AGED LADY DIES IN CAR WRECK

Funeral services were held Tuesday afternoon in the Church of God, in Akron, for Mrs. Ida Elzora Kuhn, 75, of near Akron, who was killed Saturday night when a car in which she was riding with her husband, Harry A. Kuhn, left road 19, a mile and a half north of Akron, and ran into a ditch. The accident happened about 7 o'clock.

Mrs. Kuhn was thrown through the windshield while her husband's body struck the steering wheel with such force that it was bent forward almost to the windshield. Mrs. Kuhn died before reaching Woodlawn hospital in Rochester in an ambulance. Her death was due to a crushed chest. Mr. Kuhn reached the hospital in a semi-conscious condition with numerous cuts above his eyes and a number of broken ribs.

Mr. and Mrs. Kuhn would have celebrated their 56th wedding anniversary the day following the accident. They were driving from their farm home to attend a family dinner in honor of the event when the accident occurred.

Mrs. Kuhn is survived, besides her husband, by three sons, Cecil, of South Bend, and Max and Arthur, of Akron, and one daughter, Mrs. Ethel McHatt, of Winchester, Ind. She was a grandmother to Mrs. Wayne Tombaugh, of Mentone.

PHILLIP R. BRYANT, 83, DIES AT TALMA HOME

Phillip R. Bryant, 83, died Oct. 30 at his home in Talma following an illness caused by complications.

He was born in Fulton county Dec. 27, 1861, the son of David and Lucinda Bryant. His wife, Cora, one son Estel of Akron; two daughters, Mrs. Ralph Hatfield and Mrs. Glen Emmons of Talma, survive.

The deceased was one of the pioneer citizens of his home community in Newcastle township, where he was well and favorably known to a host of friends.

Funeral services were held Friday afternoon at two o'clock with Rev. D. L. Slaybaugh of Akron, officiating. Burial was in the Nichols cemetery.

DAD'S NIGHT

Unit 106—Mothers of World War II will meet next Wednesday night, November 14 at the Mentone high school building at 8 o'clock, for the regular meeting date. This will be the celebration of the anniversary of the Mentone unit. All Dads are invited to be present as well as all servicemen and women who have been discharged, or who are home on furlough upon this date.

A very nice program has been planned by the program committee, which will be followed by a social hour, with refreshments. Don't forget: all Dads and all service and ex-service people are especially invited. Come.

ENTERTAINED AT PINK AND BLUE SHOWER

On Wednesday evening, at the M. O. Smith home, a pink and blue shower was held in honor of Mrs. Robert Whetstone. Hostesses were Mrs. Lucille Whetstone and Mrs. Kenneth Romine. Bunco was played during the evening, prizes going to Mrs. Ned Miller and Ada Whetstone.

After the many lovely gifts were opened, refreshments were served to the following guests: Mrs. Everett Beson, Mrs. Raymond Cleveland, Mrs. Willis Cowen, Mrs. Ned Miller, Mrs. Robert Kinsey, Mrs. Jean Paulus, Mrs. Russell Fleck, Mrs. Rex Burnett, Mrs. Mahlon Mentzer, Mrs. Wade Whetstone, Mrs. M. O. Smith, Mrs. Glenn Snider, Phyllis Lemler, Grace Rans, Ada Whetstone, Gertrude McClane, Doris Snider and Margaret Nuell.

MENTONE ENTERTAINERS AT FEDERATED CLUB MEETING

The Warsaw-Winona Lake Federation of Clubs held their regular meeting in the high school auditorium at Warsaw on Monday evening. The program for the evening was furnished by Mrs. I. F. Snyder's music pupils. Miss Violet Freisner and Miss Marilyn Tucker sang and Malcolm Long played a piano number. Dale Kelley showed moving pictures taken on fishing trips to Canada and a trip to Cuba.

LIONS FEED BOY SCOUTS DRIVE TODAY TO DRIVE AGAIN

Seventeen Boy Scouts of the Mentone group, were entertained by the Lions Club Wednesday evening. After a fine steak supper, a motion picture was shown and then the meeting was turned over to V. H. Gaddis, of Winona Lake, who entertained with many tricks of magic. This was the second appearance of Mr. Gaddis before Mentone audiences and his many tricks and illusions were greatly enjoyed.

GIVEN SURPRISE

Lewis Foor, who celebrated his 77th birthday Thursday, was very pleasantly surprised Sunday with a birthday dinner. Those who were present were his son, Ben Foor, and wife; grandson Lewis Foor and wife and two children and Mr. and Mrs. Russell Steckley, all of Kendallville, and Mr. and Mrs. Lewy Foor and Mrs. Maude Onthank.

INDIANAPOLIS, Ind., Nov. 5. (Special)—Painting a gloomy picture of mounting highway slaughter, Colonel Austin R. Killian, state police superintendent, today summarized the current traffic accident trend as follows:

1. State-wide accidents increased 49 per cent in September over September, 1944.
2. Eighty-two persons were killed in October, high month of the year.
3. Urban accidents caused last month's fatality increase; rural deaths declined slightly.
4. Multiple vehicle collisions caused the most deaths; pedestrian deaths followed closely.
5. Crashes are more severe, due to higher speeds, aging vehicles, "rusty" drivers and roads in need of repair.

Mr. and Mrs. J. W. VanGilder returned to Chicago Sunday evening.

SCHOOL NEWS

Mr. Kelly announced October 31, to the assembly, that a collection would be taken up for our educational movie pictures.

Other donations were being collected for some very practical programs for our home basketball games.

The first pep session was held Wednesday, October 31, at the Gym. The yell leaders handled a very cooperative yelling section.

It seems as though the basketball boys are sticking together this year. The Bulldogs carried off a large victory for the school by winning over Beaver Dam. We hope to have many more of these.

The seniors are having a gum chewing fad. Mr. Law reminded a few of his Civics students that gum chewing annoyed him considerably.

The senior Health class has been making a study of various kinds of diseases. Also a limited study of the brain.

Mr. Kelly tells us that our Thanksgiving holiday will be taken over November 22nd and 23rd. He also says that Friday, the 23rd will have to be made up.

The school pictures arrived Tuesday morning for each class to gaze upon

with pride. They have been priced at 25 cents and orders are being taken now.

The movie sponsored by the seniors was a great success. Everyone enjoyed the feature and the short subjects. Our cameramen are to be congratulated for their good work also.

Seventh Grade News

The English of the seventh grade opened by first copying spelling words from the blackboard. They then pronounced them together and also spelled them together aloud. By using each word in a sentence they understand the meaning and add a new word to their vocabulary.

The seventh grade is also studying sentences and their construction, explanation, and different parts of sentences, particularly verbs. They have completed a study of one-word verbs and two-word verbs and are now ready to take up the three-word verbs.

The seventh grade appears to be a very cooperative class. They were very eager to answer questions and seemed to understand their lesson.

As we left the class they were grading papers, which they prepared for class. We hope to be able to visit this very progressive class again soon.

Athletic News

The Mentone Bulldogs avenged the

stinging defeat they suffered last year at the hands of the Beaver Dam players by sending the Franklin township lads down to defeat by a score of 51 to 29. The game was played on even terms the first half with the score ending in a 19-19 tie. The Bulldogs came back strong in the last half and smothered the Beavers. Their defensive play kept their opponents from scoring and only allowed them to garner ten points in the last half. The rebounding of Flarsky and Bowser made it difficult and dangerous for the Beavers to take shots without losing the ball. "Curley" Witham had a field day as he burned up the basket by scoring twenty points.

This coming Friday night, the Mentone boys play Akron in the Akron gym. This is the second game the boys are planning to annex and thus avenge another of last year's defeats. Akron has three of their regular five back from last year so the boys have plenty of opposition in store for them. Give the boys a lift by following the team and giving them your support.

Mrs. Eva Irvine, of Leesburg, was the guest of Mrs. Lydia Rynearson on Tuesday.

DON'T SHOOT THAT GUN

Perhaps this warning will be of no value to anyone in our particular neighborhood, but there is a possibility that it might be the word of caution that will save someone a lot of agony.

Our fighting men are all interested in souvenirs of one kind or another, and quite frequently they come home with, or send, some nice appearing foreign made gun. Perhaps a few of them are of a type that will withstand the pressures of our American cartridges, but authorities state that most of them are merely suicide trinkets. Foreign gun makers are mostly individualists and use almost any method or materials. None are pressure-tested as is the case with American-made guns, and often the shell chamber isn't tooled out to fit properly.

Firing of these guns, without first securing definite information from an expert gunman—one who knows the gun or is acquainted with its record—is just about the same as suicide. Most of us have heard of "Damascus" steel and felt it was a real piece of metal, yet many of the souvenir guns brought to America bear that name and ABSOLUTELY should not be fired with American ammunition even though the gauge or caliber appears to be identical. Other trade names on them are "twist", "spiral", "laminated," etc., which means that the barrels were originally made with small metal bands and powder corrosion will separate the welds in the inner seams regardless of how well or frequent they are cleaned.

Keep your souvenirs, boys, but the safest bet is to drive a hardwood plug in every chamber and just keep it to look at or show your friends. Some of those two-, three- and four-barrel relics are nicely scrolled, but I'd rather go through the Pearly Gates with something else.

Arable Land

It was estimated in 1936 that China has 607,000,000 acres of arable land of which about 223,000,000 acres were under cultivation.

KEEP THE RATS AWAY

Keeping rats out of the corn crib can be done either by use of repellents or by raising the crib, suggests G. C. Odenkirk, Purdue University, entomologist. Heavy applications of lime which have a repellent effect should be worked into the ground or creosote which has the disadvantage of an objectionable odor but is effective. A lime and sulphur mixture spread around the crib will prevent burrowing and is inexpensive.

When the crib is raised allowing about 24 inches underneath and isolated from other buildings, the rats have no protection and thus keep away from the corn.

COUNTRY NEIGHBORS CLUB MET WEDNESDAY NIGHT

The Country Neighbors Home Economics club held its "Family Night" Wednesday evening at the home of Mr. and Mrs. Roy Maxwell. A bountiful pot luck supper was served to 22 adults and 12 children. The rest of the evening was spent socially.

Orchard Crop

A recent survey of the U. S. department of agriculture indicates that the hevea rubber tree can be grown as a valid orchard crop in at least 16 American nations from Mexico to Bolivia.

Beware Coughs from common colds That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. GRACE FLOOR WED TO HERMAN HAINES AT DISKO

The Disko Methodist church was the scene of a pretty fall wedding Sunday morning, when Miss Grace Floor, daughter of Mr. and Mrs. Ralph Floor, of Disko, became the bride of Herman

Haines, of Talma. The Rev. Harley Carbaugh performed the ceremony at 11:30 o'clock.

The bride was attractive in a street length dress of ivory crepe and she carried a white Bible, the gift of her brother and family, Mr. and Mrs. Earl Floor. Miss Floor, sister of the bride, was the bridesmaid and Howard Haines, of Mishawaka, brother of the groom, served as best man.

Miss Alice Haines, sister of the groom, played Lohengrins Bridal March for the processional and Mendelssohn's Wedding March for the recessional.

Those attending were Mr. and Mrs. Ralph Floor, Jr., and Gene Floor, Mr. and Mrs. Carl Floor and family, of Akron; Mr. and Mrs. Earl Floor and family, of Laketon; Mr. and Mrs. Richard Floor and Mr. and Mrs. Harold Floor and daughter, of Disko; Mr. and Mrs. Howard Haines and family and Mr. and Mrs. Alva Burkett, of Mishawaka; the Misses Alice and Nora Haines, of Talma and Mr. and Mrs. Harley Carbaugh and daughter.

Following the ceremony, the guests went to the home of the bride's parents where a lovely wedding dinner was served.

MRS. JOHN W. MIKESSELL IS HEART ATTACK VICTIM

Funeral services were held Tuesday afternoon at 2 o'clock from the Talma Methodist church for Mrs. Pleasant Mikesell, 76, whose lifeless body was discovered Sunday morning at her home, route 5, Rochester, by her son, Clarence. Death was due to a heart attack. She had not been ill previously.

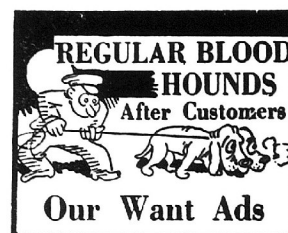

Mrs. Mikesell, daughter of Jacob and Jane (Coplen) Fisher, was born in Marshall county on December 10, 1868, and on November 20, 1888 became the bride of John W. Mikesell, who preceded her in death. She was a devout member of the Talma Methodist church and of the Gleaners Society.

Surviving are four sons: Alvin, of Warsaw; Omer, of Chicago; Clarence, of near Talma, and Ervin, of Wheadon,

Ill.; one daughter, Mrs. Goldie Coggins of Oak Park, Ill.; 11 grandchildren; seven great grandchildren and one brother, William Pifer, of Tippecanoe. A grandson, Omer Mikesell, lost his life in World War II.

Funeral rites were in charge of Rev. Kuhn, of Mentone.

Dr. and Mrs. Leslie Laird, of North Webster, called on Mrs. Laird's mother, Mrs. Jane Johnson, and other friends on Friday.

FARM BUREAU WILL CONSIDER MANY RESOLUTIONS

A wide range of farm and home problems is reflected in the many suggestions being received daily by the Indiana Farm Bureau to serve as a basis for the preparation of the organization's official resolutions to be adopted at the 27th annual convention, at Indianapolis, Nov. 15, 16 and 17.

The Farm Bureau organization in each of the state's 92 counties was issued an invitation several weeks ago to forward suggestions and proposed resolutions. During the past month, these suggestions have come in large

numbers. Next week, it was explained, the resolutions committee will start its work reviewing and analyzing these suggestions, in preparation of the state Farm Bureau's 1945 resolutions.

Meanwhile, convention program plans have been completed. The sessions on Nov. 15 and 16, open to all Farm Bureau members, are scheduled for the Murat theatre. Approximately 4,000 persons from practically every township in the state are expected to attend these meetings.

The Indiana Rural Youth, an organization of farm youth between 18 and 28 years of age, will hold its eighth annual convention on Nov. 15 and some

of the sessions will be held jointly with the Farm Bureau.

Among the headline speakers for the Farm Bureau convention program will be: Gov. Ralph F. Gates; Hassil E. Schenck, president of the Indiana Farm Bureau; Under Secretary of Agriculture J. B. Hutson; Dr. Mary Mims, Louisiana State University; Dr. George D. Scarbath, formerly of Purdue and now with a national Farm Bureau affiliate; H. E. Babcock, chairman of the Cornell University board of trustees, and Larry Brandon, secretary-treasurer of the Indiana Farm Bureau. The official business session, for Farm Bureau delegates, will be held at the Severin hotel on Nov. 17.

JOHN SWICK DIES MONDAY

Funeral services for John Wesley Swick, 76, were held at two p. m. on Wednesday at the Church of God at Akron. Mr. Swick died at 9:30 a. m. Monday at the Woodlawn hospital at Rochester following an illness of several weeks due to a stroke of paralysis.

Mr. Swick was born July 18, 1869, the son of Henry and Elizabeth (Kellar) Swick, and was a well-known farmer, having lived most of his life in the vicinity of Beaver Dam. He had retired and had recently moved to Akron.

Oct. 8, 1898, he and Miss Louise Summe were united in marriage at Burket.

Surviving relatives are his wife; five daughters, Mrs. E. E. Perry, Washington, D. C., Faye Carte, Charleston, W. Va., Mrs. Leo Anglin, Lena and Dorothy of Akron; four sons, Dowe of Rosedale, Everett and Jay of Akron, and Dale, who is with the armed forces stationed in Iran; three brothers, Jesse Swick, Herman Swick and Ray Swick, all of Akron, and 12 grandchildren. A son, Guy Swick, preceded him in death.

Rev. Dan Slaybaugh officiated at the funeral service and burial was in the I. O. O. F. cemetery at Akron.

MENTONE READING CLUB

Mrs. Richard Greulach, Jr., was hostess to the Mentone Reading Club on Wednesday evening. After the business meeting, short reports of the District Federated meeting at South Bend were given by Mrs. Florence McKinley and Mrs. Genavee Nelson.

Mrs. Goldie Mollenhour was program chairman and read some fine articles on Conservation.

Mrs. Fred Carey then showed some moving pictures taken of Montana, Yellowstone National Park and the Black Hills; as a very fitting sequel to Mrs. Mollenhour's program on Conservation.

Mrs. Orpha Blue and Mrs. A. Simmons were the assisting hostesses.

O. E. S. NOTICE

Due to the carpenter work on the Bank building, it is advised that there should not be too many people gathered in Masonic Hall. However, there will be the regular meeting of the Order of the Eastern Star November 19.

WAR MOTHERS ENTERTAIN FUNERAL SATURDAY

Mothers of World War No. II, Unit 106, met Wednesday night in the high school for the special "Dads Night". The occasion was the celebration of the second anniversary of the organization of unit 106.

The meeting was called to order by the president, Bernice Rush. The flag was presented by Mother Wagner, followed by the allegiance and the "Star Spangled Banner" by everyone. Invocation was by Chaplain Ellen Stanford. Roll call was responded to by 48 members. The meeting was saddened by the announcement of the death of Mr. Morrical, of Bourbon, husband of one of our members.

The mothers stood and sang the War Mothers own song, "While Our Boys March on." The address of welcome was given by Mrs. Harlan Nottingham on behalf of the mothers and responded to by Truman Long for the fathers. A reading was given by little Sandra Barkman. The County Home Economics chorus, made up of Home Ec club members from all over the county with Mr. Harris as director, rendered four beautiful numbers and Mr. Harris gave a cornet solo. The speaker for the evening, Rev. Earle Nofztger of Winona, was introduced by Mrs. VanGilder. His subject was "Mother and Her Influence on Her Children". This was a most wonderful message and enjoyed by all. The flag was retired by Mother Wagner, followed by the singing of "America".

The social hour followed and refreshments consisting of doughnuts and coffee were served to 98 adults and one child.

We are always happy to have the Dads present at our meetings and not only were they guests at this meeting but also several of our returned servicemen were present, and knowing these few were returned made our hearts glad. The next meeting will be held in the school building as usual on Wednesday night, December 12 and a good attendance is desired as a nominating committee for our election of officers for the ensuing year will be appointed.

The funeral of Mrs. Dessie Mae Murphy, 61, wife of Clyde Murphy of Atwood, was held at the Atwood U. B. church Saturday at 2 p. m. with Rev. S. M. Hill delivering the sermon and Rev. and Mrs. Earl Longenbaugh furnishing the music.

Surviving relatives are: the husband, Clyde, and two daughters, Mrs. Wilma Smolik of Fort Wayne, and Mrs. Burl Young of Warsaw, and two grandchildren.

Interment was in the Harrison Center cemetery.

POINSETTIA DAY DEC. 7

Mothers of World War No. II have a Poinsettia Sale every year on Pearl Harbor Day, December 7, and Unit 106, of Mentone and vicinity, will have the beautiful little poinsettias on sale on the streets and wherever the public circulates on that day. Remember when you buy a poinsettia you are helping my boy and your boy, some mother's boy who has been injured and hospitalized. Ten percent of all proceeds realized from the sale of these poinsettias will go to veterans hospitals. When you are approached by a saleslady, don't stop by paying ten cents for your flower—give until it hurts. Remember, he gave 'till it hurt and perhaps your boy is still paying in suffering.

When? December 7—Pearl Harbor Poinsettia Day.

Where? Mentone, Indiana — Give ! !

SODALES CLUB

Mrs. A. H. Stanford was hostess to twelve members of the Sodales club in her home Tuesday evening. Ottie Walburn received the prize for high score in Rook and Florence McKinley, consolation.

The evening was very pleasant.

Howard Newton spent the week end with his mother.

REVIVAL AT PALESTINE

Members of the Palestine Christian church wish to announce that a two-weeks revival service will be held at the Palestine Christian church beginning Monday night, November 19 at 7:30. Rev. Avery Wiley, of the Warsaw First Christian church will conduct the services assisted by Rev. Kent, pastor of the Palestine Christian Church.

It is to be remembered that Rev. Wiley held a very successful meeting with us last year; let us all try to make this one even more successful. Everyone is cordially invited to attend these services. A hearty welcome awaits you.

MEXICAN "PEEPER" WOUNDED BY BURKET LADY WEDNESDAY

Two young Mexican lads, employed by the Nickel Plate railroad and housed in bunk cars at Burket, had their evening's entertainment concluded very abruptly Wednesday evening when one of them was shot in the shoulder while peeping into the window of Mrs. Chas. Holloway, wife of a war veteran now serving in the Pacific.

Prowlars have been about in Burket for the past several weeks. A week ago Mrs. Holloway fled to a neighboring home when someone attempted to enter her home.

Mrs. Holloway was unaware that any of her reported three shots had found their mark and the incident remained undisclosed until some of the railway officials learned of the matter Thursday morning and the law officials were notified. One of the Mexican boys called a Mentone physician for help in removing the bullet, he was advised to go to a hospital. However, the 23-year-old lad had managed to dig the small .22 calibre slug from his shoulder before he arrived at the Argos hospital.

The wounded man and his companion are now confined at the county jail.

Mrs. Carl Myers and daughter Pat called on friends here Wednesday.

Mr. and Mrs. Earl Phillips of Warsaw spent Sunday with their niece, Mrs. George Clark, and her husband and family.

BAPTIST MISSIONARY SOCIETY.

The Baptist Womens Missionary society met Wednesday afternoon at the home of Mrs. Chester Manwaring for the Thanksgiving program. After the business of the society had been taken care of the program chairman, Mrs. Elmer Rathfon, took charge. Mrs. Truman Long gave the devotionals, her subject being "The Difference Between Thanks and Praise." Mrs. Manwaring and Mrs. Ernest Dillman sang the beautiful duet "If You Could Know"

accompanied by Mrs. Onthank at the piano. A thank offering of fourteen dollars was received and this will be sent to the Home Missionaries of the church. Mr. and Mrs. Pete Tanis, who are doing such wonderful work among the lost returned Servicemen in Hines General Hospital. Mrs. Leona Haimbaugh gave a short talk on "Thanksgiving"

Mrs. Manwaring read a most interesting letter from the Westervelt home in Batesburgh, S. C. where the two Beitzel girls, daughters of our for-

eign missionaries, are in school.

A letter was also read from Mrs. Bush and a card from Mr. Oglesby. Mrs. Rose Baker, a former member, but now of California, was present and spoke a few words on the church to which she belongs in the west. Following the program a short social hour was enjoyed. Light refreshments were served by the committee, Mrs. Oyler and Mrs. Peterson, to 22 members and 1 guest.

Miss Annabell B. Mentzer of Mentone, Indiana, has been awarded a medical secretarial scholarship through the Mu Sigma chapter of the Pi Rho Zeta Sorority. She enrolled Monday in the Medical Secretarial Department of the Elkhart Business University at Elkhart, Indiana.

COUNTY AGENT ON WOWO AGAIN

Jay Gould, director of farm programs for WOWO, Fort Wayne, has announced that J. Clark, Kosciusko County Agricultural Agent, will be his special guest on the Little Red Barn, daily farm feature, Monday morning, November 19th, at 6:00, CST. The topic chosen for discussion on this date is "Winter Care of Laying Flocks." The Oregon Rangers and Nancy Lee will also be heard on the program as they sing and play favorite melodies.

SCHOOL NEWS

The concert by the school band was well received Sunday. There was fine attendance and attention and the band gave a good performance.

The band wishes to express its appreciation and thanks to the Baptist people for the use of their church, to Mr. Kelly and the teachers for co-operating to make extra rehearsing possible, to the ushers, Betty Cain, Wanda Smith, Howard Fawley, and Bob Plenar, and to all others who had any part in helping with the presentation of the program.

Monna Lou Darr is now a new member of the band. Why don't some of you people, who are looking forward to becoming band members, practice a little longer and a little harder so that you can make the grade too?

High School Athletic News

Friday evening we will go to play the strong Bourbon team. Last year Bourbon won a thriller from the local boys by defeating them 29 to 30 in the last thirty seconds of play. Bourbon has shown in one of the early games that they have the scoring ability to offer opponents plenty of opposition. In one of their early games, they did everything but massacre one of the Fulton county teams. The local team will have to be playing at its best and with all of its fighting spirit if they are to defeat the Bourbon lads on their own court.

The freshman biology class had an interesting trip to Chicago Saturday. The Field Museum, the Aquarium, the Science and Industry building and Marshall Fields were topics of interest.

With the exception of Ella Mae Shilling the whole class participated in the trip. It seems Ella had trouble with her appendix, in the fore part of the week she submitted to an appendectomy.

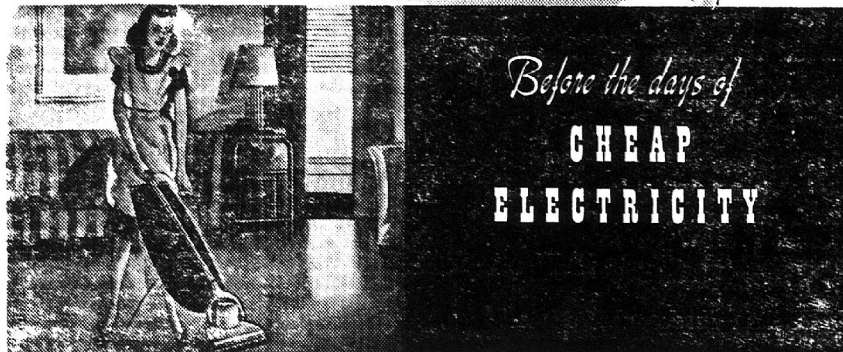

Mr. Law, with the cooperation of Mr. Kelly, or vice-versa, has secured the Reader's Digest for use in class work. The Digests are at a reasonably low price and to the students they are very high in knowledge. So far the idea has taken a very good hold since

period of two days at Thanksgiving. Time for turkey and a rest from those awful, awful studies.

The gym has had a recent face lifting. a spray gun, brushes, a little elbow grease plus the paint makes it look swell-elegant. The basketball boys can't seem to find out why they waited to paint until the season started. It seems the sprayer throws a fine oil mist over the floor and at times it feels like a person were roller skating. That's hard on the practice period.

The Physics class has been entangled in the science of the pendulum. Dem-

onstrations are held every day showing principles dealing with the problem. Many angles have to be worked out which prove very interesting. To look at the old grandfather clock, you wouldn't think the pendulum could cause so much studying and worrying in school. In Physics class your mind is changed.

The class is about to enter the study of work. What is work? The definition for work is: movement against a resisting force measured by the product of the force and the distance through which it acts. Taking this definition and using it for studying, we have: a movement against the brain measured by the product of this movement (the vain attempts of the teacher) and the distance through which it acts (thickness of the head) . . . Laugh!

The junior class had a turkey raffle Wednesday night. It was so successful that they ordered a second batch of tickets. As the seniors say, "keep it up, we would like to be treated to a nice trip at the end of the year."

It seems that the coach was checking on the boys bedtime Tuesday night. He found a couple of junior boys not tucked in. Alibis were: clock stopped and hunting for a turkey. It is reported

that they are pretty good skaters. —Special reporters, Dick Filarsky and Freeda Kesler.

MENTONE H. E. CLUB MEETING

The Mentone Home Economics Club met at the home of Mrs. Geo. McIntyre Thursday with eighteen members and two guests, Mrs. Samantha Norris and Mrs. Maude Onthank, present.

The meeting was opened with the Pledge of Allegiance to the Flag, after which the song of the month, "Onward Christian Soldiers" was sung, the history being given by Mrs. Claude Barkman. Response to roll call was, "What I am Thankful for..." The lesson, "Serving Meals at Home", was given by Mrs. Elmer Sarber, after which business was discussed, the secretary's re-

port read and collection received. The Auction was conducted by Mrs. Mary Borton. The highest bidders were Mrs. George McIntyre and Mrs. Elmer Rathfon. The mystery package was won by Mrs. Edith Darr.

There were four new members received into the club: Mrs. Maude Onthank, Mrs. Silas Hill, Mrs. Samantha Norris and Mrs. Roy Salman.

Names were drawn for the Christmas gift exchange. The meeting was closed by repeating the club creed.

The hostess and her assistant, Mrs. Mary Barkman, served delicious refreshments. The annual Christmas dinner will be at the home of Mrs.

William Vernet.

FATHER OF MENTONE LADY DIES

Charles William Haney, 57, who resided on a farm five miles west of Leesburg, died at 2:50 a. m. Monday at the Lutheran hospital in Fort Wayne. Death followed an illness of two years, caused by complications.

Mr. Haney was born August 24, 1888, the son of Jacob and Margaret Ellen (Cox) Haney, and had lived all of his life in Kosciusko county. He was united in marriage to Emma Catherine Miller on April 9, 1909. His wife passed away on June 7, 1935. On November 28, 1936, he married Maude Cleland, who survives. Other surviving relatives are: three sons; Wilbur, of Claypool, Ward, of Etna Green, and Roy, of Mentone, and two daughters, Mrs. Herbert Dorsey, of near Mentone, and Marjorie Ellen, of Warsaw. A daughter, Helen Louise, preceded him in death.

Funeral services were held at 2 p. m. Wednesday at the Stony Point church. Rev. I. E. Longenbaugh was in charge and burial was in the Stony Point cemetery.

GIFTS FOR CO-OP OIL CUSTOMERS

The Co-Op. Oil Station, at his official opening as a Fleet-Wing distributor Nov. 3, kept a record of the customers for the day, gave a number to each name and held a drawing after the big event. Seven prize winners were chosen for gifts to be presented by the oil station and Fleet-Wing organization.

Chet Christian won the major prize of a \$25.00 War Bond and the following six were chosen to receive five quarts of oil: Conda Walburn, Earl Anderson, Elmer Sarber, Fred Beeson, Theo. Kern and Victor Tobey.

The oil station reported the opening day was one of the largest days, in total sales, since the station has been in operation in Mentone.

Lyndes Latimer spent the Thanksgiving holiday with his son, Marion, at Harrisburg, Ill.

FORMER EDITOR RELEASED

Word has been received that Robert Steller, former editor of the Co-Op News, has been given his discharge from the army. Bob has seen four years service since relinquishing his editorial duties, the last year of which he spent in the Pacific.

PASSES ENGINEERING EXAM.

Hugh Rickel, of Burket, has received word from the state that he passed his examination for a structural engineer's license. The tests were given on Oct. 26 and 27 and he received his official notice Nov. 19th.

BRIDAL SHOWERS FOR TWO

Miss Phyllis Lemler entertained a group of friends at a surprise bridal shower for Mary Beth (Shinn) Blodgett last Thursday evening. The girls spent an enjoyable evening playing bunco and Bingo after which the guest of honor, assisted by her sister, Pat, opened and displayed her lovely gifts. Refreshments of ice cream and cookies were served by the hostess assisted by Grace Rans. Those who enjoyed the evening were: the Misses Georgianna Dillingham, Elma Jean King, Babe Rogers, Norma Jean Hudson, Gertrude McClane, Eleanor Lantz, Eileen Kercher, Grace Rans, Pat Shinn, the Mesdames Kate Whetstone, Donna Rae Sanders, Evelyn Hyde, Earl Shinn, Harry Blodgett, Fred Lemler and the hostess and guest of honor.

Mr. and Mrs. Herman L. Haines, of Talma, were showered with a nice assortment of housekeeping necessities at the home of Herman's sisters Monday evening by friends of the Talma and Bethlehem communities. As there seemed to be a lack of candy for the usual treat, Mr. and Mrs. Haines cut a large cake which was presented to them that evening and served cake and apples to all present. The evening was spent sociably. The newly married couple are living with Herman's sisters, the Misses Alice and Elnora Haines, and Herman is operating a garage in partnership with Fred Hubbard, at the north edge of Argos.

TO REMOVE HONOR ROLL

The honor roll committee met Monday evening and it was decided that the large outdoor honor roll board would be removed. The board has been located on West Main street, near the Mentone cafe, but the construction of a new building just to the east of the board made it necessary for it to be removed.

The committee also announced that a permanent record will be kept of all the names on the board and that a bronze plaque will eventually be placed on a stone in the cemetery, carrying the names of the war casualties from here. The shrubbery is being moved to the cemetery circle.

The board was erected by local contributions and by the help and labor of a number of Mentone citizens.

PARENTS OF DAUGHTER

Mr. and Mrs. DeVon Hibschnmann, of near Mentone, are the parents of a daughter, born Wednesday morning at the McDonald hospital at Warsaw.

MARRIED

In a beautiful ceremony held Sunday afternoon at the Methodist church in Akron, Miss La Donna Summe, daughter of Mr. and Mrs. Lloyd Summe, of Burket, became the bride of Richard C. Rader, son of Mr. and Mrs. Ralph Rader, of Akron.

Preceding the service, a program of organ music was given by Mrs. Phil Parker, of Akron.

On November 10, Miss Leota Maxine Horn, daughter of Mr. and Mrs. Fred Horn, of Mentone, became the bride of Samuel A. Holloway, son of Mr. and Mrs. Charles Holloway, of Talma, in a double ring ceremony performed by Rev. E. E. DeWitt of Larwill, Ind.

Seaman George Reed was home from the Navy a few days recently and helped his father, Clyde, finish the plastering on the new home being constructed by Wayne Nellans.

D. A. R. MEETING NOVEMBER 27

The Anthony Nigo chapter of the Daughters of the American Revolution will meet on Tuesday evening, November 27, at the home of Mr. and Mrs. Stanley Boggs. A carry-in dinner will be served at 6:30, after which a special program will be given.

WINTER IS HERE.

Winter and Thanksgiving came together this year. Cold wind and snow makes one wonder just how things are down south.

METHODIST CLASS PARTY

Last Monday evening Rev. Simmons and wife entertained the members of the Friendship class and their teacher, Mr. Glen Snyder, honoring the 80th birthdays of two members: Mrs. Jennie Thomas and Mrs. Lydia Rynearson.

The banquet was especially delicious—chicken pie with all the trimmings, topped off with lemon fluff and a huge birthday cake. Group singing, contests and speeches were entertaining features. Mrs. Kinsey, Mrs. Ringgenburg and Mrs. Clark won prizes. A special feature was a solo, "Long, Long Ago" by Mrs. Wagner, much appreciated by the group.

Mr. Snyder was presented with a commentary on the Bible; needless to say, it was appreciated. Only one hitch occurred: Mrs. Ellis put on the wrong coat, which caused a little confusion.

Thank you, Rev. and Mrs. Simmons, for a splendid evening.

Those attending were: Mr. and Mrs. Snyder, Mr. and Mrs. Simmons, the Mesdames Rynearson, Thomas, Wagner, Borton, Welsh, Ringgenburg, Yocum, Williams, Shinn, Burkett, Mahoney, Morgan, Ellis, Stanford, Kinsey, Clark, and Miss Doris Snyder.

Oliver Teel, who had been a medical patient at the McDonald hospital at Warsaw, returned to his home here on Wednesday.

A BIBLE MESSAGE

By Rev. E. Coleman Ralston
(Continued)

Signs of the approaching end of the age.

"And I beheld another beast coming up out of the earth".

This verse is taken from the thirteenth Chapter of Revelation that speaks of the great dictator that will one day rule the world. A few years ago this prophecy was laughed at because no one had ever heard of a dictator but the past few years have

changed that. The world has seen several dictators come and go, and some of them became and still are exceedingly powerful. We say the dictator is the thing of the past—that is what man says—but not God. One of these days there shall be a great dictator that shall rule the world with a rod of iron, causing great fear and desolation. The past few years have just been a conditioning prelude to the coming world rule. We are living in perilous times when the world is in a great transition state. We are gradually

drifting into condition for a world dictator to take over. Government control is the order of the day all over the world. The government can step in and assume control of any business which it chooses to declare is not abiding by its directives. The Montgomery Ward case in an example.

Mass movements instead of individualism is the order of the day. Everything in the United States is rapidly going under control of the central government: banks, farms, industries and 95 percent of the people now employed are under control of the government in an indirect way through social security and many other agencies.

These are mild controls to what will ultimately come. Dictatorship is seemingly inevitable. Several months have passed since the war was supposed to have been over but it has not been officially declared over and the government has not relinquished any of its wartime powers that were invested in it as an emergency measure. The world is gradually moving on to the final outcome of men's own efforts, the world

state and the world dictator. How wonderful the Bible is in its clear picture of what will take place upon the earth in the last days. Read the thirteenth chapter of Revelation and note the exhortation, "If any man have an ear, let him hear".

Needed: \$1,000,000 worth of equipment in every farm county! Jobs!

Big demand for one-man combines will make factory jobs.

Many farmers will buy one-man hay balers. More jobs!

One-man ensilage harvesters will add to jobs in factories.

Making Postwar Jobs—With Farm Equipment

HOW many jobs will there be for men and women released from military service—and from war industry? No one can say, exactly. But this much we know:

Business management, in scores of industries, has long since laid plans to meet quickly the tremendous, pent-up demand for goods of all kinds—and to introduce new products and services *that will make jobs by the thousands by creating new demands.*

Take the farm-equipment industry. Right now, there is a critical demand for standard farm implements of all kinds. Nearly a million dollars' worth of equip-

ment is needed in every farm county! Making this equipment will make jobs for thousands, in mines, mills, and factories.

And a great new force for job-making is in the new developments by farm-equipment manufacturers. Among these developments are new ensilage harvesters that cut standing corn and make it ready for ensiling in one simple operation. New combines that harvest and thresh wheat without backbreaking toil. New machines that pick corn, pick up and bale hay, dig and pick up sugar beets. Machines that not only mean easier, better, more diversified, more productive farming —

but also new jobs in industry.

The farm-implement industry is but one of many along the Chesapeake and Ohio, the Nickel Plate, and Pere Marquette, that are going full speed ahead putting their plans into operation, now that Victory has been won.

Northern Indiana Public Service Company Radio Network Assures Better Electric Service During Emergencies

To assure a fast, dependable, and efficient system of communication during emergencies when telephone facilities prove inadequate or are disrupted, and through this to provide the residential, commercial and industrial customers with the best possible electric service at all times, the Northern Indiana Public Service Company has placed in operation an emergency radio communication system, W. D. Shannahan, division manager of the company announced today.

The radio network in the Northeastern Division is comprised of four two-way radio transmitting and receiving stations located at Goshen, Angola, Warsaw and Plymouth and a fleet of twenty-five trucks and cars equipped with portable-mobile two-way communication units. All of the transmitting equipment is of the FM type which provides maximum transmission range and clarity. The network broadcast band is in the medium-high frequency classification and does not in-

terfere with commercial broadcasting stations.

This radio network covers the entire Northeastern Division of the company and will interconnect with the radio network now under construction in the southern division of the company. The southern division will have two-way radio transmitting and receiving stations at Monticello, Kentland and Fowler for communication with ten trucks in this division that are to be equipped with portable-mobile two-way communication units. This will permit communication across the state to facilitate and speed service during emergencies.

Four years ago Northern Indiana Public Service Company installed a radio transmission station in Goshen as an experimental unit together with portable-mobile units in several service trucks. This equipment has been so helpful in speeding service during emergencies that it is now being extended to cover the entire Northeastern

Division of the company.

The Federal Communication Commission has assigned call numbers to the stations as follows: WDBV—Goshen, WMRB—Angola, WMRG—Warsaw, WMRM—Plymouth.

Regulations governing the use of the radio network system limit it to es-

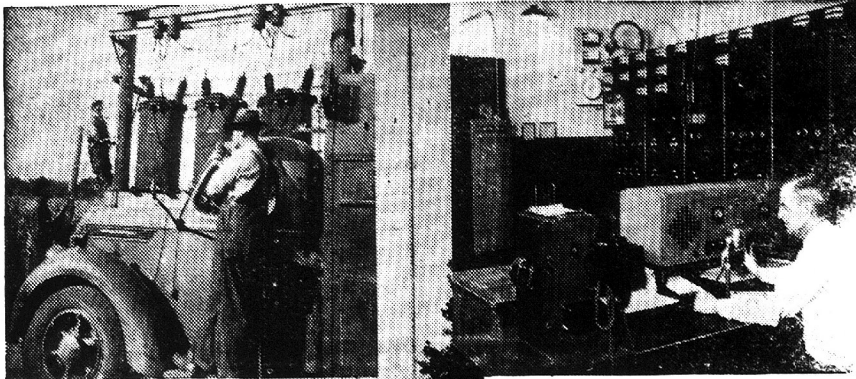

sential communication arising from emergencies, and to emergency transmission from one point to another between which normal communication facilities do not exist, are not usable, or are temporarily disrupted or inadequate.

Mr. Shannahan stated that construction of the radio network is in keeping with the progressive management policy of the company in utilizing every modern method to bring its customers the finest possible service.

CARD OF THANKS

We wish to thank the Mentone fire department and all others who helped save our home Sunday afternoon, November 18.

SCHOOL NEWS

Senior News

The senior Civics class has been studying various islands such as Hawaii, Philippines, Puerto Rico, Alaska and their governments, all of which is very interesting.

We found out that Hawaii, Alaska and Puerto Rico may become future states of the union. Also the Philippines may become an independent nation in the future.

We are studying Public Opinion also. Mr. Law has a habit of giving quiz-

zes when no one seems to have studied his lesson; we poor seniors!

Movie News

The following pictures were enjoyed by the students: "The Fleet That Came to Stay", "Diary of a Sergeant", "Objective Security", "Muscles", "Common Animals of the Woods."

Sports

The sporting news is not so good this week, as we were defeated by the Milford Trojans by one point Tuesday night. This was the Bulldogs' first loss in the county and the last for a while, we hope. However, Mentone has to defend its standing twice next week Atwood Wednesday evening and War-

saw on Saturday evening, on the Mentone floor.

Social News

Bob Nelson, one of last year's seniors who now is attending Northwestern, was visiting school Wednesday afternoon.

The band members as well as the rest of the high school students were quite surprised at the announcement that Miss Davis was going to be married. Wonder who the lucky guy is?

Notice

To whom it may concern—Casey has shaved his goatee. He now looks like a gentleman.

Lost

One grade book. Finder please return to Mr. Law. What a break the seniors are getting on their Civics grades. Good thing he can't remember too well.

Prize

It has been announced to the pupils of Mentone High School that two prizes of \$100 and \$50 in cash will be given to the pupils making the greatest improvement from last year. This prize is to be offered by Chester Manwaring. Further details will be in next week's news.

Sad Ending

Some of the students won't be very happy over the Thanksgiving vacation because the report cards were handed out Wednesday evening.

Advice

Better study harder next month kids.

Thanks

The teachers wish to thank the students for all the work done outside of class.

SCHOOL CLOSED HERE TUESDAY

Dale Kelley, principal of the Mentone schools, Tuesday noon dismissed the children and advised them and the parents to use every precaution to avoid a widespread influenza epidemic. Several students were kept from their studies by illness and some of the instructors were confined to their homes because of illness. Other schools and communities in the county were experiencing more cases than here at Mentone and dismissing school before the disease reached epidemic proportions appears to be a commendable move by Principal Kelley.

Before dismissal, each student was given a caution warning to both parents and students, as follows: "Please see that the children are kept from others as much as possible; see that they are kept off the streets; see that they do not expose themselves to adverse weather conditions. If any do contract the influenza, see that they have rest and quiet. In this way only can we control this epidemic."

The Wednesday evening basketball game with Atwood was cancelled, and so has been the Saturday night game with Warsaw.

NEW VARIETY STORE TO OPEN

Mr. and Mrs. R. L. Cooper, who are remodeling the old Cook building, announced Thursday that they expect to have the new store ready for their big opening on Saturday, December 8.

The room, formerly occupied by the Hill and Lemler Grocery and recently by the Secrist cigar store, has been completely remodeled and extended. New display cases, racks and shelves are being installed and the room, when completely stocked with merchandise, will make one of the nicest appearing stores in Mentone.

Miss Mary Jean Kalmbacher, of Gary, spent a Thanksgiving vacation with relatives and friends in Mentone.

TED ENGSTROM HERE SATURDAY

Ted Engstrom, director of the Grand Rapids Youth for Christ and editor of the Christian Digest, will be the speaker at the Youth for Christ rally here Saturday, Dec. 1 at 7:30 p. m.

Another unusual program has been arranged. All young people are urged to attend.

Paul Fritz, husband of Lois Ward Fritz, is able to be about after being in the Veterans hospital, Dearborn, Mich., for a month suffering from rheumatic fever. Mr. and Mrs. Fritz live in Evanston, Ill.

Mr. and Mrs. Rea H. Ward and Mr. and Mrs. Rea Davis Ward and daughter spent Sunday at Evanston, Ill. with Mr. and Mrs. Raymond M. Dodson and daughter. Mrs. Dodson is the former Margaret Ann Ward. Their daughter, Karen Louise, was born Nov. 15. Mr. and Mrs. R. Davis Ward and daughter remained in Evanston to help care for the new arrival.

POINSETTIA SALE DEC. 7

On Pearl Harbor Day (December 7) Unit 106, Mothers of World War No. II of Mentone and vicinity, will hold their annual sale of Poinsettias on the streets and in all public places of Mentone. There is hardly a family in this community, but what is connected in some way with a serviceman or veteran and the members of the Mentone unit feel that since a percentage of the money from the poinsettia sale is to be turned over to veterans hospitals, the general public will be willing to contribute by purchasing the lovely little flowers. Don't stop by giving one thin dime but give till it hurts. Our boys gave and are still giving—and it hurts. We can never repay our wounded veterans, fully. So do all you can and do so cheerfully Friday, December 7.

MARRIED WEDNESDAY

A quiet home wedding was solemnized Wednesday evening, November 21, when Miss Ellen Davis, North Manchester, became the bride of Mr. Don Sheeley.

The double ring ceremony was performed before an arrangement of candleabra and white chrysanthemums in the home of Mr. and Mrs. Russell Kurtz at Middlebury, Indiana. Mrs. Kurtz is a sister of the bride.

Mrs. Sheeley wore a street length dress of aqua and a corsage of yellow roses.

After the ceremony, dinner was served by Mrs. Ed Fausch and Miss Virginia Yoder to the following relatives and guests: Mrs. Verla Davis, North Manchester; Mr. A. L. Sheeley, Mrs. Sarah Koch, Mrs. Paul Topper, Mrs. Ernest Klein, South Bend; Rev. and Mrs. Howard Fox, New Paris; Mr. and Mrs. Kurtz, and the bride and groom.

Mrs. Sheeley is a teacher in the Mentone school and Mr. Sheeley is a discharged veteran of three years service in the European Theater of Operations.

BIRTHDAY DINNER

A birthday dinner was held at the home of Mr. and Mrs. Duane Horn, Sunday, for Junior Wideman, 17, son of Mr. and Mrs. Ralph Wideman. Mr. and Mrs. Edgar Cochran were present in addition to the Wideman and Horn families.

DIES WHILE VISITING HERE

George C. Kallenback, aged 53 years, one month and 21 days, died at the Murphy medical center at Warsaw Saturday at 2:00 p. m. of heart trouble. He had been troubled the past three years and became suddenly ill while visiting at the home of his brother-in-law, Harley Warren, of southwest of Mentone.

Mr. Kallenback was born in Fort Wayne Oct. 3, 1892 and spent his entire life near there with the exception of the last nine years when he was in Chicago. He was married to Cleo Byrer of Talma and was affiliated with the Summit City Lodge, F. & A. M. at Ft. Wayne. He was an accountant with the Lucien Lelong Co.

Surviving relatives include the father, George and one sister, Mrs. Irene McCormick, and his wife, Cleo, all of Fort Wayne.

Funeral services were held at the Mentone Methodist church Tuesday at 2:00 p. m. with burial in the Mentone cemetery. Rev. Arthur Harmon, of Lafayette, officiated, and the Reed funeral home was in charge.

PARENTS OF SON

Sgt. and Mrs. Robert Whetstone are the parents of a six-pound, 13-ounce son, born Monday morning at the Murphy Medical Center at Warsaw. The father is stationed at Charleston, S. C. Mrs. Whetstone was formerly Miss Kathryn Snider, of Mentone. Grandparents are Mr. and Mrs. Glenn Snider and Mr. and Mrs. W. W. Whetstone.

The new arrival has been named James Jay.

Rosamond Jones, of Indianapolis, was the guest of Mrs. K. A. Riner on Saturday.

NEW LEGION COMMANDER SPEAKS LIKE REAL AMERICAN

John Stelle, recently elected as National commander of the American Legion, in his first public announcement indicates that he has a rather true picture of democracy and America, which is something that couldn't conscientiously be said of his predecessor.

He said, in part: "The Legion is definitely against conscription, but favors a program of national preparedness."

There should be no question of being prepared, and since World War I Legionnaires from coast to coast have been advocating such a program. Conscription, however, is unAmerican and contrary to all principles of democracy, and the advocates of CONSCRIPTION are either grossly misled or are afflicted with a war phobia because of their belief in servitude of the masses. Not one of the reasons ever given for its adoption to date has contained enough proof to even give the matter a second consideration. Every suggestion can be substituted with American ways that will more than secure the proper preparedness potential. Make the funds available to make the armed services attractive and we can have one of the best groups of fighting men in the world, but resorting to the old world's ideas of force and servitude lowers us to the same national level.

The cry is, and has been, to punish the war criminals of Europe, and there is no question but that it is well and proper that the world make the business of promoting and fomenting wars a dangerous business. The question is now: How long before the war criminals in America are given their just dues. Our nation is contaminated with as many as any other country and as long as we permit them to continue their dirty work we can never be a strong nation.

War criminals in America, or anywhere else, never work from a party standpoint, but their utter lack of

principle permits them to "join the gang" irrespective of party, religious or human ties. It took several years following the first world war to definitely point out the individuals in America that helped sponsor the slaughter, but thank goodness it appears that some of the guilty ones will be found out sooner this time.

Evidence to date should leave no doubt in anyone's mind that World War II was fostered, promoted, instigated and invited by a large number of top-rank Americans. Japanese secret codes used by their spies and diplomatic personnel had been deciphered and the messages intercepted; the warning signal of the start of a shooting war against us was known and the broadcast, in a weather report message, was known by the highest officials in the state and war departments many hours before December 7, 1941, yet over 3,900 American boys were killed or wounded on that fateful day.

This writer, on many occasions prior to the day when Hitler's hordes marched into Poland, had written and published articles of an impending war. Those articles are contained in bound newspaper files in the writer's possession and they are on file with other state newspapers at the Montana State Historical Library. Some of the articles were published September 22 and 29, 1938; Jan. 19, 1939; March 9 and 23, 1939, and on Feb. 16, 1939, one article contained this paragraph:

"War is wanted and war we will have. It isn't because war is necessary for our preservation or protection. The U. S. has nothing to fear—except the greed of fermented demons within. Profits have dwindled since the old cow went dry a few years back and the biggest profits are made from war."

One of my regrets at the "battle of Indianapolis" was that I'd never have the opportunity of belonging to the Legion, but I trust that the boys who do

belong will have some influence in bringing the Nation and its people back to a stronger level—back to the place where they will work to destroy evil and foster those principles upon which America was founded and grew so abundantly. Back to the place where people vote and work for a good principle rather than lose their voice in our government by merely voting a "ticket." Many of our children know nothing else but restrictive measures, and even we older ones have been subjected to the place where we rather expect it. Some of the measures may have been necessary, but the greater proportion of them were "trial balloons" to help mold public minds into a more pliable and defenseless state. We've gotten to the place where we feel that we're subject to the government, when in reality the government exists ONLY for the welfare of its people. Anything viewed in any other light is not in the spirit of democracy.

Unified control of our armed forces (a neat phrase for stating that one man has absolute control of the army, navy and air corp) is just another step into dangerous ground. Arguments about releasing information about the atomic bomb shouldn't be misleading, but it's a safe venture that the "propaganda" will work. Really there isn't much secret about it any more, but in the eyes of many Americans, the British and the Russians are using it to "bar-

gain" for aid and concessions. They're asking for many things—and expect to get one or two. (They have the others now anyway.)

May the Legion carry on as valiantly as the boys did in battle, and may they have the support and advice of every citizen so that our wives, our children, our land, may escape the wrath of war and starvation. We won on the battlefields, but lost everywhere else. It will take the supreme efforts of every one of us to prevent losing everything and fleeing to the hills and mountains for safety.

PRESS COMMENDS YOUTH FOR CHRIST MOVEMENT—

A GREAT MOVEMENT

(An editorial appearing in the "Boston American" September 14, 1945.)

A great religious movement, utilizing the resources of the churches of America for the instruction and inspiration of the youth of America, has been gaining tremendous momentum throughout the nation in recent months.

It is called "The Youth for Christ Crusade", and it has such an attraction and appeal for young people that hundreds of thousands of young men and women, and boys and girls, now are participating regularly and enthusiastically.

In more than a thousand cities and towns of the United States the churches and the church people are conducting these wholesome and beneficial religious services, and the earnest and appreciative young people of all these communities are deriving many helpful and pleasurable benefits from them.

This is one of the best "youth movements" ever organized in behalf of the young people of America, and it shows every evidence of being the nation's solution of the problem of misdirected and neglected youth activities—a problem which is the principal cause of the dangerous and destructive thing we call "juvenile delinquency".

The American nation has desperate need for such a movement, as the startling crime reports of the Federal Bureau of Investigation have shown

throughout the war years, and continue to show.

The latest of these reports is for the first six months of 1945, and it discloses that in this period there were 58,041 arrests of persons UNDER 21 YEARS OF AGE.

These arrests of young people accounted for nearly ONE FOURTH of the arrests in the country.

The most SHAMEFUL fact disclosed is that the age group from which the largest number of arrests are made is 17 YEARS OLD.

This is a terrible blight upon our national life.

It is a terrible INDICTMENT of the American people—not of our boys and girls, but of men and women, fathers and mothers, teachers, clergymen, judges, policemen, authors, journalists, politicians, and all mature and responsible people.

Surely, then, there is a vital place for the great "Youth for Christ" movement in American life, and A DESPERATE NEED FOR IT.

It is almost providential that it has appeared and had such wide acceptance at such an acute time of national need.

The American communities which have encouraged and promoted it have set in motion the best possible machinery for their material and spiritual enrichment.

The American people who are participating in it are living up to the great moral purpose which justifies their existence.

The American people who are giving their time and energies to its success are contributing to a more wholesome and beneficial national life.

But, obviously, there are not enough American communities and churches and people taking part in this great religious movement.

It is a tremendously GOOD thing.

It is getting to be a very BIG thing.

But until its wholesome facilities for attractive recreation and entertainment, for moral and spiritual guidance, and for religious appeal and instruction are made available to the whole body of American youth, the movement is neither good enough nor big enough.

SNYDERS APPLIANCE SERVICE

The "Youth for Christ movement is the answer to the skeptics who have said there is nothing the American nation can do about its rising tide of juvenile delinquency except to let it run its destructive course in the manner of a pestilential disease.

It is already salvaging the lives of thousands of American young people, and it should be utilized to the limit of its vast capacities.

CONSERVATION DEPT. REQUESTS RETURN OF PHEASANT BANDS

Return by hunters of bands placed on several hundred pheasants in five northern counties was urged recently by the Indiana Department of Conservation.

William B. Barnes, the department's research specialist, said several hundred birds were banded in advance of the pheasant season as part of the department's pheasant study program.

To date, few of these bands have been returned by hunters, he said. Banded birds were released in Steuben, LaGrange, Noble, Whitley and Allen counties.

Hunters may, if they desire, keep the bands for souvenirs and simply mail in the information requested: location of kill, date of kill and name and address of hunter.

Hunters cooperating will receive detailed information from Mr. Barnes on the results of the survey.

PLOW UNDER NITROGEN AS A FALL PRACTICE

Farmers who plow under nitrogen for
corn, can often do so more conven-
iently in the fall and without loss of
nitrogen. This is contrary to the pre-
vious opinion that this must be a
spring practice.

During the past growing season, Pur-
due University agronomists demon-
strated that high nitrogen fertilizers such

as an 8-8-8 ammonium sulfate or cyan-
amid can be plowed under in the fall
on most soils without appreciable loss
of nitrogen by leaching. It is not rec-
ommended on sandy soils or other
soils with excellent internal drainage.

TRIPLE-A MEETINGS

\$94,753 is Kosciusko county's Agricultural Farm Program budget for 1946 as announced by the A. A. A. committee. The program in 1946 is entirely new. This year the township committeeman has a very important part in the agricultural program. This money will be used in establishing farm practices that will be selected in a county meeting December 18, by the county and township committeemen.

There have been 26 farm practices accepted by the state and Kosciusko county may select all or as many of these practices as they desire. Such practices as liming or fertilizing permanent pastures, new seedings of legumes, hay crops and contour planting of small grains, strip farming, contour drainage and retaining contours are some of the 26 practices the county and township committee will consider in their selection.

The farmer will decide with the help of his township committeeman the prac-

tice he wishes to carry out on his farm in 1946. His agricultural program is completed other than getting the practice done.

The 1946 A. A. A. farm program is up to the farmers and the committeemen they elect to develop and carry out. Those farmers in Kosciusko county who are interested in the farm practices to be carried out, on their farm, in their township and in their county should attend their township organization meeting—7:30 p.m.

Mr. and Mrs. Ken Foulks left Wednesday noon for their home in Bloomfield.

Mr. and Mrs. Frank Wise, son LeRoy and Miss Patricia Goodman spent Sunday afternoon with Mr. Wise's brother and wife, Mr. and Mrs. Ed Wise, at Deedsville.

Mr. and Mrs. M. O. Smith, son Donald and daughter Mary Esther and Mr. and Mrs. Lum Smith were Saturday evening dinner guests of Mr. and Mrs. Earl Smith.

Mr. and Mrs. Stanley Wise and daughter Evelyn, Mr. and Mrs. Fred Garrison and Maridean of Fort Wayne, were Sunday guests of Mr. and Mrs. Frank Warren.

FARM BUREAU FISH FRY DEC. 6

The Harrison Township Farm Bureau will sponsor a fish fry at the Mentone school, Thursday, Dec. 6 at 7:00 p. m. The Jonah Club will fry the fish.

Bring your table service for your family and one dish, either salad or dessert. Coffee and fish are free.

If the farmers are to maintain their rightful place in the national economy, they must organize to compete with organized labor and industry. If you are interested in the farm organization movement, come to this meeting and hear Hal Royce. We assure you of a pleasant and profitable evening.
