**PRODUCERS MARKETING ASSOCIATION HOLDS MEETING**

Eighty farmers and agricultural leaders of Marshall and Kosciusko counties enjoyed a dinner meeting at the Mentone High School Cafeteria Monday evening. The meal was furnished through the courtesy of Producers Marketing Association.

The meeting was for the furtherance of a Producers Livestock Market to be located near Mentone to serve the farmers of Fulton, Marshall and Kosciusko counties. The market will handle hogs Monday through Friday each week. Calves and Sheep will be marketed one day each week. Producers now have nine markets in operation in Indiana, Indianapolis, Fort Wayne, Logansport, Amboy, Centerville, Monticello, Lafayette, Columbus and Seymour.

Mr. W. R. Cummins, General Manager of Producers spoke on the kind of a market which the farmers desired, the method of financing the market, and the results which the farmers may expect. Mr. Roy Wilson, Howe, Indiana, who is a director of the State Producers board spoke briefly about Producers markets from a directors and farmer's viewpoint.

Mr. Carl Solomon of Fort Wayne gave a very enthusiastic comment as to why the Livestock Department of the Farm Bureau is so vitally interested in Producers Markets.

Leroy Norris, chairman of the temporary board of directors of this new market, announced the quotas for the three counties. The county Farm Bureau Chairmen will be responsible for the Stock selling in their respective counties. The construction of the market will be financed by the sale of Preferred Stock in the Producers Marketing Association. The Stock is \$25 per share and bears 4 percent interest. An option on a tract of land just east of Mentone has been secured.

The procedure for selling the stock including an explanation of the subscription card was given by Mr. G. E. Middleton, Director of Public Relations of the Producers Marketing Association.

The farmers and others showed a marked interest in the market as evidenced by the questions and discussion

**HOW ABOUT A ONE-DAY NATIONAL EGG MARKET?**

The question has been asked: How about a national one-day-a-week egg market instead of the present practice of establishing a price once or more each day at the big buying centers?

Several individuals within the industry have contacted congressmen relative to federal regulations for the establishment of market prices at the large trading centers, such as Chicago, New York, etc., and using the prices established on that day for the entire week. This method is followed in other products and has a tendency to eliminate some of the speculation at the trading centers.

The advantages of a one-day market, we are told, are that the producer knows the price his eggs will bring before he even sells them, and the receiver also knows what he will receive for them. This eliminates the gamble and the handling charge could be on a closer margin.

If you knew, for instance, that the egg market price was 77c for a certain grade on Wednesday and would remain that until the next Wednesday, would it be of any value to you? Discuss this matter with your receiver, hatcheryman and neighbor and see whether it might be of value to you as a producer.

**LOCATE IN FLORIDA**

Mrs. F. C. Waltz and her mother left by auto Monday for Punta Gorda, Florida where they will join Dr. Waltz who has opened a medical practice in the southern city of about two thousand population.

Dr. Waltz was forced to abandon his practice at Mentone because of his health.

**RECEIVES DIVORCE DECREE**

Iris M. Anderson has been awarded a divorce decree in her complaint against Earl M. Anderson. She also received custody of four children, Dennis, 15, Frederick, 12, Phillip, 11, and James, 9, with the defendant given visitation rights. A property settlement was approved by Judge Brubaker. The Andersons were married on July 27, 1935, and separated last Aug. 15. The defendant is to pay \$30 per week support money for the children.

**PARENTS OF SON**

Mr. and Mrs. John Lutes are the parents of a son, weighing seven pounds one ounce, born at 9:56 a. m. last Thursday at the McDonald hospital at Warsaw.

The new son has been named Christopher Merlin.

**LEGION TREATS YOUNGSTERS**

Representatives of the Mentone Post of the American Legion stated this week that over a hundred youngsters called at the Legion Home last Friday evening and received the treats that had been prepared for them by the Legionnaires.

**PHEASANT HUNTING MONDAY**

The open season on pheasants in Indiana will be Nov. 10th to 12th—a three-day open season with only one cock pheasant per day allowed to the hunters.

Indiana deer season opens Nov. 6 for three days and the quail and rabbit season opens Nov. 10th.

**AMERICAN LEGION BASKET BALL PRACTICE**

American Legion Basketball practice Thursday night, November 6, at 7:30. All players are urged to be there.

**REELECTED TRUSTEE**

At the annual meeting of the Indiana Heart Foundation, which was held in Indianapolis on Sunday, Oct. 26th, Dr. Dan Urschel, of Mentone, was reelected as a member of the board of trustees of that organization. Dr. Urschel has been a member of the board for several years, and his new term is for three years, beginning July 1.

**NO EGG MARKET TUESDAY**

Due to the general election, there was no egg market in New York on Tuesday. We have been informed that Wednesday's market will be used to determine the prices paid to local producers this week.

**ELECTION IS OVER**

Indications are that there were a lot of surprised people after Tuesday's general election. Many there were that were rather confident of the outcome but few there were that expected the enormous plurality handed the minority party candidates.

Kosciusko county—and Mentone—was on the winning side, electing a complete county slate of republican candidates, most of them with a two to one margin.

**DO YOU WANT A KINDERGARDEN?**

All parents of children who are of pre-school age are invited to a meeting this coming Monday evening to discuss plans for a kindergarden.

The P. T. A. is sponsoring this meeting to find out the extent of interest in a kindergarden project.

The meeting will be at the school building at 7:30.

**CLUB CALENDAR**

By Mary Anne White

November — a month of memories.

When you remember that November is the next to last month of the year you can say, "Poor November", she seems like an old, old lady content to sit in front of the fire and dream of the past."

Look at the word November and you find the last part is "ember." The dictionary tells us that "embers are the smoldering remains of a fire."

Actually, the month gets its name because it was number 9 (novem) in the months of the Roman calendar.

But no matter why or how it received its name it does seem to be a month of memories.

Two red-letter days are November 11—Armistice Day, and November 27, Thanksgiving Day.

Armistice Day marks the end of World War I, and what the people of that day believed was the beginning of world peace. How wrong they were! But don't you suppose that every peace which is declared does help to bring us nearer to world peace? Most people hate war and want peace, but we haven't found the way to get

and keep it. Maybe our generation will be smarter than the past.

Wouldn't it be wonderful if Armistice Day on which we honor the dead who gave their lives that we might have freedom, could be merged with October 24, United Nations Day? Maybe, out of that merger would come peace. And then November would be as important a month as December—the month in which we celebrate the birthday of the Prince of Peace.

Once again I want to remind you ladies of our County Achievement Day Saturday, November 15, 1:00 p. m. at the high school auditorium. Let's see how many clubs can have a 100 per cent attendance.

I hope you housewives are planning your Thanksgiving dinner now, instead of waiting until that last week to do it. There is always a lot of work that can be done in advance and especially those of you that have home freezers.

Your turkey of course can be cleaned and ready to pop in the oven, rolls baked, cranberry salad made, pies made, green vegetables frozen, and don't forget those waffles for Thanksgiving breakfast can be made now. Think of all the time you are going to be saving with a little pre-holiday thinking. You will be able to spend

so much more time with your family, relatives, or friends you might be having in.

P. S. It's also time to get that Christmas fruit cake made.

Until next week when I will be back with you this is Mary Anne signing off.

Mrs. Fred Rouch, of Mentone, and Dr. and Mrs. F. W. Dennie, of Rochester, left for St. Petersburg, Florida, this week to spend the winter.

Mrs. Mae Borton left Monday for North East, Pennsylvania, where she will spend the winter with her daughter, Mrs. Daisy Hatfield.

## METHODIST CHURCH NEWS

Dr. George Fenstermacher, Conference Secretary of the Board of Education will speak this Sunday evening for the University of Life Program. Mr. Fenstermacher was for several years the Professor of German and English languages at Taylor University. His present duties bring him in contact with church leadership over most of this state and with Methodist Clergy and Laymen of the nation.

The Pastor is happy to announce that this Annual Conference has the finest Secretary of Board of Education available. It is highly desirable to have all the Church School workers and officers attend this coming Sunday evening Fellowship Service and Program.

Dean Russel Bolinger of Manchester College will speak on "The Bible" at the University of Life Program, Sunday evening, November 23. Dr. Bolinger is head of the Bible Department at the college. Many of the local residents of the Mentone Community remember him as the speaker at the last PTA meeting. Since the publication of the Revised Standard Version he has been making many addresses at meetings such as these Sunday evening family gatherings.

The Official Board will meet this Thursday evening at eight o'clock, following the rehearsal of the Chancel Choir.

Next Tuesday evening at seven-thirty and Thursday afternoon at one o'clock the handcraft classes will work on reed baskets and trays. Classes are limited to eight persons because of limited facilities. These will continue only until Christmas-time.

The Serving Committee this Sunday evening consists of Mr. and Mrs. Raymond Cooper, and Mr. and Mrs. Chauncey Mollenhour, Co-Chairman; Mr. and Mrs. Glen Denton, Mrs. Stella Emmons, Mr. and Mrs. Linus Borton, Mrs. Pauline Borton, Mr. and Mrs. Charles Meredith, Dr. and Mrs. Dan Urschel, Miss Wreatha McFarren, Mr. and Mrs. Wayne Nellans, Mrs. Elizabeth Simcoe, Mr. and Mrs. Robert Reed and Mr. and Mrs. Albert Hatfield.

# THE WHITE-TAILED KITE

If you see a bird that looks like a sea gull with a head of an owl, don't shoot it but notify the National Wildlife Federation, 3308 Fourteenth St., N. W., Washington, D. C. You have probably had the rare experience of finding a white-tailed kite.

Conservationists are trying to learn just how many of these beautiful little white birds are left in the United States. At one time they were common in California and not unusual from coastal Texas to Florida and north to Oklahoma and South Carolina. They have been recorded from Michigan, Illinois and Massachusetts. Now they are in danger of being completely killed off.

The white-tailed kite is too friendly for its own good. Its pure white head and tail, white under parts, pearl grey back and jet black shoulders make it conspicuous wherever it is seen. Black coloration about the eyes gives the owl-like appearance. Often it stands, or remains motionless in mid-air by characteristic slow beating of wings or by riding the air currents like a child's kite. The bird always alights on the topmost branch of a tree where it tilts its tail for balance. These habits make it an easy and unsporting target. Thoughtless boys with guns attracted by this unusual bird are prob-

ably the primary cause for its scarcity. The white-tailed kite is sometimes called the white kite or black-shouldered kite. It is an especial favorite among bird watchers not only because of its rarity, its soft, delicate coloration

White-Tailed Kite  
©1952 National Wildlife Federation

and exquisite grace in flight, but more because of its happy, confiding personality. Like a human it enjoys companionship, several nesting within a few hundred yards. It is almost always

seen in pairs, be it hunting or playing; and it loves to play. If a large hawk or crow comes within range the pair will pursue the hapless bird with seeming delight, taking turns diving at it from a considerable height. When no such target is at hand they will playfully fly at each other in mock battle. They have long slim wings with a 40 inch spread and soar for hours like swallows.

This small fifteen and a half inch hawk seems gay and carefree even in its hunting. It doesn't circle high in the sky watching intently for its prey, nor perch ready to plunge with half-folded wings, nor sail low over the swamps and meadows like a marsh hawk. Instead it flies about in a random sort of way until it spots a mouse, its major food. Then rather leisurely it raises its wings and with legs dangling, drops unhurriedly. Despite its unorthodox method, the white-tailed kite is a highly beneficial mouser.

One of these birds was seen in Texas in 1946, another in the state of Florida

in 1949. Only in California between the desert and the sea, from the upper Sacramento Valley south, is the white-tailed kite making a successful stand. Protective legislation is good, says the National Wildlife Federation, but the future of this remarkable little bird is not secure until everyone carries a gun is helping to save.

## BAPTIST NEWS

At a meeting of the Pastor and Board of Deacons on Tuesday evening final plans were made for the Revival meetings to be held from November 23 to 30 with Evangelist Paul Levin and Bob Finley, blind gospel singer. The team will be on the Family Altar Broadcast each morning and may be heard on the broadcast of the Sunday morning service on the 23rd and 30th from 10:30 to 11:30.

Tonight at the Mid-week prayer service the attendance will be taken and this will finish the contest with Elkhart and Fort Wayne. Elkhart won first, Fort Wayne second and Mentone came in third but even in losing the local church showed a one-third gain over figures of a year ago. For the 5 Sundays the Sunday school averaged 247.

On Saturday the pastor will speak at the Child Evangelism Rally at the First Brethren Church in Warsaw at three o'clock on the subject, "Child Evangelism in the Bible." All those interested in Child Evangelism should try to attend this afternoon meeting with a pot-luck supper at 6:30.

## SCHOOL NEWS

In a mock election on Monday, the pupils of six to twelve voted as follows: Eisenhower—124, Stevenson—70, Hamblen (Prohibition Party) 4, Craig—114, Watkins—64, Jenner—111, Schriker—72.

The Kosciusko ticket went Republican by similar margins. The student election was in charge of members of the Senior Class under the direction of Roger Kelly. Wayne Tombaugh helped secure and set up the booths and voting equipment. This election completed a series of five lessons taught in each grade from the sixth through the twelfth as required by State law.

A promising Mentone basketball team turned back the determined efforts of the Akron Flyers in the Mentone gym on Saturday evening, 48-45. A large crowd watched Akron take an early lead, lose the lead to the Bulldogs, and then in a thrilling finish, the Mentone boys survived a last minute rally.

The Mentone second team also won 27-24.

This Friday evening in the local gym the Mentone teams play the Bourbon teams in two games beginning at 7:00. The school appreciates the fine support given the team last week. It is hoped that enough money can be saved in the athletic fund to help buy a new score board for the new gymnasium next year.

A number of the basketball boys attended the game at Rochester on Monday evening to see the Globetrotters play.

The response to the appeal for old clothes for less fortunate children has met with moderate success. Mentone School was allotted sixteen sacks, but as yet six remain unfilled.

Beverly Coleman enrolled in the eleventh grade on Monday. Beverly formerly attended school at Mentone.

Arthur Witham heads a Committee composed of Nell Harriman, Ralph Hoffman, and Barbara Van Gilder to plan the observance of American Education Week next week. As part of the plans, each high school class has planned a poster emphasizing some use of that classwork. There will be a special assembly program next week to emphasize education's place in a democracy. The elementary teachers will emphasize visiting school during the week.

The Senior Class will sponsor a skating party at Rock Lake on Tuesday

evening, November 11, from 7:00-10:00. All friends of the Mentone School are invited.

The School appreciates the consideration which the Mentone Town Board had in permitting the street in front of the school to be closed to through traffic during school hours. This change has lessened the danger to children traveling to and from the gym. We appreciate the splendid cooperation of the public in observing the 'closed' signs.

The Indiana Department of Conservation has recently given the school four sets of science booklets for use as supplementary reading in the elementary grades. These booklets emphasize various phases of conservation and nature study.

### ENJOY TRIP TO CHICAGO

The Four Leaf Clover and Janie Jump-up 4-H clubs on October 24, went on a trip to Chicago.

Some of the places of interest were the Brookfield Zoo and the Science of Industry Building.

There were at least fifteen of the 4-H members who had completed one 4-H project and five adults who went on the trip.

They left from the school house at six o'clock and arrived home at nine p. m.

Everyone enjoyed the trip very much.

We wish to thank Wayne Tombaugh for driving the bus for us.

by  
DAVID and SALLY GOSSER

There are more cars on Main Street this Tuesday morning than Murmurs usually sees. The reason is very ob-

vious, ELECTION DAY, but at the time you read this, the answers will have been given as to WHO won the polling. In spite of the fact that it is quite probable that the majority will win, there is bound to be a large number of disgruntled folks who think it should have been otherwise. It would have been possible that the minority of popular votes won the election be-

cause of the set-up with our system of using the Electoral College.

A majority of one vote in a state swings the entire electoral vote for the party of that majority, and the states with the greater population have the larger number of electoral votes. This is representative to a certain extent, but when the majority votes in states of greater population are low and the opposition party wins by a large majority in the other states it is quite possible for the opposition party to actually poll the majority votes and lose the election.

To simplify this, let us use Mentone as an illustration, using fictitious numbers. If the Harrison Township side of the town has nine hundred voters, and they would be allowed nine electoral votes, the party getting four hundred four hundred and fifty-one votes would get all nine electoral votes. Now if Franklin Township side of town has six hundred inhabitants and gets six electoral votes, three hundred and seventy-five going for the opposition party, the electoral votes would stand nine to six. The popular vote, however, would be eight hundred and twenty-four for the opposition and six hundred and seven-six for the winning party.

It may seem a little late to consider this problem following election but if

we are to have a complete representative government, then we must devise another means of counting our national ballots. There are other years and generations to come. We Mentonites may well be thinking of that.

#### WORD FROM HAROLD FISHER

October 30, 1952  
Fairbanks, Alaska

Dear Art,

How are you and all the fine people in Mentone?

This letter of thanks is long overdue. I am not one to do much letter writing. But I am very grateful and happy to receive the Co-Op. News each time. I enjoy very much reading the news happenings around home.

Home was never like Alaska, believe me. It is very wild in most parts. I sincerely hope the weather there isn't as bad as it is here. It has been snowing almost every day for over a week now. It is a good six inches deep and still snowing as I write this. It gets very cold at night. It warms up some during the day. The lowest temperature so far was 3 degrees above zero. One don't notice the cold here like at home. It will seem very funny to spend Halowe'en with all this snow.

## THANK YOU . . .

To those who have been so kind to me, I want to say "thank you" and to pledge the very best service to each and every one.

Our office is always ready to be of service to you.

Sincerely,

**EDITH B. LICHTENWALTER**

The prices are very high up here. For example, milk is ninety cents a quart. Almost every thing else is as high. Labor is very high too. Common labor pays \$2.93 per hour. There is all kinds of construction going on here during the summer. They are very rapidly bringing it to a close now.

We are to move into our new mess hall Saturday. As you know I am an army cook. (A good racket) It is the best I have ever seen in an Army camp. Everything electric. As things stand now I won't get to enjoy it for long. I am to rotate in December the same time as Vernon Meredith. I can't get out of here any to soon. I have the same feeling toward the Army as Ted Peterson.

I am very glad to hear that they are going to construct a new addi-

tion to the school. It will be a big improvement and should be the best in the county.

I must again thank you for the Co-Op. paper I have been receiving for the past 21 months. I will give you my address for I would very much like to hear from the boys I went to school with that are now at home or still in service.

throughout the meeting.

Ralph Brubaker, Kosciusko County Farm Bureau President, outlined the stock selling Program for Kosciusko County and the Marshall county group met separately to set up their county stock selling program.

Fulton county had another county wide meeting the same night so they will have a separate Producer meeting in the very near future.

Plan now to purchase stock in your market which will be operated by Producers for the benefit of the Livestock Farmer and will secure the top market value for our livestock.

## SIXTH GRADE PARTY

Mrs. Wayne Nellans entertained the sixth grade and their teacher with a Hallowe'en party at her home on Friday evening.

Everyone arrived in costume and was escorted to the dimly lighted, decorated basement. Even the headless man appeared.

After each guest had unmasked, games were played.

An evening of fun came to a close with refreshments of hot dogs sandwiches, potatoe chips, doughnuts, cokes and chocolate bars served by the hostess.

Mrs. Hatfield assisted Mrs. Nellans during the evening.

**FRANK J. STANER DIES**

Frank J. Staner died at his home in South Bend Thursday afternoon after an illness of one year. Before his illness he was employed by the city water works department there.

Born in Jefferson County, Ill., June 27, 1887, he came to South Bend 13 years ago from Argos, Ind. In 1946 in Logansport, Ind., he married Martha M. Homan, who survives. Also surviving are a son, Robert A., and a daughter, Mrs. Wilbur Beall both of South Bend; a step-daughter, Mrs. Donald Trigg, Elkhart; six grandchildren; two sisters, Mrs. Otis Darr, Claypool, and Mrs. Charles Personette, Mentone, and a brother, Charles, of Argos.

Funeral services were held at the Hay Funeral Home, South Bend, at two o'clock Sunday afternoon, with burial in the Southlawn cemetery. Rev. James Ellerbrook, pastor of the Indiana Avenue Christian Church, officiated.

Mr. Staner was a member of Crusade Lodge 1, Knights of Pythias, and the Fraternal Order of Eagles, Eerie 435.

**ATTEND BROTHERS FUNERAL**

Mrs. Effie Personette and Mrs. Otis Darr went to South Bend Sunday afternoon to attend the funeral of their brother, Frank Staner.

Mr. Staner resided in Mentone years ago and was a baker by trade.

**MINISTER TO LEAVE**

We are informed that Joseph Jones, pastor of the Mentone Church of Christ, and his wife, will leave next Friday, Nov. 21, for their new work at Waterloo. Mr. Jones will render his final service at Mentone Sunday.

Mr. and Mrs. Jones have rendered fine service while at Mentone and they have a host of friends, within the community as well as their church, who regret to hear of their leaving.

**AUTO BREAKS POST OFFICE WINDOW WEDNESDAY**

Freddie Vandermark had only one comment about four o'clock Wednesday afternoon after his car jumped the curb and smashed the west plate glass window in the Mentone post office: "No brakes."

Fortunately there was no one on the sidewalk or close to the window inside the post office when the car climbed over the curb and rammed into the window. The center of the radiator hit the brick building which kept the car from going inside the post office lobby. The bumper was broken in two pieces and the radiator and grill smashed back into the motor.

**DEER HUNTERS BRING BACK TWO DEER**

Harold Markley, Ralph Warren, with Robert Losier of Etna Green and his brother-in-law, comprised one carload of hunters who went to southern Indiana to hunt deer. Harold Markley shot one deer and after he had cut the jugular vein, another man and a boy came upon the scene. The older man remarked: "We can't both have this deer," and then proceeded to tie on his deer tag. Harold assumed the man and boy were father and son and likely had been trailing the deer for some time. However, a few minutes later the man offered to give Harold and the boy \$5 each. Both the men proceeded to give him a few words about sportsmanship even though they did end up deer-less.

John Boganwright and Miles Manwaring ganged up to bring down one deer and Jack VanGilder made an individual kill. Don VanGilder and Lyn-des Latimer were included in the hunting party.

Elery Nellans of Crystal Lake and Joe Kesler of Rome City came home without a deer.

**MOVE INTO NEW HOME**

Mr. and Mrs. Robert Parker and family have moved from the apartment above the post office to their new home.

The firemen went in recently and helped get the building livable by painting the walls, etc., recently damaged by the fire.

For the time being, the family is living in the basement.

**ANNOUNCE ENGAGEMENT**

Mr. and Mrs. Mack Haimbaugh of Mentone, Indiana, announce the engagement of their daughter, Donna Jean Haimbaugh of South Bend, to Pvt. Albert P. Walton, Jr., son of Mr. and Mrs. Albert T. Walton of Virginia, Illinois.

Donna Jean is employed at the South Bend Lathe and is a member of the H. O. H. Club. Pvt. Albert P. Walton, Jr. is stationed at Fort Leonard Wood, Missouri.

**FIRE AT BEAVER DAM SCHOOL**

An oil stove used to heat the bus building at the Beaver Dam school house is believed to have caused the fire which occurred there Saturday afternoon. The Akron fire department was the first to arrive at the scene and had the fire about out when the Burket and Mentone departments arrived.

The heating stove, some tools and the windows and doors of the building were damaged by the fire. The building is used for a school shop as well as for housing two school buses.

Mrs. Mary Lou Knepper, who resides with her parents, Principal and Mrs. Swanson, first saw the flames. Their home is next door to the school where Mr. Swanson is principal.

**PARENTS OF SON**

Word has been received by Mr. and Mrs. Ben Shull of the birth of a 7 pound son, Paul Allan, on October 7, to Mr. and Mrs. Paul Schuck, 2016 Brockwell Ave., Monterey Park, California. Mrs. Schuck is the former Miriam Shull.

**CLUB CALENDAR**

Sodales will meet with Mrs. Ethel Shaffer, Tuesday evening, Nov. 18. O. E. S., Nov. 17, 7:45 at the Masonic Hall.

The W. S. C. S. will entertain their mystery daughters at the Methodist church, Thursday, Nov. 20, at 7:30 p. m. Officers urged to bring filled out second quarter reports at this time.

Talma Rod and Gun Club. Note this change of date—instead of Monday evening, the meeting will be on Tuesday evening, Nov. 18th.

**NEXT PTA DATE CHANGED**

The next PTA meeting has been changed to Tuesday evening, Nov. 25, because of a basketball game on Wednesday evening.

We hope to have details concerning the program for next week's Co-Op. News.

Also of special interest to parents with kindergarten age children, is a meeting at 7 o'clock, the same evening, to get the reports of committees concerning a place to house a kindergarten; kindergarten teacher's salary, transportation, etc. Be there at seven o'clock sharp, please.

The PTA membership committee is inviting all parents to attend and become members of PTA. You parents of pre-school children will find the programs of interest in view of the fact that these same problems will be yours soon; and you parents who have seen all your children graduate may still be interested, as you, no doubt, have thru experience, found the answers to many of the problems, and will prove of great help in our PTA. You are all given a sincere invitation to become a part of our PTA.

**TALMA NEIGHBORS CRIB CORN FOR AILING FARMER**

Clair Jones, R. 2, Rochester, was aided by neighbors who gathered Monday at his farm home in Newcastle township, seven and one-half miles northeast of Rochester, and with corn pickers and wagons, cribbed 35 acres of corn.

Mr. Jones was admitted to the Woodlawn hospital at Rochester on Nov. 4 and underwent surgery on Tuesday of this week. Because of illness he has been unable to care for his farm duties.

Six years ago Mr. Jones was run over by a tractor and since then has undergone surgery numerous times.

Thirty-seven men worked in the corn harvesting while 26 ladies prepared and served the dinner.

Mr. Jones' condition is reported to be serious.

**PARENTS OF DAUGHTER**

Mrs. David Romine and four-day old daughter, Kathy Jean, returned to their home at Etna Green Tuesday. The new arrival weighed over eight pounds.

# AGRICULTURAL ECONOMIST TO SPEAK AT FARM MEETING

The Mentone area is fortunate in being able to secure Dr. Earl L. Butz, of Purdue University, to speak at the annual farm outlook meeting to be held at the community building on

DR. E. I. BUTZ

Nov. 19th. The meeting is co-sponsored by the Farmers State Bank and the Vocational Agricultural classes at Mentone. All farmers of the area are invited to attend and enjoy the fine supper that is being prepared. The

only "cost of admission" is that you send in your reservation by Nov. 15th. The meal is absolutely free.

Dr. Butz, who teaches Agricultural Finance and Agricultural Policy at Purdue University, is head of the Department of Agricultural Economics at Purdue, and has a fine reputation as an agricultural economist. He has had the privilege of studying farm conditions in England, France, Holland, Belgium, Denmark and Germany in addition to his wide study here.

You will not learn the answer to all your questions at this meeting, but undoubtedly you will be glad afterward that you were in attendance.

Dear Art,

How is Mentone?

I bet it looks better than this place. I've missed the Co-Op. News the last couple of months while I've been moving around. Please notice the change of address at the end.

This is a 155 long-tom outfit. We're ahead of the 105's. Our position is just east of the familiar "Punch Bowl." We have one gun in position there now.

We run our fire direction completely separate of the Battalion. Our position is twenty miles from the rest of the Battalion. I work in the fire direction center here.

### THE SNOWY OWL

The plain of the snow-covered coastal marsh was interrupted by curving tidal creeks and an occasional white-capped haystack, like a marshmallow cookie. Atop one of these a snowy owl sat, silent and alert. A lone crow flying toward the beach spotted him there and sounded an alarm. In a moment a gang of black rascals was cawing and jeering its traditional enemy of darkness. Since most owls see poorly in daylight, they are considered safe game; but this was no ordinary owl. Crouching low, with fierce yellow eyes it watched every movement of its tormentors. Suddenly it sprang into the air. Powerful talons snatched a crow in full flight. Returning to its perch with unconcern the great bird tore out the flesh and swallowed it, then, squatting, wiped off its face in the snow as a cat does. The crows were gone.

The snowy owl is spectacularly handsome. It is all white except for more or less distinct brownish bars on back and belly. Its head is big and round without ear tufts, or horns. By both weight and wing span it is America's largest owl, with a weight of 5 pounds, length to 26 inches and a spread of five and a half feet.

In the chill arctic regions, clear around the pole beyond the limit of trees and as far north as land is known, the great white owl has its home. Snow persists in May and June when the bird scratches a depression in the moss on a hillock top and lays 5 to 8 white eggs. To feed the voracious young, this fearless hunter will take anything to twice its size from big

artic hares, game and shore birds to fish, but its normal food consists of mice and lemmings. Much of the year it roams the tundra like a nomad performing incalculable service in reducing populations of those destructive rodents. Of necessity, in a land of midnight sun, it has learned to hunt by day.

ward migration to northern United States each fall. Some years, as result perhaps of food shortage, it is a veritable invasion. These owls are birds of the open country being seen most often about the Great Lakes, the Saint Lawrence River and along the Atlantic coast. They appear irregularly in numbers to Virginia, Illinois, Kansas, Colorado and Washington, having wandered to the Gulf coast and Bermuda. Look for them on dunes, posts, haystacks, hummocks and muskrat houses—rarely in trees.

Since stuffed white owls are no longer the approved decoration of cigar stores and bars, says the National Wildlife Federation, the future of this rapacious and beautiful bird seems secure.

**WORD FROM MAX GRUBBS**

Dear Friends and Mr. Cullum,

I am sitting at the Naval base in Norfolk, Virginia, so I took time out to write you a letter. We are getting ready to go to North Africa for 30 days. Being how its so cold down here in Norfolk we have decided to go to

hot weather. How is the weather in good old Mentone? I'll bet it's getting pretty cold back there by now. Did they have a Hallowe'en celebration on the streets? I would of sure like to been there seeing everybody. You know that was about all the kid could do at night was when we have a celebration of somekind in Mentone. Well Artley, the Navy is okey so far but the chow isn't so good sometimes. For the last 4 weeks, we have been having eggs for breakfast every morning. I sure do appreciate it and so does the other boys in service the wonderful things that the women's auxiliary is doing for us men in service. I don't suppose we could thank them enough for the things that they took time out to do. Be-

lieve me I appreciate it very much. I haven't been getting the Co-Op. News lately but I wish you would send it to me. There sure is a lot of news in just a small sheet of paper. I may not be home for Christmas but I'm sure that the business men can keep up the good work anyway. I have been in 9 foreign countries since I've been in the navy but I have yet to see the people as friendly as the businessmen are in Mentone. And also such good wonderful service that they give you. Service with a smile at the gas stations, and that's what it takes to make a good seller. Well Artley, I must close for now hoping to hear from all of you guys back home. I have been getting a lot of mail these last few days and it makes a serviceman feel good, believe me.

This is for the parents that have boys in service. You never know how much a letter from home means to a guy. So never neglect writing to your boys who are away from home. I have seen a little bit of what they go through and believe me it is no picnic either. Also I've been in a little action. Of course a little is just enough to know what is going on all the time in Korea. So please just write a letter everyday and believe me, they do their best to answer in more ways than one.

As ever,

**LATE FALL PLOWING  
GIVES BEST RESULTS**

Lafayette, Indiana—If fall plowing can be practiced without too much danger of soil loss through erosion, it is about equal to early spring plowing so far as corn yields are concerned, say Purdue University agronomists.

However, farmers are cautioned that early fall plowing will mean a loss of some nitrogen, as compared to late fall plowing. Plowing the soil and turning under crop residues will start the decay of organic matter. Temperatures above 60 degrees speed decomposition. Nitrogen present in the crop residues that is converted into nitrate form, may leach away during the winter. If the fall plowing is delayed until the temperature is below 60 degrees the amount of nitrogen lost through the decomposition and leaching process is greatly reduced.

Another reason for delaying the fall plowing is that consistent early fall plowing over a number of years on heavy soils will tend to make this type of soil even heavier. The tendency of heavy soils to become heavier can be attributed to the loss of organic matter through the decomposition of crop residues, Purdue agronomists explain.

### JOLLY JANES MEET

Mrs. Walter Kent was hostess to the Jolly Janes Home Demonstration Association Monday night with 21 members present.

Plans were made for the Christmas dinner party to be held at the home of Mrs. Lamar Anderson at Rochester, Monday night, Dec. 8th. All members meet at the drug store at 6:00 p. m. Mrs. Walter Kent, Mrs. Loren Tridle, Mrs. Gilbert Griffis and Mrs. Forrest Miner were appointed to help Mrs. Anderson and her co-hostess, Mrs. Dwight Reichard. Mrs. Kenneth Romine, Mrs. Robert Whetstone and Mrs. Raymond Lewis are in charge of the entertainment for the evening.

We were all urged to attend the Achievement Day, Saturday, Nov. 15. Mrs. Stella Emmons, Mrs. Roger Kelley, Mrs. Delford Nelson and Mrs. Dwight Reichard volunteered to help serve at the Dairy banquet Tuesday night, Nov. 18th.

Mrs. Raymond Lewis and Mrs. Harold Markley had high scores in a contest. Mrs. Joe Boggs received the lowest score. Mrs. Robert Whetstone received the door prize.

Lovely refreshments were served by the hostess and her co-hostess, Mrs. Roger Kelley.

**TOY YEARBOOK AVAILABLE  
AT LOCAL STORE**  
A whole parade of walking dolls, a

mother dog with a zipper pouch containing three puppies, a switchboard that buzzes and a model fire truck that actually pumps a stream of water forty feet in the air are all coming to Mentone.

These are just some of the outstanding new playtools that made the Toy YearBook of 1952, official publication of Toy Guidance Council. Dubbed by Collier's Magazine as "the bible of the industry," this annual social register of toyland is just off the presses and is available free at Coopers' Store, Mentone.

The Toy Yearbook presents 250 different toys, each of which was voted "an outstanding example of its type" by the Council's committee of impartial experts. There are 64 pages of full color illustrations with descriptions, designations as to age suitability and functional play purpose.

All toys recommended by the Council in The Toy Yearbook have been checked by a committee of educational experts, headed by Professor Emma D. Sheehy of Columbia University. The work of the council in promoting safety in toys has been so effective that it was the recipient of the na-

### METHODIST CHURCH NEWS

This Sunday evening the Fellowship Supper will be served at 5:30 sharp, because our program will begin at 6:30. This change in time is necessary so that Rev. Dowden can show a number of his slides before the service hour at the Baptist church.

The pictures to be shown will be those centering around Biblical scenes of activity and events in the early Christian Church.

This past Sunday evening Dr. Geo. Fenstermacher presented the fourfold needs of the Christian church: worship, study, fellowship and activity. A living church will provide a program meeting all these needs, and devout and earnest Christians will provide for these needs in their daily life.

The W. S. C. S. is preparing a fine program for the Queen Esther party for Thursday evening, Nov. 20. Choir rehearsal will be cancelled that evening.

A full turn-out of the choir is requested for this evening at 7:15. Per-

sons having copies of "Lift Every Voice" are urged to bring them.

There is room for two more persons in the Christmas handcraft classes. These will continue only until December 23.

Note change of time for the University of Life Program this week only.

**HOW FAR BEHIND—OR AHEAD  
— WITH YOUR THINKING**

How are you getting along in these "modern times?" Does everything seem normal to you, or do you have trouble trying to bring your thinking up to date?

Just a short while ago—it seems—we only owed about two or three hun-

dred dollars each on the public debt, but today it has grown until it is over seventeen hundred dollars for every man, woman and child in America.

And today we have one of our readers bring in the New York egg prices for Nov. 16, 1940—just 12 years ago. Can you guess what they were? Can you remember, or imagine?

They were:

Large, 35c.  
Mediums, 26c.  
Pullet, 21c.  
Peewee, 19c.

And this person said they paid their hired man \$12 a week. (That was before the you-can't-take-it-all-home idea hit so hard.)

Just how many 19-cent peewees would it take to pay the interest for one year on \$263,000,000,000.00?

Word from Mrs. G. O. Watson, of Milwaukee, Wis., states that her mother, Mrs. Harriet Fockler, is about the same. Mrs. Fockler suffered a stroke about two and a half years ago.

### LIONS HOLD SPECIAL MEETING

On Wednesday evening, Nov. 5, the Mentone Lions entertained their ladies and the teachers of Mentone and Beaver Dam and their husbands or wives.

The meeting was held in the school cafeteria room with about 116 present.

Lion President Robert O. Jones presided.

After the pledge to the flag, and prayer by Ralph Hoffman, a delicious ham dinner was enjoyed. Mrs. Milo Fawley and Mrs. Agnes Rans and helpers prepared and served the meal.

Following the dinner group singing was led by Lion Johns, with Lion Bybee at the piano. This was followed by special music by the Mentone school clarinet quartet.

The address of the evening was given by T. R. Johnston, who is director of publicity and information for Purdue University. He was born in Bluffton and was city editor for the Fort Wayne Journal-Gazette before going to his present work at Purdue.

Mr. Johnston was one of the five agriculture specialists called to Washington to help formulate a plan for administering the Marshall Plan; and one of the three men selected to go to Europe to put the plan in operation. He spoke of the events which took place during his seven months in Italy while serving with the ECA. He pointed out the specific benefits of the Marshall Plan following the flood in the Poe Valley, having been there at the time. He said Italy is greatly overpopulated, and the average farm is about 1 1/4 acres.

Mr. Johnston was decidedly outspoken against Communism and left the thought that the Golden Rule is the only true answer to peace.

He showed a number of colored slides which added much to his already interesting talk.

The meeting was closed by the group singing a verse of "God Bless America."

### FOR SALE

### NOTICE

I will be closed Monday, Tuesday and Wednesday evenings, Nov. 17, 18 and 19.

Baker's Jewelry and Appliance.

Mr. and Mrs. Howard Kohr of Mentone, and Mrs. Charles Hand, of Warsaw, spent Monday in Port Wayne where Mr. Kohr went for a medical checkup. He recently had a small skin cancer removed from his nose.

### GIRL SCOUTS MEET

The Girl Scouts held their regular meeting Nov. 5th at the Methodist church. The pledge to the flag, Girl Scout promise and laws were repeated. Patty Parker was appointed to report the Girl Scout news each week to the Co-Op. News. Lucy Coplen was awarded her second-class badge. The girls then went to their patrols where plans were made for further work on their badges.

Patrol I served refreshments and the meeting was adjourned with the singing of the Good Night song.

### MERRY MOLLYS MEET

The Merry Mollys Home Demonstration Club met Monday evening with Mrs. Carl Whetstone. Mrs. Glen Melott was co-hostess. There were fourteen members, one guest, Mrs. Don Emmons, Jr., and one child, Connie Teel, present.

"America, the Beautiful" was sung, followed by the repeating of the club creed.

Mrs. Clayton Holloway read two poems, "So Long As There Are Homes" and "Life's Sunset," for meditation. The history of the song of the month, "Fairest Lord Jesus," was given by Mrs. Don Horn. It was then sung by the group.

Mrs. Heston Creviston gave the lesson on "New Experimental Fibers." They are Orlon, Dacron, Vican A, Dynel, Acrilan and Fiberglass. The type, outstanding characteristics, problems, uses and care of the material were emphasized.

What we want for Christmas was given in response to roll call. Mrs. Herschel McGowen presided over the business meeting in the absence of President Mrs. Marvin Romine. The door prize went to Mrs. Don Emmons, Jr. Mrs. Lamar Leffert and Mrs. Glen Mellott received birthday gifts from their Cheerio Pals.

The December meeting will be on Dec. 15 at the home of Mrs. Gene Sarber.

Pvt. James Miller, who spent a 17-day leave in Mentone and Tippecanoe communities, is now going to the Far East. He will be a forward observer for a field artillery unit. His wife is the former Lois Boganwright. She will reside with her parents, Mr. and Mrs. Leonard Boganwright.

### LEGION AUXILIARY TO SPONSOR ENTERTAINMENT

The Mentone American Legion Auxiliary will sponsor the Kosciusko County Jamboree in the Mentone Community Building, Wednesday, Thursday and Friday nights, Dec. 3, 4, 5.

The local program will follow closely the popular barn dance and jamboree programs seen and heard on the air. There will be impersonations of Lulu Belle, Uncle Ezra, Aunt Idy and Little Clifford and all the other barn dance stars. Popular, sacred, classical and hillbilly numbers will be featured in the two hour entertainment. It is expected that almost one hundred people will take part in the three night program.

Tryouts or auditions will be held at the American Legion Home in Mentone, Monday night, Nov. 24, at 7:31 p. m., for all those who desire to take part. Singers, dancers, musicians and novelty acts of all kinds and ages are urged to try out for a place on the show.

Mrs. Phyllis Williamson, president of the Auxiliary, states that talent is not restricted to those from this county and extends a cordial invitation to talent from throughout the entire community to participate. More details will be given in next weeks issue of this paper, or further information may be obtained from Mrs. Robert Whetstone, chairman of the talent committee.

### NEWS LEFT OUT LAST WEEK

We are going to reminiscence a little and go back to the year 1917 when Home Economics was first organized in Kosciusko County. I'm sure you will enjoy seeing and hearing how the program was set up during those experimental years. You will also see some of the original projects that were made. We are privileged to have with us our County organizer and faithful leader, Mrs. J. E. Baer,

as well as our first home agent, Mrs. Ruth Parker Jordon, who will be our guest for the afternoon.

Mrs. William Frush, Sr., chairman, announced that following the program there will be an informal get-acquainted tea for our new home agent, Miss White.

## PURDUE CLUB TO PUT ON CLASSIC BROILER BARBECUE

November 22nd the Purdue Poultry Club, at Purdue University, Lafayette, will put on a real chicken barbecue—and hopes to beat I. U. at the same time.

Charles Manwaring, who has tickets for the affair, says each person will have half a chicken, hot chicken broth, baked beans, potato chips and a host of other delicious food items.

The posters advertising the event state that the purpose of the barbecue is to raise money to send the judging team to intercollegiate contests.

## LOCAL NEWS

Mr. and Mrs. Leroy Goshert, of Burket, and Mrs. Bernice Rush, Mentone, went to Amboy, Ill., on Monday to attend the funeral of a cousin, Mrs. Charles June.

Friends will be pleased to know that Patsy Hawley is able to be back in school part time. Patsy had polio this past summer but the doctors feel she will eventually show no effects of the disease. She goes back to the hospital once a week for treatment.

Within the next two weeks, Mr. and Mrs. Sam Chapman plan to move to Goshen where they will make their home. Mr. and Mrs. Chapman have lived in Mentone for nine years. We wish them well in their new home.

# BROILER GROWERS

- ◆ Are you satisfied with your present program?
- ◆ Are you getting good weight in a reasonable feeding period?
- ◆ Is your feed conversion favorable?
- ◆ Do your birds have the dressed qualities the buyers want?
- ◆ Are you getting top market prices?

In Banner Brand Broiler Ration we offer the most highly successful broiler feeding program that modern science has devised for the most profitable production of broilers.

**Banner Brand Broiler Ration is made from Swift & Company's Broiler Base Formula.**

It was formulated, and is continuously being improved upon, by the Swift & Co. Research Laboratory. This same formula, under the Swift Brand, is used in all Swift & Co. broiler projects in the growing of the famous "Swift Premium Tender Grown Chickens." It is also used by thousands of independent growers, nation-wide.

Not only is it formulated to develop fast growing birds at lowest possible cost, but to produce a dressed finish appealing to the retail purchaser.

We have qualified to produce this high quality product in our local mill at a substantial savings to you.

From records, the following results were obtained by independent Indiana broiler raisers:

| Grower                              | Number | % Mortality | Age  | Weight | Feed Conversion |

**GIFTS FOR MENTAL PATIENTS**

Mrs. Gordon Brubaker, of Pierceton, will head the Kosciusko county campaign for Christmas gifts for the patients in our state mental institutions. This project is a cooperative effort on the part of the Farm Bureau and the Indiana Association for Mental Health. A goal of 30,000 Christmas gifts has been established for this statewide effort. Many of the patients in our state institutions are without family or friends at Christmas time, and they, therefore, have no part of the giving and receiving of Christmas presents which has such significance in this country. Many of the patients are completely isolated from the rest of the people of our state. The leaders of this program hope to re-establish the generous interest which has always characterized the attitude of Hoosiers toward the sick and unfortunate. Gifts are being received at the Farm Bureau office.

The work in the townships will be under the leadership of the following people:

Jackson, Mrs. Ray Gall, R. 2, Claypool.

Lake, Mrs. Walter Fruit, Claypool.

Clay, Mrs. Leo Pike, Claypool.

Monroe, Mrs. Colonel Likens, R. 2, Pierceton.

Washington, Mrs. John Gebert, of Pierceton.

Wayne, Mrs. Victor Hillery, R. R., Warsaw.

Plain, Mrs. Kenneth Everest, R. R., Warsaw.

Seward, Mrs. Joe Leckrone, R. 1, Silver Lake.

Franklin, Mrs. Roy Walters, R. R., Akron.

Etna-Prairie, Mrs. Walter Harman, Etna Green.

Van-Buren - Jefferson, Mrs. Marion Stackhouse, Milford.

Turkey Creek, Mrs. Lee Henwood, of Syracuse.

Hassil E. Schenck, president of the Farm Bureau, stated, "We are indeed pleased to be part of this important work at this time. The institutions of Indiana are not adequate and the patients do not have everything that is

needed for their well-being. We hope that these Christmas gifts will be an expression of the sincere interest of the people of Indiana. Although the Farm Bureau is accepting the responsibility for collecting the gifts, we sincerely hope that everyone will come forward with a small token of sympathy for these very unfortunate people in our state. I urge every Farm Bureau member to ask friends and neighbors who are not members to support this program."

December 1 has been set as the deadline for the accumulation of presents. Detailed information about the type of gift and the place where the gift should be left may be obtained by contacting any of the township chairmen or county chairman.

**ROYAL NEIGHBORS MEET**

The Royal Neighbors were entertained on last Monday evening in the home of Neighbor Gladys Ander-

son at Rochester. The meeting was opened with the pledge to the flag and prayer by Neighbor Lydia Ryneearson, the Oracle then conducted the business meeting. The mystery package was won by Clara Parker.

The next meeting will be our Christmas party to be held at the home of Jannette Mollenhour on December 17 at six-thirty. Pot luck supper and 50 cents gift exchange, also the election of officers will be the main items of this meeting.

During the social hour several games of crazy bingo were played, prizes going to Chloe Griffis, Mary Teel, and Georgia Teel. High bidders at auction were Barbara McDaniels, Mary Teel, and Lydia Ryneearson.

The meeting closed by singing our closing ode.

The hostess and her assistant, Elnora Coplen, served delicious refreshments to seventeen members and 4 children.

### TIMELY TOPICS

By Mary Anne White

Kosciusko County homemakers can make a good start in planning a holiday menu from the foods the U. S. Department of Agriculture says will be most plentiful during November. I would like to remind you homemakers that turkey, the traditional holiday fowl, is plentiful. For the nut bowl, there are plenty of filberts, almonds, and walnuts from which selections may be made. Fruits like grapes and dried figs are available, and no Hoosier should overlook the traditional pumpkin pie.

Housewives have other meals to think of besides the holiday one when they plan the November menus. The prospect is that there will be more pork at lower prices. Supplies of pork are always heavy in November. There are not as many pigs as last year, but November is a month when more pigs than usual come to market.

The supply of frozen fish in cold storage October 1 was heavier than last year. Cod fillets are especially plentiful. Canned tuna for salads and casseroles is plentiful, too.

For a baked bean luncheon in November, there are dry baby limas. A good supply of carrots is also available.

Honey fits into the holiday cooking for the traditional fruit cake as well as for many different sweetening uses.

The more available dairy products for this month includes dry skim milk, cottage cheese, and buttermilk.

Large supplies of fats and oils for cooking and salads at relatively low prices will be particularly a good buy.

Well that about sums up the list of lower priced foods for the present time. Let's all be money-wise and take advantage of these prices for November so we can have that extra Christmas gift we've wanted for so long.

## MENTONE MURMURS

by  
DAVID and SALLY GOSSER

Four years ago to the day of this evening, Armistice Day, Murmurs came upon the scene at Mentone, not as

Murmurs, but as residents of this community, pastor of one of our local churches, and purchaser of local goods.

As he has heard one of the local merchants state frequently, he came on his own volition, partly because he was apparently acceptable, but largely because the community had an appearance of being "well kept" with

opportunities of service in his own field of work.

This, Murmurs states as a compliment to the community. It is a desirable place to live. When there are choices to be made it speaks well for a town and community that this particular one should be the choice. It does not indicate perfection on the part of either the chooser or the loca-

tion, but it does indicate desirable traits governing the choice.

The merchant alluded to made this community the place of his business by choice after having investigated other possibilities. We are bound to think well enough of ourselves to be considered as potential neighbors and business associates.

This Armistice Day brings to mind, however, the fact that we have not always grown in the direction of good will as we should. Since 1918 we have had another major war and are actively engaged in a police action in Korea at the present time.

This is understandable in the light of our own petty feelings and harbored grudges within the community. Even here in Mentone we have not always lived in agreement with neighbors and associates. This is a general statement of fact which should be analyzed by each person in the community, not so much as to how our neighbors should become more agreeable to us, but how may we as citizens of this community, meaning each individual person, become more agreeable with our neighbors.

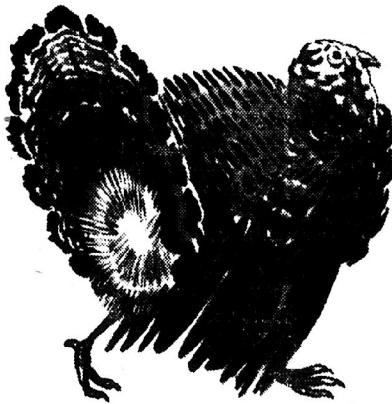

In a democracy there are limitations to personal freedom where we must limit ourselves by not inflicting our own ideas upon those who wish to believe and do otherwise than we do. On the other hand we should also cultivate the courtesy of hearing the other person out. We are social beings in need of codes of ethics as well as codes of manners, but a deep-seated respect for individuals is most essential. When we are so over-certain of our positions and so sure that any one of us has the only solution to all problems, immediately we become antagonistic, and unconsciously irritating.

This is usually the indication of an inflated ego or self-centeredness which although altruistic in motive may appear to others as selfish. If we are to live at peace with one another, nationally or on this local level, there is need for mental reflections as to how we appear to others, for so frequently we are taken and accepted by that basis only.

A genuine Armistice will come to us only as we endeavor to understand the other fellow rather than always expect him to understand us.

There are many good traits of neighborliness evident everywhere around, especially in time of illness and need, that Murmurs would still, in spite of this apparent negative presentation, make Mentone his choice of residence.

On Monday evening, just south of Sevastopol, Murmurs saw a congregation of farmers hauling in corn for a handicapped neighbor. This is as it should be, but Murmurs has been trying to say that we wait until disaster hits a neighbor before we demonstrate our feelings of good will.

**OVERPRICE SEED OF  
OAT-SOYBEANS**

Lafayette, Indiana—Seed of three new varieties of soybeans and two new varieties of oats is being promoted to Indiana farmers at prices far out of line, say Purdue University agronomists.

In one area of the state, for example, seed salesmen have exaggerated merits of the new oats variety, Missouri 0.205, to the point that prices for the oats are now eight to ten times that of market oats. Likewise, the Mohawk variety, which has not been released for certification use in Indiana is being offered to Hoosiers at four times the normal market price.

Keller Beeson, extension agronomist, points out that Missouri 0-205 oats was grown by 36 Indiana certified growers as well as in Missouri and

other states in 1952. There should be plenty of certified seed to satisfy the demand in southern Indiana, the area of adaptation for both Mohawk and Missouri 0-205.

Both the new varieties are weaker strawed than either Clinton or Benton, and Mohawk yields slightly less than Clinton. Mohawk does not deserve to be sold at any premium price over Clinton, Beeson emphasizes.

Three new varieties of soybeans—Bavender Special, Korean, and Cypress No. 1—promoted this fall by several seed salesmen are not recommended for Indiana farms, say Purdue agronomists. All three varieties lodge more readily and are lower in oil content than either Lincoln or Wabash.

Dr. and Mrs. F. B. Davison will leave on Friday for a few days visit with relatives at Waterville, Ohio.

**HEALTH FACTS FROM YOUR  
STATE BOARD OF HEALTH**

A new record bumper crop of babies is the prediction for 1952 of Verne G. Robinson, director, Division of Public Health Statistics, Indiana State Board of Health.

Mr. Robinson bases his prediction on the number of births recorded for the first nine months of the year. Over one hundred thousand children

are expected to arrive in 1952 for the second year in succession. Nineteen fifty-two is expected to top last year's total of 101,756 which was the highest number of births recorded in the state's history.

Continued prosperity which allows more families to feel that they can afford families and to plan for them was one reason given by Mr. Robinson for the increase. Also, prosperity encourages more people to marry.

*"My telephone  
means so much to me!"*

"Yes, my telephone keeps me in touch with my family and friends. It saves me time and steps. And it's such a comfort to know it's right at hand if an emergency arises."

It is difficult to put a price tag on the convenience and the pleasure which a telephone adds to your daily life.

Worth noting, however, is the fact that it takes a smaller percentage of the average household budget to pay the telephone bill today than it did ten years ago.

Compared with most other things you buy, telephone service still stands out as one of today's biggest bargains—

# SCHOOL NEWS

The Mentone Bulldogs won their second game of the season by handing the Bourbon Comets a loss by a score of 46-38. This is the first time for several years that the Mentone boys have been able to defeat Bourbon. The Mentone second team also won 39-30. A fair-sized crowd witnessed the games. This Friday the local team plays at North Webster. On Saturday night at Beaver Dam the Mentone teams will meet Sidney. This is Sidney's game and is being played at Beaver Dam due to the inadequacy of the Sidney gym.

On Tuesday evening at Silver Lake, the junior high teams opened the season by splitting evenly in two games. The seventh grades lost 32-13, but the eighth grade team came back strong to win by a score of 27-12.

The Senior Class sponsored a skating party on Tuesday evening at Rock Lake. A large number attended.

Various high school classes under the direction of Miss Nell Herriman have made posters illustrating some of the values of education. Also in observance of American Education Week, a special assembly program will be held on Thursday. A number of parents have visited school this week. Parents and friends of the school are welcome at all times to visit the various classes.

About sixty high school students will participate in the Kosciusko County Choral Festival at Pierceton on Sunday afternoon, Nov. 16, at 3:00. Those participating on Sunday will attend the rehearsal at Pierceton on Friday afternoon. Roger Kelly directs the local group.

A meeting of those interested in working on the annual staff was held on Tuesday. The following staff members were elected: Editor-in-chief, Charles Urschel; business manager, Elaine Dunnuck; Art editor, Phyllis Grubbs; circulation manager, Jerry Ross. The balance of the staff will be selected at a later date. A few copies of last year's annual are still available. A reduced price of one dollar prevails.

Miss Herriman called a meeting of all junior high students interested in forming a speech club. Forty-nine of the students responded. Nancy Vande Water was elected president of the new organization.

The recent questionnaire sent out by the Student Council is an attempt to determine the prevailing attitude of the parents toward dancing and should not be considered a vote on the subject. Whether dancing will be permitted in the Mentone School will rest on a number of additional factors. At present, pupils are not permitted to dance at parties sponsored by the classes or clubs of the school.

Mr. Leonard, Teacher Trainer for Vocational Agriculture, spent Tuesday afternoon at the Mentone School.

The pupils of the school brought

enough clothes and shoes to fill sixteen bags for the needy children of less fortunate communities. The Mentone quota was fifteen. Joe Hedington helped pack and tie the bags for shipment.

Miss McFarren, Elaine Dunnuck, Barbara King and Ronald Brown attended an education meeting at Manchester College last Thursday. This is an annual meeting devoted to students who are interested in becoming teachers.

Charles Urschel and Cloanne Nelson attended College Day at Warsaw High School on Wednesday of this week.

She was a member of the Talma Methodist church and the Manitou Chapter, D. A. R.

Surviving are a daughter, Mrs. Harold Fenstermacher, of Steger, Ill.; two sons, Charles of Mansfield, Ohio, and Creamer, at home; five grandchildren; three brothers, Edwin Creamer and Thomas Creamer, of Belmont County, and William in West Virginia, and three sisters, Mrs. Cynthia Deamer of Rochester, Mrs. George Foreman of Columbus, Ohio, and Mrs. Broda Clark of Mentone.

Funeral services were held Tuesday afternoon in the Foster Funeral Home in Rochester and burial was in the Reichter cemetery near Talma. Rev. Stephen Gubi and Rev. Charles Merrill Smith officiated.

Mr. and Mrs. George Clark and Miss Frances Clark attended the services.

**FRANCIS COLLINS DIES AT  
WOODLAWN HOSPITAL**

Francis (Frank) Collins, 77, life-long resident of the Talma community passed away 7:30 a. m. in the Woodlawn hospital at Rochester Saturday. Death resulted from stroke which he suffered Friday at the home of Mr. and Mrs. Roy Ailer of Talma. Mr. Collins had made his home with Mr. and Mrs. John Alber, 1323 Main St., Rochester for the past 22 years.

A native of Fulton County he was born March 3, 1875. He was married to Zella Coplen on January 8, 1902. She passed away in 1929. Mr. Collins was a retired farmer.

Survivors are several nieces and nephews, one granddaughter. A daughter preceded him in death in 1928.

Funeral services were held Monday afternoon in the Foster Funeral home at Rochester, at 2 p. m. with Rev. F. C. Savage in charge. Burial was made in the Reichter Cemetery near Talma.

**CELEBRATES 91ST BIRTHDAY**

Mrs. Ida Clark celebrated her 91st birthday Nov. 9 at the home of her daughter, Mrs. Harry Blodgett, at Indianapolis, Ind. Mrs. Clark has lived most of her life in Mentone until the last few years, and will be remembered by a host of friends.

Mr. and Mrs. Joe Blodgett Sr., and Mr. and Mrs. Joe Blodgett, Jr. and children, from Elkhart, went to Indianapolis to help her celebrate the event. Mrs. Ersie Cole, a cousin of Mrs. Clark, sent her a lovely decorated cake. The cake was made by little seven-year-old Janie Cole.

Mrs. Clark received several nice gifts from relatives and a shower of birthday cards.

Mrs. Clark is not in very good health but is better now than she was a short time ago. All her relatives and friends wish the very best for her.

Her address is: 245 N. Pershing Ave., Indianapolis 22, Ind.

**BANK ENTERTAINS CITIZENS  
WITH TURKEY DINNER**

Approximately four hundred men of Mentone and vicinity were in attendance at the Mentone Community Building this evening to attend the annual Farm Outlook meeting sponsored by the Farmers State Bank and the Vocational Agriculture Department of the Mentone school.

A complete turkey dinner was given to all who came to the meeting.

After the delicious luncheon, Mr. Walter Kent served as chairman of the meeting and an address was given by Dr. Butz, economist of Purdue University. Dr. Butz spoke on "Price Ceilings, Price Supports, and Price Silliness." It contained much information that would have been interesting to housewives as well as those engaged in agricultural pursuits. As a consequence, your editor will make an effort to publish the major portion of his address in our next issue.

The farm folks of the community appreciate the generosity of the bank and the school department that sponsored the event, and the sponsors appreciate the vast amount of help they had from citizens and local organizations.

**J. A. MELLOTT DIES OF  
AUTO ACCIDENT INJURIES**

James Alva Mellott, 76 years of age, died at 9:45 p. m. Tuesday evening at the Murphy Medical Center at Warsaw where he was taken about four hours earlier following an auto accident about 3½ miles north of Mentone on Road 19.

Mr. Mellott, accompanied by his son, Joe, aged 49, was driving the auto when it left the highway and crashed into a tree. No definite statement as to how the accident happened. He is still in the hospital with a skull fracture and a fractured nose.

Mr. Mellott, who was well known in this county and active in county and community affairs, was born near here Jan. 14, 1876, the son of Salathiel and Mary (Fawley) Mellott and had spent his entire life in the Etna Green community. He was a farmer and a member of the Pilgrim Rest Primitive Baptist church, which is very near his home.

Surviving are his widow, the former Daisy Brindley; the son, Joe, of Etna Green; one daughter, Mrs. Don Weirick, Fort Wayne; five grandchildren, and one brother, Roy Mellott, also of Etna Green.

Funeral services will be held at two o'clock Friday afternoon at the Reed funeral home in Mentone, with Elder Elias Sarber, of Wakarusa, officiating. Burial will be in the Harrison Center cemetery.

Friends may call at the funeral home until the time of the service.

**PARENTS OF SON**

Mr. and Mrs. DeVon Hibschan, of northwest of Mentone, are the parents of a seven pound, three ounce son, born at 12:05 a. m. Wednesday morning at the Murphy Medical Center in Warsaw.

**HALL**

Mr. and Mrs. George Hall are the parents of an eight pound 12 ounce son born last Wednesday at the Murphy Medical Center. The new boy has been named Brent Leon.

Richard Deafenbaugh, of Warsaw, spent Sunday at the home of Mr. and Mrs. Howard Kohr.

**NOTE PTA DATE CHANGE**

The next PTA meeting night has been changed from Wednesday, Nov. 26th to Tuesday the 25th. Ora McKinley, safety chairman, has an interesting and important program to present at that time. Featured will be a colored film, a talk by State Policeman James DeArmand and talks by representatives of other local organizations interested in the safety of our children. Mr. De Armand will also give a judo demonstration.

There is a need for a safety patrol in our town. Most parents have observed the patrol, operating in other towns nearby. Motorists respect that junior patrolman, who sees that no child crosses the street until it is safe to do so. Steps are being taken to start a safety patrol here. For successful operation, it will depend upon the cooperation of every individual and group in our community.

Will you come to PTA and join our crusade to protect your child and mine? Bring your children along. They will be capably supervised and entertained during the meeting by adult volunteers.

Special attention is again called to the Kindergarten meeting at seven o'clock for all interested parents. Vital information pertaining to a kindergarten will be available at the meeting, so plan on being there at seven o'clock.

**SON ARRIVES**

Mr. and Mrs. Robert Parker are the parents of a son, Jon Robert, born on Tuesday morning at the Murphy Medical Center. He weighed seven pounds and four ounces.

**NOTICE TO READING****CLUB MEMBERS**

The material for the blind has come, and, to make it available for your Christmas buying, will have it on display at my home this coming Tuesday evening.

MRS. FRED LEMLER.

**CHRISTMAS TREATS AND  
MOVIES FOR THE CHILDREN**

At the meeting held Tuesday evening the Mentone Post of the American Legion voted to hold a Christmas treat for all the youngsters, and also to entertain them with a free movie.

## MULCHING PROTECTS

### NEW EVERGREENS

Some type of protection is needed by newly-planted evergreens against winter-drying and snow damage, states R. B. Hull, Purdue University extension landscape architect.

A good way to avoid winter-drying of evergreens is to use a mulch. Since evergreens keep their needles all year, they lose moisture during the winter. In case of newly-planted evergreens, the ground should be thoroughly soaked several times during the winter when it is not frozen.

Hull recommends using peat moss, ground corn cobs, or straw as a mulch, and applying it to a depth of two inches in a generous area around the tree. Be sure that there is plenty of moisture present under the mulch to reach the roots of the tree.

Evergreens also need protection against heavy wet snows, or disfiguration of the tree is likely to occur. The most practical way to prevent snow

damage is to brush the snow off the trees and not allow it to freeze fast to the needles. Small broadleaved ornamental evergreens can be protected by building a burlap frame to put over them.

Further information may be obtained from Extension Bulletin 320, "Ornamental Evergreens," available free from county agents or the Agricultural Publications Office, Purdue University, Lafayette.

## MENTONE MURMURS

by  
DAVID and SALLY GOSSER

This past Sunday afternoon a very inspiring and remarkable program of music was presented in the Pierceton High School Gymnasium by participating Choral groups of public school students of this County. Although each of the schools represented had the opportunity of presenting individual selections, the most moving and scintillating part of the program was that of the combined choruses under the direction of Mr. Robert Shambaugh of Fort Wayne.

The applause given him by the students themselves attested his great understanding and ability to bring forth such remarkable response from the young singers. The audible comments coming from them have been even

more favorable. This opportunity to participate in a program with students of other communities is a broadening and pleasurable experience for the youth of our community.

The oft quoted lines of Browning seem applicable here, "Ah, but a man's reach should exceed his grasp, Or what's a heaven for?" The opportunities to be reaching outward and upward in all of life's experiences help us to mature and grow. This County-wide Choral Festival is a highly commendable opportunity for this growth. On the part of each of the school's directors it may pose as a burdensome thing, but it provides the opportunity to combine the practical with the theoretical, the training and rehearsal with a sense of achievement on recital or concert occasions.

The human body is not merely a flesh and blood organism. It cries out to be nourished mentally and spiritually, with intellect, with beauty, with a sense of accomplishment. Murmurs recall of hearing of the old-time com-

munity singing-schools of by-gone days of the guilds of "Mastersingers" of German tradition, and other folk-singing groups. The competition and out-reaching to qualify produced great music and musicians, and a sense of understanding and appreciation. Here is common-ground, let us tread upon it appreciately and encouragingly.

### FLIES TO CALIFORNIA

Mrs. Pearl Meredith of Mentone flew to California and back this past weekend. She left the Chicago air port on Friday evening, and six hours and eight minutes later was in the state of Chamber of Commerce sunshine.

Typical of the weather which greets Easterners, when Mrs. Meredith awakened on Saturday morning at the residence of her sister, Mrs. Love Johnson, there was the hardest down-pour of rain she had ever seen. The water filled the streets to the hub caps of parked autos. By nine-thirty, however, there wasn't a cloud in the sky, and the oft' boasted and publicized sunshine was a reality, at least in the area of Long Beach.

Boarding the plane, a DC-6 of The American Air Lines, piloted by her son, Captain L. O. Meredith, on Sunday morning at eight o'clock, Mrs. Meredith was whisked through the skies on another six-hour flight homeward.

The only incident of discomfort came when the plane flew through a sleet cloud over the mountains, and the necessary reduced speed caused the sinking feeling which many people sense on descending elevators.

### CARD OF THANKS

We wish to thank our friends and relatives for picking our corn last week. Those that helped were: Stanley Osborn, Herbert Dorsey, Ralph Warren, David Gosser, Kenneth Horn, Pete Walters, Wayne Tombaugh, Carl Blackburn, Lester Blackburn, Herschel Grubbs, Charles Meredith, and George Blackburn of Laporte. This help was greatly appreciated.

# BROILER GROWERS

- ◆ Are you satisfied with your present program?
- ◆ Are you getting good weight in a reasonable feeding period?
- ◆ Is your feed conversion favorable?
- ◆ Do your birds have the dressed qualities the buyers want?
- ◆ Are you getting top market prices?

In Banner Brand Broiler Ration we offer the most highly successful broiler feeding program that modern science has devised for the most profitable production of broilers.

**Banner Brand Broiler Ration is made from Swift & Company's Broiler Base Formula.**

It was formulated, and is continuously being improved upon, by the Swift & Co. Research Laboratory. This same formula, under the Swift Brand, is used in all Swift & Co. broiler projects in the growing of the famous "Swift Premium Tender Grown Chickens." It is also used by thousands of independent growers, nation-wide.

Not only is it formulated to develop fast growing birds at lowest possible cost, but to produce a dressed finish appealing to the retail purchaser.

We have qualified to produce this high quality product in our local mill at a substantial savings to you.

From records, the following results were obtained by independent Indiana broiler raisers:

| Grower .....                        | Number ..... | % Mortality ..... | Age ..... | Weight ..... | Feed Conversion..... |

**MENTONE READING CLUB**

The Mentone Reading Club met at the home of Mrs. Maude Snyder on Wednesday evening, Nov. 12, with Mrs. Jack Van Gilder as assistant hostess.

Two vocal solos were sung by Marita Tucker, with Mrs. Snyder at the piano. She sang, "A Kiss in the Dark" and "Rain."

Mrs. Walter Lackey, the president presided during the business meeting. A fine report of the club's activities to "Get Out the Vote" on election day was given by Mrs. F. B. Davison.

The program committee was Miss Wreatha McFarren and Mrs. Fred Lemler. Miss McFarren introduced Mr. Dobbins who has been doing the crystal etching and designing for the Hugo Cut Glass factory in Warsaw for

38 years. He showed samples and designs and the cutting wheels used in each one, and gave some interesting facts concerning this nearly unknown art.

An entirely unplanned but greatly enjoyed feature of the evening was the impromptu piano-organ numbers, with Mrs. Dan Urschel at the piano, and Mrs. Snyder at the organ.

The December meeting will be at the home of Mrs. Don Bunner.

CLUB HOLDS SOCIAL MEETING

A social meeting at the home of Mrs. Clem Teel was enjoyed Thursday afternoon by the Mentone Home Demonstration club members. Each was dressed appropriately for a hard times party. Mrs. Royse Tucker was awarded the prize. For the meditation Mrs. Oliver Teel read several favorite quotations. Mrs. Howard Horn, vice president, opened the meeting. Mrs. Harry Vernet presided and made announcements of interest to the members. A silent auction was a feature of the meeting. Mrs. Linus Borton was awarded the mystery prize and Mrs. Sherman Bybee, Mrs. Borton and Mrs. Cloice Paulus received gifts from their Cheerio Pals.

After all were served a cracker, a cup of hot water and a toothpick the club members and guests were invited to the kitchen where ice cream, cake and coffee were served. Pages from a catalog served as napkins and tin pans and cups were used in serving the refreshments.

NEIGHBORS PICK CORN

Neighbors and friends of the Paul Cumberland family came to their place Monday afternoon of last week and picked corn.

Those who helped were: Don Kuhn, Dorris Harrold, Dick Whittenberger, Gerald Clinker, Willard Kuhn, Miles Igo, Clyde Johnson, Elmer Hoffman, Ora Tucker, Bob Whittenberger, Orle Jones, Henry Smith, Leonard Swick, Harry Cole, Eldon Horn, Eldon Cumberland, George Cumberland, Loren Cumberland, Walter Cumberland, Rev. Thompson, Tid Bybee, Wallace Andrews, Lawrence Butts, Maynard Summe, Noble Babcock, Joe Fisher, Lester Rogers, Bill Biddinger, Ernest Harrold, Kenny Walters and Devon Jones.

Mr. Cumberland, who was in our office the fore part of the week showing us a few of the scars upon his legs, narrowly escaped death when his clothing got caught in the power take-off while operating his corn picker. Before he knew what was happening the shaft started winding up his trousers. He braced himself the best he could but it just kept rolling up his clothes, tearing deep gashes in his legs as it went. Once or twice it grabbed his coat sleeve but he managed, by almost superhuman effort, to pull it free again. But nothing seemed to stop the monstrous thing that was grinding away at him. As all hope seemed to vanish, the motor finally gave up. Paul said the only clothes he had left was a band about a foot wide up around his neck and shoulders.

## Cranbrook Club Coupe in Plymouth's 1953 Line

Dash and distinction are combined in the flowing lines of the Cranbrook Club Coupe, one of nine outstanding body styles in the new 1953 line of fine Plymouth cars. The new styling is combined with increased power and improved performance to make it more than ever the big car value in the low-priced field. Power has been increased to 100 horsepower with 7.1 to 1 compression ratio for finer response and efficiency. New suspension gives virtually gyroscopic stability under varying road conditions. Engine and rear axle relocation, coupled with easier riding, angle-mounted rear springs, provide the utmost in comfort. Plymouth engineers have designed more headroom, legroom and hip and shoulder space into the 1953.

### METHODIST CHURCH NEWS

NOTE! The University of Life Program will begin at six-thirty this Sunday evening, as at all other services except last Sunday.

One hundred and twelve persons were served the Fellowship Supper last Sunday evening and approximately two hundred attended the service of colored slides presented by Rev. Milton Dowden, assisted by Leroy Cox. A word of appreciation is in order, expressed not only to the above named gentlemen, but also to the Congregation of the Baptist Church for the change in their schedule in their Training Class and the encroachment of time on their Worship Service.

The Committee which served last Sunday's Fellowship Supper consisted of Mr. and Mrs. Ralph Mollenhour and Mr. and Mrs. Conda Walburn, co-chairmen; Mr. and Mrs. Eugene Marshall, Mr. and Mrs. John Miller, Mr. and Mrs. Harold Utter, Mr. and Mrs. Allen Herendeen, Mr. and Mrs. Walter Lackey, Mr. and Mrs. George Mollenhour, Mr. and Mrs. Harold Nelson, Mr. and Mrs. Guido Shirey, Mr. and Mrs. Robert Whetstone, and Mr. and Mrs. Albert McKeegan.

The Program this Sunday evening will be **Broadening the Horizons of Our Local Church Through the Bible**. The address will be given by Dr. Russell Bollinger, Professor of Bible and Dean of Students at Manchester College. Dr. Bollinger is not a stranger in this community, having been the P. T. A. speaker at the October meeting. His address will begin at seven-thirty in the Sanctuary, following the Fellowship Supper.

The Committee serving this Sunday evening consists of the following: Mr. and Mrs. Kenneth Riner and Mr. and Mrs. Jack VanGilder, Co-chairmen; Mr. and Mrs. James Rodibaugh, Mrs. Broda Clark, Mr. and Mrs. C. E. Goodwin, Mr. and Mrs. DeVon Hibschanman, Mr. and Mrs. Robert Hibschanman, Mr. and Mrs. Rea Ward, Mr. and Mrs. O. A. Miller, Mrs. Bernice Rush, Mr. and Mrs. Herschel Teel, Mr. and Mrs. Dale Tucker, Mr. and Mrs. Arthur Witham, Mrs. Myrtle Davis, and Mr. and Mrs. Welty.

Mrs. Tessie Newton spent Sunday at the home of Mr. and Mrs. Stanley Newton of Burket.

# NEIGHBORS PICK 46 ACRES OF CORN

Hershel Drudge of R. 1, Claypool, was aided by neighbors and friends, who gathered at his farm home south of Burket with corn pickers and wagons cribbed 46 acres of corn. Mr. Drudge has been ill the past six weeks due to a knee fracture and a heart ailment. Because of this illness he has been unable to care for his farm duties.

35 men worked in the corn harvesting while the ladies prepared and served the dinner.

The men who helped harvest the corn were: Devon Jones, Raymond Longbrake, Taylor Groves, Elza Ball, Ernest Harold, Elmer Huffman, James Lackey, Harvey Smith, Guernsey Alexander, Rail Barber, Robert Ummel, Merl Pitton, Donald Warren, Johnny Guise, Jay Swick, Earl Ellen Wood, William Primley, Lester Brunner, Grover Tinkey, Clarence Tinkey, Dale Tucker, Clyde Bunyea, Lowell Leckrone, Ivan Jones, Don Kuhn, Don Stackhouse, Woodron Kern, Theo Kern, Lester Rogers, Oat Darr, Harry

Cole, Lale Warren, Lawrence Mahoney, Lester Drudge and Kenneth Drudge.

The Ladies who served the dinner were: Mrs. Isaac Kern, Mrs. Woodrow Kern, Mrs. Theo Kern, Mrs. Lester Drudge, Mrs. Ivan Jones, Mrs. Rhoda Jones, Mrs. Guernsey Alexander, Mrs. Lester Brunner, Mrs. Edith Ummel, Mrs. Oat Darr, and Mrs. Don Stackhouse.

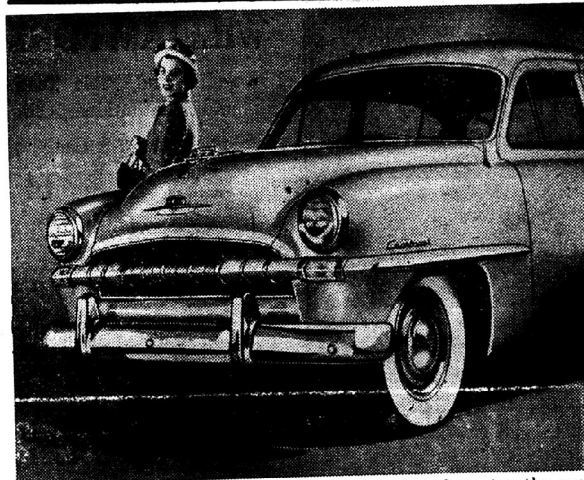

## CHECK POULTRY HOUSE FOR RODENT ENTRANCES

Corn is not the only thing that comes from the fields and goes into the barns in the fall, cautions G. C. Oderkirk, rodent control specialist at Purdue University.

Many fur-bearing animals, such as weasels, minks, raccoons, and skunks will work their way into the chicken house on cold fall and winter nights to kill the chickens or suck their eggs. These predators have been known to kill more than a dozen birds in one night, not for food but just for the fun of killing.

Oderkirk suggests that farmers double check their chicken houses the

# Plymouth's New Look for 1953

The distinctive grille of the 1953 Plymouth keynotes the new styling which carries through from bumper to bumper. The new models feature horizontal character lines that accentuate the ground hugging grace of the new streamlined styling. The softly rounded hood, sweeping out to the fenders, covers Plymouth's improved 100-horsepower engine with its 7.1 to 1 compression ratio. Note also the one-piece windshield with uniform curvature for minimum distortion and "Control Tower" visibility. It is available also in restful, heat-absorbing Solex tinted glass.

next time they feed the chickens. They should look for ways that these small animals might gain entrance. No opening can be overlooked since weasels can squeeze through a hole only one inch in diameter and skunks can slide through a three-inch opening.

Any openings or cracks large enough for the animals to enter should be plugged or covered with one-fourth inch hardware cloth or sheet metal. A special check should be given to feed bins where the pests might hide, and the farmer should make sure all outside doors fit tightly and all window panes are in place.

Any hiding places outside but near the chicken house should be removed if possible. Such things as rubbish piles, empty barrels or unused watering tanks or troughs can serve as excellent hiding places where the predators can wait and watch for a chance to steal into the chicken house.

If the foundation for the house does not go more than 18 inches into the ground, many rodents and their fur-bearing friends can burrow into the ground and tunnel under and into the chicken house. In this case, farmers should check the floor and ground outside the chicken house for signs of tunneling. Traps can also be set if placed where chickens, children and farm animals will not step on them.

# JAMBOREE TRYOUTS NOV. 24

Auditions or tryouts for the Kosciusko County Jamboree will be held at the Mentone American Legion Home on Monday night, November 24 at 7:31 p. m. Singers, dancers and musicians of all kinds and ages are wanted. Popular, sacred, classical and hillbilly numbers are all desired.

The Jamboree will be given for three nights, Dec. 3, 4, 5, at the Community Building for the benefit of the American Legion Auxiliary.

The part of Lula Belle will be played by Gertrude Shinn, while Miles Igo of Burket will have the comedy role of Uncle Ezra. Opal Nellans and Rodney Gible promise many laughs as Aunt Idy and Little Clifford.

Dale Tucker will be the negro comedian. Sparreribs. The Ladies from Rosedale are Marilyn Baker, Frances Gible, Geneva Emmons, Vadis Ward,

Phillis Williamson and Eleanor Coplen. The Harmonaries, a girl's quartette composed of Pat Stutzman, Flossie Deeter, Dotty Hoffer, and Violet Witham will sing. Brook Black of Beaver Dam will do his popular tap dance on skates. Mary Ann, Arthur and Margie Long of Warsaw will appear in a tango and comedy tap number. Ike Jefferies is in charge of the adult square dancers and will be the caller.

There will be an exhibition square dance by a group of High School students. Jo Ann Queenan of Tippecanoe will sing. Space does not permit the listing of all participants but it is expected that over one hundred people will appear over the three nights.

Tickets are now on sale by members of the sponsoring organization and the cast, and may be purchased in advance at a savings.

Remember, if you can sing, dance, play a musical instrument or entertain in any way, come down to the Americana Legion Home in Mentone on Monday, November 24 and show what you can do. Auditions will be in private.

Talent is not limited to Kosciusko County but is open to all nearby towns and communities.

### Rev. Slaybaugh Speaks at Assembly Program

last week in observance of American Education Week. In the upper six grades, an inspiring assembly program was given on Thursday. Rev. Slaybaugh of the Church of God at Akron spoke on "True Education." The Senior girls sang a special number.

Various members of the Speech Club contributed portions of the program. The next assembly program will be a Thanksgiving program on Wednesday, November 26. A special Thanksgiving Dinner of Turkey with all the trimmings will be prepared and served by Mrs. Teel and Mrs. Christner.

### Thirty Four Students Sing at Pierceton

Thirty four Mentone High School pupils participated in the annual Choral Festival held at Pierceton on Sunday afternoon. A number of school patrons from Mentone attended the program. The girls of the Mentone Senior Class presented a special number, "Let the Rest of the World Go By."

### Students Anticipate Thanksgiving Vacation

Pupils and teachers are looking forward to the annual Thanksgiving vacation which will begin the evening of November 26. School will resume on December 1.

### Mentone Goes Down In Defeat

Mentone School's perfect basketball record hit the skids on Friday night at North Webster as the strong Webster team defeated the local boys 59-31. The Mentone second team lost 31-29.

On Saturday evening at Beaver Dam, the Sidney Wildcats edged the Mentone Bulldogs by a score of 49-47. The game was nip and tuck all the way. Mentone second team scored a run-away victory 48-23.

### HONORED AT BRIDAL SHOWER

Miss Phyllis Bowser was the guest of honor at a bridal shower given by Mrs. Wayne Bowser and Mrs. David

Bowser at the home of the latter, on Wednesday evening, Nov. 12.

The guests enjoyed games, the winners, Mrs. Don Snipes and Mrs. Chas. F. Green, presenting their prizes to the guest of honor.

She also received many lovely gifts from those present.

Those attending were: Mrs. L. G. Alber, Mrs. Bertha Clark, Mrs. Ed. Bowser, Mrs. Robert Wagner, Mrs. Earl Bruner, Jr., Mrs. Lewis Blue, Mrs. Tom Harman, Mrs. Charles F. Green, Mrs. Don Snipes, Mrs. Jack Pritchard, Mrs. William Guy, Miss Mary Jane Tucker, Miss Pat Starr, Miss Donnagene Dillman, Miss Rebecca Bowser, and the hostess and co-hostess, Mrs. David Bowser and Mrs. Wayne Bowser.

Those sending gifts but not present were: Mrs. Fred Lemler, Mrs. Dove Kercher, Mrs. Royse Tucker, Mrs. Harry Smythe, Mrs. Jesse (Tubby) Coplen, Mrs. Dwight Reichard, Mrs. Deverl Bowser, Miss Betty Bowser, Miss Jalaine Smythe, Miss Marita Tucker, and Miss Martha Sullivan.

Lovely refreshments were served. Phyllis will be married to Sid Alber, son of Mr. and Mrs. L. G. Alber.

### FRIENDLY NEIGHBORS HOME DEMONSTRATION CLUB MEETS

The Friendly Neighbors Home Demonstration club met at the home of Mrs. Everett Besson on Monday evening, Nov. 10.

The meeting was opened by the president, Mrs. Everett Rookstool. "America, The Beautiful" was sung in unison. Mrs. Turner Boggs read an article on "Let's Be Respectful to Our Public Officials," for meditation.

Mrs. Ernest Studebaker gave the history of the song of the month, "Fairer Lord Jesus," and then it was sung by the group.

Mrs. Gerald Ballenger read an article on how to keep Christmas trees fresh for the entire holiday season.

The second part of the lesson on "New Experimental Fibres," was given by Mrs. Ernest Studebaker. She stressed the importance of reading and understanding the labels on garments

made from the new fabrics regarding their care, and then following the advice of the manufacturer.

Eighteen members answered roll call with a Bible verse of thanks. Mrs. Agnes Rans and Miss Velma Coplen were guests. There were also five children.

Plans were made for the Christmas Party and installation of officers on Dec. 15 at the home of Mrs. Monroe Romine with Mrs. Gerald Ballenger as co-hostess. This is to be a pot luck supper.

The meeting closed with the singing

of the club prayer song. Several received birthday and anniversary gifts from Cheerio pals.

## ALBER — BOWSER

In a lovely candlelight ceremony at the Mentone Methodist Church at 8:00 p. m. on November 21, Miss Phyllis Bowser, daughter of Edward Bowser of Mentone, became the bride of Sidney D. Alber, son of Mr. and Mrs. L. G. Alber, of near Rochester.

Mrs. Ruth Urschel, organist, presented a musical prelude of "Ah, Sweet Mystery of Life", "Always", "Till The End of Time", "Indian Love Call" and "Oh, Perfect Love." Miss Marita Tucker, vocalist, sang, "Because", "Through The Years", and at the close of the ceremony, "The Lord's Prayer."

Rev. David Gosser, pastor of the church, officiated at the double ring ceremony.

The bride, presented in marriage by her father, was lovely in a street length dress of pale beige faille. Her small fitted hat was of identical color with a forehead veil. She carried a white Bible on which rested a corsage of red roses on lace. White satin ribbons flowed from the roses and tiny white pompons were fastened to the ends.

Miss Donnagene Dillman, the bride's only attendant, wore light blue rayon acetate. She carried a colonial bouquet of pink, white and blue carnations and her accessories were black.

Mr. Don Stanley of Akron served as the groom's best man and the ushers were Don Smythe of Mentone and Richard Utter of Talma.

A reception was held in the church basement following the ceremony. The three sisters of the bride, Mrs. Earl Bruner, Jr. of near Warsaw, Mrs. Marian Flory of South Bend and Miss Rebecca Bowser of near Mentone served the refreshments.

The bride is a graduate of Mentone School and the groom of Talma school.

He is employed at the Elcar Coach company of Bourbon. The couple will make their home near Talma.

## SANTA TO APPEAR HERE

For those interested in a personal talk with Old Saint Nick, we are advised that he is to be in Mentone on two daytime visits this year—both of them Saturdays. They will be Dec. 13 and 20th.

Coopers' Store and Lemler's Market are again furnishing the sleigh-grease and reindeer alfalfa.

STOCK BEING SOLD  
FOR PRODUCERS MARKET

The sale of stock for the Producers Market to serve Kosciusko, Fulton and Marshall counties got underway this week. Franklin Township is on top of the stock sales with over \$3000 actually reported, other sales have been made but as yet not tabulated. Bob Sittler reports that his committeemen have had excellent reception in his township, practically every farmer has bought from two to six shares. Seward and Clay townships are organized and selling stock. Other townships of Kosciusko County are organizing.

Marshall county, under the leadership of Mr. Lewis Wallace, County Farm Bureau President, has their campaign underway.

Newcastle Township, Fulton County will hold a general meeting at the Talma gym, Monday night, December 1, to further explain Producers Marketing of Livestock. The public is invited and encouraged to come. The Newcastle stock sale is being directed by J. H. Carlile.

Committees are being set up to solicit Harrison Township under the direction of Kyle Gibson.

The Producers Market to be located at Mentone to serve the three county area will be built through the sale of Preferred Stock, \$25 per share, in the Producers Marketing Association and bears 4 per cent interest. The market will handle hogs daily, Monday through Friday, and sheep and calves one day each week. The lamb pools will also be handled by the market.

Producers now have branch markets in Logansport, Amboy, Lafayette, Centerville, Columbus, Seymour, Montpelier and are building a new yard south of Columbia City to serve the Fort Wayne area.

## SISTER DIES

Mrs. E. E. (Bessie) Kern, aged 54, of Kendallville, died Monday in the McCray hospital of carcinoma following a three weeks' serious illness. Mrs. Kern, a native of near Rochester, had undergone major surgery last Thursday. She was well known throughout the Rochester, Mentone and Talma area as the former Bessie Riddle, daughter of Mr. and Mrs. A. J. Riddle of Rochester.

Mrs. Kern was married in Kendallville 17 years ago. She was a member of the Kendallville Christian church and Rebekah Lodge in which she at one time held a state office.

Surviving relatives include the husband and mother, two sisters, Mrs. Linus Borton, of Mentone, and Mrs. Mabel Wilson of Indianapolis; four brothers, Charles, Raymond and Geo. Riddle, all of Rochester, and Rev. E. M. Riddle of Johnstown, Pa.

Funeral services were held in the Kendallville Christian church Wednesday at two o'clock in the afternoon.

## LEGION AUXILIARY NEWS

Members of Mentone Unit No. 425 American Legion Auxiliary met at the Legion home Tuesday evening for their regular business session.

The president asked again for all the members to get their dues in as soon as possible.

Don't forget our jamboree December 3, 4, and 5 at the Mentone Community Building at 7:31 p. m. We'll need help from every member—at the ticket window and at the concession stands. Let's all turn out and do our share! We'll have loads of fun too!! On the first night only, Wednesday, December 3, all high school students will be admitted at student price—35 cents advance ticket and 45 cents at the door!!

Mrs. Williamson won the galloping horse prize for the evening.

The next meeting of the unit will be a Christmas party potluck at 6:30 p. m. at the Legion Home. Bring table service and one covered dish—also a 50 cent gift exchange!

Won't you come and join in the fun. We'll be looking for you. That's Tuesday, December 9th at 6:30 p. m.

Mrs. Minnie Williamson is spending the week end at South Bend.

## CAR BURNS WEDNESDAY EVE.

The Howard Reed Frazer caught fire while inside the Cox service station about 8:30 Wednesday evening. The anti-freeze had just been replenished and after the motor had been running a short while, they attempted to remove the pressure-type radiator cap. The pressure forced the liquid on the motor and it ignited immediately.

Firemen first used CO2 extinguishers but in the strong wind were unable to smother the flames, after which carbon tet. and soda-acid type extinguishers were used.

Attendants at the filling station pushed the car out of the station as soon as it started burning.

## PEARL HARBOR DAY REMINDER

It is again nearing Pearl Harbor Day, December 7. We will not soon forget that day, nor will our veterans, many of whom are still patients in veterans hospitals.

In past years the Mothers of World War II have been on the streets and in business places at this time of year to sell poinsettias, made by disabled veterans. The money obtained in this way being used for rehabilitation. This year the War Mothers are not selling poinsettias, but are raising money with a food sale, notice of which is found elsewhere in this Co-Op. News.

Your interest and cooperation will be appreciated.

## CLUB CALENDAR

#### HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Forty thousand persons are missing from the doctor's offices in Indiana, according to Dr. Wendall C. Anderson, director, Division of Gerontology and Chronic Disease, Indiana State Board of Health. This is the estimated number of people who are suffering from diabetes and have no knowledge of their condition.

Throughout the nation the doctors are attempting to find these missing people through an organized Diabetes Detection Week which was observed. (November 16 to 22.)

This program is being sponsored by the American Diabetes Association in cooperation with the local medical societies. In many areas the physicians and laboratories are offering tests for sugar in the urine free of charge to the public. Many industries have observed this week annually by giving such tests to their employees.

Dr. Anderson points out that it is of great importance for the welfare of the diabetic to be discovered early, as proper treatment will prevent serious affects of the disease and even death.

"Some of the common symptoms of diabetes which should make a person suspicious include excessive thirst and hunger, frequent urination and unexplained loss of weight. However, it should be kept in mind that in its very earliest stage none of these signs may be apparent and the person may simply feel below par." Dr. Anderson said.

**TULAREMIA SEASON HERE AGAIN**

With the hunting season in progress, the usual reporting of several cases of tularemia, commonly called "rabbit fever" will probably begin making the news columns of our newspapers. Inasmuch as there is some misunderstanding about this disease, the Publicity Committee of the Indiana State Medical Association today issued a bulletin to hunters.

"Tularemia is an acute infectious disease which is found in more than twenty different kinds of wild life and is transmitted to human beings through contact with the flesh of infected animals," the bulletin stated. Here are recommendations for prevention listed in the bulletin:

Always wear rubber gloves when preparing game for cooking, and make sure that the rubber is not punctured by knives or bone splinters.

Wash blood stains from the skin with plenty of soap and water as quickly

as possible and follow the washing with a disinfectant if available. Contact with blood stains on the clothing is just as dangerous as contact with the blood of the animal.

Cook wild game thoroughly. This will kill the tularemia germ, but it can live in the red juices of partly cooked meat. Ordinary refrigeration does not kill the organism.

"This advice is intended for housewives and others who handle game as well as for hunters," continues the bulletin. "Many cases are on record of multiple infection in one family. Although more than 90 per cent of the cases of tularemia are traced to infection by rabbits, the disease has also been found in squirrels, opossums, foxes, quail, ground hogs, muskrats and domestic dogs and cats."

Tularemia is a reportable disease in Indiana. In 1951, 4 cases and no deaths were reported to the state health department. In 1950 the records show 25 cases reported, with no deaths, and

25 cases and one death in 1949.

Medical science has come a long way in developing a treatment for this once fatal disease. The new antibiotics such as aureomycin and terramycin are widely used today in com-

bating this disease. "Tularemia is a disease to be feared, and one should not take chances and be reckless in handling wild game," the bulletin concluded.

# MAJOR AWARD WINNERS IN LOCAL 4-H PROGRAMS

Back Row (left to right) Duane Eckert, Burdell Blackburn, Stanley Ummel, Rex Bowen, Gerald Smalley, Richard Young, Merl Tinkey, Carol Apple, Jeane Bowers. Front Row: Lyle Vandermark, Larry Simpson, Stanley Scott, Ronnie Severns, Karen Apple, Shirley Igo, Wilburta Latimer, Dean Young, Sandra Jameson.

Over 225 agricultural 4-H Club members and their parents were given recognition and awards for successful 4-H participation in 1952 at an inspiring banquet held Thursday night, Nov. 22, at Mentone.

A delicious ham dinner was served to a capacity crowd, after which H. V. Johns directed group singing, followed by several numbers by the Beaver Dam boys quartet and instrumental music by Guy Zimmerman, of Milford. Foster Jones gave an address on "Four ways we must co-operate to succeed."

The banquet was held as a windup of the various local club's summer work, and to announce the winners for the new Five-Township Area Achievement program designed to give recognition to 4-H members for good effort, giving particular emphasis to leadership and citizenship development, using a score card and point

system.

The achievement program was sponsored by five local business firms in the tri-county area, namely, Burket Elevator of Burket, and the Farmers State Bank, Valentine Elevators, No. Indiana Co-Op. Association and Mentone Stock Yards, all of Mentone, in cooperation with the agricultural clubs' adult leaders, Ronnie Mallott of Franklin township; John Jackson, of Harrison; Harold Young of Tippecanoe, Marshall county; Claude Jameson of Newcastle township, Fulton county, and George Welch and Del Nelson of Seward township. Serving as advisors were the State 4-H Extension Dept., Paul Jackson and Leo Seltenright, Kosciusko county agents; Robert Harvey and Dan Brown, Marshall county, and Michael Jewett, Fulton County Agent.

More than a year was spent in developing the plan, which proved to be worthwhile in its first year of operation, and will be continued locally in the future as an aid in making the 4-H phase of youth development more effective in building useful citizens. Much appreciation was expressed to Ed. Ward, Kenneth Riner, Dean and Bob Goshert, Leo Valentine and Loren Tridle, executives of the sponsoring firms, which supplied the financial means and acted as hosts for the affair.

Those receiving major awards were: Seward township—Merl Tinkey, Wm. Lee, Stanley Scott, Rex Bowen. Franklin township: Wilburta Latimer, Stanley Ummel, Gerald Smalley, Shirley Igo. Harrison township: Burdell Blackburn, Duane Eckert, Merlyn Holt and Ronnie Severns. Newcastle township:

Lyle Vandermark, Sandra Jameson, Larry Jameson and Jeanne Bowers. Tippecanoe township (Marshall Co.): Richard Young, Dean Young, Carol Apple and Karen Apple.

4-H members receiving medal awards were:

Seward township: Chauncey Bennett, Rex Bowen, Virgil Gagnon, Dick Goshert, Perry Hathaway, Bob Haupt, Doyle Heckaman, Eddie Hines, Richard Lackey, Archie Leckrone, William Lee, Clarence Murphy, Janice Nelson, Mike Nelson, Philip Nelson, Stanley Scott, Frank Swick, Ronnie Swick, Peggy Tinkey, Buddy Tullis, Max VanCleave and Merl Tinkey.

Harrison township: Burdell Blackburn, Duane Eckert, Merlyn Holt and Ronnie Severns.

Franklin township: Wayne Smalley, Chuck Bucher, Phil Bucher, Larry Creakbaum, Ernest Helgway, Mary Drudge, Marilyn Haney, Arden Harrold, Maurice Haney, Leland Andrews, Lois Ummel, Darrell Brunner, Barry Igo, Richard Ault, Lester Horn, Karen Latimer, Junior Jones, Chas. Tucker, Karen Helgway, Wilburta Latimer, Stanley Ummel, Gerald Smalley, Shirley Igo, Joan Ummel, Larry Tucker, Mary Doering, Max Cumberland, Phyllis Ummel, Howard Jones, Betty Doering, Sharon Helgway, Gary Swanson, Sandra Ballenger and John Ault.

Tippecanoe township: Carol Apple, Karen Apple, Hal Apple, Devon Davis, Charlene Fites, Carolyn Fites, Chas. Kuchel, Frank Kuchel, George Lemler, Jan Metheny, Janice McIntyre, Eldon McIntyre, Patsy McIntyre, Dennis Ritenour, Robert Ritenour, Robert Runnels, Danny Young, and Richard Young.

Newcastle township (Fulton county): Lyle Vandermark, Sandra Jameson, Larry Simpson, Jeanne Bowers, Kenneth Grass, Kermit Grass, Barbara Carlile, Marilyn Lee and Linda Lukens.

During the course of the evening an Elgin wrist watch was presented to Del Nelson for his splendid job of serving as chairman of the program for the five sponsors.

County Agent Paul Jackson insisted that the sponsors of the 4-H Achievement program should also have one of the medals and he is here shown pinning one on Leo Valentine. Others in the group are Ed Ward, Robert Goshert, Loren Tridle, Kenneth Riner and Dean Goshert.

## METHODIST CHURCH NEWS

The University of Life Program, emphasizing the theme, Broadening the Horizons of the Local Church, will meet for the concluding session at six-thirty again this Sunday evening. Following the Fellowship Supper which will be served by the Committee listed below, Dr. Samuel Yoder will bring the address of the evening. Dr. Yoder is not only the Superintendent of the Methodist Churches of the Wabash District, but is well known for his crusade work in the development of Epworth Forest and for his record of achievement with youth of the North Indiana Conference.

The serving committee consists of Mr. and Mrs. Denton Abbey and Mr. and Mrs. Walter Kent, Co-Chairmen; Mr. and Mrs. Arthur Kendall, Mr. and Mrs. Wayne Tombaugh, Mr. and Mrs. Loren Tridle, Mr. and Mrs. R. C. Grue-lach, Mr. and Mrs. Darrel Coplen, Mr. and Mrs. Harry Gible, Mr. and Mrs. Jack Prichard, Mr. and Mrs. Eugene Sarber, Dr. and Mrs. Donald VanGilder, Mr. and Mrs. Mervin Jones, Mr. and Mrs. Dean Nellans, Jr., and Mr. and Mrs. Ora Welch.

Sunday evening Dr. Bollinger of Manchester College spoke on "Broadening the Horizons of our Local Church through the Bible." His six points consisted of (1) The inspired word of God; (2) As completely adequate for our human needs; (3) As a progressive revelation of God which culminates in the revelation through Jesus Christ; (4) As a complete revelation of God; (5) The Bible related to all truth and scientific fact; and (6) "As a lamp unto our feet and a guide unto our pathway."

The leaders of this past Sunday evening of the MYF were Charles Urschel and Dick Tombaugh. This coming Sunday, November 30, Don Rush and David Gosser will be the leaders. Most of the membership attended the Sub-District Rally held at the Leesburg Methodist Church of Tuesday evening. David Gosser sang, "Lord, Let Me Live Today."

The J. O. Y. Circle will meet Tuesday morning, December 2, at the home of Mrs. Herman Olson. All members who desire transportation are to be at the parsonage at 8:55 a. m.

This past Monday evening the Mary and Martha Circle met at the home of Mrs. Glen Snider. The devotions were given by the Circle leader, Mrs. Rea Ward, with each member participating by giving a Thanksgiving remark or quotation. The lesson was presented by Mrs. Raymond Lash and included a chapter from the study book on the Bible by Dr. Georgia Harkness.

The following Circle members were present: Mrs. Rea Ward, Mrs. Mary Johnson, Mrs. Effie Personette, Mrs. Ethel Shafer, Mrs. Don Bunner, Mrs. Rosa Kinsey, Mrs. Pearl Lackey, Mrs. David Gosser, Mrs. Raymond Lash, Mrs. Mary Goodwin, Mrs. Pearl Meredith, Mrs. Bessie Kohr and Mrs. Glen Snider.

## SCHOOL NEWS

A special Thanksgiving Assembly program was held at 11:00 on Wednesday in the high school assembly room. Miss Nell Herriman and members of the Junior High Speech Club had prepared a program in keeping with the occasion. Mr. Ralph Hoffman delivered the Thanksgiving Sermon. Following the Thanksgiving prayer, pupils adjourned to the cafeteria to enjoy the special Thanksgiving dinner. The menu for this meal consisted of turkey, dressing, mashed potatoes and gravy, cranberry salad, pickled beets, bread and butter, milk and pumpkin pie. In all twelve grades, 252 pupils and teachers ate at school. Mrs. Teel and Mrs. Christner have worked hard to prepare this special treat. Members of the home economics class under the direction of Mrs. Hoffman also helped.

The regular radio program prepared for last Saturday could not be given as planned when Junior Clappitt, who had a leading part in the

production, went to the wrong radio station. However, an extemporaneous broadcast was substituted in place. The next regular radio broadcast will be on December 6.

The Mentone boys lost their third game in a row last Friday evening to Leesburg, 61 - 55. A fair sized crowd witnessed the games. The second team defeated Leesburg.

Last Thursday evening, the 7-8 teams won two from Claypool. The seventh grade score was 56 to 18. Junior Bare had 22 points for Mentone. The eighth won 47-16. Tommy Hoover was high with 19 points. Tuesday evening, the 7-8 played two games with Etna Green. The local seventh team lost, but the Mentone eighth won 31-26. The eighth grade boys now have a record of three wins and one defeat.

Attendance in the school continued excellent for the second grading period. Per cent of attendance for the upper six grades follows: 7-97.4 per cent, 8-99.3 per cent, 9-98.6 per cent, 10-98.6 per cent, 11-12-97.2 per cent.

Those on the honor roll for the second grading period were:

7th: Sue Blackburn, Sue Fenstermaker, Julie Kay Kent, Doris Scott, and Leroy Markley.

8th: Dorothy Christian, Carol Dillman, Nancy Vandewater, Charles Feldman, Dale Kindig, and Ronald Moore.

9th: Orpha Kurtz, Betty Mellott, Rita Olson, and Sarah Urschel.

10th: Connie Doyle, Sheila Fitzgerald, Sue Lackey, Jalaine Smythe, Marita Tucker, Larry Boggs, Larry McKinley, Raymond Osman.

11th: Janet Reed, Jackie Stidhan, Mary Vandewater, Robert Boggs, and Jon Cullum.

12th: Elaine Dunnuck, Phyllis Grubbs, Sue Hammer, Barbara King, and Charles Urschel.

## CLUB ENTERTAIN FAMILIES

Members of the Country Neighbors club entertained their husbands and children recently at the Talma Gym. A delicious ham supper was served at 7 p. m.

Following the meal, Barbara Carlile entertained with two accordion solos. Mr. Bowen, a representative of Armories Creamery, delighted the group with three films. "Why we should vote," a Laurel and Hardy comedy, and "Breakfast at Sardis" with the club members being the characters. This picture was taken six years ago. Needless to say, there have been some changes made. Especially the children have grown considerably.

A cake walk was held at the close of the meeting, Joe Peterson, Janet Welby and Sue Utter each receiving a cake.

## MENTONE MURMURS

by

DAVID and SALLY GOSSER

PreThanksgiving gray days remind us of the bleak appearance of America's rock-bound coast that first greeted the Pilgrims on November 11, 1620. Somehow, in spite of "gray days" of hardship, and death, they found in their hearts the strong motivation to set aside a day of Thanksgiving to God, which was not observed, however, until after the harvest season of the following year.

The gray days for us may be, in many ways, more of a blessing than they seem. Murmurs, for instance, has heard no complaint against the dampness underfoot, because many people are aware that the rain will add countless bushels to the winter wheat for next harvest. Gray days may often be countless blessings in disguise.

This particular area is one in which we have had no major calamity or disaster to crops, as in the south and southwest. Murmurs know from observation the damage done this summer in Virginia because of a dearth of gray precipitous days. In some areas of the nation the disaster was as great as that caused by a real deluge of rain. In the parched areas of Virginia the farmers saved only twenty-five percent of their corn crop, besides the damage to other crops. Here in Mentone we have had reason to be very thankful for our gray days.

Murmurs cannot refrain from adding that other gray days in our lives may, in the last analysis, likewise be blessings in disguise. Barren and unappreciative are the lives of those who have never experienced sadness or sorrow. The sorrows of our lives can mellow us so that in turn we may be more sympathetic with the tears and the joys of others. It is only as we have experienced "gray days" that we can truly be joyful and thankful for the many blessings which do come our way. The wisest and greatest men tell us that thankfulness should be a part of every prayer.

This year as we pray our Thanksgiving prayers, may we not only be appreciative for the abundance of all good things but also for the gray days which may have brought us a keener sense of the spiritual values and for life itself.

Howard Kohr reports that his daughter and husband, Mr. and Mrs. Charles Hand of Warsaw, are residing in their trailer house since fire damaged their home there recently. Richard Deafenbaugh is staying at the Hayes hotel.

On Sunday afternoon Mrs. Rhoda Jones and Mrs. Minnie Williamson called on Mrs. Lide Williamson, Mrs. Ota Rick and Mrs. Neva Teel in Mentone.

#### PRICE CEILINGS, PRICE SUPPORTS, AND PRICE STABILITY

Summary of remarks by Earl L. Butz, Purdue University, before Annual Mentone Farmers Meeting, Mentone, Indiana, November 19, 1952.

A concerted effort has been under way the past year or two to make food producers, food processors, and food distributors the "whipping boy" of inflation. The motivating force behind this move is more political than economic.

The majority of us like inflation, as it influences our income. We squawk loudly when inflation is reflected in the cost of things we buy. Even when we bid against each other with our increased incomes and thereby force prices of certain consumers' goods up, we still "squawk."

The political environment in which agriculture now operates and will have to operate over the next decade is an important factor affecting its well being. It is therefore important that we analyze carefully the relationship between government and agriculture with respect to recurring attempts to control prices of foodstuffs.

#### Food Is Political Football

Consumers buy food more frequently than any other single item, and they cannot postpone food purchases. Therefore, a change in the price of food registers more often with the public than does a change in the price of any other single commodity. During the first year of the Korean war, the price of household furnishings rose more at retail than did the price of food at retail, but people buy household furnishings so infrequently that we did not hear much about that increase in price. Since all of us buy meat, it's not difficult for some political demagogue (or bureaucrat) to get a lot of support when he asserts that meat prices are too high and must be "rolled back." And he can make political capital with everybody (except a small minority of meat producers) by inferring that meat producers and processors are "gouging the public."

Such assertions are without foundation in fact. People who believe that meat prices, for example, are high because "producers are striking," or because processors and distributors are taking an undue profit, simply are not aware of the facts. In 1951, Americans ate 138 pounds of red meat per person (excluding fish and poultry). This compares with 126 pounds per person

in 1935-39, an increase of 9 per cent. Indications are that we will eat 140 pounds of meat per person in 1952. This is 2 per cent more than last year and 11 per cent more than in 1935-39.

In addition to this, in 1951 Americans ate 34 pounds of poultry per person, and 1952 indications are that this figure will be about 36 pounds per person. This compares with 20 pounds per person in 1935-39, or an increase of 80 per cent.

Let's take beef, which many people believe to be in short supply. In 1951 we ate 56 pounds of beef per person. This compares with 55 pounds per person in 1935-39. And while American farmers were selling that much beef, they increased their cow herds by some six million head of cattle in addition, which means still more meat for all of us in the two or three years ahead. Indications are that we will eat 60 pounds of beef per person in 1952—an increase of about 10 per cent over 1935-39.

It is true that good quality sirloin steak at \$1.25 a pound seems high to us. However, that price is not set by the cattle producer or by the meat processor. Steaks are selling at that price today simply because so many Americans have so much more money, and are bidding against each other for the available meat supply. The American people today are eating from 10 to 12 per cent more meat per person than they did in 1939.

#### There's Plenty of Meat.

There is no shortage of protein in this country. If anybody gets tired of paying \$1.25 for sirloin steak, he can find an excellent source of protein in other meat. Dressed frying chickens sell around 60 cents per pound. And most of us get along pretty well eating fried chicken! If the American housewife is firmly convinced that steak at \$1.25 a pound is too high, all she has to do is buy cheaper meat. Steak will come down fast. The plain fact is that all American housewives, taken together, have decided that good steak at \$1.25 is about right. That's why it sells at that price.

In the 24-month period from June 1950 to June 1952, retail food prices in America increased approximately 14 per cent. This is almost exactly the same increase as occurred in weekly earnings of laborers employed in manufacturing. But retail food prices started from a low base in 1950, as they had declined substantially from their post-war high reached in July 1948. At that time the index of retail food prices was 217 (1935-39=100). This figure subsequently declined to

195 in February 1950, and had risen to 203 by June 1950. It rose from this figure to 227 in June 1951, and has held pretty steady at that level during the past year. The weekly earnings of laborers employed in manufacturing in July 1948, was \$52.95. This figure rose steadily following that to \$66.98 in June 1952. This represents an increase of \$14.03 per week, or about 27 per cent. This comparison points to the underlying cause for increased retail prices of foods. So many people have so much more money, and are bidding against each other for choice foods. As a result, food prices rise. Meat is a luxury food. We all want more of it when we have more money. Consequently we bid the price up.

In 1935-39 Americans were spending 23 per cent of their disposable income for food. Today consumers are spending 27 per cent of their disposable income for food, but they are eating better. The same quantity and quality of food which cost 23 per cent of their disposable income in 1935-39 would cost only 19 per cent today. It is not the high cost of living that hurts so much as the cost of high living.

#### Subsidized Food Is Not Our Birthright

Food is cheap in America in terms of the effort required to earn it. There is no place on the face of the earth where the working man spends so small a proportion of his working day earning the food he eats as in America. There is no country on the face of the earth today where the working man has so large a proportion of his working day left to earn the things that make life so pleasant as in America. It takes the average American worker less than 9 minutes to earn a quart of milk. The Russian worker does it in an hour and ten minutes. The American worker gets his loaf of bread in 10 minutes. The Russian must spend an hour and twenty minutes at the job. It takes the American worker half an hour to get a pound of butter. The Frenchman does it in two hours and a half, and the Russian, if he can get butter, does it in nine hours. The American workers gets a pound of round steak in forty minutes. As recently as 1948 it took forty-four minutes. He gets a pound of pork chops now in thirty-one minutes, compared with 37 minutes only four years ago. His quart of milk delivered now comes in eight and a half minutes of time in equivalent, compared with nine and a half minutes four years ago and 11 minutes in 1939. Never was milk so cheap in terms of labor required to earn it! The same is true of food generally.

The philosophy that America must have cheap subsidized food is more political than economic. It must be combated. This philosophy undergirded the "Brannan Farm Plan" proposed a couple of years ago, and also underlies current pressure for price ceilings on food. Food is now relatively cheap in America because of the efficient production of American agriculture. Recently a friend of mine was com-

plaining about the high price of milk. At 22 cents a quart he was "being robbed." After discussing this for a little while, he walked around the corner and bought a glass of beer for 20 cents which came at a cost of 54 cents a quart. That seems to be all right with him. Then he walked across the street and bought a bottled drink for five cents which cost him 23 cents a quart, and that seemed cheap enough. But 22 cents a quart for good wholesome nutritious milk was "highway robbery." It was one of the cheapest commodities he bought all day!

The basic question we face in America today is not whether prices are "too high or too low." The basic question is whether we want to distribute our food and other supplies by using the price system that we grew up with, or by using an artificial method of distribution controlled by somebody in Washington. If the Office of Price Stabilization were allowed to have its way and impose price ceilings on meats as they contemplated earlier and apparently would like to do now, the inevitable result would be to drive meat under the retail counter instead of on top of the counter. We experienced that in 1945-46 and we didn't like it. We wouldn't like it again either. However, the memory of most of us is so short that we will espouse any political panacea that seems to promise "more meat and cheaper meat." It won't work now any better than it did in 1945 and 1946.

# Producers Market for Mentone

## TO SERVE KOSCIUSKO, FULTON AND MARSHALL COUNTIES

An option has been secured and plans made by a temporary board of directors to construct and establish a Producers Livestock Market at Mentone to serve the three adjoining counties and supply a daily hog market for the area lying between the new Columbia City yard and the one now in operation at Logansport.

The yard will be patterned after the new one at Amboy and in addition to a five day a week market for hogs, calves and lambs will also be handled. The estimated cost will be \$45,000, to be financed by the producers in this area.

The Producers is an affiliate of the Farm Bureau and is 30 years old. They have total assets today of over \$500,000 with \$337,000 in invested stock.

Producers has a yard at Indianapolis and its outlying branches during 1951 operated from 2c to 27c under the Indianapolis market for hogs in 1951. Seymour was minus 2 cents; Ft. Wayne, 12c; Amboy, 15c; Lafayette, 16c; Logansport, 11c; Centerville, 19c, and Columbus, 27c. This shows the markets average very close to the Indianapolis market throughout the year. This unusually low outlying handling charge is made possible by the unusual marketing facilities perfected by the association, and the years of marketing experience they have had.

The records indicate that livestock producers have been moving to Producers Markets all over the area. The first ten months of the past three years hog receipts have been climbing rapidly. In 1950 it was 49,595 head; in 1951, 74,655, and for the first 10 months of 1952 it was 92,403 head.

Committeemen are now working in the three counties selling \$25 shares of preferred stock to finance the Mentone market. The stock carries a possible but not guaranteed interest rate of 4% and is transferrable.

Will you have a part in the establishment of the market in this area? If there is any question, attend one of the meetings or inquire of any member of the temporary organization.

## TIMELY TOPICS

By Mary Anne White

This week brings the holiday season into full swing. I know many of you housewives are trying to keep your house in order, do holiday cooking, baking, and above all things—are beginning to worry about when you are going to have time to do that Christmas shopping. From now until Christmas you will not have an extra free minute—and especially with all those holiday parties coming on. It really wouldn't hurt if we could take this evening or tomorrow off and get all those clothes mended, pressed, or cleaned.

Another very important reminder is if you don't get it—remember we do not purchase any garment for just one occasion. We should keep in mind "The Basic Wardrobe" idea. By that I mean there should be many occasions we can use any of our garments. They can always be changed

with scarfs, jewelry, additional collar and cuffs, etc., but always the same basic costume.

Changing the subject a little from buying clothes—but with all the baking you women will be doing this week, chances are you will have to give your oven a good cleaning after the week is over. One proverbial ounce of prevention to take is to roast your meat at a low temperature (325 F) for all meats except turkey and the temperature will be slightly higher. Your pies can also keep their juices inside if you use tubes in the top crust—stick macaroni does very well.

Even with the utmost care there is bound to be some spilling and splattering—one of the easiest ways to take it off is to use the new oven cleaner that chemically softens and loosens the burned-on grease. Spread the walls and bottom of the oven and leave it for several hours or overnight. Then wipe it off, and the grease and food come off. No more scrubbing.

JAMBOREE NEWS

A large and enthusiastic cast has its part well learned and is eagerly waiting for the cow bells to ring out and open the Kosciusko County Jamboree next Wednesday, Thursday and Friday nights, December 3, 4, and 5 in the Mentone High School gym at 7:31 p. m. Well over a hundred persons will take part over the three nights. Talent will be present from Silver Lake, Beaver Dam, Tippecanoe, Rochester, Plymouth, Burket, Akron, Bourbon, Mentone and other communities.

Brook Black, seen on WLS programs and also with Pee Wee King will do his dance numbers. Mary Drudge, champion baton twirler will give an exhibition. Rita Ringle, 5 year old entertainer from Plymouth will also be on the show. Bobby Clouse, also from Plymouth will do some clever tap routines.

Rodney Gobble in knee pants as Little Clifford and Opal Nellans as Aunt Idy will supply plenty of comedy. Gertrude Shinn will be Lula Belle and Miles Igo of Burket is to be Uncle Ezra. Jack Shinn, Junior Emmons, Guy Baker, Dale Wallace, Jr. Gordon Hackworth, Dick Parker and others will model the latest in ladies wearing apparel.

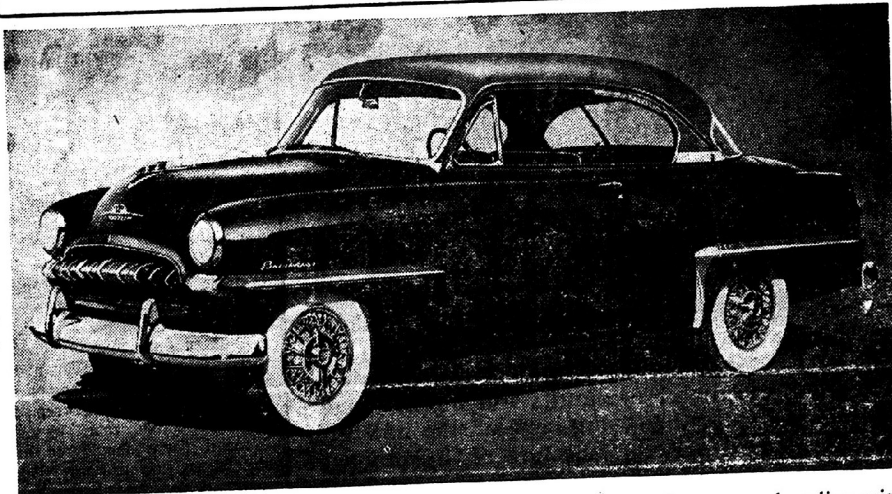

Vadis Ward, Frances Gobble, Geneva Emmons, Marilyn Baker, Bobby Wallace, Elnora Coplen and others will do a comedy act. The program is greatly varied and will consist of singing, dancing, music and comedy. Tickets may be purchased in advance from members of the American Legion Auxiliary who is sponsoring the event or members of the cast. Advance tickets are on sale at a reduced price. On Wednesday night all school children regardless of age will be admitted for children's prices. Mrs. Ward Williamson, president of the Auxiliary wishes to thank the merchants, cast, Co-Op. News and anyone who in any way have helped to make the show a success. Any new talent desiring to be on the program may do so by registering at the school gym at the rehearsal next Sunday afternoon at 1:30. For an evening long to be remembered, plan now to attend one or all three performances of the local entertainment. There will be changes made in the program each of the nights.

1953 AUTO TABS  
GREEN AND BLACK

The department of motor vehicles on December 1 will begin to mail out applications for 1953 auto licenses. It was announced today at the local branch office on West Market street in Warsaw, headed by Ernest Hauth. The applications will be mailed direct to the car owners.

As in 1952, motorists will not receive new plates, but just new tabs to be affixed to the 1951 black and white plates. The 1953 tabs will be green and black and will have a dull finish.

Plymouth's New Belvedere Hardtop for 1953

A new concept of automobile design in the low-priced field co-ordinates superb styling with advanced engineering developments in Plymouth's line of 1953 models. Here is the dashing Belvedere Hardtop. Interior tailoring and appointments blend harmoniously with its two-tone exterior colors. Even the steering wheel is color co-ordinated. Powered by the lively and dependable Plymouth engine with its increased rating of 100 horsepower and 7.1 to 1 compression ratio, the Belvedere is one of nine body styles offered in the 1953 line. Wire wheels shown are optional at extra cost.

COUNTRY NEIGHBORS

The Country Neighbors Club met Thursday, November 20, at the home of Mrs. Leroy Norris.

The meeting was called to order by the president, Mrs. Roy Maxwell. "America the Beautiful" was sung by the group followed by the pledge to the flag and club creed. Mrs. Clarence Pfeiffer read the 100th Psalm and also a Thanksgiving Theme for Devotion.

The history of the song of the month "For the Beauty of the Earth" was given by Isabelle Peterson. Members responded to roll call with a salad recipe.

For the safety lesson, Mrs. Martin Notz read two Poems. One serious in thought; the other, very humorous.

The lesson "Selection and Care of Floor Coverings" was given by Lavern Utter.

A contribution was given to the Tuberculosis Foundation.

Sunshine gifts were received by Dora Norris, Elma Zent and Helen Welty.

Bidders at Auction were Lavera Utter, Elma Zent, Bessie Gross, Thelma Peterson, Elnora Craig, and Sylvia Richardson.

A contest was held with Lisette and Helen Notz winning the prizes.

Guests present were: Mrs. Maurice Peterson, Mrs. Joe Boganwright and Mrs. Talford Richardson.

Refreshments were served at the close of the meeting by the hostess and co-hostess, Mrs. Dora Norris.

The next meeting will be our Christmas party at the home of Mrs. Joe Peterson.

### NEW PROPOSAL SUBMITTED BY STYLES BRIDGES

A "positive proposal on Korea," calling for a national policy to promote "the collapse of Communist power," has been submitted to the American people by the ranking Republican member of the Senate Armed Services Committee, Styles Bridges, of New Hampshire. The detailed plan, timed for consideration immediately after the election, is in the November issue of the American Mercury.

"We can't win in Korea," Senator Bridges declares, "but we can't withdraw to peace, so we can't withdraw at all. We have to stay, not in despair but with new resolution. We must stay as part of a world plan with one clearly proclaimed objective: the ultimate disarming of Communism."

The senator calls for a great national debate on what to do now about the Korean war. "This debate," he says, "must be conducted by patriots who are seeking neither partisan advantage nor the vindication of past position. The issue must be proposed action, and from this debate must come understanding and new national resolution."

Senator Bridges asks first for national agreement on what he calls the "fact" of the war. "We are at war," he says, "and we are likely to be at war for many years. The President we have elected will be a war President; our economy will continue to be a war economy. Our taxes will be high; and our sons will be drafted into the military."

"There is no parallel of latitude nor national boundary," he declares, "on which we can sign an armistice and go home. We are in a great world

power struggle which must end in the disarmament of our enemy or in defeat for America."

The senator has had a prominent role in all the disputes over our Asiatic policy including the MacArthur hearings.

He calls for national agreement on a second "fact"—the "fact" that China the heart of Asia, has been lost and can be regained "only on that day, probably distant, when armed Communism collapses in Asia and our idea prevails."

"Our immediate task," he sets forth, "is to understand, enumerate, and then to rally our Asiatic allies. And these allies, to the everlasting credit of America are numerous. For years we have heard little but talk about how many millions of Asiatics are arrayed against us. What we need to recognize now is that there are even more millions of Asiatics waiting on American leadership to be arrayed against Communism."

To implant his proposed policy for applying "maximum pressure against the Asiatic periphery of the Communist world," Senator Bridges makes these suggestions:

1. That there be no political restrictions of weapons in the field against armed Communists.

2. That all merchant ships bound for Communist ports in Asia be required to halt at Singapore, Manila, or Tokyo, so that their cargo can be certified as proceeding at our advantage.

3. That the Chinese Communist tyrants be required to live in fear of commando raids and armed rebellion.

"Has the time come when it can be said that American policy safeguards the sleep of tyrants?" the senator asks. "Our policy in Asia, as in the rest of the world, should never contribute to the security of Communist individuals or governments, but to their insecurity."

"When we get back to this policy," Senator Bridges insists in closing, "then the armies of Communism which now seem so formidable, will scatter as they have always scattered before individual resolution. In the age-old battle between the ordered phalanx of tyranny and the patriot crouched behind the tree with his musket, there should never be any doubt as to where America's sympathies lie."

#### Poison Ivy

Seventy per cent of the U. S. population is susceptible to poison ivy.

#### Judge's Pay

The chief justice of the United States supreme court receives \$25,500 per year.

## "BUT I PAID THAT BILL!"

Or did you?

If you paid with cash and lost the receipt you have no legal evidence. But if you paid by check, your cancelled voucher is proof, good in any court, that you have taken care of an obligation.

Pay by check and check on the Farmers State Bank. It's a good way to do business.
