## POPPIES TO HONOR

## NATION'S WAR DEAD

"Wear a poppy to honor the war dead and aid war's living victim's"

This is the appeal that will be made to everyone in Mentone by the American Legion Auxiliary on Poppy Day, May 24, it has been announced by Mrs. Robert Whetstone, Poppy Chairman of the Mentone Unit No. 425, American Legion Auxiliary.

Women of the Auxiliary will be on the streets throughout the day, offering the symbolic memorial poppies and receiving contributions for the Auxiliary's work in behalf of disabled veterans and needy children of veterans. The poppies will be crepe paper replicas of the wild poppies which grew "between the crosses, row on row," in the battle cemeteries of France and Belgium. They have been made for the Auxiliary by disabled veterans of both World Wars.

"This year the poppy will have added significance because of the long lists of war dead from Korea which have been added to the heroic roll of those who have died for America," Mrs. Whetstone said. "Also there will be increased need for the Poppy Day contribution because of the many thousands of young men disabled in the Korean fighting. We hope that everyone will understand that the memorial poppy means honor for the nation's war dead and aid for those suffering as a result of war service and will wear one of the little red flowers proudly on Poppy Day."

## WITH THE SICK

Jimmy Bryan had a tonsillectomy last Wednesday at the McDonald hospital.

Mrs. Barney Nellans has been returned to her home after being a medical patient at the Woodlawn hospital for several days last week.

Ray Dillingham continues to improve and is better at this time.

TOMBAUGH LOSES IN  
RACE FOR TREASURER

Wayne Tombaugh, Mentone, who was a republican candidate for county treasurer, lost the contest to his opponent in Tuesday's primary election.

In the two Franklin and three Harrison township precincts, however, Mr. Tombaugh lacked only five votes of doubling the votes received by Mrs. Lichtenwalter.

In the other local contests, Jack Van Gilder won the republican nomination for delegate to the state convention from the second and third precincts of Harrison township over his opponent, Ira L. Moore, 223 to 52. Albert M. Tucker won over John Lackey 70 to 23 for the nomination for republican precinct committeeman from the third precinct of Harrison township.

The results of the major republican tests are as follows:

## MRS. WEIKART SPEAKS AT PTA

Mrs. David Gosser gave the devotions at the P. T. A. meeting last Wednesday evening, after the pledge to the flag.

Miss Herriman then spoke briefly about the art display in the halls. She said that she had tried to display some work by each student. (This display was very interesting and colorful, incidentally. These classes are very good for they encourage dormant talent and arouse expression.)

Following the reading of the minutes, the treasurer's report was given, showing a balance on hand of \$109.38.

Mrs. Ira Moore gave a report on the state P. T. A. convention in Indianapolis.

Dale Kelley, chairman of the P. T. A. banquet supper on May 10 (see details elsewhere) took volunteers for food for that supper and named his committees.

Mrs. Harold Markley gave a report of the Summer Recreation Committee. A full-time paid instructor is being planned for this summer. A collection was taken to be given to the Summer Recreation fund. It totaled \$28.73.

The P. T. A. president, Carrol Eiler, expressed his appreciation for the fine cooperation of all the chairmen and gave special recognition to Mrs. Dan Urschel for her work on the program committee and Mrs. Delford Nelson for her splendid work on the hospitality committee.

Mrs. H. C. Weikart, then gave a most comprehensive talk on Teen-Age Needs.

She stressed their particular difficulties of adjustment both in the home and in the group, and how the parent must help the child through patience and understanding.

She pointed out the importance of a child's being skillful at something and learning to be responsible (e. g. driving a car or preparing a meal).

Sex education is very important, as the teen-agers biggest problem comes from lack of proper knowledge.

Following Mrs. Weikart's talk, there was a question-answer period.

The officers for 1952 - 53 were installed. They are: president, Mrs. Ira Moore; 1st vice president, Mrs. Artley Cullum; second vice president, Mrs. Bernice Rush; secretary, Mrs. Albert Tucker; assistant secretary, Mrs. Earl

Anderson; treasurer, Mrs. Everett Beeson.

Mrs. Ira Moore then announced her committee chairmen for the coming year. They are: program, Mrs. Delford Nelson; membership, M. O. Bryan; hospitality, Mrs. Harold Markley; publicity, Mrs. Robert Parker; ways and means, Mrs. Dan Urschel; budget and finance, Dale Kelley; P. T. A. publications, Mrs. Earl Anderson; character and spiritual education, Mrs. Ora McKinley; safety, Ora McKinley; legislative, Mr. Hoffman; rural service, Zanna Hammer; room representative, Mrs. Keever; historian, Mrs. Carroll Eiler. Mrs. Eldon Horn, Mrs. Harold Markley and Mrs. Earl Bruner, Jr. were children's hostesses.

The committee in charge of the social hour were: Dale Kelley, Anthony Pavlick, Mrs. Charles Eaton and Mrs. Herman Olson.

## THE AMERICAN WAY

### MORE TEA IS DUMPED

By George Peck

(Editor's Note: George Peck is Chairman of the Board of the National Labor-Management Foundation and Executive Editor of its official publication, Partners.)

On November 28, 1773, in Boston harbor, some tea was dumped by the American colonists. This was a prelude to the Declaration of Independence, which was signed by members of Congress on and after August 2, 1776. This immortal document told King George III of England a thing or two, among which was: "He has erected a multitude of New Offices, and sent hither Swarms of Officers to harass our people and eat out their substance."

George Peck

Now, in 1952, there has been some more tea-dumping. Certain long-suffering taxpayers had the courage to rebel against a tyranny which transcends even that of wicked George

III. The straw that broke the camel's back is the attempt by Federal Government to force self-employed persons to put themselves under Social Security.

On March 15, 1952, Mrs. Mary D. Cain, owner of a weekly newspaper at Summit, Miss., wrote to John W. Snyder, Secretary of the U. S. Treasury, advising him that she would have no part of Social Security. "Today I filed my income tax return. In the spot reserved for Social Security (so-called you will note that I advise you none is due," was Mrs. Cain's opening thrust at Mr. Snyder.

Then Mary Cain proceeded to give Secretary Snyder a few reasons for her refusal. "The Social Security Program . . . is the hub around which the whole wheel of communism revolves in this country. . . . The billions paid in for Social Security have been squandered, not kept in a trust fund. Any insurance company that did such a thing would have landed behind the penitentiary bars long since! . . . The scheme is unAmerican . . . I have all the insurance I want or need and I don't want any that stems from this rotten New Deal"

In conclusion wrote Mrs. Cain: "I sign myself as sole owner, editor and publisher of the Summit Sun, a little weekly, which I confidently expect

your experts (except that I call them the U. S. Gestapo) will name a lawless and law-breaking establishment (you see, I know New-Deal tactics) and I know that I, too, will be made to appear a very low character, a radical, a reactionary and a person of no morality. Knowing all of this, Mr. Snyder, I still say, POP YOUR WHIP." Joining hands with Mrs. Cain, is Vivien Kellems, manufacturer of Stonington, Conn. Miss Kellems has had previous tax jousts with Mr. Snyder in all of which he has emerged second best. Says Miss Kellems in her letter to Mr. Snyder: "Today I have paid my income tax but I have not included a check for \$81 for self-employed government insurance. I am not going to pay this tax. I already carry adequate insurance and do not wish further coverage."

"The so-called Society Security Law," continued Miss Kellems, "is a cruel hoax on the American people. It is neither social nor is it secure. It isn't social because it compels millions of people to pay for insurance which they do not want . . . The law isn't secure because there is no money in the Social Security Fund." Miss Kellems concluded as follows: "Mr. Secretary, it will clarify the whole matter if you will please indict me and let us submit this law to the Supreme Court, in the traditional American manner, in order to test its constitutionality."

From Beach City, Ohio, John F. Andrews wrote Mr. Snyder: "On January 14, 1952, I paid my income tax for 1951, but did not pay the Social Security tax on my self-employed in-

come as an Auctioneer. I sent a letter to the Collector of I. R. at Cleveland, Ohio, explaining my reasons; namely that the law is discriminatory, and that the theory of compulsory Social Security is wrong."

After asking some pointed questions as to the constitutionality of Social Security, Mr. Andrews concluded: "I have received mail from Coast to Coast concerning my protest and I am not alone. Only so much can be crammed down the throats of the American people before they rise in indignation . . . It is time to halt this socialistic program which is sapping the moral strength of our people."

Ralph Bly, proprietor of the Bly Auto Supply, Shelby, Ohio, likewise has defied Mr. Snyder. In his letter he has this to say, in part: "In my opinion, the Social Security Law is a fake. It is conceived in and born of socialism. No government can provide security for anybody. . . . This law looks like a Revenue raising law to help expand our ever growing, dominating bureaucracy and socialistic doctrines of our Government."

From Palmdale, Florida, Thomas Gaskins, small manufacturer, unbosomed himself to Mr. Snyder, in part, thusly: "I am not paying Social Security taxes on myself nor on two people who work with me in my business. . . . This law is socialistic, discriminatory and an insult. If there are Americans who have degenerated to the point where they have no hope of taking care of their own security, then I shall be glad to contribute some of my effort to them. But for those of us who still have confidence in our ability, such a socialistic thing should not be forced upon us and there are many of us."

Bravo! The courage displayed by these stalwart citizens in "dumping the tea" could well result in America doing an about face in its march down the road to socialism and in shaking itself free from the Cradle to Grave security philosophy of our present government.

Plans are now completed for a two-week Daily Vacation Bible School from June 9 to 20. Children from ages 4 to 16 will be welcome and hours will be from 9 to 11:30 each week day.

This evening the deacons will have charge of the mid-week prayer service while the pastor is bringing the graduation address at the Monroe Township School which is 2 miles north of Sidney on highway 13.

Next Sunday, being Mother's Day, there will be special music and a special message for all mothers. Mothers, especially, are invited to the service.

**O. E. S. NEWS**

A delicious pot-luck supper was enjoyed by the members of the O. E. S. on Monday evening, May 5, at the Masonic Hall preceding the regular business meeting. Reports of Grand Chapter were given by Mrs. Fred Lemler and Mrs. Ora McKinley.

In honor of Mother's Day, Mrs. Wayne Bowser sang "My Mother's Eyes." Two readings were given by Mrs. Robert Goshert.

The highlight of the evening was

the story of Esther in flannel-graph presented by Mrs. Taurack, of Sidney.

Corsages were presented to Mrs. Kenneth Simcoe and Mrs. Charles Urschel, representing the youngest and oldest mother present.

The next meeting will be May 19th with Mrs. Lyman Mollenhour, Mrs. Everett Long and Mrs. Miles Manwaring serving on the refreshment committee.

Sunday guests at the Artley Cullum home were: Mr. and Mrs. Joe Wilson, Mrs. Blanche Smith and Mrs. Frank Kellenberger, of Monticello; Mr. and Mrs. Roy Cullum, Mrs. Ray Kaptan and daughters, Paul Cullum, Glen Pearce and Mr. and Mrs. Milo Pearce, of Chicago.

Mrs. Robert Smith, of Mentone, and Miss Lilly Tucker, of Elkhart, left on Monday morning for Oceanside, California where Bob Smith is stationed. They made the trip by car. Mrs. Smith will remain in California.

Mrs. Mary Vance, of Ft. Wayne, Mrs. Martha Ummel, Mrs. Ruth Gulst, Mr. and Mrs. Loyd Stough, of Columbia City, were Sunday guests of Mrs. Joe Johnson.

## MACHINE ATTACHMENTS AID HOME SEWING

Sewing machine attachments can cut hours from the time the busy homemaker may spend in sewing. These take away guess work and give a neat appearance. Too often the box of attachments is covered up in the bottom of the machine drawer and seldom used.

Miss Frieda C. Stoll, extension clothing specialist at Purdue University, suggests that even with old sewing machines, homemakers can learn to use these time savers. Most boxes of

attachments for sewing machines include gatherer, ruffler, tiny hemmer, binder, appliquer and corder. In the box also may be attachments to use for sewing on rick-rack and braid trim. These tools take only a few minutes to do a neat job which otherwise would take much longer.

To develop more confidence in her sewing and faith in her sewing machine, the homemaker should become familiar with the many attachments which came with her machine. Perhaps she bought the machine originally for some particular attachment but used it only a few times. The

## KEEP SAFETY SHIELDS ON ALL MACHINERY

There is no excuse for not keeping power take-off and other farm machinery shields in place, warns F. R. Willsey, farm safety specialist at Purdue University. It is much easier to be safe than sorry. The National Safety Council reports that too many farmers leave their shields in the implement shed or misplace them entirely.

Farmers who do not have standard power take-off shields for old tractors should consult their local implement dealer. Hitches and adapter packages for power driven implements may be obtained from dealers representing the manufacturer of the implement. The

best shield that can be made gives no protection if it is not used.

For new farm equipment, manufacturers are providing non-removable power take-off shields to help protect the operator against his own negligence. The non-removable shield may be opened for servicing and inspection of the power shaft. Most of them are built with a loop around the pipe connection between the universal joints or otherwise permanently attached so they cannot be removed entirely. If the drive is in use, the shield stays with it.

Don't overlook the smaller shields provided for fans, chains or gears. See that all shields are in place before an implement is taken to the field. When working without shields, the stakes are high, and when you lose it is too late to make amends.

### TELEPHONE COMPANY CHANGES NAME

Final steps were taken May 6, 1952 to legally change the name of Indiana Associated Telephone Corporation to General Telephone Company of Indiana, Inc. Mr. H. E. Hussey, President of the Company, stated that the adoption of the new name will not affect the management or operations of the company.

Similar name changes are being made in eleven other companies in the General Telephone System. The purpose of all these changes is to provide for uniformity and to familiarize investors as well as the general public with the relationship of each operating company to the parent company, General Telephone Corporation.

Mr. Hussey pointed out that most of the funds used for additions and improvements must be obtained from investors. By making the name "Gen-

eral Telephone" better known it is thought that security sales will be facilitated.

Gross additions to the Indiana Company's plant in 1951 totaled \$3,325,000 and the budget for 1952 provides for even greater expenditures, demands for new and improved telephone service continue unabated.

### CARD OF THANKS

The commercial feed industry is one of the largest industries now serving agriculture. In Indiana alone about 1,000,000 tons of commercial feeding stuffs have been sold each year since 1942 according to agriculture chemists at Purdue University.

### METHODIST CHURCH NEWS

In observance of Mother's Day this Sunday there will be special musical selections by both the Junior and Chancel Choirs, a solo number, and the traditional honoring of mothers of the church families.

On Sunday evening the sermon subject is "The Tragedy of Ignorance," a special service for the young people and adults of the church. This is in observance of National Family Week. Families that pray together, stay together.

Monday, May 12, is the meeting of the District Conference which will be held in the Methodist church at Pierceton. The following day is the Conference meeting of the W. S. C. S. at the Grace Methodist Church at Kokomo. Transportation will be provided for those desiring to attend either or both of these sessions.

May 15 the W. S. C. S. of the local church will hold its annual Mother-Daughter Banquet. The guest speaker will be the wife of a college president and special music will be provided by a trio from that university. Invitations have been sent out to all girls of the church, from 1st grade through high school. Reminders have also been sent to members of the W. S. C. S. (as listed in their membership book) and to "mystery mothers." This annual affair, however, should include all women of the church, and you are invited whether you receive a reminder or not. It is pot-luck with each person providing her own table service.

The Baccalaureate Service for the graduating class of 1952 of the Mentone High School will be held in the sanctuary on the evening of May 18. This will be the last of the evening

services in the Methodist Church until October, except for special call services which will be announced in advance.

This month is the closing of the Conference year for the Methodist Churches of the North Indiana Conference. The Annual Conference sessions will be held in the Trinity Methodist Church of Elkhart, May 21-25.

The General Conference of the Methodist Church has been held in San Francisco, April 23 through May 7 of this year. This Conference determines the policies of the church for the next four years and sets forth its regulations and rulings in the Methodist Discipline which is published following each General Conference.

Because the Methodist Church in its business organization is a representative church, delegates from all over the world attend the sessions. These delegates are elected at preceding Annual Conference sessions and equally represent the clergy and lay people of the church. Of the 746 delegates who were to attend, twenty-six were prevented because of unsettled world conditions, but of the 720 present, 66 were from overseas.

The following is a break-down of delegates to the conference:

Ministerial: 140 pastors, 135 district superintendents, 16 school men, 5 editors, 21 connectional men, 7 ex-secretaries of the Conference board of education, 3 Conference treasurers, and 1 retired minister.

Lay Delegates: 76 business executives, 43 school men, 37 attorneys, 27 charge lay leaders, 14 insurance men, 8 editors, 7 farmers, 7 doctors, 6 morticians, 6 post office employees, 6 connectional men, 6 bankers, 3 ac-

countants, 2 Conference treasurers, 2 ex-secretaries of Conference board of education, 2 dentists, 1 court reporter, 1 YMCA secretary; and 73 women of whom 39 are Conference WSCS presidents, 12 of the Woman's Division of Christian Service, 14 are homemakers, 4 school women, 1 president of Woman's Division of Christian Service, 1 WSCS Conference treasurer and 2 WSCS Jurisdictional presidents.

This splendid representation of Lay Leadership accounts for the great work of the Methodist Church throughout the world, for here is evidence that much of the work of the church is in the hands of capable men and women who are called from their respective labors of business to attend to the work of the Lord. They are persons well qualified to do the Master's will and have been chosen to represent the more than nine million Methodist laymen of this nation alone to make us aware that the will of God is to be done on earth as in heaven.

### START TWICE-A-WEEK GARBAGE COLLECTION

The town board Monday evening contracted with Fred Sander to pick up garbage in Mentone on Tuesdays and Fridays of each week during the summer months. Mr. Sander has been making regular weekly trips.

As the garbage will be used to feed livestock, no cans, glass or metal in the garbage will be tolerated. Also, the garbage must be in a closed container with suitable handles so they can be easily handled by one man.

The collector will be looking for the garbage cans in the alleys, but if a citizen must place the garbage can elsewhere, he should make an effort to notify the collector, telling him where the garbage will be located. An effort will be made by the collector to make at least one call to the homes where there is no visible garbage can.

The contract includes only the collection of garbage, but any citizens desiring to hire them to haul trash can either phone 707R Rochester, or write Fred Sander, R. 1, Argos.

### HAS EYE SURGERY

Don Flenar, son of Mrs. Mildred Flenar, is improving following eye surgery a week ago Monday at Memorial hospital in South Bend.

Don has had previous eye surgery and his friends are hoping this may be all required to make the eye correction.

# SEEK IMPROVEMENT

## OF STATE ROAD 19

At a meeting held Friday evening at Nappanee, preliminary steps were taken to have State Road 19 rebuilt or improved between Elkhart and Peru.

A special committee comprised of Warren Shively, chairman, and Mayor M. E. Hostetler, Nappanee; Guy Bahney and Max Leckrone, Akron; Raymond Cooper and Joseph Baker, Mentone; Mayor McDaniels and Col. J. J. Hunter, Elkhart; Mayor Cox and Smock, Peru; to hold a meeting May 16 at the Sportsman's Club at Beaver Dam Lake to promote further plans for the project.

Prior to the May 16 meeting Shively said the state highway department would be contacted regarding rebuilding plans for highway 19.

The extent of rebuilding highway 19 will depend on surveys conducted.

# P. T. A. BENEFIT SUPPER

You are invited to enjoy a very sumptuous P. T. A. supper this Saturday evening, May 10, at the school cafeteria. Serving begins at 6 o'clock. Featured are chicken pie and meat loaf, with such tempting choices of

side dishes as deviled eggs, fruit salad, vegetable salad, chicken and noodles, pie and cake.

The proceeds from the supper will be given toward the purchase of a new moving picture projector for the school.

Why not tell your neighbors, too, and help make this P. T. A. Penny supper a more than successful project?

Remember, it's this Saturday evening at 6 o'clock.

# ROYAL NEIGHBORS MEET

On Tuesday evening, May 6, the Royal Neighbors met at the home of Neighbor Emma Cook. Oracle Mary Borton presided over the business meeting. There were 14 members present.

A new member, Mrs. Helen Welty, was cordially welcomed into our group. Neighbors Mae Borton and Thelma Hibschan were welcomed back after being away this winter.

During the social hour prizes were won by Neighbors Georgia Teel, Mary Borton and Lydia Rynearson. The door prize was won by Emma Cook.

Delicious refreshments were served by the hostess and her assistant, Neighbor Mildred Freisner.

**Compact Units**

Compact units capable of repairing all types of armament are serving frontline soldiers in the Eighth United States Army sector in Korea. The teams, made up of 14 to 22 Ordnance specialists and technicians, inspect and perform minor repairs on wheeled vehicles, artillery pieces, and armored equipment. During a six-week period, one team inspected more than 8,000 weapons and 1,123 track-laying and wheeled vehicles, making all necessary repairs. Often they work around the clock repairing or servicing weapons of infantry and artillery units.

## SCHOOL NEWS

The Mentone track team lost a close meet at Atwood on Tuesday evening. The final relay determined the result. Kindig won the shot put with a toss of 40 feet, 11 inches. Doyle and Creighton tied for first in the high jump. Brown won the pole vault and the 880 yard run. Dickey won the mile run. Atwood's strength in the dashes and relays proved too much. Mentone has one more meet at Beaver Dam on

May 13.

On Wednesday over 100 high school students went by school bus to a State Park for an afternoon of games, a picnic, and camp fire. This project was planned and carried out by the Mentone School Student Council.

Mr. Kent and Mr. Tucker attended a joint meeting of the trustees and principals at the Crystal Dairy Bar at Warsaw on Monday afternoon.

All Juniors and Seniors have been asked to vote at Baker's Store for the most popular Senior girl and boy. Each will receive a Calvert wrist watch.

### MASTER MIX PIG CONCENTRATE

*a part of the Master Plan*

THIS SPECIAL concentrate with Methio-Vite builds husky pigs during the critical growing period from weaning time to 75 pounds. Pig Concentrate develops sturdiness and keeps 'em growing fast. It's the ideal feed to get fast, low cost gains and profitable conversion.

#### TWO WAYS TO FEED IT:

1. Free-choice: feed Pig Concentrate in one section and corn (or mixed grain) in the rest of the feeder.
2. As a ground ration: use 1 part of Pig Concentrate mixed with 3 parts of corn (or mixed grain).

The Junior Class will present a matinee of their play, "Anything for a Laugh," for grades 1-6 on Friday afternoon. The pupils have been asked to give a small donation toward the project.

The evening performance will begin at 8:00 Friday evening. The class has been working diligently on this play. Mr. Lorin Burt is class sponsor and play director.

First grade pupils will receive a one day vacation on Thursday in order that next year's first grade may visit school. Mrs. Van Gilder, first grade teacher, has planned a day of activity for the pre-school pupils.

#### IN JUSTICE COURT

On Friday, May 2, Verlin Crooke, of Claypool, was assessed a fine of one dollar and costs, totaling \$12.75, on a plea of guilty to a charge of failing to observe a stop sign at the intersection of State Roads 19 and 25, on Wednesday morning, April 30th.

Highway patrolman Jordan, of Rochester, was the arresting officer and complaining witness.

Mr. and Mrs. Howard Kohr were in Indianapolis Tuesday where Mr. Kohr consulted a medical specialist.

Roy Rush and daughter, Eleanor, and Mrs. Bert Rush spent the week end in Detroit, Michigan visiting the Earl Rush family.

# THIN SEEDLINGS

## ACCORDING TO PLAN

A systematic plan of thinning vegetable seedlings can insure plants a chance to mature and reserve others for replacement of some plants which may not do well later.

Just as soon as most plants are large enough to handle, thin them to stand about an inch apart. This will allow them to develop rapidly with no danger of entangling their roots with their neighbors, says W. B. Ward, extension horticulturist at Purdue University.

What spacing will be used finally, will depend upon the vegetables grown and how well fertilized the garden may be. In well fertilized gardens, plants can usually be grown closer together than in less fertile ones as is often the case with commercial production. However, the tendency is to increase the number of plants grown even in commercial operations.

Ward cautions that each plant be given room to mature without suffering from competition. Bush beans are thinned to about four inches apart in the row. Bush lima beans are spaced four to eight inches apart. Carrots will mature when close enough for the root tops to touch while beets need only one inch between plants in the row. Turnips which must grow fast about two inches apart and the thinning is done early.

This spacing of plants should be an opportunity to select the finest plants for further growing. Two or three times as many seeds should be sown as actual plants needed, but more than that amount is sheer waste of seed. It may give the beginner an emo-

tional shock to pull seedlings which have grown from the seed sowed but this is a task which should be done to secure the maximum success from the garden.

### REPORT ON THE MENTONE SOFTBALL COMMITTEE

The Mentone Softball Committee is preparing for another season of softball. For those who are not intimately acquainted with the softball program, the following facts may be of interest.

The Mentone Softball Committee is composed of citizens of the community who are interested in perpetuating the softball program. They are appointed by the president of the Mentone Lions Club and serve for a period of one year. The members for the present year are Loren Tridle, Walter Kent, Maynard Johnson, Dean Shirey, James Rodibaugh, William Schooley, Raymond Cooper, Hershel Linn, Milo Pawley, Dale Kelley, Noble Babcock, Ora McKinley, Dana Starr and R. O. Jones.

The purposes of the softball program are (1) to provide facilities and opportunities for the young people of the community to participate in competitive sports, and (2) to provide a high quality but low cost entertainment for the citizens of the community. The purposes are mutually dependent, for the financial support of the spectators helps pay the cost of operating the program.

The sources of the funds for operating the program are profits from the soft drink stand at the ball park, voluntary contributions from the spectators attending the ball games, and contributions from various community organizations interested in having the program continued.

All services in operating the program are donated. The ball players, groundskeepers, soft drink stand operators, announcers, and members of the committee donate many hours of valuable time for the satisfaction of seeing a program continued which they feel is worthwhile and an asset to the community.

The program lost money during the summer of 1950; the deficit was very generously met by contributions from the Town of Mentone and several service clubs. The program showed a small profit in 1951. The Mentone Softball Committee hopes to have a

program this year which will merit your attendance at the ball games and your financial support to such an extent that the program can continue.

The Mentone Merchants softball team will again play their home games at the Mentone ball park. As a member of the Northern Indiana Traveling League, the team has a regular schedule which will be published in this

paper next week. The team opens the season at Warsaw on May 16. The first home game will be a doubleheader with Buchanan on May 23; "The" Bierwagon, the ace hurler for Buchanan, will undoubtedly work in one or both of the games. In addition, the Committee is planning a league composed of high school teams as in the past few years.

So come on out to the ball park. There's always fun at the old ball game. Your attendance and contributions when the hat is passed will assure the continuance of this fine community recreation program.

**ANNOUNCE COMING MARRIAGE**

Mr. and Mrs. Harold Van Doren of R. R. No. 2, Akron, have announced the engagement and approaching marriage of their daughter, Iva, of 651 S. Buffalo Street, Warsaw, to S. F. C. L. "Cal" Wagner, son of Mr. and Mrs. E. E. Wagner, of Mentone.

The bride-elect is a graduate of Akron High School and has resided in Warsaw for the past five years, now receptionist at Dahms and Yarian. She is a member of the Warsaw Business and Professional Women's Club and of the Alpha Beta chapter of Beta Sigma Phi.

Sgt. Wagner attended Mentone High School, and entered the United States Army in September, 1950. He served eleven months in Korea with the 23rd Infantry Division. He is now stationed at Fort Leonard Wood, Missouri.

A June wedding is being planned by the couple.

**NEW MENTONE SCHOOL COACH EMPLOYED**

According to an announcement by Royce Tucker, Harrison Township Trustee, "Abe" Hoogenboom has been employed to teach and coach at the Mentone School next year. Mr. Hoogenboom replaces Lorin Burt who resigned to become principal of the Leesburg School. Mr. Hoogenboom has coached at Atwood for the past two years. In addition to his coaching duties at Mentone, the new coach will teach health and social studies.

Mr. Hoogenboom is married, the father of three children. At present they reside at Hoffman Lake. As soon as housing is available, Mr. Hoogenboom and family will move to the Mentone community.

**HARRISON C. CLYMER**

Harrison C. "Harry" Clymer, age 80, a life-long resident of Talma, died Monday morning at the home of his daughter, Mrs. Lon Walters, in Mentone as the result of a stroke and complications. He had been ill for two years.

Mr. Clymer was born March 3, 1872, in Talma, the son of Dr. and Mrs. N. J. Clymer. The father was at one time many years ago, a physician in Rochester. The deceased was married to Margaret Dille on January 1, 1893.

The survivors are the wife and daughter, Mrs. Walters; four granddaughters; 1 step grandson and 11 great grandchildren. Two sons and a grand-daughter, whom he reared, preceded him in death. Mr. Clymer was a member of the Brethren church of Tiosa.

Funeral services will be held Thursday afternoon at 2 o'clock DST at the Tiosa church and burial will be made in the Rochester IOOF cemetery.

The Foster funeral home, Rochester, is in charge of arrangements.

**JESSE M. JONES DIES FRIDAY**

Jesse M. Jones, aged 64, of Palestine, died last Friday at the McDonald hospital, where he was admitted Thursday for treatment. He had been in failing health for the past year, due to a heart ailment.

Mr. Jones, who was a barber, had worked in Warsaw for many years and had worked at the trade for 42 years. He had lived most of his life in the Palestine and Mentone communities.

He was born at Mexico, Indiana, on August 3, 1887, the son of Edwin and Rebecca (Woods) Jones. In 1916 he was married to Edna Brown. He was a member of the Palestine Methodist church.

Surviving relatives include his wife; a son, Richard Jones, of North Webster; a daughter, Mrs. Albert Tucker, of near Palestine; three grandchildren; a brother, Charles Jones, of Indianapolis, and two nephews.

Funeral services were held at 2 p. m. Sunday at the Palestine Christian church. Rev. Albert Rider, of Burket, was in charge. Burial was in the Palestine cemetery.

The Reed funeral home was in charge of the arrangements.

**FREE MOVIES STARTED****HERE LAST SATURDAY**

The Mentone Merchants last week entered into an agreement with another individual to show free movies in Mentone each Saturday night during the summer season. The first showing was to have been last Saturday, but that morning a telephone call revealed the sad fact that the man would be unable to show a picture that evening. The local merchants, not desiring to disappoint local visitors, went to extreme limits, secured their own film and used their own equipment to present the promised free movie.

The Mentone merchants will keep their promise of free movies if at all possible to do so. With the ingenuity they displayed last Saturday, they should be successful.

**SUMMER RECREATION PROGRAM TO START JUNE 9**

The summer recreation program, with Roger Kelly as a full time paid director, will start a 10-week program of handcraft, library reading and playground recreation June 9th.

Handcraft will include woodworking, metalworking, leathercraft and electrical.

Recreation will include all sports, volleyball, tennis and baseball.

The library reading program will be divided into three groups: Pre-school and first grade; 2nd, 3rd and 4th grades, and the 5th, 6th, 7th and 8th grades.

Instrumental music will be included. There will be need for much volunteer help, and to make the program successful, everyone will be needed to assist in one way or another. Financial contributions will be necessary for the program and any person or organization caring to contribute should contact Mr. Walter Kent, chairman of the committee. Mrs. Harold Nelson and Harry Smythe are also members of the committee.

**DISTRIBUTE PHEASANT CHICKS**

C. O. Mollenhour announced Monday that he assisted in distributing 1200 pheasant chicks to 4-H boys and girls in this area. Each 4-Her who desired was given 25 baby pheasants. When they reach maturity they will be released, and the boys and girls will receive credit as a 4-H project completed.

## LOCAL DOCTOR SPEAKS AT DETROIT MEETING

Dr. Dan Urschel was in Detroit last week attending the meeting of the

Henry Ford Hospital Association. During the clinical session on Saturday Dr. Urschel spoke to the Cardiology group, describing and discussing a new method of electriccardiographic interpretation with which he has been working. This new development, Spatial Vector Cardiography, was the subject of much interest at the recent American College of Physicians meeting, and promises to add greatly to the clinical use of the electrocardiogram.

Next Tuesday he is to give a similar talk at St. Vincents Hospital in Indianapolis.

Dr. Urschel served his Internship and Residency years at Henry Ford Hospital and later was on the Cardiology Staff of that institution.

# METHODIST CHURCH NEWS

The pastor attended the District Conference held in the Pierceton Methodist church this past Monday. Following the business session, an address made by Dr. Thomas Jones, President of Earlham College, was well received by the assembly of ministers, their wives and lay men and women of the Warsaw District.

On Tuesday the following persons attended the WSCS Conference session at Kokomo: Mrs. Adam Carper, Mrs. Broda Clark, Mrs. Dan Urschel, Mrs. Abe Whetstone, Mrs. David Gosser and her sister, Mrs. Martha Singo, and Mark Gosser.

The local society is holding its annual Mother-Daughter Banquet this Thursday evening in the church dining room. The speaker is the wife of a college president. Not long ago she and her husband were in Europe, and included in the program will be some slides of this trip. Special music will be provided by a trio of young ladies from the college.

The Conference Lecture, "Martin Luther—Oak of Saxony," will be given by Dr. Edwin Prince Booth, nationally known lecturer and writer. He is generally recognized as one of the greatest orators and lecturers of our time, among the nation's ten greatest and listed in "Who's Who in America." He is Professor of Church History in the Boston University School of Theology. This lecture will be given at the Elk-

hart High School Auditorium on Friday evening, May 23, at seven-thirty.

Preceding the lecture the Elkhart High School Choir and Orchestra directed by William E. Gowdy will present "The Song of America." Tickets for this program must be obtained in advance through your Pastor.

Dr. Booth again appears during the Worship Hour of the Conference Session on Saturday morning at eight-thirty, presenting the meditation, "St. Francis."

Because the Annual Conference of the North Indiana Conference will be held so near to our community compared to those sessions of other years, local church-men and women may desire to attend several meetings from May 21 through May 25. All meetings will be in the Trinity Methodist church except for the Conference Lecture referred to previously. The voting delegates from this church are the pastor and Mr. Raymond Lash who is the Lay-member to the Annual Conference,

elected by the Fourth Quarterly Conference of the Mentone Methodist church.

The following high-lights will be of interest to the congregation: the Organization of the Conference on Wednesday, May 21, at two o'clock; Holy Communion with Bishop Raines officiating and presenting the Meditation at three-thirty, and the Report of Superintendents at seven-thirty the same day.

The address of Bishop Pickett, of India and Pakistan on Thursday at 3:15 p. m., and his address in the evening at seven-thirty.

The Conference Lecture previously referred to for Friday evening, and the presentation of "One Foot in Heaven" by the Trinity Players on Saturday evening at eight o'clock.

The Love Feast and Sunday Morning Worship Hour when Bishop Raines preaches at nine-fifteen the Ordination Services for Deacons and Elders along with the Reading and Fixing of

Appointments at two-thirty Sunday afternoon, May 25, both services being in the high school auditorium.

Information relative to the Conference may be obtained through your pastor prior to the Conference Sessions.

The Baccalaureate Service for the graduating class of 1952 of the Mentone High School will be held in the local church at eight o'clock this Sunday, May 18.

Mr. and Mrs. Herbert Personette and grandson, of Ft. Wayne, Mr. and Mrs. Lee Blue and daughter, Sharon, and Mr. and Mrs. Myron Blue, of Bourbon, enjoyed Mother's Day dinner with Mrs. Effie Personette.

Mr. and Mrs. Paul O. Fritz and son, Kerry, of Evanston, Illinois, spent last Friday night at the home of Mr. and Mrs. Rea Ward. They left on Saturday to spend this week in Cleveland and Washington, D. C.

## TIMELY TOPICS

By Mrs. Ruth R. Snellenberger  
Home Demonstration Agent

Food preservation is the first topic for this week. From a management standpoint and costs involved, home canning is still recommended as best. Freezing has some advantages but it's still expensive. Buying vegetable for freezing from a market-place may not result in as nutritious a product as a home produced and properly canned vegetable. If a homemaker follows the rule of "two hours from the garden to the can," there is little chance for some of the nutritive materials to be

lost through exposure to the air. When vegetables are purchased in a market place, it is rarely known how long the vegetables have been laying exposed to the air. Through this exposure valuable nutrients are lost.

In canning, homemakers are urged to follow recommended practices as determined by studies and research. Do be sure to read instructions carefully regarding the use of any type of can lid. The second division 4-H Food Preservation manual has some excellent pictures and description of the various kinds of lids. If you use the metal lid with sealing compound do be certain to discard jars that have nicks or cracks along the top—these irregularities will prevent a perfect seal.

One important procedure that homemakers who are in a hurry sometimes fail to do properly is to exhaust air completely from pressure canner before closing pet cock. From 5 to 7 minutes are required to allow steam to escape and thus exhaust air before closing it.

May I strongly recommend that homemakers read directions for use of pressure canner and then follow those directions. I'm quite certain that if directions are followed you'll experience no difficulty with your pressure canner, generally speaking; provided of course, that your canner is in good condition.

A few weeks ago I wrote of the need for blanching vegetables before packaging and mentioned that some recent research studies had been made which found that off flavors developed if they had not been blanched. This need for blanching was greatly stressed at a recent home agents conference, too.

One thing not to freeze is your nylon hose! DuPont Company, manufacturer of the yarn—not the hose—has investigated the matter. Actually freezing contributes nothing to the wearability of the stockings and has no effect on the nylon one way or another.

Homemakers as consumers are a powerful group. Whatever you ask for your local merchants try to procure for you and in turn manufacturers provide for them to have for you. And so if you want a label that will tell you what care a particular fabric needs, just ask for it. No magic will make it appear immediately but in the future you will have influenced the labeling practice. If freezing the fabric is desirable the label should say so!

Likewise if a garment is washable the label should so state. Perhaps the label may state that dry cleaning is recommended. That should indicate to you that washing is not recommended. Then, too, if a label gives no information as to care, you are usually wiser to have it dry cleaned.

Speaking of care of fabrics the best prevention of damage by clothes moths or carpet beetles is to sun garments at least once a year. Be sure to brush lint from seams, from pleats and from any other part of the garment where it might collect. While clothes are airing spray closet with 5% solution of DDT until walls are moist. This spraying is a must if you already have an infestation, and should be repeated several times a year. Having moth crys-

als in air tight containers for stored garments will help prevent infestation if the garments are not infested when stored. Many of the gadgets containing paradichlorobenzene (the substance in moth crystals) for hanging in closets are not strong enough to do much good. Money spent for them would be better invested in moth crystals or moth balls.

#### LEGION AUXILIARY NEWS

Twenty-three members of the American Legion Auxiliary met at the Legion home Tuesday evening for their regular business meeting. Mrs. Ward Williamson, president, presided at the business session during which reports were heard from the various chairmen. Plans are being made for a bake sale on Saturday, June 7.

Final plans were made for Poppy Day, May 24. Any member able and willing to help on this day, please be at Ward's Paint store early Saturday morning. We will need the support of all members. Mrs. Robert Whetstone, poppy chairman announced there will

be a five-minute poppy day speech broadcast from WKAM in Warsaw on May 21, at 5:00 p. m. and again on May 22 at the same time.

Mrs. Maude Snyder, program chairman for the evening, presented Mrs. L. T. Rees, who told of her trip to Europe by boat. Her experiences were many and she related them beautifully. Mrs. Rees sang "A Little Love, A Little Kiss" first in French then in English, accompanied by Mrs. Snyder.

Mrs. Elizabeth Simcoe was the name drawn for the attendance prize.

Members of the refreshment committee were Mrs. Sadie Ellsworth, Mrs.

Alice Secrist and Mrs. Omer Morrison. The next meeting of the unit will be May 27 at 8:00 at the Legion home. Mrs. Frank Smith will give a Pan American report and our gold star members will be honored.

WORD FROM ROBERT NELSON

Dear Art,

For the past 20 months of army life you have been sending me the News. I have appreciated it greatly. Certainly every other person from this community who is in the service appreciates it equally. Thank you.

However, for the next few months it will not be possible for you to send the News to me. Within the next few days I am leaving for Paris, France. I have extended my time in the Army until July, 1953, in order to accept an assignment with SHAPE (Supreme Headquarters Allied Powers Europe). SHAPE is located in Fontainebleau, France which is a suburb of Paris.

Details will have to wait until a later date because of the nature of the assignment and because there are many details I do not as yet know myself.

Mr. wife, Carol, will join me in Paris shortly after her boat lands in Le Havre on the 4th of August. During the year we are in Paris she will study at the Fountainebleau Conservatory of Music.

We are both looking forward to the trip and experience. We decided that if we waited until we had enough money saved to spend a year in Europe we would be far too old to enjoy it—so since Uncle Sam wants to send us and our car we're going to take him up on the deal.

Thank you again for the paper. Best wishes.

Sincerely,  
Bob Nelson

WORD FROM REV. PAUL IRWIN

Inchon, Korea  
5 May, 1952

Dear Art,

Have received the paper and thought I would write to thank you and express my appreciation. It sure is good to hear from "home."

I am on the General John Pope, a huge transport and we have just taken 4300 Marines to Japan and Korea. It keeps me pretty busy looking after that many men.

The family now live in a suburb of

San Francisco and our address is:  
Apt. 207 Eniwetok Village  
Concord, California.  
Thanks for everything.  
Cordially,

D. A. R. HOLDS MOTHER-  
DAUGHTER BANQUET

The Anthony Nigo Chapter of the D. A. R. held their mother-daughter banquet at the Eskimo Inn at Winona Lake on Monday evening.

Before being seated at the tables, Mrs. Emma Gill, chaplain, said grace, then all joined in giving the pledge to the flag.

During the dinner hour, music was furnished by Mrs. Jack VanGilder at the organ.

Following the dinner, Mrs. Frank Smith, regent, extended a welcome to all and read a very appropriate poem. Response was given by Miss Shirley Igo.

The regent then called on each member to rise and introduce her guest.

The incoming officers were asked to rise as the regent called their names.

The meeting was then turned over to Mrs. Robert Reiwoldt, program chairman.

Miss Janet Ann Tucker sang "Mother, My Mother" and Yvonne Rathfon gave a recitation.

Miss Mary Drudge entertained with two baton twirling numbers and Miss Linda Lou Lukens did some excellent tap dancing.

Mrs. Hobart Creighton and daughter Martha gave a very interesting account of their trip to Europe. The slides were shown by Martha with an explanation of the pictures by Mrs. Creighton.

At the close of the program all joined in singing "Blest Be The Tie."

The next meeting will be with Mrs. Sherman Bybee on June 24.

Dr. and Mrs. F. B. Davison attended the State Dental meeting at Indianapolis on Monday and Tuesday.

Floyd Nicodemus who has been in Korea is home on a thirty day furlough.

P. T. A. PENNY SUPPER  
VERY SUCCESSFUL

A large group of friends and school patrons from this and neighboring communities were on hand Saturday evening to enjoy the delicious food offered at the P. T. A. Penny Supper.

Serving began at 5:30 and was continuous until after 7:30.

All food (with the exception of potatoes) was donated by P. T. A. members.

The chicken pies were baked by Mrs. Agnes Rans. (49 pies by actual count.)

Over \$200 was cleared in this project. It has been suggested that this be made an annual affair. We think that this suggestion is worthy of consideration.

Dale Kelley was general chairman of the supper. Others on the general planning committee were: Mrs. Eldon Horn, Mrs. Noah Tinkey, Mrs. Charles Eaton and Delford Nelson.

The Food Committee was: Mrs. Charles Manwaring, chairman, Mrs. Charles Creighton, Mrs. Ira Moore, Mrs. Everett Beeson and Mrs. Darrell Tucker.

Decorating: Mrs. Bernice Rush, chairman, Mrs. Wayne Tombaugh and Miss Wreatha McFarren.

Advertising: Miss Herriman, chairman, Mrs. Artley Cullum and Mrs. Noah Tinkey.

Dish washing: Wayne Tombaugh, chairman, Delford Nelson, Carroll Eller. Clean Up: Walter Kent, chairman, Mr. Hoffman and Art Witham.

Serving: Mrs. Harold Markley, chairman, Mrs. Ora McKinley, Mrs. Dan Urschel, Mrs. Eldon Horn, Mrs. Charles Eaton, Mrs. Harold Eaton, Mrs. Delford Nelson, Mrs. Walter Kent, Mrs. Roland Ferwerda, Roger Kelly, Leonard Eller, Zanna Hammer and Anthony Pavlick.

Cashier: Glen Law.

The success of the P. T. A. supper was due to the splendid response of the parents in donating food and the fine cooperation of all the committees.

BAPTIST NEWS

Word has just been received from Dr. and Mrs. Jon Rouch from Ippy, French Equatorial Africa, that he has already performed four operations in the hospital and clinic there. A native Christian evangelist was the first patient with a strangulated hernia. After a local anesthetic the patient submitted to the operation and when it was over, thanked God that he was the subject of the first operation in that area. Many natives stood around and some looked in the windows to watch the operation. Since the first patients have all recovered so well, the people now have confidence in the doctor and they have more patients now than they can handle. One boy led in four blind men for treatment. Each one holding the man ahead and the boy leading the procession.

Sunday morning the pastor will speak on "Sterile Saints" and in the evening at eight o'clock on "The Revealed Redeemer." You are invited to these services starting with the Bible School at 9:30.

# CAR THIEF VISITS MENTONE

A series of auto thefts was noticed first at Mentone last Friday night. The Francis Kehoe auto was stolen from North Broadway, near the Church of Christ, and some time later David Bowser stepped out of the American Legion Home just in time to see someone drive away with his car. He and another individual took off in another auto but were unable to stop the fleeing Chevrolet. At the intersection of highways 6 and 15, north of Milford, they gave up the chase. Dave's car was found in Syracuse, but another auto was missing there. They found this one at Nappanee but there was still another auto missing there and someone had robbed a filling station. Later, in Mentone, a Michigan car was seen parked on a street and investigation disclosed the fact that it had been stolen at Kalamazoo, Michigan.

Police officials have announced that the thief was undoubtedly 17-year-old Charles Paddock of Kalamazoo, as all descriptions given them tallied with that of the young man, who was on parole.

To our knowledge, the lad and the car stolen in Nappanee have not been located.

# MRS. WILMA HELZER

Mrs. William L. (Wilma) Helzer, aged 45, of near Elkhart, died at 1:35 a. m. Monday at the Elkhart hospital, due to a stroke sustained Sunday afternoon. She had suffered a stroke three weeks ago but seemed to be improving. Her health had not been good for the past six years.

She was born near Mentone December 9, 1906, the daughter of Bert and Amy (Bradway) Blodgett.

Her marriage to Mr. Helzer took place June 18, 1917. They lived at Mishawaka before moving near Elkhart about a year ago.

Surviving relatives include her husband; a daughter, Mrs. James (June) Johnson, of Elkhart; a son, Vassa Tom, Jr., of Fort Wayne; one grandchild; her father, Bert Blodgett, of Winona Lake; two brothers, Henry and Nicholas Blodgett, of Goshen; and two sisters, Mrs. Bruce (Isabel) Hyde, of Warsaw, and Mrs. George (Thelma) Ellinger, of Fulton.

Funeral services were held at 10 a. m. Wednesday at the Walley funeral home, in Elkhart. Rev. Kenneth Smith, pastor of the Simpson Methodist church, in Elkhart, was in charge. Burial was in the Pleasant View cemetery near Warsaw.

# HAVE YOU VOTED?

Joseph A. Baker, of the Baker Jewelry Store, announces that the voting is almost complete in the senior popularity contest in the Mentone school. All juniors and seniors are urged to vote for the most popular boy and girl in the senior class. Each of the winners will be given Calvert wrist watches by Mr. Baker.

# JOHN L. KING

John Lawrence King, aged 92, of Tippecanoe, died at 9:15 p. m. Monday at the Alfran nursing home near Pierceton. He had been ill two months due to complications.

Mr. King had lived most of his life in the vicinity of Talma and Tippecanoe, in Fulton county. He was born in Ohio, August 27, 1859, the son of Mr. and Mrs. Henry King.

His wife, Nora Hatfield King, died about two months ago.

He was a member of the Talma Christian church.

Surviving relatives include two sons, William King, of Tippecanoe, and Raymond King, Elkhart; a daughter, Mrs. William (Edna) Walters, of Mentone; four grandchildren, three great-grandchildren; two brothers, Perry King, of Tippecanoe, and Michael King, of Bremen, and a sister, Mrs. Carrie Barrett, of Tippecanoe.

Funeral services will be held at 2 p. m. (DST) Thursday at the Tippecanoe Congregational Christian church, with Rev. Bernard Ward officiating. Burial will be in the Tippecanoe cemetery. Friends may call at the Reed funeral home, in Mentone, until 10 a. m. Wednesday and at his late residence in Tippecanoe after that time.

# MRS. MARTHA SANER

Mrs. Martha Saner, 80, died at 4:30 a. m. last Friday at her home three miles east of Akron, in the Beaver Dam community. She had been ill four weeks due to complications.

Mrs. Saner was born August 27, 1870 in the Beaver Dam community, where she had lived all her life with the exception of two years spent in Wisconsin and three years in Oklahoma. Her parents were Henry and Elizabeth Swick. She was married in 1902 to Lloyd F. Saner, who died in 1921.

She was a member of the Beaver Dam Methodist church.

Surviving relatives include one son, Homer Saner, and three brothers, Herman, Jesse and Ray Swick, all of Akron; five grandchildren and one great-grandchild.

A brother preceded her in death. Funeral services were held at 1:30 p. m. Sunday at the Akron Church of God with Rev. D. L. Slaybaugh in charge. Burial was in the Palestine cemetery.

# DOG OWNERS CAN BE CITED WITHOUT CATCHING DOG

A stray dog—any dog off the owner's property without being on a leash (except while legally hunting)—is subject to state law and the owner is subject to a fine. If the owner of the dog is known, anyone can file an affidavit against the owner.

If any citizen of Mentone knows the owner of a dog that is running at large, he can secure the affidavit forms of C. O. Eller, local Justice of the Peace.

Mrs. Lyde Williamson has been confined to her bed for the past week with an attack of arthritis.

# LIONS NOMINATE OFFICERS FOR THE COMING YEAR

At the regular meeting of the Mentone Lions club on Wednesday evening of last week, the following members were nominated as candidates for the election to be held next week:

R. O. Jones, president.  
Leroy Norris, 1st vice president.  
James Rodibaugh, 2nd vice president.  
LeRoy Cox, 3rd vice president.  
Kenneth Romine, secretary.  
Everett Long, treasurer.  
Milo Fawley, Lion Tamer.  
Manley Walsh, Tail Twister.  
Joseph Baker and Dwight Reichert, directors.

Additional nominations can be made prior to balloting.

Nine members were awarded perfect attendance buttons.

# FIGURES IN THREE CAR ACCIDENT

Norbert Darr suffered shock and minor injuries in a three car accident which happened Tuesday evening on road 25, about one-fourth mile east of Mentone.

Norbert was coming toward Mentone and failed to notice that the two cars in front of him were stopped on the highway. He slid about 50 feet in trying to stop, but hit the rear car, owned by Hardy Songer. He then went across the highway into the ditch. He was knocked unconscious by the impact. His nose and left eye were badly bruised.

The first car, the driver of which we have been unable to definitely identify by name, had run out of gas. Mr. Songer had stopped to offer assistance to the stalled car, when hit by the Darr car. The Songer car, was pushed into the front car, and suffered damage to both ends. Mrs. Songer was badly shaken up but suffered no serious injury.

Norbert had not yet learned the extent of damage to his car late Wednesday afternoon.

# START SALES ON NEW TURBO-JET EGG WASHER

Dwight Bechtol, of Burket, is the inventor of a new egg washer that is just now going onto the market in quantity. The machine, utilizing numerous jets of warm water circulated by a powerful pump, washes eggs by the basketful and require no individual handling.

The machines are being built by the Davis Manufacturing Co., at Burket, and will be distributed nationally by N. C. Yarger of the Turbo-Jet Sales, of Warsaw.

Many of the washers, we are told, are now being used on poultry farms in this area.

Mr. and Mrs. Rea Ward spent Sunday with Mr. and Mrs. Raymond M. Dodson and family, of Evanston, Ill., and became acquainted with their new granddaughter, Debra Lee, who arrived April 29.

# TELEPHONE HEARING VENUED TO KOSCIUSKO COURT

A suit asking that the public service commission of Indiana be enjoined from placing in force an increase in telephone rates at Akron, Silver Lake, and Mentone exchanges Monday was venued to the Kosciusko circuit court and the next action in the case will be before Judge Walter Brubaker of Warsaw.

The complaint was originally filed in the Fulton circuit court at Rochester by Howard M. Utter, Howard Swihart and Clarence O. Eller on behalf of themselves and other subscribers of the three exchanges, owned and operated by the General Telephone Corp., formerly the Indiana Associated Telephone Corporation.

At a hearing Monday in the Fulton circuit court, attended by about 40 patrons of the three exchanges, Judge Reed overruled the defendant's plea in abatement, to which the Public Service commission took exception. Thereafter the defense filed a motion asking a change of venue which resulted in the case being sent to the Kosciusko circuit court.

# MEMORIAL SERVICES

## AT STONY POINT MAY 25

Memorial Day services will be held at Stony Point on Sunday, May 25th, starting at 2:30 p. m. The musical part of the program will start at two o'clock.

The public is invited to attend.

# SOFTBALL SEASON TO OPEN FRIDAY EVENING

The Mentone Merchants' softball team, a member of the Northern Indiana Traveling League, opens the current season on May 16 at Warsaw. The first home game is on Friday, May 23, against Buchanan and will be a doubleheader. All softball fans are urged to attend the home opener as Ike Bierwagen, the ace hurler for the visitors, and one of the great softball pitchers, will undoubtedly work in one or both of the games.

The schedule this year includes fourteen games at home and fourteen away. There will be eight doubleheaders. For home games, the starting time for the single games will be 8:30 and the two-game nights play will start at 8:00. All home games will be played at Veterans' Park in Mentone. There is no charge for home games but a free will offering will be taken to help pay the cost of operating the ball park.

Fritz Vandermark and Junior Fore will be the starting pitchers for the Merchants again this year. Others on the squad at present are Hershel Linn, Leo Hyndman, Gene Birch, Hangy Stouder, Junior Emmons, Ike Shirey, Jack Fawley, Dale McGowen, Gerald Romine, Gene Weirick, Gerald Leffert, Howard Fawley and Joe Boggs. Managerial duties will be performed by veterans Hershel Linn and Ike Shirey.

Last year the team placed sixth in the league which is composed of eight teams.

## MERRY MOLLYS MEET

The Merry Mollys Home Demonstration Club met Monday evening, May 12, at the home of Mrs. Marion Smith with Mrs. Ed Smelser acting as co-hostess. There were eighteen members and one guest, Mrs. Gilbert Griffis, present.

Mrs. Everett Welborn read "Oh, Mother Mine," written by Mrs. Noble Oyler, for meditation. In response to roll call each one named their favorite electrical appliance.

Mrs. Herschel McGowen was in charge of the lesson on Program Planning. Mrs. Kenneth Simcoe gave a health report on convulsions.

President Mrs. Marvin Romine presided over the business session.

The Club Collect was repeated and the meeting turned over to the entertainment committee. Mrs. Heston Crevison and Mrs. Everett Welborn comprised the committee. Mrs. Herschel McGowen won a prize in a contest. Mrs. Lemar Leffert received the door prize.

Mrs. Kenneth Simcoe and Mrs. Elwin Teel were high blidders in auction. Mesdames Don Kinkead, Ed Smelser, Robert Hirschman, Carl Whetstone and Clayton Holloway received birthday gifts from their cheerio pals.

Delicious refreshments were served by the hostess. Each one present received a favor made by Mrs. Ed Smelser.

GUESTS ENTERTAINED  
BY MENTONE CLUB

Guests were entertained at the meeting of the Mentone Home Demonstration club, held Thursday afternoon, May 8, at the home of Mrs. Noble Oyler, of Mentone. Mrs. Oyler was assisted by Mrs. Howard Horn and Mrs. William Vernet in entertaining the 26 members present and their 14 guests who included Mrs. Donald Rogers, of California, Mrs. Myrtle Davis, Mrs. Monroe Romine, Mrs. Orville McFadden, Mrs. Milton Dowden, Mrs. Mahlon Mentzer, Mrs. Ernest Studebaker, Mrs. George Mollenhour and Mrs. Isaac Horn.

Mrs. Howard Horn, vice president, introduced the program.

"The Person and Self Defense" (as applied to atomic attack) was the project lesson for the meeting. Mrs. Emra Anderson, who gave the lesson, summarized her remarks as follows: 1, try to get shielded; 2, drop flat on the ground or floor; 3, bury your face in your arms; 4, don't rush outside right after bombing; 5, don't take chances with food or water in open containers; 6, don't start rumors; 7, put first things first and don't lose your head.

Mrs. Royse Tucker gave the health report which concerned "Convulsions". She stated that there are two kinds. First, those caused by a fever or lack of vitamin C. These should be regarded as serious but death rarely results from them alone. The second kind are

epileptic and the cause is not known. They come on the patient unannounced.

For the meditation period, Mrs. Horn gave two poems, "Memories of Mother" and "Brokenness."

Mrs. Harry Vernet presided.

Mrs. John Laird was awarded the door prize. Auction articles were purchased by Mrs. Everett Long and Mrs. Raymond Welrick and gifts were presented to Mrs. Laird, Mrs. Elmer Sarber, Mrs. Gertrude Hill, Mrs. Claude Gates, Mrs. William Vernet and Mrs. Elmer Rathfon.

MEMORIAL POPPY HONORS  
DEAD OF THREE WARS

"When you put on a memorial poppy on Poppy Day you will be paying individual tribute to those who have died for America in the three wars of the twentieth century," said Mrs. Ward Williamson, president of the Mentone unit of the American Legion Auxiliary, as the Auxiliary continued its preparations for the annual observance of Poppy Day here May 24.

"Although the custom of wearing poppies in honor of the war dead sprang from World War I when the little red flowers grew in such profusion 'between the crosses, row on row' in the war cemeteries in Europe," explained Mrs. Williamson, "the flowers have come to symbolize sacrifice of life for America wherever it occurred. We wear the flowers for those who died in the Far Pacific in World War II, as well as those who gave their lives in the European theater where the poppy is a native wild flower. And now we wear them, too, for the dead of the Korean conflict.

"When we think of the war dead, we naturally think of those who did not die but suffered disabling wounds or illnesses in defense of the country. Wearing poppies enables us to help these disabled veterans, and the children of veterans who also face privation and hardship because their fathers served. The contributions made on Poppy Day not only pay the disabled veterans who shape the little crepe paper flowers, but form the chief source of support for the vast rehabilitation and child welfare programs carried out continuously by the American Legion Auxiliary.

"Poppies were first worn to honor the nation's war dead in 1918, and the custom of contributing to the welfare of war's living victims in exchange for the flowers was begun the following year. This year we hope to see poppies over every heart as we honor the dead and aid the disabled on Poppy Day."

Mrs. Effie Personette is spending several days at the home of her grandson, Mr. and Mrs. Myron Blue, of Bourbon.

Mr. and Mrs. William Schooley were Sunday dinner guests at the home of their daughter, Mr. and Mrs. George Grubbs and family of Warsaw.

MARION HOSPITAL DAY  
WILL BE SUNDAY, MAY 18

The Mentone Post No. 425, the American Legion announces that the 20th annual Marion Veterans' Hospital Day Observance will be held in Marion on Sunday, May 18 at the Veterans' hospital grounds.

Department Commander, Gilbert Bates, of Warsaw, will be present to make the principle address of the day. Many other Legion dignitaries have been invited to attend.

This is a great event for our comrades in that hospital. The largest attendance of the annual observance is expected this year and the gigantic parade will start promptly at 1:30 p. m., DST. Guided tours through the hospital and grounds will be provided from 9:30 a. m. to 11:00 a. m. DST.

An invitation is extended to every American Legion member, his family and friends and the general public to be present and make this the most outstanding of all Hospital Days because this is again an opportunity to pay tribute to the veterans of World Wars I and II and the Korean War, who are now patients and are receiving treatment at the Marion Veterans' Hospital.

Mrs. Edith Arter spent Saturday evening at the home of her granddaughter, Mr. and Mrs. Rollie Surguy, of near Palestine, then on Mother's Day she was a guest in the home of Mr. and Mrs. Roy Hubbard near Tiosa.

Mr. and Mrs. David Cooper are home for a 10 day furlough. Dave will then report for duty at Port Austin, Mich.

Mr. and Mrs. Ralph Mollenhour, son, Roger, and Mrs. Clark Mollenhour were Sunday guests of Mr. and Mrs. Sam Perkins, of Rensselaer.

Mr. and Mrs. Raymond Cooper were included in the group that surprised Mrs. Cooper's mother, Mrs. Emmett Foltz, on Sunday at her home near Swayzee, Indiana.

Sunday dinner guests at the home of Mr. and Mrs. Howard Horn were Mr. and Mrs. Joseph Jones, Mr. Ben Taylor, of Muncie and Mrs. Artie Miller.

Mr. and Mrs. Robert Parker and family were Sunday dinner guests at the home of Mr. and Mrs. Ray Deaenbaugh at Warsaw.

Mrs. Richard Manwaring and Mrs. Jack Pritchard were chosen as official delegates of the Mentone Beta Epsilon chapter of Psi Iota Xi sorority for the forty-ninth annual convention which will be held June 13 and 14 at the Elkhart Hotel with Beta Rho chapter of Goshen as the hostess chapter.

They were elected at the regular business meeting of the chapter Tuesday evening, May 13, at the Manwaring home with the president, Mrs. Ralph Ward, presiding.

Five dollars was given to the Cancer Fund.

Grand Council has asked that the Mentone chapter aid in the Mental Health program for Kosciusko County.

Officers were elected for the coming year. They were: Mrs. Ward, president; Mrs. C. J. Riner, vice president; Mrs. Pritchard, corresponding secretary; Mrs. Mervin Jones, secretary; Mrs. Howard Shoemaker, treasurer and Mrs. Elery Nellans, conductress.

The door prize was awarded to Mrs. Jones. Mrs. Kenneth Simcoe will be hostess to a social meeting on May 20, with Mrs. Cecil Long and Mrs. Earl Anderson assisting her.

Others present at the business session were Mrs. Harold Utter, Mrs. M. O. Bryan, Mrs. Joe Boggs, Mrs. Lyman Mollenhour, Mrs. Devon Hirschman, Mrs. Tom Wowk, Mrs. Maude Snyder, Mrs. Ralph Mollenhour, Mrs. James Rodibaugh and Mrs. John Boggs.

Mrs. Manwaring served refreshments to the 20 members present.

## LILLIAN MILLBERN

Mrs. Lillian Millbern, aged 76, of Bourbon, widow of Melvin Millbern, founder of the Millbern Hardware company at Bourbon, died at 3 p. m. Sunday at the home of a granddaughter, Mrs. Jane Eller, at Port Wayne. She had been seriously ill for two months.

Mrs. Millbern, a native of Kosciusko county, lived most of her life in the Mentone and Bourbon communities. She was a member of the Bourbon Methodist church and the Order of the Eastern Star.

Surviving also are two sons, Vern O. and Merl Millbern, both of Bourbon; a daughter, Mrs. Marie Batz, of Port Wayne; a grandson, another granddaughter and five great-grandchildren.

Funeral services were held at 2 p. m. last Wednesday at the Robbins funeral home, with Rev. Garfield Steedman, officiating. Burial was in the Park cemetery at Bourbon.

## SCHOOL NEWS

### A Fine Play

The Junior Class Play, "Anything for a Laugh," was given to an appreciative audience on Friday evening. The class presented gifts to Mr. Burt, sponsor and play director, Mrs. Burt and Miss McFarren, who made up the cast. It is thought the class cleared about one hundred dollars on the play.

### Achievement Tests Given.

Parents may see the results of the Metropolitan Achievement tests given recently in grades 1-8. An added feature of the testing this year was the tests in history, geography, science and literature. The results of the various subjects have been converted into grade placement scores. A third grade pupil doing satisfactory work should have a grade placement of 3.8 (eighth month of the third grade). A fifth grade pupil with a grade placement of 4.2 would indicate failure to keep up with the average of the class. Several pupils have done so well that their scores went beyond the scale.

### Senior Class Day Friday.

The Seniors have been practicing for their class day program on Friday. The program will be preceded by a band concert by the school band at 1:30. The class day program will begin at 2:00. Visitors are welcome.

### Add Books to Library

The school has recently received a number of new library books. Additional purchases of books are being made in keeping with a recommendation of the State School Inspector. The inspection report further recommended the addition of chemistry to the high school curriculum, improvement of gymnasium and shop facilities, and additional purchases of science equipment when possible. The school was given a continuous commission.

### Roller Skating Party.

The seventh grade held a roller skating party at Rock Lake on Tuesday. Ralph Hoffman is seventh grade sponsor.

### Dress Revue Well Attended.

The dress revue presented by the girls of the home economics department was well attended.

Plans for closing the school year were discussed at the teachers' meeting held on Monday evening.

The radio program this Saturday will feature the second grade. This is the fourteenth broadcast of the school year.

Semester exams will be given next Monday and Tuesday. Pupils will be dismissed at the regular time on Tuesday. Report cards will be mailed as in the past. The final day for the teachers will be Thursday, May 22.

An Elgin or a Calvert watch makes a very welcome graduation gift. See them at Baker's.

Mr. and Mrs. Cliff Martin, of Sidney, Montana, are visiting at the Fred Lemler home.

## THE PORCUPINE

Some people have the idea that a Porcupine can shoot its quills, but that isn't true. While the animal uses its bristles to drive away enemies, it doesn't send the weapons winging through the air.

Instead a Porcupine under attack arches its back, raises its quills, and awaits the foe. At the moment its body is touched, the Porcupine swings its broad tail and swats its opponent. The stinging blow leaves a patch of quills stuck in the enemy's flesh.

The stiff, slender spines are hard to remove, too. Covered with sharp barbs, like the ends of fishhooks, they sink in and cling to the flesh which they stab. An animal wounded in a fight with a Porcupine may try for

© 1951 National Wildlife Federation  
Porcupine

days, without success, to get rid of the quills.

The Porcupine is lucky to have this unusual way of defending itself, says the National Wildlife Federation, for it is a slow, stupid animal. It cannot move rapidly, either on the ground or in trees. If it did not have barbed quills, it would be an easy victim of mountain lions, bobcats, and other preying animals.

While it does not run from a fight, the Porcupine tries to keep to itself. It

likes the life of a hermit and does not even seek the company of other Porcupines.

It may prowl by day or by night, but usually it spends most of the daylight hours in its shelter. Its den may be in a cave, beneath a large rock or a pile of brush, or in a hollow log.

When it comes out of its hiding place, the Porcupine roams the woodlands in search of food. It eats some fruit and vegetables, but it is most fond of bark, twigs, buds and leaves. The worst thing it does is to feast too long in one place. Many a tree has died because a Porcupine has chewed away the bark in a circle around the trunk.

When cold weather comes, Porcupines make preparations to raise their families. In each den, one baby Porcupine is born in the late winter. It is about eleven inches long and weighs slightly more than a pound, but it is strong enough to waddle in six hours and to climb when it is two days old. Right from the start it has a set of sharp quills.

Though they are soon taking care of themselves, the young do not reach full size until they are about three years old. By that age they are three feet long, with six-inch tails, and they weigh between fifteen and twenty pounds. Their quills are yellowish white, mixed with black hairs, and their front teeth are bright orange.

Most North American Porcupines live in the deep forests of Canada and the northeastern United States. They are also found in scattered parts of the north and far west.

Mr. and Mrs. Joseph Jones, Mr. and Mrs. John Laird, Mrs. Ada Meredith, Vance Johns and Mr. Ben Taylor, of Muncie, Indiana, were dinner guests of Mrs. Earl Meredith.

Mr. and Mrs. Dewey Bloom of Ft. Wayne, Mr. and Mrs. Charles Hand and Mr. Richard Deafenbaugh spent Sunday at the home of Mr. and Mrs. Howard Kohn.

**FILES PETITION FOR INCREASE  
OF LOCAL RATES**

General Telephone Company of Indiana, Inc. on May 7, 1952 filed a petition with the Public Service Commission of Indiana seeking authority to increase its rates for local telephone service. Announcement of the filing was made by Mr. H. E. Hussey, President, who stated that constantly increasing costs of operation, maintenance and new construction compelled the Company to seek immediate additional rate increases. It was pointed out by Mr. Hussey that the Company

average investment per telephone had increased from \$139.00 in 1942 to more than \$200.00 in 1952. 4000 additional homes and offices were provided with telephone service by the Company since January 1, 1951, and 7000 applicants are still awaiting service. To meet this demand which began during World War II and has continued unabated, the Company has more than doubled its investment in telephone plant and facilities. Mr. Hussey stated that the Company had expended in excess of \$3,000,000 on new construction in 1951 alone, and plans to spend even more for that purpose this year.

Mr. Hessey stated that the Company was granted an increase in rates on December 24, 1951, but that the gross increase of approximately \$540,000, after the deduction of Federal income taxes of 52 per cent was inadequate to produce a fair return upon

the Company's property. In its Order of December 24, 1951, the Commission fixed the value of the Company's property used and useful in providing telephone service, at \$17,000,000 and determined that a rate of return of 6 per cent on this amount would enable the Company to attract additional funds necessary for expansion. The rate of return for the year 1952, taking into consideration new construction within the last year and proposed expenditures for plant expansion and improvements to be made in 1952, will be only 4.43 per cent. This rate of return, Mr. Hussey stated was inadequate to enable it to attract the additional capital necessary for expansion and modernization of its facilities and to permit it to discharge its obligations as a public utility.

In addition to the new construction, the Company has been engaged in rehabilitating its properties in certain exchanges in which the Public Service Commission did not permit the new rates to become effective until service was improved. The Company has spent more than \$90,000 on this improvement program and has proceeded with dispatch to improve service in all of those exchanges. It is anticipated that the rehabilitation work will be completed in the summer of this.

The Company has approximately 114,000 telephones in service through 69 offices in central and northern Indiana. Of the total telephones served,

58 per cent are dial operated, 32 per cent common battery manual service, and 10 per cent are magneto service. Mr. Hussey stated that the Company program of changing from magneto to dial or common battery manual service was continuing and that approximately 2700 telephones would be converted to such service in 1952.

## MENTONE HIGH SCHOOL GRADUATES TWENTY-SIX

At the annual Commencement exercises held in the First Baptist Church on Tuesday evening, twenty-six diplomas were presented by Walter Kent, School Principal. Dale Kelley, Class Sponsor, presented awards to the following students: Attendance prize, a white Bible, through the courtesy of the War Mothers, to Wilma Kindig. Wilma had missed only four and one-half days in the four years of high school.

Readers' Digest award to Jackie Blue, valedictorian.

The Danforth Foundation awards for scholarship and leadership to Martha Creighton and Jackie Blue.

Mrs. Frank Smith presented the D. A. R. award to Dick Tombaugh, selected as the outstanding history student in the junior high.

Mrs. Earl Anderson presented the Psi Iota Psi awards to the valedictorian, Jackie Blue, and the salutatorian, Donnagene Dillman.

The Merit Award for scholarship, leadership and citizenship selected by a vote of the members of the junior and senior classes was awarded to Martha Creighton. This award is given annually by Mr. and Mrs. Arthur Brown, of Mentone.

The Lady and Lord Calvert wrist watches given to the most popular senior girl and boy were awarded to Donnagene Dillman and Richard Kindig. These awards are given annually by the Baker Jewelry and Appliance Store.

The speaker, Joseph C. Wagner, treasurer and business manager of Ball State Teachers College, spoke on the subject "Making a Fine Art of Living." His address was well received. The auditorium was filled to capacity. The school wishes to apologize to those with reserved seats who were unable to secure seats in the reserved section.

The candle light processional and recessional was planned and conducted by members of the junior class. The junior class had decorated the church and also served as ushers.

### NORRIS

Mr. and Mrs. Robert Norris, Route 1, Mentone, are the parents of a son, Dennis Ray, born by caesarian section at 9:32 a. m. Wednesday, May 14, at the Murphy Medical Center. The baby's mother is the former Wilma Overholt, of Warsaw. Mr. and Mrs. Sam Norris, of Mentone, are the paternal grandparents.

The baby weighed 2 lbs. and a few ounces at birth and was placed in an air-lock until Tuesday when he was transferred to the incubator.

He is fed with a medicine dropper and seems to eat well.

### HAPNER

Mr. and Mrs. Charles Hapner, of North Manchester, are the parents of an 8 lb. daughter born on Tuesday at the Wabash hospital. The new daughter has been named Deborah Jo.

Mr. and Mrs. Herschel Fenstermaker, of Akron, are the maternal grandparents. Mrs. Clara Riggs is the great-grandmother. John Fenstermaker is the great-grandfather.

Paternal grandparents are Mr. and Mrs. Harry Hapner, of Laketon.

### SPEAKS AT INDIANAPOLIS

Dr. Dan Urschel was a visitor in Indianapolis twice during the past few days. On Sunday, he attended a meeting of the Board of Trustees of the Indiana Heart Foundation, and on Tuesday evening, he talked on Vector Cardiology at St. Vincents hospital.

At St. Vincents, he was a guest of Dr. J. Hall Doran, of Indianapolis, son of Mr. and Mrs. Virgil Doran, of Burket. Dr. Doran, formerly head Medical Resident at St. Vincents, is a specialist in diseases of the heart, and is associated in practice in Indianapolis with Dr. Arthur B. Richter.

### CLUB CALENDAR

The 4 Leaf Clovers 4-H Club and the Janie Jump-ups 4-H Club will have a joint meeting on Tuesday evening, May 27 at 7:00 in the Mentone school.

Members of the Mentone Unit No. 425, American Legion Auxillary, will meet Tuesday, May 27, at 8:00 p. m. at the Legion home. Gold Star members of the unit will be honored.

Howard Horn is now employed at the Valentine Elevators.

### LAURA VAN DORAN DIES

Mrs. Laura Van Doran, aged 86, died at 7 a. m. Tuesday at her home at 651 South Buffalo St., Warsaw. She had been ill for the past seven years and her condition had been critical following a stroke sustained Saturday evening.

Mrs. Van Doran was born near Rochester, May 30, 1865, the daughter of John and Mary Jane (Kessler) Kessler. In 1881 she was married to James Van Doran, who died Feb. 27, 1931.

They came to Warsaw from Rochester in 1916.

She was a member of the First Baptist church of Warsaw.

Surviving relatives include two sons, Logan Van Doran, of Warsaw, and Harold Van Doran, of Akron; two daughters, Mrs. Zulu Rathfon, of Warsaw, and Mrs. Agnes Haimbaugh, of Mentone; a brother, Milton Kessler, of Rochester; three sisters, Mrs. Elmer Rathfon and Mrs. Elnora Severns, of Mentone and Mrs. Robert Emmons, of Warsaw; 15 grandchildren and thirty-three great-grandchildren.

Funeral services will be held at 2 p. m. Thursday at the Mentone Baptist church. Rev. Reginald Shepley, pastor of the Warsaw church, will be in charge.

Burial will be in the Mentone cemetery. Friends will be received at her late residence until noon Thursday and at the church after that hour. The Bilby McHatton funeral home is in charge of the arrangements.

### FINDS 10' MUSHROOM

We believe this mushroom story is going to be difficult to top. Elmer Rathfon found a large sponge type mushroom Wednesday which measures 10 inches. We are told that even Elmer, though quiet by nature, showed signs of pleasure at this find.

Mrs. Arthur Brown brought the specimen in for the Co-Op. staff to see and was on her way to locate Roy Cox who was mushroom champion until today.

Mr. and Mrs. Robert Firkins have returned to their home in Mentone after spending the winter in Florida.

### FRIENDLY NEIGHBORS MEET

The Friendly Neighbors Home Demonstration Association met at the home of Mrs. Chester Coplen on Wednesday evening, May 14. The meeting was opened by the president, Mrs. Everett Rookstool, after which the group sang "America, the Beautiful," the song of the month.

For meditation, Mrs. Herman Olson read three appropriate poems: "A Mother," "Ma's Tools" and "Service." Mrs. Oral Welch read an article on safety and health.

This being guest night, as the roll was called each member introduced her guest, after which the Club Collect was read in unison.

Dona Lu Eaton read a poem, "My Mom."

Miss Iva Lozier, of Warsaw, who was accompanied here by Mrs. Jess Hay, gave a very interesting talk and demonstration on "Floral Arrangements." This was very much enjoyed by all.

In honor of Mother's Day, potted plants were given to: oldest mother, Mrs. Vernon Jones; youngest mother, Mrs. Richard Manwaring; mother of most children, Mrs. Cloice Paulus, and mother of youngest child, Mrs. Dorris Harrold.

Auction was won by Mrs. Monroe Romine and Mrs. Orion Deaton.

The hostess, assisted by Mrs. Gerald Ballenger, served delicious refreshments to the twenty-one members and twenty-one guests.

Mr. and Mrs. Dan Smith and daughter Marilyn Louise, Mr. and Mrs. R. L. Roberts and daughter Frances Donna of Warsaw, Mr. and Mrs. Max Deaton, daughter Jaynn Ann and son Johnnie and Nelson Pollock of Claypool, spent Mother's Day with Dr. and Mrs. R. L. Fultz and son Rusty at Indianapolis. Others present were Mr. and Mrs. Farrell Pollock, Mrs. John E. Taylor, Paul R. Williams, Everett E. Peden and Miss Anna I. Pollock of Indianapolis and Salem.

### SUMMER RECREATION PROGRAM

The Summer Recreation program at Mentone will start June 9th with a fine program. There will be music, photography, leathercraft, tennis, archery, croquet, woodcraft and carving, electricity, ceramics, and many others. A complete schedule will be printed next

week as lack of space prevents us giving the complete schedule in this issue.

Mr. and Mrs. Ralph Jefferies of Tippecanoe, Mr. and Mrs. Ivan Kern and Orville of South Bend, and Blanche and Glenn Smith visited last Sunday at the Dan Smith home.

TIMELY TOPICS

By Mrs. Ruth R. Snellenberger  
Home Demonstration Agent

Are you interested in information about slip covers? If so, I'd like to take this opportunity to pass on to you some of the things I learned at a recent home agent's training workshop.

The method of construction that I learned that day was much easier than what I had been taught a number of years ago and which I had been using in local workshop groups. By this new method the entire slip cover was basted together before it was removed from the chair for stitching. Have any of you used this method?

In thinking about material highly recommended for durability and being reasonable in cost, denims, cotton gabardines and sail cloth were listed. For bedroom chairs chintz is good fabric.

Materials not recommended were moss crepes and pebble crepes because they stretch easily and ravel easily; and rayon faille because it is not washable and the heavy crosswise threads cut the finer threads making the material split.

Readymade cording is less expensive than buying extra fabric and cord to insert.

Homemakers who plan to make slip covers might like to collect pictures from magazines and newspapers which show many styles and trims. Having these will help you visualize which would look well on your chair. It is really necessary to know what style you plan in order to be able to measure your chair properly.

In measuring your chair, or sofa, add one inch for all seams and three inches for tuck-in at seat back and sides. (Sometimes four inches is necessary for inside arm tuck-in at seat side.) For recording these measurements, make three columns: length, width, name of piece.

Using these measurements, plot them as squares and rectangles on paper representing material the width you expect to purchase. By this method you can calculate how much material you need. Or if you have your material you can plan the matching of the design by plotting the pieces in this manner.

Cutting and fitting a pattern on a chair helps the inexperienced worker think through the construction process. Then, too, the method is being learned.

If an error is made, it is not as serious as if it were on the slip cover material. Making a pattern takes a little longer but certainly the homemaker would feel a little more confident when she works on the slip cover proper.

Actually the next step would be work on the slip cover proper, but that's difficult to describe. One part of the construction which I learned to do easier and more sturdily was the fitting and joining of the back and the inner arm. I have one other slip cover workshop planned for some time in the future and I will use the procedure learned recently.

In working on my chair cover at the conference I was reminded of a bit of advice my father gave a number of years ago when he said "While building a new fence build it straight." I felt the same could apply in making a slip cover: While making a slip cover do it straight and right as possible.

Ridding local highways of rubbish has been mentioned by two home demonstration clubs as a needed project. While traveling on a Maryland state highway recently the absence of advertising billboards was noted. A resident of one of the communities through which this highway passed, stated that it was through the collective efforts of Garden Clubs that the scenery was preserved and not cluttered with advertisements.

Have you ever wished for a charcoal burner for outdoor cookery? Why not make one?

Cut the end out of a No. 10 can, or a five-quart oil can, or similar container. You've probably already done this to get the contents out. Then cut four or five openings near the bottom. These are to provide a draft so the fire will burn. If the openings are to be triangular in shape allow the base of the triangle to be along the bottom of the can but do not cut it. Cut the two sides that form the point opposite the base, and then push it in toward

the center about halfway in. Follow this same principle if square openings are used. In either case the widest part of the opening should be about one inch, small enough that charcoal will not come out.

Once the can is prepared, twisted newspapers can be placed in the bottom, lighted, and then the charcoal put in. A wire rack or perforated metal sheet can be used across the top to support cooking utensils if needed.

Food costs can be kept to a minimum when taking trips if families enjoy outdoor cooking, if planning has been done ahead of time so that every member helps, and if precautions are taken to provide cold storage for foods that require it.

Speaking of planning so that every member helps, I am reminded that a homemaker with three children once described how each had tasks to do each day which the family as a group had planned. With one child yet of pre-school age, her homemaking activities were lightened because she had help. At the same time opportunity was being given the children to carry out responsibilities, to make decisions and to abide by consequences?

On the other hand I have heard homemakers say that because they had to work hard during their childhood days that they do not want their own children to have to do anything.

Of these two types of families which

is helping children learn democracy? Which is contributing toward peace? Is peace the continuation and growth of democracy?

# HOME FROM NATIONAL CONVENTION

Mrs. H. V. Johns, a delegate from the Mentone Reading Club, and Mrs. Ford Hardman, County president of the Kosciusko County Federation, have returned from Minneapolis where they attended the Convention of the General Federation of Women's Clubs held there last week. There are eleven million members of this organization in the United States and forty-two foreign countries. Three thousand of these were in attendance at the convention, of which nearly 300 were from Indiana. Every state and many foreign countries were represented.

Th meetings, presided over by the president, Mrs. Hiram Cole Houghton, Red Oaks, Iowa, consisted of addresses by various club officers and reports of work done in the different departments. Also appearing on the program were such notables as: Norman Vincent Peal, Robert Montgomery, Dr. Lloyd Shaw, Betty Crocker, John J. Sparkman, Senator from Alabama, Dr. William Alexander, chaplain of the Republican National Committee; Miss Margaret Hickley, Public Affairs editor of Ladies Home Journal, and others. Entertainment throughout the convention was furnished by the St. Olaf's Choir, the

University of Minnesota band and the chorus, the Minneapolis H. S. band and chorus, and Mildred Miller, Mezzo Soprano of the Metropolitan Opera Company.

The keynote of the convention might be summed up on the acceptance speech of the new president, Mrs. Oscar Ahlgren of Whiting, Indiana, who made a plea for all club women to join in a campaign "to clean out communism, socialism, government waste, corruption and lethargy" and substitute a "rousing campaign of Americanism." She said, "We will never have a good government unless we actively participate in its affairs." She insists that every club woman not only go to the polls to vote herself, but to take ten others with her.

An interesting event of the convention was the presentation of an Indian Pageant at which time Mrs. Henry Roe Cloud, a member of the Ojibway Indian tribe, presented Mrs. Houghton with a certificate of adoption as a member of her tribe. Mrs. Roe Cloud stated that the ceremony was for fun and yet it had a note of seriousness, as no one was ever adopted who did not hold the highest esteem of the tribe.

One of the highlights of the con-

vention was a reception given by the Indiana delegation in honor of Mrs. Ahlgren, the new president, in the beautiful ballroom of the Curtis Hotel. Mrs. Johns was one of the hostesses and had the honor of escorting the delegate from Havana, Cuba.

Ivan Warren, of Claypool, is now home after being a patient at the McDonald hospital for nearly four weeks, following major surgery.

**FREE COOKING SCHOOL  
IN MENTONE MAY 23RD**

Coopers' Store, in Mentone, announces that Ruth Littlejohn, noted home economist of the famed Linda Marshall staff, will demonstrate the ease of cooking with the Maytag Dutch Oven ranges on May 23rd. See their advertisement on the back page of this issue.

**COOK MEATS WELL**

"Can we get anthrax by eating beef or pork from diseased animals?" There is a fear that the meat at the market may be contaminated because of recent out-breaks of anthrax in cattle and hogs. Mrs. Ruth Snellenberger, home demonstration agent of

Kosciusko county, points out that people are susceptible to this disease, but it is doubtful that the infection could occur from the meat found in the retail markets. If meat is thoroughly cooked, it is safe for eating.

Homemakers can take precautions in the cooking of meats. The anthrax bacteria is destroyed by heat. No official temperature has been given, but a temperature of 212 degrees F for at least one hour or more is recommended for roasts. When smaller cuts of meat, such as pork chops and steaks are fried, they usually are exposed for a shorter period of time at much higher temperature than 212 degrees F. Until the disease has been brought under control, all steaks should be cooked to the well-done stage instead of serving some rare.

Mrs. Snellenberger reminds homemakers that there is no need to become alarmed since there is a small chance that infected meat will reach the retail markets in Indiana because of the rapid action of the disease.

**SPRAY HOME ORCHARDS  
UNTIL MID-JUNE**

All of the home grown fruits have their diseases. These "leeches" of the horticultural world are capable of destroying months of effort and take the fun out of fruit growing.

Dr. E. G. Sharpeville, plant pathologist at Purdue University, suggests that home fruit growing can become an interesting hobby providing the grower has patience, uses good planning and gives trees constant care.

The home fruit grower must recognize that there is a "unionization" of

fruit foes. Diseases of apples are quite different from disease enemies of plums and peaches. Grape diseases do not attack pears or strawberries. Strawberry and raspberry diseases will not harm cherries or other fruits. However several different diseases may attack each kind of fruit at different times during the summer. Therefore, one, two, or even three sprays are rarely sufficient for adequate control of fruit diseases.

Use of chemicals for control of common fruit diseases is effective insurance against these problems. Spraying fruit trees for disease control has been greatly simplified by the introduction of "General Purpose Fruit Spray Formulations." These mixtures contain all the chemicals necessary for the control of the common fruit diseases conveniently mixed in one package. To be effective, these general purpose fruit sprays should be used at the rate of two cupfuls in five gallons of water applied as a fine spray so as to thoroughly cover all foliage and young

fruit. They should be applied at five to seven day intervals starting in early May and continuing until the middle of June.

General purpose fruit sprays will prevent most of the common diseases of apples, pears, plums, peaches, cherries and grapes, but should not be used on raspberries. The most satisfactory remedy for the anthracnose disease of raspberries is three cupfuls of dry lime sulfur in five gallons of water applied when the first leaves are sticking out of the buds not more than one quarter of an inch.

## QUALIFIES FOR LEADERS CLUB

Roland Ferverda has just qualified as a member of the Brotherhood Mutual Life Insurance Company's Leaders Club for 1952, according to an announcement by Lester C. Gerig, Agency Supervisor.

The Club is limited to representatives who meet special production requirements and who maintain a high standard of service to their policyholders.

Mr. Ferverda attended a special meeting in Fort Wayne last Friday (May 16) where he was presented a gold watch for being a member of the App-A-Week Club for two years. Mr. Ferverda was named "Agent of the Year" for 1951 by his Company and recently had two articles published in two national magazines. The Insurance Salesman and the Weekly Underwriter.

## INSTALL DRYING SYSTEM FOR THIS YEAR'S HAY

It's not too late to install a mechanical hay drying system to cure this year's hay crop. Even though the first cutting may be made into grass silage, many farmers find that a drying system also has advantages when making second and third cutting hays. They can gather the hay while "tough" and reduce chance of damage by rain thereby saving the leaves. Those who chop hay find that majority of the dust and fine material can be eliminated by chopping the hay at 40 percent moisture. The drying can be completed in the storage building.

Most of the mechanical hay drying systems in use in Indiana force unheated air through the hay. From 7 to 10 days of fan operation are neces-

sary to remove the excess moisture. The drying time can be reduced by heating the air. If this is done, however, the amount of hay dried at one time should be limited to that which can be dried in two or three days. The amount of hay depends on the quantity of heat and air supplied. An excellent quality hay results when 10 or 15 tons are dried at one time, in less than one day. However this requires temperatures of 150 to 180 degrees F. The system should be located away from farm buildings.

A five h. p. electric motor and a fan that will deliver from 15,000 to 18,000 cubic feet of air per minute (cfm) at about one inch of static pressure is usually required to dry 50 tons of hay over a period of about three weeks. The electrical cost to operate this equipment is usually between 75 cents and \$1.25 per ton of dry hay. Operating costs may be about \$2 per ton when heated air is used to dry the hay rapidly to preserve the maximum quality.

County agricultural agents or Rural Electrification Administration advisors can help farmers plan drying systems to insure good quality hay for next winter.

## Plenty Petroleum

The amount of petroleum pipe used by Army Engineers during World War II would circle the United States three times. The Army Engineers used enough rails to lay four standard gauge tracks from Washington, D. C., to San Francisco. Two freight trains extending from Washington to the Pacific Coast would be required to carry the amount of lumber used by the Army Engineers.

# DEER PRODUCED WITH CORN SILAGE, SUPPLEMENT

Corn silage, when properly fortified with Purdue Cattle Supplement A, will fatten cattle to an acceptable market grade without additional hay or grain.

That's the opinion of Purdue University animal nutritionists based on experiments with 40 Hereford yearling steers last winter. They also found that when fed through beef, an acre of corn silage is worth three times the same crop's value as shelled corn.

With supplemental feeding designed to balance its nutritional deficiencies, corn silage produced 1,400 pounds of beef per acre. During the fattening period, the steers received an average of eight pounds of shelled corn equivalent daily from silage, or a total of 21 bushels of corn in the 146 day they were on feed.

Daily gain was about 2.75 pounds per steer at a cost of about 18 cents a pound. Substitution of linseed oil meal for soybean oil meal as protein in Supplement A caused no significant difference in gain, general appearances, or carcass quality. Supplement A gives each steer a daily feed of 2.25 pounds of soybean oil meal, one pound of molasses, and small amounts of bone-meal, salt and vitamin A and D concentrate.

Corn silage was fed according to appetite with the steers averaging 55-56 pounds daily. They received minerals free choice.

To test the market grade and price, 18 steers were sold in Chicago. They

brought 35.5 cents a pound, and all carcasses graded choice. Deducting costs of the supplement, minerals, ensiling the corn, and shrinkage of the cattle to market, Drs. W. M. Beeson and T. W. Perry found that an acre of corn silage returned \$341.45. At 70 bushels per acre and \$1.65 a bushel, the same crop would be worth only \$115.50 an acre as shelled corn.

## MUST TEST CATTLE

Cattle herds in Kosciusko County are now being tested for tuberculosis. According to ruling of the livestock sanitary board every cow and calf in Kosciusko County with the exception of cattle in feed lots and cattle on feeder permit must be tested this year. This test became necessary because the check test of herds in Indiana have shown that the number of cases of T. B. in cattle is increasing. By finding the infected sources now the disease can

be stopped with much less loss than after it has become widespread.

Doctor Robert Clark is now re-testing cattle herds where infections have been previously found, and in the very near future the accredited veterinarians in the county will be assigned specific townships in which to do the testing. At the present time the veterinarians are anxious to test the cattle which may be moved to outlying pastures for the summer. Farmers who expect to pasture cattle away from home should contact their veterinarians or the county extension office and every effort will be made to conduct the test before the cattle are moved out. Any accredited veterinarian can do the job.

This test is being paid for by a county appropriation of \$18,000 set up by the council last fall. The appropriation was determined on the basis of fifty cents per head for the 36,000 cattle in the county.

A/1c Harry Kinzie, who has been in Alaska with Flight B, 10th Rescue Squadron for two years, is in Mentone visiting relatives and friends. He is being transferred to 3650th AF Indoc. Wing, Sampson AFB, New York.

## GIVEN LINEN SHOWER

On Tuesday evening, Mrs. Don Bennett (Carolyn Johnson), Mrs. Harry Bornman (Elaine Creighton) and Miss Jody Cullum were hostesses at a linen shower honoring Mrs. Tony Hight, the former Virginia Rush, at the Cullum home.

Bouquets of tulips, iris and bridal wreath were used. The gifts were placed on the piano under a cascade of orchid, yellow and white crepe paper.

The evening was spent in games, contests and visiting.

Dainty refreshments of cake, ice cream, coffee, nuts and mints were served.

Guests were: Mrs. Cleo Hight, Mrs. Floyd Stutzman, of Etna Green; Mrs. Chester Miller (Joycelene McIntyre), of Elkhart; Mrs. William Church (Shirley Nettrover), of Warsaw; Mrs. Ray Rush, Mrs. Sonny Green (Jenny Hall) and Monna Lou Dart.

Those unable to be present and sending gifts were: Mary Jane Tucker, Jackie Blue and Eleanor Rush.

# COUNTRY NEIGHBORS MEET

Mrs. Dorothy Herendeen, assisted by Mrs. Virginia Law, entertained the Country Neighbors Home Economics Club recently in the former's home.

The meeting opened with usual club ritual, which was conducted by the president, Uda Maxwell.

Myrtle Pfeiffer read the 84th Psalm for devotions. The Safety Lesson was given by Lisette Notz. Roll call was answered by each member telling something that their mother used to do that was outmoded. Mrs. Gross reported on the meeting she had attended concerning the 4-H fair and the project lessons for next year.

Plans were made for guest day, which is to be in August. A donation of \$2 was given to the Cancer Fund. Mrs. Welty was initiated into the club as a new member.

Auction articles were purchased by Mabel Norris, Dora Norris and Isabelle Peterson. Sunshine gifts were received by Eleanor Chamberlain, Dorothy Herendeen, Kathryn Teel and Emma Zolman.

Following the reading of the Collect the meeting was turned over to the program committee. Contests were enjoyed with prizes going to Eleanor Chamberlain, Isabelle Peterson and Uda Maxwell. Dorothy Herendeen received the door prize.

Delicious refreshments were served to 19 members, one guest and five children.

# P. T. A. COMMITTEES NAMED

The P. T. A. executive and committee meeting was held Monday evening at the school building.

Mrs. Ira Moore presided and called on each chairman to name their committee for the next year. Mrs. Moore also encouraged discussion from all members and suggestions for improving the effectiveness of each committee.

It was the wish of the group that the P. T. A. membership might be enlarged to include a greater number of school patrons. It might be well for each P. T. A. member to contact at least one family during the summer to interest them in our P. T. A.

The committees for the following year are:

Program: Mrs. Delford Nelson, chr. Carroll Eller, Walter Kent, Mrs. Everett Beeson, Mrs. Artley Cullum, Mrs. Miles Manwaring.

Ways & Means: Mrs. Dan Urschel, chr., Mrs. Bernice Rush, Mrs. Doyle and Arthur Witham.

Membership: M. O. Bryan, chr., Mrs. Don Van Gilder, Rev. David Gosser, Mrs. George Mollenhour, Mrs. Robert Reed and Mrs. Leonard Eller.

Budget and Finance: Dale Kelley, chr., Everett Long and Miss Wreatha McFarren.

Publicity: Mrs. Robert Parker, chr., Mrs. Harold Utter, Mrs. LaMar Anderson, Mrs. Wayne Tombaugh and Glen Law.

Character and Spiritual Education: Mrs. Ora McKinley, chr.

Legislative: Ralph Hoffman, chr., Leonard Eller, Dr. Urschel.

Safety: Ora McKinley, chr., Rural Service: Zanna Hammer, chr.

Room Mother: Mrs. Dale Keever, chr.

Hospitality: Mrs. Harold Markley, chr., Mrs. Herman Olson, Mrs. Eldon Horn, Mrs. Earl Bruner, Jr., Ira Moore, Noah Tinkey

Several of these committees have not been fully listed but will be completed soon.

# POPPY DAY DONATIONS BRING FULL VALUE IN HELP TO VETS

Dimes, quarters and dollars dropped into the Poppy Day contribution boxes of the American Legion Auxiliary in exchange for the memorial poppies to be worn next Friday and Saturday in honor of the war dead, will bring their full value of help to disabled veterans and needy children of veterans during the coming year, said Mrs. John Boggs, Rehabilitation Chairman of Mentone Unit of the Auxiliary, today as the Auxiliary continued preparations for the annual Poppy Days observance.

"There are no campaign expenses to be deducted from the Poppy Day contributions," she explained. "All workers are unpaid volunteers, except the disabled veterans who make the poppies. There is no elaborate publicity or advertising campaigns, all newspaper space and radio or television time being donated. The materials for

making the little crepe paper flowers cost only a tiny amount per flower.

"Thus practically every penny of the amount dropped into the contribution boxes Friday and Saturday will go into American Legion Auxiliary rehabilitation and child welfare funds. Most of it will stay right here in Mentone and will be expended locally to aid war veterans and children of veterans during the coming year. As the Auxiliary's rehabilitation and child welfare programs are carried out by volunteer workers, there are no administrative costs to eat into these funds.

"Small percentages of the contributions will go to state and national funds, where, too, volunteer workers make every dollar count its full value in aid to veterans and children. American Legion Auxiliary Volunteer Hospital Workers, especially trained to perform many types of services for sick and disabled veterans, are on duty in practically every veterans hospital, while Volunteer Field Workers look after the welfare of veterans and children in communities throughout the nation. Poppy Day contributions count big for the disabled and needy children."

# Lee Road Hazard Guaranty

... You're bowling along at night. The moon is up, the stars are out, and your headlights throw a steady beam. BUT—a night-cruising builder up ahead has lost a 45-lb. cinder block from his giant load.

Smacko—you hit it! Smacko, that is, in the right front tire.

No driver can prevent a ruined tire if conditions are against him. Chuck holes, broken bottles, jagged rocks and curbs—all menace you, day or night regardless of your skill. Your only defense against loss—your only one—is a Lee Road Hazard Guaranty.

For 15 months your Lee Super DeLuxe passenger tire is guaranteed against road hazard damage of any kind. The Guaranty is unusual, unique. For, in addition to covering defects in materials and workmanship for life, it says in plain type that if you suffer rim cut, bruise, blowout, impact break; if your tire is injured by under-inflation, overload, faulty alignment or faulty brakes—the loss is Lee's, not yours.

Next time you are in the market for a tire, come in and see us. Remember, new tires are much cheaper than hospital bills—and you never know just when one of your old tires is going to blow out.

A typical price is \$18.74 (plus tax) for a 6.70 x 15 Lee Tire.

## WORD FROM JIM MOLLENHOUR

Sanford, Florida  
May 12, 1952

Hi Art,

How are you all up north. Yes, the navy's trying to make a rebel out of me, I guess. They've got me stuck

back down here in Florida and I love it.

The Air Station here has just been reopened and is just an auxiliary air station. It is located approximately 3 1/2 miles from Sanford and about 42 miles from Daytona Beach.

I wasn't due in here until midnight

Sunday so I spent the week end at Daytona Beach and oh, but my back does burn.

I went to church in Daytona Sunday morning and after church was invited to a home for dinner. By this kind act you can see that the liberty here is far better than that of which

I talked while in Norfolk, Virginia.

The chow here hasn't been as good so far but food isn't everything and after all I gained enough weight in Norfolk to last me a while.

I'm in Fighter Squadron 31 and I must say, even though I've only spent one day here, that the Navy I know now is far better than training commands and schools.

Another advantage of this station is that it is small and also we can keep civilian clothes in our lockers with our uniforms and wear them out the gate. That sure helps save on uniforms and especially whites that you have to wash every time you wear them.

I suppose the squadron will be going on board carriers every so often but I imagine that you can always reach me at the following address for the rest of my hitch (I hope).

## SORRY

Through an oversight the following item was omitted from the Mentone Home Demonstration Club report in last week's issue of the Co-Op. News.

Mrs. Carl Smith gave an interesting talk on their trip to Florida for the winter. She mentioned several places of interest visited and special occasions attended and closed by saying they were looking forward to returning to their trailer house this fall. It is located in Tropical Trailer Court just outside the city limits of Ft. Myer.

## FILES DAMAGE COMPLAINT

Charley Shepherd, by his father, Mabry Shepherd, of Palestine, has filed a complaint for damages in circuit court against Wayne Nellans, of Mentone. The complaint alleges that the plaintiff, aged 15, was riding his bicycle on state road 25 in Palestine on Feb. 5, 1952, when the bike was struck by a car driven by the defendant. It is alleged that Nellans was driving in a negligent manner. The plaintiff asks judgment of \$200 for injuries received in the accident.

## PURCHASE PALESTINE STORE

Mr. and Mrs. George Mollenhour have purchased the Palestine store and plan to move there within the next two weeks. They bought the store from Mr. and Mrs. Robert Hoover, who plan to move to the Elmer Sarber farm. Mr. Hoover will continue to work in South Bend.

This spring George sold his interest in the Mollenhour Lumber and Manufacturing Company to Chancy.

The store is a modern, well kept place of business and is located in a fine community.

Friends extend sincere wishes for success in this new venture.

### TEACHERS' VACATION PLANS

We talked to Mr. Kent Wednesday morning and he was kind enough, in addition to writing school news and other last minute details, to tell us about some of the vacation time plans of our teachers.

In the grades Mrs. Van Gilder and Miss McFarren had no definite plans. (Miss McFarren is going east with the seniors.)

Mrs. Keever will be at her home at Winona Lake and may attend one or two Reading Conferences.

Mrs. Tombaugh is attending summer school at Manchester College.

Mr. Witham and Miss Aughinbaugh had no special plans.

Miss Herriman will attend summer school at the University of Wisconsin.

Mr. Pavlick will spend a few days with his parents near Duluth and then take some special work at the University of Illinois.

Mr. Law and Mr. Hoffman will be busy on their farms.

Dale Kelley plans some trips west and into Canada, after returning from his trip east with the seniors.

Mr. Burt plans to work after moving his family to Leesburg where they have purchased a home.

Roger Kelly is full-time recreation director for our summer recreation program here in Mentone.

Mr. Kent will attend summer school at Indiana University.

### SCHOOL NEWS

The Seniors presented an amusing and entirely harmless Class Day program on Friday afternoon in the high school assembly. A number of visitors attended. The program was preceded by a band concert in the gym. At this concert senior band awards were presented to Donnagene Dillman, Martha Creighton, Mary Louise Bare, Geneva Whetstone, Jackie Blue, Berna Dean Sensibaugh. Donnagene Dillman was awarded the director's baton as the outstanding band student of the year.

Several classes had planned picnics and other outings for the closing days of school, but the weather changed these plans. The first grade ate lunch together in the room and then went to Eddie Tridle's home to ride on the pony. (Even the teacher got to ride.) The second grade enjoyed a party on Friday afternoon. The fourth grade took a trip on Tuesday to Fort Wayne. They visited the museum, a dairy, and other points of interest. Mr. and Mrs. Wayne Tombaugh accompanied the pupils. The freshman class will hold a party at the Glen Law farm on Wednesday evening.

Examinations were completed Tuesday. The report cards will be mailed Thursday. All teachers returned on Wednesday and Thursday to complete the reports and finish up for the year. All teachers have been asked to return for next year. The only change anticipated has been occasioned by the resignation of Lorin Burt.

### BEST ONE YET

The annual banquet of the Mentone Alumni Association was held last Saturday evening at the community building. About three hundred people attended. The dinner was served buffet style by the local chapter of Psi Iota Xi sorority.

Following the dinner the meeting was called to order by Everett Long, president of the association this year. This year's class of graduates, twenty-six in number were introduced and welcomed to the ranks of graduates.

Robert Nelson acted as toastmaster for the occasion. Skits and musical novelty numbers were enjoyed by all present. Don Jenkins, of Minneapolis, Minnesota, a graduate of Mentone High School, class of 1912, was present and gave a very interesting talk on Mentone of forty years ago. He brought with him a fine collection of photos and old copies of the Mentone Gazette, the local paper of that day.

The program closed with Robert Nelson singing "May the Good Lord Bless and Keep You" and this year's graduates supplying the vocal background. It was a very impressive climax to a program regarded by all those present to be a fine compliment to the officers and committees in charge of this year's meeting.

Those attending from a distance included Charles Whetstone, of Columbus, Ohio; Mary Jenkins Cox, of Steubenville, Ohio; Von Jenkins, Minneapolis, Minnesota; Everett Ralston, Cincinnati, O.; Charles Carter, Green Bay, Wisconsin; Jennings Carter, Evansville, Indiana; Mr. and Mrs. Robert Nelson, Indianapolis; Verna Nelson, Indianapolis and Don Jenkins, Minneapolis.

Officers elected for the ensuing year are Dale Wallace, president; Jack VanGilder, vice president; Forrest Miner, secretary; Eileen Bowser, assistant secretary; Kenneth Romine, treasurer and Phyllis (Lemler) Bowser, assistant treasurer.

### DOUBLEHEADER SOFTBALL GAME HERE FRIDAY MAY, 23

Mentone softball fans will be handed a double treat Friday evening when the Mentone Merchants open their home schedule in the traveling league when they play host to the boys from Buchanan, Michigan.

Ike Bierwagen, the pitcher Mentone fans always enjoy watching, will pitch one of the games, and possibly both of them.

Be sure and see the game Friday. The next home game will be May 28 with Kosciusko.

### MRS. ETTA AURELIUS SUCCUMBS AT HOME NEAR TALMA

Mrs. Etta Eudella Aurelius, 76, a life resident of Fulton county succumbed to complications at her home near Talma, at 7:30 Thursday morning. She has been ill for sometime.

Born in Fulton county, December 5, 1875, she was the daughter of John and Anzonetta (Coplen) Irvine.

She was married twice, first to Charles Coony, who preceded her in 1922, and later to Joseph Aurelius deceased. She was a member of the Talma Christian Church.

Survivors include two sons, Charles Coony of Illinois and William Coony of Rochester; three daughters, Mrs. Baer of Pueblo, Colo., Mrs. Edith Le Cocq and Mrs. Agnes Cody, all of Chicago; one sister, Mrs. Estella Surguy, of near Talma.

Funeral services were held Sunday afternoon at 1:30 p. m. from the Talma Christian Church with Rev. Delbert Ruberg in charge. Burial was made in the Reister Cemetery near Talma. Foster funeral home of Rochester was in charge.

### GENEVA WHETSTONE TO AGAIN REPRESENT MENTONE

Geneva Whetstone, 17, recent graduate of Mentone High School, has been chosen to represent her school for the second year at the Mermald Festival at North Webster. The daughter of Mr. and Mrs. C. E. Whetstone, of Mentone, Geneva was queen of the 1951 Mentone Egg Show and placed fourth among 33 aspirants in the Mermald Festival last year. Five feet, six inches tall, she weighs 127 pounds. She has dark hair and dark brown eyes.

### CELEBRATES BIRTHDAY

A dinner given at the home of Mrs. Gladys Long and son, Lowell, of Mentone, Sunday, celebrated the birthday anniversary of Mrs. Long. Tulips and iris centered the dinner table. Gifts were presented to Mrs. Long. The group included the following relatives: Mr. and Mrs. Gordon Row, of Wabash; Mr. and Mrs. Earl Row and Mr. and Mrs. John Zimmerman, of Rich Valley; and Mr. and Mrs. Harold Long and daughter, Peggy Sue, of Hoffman Lake.

### FILM TO BE SHOWN AT LIONS CLUB MEETING

"Fishin' For Fun," a new 2-reel sound motion picture starring Ben Hardesty, U. S. professional all-around bait and fly-casting champion, will be shown at the Lions Club meeting on Wednesday evening, June 4.

This was announced by John Boggs, who disclosed that a 16 mm. print of the film for the special showing is being obtained from the Detroit headquarters of the Fisher Body Division of General Motors, the firm that produced and is distributing the picture.

Described as an important contribution to fishing lore by conservation authorities and others who have viewed it, "Fishin' For Fun" presents a comprehensive exhibition in the art of fishing and casting, encouraging participation in the sport and emphasizing the thrill every fisherman seeks, according to Mr. Boggs, who states that the film is completely devoid of advertising save for the credit titles.

Hardesty, a plain and fancy fisherman who truly labors for love, is described by Ted Husing who narrates the film as "a guy who drops 'em in a tea cup as far away as you can see it."

In "Fishin' For Fun," the champion gives an exciting and dramatic display of angling for trout, bass, bonefish, sailfish and tarpon. The trout sequences were taken in Northern Michigan and show a thrilling series of shots while Hardesty was hooking, playing and landing three varieties of trout, brown, brook and rainbow.

The scene then shifts to a small lake in New Jersey famous for its bass fishing. Working from a boat, Hardesty gives a colorful display of first landing a fighting Jersey smallmouth and then a scrappy largemouth with a little bulldog blood in its veins.

Then, for the salt water enthusiasts, the champion engages in a battle to the finish with bait-slammimg sailfish off the coast of Florida.

The next sequence is a thriller for both salt water and fresh water fishermen. Believe it or not, the champion goes after the white fox of the shallow flats, bonefish, with fly tackle and gets him.

For the climax, Hardesty exhibits a dynamic display of landing hundred-

### COMPLETE SCHEDULE OF MERCHANTS SOFTBALL GAMES

On Wednesday evening, May 28, the Mentone entry in the Traveling League, the Mentone Merchants, were able to play their first game of the season after having all previously scheduled games postponed because of unfavorable weather conditions. The Merchants started the season off on the right foot by downing the Kosciusko entry in twelve innings by a score of 5 to 4. Although outthit 12 to 10 by the visitors the local nine made theirs count the most. Vandermark started on the mound for Mentone but had to have relief in the third inning. D. Stouder finished the game for the Merchants. Kosciusko also used two pitchers in this contest.

Following is the schedule for the remainder of the traveling league games of the local nine:

May 31—Goshen at Goshen, doubleheader.  
June 4—Warsaw A. A. at Mentone.  
June 6—Studebakers at Mentone in a doubleheader.  
June 11—Buchanan at Buchanan in a doubleheader.  
June 13—Plymouth at Mentone.  
June 15—LaPorte at LaPorte in a doubleheader.  
June 18—Kosciusko at Mishawaka.  
June 20—Goshen at Mentone in a doubleheader.  
June 22—Studebakers at South Bend in a doubleheader.  
June 25—LaPorte at Mentone in a doubleheader.  
June 27—Warsaw A. A. at Warsaw.  
July 12—Plymouth at Plymouth.  
July 16—Warsaw A. A. at Mentone.  
July 18—Kosciusko at Mentone.  
July 23—Plymouth at Mentone.  
August 1—Plymouth at Plymouth.

pound tarpon on light fresh water tackle in a colorful scene shot in the Shark River jungle country of Southwestern Florida. Without a gaff and with bait casting tackle, Hardesty hooks, plays and lands a beautiful silver king that battles the champion for more than an hour.

The film is a great display of the art of angling that is truly one of the greatest of American sports.

### ROYSE DON SMITH DIES

Royse Don Smith, aged 58, a native of Burket, died unexpectedly shortly before noon Thursday at his home in Goshen. Mr. Smith, a veteran of World War I, became ill about 4 a. m., suffering from what appeared to be a slight stroke. He had been in good health previously and worked as usual the day before in a Goshen factory.

Born in Burket, January 26, 1894, Mr. Smith was the son of Mr. and Mrs. Jesse Franklin Smith. He had resided in Goshen about 30 years.

Surviving are his wife, the former Lillian Miller, to whom he was married in 1924; his father, in Goshen; five sons; a daughter; five brothers and sisters, including Jacob L. Smith, of Burket, and Lloyd C. Smith, of Roann, and three grandchildren.

### REV. GOSSER RETURNED AS AS PASTOR OF LOCAL CHURCH

Rev. David P. Gosser was returned as pastor of the Methodist church, of Mentone, in the Methodist church conference held in Elkhart last week.

Dr. B. Brooks Shake, of Warsaw, district superintendent of the Warsaw district for the past five years, was made pastor of the St. Paul church at Elkhart.

Dr. Dale Stackhouse, pastor of the Forest Park Methodist church, at Ft. Wayne for the past 6 years succeeds Dr. Shake as district superintendent.

Other appointments for near by churches are as follows: Claypool, Merlin R. Carothers; Bourbon Parish, Paul Trumbauer; Burket Parish, Albert Rider.

### CLUB CALENDAR

The Royal Neighbors will meet on Tuesday evening, June 3, at 7:30 p. m. at the home of Neighbor Mary Borton.

All "Mothers of World War II" are urged to meet at the Legion Home Friday, May 30, at 1:00 for the memorial services.

The District meeting for Mothers of World War II will be held at the Mentone Community Building on Tuesday, June 3. Registration 9:30 to 10:30 a.m. Anyone having flowers please bring for table decorations.

### PASTURE CONTEST THIS YEAR

A contest designed to bring recognition to farmers who are doing an outstanding job of pasture management will be held in Kosciusko County this year, County Agent Paul Jackson announced today. Any person having five acres or more pasture which contains 25 per cent clover or alfalfa may enter. Through the contest, sponsored by the Northeastern Indiana Dairy Association and the Lake City Bank of Warsaw, good methods of pasture management will be brought to the attention of farmers in the county.

Farmers who have applied large amounts of fertilizer to pastures and have used good management methods have produced low-cost milk, meat, and other livestock and poultry products with little labor. At the same time the soil is built up in Nitrogen and organic matter and fertility is saved for a permanent agriculture.

Entry in the Green Pasture Contest may be made at the county extension office any time before August 10. Between August 10 and August 25 each entry will be scored by a committee of three judges. High score in each township will receive a ribbon and the county winner will be awarded a trophy by the Lake City Bank. The amount of lime and fertilizer applied and the number of animals pastured per acre will be given major consideration in the pasture judging.

The pastor and family returned last Saturday from Iowa where Mr. and Mrs. Dowden attended the 21st Annual Conference of the General Association of Regular Baptist Churches. This is a group of 631 Baptist churches that hold to the fundamental faith of the old-time Baptist church. These churches had a total income of over seven million dollars in 1951, a large share of which went for mission work.

There are 45 churches in Indiana in the Fellowship and the Youth Camp at Crystal Lake is run by this group of Indiana churches. Mr. Dowden is on the Council of six pastors who lead the work in the state and Mr. Leroy Norris is on the Camp Committee of six who are in charge of the Crystal Lake Camp. It is hoped that the Camp will handle more than 600 young people this summer. Last year 16 young people attended from Mentone.

Mr. and Mrs. Johnny Hatfield and daughter, of Chicago, spent the week end here at their home.

Mrs. C. M. Walker and Mrs. Callie Dawson, of Tippecanoe, called on Mrs. L. W. Hatfield Wednesday afternoon.

Mrs. William C. Church entertained a group of friends to a chili supper Saturday night at the home of her parents, Mr. and Mrs. Clyde Nettrouer. Those present were Mr. and Mrs. Don Bennett and son, Stevie, Mr. and Mrs. Harry Bornman, Mrs. Tony Hight, Mr. and Mrs. Clyde Nettrouer and Mr. and Mrs. Chester Miller, of Elkhart.

Mr. and Mrs. Orven Heighway are slowly improving. Both are confined to their beds.

### TIME TO PLANT SNAP BEANS

Late May and early June are months for planting snap beans. Delayed early summer seedings of beans often escape serious damage from the Mexican bean beetle and bean leaf beetle even when unsprayed. Most gardeners are choosing the Top-crop and Tender-green varieties. These two varieties will mature a full crop in approximately 50 days. The quality is always best from first picking and when the plantings are so timed, the winter supply, either canned or frozen, may be processed during one day.

Marion Cox and children, Russell, Shirley and Sharon, and their cousin, James, were Sunday guests of Mr. and Mrs. Omar Cox.

### TIMELY TOPICS

By Mrs. Ruth R. Snellenberger  
Home Demonstration Agent

Topics this week are varied. The first concerns the need for trained home economists, nurses, and elementary teachers. I am mentioning it here because some of you may have some influence on helping some girl graduate—this could be of interest to boys, too—make her choice of subject matter for study. As would be expected, I would favor a girl selecting home economics for further study. Each of these three fields of study, however, prepare a girl for later life as a homemaker. I believe most of you will agree with me on this.

The under-graduate might also be considering her after-school plans for further study because her choice might call for certain high school subjects to meet college entrance requirements.

The next topic concerns freezing strawberries. Recent studies show that the flavor of halved strawberries packed with one part sugar to four parts strawberries by weight was rated as superior to the flavor of those packed without sugar or in syrup.

Broiling—cooking by dry heat directly under a gas flame or an electric unit, or over hot coals—has gained in popularity considerably the last year

or so it seems to me. Cuts of meat for broiling include steaks, chops, ground meat patties, poultry, smoked sausages and canned meat loaves, and some of the variety meats. However, broiling is not recommended for fresh pork, which requires a considerably longer cooking period, or for fresh veal, which is lacking in fat.

In regard to the beef steaks, only the tender cuts can be broiled: rib, T-bone, sirloin, porterhouse. If you have round steak, I'd suggest you ground it and make beef patties. In shaping them for broiling—do this with hamburger, too—make them about an inch thick and have the sides straight. In this manner the patty will cook the same amount all over. And being thicker than we usually make them for frying, it will be moist and juicy inside.

Some women have expressed an interest in learning to make nylon flow-ers. Just recently two manufacturers of tints and dyes sent directions for making them to the county extension office.

This is the last TIMELY TOPIC column inasmuch as this is my last week in the position as home demonstration agent in Kosciusko County. I have appreciated the comments some of you have made regarding the enjoyment of my column. You may be sure it is encouraging to know when and if information given has been

### LEGION AUXILIARY NEWS

Members of the Mentone, Unite No. 425, American Legion Auxiliary, met Tuesday evening at the Legion Post Home.

The President, Mrs. Ward Williamson, presided at the business session. She announced that the next district meeting will be held at Warsaw, on Wednesday, June 11. Reservations should be in by June 3rd or 4th. Any member wishing to attend, please notify Mrs. Richard Manwaring so that she may make reservations for you.

Mrs. Frank Smith, Pan American chairman for the unit, gave her report on Cuba. It was very interesting and amusing for the customs of Cuba are somewhat different than those of the

United States.

Mrs. Robert Whetstone, Poppy Chairman for the unit, reported a total of seventy-nine members in this year's Poppy Club.

The Auxiliary is planning to have a bake sale on Saturday, June 14 at Lemler's Market. Each member will be contacted.

A special program was presented in honor of the units Gold Star members. Mrs. E. E. Wagner read a story in keeping with Memorial Day, and also a poem in honor of the Gold Star members. The two Gold Star members present were, Mrs. Bernice Rush and Mrs. Opal Tucker.

Lovely refreshments were served by the President, Mrs. Ward Williamson and Mrs. Myrl Wagner.

### CARD OF THANKS

Members of the Mentone Unit No. 425 of the American Legion Auxiliary wish to express our thanks to everyone who helped to make our 1952 Poppy Day program successful.

### LIVESTOCK MARKETING MEETING HELD HERE

Approximately 50 livestock producers and other agricultural leaders attended a livestock marketing meeting held Monday night, May 26, at the Mentone High School building. These leaders represented County Farm Bureaus and County Farm Bureau Cooperative Associations in Kosciusko, Fulton and Marshall counties and the Northern Indiana Cooperative Association of Mentone.

LeRoy Norris, of the Northern Indiana Cooperative Association was named chairman and Ralph Brubaker, Kosciusko County Farm Bureau president, was elected secretary of the group.

The possible location of a Producers Marketing Association Branch Livestock Market at Mentone was discussed by W. R. Cummins, manager of Producers Marketing Association of Indianapolis. He stated that if sufficient interest was indicated by the farmers of the area, the Association would be willing to operate a market at this

location.

The group voted to name a committee of seven farmers to investigate further the possible establishment of such a market. This committee named was:

Marshal Co. Co-Op. — Noble Nifong, R. 4, Plymouth.

Marshall Co. Farm Bureau — Eldon Davis, R. 1, Culver.

Fulton Co. Co-Op. — Steel Ewing, R. 2, Rochester.

Fulton Co. Farm Bureau — Chas. Riddle, R. 3, Argos.

Kosciusko Co. Co-Op. — Everett Tom, R. 2, Leesburg.

Kosciusko Co. Farm Bureau — Howard Silveus, R. 1, Silver Lake.

Northern Indiana Coop. — LeRoy Norris, R. 1, Mentone.

Others attending the meeting were William Groniger, manager of the North Manchester Shipping Assn., Bernard Marquiss, manager of the Producers Branch at Logansport and George Doup, director of Livestock Department, Indiana Farm Bureau.

### WHAT ABOUT SWINE INFLUENZA?

**Q: How serious a problem is swine flu?**

**A:** It doesn't actually kill many swine but it takes a tremendous financial toll each year. Affected pigs go off feed, losing up to 15 pounds. Also, swine flu victims are easier prey to cholera, enteritis and similar diseases.

**Q: How does it act?**

**A:** Hogs run a temperature, have a deep cough, tend to pile up, lose appetite, and become weak.

**Q: What causes swine flu?**

**A:** Both a germ and a virus, highly contagious. Sudden changes of weather, poorly-ventilated or draughty quarters, and cold rainy spells seem to make hogs more susceptible.

**Q: If a flu outbreak starts, what should be done?**

**A:** Have the trouble diagnosed immediately, so proper nursing and other treatment can be started. Move well pigs away from the sick ones.

**Q: What about prevention?**

**A:** Keep swine away from old straw stacks, where flu infection is often picked up. Be sure hogs have good shelter, with good bedding, proper light and ventilation. If new hogs are bought, isolate them for a week before allowing them to mix with the home herd.

**NOTE:** Due to space limitations, general questions cannot be handled by this column.

### SADDLE CLUB MEETS

The Tippecanoe Saddle Club had its regular monthly meeting, May 20, at the Conservation Clubhouse with 53 members present. Refreshments of sandwiches and coffee were served and the evening was spent square dancing.

During the business meeting plans were announced for a horse show to be held Sunday, June 15, at the Kelly farm east of Warsaw. This will be sponsored by the Kosciusko County and Tippecanoe Saddle clubs. They will have a weiner roast and movies Saturday evening and will camp out over night. Sunday morning they plan to have church on horseback.

### Dawn of North

Northern Hemisphere residents think of the aurora as the "northern lights," or aurora borealis (literally, "dawn of the north"). There is also an aurora australis, or "southern lights." Collectively, the two are known as the aurora polaris. There is little inhabited land within the region where the "southern lights" are visible.

## SCHOOL NEWS

Several students and friends of the Seniors were at the depot to see the class off on their trip last Friday noon. All seniors made the trip except Jackie Blue and Ramona Goodman. Dale Kelley and Wreatha McFarren accompanied the students as chaperones. The group reports a fine trip.

The following students had a grade of B or better in all subjects for the final second semester average:

Seniors—Jackie Blue, Darlene Boyer, Martha Creighton, Donnagene Dillman, Patricia Starr and Geneva Whetstone.

Juniors—Elaine Dunnuck, Kay Hatfield, Charles Urschel.

Sophomores—Mary Van De Water, Robert Boggs, Jon Cullum, Larry Yeiter.

Freshmen—Connie Doyle, Sheila Fitzgerald, Larry Boggs, Frank Manwaring, Larry McKinley.

Eighth—Orpha Kurtz, Betty Mellott, Janice Nelson, Rita Olson, Marilyn Rathfon, Sarah Urschel, Sharon Ware, Doyle Baum, Ronald Beeson, Sue Barkman.

Seventh—Sue Borton, Dorothy Christian, Carol Dillman, Nancy Van De Water, Charles Feldman, Ronald Moore.

The following students were neither absent nor tardy during the 1951-52 school year:

Seventh—Judy Blue, Martha Hively, James Eaton, DeWayne McKinley, Ronald Secrist.

Eighth—Max Blackburn, James Romine, Donald Hudson, John Smith.

Ninth—Shirley Nicodemus, Marita Tucker, Rex Dickey, Kay Flenar, Roger

Frantz, Melvin Miller, William Nellans, Tenth—Clarence Dickey.

Eleventh—Barbara King, Marjorie Mollenhour.

Twelfth—Wilma Kindig.

Percentage of attendance for the entire school year figured as follows:

First grade—95.9; second grade—95.2; third grade—97.45; fourth grade—96.2; fifth grade—96.2; sixth grade—94.8; seventh and eighth grades—97.6; high school—96.7.

The high school annuals were distributed last Friday. If you have not received your annual, you may secure it from the school office, from Dale Kelley, Walter Kent, or any high school senior.

Several minor repairs and improvements have been planned for the school building. Already, the laying of two new asphalt tile floors is underway. The roof will be recoated, one floor repainted, and various other repairs made.

### RULES FOR HOLIDAY DRIVING

Indiana highways will witness 12 traffic deaths over the Memorial weekend, the Chicago Motor Club predicted today.

A total of 360 injuries and 770 property damage accidents was expected to result from the first big summer holiday weekend.

Holiday traffic casualties are estimated on past years' experience adjusted to current accident rates, gasoline consumption, traffic volumes and auto registrations, the motoring organization indicated.

Four of the 12 deaths will probably

occur in Lake County on Friday, Saturday and Sunday, according to the prediction.

At least one of these will occur at a railroad crossing. Lake County traffic patterns over the years show that 40% of the annual traffic toll occurs at rail crossings.

Particular caution in the Lake County area was urged at the intersection of Cline and Chicago Avenues in Gary, where three fatal accidents have occurred since April 1, claiming four lives.

Urging vigilance in driving to combat the possible realization of this prediction, the motoring organization recommended the following program for safe return from a Memorial Day week end trip:

1. Expect that all cross traffic will ignore stop signs and traffic signals which give you right-of-way; and slow down at intersections accordingly.

2. Allow extra margins of safety in passing and following other vehicles.

3. Watch out for children and other pedestrians whose holiday hilarity may cause unexpected behavior and rash acts in traffic.

4. Avoid congested streets and highways, planning your trip to take advantage of alternate routes.

5. Give police officials handling holiday throngs on streets and highways your full cooperation.

### SPRING IS PASTURE TIME

Once again spring is upon us. Farmers are looking across their fields and pastures wondering whether it is too early to turn the livestock out to pasture and lighten the winter's workload of barn feeding. They should not, however, rush the season on this. Turning the cows out too early, and without adequate supplementary feeding, will certainly curtail milk production now and will, in addition, shorten the pasture season, particularly in the hot, dry summer months as well as next fall. The livestock should not be put out until the grasses are 5 to 6 inches high and the clovers at least 3 inches in height, particularly on new seedings as livestock will destroy the pasture by pulling up and trampling down the young grasses and clovers. The temporary pastures can be grazed hard until the permanent ones are well established and have attained suffi-

ent growth to produce the maximum amount of feed nutrients during the entire season.

It's time to start putting the fences in good shape, and that the seedings of temporary pasture for use in the summer months were being made. Permanent pastures, and grass lands, should be fertilized with from 300 to 800 lbs. per acre of a complete commercial fertilizer, containing nitrogen, phosphorus and potash such as 2-12-12. On alfalfa, an application of 15 to 25 lbs. of borax per acre, will increase yields materially.

In planning your pasture program, don't overlook the importance of liming. We all know that alfalfa and clovers do best in soil that is nearly neutral in PH. If you haven't applied any lime to a particular pasture lot or hay field in the past five years, an application of one ton per acre is generally good policy. If the soil has not been treated with lime in the past, it may require as much as 3 or 4 tons per acre of limestone which consists largely of calcium and/or magnesium carbonates, not only increases the effectiveness of commercial fertilizers which results in greater production, lower per unit costs and assures a better mineral balance within the plants, but also adds the minerals which go into the growing of healthy muscles, bones and teeth in the animals and the humans which consume the food.

### HOME DAMAGED BY FIRE

On last Friday night fire damaged the interior of Paul Eller Furniture and Appliance on Main Street in Rochester in excess of \$50,000. Also affected in the loss was the second story apartment of Mr. and Mrs. Bud Paulus, former residents of Mentone. The couple had just finished dinner when smoke was discovered coming up around a built-in cabinet. They left home immediately. Later Bud, wearing a gas mask, returned to get jewelry belonging to his wife. All their furniture was spoiled by the thick film of smoke residue.

Freezer supplies, freezer bags and boxes, cellophane and aluminum foil at Baker's Jewelry and Appliance.

### Remove Wax

Before refinishing a surface with paint, varnish, shellac or enamel, make certain that there is no wax present so the new coating will adhere properly. Wax can be removed with turpentine, mineral spirits, or one of the new preparations made for the purpose. After the new finish is thoroughly dry, a new protective coating of wax can be applied.
