to weep and starve and raise a nation to frenzied searching. Were that the case one hundred thousand men and women would rise up to rescue if need be. Unfortunately the losing of this boy is without dramatic excitement, though very sad and very real.

THE FACT IS: HIS FATHER LOST HIM, being too busy to sit with him at the fireside and answer his trivial questions during the years when fathers are the only heroes of the boys, he let go his hold.

YES, HIS MOTHER LOST HIM. Being much engrossed in her teas, dinners and club programs, she let the maid hear the boy say his prayers and thus her grip slipped and the boy was lost to his home.

YES, THE CHURCH LOST HIM. Being much occupied with the sermons for the wise and elderly who pay the bills, and having good care for dignity was unmindful of the human feelings of the boy in the pew, the church lost its young son to the far country. And so the church and many sad-hearted parents are now looking for the Lost Boy.

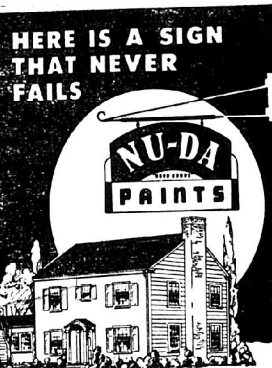

Parents: Plan now to have your boy (or girl) attend Daily Vacation Bible School.

COUNTY HOME EC. PICNIC

The annual Home Economics Clubs picnic is being arranged this year by Mrs. Everett Rookstool, Burket, who is the county first vice-president. The event will be held, rain or shine, at the Woman's Building on the Kosciusko County Fair Grounds, Warsaw, on June 1. Club members attending are asked to bring a basket of food, and table service. Coffee will be free; cold drinks will be available for purchase. The program for the day is being arranged by a committee composed of Mrs. Olney Clase, Warsaw, as chairman, Mrs. Cloice Paulus, Mentone; Mrs. Virgil Freed and Mrs. Luhr Alexander both of Silver Lake.

Other committees named to assist with the details for the picnic are: arrangements: Mrs. John Ferverda, Silver Lake; Mrs. Anthony Mathia, Warsaw; and Mrs. Rue Hunnicut, Syracuse. Cold drinks: Mrs. Ed Creekbaum, Akron; Mrs. Paul Rathbun, Leesburg; Mrs. Roy Smith, Claypool; Mrs. Dale Menzie, Piercetown; and Mrs. Hosea Rosbrugh, Warsaw. Registration: Mrs. Clayton Holloway, Mentone; Mrs. Leo Henderson, Warsaw; Mrs. Forrest Tinkey, Piercetown; and Mrs. Harry Breeding, Warsaw. Food: Mrs.

Olin Roderick, Warsaw; Mrs. Clifford Fawley, Warsaw; Mrs. Alfred Burson, Syracuse; Mrs. Raymond Longbrake, Claypool; Mrs. George Dome, Warsaw; and Mrs. James O. Tuttle, Piercetown. Clean-up: Mrs. Leonard Smith, Claypool; Mrs. Ralph Wrigley, Monroe Township; Mrs. Ed Shirey, Palestine; and Mrs. Charles Wise, Warsaw.

Preceding the picnic dinner at noon the President's Council will have a business meeting which will begin promptly at 10:00 a. m. (DST). Ordering of home economics pins will be described and plans for attending the summer Agriculture Conference at Purdue University in August will be initiated.

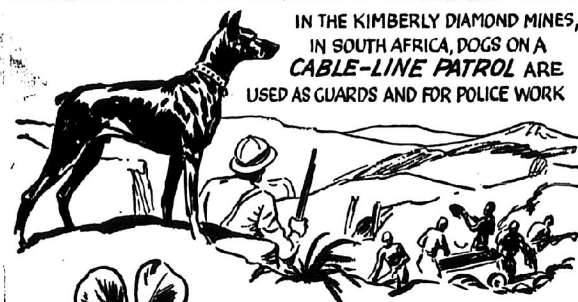

It is hoped that every club will be represented at the picnic on June 1, as this is particularly a social event and a good time for members to become acquainted.

More than 135 different kinds of services to war veterans or their dependents are available through county veterans service officers affiliated with the Indiana Department of Veterans' Affairs.

Over 135,000 Indiana veterans of World War II have not yet applied for their Indiana bonus.

4-H CLUBS EARN AWARDS

Kosciusko County is one of 56 Indiana counties that have won special merit awards for having an outstanding 4-H Club program in 1949. Paul Jackson, County Extension Agent, has received notice from the 4-H Club office at Purdue University that the award will be made at the annual 4-H Round Up in June.

Kosciusko County will receive a bronze award which will carry the number of members enrolled and the number of standard club members for the year. Membership in the county in 1949 totaled 835 and was 732 the previous year. This is the first time that the county has received this 4-H honor, Mr. Jackson stated.

Counties are given recognition for improvement in local programs and increased membership. Records of Kosciusko County show that more than 20% of the potential number of the 10 to 20 year old young folks were enrolled last year, and that more than 72% of these were members of standard clubs.

Awards have been made annually for six years by Prairie-Farmer and WLS in cooperation with the Purdue University agricultural extension service. Last year 45 counties were honored. This year eight counties: Boone, Cass, Clinton, DeKalb, Fayette, Huntington, Tippecanoe, and Warren will receive gold awards for meeting highest requirements.

POPPY DAY!

American Legion Auxiliary

"In Flanders' field the poppies blow.
Between the crosses, row on row..."
The TORCH be yours to hold it high;
If ye break faith with us who die
We shall not sleep, though poppies
grow

In Flanders' fields.

The idea of the poppy as a memorial flower for the World War dead sprang up as naturally as the little wild flower itself. The flower was the one touch of life and beauty which survived amid the hideous destruction of War. Along the edge of the trenches, beneath the tangled barbed wire, about the ragged shell holes, and over the fresh graves it raised its brave little blossom. There it was nature's tribute to the heroic dead, and here in America it is the tribute of patriots to those who gave their all for America.

Memories of the war dead always brings thoughts of those who did not die but came back doomed to years of hardship and suffering, sometimes worse than death. Wearing the little flower means honoring the dead and helping the living.

HOWARD

Rev. and Mrs. William Howard are the parents of a daughter born May 22 at the Woodlawn Hospital, Rochester.

Rev. Howard is pastor of the Talma Christian Church and was Linotype operator at the Country Print Shop last summer.

HALL-BLANCHARD

In a ceremony, which took place at the opening of the worship service held Sunday morning at the Center Evangelical United Brethren Church, north of Silver Lake, Miss Rosemary Blanchard, daughter of Mr. and Mrs. Scott Blanchard, of that community, become the bride of George Hall, of Mentone. Mr. Hall is the son of Mr. and Mrs. Andrew Hall, of Mentone.

Miss Betty Alexander, pianist, played the wedding march, which marked the entrance of the couple. The double-ring ceremony was read by the pastor, Rev. Kenneth Kraft. Ferns provided a background of greenery for the il-lacs, which decorated the altar.

The bride was attired in a street length dress of navy blue crepe. Her accessories were white and she carried a white gardenia.

Following the service a wedding dinner was served at the home of the bride's parents. Guests included the close relatives of the couple: Mr. and Mrs. Hall, Parents of the bridegroom, and his grandmother, Mrs. George Heisler, of Mentone; Mr. and Mrs. Russell Snodgrass and sons, Mr. and Mrs. S. P. Van Voorst and son, of Columbia City; Mr. and Mrs. Paul Blanchard and children, of Piercetoni; Mr. and Mrs. Jack Blanchard and children, of Warsaw, and Rev. and Mrs. Kraft and son, of Silver Lake.

Mr. and Mrs. Hall are visiting places of interest in the south while on their wedding trip and upon their return will reside in their newly furnished apartment in Warsaw. Mr. Hall is employed as an inspector at the Kimble Glass Company. He was graduated in 1948 from the Mentone high school and was valedictorian of his class. Mrs. Hall was salutatorian of the class graduated in 1949 from the Silver lake high school.

BAND CONCERTS TO START HERE SATURDAY

Free Saturday night band concerts, under the sponsorship of the Mentone Merchants' Association, will begin on this Saturday evening. There will be a concert each Saturday evening during the summer months, with the local band playing about half of the concerts. Bands from neighboring towns and schools will supply a program every other Saturday night.

MRS. FRED EHERENMAN

Funeral services for Mrs. Fred Eherenman, 64, of Argos, will be held at 2 p.m. Thursday at the Beigh Funeral Home in Bourbon, with Rev. Garfield Steedman in charge. Burial will be in the Tippecanoe Cemetery.

Mrs. Eherenman died at 8 a. m. Tuesday at the McDonald Hospital, where she had received medical treatment for two weeks.

She was born near Mentone Dec. 21, 1885, the daughter of Robert and Luelien (McSherry) Brown.

Surviving relatives include her husband; one son, Cloyce of Warsaw; one daughter, Mrs. Marvin Smith, of Portland, Ore.; a brother, Clarence Brown, of Mentone; a sister Mrs. Mae Bishop, of Plymouth; five grandchildren and two great-grandchildren.

AUSTIN EMMONS

Austin Emmons, 56, of 606 Carlton Street, Mishawaka, died at 11:20 a. m. Wednesday following a long illness.

Mr. Emmons formerly resided at Mentone and in Warsaw where he has many relatives and friends. He moved to Mishawaka about 30 years ago.

Surviving relatives include his wife, Nellie; his mother, Mrs. Ephraim (Hannah) Emmons, of Mishawaka; two sisters, Mrs. Ersia Reed, of Mishawaka, and Mrs. Cora Kyle, of Elkhart; a brother, Charles Emmons, of Mishawaka, and three sons.

Funeral services were held at 2 p. m. Saturday, at the Carlton Street Christian Church in South Bend.

SENIORS ENJOY TRIP EAST

Twenty-nine seniors and Mrs. Vance Johns and Roland Ferverda returned from a trip to Washington, D. C., New York and Niagara Falls early Wednesday morning.

GARBAGE COLLECTION TO START NEXT WEEK

Starting the week of June 5, there will be regular garbage pick-up service in Mentone, during the summer months.

The Town Board has requested that only edible refuse, no cans or glass, be put in a closed container, near the alley for convenient pick-up.

Property owners, please take advantage of this service, cooperate with the garbage pick-up man and help control flies, polio and other diseases.

WILLIAM J. BROWN

Funeral services for William J. Brown, 75, of Rochester, will be held at 3 p. m. Thursday at the E. U. B. Church in Rochester. Rev. William Hughes, pastor of the Rochester E.U.B. Church, of which the deceased was a member, will officiate. Burial will be at Sycamore Chapel.

Mr. Brown, a retired farmer, died at 1:30 p. m. Monday at his home. He had resided most of his life in and around Mentone and Rochester. He was born in Wabash county June, 12, 1847.

In 1905 he was married to Tincy Stockberger, who died in 1936. Two years later he was married to Mrs. Lille Applegate.

He was a member of the Spanish-American War Veterans' Camp, at Rochester.

Surviving relatives are, the widow; a foster daughter, Frieda Welden, of Kokomo; four stepdaughters, Mrs. Fred Horn, of Mentone, Mrs. Madge Possell, of Fort Wayne, and Mrs. Clara Sherard, of Indianapolis; a half-sister; 18 grandchildren and 26 great-grandchildren.

BONNIE MAE CLYMER

Funeral services were held on Monday afternoon for Bonnie Mae Clymer, 17 year old high school junior, of Talma. Bonnie had been ill for several weeks and death came to her in the Robert Long Hospital, at Indianapolis, where she had been taken for observation. Death was due to tubercular meningitis.

She had resided near Talma with her grandparents Mr. and Mrs. Harry Clymer since the death of her parents several years ago. An aunt Mrs. Hazel Walters, resides in Mentone.

Services were held in the Tiosa Brethren Church with burial in the Rochester I. O. O. F. Cemetery.

MRS. ROHDA R. BELTZ

Funeral services for Mrs. Rohda R. Beltz, 72, will be held at 2 p. m. Thursday at the Mentone Methodist Church. Rev. Milton Dowden will be assisted by Rev. David Gosser in conducting the service. Burial will be in the Mentone cemetery. The body was removed from the Reed Funeral Home in Mentone to the home of Noble Oyler, of Mentone, where friends may call.

Mrs. Beltz died at 5:15 a. m. Tuesday at the home of her sister, Mrs. Carrie Barrett, of Tippecanoe. She had been ill for a week due to a heart ailment.

The deceased had lived at Mentone and Warsaw most of her life. She was born Oct. 26, 1871, in Marshall County, the daughter of Henry and Susan (Donaldson) King. Her husband was the late Calvin Beltz. She was a member of the Tippecanoe Congregational Christian Church.

Other surviving relatives include a daughter, Mrs. Faughn Petro, of Mentone; four grandchildren; two great-grandchildren, and three brothers, John, Michael and Perry King, of Tippecanoe.

Two sisters and three brothers preceded her in death.

RESERVATIONS STATE

PARK HOTEL PROBLEM

So you would like to spend some time, say a night or two or maybe a week-end or a week or two at one of Indiana's beautiful State Park Hotels. Who wouldn't?

In 1949 more than 1,500,000 persons paid admissions to these state operated recreational spots.

The State Park Hotels and cabins are capable of accomodating about 1,200 persons daily or 33,600 in a month. Thus during the summer season which ran about 31 weeks, 268,800 persons were housed.

To split hairs should all of the 1,500,000 visitors to the parks have attempted to secure sleeping accomodations, approximately 18 per-cent of each visitor would have had a good night. Maybe we should say he or she would just about have gotten a foot in the door.

As many persons failed to obtain reservations as did those who were fortunate enough to secure them.

Requests for reservations are filled according to the order of their reception. Each is stamped with a dating machine. No partiality is tolerated by the Department.

Kenneth M. Kunkel, Director of the Department of Conservation suggests that those seeking reservations satisfy

themselves with a mid-week stay in the event they cannot get week-end rooms. The parks are equally beautiful. Try others should you fail at one. For longer stops get reservations in at least six weeks in advance.

The Department of Conservation and the State of Indiana wishes to be good hosts to visitors to the parks - those seeking respite from the daily grind, but the hotels have their space limitations.

D. A. R. GROUP MEETING

On last Wednesday, May 24, Mrs. Lena Igo, Mrs. Geraldine Smith and Mrs. Bernice Rush attended a D. A. R. group luncheon meeting in the Rainbow Room of the Westminster Hotel, at Winona Lake.

The meeting was sponsored by the Agnes Pryn Chapter of Warsaw.

Mrs. Thomas, of Marion, northern director, presided. Many of the state officers were present including Mrs. Wayne Cory, state regent, of Veedersburg. Very interesting reports were given of activities by the regents of the various chapters of the northern district.

The address of the state regent was enjoyed by all. She stressed some new projects of the Daughters of Indiana, one for the model farm at the Kate Duncan Smith school, in Alabama, the

other is the erection of a marker near Vincennes, Indiana where a naval skirmish took place during the Revolutionary War.

Mr. and Mrs. Lawrence Elick left today for Scott's Lake, near East Jordan, Michigan where they will spend the summer operating their tourist resort.

STUDENT'S LEAGUE OF MANY NATIONS

The Student's League of Many Nations, from the Practical Bible Training School, Bible School Park, N. Y., will appear in the Lincoln High School Auditorium, Plymouth, Indiana, on Tuesday night, June 6th, at 8:00 p. m. The young people of this group, who were either born abroad or were born of foreign parents, have travelled in all of the states, Mexico, Canada and have conducted their special service over 6800 time in churches of all denominations. Some of the countries represented are: Russia, Ireland, Scotland, England, India, Serbia, Czechoslovakia and others. The group will be under the leadership of Dr. M. C.

Patterson, Vice-President of the school.

The members of this group will dress in their national costume, speak or sing in native language with translations. You will be thrilled to hear the Russian Jew tell of the persecution he went through when he accepted Christianity. You will also be thrilled to hear the native of India tell of his conversion. During his boyhood days he had a longing for peace in his heart. He had sought for his peace in Hinduism, Mohammedanism and Buddhism, also became a priest in these sects but could find no peace or satisfaction. Later he joined the Communist party. As a leader of this group it was his duty to create havoc among the churches, also to beat preachers and their wives. It was while on such a mission that he was converted, found Jesus Christ as his personal Saviour, and the peace and satisfaction that he had been seeking for.

Don't miss this service — Three Personal experiences will hold you spellbound.

This service is being sponsored by Greater Marshall County Youth for Christ Organization.

Other important dates of this organization are "Singspiration" on Sunday night, June 4th, at Walnut Gospel Church — 9:30-10:30 p. m. Load up your car, after your own church service, enjoy a nice little ride and then enjoy the hour of fellowship of music, testimony and singing of choruses that we have at these Singspirations. Each

cooperating church is asked to bring a special number.

Saturday night, June 10th, 8:00 p. m. is regular rally time at Plymouth High School auditorium with the picture, "China Challenge," along with other interesting features. Everybody invited — everybody welcome.

ORGANIZE COUNTY-WIDE

PRAYER GROUP

A group in Marshall County, due to present world conditions, have felt the need for an old fashioned revival. They met at the library at Plymouth on Sunday, May 21, and organized a county-wide prayer meeting. The next meeting will be held at the Plymouth library, June 18. Prayer Meetings will also be held in each township in the county the second Monday and fourth Tuesday evenings at 8:00 p. m. CDT or 7:00 p. m. CST. The first meeting in Tippecanoe township will be held at the Congregational Christian Church Monday, June 12th. What are the conditions under which man's Creator shall give us an old fashioned revival? Think it over and come to our meetings in Tippecanoe township. All are most cordially invited to come to all of the meetings.

4-HERS KEEP TRACTORS IN GOOD CONDITION

Keeping the nation's fleet of 3½ million farm tractors operating efficiently is a job of basic importance to the whole economy. Aiding in this task today is the 4-H tractor maintenance program through which nearly 130,000 club leaders and members have been trained to know their tractors, care for them well and operate them efficiently.

So said Guy L. Noble, director of the National Committee on Boys and Girls Club Work, in an interview.

"The club leaders receive special training in tractor care and operation at annual State or district clinics, which are conducted by the Extension Service of the State Agricultural Colleges and USDA cooperating," Noble asserted. "The leaders pass on what they learn to club members, who carry out the training on the home tractors."

"Through this process of training, club members not only learn the value of efficient tractor operation, but also develop the qualities of leadership, helpfulness, initiative and thrift."

As incentives for outstanding records of achievement in this program, merit medals, Chicago 4-H Club Congress trips and college scholarships are offered by Standard Oil Company (Indiana) on county, state and national levels, respectively.

Last year's state winner in Indiana was Sheldon Barroquillo of Wolcottville. One hundred fifteen club members in Indiana received county medals of honor.

Burial benefits are available in most cases of veterans' deaths from both the State of Indiana and the Federal government.

OUTBOARD RACES PLANNED FOR MERMAID FESTIVAL

A full and exciting program of outboard motor boat races have been planned for Saturday afternoon and early evening, July 1st, the final day of the Mermaid Festival, it has been announced from North Webster by the Festival program committee.

Races will be held on Webster Lake adjoining the town of North Webster and directly opposite the Mermaid Festival grounds. Mermaid Festival trophies will be awarded winners of all events. Races will be divided into four classifications—class A; class B; class D and free for all.

BRAZIL RABBITS GO ON GERANIUM BUST

Clay County rabbits have turned elegant. No more carrots. Now they dine on geraniums.

Louis Schultz, sexton of Cottage Hill Cemetery, has been besieged by complaints from lot owners that flowers planted there were being cut off by the mowing machines. The workmen told Schultz they were very careful not to cut the flowers.

Finally, investigation showed, the culprits were rabbits who came into the cemetery from adjoining fields each evening and feast on geraniums. They don't disturb less succulent flower plants.

VACATION TRAVEL UP

Vacation auto travel is ten per cent above last year, the Chicago Motor Club's touring bureau estimated recently.

Week-end family trips to resort and recreational areas are making this the greatest vacation season in history, according to indications at the state parks in Illinois, Indiana, Wisconsin and Michigan.

The Lincoln country near Springfield is having a banner year. The Lincoln home, the tomb and monument, and the Sangamon County courthouse are Springfield's main tourist interests.

In New Salem State park, on Ill. 97 near Springfield, and authentic shop where Lincoln worked between 1831 and 1837, is set among replica cabins of the period. The frontier and pioneer days of early Illinois are recalled in this accurate historical setting.

Northeast of this area is Starved Rock State park Illinois' most highly developed park region. Located on Ill. 71, just west of Ottawa, the park offers a dance pavilion, a children's playground, campgrounds, a souvenir shop and a lodge. This was the site of Fort St. Louis, built by LaSalle in 1682.

A mile and a half south of Starved Rock is Mattiessen State park where you can picnic among waterfalls, caves

and cliffs. Canyon trails, a deer reservation and a stockade and blockhouse are ideal scenic locales.

Blackhawk State park on Ill. 2 near Rock Island, White Pines Forest State park, four miles west of Oregon, Ill., Apple River Canyon park, off Ill. 78 near the Wisconsin line, and Gebhard Woods, on U. S. 6 near Morris, Ill. are some of the leading park areas.

In Indiana, the sand dunes are ideal for picnics. Swimming in the lake, boating, yachting, canoeing or loafing on the beach are the favorite occupations. The International Friendship gardens are located one and a half miles east of Michigan City. They contain one of the state's most extensive plantings of formal gardens, ornamental plants shrubbery and trees.

The Bass Lake area, Wawasee, Kokomo and French Lick are famed resort areas. State parks include: The Shade, on Ind. 234 near Ind. 47; Turkey Run State park, on Ind. 47; Brown County State park on Ind. 46 east of Bloomington; Pokagon State park on U. S. 27 in the northeast corner of the state; and McCormick's Creek State park on Ind. 46.

The lake country and woods of Wisconsin afford some of the best fishing available in the middle west. Far removed from the rag weed pollen belt, the North Woods are a haven for hay fever sufferers in late August and early September.

Lake resorts are the chief attraction of Michigan which abounds in groves along the roadside where picnic tables have been provided.

BETTER GRASS FARMING IS FIELD DAY THEME

Improved pastures, wider use of grasses, soil conservation and more efficient hay and grass silage making will be encouraged at the District Grassland Field Day held on the Creighton Brothers Farm in Kosciusko County on Friday, June 9, 1950.

According to County Agent Paul Jackson, the program will include demonstrations of pasture renovation, hay making and grass silage equipment. Visiting farmers will inspect various types of farm machinery and equipment, grass variety plots, and Purdue University educational exhibits. Lunch will be served at noon.

Several thousand farmers are expected to attend the event, one of four being staged in the state this summer. Approximately 5,500 persons attended the district field day in Henry County last June. Part of the crowd is shown in the accompanying picture looking over the demonstration machinery.

Purdue extension specialists in agronomy, agriculture engineering, dairy husbandry, animal husbandry, and ag-

ricultural economics will be on hand to assist county agents of the district, cooperating farmer-committeemen, and machinery dealers with the all-day program. County Agent Paul Jackson, of Kosciusko County and Hobart Creighton are general and co-chairmen.

Chairmen of the committees assisting with advance arrangements are: Executive and finance, Harley Sharp; field layout, Kenneth Hartman; machinery, Robert Bucher; publicity, Gordon Brubaker; concessions, Robert Plummer; dairy exhibits, Alva Edwards; traffic, Chester Brown; health and safety, Richard Reed.

LADIES ENTERTAIN

Dorothy Christian and June and Janet Romine pleasantly surprised Mrs. Nora Kimes, Friday of last week, with a carry-in dinner. The girls took their musical instruments and played and sang several numbers.

Mrs. Kimes recently returned to her home after spending the winter months with her sister, Mrs. Royce Tucker.

This Is

Your Paper

'A Little Late'
Means Trouble

By William R. Nelson

A PUBLICITY chairman of a prominent civic group rushes breathlessly into the newspaper office, her face a picture of worry. "I hope you will forgive my being late with our news, but I simply forgot what day this is," she begins. "I just have to get this announcement into the paper."

In a metropolitan newspaper office nothing could be done to help her. Deadline is deadline there. But, in the home town paper office it is sometimes difficult to be so rigid about deadlines. In the hypothetical instance cited, let us assume an exception is made. Here is what would probably happen.

The breathless chairman would go her way much relieved. Although received after deadline time, her organization's news will be in the paper, as usual.

At the newspaper, however, the chairman's tardiness has precipitated a chain reaction of upset schedules that will affect virtually every member of the staff.

An editor will have to handle another news story. One or more items already in type will have to be shortened to make room for the late story. Type already set will have to be discarded and more set. Page dummies will have to be altered. Lockup of page forms will be delayed. Printing and distribution will be off schedule.

This probably exaggerated example of Cause of Inconvenience what happens when someone imposes late news upon the paper, is duplicated, even more disruptingly, whenever an advertiser fails to get copy to the paper on time.

As long as humans are prone to forget, have accidents, or otherwise be delayed in performing duties, it will probably be necessary for stores and newspapers to occasionally accept such impositions. But these disruptions of necessary schedules will be materially reduced, no doubt, when people fully realize what inconvenience their tardiness causes.

Whenever you have news or advertising for the paper, get it in well ahead of the deadline. You will get better service, and have the satisfaction of knowing that you did not impose upon the newspaper's people.

UTTER AND TRIDLE TEAM
WINS FIRST LEAGUE GAME

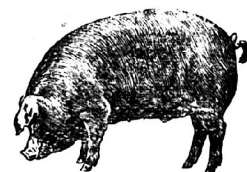

The Utter and Tridle softball team won its first Kosciusko County League game, played at Mentone Wednesday evening. They won 11 to 1 over Burket.

MERCHANTS DEFEAT ARGOS
IN SOFTBALL OPENER

The Mentone Merchants softball team defeated Argos 6 to 1 at Veterans' Park Friday night. This was the first scheduled game played in the 1950 season.

The Merchants play the Bremen Cafe team here this Friday night, and Wednesday, June 7 they go to Burket to cross bats with their all star team.

Only service between December 7, 1941 and September 2, 1945, counts toward the Indiana World War II bonus.

MENTONE MURMURS

by

DAVID and SALLY GOSSER

The Memorial Day services are over for another year. The flags are furled until June 14. Picnic baskets are placed on a self within easy reach; and vacation season has begun in earnest. Town-folk will be slipping off to the country on the least provocation. The swimmin' hole will ripple with the joyous laughter of boys who with or without consent seek its enticing cool waters. Already there is a muddy disturbance down stream from the early plungers.

Murmurs recalls the days when mothers insisted that longies were not to be removed until Decoration Day — a day longed for and welcomed with festivity. To swim so early in the season was only thought of by rouges and rough-necks, but it may be that our off-spring has become more robust and with greater endurance, in fact, Murmurs has tested the waters himself before Memorial Day this year. At one time he felt courageous to merely dip his toes into some meadow brook or mountain stream, but he relishes a plunge in the lake along with his sons at every opportunity. It may be that his suppressed desires are catching up with him and he casts all caution to the winds. He will admit, however, that life becomes more enjoyable and interesting with the years. The adventure of youth is not a matter of time, but an attitude or out-look on life which even the older of us may safely indulge in.

It is the contention of Murmurs that should more parents take the time and make the effort to romp with their youngsters, go swimming, boating, the movies with them, and indulge in their pleasures jointly, there would be fewer problem children and delinquents. If parents thought less of the impression they were making through the social contacts and business enterprises and more of the impression on their children through their joint family interests, this would not only be a happier world but also a better world.

Noble thoughts are wonderful, but noble actions are practical. Too frequently we sacrifice the actions for ideal thoughts. Better a mediocre act than pure thought without any action what-so-ever. It may be that there is some indecision as to the best program for our youth. There can be no wrong decision when the best action is correlated with the best intention and

thought for those whom we love. The leaders of youth and teachers are too often criticized by the parents whose children do not behave in public as they do at home. Until corrections can be made without meddlesome interference our youth will be no better than the delinquent parents whose trend is to take the path of least resistance which is always a declining path.

If the memory that our children have for us is to be held sacred in their minds, we cannot afford to pamper them and condone their roughish ways. Respect is acquired neither through laxity of discipline nor correction. It is the result of care, consideration, punishment when necessary, love, understanding, and the sincere interest in the well-being of those for whom we are responsible. The antiquated excuse that the young must sow their wild oats is not valid. It is merely the attempt of lax parents, fathers chiefly, to excuse their own moral weakness and overlook the obli-

gation they have as parents to take their children to task for the caprices they may be guilty of. They wish to deprive their off-spring of one thing that will build and make character, discipline. Too often we wish our youth to escape the unpleasant experiences

which are essential to our growth and maturity. We have thought only in terms of physical growth and years. We are in need of a deeper sense of the meaning of life, of manhood, and womanhood, if the tradition of Memorial Day is to endure.

FARM CHILDREN HELP**CITY YOUNGSTERS**

Extending the hand of friendship, nearly 7,000 Indiana farm children who are members of the Farm Bureau Pet and Hobby Clubs have contributed brightly printed feed sacks to the Wheeler Mission to be made into pajamas for less fortunate city children attending the Mission camp this summer.

The white sacks will be used for pillow slips and sheets for the camp, which during the season will accommodate 120 boys and girls between the ages of 9 and 15. Additional printed sacks will be made into dresses and

other apparel for the girls in the Mission's Indianapolis program. Nearly 800 sacks have already been received.

The Pet and Hobby Clubs were born of a primary need to have the small children entertained or occupied while their parents attended township Farm Bureau meetings. Adult leaders also saw in them an opportunity to teach the child the proper use of leisure time and at the same time make him feel always a part of the Farm Bureau family membership.

The first club was formed in 1940. Today there are 374 active groups with an average membership of 15 to 20 children up to and including ten years of age. One club has an enrollment of 60. Forty-six counties have leaders in addition to the township organizations. Mrs. Paul Flinn of Franklin has been state leader since 1946.

The club meeting are held concurrently with the adult Farm Bureau meeting. Some of them have rhythm bands, all are taught to sing together and play together. They are told stories, taught handicraft and the care and feeding of pets. The clubs participate in the adult programs with special entertainment at three occasions during the year. Older children in the clubs are encouraged to develop hobbies. The groups also take part in county and state fair parades.

Veterans whose blindness is due to war service may obtain free medical treatment for their "seeing eye" dogs.

COUNTY TRUSTEES MEET; HEAR DEANE WALKER

Though Indiana schools this year are handling more students than ever before, we actually spending a lesser proportion of our tax income for educational purposes than 10 years ago, Deane Walker told trustees of the North Central Indiana Association meeting here Tuesday, May 23.

The state superintendent of public instruction was the main speaker in the afternoon session which closed out the one-day meeting of trustees of Kosciusko, Elkhart, St. Joseph, LaPorte and Marshall Counties.

In the morning session J. R. Mitchell, director of teaching placement at Purdue University, told of his work in Germany since the war studying of the German education system.

Robert O. Jones, of Beaver Dam, was elected president of the association during the business meeting. C. V. Hall, of Wyatt, Ind., was elected vice-president; Ernest Annis, of Bremen, was re-elected secretary; and Earl Miller, of Stillwell, was elected treasurer.

Music was provided during the day by the Tippecanoe glee club, the Bourbon township band, and the Argos High School. Rev. Garfield Stedman, of Bourbon, gave the invocation. Luncheon was served by the ladies of

FINE MEMORIAL PROGRAM HELD HERE SUNDAY

Mentone Post No. 425, American Legion, can certainly be complimented for the fine Memorial Day program held here Sunday afternoon.

Dean Bechtol, of Garret, as usual, gave a very inspiring address, and the color and music of the Syracuse Drum and Bugle Corps added much to the large parade. Visiting Legion groups teamed up with the War Mothers, Boy Scouts, Legion Auxiliary and the Mentone band to make a parade almost two blocks long.

It certainly made one proud to realize the sacrifices citizens make to pay tribute to the war dead or help to perform the duties of citizenship in a community. In addition to the work of the Legionnaires and the Auxiliary, the members of the school band responded to the occasion without a thought of recompense or favor—future citizens already in line of duty.

Many others helped in the day's activities, all of which totalled up to a mighty fine program.

FIRE DEPARTMENT BUSY

The Mentone fire department has been busy the past few days. One day last week an oil stove exploded at the Tippecanoe store and the department was called. The fire was already extinguished when the department arrived.

Monday night there was a call within the city when some rags started burning beneath a car being repaired in the Nottingham barn. There was very little damage from the fire but one of the firemen, Noble Oyler, received a badly gashed hand when he boarded the fire truck. A hook on the end of the ladder tore a slit in the palm of his hand that required several stitches to close.

Tuesday afternoon a tractor caught fire at the Raymond Weirick farm, with considerable damage to the farm machine. A daughter was operating the tractor when flames suddenly burst forth.

BITTEN BY DOG

Janet, the young daughter of Mr. and Mrs. Monroe Romine, of two miles north of Mentone, is recovering from a severe dog bite about the hips. It is reported that the dog pursued the girl as she was crossing a field to join her father.

The girl fell while running and the dog, described as a large shepherd attacked her. The owner of the dog, Adam Cochran, who lives on a nearby farm, has been instructed to keep the animal tied for observation.

LOCAL NEWS

Dr. and Mrs. L. H. Davis, of Oxford, Mass., were the guests of Mr. and Mrs. W. Whetstone on Memorial Day.

Rev and Mrs. John Knecht and children, of Clay City are visiting this week in Mentone with Mrs. Knecht's mother, Mrs. Hill.

Mrs. J.H. Mills, of Santa Monica, Cal., is visiting friends and relatives in Mentone and vicinity. Mrs. Mills is the former Gardle Bell, who left Mentone more than fifty years ago.

Mrs. Bessie Wilson, who has been staying with her daughter, Mrs. Kenneth Barkman, was taken to the Parkview Hospital, at Plymouth, Ind., Wednesday of last week. Her condition is unchanged.

Visitors at the Cloice Paulus home Sunday were Mr. and Mrs. Glen Paulus and daughter, Martha, of Glen Ellyn, Ill., Jean Paulus, of Mishawaka; Mr. and Mrs. Kay Paulus and sons, of North Manchester, and Mr. and Mrs. Bud Paulus, Rochester.

Mrs. Earl Meredith spent Tuesday and Wednesday in Akron with her son and family. On Wednesday afternoon she attended guest day at the Beaver Dam Home Economics Club at the Akron Library.

Relatives who visited at the home of Mrs. Earl Meredith Sunday afternoon in Mentone were Mrs. Maggie Laird and daughter, Mildred, of Bourbon; Mr. Elmer Gates, of Houston, Texas; Mr. and Mrs. John Laird, Mrs. Mary Barkman and grandchildren, and Mrs. Tessie Newton and grandson, of Mentone.

TALMA LADIES TO HOLD MEETING

The Talma ladies of the W. S. C. S. will hold their meeting on June 7, at 1:30 p. m., at the home of Mrs. Dessie Fultz. The theme of the meeting will be Pledge Service — I Can Give More.

Leader of worship service, Mrs. Thurl Alber; leader of program, Mrs. Sid Dick, special feature, installation of officers.

Mrs. Fultz will be assisted by Mrs. Clovis Peterson.
