**GOLDEN ANNIVERSARY**

October's bright blue weather and golden beams of autumn sunlight smiled upon the day of golden memories which arrived for the Rev. "Eddie" and Mrs. DeWitt on Sunday, October 29. The activities of their fiftieth wedding anniversary began with the entire DeWitt families attending the worship service in the Methodist Church in Mentone. The Rev. David Gosser, pastor, ushered them to their seats which had been reserved.

The congregation of the church shared in the joy of presenting to the DeWitts a bouquet of yellow roses in the centers of which were placed twenty-five one dollar bills. These were given after a presentation of play money was made. Regrets were expressed by the pastor for the absence of the Rev. Paul Smith of Columbus, Wisconsin, a former teacher in the Mentone school who received his call to the ministry through the inspiration of Rev. DeWitt when he served the Mentone pastorate from 1933 to 1940.

At noon a buffet dinner was served the DeWitt family and guests in the church dining room by Mrs. Howard Kohr, Mrs. Hand, her daughter, and Mrs. Abe Whetstone. Those in attendance were "Eddie" and Bessie" DeWitt of Mentone; Mr. and Mrs. L. L. DeWitt, son George Edward and daughter Beth Ann, of Converse; Mr. and Mrs. G. Tunes and daughter Joann of Pendleton; Mr. and Mrs. L. K. DeWitt, daughters Marjorie Kay and Marcia and son Warren Lee, of Sturgis, Michigan; Mr. and Mrs. F. C. DeWitt of Pendleton; Mr. and Mrs. Charles Taylor and son Farrell of DeSota; Mr. and Mrs. Clifford Bennett of Indianapolis; Mr. and Mrs. Rolin Bright of Anderson; Mr. and Mrs. Russell Beaver and son John Francis of Lapel; Mr. and Mrs. John B. Taylor of Muncie; Mrs. Lydia Rynearson, formerly of Mentone; Miss Betty Ann Thornberg of Idaville, and the pastor, Rev. David Gosser, his wife Sara and sons David and Jonathan.

All the above mentioned attended the morning worship service except for two sisters of Mrs. DeWitt and their families who were delayed by the heavy fog.

Following dinner, George Edward,

(Continued on back page)

**OBSERVE SILVER WEDDING ANNIVERSARY**

Mr. and Mrs. Arthur Witham were given a lovely surprise anniversary party Monday evening, by their children, the occasion being their 25th wedding anniversary.

A beautiful cake, decorated in keeping with the occasion, was served with punch and coffee to over 70 guests.

The guests of honor received many lovely gifts in honor of their anniversary.

**CONDITION IMPROVED**

Mrs. Tom Haimbaugh's condition is still improved and she will soon be able to return to her home.

She has been a patient at the Woodlawn hospital, Rochester, for several weeks following a stroke of paralysis.

**WITHAM**

Mr. and Mrs. Dean Witham are the parents of a five pound twelve ounce daughter born Oct. 28 at the McDonald hospital at Warsaw. The new daughter has been named Deborah Patricia.

**SUFFERS STROKE**

Silas Paxton suffered a stroke of paralysis a week ago Sunday and is in Fort Wayne at the Cloice Beber home at 811 High Street.

**PARENTS OF SON**

Mr. and Mrs. Richard Gross, of Bourbon, are the parents of a son, Michael Lewis, born Sunday morning at the McDonald hospital in Warsaw.

**MORE MOVES MADE**

Mr. and Mrs. Heston Creviston have moved into the Lyons property recently vacated by Mr. and Mrs. Clarence Brown, who moved into their property which they purchased recently from Harl Nottingham. Mr. and Mrs. Harold Coplen are moving from the Esther Borton home to the farm north of town vacated by the Crevistons.

Chester Coplen bought the Borton house and plans on moving to town in the spring.

Mr. and Mrs. Don Kinkead, Jr. and daughter are moving from the Johnson apartment southeast of town to the Frank Warren home.

**CAST ANNOUNCED FOR "AUNT CATHY'S CAT"**

The Mentone Senior class has announced the cast for the class play to be given on Wednesday evening, Nov. 8, at the Mentone Community Building. The play is a mystery-comedy in three acts, written by Felicia Metcalfe.

The cast is as follows:

Bill Pryor, a young real estate agent, Phillip Shilling.

Miss Jane Trimble, a middle-aged woman, Jody Cullum.

Miss Cathie Trimble, Jane's old maid sister, Jennie Hall.

Margaret (Peggy) Trimble, an attractive girl of about 20, Betty Witham.

Dorothy Trimble, her younger sister of fifteen, Bonnie Emmons.

Maria Garcia, a Spanish servant of about 40, Phyllis Bowser.

Jose Garcia, her husband, David Romine.

Elizabeth (Liz) Pryor, Bill's attractive sister of 20, Bonita Miner.

Tilly Pitts, a servant girl of about 22, Mary Jane Tucker.

Mr. David Brent, a middle-aged retired businessman, Dennis Fitzgerald. The gas man, Dale Molebash.

The officer, Karen Clark.

The play is centered around Miss Jane, Aunt Cathie and their two nieces, Doty and Peggy, who have just moved into the old Narfleet Mansion.

Mystery and romance are mixed together to bring excitement all through the play.

Mr. Ralph Hoffman is directing the play.

Reserved tickets 50c, general admission 40c.

**CLUB CALENDAR**

Mentone Reading Club, Wednesday evening, Nov. 8, at the home of Mrs. Chancy Mollenhour. Response to roll call, "A poem I learned in childhood."

J. O. Y. Circle, Tuesday, Nov. 7, at 1:30 p. m. at the home of Mrs. George Mollenhour.

Senior Class Play, "Aunt Cathy's Cat," Wednesday evening, Nov. 8, at the Mentone Community Building.

Mothers of World War II, meeting postponed until Wednesday evening, Nov. 15th, at the home of Mrs. Mae Borton.

Mentone Home Economics Club will meet on Thursday afternoon, Nov. 16, with Mrs. Royce Tucker.

Eastern Star will meet at the Hall Monday evening, Nov. 6th, at 7:30.

**FINE ATTENDANCE AT LIONS HALLOWEEN FESTIVAL**

There was a large attendance at the Lions Club Halloween celebration held in Mentone Tuesday evening, and the parade of masked individuals was as large as in past years. There were many unusual characterizations and those doing the judging had a difficult problem. Many who did not win prizes were given honorable mention by the judges.

Winners were as follows:

Largest family group, the Edgar Cochran family.

Best dressed couple, Sue and Cara Lynn Fenstermaker.

Bridal couple, Janet Romine and Linda Horn.

Ugliest, Eleanor Craig.

Clown, H. A. Anglin.

Tramp, Chester LeRoy Walters.

Youngest, Elaine Manwaring.

Oldest, Maggie Dille.

Most unusual, Carolyn Alderfer.

The members of the Lions club extend their thanks and appreciation for their attendance, and the splendid help and cooperation of Lions members and other firms and individuals.

**FORMER RESIDENT DIES AT WINONA LAKE HOME**

Mrs. Irene Eldora Kizer, 83, of Bonne Vista cottage, Winona Lake, died Sunday evening at her home there. She had been ill for the past five months, and death was due to complications.

Mrs. Kizer, a native of Fulton county, was born Oct. 23, 1867, the daughter of Benjamin F. and Malinda (Grove) Blue. She was married at Talma to Martin R. Kizer July 10, 1884, who is deceased. Mrs. Kizer had been a resident of Winona Lake for 26 years, and previous to that time she had lived in the Mentone vicinity.

Those who survive include: a son, M. D. Kizer, of Plymouth; a daughter, Mrs. Ruth Peebles, of Winona Lake, with whom she lived; three grandchildren; four great-grandchildren, and a half-brother, Isaac A. Batz, of Rochester. A daughter is deceased.

Funeral services were held at two o'clock Wednesday afternoon at the Mentone Baptist church, of which she was a member. Rev. Milton Dowden was in charge. Interment was in the Mentone cemetery. The Landis funeral home, of Warsaw, was in charge of arrangements.

# NEW CASTLE

## TOWNSHIP NEWS

Lon Walker, of Indianapolis, was the guest of Mr. and Mrs. W. A. Dick on Friday evening.

Mr. and Mrs. Bud Yeazel, of Columbia City, were supper guests Friday evening of his sister, Mrs. Charley Green.

**DRIVING IN THE DUSTER DAYS**

The man who is car-conscious today has his automobile fitted out with the latest in spotlights, bumper guards, directional indicators and plastic air vents for the windows. But what were the "latest features" on the market 35 years ago? What gadgets caught our fathers eyes?

The Chicago Motor Club lists some advertisements that appeared on the pages of newspapers and periodicals of 1915. . . .

Auto horn, signalling device of the mechanical type. In this horn, the operating plunger is set at an angle of 45 degrees, thus making the operation quick and easy. The action of the horn is unfailing and the tone is loud,

penetrating and commanding. The bracket has three point suspension and enables the horn to be mounted on any part of the body.

Anti-Rattler. To be fitted in the doors of cars and eliminate rattling. It is fitted to the door of the car or the ledge of the hood. Price is 25 cents each for doors having a jamb. For doors without a jamb an adjusting plate is used, and the price is somewhat higher.

Tool bag. It keeps the motorist's tools in plain sight when opened so that any tool can be instantly picked out for use. The bag has no straps or buckles, the folding halves being separated by breaking two clasps. The tools come into sight in an open space ready for selection. With this bag the chances of losing a tool are reduced to the minimum.

All steel and telescoping shovel. For the use of motorists and others. Blade measures six by eight inches. Handle is 16 inches long. Weight is two pounds. Telescope feature may be found in the handle, which may be used full length or shortened. When telescoped the shovel is easily accommodated in the car.

Rear stop signal. Designed to act upon application of the brake. Red disc with a bulls-eye in the center and mounted on an arm pivoted behind the license bracket. A lamp is mounted on the arm to shine through the red bulls-eye at night. When brake pedal is operated the signal rises from behind the license and waves back and forth for a short time.

Door curtain opener. To fit every make of car and to be used with existing curtains. Its use enables the passenger to open the door the same as if a close body were fitted. The opener is a simple inconspicuous steel support for the door curtains making them as much a part of the doors of a limousine.

**WHAT "TERRIBLE" WEATHER**

I haven't a thing against nice weather, and it would be almost impossible to not enjoy the beautiful spring days we have been having, but they sort of throw a person off balance. If winter comes more gradual one doesn't seem to notice the change so much, but boy what a jolt it would be to have a good big snow storm and freezing weather hit us now.

Even nature seems to be slightly off balance. Monday Pete Dillman came in with a big cluster of strawberries off some of his plants. One of the berries was already a deep red, another about half red and the balance a rugged green.

Mr. and Mrs. Ralph Mollenhour and Mrs. Lyman Mollenhour were guests at the Visiting Matrons' and Patrons' night at South Bend on last Wednesday evening

## Atwood Wins Again In Queen Contest

Miss Tomaline Witham Chosen by  
Judges as Egg Show Queen

(As taken from the Egg Show special  
issue)

Miss Tomaline Witham, 15, daughter of Mr. and Mrs. Thomas Witham, of Atwood, Thursday evening was selected as the queen to reign over the 1950 Mentone Egg Show. She was a candidate from the Atwood High School.

### Attendants Selected

Etna Green, Akron, Tippecanoe and Mentone candidates were given the honor of serving the queen at the crowning ceremonies Friday evening.

### Atwood Repeats 1948 Attainment

Atwood, it seems, has a way of presenting the proper lady as queen candidate. At least, they have attained the "repeat" category with this year's selection of Miss Tomaline Witham as queen. Mentone—host city for the egg show—as yet has never had one of its candidates chosen as queen. We're not going to give up, however.

Witnesses to the queen selection on Thursday evening realized the difficult

problem with which the judges were confronted. There was no question but that many of the queen contestants rated high in the opinion of the judges: Mrs. Wm. Johnson, wife of assistant county agent Wm. Johnson; Maynard Johnston, G. I. Agriculture instructor for the Veterans' Administration, at Mentone, and Wayne Detweiler, Extension Poultryman for Northern Indiana.

Miss Witham is a sophomore in the Atwood High School and the daughter of Mr. and Mrs. Thomas Witham.

### Four Attendants Chosen

The four attendants to the queen chosen were:

Miss Elaine Harshner, senior, of the Etna Green High School. She is the daughter of Mr. and Mrs. Lewis Harshner.

Miss Molly Hanger, Junior in the Akron High School and daughter of Mr. and Mrs. Fred Keesey.

Miss Beverly Jean Downs, Junior, of the Tippecanoe High School. Her parents are Mr. and Mrs. John Downs.

Miss Jody Cullum, Senior in the Mentone High School and daughter of Mr. and Mrs. Artley D. Cullum.

### Crowning Friday Night

Prof. C. W. Carrick, Assistant Chief of the Purdue Poultry Department, was in charge of the coronation ceremonies Friday evening.

### Other Candidates Given Gifts

The six unsuccessful candidates were each presented with buckskin billfolds Thursday evening. They were:

Marilyn Smith, Sophomore, of the Claypool High School.

Martha Lou Drudge, Senior, of the Beaver Dam High School.

Marilyn Smith, Senior, of the Silver Lake High School.

Charlene Mattix, Senior, of the Burket High School.

Ruth Harms, Senior, of the Laketon High School.

Marilyn Sue Morris, Sophomore, of the Talma High School.

### Wrist Watch for the Queen

As has been the custom, the Mentone Egg Show committee presents the queen and her four attendants with appropriate gifts, in recognition of their accomplishments and the important part they have played in the show.

The queen was presented with a fine wrist watch and each of the attendants received strands of pearls.

Mr. and Mrs. Adam Bowen have had word from their nephew, Dean Bowen, at Albion, Michigan, stating that their six-year-old son, Devon, is improving after an attack of polio. His entire left side was affected but doctors feel he may regain complete use of his body.

Mr. and Mrs. Pat Harrison and daughter of Rensselaer, spent the week end at the Elmore Fenstermaker home and with other friends in Mentone.

### ATTEND DISTRICT MEETING

Members from the Mentone Legion Auxiliary unit who attended the district meeting at Roselawn, October 25, were: Mrs. Robert Whetstone, Mrs. Robert Reed, and Mrs. E. E. Wagner.

Mrs. Reed has been appointed to a district chairmanship for Education of Orphans of Veterans.

The Mentone unit received an award for the Poppy Window Display which won first place in the district for towns up to 5,000 population. The Poppy Window was on display at the Denton Drug Store last May. Mrs. Robert Whetstone was in charge of decorating the window.

The unit also won third place for the Publicity Scrap Book in the district.

Mrs. Clayton Clutter was the Publicity chairman for last year.

There are 48,935 members in Indiana. The goal for the year 1951 is 50,000 members. The second district won an award for having the largest percentage of their Post membership 30 days prior to the Department convention. The award went to the Northern district membership chairman. Each unit can cooperate in this membership drive by enrolling all old members and as many new members as possible for the coming year.

Of the 46 units in the second district, only six attained a 100% rating. The Mentone Unit was honored to be one of the six.

## MENTONE MURMURS

by  
DAVID and SALLY GOSSER

Anniversaries! Anniversaries! and more anniversaries! What is it that we commonly call our birthdays? Anni-

versaries. We had only one birthday, and these annual occasions to reflect back upon it are the anniversaries of that one event.

Mixed are the emotions experienced by those who, as the years mount up, are reminded of the fact they are becoming older. Usually its the fairer sex (and we will concede that point to them) who are most disturbed by these

burdensome occasions, and yet were it not for the fact that we have this element of time in our human experiences, we could not rightly appreciate the values of human companionship which E. E. DeWitts and Ora Tuckers know.

The accumulation of birthday anniversaries brought to them the golden day of memories which we recognize as the Golden Wedding Anniversary. Far too few of happily married couples live to enjoy the honor and respect which come to these more fortunate homes. Gold is the more mellow of the precious ores as age is the mellowing influence upon mankind. It has been rightly chosen as the color and symbol of precious memories. It is also, when considered in its historical tradition, the most valuable of metals, and these days which companions share together in their fiftieth year of married life are the most precious to them, days enriched by years of love and toil and sorrow, by heartache and worry, and the frets and cares of raising families.

Conde Walburn estimates that less than ten per cent of married couples live to celebrate their golden wedding anniversary. Murmurs knows of no particular survey made on that subject, but it is quite understandable when we consider the number of friends who have lost their mates earlier in life or that economic conditions prevented early marriages. We have in this day

a definite trend towards early marriages. This may give more people the opportunity to live longer together, but with war and mounting accident death rates, there is need of drastic action to bring the opportunity of golden anniversaries to them.

Something should be said about the fact that these long married couples usually are the ones who have made the most out of life, and they have a lesson to teach us on the art of getting along together.

### SINGSPARATION SUNDAY AT DONALDSON

# P. T. A. MEETING HELD

The October P. T. A. meeting was held in the high school assembly on Wednesday evening, October 25th, with Mrs. Hobart Creighton presiding. After the pledge of allegiance was given and reading of the secretary's report, Mrs. Delford Nelson, chairman of publications, urged that more parents take the National and State Parent-Teachers magazines.

Mrs. Urschel, chairman of the program committee, outlined some ideas for future programs. Grade count was taken with the first grade winning with fifteen parents present.

The committee in charge had purchased an aquarium with fish and plants, to be the rotating prize for this year.

The first grade will enjoy the fish for at least the next month.

Mr. Kelley had charge of the devotions.

The meeting was then turned over to the program committee.

A playlet, portraying the life of James Whitcomb Riley entitled, "Hoosier Boy," was presented by the following: Isabell Johns, Leah Nell Lemler, Eileen Koenig, Ruth Cullum, Trella Tombaugh, Ruth Urschel and Wreatha McFarren.

Several of Riley's poems were read and others were accompanied by music. There's Somethin' About the Air in Indiana, Little Orphan Annie, When the Frost is on the Pumpkin, Out to Old Aunt Mary's, Old Swimmin' Hole and Lockerbie Street were a few of them.

Refreshments of cider and doughnuts were served by the following committee: Mrs. Earl Smalley, Mrs. Chas. Eaton, Mrs. Loyd Miner, Mrs. Carol Eiler, Mrs. Chas. Creighton, Mrs. Dearn Tucker and Mrs. Everett Beeson.

Sunday dinner guests at the Artley Cullum home were: Rev. and Mrs. Johnny Hope and family, of Elkhart; Rev. and Mrs. O. L. Johnson and family, of Warsaw, and Rev. Frank Fultz, of Distant, Pa.

# MRS. SNYDER AND STUDENTS ENTERTAIN WARSAW CLUB

A musical program was enjoyed by members of the Warsaw Magazine club, who were entertained Wednesday evening of last week at the home of Mrs. Maude Snyder, Mentone. Numbers presented included selections played by Mrs. Snyder on the Hammond organ, and piano and vocal solos by her music students. "The Flight of the Bumble Bee," was played by Mary Ellen Bryan, and "Malaguena," by Shirley Corwin. "The Star," was a vocal solo by Marita Tucker, and Marilyn Rathfon sang, "Il Baccio" and "Snowflakes," with Mrs. Snyder playing the piano accompaniment. The final number was "Indian Love Call," arranged for organ and piano duet, played by Mrs. Snyder and Miss Bryan, with Miss Marita Tucker singing the chorus. In the business session, conducted by Mrs. E. W. Conrad, Mrs. Ezra Funk was appointed to serve as treasurer, to complete the unexpired term of Miss May Hosford. Miss Wilma Scott gave the secretary's report. Mrs. Ella Stanford, of Mentone, assisted Mrs. Snyder in entertaining.

Mr. and Mrs. Hershel Teel and sons spent the week end at Green Bay, Wisconsin visiting Mr. and Mrs. Charles Carter. Mrs. Teel and Mrs. Carter are sisters.

## Mrs. Christian Wins Grand Sweepstakes

Makes Highest Score of Show  
With White Eggs

### JANICE NELSON WINS FIRST WITH BROWN EGGS

Mrs. Dorothy Christian, of a few miles north of Mentone, was the grand sweepstakes winner in the Egg Show Exhibits, with a score of 95 on her dozen of white eggs. Mr. and Mrs. Christian have placed consistently in the higher brackets with their exhibits each year.

Miss Janice Nelson, daughter of Mr. and Mrs. Delford Nelson, of

Burket, repeated her 1949 performance by winning sweepstake honors in brown eggs with her score of 89.5.

Gertrude Smythe, Peg Mollenhour and Ronald Beeson held up their former reputations by placing among the first six in their classes.

#### Class Winners.

Winners in the various classes, with only the first six being listed, are as follows:

#### Class I

- 1st—John Stookey, Milford, 89 points.
- 2nd—Billy Lee Ayres, Claypool, 88.
- 3rd—Marilyn Creighton, Warsaw, 87.5.
- 4th—David Romine, Etna Green, 86.5.
- 5th—Robert Creighton, Warsaw, 85.
- 6th—Fred McSherry, Burket, 84.5.

#### CLASS II

- 1st—Frank Hoover, Milford, 85.5.

- 2nd—Jack Smalley, Warsaw, 85.
- 3rd—Marvin Kaiser, Milford, 84.
- 4th—Larry Long, Etna Green, 79.5.
- 5th—Don Hoover, Milford, 78.5.
- 6th—Bill Lee, Silver Lake, 78.

#### CLASS III

- 1st—Dorothy Christian, Bourbon, 95.
- 2nd—Larry Yeiter, Mentone, 89.
- 3rd—Ronald Beeson, Etna Green, 86.5.
- 4th—David Creighton, Warsaw, 84.5.
- 5th—Larry Polk, Claypool, 84.
- 6th—Albert Henderson, Jr., Warsaw, 83.

#### CLASS IV

- 1st—Janice Nelson, Burket, 89.5.
- 2nd—Jack Smalley, Warsaw, 85.
- 3rd—David R. Kinsey, Claypool, 84.
- 4th—David Marble, Warsaw, 81.5.
- 5th—Bobby Long, Etna Green, 81.
- 6th—David Marble, Warsaw, 79.

#### CLASS V

- 1st—Chester Christian, Bourbon, 93.5.
- 2nd—Mrs. Chester Christian, Bourbon, 92.
- 3rd—Nelson Poultry Farm, Burket, 83.5.

#### CLASS VI

- 1st—Mary Kehoe, Bourbon, 91.
- 2nd—Peg Mollenhour, Mentone, 88.5.
- 3rd—Gertrude Smythe, Mentone, 88.
- 4th—Leo Anglin, Milford, 79.5.
- 5th—Mrs. Mildred Hogan, Silver Lake, 72.

#### CLASS VII

- 1st—Nelson Poultry Farm, Burket, 88.
- 2nd—Maybelle Merkle, Claypool, 81.5.

- 3rd—Mrs. Mildred Hogan, Silver Lake, 73.

#### CLASS VIII

- 1st—Lester Horn, Mentone, 99.
- 2nd—Nelson Poultry Farm, Burket, 98.7.

- 3rd—Mary Bryan, Mentone, 98.5.
- 4th—Marble Rock Farm, Warsaw, 97.5.
- 5th—Marble Rock Farm, Warsaw, 97.
- 6th—Frank Merkle, Claypool, 95.5.

#### CLASS IX

- 1st—Creighton Bros., Warsaw, 96.
- 2nd—Creighton Bros., Warsaw, 91.5.
- 3rd—Nelson Poultry Farm, Burket, 86.5.

#### CLASS X

- 1st—Frank Merkle, Claypool, 94.5.
- 2nd—Marble Rock Farm, Warsaw, 78.5.
- 3rd—Nelson Poultry Farm, Burket, 77.5.

(Classes 8, 9 and 10, interior quality, do not compete in sweepstakes.)

#### 154 Dozen Eggs In Show.

There were 153 dozen eggs entered in the exhibits, and Class I alone had 53 dozen entered.

ADVERTISE — IT PAYS!

NOT JUST A POLISH!  
NOT ANOTHER WAX!

## DU PONT SPRAY GLAZE IS AN ENTIRELY NEW PROCESS

✓ It's new! It's different! It's Du Pont Spray Glaze—the most significant development in car care in years.

✓ Du Pont Spray Glaze is applied to your car by a new, faster method—with a spray gun under high pressure to penetrate every crevice and fill every pore in the finish. It gives your car a smoother, glossier coating than ordinary waxes or polishes.

✓ Du Pont Spray Glaze is not a paint nor a lacquer. It is a transparent material that brings out the beauty of your car finish and protects the paint with a hard, durable glaze.

The Spray Glaze process includes:

1. Washing the finish with Du Pont Car Wash.
2. Pre-cleaning with a special Du Pont Spray Glaze Cleaner.
3. Applying Spray Glaze.

Shines brighter — lasts longer — costs you no more.

## SCHOOL NEWS

A large crowd is expected for the opening basketball game with Akron this Friday evening. The doors will open at 6:00. The second team game will begin at 7:15. The band will play and march. Referees for the game will be George Cullers of Argos and Devon Eaton of Rochester.  
Achievement tests have been given in grades 2, 3, and 4. Results of these tests will be available for teachers and parents.

On Monday morning, Dr. Harland White, Assistant Registrar of Purdue University, spoke to the high school pupils. The title of his talk was, "Your High School Record." Mr. White emphasized the importance of making a

good high school record from day to day.

The Mentone Band will play at the Republican Rally at Warsaw on Wednesday evening. The band will receive twenty-five dollars for playing.

The financial condition of the various funds as of October 31 was: Agriculture, 27.09; Athletic 57.57; Band 119.91; Future Farmers 66.72; General 85.86; Lunch 78.00; Operetta 10.62; Class of 1951 864.88; Class of 1952 220.15; Class of 1953 113.50; Class of 1954 4.08; Class of 1955 13.00; Mentonette 16.41.

Grades 1-5 observed Hallowe'en with parties. The room mothers helped with the entertainment and refreshments. About all pupils were masked.

Members of the Mentone Volunteer Firemen have consented to attend home basketball games in case an emergency should develop. In recognition of this aid and the fine service they have given our community, members of the department will be furnished passes to all home games.

# METHODIST CHURCH NEWS

An increaseing interest is being shown in the evening service of this church. Hosts and hostesses of this past Sunday evening were: Mr. and Mrs. John Boggs, Mr. and Mrs. Glen Denton, Mr. and Mrs. Lyman Mollenhour, Mr. and Mrs. Ralph Mollenhour, and Mr. and Mrs. Rea Ward. The last named couple were unable to participate because of illness.

The committee for this coming Sunday evening is: Mr. and Mrs. Philip Blue, Mr. and Mrs. John Teel, Mr. and Mrs. Alan Herendeen, Mr. and Mrs. Mott Byran, Mrs. Elizabeth Simcoe, Mr. and Mrs. Henry Hinker, and Mr. and Mrs. Hershel Teel. The speaker for the evening is Professor Miller of Rochester, former high school and college professor who is interested in the lay activities of the Methodist Church. The topic for the evening is "The Contribution Education makes to The Good Life". The fellowship supper served by the committee will begin at six o'clock and the address will follow immediately after the sup-

per. In the absence of the pastor, Mr. Denton Abbey will direct the activities of the service.

A Veteran of The Cross, the Rev. E. E. DeWitt will preach the sermon at the morning worship service. His topic is "What is Your Life's Objective?" Mr. Abbey will direct this service, also.

Handcraft classes for the next week will be suspended until the pastor returns from the Syracuse Area where an Advance for Christ program is being presented. It is thought that Rev. Gosser will be serving somewhere in the vicinity of Buffalo, New York, replacing one of several other ministers formerly assigned to that area. His own assignment was to Olean, New York, where he was to present an evangelistic mass and visitation program. The invitation to participate in this great Christ centered movement comes as an honor to a few of the ministers of this Warsaw District. Rev. Kegeris and Rev. Case are likewise participating in the program.

eldest grandson of the DeWitts, read Joyce Kilmer's "Trees," and Mrs. Leland DeWitt, who was responsible for the lovely table decorations of gold trees and animals, presented the largest tree which was laden with fifty new one dollar bills which were enclosed in tiny golden envelopes. She then introduced the members of the DeWitt "family tree" in chronological order, and the family then retired to the residence where open house was held from two until five o'clock. So numerous, however, were the guests that the orange punch and rose-bud crested cake were still being served at six o'clock. It is estimated that more than four hundred friends called to wish the DeWitts continued health and happiness. Many were the beautiful gifts received, including a lovely plastic covered chair and ottoman expressing the wishes of Mentone friends.

#### TODDS SELL DRESSING PLANT

Mr. and Mrs. M. F. Todd have sold their farm and poultry dressing plant to Joe Kralis, of Gary. Mr. Kralis took possession Monday, according to Mr. Todd.

### The COPY BOY

IF YOU ARE "TIMING" YOUR BUSINESS PROFITS WITH AN HOUR GLASS—START RUNNING AN AD REGULARLY IN YOUR HOMETOWN NEWSPAPER—YOU'LL SOON NEED A "STOP WATCH."

#### SALVATION ARMY DRIVE IS STARTED

Workers of Kosciusko county—more than 100 of them—Wednesday began the annual appeal of the Salvation Army and it is expected that the organization's quota of \$5,200 will be oversubscribed. LeRoy Anderson, of near Warsaw, is campaign manager and general chairman. The annual "kick-off" dinner was held Tuesday evening in the Masonic Temple, Warsaw. B. H. Gaddis, Winona Lake, president of the advisory council, under whose auspices the drive is held, was toastmaster. Both he and Mr. Anderson urged the solicitors to complete their work as quickly as possible and asked the cooperation of the public to give generously on the first visit of the canvasser if at all possible. Supplies were distributed.

Army officers for the past month have laid the foundation of the financial drive in working out the numerous details essential to this religious and welfare enterprise.

#### NAVYMAN REPORTS FROM KOREA

Robert Riewoldt reports he has received a communication from his son, Robert R. Riewoldt, stating that he is now serving on the USS Bexar, an attack transport, in Korean waters.

The Navy communication continues:

"He is entitled to wear the coveted Navy 'E' having been a member of the crew which helped Bexar win the Battle Efficiency pennant last year. Riewoldt has an experience few sailors can claim, having made the unusual 13,000 mile voyage from Norfolk, Va., to Kobe, Japan via the Mediterranean Sea, Suez Canal, Colombo, Ceylon and the Straits of Singapore.

"Riewoldt served as 'P' Boat Engineer during landing operations at Inchon and Wonsan, Korea."

His address is:

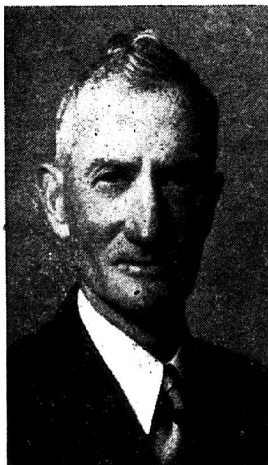

R. R. Riewoldt, F.N.

231-40-34 USN

"B" Div. USS Bexar, APA 237 San Francisco, Calif.

Bert Holloway reports that his back-up light was damaged one evening last week while parked at the Baptist church.

#### 50th ANNIVERSARY CELEBRATED

Mr. and Mrs. Ora Tucker, life-long residents of the Mentone community, celebrated their fiftieth wedding anniversary Sunday by having open house from 1:30 to 4:30 o'clock in the afternoon. Nearly 300 guests called and extended best wishes to Mr. and Mrs. Tucker.

There was a large four-tiered wedding cake, beautifully decorated with gold bells, and each guest not only received a generous serving of cake, but was also served brick ice cream with a gold bell center.

Many lovely gifts were received by the guests of honor.

At six o'clock in the evening a family dinner was served at which the following were guests: Mr. and Mrs. Ralph Tucker and son, Tommy, and Mr. and Mrs. Charles Rader, of Akron; Miss Lilly Tucker, of Elkhart; Mr. and Mrs. Max Smith and Mr. and Mrs. Robert Smith, of Mentone; Mr. and Mrs. Albert Tucker and children, Jane and Mitchell, Mr. and Mrs. Turner Boggs and Mr. and Mrs. Jess Jones, of near Warsaw, and Mr. and Mrs. Charles Cooper, of Tippecanoe.

**TO MAKE SALVATION  
ARMY SOLICITATION**

Mrs. Pauline Riner, chairman of the annual fund drive for the Salvation Army in Franklin township, announces that the drive will soon be made in that township. A total of 218 letters will be mailed to the citizens during the appeal. Mrs. Riner will be assisted by the Psi Iota Xi Sorority and the following ladies: Mrs. Iris Anderson, Mrs. Jean Pritchard and Mrs. Vadis Ward.

**BOURBON TO PLAY HERE FRIDAY**

The Bourbon High School basketball teams play the Mentone teams at Mentone Friday night.

Mentone made a good start last Friday night. Be on hand to help them stay in the winning column.

**MOTHER'S STUDY CLUB  
ORGANIZATION MEETING**

The Mentone Parent Teachers Association invites all mothers of school age children to attend the first meeting of the Mother's Study Group, a branch of the P. T. A. All mothers of school children are invited to meet with the group whether they are a P. T. A. member or not. The first meeting is Wednesday, Nov. 15, 7:30 p. m., at the school cafeteria. The group plans to follow the lessons outlined in the National Parent Teacher Magazine and will get most of their material from this magazine. The theme for the year is, "Growing Toward Maturity." Anyone desiring to subscribe to this magazine may do so at the meeting. At the first meeting Mrs. Miles Manwaring will give the lesson on "School-Age Children" and Mrs. Artley Cullum the lesson on "Adolescents."

The purpose of the study group is to better the relationship between the parents and the school and to help us, as parents, to guide our children to a full well matured future. Our only interest is to become better parents. There will be no dues and present plans are to meet only during school months. Meetings will be held only once a month. Mrs. Walter Kent has been appointed to act as chairman.

Anyone desiring more information about the study group may call Mrs. Kent and she will be glad to give you the information.

**COUNTY CHORAL  
FESTIVAL SUNDAY**

Members of the choirs of the Kosciusko county high schools will present the fourth annual County Choral Festival at 3 p. m. Sunday, Nov. 12, at the armory building in Warsaw.

The massed choir of over 500 voices will be directed by George Kreuger, of Indiana University.

**MOVE TO MENTONE**

Mr. and Mrs. Harry Watkins and family are now located in the late John Zolman property, which they have rented.

Mr. Watkins has been driving back and forth from his home in Warsaw to his radio and shoe repair business here for a number of months, as there were no houses available.

**ESCAPES SERIOUS INJURY  
IN AUTO CRASH SATURDAY**

Arthur E. Davis, 34, Mentone, was treated at the Woodlawn hospital Saturday afternoon for injuries received about 2:30 p. m. when his car was forced off State Road 19, a few miles south of Mentone.

Davis told Sheriff Laurence Norris that he was attempting to pass a truck when the driver of the second vehicle forced him into a ditch and failed to stop.

State Police are attempting to locate the driver. Damage to the car was reported at about \$800.

**REPUBLICANS WIN ALMOST  
EVERY ELECTIVE POSITION**

Kosciusko county voters showed a decided preference for the republican party at the polls Tuesday. All major positions were filled with republican candidates, and the majority of the minor positions found those candidates on the winning side. One of the closest democratic contests in the county race was between Carl Latta and Dale Tucker, for sheriff. Mr. Tucker, Mentone citizen, received 7,147 votes to his republican opponent's 7,865.

In Franklin township, Robert O. Jones (R) was reelected with a vote of 358 to 181 for Robert Sittler, his democratic opponent.

In Harrison township Royce Tucker was reelected 567 to 429 for Earl Boggs (D) who was opposing him.

**DR. B. R. LAKIN TO  
SPEAK AT TIPPECANOE**

The Reverend Bernard E. Ward, pastor of the Congregational Christian Church, invites the public to hear Dr. B. R. Lakin of the Cadle Tabernacle at Indianapolis, Indiana, who will speak at the Tippecanoe High School auditorium Tuesday evening, November 14 at 7:30. Dr. Lakin daily broadcasts over radio station WLW and is well-known over the middle-west. Special music will be given during the program which will be sponsored by the Congregational Christian Church.

**ADULT 4-H LEADERS HONORED**

Fifty-seven adult leaders of 4-H clubs were honored on Monday evening, Nov. 6, at a banquet at the Eskimo Inn, Winona Lake. The affair was sponsored by a group of merchants.

Certificates and pins were presented to the leaders completing one, five, ten and fifteen years of service.

Five-year pins went to Philip Lash, of Mentone; Robert Plummer, Claypool; Earle Johnson, East Wayne; Clancie McSherry, Seward township; Mrs. Garland Gebert, Piercetown, and George Sparrow, of Atwood.

William Mollenhour was the speaker, and Roger Dunn was master of ceremonies.

A bounteous turkey dinner was enjoyed by all.

**CLUB CALENDAR**

The Child Study group of the Mentone P. T. A. will meet Wednesday, Nov. 8, at 7:30 p. m. at the school building.

Legion and Auxiliary Armistice Day Pot Luck Supper Nov. 14, at the school building, at 6:30. Bring own table service. Judge Bryan C. Kennedy, of Wabash, will be the speaker.

Thurs. P. M. Nov. 16 is the date for the Mentone Home Economics meeting instead of Nov. 9. Meeting to be at Mrs. Royce Tucker's.

The Merry Mollys will meet Monday night, Nov. 13 at 6:30 p. m. at the home of Maxine Holloway for a pot luck supper. Bring one dish. This is to be a hard times party.

**DICK'S RAIN REPORT—**

Dick Clark reports six-tenths of an inch of rainfall on Nov. 7th.

**BIRTHDAY DINNER**

Eba Bayne was pleasantly surprised Sunday November 5 at his home six miles northeast of town when a number of friends gathered in with a big dinner. Those present were: Mr. and Mrs. L. O. Smith of Mentone, Mr. and Mrs. Claude Bayne, Mrs. Dora Guy, Mr. and Mrs. John Bayne and son Terry, Mahlon Holbrook, Fred Holbrook and Mrs. Elsie Widup of Warsaw, Mr. and Mrs. A. M. Taylor, Mr. and Mrs. Claud Brant, Mr. and Mrs. Joe Zigler, Mr. and Mrs. Ray Brant and daughter Jean Ann from South Bend.

The day was spent with a general good time. They all departed late by wishing the host many more Happy Birthdays.

**CELEBRATES 16TH BIRTHDAY**

Mary Louise Bare was pleasantly surprised Sunday noon by the following guests at luncheon: Donnagene Dillman, Jackie Blue, Martha Creighton, Pat Starr, Ramona Goodman and Marlene Bare. The girls were served luncheon by Mrs. Bare assisted by Mrs. Herbert Bare of Goshen. Mary Louise received very nice gifts on this her 16th birthday.

**DICKEY — MEREDITH**

Miss Marcella Dickey and Vernon Meredith were united in marriage in a quiet ceremony Saturday afternoon at 4:00 p. m. at the Brethren parsonage with the Reverend A. H. Tinkel officiating at the double ring ceremony.

Their only attendants were Miss Jerry Dickerhoff of Akron, and Fred Haney Junior of Beaver Dam.

The bride wore a light beige suit with coco brown accessories. She wore a shoulder corsage of yellow roses, and carried a white leather bible, a gift of the groom. Her maid of honor chose a light aqua and brown tweed suit with maroon accessories, and a corsage of dark red roses.

The bride is the daughter of Mr. and Mrs. Elmer Dickey of Beaver Dam, and is employed at Northern Indiana Co-op's at Mentone. Her husband is the son of Mr. and Mrs. Harry Meredith, of Mentone, and is employed at Valentine Elevator at Mentone. Both Mr. and Mrs. Meredith are graduates of Beaver Dam High School.

Mr. and Mrs. Meredith left for a trip through the eastern states following the ceremony.

# ONE INDIANIAN KILLED

## EVERY EIGHT HOURS

While traffic deaths in Indiana are now two per cent under last year, State Police Supt. Arthur M. Thurston warned today that heavy increases in traffic accidents and deaths in recent weeks may erase the slight gain before the end of the year. A provisional total of 908 fatalities has been recorded through October 31, this year, against 929 persons killed during the same period in 1949.

Thurston pointed out that shorter daylight hours and oncoming bad driving weather will require greater alertness and skill on the part of motorists if the line is to be held.

"No driver dare shirk his responsibility to prevent highway slaughter," he asserted. A let down on the part of a few drivers resulted in 23 deaths the last weekend in October—almost one-fourth of the 95 persons killed during the entire month.

The November, 1949, traffic record will be hard to beat. Seventy-seven deaths were tabulated to make the month second lowest in 1949. In December, a year ago, 115 persons were killed.

Supt. Thurston said that his Department is going "all out" to curb reckless driving and drunken driving and said that many city and county enforcement agencies are stepping up pressure. State police made 24,842 arrests for traffic violations in the first eight

months of the year, a 10 per cent increase over the 22,481 arrests made in 1949. Of this number 2,144 arrests were made for drunken driving, a 14 per cent increase over 1949 figures of 1,885 arrests.

## YOUTH PLAYS BIG PART IN CHICAGO STOCK SHOW

Boys and girls from the continent's farmlands play a big part in the events of the International Live Stock Exposition.

Jess C. Andrew, president of the International, from West Point, Indiana, expects the coming show November 25 through December 2 in the Chicago Stock Yards to bring the usual high recognition of the accomplishments of youngsters in agriculture.

While touring English stock shows the past summer, he met and talked with King George who was interested in the work of youngsters in livestock in the United States. Andrew said he was proud to tell about last year's grand champion steer which was shown by the Pecos county, Texas, 4-H Club.

### Youngsters Make Scholarships

The sale of the grand champion brought the club a total of \$13,800 which, divided among the 40 youngsters, made a nice scholarship for each. Junior sales total nearly half a million dollars at each International.

The Junior Livestock Feeding Contest in which boys and girls show baby

beeves, lambs and barrows of their own raising is among the curtain- raisers of the show Saturday, November 25.

Youngsters have shown the International grand champion steer 14 times since they were permitted to show in the open classes in 1928. Similarly they have shown grand champion barrows and lambs in competition with adult livestock raisers.

### 4-H Club Congress Planned

But many more activities for boys and girls bring them into the limelight during International week. The 29th National 4-H Club Congress will be held downtown, bringing delegates from most of the states, Canadian provinces and a number of foreign countries—the very cream of farm youngsters who win their trips to Chicago through accomplishment.

Judging contests are also slated for youths engaged in agriculture. College-age men and women will have their Collegiate Livestock Judging Contest while club youngsters will have their Junior Livestock Judging Contest. They will be rated on their ability in placing cattle, sheep, swine and horses.

The Meat Show, sponsored by the National Livestock and Meat Board, will have its Inter-Collegiate Meat Judging Contest. The International Grain and Hay Show has a Collegiate Crops Judging Contest for agronomy students and for young corn producers a Junior Corn Contest.

The friends of Bud Wise who wish may write to him at the following address: R. T. C. LeRoy C. Wise 45056810 Co. C. 122 Armd Ord Maint Base, 3rd Armd Division, Ft. Knox, Kentucky.

## CARD OF THANKS

We want to thank the relatives, neighbors and friends for their lovely gifts, beautiful flowers, cards and calls. They were all so much appreciated.

## CAROL TOSSELL MARRIED IN TIPPECANOE

Carol Lee Tossell, daughter of Mr. and Mrs. A. D. Tossell of Tippecanoe, and Paul Vincent Bolger, son of Mr. and Mrs. John Hankey of Chicago, were united in marriage in an impressive double ring ceremony Saturday, November 4 at 2:30 P. M. in the Tippecanoe Methodist Church. The ceremony was performed by the Rev. R. Richmond Blake of the Plymouth Methodist church before an altar decorated with baskets of yellow and white pom-poms and lighted candelabra.

Miss Jean Miller, pianist, played "I Love Thee", "Because", "Oh, Promise Me" and the traditional wedding marches. "I Love You Truly" was played during the ceremony.

The bride, given in marriage by her father, wore a floor length gown of white slipper satin fashioned with a lace yoke, long sleeves forming points over the hands and a full skirt. Her fingertip length veil of illusion fell from a cluster of pearl orange blossoms. She carried a bouquet of white pom-poms centered with pink tea roses.

Miss Delores Fites, Tippecanoe, was maid of honor wore a floor length gown of golden chartreuse satin with a net overskirt. She carried a bouquet of yellow and white pom-poms.

Walter J. Penrod, of Purdue University served as best man. Ushers were

Darl Vorels Junior of Culver and Ronald Tossell, brother of the bride, of Tippecanoe.

Mrs. Tossell, was attired in a gray dress with navy accessories and had a shoulder corsage of pink and white pom-poms. The groom's mother chose a sand rust dress with green accessories with a yellow and white corsage.

Following the ceremony a reception was held in the church parlors for 100 guests. The lovely three tiered wedding cake, which was topped with a miniature bride and groom, was served with ice cream and coffee by Mrs. Al Hintz of Chicago, Mrs. Joe Blackford, Mrs. Al Hess and Miss Beverly Downs of Tippecanoe.

The young couple left for a weeks wedding trip to Chicago. For her going-away ensemble the bride chose a navy suit with navy accessories and a corsage of pink tea roses. Upon their return they will reside one and one half miles south of Tippecanoe.

Mrs. Bolger graduated from Tippecanoe high school with the class of 1950 and is employed at the Joyner Corp. in Bourbon. Mr. Bolger graduated from Culver High school, served two and a half years in the navy and attended Purdue University for 2 years. He is now employed with the Burt Construction Company in Bourbon.

Out of town guests were present from Wheaton, Chicago and Willmette, Illinois, and Plymouth, Bourbon, Mentone, LaFayette, Gary and Culver, Indiana.

### BAPTIST CHURCH NEWS

At a recent business meeting twelve new members were voted into the church. Last Sunday night the pastor baptised ten and it is hoped that there will be that many more to be baptised in two or three weeks.  
Good reports are coming in from The Family Altar Broadcast and the pastor is well pleased with results so far.  
Next Sunday evening the message will be given from the 6th chapter of

Daniel. A large chart is used. Last Sunday night 193 came to hear the message from Daniel, the 5th chapter. The Public is cordially invited to come to these services.

### WATCH THOSE PHEASANT DATES NOV. 10, 11 AND 13

Again the Fish and Game Division of the Indiana Department of Conservation wishes to call attention to the dates for legally hunting pheasant in Indiana.

These days are November 10, 11 and 13. Through error, for which the Department does not assume responsibility, the season was previously incorrectly announced.

Also remember that the season is open only for the taking of cock pheasants legally hunted as of November 10 also ants only. SPARE THAT HEN! To be are rabbits, quail and Hungarian part-ridge.

The bag limit for pheasants is one cock per day. Possession, two after second day of hunting.

## SCHOOL NEWS

Thirty-six members of the Mentone School Band attended the Wilmington-Manchester football game at North Manchester last Saturday. The band had been scheduled to play, but due to the unfavorable weather conditions, the bands were not able to play. Mr. Wagner drove the school bus which made the trip.

Members of the high school chorus will participate in the annual County Vocal Festival to be held at the Warsaw Armory on Sunday afternoon, November 12, at 3:00. Mr. George Krueger, Indiana University Choral Director, will be the guest conductor. There is no admission charge. All are urged to attend.

The Bourbon - Mentone basketball game will be played in the local gym this Friday evening. The doors open at 6:00. The second team game will begin at 7:15.

The Mentone boys started the season with a 77-39 victory over Akron. The local boys were hitting the loop in

mid-season fashion. The second team lost in a close game 24-19. All of the boys played well with Molebash and Shilling leading the scoring. Kindig played well on defense. Faurote had several fast drive-in plays which he made. Creighton showed considerable speed, intercepting and worrying Akron. Officials were George Cullers, of Argos and Devon Eaton of Rochester.

Several parents are visiting school this week in recognition of National Education Week. A group of third grade parents attended a meeting on Monday evening at which time results of some of the testing were shown.

The social studies classes spent some time discussing the election as a part of their regular class work.

Individual pictures for the annual will be taken by the Cron-Leone Studios on Tuesday, November 14th. The seniors are beginning to take orders for the annual.

### Apples

Apples supply some vitamin A and varying amounts of vitamin C. They also furnish minerals, organic acids, bulk and pectin.

Order your supply of fuel oil today. We're as near as your phone. Call. Your order will be delivered quickly with no fuss or bother.

## CO-OP. OIL STATION

THE RUFFED GROUSE

Some fine autumn day when you are strolling through the woods do not be too surprised when the quiet of the woodland is suddenly broken by a loud but pleasing drumming sound. You will probably stop and turn your head and listen, and then, as suddenly as it started it will die away and stop. Of

one thing you can be sure. You have heard the drum beat of the Ruffed Grouse, one of America's most beautiful and sought after game birds and the only one who makes his presence known in the woodland by this strange and unusual noise.

The Ruffed Grouse may be found in most parts of the Eastern United States from Minnesota, Michigan, southern New York and southern Vermont south to eastern Kansas, Northern Arkansas, Tennessee, and Virginia, and in the Allegheny Mountain region to northern Georgia.

He is known as the partridge of the northern woods, the pheasant of the South and last but by no means least the prince of American game birds.

He is generally tan in color and when making his drumming sound, which he does with his wings, he has a fine full collar of darker feathers which stand out from his neck. Because he is strong, he can easily live in the northern winter. His wings are strong and can carry him great distances with most unusual speed. He is clever and more often than not, he can hide or get away from both hunters and bird dogs. The Ruffed Grouse, the National Wildlife Federation tells us, does not fly to different parts of the country as do other birds, but stays in one place.

While he usually lives in the parts of the woods where the trees and brush are the thickest, he may also sometimes be found in small leafy swamps or on little wooded islands.

In addition to his speed in flight, the Ruffed Grouse like many of his feathered brothers, also has the advantage of what is commonly known as "protective coloring" - that is, the colors of his feathers are many and varied but still blend in together in such a manner that unless you look very carefully you may easily mistake him for part of the countryside.

Despite this, his numbers are decreasing rapidly. Hunters kill many Ruffed Grouse every year. In addition

natural diseases and sleety storms kill many more. To save him, governments in most of the states in which he lives have passed laws which make it impossible for hunters to shoot the Ruffed Grouse.

Richard Weisenbarger and James Mollenhour, students of Indiana Tech school in Ft. Wayne, were Sunday guests of Mr. and Mrs. Ralph Mollenhour and Roger.

Mr. and Mrs. Ralph Mollenhour and Mr. and Mrs. Clark Mollenhour attended Visiting Matrons and Patrons Night at the Syracuse O. E. S. chapter Wednesday night.

Mr. and Mrs. Henry Reitz, of Hollywood, California, were week end guests of Mr. and Mrs. D. M. Gates. Mr. and Mrs. Reitz have spent the past four months touring Europe and are now returning to their home in California. Mrs. Reitz is a sister to Claude and Duke Gates.

Mrs. Ervin Wagner and daughters, Judy and Nancy, returned recently from a month's visit with relatives in Maine.

Mr. and Mrs. Ivo Wagner and children, of Young America, spent Sunday with Mr. and Mrs. E. E. Wagner.

Calvin Wagner is now located at Camp Carson, Colorado.

## DU PONT SPRAY GLAZE IS AN ENTIRELY NEW PROCESS

- ✓ It's new! It's different! It's Du Pont Spray Glaze—the most significant development in car care in years.
- ✓ Du Pont Spray Glaze is applied to your car by a new, faster method—with a spray gun under high pressure to penetrate every crevice and fill every pore in the finish. It gives your car a smoother, glossier coating than ordinary waxes or polishes.
- ✓ Du Pont Spray Glaze is not a paint nor a lacquer. It is a transparent material that brings out the beauty of your car finish and protects the paint with a hard, durable glaze.

The Spray Glaze process includes:

1. Washing the finish with Du Pont Car Wash.
2. Pre-cleaning with a special Du Pont Spray Glaze Cleaner.
3. Applying Spray Glaze.

Shines brighter — lasts longer — costs you no more.

## CO-OP. OIL STATION

### SERVICE SALES

By Blanche Paulus, Chairman

The American Legion Auxiliary has adopted a means of providing employment for disabled veterans and other veterans who need help. As a phase of the Rehabilitation program in the Auxiliary, the Service Sales Project was started to help the veterans to be independent instead of dependent. These handicapped veterans are in many cases supporting not only themselves, but a family, too. There are 57 wounded veterans in Indiana, some of them in wheel chairs, who are making many beautiful, useful articles which give the Unit Service Sales Chairmen a very wide variety of selections. Each unit of the Auxiliary is given a quota

for Service Sales. These occupational therapy articles are sold by the units who receive no profit from the sales, just the satisfaction of helping those who gave so much for us.

The articles made by the ex-servicemen in need are dispersed from centers to the various units and sold for the veteran. These articles include items made of leather goods, basketry, rugs (made by blind veterans), woodcraft, feather craft bird pictures, needlecraft, and many miscellaneous articles. The units are provided with catalogs from all these Ex-Servicemen Exchanges and the unit chairman can order any article not on display.

In the state of Indiana last year, the auxiliary units sold \$33,789.58 worth of Service Sales.

These articles make fine Christmas gifts and anyone in the community interested in seeing them may contact the unit chairman at the residence of Cloice Paulus.

### REV. CHARLES ANDERSON YOUTH FOR CHRIST SPEAKER

Rev. Charles J. Anderson of Kenosha, Wisconsin, Youth for Christ International representative who has just recently returned from his third European evangelistic tour in three years, will speak at Lincoln High School Auditorium, Plymouth, on Saturday night, Nov. 11th at 7:30 p. m.

Youth for Christ orchestra will be out in full force. And, important announcement of full time director will be given. Be sure and attend this meeting. All are welcome.

### HUNTERS! WATCH FOR BANDED FOWL

During the Migratory waterfowl hunting season which opened in the Mississippi flyway, a section in which Indiana is included, as of 12 noon November 3 and continues to and including December 7, many Indiana sportsmen probably will find some of the ducks and geese they have shot will

have bands on their legs.

These hunters can render a great service by flattening the band, placing it in an envelope and mailing it to the U. S. Fish and Wildlife Service, Washington 25, D. C.

The service also would appreciate the hunter sending his name and address, kind of bird shot, where killed, the date and the band number. In return, says the U. S. F. and W. S., the hunter will receive information on the history of the banded bird.

### National Bible Week

The time has arrived when every right thinking American irrespective of class, creed or color, must resolutely face the fact that the enemies of religion are now boldly striking from both within and without our borders.

The advocates of godless ideologies are arrogantly leaving no stone unturned to obliterate THE WORD OF GOD so that brute force will prevail through the world.

Just how successful they will be depends upon how steadfast Americans adhere to unwavering FAITH IN GOD.

### LET US NEVER FORGET

### STATE CONVENTION OF FARM BUREAU, NOV. 15 — 17

A program emphasizing improved rural telephone service, livestock marketing, farmer's responsibility for better government, a farm woman's views about European recovery, and many other related subjects was announced today for the 32nd annual state convention of the Indiana Farm Bureau by President Hassil E. Schenck. Between 4,000 and 5,000 Hoosier farmers, coming from every one of the state's 92 counties, are expected to attend the sessions, which will be held at Indianapolis at the Murat Theatre, November 15 and 16. A business session of official delegates is scheduled for November 17.

President Schenck, a Boone county farmer, will give his annual message at the opening session the morning of November 15, reporting on the activities of the large farm organization, which now has a membership in Indiana of more than 91,000 farm families. Governor Henry F. Schricker will address the same session.

"Farm Bureau Members' Responsibilities in Our Present Day Economy" will be discussed by Harry Bryson, Chicago, American Farm Bureau Federation, at the November 15 afternoon session. Another highlight on Wednesday afternoon will be a address, "A Farm Woman's Reaction to Europe", by Mrs. Russell Cushman, second vice

president of Farm Bureau. She returned to Indiana a few days ago from Europe where she spent several weeks studying rural conditions with respect to economic recovery and also attended the Associated Country Women of the World meeting in Denmark.

On November 15, the Indiana Rural Youth, an organization of farm young people between 18 and 28 years of age, will hold their 13th annual convention at the World War Memorial, with President Paul Golden, Miami county, presiding. Farm Bureau Vice President Brandon and Governor Schricker will address the group. During the day, the youth will hold contests and conduct the business of the organization. In the evening they will attend the Farm Bureau session.

### METHODIST CHURCH NEWS

The pastor, the Reverend David P. Gosse is attending the Evangelistic Conference of the Syracuse (New York) Area which is part of the Advance program of the Crusade for Christ as planned by our General Board at Nashville. Rev. Gosser has been assisting as Visitation Instructor and Song Leader. Other ministers of the Warsaw District who have been invited to take part in this great movement of the church are Rev. Ernest O. Kegerrels of Leesburg and Rev. Lyle Case of Middlebury.

Rev. Paul E. Trimbey, brother of Mrs. Gosser, is also taking part in the Syracuse Area program. Rev. Trimbey is pastor of the Methodist Church at Grafton, West Virginia.

The Sunday evening meeting, "The College of Life Program" will begin at 6:15 P. M. The hosts and hostesses will be Dr. and Mrs. F. B. Davison, Mr. and Mrs. Jack VanGilder, Mr. and Mrs. Everett Long, Mr. and Mrs. Charles Manwaring, Mr. and Mrs. Dick Manwaring, Mr. and Mrs. James Rodibaugh and Mr. and Mrs. Howard Kohr, who will serve a light supper. The theme of these services has been "The Good Life". The speaker will

be Mr. Waldo Adams, former teacher and County Superintendent, who will speak on the social or environmental aspect of "The Good Life".

This is the year of the Tenth Anniversary of the original organization of the W. S. C. S. Each society is to visit another society and take with them a birthday cake. The Mentone W. S. C. S. plans to visit the Claypool W. S. C. S. this Thursday night. Symbolizing the ten goals of the society, ten candles will be lighted on the cake, with one extra candle as the "one to grow."

Fourteen members of the M. Y. F. (Methodist Youth Fellowship) plan to attend the World Friendship Banquet at Ligonier on Thursday night. The speaker for the banquet will be a young man from India.

Sunday dinner guests at the Clyde Johnson home were: Mr. and Mrs. Ancel Johnson of Warsaw, Mrs. Joe Johnson of Mentone and Mr. and Mrs. Don Bennett of Beaverdam.

Mr. and Mrs. Don Bennett are moving into the Johnson apartment south east of town.

# HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

The reporting of fifty-two cases of ringworm of the scalp in one week from Franklin, Jefferson and Wabash counties caused Dr. J. W. Jackson, director, Division of Communicable Disease Control, Indiana State Board of Health, to point out the importance of community cooperation in controlling the disease.

Twenty-one cases were reported from Franklin county; thirty from Jefferson county and one from Wabash county.

"If community cooperation is well planned the majority of cases may be cured within a year," Dr. Jackson said. "The first step in community control is to sample or completely survey the suspected children and their contacts. If there are only a few cases, exclusion from school may be a desirable method. This works a hardship on the pupil unless home instruction is provided as the

average period of exclusion is about 150 days.

Children under treatment must wear close fitting skull caps at all times to prevent infected hairs from falling and the spores being carried by the air. The skull cap must be fresh daily with the used one boiled at least five minutes.

It is recommended that barbers and others who cut hair use special care in the sterilization of clippers, combs and brushes. Elkart aided in the control of the disease by requiring each child under sixteen years of age to have a permit from the Health Department before visiting the barber shop. Public places should provide protection against infected hairs falling and remaining on chair backs and upholstering."

Mrs. Charles Madeford of Gilead visited at the home of Jane Thomas Sunday P. M.

## EVERFAITHFUL CLUB

The Everfaithful Club met at the home of Frances Marshall November 2nd.

The meeting was called to order by the president, Fro Tucker. Election of officers was held with Alice Brugh as the new president, Frances Marshall as vice president and Wilma Tucker Secretary and treasurer. Mabel Nellans received the Club Pal gift.

Bunco was played with high score going to Mary Tucker, second high to Margaret Butts, low to Ada Babcock and most Bunco's to Georgia

Nellans.

Delicious refreshments were served by the hostess. Our December meeting will be held at the home of Faun Tucker.

### GIVEN BIRTHDAY DINNER

Mr. and Mrs. George Ford entertained their granddaughter with a dinner honoring her twelfth birthday on Wednesday evening of last week.

Those in attendance were: Miss Betty Griffin, guest of honor; Mr. and Mrs. Gilbert Griffin and sons Billy and Bobby; Miss Betty Lou Mellett and Miss Janice Nelson.

There was a nice birthday cake and Betty received a number of nice gifts.

### LARGE ATTENDANCE AT FARM OUTLOOK MEETING

Over 265 were in attendance at the farm outlook meeting sponsored by the Farmers State Bank, Wednesday evening at the Mentone school building. This was the third annual meeting sponsored by the Mentone Institution, and, judging by the attendance, they are gaining in favor among the farmers of the area.

As a general impression, the remarks of H. G. Diesslin, agricultural economist of Purdue University, were pleasing to those present. The immediate outlook finds agriculture in better condition than ten years ago, and it is predicted that there will be general price rises along the line, with the prices of farm commodities staying pretty much in line with the cost of living and farm operations.

Mr. Diesslin stated that within the next three to five years we may expect the general pattern to show:

Creeping inflation, increased production, increased population, increased taxes, continued high farm prices, and land values continuing to rise.

The Lions club, and the business and farm population appreciate the fine dinner prepared by the financial institution and the pertinent remarks of their noted speaker.

### CLUB CALENDAR

P. T. A.—Postponed until Wednesday evening, Nov. 29, because of basketball game.

O. E. S. Monday evening, Nov. 20, at the hall. The district deputy will be honored and Worthy Matron and Patron's Night will be observed.

Mentone Home Ec. Club will meet this Thursday afternoon, Nov. 16, at the home of Mrs. Royse Tucker.

W. S. C. S. Queen Esther Night, on Thursday evening, Nov. 16, at 7:30 at the M. E. church. The girls are special guests.

### TAKEN TO HOSPITAL

Little Michael Hartzell, of 501 West Centennial St., Nappanee, son of Floyd Hartzell, also nephew of Mr. and Mrs. Marshall Goodman, Mentone, was taken to the children's hospital at South Bend last Friday afternoon. The child has polio and so far has been responding to treatment. Doctors report him a very sick boy.

### TRAIN VICTIM BURIED SUNDAY

Funeral services for Richard Filloff, 22, of near Tippecanoe, were held at three o'clock Sunday afternoon at the Tippecanoe Christian Church. The young man was instantly killed Thursday morning when the truck in which he was riding was struck by a Pennsylvania passenger train at the Orion crossing three miles west of Warsaw. Howard Dee Williams, 24, of west of Warsaw, was also killed in the accident.

Filloff is survived by his wife, the former Lena Fisher, of Tippecanoe; a five-month-old daughter, Connie Jean; and a brother, Carl, of Fort Wayne. He lived north of Tippecanoe.

Rev. Lee Jenkins, of Clarksville, Michigan, and Rev. Bernard Ward, of Tippecanoe, officiated. Burial was at Tippecanoe, with the Johns funeral home, of Mentone, in charge.

### HAMPSHIRE BREEDERS HOLD ANOTHER FINE SALE

The Kosciusko County Hampshire Hog Breeders held their second successful fall sale of open gilts and boars at the fair grounds Tuesday night of last week. Ninety-eight head sold for a gross of \$8,000.

Kenneth Hoover, of North Manchester, consigned the top boar which sold for \$145. Second highest was consigned by Leroy Norris, of Mentone, and it brought \$127.50.

The two top gilts were consigned by Lester Blackburn and brought \$185 and \$180 respectively.

### HOME FROM HOSPITAL

Mrs. Tom Haimbaugh was brought home Sunday after being a patient at the Woodlawn hospital for many weeks.

Mr. and Mrs. Schooley are staying at the Haimbaugh home to care for them.

### P. T. A. POSTPONED ONE WEEK

Due to the fact that Mentone high school has a scheduled basketball game for Wednesday evening, Nov. 22, the P. T. A. meeting has been postponed until Wednesday evening, Nov. 29.

### QUIER — BOOTH

On Sunday afternoon, November 12, at 3:00 o'clock, Miss Edna Quier, daughter of Mr. and Mrs. Elmer Quier was united in marriage to Norman Booth, of Piercetown. The ceremony was performed at the home of the bride's parents in Mishawaka.

The bride wore a dress of blue silk. Her bridesmaid was her cousin, Alberta Slosser of Mishawaka. Walter Quier, brother of the bride, served as best man.

Following the ceremony, a reception was held for around 50 guests.

Mrs. Booth graduated from Mentone High School last spring.

### MRS. HARVEY WHITEMAN

Funeral services for Mrs. Harvey Whiteman, 33, a native of Akron, were held at two p. m. Sunday at the Akron Church of God, with the pastor, Rev. D. L. Slaybaugh, officiating. Burial was in the I.O.O.F. cemetery there. The Sheetz funeral home was in charge of the arrangements.

Mrs. Whiteman, who was formerly Miss Evelyn Pearl Swick, of Akron, died at 8:30 a. m. Saturday, Nov. 4, at San Diego, California. She had been ill for a year, due to a heart ailment.

Her husband, Harvey Whiteman, to whom she was married in 1940, at Yuma, Arizona, serves with the U. S. Navy. She resided where he was stationed.

Surviving relatives include her parents, Sherman and Viola Swick, who reside five and one-half miles northeast of Akron; two brothers, Claude Swick, of Burket, and Dean Swick of Thief River Falls, Minn.; two sisters, Mrs. Lois Boganwright, of Highland, and Delta Swick, of Fort Wayne, and her grandmother, Mrs. Maggie Swick, of Akron.

### DICK'S RAIN REPORT—

Nov. 8-9: .6 of an inch.  
Nov. 15: .6 of an inch.

### MRS. JAMES (LIZZIE) FAWLEY

Mrs. James A. (Lizzie) Fawley, aged 77, a long time resident of the Cooks Chapel community, died suddenly at 7:30 a. m. Tuesday at the Memorial hospital in South Bend, due to a heart attack. Mrs. Fawley was recovering satisfactorily from an operation for the removal of a cataract from her eye performed two weeks before and her death was unexpected.

She was born August 9, 1873 at Claypool, the daughter of Mr. and Mrs. Peter Beber. She had resided in the Cook Chapel community since her marriage to Mr. Fawley which took place at Burket in 1902. He died in 1933.

She was a member of the Cooks Chapel Methodist Church.

Surviving relatives include two stepchildren, Mrs. Haven Cook of 208 East Winona Avenue, Warsaw, and Albion R. Fawley of Cincinnati, Ohio; a niece, Mrs. Ralph Montel of near Silver Lake and a nephew, Cloice Beber of Fort Wayne.

Funeral services were held at 2 p. m. Thursday at the Bibler funeral home in Warsaw with Rev. John Jones of Syracuse in charge. Burial was in the Palestine cemetery.

### FOURTH ANNUAL CHORAL FESTIVAL HELD SUNDAY

George Kreuger, of Indiana University, was guest conductor Sunday when fourteen schools of the county were represented in a massed chorus of 560 voices at the armory in Warsaw. Many in our community will remember Mr. Kreuger and his men's chorus from their evening of fun and singing at the Egg Show banquet.

Each school presented one number. A sextette, composed of Phyllis Grubbs, Margaret Hodges, Jennie Hall, Geneva Whetstone, Carol Rule and Jody Culum, represented the Mentone school.

### PARENTS OF DAUGHTER

Mr. and Mrs. Kenneth Foulks, of South Bend, are the parents of a six pound nine ounce daughter born Saturday, Nov. 11, at the Memorial hospital in South Bend.

Mrs. Foulks was the former Margaret Mentzer. Mr. and Mrs. Foulks have one son.

The new baby has been named Margaret Ann.

**PSI IOTA XI SPONSORING DEMONSTRATION**

On next Tuesday evening, Nov. 21, at 8 o'clock at the school cafeteria, the Dure Pottery company will give a demonstration of how their pottery is made.

# WE NEED JUGS YOU LIKE CIDER Let's Swap

Until Sunday Evening, Nov. 19, we will allow 15c each in trade for all your gallon jugs, provided they are screw cap, clear glass, free of labels and ready to re-use. Otherwise 5c each.

Get all the cider you want and pay for it with jugs or cash.

PRICE 50c Per Gal.

## TEEL ORCHARD

This program, which lasts about an hour, is full of interest. There will be a complete line of this lovely pottery on hand for those who wish to purchase pieces. In addition, they will have the character doll kits, which one completes at home.

This demonstration is sponsored by the Psi Iota Xi Sorority. There will be a number of door prizes, entertainment and light refreshments. No admission is charged and all the ladies are invited to attend.

### EARLY ISSUE NEXT WEEK

As next Thursday will be Thanksgiving, printing office employees will want to join the other citizens in celebrating the event, and it will be appreciated if advertising and news copy be submitted as early in the week as possible.

### Superphosphate

From 1900 to 1909 it took about 1600 pounds of milk to buy a ton of superphosphate, while in the past 10 years it took only 700 pounds.

**Figure Work Goes FASTER

## Provide More Space

Since young chicks occupy more space and eat more feed as they grow, many poultrymen supply at least three sizes of feeding equipment. They start with a 24-inch feeder for 40 to 60 day-old chicks.

## JOLLY JANES HOME ECONOMICS CLUB MEETS

The Jolly Janes Home Economics Club met at the home of Mrs. Frank Smith on Monday evening.

After repeating the club collect and singing "America the Beautiful," devotions were given by Mrs. David Gosser.

A lesson on "Good Citizenship" was given by Mrs. Delford Nelson.

Roll call was answered by "Three Things I Want for Christmas."

It was voted to sign a petition, which was to be sent to the various legislators, supporting a stand against socialized medicine.

Mrs. Kent and Mrs. Markley were the winners of two contests. Mrs. Wilvin Teel received the door prize.

Mrs. Smith and her assistant hostess, Mrs. Rex Tucker, served lovely refreshments.

The December meeting will be a potluck supper at the home of Mrs. Geo. Mollenhour.

## BAKE SALE DEC. 2

NOT JUST A POLISH!  
NOT ANOTHER WAX!

# DU PONT SPRAY GLAZE IS AN ENTIRELY NEW PROCESS

✓ It's new! It's different! It's Du Pont Spray Glaze—the most significant development in car care in years.

✓ Du Pont Spray Glaze is applied to your car by a new, faster method—with a spray gun under high pressure to penetrate every crevice and fill every pore in the finish. It gives your car a smoother, glossier coating than ordinary waxes or polishes.

✓ Du Pont Spray Glaze is not a paint nor a lacquer. It is a transparent material that brings out the beauty of your car finish and protects the paint with a hard, durable glaze.

## The Spray Glaze process includes:

1. Washing the finish with Du Pont Car Wash.
2. Pre-cleaning with a special Du Pont Spray Glaze Cleaner.
3. Applying Spray Glaze.

Shines brighter — lasts longer — costs you no more.

## MENTONE MURMURS

by  
DAVID and SALLY GOSSER

It wasn't a honeymoon that took Murmurs to Niagara Falls the week of November 5, but being there on business didn't keep him from seeing the Falls and some of the lovely country-side of New York state and Canada. The acres of fruit and grapes had been harvested, but the long rows of trees and frostnipped vines bore mute evidence of abundance of this year's crop.

On Sunday afternoon, November 5, the only sunny day of the week, the host and hostess drove Murmurs and his co-workers, the Rev. Marvin Kinckeloe of Johnson City, Tennessee, to Youngstown. This is the site of old Fort Niagara. During the past war it was a prisoners of war camp. The old ramparts are still standing and the buildings have been reconstructed. During the French and Indian War and the War of 1812 it was a scene of great activity, for it guarded the mouth of the Niagara River on Lake Ontario.

Before the Eire and Welland Canals were built there was great activity from Lewiston and Queenstown down river to the lake. Furs and other trade products had been portaged from above the Falls to these down-river towns to be shipped abroad. Today only passenger steamers visit these ports of call because the freight boats enter the Welland Canal at St. Catherine's on Lake Ontario.

Having seen the falls and Whirlpool when a lad, Murmurs was impressed by the fact that both seemed much smaller to him at present. He was not nearly so awed and frightened by the roar as a quarter century ago. Time did not permit the touring of the Home of Shredded Wheat and the great power plants, but the first suspen-

sion bridge to be strung across the river still is in use at Lewiston, and a visit was made to the Devil's Hole, a small cave high in the rocks above the lower rapids between the whirlpool and the suspension bridge. (Not a speck of the satanic majesty was seen.) The Indians must have roasted him out when they drove the British over the brink of the chasm many years ago.

Murmurs was warned by his hostess, Mrs. Baker, not to make purchases at the souvenir shops as the same objects could be bought for much less in the dime stores and from the regular merchants. She related a personal experience of how an acquaintance of hers became wealthy by selling forty-nine cent diamonds which cost just three and a half cents. The same party sold six and eight dollar items for fifteen and twenty dollars. Murmurs steered clear of souvenir shops.

The city of Niagara Falls has become odorous from chemical plants. Atomic warfare is mightily dependent upon that city, and it is no mere happenstance that one of the Naval and Marine Frontier Air stations is located on the rim of the city near the Bell Aircraft grounds. Murmurs passed this at least once a day to and from Buffalo where instruction and inspiration for the work he was engaged in was given.

Passing through Kenmore, a suburb of Buffalo, Murmurs paused one day to call on K. R. Bunner, a brother of D. L. Bunner of Mentone, but there was no time for prolonged calls and visiting the fine hospitable folks he met in New York state. It may be of interest to our readers, as it was to Murmurs, to know that the hostess, Mrs. Everett Baker, is a grand-niece of the late Ignace Paderewski. His host pastor whom he was serving while there is the Rev. Chester Beebe of the Saint James Methodist Church in Niagara Falls. He and his family extended every courtesy possible to their guest pastors to make the stay comfortable and enjoyable. Someday the Murmurs and Murmurettes will take their honeymoon trip there.

If any of the readers should be going there soon, tell them you come from the Egg Basket of the Midwest and the childhood home of the Bells. Murmurs gave Mentone quite a boost to those New Yorkers.

Mrs. Ora Anderson is staying at the home of Mrs. Earl Meredith for a few days.

Mr. and Mrs. Traverse Chandler of Fort Wayne, visited Tuesday of last week with Mrs. Stella Snyder and Mrs. Samantha Norris of Mentone.

Mrs. Amanda Imus of Tippecanoe visited Wednesday of last week with her sister Stella Snyder, on Tuesday Mrs. Imus who will be 92 years young next month was able to go to the polls and vote. She is very active and keeps up to the minute on current events.

## THE PRONG-HORNED ANTELOPE

Imagine yourself on a fine Western paint pony racing like the wind after one of the most beautiful animals you have ever seen. He is in full view and you are almost upon him, when quite suddenly he disappears into thin air.

This would very likely happen if you were chasing the beautiful and rare Prong-horned Antelope, which many years ago lived and fed upon the great western plains of the United States, but today only exists in very small herds.

The Prong-horned is not like any other antelope in the world, and for this reason was for many years considered one of the very prized wild animals which were hunted and killed by sportsmen. It was because so many of them were killed that their numbers are so small today.

But let us get back to how they can disappear from sight. According to the National Wildlife Federation, the

Prong-horned carries with him an unusual coloring which enables him to disappear from sight instantly. This is how it is done. From the middle of his stomach to the tip of his tail is long white hair. When he is excited or frightened these hairs stand up on end, thus when running away from you he can be easily seen for as much as two miles ahead.

From his stomach to the tip of his nose however, his color is light tan and blends almost perfectly with the ground and the trees around him. His trick of disappearing is done simply by his stopping short and turning completely around, hiding his white hair from view, and showing only his tan coat which so closely matches the countryside around him.

The Pronged-horned Antelope loses his horns every year, but soon after the old horns drop new ones grow in their place.

In addition to being very a fast runner, he is also a very nosy fellow. In the early days they were so nosy that it was very easy for hunters to shoot them. In fact they would sometimes race after horsemen on the desert and gradually get nearer until it was possible for the horsemen to kill them.

Prong-horned Antelope may be found in the greatest numbers from Edmonton, Alberta Province of Canada, north of the United States, all the way to the Valley of Mexico, and from Central Iowa, west to the Pacific Ocean.

Because their eyes and ears see and hear so well it hard to get near one without him knowing it. They do not live well in cages, or even in small enclosures on the open plain, or even in large places called game preserves which are protected from hunters. They like to roam freely all over the great western plains.

The Prong-horned looks something like a deer, but is smaller and his horns are not as big as a deer. He is one of the fastest of the four footed animals and can, when frightened or excited leap great distances.

## HENRY J. EAGLEBARGER DIES

Funeral services were held at the Hay's Funeral Home in South Bend Monday, for Henry J. Eaglebarger 98 (who died Saturday, November 11th). He was the son of Henry A. and Amanda (Munch) Eaglebarger, born in Marshall County and grew to manhood about four and one half miles north-west of Mentone. He moved to South Bend several years ago where he has been employed by the Singer Sewing Machine Company for the past thirty years.

He leaves the widow and five daughters: Mrs. Ula Coryell, Mrs. Pearl Miller, Mrs. Helen Pell of South Bend, Mrs. Doris Barton of Mishawaka and Mrs. Inez Mattern of Elkhart, two sons,

## METHODIST CHURCH NEWS

The Advance for Christ Evangelistic work in which the pastor was engaged for several days in New York state won over 11,837 accessions to the Methodist Church in the Syracuse area alone. This is not the final total, as that cannot be computed until late this week, showing the results of the services on Friday evening and the great mass meetings of this past Sunday. It is to be noted that the emphasis was on winning people to Christ—the church is the medium through which people find Christian nurture and give themselves to Christ-like activity. The number of accessions for the Saint James church where Rev. Gosser assisted were fifty-six. Most of these were persons who met Christ for the first time, and were adults only.

Mr. Waldo Adams, lay leader of the Methodist church of the North Indiana Conference, spoke forcefully on the importance of environment in living The Good Life, this past Sunday evening. The names of Mr. and Mrs. D. L. Bunner were to be included with the hosts and hostesses of the evening.

The speaker for this coming Sunday evening is George Fenstermacher, Executive Secretary of the Board of Education of the North Indiana Conference. His subject is, "The Spiritual and Lasting Values of The Good Life." Mr. Fenstermacher is a very capable speaker. Before assuming the duties of his present office he was a professor at Taylor University. Hosts and hostesses for the fellowship supper are: Mr. and Mrs. David Bowser, Mr. and Mrs. Robert Whetstone, Mr. and Mrs. Joseph Boggs, Mr. and Mrs. Jack Pritchard, Mr. and Mrs. Gene Sarber, Mr. and Mrs. Miles Manwaring, Mr. and Mrs. Dale Tucker, Mr. and Mrs. James Whetstone, Mr. and Mrs. Harold Smythe, Mr. and Mrs. Harold Horn, Mr. and Mrs. David Cooper, Mr. and Mrs. DeVon Hibschman, Robert Hibschman and Mr. and Mrs. Kenneth Simcoe.

The following young people attended the World Friendship Banquet at the Ligonier Methodist Church on last Thursday evening: Charles and Sarah Urschel, Frank Manwaring, David Gosser, Merrill Peterson, John Smith, Marjorie Mollenhour, Barbara King, Madeline Anderson, Jolaine Smythe, Janet Reed, Mary Ellen Bryan, Marita Tucker and Sandra Witham. They were accompanied by the counselor, Mrs. David Gosser, and the drivers, Mrs. George Mollenhour, Mrs. Lenar Anderson and Mr. Robert Reed. The

speaker was a handsome young man from India, Akbar Abdul-Haq, who is studying for his Ph. D. degree at Northwestern University and Garrett Biblical Institute in Evanston, Ill.

## This Thanksgiving

—we're thankful we've been providing  
**MORE ELECTRIC POWER**  
as fast as possible since 1940

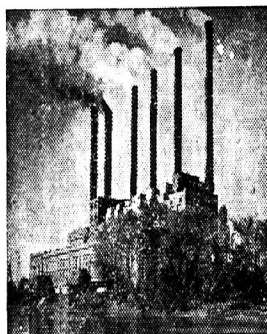

● In the truly humble sense of American thanksgiving, the electric companies of this State are thankful they have been able to continue building the new electric power capacity necessary to serve the fast-growing needs of Indiana electric users.

In terms of capability, Indiana's power supply has jumped from 931,700 to 1,919,400 kilowatts between 1940 and 1950, and construction providing another 581,000 kilowatts will be completed by the end of 1953. During these same 13 years, the electric companies will have invested over 500 million dollars to provide the power required to meet the increasing electric needs of Indiana industries, stores, farms and homes. Obtaining this money requires the sale, to the investing public, of additional stocks and bonds.

No matter what the future brings . . . of this you can be sure, the electric companies of Indiana, directed by thoroughly experienced managements able to expand their companies under America's system of free enterprise, will continue to build ahead . . . will continue to provide dependable electric power when and where needed, no matter what the job!

**NOW—7 times the Electric Power  
AND MORE TO COME!**

The Dresser Generating Station of the Public Service Company of Indiana is located on the banks of the Wabash, near Terre Haute. It has a total capability of 225,000 kilowatts.

*You Have a Right to Be Proud of Your State's Electric System*

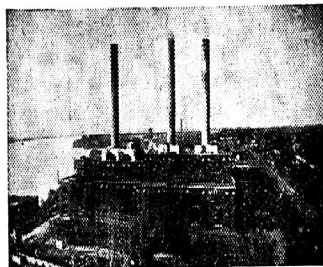

Twin Branch Station of Indiana & Michigan Electric Company, located along the St. Joseph River near South Bend. This plant, the largest in the I & M System, contains five units. The last installed has net capability of 150,000 kilowatts and was put in service in August, 1949. The station's total capability is 393,000 kilowatts.

The Harding Street Generating Station of Indianapolis Power & Light Company in Indianapolis. Its four units have a total capability of 160,000 kilowatts, the last of which was placed in service in 1947.

The Michigan City Electric Generating Station of Northern Indiana Public Service Company, designed for a total capability of approximately 195,000 kilowatts by 1951. The first two 65,000 kilowatt units are already in service, and the No. 3 unit is scheduled for completion during 1951.

Ohio River Steam Generating Station of the Southern Indiana Gas and Electric Company at Evansville. Station capability has been increased 75% since 1944. Another turbo generator, now being installed, will make the total increase 115% by 1951.

South Bend several years ago where he has been employed by the Singer Sewing Machine Company for the past thirty years.

He was accompanied by the counselor, Mrs. David Gaser, and the drivers, Mrs. George Mollenhour, Mrs. Lamar Anderson and Mr. Robert Reed. The

He leaves the widow and five daughters: Mrs. Ula Coryell, Mrs. Pearl Miller, Mrs. Helen Pell of South Bend, Mrs. Doris Barton of Mishawaka and Mrs. Inez Mattern of Elkhart, two sons, Donald James of South Bend and Olean Royce of North Liberty; one brother, Joseph of Argos; two sisters, Mrs. Dora Whetstone of Mentone and Mrs. Fern Coar of Bourbon. Burial was in the Summit Chapel Cemetery.

Speaker was a handsome young man from India, Akbar Abdul-Haq, who is studying for his Ph. D. degree at Northwestern University and Garrett Biblical Institute in Evanston, Ill.

On December 2 the Methodist Youth Fellowship will hold a bake sale at the I. G. A. store. The time will be announced later. The purpose is to raise the expenses for Institute and Camp Adventure this coming summer.

## THANK YOU KOSCIUSKO COUNTY VOTERS

for placing your confidence in me in the election

Tuesday, Nov. 7th.

I truly appreciate your splendid support.

## SCHOOL NEWS

Fans were treated to a real display of basketball last Friday evening at the local gym. The strong Bourbon team happened to be ahead at the end of the game 72-74, and that was the game. Our second team boys won their game 34-29. A large crowd enjoyed the contests. Within ten minutes after the close of the game, the fans were on their way due to the able help of the volunteer firemen. This group has worked out a plan to direct traffic efficiently. About all drivers cooperated well in following the directions of the firemen.

A number of high school girls participated in the County Vocal Festival at Warsaw on Sunday afternoon. The Girl's Sextet sang a special number as Mentone's part of the program.

Individual pictures were taken at the school on Tuesday. These pictures will be ready for distribution in about three weeks. Parents and pupils may pur-

chase as many pictures as they wish, or they need not purchase any.

The cooks are planning a special menu for a school Thanksgiving meal, Wednesday, November 22. School will be dismissed on Thursday and Friday, November 23-24, for the regular Thanksgiving vacation.

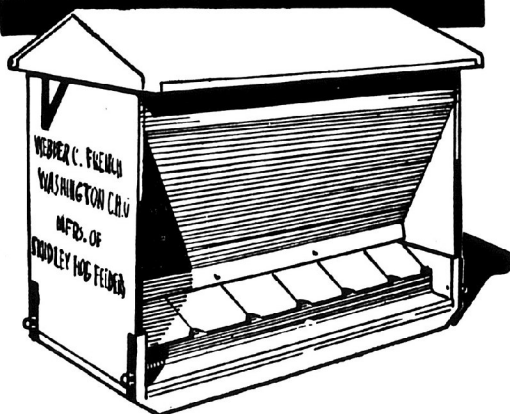

A committee composed of Mr. Frederick, chairman, Mrs. Tombaugh, Miss Jordan, and Mr. Kent are working on a Christmas program. All teachers have agreed to help with the program which will be given on Dec. 19 or 20.

Gross receipts for the Senior play were about \$200. Expenses such as tax, play books, costumes, etc. will need to be subtracted from that amount.

Mr. and Mrs. Byrd McPherson and family of Laport called on her mother Mrs. Ethel Miller Sunday evening at the home of Mrs. Earl Meredith in Mentone.

Mr. and Mrs. W. L. Vernet and Mrs. J. F. Laird were in South Bend Friday P. M. on business.

Mr. Chester Hire of San Diego California visited at the home of Mrs. James Gill and Mrs. Earl Meredith of Mentone last week-end.

Leroy Bud Wise spent Saturday and Sunday with his parents, Mr. and Mrs. Frank Wise. He drove back to Ft. Knox Kentucky in his car. Other guests Sunday were Mr. and Mrs. Ed Wise of Deedsville; Mr. and Mrs. Ernie King and sons of Peru and Robert Norris of Mentone. "Bud has gained weight, so the cooking must agree with him," his mother states. "Also, he looks for the Co-op. News the first thing on Thursday. He sure enjoys the paper."

We would like to again urge all parents of soldiers to come in and give us their address so that the Co-op. News can be sent to them.

**GOSPEL MAGICIAN  
AT WALNUT CHURCH**

Robert Pollock, known to young people as "Uncle Bob" will appear November 22 at 7:30 in the Walnut Gospel Church at Walnut, Indiana.

Mr. Pollock, who has been a successful pastor for six years, specializes in illustrated messages direct from the Word of God. He also uses "Gospel Magic" as another unique way of presenting the word of God.

Before entering the ministry, Bob toured several of the Eastern States as a Magician. His plans were to become a well known slight of hand artist, but such was not God's plan. After finding Christ as his Savior, he definitely felt that his magic could be used to reach young people.

Mr. Pollock is a graduate of Johnson City Theological Seminary, Johnson City, New York. He spent several months as Youth Worker with the Le Tourneau Evangelistic Foundation. For the past two years "Uncle Bob" has been doing evangelistic work among boys and girls. You will not want to miss seeing and hearing him with his "Thrill Book" and "Treasure Chest of Tricks."

Mr. and Mrs. Ivan G. Horn and son Larry Dale of Plymouth and Mrs. Alfred Laird and daughter Miss Mildred Laird of Bourbon visited at the J. F. Laird home Sunday afternoon.

**HEALTH FACTS FROM YOUR  
STATE BOARD OF HEALTH**

Glaucoma, a condition in which there is increased pressure within the eyeball and is a common cause of blindness, may be controlled if discovered when it first develops, according to Dr. Wendell C. Anderson, director of the Gerontology and Chronic Illness division of the Indiana State Board of Health.

"Because glaucoma develops so gradually and may not cause alarming complaints, medical aid is often not sought until there has been considerable loss of vision," Dr. Anderson said. "Glaucoma can be detected early only by measuring the pressure within the eyeball by an instrument known as the tonometer. When increased pressure is found, the physician has methods of lowering it to the normal tension and preventing further loss of vision."

It is thought that approximately three out of every hundred persons over forty years of age have glaucoma in some form or other and that one out of every eight blind persons lost their sight because of glaucoma.

"Those experiencing blurred vision, watering of the eye and eye pain particularly at times of excitement or worry should be suspected of glaucoma. Especially suspicious are those who have difficulty in reading despite prescribed glasses. Only in the late stage does common complaints of halos or rainbow effects around lights made their appearance," Dr. Anderson said.

## GIANT PLANE TO DELIVER BABY CHICKS

Cutting time between the incubator and the poultry farms of far-away customers, Corn Belt Hatcheries, Inc., of Joliet, Illinois, has installed its own airplane delivery service, Mrs. Freeda Roth Greenan, president, announces.

The new plane, delivered by the Lockheed factory recently, is that firm's twin-motored Lodestar capable of flying 36,000 chicks at 250 miles per hour.

Specially designed ventilation equipment cools the cargo space in the plane and holds down the temperatures generated by the thousands of chicks. In announcing the purchase of the plane, believed to be the largest hatchery-owned in the United States, Mrs. Greenan said:

"By flying our own plane with its tremendous load of baby chicks, we are able to land chicks in the broiler-fryer area around San Antonio, Texas, only five and one-half hours away from the Joliet hatcheries.

"Similar saving in time has been effected between the hatchery and the poultry areas of northwest Arkansas.

"We have found on one trip into San Antonio that the loss transit by our own plane was only a single baby chick, considerably under the losses suffered even while the chicks are standing on our racks awaiting shipment from the hatchery."

The operation of the hatchery-owned plane is a joint venture with Purdue University, the school's course in Air Transport furnishing the pilots, co-pilots and the technician to operate the controls for cabin temperatures. Purdue's Air Transport course trains young men for positions on established airlines both in the operational and administrative ends of flying.

# ENJOY ANNUAL DINNER

Over one hundred Auxiliary members and Legionnaires enjoyed a potluck supper at the Mentone School house Tuesday evening. The affair is an annual one given by the ladies of Mentone Unit No. 425, The American Legion Auxiliary, for the Legionnaires of the Post, in observance of Armistice day.

Judge Byron C. Kennedy of the Wabash Circuit Court was the speaker of the evening. He was introduced by Mrs. Allen G. Shirey. In his address, Judge Kennedy stressed the fact that the United States, with its great natural wealth and high standard of living, is the hope of a troubled world.

He urged that America can not long maintain this position of strength while being continually compelled to fight "small wars" in distant parts of the world. The United States must eventually, Judge Kennedy said, decide at some point to ignore the challenge of a satellite nation in these wars of attrition, and must throw down the gauntlet directly before the great power inspiring all the lesser nations—Russia.

Other guests of the auxiliary were Mrs. Kennedy, Mr. and Mrs. C. Mollenhour and members of the Legion.

Entertainment was provided by students of Mrs. Maude Snyder, Marilyn Rathfon and Mrs. Snyder played

a piano duet, "Diane." "Sylvia" and "The World is Waiting for the Sunrise" were vocal solos by Marita Tucker. Mary Ellen Bryan played a piano selection, "The Flight of the Bumblebee." South American numbers were sung by a quartette composed of auxiliary members, Mrs. Dale J. Wallace, Mrs. Robert Whetstone, Mrs. Jack Shaffer and Mrs. Harry Gible. The songs were "South of the Border," "Enjoy Yourself" and "Manana." A mock "bull fight" was presented by Mrs. Allen G. Shirey, who acted the part of the matador and Mrs. Richard Manwaring and Mrs. Robert Kinsey who acted the part of the bull. Mrs. Snyder accompanied all the numbers and played the music background for the act. Mrs. Allen G. Shirey and Mrs. T. J. Clutter were the members of the program committee.

The tables were beautifully decorated by Mrs. Don VanGilder and Mrs. Robert Reed. Members of the kitchen committee, were Mrs. Mervin Jones, chairman, Mrs. Mae Borton, Mrs. Richard Manwaring and Mrs. Kathleen Camplejohn.

A short business meeting of the auxiliary was held at the close of the Armistice program. The president, Mrs. Robert Whetstone, announced that the deadline for "Gift Shop" is November 30. Mrs. Joe Boggs (new finance chairman), Mrs. Robert Reed, treasurer, and Mrs. Miles Manwaring were named to plan a budget for the unit. Mrs. Shirey stated that plans were completed for the community bingo party which is to be held Nov. 25 at the Mollenhour Lumber Co. Details will be announced later. The 1951 dues are due and may be paid to the membership chairman, Mrs. Helen Mollenhour; the president, secretary or treasurer. The Psi Iota Xi have invited the auxiliary members to attend a Dure pottery demonstration next Tuesday night at the Mentone School Building.

The next meeting of the auxiliary will be November 28, at the Legion Home.

## WHOSE TREE IS IT?

A well known far mpublishation recently received, and answered, the following question:

**Question:** An elm tree stands on the dividing line between me and my neighbor. I am afraid roots will clog my sewer. If the neighbor refuses removal of the tree, what recourse have I? Could I cut off the branches that hang over my lot?

**Answer:** Where a tree stands on the dividing line between two properties, neither one would have a right to mutilate the tree without the consent of the other, but the reasonable trimming of branches that overhang your property would be permitted.

## LOUIE FOOR THANKS FRIENDS

Franklin, Ind., Nov. 9, 1950.

Mr. Artley Cullum,  
Editor of Co-Op. News,

Dear Sir:

I am writing for Mr. Louis Foor, who wishes through your paper, to express his sincere thanks to the many friends and old neighbors for the many beautiful cards and good wishes sent him yesterday, his birthday, and to assure everyone that each and every one was deeply appreciated. And he would like to write and thank each one personally but under conditions that would be impossible, as he received over 40 letters and cards. Thanking you in advance, I remain,

Sincerely yours,  
LOUIE FOOR,  
Per Frank Magee.

## HEAD INJURED IN FALL AGAINST OPEN DOOR

John Michael, four-year-old son of Mr. and Mrs. Harry Watkins, had two stitches placed on a wound on his head suffered Wednesday afternoon when his sister pushed him into the edge of an open door. "Mike" went through the ordeal with only an ouch, and he's quite proud of the big bandage he's wearing now.

## LOCAL NEWS

Earl Anderson, of Mentone, and Harold Beatty and John Samuelson, of Plymouth, left Sunday evening for a deer hunting trip into upper Michigan. A card received by Mrs. Anderson on Wednesday stated they had arrived at their destination safely.

Mrs. Elva Klink, of LaPaz, is visiting with Mr. and Mrs. Harold Markley and son, and other relatives in Mentone.

Mrs. Charles Krathwohl left Saturday for Evergreen Park, Ill., where she will spend the winter with her daughter.

Roundtree Kubley was a visitor in the Co-Op. News office on Tuesday.

Did you know there are only about 33 shopping days until Christmas?

Mrs. S. Hill attended the annual homecoming at the Laketon E. U. B. Church last Sunday. Her father, Elbe C. Johnson, who had been visiting there, came home with her for a visit. He returned to the State Soldiers Home at Lafayette, on Thursday.

Mr. and Mrs. Ralph Mollenhour were at Leesburg Tuesday night performing their duties as visitors to the Matron's and Patron's Night program. Wednesday night they are scheduled to attend a similar function at Milford.

Mrs. John Knecht, and children, of Clay City, are spending this week visiting her mother, Mrs. S. M. Hill.

### READING CLUB MEETS AT MOLLENHOUR HOME

The Mentone Reading Club held its October meeting at the home of Mrs. C. O. Mollenhour on Wednesday evening, with Mrs. Artley Cullum as assisting hostess.

The meeting was opened with the pledge of allegiance, followed by the collect and roll call, to which responses were made by giving a favorite poem learned in childhood.

Following the secretary's report by Mrs. Raymond Cooper, Mrs. F. B. Davison reported on the meeting with the Warsaw Dramatic Club and Mrs. Dan Urschel and Mrs. Leroy Norris gave a report on the district meeting held recently in Goshen.

Several items of business were properly disposed of and numerous community projects were discussed.

Mrs. Harold Nelson, assisted by Mrs. Fred Lemler, had arranged a very interesting and entertaining program for the evening. Jocelyn Moore gave two piano numbers and Mrs. Claude Fawns, of Akron, gave a message on Korea. She had undivided attention as she related her experiences in this land that has had our attention the past few months. She commented upon the customs, dress, habits and living conditions of these people, which made it particularly interesting to the ladies present.

**P. T. A. STUDY GROUP MEETS**

The adult study group of the P. T. A. met for its first regular session at the school house last Wednesday evening at 7:30.

The following program was presented with Mrs. Delford Nelson as group leader.

Mrs. Miles Manwaring discussed Parent-Teacher relationship.

Mrs. Artley Cullum presented "Big Business of Youth" and "What Adolescence Is Like".

Group discussion followed each subject.

The above subjects were taken from the programs suggested in the Parent Teachers magazines and are available to anyone who was unable to attend and would like to keep up with the study course.

We had a good attendance and much interest was shown.

The next meeting will be Dec. 6 at the school house at 7:30.

Additional members and interested adults are welcome. There are no dues as this is a branch of the local P.T.A.

Mrs. Florence McKinley will be the group leader for the next meeting.

**SPECIAL SPEAKER FOR  
P.T.A. MEETING NOV. 29**

At the regular P. T. A. meeting to be held next Wednesday, Nov. 29, the special speaker will be Prof. O. M. Miller, of Rochester. Mr. Miller is a retired teacher, with experience also as a college professor. He should have a message of much interest to parents.

We also will have two of our own teachers give comments on some special problems of our own school.

Hostesses for the social hour will be Mrs. Noble Oyler, Mrs. Monroe Romine, Mrs. Roland Ferverda, Mrs. John Boggs, Mrs. David Gosser, Mrs. Ralph Warren and Mrs. Lamar Anderson.

**ELECTED PROSECUTOR**

Friends and old classmates of Sam Blue have been very pleased to learn that he was elected to the office of prosecutor of Morgan County, in the recent election.

Sam had gone into the law firm of McNutt & Hart, in Martinsville, after graduating from Indiana University law school in 1948.

He graduated from the Mentone high school and is the son of Mrs. Orpha Blue.

**PREPARING CHRISTMAS MAIL**

The following information is suggested by the Post Office Department for public use in preparing Christmas mail:

**Postage**

Save time by purchasing an adequate supply of stamps in advance of rush period.

Prepay postage fully on all mail to avoid delays and disappointments.

**Addresses**

All mail must be plainly and completely addressed, preferably in ink.

It is very important that sender's return card appear in upper left hand corner of the address side.

Address tags should not be used unless absolutely necessary, in which case a copy of the address and sender's return card should be placed inside the package for purpose of identification, if necessary.

**Greeting Cards**

Send holiday greetings as first class mail to obtain the many advantages which this service affords.

Greetings prepaid at the first class rate may be sealed and contain written messages.

They are dispatched and delivered first.

They are forwarded if necessary without additional charge.

If undeliverable they are returned at no further expense to the mailer provided the sender's return address is shown on the envelope.

Unsealed Christmas greetings sent as third-class mail without unauthorized writing enclosed are chargeable with two cents postage (if weight does not exceed 2 ounces.)

**Packing and Wrapping**

Pack articles carefully and tightly in strong durable containers.

Wrap and tie packages securely with good quality paper and cord but do not seal them unless name and address of sender are shown together with the printed inscription reading, "Contents Merchandise — Postmaster: This parcel may be opened for postal inspection, if necessary." Sealed parcels not so labeled or endorsed are subject to the first class or letter rate of postage.

**UNDERGOES MAJOR SURGERY**

John VanGundy, of south of Mentone, is recovering from major surgery performed last Thursday at the Murphy Medical Center.

**CAN WE FORGET PEARL HARBOR?**

December the 7th is especially the day of Mothers of World War II who have chosen to commemorate Pearl Harbor Day by selling their National Flower, the Poinsettia, symbolic of December. The Mentone unit of Mothers of World War II will be selling the poinsettia the week of Dec. 7th, the profit to be used for rehabilitation wherever needed. Your donations will be appreciated by the Mothers of World War II. Be proud to wear a poinsettia. Mothers of World War II can never forget Pearl Harbor. Can you?

**SILAS PAXTON ILL.**

Word has been received that Silas Paxton, 78, lifelong resident of the Mentone community, is very ill with pneumonia. Mr. Paxton has been living at the home of a daughter in Fort Wayne since suffering a stroke two months ago. His friends are asked to write to him in care of Mr. and Mrs. Cloise Beber, 811 High St., Ft. Wayne.

**JOHN F. FRIESNER DIES**

Funeral services for John F. Friesner, 70, were conducted at 1 p. m. Tuesday at the Johns funeral home by Rev. Charles Blue, of Defiance, Ohio. Burial was at White Pigeon, Michigan.

Mr. Friesner died of apoplexy at 9:30 p. m. Saturday at the Rochester nursing home following a serious illness of only three days. He had not been in good health for the past ten years.

A resident of Indiana for most of his life, Mr. Friesner came here from Branch county, Michigan, where he was born Aug. 14, 1880, the son of Harvey and Kathryn (Beery) Friesner. He was married Dec. 12, 1898, to Miss Sarah Eash, who passed away Jan. 11, 1914. Mr. Friesner worked as a millwright and was a member of the Menonite church.

Surviving relatives include four sons: Arlo, of Mentone, Vern of Osceola, Otis of Toledo, O., and Emory of Aurora; three daughters, Mrs. Byron Gilbert, of Aurora, Mrs. John Oswalt of Constantine, Michigan and Mrs. Ronald Finch, of Mt. Pleasant, Mich.; 27 grandchildren and 19 great-grandchildren; one brother, William, of White Pigeon, Mich., and two sisters, Mrs. Susan Miller, of Goshen, and Mrs. Mary Blosser, of Burr Oak, Mich.

**ILL WITH VIRUS PNEUMONIA**

Miss Pauline Shaffer, daughter of Mr. and Mrs. Noble Shaffer, who has been critically ill with virus pneumonia, is holding her own.

She is a patient at the Gary Methodist hospital. She has received a number of blood transfusions which have been supplied by donors from the community blood bank.

**DILLMAN—ROBINSON**

Mr. and Mrs. Richard C. Robinson, of Winona Lake, have announced the marriage of their daughter, Lois Carol, to Jack Dillman, son of Mr. and Mrs. Walter Dillman, of Mentone.

The wedding took place in the Little Church Around the Corner, in Oakland, California, by the Rev. R. W. Ruggle.

The bride is a nurse at the Lutheran Deaconess hospital, in Chicago. Jack was an employee at the Country Print Shop before going to Warsaw where he became program director for radio station WRSW. He is now electronics technician on the aircraft carrier, USS Princeton.

**DR. CLUTTER TAKEN  
TO HOSPITAL TUESDAY**

Dr. T. J. Clutter was taken to the McDonald hospital on Tuesday afternoon. Dr. Clutter has been bedfast for several months, but his condition took a slight turn for the worse on Tuesday, and it was thought advisable to take him to the hospital for medical care.

**RETURNS HOME**

Mrs. Hubert Shilling is home after being a patient at the Murphy Medical Center for ten days following major surgery.

**CLUB CALENDAR**

D. A. R., Tuesday evening, Nov. 28, at the home of Mrs. Stanley Boggs.

P. T. A., Wednesday evening, Nov. 29. Prof. Miller, of Rochester, will be the speaker.

Mentone Unit, No. 425, the American Legion Auxiliary, will meet at the Legion Home, Nov. 28, at 8 o'clock.

Wednesday, November 22, 1950

Mr. and Mrs. Clyde Brugh, Mr. and Mrs. Abe Whetstone and Mr. and Mrs. Bert Holloway spent Sunday with Mr. and Mrs. L. T. McCrea, of Valparaiso.

Dinner guests at the home of Mrs. Earl Meredith Sunday, were Mr. and Mrs. Roy E. Meredith and family, and Mr. and Mrs. Henry Blesch, all of Akron Indiana.

John Teel was injured last Monday on the Isaac Kesler farm when a wagon fell on him and injured his hip. He is much improved at this writing.

Last Friday November 17, John's friends and neighbors gathered at the Kesler home and picked 45 acres of corn. The ladies came and brought a delicious carry in dinner, which was very much enjoyed by all. Those present were as follows: Mrs. Robert Hoover, Mr. and Mrs. George Craig, Mr. and Mrs. William Rathbun, Mr. and Mrs. Carl Zolman, Mr. and Mrs. Wayne Shunk, Mr. and Mrs. Frank Wise, Mr. and Mrs. Milo Fawly, Mr. and Mrs. Frank Nellans, Mr. and Mrs. Earl Zent, Mr. and Mrs. Russell Walters, Mr. and Mrs. Clarence Leininger, LeRoy Norris, Lowell D. Whetstone, Chick Herendegen, Ned Smith, Carl Whetstone, Maurice Rogers, Eugene Sarber, Robert Norris, Willard Zolman, Bernard Rogers and Lee Norris.

## THE CO-OP. MILL

# ATWOOD MEN TO BE BASS-VOICED BEAUTIES

Tottering on high heels and tripping over long skirts, fifty prominent men of Atwood and the surrounding community will appear in the popular comedy, "Womanless Wedding." They plan to impersonate glamor - girls,

naughty children, screen stars and social leaders. The keynote of the production will be hearty comedy. The funds raised by the big show will be used for the Atwood fire hall and some needed equipment. Although the men have the fun of appearing in the hilarious comedy, the ladies of the Ameri-

can Legion and Firemen Auxiliaries are sponsoring the project and doing all the committee and back-stage work. They will also apply the professional make-ups which work magic transformations in the brawny men.

Mrs. Marjorie Witham will play the incidental music and accompany the singers. Miss Jaymie Hicks, formerly of the New York stage, is directing.

Although casting of parts and try-outs will continue most of this week, the director announced Tuesday that many are already chosen and being trained. Wallace Anglin will appear as the perfect butler, who ushers in the wedding guests. Most of these make their entrances down the aisles and get as many laughs there as they do on the stage. As glamor-girl friends of the bride, Robert Cox, John Bolinger and Robert Orcutt will wear formal and blonde wigs. Doyle Swanson, likewise beautifully attired, will weep copiously as the mother of the bride. R. L. Foreman, as the bride's "father," expects to be busy comforting his "wife" and restraining their many noisy "children." Among the latter are little "brothers" Tim Rovenstine and Joe Swanson and "twin sisters" Clifford Bolinger and Frank Hoffer.

Comedians include Leonard Eller, as the warbling maiden aunt, Howard Williams as the country cousin, Roscoe Miller as the fast-talking peddler, James Nice as a hobo, and Charles Cartwright as a southern mammy, and William Longenbaugh as the wedding photographer.

Bill Copeland and Wayne Hepler will hobble about as "grandpa and grandma" while Sam Younce and Al Orcutt will be seen as the dignified Kentucky Colonel and his lovely lady.

Cast as the elegant Duke and Duchess of Windsor, Coach Hoogenboom and Leonard Druckamiller plan to dazzle the spectators, and also add a touch of laughter to their parts. In contrast, John Frederick will appear as a worried Irishman who has lost his "Rosie."

A clever impersonation, which includes a knock-out vocal number, will be done by Rex Hargitt as crooner Frank Sinatra, accompanied by his personal physician, Jack Lee. In an unusual skit, Max Thomas and Jack Anglin will be seen as the popular radio stars Charlie McCarthy and Edgar Bergen. Kermit Creighton, Donald Chase and Mr. Waltz will do a take-off on the Andrews Sisters.

Strutting "her" stuff in a blue satin gown and picture hat, Fred Yohey will demonstrate how Mae West gets her man with song and wiles. His rival will be Charles Hammer, Jr., as the sultry Dorothy Lamour, doing a number with the aid of "her" celebrated sarong.

In the role of blushing "bride," Dal-lace Anglin will wear white satin, net and lace. Among his many attendants are Claude Harmon, Warren Thomas, Bob Martin and Dick Swanson. The name of the lucky "groom" has so far been kept a dark secret. However, the remainder of the cast will be announced by the end of this week.

The show is to be presented in the gymnasium of the Atwood high school on Wednesday and Thursday nights, November 29th and 30th. The curtains may be opened at 8:00 p. m. Tickets will be purchased from members of the Atwood American Legion and Firemen Auxiliaries and at most Atwood business places. They will also be sold at the door.

## Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

### Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus

—elements so vital to help maintain good health and physical fitness.

### Why These Vitamins and Minerals Come In Liquid Form

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

### Don't Be A 'Doubting Thomas'

After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

### Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful.

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close at hand as your nearest drug-store if you suffer a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana.

© 1950, The LeBlanc Corporation.

## ANNOUNCING

the

## GOSPEL MEETING

at the

## Church of Christ

MENTONE, IND.

## December 3 - 15

7:30 p. m.

"For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth . . ." (Rom. 1:16)

# W. S. C. S. ENTERTAINS MYSTERY DAUGHTERS

Thursday evening, Nov. 16, the W. S. C. S. of the Mentone Methodist church entertained their mystery daughters at a special program featuring the work of Neighborhood House, in Ft. Wayne, which is supported by the North Indiana Conference and Warsaw District of the Methodist Church.

About thirty-five girls were welcomed by the president, Pearl Lackey. After some group singing and announcements of interest, Sally Gosser presented an inspiring devotional service using as a topic, "Profit or Loss," with thoughts taken from the book of Philimon.

Rev. Edgar Moore, pastor of Neighborhood House, presented five girls of various ages and different nationalities

and allowed us to ask them questions. Four of these girls, one from Poland, one from Macedonia, and two from the Ukraine, came to this country from D. P. camps. The fifth girl was a Mexican.

It is remarkable to know how well these people are learning the English language and adjusting to a new life in a new country. Little Tonya, 11 years old and from the Ukraine, has been here for a year and is in class 6B at the James Smart school. She speaks five languages, plays four different band instruments, takes piano lessons and sings in two choirs. She gets up at 6 a. m. to practice before she goes to school at 8 o'clock.

Mr. Moore showed several pictures painted by a Ukrainian artist who is in Fort Wayne now, released from a D. P. camp. This man saw many of his pic-

tures slashed to pieces by the sword of a German soldier.

Refreshments were served by Jeanette Mollenhour, Martha Ellsworth, Babe Long, Winnie Smith, Nell Reed and Harriet Abbey.

Plans for the program were made by Ellener Manwaring, Barbara VanGilder, Grace Boggs and Lois Davison.

## WAR MOTHERS MEET

Mrs. Mae Borton was hostess to the Mothers of World War II, unit 106, Wednesday, Nov. 15. After the usual opening the meeting was declared open for business by the president. Roll call found 20 members present. Communications were read, discussed and disposed of, bills were allowed and an order drawn on the treasurer for same. A report of the district meeting at

Rochester was given by Mrs. Paulus. She also reported the next meeting will be held in Logansport, Dec. the first and several expressed their desire to go. Mrs. Flosum Newell, Ethel Whetstone, Opal Tucker and Marie Coleman purchased rituals. It was decided to send candy and cookies to the boys in the state hospital at Logansport and have same at Bertha Meredith's by Saturday evening. Gifts are to be sent to the gift shop at Marion. Emma Cook and Blanche Paulus gave their birthday offering and Mrs. Wagner gave her penny a day box. Mildred Flenar became a member of the unit. As this was Mrs. Paulus' birthday she was pleasantly surprised when she was presented with a few lovely gifts and a birthday cake. Her wish was we have a good year and peace. The candles all went out with one blow. Mrs. Wagner won the door prize. The meeting closed with the mothers creed, singing "God Bless America," and prayer by the chaplain. The hostess, assisted by Mrs. Davis, served dainty refreshments.

The next meeting will be a pot luck supper and Christmas party at the home of Mrs. Fred Horn Dec. 13.

Mrs. Alice Middleton and Mrs. Eva Middleton, of Argos, helped Mrs. Jennie Thomas celebrate her 85th birthday Thursday afternoon. Jennie is at present a shut-in from an attack of arthritis.

Mrs. S. W. Harding, of Windsor, Ontario, was a guest at the home of Robert Nottingham last week.

Clay Nottingham, of Milwaukee, Wisconsin, was a guest at the Robert Nottingham home last week.

### FIRE DEPARTMENT CALLED

A car driven by Carmin Capozzi, of Tippecanoe, went out of control, turned over and caught fire about two miles south of Tippecanoe on road 331 on last Wednesday evening and Mr. Capozzi, who was enroute to visit his wife and new daughter in the Woodlawn hospital, at Rochester, was bruised in the accident. The accident occurred near the Lester Anglin farm.

The Mentone fire department was called but Anglin and Capozzi succeeded in extinguishing the fire which caused minor damage to the wiring of the auto.

Mr. Capozzi attributed the accident to the fact that the accelerator of the car stuck and he lost control as he attempted to remedy the trouble.

### COOPERATION PAYS

### SMYTHE-HELVEY.

In a ceremony which took place at two o'clock Sunday afternoon at the Cook's Chapel Methodist church, Miss Ardith Helvey, daughter of Mr. and Mrs. John Helvey, of North Manchester, became the bride of Gene Smythe, son of Mrs. Josie Smythe, of Palestine.

Mr. and Mrs. Robert Smythe, brother and sister-in-law of the bridegroom, were the attendants as the single ring marriage service was read by Rev. Laurence Smith, pastor of the church.

Following the ceremony 45 guests were received by the couple in the social rooms of the church.

Mr. and Mrs. Smythe will reside at the Gillespie residence. Mr. Smythe is employed at the Frank Manufacturing Company, in Mentone.

### FARMERS TO ELECT TOWNSHIP COMMITTEEMEN

George Long reports that the Production Market Association (formerly called the Triple A), will hold an election meeting at the Mentone school cafeteria on Monday evening, Nov. 27, at 7:30, for the purpose of electing three township committeemen for Harrison township. A delegate will also be named to help elect the county committee.

The Mentone Youth Fellowship will have a bake sale at Henker's I.G.A. store on Saturday, Dec. 2, beginning at 9 o'clock.

Dr. Dan Urschel will be in Rochester, Minn., next week, attending a course in diseases of the heart and blood vessels. This course will be conducted by the staff of the Mayo Clinic and is sponsored by the Americal College of Physicians.

Mrs. Jack VanGilder, first vice president, and Mrs. Richard Manwaring, secretary, of the Mentone Legion Aux-

iliary, attended the conference of unit presidents and secretaries held at the War Memorial Shrine at Indianapolis, Nov. 17 and 18.

Robert Nelson, who is stationed at Ft. Sheridan, Ill., made a surprise visit home on Tuesday of this week.

Mr. and Mrs. George Borton and son, Larry of Huntington, spent Sunday with Mrs. Mae Borton.

Mrs. Bessie Bybee and Mrs. Mae Borton attended the Republican victory dinner in Warsaw last Thursday evening.

Mr. and Mrs. Vernon Nelson and family and Mr. and Mrs. Ernest Mumford and family, of Silver Lake, spent Sunday here at the Don Kinkead, Jr., home. They helped to celebrate Cindy Kinkead's first birthday, with a large cake.

### CARD OF THANKS

We want to thank our neighbors and friends for their many acts of kindness during the sickness and death of our father.

THE FRIESNER FAMILY.

## TIME-LY TALES

The Nurnberg Egg was one of the first watches ever made. It marked the transition from weights and pendulums in clocks to the coiled spring. About the time Columbus discovered America, Peter Henlein conceived the spring as a driving force. His watch was oval-shaped, and since Henlein came from Nurnberg, Germany, it was called the "Nurnberg Egg." The principle gave birth to early European watch making, with the Swiss commanding a pre-eminent position as early as the 16th century.

## THE AMERICAN MERGANSER

The American Merganser is a member of the great duck family and is just as much at home under the water as he is in the air, for he seems to fly with the speed and power of a modern airplane and he can swim under the water for great distances as easily as one of our Navy's submarines.

He has a beautiful bright green head with a long tapering flat bill of bright red. His back is grey while his stomach is white. He walks on dainty yellow webbed feet.

The American Merganser, National Wildlife Federation tells us, may be found anywhere on the North American continent from Alaska to Newfoundland on the north, all the way to the central part of the state of Oregon, South Dakota, southern Minnesota, central Michigan, northern New York and northern New England. In

the winter time he may be found from British Columbia in Canada to Idaho, northern Colorado, southern Wisconsin, southern Ontario, as far south as lower California, and northern Mexico, Texas, Louisiana and Florida.

The narrow red bill of the Merganser is different from that of most members of the duck family. It has saw-like teeth which make it possible to get a tight hold on slippery fish, upon which the Merganser feeds. In addition he eats water bugs, frogs and crawfish. His long narrow body makes it easier for him to travel under water where he spends much of his time. Heavy thick feathers protect him from the cold so that snow and ice do not bother him at all. In fact, he will spend his winters anywhere that there is open water, which accounts for the many places he may be found.

Many of them raise their babies in mountain sections where they find the fish and other food their need in the fast running mountain streams.

Like all members of the duck family, the Merganser builds his nest on the ground, but he has also been known to make his home in tall trees as well.

When nesting in the trees, he prefers the hollow part where the branches come together. These he chooses both for protection as well as comfort. He brings food to his babies much the same as other birds feed their young ones, and is more than able to care for himself which accounts for the many thousands of American Mergansers which may be found today.

Mr. and Mrs. L. T. Rees returned from a two weeks motor trip to Windsor, Ontario and other points in eastern Canada.

## MENTONE HOME ECONOMICS CLUB

Mrs. Elmer Sarber discussed the project lesson, "Better Citizenship," at the meeting of the Mentone Home Economics club held Thursday afternoon at the home of Mrs. Royse Tucker. Mrs. Sarber stated that "Democracy is politics in action." She discussed the payment of taxes into state offices and the disbursement of money throughout the 92 counties in the state. She also stated that one room schools have decreased from 8,800 to 500. A report of the Kosciusko county fair stockholders' meeting was given by the incoming president. Mrs. Homer Blue gave the topic for meditation and the history of the song of the month, "Now Thank We All Our God," was read by Mrs. Raymond Weirick. Mrs. Blue assisted Mrs. Tucker during the social hour enjoyed by the 21 members present and the three guests, who included Mrs. Earl Kime. Mrs. Macy Nelson was awarded the mystery prize and wedding anniversary and birthday gifts were received by Mrs. Fred Swick, Mrs. Smith and Mrs. Cloice Paulus. Mrs. William Vernett will be the hostess at the next meeting, Dec. 14, when the members will arrive at noon for a social meeting.

Earl Anderson returned from a deer hunting trip into Michigan, with an 8-point buck. He said he downed the animal with one shot about eight o'clock on opening morning. He was the only hunter in the party that secured a deer.

"Ike" Davis, a member of the active naval reserve, has been given notice to report for active duty on Dec. 27th. He has already passed his physical examination.

## COUNTY HEALTH BOARD NAMED

The county commissioners, Wednesday named seven men to the county health board. They were: Dr. C. C. Dubois, Dr. George M. Haymond and Glen Whitehead, of Warsaw; Dr. Dan Urschel, of Mentone; Waldo Adams, of Franklin township; Earl Sarber, of Seward township, and Dr. H. C. Snyder, of Milford.

## Beef Herds

In average beef herds, less than one set of identical twins occurs in every 2,000 births.

## Iodine in Meals

The use of iodized salt in cooking is an easy way to get iodine in the family meals.

# SCHOOL NEWS

Since this is the last week of the second grading period, pupils have been taking a number of tests. The grade cards will be issued on Wednesday, November 29th. Many of the boys and girls have been working up to capacity but a few are prone to neglect their assignments from day to day. Parents are welcome to visit school at any time.

Pupils of grades 2 and 5 were given patch tests for TB last Monday. There were no reactors in these grades. On December 4th the dentists will inspect teeth in grades 2-5-8-11.

Over three hundred boys and girls are eating at the school this week. This number is the highest yet attained. In fact, such a large number taxes the facilities of the cafeteria. It has been necessary to purchase more plates, bowls, and silverware to accommodate the increased participation.

The Mentone School was third in attendance for the first grading period. Beaver Dam and North Webster had better attendance. Parents are to be commended for helping us keep a good attendance record. It is never wise to send a child to school if the child is really ill. However, parents sometimes keep children out of school needlessly. Several high school boys stayed out to set traps and to pick corn. This type of absence should be held to the minimum.

In a ragged basketball game played at North Webster, Mentone went down in defeat 70 - 52. Max Friesner, who has missed the first three games due to an injury, will be available for the Burket game. Our second team lost to North Webster by a score of 30-23.

A motion picture operator's group has been formed with the following students: Richard Clark, 8th grade; Don Rush, 9th grade; Merrill Peterson, 10th grade; Billie Blackburn, 11th grade. Mr. Kelley will teach these boys

to operate the audio-visual equipment. It is planned to continue the same group each year.

Mr. Burt missed last Wednesday due to a bad cold. Mr. Gosser substituted for him. Teachers have missed but two days of school thus far. Mr. Frederick attended a Music Educators' Conference at Laporte on Friday and Saturday, but this not included as absence.

A Thanksgiving Program on Wednesday at 1:30:

Two numbers by the High School Chorus.

"The First Thanksgiving" by Jackie Blue.

"Meaning of Thanksgiving" a poem given by Geneva Whetstone.

"Thanksgiving Sermon" Rev. Dowden. Group Singing.

Martha Creighton will act as chairman of the program.

Girls of the 9th and 10th grade home economics and health classes under the direction of Mrs. Hoffman visited the hospital and dairy at Warsaw on Friday afternoon. Emory Davis drove the bus which made the trip.

The Junior and Senior classes will motor to Indianapolis on Friday, November 24th to attend the Sonja Heine Ice Show. Mr. Kelley and Mr. Hoffman will sponsor the trip. The Juniors are hosts for the occasion.

## TUBERCULOSIS SEALS ON SALE

The 44th annual Christmas Seal Sale was opened on Monday, Nov. 20. The goal for Kosciusko county for this year is \$5,500. Around 7,500 letters are being sent out by the township directors. Eighty-two per cent of these funds remains in the county for chest X-rays, to find unknown cases; arrange for treatment; patch tests in the public schools, etc.

Mrs. Tom Stanford is director for Harrison township; Mrs. Dale Tucker, for Franklin, and Mrs. H. M. Kiefer, for Seward.

★ Buy Co-operatively — And SAVE!

## BAPTIST CHURCH NEWS

Tuesday evening some 30 teachers met at the church for the first class of the Teacher Training course. This class will meet each Tuesday evening for 12 weeks. This is wonderful training for Sunday School teachers and workers with Child Evangelism classes. Today Dr. and Mrs. Jon Rouch will

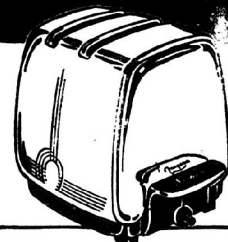

sail for Paris to begin nine months of language study to prepare them for the work in French Equatorial Africa. This now makes 14 missionaries supported wholly or in part by this church. The response from the Family Altar Broadcast continues to be good and the church is encouraged to keep on giving out the gospel by means of the radio.

### METHODIST CHURCH NEWS

Mr. "Phil" Eskew, principal of the Wabash High School, will be the speaker for The College of Life Program this Sunday evening. Interested in the fields of sports and recreation, he will speak on "The Contributions of Recreation to The Good Life."

This is the final fellowship supper meeting in this series of services. The committee serving this week is comprised of the following persons: Mr. and Mrs. Robert Reed, Mr. and Mrs. Rex Tucker, Mr. and Mrs. Max Smith, Mr. and Mrs. "Bud" Paulus, Mr. and Mrs. Frank Smith and Mr. and Mrs. Raymond Cooper. The hour of serving is six-fifteen. Fellowship songs shall precede the address which will be given at approximately seven-thirty.

The Mary and Martha Circle of the Womans Society of Christian Service will meet on Monday evening at the residence of Mrs. Glen Snider at seven-thirty.

Because of the Thanksgiving Holiday all handcraft classes and choir rehearsals shall be canceled.

The sermon topic for Sunday's service is "Numerical Insecurity".

NOT JUST A POLISH!

NOT ANOTHER WAX!

DU PONT

# SPRAY GLAZE

## IS AN ENTIRELY NEW PROCESS

✓ It's new! It's different! It's Du Pont Spray Glaze—the most significant development in car care in years.

✓ Du Pont Spray Glaze is applied to your car by a new, faster method—with a spray gun under high pressure to penetrate every crevice and fill every pore in the finish. It gives your car a smoother, glossier coating than ordinary waxes or polishes.

✓ Du Pont Spray Glaze is not a paint nor a lacquer. It is a transparent material that brings out the beauty of your car finish and protects the paint with a hard, durable glaze.

The Spray Glaze process includes:

1. Washing the finish with Du Pont Car Wash.
2. Pre-cleaning with a special Du Pont Spray Glaze Cleaner.
3. Applying Spray Glaze.

Shines brighter — lasts longer — costs you no more.

## MENTONE MURMURS

by  
DAVID and SALLY GOSSER

We take a lot of things for granted. That goes without much comment. Many of the little noticed occasions and articles were, at one time, how-

ever, problems of considerable importance. Take Thanksgiving, for an example, it has been in observance throughout the life-time of all of our readers. We may have a centenarian or two who may dispute this statement, but most of our readers cannot recall the time when it was not a National Holiday.

Our school texts have left the impression that almost since the time of

the first Thanksgiving in 1621, there has been a general observance of this holiday. The contrary is quite true, and until 1863 it was observed only in a sporadic manner, the governors of certain colonies and states making the proclamation. Even by the year 1852 only twenty-two states and territories were celebrating it. This was accomplished through the efforts of Mrs. Sarah Hale, the "Lady Editor" of Godfrey's LADY'S BOOK, who for the previous thirty years had been flooding governor's and legislator's desks with pleas that such a day be observed on the last Thursday of November.

The day chosen was one which President George Washington had proclaimed for Thanksgiving in 1789. A portion of his proclamation reads:

"Whereas, it is the duty of nations to acknowledge the providence of Almighty God, to obey his will, to be grateful for his benefits, and humbly to implore his protection and favor; and whereas, both Houses of Congress have, by their joint committee, requested me to recommend to the people of the

United States a day of Public Thanksgiving and Prayer, to be observed in acknowledging with grateful hearts the many and signal favors of Almighty God, especially for affording them a form of government for their safety and happiness."

For ten more years Mrs. Hale fought valiantly through her editorials which appeared between hoop-skirts and bustles for her cause. Finally in 1863, after writing to President Lincoln and enclosing Washington's proclamation, she acquired an interview and a promise.

Following the victory at the Battle of Gettysburg, Abraham Lincoln made the second proclamation for national observance of Thanksgiving, to be the last Thursday of November, concluding with, "... and fervently implore the interposition of the Almighty hand to heal the wounds of the nation to the full enjoyment of peace, harmony and Union."

For forty years a woman worked tirelessly and endlessly to bring to reality the dream which she believed would weld the states of this nation together more solidly than they then were. Her slogan may well have been, "The States that pray together stay together".

In spite of all the political differences of opinion we may find it to our advantage to do as the old hymn suggests, "Count your many blessings, name them one by one; And it will surprise you what the Lord hath done." This day is not one for "gripping" and demonstrations of discontent, but the opportunity to realize the blessings of our American heritage and to sense the responsibility, personal responsibility, of not only maintaining it, but nourishing it and encouraging its growth for future generations.

Murmurs thanks God for the bountiful blessings of life which include the God-given tasks of assuming the responsibility of parenthood, citizenship, and worship.

## E. S. CASTOR IS TALMA P. T. A. SPEAKER

Superintendent of Rochester Schools E. S. Castor, gave an address on "School Build for Freedom" at the Talma Parent Teacher Association meeting Thursday evening at the High School Gym. Songs were led by Mrs. Gilman Carlson, and Prayer was offered by Clair Jones. Entertainments were given by Fifth and Sixth Grade singing a group of songs, a Reading by Linda Barkman and a piano solo by Monty Sriver. —NewCastle Reporter

## NEIGHBORS PICK CORN FOR ILL HOUSE WIFE

Friends and neighbors of Mrs. Harold Swihart of near Talma, gathered Friday at her home to pick several acres of corn.

Mrs. Swihart recently returned from the Methodist Hospital at Indianapolis and was returned to the Hospital for a check up. Her husband was killed in a truck wreck on October 24, and Mrs. Swihart was seriously burned in the same wreck. Relatives are caring for her children at her residence.

Furnishing and operating corn pickers were: Roy Hubbard, Virgil Long, Paul Partridge, and Mahlon Bair. Helpers included Calvin Kuhn, Dick Gelbaugh, Larry Kanouse, Ernest Hart, Earl Linn, Raymond Riddle, Will Johnson, and Ross Overmyer.

NewCastle Reporter

## NOTICE TO PARENTS AND HOT RODDERS

For some time there has been made a race track of the cemetery, driving over graves and across the lawns, cutting deep ruts and making a very unpleasant sight.

Parents are responsible for the acts of their children, if your child is brought into court for disorderly conduct you may expect the maximum fine.

It would be much better to have no arrests and no fines but you have been warned.

# REHABILITATION by Grace Boggs, Chr.

The rehabilitation work of the American Legion Auxiliary consists of all activities for the welfare of the disabled World War Veterans. It includes cooperation with the American Legion to secure proper hospital care and just compensation for all disabled men, bringing physical comfort and mental cheer to the men in the hospitals, aiding the disabled to earn money for the support of themselves and families, and helping the disabled veterans reestablish themselves in life after their disabilities have been arrested or cured. Rehabilitation, like most work assigned to women, is never done, and we, as Legion Auxiliary members, cannot rest upon the laurels already earned.

Last year in the Veterans Administration hospitals in Indiana, the Auxiliary provided 64 qualified Volunteer Hospital Workers who recorded 19,640 hours of service.

Each year at Christmas the Auxiliary gives a gift to every disabled veteran forced to spend the day in a hospital. Donations from all units are sent to the Department to be used for the Veteran's Christmas Fund.

The Auxiliary also sponsors a "Gift Shop" project for hospitalized veterans. The "Gift Shop" is a little department store in each V. A. hospital in the state, where the patient may select free Christmas gifts for his wife, children and parents. The gifts are provided by donations from auxiliary members. The contributions may be cash donations, purchased gifts or may be made by hand. They must not exceed \$1.00 or the equivalent and must be new merchandise. The gifts are sent to the hospital unwrapped and put on display. Each veteran is assisted in choosing his gifts and may select the wrappings for them. The presents are gift-wrapped, packaged for mailing, postage affixed and sent on their way from the hospital to the veteran's family at no expense to the veteran. "Gift Shops On Wheels" are being used for bed patients. Hospital authorities agree that the Gift Shop is one of the best morale builders ever to come into the hospitals. The Auxiliary members feel that this is not charity, it is Christmas—"Peace on Earth, Good Will to Men."

All of the contributions from the units to the rehabilitation program are taken from the Poppy Fund which is derived from the sales of poppies on Poppy Day. The entire rehabilitation program in Indiana has accounted for \$97,736.19 and innumerable hours of service for the disabled veterans last year. Contributions from the Mentone unit totaled \$176.01 for the year 1950.

# BOY SCOUT NEWS

On Tuesday evening, Mr. Wayne Tombaugh, Committeeman for Troop 58 of the Boy Scouts in Mentone, presided at the inspection of the Boy Scouts of the Etna Green troop. On Monday evening, November 27, Mr.

Paul Waggoner, Scoutmaster of the Etna Green troop, will inspect the Boys of Mentone's local troop. Inspection score is awarded on general appearance, hat, neckwear, shirt, belt, socks, shoes and insignia. A perfect score of 100 points is possible.

# TO DISCUSS SOCIAL SECURITY LAW FOR FARM WORKERS

The new provisions of the Social Security Act, covering farm workers' wages, will be one of the subjects discussed at the Income Tax and Farm Account School to be held in the county extension office in the court house at Warsaw at 1 p. m. Nov. 27th.

The purpose of this school, according to County Agent Paul Jackson, is to help farmers keep the kind of records that will save them money and avoid many difficulties with their tax reports.

## MERCHANTS OFFERING PRIZES FOR CHRISTMAS DECORATIONS

The Mentone Merchants Association is again sponsoring a Christmas Decorations contest in Mentone and are offering \$80.00 in cash prizes. The prizes will be of \$15, \$10 and \$5 for home decorations and the same sums for business decorations.

The association has also made arrangements to decorate the business district with colored lights, a giant Christmas tree and other ornaments.

The committee, with Raymond Cooper as chairman and Glen Denton and John Boggs as members, suggest that the business places have their decorations in order by Dec. 15th, and the homes three days later. Of course, they can be put up before those dates.

The decorations will be judged on appearance, human interest and effort.

Mentone has had a reputation of being one of the best decorated towns in the area the past few years, and pride prompts us to urge everyone to put forth a special effort again. The Merchants Association members have appreciated the fine cooperation of everyone in past years, and are offering the cash awards as a small token of that appreciation.

It will aid the judges, too, if those who decorate their home for contest, notify one member of the committee.

## CO-OP. BUYS PETERSON HARDWARE STOCK

The Northern Indiana Cooperative Association, at Mentone, has purchased the former Peterson Hardware stock and is now conducting a close-out sale. (See advertisement elsewhere in this issue).

The company advertises drastic reductions on almost every item in the store, and they extend a special invitation to everyone to come in and look over the merchandise. There may be items you need, and you will appreciate the savings they are offering. Adam Carper is managing the store during the 45 days the sale will continue. After the sale, the balance of the stock will be moved to their hardware on East Main Street.

Negotiations are under way for the sale of the hardware building to a man who plans to open an implement store in February.

Mr. and Mrs. Cloice Paulus and family spent Thanksgiving day at the home of Mr. and Mrs. Sam Lowman.

## EBERS ESCAPE SERIOUS INJURY

Mr. and Mrs. Russell Eber escaped serious injury last Saturday in an accident while enroute to Pt. Wayne. The crash occurred at the intersection of Road 14 and the Washington Center road.

The Ebers were traveling east on Road 14 when they saw the other car pull up to the highway and stop. Just as they were nearly to it the car pulled out in front of them, without having looked in their direction.

The other car was driven by Charles Stoner, 81, of Washington township, Whitley County.

Mr. Stoner, who received a skull fracture and internal injuries was taken to the Memorial hospital in Columbia City, where he died later.

Mrs. Eber received a severe cut on her forehead, which required 8 stitches, and several punctures on her legs. Mr. Eber suffered a minor leg injury. Their car suffered around \$800 damage.

## INSTRUCTOR AT UNIVERSITY

Lou Ellen Rouch, daughter of Mrs. F. L. Rouch, Box 262, Mentone, has assumed the position of Instructor in Biological Sciences at the William Jennings Bryan University, Dayton, Tennessee.

Since receiving her B. S. degree from Wheaton College, Illinois in 1948, she has earned her M. S. degree in biology from Purdue University. Along with her teaching duties, she is sponsor of the sophomore class at Bryan.

Bryan University is a co-educational liberal arts and sciences college located 37 miles north of Chattanooga. It is an interdenominational college with students from 26 states and 2 foreign countries. Bryan's basic purpose is to train young men and women on a high scholastic level under auspices distinctly Christian and spiritual.

## CHILD STUDY GROUP

The Child Study Group of the Mentone P. T. A. will meet on Wednesday, December 6, at 7:30 p. m. at the school building. The program will be a continuation of the study series, "Growing Toward Maturity", as outlined in the P. T. A. magazine. Specific topics to be presented and discussed are: "Discipline—"The Role of Punishment and Reward," and "Must Families Feud?"

Mrs. Ora McKinley is in charge of the program. She will be assisted by Mrs. Fred Lemler and Mrs. Harold Markley.

## SPECIAL NOTICE TO ALL WORLD WAR II VETERANS

Mentone Post No. 425, The American Legion, will hold open house on Monday and Thursday of next week (Dec. 4 and 7) for all veterans who have not filed for their state bonus.

The veteran must have his or her original discharge or separation papers and those who have received, or are now receiving, disability compensation must have disability certificate or notice of award as proof of disability; also your Veterans Administration claim number.

There will be a notary public present to notarize all papers, without charge to applicant.

The time is short, December 31, 1950 being the deadline, so don't delay any longer. Come to the Legion Home on Monday or Thursday evening of next week.

The next of kin, of any deceased veteran, who has not yet filed, please contact Bob Kinsey or Bob Whetstone at your convenience.

## SNOWBOUND IN PENNSYLVANIA

Rev. and Mrs. Gosser and family were able to take a "longer than anticipated" Thanksgiving vacation with relatives in Pennsylvania, due to the snowstorm which closed all roads in the east.

Rev. Gosser called home last Friday but we know of no recent word from them so they may be able to reach home soon.

Dr. Shake of Warsaw had charge of the services at the local Methodist Church last Sunday.

## ANNOUNCE ENGAGEMENT

Dr. and Mrs. O. E. Nelson, of 201 Forrest Avenue, Woodstock, Illinois, announce the engagement of their daughter, Carol Jean to Robert E. Nelson, son of Mr. and Mrs. A. I. Nelson of Mentone, Indiana. Miss Nelson and Mr. Nelson are both graduates of Northwestern University.

## COUNTY PILOTS ORGANIZE CIVIL DEFENSE UNIT

Hobart Creighton, one of the 174 licensed airplane pilots in this county, served as temporary chairman of a meeting to form a air civil defense unit held Friday night in Warsaw.

The unit would be of considerable value as a means of communication if war or disaster should visit our community.

## LUMBER COMPANY HERE ROBBED LAST WEEK

Safe-crackers paid a return visit to the Mentone Lumber Company Wednesday evening of last week. About \$150 was taken from the safe after the robbers hammered it open. Entrance was made through a small office window.

The Etna Green Lumber Company was robbed the same evening, evidently by the same crew.

## TEEL

Mr. and Mrs. Elwin Teel are the parents of an 8 lb. 2 1/2 oz. son, born Nov. 25 at the Woodlawn hospital. The new son has been named Ronald Kay. Mrs. Teel and baby came home Wednesday.

## HOSPITAL NEWS

Mrs. Harry Sullivan was able to return home Tuesday evening from South Bend where she had been convalescing at the home of her sister.

Mrs. Sullivan had undergone major surgery a week ago Saturday.

Dr. T. J. Clutter remains in about the same condition.

Kenneth Shoemaker planned on coming home from the McDonald hospital Wednesday afternoon. He had been a medical patient there for four days suffering with a strep throat.

N. T. McClane is a medical patient at the McDonald hospital where he was taken Monday night suffering with a blood clot on the brain. Word Tuesday said he was resting well.

Howard Shoemaker, son of Mrs. Esther Shoemaker was a patient at the Woodlawn hospital during the Thanksgiving holiday when he underwent a tonsillectomy.

## CLUB CALENDAR

The Maple Leaf Camp No. 2462 R. M. A. will meet at the home of Mrs. Lillian Witham on Tuesday evening, December 5. Election of officers will take place.

O. E. S. Monday night at 7:30 at the hall. The Grand Representative to Wyoming will be a special guest.

Child Study Group, Wednesday evening, Dec. 6, at the school building at 7:30.

J.O.Y. Circle, W. S. C. S., Tuesday afternoon, Dec. 5, at the home of Mrs. John Boggs, at 1:30.

#### D. A. R. ENTERTAINED

Mrs. Stanley Boggs, assisted by Mrs. Dora Taylor and Mrs. Joe Boggs, was hostess to the Anthony Nigo Chapter of the Daughters of the American Revolution, at her home on Tuesday evening.

The regent, Mrs. Frank Smith, opened the meeting in the usual order, and following the pledge of allegiance, one verse of the "Star Spangled Banner" was sung.

Mrs. Arthur Brown, secretary, read the report of the October meeting. This was followed by Mrs. Hazel Linn giving the message of the President General for November. Reports of the various committees were given.

All members are requested to bring their contributions for the mountain schools to Frank and Jerry's store by Saturday, Dec. 9. We are anxious to get these on their way.

At the close of the business session, Miss Linda Lukens entertained with a reading. Mrs. C. M. Fawns, of Akron, was introduced and gave a very interesting and instructive talk on the country and people and living conditions in Korea. She spent several of her teen-age years in Korea. The program was concluded with a song and tap dance, "Louie Drop That Gun," by Linda Lukens, accompanied on the piano by Maribel Riewoldt.

Lovely refreshments were served from the carefully laid dining table, with Dora Taylor and Orpha Blue assisting with the coffee and tea.

The next meeting, the Christmas party, will be Dec. 19 at the home of Mrs. Porter Williamson. There will be a fifty-cent gift exchange.

Mr. and Mrs. Devone Jones entertained at their home on Thanksgiving with a turkey and baked ham dinner, with all the trimmings.

Those present were: Mrs. Vernon Jones; Mr. and Mrs. Mervin Jones and Ken; Mr. and Mrs. Paul Jones, Mary Linda and Paula Jean, of Elkhart; Mr. and Mrs. Gaylord Jones, Letitia and Cheryl and Mr. and Mrs. Tommie Meredith and Marinella.

#### BAKE SALE

The Mentone M. Y. F. will hold a bake sale at Henker's I. G. A. store on Saturday, Dec. 2. It will start at 9:00 a. m.

# your PHILLIPS 66 winter score card

What's your score? If you can't mark up a flock of yes's—let us put your car in the "yes column." We'll get it ready to give you dependable winter-time performance.

PHILLIPS 66 WINTER SCORE CARD	YES	NO
Oil changed to winter grade Phillips 66 Premium Motor Oil.		
Radiator flushed, cleaned—anti-freeze added.		
Battery checked and set to handle added winter load.		
Chassis lubrication—winter lubricated for safety.		
Tires checked for safety on slippery streets.		
Spark plugs cleaned and properly adjusted.		
Fan belt, hose, cooling system checked.		

Don't put off getting your car ready for winter. Drive in and see us soon.

CO-OP. OIL STATION

## REGULAR HOUSEHOLD WORKERS TO BE UNDER SOCIAL SECURITY

"Do you have a maid?"

Not so very many households these days can answer yes, but those who do have a maid or any other household worker will need a copy of a brief booklet bearing that question as a title. Gerald Kelter, Manager of the Elkhart Social Security Office, began distributing this booklet today. This colorful leaflet sets out, in a few sentences, just how the lady of the house, or any employer of domestic help in or around the home, may tell whether or not the worker is brought under the new social security law which becomes effective on January 1, 1951.

The work of those regularly employed in private homes will be credited to social security and the employer will be responsible for reporting wages, along with social security taxes, to the collector of internal revenue.

The title of the pamphlet does not stop with "Do You Have a Maid?" but continues "— or a laundress? — a cook? — chauffeur? — gardener?" Any of these, or any other persons employed

regularly for work in or around a private household may come under the new law, and Mr. Kelter urges their employers to request a free copy of the booklet.

A simple test in the booklet, in terms of amount of wages paid and regularity of employment, will tell whether a maid or cook or laundress must pay the social security tax and get the protection of social security — and whether the housewife should start making reports next year. If so, there's a postage-paid postal card in the government-issued booklet which the housewife should mail in for instructions.

Copies of the booklet are available at all post offices, or may be secured at offices of the collector of internal revenue. Here in the Elkhart area, just address the Social Security Administration, Room 222, Equity Building, Elkhart, Indiana.

The social security manager said he is arranging with women's groups to furnish supplies of the booklet for their members.

**CIVIL SERVICE OPPORTUNITIES**

The United States Civil Service Commission today announced examinations for Intelligence Research Specialist, and Foreign Affairs Officer to fill positions paying from \$3,825 to \$6,400 a year in various Federal agencies in Washington, D. C., and vicinity. The majority of the positions are in the Department of Defense, Army, Navy, Air Forces and State.

No written test will be given. To qualify for these positions, applicants must have completed appropriate education or have had pertinent experience in the field of work for which they apply. They may also qualify on the basis of a combination of such education and experience. A knowledge of one or more foreign countries or geographic areas is also required.

Information and application forms may be obtained from the Commission's local secretary, Mrs. Tom Stanford, located at Mentone Post Office, from civil service regional offices, or from the United States Civil Service Commission, Washington 25, D. C. Applications for these positions will be accepted by the Commission's Washington office until further notice.

Mr. and Mrs. John Stiffler of Elkhart and Mr. and Mrs. Hobart Stiffler of this vicinity spent Thanksgiving Day in Indianapolis with Mr. and Mrs. Hugh Stiffler.

# NOTICE TELEPHONE PATRONS

between hours of 7:00 a. m. and 5:00 p. m. daily.

ETHEL WHETSTONE.

D1p

Grover Janke has been on the sick list for the last ten days with a case of Pleurisy and Pneumonia but is up and around at this writing.

Mr. Dan Goldsmith, 3024 Curron Road, Louisville, Ky., owner of Coogla Cut Rate Store at 935 West Broadway, says there just aren't enough words in the English language to praise HADACOL correctly. He says he knows most folks don't realize what a change HADACOL can make in their life if their systems are deficient in Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin.

Here is Mr. Goldsmith's statement:

"Before I started taking HADACOL I was run down and nervous—and had a hard time sleeping nights. With my work in the store I have to spend sometimes 14 hours a day on my feet. Since I am in the retail business I saw how many folks were asking for HADACOL so I decided to try it myself. After the first couple of bottles I could tell a definite improvement. Now I have all the pep and energy in the world, my nerves are steady as ever and I really do get a good night's rest. HADACOL is wonderful—I not only take it, but recommend it to all my customers. I praise the day Senator Dudley J. LeBlanc put HADACOL on the market."

## HADACOL Is So Different

Thousands are benefiting from HADACOL... whose systems lack Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these great Vitamins and Minerals to every body organ—to every part of the body.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take—you get your money back. Only \$1.25 for Trial Size; Large Family or Hospital Size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana.

© 1950, The LeBlanc Corporation.

# LEGION AUXILIARY NEWS

The members of the Mentone Unit of the American Legion Auxiliary met at the Legion Home Tuesday evening.

The president, Mrs. Robert Whetstone, presided at the business session. Reports from the unit chairmen were heard by the unit. Mrs. Eldred Paulus, Knightstown Home chairman read several letters from the girl, which the unit has adopted for the year, from the Knightstown Home. Beatrice Jones is eight years old and very appreciative of the interest and assistance extended to her by the unit. If any of the members wish to remember Beatrice at Christmas time, please contact the unit chairman. Mrs. John Boggs, Rehabilitation chairman announced that contributions to the "Christmas Gift Shop" project were now due. The gifts may be made by donations of cash, hand made articles or purchased articles; the

amount is not to exceed \$1.00 or the equivalent thereof. The gifts are not to be wrapped. Please get the contributions to Mrs. Boggs as soon as possible. Reports were made for the last District meeting at Roselawn and for the President and Secretaries Conference held at Indianapolis recently. THE 1951 DUES ARE DUE NOW! The unit is trying to make a membership quota deadline which ends December 26. Dues may be paid to Mrs. George Mollenhour Sr., membership chairman, the Treasurer, Mrs. Robert Reed, or the Secretary, Mrs. Richard Manwaring. The unit voted to donate the money for the unit gift exchange at Christmas to a Christmas Basket fund. Mrs. Mervin Jones, chr., Mrs. Ned Miller, Mrs. E. E. Wagner, and Mrs. Kenneth Romine were appointed by the president to make up the Christmas baskets.

Mrs. Beulah Smith was the name

drawn for the attendance prize.

The next District meeting will be at Fowler, December 6, at the Methodist Church. If any of the members plan to attend, please contact the president by Friday of this week so that she may make reservations for you.

The next meeting of the unit will be December 12.

The unit welcomes the new members who joined recently: Mrs. Phyllis Davis of Chicago; Mrs. Joseph Boggs, Mrs. Rex Witham, Mrs. George Ervin Mollenhour and Mrs. Ned Miller.

# Plain Talk About Shipping Eggs

## INDIANA EGGS and the NEW YORK RECEIVER

Old-timers among Indiana egg producers will not hesitate to give credit to the New York Receivers for their important, and in fact, basic contributions to the Indiana Egg Industry—from its weak infancy to its present-day robust strength.

Remember, when you ship to New York, you are paid on the basis of market conditions when the eggs arrive. If the market is higher, you get more money. If lower, you get less. Local buyers usually can FORETELL weaker conditions and lower their paying prices IN ADVANCE. Thus, you CANNOT AVOID the lower price by selling locally. BUT, you do lose out on the benefits of rising prices, because local paying prices usually do not rise AHEAD of the New York Market.

The New York Receivers listed below are pledged to protect the honest interests of each and every Indiana Poultryman. Market your eggs through them.

**SPECIAL SPEAKER AT  
YOUTH FOR CHRIST RALLY**

Abu Sobba Dass, Delhi, India, will be the speaker at a Youth Rally on December 5th, 1950, at 7:45 P. M., in the First Baptist Church, Mentone, Indiana.

Dass, a Moscow trained Communist leader, was a staunch admirer of Stalin, and caused much havoc among the Christian churches.

Dass acquired his early education at Agra, the place of the famous Taj Mahal. A high caste Hindu, he spent many hours in heathen temples observing the rites and worshipping heathen gods. Bitter hatred for all other religions was fostered, and Christianity received the full brunt of his wrath. Hinduism did not satisfy the longing in his heart, so he tried Mohammedanism, reading the Koran, but this did not satisfy. He then turned to Buddhism, but found no peace. Finally he turned to Communism, persecuting the Christians, but was later saved to Christianity by a faithful missionary, and now refers to himself as "a slave to the gospel of Jesus Christ."

During the war he was a first class engineer on the train which carried the "Big Three" to the Teheran conference. It was on this mission that he was called to preach the gospel. He has established seven Christian churches in India and has three brothers who are pastors. All of his brothers

and sisters have become Christians since his conversion. His personal testimony has won thousands of people to Christianity. You are invited to hear it. Abu's challenge is "What Shall it be, Atheistic Communism or Christianity, to this Land of Liberty?"

There will be vocal and instrumental talent provided by the Elkhart County Youth for Christ Staff. Plan to attend this service.

# THE ROCKY MOUNTAIN SHEEP

Who among us would not consider it fun to be able to run and jump up and down the side of the steepest mountain? If we were Rocky Mountain Sheep we could do just that and more, for despite the size of this beautiful

member of the great sheep family, the Rocky Mountain Sheep can not only climb mountains with great speed, but once on top of them can jump from

which are his natural enemies and constantly steal young sheep for food.

The National Wildlife Federation tells us that the great Rocky Mountain Sheep may be found in the mountain ranges south of the Peace River and Lake Babine, in British Columbia, Canada, to the state of Colorado, and possibly northern New Mexico in the United States.

This strong healthy animal can, and does, feed on nearly every plant growing within the area in which he lives. While they like to remain in the mountains where in the early spring their one or two babies are born, the Rocky Mountain Sheep sometimes live in the desert regions as well.

Unfortunately, many of the Rocky Mountain Sheep's babies, or lambs as they are called, are killed soon after birth by the huge American Bald and Golden Eagles, which swoop down quietly and unexpectedly from their

mountain peak nests in search of food.

When frightened or excited, an entire band of these great sheep can skillfully dash in full flight up or down seemingly impossible slopes, where one slip would well mean certain death on the rocky crags below. Even the oldest members of their band with huge horns can leap from point to point in perfect safety.

Because so many Rocky Mountain Sheep were killed by eagles, wolves, and mountain lions, as well as hunters, they became very scarce for a number of years. Now, however, most states in the United States where Rocky Mountain Sheep live have passed laws against their being shot by hunters. These laws are known as conservation laws, and are put into effect by many state governments to protect the many wild animals and birds which might never be seen again unless they were so protected.

peak to peak and from ledge to rock ledge with equal safety.

The Rocky Mountain Sheep, sometimes known as the Desert Big Horn Sheep, may be recognized easily by his beautiful light tan and white coloring, and his unusually large and graceful horns which curl from the top of his head down around and under his ears. His great ability to leap from what seem to be impossible places and land on all four feet with ease is his greatest means of protection from mountain lions, wolves and coyotes,

# HOW WILL YOU HAVE YOUR CORN

by A. V. Tegtmeyer

There are dozens of ways of taking your corn. If you are a Southerner you take it in hominy grits that are tasteless to anyone born north of the Mason-Dixon line. Cornbread and fried mush were other Southern specialties that have spread universally.

If you are hill-billy you probably take it in a jug (if the revenueur doesn't take you first!) The city slicker has stolden your formulas and turned corn into alcohol, not entirely for human consumption.

Hominy in a can is nothing but corn that has been through a few baths. Corn on the cob is an American institution, as is hot buttered popcorn. We have corn flakes, corn syrup, corn oil

and corn starch. The Indians had only scratched the surface of possibilities when they introduced us to this most valuable of native American plants.

Yes, we eat it and we drink it, but have you ever thought of wearing a corn suit? Yet this very thing may happen to you in the very near future, thereby opening up an entire new field for the sale of corn.

The new material is only the beginning of many industrial-type fabrics. This versatile cloth is the end product of a somewhat complicated process of extracting protein from corn. While the new fiber is light golden in color, it takes most dyes and may be used alone or mixed with rayon and nylon. According to John H. Karrh of the Virginia-Carolina Chemical Co., it is less inflammable than cellulose and warmer than wool. It is suitable in

different weights for almost any other material used in either men's or women's clothing, including suits for men.

Other uses may include draperies, upholsteries and even blankets. The modern brave whose ancestors joined the squaws in helping harvest the corn so that none might be lost to the elements may find himself wrapped in a corn blanket when he dances at the annual Corn Dance festivities.

We are no longer on the gold standard but the era for corn is only beginning to dawn. Wampum aplenty there is for the framer who grows corn, whether it is field, sweet, or popcorn. Even in Paris popcorn has been introduced by a former G. I., Leo Zimmerman, of Louisville, Kentucky, and the sales are booming, despite the fact that Communists are shouting that corn is for pigs, not Frenchmen. World markets for corn and corn products are just around the corner.

How will you have your corn? A good many acres of it in your field if you are looking for ready money (and who isn't?)

Mrs. Jennie Thomas spent her Thanksgiving vacation at the home of Dr. and Mrs. H. F. Kelley at Argos.

#### COUNTRY NEIGHBORS

The Country Neighbors home economics club met at the country home of Mrs. John Allen Teel with Mrs. Frank Nellans as co-hostess. Mrs. Le Roy Norris, president, presided. The pledge to the flag and the home economics creed opened the meeting. "Onward Christian Soldiers" was sung. Mrs. Charles Shock used the 96th Psalms for devotions.

Mrs. Morris Hibbs gave the history of the Federated Clubs.

Mrs. Wm. Rathbun completed the lesson on house cleaning made easier.

Mrs. Joe Peterson was welcomed into our club as a new member. Several mystery gifts were received. Mrs. Teel conducted the auction furnished by the hostesses each month.

Mrs. Le Roy Norris and Mrs. Talfred Richardson were in charge of entertainment. During the social hour the hostesses served refreshments to 20 members and 4 children. The guests for the day were Mrs. Frank Wise, Mrs. Morris Hibbs, Mrs. Hershberger and Mrs. R. T. Hovey.

Plans for our annual Christmas party were made with Mrs. Frank Meredith as hostess.

Mr. and Mrs. John Dickey and Rudolph Dickey of Jenkins, Minnesota, spent Thanksgiving with their parents, Mr. and Mrs. George Dickey.

Mrs. Eunice Reed of Angola spent Thanksgiving at the Robert Reed home.

Mr. and Mrs. Harry Witham of near Harrison Center were host and hostess to their children to a bountiful Thanksgiving turkey dinner on Thanksgiving Day. Those present to enjoy the occasion were: Mr. and Mrs. Tommy Witham and children, Tomaline, Lyle and Jeannie of Atwood; Mr. and Mrs. Wilbur Haney and children, Glen Rosemary, Norma Jean, Phyllis, Ronnie, Dale and Emma of Sidney; Mr. and Mrs. Art Witham and children, Beverly, Sandra and Betty of Mentone; Mr. and Mrs. Dean Witham and Debby of Mentone; Mr. and Mrs. Howard Stutzman and Rexalee of Etina Green; Mr. and Mrs. Richard Witham of Bippus, Indiana and Mr. and Mrs. Hershel Teel of Mentone and children, Larry, Jim, Dick Dave and Tommy of Mentone.

Mrs. George Dickey and Rudolph Dickey took dinner with Mrs. Rhoda Jones last Friday.

Mr. and Mrs. Hugh Aughinbaugh, Carolyn, Dean and Phyllis and Mr. and Mrs. Dewey J. Melton all of South Bend spent Thanksgiving with June Aughinbaugh.

Mr. Will Dickey of Akron is very poorly. His son and wife are caring for him.

Thanksgiving Day callers at the Artley Cullum home were Mr. and Mrs. John Robinson and family of Fort Wayne.

# THE NORTHERN INDIANA CO-OP. NEWS

Published Weekly by the

Northern Indiana Cooperative Association, Mentone, Ind.

ARTLEY D. CULLUM, Editor and Manager

PRINTED IN THE MODERN PLANT OF THE COUNTRY PRINT SHOP

## IMPORTED RABBITS TO BRING ARRESTS

In a crackdown against the interstate shipment and sale in Indiana of wild rabbits imported from Australia, Henry P. Cottingham, Director of the Division of Fish and Game, Indiana Department of Conservation, has issued orders that all violators be apprehended and prosecuted.

Importation of these animals long has plagued the Indiana Department of Conservation and similar organizations in other states.

Mr. Cottingham pointed out that it is a violation of Indiana law to have in possession at any time more than ten wild rabbits. This applies to dealers as well as hunters. Since it is unlawful for a hunter to possess more than ten rabbits, bag limit five and possession ten, should he again go into the field the next day and shoot the legal limit with the previous kill still in his possession, he too is a violator.

However it is not illegal to possess any number of domestically raised rabbits such as are bred by rabbit farm operators.

This week a large shipment of Australian rabbits was received by an Indianapolis wholesaler. His establishment was visited by Mr. Cottingham, Superintendent Millard Davis of the Conservation Enforcement Division, and Richard Pattman, Conservation officer. The dealer was ordered to return the shipment to Chicago, point of original purchase.

Rabbits shipped to this country from Australia cannot be distinguished from the American wild rabbit. Experts have diagnosed the breed as wild rabbits. There are no vegetable stamp marking upon the carcasses which would indicate what they are. Only the shipping cartons bear the name of the foreign shipper.

Health authorities in Indiana and throughout the country point out the fact that there is no gauge by means of which it can be determined whether or not imported animals may or may not be diseased.

Each rabbit is cellophane wrapped and encased, thirty to a box. The shipment checked in Indianapolis involved 450 rabbits frozen in deep freezers.

Grocers, poultry dealers and others handling the sale of rabbits during the legal season are warned by the Indiana Department of Conservation that violations will be dealt with severely.

Last year an Indianapolis poultry dealer, who had been arrested several times for previous violations, was fined in an amount exceeding \$2,000 for the illegal sale of both Australian and Indiana wild rabbits.

## 4-H CLUB NEWS

Eleanor Norris recently entertained the members of the Franklin 49'ers 4-H Club at a "Chill" supper. Enrollment cards were returned and a short business meeting was conducted by Eleanor Norris, president. The group then drew names for the Christmas exchange. Games were played the remainder of the evening. Those present were the leaders, Mrs. Alden Jones and Mrs. Gearld Ballinger, nine 4-H members, Eleanor Norris, Marilyn

Rathfon, Beverly and Carol Teel, Sandra Ballinger, Wilburta and Karen Latimer, Marilyn Horn, Joan Tucker and Mrs. Leroy Norris and son David.

#### THANKSGIVING REUNION

The Laird clan held their annual Thanksgiving meeting at the Claude Barkman home. This meeting has been a yearly affair for many years.

The usual sumptuous dinner was disposed of after Herbert Laird, who by the way is almost 87 years young, expressed the thanks for the many blessings we have enjoyed during the past year. Those present were Mr. and Mrs. Herbert Laird, Mr. and Mrs. Orton Long, Mrs. Alfred Laird of Bourbon, Mr. and Mrs. Ernest Anderson, daughter Jeanne and son Max of West Lafayette, Mr. and Mrs. Frank Newton and Frances, Eddie, Jane and Joanna of Rochester, Indiana, Miss Burnice Anderson of Columbus Ohio, Dr. and Mrs. L. A. Laird of Richmond, Indiana, Mrs. Tess Newton, Mrs. Earl Meredith, Mrs. Minnie Anderson, Mr. and Mrs. John F. Laird, Mr. and Mrs. Kenneth Barkman, Sandra, George, Judy and Linda, and the host and hostess, Mr. and Mrs. Claude Barkman of Mentone.

It was a day to be long remembered by those present for the genuine feeling of brotherly love and Thanksgiving.

Thanksgiving Day guests at the home of Mr. and Mrs. Don VanGilder and family were: Mr. and Mrs. Karl Gast and Mr. and Mrs. Joseph Boswell and children of Akron; Mr. and Mrs. Charles Gast of Rochester; and Mr. and Mrs. Jack VanGilder of Mentone.

#### SCHOOL NEWS

The main topic of conversation this week is the weather. The road conditions prevented one bus from arriving on Monday. Attendance Monday ran about 75% of normal. By Tuesday almost all pupils were able to attend school. Mr. Burt missed school on Monday and Tuesday on account of illness. Rev. Jones and Wayne Tombaugh substituted for Mr. Burt. Basketball practice was held as usual on Monday and Tuesday evenings with Wayne Tombaugh in charge. Miss Jordan was unable to return from Anderson until Tuesday noon. Mrs. Ora McKinley substituted for Miss Jordan.

The Mentone boys will play Leesburg here this Friday evening. Second team game begins at 7:00. We could use a large crowd this Friday. At our last home game a number of good seats were unoccupied. Come and support your teams. The junior high basketball teams will begin their schedule on Monday, December 4. The boys play Burket here right after school.

The Christmas program will be given on Wednesday, December 20th at 8:00 p. m. This will also be the December meeting of the P.T.A. School will adjourn on December 22nd for the vacation and reconvene on Tuesday, January 2nd.

Mr. Kent was recently elected to membership in the Indiana Schoolmen's club.
