## VISIT HAMIL- TON CO-OP

The members of the board of directors of the Northern Indiana Cooperative Association, Forrest Kesler, Raymond Lash, Herschel Nellans, Dr. E. D. Anderson, Elmer Dickey, Everett Rathfon and Paul Cook; Howard Horn, Manager of the feed mill; Ed Ward, general manager; Artley D. Cullum, editor of the Co-Op. News, and Claude Gates, spent Tuesday in Hamilton, Michigan, the guests of Andrew Lowman, manager of one of the largest and most diversified cooperatives in this part of the Nation. The day was greatly enjoyed and the representatives of the local association were greatly inspired by the success of the cooperative movement at Hamilton.

Mr. Lowman, although located in a town much smaller than Mentone, is well known not only in his native state of Michigan, but has spent a good part of his time the past several months in Washington acting in an advisory capacity to the O. P. A., War Food Administration, and other government agencies. His advice (or rather his opinions and conclusions) to these various groups helped to prevent almost certain catastrophe in food and agriculture. We are glad that we had such men in our Nation who could, and did, unselfishly work for the best interests of everyone in the country. Our economic and social troubles would have been far worse had it not been for folks like Mr. Lowman.

The accomplishments at Hamilton, and the plans for the various endeavors the co-op there is now undertaking, leaves no question in one's mind either of the ability of the people formulating those plans, or the ideals of the cooperative movement.

True students of social and economic problems are certain of one thing—the cooperative movement is the only means available to the average American to bring him the greatest good, whether that be social or economic.

It would be well worth the while of every citizen of this community to visit the Hamilton cooperative, and one can be assured that he will be a welcome guest.

## O. E. S. ENJOYS SOCIAL HOUR

The regular meeting of the Order of the Eastern Star was a very enjoyable gathering, with a social hour following the business session. The program was under the direction of Mrs. Floyd Tucker. Mrs. Herschel Nellans and Mrs. Edison Tucker. David Johns played a cornet solo, accompanied by his mother, Mrs. H. V. Johns, at the piano.

Brook Black presented two numbers in tap dancing. He was accompanied by his mother, Mrs. George Black, and Shirley Igo played a piano solo. A clever contest was won by Maurice Dudley. Refreshments were served. A spirit of good fellowship reigned. The next meeting will be Oct. 15 with a Halloween party.

## JOHN BROWN HERE OCT. 6

John E. Brown, L.L.D.

John E. Brown, founder of John Brown University, will be the speaker at the Youth for Christ meeting to be held at the Baptist church in Mentone on Saturday evening, Oct. 6th, starting at 7:30 p. m.

Dr. Brown will also appear in the Plymouth U. B. church on Sunday afternoon, Oct. 7th, at 2:30.

## DUCK SEASON OPENS OCT. 13

Open season for wild ducks, geese, brant and coot in Indiana will run from October 13 to December 31, Donald R. Hughes, acting fish and game director of the Indiana Department of Conservation, has announced.

Open season for woodcock will run from October 16 to October 30, while the season on rails and gallinules (excepting coot) began September 1 and concludes November 30.

All dates, which are set by Federal order, are inclusive, Hughes explained.

The time to start shooting is thirty minutes before sunrise, Central Standard time. On October 13, the official sunrise is 5:54, and the sun sets at 5:09. Sunrise is about a minute later every day thereafter, and sunset, about a minute earlier each day.

## GOOD ATTENDANCE AT LIONS MEETING

The Mentone Lions enjoyed a nice attendance Wednesday evening and each one present was glad that he had come.

Bill French, who helped charter the Mentone club several years ago, was a guest and his talk was very sincere and much appreciated.

Two Soldiers, Master Sgt. Philip Lash and Lt. Wilber Smith, were guests of the club. Philip gave a brief report of his trip through Europe chasing the Germans, and the many places he has been, and the things his unit encountered, leaves no doubt in our minds but that he saw some of the roughest kind of war. Lt. Smith, who is a pilot with a transport group, spent his time in the other part of the world and had a great deal to do with flying supplies to our fighting men from the turning point of the war—New Guinea—to Okinawa. Lt. Smith is eligible for release but has chosen to remain in the service.

The next meeting of the Lions club, Oct. 17, will start at 6:30 in the evening.

Mrs. Earl Blue has returned to her home in Rockford, Ill., after spending several days with her brothers, the Tucker family.

## MOTHERS OF WORLD WAR II

Unit 106, Mothers of World War No. II will meet Wednesday night October 10 at 7:30 p. m. at the Mentone High school for the regular monthly business meeting. All members are urged to be present as plans are being made for the Anniversary meeting in November, at which the "Dads" are to be guests. The success of this anniversary will depend on you mothers. Won't you be present and help us to put it over? All mothers of Service boys and girls of World War no. II are eligible to become members. Join us and honor the one who has been fighting for us.

## WAKE PRISON- ERS ARE FREED

Mrs. Jeff Stookey, of Warsaw, writes that she recently had a letter from her son, Sgt. Walter Bowsher, who was captured while serving in the Marines as postmaster at Wake Island. The letter, written at Hokkaido, Japan, September 11, states:

Dear Mother,  
I am well and will be home soon. Have not heard from you for over a year. This just a note, but will put you at ease as to myself—how you must have suffered! Give my best regards to my friends and I'll soon be home.

Love, Walter.

Saturday evening of last week, Mrs. Stookey received a wire from the War Department stating that he is well and will be home soon.

Tuesday of last week, Cpl. Dick Reed, step-son of Mrs. Myrtle Reed, of Mentone, arrived at South Whitley after being released from the Japs. Both Sgt. Bowsher and Cpl. Reed were on Wake Island when they were overwhelmed by the Japs on Dec. 23, 1941.

## FARM BUREAU CONVENTION WILL BE HELD NOVEMBER 15-17

The Indiana Farm Bureau board of directors has voted to hold the organization's annual convention this year in "the usual peace-time fashion" at Indianapolis, Murat Temple, November 15, 16 and 17, it has been announced by president Hassil E. Schenck.

## AMA-TOUR

TYPEWRITER FINGERS ON A  
DETOUR

By ART CULLUM

### STRETCHING THE SNORE

Every effort is made to make wars as profitable as possible, even to the point of making one last an hour longer by setting the clock ahead.

Thanksgiving kept skipping around worse than a setting hen when the nests were filled with cockle burrs, and there was no way of telling whether the alarm clock was right or wrong.

When the pay checks got larger, they moved the quitting hour up closer, like a nearsighted man at the carnival side show, so you could get a quicker start in the evening to broadcast the extra lettuce. You helped balance the budget by bending your elbow.

Starting with the second month of oysters, after congress spent 48 grand in argument, they finally got the timetable in reverse.

Now, when you anchor down in your flannel ear-pounding armor, you're entitled to an extra 36,000 seconds of shuteye. Like the synthetic rubber bands, they stretched the snore out and it won't shorten up for several months.

To the average bedroom yodeler, however, it seems the extra hour evaporated in transit. Siesta in CST is just as

short as one in CWT, even if the latter does indicate a full sack of laying mash.

## NEWCASTLE

TOWNSHIP NEWS

By Lavoy Montgomery

Mrs. Charles Good spent the week end in Warren, the guest of her mother. Miss Bonnie Jean Hubbard has been on the sick list.

Betty and Bobby Kramer spent Saturday in Indianapolis.

Mr. Robert Tippy, of Elkhart, spent the week end here at his home.

Mr. and Mrs. O. C. Montgomery spent Thursday forenoon in Rochester.

Mr. and Mrs. Carl Anderson and children and Mr. and Mrs. Harry Bedell called on Mr. and Mrs. Homer Blue, Sunday afternoon.

## Beware Coughs

from common colds

### That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

PRINTED IN THE MODERN PLANT OF THE COUNTRY PRINT SHOP

## WILL CALL AT EVERY FARM HOME IN FARM BUREAU DRIVE

If current membership roll call plans are realized, every farm home in each of the 92 counties in Indiana will receive an invitation on October 15 to become a member of the Indiana Farm Bureau for 1946, it was announced this week by Larry Brandon, state vice-president of the Farm Bureau in charge of the organization department and a DeKalb county farmer.

That was the plan approved by the Indiana Farm Bureau board of directors at its recent session in Indianapolis. October 15 will be called "Kick-Off Day" for the 1946 Farm Bureau membership campaign. Scores of counties, it was announced, will hold "kick-off" meetings on the evening of the preceding day, October 14, at which time

committees of farmers will go over the last minute plans in preparation for the next day's work.

## MASONIC NOTICE

Work in Entered Apprentice Degree Monday night, Oct. 8.

Your presence is requested.

## WITHAM—HANDY

On Monday morning, at the Hill residence, Harry Witham, of near Center, was united in marriage to Mrs. Myrtle Handy, of Stockton, Ill. Rev. Hill officiating.

Mrs. Claude Gates and son Jimmie were present for the ceremony.

Mr. and Mrs. Witham will reside on his farm east of Center.

## MANY VETERANS ARE RECEIVING DISCHARGES

Each day, it seems, we see another familiar face in the civilian picture at Mentone, and before we know what has happened we will find that those we have missed the past several months will again be our every-day companions and business associates. The soldier boys and girls are returning, and we are mighty glad we have reached that point in world history. We've looked forward to it through many dismal months.

An effort is made to report each returning veteran, but that information is often difficult to secure, and if we should fail to mention someone, the oversight will not be intentional. The past several weeks we have carried the discharge emblem on the front page masthead, and an enlarged replica is reproduced above. If you see this braided in gold on a man's coat or shirt, you know he's released from duty.

## MENTONE PEOPLE ATTEND REBEKAH DISTRICT MEETING

Mrs. Susan Dillman, Mrs. Sarah Ellsworth, Mrs. Hazel Dillman and Mrs. Dora Goodman attended the meeting of District No. 23 of the Rebekah Lodge of Indiana, which was held Wednesday afternoon and evening, September 26, at Culver. Mrs. Blonde Warner, of Warsaw, was the presiding officer. Mrs. Victoria Shirer, of Rensselaer, president of the Rebekah assembly, was the instructor for the afternoon.

Officers elected for the incoming year was Mrs. Bess McCoy, of Tippecanoe, as president; Mrs. Susan Morrical, secretary and Dora Goodman, treasurer. The membership of the rebekah lodge in the state has been increased by more than 1900 in the past year. During the evening session the Culver lodge very ably conferred the degree on three candidates.

The spring meeting will be held at Rochester.

# SCHOOL NEWS

We seniors decided to go back to the first grade and we thought Friday would be a good day for our visit. As we walked in the room, we noticed that Mrs. Fenstermaker had printed the name of each pupil on paper and had pasted it on the right hand corner of their desk. It was very easy to see how Mrs. Fenstermaker could teach the children to print their names.

We were very interested to know that in one month the pupils had made great progress in learning to spell their names, and also had colored some beautiful pictures.

The children were making books which looked like a house. The front page was the front part of the house and the back of the book was the back

of the house.

First was the dining room, then the living room, kitchen, bath room, and bed room.

We also noticed that they had helpers who were—Ronnie Grubbs, Rex Shoemaker, Carol Dillman, and Jackie Smythe.

They have new helpers each week. Not only the helpers but all the children seemed busy and happy.

The following members of the 1945 Senior class of Mentone have entered college this fall:

Robert Nelson—at Northwestern; Josephine Creighton—at Indiana University and Geneva Gibson—at North Manchester.

Another of the 1945 class students, Don Shilling is with Uncle Sam's navy in San Francisco.

## "Other Happenings"

Two of our Junior boys, Alvin Kinzie and Waldo Stafford went up the twenty-sixth to enlist in the navy. The boys did not pass but still have high hopes and want to go back soon and try their luck again.

## "A Tongue Twister"

The fly and the flea in a flea. We were impressed so what did they do? Let us flee, said the fly. Let us fly said the flea. So they flew through a flea in the flea.

Mr. Law says, "Try to say this three times."

## A Little On The Funny Side

Mrs. Huffman: What is it you put in Wedding Cakes?

Bedelia Belle: Well, you put sugar in them.

Mr. Huffman: Son, you look like a little pig.

(Son crawls off his chair and goes in other room.)

Mr. Huffman: Do you know what a little pig is?

Son: Yes, a pig is a hog's little boy.

## POEM

There once was a fellow named Cury Met up with a farmer so surly.

The farmer called "Halt!"

Then let fly with the salt,

Pin the Purple Heart medal on Cury.

— By Mr. Law.

Special reporters, June Brown and Marjorie Warren.

Mr. Bevington's class has a fine display of the leaves of various trees mounted on the bulletin board in Room 18.

Friday afternoon, most of the students of the Mentone High School had the privilege of hearing a fine talk on citizenship given by Mr. David J. Kelly, of Marion, Indiana, who taught in the Martin Boot Junior High School at Marion until he retired in 1939. The speaker is an uncle of our principal, Mr. Dale Kelley.

We were pleased to have as a school visitor, Jimmy Gates, of Little Rock, Ark.

Tuesday afternoon, the Misses Jody Cullum and Bonita Miner of the seventh grade gave a Good English demonstration for the fourth grade and they, in turn, were entertained by demonstrations given by Jon Cullum, Don Rush, Shirley Igo, Mary Ellen Bryan, Beverley Witham and Janet Rose Reed.

Notice: Anyone in need of a few first class superstitions, please contact Elma Jean as she now has a fine supply.

The Junior class will serve a hot lunch for the entire school Thursday, October 11. The price will be announced later.

## THIS TOWN STILL ALIVE

It's inspiring to see a person, a business, a city, or anything, in fact, that is on the move—forward. You're glad to know that they're alive and have enough optimism to plan and go forward even though they may have been resting on the canvas a short while previous.

America is noted for its ability to bring success out of misfortune, progress and order out of chaos, and today we see many examples of these determined Americans splurging on to definite objectives. Brainerd, Minn., is just another American town—a little larger than ours and many others—but with problems similar to our own. The following news story just gives us a little idea of what is "happening just over the hill."

The town of Brainerd, Minnesota, has had enough of being rich one year and poor the next. Its business leaders are out to plan a stable postwar future.

Brainerd started out in the 80s as a railroad town. Then it passed through a long series of economic ups and downs as a lumbering center and a trading town for surrounding farmers. In recent years its welfare has been tied closely to resort activities.

Moreover, Brainerd had a big stake in the war. At one time, one out of every 3 residents of Brainerd was a prisoner of the Japs, because an entire company of Brainerd national guardsmen were captured at Bataan and went through the death march. Now,

many of these boys are coming home, and the townspeople want to be sure they are coming home to good jobs and a good future.

To make sure this happens, Brainerd started many months ago with a careful program of planning for job expansion. A group of leading business men from the civic association set up a Brainerd committee for economic development to get the facts.

After weeks of intensive study and surveys, a huge community meeting was held to hear reports on the town's assets and liabilities. Everyone sat through the two hour meeting—except a local doctor, who had to hurry out and deliver a baby. But he got back in time to tell his sub-committee's report on community health facilities.

Reports at the meeting were ample to convince local businessmen that Brainerd had plenty of raw materials from which to create new jobs. Individual employers went on from there. Latest reports show the following results:

A local paper mill has a \$250,000 plant expansion program ready to go, which will double its capacity to produce wallpaper stock and newsprint. The telephone company has acquired a quarter block to build a \$350,000 regional toll exchange on the assumption that expanded business will need more telephones in the Brainerd area.

The Northern Pacific railroad is already at work on a \$1,500,000 expansion for facilities to build steel railway cars in Brainerd.

The Greyhound Bus company, convinced that expansion plans will mean more traffic in the region, are building a new \$80,000 bus station in downtown Brainerd.

The city has acquired 800 acres of land for a class 4 airport, with plans to

Make it ultimately a class I field.

Convinced that these plans foreshadow community growth, the town is adding a new \$10,000 well unit to its water works. Individual merchants are planning store expansions, new lines of merchandise and bigger sales forces.

One CED leader, impressed with his own prescription for job expansion, has opened a new sporting goods store, and during the resort season he will operate a large specially equipped truck which will follow a route among some 300 surrounding lakes and resorts, supplying them weekly with hunting and fishing gear, photographic supplies, and other recreational needs.

Not to be outdone, the Brainerd American Legion post has bought an old silent movie house and converted it into a new modern post headquarters. The VFW has matched that with the purchase of a shoe store and a saloon which have been combined into a second new center of postwar veterans activities.

Topping the whole program is Brainerd's veteran's advisory council, of which 260 local citizens are active members.

"Veterans problems are human problems," says Carl Zapffe, chairman of both Brainerd's CED and its Veterans advisory council. "We are determined to handle them on a human basis with no red tape and a minimum of forms. When you talk to a merchant about expanding his business, you don't come down from the stratosphere and you don't burrow up from the grass roots—you walk in to see them right off the sidewalk. That is the way we have approached every business employer in Brainerd."

Results, according to the town's CED reports, show that there will be 1,750 more jobs in Brainerd to-morrow than there were before Pearl Harbor.

### City Builds Airport

Rhineland, Wis., built an airport two miles from the center of town on 400 acres of land deeded the city by Oneida county for \$1. Layout of the airport was planned by the Wisconsin State Planning board with federal funds at no cost to the city. However, the city appropriated \$10,000 for the construction of two 3,300-foot runways each 150 feet wide.

## ONE IN 37 ON PUBLIC RELIEF

When employment in Indiana was near its highest level in history in July of this year, one out of each 37 Hoosiers still was on some form of public relief in addition to those drawing public old age insurance and unemployment compensation. John V. Barnett, assistant research director of the Indiana State Chamber of Commerce, told the chamber's directors assembled in Fort Wayne Saturday for their semi-annual meeting.

The 92,242 persons receiving public assistance during July, Mr. Barnett said, were awarded sums totalling \$1,896,555, or at the rate of nearly \$23,000,000 a year.

ROCHESTER, IND. Phone 735

"These facts," said the chamber's specialist on public welfare matters, "are cited not in criticism but to illustrate that even in periods of high employment, when employers are begging for workers, there are many individuals, mostly unemployable, who constitute a sizeable minimum relief load which must be supported by taxpayers."

Individuals receiving public aid in July were divided as follows: Old Age Assistance—54,888 persons, \$1,411,384; Aid to Dependent Children—19,775 persons, \$216,679; Blind Assistance—2,006

persons, \$59,456; Township Poor Relief—12,945 persons, \$116,570; County Infirmary—3,628 persons, \$92,466; total—92,242 persons and \$1,896,555.

"In addition to the 92,242 public aid recipients," Mr. Barnett continued, "there were approximately 36,000 persons in Indiana receiving benefits of \$644,000 under the Federal Old Age and Survivors Insurance program in July and in the last week of that month unemployment compensation checks totaling \$111,867 were issued by the State Employment Security division."

James Nuell, Richard Horn, Walter Smith and Donald Peterson.

All the boys declared they had a scouting good time.

## LOCAL NEWS

Dale Kelley visited his sister, Mrs. John Bowman and family, in South Bend, on Saturday.

Miss Patty Goodman spent Sunday afternoon with Miss Barbara Mullens, of Tippecanoe.

The members of the Mentone Reading club will hold their first meeting next Wednesday evening. A 6:30 pot-luck supper is planned at the home of Mrs. Byron Peterson.

Mr. and Mrs. Lloyd Zentz and Vinson, Dora and Patricia Ann Goodman, spent Sunday with Mr. and Mrs. William Maxwell of Tippecanoe, where they partook of a bountiful chicken dinner.

Mr. and Mrs. Adam Carper received a letter this week from their nephew, Glen Carper, in which he stated that he is now docked in the Yokohama Harbor and has visited the mainland a short while. He stated that he felt the Japs were being handled like eggs and that the Yokohama harbor was one of the best in which his 26-ship convoy had ever anchored.

David J. Kelley, of Marion, visited his nephew, Dale Kelley, on Thursday. Mr. Kelly began teaching school at the age of 16 years and retired in the year of 1939 after a number of years of teaching in the Martin Boots Junior High in Marion, Ind.

Miss Phyllis Huffman was the week end guest of Mr. and Mrs. Seth Yeiter, in Clunette.

Mr. and Mrs. Eugene White, of Warsaw and Mr. and Mrs. K. A. Rimer attended the football game in Chicago, Saturday.

TODD'S

## Mentone Dressing Plant

CALL 56 or 10 on 172

M. O. Mentzer had a telephone call Tuesday evening from his son, James, at Chicago. The son "wondered" if Dad would like to see the world series game at Chicago Saturday—if he were given a ticket and had all his expenses paid. It seems Mahlon had a birthday and the trip was in the form of a birthday present from the son, who formerly lived at Marion but is now employed in Chicago. Even if one had a lot of work to do, it wouldn't take long to decide it wasn't important when an offer like the above would come along. (Several other Cub fans have been chewing their gums ever since wondering why they had to be born in some other month.)

○ ○ ○

Mr. and Mrs. Adrian Robinson, of St. Petersburg, Fla., Mr. and Mrs. John Coddie and Mr. and Mrs. Harry Spahr, of Kokomo, Ind., visited Mr. and Mrs. Kenneth Van Curen Tuesday evening.

Mrs. Otie Hamman, of South Bend, is spending this week with her mother, Mrs. W. R. Borton, and daughter, Mrs. Darrel Tucker.

○ ○ ○

Mr. and Mrs. Devon Eaton and Rev. and Mrs. E. Coleman Ralston, who spent the past two weeks at Lake Chetac, Wisconsin, returned to their homes Tuesday evening.

○ ○ ○

Mr. and Mrs. Ernest Igo, Shirley, Berry, and Miles, and Miss Maxine Nine and Miss Marjorie Morret, of Akron, spent Tuesday evening in the home of Mr. and Mrs. Elmer Huffman.

### MRS. BYRON PETERSON ENTERTAINS READING CLUB

The Mentone Reading club held its first meeting of the season, Wednesday evening, October 10, at the home of Mrs. Byron Peterson with Mrs. Fred Lemler and Mrs. Bob Reed assisting the hostess.

A pot-luck dinner was a feature of the evening.

After the business meeting, which was in charge of the club president, Mrs. Artley Cullum, the ladies of the club were taken into the spirit world by Mrs. Harold Nelson, who had charge of the program for the evening.

Mrs. Nelson read some prose by Edgar Allan Poe entitled "A murderer's Confession". She was assisted by Mrs. Joyce Johns, who produced all the sound effects.

Then the club was visited by the Old Witch, who gave each lady a key to unlock her fortune. The part of the Old Witch was played by Mrs. Conda Walburn.

### NELSONS BUY PAL HATCHERIES

The Nelson Poultry Farm, at Burket, has purchased the Pal Hatcheries, owned and operated by Paul Cook and John Beasley, on the Forest Grubbs land at Palestine. The deal includes the real estate, hatchery, incubators, brooding equipment, and all.

## SILVER STAR FOR HEROISM

The War Department recently released a picture showing Col. Hunter R. Clarkson, Santa Fe, N. Mex., congratulating M. Sgt. Bernard L. Bidelman, of Elkhart, after presenting him with the Silver Star medal.

During an attack on Remese, France, Sgt. Bidelman, then a member of the 943rd field artillery battalion, voluntarily accompanied a small force on a mission to clear the town. In the face of heavy fire, he demonstrated extreme courage and gallantry in routing German resistance. He is now serving with headquarters company, 6th port, in Marseille, France, under Col. Clarkson's command.

In service since June, 1941, Sgt. Bidelman has been overseas about a year. His parents, Mr. and Mrs. Frank Bidelman, recently moved from South Bend to Three Rivers, Mich.

Sgt. Bidelman, who is 27 years of age, was reared by Mrs. Mary Bidelman, of Mentone, and graduated from the Beaver Dam High school.

## IN FIRST B-29 ON HOKKAIDO

Cpl. Arnie Gustafson, husband of Mrs. Ruth (Baker) Gustafson, of Mentone, was recently among the first Americans to land their B-29 in Hokkaido, Japan. Cpl. Gustafson, who was trained as a radio operator, was selected as one of the group of Air Force men to go from Guam to the Japanese island to supply weather information to the first Japan to Washington, D. C. flight of B-29s. Although the first Americans in this part of the Japanese empire, no difficulties were encountered.

Cpl. Gustafson is again located on Guam, and it is expected that he will receive a discharge from the armed forces in the near future. Mrs. Gustafson and small child left Tuesday for Washington, D. C., where they will remain until the soldier husband is released from duty.

## ALICE BORTON DIED MONDAY

Mrs. Alice L. Borton, aged 83 years, died at four p. m. Monday at the McDonald hospital at Warsaw, where she had been taken for treatment four weeks ago, after falling and breaking her hip. She had been in failing health for the past three years.

Mrs. Borton was born near here on August 17, 1862, the daughter of Amasa and Mary (Brush) Garwood, and lived in this community all her life. October 18, 1884, she was united in marriage to Cleanthes Borton, who died November 9, 1920. She was a member of the Mentone Methodist Church.

Surviving relatives are two sons, Charles Borton, of Elkhart, and Allen Borton, of Fort Wayne; six grandchildren, Mrs. Wilma Hale, Mrs. Alta Ringler, and Charles Andrews, of Warsaw, Royal Borton of Syracuse, Mrs. Ethel Haab of South Bend and David Borton of Fort Wayne; eleven great-grandchildren, and a sister, Mrs. Ellery Rapp, of South Bend. A daughter, Ethel May Andrews, passed away May 4, 1914.

Funeral services were held Thursday afternoon at 1:30 at the Johns funeral home, with Rev. A. G. Simmons, pastor of the Mentone Methodist church, in charge. Burial was in the Mentone cemetery.

### JAP BOOTS RECEIVED FROM SOUTH PACIFIC

Mrs. Dwayne Bergstrom recently received a pair of Jap boots, sent by her husband who was killed several months ago while serving as a sniper in the army.

The boots are made of good quality tan leather, about a foot in height and lined with what appears to be goat skin and fur.

### MARRIED AT PLYMOUTH

Harry C. Mosier, of Warsaw, and Latha Wehlich, of Nappanee, were married at noon Saturday in the United Brethren parsonage at Plymouth. Rev. C. A. Sickafosse officiated at the single ring ceremony. The bride was dressed in grey with black accessories.

The nuptials were read in the presence of Mildred Hatfield and Gladys Light, both of Warsaw.

## YOUNG SON LEAVES HOME

The two-and-one-half-year-old son of Mr. and Mrs. Dale Hawley decided about 10:30 Thursday that he would go out and see what the rest of the world looked like. He went out behind the hen house to play and wasn't seen again until about four hours later when he was located by a neighbor.

When the little fellow couldn't be located, neighbors joined in the search and Mrs. Raymon Hibschan called the Mentone schools for aid. Prof. Kelley released the Junior and Senior boys and they joined in the search for the missing lad.

Ralph Warren, a neighbor, found the wandering youth on the Francis Kehoe farm, about a mile northwest of his home. He managed to get over, or thru, several fences before reaching the Kehoe field.

### NATIVE HOPI INDIAN TO SPEAK SUNDAY

Byron P. Adams, a native Hopi Indian missionary from Arizona, will be the guest speaker at the Baptist church Sunday morning at 10:30. Everyone cordially invited to attend.

### O. E. S. NOTICE

Regular meeting of Order of the Eastern Star, Monday evening, October 15. There is to be a Halloween party.

### FINAL RITES HELD MONDAY FOR CLINTON S. IRVINE

Final rites were held at 2 o'clock Monday afternoon from a Rochester funeral home for Clinton S. Irvine, 90, veteran boat landing operator at Lake Manitou, who succumbed to a heart attack Saturday morning. Services were in charge of the Rev. C. T. Howell and burial was made in Reichter cemetery, near Talma.

The lifeless body of the deceased was found in a row boat about 10:30 Saturday morning by Paul Rockwell, who notified Sheriff Frank Summers and coroner D. K. Stinson. Death was ascribed to heart failure.

**HARRISON CENTER H. E. CLUB**

The Harrison Center Home Economics Club met Wednesday at the home of Mrs. Harvey Mollenhour with Mrs. George Long as co-hostess. The usual business session was conducted by the club president, Mrs. Herbert Dorsey. Home on the Range, the song of the month was sung by the group, and the club creed was repeated in unison.

Mrs. Walt Eckhart and Mrs. Hobart Creighton presented the lesson on meal planning. Mrs. Creighton also gave a report on the Kosciusko county Home Ec. camp at McClure lake. The meeting was dismissed after singing the club prayer. During the social hour, lovely refreshments were served by the hostesses to 25 members and their guests. Mrs. Gilbert Griffiths, Mrs. Oral Welsh and Mrs. Howard Horn. Several contests were enjoyed by the group, with Mrs. Hobart Creighton, Mrs. Merl Nelson, Mrs. Howard Horn, Mrs. Emery Murphy and Mrs. Frank Smith winning prizes.

Mrs. Chas Fields received a birthday gift from her cheerio pal.

The next club meeting will be the annual family night, when the ladies will entertain their husbands and families. The time and place are to be announced later.

Mr. and Mrs. Harry Cole called on Mr. and Mrs. C. Kercher, Friday Morning.

Mr. R. W. Osborn, of Syracuse, and Mr. and Mrs. V. O. Osborn of California, were Monday dinner guests of Mr. and Mrs. C. E. Goodwin.

Mr. and Mrs. James Hubbard, of Tiosa spent Sunday with Mr. and Mrs. Dana Starr and Patty Sue.

**FORD & HAYDEN PLANTING BIBLICAL TITHING WHEAT**

**HENRY FORD—PERRY HAYDEN**

Henry Ford, the motor magnate, and Perry Hayden, the Tecumseh Quaker Miller, are shown here filling shoulder bag last year with the famous Dynamic Kernels "Biblical Tithing Wheat" during the sowing of the great 230 acre field, which originated from a tiny cubic inch of grain planted in a small patch 4 ft. by 8 ft. in 1940, to demonstrate some Bible lessons in tithing and re-birth.

The tithe was taken out for the church after each year's crop was harvested, and the entire balance re-

**Dr. Dale A. Rigdon**

**OPTOMETRIST**

"IT'S THE EXAMINATION THAT COUNTS"

**OFFICE AT FITCH'S JEWELRY STORE  
WARSAW, INDIANA**

For Your Convenience — Please Phone 781 for Appointment

planted each year. This year's crop from the 230 acres was 5,187 bushels, which will require more than 2,500 acres for planting the sixth and last crop of the experiment. If continued for seven years, it would cover the entire state of Indiana. In nine years it would require the whole United States, and in fifteen years it is estimated that it would cover the globe. After deducting the tithe, the balance left for replanting has exceeded the state average of Michigan every year.

Last year's 230 acre tract was on land furnished by Henry Ford, but this year's planting is so large that no single tract of land in Michigan could handle it, so the seed has been parceled out to about 250 farmers throughout the country, who are now planting the genuine Biblical Wheat and will give the tithe to more than 150 different churches.

A representative field of the dynamic kernels is being planted inside the race track at the Adrian Fair Grounds, where the huge official celebration will

be held during the harvest next summer. The wheat will be cut, threshed, ground into flour, baked into biscuits and fed to the multitudes in the grandstands, right before their very eyes.

"The elaborate plans being completed by Perry Hayden, in co-operation with the Lenexa County Fair Board, will make this the most spectacular international human-interest story in the world", says Raymond J. Jeffreys, an Ohio Publicist.

"The colorful parades, cutting and harvesting pageants showing equipment used from the Biblical days, down to the modern combines, and reports from the farmers throughout the country who are making possible the completion of this stupendous final year of the project, will make this great religious event a living demonstration of the Biblical truths regarding sowing, reaping, re-birth and tithing," says Perry Hayden, the Quaker miller and founder of the demonstration.

The average baseball fan is nothing more than a 51-week man. The first week in October he's about as worthless as a stork with the lock-jaw.

It doesn't matter whether he's the iron man of the law pushing a polished star down the avenue, a printer with

a Brazilian complexion or a milk squeezer on the back forty, they all settle down to do nothing when the first game starts.

They all know how the games are coming out, and a good share of them place their funds in trust—and hope. This year it was a seven-stanza sweat. Betting always comes out even—half of the participants are always pleased.

Some peanut with a hitch in his gill-along can play ball forever and never get a peep from a fan, but if he falls into a series and does anything spectacular, he's the greatest man in the world. He goes from the cellar to the attic and stays there as long as the fans are sober.

Like Ferdinand, he was the same old thing until he started sniffing roses. That fourth game is the pay-off and seven thousand bankable eggs is a lot of hen fruit—and there is always plenty of chickens hanging around to hatch up something.

A series sensation, like a president's son, is an expert by happenstance and a professional by proxy.

**A BIBLE MESSAGE**

By Rev. E. Coleman Ralston

Prophetic signs of the last days.

One day the Jews will be gathered back in Jerusalem as a nation but before that time comes there will be many tragic days upon the earth. One of these will be universal unemployment, for Zechariah 8:10 tells us that "before these days there was no hire for man nor any hire for beast: neither was there any peace to him that went out or came in because of the afflictions: for I set all men everyone against his neighbor". During the last depression there was one sixth of the population in this country said to be on relief, looking to the central government for their living, because of unemployment, the government lending money to finance and refinance homes, and then paid the mortgage payments because the homeowners were still out of work and on relief. Billions of dollars were spent to make jobs for men out of work. I saw with my own eyes people lined up at soup kitchens and men and women eating out of garbage cans behind restaurants. Men thought then that we were living in the days that Zechariah was talking about, but that was only "child's play" compared with what will come. With tractors taking

up the work of horses on the farm, huge mechanical scoops and great trucks doing the work of a hundred teams and men, the horse is being crowded out. One train of large cars drawn by an electric engine operated by one man does the work of three or four trains drawn by steam locomotives, putting many men out of work. This is typical of what is being done everywhere, all operations of labor being transformed by machinery and replacing men by hundreds of thousands. Men see this and are trying in every way to overcome the natural results.

During the last depression the government was able to take up the slack by borrowing ourselves into billions of dollars in debt. Now the governmental officials are working on an unemployment compensation that will give men who are out of work a living wage. With the government already in debt what would the results be if another depression came along and lasted any length of time? Men are dissatisfied now when they are making a living wage, demanding tremendous increases in pay. Unrest will continue, it may subside for a time but will arise again and according to prophecy things shall "wax worse and worse." "There was no hire for men . . . neither any peace to him that went out or came in be-

cause of the afflictions: for I set all men everyone against his neighbor."

Mr. and Mrs. O. V. Jones and Ken Jones and Mr. and Mrs. Ernest Williamson, of Burket, were guests of friends in South Bend, on Sunday.

Speak morning and evening next Sunday. Everyone is invited to attend these meetings.

**PLEASANT VALLEY CLUB  
HOLDS SALE**

Mrs. David Swihart delightfully entertained the Pleasant Valley community club in the home of Mrs. Kermit Biddinger Wednesday afternoon. The meeting was called to order by the president, Geraldine Hunter, by singing "Whispering Hope", followed by the pledge to the flag. The song of the month, "Home on the Range", was sung, the story being read by Cella Grove. Roll call was answered by previously assigned topics.

During the business meeting, it was voted to give \$2.00 each to the National War Fund and Salvation Army. Several members are planning on attending the 13th district convention to be held at South Bend Thursday, October 11. Mrs. Herschel Fenstermaker extended a invitation for club members to a Halloween party at her home.

Mrs. Harold Alspach, a recent bride, was presented with a lovely wool blanket as a gift from the club. A feature of the afternoon was a white elephant sale.

A baby picture contest given by Esther Fenstermaker, and Mary Harvey, was won by Allene Biddinger. The hostess served delicious refreshments to 19 members, six children, and four guests, Mrs. Russell Cold and daughter, Mrs. Harold Alspach and Mrs. Charles Emmons.

## SCHOOL NEWS

Your roving reporters visited the third grade the other day.

As we walked into the room, we noticed they were getting ready for Halloween. There was an old witch riding a broom stick, some black cats, pumpkins and leafless trees.

The class was enacting a play they had been studying in reading class. It was called "Timothy's Antlers."

Little Timothy, upon seeing his father's antlers, wondered where his were. Not receiving an answer from his mother, he started off to look for some. The rest of the animals of the forest were not in sympathy with him as they had no use for them. At long last he returned home, and his mother took him to the river. There he saw the antlers he had been growing all the time he was looking for them.

All thirty-six children took part in the play. Some played the parts of trees, curtains, covers, etc.

The characters were as follows:

Timothy—Joe Shoemaker, Mother—Julaine Smythe, Father—Billy Griffiths, Green Frog—Macy Snyder, Black Bear—Gail Johnson, Porcupine—Kay Flenar, Grandfather—Billy Lee Nellans, Readers—Sheila Fitzgerald, Larry Joe McKinley.

The readers did a very good job of reading, and Mrs. Ward did an excellent job of conducting them.

### Things to Look Forward to

First basketball game—November 2.  
Six weeks exams.  
Halloween parties.  
Thanksgiving.  
Teacher's Association—November 25.

Columbus Day.

Miss Davis is looking forward to the basketball games, (without a trombone player—Professor Long will be playing ball).

Roving reporters—Barbara Clark and Bedelia Belle Weirick

The seventh grade held a class meeting October 10, 1945. They have decided to have a Halloween party at Danny Anglen's home on the 26th of October. They intend to dress up in costumes for the party. On the eats committee are Phyllis Bowser, Sally Hoffer and Danny Anglen. On the entertainment committee are Mary Jane Tucker, Betty Witham, and Jennie Hall. Miss Davis is their sponsor.

### Freshman Class Report

The biology class went on a field trip Wednesday. They had a very profitable trip, receiving minnows, frogs, and insects. They received everything but crayfish.

They also made another field trip, studying leaves and their structure.

—By Martha Warren.

Mr. Bevington's ninth grade English class has been writing compositions. Some of the class have shown much originality and many have had exceptionally good papers. The class chose four compositions as being interesting and well written. Those students were: Ella Mae Shilling, Joyce Ware, Marilyn Tucker and Mary Louise Wilson.

The following composition is by Mary Louise Wilson:

### Just Scared

This story takes place near Claypool in the month of November. The people around Claypool used to claim that certain corners were haunted. They said they had seen queer white objects around these corners.

One night a group of people had been to a church party. On their way home a couple of the boys ran on ahead. They got quite far ahead so they sat down on a gate. After they had rested there a few minutes, a large white object went through the fence between them.

Ed was terribly frightened but he managed to say to John, "W-what was that?"

John immediately replied, "I don't know, but I'm leaving and right now!" The next day people had investigated but there weren't any tracks left by this white object. The town was buzzing. Old ladies were saying, "the poor, poor boys, 'what could it have been, there weren't any tracks?"

Three nights later, my father was driving a horse and buggy past the same corner. It was about midnight. When he started to turn the corner the horse backed up and wouldn't go any farther. He immediately turned around and headed home another way.

Later the ghosts were found to be a white owl in the first case. The owl flew across the fence and the boys thought it had flown between them. In the second case, it was found to be a rattlesnake. Horses always shy away from them.

### Athletic News

The mentone High school ended their softball season last Friday at Warsaw when they went down to defeat at the hands of the Syracuse High school. Syracuse defeated the local boys by a score of 2 to 1 and thus advanced to the finals of the county where they were finally eliminated by the Milford team by a score of 1 to 0.

Bowser, the Mentone hurler, had the Syracuse boys completely baffled. His fast ball breezed by at such a speed that it wasn't until the seventh inning that they received three hits which

were finally converted to their only runs.

The Mentone High school boys end their season by winning five and losing two.

Basketball got under way Monday with thirty-one boys showing up for the first practice. The squad has now been cut to eighteen. The prospects for the coming basketball season appears to be good as all boys are working hard and mastering the new fundamentals as they appear in their drills. The following boys make up the squad at the present time:

Seniors—Dick Filarsky, Dean Witham, Howard Fawley, Bob Flenar, John Shirley, Gerald Romine.

Juniors—Leon Whetstone, Forest Miner, Merl Blue, Robert Hibschan, Malcolm Long.

Sophomores—Dave Bowser, Kenneth Dunnick, Dean Hively, George Reed. Freshmen—Donald Coleman, Dick King.

Did you know Miss Davis deserted her great talented musicians to give her long lost soldier a very pleasant day? That is her bit in the war effort. Congratulations, Miss Davis, for your great patriotism.

AND HAVE YOU HEARD! Pete Shilling had a Junior girl on her knees proposing to him. So we hear. Hey, Pete this isn't leap year.

Wanda Smith and Marjorie Lockridge are having the thrill of their lives in Math class. They are the only girls in the class with nine boys. (Just between you and me, I wonder how much they will learn).

A certain sophomore, Patsy Dorsey by name seems to have taken quite an interest in Dick F. Better watch that, Freeda. (Patsy we're going to tell Dick Boganwright).

Firman Sensibaugh is very lonely this year without the aid of Frances Baum to cheer him up. (Don't let Firman get into too much of a slump girls.)

Mr. Law and the Senior class gave the Atomic bomb and the world in general a great cleaning up in Civics class Friday morning. If the Senior class and Mr. Law were running things we would have a real world. (That is if you don't care what you say.) We're afraid Mr. Law could not leave his joke book alone long enough to help run it through.

George Reed and June Brown are still going strong. My! My!

Those poor eighth grade girls thought Alvin Kinzie so much like Frankie Sinatra that they drove him out of school. Just a hint to Alvin, take it easy Son, they'll get over it.

Alvin's brother Harry came here to school this year, and do you know those girls are diving for Harry now. (Come girls, have a heart.)

Betty has been setting a new record in getting to school. She has only been late once or twice so far. Keep up the good work Betty.

Mr. Ott is having a terrific time with his Geometry students. They aren't going backwards, (so he says), but they certainly aren't going forward. Are they Dave?

Just a hint to Freeda. We hear that Dick F. is pretty good at scrubbing floors.

# YOUTH FOR CHRIST SCORES AGAIN

Dr. John Brown, of John Brown's University, spoke to about 500 young people at Tri-County Youth for Christ Saturday night at the Baptist church. Twenty-eight towns were represented.

Dr. Brown also addressed the sectional Y. F. C. Rally at the United Brethren church of Plymouth, Sunday afternoon. There were about 250 in attendance.

Mrs. Alma Ruth Smail, a missionary to China, was the speaker at the sectional rally at the Church of God, in Akron, speaking to 325, on Sunday evening.

Mrs. Smail also spoke at the First Presbyterian church, in Warsaw, Monday evening when about 200 attended the rally.

The next Y. F. C. will be November 3, when Ray Nelson, dynamic youth speaker and baritone singer, will be on the program.

## CELEBRATES BIRTHDAY

Tuesday afternoon, October 9, Mrs. Dana Starr entertained in honor of the eleventh birthday of her daughter, Patty Sue.

After many games, Ice cream and

cake were served to the following: Carol Peterson, Elener Rose Norris, Jackie Blue, Mary Louise Bare, Ramona Goodman, Marilyn and Carolyn Lockridge, Donnagene Dillman, and Mrs. William Middleton. The guest of honor received many nice gifts.

## MRS. HORN ENTERTAINS BETTER HOMES CLUB

The Better Homes club was entertained in the home of Mrs. Clarence Horn, assisted by Mrs. Victor Tobey, on Thursday afternoon. The meeting was opened with community singing. A prayer was given by Mrs. Leininger. Roll call was answered by "Improved Practices of Food Preservation." The song of the month, "Home on the Range", was given by Mrs. Harley Walburn. The lesson was given by Mary Leininger. The club voted to send \$3 to the National War Fund and also \$3.00 to the Salvation Army. The contest prize was won by Mrs. Gladys Coplen. The meeting was then closed by repeating the club creed. Refreshments were served to 16 members and 11 children.

**Waterproof clothing**—thanks to chemicals—will mean new jobs.

**Molded furniture**—through chemicals. More jobs for workers.

**Unscuffable shoes**—made possible with chemicals. Still more jobs.

**Goodbye to mosquitoes**—with chemicals. Still more jobs.

## Making Postwar Jobs—Out of Chemicals

**W**HAT WILL the employment situation be — now that Victory has been won? Will there be enough jobs for returning soldiers, sailors, war workers?

No one can say, exactly. But this we do know: business management, in scores of industries, has long since laid plans for new products, new ventures, new services, that will make jobs by the thousands by creating new demands.

Take the chemical industry. Not only will it continue as one of America's basic job-makers, but from chemical research have come scores of new products that will mean thousands of new jobs in the

future—products many of which were little more than dreams before the war.

Imagine your home rid of moths and mosquitoes. Specially treated clothing that will let you stroll in the rain and stay perfectly dry. Chemically treated pine furniture, hard as ebony, on which scratches and blemishes will not show.

Think of scuffproof shoes. Or shrink-proof wools. Of window screens that won't rot or rust. All these things—and many others—will increase the demand for chemicals — and demand for goods makes jobs.

The chemical industry is only one of

many along the Chesapeake and Ohio, the Nickel Plate, and the Pere Marquette that have planned for postwar employment.

And, now that the war is over, the chemical industry and other industries throughout the country will put into operation their plans for the jobs and opportunities all of us want.

## FOOD AND SOIL

By HUGH B. BENNETT  
Chief, Soil Conservation Service

Everyone knows how important food problems are these days. Food production has been great; yet the demand has been greater. Bumper crops have come from our soil for several years now. But still comes the call for more and more food—all kinds of it—and also for more fibers, more leather, more lumber, more paper—all basically products of the soil.

That is why soil conservation is vitally important in this great production job. We shall always be utterly dependent on the land—not only for production in 1945, but in 1946, 1947 and for all the years to come.

Essential foods come originally from one place only—from good soil. American farmers have topped all previous accomplishments in the output of meat, milk, corn, wheat, soybeans, peanuts and other essential crops. They have worked hard at their war job and they are still at it. Moreover, they are achieving their record yields year after year of wartime with much less waste of irreplaceable soil than during the last war.

Soil conservation farming is responsible not only for much of this increased

production, but also for protecting our productive soil—the foundation of all agriculture. Soil conservation farming has brought about at least a 20 percent increase in production per acre, on the average. It has meant savings in seed, fertilizer, labor and power. It has permitted the greatest possible degree of protection—and even improvement—to soil and water resources under the pressure of intensified wartime production. Finally, and most important for the future, it offers the farmer and rancher a sound avenue for shifts in type and intensity of production that may become wise in the years ahead to meet possible changes in the price and demand for agricultural commodities.

What is soil conservation farming? What is the thing that is so important to the land and to good production? Briefly, it is using each acre according to its own individual capabilities, and treating each acre according to its own individual needs.

There is as much variety in the land as in human beings. Some pieces of land are more capable of food production than others. Some pieces are useful primarily to grow grass, or trees. Some fields need specialized treatment if they are to produce best and not suffer from erosion. This treatment may mean terracing land that cannot be safely cultivated otherwise.

It may mean strip-cropping and contour cultivation on gentler sloping land; reforestation of woodland that should never have been cleared; returning to grass the grassland that should never have been plowed.

I have had reports from thousands of farmers about the benefits derived from soil conservation farming. All this, I am sure, is helping to make us a stronger, better nation.

Reprinted from The Kiwanis Magazine.

### STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC.

Of Northern Indiana Co-Op. News, published weekly at Mentone, Indiana, for October 1, 1945.

State of Indiana,  
County of Kosciusko, ss.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Artley D. Cullum, who, having been duly sworn according to law, deposes and says that he is the Editor and Business Manager of the Northern Indiana Co-Op. News and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the act of March 3, 1933, embodied in section 537, Postal Laws and Regulations:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher, Northern Indiana Co-Op. Ass'n., Mentone, Indiana; Managing Editor, Artley D. Cullum, Mentone, Indiana; Business Manager, same.

2. That the owner is: Northern Indiana Co-Operative Ass'n., Mentone, Indiana. (E. D. Anderson, Mentone; Wendell C. Anderson, Huntington; Creighton Bros., Warsaw; Barbara Creighton, Josephine Creighton, Martha Creighton, Evelyn Creighton, Dorothy Creighton, Robert Creighton, Marilyn Creighton, Esther Creighton, Helen Creighton, all of Warsaw; Dale M. Cook and Wilma Phillips, Akron; Mrs. E. T. Robinson, Argos.)

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: None, other than stockholders shown in paragraph next above.

ARTLEY D. CULLUM,  
Ed. & Bus. Mgr.

Sworn to and subscribed before me this first day of October, 1945.

ELMORE FENSTERMAKER,  
Clerk-Treas., Town of Mentone.

A group of friends of Babe Rogers gave her a most delightful surprise on her birthday, October 10, at the home of Mr. and Mrs. Charles Manwaring. Games and refreshments were enjoyed all of which were in keeping with Halloween.

## NOTICE TO FARMERS

I wish to inform the farmers of the community of Mentone that I in no way wish to monopolize the facilities of the stock yards in Mentone. They are for public service and convenience and the Railroad company plans on rebuilding the yards which will make it more convenient for anyone who wishes to ship stock in or out. If I am able to be of any service to anyone wishing to use the Railroad's facilities, I will be pleased to do so.

### NEWCASTLE

TOWNSHIP NEWS

By Lavoy Montgomery

There was a birthday dinner in honor of Mrs. Frank Arter Sunday at her home here. Those present were: Mr. and Mrs. Roy Hubbard and two daughters, Virginia Anne and Bonnie Jean, Mr. and Mrs. Fred D. Barr and daughter, Lois Jane, Mr. Sidney Dick and son, Jimmy, all of this place and Mrs. Frederick Hubbard, of Argos, Miss Juanita Timmerman, of East Chicago,

Ind., and T Sgt. and Mrs. Ralph Chapman, of Franklin.

○ ○ ○  
Mrs. Russell Chapman is expected home this week from the Robert Long hospital in Indianapolis, where she has been for treatments.

○ ○ ○  
Major and Mrs. George Leslie, of Indianapolis, were the recent guests of Mr. and Mrs. C. M. Walker, Major Leslie has received his honorable discharge from the army air corps after serving two and a half years in Germany.

○ ○ ○  
T-Sgt. and Mrs. Ralph Chapman, of

Franklin, were the week end guests of Mrs. Chapman's parents, Mr. and Mrs. Fred D. Barr.

○ ○ ○  
Miss Mildred Matthews, of Rochester, was the overnight guest of the Misses Helen and Dorothy Meiser, Friday.

○ ○ ○  
Lon Walker, of Indianapolis, is the guest of his parents, Mr. and Mrs. C. M. Walker.

○ ○ ○  
Miss Rosie Good, of South Bend, was the guest of her parents, Mr. and Mrs. Charles Good, Sunday.

○ ○ ○  
Mr. Philip Bryant, who has been on the sick list for some time, remains in serious condition.

○ ○ ○  
Mr. and Mrs. David Deamer and family, of Chicago, spent the week end here the guests of Mr. Deamer's mother, Mrs. Cynthia Deamer.

○ ○ ○  
Mr. Harry Wenger, who has been on the sick list for some time suffered a relapse and has been ordered to his bed by his doctor.

○ ○ ○  
Miss Virginia Ann Hubbard is enjoying a week vacation from her duties at the Coplen and Erdman Drug Store, in Rochester.

○ ○ ○  
Mr. and Mrs. Harley Spencer, of Mishawaka, called on his cousin, Mr. and Mrs. O. C. Montgomery, Sunday afternoon.

### FOREST FIRES DO DAMAGE IN STATE

National Fire Prevention week, October 7-13 brings to the attention of Indiana farmers the need for vigilance during the next two months especially because of the heavy vegetation resulting from the favorable growing season during the summer. This statement was made by T. E. Shaw, Purdue University extension forester.

It is estimated that 25,000 acres of wood and grass land are damaged annually by fire. Each year there are other considerations far in excess of the money loss including damage to mature trees, killing of young trees, destruction of wildlife, increasing of soil erosion and lowered soil fertility.

If brush must be burned, Shaw advises that it be placed in small piles encircled by a clean-raked fire lane. A damp, still day should be chosen for the job.

## MARRIED FIFTY YEARS

On last Sunday afternoon, Rev. and Mrs. J. S. Johns, of 955 W. 30th street, Indianapolis, celebrated their Golden Wedding anniversary.

Open house was held from 2 to 6. Refreshments of ice-cream, cake and punch were served by the granddaughters to around 200 guests.

Rev. Johns was presented with a beautiful knee-hole desk and chair and Mrs. Johns was given a lovely barrel chair. Many other fine gifts were received from other churches including Mentone, where Rev. Johns preached for 11 years.

Rev. and Mrs. Johns have 5 children, all of whom were able to be present, 11 grandchildren and 5 great-grandchildren.

Mrs. Johns recently fell and dislocated her knee, but was able to sit up during the afternoon to greet friends.

## COOP. GROUPS ENJOY DINNER

A fine steak dinner was held at the Burket Community Building on Friday evening of last week, sponsored by the Farm Bureau organization. In addition to representatives of the state and county organizations, the manager and board of directors of the Warsaw Farm Bureau retail store and the manager, board of directors and department representatives of the Northern Indiana Cooperative Association at Mentone, were present.

Mr. Briggs, of the state department, gave a very interesting discussion of farm problems and spent considerable time enumerating the facilities of his organization which are available to help make farming more profitable. The savings to farmers over a period of twenty years have demonstrated the value of cooperative effort, and these savings will be even more important in the era just dawning.

Dale Kelley attended the I. U. football game at Bloomington, on Saturday.

## NEW BUILDING FOR MENTONE

Byron Peterson started construction this week on a new lunch room just west of the Mentone Mfg. Co. plant on Main street. The building is to be 30x40 feet, cement floor, brick front and frame construction. "Pete" is expecting a lot of activity at Mentone and he's willing to take a chance on getting a portion of this business.

There are rumors, too, of other businesses to come to Mentone, which is an indication that other people also believe this town is due for some rather rapid growth. Now, if the rest of us can keep our ambition and work and plan for the common good of the town, nothing can hold us back.

## LADIES AT LIONS MEETING

Ladies' Night was enjoyed at the Lions Club meeting at the school house Wednesday evening.

The program of the evening had been arranged for by Dr. L. H. Davis, Mentone physician, who had arranged for the speaker and had invited the doctors of Kosciusko, Marshall, and Fulton counties as special guests. Those in attendance were: Dr. and Mrs. Her-ring, of Pierceton; Dr. and Mrs. Schlemmer and Dr. Richer, of Warsaw; Dr. and Mrs. Stevens and Dr. Klingler, of Plymouth; Dr. Marshall, of Bourbon; Dr. Thompson, of Tyner and Dr. and Mrs. Davis, of Mentone.

Dr. Harshman, of Fort Wayne, gave a very interesting talk on psychiatry, and the citizen's problems in properly receiving the returning veteran who may have acquired some maladjustments in the conflict in which they had been engaged.

The W. S. C. S. of the Tippecanoe Methodist Church will serve a penny supper this Friday night from 5:30 to 7:30. From 7:30 to 8:30, there will be a program given by a group from Bourbon. The public is invited. Bourbon. The public is invited.

## NOAH EATON PASSES AWAY

On Tuesday evening, October 16, occurred the death of Noah Eaton, who had been in poor health for the past 6 years. He was born near Mentone February 13, 1871 to Henry and Susana (Garvin) Eaton, and was 74 years of age at the time of his death.

Mr. Eaton spent his entire lifetime near Mentone as a farmer and livestock dealer.

His wife, Mary (Smith) Eaton, preceded him in death.

He leaves three sons: Marshall, of R. R. 5, Warsaw; Harold, Claypool R. R.; and Charles, Mentone R. R.; and four grandchildren.

The funeral will be held Friday afternoon, at the Reed Funeral home at 2:00 p. m. Rev. Hill will conduct the services. Burial will be in the Palestine cemetery.

## COMMITTEES NAMED FOR MENTONE EGG SHOW

A representative group from this part of Indiana met at the school building Monday evening and discussed plans for the renewal of the annual egg show at Mentone next March. The exact date has not been determined, but it was agreed that March would be the better month for this big event.

When the war prompted abandonment of the Mentone egg show, officials were named to carry on when it was again resumed, and as a consequence Charles Manwaring and Frank Merkle, president and vice president respectively, continued in those positions. Elmore Fenstermaker was named as secretary replacing Pat Harrison, who has moved away.

The following committees were appointed by the chair, with the first two names in each group being chairman and vice chairman, respectively:

**FINANCE**—Oliver Teel, Ken Dolan, K. A. Riner and Ed Ward.

**PROGRAM**—Robert Hogue, Hobart Creighton, Joe Clark and H. V. Johns.

**PUBLICITY**—Delford Nelson, Max Nellans, Artley Cullum, Paul Cook and Harold Nelson.

**BANQUET**—C. O. Mollenhour, Forest Kesler, Royse Tucker and Wayne Nellans.

## POINSETTIA DAY, DECEMBER 7

On December 7, Mothers of World War II, Unit 106, will be on the streets of Mentone selling poinsettias. A portion of the proceeds goes to help support veterans hospitals. Be prepared to buy these pretty little flowers and help your disabled and hospitalized veterans.

Remember! Poinsettia day is Pearl Harbor Day—December 7.

## H. CREIGHTON GETS GOV. POST

Appointment of Hobart Creighton, of Warsaw, Indiana, as director of the Production and Marketing Administration's Poultry branch was announced October 11 by PMA Administrator, J. B. Hutson.

T. G. Stitts has been serving as acting director of the Poultry branch since its establishment last August, in addition to his duties as director of the Dairy Branch.

Mr. Creighton has had more than 20 years experience in commercial poultry and egg production, directing the extensive operations of the Creighton Brothers Poultry Breeding Farms near Mentone.

A native of Kosciusko County, Ind., Mr. Creighton attended Indiana University and taught for several years in rural and high schools of this state before taking over the management of the Creighton poultry business.

## HOME COMING

Next Sunday the Congregational Christian Church of Tippecanoe will hold its annual home coming. All friends and members of the church are invited to attend. The Sunday School will give a program in the morning and the pastor will speak. A noon dinner will be served and in the afternoon the final program and memorial service will be held. A very enjoyable time is anticipated. You will be welcome.

**DECORATION**—C. D. Meredith, M. O. Bryan, Everett Long, R. C. Greulich and Dale Kelley.

**PREMIUMS**—Fred Beeson, O. E. Beeson, Walter Swanson and M. F. Todd.

# NEWCASTLE

TOWNSHIP NEWS  
By Lavoy Montgomery

Mrs. Roy Hubbard and two daughters, Bonnie Jean and Virginia Ann and their guest spent Thursday in South Bend.

Mrs. Charles Green and daughter, Mary Louise and Mrs. Paul Scott spent Saturday in Logansport.

Miss Betty Kramer is spending the week in Rochester visiting with friends. Mr. Harry Wenger, who has been on the sick list for some time, is somewhat improved.

Mrs. Verde Brockey has been sick with the flu.

Miss Virginia Ann Hubbard has returned to her duties at the Coplen and Erdman drug store in Rochester after enjoying a week vacation.

Mr. Philip Bryant, who has been quite ill at his home here, remains about the same.

Cpl. Herman Haines has advised his sisters the Misses Alice and Nora Haines, that he has arrived in Boston, Mass., from overseas and expects soon to be at Camp Atterbury for discharge.

Mrs. Warren Bowser has returned to her home after spending some time in Ohio and Fort Wayne.

Mrs. Boyd (Bud) Barkman underwent an operation Thursday at a hospital in South Bend and is getting along as well as can be expected.

Mr. Warren Bowser, of South Bend, spent the week end here the guest of his wife Mrs. Ada Bowser.

Bobby Herendeen, of this place, will leave in the near future for Purdue. Mrs. Warren Bowser spent Saturday

in Rochester.

Mr. Lavoy Montgomery attended the Times theatre at Rochester, Sunday afternoon.

George Coplen and Elza Thompson spent Saturday evening in Rochester.

## MRS. FRED SWICK ENTERTAINS HOME ECONOMICS CLUB

The Mentone Home Economics Club met last Thursday afternoon at the home of Mrs. Fred Swick, with sixteen members and four guests: Mrs. Ruby Smith, Mrs. Marcella White, Miss Janalyce Rouls and Miss Alyce Anderson present. The president conducted the meeting which was opened by singing "America the Beautiful" and repeating the creed. The history of the song of the month, "Home on the Range" was then read by Mrs. Claud Barkman, followed by roll call, with response "what our family enjoys doing together".

A lesson on "Being A Good Hostess" was given by Miss Rouls, the county Home Demonstration Agent. Mrs. Elmer Sarber reported on the meeting held at the home of Mrs. Edith Darr, where the following were elected as officers for the coming year: president, Mrs. Frank Warren; vice president, Mrs. Linus Borton; secretary and treasurer, Mrs. Howard Horn; leaders, Mrs. Earl Smith, Mrs. Sarber, Mrs. Blanch Paulus and Mrs. Truman Long; reporter, Mrs. George Rans; flower committee, Mrs. Jacob Gross and Mrs. Elmer Rathfon; garden leaders, Mrs. Darr and Mrs. Barkman; health leader, Mrs. Raymond Weirick and pianist, Mrs. Leroy Cox.

The secretary's report was read and approved. The mystery package was won by Mrs. Silas Meredith. The auction was conducted by Mrs. John Laird,

## WINNERS CLASS MEETS

The Winners class of the Baptist church met at the home of Mr. and Mrs. Clayton Holloway October 12.

Songs were sung by all. Devotions were given by Mrs. Noble Oylor and games by Mrs. Mary Esther Romine. Delicious home made doughnuts were served by the hostess with Mrs. Sherman Bybee assisting. After a grand social good time, all departed to meet next month with Mr. and Mrs. Ora McKinley.

## NORTHERN DISTRICT MEETING OF D. A. R. AT PLYMOUTH

The Northern District meeting of the Daughters of the American Revolution was held at the Presbyterian church at Plymouth, Indiana, on October 2 with the Wythougan chapter of Plymouth acting as hostess.

A meeting especially for the various chapter regents was held during the morning session.

A one o'clock luncheon was served, after which the afternoon program was given.

The hostess chapter regent, Mrs. W. W. Belikoff, welcomed the guests and turned the meeting over to Mrs. J. W. Dye, our northern director, who presided throughout the day. Mrs. F. R. Burns, our state vice regent, gave a very excellent talk on the work of our organization. The principal address was given by our state regent, Mrs. Harold Grimes.

Those present from the Anthony Nigo Chapter were: Mrs. Ray Linn, Mrs. Ernest Igo, and Mrs. Stanley Boggs.

# THE NORTHERN INDIANA CO-OP. NEWS

Published Weekly by the  
Northern Indiana Cooperative Association, Mentone, Ind.

ARTLEY D. CULLUM, Editor and Manager.

PRINTED IN THE MODERN PLANT OF THE COUNTRY PRINT SHOP

The American Legion Auxiliary presents the following information based on the GI Bill of Rights for the benefit of returning veterans:

Q. How long may a veteran draw Readjustment Allowance and how much can he draw?

A. A veteran may draw for a maximum of 52 weeks depending on the length of service. The first 90 qualifying days of service entitle the veteran to 8 weeks for each of the first three months, and four weeks of allowances for each additional month. Therefore, the first three qualifying months entitle a veteran to 24 payments and a veteran with 9 months and 16 or more days would be entitled to 52 payments.

Because the Readjustment Allowance is based upon weeks of entitlement, a partially employed veteran may receive as little as \$52.00 and exhaust his entire entitlement while a totally

unemployed veteran might draw \$1040.

Q. What is to prevent a veteran from drawing \$20.00 per week for 52 weeks during this time when the services of all are needed?

A. He may be disqualified from receiving benefits for as much as five weeks for the following reasons: (1) If he leaves suitable work voluntarily without good cause; (2) If he refuses to apply for suitable work without good cause to which he has been referred by a public employment office; (3) If he refuses to accept suitable work when offered him; (4) If he does not attend a free training course; (5) Or if he is unemployed due to a stop-

page of work caused by a labor dispute.

Q. How shall a veteran file a claim?

A. Claims shall be filed at any of the local offices of the United States Employment Service.

Q. What should the veteran take with him in filing a claim?

A. He must present the original copy of his discharge. This discharge or release paper is stamped by the office indicating a claim has been filed and returned to him.

Mrs. H. V. Johns is supplying in the school during the illness of Mr. Tombaugh.

## EGGS

We own and operate 10 Retail Self-Service Super Markets and are in a position to handle your entire production the year around.

We can afford to pay you more as we eliminate the middleman's profit.

Checks are mailed the same day eggs arrive, or at the latest, the next day.

We will leave from the home of Neighbor Mae Borton at six-thirty.

Oracle.

**MOTHERS OF WORLD WAR NO. II**

Unit 106-M. O. W. W. No. II met Wednesday night October 10 at the Mentone High school. The meeting was called to order by the president, Bernice Rush, and roll call was responded to by 32 members. Several important subjects were brought before the unit for discussion, the most important of which was "Dads" night which will be November 14. This meeting in November is anniversary night also and a most enjoyable program has been planned by the program committee. All Dads of service boys and girls are to be guests of the evening and all ex-service people, as well as those home on furlough, are cordially invited to be guests also.

Remember the date—November 14, at Mentone High.

**BOURBON CHAPTER D. A. R.****ENTERTAINS MENTONE CHAPTER**

On Tuesday October 16, the Tippecanoe chapter of the Daughters of the American Revolution delightfully entertained the state officers and the Anthony Nigo chapter at a one o'clock luncheon at the home of Mrs. Ralph Mason, of Etna Green.

Mrs. Lewis Ervin, the hostess Regent, presided.

After a short talk by our State Vice-Regent, Mrs. F. R. Burns, of North Manchester, the afternoon was given over to our State Regent, Mrs. Harold Grimes, of Martinsville.

Mrs. Grimes' address was especially interesting as she had just returned from Washington with the very latest news of our organization's work, plans and goals.

Daughters from the Anthony Nigo Chapter present were: Mrs. Ray Linn, Mrs. Edna Carey, Mrs. Ray Rush, Mrs. Kenneth Riner, Mrs. Vere Kelley, Mrs. Ed Kessler and Mrs. Stanley Boggs.

Mr. and Mrs. D. P. Meredith, of Warsaw, left October 11 for Burlington, Vt., to spend a month with their son Frank and family.

**BEAVER DAM PUTS ON ANOTHER BIG DINNER**

The Parent-Teacher Association, of Beaver Dam, found themselves still riding high on the waves of popularity and prestige Tuesday evening when they held their annual public dinner. The organization had planned on enough steak, chicken, etc. to feed over 500 people, and judging by the crowd that congregated, they didn't have too much food left.

**O. E. S. HALLOWE'EN PARTY**

After the close of the regular meeting of the Order of the Eastern Star the committee in charge of entertainment proved that they knew how to entertain. The truth or consequence game never grows old, neither does the work of a professional witch. Both were there and created an evening of much fun. There were refreshments in keeping with the spirit of Hallowe'en.

**HALLOWE'EN PRANKS A LITTLE PREMATURE AGAIN THIS YEAR**

Hallowe'en always has been and always will be a lot of fun for almost everyone, but it seems that some feel it lasts all during October instead of just the last week of the month.

No one expects the youngsters to let Hallowe'en get by without having a little fun of one sort or another, but it never fails but that some persons let their enthusiasm get the best of their better judgment and good property is destroyed or damaged. Last Friday evening two large sign boards were placed in the center of the south and west bridges at Mentone. It is difficult for one to conceive of there being any individuals with backs strong enough to move a 300-pound sign and still have a mind so blank that they couldn't see that someone's life might have been destroyed in an accident.

It would certainly be mentally embarrassing for someone to learn just who the individuals were.

Most boys and girls are good sports with their Hallowe'en tricks, and are respectful of other peoples property.

Miss Elma Jean King, Miss Bedelia Belle Weirick, Miss Phyllis Lemler and Miss "Babe" Rogers spent the week end in Chicago. They had a short chat with Robert Nelson, who is in Northwestern University.

Mr. and Mrs. William Nye, of Warsaw, attended the P. T. A. dinner at Beaver Dam Tuesday evening and were then the guests of Mr. and Mrs. A. I. Nelson.

Mrs. Cynthia Adams, of Wabash, spent a few days visiting at the William Fisher and Ina Davis homes, and also at Palestine and Burket with relatives.

Mrs. Roy Wakefield, formerly Miss Margaret Dunlap, of Long Beach, California, called on friends in Mentone Monday. Mrs. Wakefield was enroute to Fort Wayne.

Dr. and Mrs. Anderson, Mr. and Mrs. Masa Nelson, Mrs. Leona Eber, Mr. and Mrs. Delois White, Artie Miller and Mr. and Mrs. Frank Peterson attended a meeting at Boundary Line on Tuesday evening.

Miss Mildred Anderson, of Flint, Mich.; Mrs. Robert E. Anderson, of Bloomington, Indiana; Dr. and Mrs. Ira Anderson and family, of Evanston, Ill.; Oran Davis, of Indianapolis, were week end guests in the Dr. E. D. Anderson home.

Mrs. Mary Louise Beck and son, Major Charles Beck, the Misses Norvella Judd and Freda Miller, all of Indianapolis, were Sunday guests at the Earl Smith home. Charles and Wilber were buddies in the S. W. P., both serving with the 67th Troop Carrier Squadron.

Rev. and Mrs. Simmons, Mrs. George Mollenhour, Mrs. Dora Goodman and Mrs. Art Witham attended the all day session of the Crusade for Christ held in Elkhart on Monday. Those who attended in the afternoon were Mr. and Mrs. Raymond Lash, Mrs. Lavina Shinn, Mrs. Flo Borton, Mrs. E. E. Wagner and Mr. and Mrs. Rea Ward.

Mr. and Mrs. John F. Laird and Mr. and Mrs. S. A. Laird accompanied Mrs. Alfred Laird and daughter, Mildred, on a visit to the Byron F. Laird home in Wheatfield, Ind., last Saturday. Everyone enjoyed the visit and the chicken dinner. Byron Laird is principal of the Wheatfield High school.

Richard Deafenbaugh, of Warsaw, spent the week-end in Mentone with his grandparents, Mr. and Mrs. Howard Kohr.

Mrs. Stella Aughinbaugh and the Delbert Montel family, of Mishawaka, called at the Ina Davis home Saturday.

## A BIBLE MESSAGE

By Rev. E. Coleman Ralston

Signs of the approaching end of the age.

(continued)

Paul says in II Tim. 4:3-4, that "the time will come when they will not endure sound doctrine: but after their own lusts shall they heap to themselves teachers, having itching ears; and they shall turn away their ears from the truth, and shall be turned unto fables."

There are new religious systems springing up all over the world in rapid succession which deny the fundamental teaching of God's word. They deny sin and the necessity of Christ's atoning death. The Bible itself is being denied even from many pulpits and colleges and universities, destroying the faith of our youth. They are teaching and following man's philosophies rather than God's revealed truths. God said that the time would come when people would not endure sound doctrine, but after their own lusts would heap to themselves teachers, having itching ears and they would turn away their ears from the truth and turn to fables.

God's word says that all men are sinners but some would have us believe that God is mistaken, man isn't so bad, in fact, some say we are all children of God and if we live the best we know how, that's all that is necessary. This is just another sign of the approaching end of the age. God says that "all have sinned and have come short of the glory of God".

## A. R. Fansler Lbr. Co.

Cor. St. Rds. 14 &amp; 25 East of Rochester.

ROCHESTER, IND. Phone 735

"If we say we have no sin, we deceive ourselves, and the truth is not in us" and God says again that "the wages of sin is death but the gift of God is eternal life through Jesus Christ our Lord." "Christ Jesus came to seek and to save that which was lost."

It makes no difference what preachers or teachers say but it makes all the difference in the world what God says. "For God sent not His Son into the world to condemn the world, but that the world through Him might be saved. He that believeth on Him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God." And if thou

shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised Him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness and with the mouth confession is made unto salvation."

(Continued)

## CELEBRATES NINTH BIRTHDAY

On last Saturday afternoon 15 boys helped to celebrate Jon Cullum's ninth birthday. After a lively ball game, the boys played bingo until all had a turn at winning.

After a lunch, which included the long anticipated ice cream and cake, Jon opened his gifts which proved to be those things most dear to a boy's heart. Everyone had fun, including mother.

## LOCAL HAPPENINGS

## SCHOOL NEWS

Hey did you know about the big movie Tuesday, November 6? Topper Takes a trip, starring Constance Bennett and Roland Young, at the Community building. Buy your tickets at the door. Sounds pretty good.

First thing on the program Friday morning we all looked at the birds for our class pictures.

Thursday morning the waste paper basket had a great collection of gum as Mr. Kelly declared "Gum chewing prohibited". Kids, we just can't get

ahead of Mr. Kelly.

Thursday was a busy day for the Jolly Juniors as they served the school a super-special plate lunch.

Basketball practice is in full swing now. Our boys are getting in tip-top shape for our game with Beaver Dam, November 2nd.

Miss Davis is really clamping down on the band members this year. We believe she thinks we don't practice.

It seems a couple of our Senior boys got lost during the hunt for the little Fawley boy the other day. The gang of High school boys were all ready to go and they couldn't find Howard Fawley and Stanley Shilling. We have recently heard that there was a water

melon patch close by.

We are going to get a vacation, "kids", the 25th and 26th, as it is teachers institute. Incidentally, Miss Davis has a group of girls practicing to sing in the chorus at South Bend during institute.

We have completed our first six weeks grading period. Since we helped put grades on the cards, they don't look so bad.

The Juniors took an interesting trip to the Country Print Shop the other day. Mr. Cullum explained the workings of the different machines to them. Each one took notes then gave a report for English class on what they had learned.

### The Fourth Grade

We received a special invitation from Mrs. Norris to visit her fourth grade this week. We find the fourth grade is a town in itself, called Tiny Town. They have Franklin, Harrison, Tiny and Fairy streets in their town. Each row of seats represents a street. They have a fine organization with Mayor, Policemen, Postmen, Firemen, Press Reporters, Health Inspectors, and Housing, Food and Street Inspectors. They are really running their town in a fine way. This was all introduced by a radio program in which every student took part. Their studio was equipped with a microphone they made. The announcer introduced their subjects and one or more students took part in acting out each subject. These included Health, Writing, Reading, Gen-

eral Science, Geography, Spelling, English, Music and Art. It appears they are a bunch of hard working youngsters.

Reporters: Elma Jean King and Freeda Kesler.

### Freshman Report

The Freshman class and the teachers were entertained by a small select party, October 15, at the home of Winifred Eller. Many games were played. Refreshments were served to twenty-four class members and five teachers. The evening was fully enjoyed.

By Martha Warren.

## Mentone Dressing Plant

CALL 56 or 10 on 172

Mrs. Broda Clark, who has been sick for several weeks, was able to be at the store Wednesday.

Mr. and Mrs. Frank Peterson, of Long Beach, Calif., are visiting relatives and friends in and near Mentone.

Sgt. Don Lyon, of Truax field, Madison, Wis., arrived in Mentone Wednesday for a few days visit with friends.

Chester Manwaring left Friday Morning for Rochester, Minn., for observation in the Mayo Clinic.

Mr. and Mrs. Harold Foor, of Disco, were Sunday evening guests of Mr. and Mrs. Noble Oyler.

Melvin Secor, of Burket, was taken to the veterans hospital, Indianapolis, Tuesday evening.

John Wilson, of Cheyenne, Wyoming, is visiting his father and other relatives here.

Mr. and Mrs. C. E. Camplejohn and daughter left Tuesday for Jacksonville, Fla., to visit his parents.

Junior Wallace arrived home Sunday. He has been discharged from the U. S. military service.

Rev. and Mrs. Hill visited their daughter, Mr. and Mrs. Earl Whiteman and family, in Chicago, Sunday and Monday.

Mr. and Mrs. Allen Dille attended the meeting of the Townsend Club at the home of Miss Bertha Musser, in Rochester, Tuesday evening.

Mr. and Mrs. Joe Baker are parents of a baby girl born October 15. She weighed five and one-half pounds and was named Linda Kay.

Mr. and Mrs. Elmer Rathfon, Mr. and Mrs. Isaac Kesles and son, Miles, and Mrs. Zulu Rathfon went to Roanoke Sunday, October 7, to help their aunt, Mrs. Elizabeth Liggett, celebrate her 88th birthday.

## L. H. DAVIS, M. D.

## USO DRIVE NEXT WEEK

The final campaign in the National War Fund will be held in Mentone and vicinity next Monday and Tuesday, according to Elmore Fenstermaker, local chairman.

The National War Fund, better known as the U. S. O. Fund, is used for the maintenance and operation of hundreds of units throughout the world to help servicemen. Entertainment troops have traveled throughout the world, bringing entertainment to our fighting men and women. Every reasonably large city has a special building where a serviceman may go for entertainment, food, lodging, information or assistance, and the servicemen all have a good word to say for the work of these units. This fund this year is to be divided equally between USO show troupes. USO stations and rehabilitation and relief in foreign countries.

Fourteen ex-servicemen from the Mentone vicinity attended a banquet at the Hotel Hays at Warsaw last Friday evening as a send-off for the county War Fund Drive.

The county quota this year has been reduced one-half, or \$99,000. This is a quota of \$150 per family unit and there is little doubt but that every family will more than give its proportionate share. The Mentone city and Harrison township quota is \$600 and Franklin township \$350.

George Long is chairman in Harrison township, A. F. Mollenhour in Franklin township, and the Lions club will sponsor the drive in Mentone.

## BANK TO START REMODELING

Material is being accumulated at the Farmers State Bank building preparatory to a rather extensive remodeling job. The building will be extended back several feet, the basement equipped for vault storage and a new vault door installed on the main floor. The west room, now occupied by Clark's store, is to be taken into the main part of the bank.

Mrs. Hal Hurd and children, of near Logansport, were guests of Mrs. Hurd's parents, Mr. and Mrs. Fred Swick.

## ANNOUNCE NEW OIL SERVICE

The Northern Indiana Cooperative Oil station announces that it will officially transfer from the sale of Tyde-water Oil products to the nationally known Fleet-Wing line on November 3. However, customers who have acquired a particular like for many of the products handled in the past will still find it possible to secure them at the local station.

There will be a special announcement for every auto, truck and tractor owner in our next issue. watch for it.

## TO OPEN A VARIETY STORE

Raymond Cooper, of Marion, Ind., has purchased the Ralph Arnsberger property on Tucker street through M. O. Mentzer's real estate agency.

Mr. Cooper expects to open a dry goods and variety store in the Cook building about December 1.

We feel fortunate in having Mr. Cooper and his family select Mentone for the opening of their business and feel that this store will be welcomed by the people of this community.

## PSI IOTA XI ENTERTAINED

The Beta Epsilon chapter of Psi Iota Xi recently spent an enjoyable evening at the home of Miss Genevieve Kraatz, of Warsaw. Prizes for the evening went to Mrs. Max Nellans and Mrs. Kenneth Barkman. Mrs. Wayne Nellans won the door prize. Guests for the evening were: Mrs. Ralph Mollenhour, Mrs. Earl Anderson, Mrs. Kenneth Barkman, and Mrs. Wayne Nellans. The following members were present: Mrs. T. J. Clutter, Mrs. Lucille Whetstone, Mrs. Elery Nellans, Mrs. Mott Bryan, Mrs. Harold Utter, Mrs. Russell Henderson, Mrs. Esther Shoemaker, Mrs. Max Nellans, Mrs. Lyman Mollenhour, Mrs. Earl Dwyer, Mrs. Glen Weatherbee, Mrs. Curtis Riner and Mrs. Ralph Ward.

Delightful refreshments were served in the Hallowe'en theme.

## NEW FORD ON DISPLAY

Don Poulson, of Etna Green, announces that the new Ford will be on display at his garage Friday, and he extends an invitation to everyone to come in and look it over. Don has the closest agency to Mentone and he will be looking forward to again offering new cars to his former customers.

Mr. Poulson, we have been informed, has been remodeling his display room at Etna Green, using the modern glass brick to make it more attractive.

## JAMES BLUE HEAD OF STATE ORGANIZATION

James T. Blue, son of Allen Blue, of Mentone, was recently elected president of the Illinois High School Principals' association at the group's annual meeting held in Champaign, Ill. Mr. Blue had served as secretary of the association since 1935.

Since March 1, 1943, Blue has been a member of the nine-man council of the National Honor Society. The society is an activity of the National Association of Secondary School Principals and Blue's appointment was the result of a unanimous nomination by the executive committee of the national organization.

Mr. Blue began his teaching career in 1911 in a one-room country school with 23 pupils in Kosciusko county. He earned his A. B. degree in 1917 and became principal of the elementary and departmental school for sixth, seventh and eighth grade pupils at Warsaw, serving for seven years. From 1924 to 1926 he was principal of the high school at Warsaw. He left Warsaw for Ironwood, Michigan, and then went to Rockford, Ill., in 1928 as principal of the Central high school, later becoming principal of the West high school, a position which he continues to hold.

## HOME COMING AT TIPPECANOE

Home Coming and Rally Day will be observed this Sunday at the Tippecanoe Methodist Church.

Sunday School 10:00. Morning Worship 11:00. Basket dinner at noon. The program will start at 2:00. All members of the church are urged to be present. The public is invited.

## IS THE WAR OVER?

A good question, and one that would be answered incorrectly by most Americans, would be: "Is the war over?" How would you answer?

Technically, the war has never ended, and it will not be ended until either the President or congress declares it officially ended.

And because the war hasn't "ended", all the special legislation, special privileges and restrictions, imposed both by the state and the nation, are still in full effect. Most of them were "for the duration" and as a result we still operate without child labor laws, military discharges are still what someone in some department stipulates rather than the provisions of congressional acts, veterans are prevented from entering certain businesses because of unnecessary war-time edicts by bureaus or government—and the list could be continued for columns.

No, the war isn't over.

## TO CELEBRATE 90TH BIRTHDAY

Mr and Mrs. Charles Leininger will hold open house at their home in Beaver Dam, on Sunday, October 28, in honor of Mrs. Leininger's father, Mr. William Blue. Mr. Blue, who will be ninety years old on October 31, will be glad to have his friends call between the hours of 2:00 and 5:00 in the afternoon.

## WEEK OF PRAYER

The Methodist church will observe the Week of Prayer and Self-denial, Thursday evening October 25 and Sunday evening, October 28.

Thursday's Program: Prelude—Mrs. Philip Blue; Call to Worship—Mrs. Don Bunner; Talk—"A Health Center"—Mrs. Glen Snyder; Talk—"Deaconesses"—Mrs. Raymond Lash.

Sunday's Program (In charge of Mrs. Rea Ward): "The Finest Story of World War II"—Mrs. Don Emmons; Solo, "Lord I Want to be a Christian"—Mrs. Art Witham. Our work in Africa will be presented by Mrs. Dora Goodman and Mrs. Clayton Goodwin. A Self-denial offering will be taken for this work.

We invite you to these services.

## Y. F. C. MOVEMENT GROWING

The Tri-County Youth for Christ in this community has had a remarkable growth. Attendance and enthusiasm has increased with each meeting. At the last sectional meetings which were held in Plymouth, Akron and Warsaw, besides the regular meeting in Mentone, over 1,300 were in attendance.

Director E. C. Ralston announces that the Rev. Raymond O. Nelson, ac-

companied by Mrs. Nelson as musician, will be featured at Youth for Christ Saturday night (Nov. 3) at 7:30, in the First Baptist church, Mentone.

This meeting will introduce a week of special services in the First Baptist church conducted by the Nelsons. Mr. Nelson will preach 10:30 Sunday morning and every evening from Sunday to Friday at 7:30.

Widely known as a successful evangelist and gospel musician, Mr. Nelson is said to be a forceful speaker, with an effective, direct way of presenting his message. He is possessed of a rich baritone voice and his gospel solos are always well received.

In the field of gospel music he studied voice under the noted English musician, William Shakespeare, and at the American Conservatory of Music. For several years he acted as assistant superintendent of men at Moody Bible Institute, carrying on his evangelistic work during weekends and vacations. He is now devoting his full time to this field.

Both the Nelsons are accomplished musicians and their vocal duets, as well as special numbers on piano, solovox and tiple, are important features of the program.

Believing in the importance of reaching children for Christ, as the best way of combating juvenile delinquency, Mr. and Mrs. Nelson place great em-

phasis on their children's meetings.

Mr. Nelson also announces that several of his gospel messages will be illustrated with full color slides.

Everyone welcome.

## NEWCASTLE TOWNSHIP FARM BUREAU MEETS

The October Farm Bureau Meeting was held Wednesday evening, October 17. The meeting was opened with community singing led by Richard Graves with Thelma Safford at the piano. Prayer was offered by Rev. Slaybaugh. Richard Graves, county Farm Bureau chairman, gave a short talk and stressed the membership drive. Rev. Slaybaugh, of Akron, gave a very good and worthwhile talk in which he stressed the value of organization and the value of the Farm Bureau as an organization for the farmers. We should support those things that are worth while and have as their object better living and a more abundant life for more people. The Indianapolis Farm Bureau Con-

vention will be held in November, therefore, there will be no township Farm Bureau meeting until December.

The program committee for the December meeting will be: Mrs. David Swihart, Mrs. Marion Fultz and Mrs. Dee Berrier. At the close of the meeting refreshments were served and a social time enjoyed.

## PHEASANT HUNTERS RETURN

C. O. Mollenhour, Ralph Warren and Maurice Fawley have returned from an eight day hunting trip into South Dakota. They each brought back about 35 pheasants. They reported the hunting fine, with thousands of pheasants to choose from and plenty of land on which to hunt. Chance said he had to give up hunting one day as it got a little too hot—87 in the shade and no shade.

Mrs. A. H. Stanford and Miss June Aughinbaugh spent Saturday in Fort Wayne.

## COUNTRY NEIGHBORS MEET

The Country Neighbors Home Economics club held their regular meeting Thursday afternoon at the home of Mrs. Myrtle Pfeiffer with Mrs. Sylvia Richardson as assistant hostess.

The president, Mrs. Marcella White, called the meeting to order with the members repeating the Pledge of Allegiance to the Flag. The song of the month, Home on the Range, was then sung, followed by the history of the song given by Mrs. Lizetta Notz. The club creed was given by the president. Roll call was responded to by members giving "My Funniest Halloween Experience". Mrs. Uda Maxwell and Mrs. Dorothy Herendeen gave the second part of the project lesson on Psychology of Everyday Living. A business session was held with the minutes of the last meeting and a treasury report given by the secretary-treasurer, Mrs. Mildred Meredith. A donation of \$2.00 was given to the U. S. O. fund. A playlet and contests were conducted by Mrs. Marcella White and Mrs. Beulah Cook. An auction was held with Mrs. Mary Konneck acting as auctioneer.

Refreshments were served to 16 members, 8 children and 2 guests. Mrs. Dola Peterson, of Long Beach, Calif., and Mrs. Donnabel Pfeiffer and two children. The next meeting will be held November 15 at the home of Mrs. Doris Newton.

## DORA TAYLOR ENTERTAINS DAR

The Anthony Nigo Chapter of the Daughters of the American Revolution met on Tuesday evening, in the home of Mrs. Dora Taylor with Mrs. Orpha Blue as assisting hostess.

During the business session the chapter voted to give a donation of money to Tamassee school and a donation toward the window fund which is to replace stained glass windows in Valley Forge Memorial Tower for Soldiers.

Mrs. Ernest Igo gave a report of the District meeting held at Plymouth and Mrs. Kenneth Riner gave a report on the meeting recently held at Bourbon.

"The American Indian" was the subject of a paper given by Mrs. Ray Rush. During the social hour the hostesses served refreshments.

The Chapter will meet on November 27 for family night with Mrs. Stanley Boggs.

Mrs. Verl Roose, who for the past ten years has been a book keeper at the F. R. Burns bakery, has resigned her position and has returned to the home of her parents, Mr. and Mrs. Linus Borton. She is expecting her husband to land with the 38th division on the 29th.

## SODALES CLUB MEETING

Mrs. Charles Manwaring entertained the members of the Sodales club on Wednesday evening. The responses to roll call were humorous stories provided by the hostess.

After the business of the club was taken care of, Rook was enjoyed with the prizes being given to Mrs. Robert Reed, for high score, and Mrs. C. O. Mollenhour, second.

## Hawks Need Exercise

Once the hawk is trained, it must constantly be given exercise, and practice in flying after wild birds, all through the year, regardless of state and federal laws, or the hawk will become useless. Hawks cannot be laid up during the closed season like one's shotgun or fishing tackle.

**SPECIAL MASONIC MEETING**

Called meeting for work in entered apprentice degree, Tuesday, October 30. Your presence is requested.

Ora McKinley, W. M.

Mr. and Mrs. Irwin Wissler and son Donald; Mr. and Mrs. Robert Wissler and daughter Patty, of Fort Wayne and Mrs. U. R. Oldfather, of Elkhart, were guests of their mother, Mrs. E. E. Jones, and husband, on Wednesday of last week. Robert has just returned from Germany after serving three years in the armed forces.

**SAYS MEMBERS TO DECIDE FATE OF THEIR ORGANIZATIONS**

"The hour has struck when the farmer of Indiana must declare his interest in developing and protecting the welfare of his family and his occupation, now and in the future. Either he will be organized or he will refuse the opportunity," according to an editorial which appears in the October issue of The Hoosier Farmer, official publication of the Indiana Farm Bureau.

"Not even the experts feel able to make a specific guess as to what lies ahead for farmers", continues the farm magazine. "Great high-speed, heavily powered organization vehicles are roaring down America's economic highways. This is no safe road for pedestrians." Labor and industry are organized to the last man and factory and farmers do not want to be "taken for a ride" by some other group.

Today, the Farm Bureau and the Farmers Union, powered by over a million farm families across the country, are already on the job to protect the rights of the farmer and to promote the welfare of his family in the home community.

## SCHOOL NEWS

We made a visit to the fifth grade, finding them to be very busy exercising their minds on mathematics.

The recess had just ended and they all came in noisy and very active until Mr. Witham called to their attention that they were to have arithmetic.

They had work at the blackboard and it consisted of a contest in which one from each row would work a problem and the first one done would score 4 points, the second one 3, and so on.

Some thought the problems to be easy until they worked them and somehow they seemed to be harder. Merlin Holt taught us that six and two added together were nine. (That's all right Merlin, just a small mistake).

We noticed Wallace Oyer trying to make a bargain with Cloanne Nelson. He was trying to find out the price she wanted for her fountain pen. He soon found out that it wasn't for sale.

Mr. Witham found out that his fingers were better to erase the blackboard than an eraser.

Barbara Grubbs found out that it was very hard to walk down the aisle with everybody's feet in the way.

Mr. Witham also has trouble keeping the girls dolls at home. He thought he got rid of them once but somehow one gets there once-in-a-while.

We found the room to be attractively decorated for Hallowe'en.

We sure have competition at school among the grades trying to get to the drinking fountain.

The Physics class has a terrible time trying to learn a few laws.

We all went to the gymnasium the other day to vote for our new cheerleaders. We had to vote twice because some votes were illegal the first time. Our cheer-leaders are: Dorothy Sensibaugh, Betty East and Peg McClane. All are of the Junior class.

Pat Shinn surely does like her chewing gum. She even tries to chew it in Physics class.

The Civics class know all of the cabinet members well enough to write them on paper. (Don't we Mr. Law?)

Dick Filarsky surely likes to talk in English class. He had to go to the assembly yesterday. (Ask him why).

Special reporters  
Betty Shirey  
Betty Cain

### Freshman Report

The freshman class had a Hallowe'en party in Richard King's chicken house, October 23.

The evening was spent with a fine selection of games.

Refreshments were served to twenty-two of the class members.

The evening was fully enjoyed.

By Martha Warren

Athletic News for the High School

The high school basketball squad has been practicing on fundamentals for the past two weeks. At the present time

the boys are showing very good improvement and should be in good shape to meet the Beaver Dam team on November 2. Teachers' institute will deprive several practices from the team but next week will be filled with four hard practices.

The following boys have so far looked like the best first ten: Dick Filarsky, Dean Witham, Forest Miner, Dave Bowser, Leon Whetstone, Malcolm Long, Robert Hibschan, Howard Fawley, Merl Blue and Bob Flenar. However, the progress that some of the other team members are making may cause a change by the time the first game is played.

### News from the Ninth Grade English Class

Mr. Bevington's English class has been studying the construction of paragraphs. Some of the students are becoming quite skilled in the construction of good paragraphs and it should be a real benefit to them both in their speech and their writing of social letters.

The following paragraphs were written by members of the class:

City life is quite different from country life. Country life is usually more healthful. A person who lives and works in the country in the fresh air and sunshine is better off than a person who lives in a smoke-filled city and works in a stuffy building. A farmer can raise his own fruit and vegetables while the city man must buy them from the store and thereby won't get them as fresh.

By Patricia Hudson  
"A stitch in time saves nine!" If in school you study as hard as you can, you will succeed. The pupil who studies only when the teacher is looking will probably fail in school as well as in life. The one who does his level best in school will never regret it. A person's future success depends upon what he does at the present time.

We then began a wild chase for our dog Mike. We finally found him under the back porch. We placed him in the tub and instantly he jumped out. We patiently replaced him in the tub but he jumped out the second time.

What could it be about a bath that dogs don't like? They like water we know, because they always go in a river or creek. Could it be they don't like the smell of soap?

## THE NORTHERN INDIANA CO-OP. NEWS

### A BIBLE MESSAGE

By Rev. E. Coleman Ralston

#### Signs of the approaching end of the age.

(continued)

"... The day of Christ (The Lord) is at hand. Let no man deceive you by any means: for that day shall not come, except there come a falling away first. . . . II Thes. 2:2-3. 'Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; speaking lies in hypocrisy; having their conscience

seared as with a hot iron; forbidding to marry . . . ' I Tim. 4:1-3. 'Evil men and seducers shall wax worse and worse deceiving and being deceived.' II Tim.

3:13. These are not very pleasant pictures of the last days but, according to these and many other passages of God's word, one of the signs of the end of this age there will be a spiritual falling away and an increase in false teachers and those who would lead us into a low level of Christian living in the home and in the church. They would have us abandon all of our Christian ideals and lower human society to the level of the beast of the field. We have only to read current literature to see that Christian ideals are being attacked on every hand. The effect has been disastrous, the average church member today lives just like the world, plays cards, dances, lives loosely and in general his moral sense is dead. There shall first come a "falling away". To a great extent this has come through "seducing spirits" and "doctrines of devils". Some of our college teachers would seem to fit into this category. Before you condemn this statement let me quote from a recent book by one of them. Dr. Schmalhausen with V. F. Calverton, has edited a book entitled "The New Generation". Dr. Schmalhausen says in ridiculing the Christian home and family life, "Family life, when it is not a palpable study in mental deficiency, is obviously enough a study

in lunacy. Family life doth make idiots and lunatics of us all . . . there is no place like home except a lunatic asylum; God bless our home—for the aged and mentally defective; Honor thy father and thy mother—impossible they are too dishonorable. . . . Marriage, psychiatrically envisaged, is a study in the darkest pathology. . . . Thanks to religion and morals, no man's mind is clean, no child's mind is normal, no woman's mind is healthy. The great query abides: What price purity? . . . Men and women are unhappy because they ought to be making love instead of merely mating. —'Home sweet home' is a comedy of terrors.—Under the communistic form of society the libidinous natures of men and women for so long cramped and mutilated and sorely wounded within the straight-jacketing confines of family life will break beautifully and abundantly into acts of social compassion and humanistic love. . . . In the new (communized) society the parent will no longer be a parent: he will be merely a human being." This is just one angle in which the Christian ideals of society is being destroyed, and God's word has warned us that in the last days evil will wax worse and worse".

(Continued)

#### Controls Insects

A good hand duster or sprayer controls insects and diseases, if equipped with an extension and an angle nozzle to hit the underside of the leaves, where many insects feed.

### CONSERVATION SPEAKERS ARE AVAILABLE

Speakers on Conservation department activities are available at all times for meetings of conservation clubs, service organizations, church and school groups, 4-H clubs and similar organizations. Speakers may be obtained by contacting the Division of Public Relations, 140 No. Senate Ave., Indianapolis.

#### Club Activity is Increasing

Activity among the more than 850 Conservation clubs throughout Indiana is increasing steadily. Ten new clubs were organized during the first ten days of October, and membership has climbed to more than 225,000 persons. With thousands of veterans returning to Hoosier homes, total membership in clubs supporting the conservation program is expected to hit 300,000 by next year.

Guests in the L. A. Foor home the past week were Rev. and Mrs. W. A. Lyons and Mrs. Colla Kelley, all of Oklahoma City and Mr. Ed Rumley of Memphis, Tenn. Rev. Lyons, pastor of the 40 St. Baptist church in Oklahoma City, is a son of Mrs. Foor and Brother of Mrs. Onthank.

Mrs. Don Ernsberger is a patient in the McDonald Hospital in Warsaw.

### Green Feed

Thousand headed kale is a good variety to produce for green feed for poultry. It is a heavy producer and thrives well in any area where there is a fair degree of moisture. It is handled about the same as cabbage. Plants usually are set two or three feet apart and may be placed in the field at any time from late April to early June.

### Agriculture Important

Agriculture occupies an important place in Canadian national economy. Preliminary returns for the 1941 census indicate that of the total gainfully employed population, slightly over 25 per cent are employed in farming.

#### Mid-Week Activities:—

Prayer Meeting Thursday, 7:45.

Everyone is invited to attend these meetings.

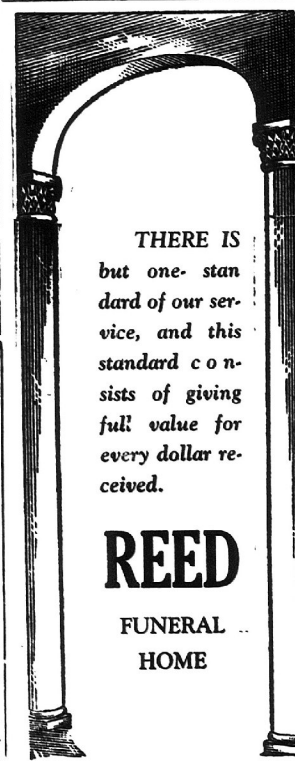

#### STATE DEPARTMENT TO ADVERTISE INDIANA

The Indiana Department of Commerce and Public Relations has scheduled yearly advertising contracts with national publications such as Business Week, Nation's Business, etc., advertising Indiana as a fine place for anyone to establish a factory, business, etc.

The state department will not direct an industry to any particular part of the state, but they will, however, do this indirectly just because many of the communities of the state will not supply them with information of their locality, its facilities, and other vital information.

Will Mentone supply Lieutenant-Governor Richard T. James with the information he needs to recommend

our community? It's a challenge to us!

THERE IS  
but one stan-  
dard of our ser-  
vice, and this  
standard con-  
sists of giving  
full value for  
every dollar re-  
ceived.

### NEWCASTLE TOWNSHIP NEWS By Lavoy Montgomery

Mr. Harry Wenger, who has been quite ill at his home here, is reported to be improved.

Mrs. David Swihart is confined to her home on account of illness.

Mr. and Mrs. Ralph Chapman, of Franklin, have moved into the Miss Ruth Barr property here for the winter.

Mrs. Ora Byrer, of South Bend, spent

the week end here the guest of Mr. and Mrs. Lou Grove.

Mrs. Robert Calvert and family, Mrs. Forrest Calvert and family and Mrs. Cora Walz spent Friday in Elkhart.

Mrs. Boyd (Bud) Barkman has been removed from the St. Joseph hospital in South Bend. Mrs. Barkman underwent a major operation recently and is getting along as well as can be expected.

Miss Betty Kramer has returned to her home here after spending the week in Rochester visiting with friends.

Mrs. Charles Good spent Saturday afternoon in Rochester.

Mr. and Mrs. Fred D. Barr enter-

tained guests over the week end from South Bend.

Mrs. Colfax Heighway, who has been confined to her home on account of illness, is able to be out and around again.

Mr. and Mrs. Charley Huffman spent Saturday evening in Rochester.

Mr. Clair Jones, who has been suffering with the flu for the past week is improving.

Mr. Lavo Huffman is confined to his home on account of illness and is unable to be out at this time.

The Victory Bond drive is on. Help finish the job.

Mr. and Mrs. Harold Fenstermaker and family, of Chicago, spent the week end here the guest of her aunt, Mrs. M. F. Deamer.

Mr. and Mrs. James Walsh and family, of Chicago, spent the week end here at their farm.

Mrs. Ed. Staldine spent the week end in Chicago with relatives and friends.

Mr. and Mrs. Loren Kramer and son spent Saturday evening in Rochester.

Mr. and Mrs. Bert Sausaman spent Saturday evening in Rochester.

Mr. Frank Kennedy, of Rochester, who has been seriously ill at his home is improving. Mr. Kennedy is formerly of this place.

Mr. and Mrs. O. C. Montgomery spent Saturday evening in Rochester.

Mr. Glen Emmons, who has been confined to his home for some time,

is reported to be slowly improving.

Mr. Philip Bryant remains in a serious condition at his home here.

Mr. O. M. Walker and son, Lonnie, spent Friday afternoon in Rochester on business.

Mrs. Verde Brockey, who has been confined to her home with an attack of the flu, is improving.

Mrs. Calvin Green is quite ill at her home here.

Mrs. Rudy Green is confined to her home on account of illness.

### GIRL SCOUTS TO HAVE HALLOWE'EN PARTY

The Girl Scouts held a Hallowe'en party at the Cullum home last Friday evening. The Boy Scouts had been asked as guests. All came in costumes. Everyone seemed to enjoy the evening. The editor really had the most fun, as he had his hands full trying to be two places at once and pulling pranks to keep the young guests properly scared.

### PENNY SUPPER AT TIPPECANOE

The W. S. C. S. of the Summit Chapel Church will serve a penny supper this Friday night from 6:00 to 8:00 at the Tippecanoe High school lunch room. The public is invited.

Mr. and Mrs. Raymond Bare spent Saturday evening in Goshen.

## TRUCK DRIVER KILLED FRIDAY

Everett Ellis, 33, of Warsaw, father of three small children and son-in-law of Mr. and Mrs. George Mollenhour of Mentone, was instantly killed about 5 o'clock Friday afternoon when he was caught under the falling bed of his gravel truck and sustained a skull fracture.

The accident occurred about a mile northeast of Mentone. Ellis had just unloaded a load of gravel and started to drive away. Some trouble developed in the hydraulic lift which kept the bed from returning to its position and Ellis got out of the truck to locate the trouble.

While examining the hoist, the pressure suddenly let go dropping the bed and pinning the unfortunate victim underneath. Workmen went to his aid and succeeded in lifting the bed, but Ellis was already dead.

Coroner Leslie Laird was called and pronounced death due to a fractured skull and possible broken neck.

He was a member of Cook's Chapel Methodist church and the Moose and Eagles' Lodges.

The victim is survived by his wife, three children, Donna Mae, 9; Vera Kay, 8 and a son, John Allen, 3; his parents, Mr. and Mrs. Ora Ellis, of West of Warsaw, and two brothers, Robert and Charles, also of West of Warsaw.

A brother, Paul, preceded him in death 22 months ago during the typhoid epidemic which raged in the county.

Funeral services were held at the First Baptist church, Warsaw, Monday at 2 p. m. Rev. Reginald Shepley officiated, assisted by Rev. John Jones, of Syracuse.

Pfc. Donald L. Bayne arrived in New York on October 18, and at his home northeast of Mentone, October 24. He spent twenty days on the ocean voyage. Donald was overseas 32 months in North Africa, Sicily and Italy, has a good conduct medal and a European Theatre of Operations ribbon with four battle stars. He has a much merited discharge and now prefers civil service work.

## R. N. A. CELEBRATES 40th YEAR

The Maple Leaf Camp was entertained in the American Legion home at Rochester last Friday evening with Mrs. Flossie Coplen hostess, assisted by her daughter, Mrs. Cooper.

This was the fortieth anniversary as the camp was organized on October 27, 1905, with Mrs. Yocum, oracle. The first candidates were Dr. Heffly, Anna Mollenhour and Sarah Warren, all of whom have passed on.

There were nineteen members and friends who enjoyed the delicious pot-luck supper. Door prizes were won by Mrs. Cook and Mrs. Borton. Bingo was played during the remainder of the evening, all receiving a little gift.

Neighbor Pearl Fenstermaker was reported sick and a "get well" card was signed by all ladies present and sent to her.

The next meeting will be November 6 at the home of Mary Borton.

## SCOUTS ENTERTAIN FATHERS

Boy Scout Troop No. 58 of Mentone entertained their fathers at a Halloween Party held in the town hall on October 22. That is, some entertained their fathers; and some few brought girl friends. Popcorn, apples and pop were enjoyed by 37 members and guests.

Games were played and enjoyed by the fathers as well as sons. Then the "fun" began in cleaning up and putting the town hall in its spic and span condition. But this was soon done and all happy boys hit for home.

Mrs. Kenneth Mollenhour, Mrs. W. C. Kercher, Mrs. Frank Hudson and Bob Herendeen motored to Lafayette Tuesday. Bob remained at Purdue where he will enroll in the midwinter term.

Mr. and Mrs. W. C. Noehl and daughter Antoinette, Mrs. Leona Snyder and Mr. and Mrs. John F. Vokoun, of Chicago, and Mr. and Mrs. Earl F. Sarber and son Edison, of Claypool, visited Sunday at the home of Mr. and Mrs. John F. Laird. Mr. and Mrs. William Vernet, of Mentone, also were afternoon visitors the same day.

## HUNTING SEASON OPENS 10<sup>th</sup>

Indiana's 1945-46 hunting season opens Nov. 10, Donald R. Hughes, acting fish and game director for the Indiana Department of Conservation, reminds hunters.

Hoosier huntsmen may lawfully take shots at pheasant, quail, Hungarian partridge and rabbits, beginning on that date, Hughes said.

The pheasant season, determined by the department of Conservation each year, runs through the 17th of the month. Daily bag limit is two cock birds and possession limit is four. No hens may be shot. The quail and partridge season runs through Dec. 20. Daily quail bag limit is 10 and possession limit 30. On partridge, daily limit is five and possession limit 10. Sale or purchase is unlawful.

The season on rabbits, which annually provides the bulk of Indiana's winter game bag, remains open through Jan. 10 with a daily bag limit of 10 and a possession limit of 20. Firms or corporations buying rabbits may not possess more than 20 at any one time.

Trapping for fur-bearers opens at noon Nov. 15 and closes at noon Jan. 15. Animals which may lawfully be taken by traps include raccoon, opossum, skunk, muskrat and mink.

There is no closed season on either red or grey fox.

John H. Nigh, enforcement chief for the department, called attention to statutory regulations which provide for confiscation and sale of hunting or trapping equipment in all cases where convictions are obtained following violation of regulations.

## CIGAR STORE VACATED

John Secrist has moved his equipment from the Cook room and placed it in storage. The room has been leased to another party who will open a variety store in the very near future. The building is now being repaired and redecorated.

Reports Thursday evening were that Mr. Cooper has purchased the Cook two-story business building, in which is located the C & C Hardware and the Secrist cigar store.

## FRANKLIN TOWNSHIP FIRST TO REACH USO QUOTA

Franklin township, with Gus Mollenhour as chairman, was the first township in Kosciusko county to reach its quota in the 1945 U. S. O. drive.

The township quota was \$350, but the total collections were \$406.

The solicitation in Mentone and Harrison township is nearly complete, according to Elmore Fenstermaker, local chairman.

## BAND CONCERT NOVEMBER 11

The members of the High school band will present a concert on Sunday afternoon, November 11, at 2:30, in the local Baptist church.

The program will appear in next week's issue. We hope that you will plan to keep this Sunday afternoon open and attend this concert, for it is certain to be of interest to you.

## PRISONER RETURNS HOME

Sgt. Walter Bowsher, son of Mrs. Jeff Stookey, of Warsaw, who was confined in a Jap prison camp since the capture of Wake Island in December, 1942, arrived at his home in Warsaw Wednesday. Weighing 118 pounds when he arrived on the west coast, he now has gained until he weighs 150.

## O. E. S. INITIATION

Monday evening, November 5, is the regular meeting of O. E. S. There will be initiation and a committee to serve refreshments. All members are urged to be present, and if they have not made a contribution to the Masonic Home Fund, they will have the privilege of doing so at that time.

## FIELD DAY AT NORRIS FARM

Sam Norris was in the fore part of the week and announced that he will hold a field day at his place Saturday. Sam, who handles hybrid seed corn, planted 24 varieties last spring and he wants to show his farmer friends how each variety grows and what it grows into.

## SCHOOL NEWS

The sixth grade has been studying about Africa. Monday they wrote imaginary letters to businessmen in Africa. They are studying about the gold and diamond mines. A report on gold was made by Geneva Whetstone and a report on diamonds by Jackie Blue. Geneva Whetstone and Kenneth Wagner drew a picture of a gold mine on the blackboard. Both the girls showed quite a few pictures of diamond and gold mining to the class.

Some of the outstanding letters were read to the class by the pupils. They surely do have some imagination!

The room was gaily decorated for Halloween.

Reporters—Wanda Smith and Mildred Lamprecht.

Each year at Teachers, Association at South Bend a chorus made up of students from the high school choruses of Northern Indiana sings at the general session on Thursday evening. The students memorize their numbers prior to the time of Association, spend the day Thursday rehearsing together and perform the numbers at night.

This year the chorus consisted of about 560 voices and was directed by

Dr. Olaf Christianson, of St. Olaf's College, Northfield, Minnesota. Dr. Christianson has directed this chorus for a number of years and his ability in handling such a large group and getting the desired effects is an inspiration to the students as well as to the teachers.

Violet Friesner, Ellen and Freeda Kesler participated in the chorus this year. The girls feel that their time and effort spent in learning their music was well worth while.

The band is preparing for a short informal fall concert on Sunday afternoon, November 11, at 2:30 at the Baptist church. No admission will be charged and everyone is cordially invited to attend. There are a few new members in the band this year and everyone is working toward a successful concert.

Coming November 6, 1945, is TOPPER TAKES A TRIP, Starring Constance Bennett and Roland Young, at the Mentone Community building—starting at 7:30 p. m. Sponsored by the Mentone Seniors.

It seems that a certain high school boy couldn't remember where his locker was. He was among the girls lockers. (My My!)

After a few days vacation the students seemed to have trouble getting started again on their regular schedule.

Bake sweeter, tastier bread!

use **FLEISCHMANN'S**

ANOTHER FLEET-WING DISTRIBUTOR . . .

## SATURDAY, NOV. 3

### THE NORTHERN INDIANA COOP. ASSOCIATION WITH THE FULL LINE OF FLEET-WING PETROLEUM PRODUCTS

*This announcement comes at a time when American motorists are anxious to obtain the best gasoline and motor lubricants possible—to keep their cars on the road under today's conditions.*

The reputation for fair and honest dealing held by the managing and operating personnel of the Northern Indiana Coop. Ass'n in this vicinity provides a sales and service opportunity of which we are very proud. Together—Northern Indiana Coop. Association and Fleet-Wing—are dedicated to the proper servicing of America's motor cars, trucks and farming vehicles.

The quality of Fleet-Wing products is backed by more than 75 years of research and dependable refining experience.

FLEET-WING Super Gasoline has proved its worth as one of the country's finest motor fuels.

FLEET-WING Golden gasoline, at regular price, is an extremely high quality gasoline.

FLEET-WING Penn Motor Oil is a recognized premium Pennsylvania motor oil at extremely high quality.

Its specially refined qualities give full protection against sludges, varnish acids and other injurious elements.

FLEET-WING Certified Motor Oil, still sold at only a quarter a quart, is compounded with special additions to inhibit carbon and sludge, and provide long, lasting, economical protection to your car.

THIS IS OUR INVITATION TO YOU—

### ATTEND TEACHER INSTITUTES

Those of our school attending the Teachers' Association at Fort Wayne were: Pearl Lackey, Mabel Norris and Zoa Ward. Mrs. Norris and Mrs. Ward attended the Primary teachers' luncheon at Central High School at noon, Thursday. Dr. Louise Davis, of the National College of Education, Evanston, Ill., was the speaker and later gave an address in the auditorium. She offered some very practical suggestions to help children overcome handicaps in learning. She and other speakers, too, stressed the fact that there is a definite relation between lack of reading and spelling success and eye ability. Such children are usually good in arithmetic because arithmetic does not make such a great demand upon eyes, but it does indicate that the child has learning ability. Eye correction often makes such children successful in their spelling and reading, also.

The general sessions were held in the Shrine auditorium and special interest groups held their meetings at various places throughout the city.

The educator speakers stressed the fact that great changes are to be expected in educational methods due to the fact that the war showed many weaknesses in our present system, also because of the need to prepare our boys and girls to be citizens in an age of airplanes and atomic energy.

Mr. and Mrs. Hoffman, Mr. Law, Mr.

Bevington, Mrs. Tombaugh and Mr. Kelley attended the Indianapolis Institute where the theme of the convention was training students so that we may use atomic power for peace rather than destruction.

Miss McFarren, Miss Davis, Mrs. Fenstermaker and Mr. Witham attended the South Bend Institute. Another article in this issue tells of the work of some of the Mentone school musicians at this meet.

Carl Rush went to Lafayette Wednesday where he expected to enter Purdue university.

**HARROLD — STAMPER NUPTIALS**

In an impressive double-ring ceremony held Friday evening at the home of the bridegroom's parents, Miss Lucille Stamper, daughter of Mr. and Mrs. Joe Stamper of Pierceton, became the bride of Merl Harrold, son of Mr. and Mrs. Gail Harrold, of Mentone. Rev. D. L. Slaybaugh, of Akron, read the double-ring service in the presence of a group of relatives and friends of the bridal couple. The bride, who was given in marriage by P. D. Parks, was lovely in a gown of white satin, fashioned with fitted bodice, with full-length sleeves and a yoke of net with high neckline. The full skirt was floor-length, ending in a train. In her hair she wore a bandeau of white pompons. She carried a bouquet of red roses which were sent to her by her sister, Corporal Dixie Stamper, of Longview, Texas, who is serving as an Army nurse. Katherine

McGowen, Warsaw, who attended the bride as maid-of-honor, wore a floor-length dress of pink, and her corsage was of red roses. Leonard Wolford served as best man. Following the ceremony a reception was held for the members of the wedding party and the following guests: Arden Harrold, Mr. and Mrs. Russell Grindle, Mrs. Bernard Simpson, Mrs. Mabel Miller, Mr. and Mrs. Harold Brown, Miss Margaret Kuhn, Mr. and Mrs. Earl Campbell, Rosemary Shipley, Robert Wilson, Mr. and Mrs. Cloice Clay, Mrs. Charles Shriver, Miss Betty Rose Sausaman, Mrs. Rex Sausaman, Norman Thompson, Catherine Kuhn, Bertha Krebs, Mr. and Mrs. Ralph Belswanger, Mrs. Joe Stamper, Mrs. Hazel Frazier, Hattie Teel, and Mrs. D. L. Slaybaugh. Mr. and Mrs. Harrold left for an extended trip through the south.

**Coal-Tar Product**

Phenothiazine, a synthetic coal-tar product, has proved to be effective against six species of worm parasites of sheep and goats, four species in cattle, two in swine, one in poultry, and numerous roundworms of horses, says the Bureau of Animal Industry of the Agricultural Research foundation.

**Sugar Yields**

In two sugar bushes standing side by side, the five-year average yield shows 22 gallons of maple sirup from each acre in the fenced lot, and 16 gallons of sirup from each acre of the unfenced and pastured lot.

## Beware Coughs

### from cold and flu

## That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take chances with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

# Public Sale

**PARDON ME WHILE I CHANGE  
FEATHERS—AND GET BACK  
ON THIS RESEARCH FARM  
JOB OF LAYING EGGS**

To date, 11,527 birds on our Research Farm have laid 1,479,606 eggs.

We're giving you these figures because a detailed record was kept on these hens in research work with Dr. Hess Poultry Pan-a-min.

It is this work that has helped improve the Pan-a-min formula.

It is from these records that we are able to tell you Research Farm hens on Pan-a-min lay as many as 23 extra eggs per bird per year. These records give us utmost confidence in recommending that you use this product in your poultry ration. Get Pan-a-min when you're over our way.

**CLASS PARTY**

The Queen Esther class of the Meth-

odist Sunday School enjoyed a Hal-

lowe'en party Monday evening at the

home of Donna Lee Linn. There were

fourteen members present. The deco-

rating committee, composed of Donna

Lee Linn, Mary Louise Wilson, Doris

Snider and Pat Goodman, decorated the

basement where the party was held

in orange and black with corn stalks and

pumpkin faces. Eileen Kercher and

Loa Jean Horn had charge of the

games for the evening, which were

enjoyed by all. Georgianna Dillingham

and Babe Rogers had to imitate P-38's

for the evening for laughing in a non-

laughing game. Many other hilarious

stunts were performed by the guests.

Marjorie Lockridge, Wanda Smith and

Joyce Ware planned and served re-

freshments. They were assisted by

Mrs. Linn, who prepared pop-corn and

candy for all. We wish to thank all

who helped us in getting the needed

things for the party.

## A BIBLE MESSAGE

By Rev. E. Coleman Ralston

Signs of the approaching end of the age.  
(continued)

"In the last days perilous times shall come. Men shall be lovers of their own selves . . . without natural affection . . . incontinent . . . lovers of pleasures more than lovers of God."

Last week we mentioned some of the teachings and quoted one of the authors that would destroy the first institution that God made known to the human race; the home. There are those who advocate companionate mar-

riage, free love, and promiscuous immoral practices, and with these moral degrading trends we have the bathing beauties, fan dancers and nudist camps. You may think one a little narrow who would even mention bathing beauties with these other immoral trends. But an investigation as to what happens to the majority of young girls who engage in bathing beauty parades would bring a shocking revelation. The American Weekly reveals some startling facts. It says that of fifteen "Miss Americas" that have been chosen in the Atlantic City tournament, eight have been in the divorce courts and several others have encountered more

grievous difficulties. One came very near losing her life at the hands of an outraged wife whose husband had "fallen for" the bathing beauty. Another married a millionaire theatre operator, whom she later shot and killed in France. Quite a number of the "Miss Americas" have had tragic endings, and almost all of them know nothing but sin, sorrow, and ultimate shame as a result of their indecent exposure. One of them, a suicide, declared before she died, "I might have been happy if I had been ugly."

J. Edward Hoover has just given out another release on the startling moral situation in America today. In studying several hundred thousand cases it was discovered that there were more arrests of youth 17 years of age than of any other age. In 1925 one woman was arrested for every 25 men. Now one woman is arrested for every 6 men. This is just an indication of how the moral standard of the womanhood of our nation is decaying.

Our text says that in the last days men should be lovers of their own selves without natural affection—incontinent—lovers of pleasures—in other words a marked increase in immorality. Mr. Hoover says that that is taking place at the present time.

God says, "he that soweth to his flesh reap corruption." God's idea of beauty is modesty, virtue, simplicity, and grace coming out of a heart indwelt by His Divine Spirit. "But she

that liveth in pleasures is dead while she liveth!"

## Mentone Dressing Plant

CALL 56 or 10 on 172

Major and Mrs. W. F. Maxwell and son Jimmie, of Kokomo, were week end guests of Major Maxwell's parents, Mr. and Mrs. Roy C. Maxwell. The Major was recently discharged from the service.

Mr. and Mrs. William Bare, of Douglas, Kansas, are visiting at the Joseph Baker home.

### DOCTOR ON VACATION

Dr. L. H. Davis will leave on a short vacation trip Sunday. He will be back at his Mentone office Thursday.

### CARD OF THANKS

I wish to thank all my friends for the many cards, flowers and visits while I was in the hospital and since I have been home.

### THANKS

Mrs. John Fenstermaker

## ATTENTION CORN GROWERS FIELD DAY SATURDAY, NOV. 3 ALL DAY

In an effort to test DeKalb Hybrid Seed Corn, I planted 24 varieties at my farm and an invitation is extended to everyone to come in and compare them Saturday.

Don't miss this opportunity to check the growth and quality of each of the 24 varieties.
