## MABEL MAXWELL DIES

After several months illness with carcinoma, Mrs. Mabel A. Maxwell, aged 71 years, died at 10:15 p. m. Tuesday at her home two miles south of Tippecanoe.

Mrs. Maxwell was born Jan. 22, 1883, near Delphi, Ind., the daughter of Daniel and Ann (Shelly) Patterson, and was married to Wm. Maxwell 51 years ago October 14th. She was a member of the Tippecanoe Methodist church.

Surviving in addition to the husband are two half-sisters, Mrs. Cora Daniels and Mrs. Etta Daniels, Delphi.

Funeral services will be held at the residence at 12:30 p. m. Friday, Nov. 5, with Rev. Gordon Roose, officiating. Burial will be in the Zion cemetery, near Flora. The body will be taken to the home at 1:00 p. m. Thursday. The Reed funeral home is in charge.

## MENTONE READING CLUB

The Mentone Reading club held its October meeting at the home of Mrs. Denton Abbey, with Mrs. Guido Shirley assisting the hostess.

A 6:30 pot luck dinner was enjoyed by the group.

Following this, Mrs. Virginia Peterson, the new club president, had charge of the business meeting.

Miss Jackie Blue gave a most interesting account of her recent trip to Europe and showed a number of colored slides which she had taken while there. She answered a number of questions concerning the people and their attitudes. Her program was thoroughly enjoyed by the ladies.

## CLUB CALENDAR

Mentone Home Demonstration club will meet Thursday, November 11, at 1:30 p.m., at the home of Mrs. Leroy Cox.

Merry Mollys Home Demonstration club will meet Monday evening, November 8, with Mrs. Marion Smith.

Jolly Janes club will meet Monday evening, November 8, at the home of Mrs. Emma Clutter. Mrs. James Goshert will be co-hostess.

LORIN BURT BURNED  
SERIOUSLY STARTING FIRE

Lorin Burt, 28, Leesburg school principal and former instructor in the Mentone schools, is in a serious condition at the McDonald hospital at Warsaw suffering with first and second degree burns over the lower part of his body. The burns were suffered when he went to the basement of his home to start a fire in the furnace. Believing the fire was completely out, he threw in some coal oil and the resulting explosion threw burning oil over all his body except his face. Mrs. Burt (the former Geneva Gibson) ran to the basement and wrapped a blanket round her husband to extinguish the flames, but not before his pajamas were completely burned from his body, and his shoes were charred by the intense heat.

NATIONAL EDUCATION WEEK  
Nov. 7 to Nov. 13

Good schools are YOUR responsibility. The social events committee, under the direction of Mrs. Dawson, is sponsoring a special school visitation program for our Harrison township parents.

Parents, you are urged to visit the classrooms of your children. The school is your responsibility and your child will be the parent for tomorrow. So let's us see to it that our children get the best.

The following themes will be stressed:

Nov. 7—Ideals to Live By  
Nov. 8—Teachers for To-morrow.  
Nov. 9—Investing in Good Schools.  
Nov. 10—Working Together for Good Schools.

Nov. 11—Effective Citizenship.

Nov. 12—Teaching the Fundamentals

To-day.

Nov. 13 — How Good Are Your Schools?

"God in His goodness has given us time That we might invest it in man's upward climb.

Of course in the giving He won't specify Just how we must use it as years hurry by."

## P. T. A.

The following editorial appeared in the latest school paper. It is reprinted here for those who may have missed it:

## Are Children Important?

When businessmen invest thousands of dollars, do they turn their firms over to the employees with no further interest or concern? Or when farmers plant fields of corn, do they abandon the crop to nature until time for harvest? Of course they do not! Why, then, should parents turn their children (their most valuable possession) over to schools and school employees with no further interest or concern? Why do many school patrons fail to visit school, attend school functions, or work with other parents in the PTA? Can it be that the welfare and future success of their children count so little to them? Could it be that watching TV, visiting friends, completing home projects are of greater concern to some parents than supporting their children's education? Do parents stay away from the schools because no one has invited them, or because the teachers are not friendly or polite? Do parents miss PTA meetings because discussions about citizenship, reading, safety, health, testing or grading are not important? What are the answers to these questions? We wonder!

—Walter Kent

PTA will meet next Wednesday, November 10, at 7:30. We hope to have Miss Carolyn Whiteneck, the State Librarian for Schools, with us at that time.

The girls' chorus will entertain at this meeting also. Have you heard them this year? Mark this date on your calendar—November 10.

## WITHAM

Mr. and Mrs. Ned Witham are the parents of a six pound, four ounce son born Saturday at the Woodlawn hospital. The new son has been named Brad Lamarr.

## SINGSPIRATION AT BEAVER DAM

"Community Singspiration" will be held at Beaver Dam E. U. B. church Saturday evening, November 6, at 7:30. Rev. Edwin Cashman will be song leader. Election will be held. Everyone welcome.

BOGGS, BUTT, BLACKBURN  
WIN IN TRUSTEE RACES

In the election Tuesday, Earl Boggs was elected trustee of Harrison township, Lawrence Butt in Franklin and Fred Blackburn in Seward.

The voting was as follows:

Harrison—For trustee, H. Earl Boggs (D), 536; Albert M. Tucker (R), 433. Advisory board, Noah Tinkey (D), 511; Dean C. Nellans (D), 499; Ray O. Eckert (R), 479; Marshall Eaton (D), 470; Cassius Rovenstine (R), 458; Albert F. Orcutt (R), 436.

Franklin—For trustee, Lawrence W. Butt (R), 301; Lee E. Norris (D), 233. For advisory board: Deverl Jefferies (R), 315; Leo Adams (R), 312; Joseph Boggs, (R), 286; Elmer Hoffman (D), 231; Robert Sittler (D), 228; Leslie L. Welty (D), 216.

HALLOWE'EN—FOR THE  
WORLD'S CHILDREN

A grand total of \$43.56 for the world's underprivileged children was collected here last Friday evening. Mrs. Denton Abbey announces. It was through the initial efforts of Mrs. Abbey that plans got underway in our town to make Hallowe'en an occasion for raising money to benefit needy children in other countries.

The money our town and community donated, together with collections from other cities and towns all over the United States, is now on its way to aid in the life-saving work of the United Nations International Children's Emergency Fund.

What will our money do? Perhaps it will go to buy powdered milk for child feeding programs in South America. Or perhaps it will buy equipment for a maternal and child welfare clinic in Thailand. Or perhaps it will go to Honduras to aid in its fight against malaria. But however it's used it will, through UNICEF, better the desperate plight of some of the world's 500 million helpless, underprivileged youngsters. And children who have never heard either of Hallowe'en or our town will give thanks.

## feed Swift's Cattle Concentrate WITH CALOGEN

"Our cattle show a new kind of gloss and gain"—that's the good word for local feeders—if they feed Swift's Cattle Concentrate containing Calogen.

You can have these new results with just 1½ to 2 pounds of Swift's Concentrate per head per day. Compare the cost per pound gain with your former records and you'll get a welcome surprise. Swift's Feed puts on fast gain at low cost, thanks to Calogen, the new energy ingredient in all Swift's Feeds. With Calogen, less feed is needed for body maintenance and more goes for gain.

To benefit from Calogen, order Swift's Cattle Concentrate today. Give us a call or come in to see us right away.

**RAISING CALVES ON LIMITED AMOUNTS OF MILK**

The autumn season calls to mind a lot of jobs that must be done around the home. Leaves have to be raked, the car readied for cold weather, and garden vegetables harvested before

frost.

Fall has a special significance for every Hoosier. Take that dairyman down the road, for instance. To him, and many of his neighbors, fall is freshening time. He'll soon have a big job on his hands feeding and man-

aging valuable newborn calves. And it's mighty important these days that he put economical and satisfactory gains on his heifer calves.

E. A. Gannon, Purdue University dairy extensionist, offers a few suggestions to dairymen that should help

them lower costs of raising calves this fall and winter.

1. Make all changes in quality and quantity of feeds gradually.

2. Remember that calves do best on low testing milk.

3. Feed all calves individually.

4. Keep them tied for a half-hour after feeding to prevent them from developing the habit of nursing each other.

5. Remove grain and roughage not consumed each day.

These are just a few of the tips given by Gannon in a leaflet he has prepared. In this 8-page publication, dairymen will find a guide for feeding whole milk to calves. For a free copy, see your local county agent. Just ask for the leaflet on "Raising Calves on Limited Amounts of Milk."

## FARMERS LOSE MONEY BY BURNING SOYBEAN STRAW

Each year many dollars go "up in smoke" on numerous Indiana farms. Farmers who burn their soybean straw are wasting a great deal of money, according to Purdue University extension agronomists.

Soybean residue is a source of nitrogen and organic matter. These materials are a total loss to the farmer when the straw is burned. Eventually reduced yields and poor soil will be the end products if the nitrogen and organic matter are not replaced.

Total loss of nitrogen through burning of straw from a 30-bushel crop, at present fertilizer prices, amounts to more than three dollars per acre. If

bean straw is windrowed before it is burned, there is a loss of phosphate and potash on all but the windrowed areas. A total of five dollars per acre is lost in plant food alone. In addition organic matter which would serve as a mulch is lost.

Studies have been made at Purdue which measure the values of soybean straw in increasing crop production. Residues left in the form of leaves, stems, hulls and stubble have been valued at an average of about eight dollars per ton at present crop prices. This would be a gain of about ten dollars per acre for the residues from a thirty-bushel crop of beans.

With the prevailing practice of growing beans in rows, straw is kept to a minimum. Farmers who use a tan-

dem disc on soybean stubble report little if any trouble in drilling wheat. It is evident that farmers should put forth considerable effort in handling soybean straw in order to avoid serious losses, agronomists say.

Give serious thought to the selection of pictures for your home and choose those you like. They are a matter of personal taste and no critic can select them for you. Take time in your selection and you will have pictures that will give lasting pleasure, says Miss Vanis J. Deeter, Purdue extension home furnishings specialist.

Official checking of corn yields is getting underway to determine Five Acre Corn Club winners. Some 3,500 adults and juniors in 85 counties are enrolled in the contest. Purdue University agronomists anticipate championship yields in the northern part of Indiana, but much drouth damage is evident in southern portions of the state. For the most part, corn is well advanced in maturity.

## 4-H CLUB CHATTER

By Ruth Snellenberger

Dear 4-H Members and Friends,

Before giving information about division two of the home improvement project I believe, and I hope you agree, it might be well if I discussed division one a little more in detail.

Among the required work, which I listed before, was one, "Rearrange a bedroom to best advantage."

Now if I were to sit with a 4-H girl

to discuss possible rearrangement of her bedroom, I'd probably ask what activities took place there in order to determine needed furniture and the grouping thereof. Obviously enough, a bedroom is used for sleeping, so a bed is needed. Generally, too a girl would change clothing and store or hang clothing items. This would require a dresser or dressing table and chest along with either a wardrobe or a clothes closet. In addition to these activities a girl might do her studying in her room and/or writing; and she might have need for a relaxing or resting or reading area when some of the other family members entertain in the living room. This would require a comfortable chair, lamp, bookshelves or small table, and so forth.

The next question I would discuss with this 4-H girl would be to which furniture piece do you go more often when you go into your room? Very often, I believe, the answer would be to the dresser or chest of drawers, this gives reason for placing that piece of furniture as near the bedroom door and as close to the clothes closet as possible. If the piece of furniture involved is a dresser then availability of light, both from windows and electric lights, would need to be considered.

In discussing the placing of the bed with the 4-H girl, variation or improvement is often limited because of lack of wall space. For ease in making the bed it is best to place the head of the bed flat against the wall (I say flat because large pieces of furniture should be placed straight—not corner-wise) with space on either side enough to walk around. This placement will facilitate cleaning too. In a room with no wall space wide enough for a double bed it would be better to let it extend a little over the window than to place it across the corner.

Sometimes improvement in placing the bed can be made when due consideration of the first question discussed is given. Thus placing furniture pieces used most often near the bedroom entrance, one would not find herself walking all the way around the bed to put some article in a dresser drawer.

Suggestions for improving the closet or clothes storage area may be found in the home improvement bulletin and

in many magazines. Some of these the 4-H girl can do by herself; others will need the help of their father or brother. Many involve no greater expense yet help the girl in storing clothing items properly.

Proper and adequate lighting are essential for reading, study or writing areas. This I'd like to discuss at a later date in relation to the electric

project. Suggestions for these units and for the dressing unit will be discussed in division two of the home improvement project.

Girls who are considering taking the home improvement project should make plans now. If I can be of further help let me know.

'Bye now.

## METHODIST CHURCH NEWS

This Sunday is designated as Lay Men's Sunday in half the Methodist churches of Indiana. October 17 the other half of the area's churches observed the day. Had it not been for the Spiritual Life Mission in its North phase at that time, the observance would have been unanimous at one service. The local church service this Sunday will be directed by Raymond Cooper, charge lay leader, and the speaker, another layman, is David Paul Gosser. All members and friends of the church are cordially and urgently invited to attend. This is a layman's service; it is your service dedicated to the worship of God through Jesus Christ.

On Monday evening and Tuesday of this week fifty-seven wives of Methodist ministers of the Fort Wayne and Warsaw districts met at Pokagon State Park. Mrs. David Gosser attended and reports that the conference or workshop was highly inspirational and beneficial. It is hoped that a similar workshop will be held next year. Mrs. Richard Raines, wife of the area's bishop, was present.

Rev. David Gosser will be guest-pastor and speaker in the Unity Methodist Church of Indianapolis this Sunday through the following Friday, assisting the Rev. Clifford Shaub in the South Phase of the Spiritual Life Mission in that church. Information for emergency, contact may be obtained either through the parsonage, phone 165, or from Mr. Raymond Cooper, Charge Lay Leader, phone 58.

LIONS SPELLING CONTEST  
HELD SATURDAY EVENING

In the spelling contest conducted by the Mentone Lions last Saturday evening, Jerry Ryman, of Atwood, placed first in the fourth grade. Martha Nelson was second, failing in the 27th word she attempted to spell. Linda Baker of Talma and Gale Nellans of Tippecanoe were the other contestants.

In the fifth grade, Herbert Pollock of Atwood was the champion, with Susan Breil of Mentone second. Raymond Duzan of Talma and Nancy Fanning of Tippecanoe were the other contestants.

The sixth grade contest was represented by Don Carpenter of Tippecanoe and Donna Kay VanGilder of Mentone, with the Tippecanoe contestant going down on the first word.

In the contest between the three first prize winners, Herbert Pollock came out best. However, after it was learned that the word that eliminated Miss VanGilder had two accepted spellings, she was also given a prize check equal to that of the Pollock boy.

Those in charge of the contest had checked each word for any possible varied spelling, and even though the spelling texts did not include the variable spelling of "employees", the fact that modern dictionaries do give the spelling "employees" as also correct, it was thought only fair to award Miss

VanGilder equal honors and prize money.

# Mineral Supplements for Livestock and Poultry Feeding

By R. E. Gray

Reprinted from Feedstuffs of September 25, 1954.

Thousands upon thousands of dollars are lost annually by producers of meat, milk, wool and poultry because of inadequate mineral feeding. The loss usually occurs almost unnoticed. It may appear as a few pounds less gain in the feed lot; a calf lost now and then; less milk; or even a shorter wool clip.

Wide-awake feed manufacturers, animal nutritionists and producers know that minerals play an important part in the nutrition of livestock and poultry.

Adequate amounts of minerals in the rations are as important as the amount of protein, or any of the vitamins. They are necessary for growth and development of bone structure, as well as for many other functions relating to the over-all well-being of the animal. Many different minerals are normally present in animal tissues. Some are found in the animal body merely because they happen to be present as impurities in the feed, but are not essential to the well-being of the animal. However, there are certain minerals which are essential. These must be present in the ration.

Functions of the various minerals are rather well known. Calcium, phosphorus and magnesium are important constituents of bone, and are vitally necessary for bone growth in young animals. Calcium or phosphorus deficiency is evidenced by bone weakness. Iron, copper and cobalt are known for their relationship in the prevention of anemia. Iodine regulates the metabolic rate of the body (the speed at which the body burns up energy). Manganese is best known with reference to its use in the prevention of perosis in poultry. All are essential for rapid growth and maintenance of good health.

## Deficiency Slows Growth

A deficiency of any one slows growth rates and may have the following specific effects: With inadequate mineral feeding, milk production can go into a drastic slump. Mineral deficiencies during breeding seasons may cause failure to conceive or promote abnormal embryo development. Still-borns, early deaths in lambs, pigs and calves are common, too. Mineral deficiencies in calves on the range lower their resistance to the point that they easily contract diseases that retard growth or even lead to death. A deficiency of any one mineral in the ration hinders utilization of the other nutrients.

The mineral content of livestock rations varies greatly. This is only nat-

ural considering the great variation in roughage crops used, climatic conditions, variations in the soil, etc. There are a number of areas in the country in which the soil lacks one or more of the essential minerals. Vegetation grown on that soil is also deficient in those minerals.

## Free-Choice Feeding

Free-choice feeding of a complete mineral supplement is the best way to assure an adequate supply of essential mineral elements. Animals of the same breed on the same feed will vary in their mineral requirements. Limiting any one of the essential minerals cuts the efficiency of the total ration. Free-choice feeding of mineral lets each animal balance its individual requirements.

Present-day commercial mineral mixtures are modifications of the more-or-less standard formula formerly recommended by many of the state experiment stations—bone meal 40%, limestone 40% and salt 20%. This formula has been improved by the addition of trace minerals, and by adjustment of the phosphorus content to supplement various types of rations.

The need for balanced rations, including all necessary trace minerals, has become extremely important because of the more intensive feeding of livestock and the much greater performance expected. Feeders today want every element in their feeds that is going to make their animals top notch producers and not just "hay burners."

A few years ago it was discovered that mineral mixtures could be compressed into blocks for range and feed lot cattle feeding. This overcame many of the objections to the old powdery, dusty mixtures—no loss from wind blowing, no objectionable odors, more palatable, more convenient to handle, no dust problem, etc. However, detailed research was necessary in developing a satisfactory block. It had to be hard enough to withstand ordinary weathering conditions without dissolving or disintegrating. At the same time, the block had to be soft enough to be consumed by the cattle. Palatability was an important factor.

## Mineral Block Perfected

Today the mineral block has been perfected; is well accepted; and is receiving widespread usage. When the block is first made available to cattle that have had inadequate amounts of mineral in their previous rations, the daily intake may be somewhat above normal until the animal makes up this shortage. After the proper mineral bal-

ance is established, the animal will consume only the amount of mineral needed to maintain this balance.

The so-called "granular" minerals have been improved also. They are now less powdery, with dust reduced to a minimum and palatability increased considerably.

Bone meal has long been a favorite source of phosphorus for mineral supplements. It is highly palatable and readily digested by the animal. However, as the manufacture and sale of mineral supplements increased, it soon became evident that there were not sufficient amounts of bone meal available to meet the needs. It was necessary, therefore, to resort to the use of inorganic sources of phosphorus. Of these sources, dicalcium phosphate and de-fluorinated rock phosphate have been found to have the most economical value and are the most comparable to bone meal in nutritive value. Large amounts of these inorganic materials are now being used. For those feeders who prefer bone meal to these inorganic products, mineral mixtures containing over 50% bone meal by weight as the only source of phosphorus are available.

## Special Purpose Mixtures

Considerable use has already been made of general purpose feed concentrates and mineral mixtures. At best, these general purpose feeds were compromises. Just as there has been a distinct trend in the formula feed business towards special purpose feeds and concentrates, there are now appearing several mineral mixtures designed for special purposes—one for range cattle—another for feed-lot cattle, a third for hogs, etc. These special purpose minerals are designed to supplement the usual rations fed to these various types of livestock in the most efficient and economical manner.

They contain the proper amounts of calcium, phosphorus and the trace minerals to balance the rations for livestock on range, livestock in the feed lot, hogs, etc.

On the range, where cattle are not fed on grain, added phosphorus is most important to the feeds to compensate for the low phosphorus content in the

natural growing forages.

And as we move into the feed lots and dairy barns to feed more and more grain and less forage, the requirement for added calcium becomes acute. We also have relatively less need for added phosphorus.

With hogs being primarily grain fed, with practically no forage at all, this mineral balancing is carried one step farther. Phosphorus is decreased and added calcium is increased in the mineral supplement. Hogs have a greater portion of grain intake, thereby lessening the amounts of phosphorus needed from added mineral.

Mineral supplements in granular or block form, are recommended for free-choice feeding. It is usual to recommend that additional salt also be fed free-choice. Most livestock have the inherent capacity to eat only as much of the mineral as is required to fulfill their requirements. If they have been on a mineral deficient ration previously, they instinctively consume larger amounts of the mineral, but only until this deficiency has been made up.

## Cost Is Reasonable

Cattle consume on the average about 1.5 oz. of mineral per head per day, including that which is present in the concentrate which is fed to them. The mineral, whether in granular or block form, should be near the source of other feed and water. Granular mineral should be protected from the weather whenever possible, and the supply could be replenished frequently.

The cost of adequate supplemented mineral for dairy cows and beef cattle is less than \$3 per head per year. For lambs and ewes the cost is around 70 cents. This is the cheapest insurance a producer can buy to help his dairy cow give him a healthy calf crop every year and a maximum number of days of high milk production. The same holds true for ewes and lambs, sows and pigs, beef animals and poultry.

The cost of the mineral to the producer is usually not more than 0.1% of the selling price of the feed.

The old adage still holds true: "Great things often come in small packages."

It's Swift's Mineral Supplement. It contains ten essential elements which are absolutely necessary to keep all your livestock—cattle, hogs, sheep and poultry—in thrifty, productive condition.

We have a good stock on hand right now. You'll be wise to order your requirements today. And your low-cost gains will pay the cost—plus a real profit.

## VISIT DEWITT HATCHERY

A group of Northern Indiana Poultrymen last Thursday saw at first hand the workings of a large hatchery.

They were the guests on an all-day visit to DeWitt's Zeeland Hatchery at Zeeland, Michigan. Starting from New Paris in a bus supplied by the company, they drove to Zeeland, had a turkey luncheon and attended a short program. Slides showing various phases of the poultry industry were shown and talks were given by Dick and Jack DeWitt, owners of the DeWitt's Hatcheries.

Following this the group visited the various DeWitt plants at Zeeland and

Holland.

Included in the group were Harold D. Nelson, Rex Witham and Bob Flenar of Mentone; Frank Lindemann and Mr. and Mrs. Theo Cripe of New Paris; Ira Hoover and Junior Linebaugh of Goshen; Herb George of Wakarusa, and Levi Schwartz, William Graber, Mr. and Mrs. Otho Stine of New Paris.

## NUT GROWERS

## SEEK NEW SEEDLINGS

There are many good seedling native fruit and nut trees yet undiscovered, says W. B. Ward, department of horticulture, Purdue University. The general public, when nutting this fall,

could be of great service to the horticulturist, hobbyist, and members of the State and National Nut Growers Associations if they will report their good find to some member for future classification.

Ward advises that some of these seedlings could be superior in quality, yield and production over the standard present day sorts. An exceptionally large black walnut was found last year, as a result of activities from nutting experiences. Also found by nutting parties were three new seedling pecans, hardy for most of Indiana, and four seedless persimmon fruits. The largest native persimmon tree known was located in southwestern Indiana;

a tree over 13 feet in circumference and probably 80 feet in height.

You should have the owner's permission before picking any nuts, says Ward, and locate the tree by farm owner or road. You should be sure to examine the fruits for quality, thickness of shell, size and ripening period.

A state nut show will be held in connection with the annual Student Horticultural show at Purdue University, November 5-7. Anyone finding an extra good nut is invited to exhibit at the show.

## DAIRY ACHIEVEMENT BANQUET TO BE HELD NOVEMBER 16

Charles Smoker, president of the Kosciusko County Dairy Association, announces that the annual dairy achievement banquet will be held on November 16. This will be the ninth consecutive year in which the dairy association has held a celebration to honor outstanding accomplishments in the dairy field. Dairy farming brings an annual income of three and a half million dollars to Kosciusko county and plays an important role in keeping the county high in agricultural income.

The banquet will be held in the National Guard Armory and will feature a Jonah Club fish fry, entertainment, and presentation of awards. Seventy-five people are working on the committees for the event. The program committee is composed of Harold Gawthrop, Jack Beebe, Harold Wilson, David Poor and Arden Warner. Carl Gawthrop, Joe Clark, Lester Gay, Er-cell Wright, Howard Thompson and Eldon Clayton are receptionists. The eats committee members are Mr. and Mrs. Emra Stookey, Mr. and Mrs. John Pfahler, Mr. and Mrs. Dale Atkinson, Mr. and Mrs. Harry Mishler, Mr. and Mrs. Roy Merkle, and Mr. and Mrs. Kenneth Miller. ### MENTONE LEGION AUXILIARY

Twenty-two members of the Mentone Unit 425, American Legion Auxiliary, met at the Post Home on Tuesday evening, October 12, for the regular business meeting and installation of officers.

Installation ceremonies were held first, with Nell Reed acting as installing officer. Following the ceremony, the past president's pin was presented to Ethel Wagner. The new officers then took charge of the business meeting.

Overseas Boxes for our local servicemen will be packed at the next regular meeting. Each member is urged to attend and help with this project.

Plans were discussed for sending boxes of treats as well as clothing to our orphans at the Knightstown Home. Emma Clutter is Knightstown Home chairman and any member interested in contributing things for these boxes, please contact her.

The Second District meeting will be held Wednesday, November 10 at Silver Lake. All those interested in attending this meeting, please contact Jean Rodibaugh by Thursday, November 4.

The next unit meeting will be at the Post home on Tuesday, November 9 at 7:45.

# D. A. R. ENTERTAINED AT MAX SMITH HOME

The Anthony Nigo chapter of the Daughters of the American Revolution held their October meeting at the home of Mrs. Max Smith with Mrs. Vera Kelley as assisting hostess.

The ritualistic service was conducted by the chaplain, Mrs. Gill, followed by the pledge of allegiance to the flag.

A short business session was conducted by the regent, Mrs. Drudge.

The President General's message was read by Lena Igo.

Mrs. Frank Smith, acting as page, gave us a brief talk on the state conference held in Indianapolis.

The program for the evening was in charge of Jackie Blue. She showed her beautiful colored slides of her European tour which we all enjoyed very much.

During the social hour we held our auction after which the hostesses served dainty refreshments.

## PSI IOTA XI

On Tuesday evening, November 2, thirteen members of Psi Iota Xi Sorority met at the home of Mr. Curtis Riner for our monthly business meeting.

The meeting was opened by repeating the opening.

Several items of business were discussed and agreed upon. We have decided to have a ham and bean supper in December.

Those present were: Mrs. Harold Utter, Mrs. Cecil Long, Mrs. John Boggs, Mrs. Tom Wawk, Mrs. Ralph Ward, Mrs. Dale Cook, Mrs. James Rodibaugh, Mrs. Iris Anderson, Mrs. Kenneth Simcoe, Mrs. Forrest Miner, Miss Jackie Blue, Miss Barbara King and Mrs. Curtis Riner.

Mrs. Iris Anderson received the door prize.

The meeting was then adjourned by repeating our closing and lovely refreshments were served. The next meeting will be November 16 at Petersons Lunch. Please note the change of place.

## THE NEW DESOTO

It's coming Wednesday, November 17! Yes, the sensational 1955 De Soto arrives at Cox Motor Sales Wednesday, November 17. You'd hardly expect so much-so new. De Soto has the freshest, cleanest body lines you've ever seen: Longer, lower and wider in the right places. The newly styled and designed interiors—include a revolutionary new instrument panel . . . luxurious fabrics . . . beautiful patterns and colors . . . all in stunning color harmony. And to top it off . . . the '55 De Soto is loaded with more power! See all this and more. See the new 1955 stlyed for tomorrow DeSoto Wednesday, November 17 at Cox Motor Sales.

Mr. Cox was in Detroit last Friday looking over the new 1955 De Sotos.

# TRADING AT HOME PAYS

The other day your editor priced an item in a store in a neighboring town—then drove home and bought three of the same items for 35c less for each one, in a local hardware store. In addition to the \$1.05 saving, the money remained in the town to help make more wages and business for others and help to make it possible for the firm to give even greater service to me in the future.

You not only save by trading at home, but you spend less for the non-essentials always present in the bigger stores—and you deal with friends that will always treat regular customers nicer.

## CARD OF THANKS

We wish to express our heartfelt thanks to our many friends, neighbors, merchants of Mentone and the Royal Neighbors Lodge for the many deeds of kindness, flowers and prayers. They have meant so much.

## THANKS

I wish to thank those who voted for me in the general election. Your support was greatly appreciated. I extend my sincere congratulations and best wishes to H. Earl Boggs.

ALBERT M. TUCKER.

The vote tabulations in the three voting precincts were as follows:

	Boggs	Tucker
Atwood (No. 1)	165	126
Mentone (No. 2)	246	183
Palestine (No. 3)	125	124

## LOCAL NEWS

Maggie Dille is suffering quite a lot with an injury she received last Saturday.

Mrs. William Mahoney, Mrs. Lester Anglin, Mrs. William McFadden and Mrs. John Shaffer, shopped in Plymouth Tuesday afternoon.

Mrs. Ross Scott, Mrs. Clayton Holloway, Miss Ethna Scott and Mrs. John Shaffer, spent Saturday afternoon in Warsaw.

Dr. Jon H. Routh and family have returned to Mentone from Texas. He spent the last six months taking a refresher course in surgical pathology at the Memorial Hospital in San Antonio and visited the Leprosarium at Carville, Louisiana, on the return trip.

The four exchange students who have been staying in the county the past 60 days, left today for Washington, D. C. on the first leg of the return trip to their homes.

Drip dry cottons with embossed finishes or surface designs to keep them looking new after they have been laundered, recommends Mrs. Lottie E. Sumner, extension clothing specialist at Purdue University. Wash cottons in lukewarm water and mild soap. Rinse well. Squeeze or press water from them, don't wring. Hang on a hanger and let them drip dry. Finger press along collar edges, hems and seams, so you won't need to do much ironing. Should pressing be necessary, when the garment is dry, press with a warm, not hot, iron on the wrong side of the dress.

Brakes are one-tenth as effective on icy roads as on dry pavement, says the Chicago Motor Club. So, for safety in winter, drive more slowly. And, if possible, apply brakes before hitting an icy stretch or curve.

Use a soft brush to remove crumbs from the electric toaster, recommends Miss Gertrude Monhaut, extension home management specialist at Purdue University. If you turn the toaster upside down and shake it, the wiring may be disarranged.

# Feed for Low Cost Beef

**MUCH RESEARCH** has been done since the decline of beef prices to prove the soundness of using low grade rations to produce cheap gains on beef cattle.

We are now in position with our new equipment to help you take advantage of these new methods.

We recommend the following ration for feeder cattle 500 pounds and over:

600# EAR CORN  
800# COBS plus grinding and processing  
300# MOLASSES and Mixing  
300# 44% CATTLE SUPPLEMENT with UREA  
2000# at \$4.38 Complete.

Cattle will consume approximately 2% of their body weight daily of this ration and make good daily gains.

Feed prices are at the Low Now. We suggest you order to cover your needs NOW!

## SCHOOL NEWS

### Four New Pupils Enroll Monday

Mentone School's enrollment was increased by four on Monday when two new families moved into the community. Max, seventh grade, and Steven, fifth grade, are the children of Mr. and Mrs. Franklin Hively. These children formerly attended school at Leesburg. The two children of Mr. and Mrs. Ed Banghart transferred from West Ward at Warsaw to Mentone; Gregory is in the second grade and Joseph is a pupil in the fourth.

### Junior High to Open Basketball Season

The seventh and eighth grade teams will begin a fourteen game schedule on Thursday evening after school when they meet the Etna Green teams in the local Gym. Prospects in the seventh and eighth look very bright this year. Mr. Hoogenboom has a number of tall boys and several with considerable speed. The junior high plays all of its games on Thursday after school.

### Hallowe'en Party a Success

The high school Hallowe'en party put on by the student council proved a success. About seventy-five pupils attended. The movie proved enjoyable. Following the film, games were organized by Mr. Hoogenboom and Mr. Hoffman with help from James Manwaring, Dorothy Kendall and Fred An-

derson. The refreshments were prepared and served by Mary Teel, Esther Markley and Iris Anderson. Wayne Tombaugh watched the cars from pranksters and did such a good job that not one car was bothered. Music for dancing had been taped. The party ended at 11:00.

### Bulldogs Ready for Opening Game

The Mentone Bulldogs are looking forward to the opening basketball game on Friday evening. The second team game will begin at 7:00. Doors will open at 6:15. The band will play between games with the first team game getting underway at 8:30. Booster tickets will be honored for the same section as last year. Season tickets will be on sale at the door. These tickets, however, do not provide reserved seats. Mentone yell leaders this year are for the second team: Leah Nell Lemler, June and Janet Romine. First team yell leaders are Betty Griffiths, Sandra Witham, Dee Wagner. Wayne Tombaugh will keep score, Ralph Hoffman keep time, Mrs. Dawson supervise the junior store, and other teachers will help with ticket selling and supervision.

### Freshman Party at Rock Lake

The members of the freshman class enjoyed a roller skating party at Rock Lake on Tuesday evening. Those attending went by school bus to the rink. Mr. Kelley, class sponsor, drove the bus.

Students Attend Congress at Warsaw  
On Friday, November 5, six Men-

tone High School students will participate in the student congress to be held at the Court House in Warsaw. All schools of the county are participating in this event planned by the social studies teachers. Mr. Hoffman is faculty representative from Mentone. Those who will attend are Sheila Fitzgerald, Connie Doyle, Bill Nellans and David Gosser, seniors, and Dick Tombaugh and Orpha Kurtz, juniors. David is a committee chairman. Sheila will introduce a bill to change the term of office of U. S. representatives. Bill will introduce a bill to mark all Kosciusko County roads.

The elementary rooms had enjoyable Hallowe'en parties last Friday afternoon from 2:00 to 3:00. Several mothers visited school and helped with the parties. Following the annual custom the elementary students were

masked and marched through the various rooms.

The elementary teachers met after school on Monday to discuss the proposed library for the Mentone School.

### LAST OF THE FARM PICTURES

The issue last week completed the first year's service of the farm pictures and there will be no more until the photographers take a new set for us. Our contract has been renewed and in the near future we will have another set of pictures to publish. Perhaps your farm will be pictured in the next series, if we failed to get yours during the past year.

The farm pictured in our last issue has been identified as that of Merl Ulmer. Dr. Urschel, E. M. Ulmer and Mrs. Dale Smith called to identify it. The picture printed in our issue of October 20th was the farm owned by Roy Mellott, and is located four miles north. General farming of corn, soybeans, etc. is conducted on the 60-acre tract, in addition to the raising of cattle.

Mr. and Mrs. Mellott are the parents

of the following children: Mrs. Ruth Fretz, Fred Mellott, Harry Mellott, Glen Mellott, Mrs. Eugene Kinch and Mrs. Mary Aker.

Fall plowing is a good practice where there is little danger of soil erosion. Purdue University specialists say that nitrogen fertilizer may be plowed under safely on silt loam soils after late October. The nitrogen in such cases should be in the ammonia form to avoid leaching.

Mrs. Zolman was the former Maud Touse. They have four children: Mrs. Alfred Mock of North Webster, Emerson of Columbus, Ga., Wayne of Tippecanoe, and Carl of Mentone. They also have seven grandchildren and one great-grandchild.

**FIRE AT MOLLENHOUR PLANT MONDAY NIGHT**

A serious fire was averted Monday night at the Mollenhour Lumber and Manufacturing Plant at Mentone. Kenneth VanGunday, who lives in a small building on the grounds, went to the plant for a bucket of water about nine o'clock and found the factory building so full of smoke he couldn't enter. He called Mr. Wallace and Mr. Mollenhour and within a very few minutes the building burst into flames inside. However, it soon stopped blazing, but the smoke was so bad that the Mentone firemen had difficulty getting into the

building.

Three automatic fire extinguishers were credited with suffocating the fire before it burned to the outside.

Investigation disclosed that an electric light may have started the fire.

Actual fire damage was limited, but electric wiring was ruined and some of the machinery was heated and soaked. Several windows were blown out, and all the wood materials on hand for cheese boxes were made of no value for packaging cheese. No dollar estimate of the damage has been given.

The Wayne township tanker was called to Mentone, but it was not needed.

**HAS PRODUCTION PART ON FINE YEARBOOK**

Northfield, Minnesota—Charles Urschel, sophomore at Carleton from Mentone, was photographic editor of the 1954 Algol, student yearbook. Information has been received by the editors that the Algol has been awarded All-American rating by the Associated Collegiate Press and the National Scholastic Press Association for the second year. Especially praised were the concise written material and the artwork. The citation read in part "Congratulations on a fine book that sparkles with personality and individuality . . . coverage and copy outstanding."

Urschel is a graduate of Mentone High School and the son of Dr. and Mrs. Dan L. Urschel, Mentone.

**C. S. SHOEMAKER DIES AT AKRON**

Cecil Shoemaker, 71, lifelong resident of Akron and the surrounding area, was stricken with a heart attack Friday and died almost immediately. The seizure came while he was moving some furniture into his new home in Akron. He had been in failing health for the past two years.

He was born Aug. 8, 1880 in New-castle township to Thomas and Anna Jefferies Shoemaker. In 1900 he was married to the former Edna Bradley who died in 1937. His second marriage was to the former Viola Rhodes on Dec. 23, 1939. He was a retired farmer and attended the Olive Bethel church south of Mentone.

Survivors in addition to the widow are two sons, Ralph of Akron and Ernest of Tulsa, Okla.; one daughter, Mrs. Martin Tarnow of South Bend; a sister, Mrs. Harry Ellsasser of Mishawaka; seven grandchildren, and seven great-grandchildren.

Funeral services were held Monday afternoon at two at the Olive Bethel Church of God with Rev. Carter Cummins in charge. Burial was in the IOOF cemetery at Akron.

**REWARD OFFERED**

An anonymous citizen has posted a \$25 reward for information leading to the arrest and conviction of anyone guilty of vandalism at the Mentone cemetery. The money is in the hands of M. O. Mentzer.

The photo above is one taken of George Reed while he was in the navy in 1944. Mr. Reed was killed in an auto accident a week ago Sunday.

In our news article last week we had some of the information incorrect. He was born in Chicago Heights, Ill., and was married to Alice Bagdon of Chicago. One of the sisters was Mrs. Mary Carnahan of Naperville, Ill.

## TO SET CLOCKS AHEAD BY MIDNIGHT SATURDAY

It seems folks have been having a time with time here of late, and it has finally caught up with Mentone. The industrial workers — when they went back to Standard time this fall — found they all had to go home after dark when driving conditions are most dangerous, and they got the idea that there might be a remedy. The resultant discussion, polls, etc. found that with very few exceptions, most folks preferred the faster time.

Mentone—regardless of its sentiments—is merely a victim of circumstances, and when the county seat agreed to use the faster time, could do nothing else but follow suit. Town officials, by telephone and direct questioning, asked a number of people their opinion, and almost to a person, the answer was fast time. The board has no intention of regulating the lives of the citizens in such matters, but to eliminate as much confusion as possible, they announce that at midnight Saturday, Nov. 13, we will move our clocks ahead one hour.

Mentone is rather fortunate in that it is about in the middle between Central Standard and Daylight Saving time as far as the sun is concerned. On one we are about 29 minutes slow and the other about 31 minutes fast.

## AGNES ROBINSON

### WEDS ORVIN MILLER

Agnes Robinson of Rochester, became the bride of Orvin E. Miller of Etna Green, on Oct. 30 at 2:30 p. m. in Syracuse.

The double ring ceremony was performed by the Rev. John Schroeder, pastor of the EUB church. The couple was attended by Mr. Miller's sons, Ned E. Miller of Mentone and Herbert Miller of Elkhart.

A reception was held in the groom's home following the ceremony. Guests were: Mrs. Herbert Miller and daughter, Mrs. Ned Miller and daughter, Mrs. Paul Waggoner and Mrs. Pauline Shriver, all of Rochester; Mrs. Robinson and daughter and Mrs. John Schroeder.

Mr. Miller is a retired rural mail carrier.

Mrs. John Shaffer attended the funeral of Mr. James Thompson of Packerton, Tuesday afternoon.

## CLYDE WARD DIES AFTER LONG ILLNESS

Clyde Ward, 72, a retired farmer, died at 1:30 p. m. Thursday at his home northwest of Mentone. Death was attributed to complications of a five-year illness.

Born in Marshall county Aug. 6, 1882, the son of Morgan and Ellen (Horn) Ward, Mr. Ward had spent his entire life in Marshall county. On May 25, 1901, he married Cora Flory who died in 1918. He was a member of the Baptist church and the Odd Fellows lodge at Tippecanoe.

Survivors include four sons, Don of South Bend, Melvin of Tippecanoe, Ed of near Tippecanoe, and Ralph of Mentone; four daughters, Mrs. Ethel Snider of near Mentone, Mrs. Edith King of Bremen, Mrs. Ruth Bowles of Eagle River, Wis., Mrs. Jeanette Griffin of Tucson, Ariz.; 19 grandchildren; eight great-grandchildren; one brother, Bruce, of Niles, Mich.; one sister, Mrs. Mark Reddinger of Argos; two half-brothers, Coy of South Bend and Rea of near Tippecanoe; one half-sister, Mrs. Martha Kesler of South Bend.

Funeral services were held at two o'clock Saturday afternoon at the Johns funeral home with Rev. David Gosser officiating. Burial was in the Mentone cemetery.

## HOME FROM VETERANS HOSPITAL

Dewayne Horn was able to return home last week end after being a patient in the Veterans' hospital in Fort Wayne following major surgery about five weeks ago. Dewayne underwent a very serious mastoid operation, but is making fine recovery.

## MRS. ADDIE MORRIS DIES AT TALMA

Funeral services were held Tuesday afternoon at 2 p.m. in the Zimmerman Bros. funeral home in Rochester, for Mrs. Addie Morris, 86, of 400 Indiana Avenue, Rochester. She died at 4 p.m. in the Dick nursing home at Talma. Mrs. Morris had been in failing health for several years and a patient in the nursing home for the past week. Burial was made in the IOOF Cemetery at Rochester with Rev. James Kimsey in charge.

She was born October 15, 1868, in Lockville, Ohio, to Ira and Elizabeth Laudabaugh Reber. On December 31, 1896, she was married to William F. Morris at Rochester. Mrs. Morris was a member of the Rochester Christian Church. She had resided in Rochester for 48 years.

Survivors are: two daughters, Mrs. Ben Vernon, of Rochester, and Mrs. Maude Whitney, of South Bend; a brother, William Reber, of Elkhart; a sister, Mrs. Cora Reber, of Rochester; seven grandchildren and four great-grandchildren. A son, Ralph, died in 1930.

## ALDA MAY ARNOLD DIES AT HOSPITAL

Mrs. Alda May Arnold, of near Talma, died at midnight Saturday, in Woodlawn hospital at Rochester.

She had been in ill health for the past two years. All of her life had been lived in Fulton county.

She was born January 4, 1880, in Rochester, to George and Catherine Gregson. On April 3, 1897, she was married to Samuel Arnold, in Rochester. She was a member of the Rochester Christian Church.

Survivors are: her husband, at home; two sons, Joe Aronold, of Logansport and Ralph Arnold, of Denver, Colorado; a sister, Mrs. Cora Rogers, of Rochester; six grandchildren, seven great-grandchildren and several nieces and nephews. Six sisters and two brothers preceded her in death.

Final rites were held Tuesday afternoon at 1 p.m. from the Foster funeral home at Rochester, with the Rev. James E. Kimsey in charge. Burial was made in the IOOF cemetery at Rochester.

Curt Nellans remains about the same.

**BAPTIST CHURCH NEWS**

The pastor and wife returned last Saturday from a revival campaign at Kalkaska, Michigan. The meeting was held in the church of which Rev. Frank Brower is the pastor. You will remember that the Browsers were with us in our meeting earlier this fall.

God wonderfully blessed in the meeting in Kalkaska. There were 14 conversions and 17 Christians came to the altar for a full surrendered life to their Lord and Saviour Jesus Christ.

We are desperately in need of revival in our land in general and in our town in particular, and as pastor of The First Baptist Church of this community I appeal to every born again individual to turn to God in repentance and prayer for revival of your own heart. That you turn to the Holy Scriptures as your only and all sufficient guide for faith and practice. We need to become doers of God's word instead of just hearers. I have seen God move in revival in my former pastorate and see evidence of His desire to move in revival in Mentone, therefore I appeal to every true child to pray for personal revival.

You are always welcome at the Baptist Church. The pastor is bringing a series of sermons on the book of the Revelation on Sunday evenings.

## HERE'S HOW PRUDENTIAL LOANS PROTECT YOU

### LOW COST

No appraisal fees. No loan fees. No commissions. A low interest rate.

### NO DEDUCTIONS

Prudential farm loans give you the FULL amount you apply for. There are no deductions of any kind from the loan proceeds.

### FITTED TO YOUR FARM

Prudential loans fit YOUR preferences—YOUR needs—YOUR farm operation. Ask about Prudential's Flexible farm loan plans.

### FAIR APPRAISALS

Prudential appraisers live in your territory and know its values. You have the benefit of a fair appraisal based on a sound knowledge of the value and earning power of your farm.

### PLENTY OF TIME

Up to 40 years if you want or need that long. Time to build up your soil and improvements. You may not need a long time but the protection of time is yours if you need it.

### CONSISTENT LENDING

Prudential is not a "fair weather" lender. It loaned constantly during the depression years and has been making farm loans since 1898.

### FAIR TREATMENT

Prudential will always extend fair and sympathetic treatment to the farmer sincerely interested in owning his farm. "Carrying on" with farmers during hard times has always been an essential part of Prudential's farm loan policy.

### PREPAYMENT PRIVILEGES

Liberal prepayment privileges are available to the farmer who has a Prudential loan. Advance payments on principal may be used to meet current installments if needed.

### EMMA CLUTTER ENTERTAINS

#### JOLLY JAMES CLUB

The Jolly James Home Ec. club met Monday night November 8 at the home of Mrs. Emma Clutter. The meeting was opened by singing "America the Beautiful" and repeating the club creed. The meditation was given by Mrs. Loren Tridle. The song of the month was "Come Ye Thankful People." The lesson, "Table Wise Buys," was given by Mrs. Raymond Lewis. Response to roll call was: "What I am most thankful for."

During the business session, a co-hostess and program committee was appointed for our December meeting, which will be at the home of Mrs. Harold Utter. The meeting was closed with the club prayer song and club collect.

There were fifteen members present. Mrs. Harold Markley won the door

prize and Mrs. Albert Hatfield, Mrs. Del Nelson and Mrs. Walter Kent received birthday gifts from their secret pals. Delicious refreshments were served by the hostess, Mrs. Emma Clutter and co-hostess, Mrs. James Goshert.

Thirty thousand Illinois and Indiana high school students this fall are learning the techniques of safe driving in driver training classes. Safe driving—not taking chances—is a good technique for drivers of all ages, says the Chicago Motor Club.

You can get more from your sheets, pillow cases and towels if you use them in rotation, according to Miss Gertrude Monhaut, extension home management specialist at Purdue University. Each time you launder them, you should put the freshly laundered ones on the bottom of the pile.

### Bourbon Downs Mentone

A number of Mentone fans left the gymnasium last Friday evening with a feeling of disappointment as the Bourbon basketball team defeated our Bulldogs 51-32. Not only did the local boys get off to a losing start, but the record of no losses in the new gym was broken. The second team fared better winning 28-32 after holding a 19-4 edge at the half. The first half of the varsity game proved very close with Bourbon holding a 23-20 lead. However, in the third quarter Bourbon gained a lead which could not be overcome. Boggs scored well for Mentone; Price was the leading scorer for Bourbon. This Friday the two teams travel to North Webster. Since North Webster is on fast time, the second team game will begin at 6:30 CST. The fan bus will leave at 5:15.

### Junior High Wins Two Games

Mentone proved too strong for the Etna Green junior high teams last Thursday as the local boys won both games. The eighth grade game ended 12-11. This Thursday the 7-8 grades play at Burket.

### School Observes Education Week

This year the students have been observing American Education Week in several ways. Each morning at 9:00, the high school pupils meet in the assembly

for a short program explaining the theme for that day. On Thursday morning, Miss Jackie Blue will show her slides and talk about her recent trip to Europe. The Speech Club under the direction of Mrs. Dawson, presented a radio play on WRSW on Monday evening. A number of parents have visited school this week.

### County Choral Festival at Pierceton

On Sunday at 3:00 in the Pierceton gym a combined chorus from the various schools will present a musical concert. It is anticipated that over 400 pupils will take part in the program. The Mentone Girls' Chorus under the direction of Mr. Whitehead will present a special number. The girls sang a special number at P.T.A. on Wednesday evening.

Roberts Studio of Fort Wayne took pictures of Tuesday of this week. The pictures taken two weeks ago were unsatisfactory because of low line voltage.

Margaret Coehran entered the eleventh grade on Monday. Margaret transferred to Mentone from Talma.

The number eating at the cafeteria remains very steady. This week there are 249 eating each day.

Leah Nell Lemler fell into the bleachers during physical education class on Tuesday, cutting her right ear. It was necessary to take five stitches to close the wound.

David Gosser, Connie Doyle, Sheila

Fitzgerald, Albert Henderson, Joe Shoemaker, and Don Pfahler will attend College Day at Warsaw High School on Wednesday. This is an annual event, planned by Warsaw High School, to which all of the schools of the county are invited.

## 4-H CLUB CHATTER

By Ruth Snellenberger

Dear 4-H Members,

This is it! The 4-H enrollment contest I've mentioned before as being planned. And there is an award for every member enrolling twelve or more members!

When to begin? Now!

Here are the rules: (1) 4-H member must enroll at least twelve (12) 4-H members, either old or new members. Enrollment cards may be procured from your adult leader or from the county extension office. (2) Member enrolled may be from any part of the county and may join any existing club or a new club if one is needed. (3) A list

of names of those enrolled should be turned in to the adult leader in that community. (4) Both a list of those 4-H members and the enrollment cards must be turned in by the enrolling member to the county extension office. (5) Enrolling member must sign his or her name on the back of the enrollment card. (6) If a member wishes to join both an argicultural and a home economics club, an enrollment card should be completed for each club. (7) Enrollments must be made before January 15, 1955 to qualify for the award.

What is the award? An attractive 4-H ring will be awarded to each 4-H member who enrolls twelve (12) or more 4-H members.

Who will be first to receive a 4-H ring?

What is the purpose of a 4-H enroll-

ment contest? To promote increased 4-H membership in Kosciusko county through 4-H members.

A suggestion is made to those enrolling 10 and 11-year-old girls in home economics projects. It is recommended that first division baking or food preparation are usually easier for these first year members.

November 13 is designated this year as National 4-H Achievement Day. What could be better than to be able to award a large number of 4-A rings to 4-H members enrolling twelve members each?

With more than 4,000 girls and boys of 4-H club age in Kosciusko county, there are many to be contacted for

enrolling in 4-H work. Come on, 4-H-ers, talk to those in your grade at school. Let's really boost our county 4-H enrollment over the 1200 mark! Remember, you have only until January 15, 1955 to win this beautiful 4-H ring!

'Bye now.

Ruth R. Snellenberger

Neighbor Fern Rickel entertained the members of the Royal Neighbors in her home last Tuesday evening. The meeting was opened with the pledge to the flag. Oracle Snowden Halderman then conducted the regular business session, in which plans were made for our Christmas party to be held on our next meeting at Neighbor Clara Parker's home in Bourbon. The party will feature a fifty cent gift exchange and pot-luck supper, also election of officers.

The mystery package was won by Neighbor Emma Cook. The meeting closed with the hostess and her assistant, serving delicious refreshments.

# CONSERVATION MEN COMPLETE PLANS MADE YEARS AGO

Everything that is ever accomplished must first be a vision in the mind of man—and conservation-minded individuals in this area, a few nights ago, were able to demonstrate that one of those visions had been fully realized, when they burned the mortgage on the McClure Lake Conservation Camp.

The photo on this page shows Maurice Fawley and C. O. Mollenhour burning the paid-up mortgage. (Printing plate courtesy Warsaw Times-Union.)

The event took place in the conservation club building at the Warsaw fairgrounds when representatives from 16 Kosciusko county clubs gathered for a fish fry. Seventy-nine were present.

Those present from the State Department of Conservation were: Hiney Moesch and Rudy Meyers from the educational department; Wm. Barnes of the Pittman-Robinson and Dingle Johnson Acts; Ray Kimes, chairman of the state advisory committee of conservation clubs. Various organizations were represented by: Carl Solman, Ft. Wayne Farm Bureau; Howard Cramer, Ft. Wayne, Allen county conservation; Clarence Cox, Warsaw, president of the Rotary Club; Hobart Creighton, president of the Kiwanis club; Wm. Abbs, principal Etna Green School; Rev. David Gosser, Mentone, churches; Leo Seltenswright, county agent's office; Reba Pyle, Home Ec. leader; Mrs. Russell Smith, president Federation of Women's Clubs; Cecil W. Armstrong, district council Boy Scouts; Fred Anglin, deputy district governor of Lions clubs, and Wm. Orr, REMC.

Conservation Officers present were: Wm. Davis, Kosciusko; Ray Ricker, of Fulton; Bud Sullman, Tipton, and Ned Gundut and Mr. Baer of Kosciusko. Peck Wilson and Dale Martin represented the Pittman-Robinson project.

Those from the Second District of Conservation Clubs, of which C. O. Mollenhour is president, were Nick Safer of San Piere, vice president; Russell Taylor, Remington, and E. H. Weaver of Francisville.

The McClure Lake Camp represents a value of about \$50,000 in buildings, facilities and grounds, and it has all been accomplished by the hard work of individuals, contributions by organizations, fish fries and rentals for summer camps. This is truly a great accomplishment for the people of our area, and the entire state looks to this county as an example of what a determined bunch of conservation-minded people can accomplish if they only have a vision and the will to work.

Molly Jefferies, of Dayton, Ohio, visited Mrs. Emma Gill one day last week. Mr. and Mrs. Carl Kirchoff of Huntington, were Sunday dinner guests of Mr. and Mrs. William Cook. In the afternoon they went to see Mr. and Mrs. Billy Cook and new daughter, Judy Kay.

The picture was taken at the fish fry and mortgage-burning held recently at the Warsaw fairgrounds.

Mr. and Mrs. Clyde Yazel of Etna Green, were Sunday dinner guests of Rex Yazels.

Mr. and Mrs. Ralph Clupper, of Rochester, were Sunday afternoon guests of Mr. and Mrs. Ned Witham.

Thursday evening visitors of Mrs. Elizabeth Jones of Nappanee, were Mr. and Mrs. Robert Jones.

Roscoe Davis of Fort Wayne, was visiting Mrs. Ina Davis and family over Sunday.

## LOCAL NEWS

Sunday dinner guests of Mr. and Mrs. Ed Bach and family were Mr. and Mrs. Ernest H. Lewis and son Dean of Argos, and Mr. and Mrs. Raymond Lewis and family of Mentone.

Mr. and Mrs. Robert Parker and family of Bourbon, and Mr. and Mrs. Dwight Reichard of Mentone, were Sunday dinner guests of Mr. and Mrs. William Schooley.

Mrs. Alberta Poulson shopped in Peru, Saturday.

Mr. and Mrs. Howard Stutzman and son Billy were Sunday dinner guests of Mr. and Mrs. Art Witham.

Mrs. Alice Goltry and family are visiting relatives at South Bend.

Mr. and Mrs. Joe Fisher and family were Saturday evening guests of Mr. and Mrs. Robert Jones.

Mr. and Mrs. M. O. Mentzer, Mr. and Mrs. Con Blue and Mrs. Lucinda Jones, attended the funeral last Friday of their cousin, Mrs. Cleo Gilmore, at Ligonier.

### CARD OF THANKS

We would like, in this small way, to express our heartfelt appreciation to all our friends and neighbors for their kindness in picking our corn while Mr. Eversole was in the hospital. Thank you so very much.

# INDIANA ASSOCIATION FOR MENTAL HEALTH CHRISTMAS PROJECT

A growing number of residents and organizations in Kosciusko county are joining the drive to make Christmas the merriest of all for the patients in state institutions.

Individuals who wish to donate Christmas gifts to patients in state mental hospitals may choose the gifts themselves. Mrs. Russell Smith, chairman of the 1954 Mental Health Christmas Project in Kosciusko County, announced today.

The project is sponsored by the Indiana Association for Mental Health. The Unique Bake Shop at 107 S. Buffalo St. in Warsaw, serves as depot for the storage of the gifts for the Warsaw area and Mrs. Sylvan Stump, Jr., is in charge of organizing the Legion Auxiliaries in the county towns as depots for their local areas. These stations will be announced within a few days.

The only requirement is that the gift be new, appropriately gay, and attractively wrapped. Wrapping is optional, however. If wrapped, the gifts must be tagged. Tags are available to identify the gift, to furnish a description of its contents and to state whether it is for a man or a woman.

Christmas greetings may be attached to the outside of the package. All gifts must be in by December first, to allow plenty of time for sorting and distribution.

Mrs. Smith stated that the fol-

lowing presents for State Hospital patients are desirable:

**Men:** belts, billfolds boxes of candy, cigarettes, cigarette cases, cigars, comb and brush sets, gloves or mittens, pajamas, pipes and tobacco, scarfs, scrapbooks, shave lotion, slippers and socks, stationery, subscriptions, suspenders, ties and, tie clips, T-shirts and underwear.

**Women:** boxes of candy, cosmetics and cosmetic cases, costume jewelry, dresser sets (comb and brush), embroidery thread, hoops, patterns, hooks, etc., gloves or mittens, gowns or pajamas, hose, handkerchiefs, knitting bags, wool, etc., lingerie, lipstick, nail polish, permanent wave kits, scarfs, scrapbooks, slips, soap (fancy), stationery and underwear.

Donors are asked not to include candies or cakes that will dry out or spoil between December 1 and Christmas.

There are 16,000 patients in the ten state institutions in Indiana, many of whom are former residents of this county.

## CARD OF THANKS

We would like to take this opportunity to thank all our many friends and neighbors for their cards, flowers and gifts. Also all those who stopped in to congratulate us on our fiftieth anniversary.

Words cannot express our sincere thanks to everyone.

# Swift's Mineral Supplement BLOCK

Mineral feeding hits a new high in ease and economy with Swift's Mineral Supplement in block form. Perfected by Swift for cattle and sheep, the new mineral block meets these strict regulations:

- It's soft enough so animals get their mineral quota easily
- It's hard enough to resist weather
- It's easy to handle, easy to feed

In formula and quality the block is the same as the familiar Swift's Mineral Supplement in powdered form. It provides ten essential mineral elements all livestock need. It's held together by a palatable molasses binder. Swift's Mineral Supplement contains no fillers or waste. Every ingredient has feeding value.

Supplies these ten profit-making elements

- Manganese
- Iron
- Copper
- Cobalt
- Sodium
- Chlorine
- Calcium
- Phosphorus
- Potassium Sulphate
- Iodine

## The *motoramic* Chevrolet for '55

Great new

8

It's the valve-in-head V8 as only  
the valve-in-head leader can build it!

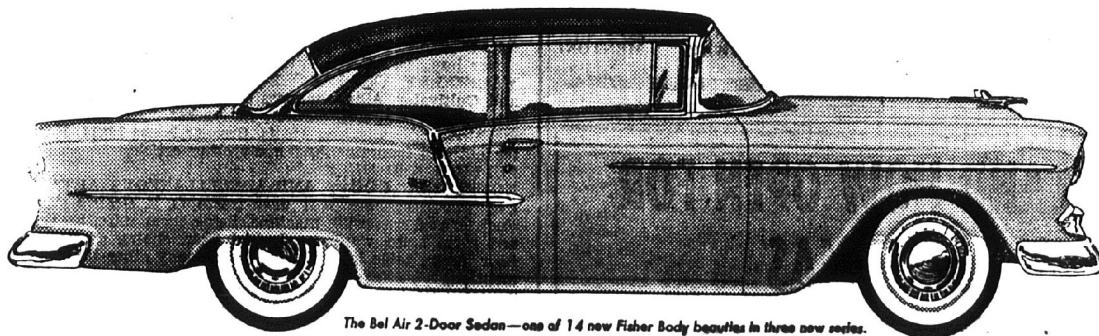

You'd expect Chevrolet to out-V8 the field—and it has! Chevrolet's new "Turbo-Fire V8" puts a brand-new kind of excitement under your foot. The excitement of 162 horsepower! The excitement of an 8 to 1 ultra-high compression ratio that squeezes more pure fun out of a gallon of gas than you ever dreamed possible! The new "Turbo-Fire V8" is so efficient that it requires only *four* quarts of oil instead of the usual five or more. And it has the shortest piston stroke in the low-price field, for longer engine life. But we can't even begin to give you the whole story here. Come in and *drive* the new "Turbo-Fire V8!"

Two new 6's

6

With enough new advances  
to fill a book!

Chevrolet offers *two* new highstepping sixes for 1955! There's the new "Blue-Flame 136" (teamed with Powerglide as an extra-cost option) and the new "Blue-Flame 123." Both bring you new, higher-rated power—the zippy, thrifty high-compression kind. Both have new, more efficient cooling and lubrication systems . . . new engine mounts that result in almost unbelievable smoothness. And, like the new "Turbo-Fire V8," both are sparked by a new 12-volt electrical system for finer performance and faster cold-weather starting. They're the liveliest, smoothest sixes Chevrolet ever put into a passenger car!

# PLYMOUTH PLANS GREATEST SALES YEAR

Plymouth Motor Corporation is planning on the greatest sales volume in its history during 1955, and is getting off to a fast start by scheduling all-time high production, according to LeRoy Cox, who recently returned from a preview of the 1955 line of Plymouth cars at Chicago.

With a line of cars featuring all new styling, new horsepower engines, and many luxury features formerly found only in the most expensive cars, Plymouth has retooled its factory and by mid-November will be producing more than 3,000 cars per day. They are longer, lower and wider than previous models, and the most powerful cars Plymouth has ever built.

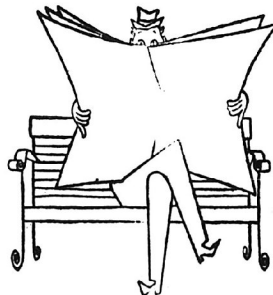

By the end of December, Plymouth expects to have built 160,000 of the new models. That is some 60,000 more than were built during November and December in the peak year of 1953. Plymouth officials pointed out that a week before the first of the new cars came down the assembly line, enthusiastic dealers had ordered more than 150,000 without having seen a single model. The backlog of orders is expected to be more than doubled by the time all dealers have seen the cars.

Plymouth, traditionally the world's third largest producer of passenger cars, expects to double its 1954 sales during 1955 and to sell nearly 20 per cent more cars than the record 635,000 units which were sold during 1953.

Officials pointed out that Plymouth has had the new car under development for three years, and at the same time has been "tooling up" its manpower in pointing for a big sales year in 1955. During the past year the Plymouth field organization has increased its number of field representatives from 103 to 291 and has concentrated its sales effort by re-arranging its geographical coverage of the country. Regional offices have been increased from 12 to 19 to better serve the more than

10,000 dealers who sell Plymouths in the United States.

Mr. and Mrs. Frank R. Bybee, of Churubusco, Indiana, visited at the J. F. Laird home Sunday afternoon.

### MERRY MOLLYS

Mrs. Marion Smith was hostess to the Merry Mollys Home Demonstration club November 8. Mrs. Ed Smelser acted as co-hostess.

The meeting was opened by singing "America the Beautiful," led by Mrs. Glenn Mellott. The club creed was then repeated.

A poem, "Sister's Best Feller," was read by Mrs. Clayton Holloway for meditation. The history of the song of the month, "Come Ye Thankful People," was given by Mrs. Mellott; it was then sung by the group.

An interesting lesson on "China,

Silver and Glassware," was given by Mrs. Mellott and Mrs. Heston Creviston.

What I am most thankful for was given in response to roll call.

Mrs. Gene Sarber, president, was in charge of the business meeting, after which the club prayer song was sung. 50-50 was played with Mrs. Mellott and Mrs. Sarber receiving prizes. Mrs. Mellott received a gift from her secret pal and Mrs. LeMar Leffert got the door prize. There were fifteen members present.

The December 13 meeting will be a Christmas and Anniversary dinner.

## METHODIST CHURCH NEWS

This past Sunday evening the first in a series of three films on the Life of Christ was shown, "Escape to Egypt." The second film will be presented this coming Sunday evening at 7:30 and is titled, "Boyhood and Baptism." The third one is scheduled for November 21, "Man of the Wilderness." These are recent releases produced by Cathedral Films.

A committee of two, Mrs. Raymond Cooper and Mrs. Ralph Mollenhour, were appointed by Charles Manwaring, chairman of the Official Board, to assist the pastor and Commission on Education, Commission on Membership and Evangelism, and Commission on Missions to prepare a program of Sunday evening services which will follow the series of films on the Life of Christ. This program committee will consist of the Pastor, the committee appointed by Mr. Manwaring, and the Chairman of each of the Commissions. A brief meeting of this committee is called to convene on Sunday evening, November 14, following the film.

The Methodist Youth, Intermediates and Seniors of the South-Group churches, will meet at two o'clock this coming Sunday afternoon in the Methodist church at Leesburg. Transportation will be provided youth otherwise unable to attend, and cars will leave from the local church at 1:15 p. m.

# INDIANA FARMERS WILL CON- VERGE ON CAPITAL CITY

Understanding America will be the theme of the thirty-sixth annual convention of the Indiana Farm Bureau, November 10-11, when an expected five thousand farmers from all the counties of the state convene in the Murat Temple in Indianapolis. The forenoon following the convention program, the delegate body through resolutions will formulate policy for the coming year.

National leader of the Farm Bureau, Allan B. Kline will be one of the principal speakers. On the same program, afternoon of the first day, Mrs. Charles W. Sewell, Otterbein farm woman and former staff member of the American Farm Bureau, will talk on "Yankee Doodle Comes to Town." R. Flake Shaw, colorful speaker and executive vice-president of the North Carolina Farm Bureau, will be the principal speaker at the evening session, November 10.

Governor George N. Craig will greet the convention on the opening day, to be followed by Indiana Farm Bureau president, Hassil E. Schenck, with his

annual message to the membership. Howard W. Holmes, Morgan county, will direct the musical part of the program. He will be accompanied by Mrs. Robert Bechtol, Wakarusa.

### NEIGHBORS PICK CORN

Seventy-one men gathered at the farm of Mr. and Mrs. Robert Lewis of the Tiosa community on Monday and picked 90 acres of corn. They brought tractors, wagons and nineteen corn pickers. There were also five elevators in use. The men were fed at noon in the basement of the Tiosa Brethren church. There were 42 ladies who furnished food and helped with the dinner. The corn was all picked by 2:30. The wagons of corn were so lined up on the road that they didn't get all unloaded until 4:00.

Mr. Lewis had the misfortune to lose his right arm, below the elbow, in a corn picker accident on October 21, but was able to be out with the men all day Monday.

### HONORED AT DINNER

Mr. and Mrs. Carl Zolman and sons entertained at a 50th anniversary dinner Sunday in honor of Carl's parents, Mr. and Mrs. Willard Zolman of Mentone. Others present were: Mr. and Mrs. Emerson Zolman and daughter Wanda of Columbus, Georgia, Mr. and Mrs. Alfred Mock of North Webster, Mr. and Mrs. Robert Mock and son of Warsaw, Mrs. Ethel Graham of Tippecanoe, Mr. and Mrs. Dallas Zolman of South Bend, Mr. and Mrs. Devain Fultz and daughter Susan of Rochester, and Mr. and Mrs. Kenneth Kochendefer of Michigan City.

### SALVATION ARMY STARTS

#### HOME SERVICE APPEAL

The annual Home Service Appeal throughout Kosciusko county, for funds for the support of the work of The Salvation Army, will be held this year from Nov. 10th to 24th, according to an announcement by Mr. Gus Tatter, general chairman.

The goal is \$6,100.00. The kick-off dinner will be held in the Westminster Hotel, Winona Lake, Wednesday evening, Nov. 10th.

The chairman for Franklin township is Raymond Lash and for Harrison, Carroll Eller. These gentlemen will have several workers to help them in canvassing their townships for the funds.

### GOOD NEIGHBORS

A group of good neighbors gathered at the Noah Eversole farm Wednesday with pickers, tractors, wagons and willing arms to pick 37 acres of corn while Mr. Eversole was a patient in the hospital with a heart ailment.

Those bringing pickers were Lee Mullins, Ross Morris, Raymond Weirick, Eugene Weirick, Al Tossell, Milo Reichard, Jake Yantiss and Ivory Snipe. Those with tractors and wagons were Harold Fanning, Henry Foster, Lester Anglin, Mel McGowen, Harry McPherron, Don Baker, Glen Cole, Frank Nellans and Earl Davis. Others helping were Tony Hoover, Buddy Miller, Buddy Snipe, the Rev. Gordon Rooze and Kenneth Horn. While the men were picking corn the ladies gathered at the Lee Mullins home to prepare dinner for them. They were: Mesdames Lee Mullins, Henry Foster, Jake Yantiss, Lester Anglin, Ross Morris, Noah Eversole, Harold Fanning, Harry McPherron, Eugene Weirick, Raymond Weirick, Gordon Rooze, Don Baker, Glen Cole, Earl Davis and Mrs. Pearl Mahoney.

### POULTRYMEN TO MEET

The Kosciusko County Poultry Association will meet Thursday evening, Nov. 11 at 6:30 p. m. at the Eskimo Inn in Winona Lake. A poultry specialist from the Doane Agricultural Services of St. Louis, Mo., has been secured to speak at the meeting.

### SCOUTS TO SELL TREES

The Mentone Boy Scouts will have Christmas trees for sale again this year after December 4.

They will cut and haul from their Scout Camp that is well stocked with some very nice trees.

A scout will contact the homes in Mentone and all living outside of town, please call your order to 31-J. Prices will be nearly the same as last year.

There are four varieties available: red pine, white pine, Jack pine and Scotch, however, the last mentioned will be a limited supply and the orders will be on a first-come basis.

### PSI IOTA XI TO GATHER GIFTS FOR CHILDREN

The Psi Iota Xi sorority is assuming the responsibility of gathering gifts for the children in the Fort Wayne State School.

The children for whom the gifts are intended will be under 14 years of age. Suggested gifts are cuddly toys, jumping ropes, wooden things, rubber balls, jewelry, mittens, and anything in that nature. Plastic or sharp-edged ones are not too safe for youngsters. They should be new gifts. The cost is not too important, but it should be gaily wrapped.

Any gifts you may wish to give can be left at Ward's Paint and Wallpaper Store in Mentone, and they will be sent on to the children at the school. They hope to have them mailed by Dec. 1.

### THIEVES STEAL TIRE AND OIL

Richard Dickerhoff reported Wednesday that thieves entered his garage and storage building Tuesday evening and made way with a truck tire and two cases of oil.

### COLLIE DESTROYS 49 RATS

Fred Rush came into town Tuesday with a bucket that contained 49 dead rats, which his Collie dog, Judy, dug out from under an old brooder house that had been out in a field for some time. Mr. Rush had taken down the building roof and walls, and Tuesday decided to drag the old rotten foundation away. After it was moved he noticed the dog digging in the soft earth and decided to see what would happen. Judy soon came out with a rat—and before she was through she had found 49 of them.

**HUNGRY? Eat at Snack Bar in the Methodist Church.** Featuring chop suey, homemade hot rolls and butter, bar-b-que sandwiches, baked beans, potato salad, gelatine salad, assorted relishes, cup cakes, coffee and chocolate milk. Serving from 11:00 to 1:00 on Saturday morning, November 13.

### HAS BIRTHDAY PARTY

Sunday morning Mrs. Ella Latham was very much surprised when her little granddaughter, Sherry Boice, of Elkhart, opened the door, carrying a large pumpkin pie, and said, "Grandma, this is your birthday present." Then Mr. and Mrs. Boice came in. Soon Mr. and Mrs. Grover Janke and Mr. and Mrs. Junior Fore and boys arrived. All had well filled baskets. As Mrs. Latham was blowing out the candles on her cake, the little grandchildren sang "Happy Birthday."

We had a wonderful dinner and Mrs. Latham received many nice and useful gifts. All left at a late hour wishing their mother and grandmother many more such birthdays.

ONE WHO WAS THERE.

### 4-H ACHIEVEMENT AWARD BANQUET THURSDAY EVENING

The Mentone area 4-H Achievement and Award banquet and program will be held in the Mentone High School gymnasium Thursday evening, Nov. 11, at 6:30 o'clock.

The area includes Franklin, Seward, Newcastle, Tippecanoe and Harrison township 4-H agricultural and home economics clubs and the Talma, Tippecanoe, Burket, Beaver Dam and Mentone schools.

Winners eligible to attend the banquet must have completed projects and scored 40 points in agriculture and 50 points in Home Economics. Each qualified member receives "Wee Award" medals. Major award winners, of which there will be 29, receive medals and a trip to Chicago in a bus Nov. 20th. Ronald Mallott will supervise the trip.

Sponsors of the Mentone area award and achievement project are: Burket Elevator Co., Valentine Elevator, Mentone Stock Yards, Northern Indiana Cooperative Association and Farmers State Bank of Mentone.

This is the third year for agriculture and the first year for Home Economics in the program sponsored by the above business firms.

Arrangements are being made to accommodate 450 members and parents at the banquet.

Delford Nelson will serve as toastmaster at the program, which will include:

A marimba solo by David Nine, a 4-H member from North Webster.

A demonstration on a practical farrowing pen and pasture hog shelter by Ronald Severns of Harrison township.

Vocal duet by Patty Ballenger and Diane Sittler of Franklin township. Shirley Igo will be the accompanist.

A health and safety skit by Peggy Tinkey and Janice Nelson of Seward township.

A skating novelty act by Brook Black.

Vocal duet by Janet Romine and Donna Lou Eaton of the Mentone Girls club. Rita Olson will accompany them.

The speaker for the evening will be Wayne Rothgeb, farm director for the Fort Wayne radio and TV station, WKJG.

### PERU GIRL WINS

#### MUCK QUEEN TITLE

Miss Barbara J. Baker, 20 year old Peru resident, won the title of Muck Crop Queen last week at Akron, and the prize which went with the title, a black mouton fur coat.

Miss Baker was crowned the Tomato Queen of Indiana in 1953.

Miss Sonja Huffer, Beaver Dam student, won second prize, a Samsonite luggage case from Leininger's store, and Miss Betty Griffiths of Mentone was chosen as third place winner by the judges, all of whom were from outside the state.

The queen received her crown from Hobart Creighton, a former speaker of the state house of representatives and candidate for governor in 1948.

## MENTONE P. T. A.

The PTA met in the school gym on Wednesday evening. Mrs. Robert Hoover presided, and the meeting was opened with a pledge to our flag. Delford Nelson spoke on "Thanksgiving" in the devotional period. Mr. Whitehead directed the girls' chorus in three numbers.

Miss Carolyn Whitenack, the state librarian for schools, presented the program of the evening. Miss Whitenack was in our town to help plan our new school library, and her talk was on the place of books in a child's life. She was a very entertaining speaker.

Later Mr. Kent asked for questions or comments of any sort. There was a short discussion of the effect of Eastern Standard Time on the school.

Mrs. Harold Markley announced the committees for the PTA supper to be held Saturday, November 20, in the cafeteria.

The group then went to the cafeteria where delicious refreshments were served.

## PSI IOTA XI SORORITY MEETS

Tuesday evening 13 members and four guests were guests of Barbara King for the bridge party held at the Peterson Lunch.

A short business meeting was held concerning the bean supper. Members who are in doubt may call Mrs. Kenneth Simcoe, Mrs. Harold Utter or Mrs. Jack Pritchard for information. Also, the Christmas gifts for the Fort Wayne State School must be left with Mrs. Ralph Ward no later than Nov. 23rd. These gifts must be wrapped.

Delicious refreshments were served to Mrs. Ralph Ward, Mrs. Curtis Riner, Mrs. John Boggs, Mrs. Kenneth Simcoe, Mrs. Arthur Kendall, Mrs. Jack Pritchard, Mrs. Iris Anderson, Mrs. Harold Utter, Mrs. Dale Cook, Mrs. Mervin Jones, Mrs. Forrest Miner, Miss Jackie Blue, Mrs. Robert Hill, Mrs. Raymond Cleveland, Mrs. Paul Quinn, Mrs. Frank Hoffer, and the hostess, Miss Barbara King.

KOS. CO. POULTRY ASSOCIATION  
ADOPTS CONSTITUTION

"Pole-type farm buildings are wind-resistant and cheaper to build than conventional buildings," said Charles Powell, Thursday night. Mr. Powell, who is building specialist for Doane Agricultural Service, Inc., came from St. Louis to address the Kosciusko County Poultry Association at the Eskimo Inn last Thursday. He also showed slides of Pole-type buildings.

This was the first of the season's monthly meetings of this poultry group. A constitution was adopted which will put the organization on a more permanent footing, according to news received from Gordon D. Rapp, Publicity Chairman.

TELEPHONE PATRONS TO  
MEET AT AKRON TUESDAY

Due to the fact that the General Telephone Corporation of Indiana has applied for a hearing to again increase telephone rates (Dec. 7 at Indianapolis) a group of individuals are calling a meeting of the patrons to be held at the Akron high school gym on Tuesday evening, Nov. 23, at 7:30 CST.

Anyone interested is asked to attend the meeting where plans are expected to be made to seek relief.

MRS. COX ENTERTAINS  
DEMONSTRATION CLUB

The Mentone Home Demonstration club met at the home of Mrs. Leroy Cox in Mentone, on Thursday afternoon. The meeting was presided over by vice-president, Mrs. Elmer Sarber.

The lesson Subject, "Silver, Glassware, Linens and China," was very ably given by Mrs. Blanch Paulus, who had put much time and effort into collecting different patterns of each for display. She pointed out the better tastes and the more practical use of each. One good point on cleaning large pieces of silver is that after it has been cleaned good, it should be gone over with Pride—it will not harm silver and prevents it from tarnishing. The next time it used it should be washed good before using.

The meditation was given by Mrs. Elmer Sarber who read from The Upper Room, the lesson for the day—Scripture was Matt. 5:9.

After roll call and secretary and treasurer's reports, the business was conducted by the president, Mrs. Oliver Teel. Definite plans were made for the Christmas meeting to be held at the country home of Mrs. Harry Sullivan.

Auction articles were purchased by Mrs. Truman Long, Mrs. Gertrude Hill, Mrs. Harry Sullivan, Mrs. Masa Nelson and Mrs. Bertha Meredith. Gifts were presented to Mrs. Blanch Paulus and Mrs. Linus Borton.

There were seventeen members and three guests present. Our guests were: Mrs. Emma Meredith, Mrs. Truman Long, a former member, and Mrs. Fred Swick, an honorary member.

The Christmas meeting will be December 9 with a carry-in meal at noon.

## P. T. A. PENNY SUPPER

A word to any parents who have not been solicited for a donation for the P. T. A. penny supper this Saturday evening — it is impossible to contact every parent, but your donation of food will be greatly appreciated.

All food should be in the school kitchen by 2:30.

## HAVE NEW DAUGHTER

Mr. and Mrs. Richard Morrison are the parents of a daughter, Barbara Jean, weighing six pounds and two ounces. She was born Tuesday at the McDonald hospital.

## WAR MOTHERS MEET

Mothers of World War 2, unit 106, met at the home of Maude Romine, Monday evening, Nov. 8th. The meeting was opened in the usual manner and 21 members answered roll call. The secretary-treasurer's report was read and accepted. It was voted to write and try to get more household hint books. Elenora Coplen, Blanch Paulus, Mary Barkman, Maude Romine and Emma Cook gave their birthday money. There were donations from Lefa Klingenhagen for use of chair and from Cecil Nicodemus for use of crutches. Marie Coleman, Ethel Wagner and Frances Olson gave donations on Christmas boxes that were sent overseas to servicemen. The nominating committee gave its report as follows:

President—Mildred Fawley.  
1st Vice President—Dora Norris.  
2nd Vice President—Bertha Meredith.

Rec. Sec'y—Lavera Horn.

Fin. Sec'y—Iris Fitzgerald.

Treasurer—Emma Cook.

Chaplin—Bernice Rush.

Sgt.-at-Arms—Sadie Ellsworth.

Memorial services were held for Ocia Gross. Laura Vandermark and Edith Young took the obligation and joined our unit. The meeting was closed in the usual manner. Our Christmas meeting is to be held at Dora Whetstone's with a pot luck supper and a 50c gift exchange.

## ATTENDS MEDICAL MEETING

PICTURES SHOWN AT  
LIONS CLUB MEETING

Miss Jackie Blue appeared before the Mentone Lions Club Wednesday evening and showed picture slides taken on her trip to Europe the past summer.

# PILGRIMS PROSPERED WHEN THEY BECAME LAND OWNERS

Did you know that the Pilgrims nearly starved to death? That they suffered hunger for two long years, with never enough food in the Colony's storehouse?

Have you heard how the Governor and his councilors had complete control of the land and what people produced? How they tried to rouse the Colonists to raise more grain; and how they found a way that worked?

During their first year, food was scarce. Even after the 1621 harvest was gathered, the daily ration was only about a quarter of a pound of bread for each person.

In the spring of 1622, the Colonists complained they were too weak to work raising food. Although they were, on the whole, deeply religious, some were so hungry that they stole food from their starving fellow-workers.

Young men complained because they had to work hard to feed other men and their wives and children. Strong men who were heads of families griped. They said that even though they put in long hours and raised good crops,

they and their children received no more food than men who were unable or unwilling to put in more than a few hours' work a day.

Women rebelled when ordered to cook for men not their husbands, or when requested to wash their clothes. And what about the husbands of women who had been set at these jobs. Their wives, they growled, were little better than slaves, and many men declared they wouldn't permit their women-folk to do that kind of work.

After months of bitter complaints, the Governor and chief men of the Colony came to the conclusion that they were making a bad mistake. As Governor Bradford said, they had thought they were "wiser than God."

And so, in 1623, they turned away from government dictation and gave each family a parcel of land for its own use.

Then what a change took place! Even the women went into the fields willingly, taking their children along with them. All—men, women and children—planted as much corn as they felt they could possibly work.

People who had formerly complained

that, they were too weak to dig or hoe, declaring that it was tyranny to make them undertake field work, gladly undertook to plant and cultivate for themselves.

And when the harvest was gathered, instead of famine they had plenty. And so they all gave thanks to God. And what a Thanksgiving they celebrated!

No wonder they gave up for all time their sharing of poverty . . . their belief that it was good for all to suffer scarcity together. They found that it is better for each man to work for himself to produce plenty, because that

benefits everyone.

### Choral Festival A Success

The County Choral Festival held Sunday afternoon at Pierceton was successful in every way. The Mentone Girls' Chorus presented a special number "The Old Ark's a Moverin'." Groups from Atwood, Etna Green, North Webster, Sidney, and Syracuse also presented special numbers. The combined chorus of over 500 voices sang eight selections under the direction of Prof. Clyde Holsinger of Manchester College. A crowd of over 800 attended the program.

### Leesburg at Mentone This Friday

The Mentone Bulldogs will be after their first win of the season this Friday when they meet the Leesburg team in the local gym. The games will begin at 7:00 daylight saving time. Last Friday evening the local varsity went down in defeat by a score of 55-46 at North Webster. The second team remained undefeated, winning easily 27-12.

Mentone will host the Burket Hawks the evening before Thanksgiving, November 24.

The 7-8 teams remained undefeated last Thursday evening as they won two from Burket in games played at Burket. This Thursday at 4:00 the junior high teams will play Atwood on the local floor.

### Plans for New Library Move Along

The committee in charge of planning the new library has now held three meetings. Last Thursday the members of the committee met with Miss Carolyn Whitenack, State School Librarian. A number of questions were cleared up. The plans now include setting up the new library in the west half of the study hall with a partition separating the library from the study area. It is thought advisable to purchase about fifteen hundred dollars worth of books for the elementary grades and about thirty-five hundred dollars worth for the high school. Teachers are now at work compiling lists of books recommended for purchase. The plan is to allot about twenty per cent of the money to fiction and the balance to reference materials.

A fire drill was held at the school on Tuesday. The building was emptied in sixty-seven seconds without

mishap.

This week ends the second report period. Report cards will be distributed on November 24.

A number of parents visited school last week. It is still not too late to visit the school. You are always welcome.

The Mentone School will be on the air over WRSW next Monday evening at 7:00. The radio programs are sponsored by the Farmers State Bank and are under the direction of Mrs. Dawson.

The school will have a special Thanksgiving dinner on the twenty-fourth. Pupils wishing to eat at the school next Wednesday are requested to purchase meals for all three days next week.

G. W. Dickey, Rudolph Dickey and Eba Bayne, were at Greenville, Ohio, Saturday, November 13, on business.

## HERE'S HOW PRUDENTIAL LOANS PROTECT YOU

### LOW COST

No appraisal fees. No loan fees. No commissions. A low interest rate.

### NO DEDUCTIONS

Prudential farm loans give you the FULL amount you apply for. There are no deductions of any kind from the loan proceeds.

### FITTED TO YOUR FARM

Prudential loans fit YOUR preferences—YOUR needs—YOUR farm operation. Ask about Prudential's Flexible farm loan plans.

### FAIR APPRAISALS

Prudential appraisers live in your territory and know its values. You have the benefit of a fair appraisal based on a sound knowledge of the value and earning power of your farm.

### PLENTY OF TIME

Up to 40 years if you want or need that long. Time to build up your soil and improvements. You may not need a long time but the protection of time is yours if you need it.

### CONSISTENT LENDING

Prudential is not a "fair weather" lender. It loaned constantly during the depression years and has been making farm loans since 1898.

### FAIR TREATMENT

Prudential will always extend fair and sympathetic treatment to the farmer sincerely interested in owning his farm. "Carrying on" with farmers during hard times has always been an essential part of Prudential's farm loan policy.

### PREPAYMENT PRIVILEGES

Liberal prepayment privileges are available to the farmer who has a Prudential loan. Advance payments on principal may be used to meet current installments if needed.

**4-H CLUB CHATTER**

By Ruth Snellenberger

Dear 4-H Members and Friends,

What are the changes for next year? Today I'd like to answer that question for you relative to 4-H home economics projects citing first a release from the State 4-H Club Office.

For Baking . . . (1) In division III, a chocolate cake is to be exhibited. (2) In division IV, Fan Tan or Butterfly Rolls are added to the kind of rolls that may be exhibited.

For Clothing . . . (1) In division II, a simple blouse is listed as one of the choices along with the towel and pillow case (the pillow case is a substitution for the dresser scarf in this county). (2) In division IV, the skirt may be made of washable material or of wool. (3) In division V, school or sports dress may be made of any suitable material, including wool, and if a jumper or skirt is selected to be made, either may be made of wool or any suitable material. (4) In division VI, the date or afternoon dress, the sports dress, or the skirt may be made of wool or any suitable material. (5) In division VII, party dress of any length may be made.

In this county, the exhibit for division IV, Food Preparation, has been changed to a "crosswise slice, 2 inches wide, of a family size meat loaf."

The changes were not so great, were they? Many of the girls I know will be happy to have the opportunity to sew with wool. Some pointers on the care in handling wool I'd like to share with you later.

In the past few years there have been several questions about requirements for the craft project. You will be interested to know perhaps that it is in the process of being reorganized by a State Craft Committee, to make requirements more definite.

A change in the 4-H home econom-

ics judging contest outlined by the girls' 4-H Policy Committee in this county is that each project judging contest will be scheduled at a different time so that a 4-H girl might participate in more than one contest. Several of you girls who found it difficult to decide which project to judge in—baking or clothing or food preparation, will now be able to judge in all three if you desire. Contests are tentatively set for the week of June

13 to 17, 1955.

Another change in county policy is that two junior demonstrations from each club may enter the county junior contest. Similarly three senior demonstrations from each club may enter the senior contest.

It is hoped that each of these changes, both on the state and county level, will be a step to help the 4-H member. Sometimes 4-H members may see need for changes, parents too, that

those of us in the office fail to see. If you have suggestions, may we hear them?

Bye now.

Ruth R. Snellenberger

Mr. and Mrs. Lawrence Mattix of Scottville, Michigan, called on Mr. and Mrs. Ray Linn, Friday evening.

Mr. and Mrs. Foster Hoffman of Akron, spent Sunday with Mr. and Mrs. Jack Miller.

# How much light?

For reading . . . strong light on reading area and balanced room light

For games and the living room . . . evenly distributed light throughout the room

For sewing . . . bright light on the job plus good room light . . . no glare or dark shadows

For safety . . . adequate lights at stairs, halls, porches . . . all potential danger spots

## Make every job easy on the eyes!

To guard your eyesight be sure you have enough light directed right for the job and the room you want lighted. Light diffused over the room is not wasted . . . it relieves the harsh contrast of light and shadow that

causes eyestrain. Use light for good vision, for safety, for comfort all through your home. We will be glad to help you choose the right lamp . . . there is a right size and type of bulb for every need.

**BAPTIST NEWS**

The Marshall County Youth for Christ held a singspiration in the Baptist church last Sunday night. Everyone who was present received a great blessing. Due to the various time schedules over the state there was some confusion. Marshall county is still on the central standard time and our county is on the eastern standard time so we had an hour to wait before the singspiration began. Let's do our best to adjust ourselves to the time schedules until the state gets this thing settled. Our services are now running on the eastern standard time schedule.

A group of our people went to Kewanee Tuesday evening to share in the Revival in the First Baptist church of that city. The Revivalist brought a challenging message to God's people on the subject "Prevailing Prayer." The greatest need of the hour is a revival of the prayer life of those who are "Born Again." We appeal to all of God's people to return to the prayer

chamber and plead with God for a great spiritual awakening. Sinners are slipping into "Hell" while God's children are asleep at the switch.

Next Sunday morning the pastor will bring a message on "How I learned to Pray, and How God Led Me Into Revival." This is a message that grew out of a personal experience with God and will be exceeding helpful to anyone who desires a deeper prayer life and has a hunger for revival. If you are looking for something that will change your entire life then don't miss the morning service at the Baptist Church. We invite anyone in the community who is interested in Revival to come to our services next Lord's Day.

"If my people which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and heal their land." II Chronicles 7:14.

Swift's  
Mineral Supplement  
**BLOCK**

Mineral feeding hits a new high in ease and economy with Swift's Mineral Supplement in block form. Perfected by Swift for cattle and sheep, the new mineral block meets these strict regulations:

- It's soft enough so animals get their mineral quota easily
- It's hard enough to resist weather
- It's easy to handle, easy to feed

In formula and quality the block is the same as the familiar Swift's Mineral Supplement in powdered form. It provides ten essential mineral elements all livestock need. It's held together by a palatable molasses binder. Swift's Mineral Supplement contains no fillers or waste. Every ingredient has feeding value.

Supplies these ten profit-making elements

- Manganese
- Iron
- Copper
- Cobalt
- Sodium
- Chlorine
- Calcium
- Phosphorus
- Magnesium Sulphate
- Iodine

Why do most farmers in this community prefer to have their farm loans at home rather than with insurance companies and other lending agencies?

Because  
This  
Bank

- Has been in the farm loan business much longer than most insurance companies and other agencies.
- Knows the value of farmland in this community and the capacity of the farms to produce.
- Is in a position to extend maturity dates on farm loan payments without cost or red tape.
- Extends full prepayment privileges on farm loans **WITHOUT ANY PENALTY** and gives full credit on interest for all payments on the dates they are made.
- Credits prepayments to the first maturing installments on the dates such payments are made, which protects the borrower against subsequent periods of low income.
- Has low costs in acquiring loans — No commissions — No appraisal fees — No deductions of any kind. You get the full amount you borrow.
- Keeps interest rates in line with all competitive lending agencies.
- Makes both real estate and farm operating loans.
- Is always interested in arranging the terms of a borrower's farm loan to fit his long range program and in extending additional credit to enable him to conduct his program successfully.
- Has been making farm loans continuously for more than **SIXTY-TWO YEARS** during which time it has carried its farmer borrowers through the worst depressions and has **NEVER** foreclosed a farm mortgage loan.
- Is in a better position to serve farmers with **ALL** their financial needs than any other type of lending agency.
- Has a personal interest in the success of all its farmer borrowers and the welfare of the community.

Because these  
Farmers . . .

- Realize that they cannot borrow on short term loans from other farm loan agencies for farm operating purposes.
- Know that with a farm loan at home they can use their equity for additional working capital loans.
- Recognize all the advantages offered in a farm loan with their local bank.
- Like to do business in their home community with people whom they know, with people who pay taxes locally and help to maintain a high standard of community life.

*We invite your inquiries on all types of loans and assure you of our prompt and personal service.*

Purdue University horticulturists say that gladiolus corms should be dusted with DDT to control thrips. After the corms have been dug and dried, dust with 3 or 5 per cent DDT dust, using about an ounce per bushel. Place the corms in a sack or box and add the dust. Then shake until all are covered. Corms can be stored in trays or boxes in the usual manner.

Speaking of pests, rodent control specialists at Purdue University warn that rats and mice may be more numerous than last year, and will begin moving into buildings as nights become cooler. Before filling the corn crib, the specialists advise preparing a few corners of the crib where poisoned bait can be exposed. They say to locate boxes so that bait can be placed in them from outside the crib.

## UTILIZING NATIVE TIMBER

Now that corn harvest is nearing completion, many Indiana farmers are focusing their thoughts on timber cutting. Are you one of those who are planning to use home grown lumber for construction of new building needs.

Purdue forestry specialist A. M. Herrick has prepared a series of valuable bulletins to assist farmers in their timber cutting operations. The first of these, "How to Measure a Woods," gives helpful hints on estimating the amount of timber in the farm woodlot. The second, "How to Measure Trees," gives the method for calculating board feet in a standing tree. "How to Measure Logs," is a third bulletin which deals with finding board feet in a cut log.

Utilization of the timber from woodlots is discussed by E. J. Lott and Roy C. Brundage in their mimeo, "Home Grown Timber for Farm Construction." This publication discusses pole construction, preservative treatments, and the use of seasoned or green lumber.

Free copies of these four publications are available at your county agent's office.

METHODIST CHURCH NEWS

The South Sub-District MYF Rally scheduled for this past Sunday afternoon at Leesburg was postponed until 2 p.m. December 5.

This Sunday, November 21, is Thanksgiving Sunday. A service with appropriate music, sermon, and readings or Litany will be presented at the Worship Hour, 9:30 a.m. Past Time. Since Worship and Praise are a part of a Christian's devotions, a service of Thanksgiving in the home is in order on Thanksgiving Day. The Pastor will have a number of home-services available at the Worship Hour on Sunday morning.

Mr. Homer Roose, Lay member of the North Indiana Conference, passed away at his home in Goshen on Monday evening of this week. Funeral services are held on Thursday afternoon at two o'clock in the First Methodist Church in Goshen.

The Adult Study Class in the Church School taught by Mrs. Dan Urschel is sending a monthly contribution to a Korean orphan.

The report of the excellent work and patronage concerning the WSCS Bazaar will be made at this Thursday's WSCS meeting at the residence of Mrs. Rosa Kinsey, 7:45 p.m.

A business and social program for the senior youth of the MYF of Mrs. Philip Blue's study class will be held in the Church basement on Saturday evening at seven o'clock.

SWEET SALESMAN "BLOWS"

A would-be electric sweeper salesman "swept" out of town in a hurry Wednesday after a few Mentone folks shot holes in his salestalk.

He galloped into our turbulent press-day office Wednesday with a big deal. Some bird's wife ran away from him and he wouldn't pay the last four installments on a \$79.50 Hoover vacuum cleaner—and I was being offered the big opportunity of buying it for only 28 bucks. It was repossessed and he supposedly had something to prove he was a licensed collector, forecloser and reposessor of unwanted marital fragments with overdue installments. The telephone interrupted his machine-gun presentation of opportunity in the raw. Mr. Cooper was on the other end of the line and said the man was just running a racket as the model sweeper he had polished up was about 25 years old, and said the guy was just a crook.

All I did to get rid of him was to tell him that a man up the street said

he was just a racketeer and that the sweeper was 25 years old. I don't know whether his mother ever talked to him that way or not, but he was still smiling as he picked up speed going out the door.

### MENTONE MAN DIES OF BURN INJURIES

Russell E. Walters, 61, R. R. 1, Mentone, died Friday morning in the Woodlawn hospital of injuries and burns received Thursday morning in a car-tractor accident on State Road 25 near Mentone.

The accident victim suffered third degree burns over most of his body. Mr. Walters was born in Fulton county on January 8, 1893, to Abraham and Nancy Jane Mathews Walters and spent his entire life in the Mentone-Talma area. He was a farmer most of his life.

He was married to Arlean Norris on January 4, 1913.

Funeral services were held Sunday afternoon at 2 o'clock from the Talma Methodist church with the Rev. Trombauer officiating. Interment was made in the Mentone cemetery with the Johns funeral home of Mentone in charge of arrangements.

Survivors include the widow; two sons, Floyd, of near Claypool, and William, of Mentone; a daughter, Mrs. Wilbert Utter, Mentone; two brothers, William and Lon, both of Mentone; eight grandchildren and two great grandchildren. A daughter preceded him in death.

### E. GEORGE MATTHEWS

E. George Matthews, 44, of South Bend, formerly of Warsaw, died at 12:15 p.m. Sunday at the Saint Joseph hospital there. He had been ill for the past month.

Matthews was born in Burket, August 26, 1910, and lived in that community until moving to South Bend fourteen years ago. He was employed as a mechanic by the Northern Indiana Transit company. He married Mary Jones, of Claypool, in 1935.

Survivors include his wife; three children, Danny L. and Dorothy Sue, at home, and Pvt. David K. Matthews, of Fort Monmouth, N. J.; his mother, Mrs. Ochampaugh, of South Bend; one brother, John W. Matthews, of Lexington, Kentucky, and a sister, Mrs. Frank Newton, of Rochester.

Funeral services were held at 10:30 a.m. Wednesday at the Hickey funeral home, 403 Lincolnway West, South Bend, with Rev. Roscoe Wilson, pastor of the People's church, officiating. Burial was in the Palestine cemetery.

### MRS. FLORA CREIGHBAUM

Mrs. Flora Mae Creighbaum, 67, died Sunday morning at her home, four miles northwest of Mentone, of complications. She had been ill for two years.

Mrs. Creighbaum was born in Marshall county, October 4, 1887, the daughter of Isaac and Ellen (Fisher) Harsh, and had resided in the Mentone community for the past twenty years. She was a member of the Mentone Baptist church.

Survivors include her husband, Roy; one son, Forrest, of Tippecanoe; and two daughters, Mrs. Estil Huffman and Mrs. John Peters, both of Etna Green, and two sisters, Mrs. Melinda Elkins and Mrs. Dola Faulkner, both of Tippecanoe; three grandchildren and four great-grandchildren.

Funeral services were held at 2 p.m. Tuesday at the Reed funeral home, Mentone, with Rev. Gordon Rooze, officiating. Burial was in the Tippecanoe cemetery.

### FRED McCARTER

Funeral services were held Sunday at 2:30 p.m. at the Johns funeral home for Fred McCarter, 68, formerly of this community and Rochester. His home was in Indianapolis.

The deceased was born in Rochester. He was a retired blacksmith and mechanic. He was a member of the Elks and Eagles lodges.

Survivors are the wife, of Chicago, and two daughters, Mrs. Julius Thornstenson, of Paxton, Illinois, and Mrs. Vada Spinnick, who resides in Missouri. Rev. Chester Doden officiated. Burial was in the Mentone cemetery.

### HOME FOR THANKSGIVING

David Johns called home from San Diego Tuesday noon and said he was flying to Chicago and would reach there at 6:25 Wednesday morning. Mona Lee met him there. He will have 20 days leave with home folks.

### EMPLOYEES GIVEN TURKEYS

Every employee of the Frank Sae-man enterprises—Frank Mfg. at Mentone, Orthopedic Equipment of Bourbon and Syracuse Enterprises at Syracuse—were given dressed turkeys on Tuesday, for their Thanksgiving dinners.

### GARBAGE PICKUP THIS FRIDAY

Because of Thanksgiving, the regular garbage pickup will be Friday, Nov. 25, instead of the day previous.

### HAS MAJOR SURGERY

Earl Shinn remains in a serious condition following major surgery on Tuesday at the Lutheran hospital in Fort Wayne. He was to undergo additional surgery on Wednesday.

### HAVE NEW SON

Mr. and Mrs. Forrest Hoffer, of So. Bend, are the parents of a 10 pound seven ounce son born Monday, Nov. 22, at the St. Joseph hospital. The new son has been named Dennis Charles.

Mrs. Bernice Rush is in South Bend caring for the family.

### DAUGHTER IS BORN

Mr. and Mrs. Gerald Bidelman are the parents of a nine pound daughter, who has been named Cindy Lee. This makes four daughters for the Bidelmans, and, we understand the grandmother is slightly disappointed.

### UMMEL

Mr. and Mrs. Eldon Ummel, of Wabash, are the parents of an eight pound son born last Friday at the Wabash county hospital. The new son has been named Gregory Alan.

### COMPLETES COURSE

Miss Beverly Witham, daughter of Mr. and Mrs. Arthur Witham, returned last Friday from Minneapolis, Minn., where she has completed a six-month course at Gale Institute, an airline communications school. She is scheduled to return to Minneapolis shortly for an interview and placement at an airport.

(The first hours listed are when the mail must be deposited in the office, and the second is when the mail is due to arrive in Mentone. The last hours listed on Tr. 5 will be the following morning.)

# THE KILLER THAT IS ALWAYS PRESENT

With colder weather in the offing the Chicago Motor Club today warned motorists of the increased danger of carbon monoxide poisoning.

"Carbon monoxide is a killer in two ways," Chas. M. Hayes, Club president, cautioned. "Small doses of the gas slow your driving reactions and may involve you in a fatal accident. The gas itself is deadly - only one part of it in 700 parts of air can be fatal."

Hayes reminded motorists that carbon monoxide is colorless, odorless, tasteless, and therefore cannot be de-

tected by the senses.

"However, a smart driver will realize something is wrong when he gets the danger signals such as drowsiness, headache or nausea," Hayes added. "If he's driving, he should get out of his car and walk about in the fresh air for awhile. Should he be in a garage or other unventilated place, he should open all doors and windows."

Produced from imperfectly combusted motor fuel, carbon monoxide usually comprises about 7 per cent of exhaust gases. An excessive amount of the gas may be produced by faulty adjustment of the engine.

But even with best engine adjustment fatal leakage of the gas can occur. Main causes may be by faulty gaskets, defective exhaust systems or clogged tail pipes.

Carbon monoxide poisoning often occurs when a motorist is caught in a traffic jam, or while stopped at a railroad crossing. In these cases a considerable amount of exhaust may be drawn into an auto with a heating system that uses suction fans to draw air from the front of the radiator.

Physicians have pointed out that carbon monoxide overcomes a person so rapidly that he does not realize the danger. Frequently there is not time enough to get fresh air.

Besides dizziness, headache and nausea, other symptoms of carbon monoxide poisoning for which motorists should be on the watch while behind the wheel are: slowed brake reaction, poor vision, and reduced coordination.

To reduce the dangers of carbon monoxide poisoning, the Motor Club

recommends drivers to:

1. Always leave a car window open so air can circulate within the vehicle.
2. Never run the auto's engine in a closed garage or unventilated place.
3. Never sit in a car with the engine running - the wind can blow deadly gases back into the auto.
4. Check the engine for proper combustion and the exhaust system against leaks.
5. Heed the danger symptoms of dizziness, headache, nausea, and impaired driving skill - get out into the fresh air.

A man was notified by his psychiatrist, "If you don't pay your bill, I'm going to let you go crazy."

# FALL SURVEY SHOWS CORN BORER INCREASE

A big increase of corn borers in Indiana north of Route 40 and a big decrease south of Route 40 has been reported by M. Curtis Wilson, Purdue entomologist.

A fall survey showed that heaviest infestation is in the northwestern counties, particularly in the counties along the Illinois line. Infestation gradually decreases in an eastward direction. The unseasonably warm fall with abundant rainfall was ideal for development of the corn borer and a high survival of second brood borers. Many counties had individual fields with populations of 400 borers per 100 plants and one field had a high count of 900.

In contrast to the large buildup of

corn borer populations in northern Indiana, there was a sharp decline in the southern part of the state. In general, infestation by the second brood was not of economic importance. Low survival of the corn borer in southern Indiana was largely due to drought which dried the corn and caused the leaves to curl, factors unfavorable to the corn borer.

Although the infestation in the northwestern part of the state is the largest since 1949, it is too early to predict what may be expected in 1955. However, Wilson stated that conditions favorable to a high survival of borers this winter and next spring may lead to a severe outbreak of first generation borers on early planted corn next season. He suggested that farmers follow the recommendations of the Purdue entomology department in Mimeo E-17 which may be obtained from the county agent.

Winter snow, sleet and rain can obscure your vision, cause an accident. Be safe, says the Chicago Motor Club, and make sure your windshield wiper is in good repair.

The Chicago Motor Club says the safe driver paces his driving to the speed of traffic. He drives neither slower nor faster than the rest. He knows busy city streets are not the place to try to get ahead of another driver—

just to beat him to a stoplight.

Drive according to road conditions, advises the Chicago Motor Club. In wet weather on curving roads, it can be fatal to drive as fast as the speed limit.

## CO-OP STORE GETS BIRTH BECAUSE IT'S HOME-OWNED

A Newport News, Virginia, local developer sought out Peninsula Cooperative Association to operate a big supermarket in the thirty-five acre shopping center he's planning just north of town.

A. T. Brout, who will develop Newmarket Stores next to his Newmarket Village suburb, wanted the co-op as a tenant, he said, because it's home-owned by 2,300 residents of the area.

The co-op now operates a supermarket in Hampton, a suburb northeast of Newport News. Its officers signed a fifteen-year lease for a 13,000 square-foot store in the new development. The co-op expects to raise \$150,000 among its members for equipment and inventory, believes the break-even point will be \$25,000 sales weekly.

Those people who claim that the country is ruined are trying mighty hard to get control of the wreck.

Wet weather brings greater chances that your car will be involved in a skid, warns the Chicago Motor Club. Motorists should not step on the brake pedal when the car is skidding, but should take their foot off the accelerator and turn the car wheels carefully in the direction of skid.

### LOW COST

No appraisal fees. No loan fees. No commissions. A low interest rate.

### NO DEDUCTIONS

Prudential farm loans give you the FULL amount you apply for. There are no deductions of any kind from the loan proceeds.

### FITTED TO YOUR FARM

Prudential loans fit YOUR preferences—YOUR needs—YOUR farm operation. Ask about Prudential's Flexible farm loan plans.

### FAIR APPRAISALS

Prudential appraisers live in your territory and know its values. You have the benefit of a fair appraisal based on a sound knowledge of the value and earning power of your farm.

### PLENTY OF TIME

Up to 40 years if you want or need that long. Time to build up your soil and improvements. You may not need a long time but the protection of time is yours if you need it.

### CONSISTENT LENDING

Prudential is not a "fair weather" lender. It loaned constantly during the depression years and has been making farm loans since 1898.

### FAIR TREATMENT

Prudential will always extend fair and sympathetic treatment to the farmer sincerely interested in owning his farm. "Carrying on" with farmers during hard times has always been an essential part of Prudential's farm loan policy.

### PREPAYMENT PRIVILEGES

Liberal prepayment privileges are available to the farmer who has a Prudential loan. Advance payments on principal may be used to meet current installments if needed.

**WINTER AGRICULTURAL  
CONFERENCE PLANNED**

Purdue University's Winter Agricultural Conference, an annual event for many Hoosier farmers, has been scheduled for January 3-7, 1955.

Twenty-six Indiana agricultural associations will hold their annual meetings in conjunction with the conference, which is headed by Dean H. J. Reed. W. F. Graham is conference superintendent. All farm families are invited to attend these educational meetings.

Featured on the opening day program, Monday, January 3, will be the meetings of the Indiana Christmas Tree Growers' Association and their banquet that evening.

Meetings of general interest on the subject of drought and irrigation will be held the second day of the conference—Tuesday, January 4. The Indiana Farm Management Association will also open its meetings on Tuesday. An agricultural policy discussion on "How to Keep Our Nation Prosperous" will feature speakers representing agriculture, business and labor.

Beginning Wednesday morning the Hoosier commercial pork producers

will conduct their annual business meeting. Also scheduled is a program sponsored jointly by the Purdue agronomy and agricultural economics departments on "What's New in Cornbelt Farming?" Wednesday afternoon the Purdue agricultural economics and animal husbandry departments will jointly sponsor a program on "Am I Missing a Bet on Hogs?"

Other groups on the Wednesday program include the farm electrification conference, the Indiana Livestock Breeders' Association meeting, the Indiana Vegetable Growers' annual meeting, the Indiana Sheep Breeders' Association meetings, the Indiana Beef Breed Association meetings, and the Indiana Draft Horse Breeders' Association meeting. Indiana Livestock Breeders' banquet will be held Wednesday evening January 5.

Thursday's program will include a continued session for the farm electrification conference, a meeting on pasture and forage crops conducted by Purdue agronomists, the nineteenth annual Rural Youth Day, the 4-H health and safety conference, and the annual meeting of the Purdue Agricultural Alumni Association.

Annual meeting of the Indiana Corn

Growers will be held Friday, last day of the conference. Lt. Governor Harold W. Handley and President F. L. Hovde of Purdue are scheduled to speak at the association's annual banquet Friday evening. Another feature of Friday's program is a conference for community leaders on health and safety.

## 4-H CLUB CHATTER

By Ruth Snellenberger

Dear 4-H Mothers and Friends,

This is a cordial invitation to all of you to attend the 4-H H-E-P-I School—4-H Home Economics Project Instruction school—on Thursday, December 2, 1954. Registration and assignment to groups will be from 9:30 to 9:45 a.m. (EST) at the Women's Building on the fairgrounds at Warsaw.

Four class periods are scheduled throughout the day—9:45-10:30 a.m., 10:45-11:30 a.m., 1:00-1:45 p.m., 2:00-2:45 p.m. Assigned groups (so one class won't be too large) will rotate from one project instruction class to another, round robin fashion.

Instruction in the following projects will be repeated each period: **FOOD PREPARATION**—helping the young girl plan meals wisely, ideas for family salads, and luncheon main dish suggestions;

**CLOTHING**—materials suitable for head scarves, tray cloths, and aprons, learnings expected in the first year apron, variations in the second year skirt, and the girl's first dress;

**HOME IMPROVEMENT** and **ELECTRIC**—display of things that could be made for division one home improvement, making a lamp, and good light-

ing requirements;

**BAKING**—utensils acceptable for good products, measuring techniques, blending fat and sugar thoroughly for a good butter cake, folding technique, and suggestions for good yeast rolls.

The first three classes will be held in the Women's Building while instruction in baking will be given in the R. E. M. C. kitchen on South Buffalo Street in Warsaw.

Subject matter content of these classes was determined by the needs recognized while grading project record books following the county fair. There will be drawings, charts and displays to supplement the demonstrations and discussions in each project instruction.

This is really a school day to help 4-H leaders and mothers to help 4-H members. Invited also would be any home demonstration club member who would like to help a 4-H club by giving instruction in some particular project and any potential 4-H mother.

Although it is hoped everyone will want to attend all day, it is possible to attend only the project class or classes in which you wish help. Everyone is asked to come first to the women's building to register and be assigned to a group.

No arrangements have been made for lunch, however, anyone is welcome to bring a sack lunch if she desires.

Mark that date now, December 2.

and plan to attend the 4-H H-E-P-I School.

Bye now.  
Ruth R. Snellenberger

## ENTRIES INCREASE AT CHICAGO STOCK SHOW

Of the 26 breeds of farm animals that will be seen at the forthcoming fifty-fifth renewal of the International Live Stock Exposition, 11 breeds register an increase in number over last year's show, the management reports.

The Exposition will be held November 26 to December 4 in the recently enlarged International Amphitheatre at the Chicago Stock Yards.

According to officials of the show, exhibits are listed by the continent's top livestock producers in 38 states

**PALESTINE WOMEN'S SOCIETY  
OF CHRISTIAN SERVICE MEETS**  
The W. S. C. S. of the Methodist

church met with Mrs. Orval Secor of Warsaw on Thursday for an all day meeting. In the forenoon a short business meeting was held. At the noon hour a delicious carry-in dinner was served to thirty-seven adults and fourteen children. In the afternoon our guest speaker, Mrs. Lee Yoder of near Leesburg or North Webster, gave us a very good talk. She is the key woman of the South District. Following her talk a very lovely auction was held with the articles going to the highest bidders. Three new members were added to our society: Mrs. James Rose, Mrs. Lottie Beery and Mrs. Raymond Ross. Our next meeting will be held at the home of Mrs. Dale Wiltrout which will be a Christmas party with a fifty cent gift exchange, on December 16.

## Mentone Defeats Leesburg

Mentone broke into the win column with a smashing victory over the Leesburg Blue Blazers at Mentone last Friday evening. A fair sized crowd witnessed the game. The final score was 55-36. The Mentone second team made it a complete evening for the Mentone fans by defeating the previously undefeated Leesburg seconds. This evening the Mentone teams play Burket in a pre-Thanksgiving affair. On Tuesday evening, November 30, the Mentone teams will travel to Etna Green to meet the Etna Green teams. The following Friday, December 3, the Argos teams will be at Mentone.

Both the seventh and eighth grade teams remain undefeated after defeating the Atwood teams last Thursday evening at Mentone. Both teams have now won three games apiece.

## Present Thanksgiving Programs

On Monday evening the Mentone students presented a Thanksgiving program over radio station WRSW. The

girls' chorus sang two numbers with Marita Tucker as soloist. The speech club gave a choral selection and poems. The next radio program will be given December 6.

On Wednesday the high school students attended a special Thanksgiving devotional service. The girls' chorus sang two numbers, members of the speech club read poems and the Scripture. Mr. Leslie Grant of the Church of Christ brought the Thanksgiving message.

The pupils enjoyed a special Thanksgiving lunch in the school cafeteria on Wednesday. This week 299 pupils are eating lunches at the cafeteria. The special lunch included roast turkey, dressing, mashed potatoes, carrot and pineapple salad, cranberry relish, rolls, butter, milk and a drumstick (ice cream). Mrs. Christner has been ill this week. Mrs. Albert Hatfield is working in the cafeteria in her place.

## Around the School

Margaret Cochran has entered the Mentone eleventh grade from Talma.

Mr. Bunnell was absent last Wednesday and Thursday with a throat infection. Mrs. Hoffman was absent on Tuesday due to illness.

The advanced home economics class is busy sanding and refinishing three tables from the sewing room.

The advanced agriculture class has been overhauling a combine as part of their shop work.

Mr. Weiss and the shop boys recently completed wooden slatting for the shower room floors.

The band has been practicing formations to use at the basketball games.

The biology class under the direction of Mr. Hoffman recently completed leaf collections. Students with thirty-five leaves received 'A's.

The second grade under the direction of Mrs. Folk made decorations for the cafeteria tables for Thanksgiving.

## LOCAL NEWS

# We have the NEW Swift's Mineral Supplement BLOCK

Mineral feeding hits a new high in ease and economy with Swift's Mineral Supplement in block form. Perfected by Swift for cattle and sheep, the new mineral block meets these strict regulations:

- It's soft enough so animals get their mineral quota easily
- It's hard enough to resist weather
- It's easy to handle, easy to feed

In formula and quality the block is the same as the familiar Swift's Mineral Supplement in powdered form. It provides ten essential mineral elements all livestock need. It's held together by a palatable molasses binder. Swift's Mineral Supplement contains no fillers or waste. Every ingredient has feeding value.

Supplies these ten profit-making elements

- Manganese
- Iron
- Copper
- Cobalt
- Sodium
- Chlorine
- Calcium
- Phosphorus
- Magnesium Sulphate

**SOLICITORS TRAIN  
FOR F. B. DRIVE**

All over Indiana, volunteer farmers and farm wives are taking a last minute intensive training in preparation for the annual Farm Bureau membership drive, scheduled for the week of November 29. The state organiza-

tion has set a total of 121,500 members for 1955. The 1954 total is about 117,000.

At the recent state convention of the organization, it was announced that 50,000 farmers had already paid their membership dues for next year, as the result of a mail campaign. This enthusiasm would indicate that solic-

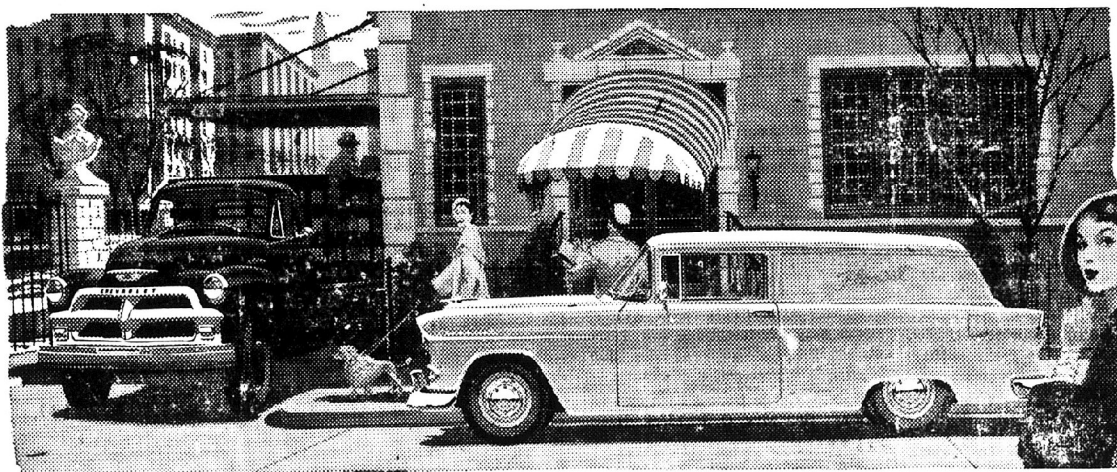

itors will have little trouble in reaching the total set.

Some townships plan kick-off suppers or breakfasts prior to the drive. Others will do their celebrating when their work is finished. According to Paul T. Norris, state Farm Bureau director of organization, this army of volunteers is both the heart and the

strength of this largest of general farm organizations.

Husband to doctor over the telephone: "My wife just dislocated her jaw. If you're out this way sometime next week or the week after, you might drop by and see her, if you have time and happen to think of it."

Why do most farmers in this community prefer to have their farm loans at home rather than with insurance companies and other lending agencies?

Because  
This  
Bank

Because these  
Farmers . . .

- 
- Has been in the farm loan business much longer than most insurance companies and other agencies.
  - Knows the value of farmland in this community and the capacity of the farms to produce.
  - Is in a position to extend maturity dates on farm loan payments without cost or red tape.
  - Extends full prepayment privileges on farm loans WITHOUT ANY PENALTY and gives full credit on interest for all payments on the dates they are made.
  - Credits prepayments to the first maturing installments on the dates such payments are made, which protects the borrower against subsequent periods of low income.
  - Has low costs in acquiring loans — No commissions — No appraisal fees — No deductions of any kind. You get the full amount you borrow.
  - Keeps interest rates in line with all competitive lending agencies.
  - Makes both real estate and farm operating loans.
  - Is always interested in arranging the terms of a borrower's farm loan to fit his long range program and in extending ADDITIONAL CREDIT to enable him to conduct his program successfully.
  - Has been making farm loans continuously for more than SIXTY-TWO YEARS during which time it has carried its farmer borrowers through the worst depressions and has NEVER foreclosed a farm mortgage loan.
  - Is in a better position to serve farmers with ALL their financial needs than any other type of lending agency.
  - Has a personal interest in the success of all its farmer borrowers and the welfare of the community.
- 
- Realize that they cannot borrow on short term loans from other farm loan agencies for farm operating purposes.
  - Know that with a farm loan at home they can use their equity for additional working capital loans.
  - Recognize all the advantages offered in a farm loan with their local bank.
  - Like to do business in their home community with people whom they know, with people who pay taxes locally and help to maintain a high standard of community life.

*We invite your inquiries on all types of loans and assure you of our prompt and personal service.*

### TAX SCHOOL SCHEDULED FOR AREA FARMERS

A school to discuss and explain income tax regulations and regulations of the Farmers Social Security program will be held at the Women's Building on the Fair Grounds near Warsaw at 1:30 p.m. November 30. Robert Suter of the Ag. Economics Department at Purdue will be on hand to lead the discussion.

Points of interest to farmers to be discussed at the school will include an explanation of what farmers will be included in the Old Age and Survivors Insurance Program, how much farmers will pay, and what benefits will be received, also there will be a discussion of how farmers can make substantial savings in income tax payments by taking advantage of the new income tax regulations.

All farmers and their wives are invited to attend this school and they will be given a chance to ask questions and take part in the discussion.

## HERSHELL ENYERT DIES

Hershell L. Enyert, 1754 Homewood Ave., Mishawaka, was dead on arrival at St. Joseph hospital at 10:45 p. m. Monday. He had been ill one year. He was born in Warsaw, Ind., Jan. 9, 1899, and went to Mishawaka 30 years ago from Warsaw. Mr. Enyert married Miss Daisy Halterman in Warsaw in 1919. He was employed by the Sibley Foundry and Machine Co.

Surviving are his widow; a son Robert of North Liberty; a daughter, Mrs. Gertrude Dougherty, Logansport; one sister, Mrs. Frank Kristl, and a half sister, Mrs. Russell Merrill, both of Mishawaka; a half brother, Richard Enyert of California, and two grandchildren.

Funeral services were held Thursday morning at the Hollis funeral home, Mishawaka, at 10:30 a. m. with burial in Chapel Hills Memorial Garden.

Mr. Enyert was a charter member of the Mishawaka Post 360, Veterans of Foreign Wars, and was a member of the American Foundry Association.

## IN GERMANY

Pvt. John D. Fitzgerald, 20, son of Mrs. Iris C. Fitzgerald, Mentone, is now serving with the 1st Infantry Division in Germany.

The only American division to remain in Europe since World War II, the 1st Infantry is receiving intensive training as part of the U. S. Seventh Army.

Private Fitzgerald, a member of Co. B. of the 701st Ordnance Battalion, entered the army last March and completed basic training at Aberdeen Proving Ground, Md.

## CLUB CALENDAR

J. O. Y. Circle meeting Tuesday, Dec. 7, nine o'clock at Mrs. Dan Urschels.

The Mentone Home Demonstration Club will hold its annual Christmas dinner December 9 at the home of Mrs. Harry Sullivan, with a carry-in noon meal.

D.A.R. Christmas party December 7 at Mrs. Frank Smith. Bring your gifts for Tamassee.

The Royal Neighbors will meet Tuesday evening December 7, with Clara Parker in Bourbon—pot-luck supper at 6:30 and 50 gift exchange.

PTA postponed from Dec. 8 to Dec. 15 because of a basketball game.

EVANGELISTIC SERVICES AT  
FIRST BAPTIST CHURCH

Evangelist Charlie Dodd of Greenfield, Indiana, is preaching every night at the First Baptist Church, Mentone, through December 12. The meetings begin at 7:30. There is also a daily prayer meeting every morning at nine o'clock. If you are hungry for a revival in your heart we urge you to attend these meetings. We desire to share the blessings of revival with everyone in the community, so we are extending an invitation to everyone who is interested that you might carry the blessing of revival back to the church you attend. This meeting is in an entirely different category than the regular line of evangelistic campaign. If you are at all interested in God, we invite you to attend.

## SANTA CLAUS AT COOPERS'

Santa Claus will be at Coopers' store again this year to greet the kiddies and their parents.

He will be at the store on Saturday, December 11, from 2 p. m. to 4 p. m. and from 7 p. m. to 8 p. m. There will be a treat for everyone.

## CHRISTMAS LIGHTS APPEARING

The Christmas street decorations are being put up this week, following a decision made at a special meeting of the Mentone Merchants' Association last Friday evening. The cost of the project is being defrayed by cash contributions by the merchants of Mentone.

## HOLD MEMORIAL SERVICE

On Tuesday, Nov. 23, Mrs. Rosa Kinsey of near Mentone, and Mrs. Guido Davis of Burket accompanied Rev. David Gosser on a request trip to Kempton where Rev. Gosser had a memorial service for Mrs. Della May Spencer. Mrs. Spencer was the mother-in-law of the late Dr. Wendell Kinsey, son of Mrs. Rosa Kinsey.

The Spencer family has been very prominent in central Indiana and the sons and daughters have been influential in the many places where the six daughters and two sons reside. Besides Anna, another Spencer girl is married to a Kinsey and resides in Mount Dora, Florida. Anna Spencer Kinsey and family are continuing their residence in Stores, Connecticut, where Wendell was a prominent faculty member of the university.

## GUM BY THE POUND

In the hurry and rush last Wednesday to get the Co-Op. News printed and into the mails before Thanksgiving, we managed to get the price of gum and life savers a little out of line in the advertisement by Coopers' Store. We listed gum at 9c per lb. when it should have been "3 pkgs. for 9c."

Which reminds us that the next three or four weeks will be busy ones in this newspaper office, and those with news items and advertisements can help us handle the load if the information is given to us as far ahead of the day of publication as possible.

All mats for stereotype castings must be in our office Tuesday afternoon and advertising copy Tuesday evening. We have been operating on this schedule, but always try to accommodate when it is within our power to do so. News items are accepted on Wednesday, and we can usually manage this—except in those weeks when everyone happens to be late.

Mr. and Mrs. James Blue of Denver, Colorado, spent a few days this past week with Mr. and Mrs. Charles Manwaring and family and visited with other relatives in Mentone. They were returning from visiting their two sons who are students of Yale University. Mrs. Blue had attended a conference in New York for the governing bodies of State Universities. She is a trustee of the University of Colorado.

## PARENTS OF TWINS

Mr. and Mrs. Richard Maple are the parents of twin boys born Wednesday morning by Cæsarian section at the Murphy Medical Center at Warsaw. One son, weighing seven pounds, was born at 10:13 a. m. and the second, weighing five pounds, four ounces, was born one minute later.

## MENTONE READING CLUB

The Mentone Reading Club met at the home of Mrs. Fred Lemler on Wednesday evening, November 17. Mrs. Arley Cullum was assistant hostess.

Response to roll call was "Mental Health."

Following the business, a most entertaining program was given by the committee composed of Mrs. Maude Snyder, Mrs. Emma Clutter and Mrs. Guido Shirey. A "Name That Tune" program, with participation by the club members, was thoroughly enjoyed by all.

The December meeting will be on Wednesday evening, Dec. 15, at the home of Mrs. Jack VanGilder.

## AWARDED DIVORCE

Judge Walter Brubaker has awarded Ruth C. Maxwell, of Franklin township, a divorce from Harold W. Maxwell and custody of an adopted daughter, Patricia Ann. The defendant was granted visitation privileges and ordered to pay \$10 weekly support for the child. The court approved a property agreement signed by the couple who married July 4, 1932 and separated last May 12.

## GIFTS ARE DUE NOW

Today is the last day to turn in your gift for patients in our state mental institutions. No patients must be overlooked this Christmas so please remember to make your contribution to your local depot.

Monday evening supper guests at the home of Mr. and Mrs. H. V. Johns were: Mr. and Mrs. Fred Swick, Mentone; Mr. and Mrs. A. O. Little, Huntington; Mr. and Mrs. Earl Smalley and family, Crystal Lake; Mr. and Mrs. Hale Hurd and family, Lucerne; Mr. and Mrs. Doyle Earwood and family, Elkhart, and Mr. and Mrs. David Johns, U. S. N., San Diego, Calif.
