**MRS. JOSEPHINE BESSON
BURIED TUESDAY AFTERNOON**

Mrs. Josephine Brant Besson, aged 81 years and a long-time resident of this county, died at the home of her daughter, Mrs. Samuel Sanders, at Warsaw, of uremic poisoning Sunday morning at 8:15, after an illness of about two weeks.

The deceased was born in Fayette county, Ohio, Oct. 4, 1859, the daughter of George and Lydia Brant. She was united in marriage to William Besson in Kosciusko county Oct. 19, 1879. He preceded her in death. She had spent most of her life in the county on a farm near Mentone, but spent the past four years in Warsaw. She was a member of the Harrison Center U. R. church.

Surviving are the daughter, Mrs. Sanders; a son, Charles Besson, Mentone; two sisters, Mrs. Emma Cockley, this county and Mrs. Etta Miller, Peru; a brother, John Brant, Dowagiac, Michigan; eight grandchildren and three great-grandchildren.

Funeral services were held at the Harrison Center U. B. church Tuesday afternoon at two o'clock. Rev. Noah McCoy, North Manchester, officiating. Burial was in the Harrison Center cemetery. The Reed funeral home at Mentone, was in charge of the arrangements.

**CONSERVATION CLUB TRAP
SHOOT ON COLUMBUS DAY**

The Mentone Conservation Club will hold a trap shoot on Sunday, October 12th, starting at 12:30 p. m.

Ammunition and eats will be available on the grounds and moderate prizes will be given. The shoot will be conducted on a self-supporting basis yet the charges are expected to be lower than usually.

Columbus took a chance.

MANY ADMIRE 1942 CHEVROLET

A large number of people of Mentone and vicinity called at the Cox Chevrolet Sales last Friday and Saturday to get their first view of the new 1942 model Chevrolet that was on display.

**WM. EARL RUSH WRITES
FROM ICELAND MARINE BASE**

Wm. Earl Rush, son of Mr. and Mrs. Ray Rush, of Mentone, who is stationed in Iceland with the U. S. Marines, recently wrote the following letter to his parents:

Sunday, Aug. 17, 1941
Iceland

Dear Mother, Dad, and all:

Well I expect that it is about time that I am sounding off and as the mail goes in a few days I want to get this in it. We have been here five weeks now and I am beginning to get used to it. The customs here are strange; so are the language and money.

I am a long way from home but I am getting to see a lot of places that I had never dreamed of seeing. The country here is very mountainous and of volcanic origin. There are several geysers and hot springs.

There is one hot spring about one-fourth mile from camp which has been piped to a large artificial pool. The water in this stays around 70 or 75 degrees the year around. It costs the equivalent of about 10c to go swimming there. Suits and towels are furnished by the people who own the pool.

We are only about 1 mile from the capital city so you can see that we are very well situated. The main town is about the size of Warsaw but it is a lot older. The people in it are friendly enough but the different language makes it at times rather difficult to get along. Most of the younger Icelanders speak and understand English as in the past few years they have been teaching it in their schools. Their language is not very hard to learn and already I have mastered quite a few words and phrases.

It wasn't at all hard to learn the value of their money as it was divided almost like ours. Their Kromer is similar to our dollar and their Aurur is similar to our penny—100 Aurur equal one Kromer. The rate of exchange is 6½ Kromer for \$100. The price of things is about the

**BROTHER OF LOCAL MAN
IS SERIOUSLY INJURED**

Ernest J. Ketterman, aged 62 years and brother of Clem Ketterman of Mentone, was seriously injured in a freak accident near Lansing, Michigan Wednesday of last week.

Mr. Ketterman, who is vice president, general manager and part owner of the Christman company, contractors, was on his way to Detroit to take over supervision of a new \$850,000 housing project, when his car developed some kind of wheel trouble. He got out of the car to make an inspection, it was reported, and the car rolled over him.

His injuries consist of a compound fracture of the left leg, bruised ribs and other minor bumps. The accident happened on the Farmington cut-off of US-16. It was feared that he will be unable to work for several months.

Mr. Ketterman was born at Sevastopol and lived at Mentone for a number of years.

MENTONE D. A. R. MEETS

The Anthony Nigo chapter of the D. A. R. met at the home of Mrs. Edna Carey on Tuesday afternoon with Mrs. Isaac Kessler as assisting hostess. The program was as follows: President General's address, read by Mrs. Ray Linn.

Across the Years with the Past Regents, Mrs. Furel Burns, who was the first chapter Regent, followed by Mrs. Arthur Brown, the retiring Regent.

An interesting D. A. R. quiz was enjoyed by the members.

Mrs. Lloyd Kesler, Mrs. Everett Rathfon, Mrs. Roy Adamson, Mrs. Elmer Rathfon, Mrs. Delbert Hunter and Mrs. Mack Haimbaugh were guests.

During the social hour delicious refreshments were served by the hostesses.

The chapter will meet Oct. 14 at eight o'clock with the Tippecanoe River Capter at Bourbon, Ind.

Poultry supplies at the Co-Op. mill.

**LOCAL MAN NAMED ON
STATE BANKING GROUP**

K. A. Riner, vice president of the Farmers State Bank at Mentone, was elected secretary-treasurer of the Indiana Bankers Association at a meeting held in Fort Wayne last Wednesday evening.

Mr. Riner left for Chicago Sunday to attend a two-day meeting of the American Bankers Association. Mrs. Riner drove to Etna Green Tuesday evening on his return trip to Mentone.

**CONSERVATION CLUBS HAVE
FINE EXHIBITS AT FAIR**

The Kosciusko County Council of Conservation Clubs exhibit at the Warsaw Fair last week was visited by several hundred interested spectators.

The State Department had a number of wild animals in cages that proved to be quite interesting and educational to fair-goers. The Forestry Department was represented in addition to the numerous tanks of live fish provided by the county clubs and neighboring hatcheries.

C. O. Mollenhour, vice-chairman of the county organization, was busy the entire week arranging for the exhibits and welcoming visitors to the display tent.

**I. U. POW-WOW DINNER AT
SOUTH BEND FRIDAY, OCT. 3**

Chas. L. Manwaring, of Mentone, has the following announcement of interest to Indiana University alumni:

I. U. grads and former students of the St. Joseph County I. U. Alumni are sponsoring the I. U. Pow-Wow dinner on Friday evening, Oct. 3rd, starting at 7 o'clock at the Indiana club at South Bend.

"A real party—mixed and informal. Let's get better acquainted. Night before I. U. -Notre Dame football game. Many I. U. notables will attend. Music by I. U. band unit, and Dr. 'Nick' Carter says the entertainment will be tops.

Pow-wow reservations: Clifford Pletcher, 3-6171, 511 W. Colfax.

MOVIE STAR JOINS U.S. NAVY

Ensign Wayne Morris Seeks Wings

Wayne Morris, recent star of "I Wanted Wings," became a member of Uncle Sam's Navy in May, 1941, when he was appointed to the rank of Ensign.

When asked what he thought of the United States Navy, Morris said, "I think every man who is considering joining a military service should look into the 'chance of a lifetime' which the Navy offers to get into the big pay field of the future—aviation. In the Navy you can attend the finest flight training schools in the world, and receive instruction from

Navy pilots who introduced dive bombing, aircraft carriers and catapult take-offs to the rest of the world. Also, there are opportunities in Naval Aviation for men who don't want to fly. They can be trained as aviation machinists, metalsmiths, photographers, observers, or they can receive instruction in many other trades. It's a great life in the Navy."

Ensign Wayne Morris is pictured here in his line of duty as a member of the Naval Aviation Cadet Selection Board at the Long Beach Naval Reserve Air Base.

has been in the dark for a couple of nights except for what little consolation could be secured from kerosene and moonshine.

Mrs. Robert Lambert visited her brother, H. Conner, near Bourbon, Saturday.

Mr. and Mrs. Jack Shaup, of Warsaw, spent a few days last week with his parents here.

Paint for Glass

A paint made with white lead, linseed oil and turpentine, applied to clean, dry glass, will adhere very well. Colors or paints of lighter gravity than white leads are best mixed with good coach varnish and turpentine or benzine for first coat, and a little added coach japan will hasten its hardening. The principal condition for adhesion is perfect cleaning of the glass surface before applying.

Mr. and Mrs. R. G. Reed and Miss Rowenna Lackey of Mentone and Mr. and Mrs. Neil Goff of South Whitley, attended the Indiana Saddle Horse Roundup, held at the State Fair grounds at Indianapolis, Sunday. This was advertised as one of the largest shows of its kind in the Nation.

Insane Patients Cured

A recent reliable survey showed that about 40 per cent of patients in hospitals for the insane are cured or so improved they can return home. The best hospitals return 60 persons to normal life. The New York hospitals show that at the end of 15 years only 17 per cent of the patients (excluding deaths and transfers) are still under treatment. In the Boston State hospital an analysis of 4,000 cases showed 19 per cent had to stay 30 days or less; 56 per cent six months or less; 56 per cent one year or less. At the end of 10 years (excluding deaths and transfers) only 3 per cent remained as "incurable."

**REMC OFFICIALS TO ATTEND
REA NUTRITION MEETING**

William A. Orr, manager, and J. A. Mellott and S. B. Knoop, directors, of the Kosciusko county REMC, will attend a regional conference in Ft. Wayne Sept. 30 and Oct. 1 at which some 300 nutrition specialists, State school superintendents, and REA system managers will formulate plans for putting the REA Nutrition program into action in this area.

In line with the Nation's efforts to improve nutrition, both for the period of the defense emergency and for later years, the REA program will make it possible for every rural school in this area which is served by an REA-financed line to set up a food preparation center. In this area there are approximately four such schools. The centers would provide electrical equipment for processing and preserving health-building foods.

Arrangements will be made for the schools to borrow from the Kosciusko County REMC the funds for purchasing the equipment according to Mr. Orr. Several leading equipment manufacturers have agreed to give the schools a special discount, he said.

MOVIE NEWS

Sergeant York.

This is a drama starring Gary Cooper with Walter Brennan, Joan Leslie and an able cast. Life and exploits of the first World War's No. 1 hero—the film biography of Alvin C. York. His early days of wild youth, how he "got religion," his army experiences—all this is topped by his exploit of capturing 132 German prisoners. Cooper's portrayal is splendid. Since the war York's life has been spent in farming and educational work, and to further these activities he collaborated in making this picture. Stirring, timely, it is a tribute to plain folks. People who live near Warraw where this show will soon be, should go to see it, if you like Gary Cooper.

EDITORIAL

Getting farm labor is a difficult job. A few men are available to work by the day, but the price for labor by the day is too much for the ordinary farmer. A hand to work steady is even more difficult to get. A farmer having hired labor may consider himself fortunate especially in harvest time. The increased production and use of modern farm machinery makes it possible for one man to do many times the work he formerly did, thus solving much of the farm labor problem.

KITTY FOYLE

"Kitty Foyle" is a gay saucy girl who is warned by her father about the pitfalls that are inevitable in the life of a Cinderella.

She has agreed to marry a young doctor who offers her love and kindness, but Kitty marries Wynn Stratford, a Main Liner of Philadelphia. Dissolution of their marriage is forced by his family. Kitty goes to New York and on the day she is to meet Wynn again, she learns that he is going to marry another woman and refuses to see him. A young doctor falls in love with Kitty and proposes. An hour before the ceremony Wynn re-enters her life to take her to South America. She must decide between the solid plodding doctor and the gay and easy-going man that she cannot get out of her mind. She is to meet the doctor at the court house and Wynn is waiting for her at the pier.

As she leaves the hotel, she instructs the taxi driver to take her to the court house.

CLASS ELECTIONS ARE COMPLETED

The Sophomore class met on the morning of Sept. 16 to hold their annual class election. At this meeting they elected their officers as follows: Max Tinkey, president; Louise Reed, vice president, and Pat Myers, secretary and treasurer. Mervil Smith is their class sponsor.

The Freshman class elected new officers for the year 1941-42, as follows: Ted Bradway, president; Frances Baum, vice president, and Richard Leiter, secretary and treasurer. Miss Holt is their sponsor.

The Eighth grade had a meeting Wednesday to see who would be the class sponsor and to elect officers. They chose Miss Pottenger as their sponsor. Their president is Betty Cain; vice president, Bob Flennar, and secretary and treasurer, Freda Kesler.

At Hallowe'en time the eighth grade is going to have a party. The chairman will be Dean Witham. Pupils for the refreshment committee: Patty Shinn and Marjorie Lockridge. Game committee: Betty Shirey and Joan Elliot. The committee for deciding where the party will be held is composed of Dick Filarsky and Betty Cain.

Seventh grade elections were held during English class Thursday. Officers are, president, Forrest Miner; vice president, Mary Lou Jeffries; secretary-treasurer, Dorothy Sensibaugh. Mr. Bowers was selected as class sponsor.

ART THROBS

In the high school Art class there are several who are working with stained glass windows. Others are taking cartooning.

In the seventh and eighth grade class some of the girls are taking dress designing, some are taking pastels, and some woodcarving. Under woodcarving comes airplane building.

Later, the high school class may work with pastels and charcoal.

The other day in one of our classes the teacher was telling about his visit to Washington, D. C., and the Andrew Mellon Art Building last spring. He was very disappointed in it. The whole building was made up of rooms furnished with chairs and davenport with only one picture on the wall. In one room he went into, there was just one small picture which he said looked as if it might have been painted with tomato juice. It was a picture of a woman holding a child—the "Madonna." Then he asked of the class: "Was it the picture or my appreciation? I don't know, but I have an idea. Perhaps most of us don't think a whole lot about art although we see it everywhere we look.

There was once a lady who worked in the slums of one of our large cities and everywhere she went she tried to find something beautiful. One day she was walking with a friend in one of the worst sections when her companion turned to her and said, "You certainly don't see anything beautiful here, do you?"

She looked around her and then said, "Look there."

It was the face of a little girl peering out the window of a shabby tenement house. She was dirty and her golden curls were matted, but she was beautiful even so.

That wouldn't be a bad thing for all of us to try. There is more to art appreciation than going into spasms over a piece of canvas. Art is everywhere if we just look.

AROUND THE DIAL

Eddie Cantor is back on the radio. Harry Vonzel was trying to steal Betty Grable's heart, but Eddie saw to it that he got her. Charlie McCarthy and W. C. Fields didn't hit it off, so I gathered. McCarthy wanted to use W. C. Field's nose

for a tail light on his new bicycle—Fields replied that he'd fill Charlie full of lead and use him for a pencil. Claudia and David really had cold feet when they came back from their hike in the mountains. David with a cold and Claudia itching her leg. Poison Ivy, so her mother said. Lux Radio Theatre presented "Lydia" on the air. Such a beautiful woman and no husband, just four men who loved her—Lucky thing!

OUR ILLUSTRIOUS SENIORS--

Paul Gerald Horn.—Paul was born in Mentone January 23, 1923; he is now eighteen and is a senior in Mentone High School. He started to school at Tippecanoe and went one year and now is in Mentone. The coach has given him the pleasure of playing basketball and softball for four years.

He is the son of Mr. and Mrs. Fred Horn.

Frances Jean Nettrouer was born August 20th, 1924, near Etna Green, Indiana. She is the daughter of Mr. and Mrs. Clyde Nettrouer, and is the second of a family of four girls.

Although she started school at Bourbon, Indiana, she has attended school here at Mentone since the fifth grade. She is now seventeen years old, and seems to be enjoying her last year of high school here.

HISTORY SIDELIGHTS

The Junior History class has been studying about the early colonial settlements and how the early settlers got their wives. There were ship owners in England who would gather up all the volunteers and homeless women and girls that their boats would hold and bring them to America and sell them for tobacco. This they would sell in England.

MOVIES—"Charley's Aunt"

This is a comedy with Jack Benny, Kay Francis, Richard Hayden, James Ellison, Arleen W. Nelan, and Ann Baxter. This feature will be showing soon in your community, so be sure to see it.

Miss Ora Pottenger spent the week end with her parents, Mr. and Mrs. Royal Pottenger, in Warsaw.

Miss Edna Whetstone spent Sunday in Michigan.

The Junior and Senior Home Economics class is studying the amount of calories they need each day.

the same if not a little higher. Cigarettes and things of that sort are the same price as in the States in as much as we get all the things like that through the Marine Post Exchange.

When we first came here it seemed quite cold due to the fact that we had experienced such hot weather in the Canal Zone; but after getting used to it it isn't bad at all. Today and yesterday have been two of the nicest days we have had. It seems just like a warm spring day now. When we first arrived it was light all the time but now there is about 3½ hours of darkness each night.

There is only one paved road in all Iceland, the rest wouldn't even compare with our poorest country roads. Their most popular means of travel are bicycles and ponies. If there is a full grown horse in all Iceland, I haven't seen it yet.

By the way, the First Sergeant told me that I was to receive my warrant for Corporal some time today. It is supposed to be dated the 7th of August but for some reason they weren't sent here immediately. As you can probably guess I am very happy about it all and intend to do my best to hold it. There is also a very nice raise in pay that should help considerably. I was getting \$36 per month and now I will get \$54 per month.

I guess that as I have written about all that I can think of—now is a good time to close.

Love to all,

EARL

Corporal WM. E. RUSH,
F-2-10,

1st Marine Brigade (Prov)
Iceland,

Mother Disappears While on Search For Dead Infant

Leading Son, 3, She Wanders Into Oblivion as Her Husband Hunts.

SAN FRANCISCO. — Somewhere, probably in this city, a woman was wandering the other day in a daze of tragedy, and with her trudging her three-year-old son, unaware that his mother was leading him, and herself, toward an uncertain fate.

To prevent another and possibly greater disaster from descending upon the family, the woman's husband, discouraged and impoverished by a two-month search, journeyed to San Francisco and appealed to the police to help him. He is Thomas B. Crotty, 36, of Walla Walla, Wash., music teacher, violinist, one-time assistant concert master of the Chicago Symphony orchestra.

The woman whom he asked them to help find is Mrs. Helen Schwartz Crotty, 32, former art student in Paris, France; mother of Charles Crotty, who died in his eighth month, and of Thomas Crotty, 3, fellow wanderer with his mother.

Once Happy Home.

Until last November, the Crotty home in Walla Walla was as happy as you may. Mr. and Mrs. Crotty, who met in Paris while he was touring Europe, worked day by day to develop into reality their ambitious dreams for their children.

Crotty bought a rare and expensive violin for son Thomas and the child already had shown a talent for playing. Charles, too, was to be a musician, the parents agreed.

Then Charles died.

Less than two weeks after the funeral, Mrs. Crotty took Thomas by the hand and walked out of her home.

For six weeks there was no word of the pair, and those six weeks were Crotty's first taste of what hell on earth is like.

He closed his studio, packed a few possessions, ranged the coast cities, seeking some trace of his wife and child.

He went down to San Francisco, and at Christmas time his search was rewarded. A friend had seen Mrs. Crotty and the child—somewhere in the Fillmore district. That was all the friend knew.

Then Charles died. Crotty haunted the Fillmore area until one day he came face to face with his wife and his baby.

Unable to Explain Actions.

She hardly remembered, Crotty said, how she and the child had lived. The past was a blur. She could think only of their dead child, something inside was urging her on, ever onward, where she could not say.

But happy again with her husband, she started back with him to Walla Walla. At Portland they stopped to visit friends. Mrs. Crotty suddenly arose from a chair, said that Thomas appeared ill and that she would take him for a walk.

"The air might do him good," she explained.

Crotty could not know that once again his wife was answering an irresistible urge—the urge to seek something she could never find. The vision of the dead child, Charles, must have been before her as she led Thomas out of the Portland house.

She never came back. Crotty has never heard from her. He does not know what may have befallen his wife and their only surviving son, but he believes they are in San Francisco.

So he has taken up the long, weary search again. Once again it has brought him to San Francisco—shabby, broke, living on hope of the future and on memories.

EX-MARINES FORM MARINE CORPS LEAGUE

September 23, a group of ex-marines met in Fort Wayne and formed a Fort Wayne detachment of the Marine Corps League.

The Marine Corps League was or-

ganized in 1922 and was incorporated and passed by Congress in 1937. This organization is for the benefit of ex-marines and their families.

All ex-marines that were honorably discharged at any time are eligible to join the Marine Corps League.

The first meeting of the Ft. Wayne Detachment will be held the early part of October. This meeting will be held for the purpose of electing officers. Motion pictures of the Marines at the Worlds Fair will also be shown.

All ex-marines that are interested are urged to get in touch with Sgt. Andrew Bobbish, Marine Recruiting Station, Post Office Building, Fort Wayne, Indiana, or Mr. Ted. J. Gray, 336 Cornell Circle, Fort Wayne, or phone Harrison 8931.

THANK YOU . . .

We wish to extend our thanks and appreciation to all those who called to view the new 1942 Model Chevrolet—the wonder car in the low-priced field.

Everyone appeared to be highly impressed with the "big-car" appearance and modern styling. To this add Chevrolet's reputation for long-life, power, stamina and economy and you have the Nation's best automobile buy—

26 MORE SELECTEES TO LEAVE OCT. 16TH

Twenty-six selectees, which will make a total of 186 from Kosciusko county to date, are scheduled to depart from Warsaw Oct. 26th. Three men from Mentone, Harold D. Linn, Merle Eugene Harold and Wilvin Teel, were included in the list. Linn, however, went to Fort Wayne Monday where he enlisted in the Air Corp. He was accepted for enlistment and is expected to be stationed at Ellington Field, Texas. Teel is also reported to have chosen a life in the Marines.

BERNICE ERNSBERGER DIES FOLLOWING OPERATION

Miss Bernice Ernsberger, daughter of Clark Ernsberger of Mentone and a former teacher in the Mentone schools, passed away in a hospital in Cleveland, Ohio last Thursday, four weeks after she underwent an operation for cancer. She had been in ailing health but a short time.

The deceased graduated from the Mentone High School and Valparaiso University and completed her Master's Degree at Cleveland. She had been teaching in the Cleveland schools for the past 22 years and previous to her going there, taught four years at Mentone and five at Mishawaka.

Surviving relatives include the father, one brother, Don, of Mentone; two sisters, Mrs. Ruby Smith of Mentone, Mrs. Dow Walker of Chicago.

Friends from Cleveland, Chicago, Mishawaka and South Bend were present at the funeral services.

The Reed funeral home, of Mentone, brought the body here for burial and had charge of the arrangements. Funeral services were held at the Baptist church Sunday afternoon at two o'clock, with Rev. Fowler, pastor of the Baptist church, and Rev. C. C. Collins, of the Methodist church, officiating. Interment was in the Mentone cemetery.

STAR ROUTE CARRIER WRECKS TRUCK TUESDAY

Gail Shock, of Knox, who makes two daily trips through Mentone carrying mail between South Whitley and Knox, wrecked his truck Tuesday afternoon when he collided with another motorist three miles east of Claypool on the Packerton road.

When word reached Mentone of the accident, Ray Rush, Mahlon Mentzer and Conda Walburn drove to the scene and brought the mail on into Mentone. Indications were that Mr. Shock escaped serious injury and no report was secured of how the other driver came out.

1895 CLASS HOLDS REUNION

Mrs. Eva (Rynearson) Irvine, of Leesburg, entertained the class members of the 1895 class of Mentone school at the home of Mrs. Lydia Rynearson, of Mentone, on Thursday at a cooperative dinner. There were eight members and three guests present as follows:

May (Jeffries) Snyder of Fort Wayne, Chloe (Hubler) Dinnius of Warsaw, Oata (Whetstone) Rupurt of Elkhart, Myrtle (Wilson) Goodman of Niles, Michigan, Ora (Sarber) Heckaman of Etna Green, Chloe (Wilson) Arch of Nappanee, Eva (Rynearson) Irvine of Leesburg, Otie (Nelson) Swick of Mentone, Ola (Clark) Blodgett of Mentone, and Hattie (Kessler) Buss of Etna Green.

The following officers were elected: President, Chloe Arch; secretary-treasurer, Ola Blodgett. The next reunion will be held at the same place.

TUBERCULIN TESTS TO BE GIVEN HERE MONDAY

The first grade students of Mentone school will receive the Vollmer Patch Test Monday, Oct. 13 in the afternoon. This test is a harmless skin test. It shows whether or not there are tuberculosis germs in a person's body. It is these germs that cause tuberculosis. If there is a raised spot at the place where the test was made, the test is positive. That means there are tuberculosis germs somewhere in the body. The patch is removed the third day, and read the fifth.

Mrs. Hobart Creighton, member of the nursing committee, will secure the help of two Harrison township ladies to assist with the testing. The readings will be made Friday, Oct. 17.

Each year our health organizations and schools make greater efforts to keep our children healthy. The high school students will be given tests soon.

The Mentone Home Economics club will meet Thursday afternoon, Oct. 9, at the home of Mrs. E. E. Jones.

BEGINS REVIVAL SOON

Evangelist E. J. Craddock will conduct a series of meetings at the Mentone Church of Christ beginning on Tuesday evening, October 14 and closing Sunday afternoon, November 2.

Evang. Craddock was in a revival here last year and attracted large audiences and endeared himself to the church and community.

Topics for the first ten days are:

- Oct. 14—The Greatest Compromise.
 - Oct. 15—God Has Spoken.
 - Oct. 17—True Conversion.
 - Oct. 17—Wine and Marriage. (Special to young people)
 - Oct. 18—How We Know We Are Saved.
 - Sunday, Oct. 19—Morning, Worship and Subdue Evening, Blood, Water and Fire.
 - Oct. 20—Is a Dead Conscience The Unpardonable Sin?
 - Oct. 21—Has the Kingdom Come?
 - Oct. 22—Money, Morals and Men.
 - Oct. 23—Will God Destroy Hitler.
- Services each week day evening at 7:30; Sunday evenings at 7:00.

Mrs. C. W. Shaffer spent last Friday in Warsaw with her parents, Mr. and Mrs. Geo. Shoup and her brother, George, from Duluth.

OBEY YOUR SAFETY PATROL is the advice given on the October safety poster now being distributed to 40,000 classrooms in Illinois and Indiana by the Chicago Motor Club. The poster is the first in the "Teach Your Friends" series which will be sent to schools monthly by the motor club throughout the 1941-42 school year.

The poster, printed in blue, black and white, measures 18 by 23 inches. On it is pictured a member of the school safety patrol holding school children back from traffic dangers until it is safe for them to cross. His arms are outstretched, forming a protective "safety gate."

Charles M. Hayes, president of the motor club, says that lesson sheets are enclosed with the posters which are designed to aid in the teaching of safety lessons to children. The lessons are patterned to appeal to children of all age groups. In many schools regular safety classes are held which teach youngsters sound pedestrian practices and give them a background which will make them the safe drivers of the future.

STATE NURSERY ANTICIPATES TREE SHORTAGE

Faced by a shortage of seedling trees for reforestation planting next spring, a deadline of January 1 has been established for the filing of applications with the Division of Forestry for planting stock, Hugh A. Barnhart, director of the Department of Conservation, explains.

Orders for trees from the state forest nurseries for use in reforestation and windbreak plantings on private land have been mounting steadily in recent years and several times available stocks have been exhausted before all orders could be filled. In 1941 the state nurseries supplied trees to more than twelve hundred

individual land owners in addition to furnishing trees for reforestation plantings on state-owned land and on strip-mined tracts.

**ANNUAL BOY SCOUT FINANCE
ROUNDUP TO START OCT. 14**

October 14 is the date set for the 1941 annual Finance Roundup for Boy Scout work in the Pioneer Trails Area, it has been announced by Fred E. Priser, of Goshen, chairman of the area finance and administration committee. All citizens of the area are to be given an opportunity to contribute their support. All money raised will be expended for the supervision and promotion of scout work in the local area which consists of Elkhart, Kosciusko and LaGrange counties. Certificates as scout sponsors will be issued to all contributors.

The area budget for 1941 has been set at \$16,500. Of this amount, \$8,000 has already been appropriated by the Elkhart Community Chest and \$2,750 by the Goshen Community Chest. This leaves a balance of \$5,750 to be raised in sixteen other communities.

The financial program of the Council is directed by a Finance and Administration committee composed of: Fred E. Priser, Goshen, chairman; Joseph Newman, Elkhart; Bud Yoder, Goshen; A. I. Nelson, Warsaw; L. I. Miller, Shipsewana; G. B. Tut-till and J. G. Wallick, Elkhart; J. M. Farrell, Goshen, and R. O. Nusbaum, Warsaw.

W. S. C. S. MET FRIDAY

The W. S. C. S. of the Methodist church met at the church Friday afternoon. The president, Mrs. Rea Ward, called the meeting to order. Twenty-two members and four guests were present. The program was in charge of Mrs. Wayne Tombaugh and Mrs. Broda Clark, assisted by other members of the society.

A quartette of Mrs. Collins, Mrs. Clark, Mrs. Ward and Elma Cattell sang several selections.

Mrs. Jennie Thomas gave a reading, "Hang Out Your Lights."

Hostesses to the group were: Mrs. Don Emmons, Mrs. George Borton and Mrs. Philip Blue.

The next meeting will be the afternoon of Nov. 7 at the Methodist church. Every lady is welcome.

**CELEBRATE 25TH ANNIVERSARY
OF THE SODALES CLUB**

The 25th anniversary of the Sodales club was appropriately celebrated last Thursday evening at the home of Mrs. Robert Reed, with all 20 members present. Of the group, only two are charter members. They are Mrs. Goldie Mollenhour and Mrs. Ruby Smith.

A piano solo, by Mrs. Ruth Urschel, was enjoyed. Mrs. Ruby Smith then related some of the highlights and outstanding events of the Sodales Club during its 25 years of activity. These proved very interesting and some quite amusing.

A birthday cake was cut by Mrs. Smith and refreshments served by Mrs. Reed and co-hostesses, Mesdames Cora VanGilder, Ruth Urschel and Ilene Fenstermaker.

The two charter members were each presented with a gift.

The playing of rook completed the evening's entertainment, with high scores going to Mrs. Artie Walburn and Mrs. Lois Festermaker and consolation to Mrs. Yolande Riner.

England has been supplying the bulk of the demand in this country for the ordinary hand sewing needles.

**DEFENSE
BOND QUIZ**

Q. How do I get the highest return on my investment in Defense Savings Bonds?

A. By holding each Bond for its full term of years you will secure the full maturity value. A Defense Savings Bond of Series E increases in value 33 1-3 percent if held for 10 years.

Q. Is the Government concerned over whether I buy my Defense Savings Stamps at post offices, banks, savings and loan institutions, retail stores, or elsewhere?

A. No. The Government is interested in having as many persons as possible take a hand in the National Defense Program. Toward that end the Treasury is making Bonds and Stamps available for purchase in the largest number of places possible.

NOTE—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C.

**FIRST ENTRY FROM INDIANA
AT INTERNATIONAL SHOW**

Chicago, Sept. 26.—Indiana's first entry for the 1941 International Live Stock Exposition was received today from a 17 year old Kosciusko county farm boy, Carlyle F. Grimm, of Nappanee. He will exhibit a purebred Aberdeen-Angus baby beef of his own raising that was a first prize winner at his local 4-H show last summer. The steer has been entered in the Exposition's Junior Live Stock Feeding contest, a special competition for farm youths which will be a feature of the opening day, Saturday, November 29.

Faith . . .

is a firm belief in a reality somewhere even though it is not visible.

Columbus believed that there was something better, off in the distant horizon . . . he felt it so keenly that he staked his life upon it.

His faith was rewarded . . . his consistent efforts paid dividends.

This bank has always had faith in this community and its people . . . and that faith has never been misplaced.

As we look back to Columbus' time we can see a great expanse of virgin territory that has been developed into a great Nation of great people . . . people with faith.

OUR STORY OF THE WEEK—

NIGHT CALL
By Pat Myers

The doorbell pierced my deep slumber and I awoke with a start. Gathering my woolen robe about me, I hastened to the hall, and upon opening the massive oak doors, was surprised to see old Edgar Foley, coughing and sputtering into his heavy overcoat sleeve. He informed me of his daughter's sickness, and said: "Please hurry Doc, ca'se she's dyin' fast."

I climbed into my woolens and coat, snatched my grip and followed the old man into the dark, windy night. The horses started with less trouble than I expected and soon we were bucking the tremendous wind and stinging rain. My temples were throbbing from the icy pressure and my hands and arms were completely numb with the intense cold.

Suddenly the horses reared and abruptly stopped. I tried in vain to urge them further, but it seemed impossible. Finally old Edgar slowly climbed out to find what the trouble was. Upon his return I was surprised to see him white and shaky. He shouted at the top of his lungs, yet his voice barely reached me. It seemed that the Dolson bridge was washed out and the river was rising fast. We retraced our course, traveled another road to Edgar's farm, and arrived one hour later, cold and wet, but safe. His daughter had unknowingly swallowed some poison and an immediate antidote was required. My first night call in the country had been extremely exciting.

WIT AND WISDOM—

Sally: Now that we're engaged, Sandy, you'll give me a ring, won't you?

Sandy: Certainly, Sally. What's your phone number?

"Some of the girls in the back of the assembly had better watch out," says Dale K., "o rthey'll be sitting up in front with the boys."

Father: My son, I am spanking you because I love you.

Son: Gee, Dad, I wish I was big enough to return your love.

Kelly: A fool can ask more questions than a wise man can answer.
Sophomore: No wonder I flunked.

Miles: But surely you didn't tell him straight out that you love him?

Kate: No fear—he had to squeeze it out of me.

Few farmers have the complete farm shop so very useful on a progressive farm. A shop with sliding doors at each end large enough for any farm equipment to pass through is desirable. A small coal stove for winter work is very useful. Power tools such as power saws, grinders, drills, and lathes are very useful. A forge will prove useful if any amount of metal work is done. Many jobs may be done in a farm shop when the weather is bad outside.

CLASS BUSINESS

A meeting was held Wednesday, Oct. 1, by the junior class to discuss delinquent class dues. These dues are collected for the purpose of taking the seniors on a trip. So far only five or six of the sixteen dollars have been turned in.

At the senior class meeting Wednesday morning, plans were discussed for an indoor fair. Barbara Creighton was appointed to get the final okeh from Mr. Kelley.

METHODIST YOUTH HOLD
MID-WINTER INSTITUTE

On the evening of Oct. 3, the Methodist Youth Group begun their mid-year institute. The institute will be meeting every Friday evening for five weeks. Atwood will be the place that the Methodist Youth will go for the first night. Registration fee will be ten cents for the five nights. Refreshments will be served after the classes are over each night. The last night they will meet at the Mentone Methodist church and a banquet will be prepared in the church basement. The young people of the church are looking forward to these nights when they can meet their old friends they met at the institute last year.

RADIO NEWS

Lux Radio Theatre presented "Third Finger Left Hand"—co-starring Martha Scott, Douglas Fairbanks, Jr., William Powell and Myrna Loy being too sick with the flu to appear. The story told of Martha trying to keep her husband, which she didn't have. It all turns out fine, though.

An Indiana Chief and his daughter spending considerable time on "We The People" program, talking very good English, too.

In "Bringing Up Father," poor Jiggs and Maggie were having quite a time—Maggie playing the role of Juliet and Jiggs trying to get out of playing Romeo—the real Romeo having had a nervous breakdown.

"Pot 'o Gold" ended their program with a very appropriate song—"Good-bye Now."

OUR ILLUSTRIOUS SENIORS—

Grace Alice Rans was born in Fulton, Indiana September 6, 1924. She now lives with her parents, Mr. and Mrs. George Rans, on a farm near Mentone. She has gone to school here since the eighth grade, and will graduate in the spring, with no definite plans for the future.

Little Ted was saying his go-to-bed prayers in a very low voice.

"I can't hear you, dear," his mother whispered.

"Wasn't talking to you," the small one answered firmly.

Junior: What is a rare volume?
Dad: It's a book that comes back after you have loaned it.

ART THROBS

The Art classes are still working on stained glass windows. Some are working on cartooning, which the boys enjoy very much. The seventh and eighth grade classes are absorbed in fashion designing and airplane building, although a few are working on stained glass widows.

A few interesting pictures being done in stained glass are "Ballet Dancers," "Hercules and the Nemean Lion," and "Madonna Scenes." They are first sketched in miniature and the color scheme is worked out. They are then put on large pieces of paper and mounted on cardboard. The window glass effect is gained by placing clear cellophane over the finished picture. It is then broken up and outlined into sections by pasting narrow black strips of tape over the cellophane, thus making it very modernistic. Several students found it hard to distinguish anything but big splashes of color, but it is interesting to see the smiles of the students when their windows are completed.

SPORTS

Talma and Mentone are scheduled to play Wednesday after school at Talma. Mentone was to play at Silver Lake Tuesdy, but it was cancelled on account of bad weather.

An European was visiting this country for the first time, and as he was driving along the highway saw a large sign, "DRIVE SLOW. This means YOU!"

The European stopped in surprise and exclaimed, "My word! How did they know I was here?"

LOCAL WOMEN ELIGIBLE FOR NATION-WIDE CONTEST

From New York City comes word that Mrs. Everett Clabaugh and Mrs. Lloyd Rickle, of Mentone, have been invited to enter their crochet work in the fifth annual nation-wide crochet contest, to be judged in New York in November. In entering the contest the local needlewomen will try for the title of National Crochet Champion in competition with more than 400,000 of the country's outstanding crocheters. Only America's top-ranking crochet will be included in the national judging, all entries being required to have won first prizes at local, county or state fairs during 1941.

The grand national winner of the contest will receive the crochet title, \$250.00 in cash awards, and a trip to New York City.

"COLOR CHART" AIDS FALL NATURE LOVERS

For the information of Hoosiers and others interested in the annual autumn color show in Indiana, the department of Conservation has issued a chart on the color of foliage of various common species of trees. Among the species listed and the autumn color of their foliage were:

Species	Color of Leaves
Black Gum	red to deep purple.
Sassafras	yellow and red.
Walnut	Yellow.
Tulip poplar	Yellow.
Maple	Yellow to dark red.
Oak	Yellow to dark red.
Ash	Pale yellow.
Elm	Yellow.
Hickory	Yellow and brown.
Persimmon	Yellow and red to purple.
Beech	Green and yellow.
Sycamore	Green, yellow and brown.
Sumac	Yellow to deep purple.

*These colors are usually mixed, blending between the primary shades on trees listed as having more than one color.

ROBERT REED INJURED WHEN RIDING HORSE FALLS

Sunday noon as Robert Reed, local mortician and lover of fine horses, was exercising one of his prized animals, it reared and fell backward with him. He was pinned beneath the animal momentarily, and was unable to move when the horse arose.

The injured man was immediately taken to the McDonald hospital at Warsaw where a thorough examination showed that the pelvic bone was torn loose from the back bone and the two segments separated at the front of the body. Medical men state that the pelvic bone is joined to the backbone by a cartilage, and the two segments are joined at the front of the body in like manner. No bones were actually broken, we have been informed, but the bones were torn apart front and back. It was at first feared that he may have had other internal injuries but every test so far hasn't shown any indication of this. Tuesday reports were prevalent that he was worse, but we were told that this was not correct. There is every indication that he will recover in due time, but the process may take several months.

CONSERVATIONIST SPEAKS BEFORE WARSAW C. of C.

C. O. Mollenhour, local Conservation Club enthusiast and worker, was in Warsaw last Friday evening where he spoke before the Chamber of Commerce meeting on conservation work in Kosciusko county and the camp at McClure Lake.

So far this year \$485.60 has been earned by the conservation club for rearing and liberating game birds and fish, as follows:

Pheasants and quail\$212.00
Bluegills 210.60
Bass 63.00

HORACE C. THOMPSON DIED TUESDAY EVENING

Horace C. (Doc) Thompson, aged 76 years, passed away at the county home Tuesday evening. Death was due to heart trouble and complications.

The deceased was born near Mentone July 5, 1865 and spent his entire lifetime in this vicinity. He operated a cigar store here for many years. He was a member of the Methodist church and a charter member of the Elk and Masonic Orders.

Funeral services will be held at the Reed Funeral Home at Mentone Thursday, Oct. 16th, at two o'clock. Rev. C. G. Vincent, assisted by Rev. H. A. Fowler, will officiate. Burial will be in the Syracuse cemetery.

METHODIST CHURCH WILL OBSERVE RALLY DAY

A special program is being planned for next Sunday, October 19. A cordial welcome and invitation is extended to all to come and worship with us. The study period will be followed by all classes presenting special numbers.

ILLINOIS MAN BURIED AT WARSAW SATURDAY

Edward E. Robbins, of Lombard, Illinois but formerly of Warsaw, died at the Wesley hospital in Chicago last Wednesday morning. Funeral services were held Saturday at the home of his sister, Miss Hazel Robbins, at Warsaw.

Surviving are the widow; two sisters, Esther Creighton and Hazel Robbins, and a brother, Chas. B. Robbins, all of Warsaw, besides a host of other relatives and friends.

The Masonic Order had charge of the burial with Rev. Lambert of Lombard, officiating.

Rev. C. C. Collins left Monday evening for Chicago where he is taking additional educational work on his Theological course at the Chicago Theological Seminary, on the campus of Chicago University. He will attend four days each week for the next eleven weeks.

C. W. KRATHWOHL UNDER- GOES SERIOUS OPERATION

Charles W. Krothwohl, aged 72 years and active owner of the Country Print Shop at Mentone for a number of years until he retired last June, underwent an operation for the removal of bladder stones, at the McDonald Hospital in Warsaw last Thursday morning. The shock of the operation upon his system was terrific but reports the fore part of the week were that he is now in a normal state of recovery.

We miss Charlie's daily visits to the Co-Op. News office and are looking forward to the not too distant day when he will be back on his regular schedule.

HOBART CREIGHTON IS NAMED BY POULTRYMEN

Harrisburg, Pa., Oct. 10.—Hobart Creighton, of Warsaw, president of the National Poultry Producers' Federation, has been elected chairman of a seven-man committee to represent the Nation's poultrymen in negotiations with the government on defense production problems.

The election was held at the sixth annual exposition of the Northeastern Poultry Producers' Council, held in Harrisburg.

CONSERVATION CLUB RAISES BIG CROP OF BLUEGILLS

Several members of the Mentone Conservation club, assisted by Les Ball, Conservation Supervisor, took over 42,000 bluegill minnows from the rearing ponds and placed them in Yellow Creek Lake one day last week. Those who did the work were Phillip Blue, C. O. Mollenhour, F. R. Burns, Ralph Warren, Henry Konneck, Gus Mollenhour, Chauncey Tucker and hired hand, Kenneth Riner, Darrel Tucker, Elmore Fens-termaker and Ralph Arnsberger. Wayne Tombaugh's truck was also donated for use that day.

The annual Conservation Club fish fry—one of the biggest events of the season—will be held October 28th. Everyone is invited to attend.

READING CLUB ENTERTAIN- ED AT BUNNER HOME

Members of the Mentone Reading Club were entertained at a lovely dinner party at the home of Mrs. D. L. Bunner on Wednesday evening. Hostesses were Mesdames H. V. Johns, Wayne Tombaugh, C. O. Mollenhour, Walter Bowers, and D. L. Bunner, officers of the club. Appointments were carried out in the club colors, gold and white. Following dinner the group went to the home of Mrs. H. V. Johns where the following program was given:

Moving pictures of the Mentone Conservation Club fish pond were shown. Mrs. E. G. Harrison read the address given by Mrs. Ahlgren, president of Indiana Federated Clubs, at the district convention at Elkhart. The program was concluded with a musical sketch, "Mighty Lak' a Rose," given in costume by Mrs. Wayne Tombaugh and Mrs. Walter Bowers, with Mrs. Phillip Blue accompanying at the piano.

NATIVE OF COUNTY DIES AT FORT WAYNE

Charles Nelson, 71, died Sunday evening at 5:00 o'clock at the home of his daughter, Mrs. Vesta Good, after an illness of several years with heart trouble. He was born in Kosciusko county and had lived in Fort Wayne 38 years. He was a member of the First Methodist church and of the Modern Woodmen of America.

Surviving are the daughter, a granddaughter, and a sister, Mrs. Cora Williams, of Mentone.

Funeral services will be held in Fort Wayne Wednesday afternoon. Interment will be at Palestine.

BUILDING NEW GREASE AND WASH HOUSE

Actual construction work on the new wash and grease room at the Co-Op gas station was begun this week. The building, which had been contemplated for some time, will be approximately 30x42 feet.

DEFENSE BOND QUIZ

Q. Can Defense Savngs Stamps be redeemed?

A. Yes; they can be redeemed for cash at face value or exchanged for Defense Savings Bonds. For example, 75 of the 25-cent Stamps total cash value \$18.75—may be exchanged for a Defense Savings Bond which in 10 years will be worth \$25.

Q. How long have Defense Savings Stamps been on sale at retail stores?

A. Sale of Stamps at retail stores originated in the State of Michigan on July 10. The idea met with such success that it is spreading rapidly, and soon Stamps will be sold in most retail stores on a Nationwide basis.

NOTE—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C.

FIRE PREVENTION WEEK

For the past week fire departments, schools and various organizations have been observing fire prevention week. This is a nation-wide observance in order to learn more about fire prevention. Our school had a fire drill in which the school house was cleared in 55 seconds. The state fire inspector will inspect the school house in the next few days. A personal checkup about our homes would not be out of order.

JUNIOR CLASS CHOOSES PLAY

The Junior class play committee has chosen, "Don't Take My Penny," as their play to be given the first part of November. This play, a three-act comedy, is the story of several girls who wished to play the part of Dimity West and go to Hollywood to be in the motion pictures. The girls' chums, two athletic young fellows, supply a lot of comedy as they try to keep Penny from going to Hollywood. Gram and Mrs. Pringle also supply a lot of laughs. The whole play is one continuous mix-up and a lot of laughs until the end when the whole affair comes to an abrupt but happy close.

ART THROBS

There is only one thing as bad as a world without color—that is the wrong colors used together. You may think: "Why should I learn anything about color? I'm not going to paint a picture." Maybe not, but we all wear clothes, don't we? And they are not all black.

It's very easy to learn which colors go well together and which do not.

All colors are obtained from com-

binations of red, yellow, and blue. Black and white are not considered colors. The best way to decide which colors go together is to make a color wheel. Yellow goes at the top, blue to the right, and red to the left. Between yellow and blue go yellow-green, green, and blue-green; between blue and red go blue-violet, violet, and red-violet; and between red and yellow go red-orange, orange and yellow-orange. The complementary colors are those directly opposite on the color wheel. Adjacent colors are those side by side, and triad colors are those forming a triangle, such as red, yellow and blue, or orange, violet and green. These can be used successfully together.

Now, bright red and bright green do not go well together unless you are decorating the house for Christmas, but here is where shade and intensity come in. Goodness only knows how many different shades there are of each color and every season brings new ones. Intensity ranges from pale pink to fire-engine red or the new flag red. Black or white will go with almost any color, so you'll just about always be safe with those. Of course, fashion plays a large part in colors, but common sense can be relied on in most cases.

BASKETBALL

The basketball boys met with Coach Harvey Monday evening, Oct. 6, for the first time this season. There were twenty-five boys present; however this number will later be cut to twenty.

Rule books were distributed and old and new rules were explained to the group. The schedule of 17 games was given to the boys, but the coach said they were still trying to get one or two more games.

The first game of the season will be played November 1, with Milford on the Milford floor.

OCTOBER 12, 1911

Miss Maud Smith, who recently visited her parents, Mr. and Mrs. R. P. Smith here, started this week with other parties to Trinidad Island, off the coast of Venezuela, South America, where she goes to do missionary work.

A copy of the Pike's Peak Daily News of Oct. 3, mentions the names of those who registered that day on top of the sight-seeing old Pike's Peak. The first on the list, Mrs. Clara

Stoner and daughter, Miss Mert, of Fort Wayne, formerly of Mentone.

The Anthropol Club organized during the summer for young men has enjoyed rapid growth. Three candidates were initiated last Tuesday and four more are on the list for the next regular meeting. Two degrees are given, and while affording amusement, they teach excellent lessons. The purpose of the club is to create a high moral sentiment and to encourage wholesome sports for men.

Loren Dorsey had a lively run-away on the streets of Mentone last Sunday. The damage was a broken buggy and the occupants somewhat shaken up.

Mr. and Mrs. W. T. Baker, Mr. and Mrs. J. F. Johnson, Owen Thompson and Marion Heighway and daughter are attending the soldiers reunion at Argos.

Henry Rynerson moved this week from the Lockridge property on Franklin street to the Phillipson property on Tucker street.

Mrs. Major Bitlers and Mrs. Noah Craver of Rochester, visited Mrs. Rebecca Doane last Sunday.

Mrs. Clara Stoner was called to Logansport Sunday on account of the death of her sister's husband, Thomas Brosius.

CARD OF THANKS

I wish to thank all those who sent the nice and comforting cards and letters during my sickness.

We wish to thank our neighbors and friends for their help and assistance in every way.

Mr. and Mrs. Lloyd Zent.

**U. S. CHAMBER OF COMMERCE
REPRESENTATIVE HERE**

Leroy Fox, a representative of the United States Chamber of Commerce, with headquarters in Washington, D. C., was in Mentone Monday working in the interests of the association and its membership.

The U. S. Chamber of Commerce is an organization composed of approximately 10,000 members, according to Mr. Fox, who have seen fit to contribute \$1,000.00, or more, to the membership fund.

Mr. Fox stated that some time ago the membership in his organization had lost its numerical voting strength in Congress to the labor unions of the Nation, and in an effort to regain that control the organization appropriated \$2,000,000.00 and employed 500 representatives—one for each congressional district in the Nation—to educate the voters to their way of thinking. These men were given special training in Washington and have been traveling for fourteen weeks to date. Business and professional people in every town are being contacted and whenever possible to do so, they get the man to contribute the sum of \$7.50 to pay the postage on a three-year service of congressional bills with which the organization wishes them to become familiar. This service will terminate at approximately the time of the 1944 Presidential and Congressional elections.

HALLOWE'EN PARTY BEING PLANNED

The members of the Lions Club and business people of Mentone are making plans and preparations for a Halloween party to be held at Mentone either Friday or Saturday night of next week (Oct. 31 or Nov. 1). The date is indefinite as an effort is being made to arrange it so there will be no conflict with neighboring communities. The exact date will be printed in next week's issue of the Co-Op. News.

Plans to date include a big masked parade with a number of prizes offered; a square dance, bingo playing, free cider, etc. A fine evening's entertainment is contemplated when the plans are finally completed. Get those costumes painted and funny faces puckered up.

ANNUAL CONSERVATION CLUB FISH FRY OCTOBER 28TH

The Mentone Conservation Club will hold its annual fish fry on Tuesday evening, October 28th, at the Mentone school cafeteria at 6:30 p. m. Mr. Harold Mosbaugh, superintendent of the State Hatcheries, will be the speaker and the Jonah Club, of Akron, will do the frying. All Conservation members are urged to attend. If you are not a member of the local conservation club and want to attend this meeting, kindly make your reservations with Phillip Blue, secretary.

FORMER RESIDENT IS BURIED AT BURLINGTON

Funeral services for Mrs. Silas B. Abbott, 74, Burlington, Ind., native of Mentone and resident of South Bend for many years, were held last Wednesday at the First Christian church in Burlington at 2 p. m., with burial in Burlington cemetery. Mrs. Abbott was born Oct. 18, 1886, as Alice Ellis in Mentone. Her husband preceded her in death several years ago. Surviving are one sister, son, three grandchildren and two great-grandchildren.

CHARLES W. KROTHWOHL LAID TO REST MONDAY

Charles W. Krathwohl, aged 72 years, former Mentone manufacturer and for the past several years owner and operator of the Country Print Shop here, passed away early Saturday morning at the McDonald hospital at Warsaw after undergoing a major operation a week ago.

The deceased was in a serious condition for a couple of days following the operation and then seemingly was on the road to complete recovery. However, a reaction that frequently follows an operation of his kind, returned and all the efforts of the nurses and doctors were of no avail.

Mr. Krathwohl outlived his allotted "three score and ten" and in those years chose the way of the rugged individualist and ultimately became master of every undertaking that came into his realm. His life was filled with activity in many varied lines. His keen sense of appraisal directed his efforts in a successful way on every occasion.

The past eighteen years of his life were spent in Mentone as a manufacturer, editor and printer. He was always industrious and never hesitated to work for the best interests of Mentone and voiced his opinions in unmistakable terms regardless of the consequences to himself, financially or otherwise.

A few years ago, we have been informed, Charlie was never seen on the streets without his faithful dog, Tony. They were inseparable, it seems, and there is no more infallible gauge upon which to judge the love and devotion of a human heart than by the respect with which a dog pays his master.

May 8, 1926, he was married to Elizabeth Holton, who survives. He was born at Edgerton, Ohio March 29, 1869 and held a life membership in the Masonic lodge at Springport, Michigan.

Surviving are the widow; a stepdaughter, Mrs. Marjorie O'Neal of Chicago; two brothers, Perry of Edgerton, Ohio and Edward of Osceola; three sisters, Mrs. Anna Sauer, Hicksville, Ohio, Mrs. Rozetta Turner,

New Mexico, and another at Pendleton, Oregon.

Funeral services were held Monday afternoon at two o'clock at the Johns funeral home, Rev. C. G. Vincent, pastor of the Church of Christ, officiating. Burial was in the Mentone cemetery.

URSCHELS RETURN FROM INTERNATIONAL ASSEMBLY

Dr. and Mrs. Dan Urschel returned Sunday from Minneapolis, Minnesota where Dr. Urschel attended the International Medical Assembly.

This assembly comprises a week of intense post-graduate study and has for its speakers top ranking doctors in the United States.

Sessions were held morning, afternoon and night, from 8:00 a. m. to 10:00 p. m. There was a total of 79 lectures and clinics given by 80 different doctors. They represent the newest things in medical and surgical practice today and give glimpses as to what scientific medical research is doing for medicine of the future.

Special entertainment was provided for the ladies on three of the days. The wives are permitted to attend the assembly, too, which many of them do a large share of the time.

MRS. GARWOOD KILLED ON TRIP TO FLORIDA OCT. 16

Mr. and Mrs. Joshua Garwood, who left early last Wednesday morning for their winter home in Florida met with misfortune at Dalton, Ga. Thursday when their car collided with another. Mrs. Garwood, who apparently received the lesser injuries, passed away a few hours later while Mr. Garwood remains in the hospital with his right arm broken in two places and injured ribs. Mrs. Garwood suffered a cut over her eye but it is believed her death was more the result of shock than physical injury.

Word from Mr. and Mrs. Walter Lucas, of Philadelphia who were summoned to the southern city, was that Mrs. Garwood's body was being taken to Pennsylvania for burial.

Mrs. Garwood came to Mentone about eighteen years ago and she and her husband spent the winters at New Smyrna Beach, Florida where they have a home.

BURNS BAKERY COMPLETES 19 YEARS OF SERVICE

Nineteen years ago today F. R. Burns baked his first "batch" of bread in Mentone.

Mr. Burns, when approached by your reporter, informed us that he baked 55 loaves that day and that his production has increased to over 4500 loaves a day in addition to the many dozens of other baked goods items. Then he and Mrs. Burns were the only "employees" while today the organization has 52 people on its payroll.

The bakery, which opened in a room at the rear of the Mentone Cafe building, is now located at North Manchester but Mr. and Mrs. Burns remain citizens of Mentone and held in the same high respect and esteem as when the business was entirely Mentone's. Our congratulations to these people, who, seeing an opportunity, believed in it sufficiently to work hard and persevere that it might be brought to a successful conclusion.

Standing on the battlefield of Gettysburg where almost 46,000 soldiers of the North and South had died, Lincoln dedicated the National Soldiers' Cemetery on November 19, 1863, with a masterly oration. It contains fewer than three hundred words, but each is a forensic pearl of price.

**HUGO F. ARNOLD OPENING
NEW CHICKEN RETAIL SHOPS**

Hugo F. Arnold, Inc., of Chicago, who maintain a chicken dressing plant five miles east of Mentone, recently opened a new retail store for cut chicken at 226 North Michigan Avenue in South Bend and a lease is signed for a location in Gary at 7th and Washington Streets. The later store, carrying the trade name of "Southern Shops for Chicken," is expected to be open by November 1. Negotiations are also underway for the opening of stores at Fort Wayne and Indianapolis.

The "Southern Shops" supply their patrons with the parts of the chicken most desired—and in any quantity—whether it be "drumsticks," wings, livers, or anything else. Mr. Wm. Doer, who is supervising the opening of the new stores, is one of the pioneers in the cut-chicken field and helped develop the business on the East coast before coming to the middle west.

Meredith Short, who joined the Hugo F. Arnold organization several weeks ago, is now manager of the new store recently opened at Hammond and is doing fine.

The dressing plant near Palestine, where several hundred White Rock chickens are dressed daily, employs from five to ten ladies daily.

The Southern Shops, in an effort to bring the highest type and most delicious meats to their customers, supervise the growing as well as the dressing of the poultry.

Frank D. Smith, of Mentone, accepted employment at the dressing plant this week.

WRITES FROM CAMP SHELBY

(The following is part of a letter written home by Private Claude Engle, from Camp Shelby.)

I got back in Camp Shelby Friday, October 3. There were sixteen men of us who came ahead to get the tents ready to live in. The men who were left behind did not take care of things very well. The basins were all rusty and I scrubbed them with a paste called "skidoo."

It seems like heaven here in base camp. Last night was the first time

in two months that I had slept in a bed and did I sleep but I was up early getting water hot for showers for the boys who were to arrive soon. The Maytag washer has went all day. My side, the "Blues", was the winning side on maneuvers. The Colonel said we did a fine job staying with him.

My job right now is Latrine work. Two Colonels were around yesterday

and said I had the best kept Latrine in the regiment. Was that a wonderful compliment.

Must wash for Lt. Clark and I have a hard day ahead for tomorrow. Will go to bed early.

Think of it! \$1.60 worms 4,500 birds. Simply feed it with the morning's mash and that is the treatment. The Big Drug Store.

OUR ILLUSTRIOUS SENIORS—

Miss Juanita May Baker was born July 16, 1924 at Big Timber, Montana. When she was eleven months old she and her parents moved to Warsaw and lived there four and one-half years. From there they moved to Toledo, Ohio. Juanita went to school there until this year, when she came to live in Mentone with her grandparents, Mr. and Mrs. Naoma Baker. Her sister still lives in Toledo. Juanita plays a cornet in the band, and plans to go to Wheaton College after graduating.

ART THROBS

Color combinations noticed in the assembly period Wednesday

Black jerkin and skirt with red, blue, yellow, green and black plaid shirt . . . red and white striped broomstick skirt and bright blue sweater . . . green skirt and red, white, blue, green, and yellow striped shirt . . . navy blue skirt and natural sweater . . . red and white dress trimmed in blue ribbon . . . raspberry skirt and white blouse with yellow and raspberry flowers.

Complexion and color combinations seen the same period in the assembly—

Black hair and eyes and rather bright blue shirt . . . light brown hair and eyes and blue shirt . . . dark brown hair and eyes with medium blue sweater . . . dark brown hair and eyes with light green shirt . . . light brown hair and hazel eyes and white shirt . . . dark brown hair and eyes with beige sweater . . . dark brown hair and eyes and pink shirt.

Not only must your clothes go together as to color but the color of your clothes must suit your complexion. Repeated and sharply contrasting colors emphasize. This may either be good or bad. If you have pretty blue eyes and want to show them up, wear blue of about the same shade but if you have very red cheeks and want to detract from them you would wear cool colors and not bright red, yellow, or orange. The same holds true, in lines and size of pattern. A tall slender person wouldn't want to wear distinct vertical lines nor should a short stout person wear horizontal lines. A large woman would look larger in a dress with big flowers splattered over it and a very tiny pattern would have the same effect. Also stout people look bigger in light colors and thin

people look larger in them.

We all have our ideas as to how much a person should weigh in order to look their best. Sometimes it is impossible for some people to lose and others to gain, but color, line and design will make a surprising difference.

OUR SCHOOL SHOP

What is it that Red Meredith has been working on? He declares it will be a step ladder when it's completed, but I doubt it. What's this—a model barn? No, it's just Dean Nellan's doghouse. There is a new power saw, drill press, lathe, iron vise, anvil, and a forge in the shop. This enables us to build things with more accuracy and speed. Max Tinkey is turning out several chicken feeders. He bought the metal and brought the work from home. This makes his required shop work and also makes the feeders cheaper.

IN THE FIELD OF MUSIC

The band is talking of a music festival to be held at Warsaw. This festival will include several members from each band in the county. The director will be selected from a well represented organization. The music, however, is selected from class D, that each player can handle his part. The date for this organization is not set but is thought to be before Christmas.

Director Walter Bowers has begun his work with the solo. The music is being selected for the soloist. Solo contests will not start until early spring.

Poultry supplies at the Co-Op. mill.

SOCIETY

The first party of the Freshmen for this year is to be held at the home of Miss Nadine Shirey. The following people listed are on the committees:

Food Committee—Lillian Nettrouer, Donnabelle Warren, Geneva Gibson.
Game Committee—Nadine Shirey, Frances Baum, Eileen Kercher.
Decorative Committee—Iris Seitner, Charlotte Clark, Joan Black.

The Seniors held a meeting Tuesday morning, Oct. 14. Plans were made to have a skating party at Rochester skating rink Friday night.

A Hallowe'en party has been planned by the eighth grade at the Lone Eagle camp grounds at Palestine Lake. It is to be held on Thursday evening, Oct. 30. A ghost hunt has also been planned for later in the evening.

The sophomore home ec. class served dinner to the Freshman Home Ec. class Friday. The Freshmen then returned the same favor by serving Monday. It was enjoyed by all.

Miss Edna Whetstone spent Sunday in Lapaz.

Miss Donna Rae Clabaugh, parents and friends spent Sunday in Michigan.

Miss Merriam Shull was visiting her cousin, Everett Shull of near North Manchester. Everett returned from camp at Kane, Pennsylvania over the week end.

Miss Mary Alice Moore, Edythe Cochran, and Wanda Summe, of Burket, attended the football game at North Manchester Saturday, October 11.

Each week the names of two movie stars will appear in these ads. Their first names will be in different ads than their last names. Therefore, four ads will be required to hide the two names. They will be mixed up in the copy of the ads. Mail the two first names with the proper last names to us by

Saturday Evening each week

—The first correct answer gets \$2.00 and the second gets \$1.00.

Entries must be sealed in an envelope and it is preferred that no name be on the outside of it other than the "Co-Op. News, Mentone, Ind." No envelopes will be opened until after Saturday and each will be drawn blindly and opened. The first one opened containing the correct answers will be adjudged winner of first prize; the second to be opened, second prize winner.

LAST WEEK'S WINNERS—
 Claude Shoemaker, R. R. 1, Argos, first prize, \$2.00.
 Marjorie Lockridge, Mentone, second prize, \$1.00.

OF CONGRESS OF AUGUST 24,
1912, AND MARCH 3, 1933.**

Of Co-Op. News, published weekly at Mentone, Indiana for October 1, 1941.

**STATE OF INDIANA,
COUNTY OF KOSCIUSKO, ss.**

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Artley D. Cullum, who, having been duly sworn according to law, deposes and says that he is the editor of the Co-Op. News and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations.

1. That the name and address of the publisher is the Northern Indiana Co-Operative Ass'n, Mentone, Indiana; and that the name and address of the editor, managing editor and

business manager is: Artley D. Cullum, Mentone, Indiana.

2. That the owner is: the Northern Indiana Co-Operative Association, Mentone, Indiana. Stockholders holding 1 per cent or more of total amount of stock are: E. D. Anderson, Mentone; Wendell C. Anderson, Huntingburg; Creighton Brothers, Warsaw; Hobart Creighton, Warsaw; Russell Creighton, Warsaw; A. O. Lehman, Warsaw; A. A. Miller, Mentone; Mrs. E. T. Robinson, Argos; Doris Resler, Milford; Wm. Vernetta, Mentone. (All addresses in Indiana.)

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: Louisville Bank of Cooperatives, Mortgagee.

4. That the two paragraphs next above, giving the names of owners, stockholders, and security holders if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, held stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

REVIVAL CONTINUES AT CHURCH OF CHRIST

The revival at the Church of Christ, Mentone, is creating much interest. The attendance for the first week has gone beyond expectations. The sermons being delivered by Evang. E. J. Craddock, of Nashville, Tenn., are vital and pitched on a high plane. The congregational singing is inspiring and uplifting.

Evang. Craddock announces the following topics:

Thursday, Oct. 23--Will God Destroy Hitler?

Friday, Oct. 24 -- Pitching Our Tents. (Special to young people.)

Saturday, Oct. 25--The House God Built.

Sunday, Oct. 26--(Morning) You Are Responsible; (evening) The Sin We're Afraid to Mention.

Monday, Oct. 27--Old Fashioned Repentance.

Tuesday, Oct. 28--Did Jesus Preach in Hell?

Wednesday, Oct. 29 -- Judgment Day and Heaven.

The meeting will continue until Sunday, November 2, closing with an afternoon service at 2:30. Week nights services begin at 7:30 and Sunday nights at 7 o'clock. The public is invited to hear these sermons and enjoy the services.

**BIG NIGHT PLANNED
HALLOWE'EN EVENING**

The members of the Mentone Lions club and merchants of the town, are laying plans for a highly entertaining evening on Hallowe'en, Oct. 31.

Over a dozen cash prizes are to be awarded to the best masked portrayals, free cider and apples will be distributed to all present.

An old fashioned square dance, under the supervision of "Lum" Smith, an enthusiastic and experienced square dancer, will be held in the old hardware building. For those who may choose to pass the time playing Bingo, they may play as long as they like at the old Ford garage building.

Other entertaining features will be on the program and all are invited to share the hospitality of Mentone on Friday evening.

(Additional information may be found on another page of this newspaper.)

W. S. C. S. MEETS

Mrs. Edna Jones, of near Palestine, was hostess to the W. S. C. S. of the Palestine M. E. church on October 23. The day was spent sewing comfort tops. A delicious pot luck dinner was served at noon, after which a very interesting lesson was given by Sylvia Stickler. The next meeting will be held with Mrs. Carrie Wiltrout. The following members and guests were present:

Faye Stickler, Carrie Wiltrout, Cora East, Ada Brown, Jean East, Sylvia Stickler, Blanche East, Rheta Shane, Ruth Howard, Esta Vandermark, Rosa Hipsher, Kate Vandermark, Edna Jones, Ruth Blackwell, Evelyn Shilling, Louise Tucker, Irene Black, Josephine Blackwell, Joan Black, Juanita Black, Marianne Lackey, Agnes Surguy, Rev. and Mrs. Fred Vincent, Martha Ann East, Marilyn Lackey, Ruth Hipsher, Richard Lackey and Dennis East.

The condition of Robert Reed is improving. He is in no pain, and is able to eat well. Recent X-ray pictures show the pelvic bones in about the same position.

RED CROSS AIDS ARMY MORALE

Red Cross workers are on the job in all Army and Navy camps and stations throughout the country to assist in the important task of maintaining morale. Above, an Army flier leaves unfinished personal matters for the Red Cross field director to take care of while he embarks on an emergency flight across country. The Red Cross is the official means of communication between service men and their families back home.

**LARGE AUDIENCES AT
CHURCH OF CHRIST**

The revival at the Church of Christ, Mentone, is drawing large audiences. Evangelist Craddock is at his best and is delivering vital messages which are appreciated by the people of this community. The meeting will come to a close with a great Sunday afternoon service beginning at 2:30 o'clock.

Sermon subjects for the remainder of the meeting follow:

Wednesday, Oct. 29 — Judgment Day and Heaven.

Thursday, Oct. 30 — Watchman, What of the Night?

Friday, Oct. 31—Almost A Christian.

Saturday, Nov. 1—What Will You Do With Jesus?

Sunday (morning), Nov. 2—How Shall We Escape?

Sunday (afternoon) — Where Do We Go From Here?

Night services begin promptly at 7:30. The public is cordially invited to all these services.

Miss Mary Jane Borton, of Fort Wayne, spent the week end with her parents, Mr. and Mrs. Ira Borton. She has a position in Angola Tri. State College teaching Aviation.

MANY ATTENDED THE CONSERVATION CLUB FISH FRY

Over 175 conservation minded and fish-hungry individuals from Kosciusko county gathered at the Mentone school Tuesday evening to participate in the annual Conservation club fish fry. The Jonah Club, of Akron, with "Skinny" Higgins in command, did a marvelous job of feeding the hungry aggregation. (I had been informed that one would get all the fish he could eat, but they never said a thing about them making you eat more than you could comfortably contain. Just a fisherman's habit, I guess. They stretch everything, including your stomach).

The meeting was attended by several prominent men in conservation work including the officials of the Kosciusko county council.

Harold Mosbaugh, superintendent of the state hatcheries, was the main speaker of the evening and his talk was very interesting and inspiring. He appealed to sportsmen to keep up the good work and put forth all their energy toward keeping conservation work going forward for the benefit of every outdoorsman and nature lover.

In addition to an Ithaca shot gun over eighty floor prizes were given away.

**GARBAGE PICKUP TO
END NOVEMBER FIRST**

According to an announcement by the members of the city council, the collection of garbage will cease the first of November.

This service has been secured for the citizens of Mentone at a cost of but \$2.50 per trip or \$5 per week, but it was felt that with colder weather that most citizens could properly dispose of their garbage by burning it in stoves and furnaces without too much difficulty and thereby discontinue the spending of public funds.

The service, as maintained the past few months, has met with favor by housewives and will likely be continued when warm weather arrives in 1942.

A NEW LOOK AT SPEED

The free-falling parachute leap made at Elgin, Ill., last week when Arthur H. Starnes fell 5½ miles before pulling the rip cord, brought some very revealing facts to mind. The falling body attained an estimated velocity of 180 miles an hour with an average speed of only 145 miles per hour. The variation in falling speed was due to the density of the air at various heights. For him to average 145 miles per hour, his speed near the earth was much less to offset the high speed of 180 miles per hour in the rarified air six miles up.

One shudders at the thought of jumping off a two-story building, yet when we drive a car on the highway at 70 miles an hour we are going over half as fast as if we had leaped into space a mile above the earth. Two cars hitting head on while traveling at 70 miles per hour would be more of a shock to the occupants of the car than if they had fallen from a plane six miles in the air.

The highway death toll is expected to reach an all-time high of over 110 per day in 1941 and anyone who desires to live must be alert every moment he is at the wheel of his auto. Do everything in the world to avoid hitting an oncoming vehicle even if it means driving over a 50-foot bank, through a fence, or even into a brick building. Your chance of escape will be greater. A man weighing 150 pounds, traveling 60 miles per hour, will exert a force of 13,200 pounds for one second if he hits an immovable object. A head-on collision of two cars both traveling 60 miles per hour would double the contact force. No human being can withstand a fourteen ton jolt.

Think—and drive accordingly.

MOTORISTS BEWARE OF GOBLINS!

**Million Red Cross
Volunteers Aid
Defense Program**

Washington, D. C.—Behind the front lines of U. S. defenses more than 1,200,000 Red Cross volunteers are on the job—making surgical dressings, knitting sweaters and giving comfort articles, learning the rudiments of emergency mass feeding and scores of other duties in an all-out effort for national defense.

The largest defense task now being undertaken by Red Cross volunteers is the production of 40,000,000 surgical dressings for the Army and Navy, according to Mrs. Dwight F. Davis, national director of Volunteer Special Services.

Home Service volunteers and Gray Ladies, whose duties are directly concerned with the man in uniform also are expanding their programs, Mrs. Davis said.

As a preparedness measure, thousands of women throughout the country are learning mass feeding and nutrition as members of the Red Cross Canteen Corps. Added thousands are being trained in the Motor Corps to serve as emergency drivers.

The Red Cross provides recreational service for patients in all Army and Navy hospitals. Sixty-five new hospitals are under construction by the Army, and their recreation buildings are being equipped and staffed by the Red Cross as each one opens.

As part of the Army and Navy safety programs, members of the national Red Cross staff are qualifying instructors in First Aid and Water Safety among the ranks of the enlisted man. Instructors taught by the Red Cross in turn conduct classes on the reservations.

The number of Army and Navy cases assisted by Red Cross field directors has increased in volume 140 per cent since Selective Service has been in operation. During the past year 126,515 cases involving active service men have been handled in the camps.

The Red Cross recently made available \$1,000,000 to meet an emergency need for athletic equipment for the Army and Navy. This need arose when Government appropriations for the purpose became exhausted.

In addition to providing the Army and Navy with an official reservoir of nurses, the Red Cross is cataloging the nation's medical technologists. Through this program, in which approximately 3,000 technicians have registered, the Army and Navy will select such professional personnel as

laboratory workers, dietitians, dental technicians, pharmacists and other categories of trained technologists. ¶

ART

It is surprising to know how many things can be made into useful and beautiful articles with no more than average artistic ability.

Take a bit of burlap and some bright colored yarn, for instance, cut a strip long enough to go around you with a few inches to spare. Embroider on this any design you like. An Indian motif is clever. Face this with another strip and bind the edge in yarn snips or a buckle and complete your belt.

Another idea is soap carving. Take an ordinary bar of laundry soap, preferably white, and shave off the letters. (Keep the shavings to use in the washing machine.) Trace the outline on the soap and cut off excess. Slowly and carefully mold the plain old bar of soap into a clever ornament. This is a very inexpensive and fascinating hobby.

Here is a practical use for those out-dated felt hats. Cut two hearts, the same size and blanket stitch them together with yarn. Insert a three-inch zipper across the front and you have a coin purse. They can be made into the shape of elephants, pigs or almost anything.

You can think of a lot of ideas for unusual gadgets made from common-place materials.

SOCIETY

Miss Edna Whetstone spent the week end in Lapaz.

The Juniors are practicing every night on their class play. They have their first act very well done.

The young peoples group of Mentone are expecting to have a large group Friday night at their banquet.

Miss Melva Jane Lackey and Miss Wanda Summe attended a football game at North Manchester Saturday, October 18.

NATIONAL CORN HUSKING CONTEST

One of the big fields of corn in Sesalle county Illinois will be just about clean after Nov. 3. The national corn husking contest for 1941 is going to be held on Monday from 11:45 to 1:05. The contest will be well worth your time if possible. If it is not possible for you to see this affair, WLS is going to broadcast this from their station at the field of action.

The Indiana State Corn Husking contest was held east of Fort Wayne. This contest was broadcast over WLS from 11:45 to 1:05. This date was Oct. 28.

TO PLAY MILFORD IN FIRST GAME

The Bulldogs are looking for a good session of basket ball this year. The boys will meet Wednesday night

after school for their seventh practice. They have to have ten practices in before they can play in the first game, which will be with Milford Nov. 1, 1941.

RADIO

At 6:30 CST over WLW Sunday evening be sure to listen to "Captain Flagg and Searjant Quert," a program dedicated to the boys in the army.

This is a comical program usually featuring Flagg and Quert, the friendly enemies, fighting over a woman. Often they find themselves in bad with the general, and some trick ending brings it to a close in a roar of laughter.

OUR ILLUSTRIOUS SENIORS—

Lurena Recalia Shull, the daughter of Mr. and Mrs. Ben Shull, was born east of Warsaw, in Wayne

township, May 18, 1924. She has gone to Mentone school seven years; having attended Harrison Center school one year, and Atwood school four years.

STRANDED

Tuesday night, Oct. 21, 1941, John Tucker and Emery Mosier were caught outside the gym and were told to go home by Coach Harvey. But on Thursday night they were back again, Johnny got caught on the roof of the gym, and was left stranded there by his pals, Emery Mosier and Jim Whetstone, for Coach Harvey to find.

JUNIOR PLAY

The Junior class of 1941 met on the morning of October 22, to decide on the price they would ask for admission to their class play, "Don't Take My Penny," which will be produced by special arrangements with the Dramatic Publishing Co., Chicago. They decided on 25c with 3c tax for all reserved seats and 15c with 2c tax for bleacher seats. This tax is put on by the government and is not particularly desired by this class.

Comfort by the Ton

There are many reasons why one prefers one season of the year more than the others; some of the reasons are real and others merely a passing fancy. Fall and winter bring beauty beyond compare . . . the "tang" of the crisp air seems to put new vigor in our veins . . . and winter can be cozy and comfortable if you have plenty of our coal on hand. There's a brand for every heating requirement, tested and proven, to give you the best in comfort and service.

\$2 Prizes \$1

Each week the names of two movie stars will appear in these ads. Their first names will be in different ads than their last names. Therefore, four ads will be required to hide the two names. They will be mixed up in the copy of the ads. Mail the two first names with the proper last names to us by **Saturday Evening**
 —The first correct answer gets \$2.00 and the second gets \$1.00.
 Entries must be sealed in an envelope and it is preferred that no name be on the outside of it other than the "Co-Op. News, Mentone, Ind." No envelopes will be opened until after Saturday and each will be drawn blindly and opened. The first one opened containing the correct answers will be adjudged winner of first prize; the second to be opened, second prize winner.
LAST WEEK'S WINNERS—
 Mrs. Thelma Lockridge, Mentone, first prize of \$2.00.
 Mrs. Chas. E. Wagner, R. R. 2, Warsaw, second prize of \$1.00.
 Other entries and the sequence in which they were drawn were:
 3—Miss Doris Cole, R. 1, Argos, Ind.
 4—Mrs. Elizabeth Rogers, R. 2, Rochester.
 5—Marjorie Lockridge, Mentone.
 6—(Answers incorrect.)

September 30, 1909.—Horace Bidelman, 25, son of Mr. and Mrs. Chas. Bidelman, was killed Sept. 23, 1909 when he stepped from a locomotive into the path of a G. R. & I. train at Fort Wayne. He died while on the way to the hospital. He was a fireman on the Pennsylvania.

CHARTER TRIP TO DECATUR

Mrs. Carrie Wiltrout, Edna Mahoney, Blanche East, Edna Jones, Rosa Hipsher, Louise Tucker, Flo Shirey, Isobel Morrison, Mary Huffer, Bessie Pletcher and Nora Huffer were among the Home Economic club members who made a tour of the sugar refining plant, soy bean extraction plant, Kraft cheese and Cloverleaf butter plant at Decatur, Indiana. The Harrison Center Home Ec. Club and the Palestine Home Ec. Club chartered a bus to Decatur. On their return trip home, the group stopped in Fort Wayne and went on a shopping tour. About 150 club members from Kosciusko, Delaware and St. Joseph counties enjoyed this tour.

DEFENSE BOND QUIZ

Q. Do the retail stores receive any fee or percentage for the sale of Stamps?

A. No. The retail stores are offering their facilities as a patriotic service, just as banks, savings and loan associations, and others are giving their help in the sale of Defense Bonds.

Q. How can I form the thrift habit necessary for me to buy many Defense Bonds now, to help the Government?

A. The easiest way is to instruct your employer or banker to hold back a fraction of your salary or other income. Even 10 cents a day and a dollar on your birthday will mount up in one year to \$37.50, the purchase price of a \$50 Defense Bond. Bigger savings buy bigger bonds.

NOTE—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C.
