LONG-MARION

Of interest to our readers will be the wedding of one of our local boys Malcolm Long, son of Mr. and Mrs. Truman Long, to Carol Marion, daughter of Mr. and Mrs. Willard Marion, of Nevada, Iowa.

The double ring ceremony was performed at high noon on March 22, at the Campus Baptist church at Ames, Iowa, by Rev. Willard J. Martz, pastor.

The bride's attendant was Miss Lillian Denim, of Des Moines, Iowa; and the groom's attendant was Dale Kelly, of Mentone.

The bride was attired in a gown of white orlon and wore accessories of blue. She carried sweetheart roses in a white bible.

The bride graduated from Nevada high school and is also a graduate nurse from Broadlawn Hospital, Des Moines.

Malcolm graduated from Mentone high school and Purdue University. He is now in the air force. Mr. and Mrs. Long are at home at Moody Air Force Base, Valdosta, Georgia.

SERVICES AT HARRISON CENTER

Evangelist Mabel Rife of Columbus, Ohio, is speaking nightly at the Harrison Center E. U. B. church. Rev. John Schroeder is the pastor.

Miss Rife recently toured the Holy Land with the Winona School of Theology. She will show her colored slides May 8, at 8 p.m. The public is given a cordial invitation to attend.

CLUB CALENDAR

Merry Mollys Home Demonstration club will meet Monday Evening, May 11 at the home of Mrs. La Mar Leffert.

Mentone Reading club will meet May 13 at 6:30 p.m., at the home of Mrs. Max C. Nellans—Pot luck supper.

Mentone Home Demonstration club will observe guest day at the country home of Mrs. Royse Tucker, Thursday, May 14 at 1:30 p.m.

PASTOR TO ATTEND CONFERENCE

Rev. and Mrs. Dowden will leave Sunday afternoon for Philadelphia where they will attend the National Conference of the General Association of Regular Baptists. This is the same group the Mentone church fellowships with. The conference will be May 11-15.

The new church at Plymouth had 40 to Sunday School last Sunday and Mr. Dowden is much encouraged after being there 5 Sundays. Mr. and Mrs. Dowden will be back in time for regular services on Sunday, May 17. Max Ware, of the Mentone church, will preach at Plymouth on Sunday evening in the absence of the pastor.

FUNERAL SERVICES FOR MR. AND MRS. CURTIS WALTERS

Funeral services were held last Friday at the Osceola Methodist church for Mr. and Mrs. Curtis E. Walters, of Mishawaka, who were both killed on Thursday, when a New York Central passenger train struck their automobile. Rev. Phil Stephens officiated. Burial was in the Rock Run cemetery east of Goshen.

Mr. Walters, who was related to Lon and William Walters, had resided in Mentone at one time.

Mr. and Mrs. Walters, who were married nine years ago, had both been married previously. Survivors are: three sons, Earl Snyder, of Vandalia, Mich.; Leroy A. Walters, of South Bend, and Curtis Edward Walters, of South Bend; six daughters, Leona Mahler, of Millersburg; Verona Schnepf, of Decatur, Helen Routner, of South Bend, Thelma Haggerty, of Mishawaka, Elsie Hutchinson, of Elkhart, and Della Bonacha, of Fremont, Mich.; 27 grandchildren and 30 great-grandchildren.

SORORITY ELECTS OFFICERS

At the business meeting of the Psi Iota Xi Sorority Tuesday evening, the following officers were elected: president, Mrs. John Boggs; vice president, Mrs. Curtis Riner; sec'y treas., Mrs. Jack Pritchard; conductress, Miss Anabelle Mentzer; and advisor, Mrs. Ralph Ward.

Mrs. Cecil Lond was hostess to the group. The door prize was won by Mrs. Kenneth Simcoe.

ROSE—SUMMY

The home of Mrs. Louise Summy was the scene of a very beautiful May wedding last Sunday afternoon at 3 o'clock, when her daughter Mary Louise became the bride of Mr. James Rose of Warsaw. A few close relatives and friends witnessed the ceremony. The bride was attired in a white nylon lace gown with a white hat and veil to match. She carried daisies and white roses. The bridesmaid was Miss Marilyn Paul, who was attired in a gown of blue net over blue nylon with a matching hat. The best man was Gerald Carlin. Clyde Summy, the bride's brother, gave her away. The ushers were: Paul Norman Summy, a brother of the bride, and Thomas Paul.

Rev. Albert Rider of Burket, performed the double ring ceremony. Miss Betty Paul and Mrs. Clyde Summy served at the reception table. The bride's going away suit was gray with navy blue accessories. The newlyweds took a short wedding trip, returning Wednesday. They will reside with the bride's mother, Mrs. Louise Summy, near Palestine.

ENTERTAIN AT PINK AND BLUE SHOWER

Mrs. Sidney Alber was the guest of honor at a pink and blue shower Sunday, May 3, at the home of Mrs. Wayne Bowser. Contests were conducted and Mrs. Kenneth Romine and Mrs. Harry Smythe were the winners.

Mrs. Alber received many beautiful and useful gifts. Delicious refreshments were served by the hostess to the following guests: Mrs. Kenneth Romine; Mrs. Harry Smythe; Mrs. Sonny Green; Mrs. Deverl Bowser; Mrs. Maurice Rogers; Mrs. Bertha Clark; Mrs. L. G. Alber; Mrs. Robert Wagner; Mrs. Robert Burnett; Mrs. Marion Flory; Mrs. Carl Bowser; Miss Mona Lou Darr; Rebecca Bowser; Margaret Ann Bowser; Linda Bowser; Dana Wagner; Vicki and Debbie Bowser; Ken Romine and the guest of honor.

Gifts were sent from Mrs. Ed Bowser, Mrs. Lewis Blue, Mrs. Raymond Lewis and Miss Pat Starr.

The hostess was assisted by Mrs. David Bowser and Mrs. Earl Bruner Jr.

SURPRISED ON BIRTHDAY

Mrs. William Schooley was pleasantly surprised Sunday evening at the home of Mr. and Mrs. Robert Parker and family on her birthday.

Those present were: Mr. and Mrs. George Grubbs and family; Mr. and Mrs. Donald Grubbs, Dick Heyde and Marvin Mahoney, of Warsaw; Mr. and Mrs. Jess Molebash of Etna Green; Mr. and Mrs. Dwight Reichard and Mr. and Mrs. Wm. Schooley, of Mentone. The evening was spent playing games and delicious refreshments were served.

AMERICAN LEGION NEWS

At the regular meeting of the Mentone Post 425, the American Legion held on Tuesday evening, May 5, it was announced by Commander Robert Whetstone that the following members would be appointed to serve on the Memorial Day Committee: Robert Reed, Harry Gible, John Ellsworth and Ed Latham. The Post will conduct services at the Mentone Cemetery on Memorial Day.

Chet Smith, Boys' State chairman, announced that Jon Cullum, son of Mr. and Mrs. Artley Cullum, has been selected as Boys' State delegate and Don Rush, son of Mrs. Bernice Rush, as alternate. Boys' State will be held at the State School for the Deaf at Indianapolis from June 13 to June 20.

It was announced that the membership as of this date stands at 148. Also announced that Marion Hospital Day will be observed on Sunday, May 17 at the Veterans Hospital in Marion.

Ralph Ward was appointed chairman of a committee to secure another Doctor for the Mentone Community.

Kenneth Romine announced that his committee has completed their plans for the School Awards.

All members are requested to meet at the Post Home on Monday evening, May 11 for the purpose of cleaning the upstairs rooms of the Home.

FINE LIONS MEETING WEDNESDAY EVENING

Over sixty were present at the ladies' night program held by the Lions club this evening.

Hobart Creighton was the guest speaker of the evening and he told of his trip to Liberia.

DRUNK DRIVING BRINGS FINE, LICENSE LOSS

Seven persons were injured about 11:30 o'clock Saturday night in a collision of two cars and a pickup truck about one mile north of Rochester on U. S. 31.

The crash resulted in the arrest of a Peru man on a charge of driving while intoxicated.

When arraigned on the charge Monday morning in Fulton Circuit Court, Paul McLean, 38, pleaded guilty. Judge Kline Reed imposed a fine of \$50 and costs and ordered McLean's driver's license suspended for one year.

All of the injured except two were released from Woodlawn hospital after receiving first aid early Sunday morning.

Most seriously injured was Miss Ann

Working, 29, Peru, who sustained a fracture of two bones in her left leg and facial lacerations.

McLean was driver of the car in which Miss Working was a passenger. Upon his release from the hospital Monday morning about 9 o'clock he was arrested by Deputy Sheriff Dee Holloway on the charge of drunken driving.

McLean suffered concussion and lacerations about the forehead.

Another passenger in the McLean Car, Ralph Higginbotham, 33, LaPorte, sustained minor head and knee lacerations.

Riding in the truck were George Metzger, 69, R. R. 3, Rochester, who was driving and Jesse Waltz, also of R. R. 3. Metzger sustained a deep cut in the center of his forehead and Waltz got cuts about his left eye.

Both were considerably shaken and bruised.

Least injured were the two in the second car, Merrill Peterson, 18, Mentone, who was driving, and James Doyle, 18, R. R. 5, Warsaw. Peterson received an elbow laceration, Doyle lacerations on the ankle.

According to law officers, the car driven south by Peterson had slowed to make a left turn off the highway and was struck from the rear by the one driven by McLean. Peterson's car then collided head-on with the pickup truck, which was going north.

All vehicles were extensively damaged. Peterson's car was turned sideways in the center of the blacktop highway. The truck came to a rest on the east berm, facing north, and setting in front of Peterson's car. Merrill's car is reported to be a total loss.

The other car, facing south, was setting on the west berm and at the rear of Peterson's.

The accident was investigated by Sheriff Laurence Norris, Deputy Dee Holloway and Special Deputy Everett Davis.

SCHOOL NEWS

Pupils Take Achievement Tests

The pupils of the first eight grades have been hard at work taking the Metropolitan achievement tests which have been given the last two years at Mentone. These tests are standardized tests over the various subjects taught in each grade this year. It is anticipated that scoring will be completed before school ends.

130 Attend Athletic Banquet

The Athletic Banquet, in honor of the Mentone Athletes was held in the school cafeteria on Tuesday evening. A ham dinner which was prepared by the school cooks, Mrs. Teel and Mrs. Christner, was a feature of the evening. John Tatum, Football coach at Wabash, gave an entertaining address emphasizing at the same time some of the values of the athletic program.

Awards were presented by Abe Hoogenboom as follows: Jackets—John Davis, Ronald Brown, Jerry Ross, Boyd Blue. Free Throw Trophy—Bob Boggs. Sportsmanship award—Ronald Brown. Names of other awards were not available.

Junior Class Play to be Given 2 Nights

The Junior class play, "The Adorable Imp" will be presented on Friday and Saturday nights, May 8, 9, beginning at 8:15 DST. The pupils have been

working hard on their play and promise to do real well. Roger Kelly is coaching the play.

Final copy for the 1953 edition of the Bulldog has been completed and turned over to the printer.

Mentone Defeats Milford in Track

In a meet at Milford on Monday, Mentone defeated Milford and Burket 79-49-12. The local boys finished ninth in the county track meet last Friday. On Wednesday the freshman-sophomore team will compete at Syracuse and the junior-senior team at North Manchester. Several boys will compete in the Track Sectional at Huntington on Friday at 4:00.

TULIPS ON PARADE

The Pageant of Spring opens on May 10 at the International Friendship Gardens. This includes the many thousands of colorful tulips that have become known as "TULIPS ON PARADE".

The one hundred acre enterprise of Gardens of Nations is bulging with buds of every kind. "The mild winter," said J.V. Stauffer, Executive Director, "did not freeze the countless millions of blossoms of flowering trees which will make a profusion such as we have not had for years."

The International Friendship Gardens date back to 1934 at A Century

The ARLINGTON STRING ENSEMBLE, of Huntington, Indiana, will present a program of music at the Methodist Church of Mentone this Sunday evening at 7:45. They come very highly recommended, and the music lovers of the community will enjoy thoroughly the sacred and semi-classical music expertly played. The local church Chancel Choir will present a Mother's Day Anthem.

of Progress in Chicago. They were moved to Michigan City as their permanent location in 1936, and were set up on a 200 year program.

Continuous planting procedures included hundreds of varieties of lilacs, Redbuds, Azalea, Laurels and flowering shrubs which have now grown to large and beautiful specimens ideal for the Pageant of Spring. The Gardens are one and a half miles east of the City on U.S. 12.

feels it has demonstrated its ability to produce and promote as fine a poultry feeding program as money will buy. Now we want to promote a hog feeding program of equal high quality.

In addition to the fine feeding results and low cost of gain which you will obtain with this program, we are going to give as a further reward **FREE** to some fortunate person, at a drawing to be conducted during the last of July, a registered Bred Gilt, which will be due to farrow shortly after the drawing.

A tag, signed by the customer, from any of the Hog Feeds listed on the left side of this page and deposited in the sealed can at the office of the Co-Op. Mill, entitles you to participate in this event.

METHODIST CHURCH NEWS

This past Sunday afternoon Youth Fellowships of the Methodist Churches of the Warsaw District met here in

Mentone for their annual spring convention. Approximately four hundred young people, their pastors and counselors, attended the meeting which included the election of District Youth Officers, announcements concerning summer institute and Camp Adventure and the serving of refreshments by the host church.

Plans had been made by the local youth to serve about two hundred young people but the committee of mothers and counselors were equal to the occasion, and the entire assembly was served in the church dining room.

Jackie Stidham, one of our own local youth who has done a very admirable piece of work as president of the South Group Fellowships, was honored by being elected president of the Warsaw District Youth Fellowship. This places upon her a great responsibility, for a large share of the planning of youth activities at Institute and throughout the year on a District basis is dependent upon her and the District council. Following the very impressive installation service, she was presented with a corsage of pink carnations by Charles Urschel on behalf of the Methodist Youth Fellowship of Mentone.

At the District conference of Methodist Churches held at the Calvary Methodist Church in Elkhart on Monday, May 4, compliments were paid the host church of the Youth Convention held here on Sunday. Dr. Harold

Neel, Vice-chairman of the Warsaw District, and the Rev. Willard Doyle who is District Director of Youth Work and largely responsible for the success of the occasion, paid tribute to our own local Fellowship and serving committee.

At this writing a complete list of officers is not available to the Pastor, but in addition to the honor paid Jackie Stidham, three other youth of this church were elected to offices in the Sub-District or South Group Fellowship.

This coming Sunday is Mother's Day. A very high tribute may be given her through your attendance at the Services of the church. Special music appropriate for the occasion is prepared, and the presentation of honors will be made. A new class in membership will be accepted into the fellowship of the church.

20,000 TULIPS IN BLOOM AT AKRON

Tulip time in Akron has been declared for May 7th to 17th. Every year this "Little Holland" of Hoosierland is visited by thousands of people from all over the northern half of the state, and even a few come from farther away. Present development of the tulips indicates that the greatest variety of beauty and splendor will be next Sunday, May 10, and with weather cool and moist like the present, the flowers will easily hold over

until the seventeenth or a little longer.

The Gast Tulip Gardens have added several new varieties to the display, making over one hundred twenty in all. The new Black Parrot, a glossy purple black, will make its first appearance here; and especially interesting will be the new Chinese Lantern Tulip, Good Gracious. The Single Early and Triumph tulips are in bloom now for the early visitors, and the Darwins, Cottage, Parrots and others have their long stems and are ready to open into their full glory very soon.

The Tulip Gardens are located on the west edge of Akron on state road 14. Akron is at the junction of state roads 14, 19 and 114 and is ten miles east of Rochester and Lake Manitou.

OUR DEMOCRACY — by Mat

BEHOLDEN TO NO ONE

NOT EVEN THE CENTURIES CAN TWIST FUNDAMENTAL AMERICAN CHARACTER OUT OF SHAPE. OUR EARLIEST SETTLERS, SENSING THE DIGNITY OF THE INDIVIDUAL, SOUGHT INDEPENDENCE — FREEDOM TO RAISE THEIR FAMILIES BEHOLDEN TO NO ONE, THE OPPORTUNITY FOR MATERIAL AND SPIRITUAL ADVANCEMENT. THEY WERE HAPPY TO WORK WITH THEIR NEIGHBORS, BUT THEY WANTED TO STAND ON THEIR OWN FEET TOO.

TODAY, WE LIVE IN A MORE COMPLEX WORLD BUT, BASICALLY, THE OBJECTIVES WE SEEK FOR OURSELVES AND OUR FAMILIES ARE STILL THE SAME. THE HABITS OF HARD WORK AND THRIFT, THE QUALITY OF SELF-RELIANCE — THE DESIRE TO STAND ON OUR OWN FEET, BEHOLDEN TO NO ONE — ARE PRECIOUS GIFTS TO HAND DOWN TO OUR CHILDREN.

BEAVER DAM FRANKLINETTES

Mrs. Glen Lowman was hostess to the Beaver Dam Franklinettes club for the April meeting.

America the Beautiful was sung, followed by the club creed. Two poems and scripture from Psalms was read

by Mrs. Don Kuhn. The history of the song of the month, "There's Something about the Air in Indiana," was given by Mrs. Richard Whittenberger.

The lesson, Interior Wall Finishes, was presented by Mrs. Don Hoffman and Mrs. David Bryant. Points emphasized were: how to recognize and

care for a good brush; how to select paint; clean walls insure better results and different commercial items that make difficult jobs easier.

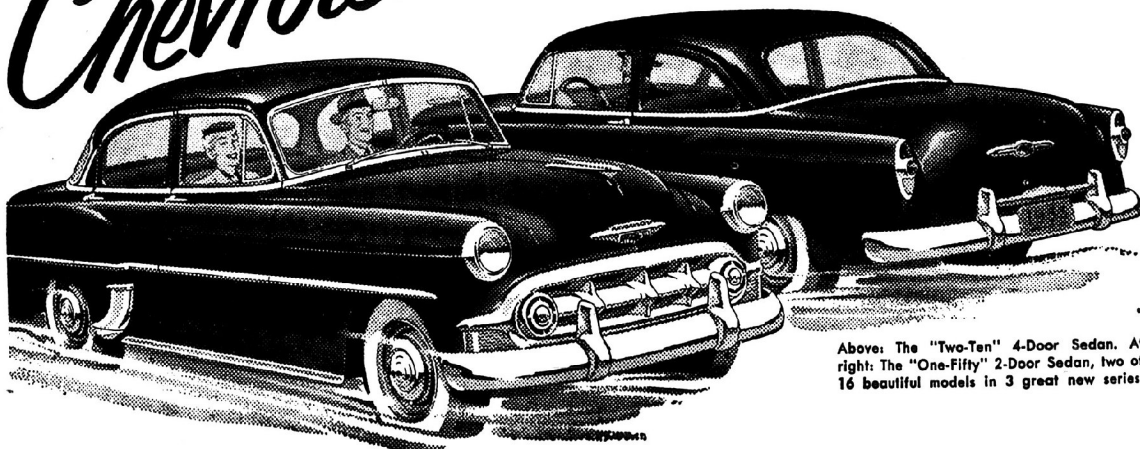

A short business session was conducted by Mrs. Chas. Adams, President, who also read the program for May, which is Guest Day.

Plants and other items were auctioned by Mrs. Dale Nellans. Refreshments were served to sixteen members, three children and Mrs. Max Noel, guest.

Hoosier farmers may find soybean seed germinating very poorly in 1953. Tests at the Purdue University Agricultural Experiment Station show that much seed was cracked or injured at harvest time because of an extremely dry condition of the beans when combined. Treat such seed with "Spergon" or "Arasan" at the rate of two ounces per bushel, say Purdue plant pathologists. This treatment may greatly improve germination of poor seed, but is not a substitute for good seed.

1,202 IN COUNTY DRAW BENEFITS

A total of \$44,383 in social security benefits is being paid monthly to 1,202 persons in Kosciusko county, it was announced today by Gerald O. Kelter, manager of the Elkhart field office, which serves this county.

There are 774 wage earners, widows and dependent widowers over 65 years of age receiving \$32,973 monthly;

245 wives, mothers and dependent husbands receiving \$5,953; 178 children receiving \$5,269 and five dependent parents over 65 receiving \$198 monthly.

Although this federal program affords substantial survivorship protection to families in the event of the death of the breadwinner, the greatest number of benefits are being paid to older workers who are 65 or over, Kelter said.

For information regarding the social security program, interested persons should contact the Elkhart field office in Room 222 of the Equity building in Elkhart or see a representative in Warsaw any Tuesday from 1 to 3 p.m. in the basement of the First National bank building.

WARNING AGAINST AIR GUNS

The Mentone town board announces that there have been a number of complaints of youngsters shooting air guns within the city limits, and many times without too much consideration for people or property. There's no objection to the air gun, but the tiny pellets are dangerous if not handled with extreme caution.

Some of the older "boys" don't help the situation too much when they indulge in a little corporation rifle practice, either.

There is a town ordinance against the use of air guns in town, and if they aren't handled properly, some lad may some day discover that he has a handful of BBs and no use for them.

WALTON STUDIOS REPRESENTATIVE TO AGAIN VISIT MENTONE

It is an undisputed fact that the responsibilities of tomorrow's world, our nation, and community will rest upon the shoulders of the children of today. Since this is true, the publishers of this newspaper would like to give you a good look at these future "World Builders," by publishing pictures of them in a feature series. An expert

children's photographer for the Waltz Studios, Des Moines, Iowa, with all the necessary equipment for this specialized work, will be here Wednesday, May 20. The special studio will be set up at the gym and will be open from 4 p.m. to 8 p.m.

Contest An Added Feature

To add to the interest and fun in this exciting event, the Studio will award \$500.00 in cash prizes . . . \$250.00 to the cutest girl; \$250.00 to the cutest boy. Each child or children photographed in this community will automatically be entered in the contest. The contest covers the Mid-West States only. Beauty alone does not count—the Studio judges will base

their selections upon the personality and charm as portrayed in the pictures. Every child and family group are eligible.

No Charge to Parents

There is no charge to the parents. There are absolutely no strings to this invitation. It is bona fide in every sense of the word. Parents do not have to be subscribers, nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may obtain them by arrangement with the Studio representative when they select the pose they want printed in the paper and

entered in the contest. It is entirely up to them.

APRIL P. T. A.

The April meeting of the P.T.A. was held last Wednesday evening at the school house.

Mrs. Ira Moore opened the meeting. Mr. Weiss then showed some very interesting pictures and told of his experiences as an exchange student in Finland.

Rev. Grant gave the devotions.

The secretary-treasurer's report was read and approved and it was voted to acknowledge a ten dollar gift to the National Congress.

The program books for another year are to be made up in May and any suggestions for a program, etc., may be given to Zanna Hammer.

Mrs. Delford Nelson announced the Senior auction to be held Saturday evening, May second, at the community building. It was voted for the P. T. A. to buy a hundred song books and let the school use them, too. Also seven dollars to be sent to the project P. T. A. unit.

The room count was won by the seventh grade.

Mrs. Nelson then introduced the guest speaker, Foster Jones, principal of West Wayne High school in Warsaw. His topic, "Understanding Our School Better."

Mrs. Bernice Rush installed the officers for the next year and the meeting was adjourned.

Those in charge of the social hour were: Mrs. David Gosser, Mrs. Loren Tridle, Mrs. Bernice Rush, Mrs. Kenneth Riner, Mrs. Donald Van Gilder and Mrs. Robert Parker.

Mrs. Milo Fawley returned home Sunday after being a patient in the McDonald hospital for two weeks recovering from major surgery.

WORKERS NEEDED AT
SOFTBALL FIELD THURSDAY

We have been requested to announce that many workers are needed at the softball diamond Thursday evening, May 7th, to help get the field and equipment in shape for the season which starts next week. Bring hammer, saw, nails, post diggers and what-not and help us get things ready. You will find something to do any time after 6:30 p. m.

The first home game of the season for the Merchants will be next Friday evening, May 15th, when Plymouth plays here.

FORM FARM ADVISORY GROUP

An adult advisory group for the agriculture students in the Mentone high school was organized at a meeting held a week ago Tuesday evening at the Farmers State Bank in Mentone. E. C. Weiss, vocational agriculture teacher at Mentone, presided.

Kenneth Riner was chosen as chairman of the advisory committee and Lester Blackburn, secretary. Other members are Edward Severns, Noah Tinkey, Ray Eckert, Chas. Manwaring, Ralph Long and Loren Tridle. The purpose of the committee is to work with the ag teacher to plan and carry on the agriculture work with the 4-H club and FFA.

Each year one third of the committee personnel changes.

MENTONE HIGH SCHOOL TO
GRADUATE TWENTY-FIVE

Twenty-five seniors will be graduated from Mentone high school on Tuesday, May 19th at the annual Commencement Exercises. This will be the sixtieth commencement, the first class having graduated in 1893. John J. Young, superintendent of the Mishawaka schools, will deliver the Commencement address this year. Musical selections will be furnished by the Mentone school music department. Special awards will be presented by Walter Kent, principal. Diplomas will be awarded by Glen Whitehead, superintendent of Kosciusko county schools. Commencement exercises will be held in the First Baptist Church.

Baccalaureate services will be held in the Methodist Church on Sunday evening, May 17th. Mr. Leslie Grant, pastor of the Church of Christ, will deliver the Baccalaureate sermon. The Mentone High School mixed chorus will sing two selections. Various other ministers of the community will participate in both the Baccalaureate and Commencement services.

Class Day will be Friday, May 15. The Seniors will present their class day program at 2:00. The Senior class and their sponsor, Mr. Abe Hoogenboom, will leave Sunday, May 24, via the Nickle Plate Railroad for a six-day visit to Washington, D. C. and New York City.

Members of the class of 1953 are: Elaine Dunnuck, Phyllis Grubbs, Sue Hammer, Kay Hatfield, Colleen Kindig, Barbara King, Marjorie Mollenhour, Cloanne Nelson, Carol Rule, Eleanor Rush, Dawn Ware, Phyllis Warren, Charles Beeson, Boyd Blue, Ronald Brown, William Cochran, John Davis, Gerald Fitzgerald, Howard Frantz, Robert Hoffer, Merlyn Holt, Merrill Peterson, Jerry Ross, Warren See, Charles Urschel.

COUNTY DOCTORS MEET HERE

Dr. and Mrs. Dan Urschel entertained the members of the Kosciusko County Medical Society, and the members of the Society Auxiliary, at dinner on Tuesday evening of this week.

After meeting at the Urschel Clinic, the group went to the private dining room in the Farmers State Bank for a dinner prepared and served by Mrs. Agnes Rams of Mentone.

Following the dinner Dr. and Mrs. Urschel took the guests to the Urschel home for regular business meetings of the organizations, and for an evening of bridge.

Special guests for the evening were Dr. and Mrs. Kenneth Leasure of Elkhart, formerly residents of Etna Green. Dr. Leasure is well known in this community, and recently returned from a period of service with the U. S. Navy.

Members of the organizations present included Mrs. Hazel Murphy, Dr. and Mrs. George Schlemmer, Dr. and Mrs. Winton Thomas, Dr. and Mrs. George Haymond, Dr. and Mrs. O. H. Richer, Dr. and Mrs. Ryland Roesch, and Dr. George Pullman, in addition to the host and hostess.

MRS. SALLIE MENDEL

Mrs. Sallie Mendel, 78, a former resident of the Claypool and Palestine vicinities, died of a cerebral hemorrhage at the Beverly Shores rest home near Michigan City at 3:30 p.m. Sunday. She had been a patient at the home since January 29.

Born in Benton county, November 2, 1874, she was the daughter of George and Rebecca (Knotts) Hall. In 1890 she was married in Warsaw to Alvin A. Mendel who died August 1, 1949. Twenty-two years ago the family moved to Valparaiso where Mrs. Mendel was a member of the Methodist church.

Surviving relatives include a son, Eddie Mendel, of Wanatah; two daughters, Mrs. Thomas (Georgia) Warner and Mrs. Charles (Winifred) Maynard, both of Valparaiso; four grandchildren and three great-grandchildren. A daughter, Zeta, preceded her parents in death.

Last rites were held at 2 p. m. Wednesday at the Tucker funeral home in Claypool with burial at the Mount Pleasant cemetery in that community.

DOCTOR PLANNING TO

LOCATE IN MENTONE

In a personal interview with Dr. George L. Sands, of Bourbon, Tuesday, the Co-Op. News editor was informed that the Osteopathic physician and surgeon has rented the north side of the Whetstone duplex, just north of the post office building, and plans to open an office there within the next four to six weeks. Office hours will likely be in the evening as the young man intends to maintain his residence and practice in Bourbon.

Dr. Sands took his internship at the South Bend Osteopathic Hospital and has been at Bourbon about a year. He is married and they have one son, four months of age.

INJURED IN CRASH

Three Rochester men and two women, one from Warsaw and the other from Mentone, sustained minor injuries Sunday night when the car in which they were riding upset on U.S. 31 about four miles south of Benton Harbor, Mich.

They were James R. Bowers, 27, 920 Jefferson street; Bill Hoffman, 24, 1419 College avenue; Robert E. Clevenger, 24, 611 East Ninth street, all of Rochester; Wilma Cramer, 20, R. R. 5 Warsaw; and Mrs. Betty Blue, 21, of Mentone.

The car, being driven by Bowers, upset after failing to make a curve, according to the Berrien county, Mich., Sheriff's office. The car was badly damaged.

All were taken to the St. Joseph, Mich., Memorial Hospital. All but Mrs. Blue and Hoffman were released after receiving first aid.

Hospital attaches said that Mrs. Blue's condition was not serious and that she sustained only minor bruises and abrasions. Hoffman's condition was described as "fairly good" and he is being held in the hospital for observation.

GAMMA GLOBULIN AVAILABLE

At a meeting of the Kosciusko County Medical Society which was held in Mentone on Tuesday evening, Dr. Ryland Roesch of Warsaw, director of the County Health Department, made an important announcement regarding the availability of gamma globulin for prevention of infectious hepatitis and measles. As has been reported recently, all supplies of this material have been taken over by the government and allocated to the states, and through them to local health units. It is available without cost from the health department through local physicians, under certain restrictions. In the case of measles, it may be given to anyone 5 years of age or younger who has definitely been exposed to the disease. In infectious hepatitis it is likewise given to those who have been in close contact with the disease, but there is no age restriction for its use in such instances.

This applies to adjoining counties, as well as to Kosciusko, as Warsaw has been selected as a distribution center. Therefore, anyone with young children who have been exposed to measles, or anyone of any age who has been in recent direct contact with infectious hepatitis, should contact their doctor concerning the advisability of this immunization.

PARENTS OF DAUGHTER

Mr. and Mrs. Emory Davis are the parents of a six pound daughter born last Thursday evening at the Woodlawn hospital.

The new daughter has been named Debra Kay.

ROBBER CONFESSES.

A news story in the Warsaw Times-Union today states that Charles Jack Rhodus, 40, of route 2, Middletown, Ohio, has confessed to burglarizing the Mentone, Pierceton and Akron schools last March 31. He was arrested while making forced entry at New Castle, Indiana.

SCHOOL NEWS

High School Pupils Enjoy Spring Picnic
One hundred and fourteen high school pupils and nine high school teachers left the school at one-thirty Tuesday afternoon for Tippecanoe River State Park, near Winamac, for the annual spring picnic planned by the student council. Drivers of the three buses were Dale Kelley, Elwyn Weiss, and Roger Kelly. The time was spent hiking, playing softball, and other games. A bountiful picnic supper was a feature of the day. The group arrived home at 8:30. In order to re-

lease three buses from the regular routes, the following drove their cars to take pupils from the elementary school home: H. V. Johns, Mrs. Bob Reed, John Boggs, Omer Morrison, Ora McKinley, Mrs. Kent, Lonnie Webb and Albert Tucker. Transportation arrangements were planned by Wayne Tombaugh.

Seniors Plan Class Day

This Friday at 1:20, Class Day activities will begin with a band concert in the gym. Various senior band members will direct the program. Senior band awards will be made. The class day activities will be held in the high school assembly room beginning at 2:00. The public is invited to attend the program. Senior exams will be given on Monday; Commencement exercises will be next Tuesday evening.

Junior Play a Success

Those who attended the Junior play were rewarded with an enjoyable evening of entertainment. The play, "The Adorable Imp," was presented in the Community Building last Friday and Saturday nights. Total receipts were about \$160.00.

Plans for the Closing Days of School Are Made.

At a teachers' meeting on Monday evening, the teachers set up the exam schedule and made plans for the final days of the school year. The last day for the pupils will be Wednesday, May 20. All pupils will be expected to attend until the regular closing time on that day. Teachers will grade the exams and average the grades on Thursday. Grades will be recorded on the report cards and the permanent records on Friday, May 22. Report cards will be mailed that day.

WHEN YOU FEED YOUR HOGS

on Swift's Program, you not only will be feeding the most modern nutritional Hog Feeding program known to science, but you will be feeding at the lowest possible cost.

Swift & Co. knows what a good hog should be. They know what it takes to develop a good finish. By working together the various departments, such as research laboratory, hog buying, hog dressing, by-products and feed division have developed this outstanding program.

Not only is it rich in Animal Protein, a product of your own industry, but it contains that exact nutritional balance of protein (animal and vegetable) vitamins, minerals, anti-biotics, etc., to do the most economical feeding job.

As you buy your feed be sure to deposit the tags in the container in the Mill Office.

METHODIST CHURCH NEWS

Last Sunday evening The Arlington String Ensemble presented an interesting program of classical music. The congregation sang three stanzas of "All Hail the Power of Jesus' Name" followed by the Invocation by the Pastor. The Chancel Choir appropriately sang "Mother's Evening Song" and the Pastor read "I am Music."

The Ensemble Program consisted of Trio Sonatas by Handel, Sarabande by Warner, Barcarolle Et Tarantelle by Allen, the violin solo number from Thais by Massenet, Valse de Concert Aerial by Severn, Brahms' Lullaby, Humoresque by Dvorak, Concerto in E Minor by Mendelssohn, Nearer My God to Thee, and The Holy City.

Professor Arlington made pertinent comments prior to the playing of the number from "Thais" and "Humoresque." Among those present was Mr. Albert Safford, a brother to Walter Safford who works for the Country Print Shop. Mr. Safford is a member of the Indianapolis Symphony Orchestra. Professor Arlington would not let any person except Fritz Kreisler handle his Stradivarius Violin. Two other priceless instruments were used in the program, one violin made by a celebrated student-workman of Antonio Stradivarius, and the other by a well known Italian craftsman in the year 1710.

At the MYF Spring Convention held here on May 3 the following persons

were elected to their respective offices: Jackie Stidham, president of the District; Tom Frost, Vice-president; Martha Hughes, Secretary-treasurer; Susan Lienhart, Commissioner of Christian Faith; Jane Holwerda, Christian Witness; Janet Reed of Mishawaka, Christian Outreach; Don Heche, Christian Citizenship; Joanna Hoover, Christian Fellowship. The above named were for Warsaw District Offices of the MYF.

The following were elected to the South Group or Sub-district Offices: Marvin Kegerreis, President; Larry Elliott, Vice-president; Martha Thomas, Secretary-Treasurer; Dorothy Kendall, Christian Faith; David Gosser, Christian Witness; Carleton Woodworth, Christian Outreach; Bob Berger, Christian Citizenship; Don Rush, Christian Fellowship. Three of the above named are from our own local church, and Jackie Stidham, President of the District, is likewise from this church.

The following youth participated in the Mothers Day Service last Sunday: Charles Urschel, Kent Riner, Dawn Ware, Marjorie Mollenhour, and Barbara King. Eight mothers were presented with plants: Mrs. Broda Clark, Mrs. Rosa Kinsey, Mrs. E. E. Wagner, Mrs. Fred Horn, Mrs. Richard Manwaring, Mrs. Eugene Sarber, Mrs. Herschel Teel, and Mrs. Leslie Welty. It was an inspiration to see the congregation of over two hundred persons sitting in family groups.

This coming Sunday evening the Baccalaureate Service will be held in the Methodist church at eight o'clock. The High School Commencement Service will be held in the Baptist church on Tuesday evening, May 19.

CHARLES URSCHEL LEADS MENTONE SENIORS

Charles Urschel, son of Dr. and Mrs. Dan Urschel, Mentone, has been named valedictorian of the Class of 1953, Mentone High School. Charles has a straight A record for the four years. In addition to his scholastic record, Charles has participated widely in music, speech and art activities during the four years. At present, Charles intends to enroll next September at Carleton College in the pre-medical course.

Salutatorian of the Class of 1953 is Elaine Dunnuck, daughter of Mr. and Mrs. Maurice Dunnuck of Route 2, Etna Green. Miss Dunnuck has an average of A-. She has played in the band for four years, served as a class officer for two years. Elaine helped edit the School newspaper during her senior year and also worked as a member of the 1953 Annual staff. She has participated in FHA and 4-H activities. Miss Dunnuck plans to enter Manchester College next September and train to become an elementary teacher.

Other students with high scholastic records are Merlyn Holt, Kay Hatfield, Sue Hammer, Ronald Brown, Cloanne Nelson, and Barbara King.

Mr. and Mrs. Forrest Miner have moved from the Whetstone apartment to the Brown property just vacated by the Heston Creviston family.

ORA HORN, 80, DIES OF HEART SEIZURE

Orlando, (Ora) E. Horn, 80, well known retired farmer, died Tuesday morning at 9:15 a. m. at the home of his daughter, Mrs. Harley Zolman of 1009 Pontiac St., Rochester. His death, which came suddenly, was from a heart seizure. Mr. Horn has been in failing health for the past ten years.

He was born December 25, 1872, in Fulton County, to Christian and Dorothy ((Meredith) Horn. On July 11, 1896, he was married to Myrtle Fens-termaker who preceded him in death in 1946. For many years Mr. Horn was engaged in farming in Newcastle township.

He was a member of the Talma Methodist Church and the I. O. O. F. Lodge at Rochester. Survivors are a daughter, Mrs. Harley Zolman, Rochester, a son Robert Horn of Huntington, a sister, Mrs. Cora Bryant of Talma. Three grandchildren and five great-grandchildren also survive.

Funeral services will be held Thursday afternoon at 2 p. m. in the Foster funeral home at Rochester, with burial in the I. O. O. F. cemetery at Rochester.

FORMER PALESTINE RESIDENT BURIED LAST WEDNESDAY

Word has been received of the death of Mrs. Alva (Sallie) Mendel of Val-

paraiso, Ind., formerly of Palestine. They operated the Palestine Store about 40 years ago. Funeral was held at the Tucker Funeral Home of Claypool Wednesday, and burial was made

at the Mt. Pleasant cemetery. Surviving relatives are a son, Edmond, two daughters, Mrs. Georgie Warner and Mrs. Winifred Maynard. Mr. Mendel died in 1949.

BLOODMOBILE TO BE
IN MENTONE JUNE 5

Mr. James Rodibaugh, vice chairman of the Kosciusko County Chapter of the American Red Cross, announces that Mr. Fred J. Anglin, Blood Program chairman of the chapter, and Mr. Edward Butler, assistant administrator of the Fort Wayne regional Blood Center, were in Mentone Monday and completed plans for the June 5th visit of the Blood Mobile unit to be held at the Mentone High School.

It is hoped that residents of Mentone and surrounding communities will fill the 144 appointments needed to meet the quota of 125 pints of blood. Appointments will be scheduled from 10:00 to 3:45, taking six every fifteen minutes. Those persons wanting to make appointments should phone either Mrs. Charles Manwaring or Mrs. Miles Manwaring as soon as possible. Calls can also be made at the chapter office, Warsaw No. 4.

All prospective donors should adhere to the eating regulations which require that no fats such as cream or butter, meats, fried foods and eggs can be eaten for at least four hours before their appointment. Light refreshments are desirable during this 4-hour period. Take such things as fruit, fruit juices, bread, crackers, dry toast, raw vegetables or vegetables bottled in plain water, jam, jelly or honey, skimmed milk, black coffee or tea with sugar.

This is the second time the unit has been taken outside of Warsaw—in January of this year a visit was made to Syracuse. The regular professional staff from Fort Wayne will accompany the unit as well as trained volunteers of the local chapter.

Anyone between the ages of 18 and 55½ may be blood donors. You are invited and urged to be one of the 144 needed to fill the quota on June 5.

SOFTBALL TEAM LOSES TWO

The Mentone Merchants' softball team suffered a 6 to 5 defeat at Mentone Friday evening in a game with the Plymouth Scrappers.

Tuesday night the Warsaw AAs took them for a 10-2 decision at Warsaw.

Friday night Goshen plays at Mentone.

MRS. CLABAUGH DIES

Mrs. Frank (Clara) Clabaugh, aged 79 years, who resided two miles south of Elna Green for a number of years, died Wednesday afternoon at three o'clock at the home of a daughter, Mrs. Edwin Latta, north of Warsaw, where she had made her home the past two years. She had been in poor health for a number of years, but her death was unexpected.

Surviving are six sons, Arthur of Garrett, Russell and Charles of Elna Green, Everett of Warsaw and Wilmer and Robert of Detroit; three daughters, Rosa Latta and Ruth Kehler of Warsaw and Mable Owens of Osceola; 33 grandchildren and 32 great-grandchildren.

Her husband preceded her in death in 1944 and three children also preceded her in death.

Funeral arrangements have not been announced, according to the Reed funeral home at Mentone.

ATTEND BROTHER'S FUNERAL

Mr. and Mrs. Garrie Rose returned home on Tuesday from Dowagiac, Michigan, where they went for the funeral service of Claude Rose, Garrie's brother, on Monday.

Claude Rose was born near Atwood and spent his early years in that community. He had resided in Michigan for a number of years, but was making his home with a daughter in Ft. Wayne at the time of his death, which occurred Saturday at the Lutheran hospital. He leaves four daughters and a son; and four brothers, Fred of Reeds Point, Montana, Arthur, of Buchanan, Mich., Virgil of Dowagiac, Mich., and Garrie, of Mentone.

TO SHOW PICTURES

On Thursday evening, May 21 at 8:00, Rev. E. C. Ralston, former pastor of the First Baptist church, will be showing colored slides at the church. These slides will be of the ministry of Chapel Crusaders of which Mr. Ralston is director. They will include pictures of trailer camps, logging and lumber camps, Ozarkian schools, oil camps and gas pumping stations and labor camps in our own country and some Mexican pictures including Charro Days and bordertown tract ministry. Everyone is cordially invited.

ELBE C. JOHNSON DIES

Elbe C. Johnson, 85, a resident of Laketon for 55 years, died Sunday morning at the Veterans' hospital in Fort Wayne. Death was due to pneumonia and complications following an illness of several months.

Born in Allen county, Feb. 24, 1868, he was the son of Emmett and Catherine (Smetzer) Johnson. He was married to Miss Catherine Fulton, who died in 1930. A painter and decorator, Mr. Johnson maintained his home at Laketon, although he had resided with a daughter, Mrs. Gertrude Hill, of this city, almost two years. He fought in Cuba with Co. G, 157th volunteers, familiarly known as the Studebaker Tigers, and was a member of the Macy camp of Spanish-American War Veterans at Wabash.

He leaves his daughter, Mrs. Hill; a granddaughter, Mrs. John (Marjorie) Knecht of Terre Haute, and two great-grandchildren.

Last rites were held at two p. m. Wednesday with Rev. J. E. Bright officiating at the Laketon EUB church, of which the deceased was a member. Burial was in the Laketon cemetery. The Reed funeral home of Mentone, was in charge.

MRS. OLIVER DAVIS DIES

Mrs. Oliver Davis, 72, of Rochester, died at her home Friday morning of complications following a six-month illness.

Born June 10, 1880, in Whitley county, she was Louise Ann Davis, daughter of Joseph and Lottie (Squibb) Davis. She was married Dec. 12, 1901, to Mr. Davis. They moved to Rochester six years ago from Hammond. Mrs. Davis was a member of the Christian Fellowship church at Hammond.

She leaves, in addition to her husband, a daughter, Mrs. Oscar Ludders, of Dyer; a son, Oliver D. Davis of So. Haven, Mich.; a brother, Jacob H. Gross, of Rochester; seven grandchildren, and one great-grandchild.

Final rites were held at 2:30 p. m. Monday at the Mentone Baptist church. Rev. Clyde Rodabaugh, Terre Haute, former pastor of the Hammond Christian Fellowship church, officiated. Burial was in the Mentone cemetery.

Jennie Thomas was a guest of Mr. and Mrs. Charles Madeford of Gilead, a part of last week.

FORMER MENTONE MAN
APPOINTED ASSOCIATE DEAN

Ira D. Anderson, formerly of this place and a graduate of the Indiana university school of business, has been appointed associate dean and director of the Northwestern university school of commerce.

Anderson was graduated with distinction in 1929 from the Indiana university business school and then obtained his master's and doctor's degrees from Northwestern.

Mr. Anderson has been professor of marketing since 1949 and head of the marketing department at Northwestern since 1950. For two years he was assistant chief for retail trade in the United States bureau of the census and is a former consulting economist for the national retail furniture association.

Ira is the son of Dr. and Mrs. E. D. Anderson, of Mentone.

ALUMNI BANQUET
PLANS CANCELLED

Because of the small number of reservations (80) which the secretary has received for the Mentone High School Alumni banquet which was scheduled for May 23, 1953, the alumni officers have deemed it advisable to cancel the banquet for this year.

It is hoped that an alumni banquet can be planned for next year.

PARENTS OF DAUGHTERS

Mr. and Mrs. Robert Norris are the parents of a daughter, weighing six pounds, 10 ounces, born at 11:25 a. m.

Mr. and Mrs. Dean Hively are the parents of a daughter born at 9:06 a. m. Friday, by caesarean section.

Mr. and Mrs. Donald Grubbs, Route 4, Warsaw, are the parents of a daughter, weighing six pounds, three ounces, born at 5:04 a. m. Friday.

All the above were born at the Murphy Medical Center at Warsaw.

WITH AN
ELECTRIC
FARM & HOME
FREEZER

To take full advantage of the convenience and economy of frozen foods, you must have your own individual Electric Food Freezer.

You can get one in a size to fit your needs exactly, whether for farm or city home.

Enjoy Convenience and Economy with

an Electric Farm and Home Freezer!

Better Quality

Buy the best when available. Stock up on all kinds of commercial frozen foods when plentiful and prices low. Buy fresh foods at their peak of goodness, right when they're in season, freeze and store with all their quality and flavor locked in.

Save Time and Money

Shop once a week, or even every two weeks. Buy foods at quantity prices and *really* save. Fruits by the bushel, berries by the crate, vegetables by the hamper, ice cream by the gallon, a week's or month's supply of meat at one time.

Avoid Waste

Cook large, economical quantities of roasts, stews, beans, gravies, sauces, and freeze until needed. Have "planned-overs" instead of leftovers.

Freeze instead of Can

It's easier to freeze foods—and you enjoy fresh, peak-of-goodness flavor. You can easily prepare and freeze the fruits and vegetables you raise in your own garden, and save a lot of time and money, too!

Frozen Pantry

Imagine having all the food you need in the house at all times—from snack to complete meal! No concern then, about unexpected guests. You can even prepare quantities of pies, cakes or biscuits days ahead, freeze them ready to pop into the oven—or bake first, then freeze.

No "Seasons"

With your own Electric Food Freezer you can enjoy strawberries at Christmas, or oysters in August. No need to depend upon "fresh" fruits or vegetables shipped long distances at premium prices. You are really the master of your menus!

MERRY MOLLYS CLUB

PLANS PROGRAM

A playlet regarding program planning opened a general discussion of the subject at the meeting of the Merry Mollys home demonstration club, for which Mrs. La Mar Leffert was hostess on Monday evening.

Mrs. Herschel McGowen, president of the club; Mrs. Jean Horn; Mrs.

La Mar Leffert, Mrs. Heston Crevis-ton and Mrs. Carl Whetstone, presented the playlet. Subjects for study during the coming year were suggested by the club members.

Mrs. Herschel McGowen presided in the business session. The club planned for a bake sale May 23, at 9:00 at Hoovers Grocery.

Cheerio Pal gifts were received by

Mrs. Bob Hibschan and Mrs. Everett Welborn. Delicious refreshments were served to 14 members with Mrs. Joe Tucker acting as co-hostess.

Mrs. Herschel McGowen will be hostess at the next meeting, June 8th.

4-H CLUB MEETS

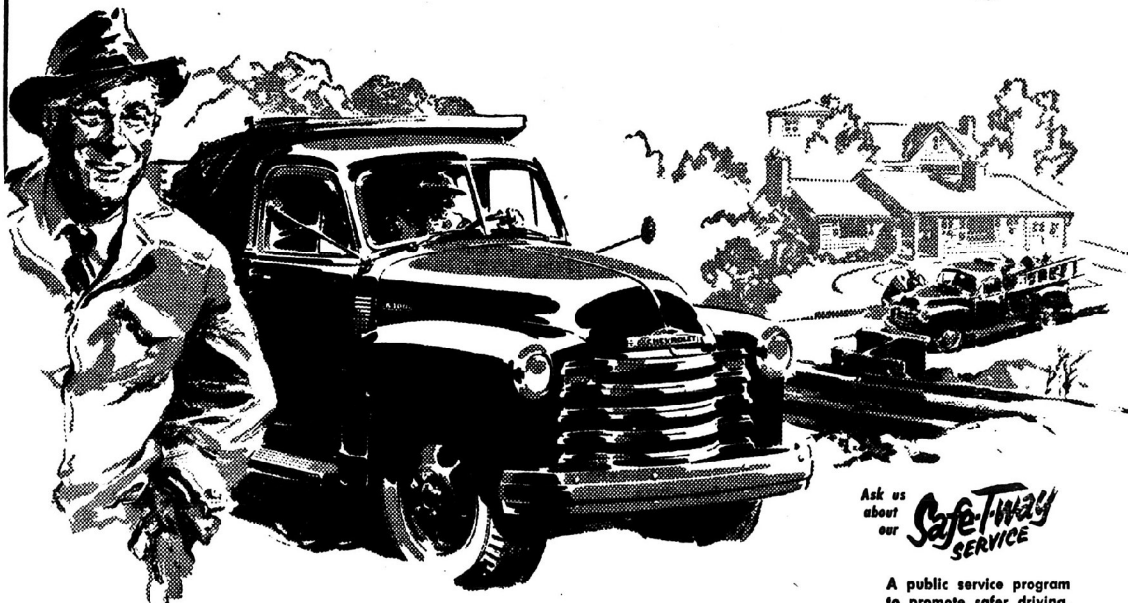

The Mentone Hustlers met Monday 18 at the school house. There were

21 members, leader and 3 parents

We had two talks: one by Glen Davis, "How to Take Care of Your Baby Chicks," and another by Larry Long about "Health and Safety." Mr. Weiss said that we would have recreation at the first of the meeting because some of the farm boys couldn't get in for the business part of the meeting. We had pop for refreshments.

No doubt about it...

Chevrolet trucks must be the best buy!

Ask us about our **Safe-T-Way SERVICE**

A public service program to promote safer driving.

This year—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. That couldn't be true unless Chevrolet trucks offered more of what you want.

Already, 1953's official sales figures tell a remarkable story of clear-cut and decisive preference for Chevrolet trucks. But, this is not surprising, for truck users everywhere are discovering how far ahead of all others Chevrolet trucks really are.

They are discovering things like the tremendous new power in advanced Load-master engines in heavy-duty models . . . the remarkable gasoline economy . . . the extra ruggedness and strength of heavier, more rigid frame construction.

And, in addition to all these advantages, the Chevrolet line lists for less than any other trucks of comparable size and capacity. So, before you buy any truck, stop in and see us.

SCHOOL NEWS

Overflow Crowd Attends Commencement Exercises

An overflow crowd filled every available space at the Baptist church Tuesday evening as the members of the Class of 1953 were graduated. Dr. John J. Young gave the audience some food for thought in asking that the audience seriously consider this great task of passing on the social heritage from one generation to the next. Dr. Young discredited the idea that some people hold that the schools are not teaching the fundamentals and that there is little discipline in the present day schools.

The Junior class had decorated the church with flowers and participated in a candlelight ceremony during the processional and recessional. Rita Olson and Mary Ellen Bryan each played musical selections on the piano. Dave Gosser sang a vocal solo. Diplomas were presented to the class members by Glen Whitehead, County Superintendent of Schools.

Awards were presented to the following individuals: Attendance award—presented by the War Mothers of World War II—Boyd Blue; Valedictorian award—presented by the Psi Iota Xi Sorority—Charles Urschel; Salutatorian award—presented by the Psi

Iota Xi Sorority—Elaine Dunnuck; Honor medal—presented by the Mentone post of the American Legion—Ronald Brown; Merit Trophy—presented by Brown's Jewelry Store—Elaine Dunnuck; Lord Calvert wrist watch—presented by Baker's Jewelry and appliance—Ronald Brown; Lady Calvert wrist watch—presented by Baker's Jewelry and Appliance—Carol Rule.

Following the graduation exercises, the parents, graduates and teachers were guests at a reception held in the school cafeteria. Light refreshments were served. Mr. Hoogenboom talked briefly with the parents about the final arrangements for the senior trip.

Seniors to Leave on Trip

At 12:30 this Sunday afternoon, the Class of 1953 will leave from the Mentone Nickel Plate depot for their trip to Washington, D. C. and New York City. All friends of the graduates are urged to come down to see the graduates leave. They will return Friday, May 29, at 12:00 noon.

Pupils Complete School Year

Exams on Tuesday and Wednesday marked the end of the school year for the 400 pupils attending the Mentone School. Teachers will work at the school on Thursday and Friday grading papers, checking the inventory, making final reports, and getting the report cards ready to mail. Report

JUSTIN LONG TELLS OF CYCLONE

The following letter was written by Justin Long to his parents, Mr. and Mrs. Truman Long. The Justin Long family resides at Auburn, Alabama, which was in the path of the recent cyclone. The letter gives first hand information of the damage done.

P. O. Box 938
Auburn, Alabama
20 April, 1953

Dear Folks,

We have been so tied up it seems we never get around to letters. I'll take just a few minutes to tell you about the storm, to add on to what Lillian wrote I was getting ready to go to the office and work, when it got quite dark outside. I went out in the yard to see which direction the storm was from us and which direction it was moving. There was a deep blue cloud to the north, and a light green region to the northwest. The sky was light to the south and east. We were just under the edge of the cloud, but I couldn't be sure which way it was moving. Then I heard the sound, like a freight train. I looked for a funnel but couldn't find any. As the wind got worse and it started to rain a little I went back into the house. The roar was getting louder and I even asked myself if a flight of jet planes could be up there in such weather—it sounded like about a hundred of them.

MENTONE

The power went off at 4:10. I suppose the wind lasted for ten minutes, maybe less. Our trees were blowing northward for about five minutes; there was a calm for ten or fifteen seconds and then they started blowing over the other way. Then it started to rain hard, and for a few minutes just poured; must have rained half an inch in two minutes the way water was standing. Then the rain and wind both slacked off to that of an ordinary thunderstorm and in half an hour it was all over. After the rain stopped, I got in the car to go after groceries. When I got to Thomasons, she flagged me down and said the roads to town were all blocked. They had been uptown when it struck and just got home; Henry is a policeman and had to go back and direct traffic. They had got through an alley, but said that telephone and power wires were down on all streets and traffic was at a standstill. So I went back home. We lit candles and ate supper and then went to bed. Our telephone service was restored by 9:00 that evening, although it seems like a miracle to me. Our stove, refrigerator and floor furnace were off, so we had no heat, light or cooking. We stayed in bed late on Sunday morning because of the chill. I finally came to the lab and got a gas burner and made hot cocoa, then fried some bacon and made oatmeal.

It was quite a job getting to the campus; trees were down everywhere. The national guard was posted at street corners. Lanes had been chopped through the main streets for cars to get through. The power came on at 10:30, just after breakfast was fixed. Of course we weren't expecting any power all day. After noon we went to a grocery store on the edge of town to get some bread and survey the damage as best we could. The streets in the worst hit areas were all closed to everything except emergency traffic.

The Lakeview subdivision, just a half mile from us had lost patches of shingles or all, and when the rains came it soaked off plaster and ruined furniture; people were trying to get out rugs and bedding Sunday afternoon. A little further away there was a two story brick house in a pine thicket. When we turn onto Dean Road from our place that pine thicket had dominated the horizon—I had never realized it until yesterday when I turned the corner and the thicket wasn't there. A few old dead crags still standing—that was all. There must have been five acres of big pine trees leveled there. The brick house was flattened, too; that is about a mile from our place. A half mile further was a row of ramshackle houses, nearly all destroyed. A little further west was a negro settlement, wiped clean. Then the Plymouth-DeSoto garage, concrete block, badly damaged and across the street a large laundry, also in bad shape. Further west (one half mile) is where Prof. Moore lives; a tree fell into his dining room, and

his garage is almost gone. Another mile further west is the most expensive part of town, restricted to \$20,000 plus homes. Dr. Nichols (chemistry) lost twenty trees but little damage to his house, but many other homes were unroofed or had trees across them and they say that nearly every tree is down—it was a beautiful wooded area. Dr. Land (also chemistry) has three trees in his house. Dr. Sturm (research foundation) had his house moved off the foundation, etc. etc. We haven't seen that part of town yet, but it must be bad. I saw a sign some students had put up on a huge old tree: "Gone With the Wind" . . . and then another sign beneath it "But it still looks better than Tuscaloosa" (site of the University of Ala.) Back toward our place, on Glenn avenue the telephone lines

from Montgomery eastward go through. There was a string of poles, dozen or so in a row, down across the road and wires everywhere. One family had two or three acres on a little knoll, with pecan trees all over and most of their pecan trees are gone. It is amazing that no one was killed in Auburn.

I have a big stack of papers to grade; meant to do it Saturday afternoon, but when the power went off I postponed that.

Your son, Justin.

FRIENDLY NEIGHBORS MEET

The Friendly Neighbors Home Ec. club met at the home of Mrs. Chas. Manwaring Tuesday, May 12, for their guest night. The meditation was led by Mrs. Ernest Studebaker. History of the song of the month, "Beautiful Dreamer," was given by Mrs. Turner Boggs, after which it was sung by Mrs. Studebaker. Answer to roll call was, "Introduce your guest and name your pet peeve." We repeated the Club Collect. The meeting was then turned over to the social committee.

A duet was sung by Donna Lou Eaton and Janet Romine.

Mr. and Mrs. Leo E. Ruckle showed pictures taken while on their tour of Europe last year and was very interesting.

Potted plants were awarded to Mrs. Rhode Jones as the oldest mother;

Mrs. Charles Beeson, the mother of the most children, and Mrs. Dee Nellans as the youngest mother. Mrs. Robert Dickerhoff won the door prize.

Lovely refreshments were served by the hostess and her co-hostess, Mrs. Gerald Ballinger and Mrs. Everett Rookstool, to forty-one members and guests.

The June meeting will be with Nellie Riner on June 11 at 1:30.

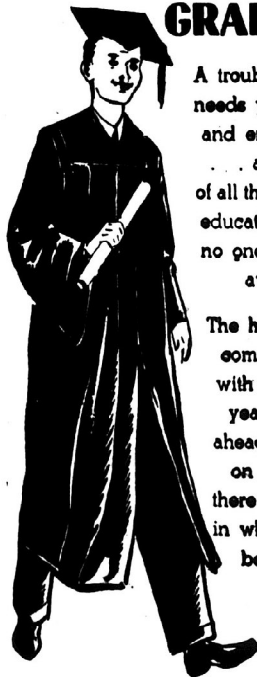

—Club reporter.

GIRL SCOUT MINUTES

May 19, 1953, we opened our regular meeting with pledge to the American Flag, Scout promise and Laws. The roll was called and dues collected. The minutes were read and approved. We are selling poppies again this year. After that we adjourned.

Secretary, Leah Nell Lemler.

We have the *NEW* Swift's Mineral Supplement BLOCK

Mineral feeding hits a new high in ease and economy with Swift's Mineral Supplement in block form. Perfected by Swift for cattle and sheep, the new mineral block meets these strict regulations:

—It's soft enough so animals get their mineral quota easily
—It's hard enough to resist weather
—It's easy to handle, easy to feed

In formula and quality the block is the same as the familiar Swift's Mineral Supplement in powdered form. It provides ten essential mineral elements all livestock need. It's held together by a palatable molasses binder. Swift's Mineral Supplement contains no fillers or waste. Every ingredient has feeding value.

Supplies these ten profit-making elements:

- Manganese
- Iron
- Copper
- Cobalt
- Sodium
- Chlorine
- Calcium
- Phosphorus
- Magnesium Sulphate
- Iodine

HAVE BABY FOX FOR PET.

Mrs. Harold Linn stopped in the Co-Op. News office on Tuesday morning to show us their newest pet—a baby fox just a little over a month old. She had taken him to school for the grade children to see and enjoy.

A litter of four baby foxes was found on the Everett Long farm. Erm McGowen and Jack VanGilder helped Everett "dig them out." Besides the Harold Linn family, Bill Clark and Harold Markley each took a baby fox and the fourth went to a family at Huffman Lake.

The little fellow has all the appeal of any of Mother Nature's babies, but retains the inherent aversion to men, in spite of the month of domestic training. Time may change this.

Mrs. Linn says the baby fox has an appetite for everything, including crayons, modeling clay and coffee. Let us hope he never discovers our neighborhood chickens.

R. N. A. MEETS

The Royal Neighbors were entertained on Tuesday evening, May 5th, in the home of Neighbor Elnora Coplen. The meeting was opened with the pledge to the flag. The regular order of business was conducted by our orator, Snowden Halderman. The divine blessing was given by Neighbor Rynearson. Plans were made for Decoration and names given out of our deceased members. It was decided to give up going to the district meeting at South Whitley. The mystery package was won by Della Dillingham. Several contests were enjoyed during the social hour, prizes going to Fern Rickel, Mary Borton, Mary Teel. The next meeting will be with Neighbor Emma Cook.

The hostess and her assistants, Neighbor Newell and Neighbor Georgia Coplen, served delicious refreshments.

Mr. and Mrs. James Rodibaugh and family returned home Saturday evening after spending two weeks at Oxford, Nebraska, where they had been called by the illness of Mrs. Rodibaugh's father, Dr. C. D. Evans.

Help Keep Boys in Scouting

Next Monday the annual roundup for funds necessary towards the operation of Pioneer Trails Council, Boy Scouts of America, will occur in all towns within Kosciusko county. Fred Priser, of Goshen, Council finance chairman, asserted that the objective budget is \$33,850.00 of which \$23,500.00 has been approved by the Goshen and Elkhart Community Chests, leaving only \$10,350.00 to be contributed by communities elsewhere in the Council area.

This proposed budget includes the services of four full time executives, secretary salaries, supplies and postage, leadership and maintenance of Pioneer Trails Scout Reservation, traveling expenses, council activities, insurance, camp and office equipment, retirement (social security), office and camp utilities, leadership training, and finance roundup printing costs.

Only one percent of the total budget is sent to the National Council office to subsidize its expense, leaving 99% of the total income to be disbursed within the three counties (Kosciusko, LaGrange and Elkhart) comprising the Pioneer Trails Council Area.

Total registered membership increased from 1,358 in 1948 to 2,183 in 1953. The council enrolled 40% more scouts at the camping reservation last year than in 1951. Moreover a sharp increase in the training and advancement programs indicate that the National slogan for Scouting, "Forward on Liberty's Team," has gained momentum in each troop and pack within the Council area.

Hobart Creighton is chairman of the fund drive for this county, and scouts will make a complete canvas of the county on Monday, May 25th. This will be your opportunity to help in this worthy endeavor.

CHARLES HORN HOME BURNS

The Mentone fire department was called to the Charles Horn home Monday morning when the house was found to be burning. In addition to the two Mentone units, the Akron department was there with one truck. Evidently the fire started from a chimney.

Most of the downstairs furniture was saved but almost everything on the second floor was burned. There was \$2,000 insurance on the house and a like amount on the contents.

One of the Akron firemen was overcome from smoke or gas, but he was taken from the building and revived by the resuscitator.

Mr. Horn is employed by the Frank Manufacturing Company as a truck driver, and he and his family have

now moved to Talma and are living in the Montgomery home.

TALMA HOME EC CLUB PLANS FUTURE MEETINGS

The home of Mrs. Elgie Vandermark was the scene of the T.H.E. club meeting recently.

Mrs. Roy Hubbard, president, presided at the meeting and Mrs. Verde Brockey gave a most interesting lesson on "Broiler Meals." Mrs. Vandermark was in charge of the devotions.

Discussion groups were formed to choose material for the next year's programs.

The roll call for the next meeting, which will be guest day, will be answered by each bringing a keepsake and giving the history of it.

Miss Mary Jo Vandermark entertained the guests with several piano selections and delicious refreshments were served.

NOTICE

Although it should not be necessary to call to the attention of owners of dogs that it is a violation of State law to permit any dog to run at large, or to be off owner's premises, except on leash, or while engaged in legal hunting, yet a large number of dogs are roaming at will, both as a potential rabies menace to other live stock and human beings, and as destructive nuisances in damage to gardens and other property.

In some few instances, dogs are kept

under control, which is only as it should be, and owners of such dogs are to be commended for their respect for law, and a desire to refrain from causing any damage or inconvenience to their neighbors.

The co-operation of all to whom this may apply is urged, in order that it may not be necessary to use legal measures to bring about that which can be done voluntarily, and to forestall any criminal liability or damage claims.

METHODIST CHURCH NEWS

A complete report for the Conference Year 1952-53 will be presented by the pastor next week after he has completed his annual conference reports. An encouraging item is the goodly number of accessions and the increased benevolent giving for this current church year. This latter well exceeds \$1,500.00, the largest annual contribution this local church has ever made to missions in its entire history.

The spiritual life of a church is known and recognized by its Christian out-reach and fellowship. This year it is evidenced not only through the supported mission projects, but also thru the steady growth and the increase of interest within the local church.

This has been possible only because of the deep spiritual insight and Christian love and fellowship which makes harmony and cooperation available as a tool of God's Kingdom. The response, from the lay-organizations and visitation teams has been commendable. The pastor is grateful for the support that has been given in all phases of the church work, and he eagerly awaits the beginning of a new church year when he may be returned to resume his work in this church and community.

As he has so very often remarked from the pulpit, he recognizes the fact that he is but a co-worker with laymen and women in the purposes and plans God sets forth for the hands, hearts and minds of men in this great Universe of God. The lay work in the local church is taking on a greater significance for the glory of the Lord.

On May 27, ten o'clock A. M., the annual conference will convene in the Wayne Street Methodist Church with a Memorial service for deceased ministers and wives. Among those to be thus held in memory are Dale Stackhouse and E. E. DeWitt, the latter having been a great builder in the life and work of this church.

Although there are but two repre-

sentatives from this church (and every Methodist church) authorized to vote at business sessions, the pastor and Raymond Lash, with Charles Manwaring as his alternate, all interested persons are urged to attend any or all sessions of the conference which will conclude with the Reading of Appearances on Sunday afternoon, May 31.

The evening sessions held at eight o'clock and the Sunday services are of special interest to lay and ministerial folk alike. Outstanding speakers are provided for inspiration and spiritual direction. Special music is likewise provided.

Included in the rosters of speakers are: Rev. John W. Rustin of Belmont Church, Nashville, speaking on Wednesday evening; the A Capella Choir of Taylor University presents a program on Friday evening; the Rev. Carl S. Winters of The First Baptist Church of Oak Park, Ill., on Saturday evening. He is an outstanding lecturer and speaker, having addressed over 200,000 persons this past year. He is the current Skid-Row chairman for Chicago, was a former Crime Commissioner in Michigan, and is a noted radio minister. He recently addressed the New York Dental Society of 16,000 delegates, and gave the keynote address at the 1953 Iowa Kiwanis convention.

On Sunday morning the Hour of Inspiration with our own Bishop Raines giving the address, will be held at 10:30 in the new Memorial Coliseum in Fort Wayne. There will be ample room for our entire congregation to attend, and if you wish to pack a picnic lunch, tables and benches will be provided in the basement of the Coliseum. The concession food stands will also be open.

The Ordination Service and Reading of Appearances will also be held in the Coliseum. The hour of service is 2:30.

Because we are within driving distance of these services and many of

our people think nothing of going to Fort Wayne for entertainment purposes, the entire congregation and church school and their friends are urged to attend en masse. Transportation will be provided those desiring to go who otherwise could not attend. Cars should leave the church not later than 9:00, May 31, for the morning service. Don't forget that picnic lunch, and remain for the ordination service and reading of appointments. Note: No worship or study period service in the local church that Sunday.

**BROOK LAMPHREY
SAYS DR. KINTNER**

Dr. Edward Kintner of North Manchester, says the lamphrey caught by fishermen recently at Chapman Lake is the brook type and not the ocean type that has invaded the Great Lakes. He says the brook type has been in the streams and lakes for ages and are not a serious menace. However, it is possible the ocean lamphrey may get into the Great Lakes through the Elkhart, St. Joseph, St. Joe, Maumee and other streams. There is no record of the lamphreys being in the Gulf of Mexico, or the Mississippi river. The lamphreys that invaded the Great Lakes probably followed up the St. Lawrence river and through the Welland canal. They grow to large size, some as long as three feet, and have been very destructive to fish in Lakes Ontario, Erie and Huron. There is evidence they have reached Lake Superior and of course can move southward into lower Lake Michigan. — News-Journal.

**SECOND GRADE TAKES
TRAIN TRIP**

Thirty-two pupils in the second grade took a train trip last Friday. They left Warsaw, on the Pennsylvania, and rode to Plymouth. Mrs. Eldon Horn and Mrs. Loren Tridle, mothers of second grade pupils,

Mrs. Vance Johns, and Miss Wreatha McFarren, teacher, accompanied the group.

Each child had decorated a small ice cream bucket and carried a lunch. When the group arrived in Plymouth they were met by Mrs. Allen G. Shirey, Mrs. Wayne Nellans, Mrs. Drudge and Mrs. James Besson, in cars. These mothers took them to the Centennial park where a picnic lunch was enjoyed, before they came home.

WINNING JUNIOR HIGH ESSAY

The following essay was Junior high first place winner in the Americanism Contest sponsored by the American Legion Auxiliary, Unit 425. The essay, "The Survival of Our Liberties," was written by Nancy Van De Water.

The Survival of Our Liberties
Just what are our liberties? How can we lose them? How can we preserve them?

One hundred seventy eight years ago our forefathers fought for the liberty we now enjoy and take for granted.

Twice we have fought to keep these liberties, and we are now fighting a third time, not only to keep these liberties, but also that others may know of them and be free from the aggression of other powerful nations.

Our people are a happy people free from the fears of secret police, lurking in dark corners, trying to catch us doing something against the government. Instead our government protects us and tries to prove our innocence and not our guilt. Our government has organizations which take care of the needy and the poor.

Our land is bountiful and will continue to be as long as we are conservative with our natural resources. We have an educational program where we can all receive a free education if we will only take it.

We have organizations that teach our boys and girls how to get along with each other and become good Americans. A few of these are the Boy Scouts, the Girl Scouts, the Camp Fire Girls, M.Y.F., F.F.A., F.H.A., and 4-H Clubs and many others.

One of the most important liberties is the freedom to worship as you wish and where you wish.

These are our liberties and we can lose them by not voting, by breaking

**STANLEY BOGGS BURIED
HERE ON TUESDAY**

Stanley S. Boggs, 67, well known farmer of south of town, died at 5 a. m. last Friday at the McDonald hospital at Warsaw where he had been critically ill since the previous Tuesday. He had suffered from asthma for 20 years and had been hospitalized by the affliction many times.

Born in Warsaw Aug. 20, 1885, he was the son of William and Frances (Stephenson) Boggs. A graduate of the Purdue university school of engineering in 1907, he was married to Miss Mary Harding, of Mentone. He was employed by the Texas and Pacific railroad for six years in Louisiana and Texas, but resided in this county all the rest of his life. From 1916 to 1928 he was county surveyor. He was a member of the Mentone Methodist church and the Masonic lodge and Lions club here.

He leaves his wife; two sons, Stanley, Jr., of El Salvador, Central America, who arrived by plane on Saturday, and Joe, of this place; three brothers, Birch of Miami, Fla., Ray of Minneapolis, Minn., and Dale, of Goshen, and two grandchildren.

Funeral services were held Tuesday afternoon at the Methodist church with Rev. David Gosser officiating. Grave-side rites were conducted by the Masonic lodge.

The Johns funeral home was in charge of arrangements.

METHODIST CHURCH NEWS

There will be no services in the local church this Sunday. The congregation and friends are urged to attend the services in the Coliseum at Fort Wayne at 10:30 a. m. and 2:00 p. m., Sunday, May 31.

Bring a picnic lunch and make it a day. Benches, tables and food concessions available in Coliseum basement.

**FREE DEMONSTRATION AND
MOVIES TO BE SHOWN HERE**

The Northern Indiana Cooperative Association has made arrangements with the Ethyl Corporation for them to bring their motor demonstration unit to Mentone on the evening of June 2. The unit includes an open motor so constructed that one can see what actually happens within a combustion engine while it is running. Usually this demonstration is taken only to the larger cities, so Mentone is fortunate, indeed, to be favored with its presentation here.

Anyone at all interested in combustion motors of any kind should attend this demonstration. It will bring you information that should be of extreme value in the future.

The demonstration is not just a selling demonstration, but educational.

The Cooperative invites not only the men folks, but the ladies and children as well. They are preparing to serve lunch and refreshments to everyone and movies will be shown. Many valuable door prizes will also be given away absolutely free.

The Co-Op. officials invite you to be their guests Tuesday evening, June 2, starting at eight o'clock at the Mentone Community Building.

**SUMMER VACATION READING
CLUB BEGINS THIS WEEK**

All the boys and girls of the community, both in town and in the country, are invited to come to the Mentone Library and join one of the vacation reading clubs. There will be no meetings to attend. You only sign up for your club—take out library books you can read and bring back a slip from your mother saying you have read the books.

Children who were in grades one to four last year, will join the Maypole Club. After they have read four books, they may choose a doll, girl or boy, to dance around the maypole. For the fifth book read, their doll will receive a small book and for each following book read, a star will be put in the little book.

If the child reads fifteen books, he will receive a diploma at the end of the summer. Each child will receive his doll and record book at the end of the summer. The Maypoles will also be given to the one reading the most books in each group of four.

Boys and girls who were in grades four to eight last year will belong to the "See Indiana" Club. More about that next week.

Come in and join your club and read for fun this summer.

WILLIAM PITTMAN DIES

William Pittman, aged 73, of near here, died at 10:10 p. m. Tuesday at the McDonald hospital at Warsaw. He had been seriously ill for two weeks, due to carcinoma.

Mr. Pittman, a farmer, living three and one-half miles north of town, had resided in this county all his life with the exception of a few years spent in Michigan. He was born near Burket Feb. 19, 1880, the son of Eli and Mary (Zent) Pittman.

Surviving relatives include his wife, the former Nellie Sprague, to whom he was married Dec. 31, 1902; four daughters, Mrs. Elery Nellans, Route 5, Warsaw, Mrs. Olive Johnson, Etna Green, Mrs. Ora Vandermark of Walton and Mrs. W. O. Moor, Dixon, Ill.; 14 grandchildren, eight great-grandchildren; a half brother, J. A. Anderson, and a half-sister, Mrs. Vern Milburn of Bourbon.

A son, Glenn, was killed while serving in Europe during World War II. Funeral services will be held at 2 p. m. Saturday at the Pilgrim Primitive Baptist church, north of here. Elder Elias Sarber will officiate. Friends may call at the Johns funeral home until Saturday noon.

MERCHANTS ELECT OFFICIALS

At the regular meeting of the Mentone Merchants' Association Monday evening, officials were elected for the coming year. They were:

Jack Shinn, president.
Fred Lemler, vice president.

James Rodibaugh, secretary-treasurer.

Considerable discussion took place concerning summer entertainment, but no definite decision was reached. A survey is being made to determine the choice of the merchants.

Following the meeting those present were invited to the basement dining room at the bank where sandwiches, rolls, doughnuts and coffee were enjoyed.

**MOST BUSINESSES TO
BE CLOSED HERE SATURDAY**

Indications are that most of the local business establishments will be closed Saturday for the Memorial Day holiday. There will be a program in the afternoon and all are invited to be present for this annual event.

NONAGENARIAN REMINISCES ABOUT EARLY DAYS IN BIG FOOT AREA

At the request of The News-Sentinel a Fulton county pioneer resident, Mrs. Susan Rogers, 96, now of 50 Lane Court, Oakland, Cal., has written concerning modes of living in Fulton county of nearly a century ago.

Mrs. Rogers who resides with her son, Dr. Hobart Rogers, in Oakland, still is enjoying good health and an alert mind, as her accompanying story of the early days will disclose. Her eyesight, however, has begun to fail but nevertheless she has a keen interest in current affairs as well as an unflinching memory of the events which occurred during her childhood.

A pioneer resident of Newcastle township, she went to California about a score of years ago, several years after the death of her second husband, John Rogers. While in Fulton county, Mrs. Rogers resided on a farm which lies directly west of what once was the little village of Big Foot. The site is located approximately five miles southeast of Talma.

BIG FOOT, during the time of Mrs. Rogers' residency there, was comprised of two general stores, a sawmill, a telephone exchange, a blacksmith shop and a doctor's office. The late Dr. Winfield Scott Shafer, father of Mayor Robert W. Shafer, of Rochester, began his practice there; another physician who maintained an office in Big Foot was the late Dr. Mark Kizer.

Mrs. Rogers' first marriage was to William Mickey, who died over 60 years ago. The children who were born to this union all preceded their mother in death.

A step-grandson of Mrs. Rogers—Maurice Rogers—resides in the old homestead in Newcastle township.

This information was secured from Perry Jefferies, 505 E. Ninth Street, Rochester, who is a nephew of Mrs. Rogers. Other nephews and nieces in this vicinity are:

Anell Rogers, Macy; Mrs. Addie Walburn, near Akron; Gladias Wharton and Roy Wharton, near Kewanna; Mrs. Clara Heeter, Akron; and Mrs. Ernest Green, Fulton. Several other relatives such as grandchildren, step-grandchildren and cousins are also residents of Fulton or Kosciusko counties.

MRS. ROGERS' story of her childhood:

"I was born January 28, 1857, in Kosciusko county, Indiana. When I

was four years old father sold the 40 acres where I was born and bought 80 acres a mile west. This land was covered with trees and he cut the logs to build our house, hand hewed them with a broad axe and built two large rooms, one downstairs and one up. We had to have plenty of bed room as there were nine of us, seven children and mother and father.

"Later he built a kitchen and dining room on the north side of the house. When he was building our home he would get the logs ready and the neighbors would come and help with the 'raising,' as they called it. Father hewed the roof from hickory logs, clapboards they called them, about two and a half feet long. They were lasting roofs.

"When father was clearing land, either for building or for planting, the logs were often too big to handle. Then we children would gather small sticks and put them on each side of the log. Then they were set on fire and the log burned in two.

"We did not have matches in those days. The fire had to be started with flint. In the winter father kept a fire going in the fireplace all the time, but one night it went out. This time we didn't use the flint, we went to the neighbors and brought home a shovel full of coals.

For light at night we had tallow candles and grease lamps, mostly candles. Mother made the candles from the fat of the animals father killed for food. She put a wick into a candle mold and poured the fat in the mold. The grease lamp was a small tin container with a twisted rag in it which was filled with fat.

"Father and two older boys cleared land enough so we could raise corn and wheat. There were lots of maple trees and we made our own maple sugar and syrup. After a while the men folks built a log cabin a quarter mile from the house where they kept bedding and food. My brothers, Sam and Will, would stay there day and night and boil the sugar water down into syrup. We had plenty to eat and enough to wear, but not like the things we have now.

Father had a few sheep and in the spring the boys would take them to a deep place in the creek and wash them, then they were put in a clean dry pen with clean grass until their wool dried when father would shear them. In a few days mother would ask three or four neighbor women in and they would have a wool picking. This would

take all day, they had a good time, it was lots of fun. The wool was then carded by hand by my older sisters and then mother would color it. She used madre for red, indigo for blue, coppers to make yellow and for black (guess what) we had loads of black walnuts and she would take the hulls, boil them in a big iron kettle, strain the water and use it to color black, and it sure did not fade. The blue and yellow mixed made green.

"Flax was raised on the farm, too, that was hackled till the husks were broken, then combed until all the husk was removed. It was then called tow and that was spun into thread and woven into clothes and for the tablecloths, towels, sheets and bedticks. The bedticks were filled with straw. A flock of geese we had furnished the feathers for pillows and feather beds.

"On wash day a wild grape vine was used for a line. When the clothes were dry the flat pieces were folded and put on a chair and when anyone wanted to sit down they sat on the clothes and pressed them.

"When I was four years old the Civil War came and my two older brothers went away. The oldest came home but the other became a prisoner, and died of the measles. He now sleeps in Nashville, Tenn.

"I remember father killing a deer and dragging it across the yard. He and my brothers hunted and brought home lots of squirrels and some quail. Whenever father killed a wild animal he tanned the hide in wood ashes and made our shoe strings and wide straps of leather would make hinges for the doors of the corn cribs and stables.

"We had a team of oxen and later a team of horses, too. The oxen were used to roll the logs together for burning when land was being cleared. Wheat was cut with a cradle. A horse pulled the threshing machine and the hay was cut with a scythe and raked by hand. The wheat was bound by hand into sheaves a dozen at a time and the men would stack them.

"Our well was dug about 25 feet deep. It was walled with rock and we had good cold water, but as I think of it now it probably wasn't very sanitary, but we lived through the years.

"Mother made the soap. She saved all the ashes and had what she called a hopper where she packed the ashes. She would pour water on them which she called leaching them into lye. She would put the lye in one of those big iron kettles, put the grease into the lye and boil it until it was made into soap.

"The men folk did the butchering and took care of the meat curing. My parents never kept a loaded gun in the house and never kept the doors locked. One night the door was opened and three soldiers walked in. Father got up and asked them what they wanted and they said 'candles.' They stayed a short time. Father and mother were wondering about these strange visitors. They heard in a few days

that there was a deserter in the neighborhood and they thought the soldiers must have been looking for him, but when they found they could just walk in and everything was quiet they did not search the house. My parents never turned anyone away hungry but I do not believe they would have hidden a deserter. My father, James Thompson, was Scotch and my mother, Martha Thompson, was Irish.

"We had only three months of school a year and we studied the three R's. Our school house was built of poplar timbers and was called Poplar Seminary. Since it was located on the corner of our farm, we did not have far to go. About twice a year a preacher would come to another school house about three miles from us and the older children would go.

"I can remember the first lead pencil and the first safety pin, and I can remember the first buggy I ever saw, all of ninety years ago. If I could write everything I remember your paper would not be big enough to hold it all. But this story would not be complete without telling you of mosquitoes we had to fight. Of course we didn't have any mosquito netting or screens and only a smudge would drive them away. A creek ran through the farm called Little Yellow Creek and there was also some swamp land. You would not believe it, but those mosquitoes were so big that a great many of them would weigh a pound and they would sit on the logs and bark all night. (Well, it would take a great many of them to weigh a pound, and they couldn't sit on the logs very well without sitting on the bark, could they?)

"When I was a little girl my first rides were in a wagon drawn by oxen, and four years ago I went from California to the middle west in a Great Western airliner. Quite a change since 1860! I hope I'll be doing it again soon and can see all my friends in Indiana.

**MRS. TEEL, MENTONE,
LEADS CLUB DISCUSSION**

Mrs. Oliver Teel led the discussion on program planning at the meeting of the Mentone Home Demonstration club, for which Mrs. Royce Tucker, of near Mentone, was hostess Thursday afternoon.

She suggested the choosing of a goal to work toward when planning programs. In connection with the subject a playlet was presented by Mrs. Harry Vernet, Mrs. Leroy Cox, Mrs. Cloice Paulus, Mrs. Elmer Sarber and Mrs. John Laird.

"I Can Trust" and "A Prayer for a New Home" were poems read by Mrs. Vernet for the meditation. She also presided.

During the social hour pictures, colored slides, were shown taken last summer when the club members visited the Friendship Gardens, at Michigan City, and others taken at a "hard-times" party given by the club last fall.

Musical selections presented included a piano duet by Mrs. Leroy Cox and Mrs. Gertrude Hill, and vocal numbers, a solo by Mrs. Teel and duet by Mrs. Raymond Weirick and Mrs. Claude Gates.

Mrs. Harry Sullivan, Mrs. William Vernet and Mrs. Tucker received gifts and Mrs. George Long was awarded the mystery prize.

Mrs. Harry Vernet assisted Mrs.

Tucker in entertaining the 32 present. Guests included Mrs. Long, Mrs. Lee Mullins, Mrs. Lula Tucker, Mrs. Bessie Bybee, Mrs. Samantha Norris, Mrs. Ernest Studebaker and Mrs. Fred Rouch.

Mrs. Homer Blue will be hostess at the meeting on June 11.

**DO YOU WANT TO
BE ALIVE MONDAY?**

State Police Supt. Frank A. Jessup said today that the prevention of accidents over the three-day holiday, starting Friday, will depend largely on the courtesy and caution displayed by

drivers using the highways.

"Professional race drivers avoid costly collisions by being alert at all times to the possibility of trouble ahead," he said. "That is 'defensive driving', and it pays dividends in lives saved."

All main highways will be patrolled by State Police troopers over the week end, he announced, with special patrol attention to be given to high accident frequency roads.

Department records show that statewide traffic accidents killed 18 persons during the four-day Memorial day week end in 1952.

MOTHER-DAUGHTER BANQUET

The W. S. C. S. of the Methodist Church held its annual Mystery Mother and Daughter banquet at the church on Thursday evening, May 21.

The group convened in the auditorium at 6:30 P. M. Here the Mystery Mothers were revealed to the daughters after which the group went to the newly decorated dining room. Here a delicious dinner, prepared by the Mystery Mothers, was served. The tables

were prettily decorated with candles and decorative wheelbarrows which contained individual corsages for the mothers. Each mystery daughter received a clever "umbrella handkerchief."

Following the banquet a program held in the auditorium featured a welcome greeting by Mrs. Broda Clark and a response by Sarah Urschel. A girls' trio from Roann, consisting of Deane Baker, Anita Baker, Eleanor Van Buskirk, and accompanist Beverly Byers,

WE LIKE TO BE

LIKE THIS...

A short while ago we received a very "nasty" letter from a manufacturer because we were selling their product *below the standard price.*

Our association has as its goal, first of all, *service to the people of this area.* Secondly, we want to bring to you at the very lowest price everything we can that you need from day to day.

We have no desire to offer our merchandise at lower prices just to make it difficult for similar businesses in our community for they must pay gross income, town, township, county, state and federal taxes just the same as we do. They help in making this a fine community and we want them to continue profitable operations.

BUT, we say to you—as we said to this manufacturer—if we see fit to sell something to you a little cheaper than they do in the neighboring towns, we shall continue to do so.

GIRL SCOUT MINUTES

We opened our regular meeting, May 26, with the pledge to the flag, scout promise and laws. The minutes were read and approved. We decided to continue our meetings every week as we did through the winter. We are going to march in the Memorial Parade. After that we discussed plans for summer activities. Then we practiced for the parade. We adjourned with our friendship circle.

VISITS SON IN EAST

Mrs. W. F. Hudson Sr. of near Akron, has returned home after spending the past two weeks with her son and daughter-in-law A/IC and Mrs. Jerry C. Hudson of Syracuse N. Y. While there she was guest of her son on Mother's Day at the Plymouth Congregational Church. And on Saturday, May 16, attended the Armed Forces Day Power For Peace celebration at Griffis Air Force Base, Rome N. Y. She also took a sight seeing tour of the city park and lakes. At the N. Y. State Fair grounds she saw the world's largest ear of corn mounted on a base similar to the largest egg in the world at Mentone. The entire city and country sides were in full bloom of tulips and spring flowers which helped to make the scenery most beautiful. The Jet flight demonstration with parachute drops and simulated crash rescue at Griffis Air Force Base was witnessed by thousands of people which was opened to the public for this one day—the purpose—unification of the Armed Forces—to bring unity among the American people—to be stronger than the forces that seek to destroy us; for only through unity and oneness of purpose can we achieve the power that will insure freedom for all people under God.

DAVID COOPER PROMOTED

A special release from headquarters of the 754th Aircraft Control and Warning Squadron, Port Austin, Mich., states that David L. Cooper, 21 son of Mr. and Mrs. Raymond Cooper of this place, was promoted to the rank of Airman Second Class, U. S. Air Force, as a member of that squadron. Cooper enlisted in the Air Force in December, 1951. After completing his basic training at Lackland Air Force Base, Texas, he attended the Radar Operators School at Keesler AFB, Mississippi. He was then assigned to his present duty station where he serves in the base Operations Section. A graduate of Mentone high school in 1950, he attended Manchester College prior to entering the service. He is married to the former Dorothy Snider. With their daughter, Debra Lee, they make their home in Port Austin.

TO BEGIN JUNE 1**

The Daily Vacation Bible School of the 1st Baptist Church begins Monday, June 1, and continues thru June 12. Mrs. Helen Bartling, superintendent of the school, announced that Rev. and Mrs. E. C. Ralston will be in charge of the closing exercises during the first week. They will have flannel-

graph and gospel magic lessons. The school will begin at 9:00 a. m. D. S. T. and continue until 11:30 a. m. Mrs. Bartling also announced that there will be free ice cream for those who attend the first day.

Mrs. Paul Alberton and son, and Mrs. Gertrude Reed, from Louisville, Kentucky, were the guests of Mrs. Agnes Rans Wednesday evening.

CHURCH HONORS SENIORS

The young people of the 1st Baptist Church of Mentone had a banquet Friday evening, May 22, at the Eskimo Inn, in honor of those who were graduating from high school. Thirty seven people attended the banquet. Following the meal Edwin Cashman of Winona Lake led group singing. He also played two trumpet solos. A trio composed of Marilyn Rathfon, Nancy Goodman, and Phyllis Warren sang two numbers. Roger Goodman also sang. Mr. David Halvorsen of Winona Lake played a piano solo and accompanied Mr. Cashman. Organ music during the meal was furnished by Mrs. Max Ware of Winona Lake. The speaker was Rev. Scott Weaver.

AUTO REPAIRS ARE CHEAPER THAN HOSPITAL BILLS

No one wants to spend time in a hospital even if it didn't cost a dime . . . but next week many will be there just the same . . . and some of them needlessly, too. They just didn't take time to see that their auto was in good shape before going away on that holiday trip.

Why take expensive, unnecessary chances with your car when we're ready and willing to put it in the best possible driving condition?

And even though you don't have an accident, don't have a short holiday trip ruined by having to contend with even minor car trouble. Come in today.

Let this be a Safety-Month for you and your family

Do you remember?

"The Disabled American Veterans ask that you remember them and their needs as one observance of Memorial Day."

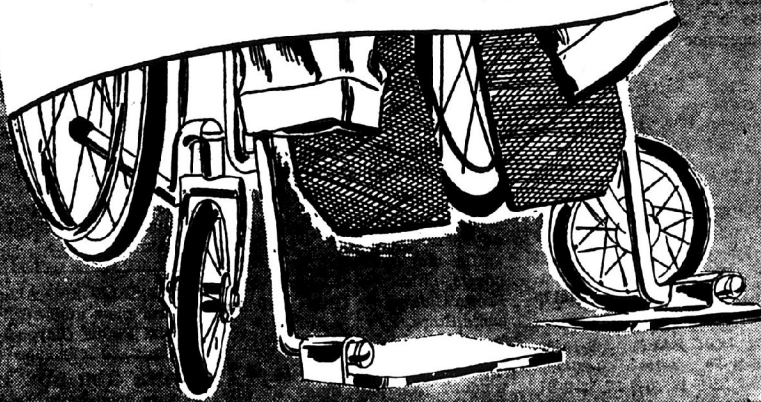

When danger threatens from without . . . and war has been declared . . . we hear a great deal said about . . . our being unprepared . . . but from the town, the countryside . . . the mountain and the plain . . . young men have come, have marched and died . . . and saved us once again.

Men we have never seen or known . . . have fought for you and me . . . wherever freedom's flag has flown . . . upon the land or sea . . . and some will bear the wounds of war . . . until their lives are done . . . and yet are unremembered for . . . the victories they won.

Though monuments of bronze or stone . . . recount his stirring deeds . . . the glowing words, and words alone . . . will not supply his needs . . . but all too often we forget . . . the sacrifice he made . . . and that, to him, we owe a debt . . . that often goes unpaid.

Whether in verse or deathless prose . . . our slogan ought to be . . . "I'll do a little bit for those . . . who did so much for me."

D. A. R. MEETS

On Tuesday evening, May 26, the Anthony Nigo chapter D. A. R. met at the home of Mrs. Elmer Rathfon with Mrs. Everett Rathfon as hostess.

The meeting was opened with the ritualistic service followed by the pledge of allegiance to our flag.

Mrs. Arthur Brown read the President General's message.

The Regent, Mrs. Miles Manwaring, gave a report of the chapter's activities for the year.

The program consisted of a very comprehensive and interesting history of the fashion of women's apparel, dating back to the time of Eve, given by a guest, Mrs. Emma Clutter. She illustrated each period by a doll dressed according to the fashion of the time—all of which had been made by

Mrs. Clutter.

Following the program dainty refreshments were served by the hostess.

SCHOOL NEWS

1953 Edition of Bulldog Arrives
Last Wednesday the 1953 edition of the Mentone school annual, "The Bulldog", was delivered to the school. Much favorable comment was heard on the attractive cover and interesting contents. One hundred and five annuals were sold. In addition, forty-six were delivered free to those merchants and friends who sponsored pages in the annual. The school appreciates the excellent support from its friends in this matter. These annuals will be on sale at the Country Print Shop.

Neither Absent Nor Tardy

According to the school attendance records, forty two Mentone School pupils were neither absent nor tardy during the 1952-53 school year. This is a remarkable record in view of the flu epidemic and the widespread prevalence of colds and yellow jaundice. All three of the children of Mr. and Mrs. Marvin Romine—Wayne, James, and June—had perfect attendance. Four of the children of Mr. and Mrs. Ralph Long had perfect attendance. The four were Barbara, Lu Ann, Robert, and Larry. The following includes those with perfect attendance in each grade:

- 1st—Vivian Hurst
- 2nd—Charles Allen Creighton
- 3rd—Jerry Blackburn

Teachers Sign for Another Year

According to word from Mrs. Opal Tucker, Trustee of Harrison Township, thirteen of the fifteen teachers employed at the Mentone School have indicated their intention to return by signing contracts for another year. Roger Kelly has accepted a music position with the Etna Green School for next year. Glen Law, commerce teacher, will not return next year.

Seniors Enjoying Themselves

Abe Hoogenboom called home from Washington D. C. Monday evening from the Senior trip to New York and Washington D. C. and reported that the group was having a good time and enjoying themselves greatly. Of course he reported a slight lag due to lack of sleep, but on the whole they are still wide awake enough to enjoy the trip and all the scenic and

**ALBION PRODUCTION CREDIT
RETIRES PREFERRED CAPITOL**

Cecil E. Lepley, president, announces that on June 1, 1953, this short term farmer co-operative credit association will become completely FARMER-OWNED. The United States Government invested \$375,000 in the Albion Production Credit Association, which was organized in 1934. This Association serves the farmers of Allen, DeKalb, Elkhart, Kosciusko, LaGrange, Noble, Steuben, and Whitley Counties. Mr. Lepley states that in less than 20 years, the farmer members have repaid this entire amount by replacing it with their own funds. They have established a permanent, dependable source of short term credit with a net worth of approximately \$1,000,000. Boyd D. Howard, Field Representative for Kosciusko County, informs the Mentone Co-Op News that the 3750 farmer members own their home office building in Albion and the County office building in Auburn. The association is staffed by 26 experienced, competent employees, providing complete office and field service in each county. In addition to the president, Cecil E. Lepley, the directors are Elmer Kohlert of Allen County; John Smith of Elkhart County; Ralph Hamman of DeKalb County; and Joshua Neirman of Whitley County.

COOPERATING IN BLOOD BANK APPEAL AT MENTONE JUNE 5

The Mid-West Spring Mfg. Co., the Frank Manufacturing Co., and the Mentone division of Orthopedic Equipment Co., have pledged their full cooperation to the Red Cross Blood Mobile Unit visit in Mentone on Friday, June 5th, by permitting their employees time off to donate blood. Of the 30 employees at the Midwest Spring, 12 have made appointments to give blood. In order to meet the Kosciusko county quota of 125 pints, it is necessary to schedule 144 appointments. Approximately 25 appointments have been made so far. Those wishing to make appointments should phone Mrs. Chas. Manwaring, Mrs. Miles Manwaring, or the county chapter office at Warsaw (No. 4). The unit will be set up at the Mentone school. Transportation of donors to and from the school will be furnished at no expense if requested.

How the Blood Bank Works

The regional blood bank is located at Fort Wayne and serves several participating counties, of which this county is one. Blood is collected by the

Blood Mobile Unit. The cost of operating the blood bank and mobile unit is paid on a pro rata basis by the participating counties from funds raised during their annual fund raising drives. The cost of the Kosciusko County Chapter to participate in the program has been roughly \$1,500 per year.

The blood going into the blood bank is donated. The blood is stored at Ft. Wayne and dispensed as needed. The blood can be stored as whole blood for only 21 days; thereafter it is reduced to blood plasma.

Any resident of the counties participating in the blood bank is entitled to draw blood from the blood bank, with no charge whatsoever for the blood. It can even be secured for use of local residents while in a hospital in another county.

The Blood Mobile Unit is completely staffed with nurses and technicians and completely equipped. Every reasonable precaution is taken to safeguard the donors. A physician is present at all times; Dr. Dan Urschel will be in attendance when the unit comes to Mentone.

The Red Cross was selected by the U. S. Government to procure blood used by the armed forces of this country. It is collected at the sole expense of the Red Cross, and the association is not reimbursed for either blood or plasma shipped to Korea or elsewhere.

LOCAL PEOPLE VISIT PURINA LABORATORIES

Shown above are Pauline Borton, Mrs. Herb Carlile, Mrs. Harry Sullivan, Wm. H. Danforth, Herb Carlile and Harry Sullivan, who recently visited with Mr. Danforth, founder and president of the Ralston Purina Co. They visited the Research Laboratories, the mill and the research farm, which is the largest commercial research farm in the world. At this 740 acre farm nestled in the foothills of the Ozarks, 40 miles southwest of St. Louis, they saw everything from chinchilla to cows. The director of the research farm called on the American Farmer to get more from what he has to help feed the tremendous increase in population of over two and a half million each year. After leaving the farm that evening they enjoyed a banquet and entertainment provided by the office staff of the mill. Tuesday they visited the research laboratories and the mill which is one of 45 which turns out livestock chows. After a banquet Tuesday noon, the group motored home. Also on the trip were Robert Heighway and Robert Sittler.
