DOLLAR DAY HERE SATURDAY

Merchants Offering Many Bargains In
Recognition of Volunteer Fire-
men's Day.

Judging from the advertisements in this issue of the Co-Op. News, it would be difficult for one to find a time in the past when a more complete variety of reduced-price merchandise was on sale in Mentone. Especially in the face of continued rising prices today.

In helping to prepare the advertisements for this issue, I know that the Mentone merchants went out of their way in their efforts to offer unusual bargains for Dollar Day Saturday, Oct. 7th. Compare these prices and values.

And Free Gifts, Too.

In addition to the reduced prices on merchandise, the merchants are offering many free prizes. As near as we know, every business establishment advertising in this issue has donated one or more gifts to be given away at a drawing to be held at nine o'clock in the evening. Every visitor is invited to call at each business establishment and write his or her name on a card to be placed in the ballot box. The more such cards you sign the more chances—mathematically—you have of being awarded a free gift. You don't have to spend a penny to be eligible—just visit all the business places you can.

Home Dollars Are Working Dollars

Regardless of all the two-dollar words that have been used to sell trade-at-home theologies, we must all admit that by helping others we help ourselves. We in town are fully aware of the fact that our livelihood depends very much on the patronage of our rural friends—and we also feel that it would be difficult in the country if it weren't for the help of the little towns and their business and professional people.

All of us here appreciate our rural friends and next Saturday we will make a special effort to demonstrate our sincerity and appreciation. Will you accept our invitation to visit us? We hope you do.

Mrs. Tom Halmbaugh remains about the same at the Woodlawn hospital at Rochester where she was taken last week following a stroke.

MENTONE VOLUNTEER FIREMEN

The members of the Mentone Volunteer Fire Department are as follows:

ARLO FRIESNER (who will soon complete his 19th year as chief).

LYMAN MOLLENHOUR, Assistant Chief.

HARRY SMYTHE, Secretary.

EVERETT LONG, Treasurer.

H. V. JOHNS, Traffic Director.

ORA L. MCKINLEY.

CLAYTON HOLLOWAY.

REX TUCKER.

HAROLD SMYTHE.

KENNETH BARKMAN.

HAROLD UTTER.

PHILIP BLUE.

NOBLE OYLER.

DALE TUCKER.

EARL ANDERSON.

CAREY LANDIS.

C. O. MOLLENHOUR (Honorary member for being one of the oldest men on the department in regards to years of service.)

In joining all other departments in the State of Indiana in recognizing the volunteer fireman on October 7th as proclaimed by Gov. Schricker, we would be very unfair if we failed to honor those men who have served in previous years. They served just as faithfully, and under circumstances that were likely much more difficult than it is today with our more up to date departments.

To all the firemen—both present and past—the citizens of the State of Indiana take this opportunity to extend a word of thanks and appreciation.

HAMPSHIRE BREEDERS

HAVE FINE AUCTION SALE

Kosciusko county Hampshire hog breeders realized a little over \$8500 in their sale of 116 animals Monday night at Warsaw.

Lester Blackburn received the highest price for both boars and gilts. His boar, of Master Model Breeding, was sold to F. M. Bixler, of Goshen, for \$150. A gilt, with Golden Jubilee breeding, was also sold to Mr. Bixler for \$140. Kermit Biddinger, of Rochester, had the second highest priced boar. This animal, with Wonder Bound breed, brought \$130 and went to Sturgis, Mich. Mr. Blackburn was also second highest in the prices paid for gilts.

BOYER — EVANS

Miss Thelma Evans, daughter of Mrs. Roy Evans of near Warsaw, became the bride of Donald L. Boyer, son of Mr. and Mrs. Lawrence Boyer of Mentone, in a quiet ceremony which took place Saturday afternoon at the home of Rev. Ralph W. Hoffman, of Roann. As the double ring marriage service was read by Rev. Hoffman, Miss Lillian Evans attended her sister as maid of honor and Frederick Lozier served the bridegroom as best man.

A blue dress and blue accessories were worn by the bride. Deep red roses were the flowers in her corsage. Miss Evans wore a navy blue suit with white accessories.

Following the ceremony Mr. and Mrs. Boyer were guests of honor at a reception given at the home of the bride's mother, south of Warsaw. They are now at home at Barbee Lake.

PSI IOTA XI MEETS

Mrs. Curtis Riner was hostess to the Beta Epsilon Chapter of Psi Iota Xi for the regular business meeting. Thirteen members answered roll call.

A representative from the Dure Company, makers of ceramics, spoke at the meeting.

Delicious refreshments were served at the close of the meeting.

DEATH TAKES BYRON PETERSON

Death struck again in our community last Friday morning when Byron Peterson, aged 47, died suddenly of a heart attack.

Mr. Peterson was born in Warsaw, May 20, 1903, the son of Joseph and Jennie (Parmer) Peterson. He moved in 1943 from Warsaw to Mentone where he was the owner of a hardware store and a lunch room.

He was a member of the Mentone Merchants' Association and of the Masonic Lodge here. He was formerly a member of the Warsaw Presbyterian Church.

Surviving relatives include his wife, the former Virginia Woodling, to whom he was married in June 1926; three sons, Ted, Donnie and Merrill at home; two daughters, Mary Ann, at home and Mrs. Carol Flenar, of Mentone; his father Joseph Peterson and a sister, Mrs. Ronald Phillips of Warsaw and a brother, Lowell Peterson, Indianapolis.

Funeral services were held at 2:30 p. m. Sunday at the Mentone Baptist Church, with the pastor, Rev. Milton Dowden, in charge. Burial was in the Mentone cemetery, where a Masonic graveside service was conducted. The Johns Funeral Home was in charge of arrangements.

ENTERS HOSPITAL

Noble Oyler has entered the West Suburban Hospital, Oak Park, Illinois, for treatment of a back injury received while on duty as a fireman. His address is: West Suburban Hospital,

ATTEND D. A. R. CONVENTION

Mrs. Frank Smith, Regent and Mrs. Miles Manwaring Vice-Regent of the Anthony Nigo Chapter of the D. A. R. are attending the State Conference which is being held in the Claypool Hotel at Indianapolis, October 3-5 inclusive.

One main feature of the meeting was the banquet and style show following on Wednesday evening.

This being the golden jubilee year for the Indiana organization, the costumes modeled were 50 years or more old.

Mrs. James B. Patton, President-General of the U. S. D. A. R. was in attendance during the conference.

This Is
Your Paper
Those 'Changed'
News Items

By William R. Nelson

"WHENEVER I bring in a news item, why do you always change it all around?"

That question is one of the most frequently asked in every home town newspaper office in the country. Sometimes it is asked in considerable exasperation.

The answer is, of course, that news stories are easier to read, better understood, take less space, when they are written to conform to a somewhat flexible pattern. That style, developed over the years, is fairly uniform in all newspapers because it was designed to evaluate the facts for their news value and tell them quickly and clearly.

'Lead'
Is
Inclusive

A well written, straight news story presents its outstanding information in the opening paragraph, or lead. What follows after that is amplification, additional details.

There are excellent reasons why news story style is best, among them: (1) The reader can quickly read the lead, and quit there if the story fails to interest him or her. (2) It permits cutting or reducing the length of a story, to get it into a particular place in the paper, by eliminating from the bottom. As these bottom paragraphs contain less important details, their removal will not seriously reduce the information the story is conveying.

The editor tries to pack his paper with as much news as he can get, written in clear, readable style, and arranged to give the paper a varied and attractive appearance. Yet he cannot prepare the entire content of an issue in an hour or a day.

Written
to Fit
The Space

Because writing, editing, setting type, putting the type in the page forms, and printing, addressing and delivering take time, they must start early enough to conclude at a specified time each issue. If news stories are not written so they can be made to fit the space assigned to them, much time will be lost and the paper will contain fewer stories and be less interesting.

The editor is a specialist whose stock-in-trade is an understanding of what interests people. He welcomes news and does his best to present it in accurate, readable, interesting form.

Next time you bring in a news item, and it is "changed all around," remember that it was re-

written into news style to help you make it of interest to the greatest possible number of readers of the paper.

MERCHANTS' REPLACE EXCELS
IN TRAVELING LEAGUE

Avery Garber, of Warsaw, was re-elected president of the Northern Indiana Traveling Softball League last night at the annual afterseason meeting, held in Elkhart. Charles Martindale, South Bend, was re-elected vice-president and Bob Wiley, Elkhart was again named secretary.

In the most important development at the meeting, the Elkhart Excels withdrew from the loop, admittedly the strongest league in the state, since it was first formed six years ago. Mentone is a worthy replacement, having evidenced its strength in games against top teams during the past years.

The 1950 championship trophy, which was to have been presented to the Warsaw A. A. team, was not yet ready and will probably be given at the winter meeting on January 18 at Elkhart.

Cinderella Story

The story of Cinderella goes back at least to the year 610 B.C., in the legend of the Egyptian pharaoh Psammetichus. He ordered the country searched for the owner of a leather sandal dropped at his feet by an eagle. When he found her, he made her his queen.

OF VETERANS**

By Mary Wagner, Unit Chairman

Our American Legion Auxiliary has always directed its efforts to the needs of the veteran and his family, never forgetting the orphans of veterans. These children must be given the same opportunities enjoyed by children

whose fathers were spared, that they may face the future with full confidence. The purpose of this activity is to provide educational opportunities for children of veterans beyond the age of sixteen. Under that age, children are aided through the child welfare program, but when they reach the period for higher education, educational assistance for them becomes the province of the Education of Orphans of Veterans Committee.

A survey of the communities is made to locate all of the children whose fathers lost their lives in the wars and those whose veteran fathers have died. Ages of the children, their interests, talents and ambitions in life are listed in the files of each auxiliary unit along with such other information as will aid the unit to give understanding help to the children.

The unit committee in charge of this work is familiar with the laws providing federal and state educational aid. The Federal Government continues compensation to children of men who died in war service if they remain in school beyond the age of 18. States add to this sum in varying amounts and grant scholarship aids of various kinds. The auxiliary unit has the information and knows the sources for obtaining information pertaining to the scholarships open in the schools of its state, the appointments to West Point and Annapolis available to sons of veterans, and the scholarship loans available and how to apply for the various scholarships. With this information it can work effectively to bring chances for higher education to all deserving children of veterans in its community.

The American Legion and American Legion Auxiliary maintain many loan funds and educational aids available to orphans of veterans. These funds are maintained by unit contributions, from proceeds derived from sales of Poppy Seals and many other fund-raising projects.

Any war orphan desirous of obtaining an education may contact the American Legion Auxiliary for assistance and guidance.

BOY SCOUT NEWS

Troopster Hiatt of the Ligonier Post of the Indiana State Police spoke to the Boy Scouts of Troop 58 on Monday evening of this week. Much to the pleasure of the boys who could remain, he gave a demonstration on the use of the handcuffs and several holds necessary in handling resisting offenders of the law.

The illustrated lecture was on the work of the State Police in Indiana. An opportunity to have questions answered following the address was readily accepted by the boys, but the lateness of the hour prevented as lengthy a discussion as desirable. Trooper Hiatt was over an hour late in arriving because he was detained by an auto accident he had to investigate, one of the many inconveniences caused by drunken drivers.

The arrangements for a speaker scheduled for a week ago had been postponed because of a serious accident being investigated by the speaker, and Sergeant Peters of the Ligonier Post did not have a man available to take his place. Although there are more than two hundred men in the regular police

force, the number on routine duty each day averages little more than one for each county, Trooper Hiatt said.

The Boy Scouts were informed that a trooper would be available to pass a class of boys on the merit badge of Finger Printing when they would qualify. After the program, watermelons were served the boys and the speaker, who was accompanied by his wife.

BAPTIST NEWS

As a result of the contest with the Immanuel Baptist Church of Fort Wayne, our Sunday School was up to 245 on Sunday. This was 49 over the same day a year ago but only 37 over the figure that we must use in the contest. This is an increase of 18%. Ft. Wayne with a gain of 79 over their figure showed a gain of 51% for the first day. Calls are being made this week in an effort to better our increase for this next Sunday. Some new ones came last Sunday that had not been to Sunday School for years. Some came to Sunday School for the first time. We appreciate the efforts that were made to help us build up the attendance each Sunday. Fifteen came

on Tuesday night to go calling in the community. This has been done for one month now and we will continue this part of the church work each week.

Plans are being made for the revival meetings to begin Monday, the 16th of this month at 7:30. Services will be held each night except Saturday night for two weeks or until October 29th. Evangelist Curt Emmons, Mrs. Emmons and Ethelee Emmons, daughter, will make up the party. Arrangements have been made with Mr. Kent, principal of the school for them to put on the assembly program on Tuesday the 17th.

The public is cordially invited to come to these meetings. The music each service will be of an especially high quality.

DU PONT SPRAY GLAZE IS AN ENTIRELY NEW PROCESS

- ✓ It's new! It's different! It's Du Pont Spray Glaze—the most significant development in car care in years.
- ✓ Du Pont Spray Glaze is applied to your car by a new, faster method—with a spray gun under high pressure to penetrate every crevice and fill every pore in the finish. It gives your car a smoother, glossier coating than ordinary waxes or polishes.
- ✓ Du Pont Spray Glaze is not a paint nor a lacquer. It is a transparent material that brings out the beauty of your car finish and protects the paint with a hard, durable glaze.

The Spray Glaze process includes:

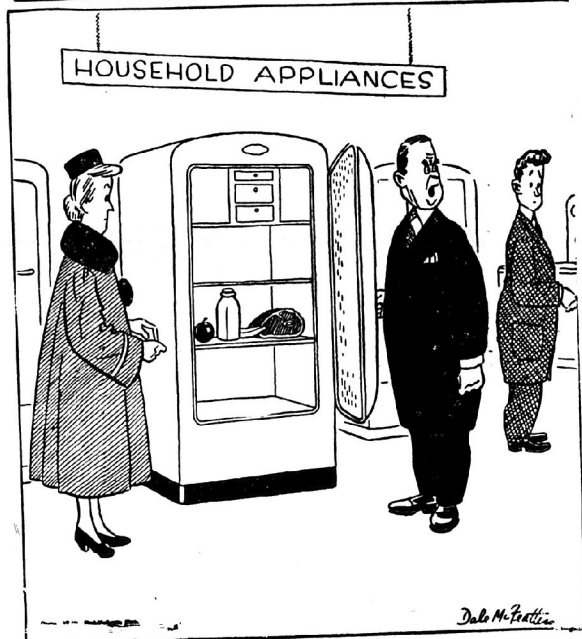

1. Washing the finish with Du Pont Car Wash.
2. Pre-cleaning with a special Du Pont Spray Glaze Cleaner.
3. Applying Spray Glaze.

Shines brighter — lasts longer — costs you no more.

ON HEALTH BOARD

Dr. Dan Urschel was notified this week of his election to the Board of Trustees of the Indiana Heart Foundation. This organization, an affiliate of the American Heart Association, was organized in 1947 to stimulate research in heart diseases in the state of Indiana and to supply needed medications for the treatment of certain types of diseases of the heart. Several research fellowships have been established at Indiana University School of Medicine and a camp was inaugurated this year for the care of cardiac children. Penicillin has been made available to all doctors in the state for the treatment of bacterial infections of the heart, and other worthwhile projects have been initiated. The Heart Foundation is similar in intent and purpose to the Polio Fund, the Cancer Society, Crippled Children's Fund, and similar organizations.

FARM TRAINING CLASS PAYS VISIT TO REFINERY

Recently the members of Veterans on the Farm Training class and instructor Mr. Johnston were guests of agent Ned E. Miller, Standard Oil agent for Mentone and vicinity, in visiting the Whiting refinery.

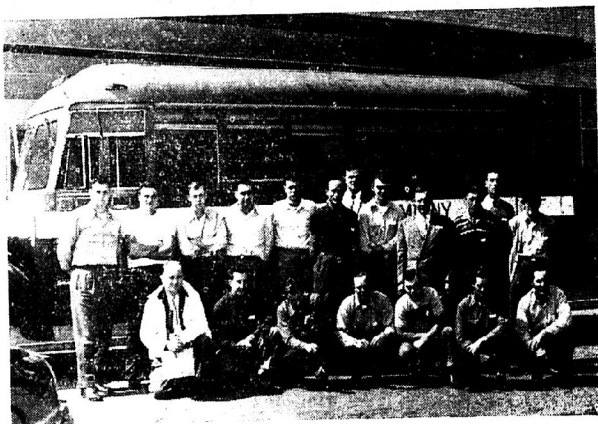

Visits were made to the new administration building and laboratories. Various methods of testing petroleum fuels and associated products were demonstrated. Research laboratories of the most modern design are maintained at the Whiting refinery.

The methods of refining were explained while touring the Standard

Oil Refinery which covers approximately 2000 acres. Among the items of special interest were the "Cat" crackers which are the most modern methods of refining.

The candle factory was visited and there the process of making candles by hand was observed.

The trip was in cooperation with the training given in the Veterans on the Farm Training Class. Outside credits are required to complete the courses set down by standards of all Veteran Farm training classes.

COUNTRY NEIGHBORS

The Country Neighbors Home Economics Club held their annual guest day at the home of Mrs. Roy Maxwell with Mrs. Gilbert Utter as co-hostess.

Roll call response was "My first teacher's name", at this time each member introduced her guest. Several were presidents and members of other home economics clubs in other counties. All stood and repeated the "Home Economics Creed."

Mrs. Charles Shock gave the devotions. During the business session \$2.00 was given to the Salvation Army. The annual family night was planned for a Halloween party in October. Several committees were appointed, nominating committee included.

We were pleasantly entertained by Mrs. Paul Hamlin of Etna Green, as she showed her color slides of our beautiful state parks in all their splendor, some looked like lovely oil paintings.

Entertainment was provided by Mrs. Wayne Shunk and Mrs. Earl Zent. Among the many prizes was the door prize of a delicious chocolate cake, baked by Mrs. Zent and for which she is famous in our club.

After a full program, lovely refreshments of date nut bread and salad, coffee was served to members, guests and several children.

The October meeting will be at the home of Mrs. James Richardson, Mrs. Talfred Richardson as co-hostess on October 9th.

VETERANS' PROGRAM

PROGRESSING NICELY

The Veterans on the farm training class will attend the International Dairy Congress at Indianapolis at the fair grounds, Wednesday, October 11. During the day Guernsey cattle will be featured and entertainment will be held at the coliseum in the evening.

Monday morning Mr. Johnston attended a group meeting of Veterans teachers at the County Agent's office in Warsaw. Discussion centered around planned tours and service schools to be held in Kosciusko county under the supervision of P. E. Jackson, County Agent, in cooperation with the Purdue extension staff. A tour of swine was definitely set and also a school on farm leases.

Mr. and Mrs. Ren Pentecost of New-castle, Indiana, Mr. and Mrs. Vinson Meredith and Mrs. Roy Cox visited on Monday at the Jonathan Busenburg

It will help you get faster growth on pigs from weaning time to market weight. The antibiotic activity helps to keep your pigs in a healthier condition, enabling them to eat more and grow faster.

Experiment station research at Illinois, Purdue, Michigan, Iowa, and Florida has shown that growing pigs made 10% to 20% faster gains when antibiotic activity was added to a complete balanced ration.

FROM McMILLE

McMillen Feed Mills has added an A.P.F. supplement with antibiotic activity to Sow and Pig Concentrate with Methio-Vite, 35% Hog Concentrate, and Pig Starter with Methio-Vite.

This antibiotic activity does not add to the nutritional value of Master Mix Feeds, but through its ability to combat harmful organisms, will help to keep the pigs and sows in healthier condition.

PROCLAMATION

For Indiana Volunteer Firemen's Recognition Day, Saturday, October 7, 1950.

TO ALL TO WHOM THESE PRESENTS MAY COME, GREETING:

Whereas, the Volunteer Firemen of Indiana are an essential and necessary segment of Indiana's fire defenses; and

Whereas, these Volunteer Firemen serve their communities without financial gain, but rather in a patriotic spirit render an important service to the people of their community in saving both property and life as a result of fires; and

Whereas this protection is being provided constantly by the Volunteer Fire Departments of Indiana to safeguard our homes, schools, churches, farms and all other properties within their respective areas, often at great personal sacrifice and physical discomfort, which through the years has resulted in a great reduction of fire losses in our state;

Now, therefore, I, Henry F. Schricker, Governor of the State of Indiana, in deep appreciation of the priceless value of the important service of the Volunteer Firemen of Indiana, and in recognition of their patriotic devotion to the safety and security of the property and lives of our people, hereby designate and proclaim SATURDAY, OCTOBER 7, 1950 AS INDIANA VOLUNTEER FIREMEN'S RECOGNITION DAY and earnestly recommend that the citizens of our state take advantage of the opportunity, in some appropriate manner, to give expression

of their thanks and appreciation to the members of their Volunteer Fire Companies on this date.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the great seal of the State of Indiana, at the capitol, in the City of Indianapolis, this 1st day of September, 1950.

Signed: Henry F. Schricker
 Governor of Indiana

CHARLES NOTTINGHAM**ASSESSED FINE**

Charles E. Nottingham, 22 of Mentone, faced charges in both circuit and justice of the peace court in Warsaw as a result of his arrest Saturday night by State Trooper, Bob Clevenger of Syracuse. Nottingham was released from jail Sunday on bond.

Both affidavits were signed by Richard Greulich, of near Mentone. The circuit court charge is for vehicle taking and the affidavit filed in Justice Loren Melick's court is for drunken driving. Nottingham pleaded guilty to the drunken driving charge Monday and was assessed a \$10 fine and costs totaling \$21.75. His driver's license was suspended for 90 days.

State Officer Clevenger reported that Nottingham ran his car into a ditch a mile northeast of Mentone on Saturday night and then went to Greulich's nearby farm home and "borrowed" Greulich's half-ton pickup truck while there was no one at home.

He used the truck in an attempt to pull his own car out of the ditch but in so doing ran the pickup through a fence on the H. H. Vernet farm.

TWO CARS WRECKED IN ACCIDENT SATURDAY

The Manley Walsh and Walter Wilson cars were badly wrecked about noon Saturday in an accident that occurred at the Stanley Boggs farm, just south of Mentone.

Roy Fleming, 21, of Alabama but presently employed in Mentone, was driving the Wilson car south of town, going north. He sideswiped an auto driven by Scott W. Jones, of Hot Springs, Ark., but continued on down the highway. Scott turned around in an effort to overtake Fleming, it was stated. Fleming, traveling at a high rate of speed, attempted to pass the Walsh car, also going north, and with his car out of control, hit the left front fender of the Walsh car, knocking it into the ditch. The Wilson car then went into a spin, into the ditch and overturned. While this was taking place, the car took out two iron posts and would have overturned again had it not hit an electric power pole with the left side of the top.

The Walsh car missed a cement culvert abutment with his front wheels, but fortunately the left rear wheel hit

it. In the process of ripping and bending the rear wheel, axle, etc., his car was considerably slowed down before he hit a tree head-on. Walsh was uninjured.

Fleming was treated for painful injuries at the Murphy Medical Center where he was taken in the Johns ambulance, and a charge of driving while under the influence of intoxicants was filed by the state trooper who investigated the accident.

FOR SOWS

Antibiotic activity added to a completely balanced ration for bred sows will have a beneficial effect during the gestation and lactation periods. While the results have not been as outstanding as in growing pigs, antibiotic activity is beneficial in controlling harmful organisms.

FEED RESEARCH

This new A.P.F. supplement *does not* replace Methio-Vite. Experiments conducted by McMillen Feed Research revealed that sows fed a well balanced ration containing Methio-Vite and this new supplement, farrowed 16% more live pigs and weaned 28% more pigs than sows fed the same ration containing the antibiotic activity, but without Methio-Vite.

New uses for this antibiotic activity may develop. When they are determined and proven, we will report to you about them.

BUSSERT — STALDINE

Wedding vows were solemnized Sunday afternoon, September 24, at 2:30 o'clock by Miss Marilyn Louise Bussert of Rochester and Leonard Staldine at the Rochester Methodist Church, which was beautifully decorated with baskets of gladioli and palms and candelabra. The Rev. Charles Smith, pastor, read the double ring ceremony in the presence of 100 guests.

Given in marriage by her uncle, William Bussert, the bride wore a heavy slipper-satin gown fashioned with lace bodice and close fitting lace sleeves, a crushed satin girdle, and a full skirt and train. Her illusion veil edged with lace was held in place by a seed pearl and rhinestone tiara. She carried a bouquet of stephanotis centered with a white orchid and trimmed with white satin streamers.

Her maid of honor, Miss Lorna Breseke, wore a pink satin gown trimmed with lace bodice and sleeves. Her bouquet was of pale pink carnations.

Robert Shoemaker of South Bend was the best man and Joe Good and Wayne Baker, both of Talma were ushers.

Preceding the ceremony Miss Caroline Polhemus of Arvilla and Norma Erhardt of Elkhart provided wedding music. Miss Polhemus sang "Yours is My Heart Alone", and "Thine Alone." Miss Erhardt sang "Through the Years" and "Because". They were accompan-

ied at the organ by Mrs. Robert Shafer who also played the traditional wedding marches.

The bride's mother, Mrs. Palmer, was attired in a dusty rose dress with deep brown accessories. Her corsage was of pompoms matching her dress.

Mr. and Mrs. Edward Staldine of Talma are the parents of the bridegroom. Mrs. Staldine wore an aqua blue dress with black accessories and a yellow pompom for the affair.

Serving at the reception following the ceremony in the church parlors were Mrs. Clifford Morris, sister of the bride Miss Joyce Staldine, sister of the bridegroom, Miss Wilma Button, of Logansport and Miss Frances McCaughan of South Bend. Miss Marijo Alexander provided a background of piano music.

The bride changed into a brown two piece wool suit with darker brown accessories for traveling. She wore her orchid from her bridal bouquet. The couple planned only a short trip.

Guests present were from South Bend, Akron, Elkhart Arvilla, Logansport and Denver, Colorado.

Mrs. Staldine graduated from Rochester High School and attended Ball State Teachers College, Muncie. She is employed at the South Bend Credit Bureau and is a member of Epsilon Sigma Alpha Sorority. Her husband, a graduate of Talma High School, is employed at the South Bend Supply Company.

Following their honeymoon the newlyweds will be at home at 829 North 26th Street, South Bend.

WORD FROM MRS. MAE BORTON

Hi Neighbors,

Wish you could have been here Sunday from 1 o'clock until 3 in the afternoon when the blackout was on. The clouds began to roll from the southwest and it got blacker and blacker until it was as black as midnight. Every one's home was lighted up and all cars drove with lights on. Some people thought the world was coming to an end. Some thought that it was going to be a tornado or a terrible snow storm. One man in Elre died of a heart attack. All the time we could hear the airplanes droning above the clouds. When it first came, the clouds were copper, orange and a band of silver along the direction of the lake.

I also saw another queer sight. One Sunday afternoon Daisy, my grandson, Tom, and I were sitting on the porch (it faces south and the hills are south of them) and I said, Oh! look there's a fire over there. It looked like a cloud

of blue smoke but was mist. Daisy said, I was wondering if that would perform for you while you were here. The mist was rising from a place in the creek that runs through the hills. She said the road along there is treacherous and the road is closed to travel in the winter time. I saw this smoke or mist again on Friday when it was raining here.

I leave here Saturday for McKeesport and think I'll be home in a couple of weeks.

Best Wishes

Mae Borton

(Do enjoy your visit, Mae, but we'll be glad to have you home again. The little white house across the street seems so very dark and quiet these days. We've enjoyed our glimpse of your flower garden, though. We've never seen such a riot of color. — Ed.)

P. T. A. HOLDS FIRST

MEETING OF YEAR

The first meeting of the Parent-Teachers Association for this school year was held in the school building Wednesday evening, September 27.

As we registered we were given name tags made by the art classes, these were very nicely done.

The meeting was called to order by the Vice-president, Mrs. Ralph Mollenhour.

Reports of the April and May meetings were read by the Secretary, Mrs. Fred Lemler.

Mrs. Harold Markley read the Treasurer's report.

Reports of several other committees were given by their chairmen.

Mr. Faroute gave notice that due to his long hours of work it would be impossible for him to serve as president.

The nominating committee then presented the name of Mrs. Hobart Creighton and she was duly elected.

A count of parents in attendance for each grade was taken with the fifth grade winning by having thirteen parents present.

Rev. Gosser conducted the devotional service.

The meeting was turned over to Mrs. Ruth Urschel, chairman of the program committee.

Mrs. Urschel called in Mr. Glenn Whitehead, County Superintendent, to introduce our new principal, Mr. Wal-

ter Kent, who in turn presented the teaching staff of the entire school.

Each teacher told what they are teaching and gave the number of their home room.

Two numbers were rendered by the girls' clarinet quartet: "Carry Me Back to Old Virginia" and "Stout Hearted Men."

The meeting was dismissed and the teachers went to their various rooms.

The parents called on the teachers of their children and introduced themselves, then by the sound of the gong all were summoned to the cafeteria room where cookies and coffee were served.

The following ladies served on the refreshment committee: Mrs. Earl Anderson, Mrs. Robert Parker, Mrs. Charles Feldman, Mrs. Esther Shoemaker, Mrs. Ralph Ward, Mrs. Philip Blue and Mrs. Robert Reed.

The school building is in excellent condition and the new coat of paint adds to its attractiveness.

The home ec. girls were in the kitchen and asked us to sample their cookies which were fine.

If you are not a member of the P. T. A. join now and get acquainted. We have a fine staff of teachers but they can not do their best without close cooperation of the parents.

The dues are 50c.

Learn to know the parents and teachers of the children and their schoolmates.

MENTONE MURMURS

by
DAVID and SALLY GOSSER

The ranks of the Mentone Merchants Association have been thinned by the recent passing away of Wade Whetstone and Byron Peterson. Murmurs recalls that it was not so long ago that another business man likewise passed away - David Ellsworth. Familiar faces to the residents of the community are gone, and changes in the business establishments made; but the greatest changes are those which must be made by the families.

Here, many times, the heroic and courageous adjustments on the part of loved ones equal the achievements of battle-worn soldiers; and for many the event is as sudden as a "Pearl Harbor Incident". The tribute of flowers and the presence of fraternal organizations at the services bear evidence to the fact that these men were well thought of. Our community is the poorer for their going, and has been enriched by their having served here these years.

As we grow older, youth matures and takes its place in our homes, our places of business and our community. Work is transferred from one set of hands to another. The labor is not finished, for others pick up the tools and carry on where we have stopped.

Harry Watkins, shoe and radio repair-man has been in business for some time in the rooms formerly used by C and H, and before that, by Dr. Clutter. Murmurs is sure that the residents of the community wish him well in this enterprise. It is our hope that the Peterson family may continue to operate the hardware store and lunch room, and that some one may be found to continue on with the tailor business of Wade Whetstone's.

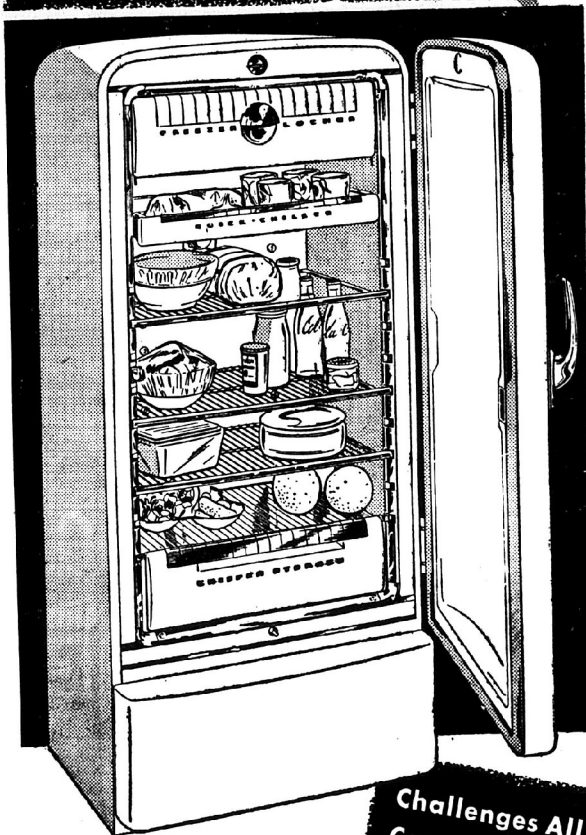

Death is not the only occasion when business establishments change hands; for Mr. and Mrs. Herman Henker became proprietors of the I. G. A. store early this year, replacing Ray Smith who has been traveling for the Endicott Furniture Company.

Changes are made not only in the personnel of business, but also in the outward appearance of establishments. The store front of the I. G. A., the new "face lifting" of the Mentone Locker Plant, alike in texture but different in color than its neighbor, Coopers' Variety Store, the Farmers State Bank, and the display windows of the Denton Drug Store, all renewed since a year ago this summer. There has been in addition, the painting of Dr. Van-Gilder's office, the front of the Lake Trail Cafe, the wood work of Dr. Urschel's Clinic, and walls of hallways and class rooms in the school building. These, with the addition of a new floor in the school cafeteria, a partition in the school kitchen, screens on cafeteria doors and windows, make Mentone a pleasant community in which to live.

FISH OF INDIANA

LONG-EARED SUNFISH

DESCRIPTION: Body short and deep, profile steep; mouth small, maxillary reaching middle of the eye; flap of opercle in adults very long, with or without a pale margin. Color is brilliant blue and orange, the former predominating above, the orange in spots on the sides, the blue in wavy streaks.

DISTRIBUTION: Appears in the deeper pools of most streams and brooks throughout the state. Not found in too many lakes.

HABITAT: The Long-eared Sunfish is essentially a stream fish and likes cool, quiet pools with overhanging willows.

FOOD: Aquatic insects and their larvae seem to form the bulk of their diet. Of course worms are acceptable.

STOCKING: No stocking program is carried on with this species. Has done quite well in maintaining its status with other species.

SPAWNING AND PROPAGATION: Spawning habits about the same as other sunfish; do spawn in much shallower areas. No closed season or bag limit on this species.

SCHOOL NEWS

On Monday afternoon the band traveled to McClure Lake to play for the Trustee and School Janitor's meeting. Thirty nine members under the direction of Mr. Frederick made the trip by school bus. Emory Davis volunteered to drive. The band gave the following program:

Normal March
Stout Hearted Men
Chatanogie Shoe Shine Boy
The Band Played On (Marita Tucker, vocalist)
Cowboy Tunes Medley
Clarinet Quartet (Jo Cullum, Bon-

ita Miner, Donnagene Dillman, Martha Creighton)
If I Knew You Were Comin'
Military Escort

Basketball practice began Monday evening. Mr. Burt has twenty-three boys out this year. The first game of the season has been scheduled for November 3 with Akron at Mentone.

In the final softball game of the season, Atwood defeated Mentone by a score of 13-8.

The pupils and teachers of the school were saddened by the sudden death of Mr. Peterson. We extend our sympathy to the members of the family.

The Juniors wish to thank all those who patronized the Penny Supper. A profit of about \$125 was realized.

4,657 meals were served in the 18 days of September on which the lunch program was operated. This is an average of 259 per day. 280 were served Monday. This is the highest number for this year.

William Powell, magician, gave an interesting program of magic on Tuesday, October 3. This program was seen by all of the Mentone School pupils.

METHODIST CHURCH NEWS

One hundred and forty-five persons received Communion at the observance of the Lord's Supper this past Sunday morning in the Methodist Church. This was one of the most important Services of the Church Calendar, for Christians the world around were observing the day as World-Wide Communion Sunday.

This coming Sunday the local church will observe RALLY DAY. A program of special music and class promotion will be included in the unified service. This will be the final counting for our Fellowship Supper which the losing team will serve the winning color.

An opportunity for the baptism of infants, youth and adults will be pro-

vided in the program of this Sunday's service. New members will be received by transfer and on Profession of Faith.

Choir rehearsal this week is called for seven o'clock because of the need of a meeting of the Board of Education at eight. This Board consists of officers and teachers of the Church School, youth and children workers of the Woman's Society and Junior Church and Nursery Workers.

The Mary and Martha Circle of the Women's Society of Christian Service will meet Friday evening of this week at 7:30 in the church parsonage.

Missionary from Seoul, Korea, will speak in the local church on Thursday evening at 7:30. He is the Rev. L. P. Anderson, formerly of the Methodist Church, South. This speaker has a limited time in our Conference and will be in this part of our district for this address only. An invitation will be extended to the other churches of the south group to attend this service. A hearty invitation is extended to all the people of this community. More information concerning the speaker will be made available when it reaches the desk of Rev. D. P. Gossier.

W. S. C. S. DISTRICT MEETING

The Warsaw District Group Meeting of the Woman's Society of Christian Service met at the Methodist Church in Mentone on Friday, September, 29.

The meeting convened, after reiteration, with Mrs. B. H. Eagler of Warsaw, Key Woman of the South Group presiding.

Mrs. George Nicholson, District President, gave a greeting full of inspiring and encouraging remarks.

The introduction of Conference and District officers followed, after which these leaders conducted "forums" for the various officers and members.

At the conclusion of these discussion groups, the meeting was again called to order in the sanctuary and a brief period of devotions was conducted by Mrs. David Gosser, during which Rev. Gosser sang a number and, at the close, lead the noontide prayer.

In the afternoon, Mrs. Vera Parks, a missionary to India, who is on furlough, was the guest speaker. Her comments regarding the customs and habits of the people there as well as her own experiences were especially interesting.

Charles Urschel played 'The Lost Chord' as a trombone solo, with his mother accompanying at the organ.

The appointed person or leader from each forum held in the morning presented their findings which included ideas pertaining to the theme "Thy Saving Health Among All Nations" and inspirational value and knowledge brought from the district officers.

Rev. Abersole of Bourbon accompanied his wife's vocal number which was enjoyed before the close of the meeting.

**MENTONE MINISTER INJURED
IN AUTO WRECK TUESDAY**

Joseph F. Jones, minister of the Mentone Church of Christ, suffered the loss of two or three front teeth and facial cuts and bruises about 5:30 on Tuesday evening when his west-bound auto was hit head on by an auto driven by Orville Wood, 27, of Warsaw, at the Bert Holloway farm, east of Mentone. Woods, evidently, turned out to pass a truck which was reportedly stopped on the highway, and hit the Jones auto. Mr. Wood is in the McDonald hospital at Warsaw with numerous cuts and bruises.

Both autos were badly damaged.

TWO ESTATES OPENED

The estate of Charles Byron Peterson who died September 29 has been opened in circuit court with qualification of the Farmers State Bank, Mentone, as administrator. Personal property is valued at \$15,000 and real estate at \$22,000. Heirs are the widow, Virginia, and five children, Carl, Donald, Merrill and Mary Ann Peterson, and Carol Edna Flenar, all of Mentone.

The estate of Wilbur Wade Whetstone who died September 25 has been opened in circuit court with qualification of a son, Robert J. Whetstone, of Mentone, as administrator with will annexed. The widow, Myrtle L. Whetstone, is the only heir. Personal property is valued at \$1,500 and real estate at \$10,000.

CLUTTER

Mr. and Mrs. Clayton Clutter of R. 4, Warsaw are the parents of a son born at 2:15 a. m. Saturday at the McDonald hospital.

SOMEWHAT IMPROVED

Friends will be happy to learn that the condition of Mrs. Tom Halmbaugh is somewhat improved. Mrs. Halmbaugh has been a patient at the Woodlawn hospital following a stroke a couple of weeks ago.

BUSSEY — EILER

Mr. and Mrs. C. O. Eiler of Mentone, announce the marriage of their daughter Winnifred, to James D. Bussey, son of Mr. and Mrs. H. C. Bussey of Hillsboro, Ohio, at 1:30 p. m. Thursday, October 5th at Akron, Ohio.

The ceremony was performed in the First Baptist Church of Akron by Rev. O. E. Myerscough, pastor of the church. The couple were attended by Mrs. C. C. Clark and Mrs. L. N. Adams.

Mr. Bussey is an employee of the Akron-Chicago Transport Co. of Akron, Ohio and Mrs. Bussey is a bookkeeper at the Sayre Beauty School, also of Akron.

They reside at 777 N. Howard St., Akron, Ohio.

CLEM TEEL IN HOSPITAL

Clem Teel was taken to the Memorial Hospital at South Bend Saturday afternoon suffering from a gall bladder affliction. He expects to undergo surgery the latter part of the week. He is in room 526.

NELLANS — MORIARTY

Mr. and Mrs. Dean Nellans are on a wedding trip in Wisconsin following their marriage which took place September 8 at Kentland Indiana.

Mrs. Nellans is the former Alta Fanning Moriarty and is the daughter of Mrs. Clara Fanning. She owns the frozen locker plant at Tippecanoe.

Mr. and Mrs. Nellans will be at home on the Nellans farm just east of Mentone upon their return.

**ENTERTAINS FOR
MRS. LARRY FLENAR**

Miss Barbara Lu King was hostess on Monday evening at a bridal shower for Mrs. Larry Flenar.

Games of Bingo and Dorothy Dix were played after which delicious refreshments were served by the hostess and her mother, Mrs. King.

Those present were: Mrs. Virginia Peterson, Mrs. Mildred Flenar, Mrs. Doris Grubbs, Mrs. Ellen Flenar, Elaine Dunnuck, Brenda Elder, Marjorie Moltenhour, Phyllis Warren, Dawn Ware, Betty Dirk and Dorene Miller.

Those sending gifts were: Phyllis Grubbs, Coleen Kindig and Elwanda Jordan.

MAKE INTERESTING TRIP

Mr. and Mrs. Ray Linn and Mr. and Mrs. Howard Hudson have returned after spending several days with Mr. and Mrs. Newton Hood at Belvidere, Illinois, and Thurman Hood and family at Waterloo, Iowa.

While there they attended the Cattle Congress of Waterloo. Many other places of interest were visited.

They were in Galena, Illinois while a tour of early homes was made. (The Co-op News carried an item telling of this tour). They didn't have time to make the tour but did visit President Grant's home there.

Not too many miles from Galena they passed over rattlesnake hill where not long ago hundreds of western diamond rattlers lived in the old lead mines. Signs, now removed, were posted, warning people not to get out of their cars. This vicinity was cleared of the snakes by dropping poison gas from planes.

**MRS. HATTIE KINDIG DIES
EARLY SATURDAY**

Mrs. Hattie Frances Kindig, 80, died at 5 a. m. Saturday morning at the home of her daughter, Mrs. Clarence Mikesell of Talma. She has been in failing health five years and seriously ill the past 11 months.

Born June 21, 1870, in Miami County she was the daughter of Nathaniel and Harriet Bryant and spent most of her life in this community.

She was married January 18, 1886 in Wisconsin to Charles (Lan) Kindig who preceded her in death.

BLACKFORD — ROSE

On Saturday evening, at 7:00 o'clock, at the home of Rev. and Mrs. E. E. DeWitt, Myron Dean Blackford of Tippecanoe and Miss Barbara Ann Rose of Warsaw were united in marriage with Mr. and Mrs. Niron Leek as special guests, Mrs. Leek being sister of the bride. The Blackfords expect to make their home in Warsaw.

**FIREMEN RECOGNITION DAY
BIG EVENT SATURDAY**

The friends of the Mentone Fire Department and the friends and customers of the Mentone merchants, on Oct. 7th, the day proclaimed by our governor as a day of special recognition to the Volunteer Fire Departments of the state of Indiana, joined in expressing their appreciation of the local fire department for the prompt and faithful service rendered to the community.

The members of the fire department responded in their usual fashion by spending the afternoon and giving all the youngsters a ride on the most glamorous piece of equipment in existence, the fire engine.

In an effort to cooperate with the fire department on the occasion the Mentone merchants conducted a bargain day sale which from all reports was a great success.

To stimulate interest in the event each merchant contributed an item of merchandise from his stock which was given away at a public drawing in the evening.

The lucky persons and the prizes won together with the donors names are as follows:

5 pieces porcelain ware, donated by the Northern Indiana Cooperative Association, Mrs. Jake McClone, R. 5, Warsaw.

Two gallons Sinclair motor oil, Cox Motor Sales, Kenneth Barkman, Mentone.

Two pints Plasti-Glo and Wrist Watch Band, Baker & Brown Jewelry, Mrs. Donald B. Horn, Mentone.

Three cans Swift's Shortening, Lemer's Market, Dick Boganwright, Mentone.

One gallon Anti-Freeze, Cities Service, Bill Cochran.

Corey Coffee Maker, Peterson's Hardware, Mrs. Alva Swihart, Tippecanoe. Toilet Set, Denton Drug Store, Ethel Wagner.

\$2.50 Credit Card, Jeanette Beauty Shop, Larry Horn.

Freezer Containers, Mentone Locker Plant, Harry Irvine, R. 5, Warsaw.

Three silver dollars, Farmers State Bank, Norma Shearer, Mentone.

One gallon Prestone, Smith Bros. Garage, David Kump.

SCHOOL NEWS

The Athletic Association received a welcome check of \$100 from the Indiana High School Athletic Association. This was a regular distribution to all member schools of the Association. Mentone has now received about \$900 since 1932. Almost half of that amount has been distributed since 1946. The athletic fund had less than \$20 at the time the check was received. The high cost of athletic equipment, the purchase of some new basketball jackets, and other athletic expenses accounted for the low balance. It is the policy of the school not to divert athletic money to other uses.

Mr. Frederick will start a Junior Band this Friday. There are 26 who have signed up. These pupils are in grades 5, 6, and 7. As these boys and girls show promising ability, they will be transferred into the Senior Band. However, the policy will be to have pupils from 7-12 grades only in the Senior Band. The band will play and

march at the Fireman's Parade in Warsaw on October 11th.

This week ends the first grading period. Report cards will be handed out on Wednesday, October 18th.

Mrs. Lackey talked to the teachers about the library service on Tuesday morning at the regular teachers' meeting.

On Wednesday, October 18th, at the Warsaw Tunnel of Fun, the Junior Class will sponsor a roller skating party. Mr. Kelley is the Junior Class Sponsor.

Members of the FFA will leave Friday noon to attend the International Dairy Show at Indianapolis. They plan to stay over for the evening performance. Mr. Lash will sponsor the group.

**TALMA GIRL ELECTED

WHY PUT IT OFF?

"Don't put off until tomorrow what you can do today." There's no better advice when it comes to ordering your supply of fuel oil. It's better to avoid the last minute rush and get your supply of Phillips 66 Furnace Oil today. Then you can be sure of having plenty of heat stored up ready to take care of winter's cold winds. Let the Co-Op. Station deliver your supply of this fine fuel oil now. You'll like Phillips 66 furnace oil. It burns clean and bright as it heats. It's free flowing—dependable and economical. And it is refined to give you plenty of snug warmth per gallon. Call 130 today and be set for the first damp days of fall and winter. You'll like the quick, efficient service—the no fuss or bother delivery of the Co-Op.

SURPRISE PARTY

LEGION AUXILIARY NEWS

Twenty-three members and one guest of the Mentone Unit No. 425, the American Legion Auxiliary, held their regular meeting at the Legion Home on Tuesday evening, October 10.

Mrs. Robert Whetstone, the unit president, presided at the business session. In the regular order of business, reports were heard from unit chairmen. Mrs. W. Frank Hudson, legislative chairman, read letters received from Senators Homer Capeheart and William E. Jenner, and Congressman Charles A. Halleck acknowledging res-

olutions sent to them recently by the Mentone unit supporting the Universal Military Training bill which is to be considered further when the 82nd Congress convenes next January. It is possible, they stated, that this legislation may receive consideration in November if the situation in the Orient warrants such action.

The name of the Billings VA Hospital has been changed to Veterans Administration Hospital, Fort Benjamin Harrison, Indianapolis 16, Ind.

Hallowe'en costumes are needed for the children at Knightstown Home.

Please search the attic for those costumes that your children have outgrown and send them at once to Dorothy Cortner, Knightstown Home, Knightstown, Ind. Unit members please note!

The president asks that all unit chairmen who still do not have their folders from the unit files please get them from her. In the Hoosier Auxiliary News, the unit's attention has been called to the "First enrollment check-up date, November 11." Our president asks us to start working at once to enroll—old and new—members as fast as we can before that date. The presi-

dent, secretary and membership chairman have the application blanks for new members.

With the singing of the song of the month, entitled, "A Smile," and "God Bless America," the business meeting adjourned.

Mrs. J. Gross, program chairman for the evening, assisted by Mrs. Maude Snyder and Mrs. Ernest Igo, provided a very entertaining social hour. The games enjoyed were "Where Am I?," Blind Auction, and Dirty Bingo.

The next meeting of the unit will be October 24 at the Legion Home. The next district meeting to be held at Roselawn, Oct. 25th. Reservations for luncheon tickets to be sent by Oct. 18. Please notify unit president if you plan to attend.

W. S. C. S. NEWS

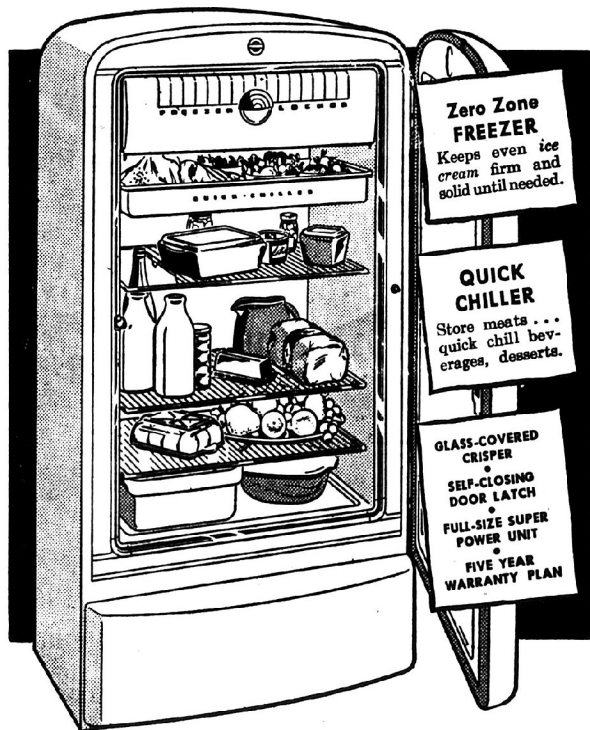

In observance of the Week of Prayer and Self Denial, the W. S. C. S. will meet for an early morning service Sunday, Oct. 22. The hour will be announced later, but after the program a sacrificial breakfast will be served.

The program is in charge of Mrs. Dan Urschel, first vice president, and Mrs. David Gosser, spiritual life secretary.

Look for more details about this program next week.

METHODIST CHURCH NEWS

The Rev. Leonard Porter Anderson, of Richburg, S. C., missionary of the Methodist church to the people of Korea, will be the guest speaker at the Mentone church on Thursday, Oct. 19, at 7:30 p. m. Mr. Anderson, whose residence was in Songdo, the city first overrun by the North Korean communists in the summer of 1950, was in the United States at the time on furlough. He expects to return to Korea with the end of hostilities.

In 1914 Mr. Anderson was ordained a minister of the Methodist Church, and commissioned one of its missionaries to Korea. From 1914 to 1940 he was engaged in evangelistic service in Korea, both in Songdo and in Wonsan, and served for periods as superintendent of the districts named from both cities; he also was superintendent of the Ivey Hospital and School for Nursing; and helped in the establishment of social-evangelistic centers under the Methodist Church's Woman's Society of Christian Service.

Songdo (the Kaesong of the communist regime in North Korea) is only

four miles south of the 38th parallel, which divides the Korean Peninsula. It is an industrial city with a normal population of about 66,000 people. It has for many years been the principal center for Christian missionary work of the former Methodist Episcopal Church, South.

From 1942 to 1944, Mr. Anderson was assigned to service in Cuba where he conducted evangelistic tours of the countryside and had charge of three churches related to the Hershey Sugar Mills and their employees. In 1946 he returned to Songdo, but returned to the United States on furlough late in 1949.

Born in Richburg, S. C., Mr. Anderson was educated at Wofford College, and took his theological studies at Vanderbilt University.

This takes the place of the regular W. S. C. S. program for October.

Publication of 50,000 copies of the popular booklet 'Fifty Trees of Indiana' was announced today by the Department of Conservation's forestry division.

Ralph Wilcox, state forester, stated that the booklet is aimed at pre-high school age youngsters, and attempts to distinguish the varieties of trees common to Indiana, illustrating their leaves and flowers.

Issued under the joint cooperation of the Department of Forestry and Conservation of Purdue University and the Division of Forestry, Indiana Department of Conservation, the booklet was prepared by Prof. T. E. Shaw of Purdue and is available at twenty cents a copy to teachers, 10 to 16 year old boys and girls, boy scouts, girl scouts and other nature study organizations.

The current issue is a revision of a similar booklet published last year which won the blue ribbon award at the national meeting of extension editors at Cornell University.

'Fifty Trees of Indiana' is available at Department of Conservation offices, 311 W. Washington Street, or at the Department of Forestry and Conservation, Purdue University, Lafayette, Indiana.

WATCH OUT FOR LEAVES ON HIGHWAY

Leaves are pretty in autumn - if they are on trees.

When they are clustered about on highways they cease to be pretty warns Chas. M. Hayes, president of the Chicago Motor Club.

"Accumulated patches of moist leaves on highways are skidding hazards for motorists who travel through country abounding in trees," Hayes points out.

"To avoid skids slow down when approaching wooded areas, depressed sections of roadways, culverts and other places on highways where leaves are apt to gather," he advises.

If through no fault of your car is caught in a skid on a leaf-strewn road surface do not apply the brakes. Decelerate your car and turn the steering wheel in the direction of the skid.

"In the direction of the skid" means the direction in which the rear end of the car moves. Thus if the rear end of a moving car swerves to the right in a skid, the steering wheel should be turned to the right also. Maneuvers to get a car out of a skid should not be made violently as this will induce a skid in the opposite direction.

DU PONT

SPRAY GLAZE IS AN ENTIRELY NEW PROCESS

- ✓ It's new! It's different! It's Du Pont Spray Glaze—the most significant development in car care in years.
- ✓ Du Pont Spray Glaze is applied to your car by a new, faster method—with a spray gun under high pressure to penetrate every crevice and fill every pore in the finish. It gives your car a smoother, glossier coating than ordinary waxes or polishes.
- ✓ Du Pont Spray Glaze is not a paint nor a lacquer. It is a transparent material that brings out the beauty of your car finish and protects the paint with a hard, durable glaze.

The Spray Glaze process includes:

1. Washing the finish with Du Pont Car Wash.
2. Pre-cleaning with a special Du Pont Spray Glaze Cleaner.
3. Applying Spray Glaze.

Shines brighter — lasts longer — costs you no more.

ROYAL NEIGHBORS MEET

The Maple Leaf Camp of Royal Neighbors of America met at the home of Neighbor Kathryn Teel on Tuesday evening, October 3. There were 15 members present and one juvenile. A letter was read from Marjorie Lane stating her mother, Eunice Bradway, was much better and would celebrate her birthday on October 17th and thought perhaps some of her friends would like to send her a card as it would mean so much to her. Her address is Central State Hospital, Ward 17, Indianapolis, Indiana.

Mrs. Falsom Newell was initiated into the Camp Membership.

The door prize was won by Snowden Halterman and auction went to Georgia Teel, Clara Parker.

For other contests prizes were awarded to Fern Rickel, Helen Mollenhour and Clara Parker.

Delicious refreshments were then served by the hostess and assistant Snowden Halterman.

GUERNSEY BREEDERS' TOUR

The Kosciusko County Guernsey Breeders will have their annual tour on Saturday, October 21st. The first stop will be at veteran showman Art Smith's Sugar Grove Farm, second stop at the long established herd of F. L. Robbins and Son, then to Perry Brown's, a new breeder of promise. The last stop of the day will be at the classified herd of Miller and Metzger Brothers, where a basket dinner will be served. A judging contest and pasture discussion will be held in the afternoon. The program committee is Henry Pletcher, Loren Metzger, Harry Mishler, Paul Jackson and Jay Swick. Anyone interested in Guernsey cattle — come.

PRODUCTION CREDIT MEETING OCTOBER 12

"Kosciusko County's Annual Production Credit Association meeting will be held at the Armory, at the Kosciusko County Fairgrounds, the evening of October 12th.

The business meeting will be preceded by a fish fry, at 6:30, for which tickets have been sold and reservations made. Anyone wishing to attend the Annual Meeting may purchase tickets for the fish fry at the door.

Mr. Waldo Adams, Akron, Indiana, who is president of the Board of Directors, will preside over the Annual Meeting. New Directors, as well as Committee members, are to be elected for the County.

Entertainment for the evening will be furnished by Clويد Swartz on the Hammond organ and Sandra Brubaker and Jimmie Warner. Good entertainment and an educational meeting are promised to those in attendance."

MENTONE MURMURS

by
DAVID and SALLY GOSSER

The rain interrupted another firemen's event this past Saturday night, and some youngsters were disappointed when they were not able to ride the fire truck with its fluctuating siren and blinking light in the still of the night. During the day, Murmurs had his first ride on a fire truck, his excuse being that he had to hold on to the youngest of the Murrettes. There never ceases to be that thrill of vicarious adventure when the racing flame-colored extinguishers pull out from their houses and race to what may be the most hazardous and destructive fire of the year.

The men who cling to the truck, daring the dangers of fire-weakened buildings and braving the elements of nature in winter and summer, are the heroes of young and old alike. They deserve every word of praise that may be uttered or thought. Too frequent, however, are the occasions when they must give their lives for the carelessness of thoughtless individuals, and each year adds its toll to the list of those who leave behind orphans and widows. Let us of the Mentone community pledge ourselves to making the task of these fire fighters easier and safer by exercising every safety rule and precaution known to us.

When the rains came on Saturday there drifted in ahead of them one of the most traveled men of our day, vying with Jeff Davis, Eleanor Roosevelt, and Winston Churchill for mileage. He is Baron Knute Hofius of the Kingdom of the Open Road, having been knighted by Emperor King Jeff Davis. Clad in the regalia of his of-

fice, his wardrobe consisted of the grey striped suit he wore, a light brown shirt, from the sleeves of which protruded the cuffs of a white shirt underneath, and brown shoes. Under his arm he carried a brief case of scrap books which evidenced much handling and reading by interested persons like our editor and yours truly.

Quoting from one of the clippings of a feature story he wrote, "I am a consummated old Bindlestuff, a blathering old blatherskite, an impecunious imp of impudence, a conglomeration of alfactory off-scourings of oriental and occidental flop-houses and jungles." Although his formal schooling never exceeded the third grade he has, "some-what of a tall-hold on the King's English," and his original manuscripts which "need no fertilizing" would cover acres. Known as The Hobo Poet and "Poet Nauseate" he expresses himself quite clearly as in a poem he wrote for the Hobo News.

Whom shall I turn to—
Where shall I go?
This feeling I have
Is like fire in the snow.

Nowhere to wander,
Empty and lost;
Every path that I turn to
Is already crossed.

How shall I find
This thing that I seek?
Who will comfort me
When I am helpless and weak?

In his possessions are letters which certainly are gems of literature written by editor and newspaper acquaintances. Some bear the signature of prominent persons like White House inhabitants, political personages who never quite made the White House (referring here to Alf Landon), and businessmen for whom he has turned his hand to work. (Yes, a hobo works, but as little as possible, and Murmurs has found many of these who haven't the guts to admit their distaste for it, or willingness to place themselves in the same category as Knute.)

Charles Reed, postmaster of Upper Sandusky, wrote of Knute: Here's to Knute Hofius, Hobo Deluxe, Who knows a lot more than the men who write books. He roams this broad land, over mountains, tru dale, Unmindful of weather, wind, rain, snow or hail.

With never a worry to wrinkle his brow, He sleeps in the town "jug" or in a hay mow, Is willing to work to get daily bread When he finds folks unkind, who won't give a spread.

In fact all real hoboes, I truly surmise Are right down at heart just wonderful guys.

Knute, true to the call of his way of life, is here today and gone tomorrow. He's a personable man with clear eyes that have a mysterious twinkle

and a smile that invites conversation and an invitation to hear his philosophy of the open road.

BROWN COUNTY COLOR "COMING ALONG FAST"

Touring Hoosier motorists might be interested to note that the coloration in Brown County State Park is "coming along fast," according to A. E. (Lon) Weddle, park superintendent.

Mr. Weddle stated that although peak of color is not fully apparent as yet, the autumnal season is already showing itself in the red, gold, green and brown hues for which the Nashville-Beanblossom area is noted.

Artists from all over the nation flock to the Brown county hills annually, in hopes of capturing on canvas some of the vibrant warmth of harvest season. A few of the oil painters have already set up their easels on the hillsides, in order to steal a march

on the late arrivals.

Famous as the home of Kin Hubbard's "Abe Martin" and the favorite landscape of T. C. Steele, noted Hoosier artist, Brown county's hills have a tradition that makes each succeeding visit more enjoyable.

Since 1930, when the state park was established there, hundreds of Hoosiers have flocked to the area to enjoy the scenic settings, park facilities and cottages.

From the fire tower atop Weedpatch Hill, or on any of the numerous overlooks within the park, motorists can stop to survey the varicolored countryside. Picnic tables, ovens, and firewood are provided throughout the park grounds and shelter houses are conveniently located.

JOLLY JANES HOME EC.

CLUB MEETS

The Jolly Janes Home Economics Club met at the home of Mrs. Marjorie Cooper on Monday evening, October 9.

As this was a "Hard Times" party Mrs. Cooper had replaced her living room chairs with a board stretched across orange crates, newspapers covered the floor for carpets, newspapers served for draperies, ironweed and other roadside flowers were placed about the room in tomato cans, buckets, etc.

Eighteen members came in various stages of disrepair. Prizes for the best Hard Times outfit went to Mrs. Jerry Smith, Mrs. Fern Reichert and Mrs. Mary Tridle.

The Mentone Egg Show and participation was discussed. Hostess from the club to help with the Egg Show pot luck dinner are Mrs. Phyllis Bowser and Mrs. Martha Ellsworth.

Mrs. Iris Anderson and Mrs. Ruth Cullum were appointed to help in the program for Achievement Day.

New officers elected for the coming year are: President, Clara Parker; Vice

President, Dorothy Nelson; Secretary, Lucille Teel; Treasurer, Phyllis Bowser; Song Leader, Martha Ellsworth; and Reporter, Esther Markley.

The club plans on making a trip to Fort Wayne on Wednesday, October 18. Door prize was won by Stella Emmons.

Various games and contests were conducted by the assistant hostess, Mrs. Mary Teel.

Refreshments of barbecued hot dogs, potato chips and pickles were served to the members in paper sacks hung from sticks. Coffee was served in tin cups. The napkins were artistically cut from funny papers. Everyone enjoyed the evening.

Mrs. Linda Blue of Denver, Colorado, Mrs. Kay Paulus of Mishawaka, Mrs. Charles Shafer and Mrs. Chester Manwaring of Mentone have returned after enjoying a trip of over 4000 miles in the New England states and other points of interest.

Mrs. Daisy Siler who resides at the Peabody Home in North Manchester was a caller at the Co-op News office on Wednesday.

MERRY MOLLIES HOME

EC. CLUB MEETS

The Merry Mollies Home Ec. Club met at the home of Mrs. Everett Welbourn Monday night, October 9th at 7:30 p. m. The meeting began by group singing "The Blue Bells of Scotland." The club creed was then repeated in unison, followed by the secretary's report given by Mrs. Kenneth Simcoe after which Mrs. Eugene Sarber read the treasurer's report. Mrs. Heston Creviston gave some interesting facts pertaining to the proper food children

should eat for breakfast in her health report.

The lesson was very ably given by Mrs. Marion Smith. She chose as her topic "First Aid in the Home." The vice-president Mrs. Clayton Holloway gave a report on the presidents' meeting.

A gay grab bag hat exchange brought many laughs as members wore the hat they received during the meeting.

Officers for the coming year were named as follows: President, Mrs. Marion Smith; Vice-president, Mrs. Heston Creviston; Secretary, Mrs. Carl Whetstone; Treasurer, Mrs. Everett Welbourn; Publicity Chairman, Mrs. David Bowser; Garden Leader, Mrs. Ed Smelser; Health Leader, Mrs. Dearn Copley; Pianist, Mrs. Carl Whetstone; and Songstress, Mrs. Clayton Holloway.

Following election of officers all took part in some games conducted by Mrs. Elvin Teel.

Lovely refreshments were served by the hostess assisted by Mrs. Heston Creviston.

The door prize went to Mrs. Clayton Holloway.

Thirteen members and one guest, Mrs. Jake Elliott, were present.

The next meeting will be a pot luck supper at the home of Mrs. Clayton Holloway on November 13th.

Mrs. Maude Quackenbush of Indianapolis is visiting at the home of Mr. Earl Meredith.

COOPER—SNIDER

David L. Cooper, son of Mr. and Mrs. Raymond Cooper, and his bride, the former Miss Doris Eileen Snider, daughter of Mr. and Mrs. Glen Snider, Mentone, are at home in their newly furnished apartment in Mentone, following their marriage Sunday afternoon.

Mums and large baskets of white and lavender gladiolas banked the altar of the Mentone Methodist Church as the marriage ceremony was performed by Rev. David Gosser, Sunday afternoon, Oct. 15, in the presence of 100 guests. Preceding the marriage service the tall white tapers in the two candelabras were lighted by Mr. Junior Emmons and Mr. Max Priesner, friends of the bridegroom, who served as ushers along with Mr. Virgil Cooper, uncle of the bridegroom and Mr. Robert Whetstone, brother-in-law of the bride.

Mrs. Dan Urschel, of Mentone, organist, presented a program of bridal airs preceding the ceremony. Traditional wedding marches were played by Mrs. Urschel for the processional and recessional.

Members of the wedding party included the maid of honor, Miss Mona Lee Sullivan, friend of the bride and Mr. David Johns, friend of the bridegroom, who served as best man.

A wedding gown of white net with a satin fitted bodice was worn by the bride. A tiara of satin braid held her finger tip veil of silk net illusion. She wore a pearl necklace, a gift of the bridegroom and carried a hand bouquet of baby white mums with white satin streamers.

Miss Sullivan wore a ballerina gown of aqua taffeta styled with a fitted bodice and peplum skirt. Her Dutch style hat and elbow length mitts were also of the taffeta. She carried a hand bouquet of rose colored baby mums.

For her daughter's wedding, Mrs. Snider chose a wool two-piece suit in grey with black accessories. Her flowers were bronze baby mums.

Mrs. Cooper, mother of the bridegroom wore a brown crepe dress with eggshell and brown accessories. Her flowers were pink baby mums.

Sisters of the bride, Mrs. Walter Bowers, Mrs. Wayne Thomas and Mrs. Robert Whetstone along with Miss Jackie Blue and Miss Geneva Whet-

NAMED PRESIDENT OF STATE POULTRY ASSOCIATION

Charles Manwaring, of the Manwaring Leghorn Farm, of Mentone, was named president of the State Poultry Association at its meeting held at Lafayette last week. Mr. Manwaring has held various positions and taken a very active part in the state association the past several years.

Mr. Manwaring, as well as others from this area who were in attendance at the four-day meeting, were very much impressed with the educational and entertaining features of the convention.

The first two days of the meeting were consumed by the annual broiler school where various subjects of management, feeding, processing and marketing were discussed by authorities in that field.

The second part of the meeting dealt with the problems of the poultry industry in Indiana. President Hovde, Purdue University; Walter Berger, president American Feed Mfgs. Association; J. C. Long, Mississippi, president International Baby Chick Association; "Doc" Pierce; A & P Tea Co.; Arthur Horrocks, Goodyear Rubber Co., and the entire Purdue Poultry Staff participated in the programs. Lt. Gov. Watkins, Commissioner of Agriculture of the State of Indiana, held a mock senate investigation of the hybrid poultry problem.

Over 300 attended the annual banquet where they were each served a

MENTONE READING CLUB

The Mentone Reading Club opened the year with a carry-in dinner at the home of Mrs. Robert Reed, Wednesday evening. A bouquet of fall flowers centered the dining room table which was spread with a variety of food. The guests were seated at card tables and during the dinner hour were entertained by Mary Ellen Bryan at the piano.

The business meeting was opened in the usual manner with Mrs. Harold Nelson, the new president, in charge.

After roll call, the secretary's report and reports from two of our department chairmen, the responsibility of sponsoring the Girl Scouts was discussed. Other items of business were properly disposed of and an announcement made of the invitation on Tuesday, Oct. 24, to the Warsaw Dramatics Club.

Mrs. Robert Firkins had assisted in preparing the program that followed but was unable to be present, therefore, Orpha Blue took charge and introduced Marita Tucker who sang two vocal numbers. Mrs. Maude Snyder accompanied her at the piano.

companied her at the piano.

Mrs. Blue then conducted a quiz session and a second contest that was clever and entertaining. She closed with the reading of an interesting story, with those present contributing to the betterment of its presentation by furnishing the sound effects they were instructed to give.

Mrs. Reed's assisting hostess was Mrs. Ped Koenig.

MENTONE HOME EC. MEETS

Twenty-nine members and guests of the Mentone Home Economics club enjoyed a carry-in dinner at a meeting held recently at the John Laird home. They heard a talk on "County Government," presented by Mrs. Esther Sarber, who stated that government is really a compromise or attempt to deal fairly with the demands of all fac-

tions. She stressed the wisdom of maintaining the power of the common people in the legislature. Mrs. Elmer Rathfon, the assistant hostess, gave the meditation, two topics titled, "Be Ready" and "The Rainbow."

New officers were elected during the business session conducted by Mrs. Earl Smith. Plans were completed for the Mentone Egg Show Oct. 26-27 and for the club achievement day, Nov. 4.

Mrs. Leroy Cox received the mystery package. Birthday and anniversary gifts were presented to Mrs. Masa Nelson, Mrs. Clem Teel, Mrs. Smith, Mrs. Claude Gates, Mrs. Edith Darr, Mrs. Laird and Mrs. Claude Barkman.

Guests at the meeting were Mrs. Charles Darr, Mrs. Edward Kime and Mrs. Maude Quackenbush.

The club will have a lesson on "Better Citizenship," Nov. 7.

METHODIST CHURCH NEWS

Don't forget to be on hand Thursday evening at 7:30 to hear Rev. L. P. Anderson, Missionary to Korea, who will speak at the church.

A Spiritual Life Retreat was held by the Woman's Society of Christian Service of the Warsaw district last Thursday at Epworth Forest on Lake Webster. The ladies attending from the Mentone church were Mrs. Kohr, Mrs. Kent, Mrs. Abe Whetstone, and Mrs. Gosser. An inspiring and spiritually vitalizing program was presented.

The Week of Prayer and Self-denial which begins this coming Sunday, Oct. 22, will be observed by the W. S. C. S. by a sacrificial breakfast at 7:30 a. m. in the church basement. All the women of the church are invited to attend. A devotional service and program will follow the breakfast. Mrs. Dan Urschel and Mrs. David Gosser are in charge of this project.

The M. Y. F. and evening worship services are gradually increasing in attendance, but more lay interest and

enthusiasm are necessary if these services are to be sources of inspiration and spiritual uplift to you and the community. This coming Sunday evening the service will begin at six o'clock with a carry-in supper which the "golds" will provide for the "blues." The success of this service which initiates our School of Life program depends upon the response of the laymen and women of the church. The six successive services which likewise will begin with a light supper, will carry out the theme of THE GOOD LIFE. The supper will begin at six o'clock sharp.

Beginning with this Sunday's subject of Physical Health and The Good Life, the following subjects are: Mental Health and the Good Life, Education and The Good Life, Social Aspects of The Good Life, Recreation and The Good Life.

Rev. and Mrs. Walter H. Miekley and family who have been spending the past several weeks at the home of Mr. and Mrs. C. O. Eller, parents of Mrs. Miekley, have removed to Walbridge, Ohio, where Rev. Miekley has taken up a pastorate. Rev. Miekley is also a field representative of Moody Bible Institute, in Evangelistic Extension service in Ohio and Southern Michigan. Rev. Miekley was formerly pastor of the First Baptist Church of McKenzie, Tennessee.

MENTONE MURMURS

by
DAVID and SALLY GOSSER

Have you driven around town this week to see the beauty of Mentone in its party-dress of autumn leaves? The red and gold of the maples? The soft tan and browns of elm and poplar?

Here and there through the tree tops linger the summer greens that are reluctant to mellow under the bright October sun. These colors vie with the marigolds and "mums" for a place in the canvas of an autumn landscape. Although a poet has said, "What is so rare as a day in June, If ever come perfect days?", Murmurs is in agreement with Millay's thought that the woods this autumn day all but cry

with color. There is feeling in this season's mood as strong as that of spring, and in her poem, "God's World," she says, "World! World! I cannot hold these close enough."

There is a bittersweet nostalgic feeling about autumn, a soft remembrance of summer suns, a hesitant loitering melancholia that is like to a lad who would be on the road yet hesitates to sever the ties with those sweet things to which he has been accustomed. The end is inevitable, but the parting is delayed as long as possible.

Autumn is like to a clown who puts forth a show of vivacious glamor and excitement while in his heart there may be the cut of sorrow which only a clown can conceal from the world. Clown-like its moods may be impish and mischief-bent, and a bit of verse may portray him at his work:

The days of October are gold and brown,

Enriched by a spend-thrift painting clown

Who splashes the colors hither and yon

On the distant hills and covers my lawn

With his splattered pallet of maple leaves

which he plucks so rakishly from the trees.

If Murmurs were to wax poetically in a serious vein there would be no season comparable to this which could

produce the moods of the "melancholy Dane" to a better advantage; for with all the vivid hues of nature on display there is the suggestion, the hint of some foreboding event—the cold brutal fact that winter is just around the corner.

Murmurs' morning was brightened by the appearance of Knute, who, like one of the spiralling autumn leaves, drifted silently into town. There was a certainty that he would appear sometime during the day, and he came just in the nick-o-time to get his name in print. From his scrap-book he produced some material he would use at the Lions club, but true to the mood of the season, Murmurs found a sense of appreciation for the good things in life. The following is a prayer he had among his papers: "Teach me, My Lord, to be gentle in all events, especially in disappointments. Let me put myself aside to hide my little pains and heartaches so that I may be the only one to suffer from them. Let me use the suffering that comes across my path that it may mellow, not embitter me; that it make me patient, not irritable; that it may make me broad in my forgiveness, not narrow and haughty and overbearing."

If it takes a clown to conceal sorrow, autumn to hide the coming of winter, and a hobo like Knute Hofius to have a sense of appreciation for a soul-searching prayer, then the world needs more of their message.

THE NORTHERN INDIANA CO-OP. NEWS

THE AUXILIARY MEMBER

By
Mary Esther Romine, Membership Chr.

Membership in the American Legion Auxiliary is limited to women who have direct personal connection with World War service through a member of their immediate family who served with the armed forces during those wars, or through their own service with the armed forces. Upon establishment of eligibility, such women may become members of a local unit of the Auxiliary. A member of a local unit is also a member of the state department and the national organization, just as a citizen of Mentone is also a citizen of Indiana and of the United States. By the payment of dues in the local unit a member also contributes to the support of the state and national organizations.

There are three classes of eligibility. All women who are eligible to membership in the Auxiliary come under one or more of the following classifications:

(1) Mothers, wives, daughters and sisters of members of The American Legion.

(2) Mothers, wives, daughters and sisters of all men and women who were in the armed forces of the United States between April 6, 1917, and November 11, 1918, or between December 7, 1941 and September 2, 1945, all dates inclusive, or who, being citizens of the United States at the time of the entry therein, served on active duty in the armed forces of any of the governments associated with the United States during either of said World Wars, and died in line of duty or after honorable discharge.

(3) Women who of their own right are eligible to membership in The American Legion.

The only form of membership that is authorized is active membership, of which there are two classes, Senior and Junior, and there can be no granting of special or honorary membership for any purpose or reason whatsoever.

Once accepted as an Auxiliary member, women eligible under classification "1", may continue their membership from year to year whether or not their male relative continues to be a member of the Legion. The fact that her service relative is no longer a member of the Legion does not compel the Auxiliary member to lose her membership.

The phrase, "died in line of duty", applies to all those persons who were killed in action, died of wounds or disease, were killed by accident or otherwise came to their death other than as a result of their own misconduct. The term "wife" as used in the eligibility clause, does not necessarily mean that the wife occupied that status at the time her husband was in war service. Any woman who marries a member of the American Legion at any time is eligible to membership in the Auxiliary. The term "wife" also includes widows.

Every applicant for membership in the Auxiliary must fill out an individual membership application blank as proof of her eligibility.

Mr. and Mrs. Jack Shinn and Kathy visited over the week end with Mrs. Shinn's parents, Mr. and Mrs. Wm. Carew, of Gary.

Mr. and Mrs. Robert Whetstone were among the group that went to Columbus, Ohio Wednesday to attend a Crosley dealer show. The group was taken by way of Fort Wayne on a special train.

EVERFAITHFUL CLUB MEETS

Members of the Everfaithful Club were given a "surprise evening" last Friday night when the committee in charge took them to an unknown destination for dinner.

The Crystal Dairy Bar was the surprise destination. Each member received a Colonial bouquet as a favor. Music was furnished by Marilyn Loher, electric guitar; Chuck Wiard, Spanish guitar, and Joe Shoemaker, accordion. All were from Warsaw.

Following this Rev. and Mrs. Gosser presented a very interesting program which told of Romance and Love. Rev. Gosser drew many lovely illustrations with chalk. He sang two songs, accompanied by Mrs. Gosser. Browning's poem, "Tribute To Love," was read by

Mrs. Gosser. For the conclusion, Rev. Gosser drew a lovely moonlight scene.

Following the program the group went to the theatre to see "Saddle Tramp."

ATTEND DENTAL CONFERENCE

Dr. and Mrs. Donald VanGilder spent several days last week at Bloomington where the doctor attended an Indiana University Alumni Dental Association conference meeting.

Special arrangements were made for the entertainment of the ladies. One of the outstanding features was a movie, "Indiana, Our Indiana." Dean Wells was the luncheon speaker on Saturday noon. Saturday afternoon was enjoyed by those attending the football game between Indiana and Ohio State. The trip to Brown county on Sunday was a most enjoyable one.

FRANK DRUDGE BURIED SUNDAY

Frank A. Drudge, prominent farmer of Newcastle township, passed away at 12:10 p. m. Friday at his home a mile south of Talma. The fatal heart seizure was suffered only a few minutes before his death. He had been in failing health for the past two years, however he was in his usual fair health after he completed his chores Friday.

The deceased was born June 6, 1873 and was a lifelong resident of Newcastle township. Feb. 3, 1896 he married Miss Maude Fish. He was a member of the Talma Methodist church and took an active part in the republican party. Surviving are the widow; a daughter, Mrs. Joe Peterson, of near Talma, and one grandson.

Funeral services were held Sunday afternoon at two o'clock in the Zimmerman Bros. funeral home at Rochester, with Rev. William Howard officiating. Burial was in the Sycamore cemetery.

BEAVER DAM P.T.A. SUPPER

The Beaver Dam P. T. A. is holding the annual supper on Wednesday evening, Oct. 25, at the school gym.

The ladies will be serving ham and chicken and all the trimmings. This will be served cafeteria style from 5:30 to 7:30.

Needn't go into detail about what an enjoyable affair this annual P.T.A. supper is, but, if, so far, you've never been to one, you really don't know what you've missed.

Dr. Dan Urschel and Mr. Denton Abbey attended the annual meeting of the Wells County Medical Society at Bluffton last Wednesday. This meeting is sponsored by the Caylor-Nickel Clinic of that city and is outstanding in the caliber of the Doctors on the program. Talks were given at this session by physicians from the Mayo Clinic, The University of Indiana, Northwestern University, etc.

LIONS ENTERTAIN TEACHERS

The Mentone Lions Club was host to the teachers of the Mentone and Beaver Dam schools Wednesday evening, and a very enjoyable time was had by all.

Vance Johns was toastmaster for the occasion and led in group singing. Gus Tatter, of Warsaw, performed at the piano. Chester Manwaring gave the address of welcome and Mr. Walter Kent handled the response very capably. The Mellotone Quartette, of No. Manchester, completed the evening's entertainment with a number of vocal numbers.

Robert Jones, chairman of the Halloween celebration to be held Oct. 31, announced committee appointments.

CARD OF THANKS

We want to extend our thanks to the Mentone Fire Dept. for extinguishing the fire in our brooder house Thursday.

Mr. and Mrs. J. M. Buck.

Mrs. Carey Kindig, Mr. and Mrs. Charles Swick and children of Akron were callers at the home of Mr. and Mrs. Clyde Johnson Sunday afternoon.

Mrs. Mae Borton has returned to her home here after spending several weeks in the east with her daughter and other relatives.

FISH OF INDIANA

NORTHERN PIKE

DESCRIPTION: The Northern Pike is an elongated slender type of fish of a bluish-greenish gray with more or less purplish luster on the back and sides. Has irregular rows of small round yellowish and gold spots. The top of the head is dark olive green; mouth slender and large. One of the most consistent marks of identification is that the entire cheek is scaled while only the upper half of the opercle is scaled and the lower half is bare.

DISTRIBUTION: Found mostly in northern Indiana in the larger streams and most lakes.

HABITAT: It is a strong active fish and prefers clear, cool, clean water and sluggish streams.

FOOD: The food is largely other fishes, frogs, crayfish, mice, and even young ducks.

STOCKING: The Division of Fish and Game does not stock this species. Does very well naturally.

SPAWNING: It is known as an early spring Spawner. They prefer to spawn in marshes and shallow streams. The young hatch in about two weeks and spend the summer months in the weeds along the shore.

SEASON AND BAG LIMIT: Open June 16th.-April 30. Bag Limit—6; No length limit.

INTERESTING P.T.A. PROGRAM

An interesting program is being planned for the October P. T. A. meeting to be held next Wednesday evening at 7:30 at the school building.

The program is taken from the book, "Hoosier Boy," which tells of the life of James Whitcomb Riley, Indiana's beloved poet. Mrs. Vance Johns and Leah Nell Lemler, with the aid of the ladies' trio, will bring to life a number of Riley's poems, especially those dealing with his youth.

Dr. Dan Urschel was in Indianapolis on Sunday, attending the annual meeting of the Indiana Heart Foundation.

ATTEND FEDERATION MEETING

Several local ladies attended the convention of the 13th district of Federated Clubs held at Goshen last Friday.

Mrs. Hazel Steel, state president, gave an address. Miss Sally Butler, past international president of Business and Professional Women, who has recently returned from England, gave an address, "Bubbles Burst In England." Her talk dealt with socialism in England and its trend in the U. S.

Those going from here were: Mrs. Harold Nelson, Mrs. Conde Walburn, Mrs. Leroy Norris, Mrs. Vance Johns and Mrs. Dan Urschel.

CHRISTMAS PARCELS

Christmas parcels for members of the armed forces serving overseas should be mailed between the period October 15 and November 15, except for parcels destined for delivery in Japan, Korea, and the islands in the Pacific. These should be mailed as early as possible, preferably not later than November 1, in view of the distances involved.

Sunday dinner guests at the home of Mr. and Mrs. Pat Kehoe were Grandma Nellans, the guest of honor, Stelle Ewing and mother, Mrs. Ora Anderson, all of Rochester; Mrs. Earl Meredith and Mrs. Maude Quackenbush, of Indianapolis.

SCHOOL NEWS

The annual Teachers' convention will be held on Thursday and Friday, October 26-27. There will be no school during those two days.

During Fire Prevention Week, the Mentone firemen visited the school and staged a surprise fire drill. The building was cleared in 70 seconds. The firemen were impressed by the orderliness of the drill.

Proofs of the pictures have been returned. Teachers are taking orders this week. Pictures retail at 35c.

Mr. Frederick has organized a group of boys into a boys' chorus. They meet each Friday at 1:30. The County Music Festival will be November 12th.

On Tuesday, Rev. Dowden of the Baptist Church brought the Emmons family to school to entertain us with music and a message. At 10:15, grades 1-6 had their assembly program; at 10:50, grades 7-12 heard the program. Several pupils are planning to attend the meetings in the Baptist Church.

The fifth assembly program of the year will be given on Thursday at 12:30. Dr. Anderson, Methodist Missionary to Korea, will describe conditions as he knew them in Korea.

Mr. Lash and Mr. Kent attended a District Vocational Agriculture meeting at Bremen on Tuesday afternoon.

Report cards were handed out on Wednesday evening. Some of the grades are not as good as they might be. Teachers are anxious that pupils do as well as they can. Sometimes parents can be of real help in encouraging their children to do well.

Those pupils in grades 7-12 who had at least a B in every subject including citizenship and physical education were:

7th grade: Orpha Kurtz and Sarah Urschel.

8th grade: David Gosser.

9th grade: Mary Van de Water.

10th grade: Betty Dirck, Elaine Dumnuck, Brenda Elder, Sue Hammer, and Ronald Brown.

11th grade: Jacqueline Blue, Martha Creighton.

12th grade: Jennie Hall, Margaret Hodges and Karen Clark.

BREWER TO COACH TALMA

Newcastle Township Trustee, Charles Green announced two changes in teaching and coaching staffs at Talma High School for the coming year.

Green said that William Free, Huntington, has been named as commerce and art teacher at the high school and that Principal, S. H. Brewer, will serve as coach. Free, who is married, is a 1950 Ball State Teachers College graduate and will assume teaching duties Thursday.

Brewer, principal for several years, coached at Southport High School in Marion County for 14 years, at Talma several years ago and coached for a while at Akron.

The changes were made necessary when Ralph Boling, appointed coach last year, was recently recalled to active service in the army reserves. He left the school last Wednesday.

Mrs. Allen Dille was a Wednesday dinner guest at the home of Mrs. Ed. Halderman.

Mrs. Ethel Miller, of Akron, was a Friday dinner guest of Mrs. Earl Meredith and Mrs. Maude Quackenbush.

EDITH ARTER MARKS

74TH BIRTHDAY

Mrs. F. D. Barr and Mrs. Roy A. Hubbard were hostesses at a birthday dinner recently for their mother, Mrs. Edith Arter. Mrs. Arter celebrated her 74th birthday anniversary.

Those present were Mr. and Mrs. Roy Hubbard, Mr. and Mrs. Fred D. Barr, Mr. and Mrs. Ralph Chapman and Susan, all of Talma, Mr. and Mrs. Rollie Surguy and Jeanneann, of Warsaw, Mr. and Mrs. Ted Hubbard of Rochester, Mr. and Mrs. G. C. Everhart and Karen Lynn of Culver, and Mr. and Mrs. Paul Shaffer of Akron. Mr. and Mrs. William Barr of Hammond were unable to attend.

The afternoon was spent socially.

TALMA PARENT-TEACHERS MEET

The Talma Parent-Teachers Association met Tuesday evening at the Talma Gymnasium, The Rev. Jack Aebersold, pastor of the Talma Methodist Church, was the guest speaker of the evening. His subject was "Safe Living Builds for Freedom." The first and second grades sang several songs and Mrs. Gilman Carlson led the group singing, "America the Beautiful", and

"Home on the Range".

Mrs. Chloris Barkman gave a report of the recent district P. T. A. meeting at Valparaiso. Mrs. Don Nickols is the president of the Association.

NOT JUST A POLISH!
NOT ANOTHER WAX!DU PONT
SPRAY GLAZE
IS AN ENTIRELY NEW PROCESS

- ✓ It's new! It's different! It's Du Pont Spray Glaze—the most significant development in car care in years.
- ✓ Du Pont Spray Glaze is applied to your car by a new, faster method—with a spray gun under high pressure to penetrate every crevice and fill every pore in the finish. It gives your car a smoother, glossier coating than ordinary waxes or polishes.
- ✓ Du Pont Spray Glaze is not a paint nor a lacquer. It is a transparent material that brings out the beauty of your car finish and protects the paint with a hard, durable glaze.

The Spray Glaze process includes:

1. Washing the finish with Du Pont Car Wash.
2. Pre-cleaning with a special Du Pont Spray Glaze Cleaner.
3. Applying Spray Glaze.

Shines brighter — lasts longer — costs you no more.

CONCERT CHOIR AT EGG SHOW

"The Singin' Hoosiers," one of Indiana University's most popular music groups, will be in Mentone for a concert at the big egg show Friday evening, Oct. 27. The singers, with Prof. George F. Kreuger conducting, will give a variety program following the big egg show banquet in the Mentone Community building. R. C. Shipley, of Winona Lake, is in charge of the local arrangements for "The Singin' Hoosiers," formerly known as the Men's Concert Choir.

The program to be given in Mentone will be light in nature, consisting of

selections by the full choir, quartet, and soloists.

"The Singin' Hoosiers" has been presenting concerts throughout the state for the past four years. It is in great demand for public concerts and appearances at civic functions, fraternal organizations and other groups.

Approximately forty of Indiana University's top man singers will be in the group when it performs in Mentone. One of the specialty features is a quartet, the "Jordanares," which sprang from an acquaintance formed in the group and from a mutual interest in barbershop singing.

On its annual spring tour this year, the Hoosiers appeared in Terre Haute, Indianapolis, French Lick, Huntsville, Anderson, Clinton, Princeton, Huntingburg, Boonville, Corydon, New Albany, and Martinsville, and in Mattoon, Alton, Edwardsville, Springfield and Jacksonville, Ill., and St. Louis, Mo.

FRIENDLY NEIGHBORS MEET

Mrs. Oral Welch was hostess to the Friendly Neighbors Home Economics club for the annual October dinner meeting. Mrs. Mildred Greulach was co-hostess. During the business session, conducted by the president, Mrs. Stella Studebaker, plans were made for a demonstration and exhibits at the Mentone Egg Show.

New officers elected are:

President, Mrs. Mildred Greulach.
Vice president, Mrs. Maude Romine.
Secretary, Mrs. Eleanor Manwaring.
Assistant Secretary, Mrs. Juanita Boggs.

Treasurer, Mrs. Mary Welch.
Other members present were Mesdames Alta Hudson, Rhoda Jones, Altha Harrold, Beryl Jeffries, Wreatha Ballenger, Fern Beeson, Audrey Boggs, Thelma Eaton, Marie Deaton, Edith Teel and Helen Rookstool.

The November meeting will be at the home of Mrs. Thelma Eaton.

**MARY LOUISE GREEN AND
ROBERT KALE MARRIED**

Miss Mary Louise Green became the bride of Robert H. Kale Sunday at 3:00 p. m. in the Talma Methodist church with Rev. Ora Lemert officiating at the double ring ceremony. The church was decorated with palms, candelabras and baskets of white mums. There were 150 guests.

The bride, daughter of Mr. and Mrs. Charles Green, Talma, was lovely in a white slipper satin gown, designed with a gathered skirt, full train, high neck-

line with a small collar trimmed with seed pearls, and tiny covered buttons down the front of the bodice. Her lace edged illusion veil was held in place by a halo band trimmed with seed pearls and her bouquet was of a white orchid surrounded by white pompoms. She wore a double strand of pearls, the gift of the bridegroom. Her maid of honor, Miss Florence Kale, sister of the bridegroom, wore a blue taffeta gown, fashioned similar to the bride's gown. She wore a pink mum head band and carried a bouquet of pink mums.

Mrs. Paul Shafer, Akron, bridesmaid, was attired in a yellow taffeta gown and carried a bouquet of bronze mums.

Philip Hartung, cousin of the bride, was ring bearer, and Charles F. Green, brother of the bride, was best man. Robert Green and Claude Jameson, Jr., were ushers. Mrs. Jack Aebersold sang preceding the ceremony. She was accompanied by her husband, Rev. Jack Aebersold, on the electric organ. He also played the wedding march.

A reception followed at the Talma community building, with the Misses Jeanette Eshelman, Juanita Thompson and Barbara Smiley and Mrs. Richard Newman serving.

Mrs. Kale is a graduate of the Talma High School and is employed at the Chester White Swine Record Association at Rochester. Her husband, a Richland Center High School graduate, is employed at the Studebaker Corporation at South Bend. He is the son of Mr. and Mrs. Walter Kale, R. 3, Rochester.

Following a two weeks honeymoon in Phoenix, Arizona, where they will visit with Mr. and Mrs. Paul Scott, they will be at home at 421 Main St., Rochester.

VISITS RELATIVES

A letter from Mrs. Mary Bidelman tells of a recent visit she had with some of her relatives. She went to Three Rivers, Michigan, and visited for several days with Mrs. Frank Bidelman. From there she went to Elkhart and visited a week with Dennis Bidelman, Besta Leaghman and fam-

ily, Mrs. Mary Jones and Bob Bidelman and family, and saw a number of friends she hadn't seen for a long time.

Since coming home she cut her finger severely and had to have three stitches.

For a young lady of 80-some years, though, Mary really does have a full and interesting life.

MENTONE LEGION MEETS

At the regular meeting of the Mentone Post 425 on Tuesday evening, Oct. 17, it was decided to sponsor a basketball team this season as in the past.

Ned Ellsworth Miller was voted to membership in the Post.

Comrade Harry Gible, entertainment chairman, reported on the bingo and dance held Saturday night. He also stated there would be a dance every two weeks during the winter season.

Cigarettes will be taken to Comrade Vic Hudson who is in the Murphy Medical Center as the result of an auto accident.

A fish fry is being planned for some time in the near future.

Lamar Phieffer's name was drawn for the large attendance prize and the meeting adjourned at 10:30.

SINGSPARATION OCT. 22

Rev. Baden Rowe, pastor, and the First Baptist Church of Bremen, will be hosts to Greater Marshall Co. Youth for Christ Singspiration next Sunday evening, Oct. 22, from 9:30-10:30 p. m.

Our singspiration crowds are growing in attendance and spirit. You are really missing a spiritual feast if you are not attending. Load up your car after your own church service and come and join us. Each cooperating church is asked to bring a special number with them. All ages welcome.

**MOTHERS OF WORLD
WAR II MET WEDNESDAY**

Twenty-seven members and two guests of unit 106 of Mothers of World War II of Mentone, met at the Crystal Dairy Bar, Warsaw, Wednesday evening, Oct. 11 at 6:30 for an anniversary supper. This meeting marked the closing of seven years of the organization.

We were greeted by Keith Horn who took several pictures of the members, collectively and at the luncheon table. Thanks, Keith, we hope they are good. The table was set in a "T" shape with favors of maple leaves tied with red, white and blue ribbons at each plate and a beautiful basket of red and

white carnations adorned the table. These were donated by Royse Tucker, a gold star father of the unit.

After the two course luncheon, including a cake presented by Mrs. Wagner (known to the unit as Mother Wagner), Mrs. Blanche Paulus, president, greeted the guests and presided over a short business session. She also read a letter from the state president stating the urgent need of the work to be done by the Mothers. Mrs. Bertha Meredith, rehabilitation chairman, gave a report of the box sent to the Veterans' Hospital at Fort Wayne, and read a letter of thanks from the doctor in charge. It was announced that Mrs. Myrtle Davis, Mrs. Mildred Fawley and Mrs. Dora Whetstone had birthdays, so happy birthday was sung. Retiring of the colors, repeating the Mothers' Creed, singing "God Bless America," and prayer closed the business session.

The program consisted of a piano solo by Mrs. Esta Vandermark, a history of the seven years of the organization by Mrs. Mae Borton, and Mrs. Shinn gave a very interesting talk on universal military training which gave us a better understanding of its need.

This bill is again to be considered when the 82nd congress convenes. Let us all give considerable thought on this matter so if we should be called on to vote we may be able to vote intelligently, for we have been caught napping several times.

The social chairman, Mrs. Maude Romine, provided the group with some hilarious games which were greatly enjoyed by all, prizes going to Side One and Mrs. Marie Coleman. Miss Ethna Scott won the door prize.

The next meeting will be Nov. 8, with Mrs. Mae Borton.

After the president had thanked each and every one who had in any way helped to make the evening a success, we departed for our homes.

CARD OF THANKS

We thank you sincerely for sharing our sorrow. Your thoughtfulness is appreciated and will always be remembered.

NEWTON

Mr. and Mrs. Stanley Newton, of R. 5, Warsaw, are the parents of a six pound six ounce daughter born last Friday at the Murphy Medical Center. The new daughter has been named Nancy Ann.

OBSERVE TWENTY-FIFTH WEDDING ANNIVERSARY

Mr. and Mrs. Mahlon Mentzer observed their Silver Wedding Anniversary Sunday. The day was spent with the immediate members of the family. Dinner at the Sportsmans Club, at Beaver Dam, was enjoyed by all.

Those present were Mr. and Mrs. Mentzer, guests of honor; Mr. and Mrs. James Mentzer and family, of Park Ridge, Illinois; Mr. and Mrs. Kenneth Foulks and son, of So. Bend; Miss Rosalind Mentzer, of East Lansing, Michigan; Miss Annabelle Mentzer, and Mrs. Wade Whetstone.

HAS FOOT SURGERY

Max Friesner, accompanied by his basketball coach, Loren Burt, went to Fort Wayne Tuesday where he submitted to surgery on the little toe of his right foot. The toe was injured in basketball, causing it to be crooked.

In the operation, performed at the St. Joseph hospital, one joint was removed. Max is now getting about on crutches, and it will be three or four weeks before he can walk on his foot.

HARMAN - SHIREY MARRIAGE

Miss Delores Shirey, daughter of Mr. and Mrs. Edwin A. Shirey, of Palestine, became the bride of Thomas L. Harman, son of Frank P. Harman, of near Warsaw, in a quiet ceremony which took place at half-past three o'clock Saturday afternoon, Oct. 14. Mr. and Mrs. Ralph Evans, Jr., sister and brother-in-law of the bride, attended the couple as Rev. B. H. Truman read the double ring marriage service at his home in Warsaw.

The bride was attired in a suit of navy blue with white and navy checked trim, and matching navy accessories. Her corsage was of red roses. Mrs. Evans wore a street length dress of navy blue satin with gray accessories and a corsage of yellow roses.

Following the marriage ceremony a supper was served at the home of the bride's parents for the couple and their attendants.

Since their return from a week end wedding trip, Mr. and Mrs. Harman are residing in Palestine for the present. Mr. Harman is employed with the Mike Hodges Construction company in Warsaw.

TO OBSERVE GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. Ora Tucker will observe their golden wedding anniversary Sunday, Oct. 29, by holding open house from 1:30 until 4:30.

Mr. and Mrs. Tucker were married Oct. 30, 1900 in Plymouth. They are the parents of four children, two sons, Albert and Ralph, and two daughters, Lilly and Winifred, also four grandchildren, Jane Ellen, Mitchell, and Tommy Tucker and Robert C. Smith.

SMITH - COOPER WEDDING

Miss Barbara Jean Cooper, daughter of Mr. and Mrs. Charles Cooper, of Tippecanoe, became the bride of Robert C. Smith, son of Mr. and Mrs. Max Smith, of Mentone, in a quiet ceremony Saturday evening, Oct. 21, in the home of Rev. E. E. DeWitt of Mentone.

The attendants were Jean Krothal and Walter Smith.

The bride was attired in a green suit with brown accessories. Her corsage was of red roses. Miss Krothal wore a green suit with brown accessories and a corsage of white baby mums.

Mr. and Mrs. Smith are enjoying a wedding trip through the south and upon their return will reside in Mentone. Mr. Smith is employed at the Smith Bros. garage.

SEVERAL MOVES MADE IN MENTONE RECENTLY

Mr. and Mrs. Harold Nelson and family are settled in their home recently purchased from Mr. and Mrs. Don Ernberger, who are living in the modern apartment in the rear of the post office building.

The Nelson home was purchased by Mr. and Mrs. Hap Utter and sons who have moved into it. The Utter home has been purchased by Mr. and Mrs. Miner Mollenhour.

THAT CAT AGAIN

The Seniors of the Mentone school advise us that their going to solve that problem of "Aunt Cathy's Cat," when they present their class play on Wednesday evening, Nov. 8th.

Tickets are now on sale. See any member of the senior class.

CELEBRATE HALLOWE'EN IN MENTONE TUESDAY

The annual Mentone Lions Club Halloween festival will be held on Tuesday evening, October 31, with the usual program of stunts, parade and concessions. Additions have been made to the list of prizes offered in the masked parade, and the Lions members and committees have been busy the past few days making final preparations for the big event.

The masked parade will form at approximately 7:15 o'clock. This event has attracted many participants in past years and it is always interesting to witness some of the get-ups the costumers put together. The addition of a prize category for the most unusual costume will likely bring out a greater number of the absurdities.

Prizes offered are:

Largest family group (father, mother and their children)	\$5.00
Best dressed couple	2.00
Best Bridal Couple	2.00
Ugliest Dressed	1.00
Best Clown	1.00
Best Tramp	1.00
Youngest person masked	1.00
Oldest person masked	1.00
Most unusual costume	1.00

BAKER & BROWN

REMINISCENT REFLECTIONS by Roundtree

As a budding specimen of humanity I was shuttled over the horizon into this world without any acquiescence of my own.

It was on the twenty-second day, in the tenth month, of the year eighteen sixty-two, near Nashville, Tennessee, that this momentous event took place, in the midst of the conflict between the states, the Civil war.

The cannonading at Nashville and Stone river made the panes in my window clatter ominously as the fighting grew furious.

The stockade below the hill, near the creek, that guarded the railroad bridge, was manned by a company of bedraggled soldiers. Some came up to the house, to have my mother cook some dainty viands for them. Fried chicken was top of the list. One of the brave fellows, to make me smile and chatter always took me up in his arms.

My mother came from the Rhine, my father from the Alps, I from Nashville. As my shadow began to lengthen,

the mesmerizing wanderlust landed us near Ocoola, in Arkansas, where I learned to pick cotton, and watch the river craft go by.

Old man river was a busy stream in those days. Palatial steamers, like those Mark Twain used to pilot; stern-wheelers pushing barges of coal to New Orleans; trading boats and rafts, all down stream bound. The heyday of river traffic when I was but five years old.

'Twas a memorable occasion when I witnessed the famous race of the Robert E. Lee, and the Natchez. I can still feel the thrill of that famous race.

The mighty Mississippi was not bound in with levees then, and every spring it was water, water everywhere.

After two years of shaking with agues, and burning up with fevers, we sought a Garden of Eden in the Cumberland mountains of eastern Tennessee. It was yet untouched by the footprints of progress, and the picture is still true as portrayed by Mary N. Murfree in her story, "In the Tennessee Mountains." The natives were of the easy-going type. They spun and wove their jeans and linseys for clothing, and tanned the leather, and cob-

bled their shoes.

The hillbillies were friendly if you didn't cross their path. The ozone of the hills tended to longevity, and the moonshiners made pretty good stuff, which took one into dreamland without revenue.

After ten years of mountain bliss we moved northward to Indiana. Its snows and blizzards are so charming that we are still basking on the banks of the Tippecanoe.

Although my eighty eighth winter is passing I need no crutches, but feel as nimble as a three year old filly in a clover lot.

**D. A. R. ENTERTAINS
BOURBON CHAPTER**

The Anthony Nigo Chapter of the D. A. R. entertained the members of the Tippecanoe River chapter of Bourbon at the home of Mrs. Kenneth Riner on Tuesday evening.

Mrs. Frank Smith, regent, opened the meeting in the usual order.

Roll call and report of the last meeting were read by the secretary, Mrs. Arthur Brown.

Mrs. Curt Nellans was welcomed in to our chapter by transfer from the Bourbon chapter.

Mrs. Joyner, regent of the Tippecanoe River chapter, was introduced and read the very interesting message of

the President General.

Mrs. Mason introduced Miss Harshner who favored us with a saxophone solo, "Nola," accompanied on the piano by Miss Reed.

Mrs. Furel Burns, vice president general of North Manchester, made several timely remarks and urged every loyal American citizen to make his utmost effort to go cast his vote on Nov. 7.

Mrs. Wayne Corey, state regent, was introduced and gave some very interesting highlights of many of the projects of the state and national organization of the Daughters.

Miss Reed concluded the program with a piano solo.

The hostesses, Mrs. Riner, Mrs. Miles Manwaring and Mrs. Arthur Brown, served delicious refreshments from a beautifully decorated candle-light table to the thirty-five members and guests.

The next meeting will be at the home of Mrs. Stanley Boggs on Nov. 28.

The Junior class will help with the

Egg Show banquet on Friday evening.

The Senior class left school at 2:00 Wednesday to go to the Cron-Leone Studio in Fort Wayne to have their pictures taken. Several of the seniors remained over for the evening to attend the Fort Wayne Philharmonic concert.

The Senior class entertained the Junior class at a party in the gymnasium last Friday evening. Volleyball, relays and other active games were in charge of Mr. Hoffman. Refreshments of ice cream and cake and cider were served. A majority of the students were present.

The boys of the Aeronautics class visited Richard Manwaring on Tuesday. Dick took several of the boys for airplane rides.

PHEASANT HUNTING

SEASON NOV. 10-13

Through error it has been announced in many state newspapers that the open season for pheasant hunting would be as of November 10 and continuing through the 15th.

The Indiana Department of Conservation wishes it plainly understood that the pheasant season will open on November 10 and continue through and including November 13. Inasmuch as the 12th of the month falls on Sunday no hunting is permissible, thereby making the season a three-day one.

The Conservation Department announced that it was considered a five day season, from November 10 until November 15th but that decision to legalize that season would depend upon a public hearing on the discretionary order in the office of Kenneth K. Kunkel, Director of the Department.

During the hearing it was learned

from conservation organizations present that a season of such duration was inadvisable due to poor nesting conditions prevalent during the summer months.

Previous a crowing cock pheasant count had led the department to believe that a longer season would be advisable.

The department is most grateful to public spirited conservation organizations for their advice and their assist in the decision to cut short the season.

The 10th, remember, ushers in the rabbit, quail and Hungarian partidge season as well as the pheasant season.

Mr. and Mrs. Lowell K. De Witt and their three children of Sturgis, Michigan were the week end guests of Lowells parents, Reverend and Mrs. E. E. De Witt.

Mr. and Mrs. Masa Nelson, Mentone, and Mr. and Mrs. Don Nelson, of Argos, left last Thursday for a three to four week trip to California.

NOT JUST A POLISH!
NOT ANOTHER WAX!

DU PONT
SPRAY GLAZE
IS AN ENTIRELY NEW PROCESS

- ✓ It's new! It's different! It's Du Pont Spray Glaze—the most significant development in car care in years.
- ✓ Du Pont Spray Glaze is applied to your car by a new, faster method—with a spray gun under high pressure to penetrate every crevice and fill every pore in the finish. It gives your car a smoother, glossier coating than ordinary waxes or polishes.
- ✓ Du Pont Spray Glaze is not a paint nor a lacquer. It is a transparent material that brings out the beauty of your car finish and protects the paint with a hard, durable glaze.

The Spray Glaze process includes:

1. Washing the finish with Du Pont Car Wash.
2. Pre-cleaning with a special Du Pont Spray Glaze Cleaner.
3. Applying Spray Glaze.

Shines brighter — lasts longer — costs you no more.

FRANKLIN TOWNSHIP FARM BUREAU MEETING HELD

At a meeting held in the Beaver Dam school gym, Wednesday evening, Oct. 18, the Franklin Township Farm Bureau heard George Harvey, State director of research, forecast a high level of farm income, at least until 1953.

Mr. Harvey was the principal speaker at the annual fish fry and election of officers. Officers elected were as follows:

Everett Rookstool, chairman

Henry Smith, vice chairman

Mrs. Elmer Dickey, secretary and treasurer.

Mrs. Vesta Creakbaum, assistant.
Mrs. Harry Cole, social and educational leader

Mrs. Roy Walters, assistant

Mrs. Paul Cumberland, pet and hobby leader

County Chairman Milo Robbins announced that the Farm Bureau would volunteer their service in the Christian Rural Overseas Relief program this year and called for complete cooperation from members.

Membership chairman, Bernard Cox, of Claypool, reported that the new membership was surpassing all previous figures.

ATTEND DAIRY SHOW

Mr. Phillip Lash and a group of his F. F. A. boys attended the Dairy Show at Indianapolis October 14. They left Mentone at noon and returned about 2:00 A. M. The boys and Mr. Lash enjoyed seeing some of the finest dairy cattle in the world. In the evening at the Colliseum they saw an 18 act circus perform. Those attending were: Jerry Tinkey, Jerry Ross, Frank Scott, Berdell Blackburn, Wallace Oyler, Phillip Carney, David Romine, Dale Molebash, Caren Clark, Phillip Shilling, Jack Smalley, Merlin Holt, Richard Kindig, Earl Shirey, Bill Tinkey, and their teacher, Mr. Lash.

HISTORY OF MENTONE WAR MOTHERS UNIT

(The following history was written for the anniversary meeting of the Mentone unit of the War Mothers.)

On October 19, 1943, the organization of the Mentone Unit of the Mothers of World War No. two was held at the Mentone Public Library on Tuesday evening. The meeting was called to order by Mrs. Ethel Wagner who had four sons in the service. The pledge of allegiance to the flag was given followed by repeating the Lord's Prayer after which one verse of America was sung. The following officers were elected: President, Ethel Wagner; First Vice President, Lena Anderson; Second Vice President, Alta Hudson; Treasurer, Helen Mollenhour; Financial Secretary, Miriam Shinn; Recording Secretary, Bernice Rush; Sergeant at arms, Blanche Paulus, and Chaplin, Ellen Stanford.

A charter was applied for and Mrs. Gladys Nottingham offered prayer at the close of the meeting.

The first meeting was held at the home of Mrs. Bernice Rush. Mrs. Rita McDonald state president (now deceased) was present and gave a very inspiring talk on the aims and purpose of the organization. Later she installed the officers for the coming year. It was decided to hold the meetings at the school building for a while. The charter was held open until the March meet-

ing 1944, then closed with 46 Mothers signing the Charter.

Other members joined the unit and at one time the secretary's book showed 81 members. Each year election of officers is held. 1945 Bernice Rush was elected president, 1946 Opal Tucker, 1947 Ethel Wagoner, 1948 Lavere Horn, 1949 Esta Vandermark, 1950 Blanche Paulus.

A few of the ways we have made money are: Each year we sell poinsettias, 1946 waited tables at the egg show, received of Cappers Farmer \$90, held food sales and bazaars, money received for wheel chairs and beds, money given in place of bake sales from 1 to 5 dollars. Some of the things we did was send delegates to state meeting, missed only one district meeting, special meeting on Mothers day, took part in Decoration day services, pay five gold star mothers dues whose sons gave their lives for their country, knit three sweaters three helmets two scarfs 450 kitbags and housewives for Red Cross, purchased two hospital beds, two chairs, four pairs of crutches, U. S. flag and Unit flag, Donated \$50 to the chapel fund at Cold Spring Road hospital, \$10 to the Billings hospital, Cold Springs Road hospital for pianos and \$5 for radios, sent box for the supply shelf to the new Ft. Wayne hospital, \$25 to the Mentone Band, remembered our boys in service with Christmas boxes, letters and cards, send flowers and gifts to gold star mothers at Christmas and Mothers day, give to the Red Cross,

cancer fund, heart fund and March of dimes, give groceries and clothing to a needy veteran's family, send baskets of food to needy families at Christmas, give flowers for our deceased members, also send food and help serve when there's a death in the family of one of our members.

We donated two Bibles to two high school students, we sold \$15 worth of veterans seals. The proceeds of seals sold goes to veterans hospital such as party, cash or supply shelf.

MENTONE MURMURS

by
DAVID and SALLY GOSSER

"Happy days are here again," sing the hens from their batteries of nests and roosts, for the time has come when

the cackle-berries and hen-fruit receive recognition on a par with Virginia apples, Texas grapefruit, and Florida and California oranges. The "egg basket" of the Mid-west is a-bustling and a-hustling for its annual Egg Show.

No longer are the crowing and cackling "birds of a feather" content to let their efforts result only in landing in a frying pan or kettle of boiling wa-

ter, but they insist on having the girls 4-H Clubs and the Home Economics Clubs devise all means of tempting dishes and frilly favors to broadcast their importance in life. Murmurs wonders what Walt Disney could hatch out of the egg that stands on the corner of the Co-op property on Main Street. It surely must have been a Paul Bunyanated hen that gave vent to such expression of life. Not even "The Egg and I" produced such a "yoke."

Ten thousand years from now the men of Mars may be searching the shale and gravel of northern Indiana for the "creature" that laid or gently dropped it. All the guests who turn up at the Murmurs' residence wonder what kind of chickens are raised in this vicinity. Not having tasted so very many of them it has been hard to say, but occasionally there is one that enters the ministry.

The egg is the source of life not only to propagating chickens but to our chicken ranchers as well. The present business establishments of Mentone owe their existence largely to this industry, and many of our local citizens are directly or indirectly benefited by this form of ranching. Murmurs wishes the egg show committees success with their project, and may Mentone long remain the "egg basket" of the Mid-west.

Should some one accidentally let our show egg fall, the "yoke" would be on

**Your Paper
You're Angry?
Write a Letter**

By William R. Nelson

NEWSPAPER subscribers who become angered at the paper have long used cancellation of their subscription as a means of showing their irritation. Such action is generally looked upon as being the same as stopping patronage of a store to show displeasure. But, is it the same?

The reader who cancels a newspaper subscription does not cancel telephone, gas, water or electric service to show displeasure with those services. Yet, the home town newspaper is, in many ways, comparable to utility services.

**Subscription
Is a
Fraction**

There is a notable difference between newspaper and other utility

services. It is the individual subscriber's share of the cost. For all services except newspaper, the subscriber pays the full share of cost plus a profit or its equivalent.

The subscription price of the home town newspaper, however, is but a fraction of the actual cost of producing and delivering it to each subscriber.

Unlike other services, where the subscriber can somewhat control the cost through regulation of the amount used, neither the subscriber nor the publisher can regulate the amount of newspaper service to be rendered. Being a continuous recording of local history, the amount of newspaper space required is bound to fluctuate. To meet its obligation, yet keep the cost of its service so low all can afford it, is why the paper sells subscriptions below cost.

Cancelling a subscription to a newspaper, it seems obvious, is not the best way to show displeasure.

**Letter
Is
Better**

A better way is to write a letter to the paper. If your point of disagreement is a matter of general concern, and you authorize it, the paper will publish your letter. In that way you publicly chastise the paper and tell another side of the controversial matter.

Publication of matter critical of themselves is another of the unique characteristics of our newspapers. No other public or private institution of service is so willing and eager to publicize its own mistakes.

TWO COUNTY 4-H BOYS WIN STATE CONTESTS

Everett Earl Rookstool, of Beaver Dam, has been chosen the winner of the State 4-H Dairy Achievement contest, winning a 17-jewel watch. His record has been entered in the national contest. He is the son of Mr. and Mrs. Everett Rookstool.

Earlier this year he was chosen for a trip to the 4-H Club Congress at the State Fair. He was picked on his achievement record from the Fort Wayne district for this award.

Previously Everett has won several outstanding awards and has completed more projects than any other 4-H agriculture member in Kosciusko county. He has given 4-H demonstrations in county and district contests, and has been active in judging contests. He had the only 4-H dairy exhibit from this county at the state fair this year. He also has been president of the Co. 4-H Jr. Leaders organization two years and is active in the Beaver Dam school activities.

Charles Decker, of Claypool, has been selected as the winner of the State 4-H Tractor Maintenance contest. In receiving this award he has won an all-expense trip to the National 4-H Club Congress in Chicago during the International Livestock Show, sponsored by Standard Oil Co. His achievement record has been entered in the national contest. Charles is the son of Mr. and Mrs. Loren Decker.

Charles is 19 years old and a graduate of Claypool High School. He has been a 4-H member four years, completing 14 projects, including 3 years of Tractor Maintenance. This year he gave a demonstration on "Steps in Lubrication of Tractor Front Wheels." He placed first in the county and district contests and was in the "A" division at the state contest during the 4-H Club Roundup. This demonstration was sponsored by the Kelley Tractor Sales and the Farm Bureau Co-Op.

Charles also had an educational display at the county fair. Upon completion of his basic tractor maintenance project he was awarded a set of socket wrenches, given by Gilliam-Felkner, Kelley Tractor Sales, Overmyer Tractor Sales and Heisler Implement Co. for the outstanding work in this project.

● The electric power capacity of Indiana electric companies has been more than doubled since 1940, bringing the present total to approximately 1,900,000 kilowatts. Another 600,000 kilowatts will have been added by the end of 1953.

This map, indicating only the major facilities of Indiana's interconnected electric power system network, shows how power from the huge generating stations is transmitted, over high-voltage electric lines, to every part of the State. Through the Indiana companies' own interconnections and those with out-of-State systems, power can also be readily exchanged, helping to assure electricity when and where it is needed

by Indiana industries, stores, farms and homes.

From 1940 to the end of 1953, the electric companies of this State will have invested more than 500 million dollars to expand this POWER-FULL electric network for the growing needs of Indiana's citizens and communities. The money necessary to carry on this major expansion program requires the sale to the investing public of large amounts of additional stocks and bonds.

Fortunately, electricity is ready now to help Indiana do its part in maintaining our nation's defense.

THE SAME OLD DANGER FOR AUTO DRIVERS

Carbon monoxide in a closed sedan is deadly within five minutes. The Chicago Motor Club warns that 15 parts of monoxide in 10,000 of air comprises this mixture.

Most gas fume victims are written off, "fell asleep at the wheel", the motor club advises. Reduced alertness brings on disaster.

Headache, drowsiness, nausea or dizziness characterize monoxide poisoning. A motorist who ignored both a stop signal and a traffic officer and plowed through a safety island fatally injuring a pedestrian, was arrested for drunken driving. Laboratory analysis indicated no alcohol but considerable carbon monoxide in the blood.

Colorless, odorless and tasteless, the deadly fumes give no notice beyond physical discomfort until paralysis sets in. One motorist in New Jersey crossed four lanes of on-coming traffic near Newark airport and crashed head-on into a parked truck. State police reported, "probably asleep". Essex county medical examiner found enough carbon monoxide in the blood to cause stupor.

The Chicago Motor Club recommends checking your engine for proper adjustment. Poor combustion produces excessive monoxide in the exhaust. All

engines produce some of the deadly fumes.

A second precaution is to check the muffler and exhaust system against leaks which may send a stream of exhaust into the car body.

Another safeguard is to roll down the windows for ventilation. Your no-draft vents take out more air than they admit. Side vents along the motor provide most of your fresh air.

Finally, when stopped in traffic for a signal or a rail crossing, keep the windows open for side ventilation. Don't follow buses or trailer-trucks for any distance.

As soon as you notice symptoms of dizziness, nausea, drowsiness or headache, stop and get out of the car for fresh air. If you're just over-fatigued, the rest will improve your safe driving capacity.

Never run the engine in a closed garage. Be even more careful when the garage is attached to the house.

LEGION AUXILIARY NEWS

At the regular meeting of the Mentone, Unit No. 425, the American Legion Auxiliary held Tuesday evening, tentative plans for a community bingo party were outlined by the chairman of the fund raising committee, Mrs. Allen G. Shirey. The party will be held sometime in the month of November.

The date will be announced later.

New chairmen appointed by the president are: Membership Chr., Mrs. George Mollenhour, Jr., with Mrs. Ward Williamson and Mrs. Jack Van-Gilder to assist her; Miss Norma Jean Nellans and Mrs. Tom Stanford will be in charge of the card selling project. Mrs. Allen G. Shirey, also chairman

of the program committee for the Armistice Day supper for the Legion and Auxiliary to be held November 14, announced that she had a speaker for the evening and that other plans for the evening's entertainment were being completed.

The president reminded us the 1951 dues are due and payable starting with the fiscal year October 20. If you are not an Early Bird and haven't already paid for dues for the coming year, NOW IS THE TIME! If any of the members know of any woman who wishes to enroll in the auxiliary, and who is eligible, please notify the membership chairman. The first membership check-up date is November 11. We have to make our quota if we want those coveted merit points.

Uruguay has been the country chosen for study in our Pan American program this year. This is the 5th South American country to be selected from Latin America to be included in our study to date. Mrs. Frank Smith is the Pan American chairman.

Last week's attendance prize was drawn by Mrs. E. E. Wagner. This week's prize was drawn for Mrs. Clark Ernsberger.

After the business session, Mrs. Richard Manwaring read a very touching story concerning a man's letter to his children. The story was written by Davis Hill and is entitled, "A Letter To My Children." It is a story which

deals with family life and everyday living.

The members enjoyed refreshments of coffee and doughnuts and the meeting adjourned.

BAPTIST CHURCH NEWS

Good interest and attendance has been shown in the revival meetings so far. There have been several conversions and many have rededicated their lives to Christ in the meetings. The church is now in the third week of The Family Altar Broadcast over WKAM each morning at 7:15. Several have written in expressing appreciation for the broadcast. While the Sunday School lost the Contest to Immanuel Baptist Church at Ft. Wayne, yet we averaged 246 per Sunday for the four Sundays and this was a good gain over a year ago. There is still time to hear the Emmons family in the meetings. You are invited to come.

Mr. and Mrs. Joe Baker spent Saturday and Sunday in Indianapolis at the Indiana Jewelers' convention.

ATTENTION POULTRYMEN

We are interested in contacting some good poultryman in the Mentone area who would be interested in having a comparison test. The test will be between Hy-Lines (Hy-brid chick bred by Pioneer Corn Co.) and any other breed the poultryman chooses. The Hy-Lines will be sold for the same price as the breed they are tested against. Tests are to be run for one complete laying year. Records of mortality, birds culled and production will be turned in to hatchery at end of each month. These tests are for record purposes only.

Anyone interested in having one of these test units please contact us at once.

THE NORTHERN INDIANA CO-OP. NEWS

METHODIST CHURCH NEWS

Dr. L. P. Anderson, missionary to Korea, was house guest of the Gossers during his brief visit here in Mentone. His address of last Thursday evening was exceeded by his fine spirit and consecration to a life of service to a people who, more than ever, now stand in need of Christian leadership and counseling. His farewell message was, "Tell the people that the Koreans and the missionaries there deeply appreciate the work and prayers of American Christians."

A dozen of the Methodist Church attended a breakfast at seven-thirty on Sunday morning to begin the observance of a week of prayer and self-denial which the Methodist women in America have set as an emphasis to stimulate personal, family, and group worship. Mrs. Dan Urschel reviewed George A. Buttrick's book on PRAYER. At the evening service Dr. Dan Urschel began the first in a series of ad-

resses on The Good Life with the presentation of the contributions which physical health makes towards that Life. The speaker for this coming Sunday evening will be Jerry Eastburg, of Rochester, the psychiatrist and director of the nursing home there. His topic is Mental Health and The Good Life. Mr. Eastburg spoke in the services a year ago and returns by popular request, so stimulating and interesting were his remarks.

The service will begin with a fellowship supper in the church dining room at six o'clock. Table service will be provided by the hosts for the evening.

The Literature Workshop for officers and teachers of the Church Schools will be held in the Warsaw church on Friday evening at seven-thirty. Persons interested in attending and having no transportation are requested to be at the parsonage at six-forty-five.

The youth Commission of the North Indiana Conference meets at the Meth-

odist Church at Mariom on Saturday of this week. The Reverend David Gosser, director of Intermediate work for the Warsaw District, will be in attendance. On Wednesday evening of this week

he attended the District Council meeting at the cottage of Dr. B. B. Shake at Epworth Forest.

The sermon topic for Sunday morning is "Jesus said, 'Our Father.'"

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

The observance of good posture week draws attention to the fact that a poorly balanced diet, rapid growth, fatigue and poor posture habits are among the contributing factors of poor posture.

The Indiana State Board of Health points out that food builds bones and muscles essential to good posture; fatigue often results in muscles not holding the body in the best position, and even discouragement, lack of security, worry and fear may cause a sag in the position of the body.

This sag may result in the inability of all parts of the body to function properly. Good posture is more than standing and sitting straight. It is a position which allows the internal or-

gans such as the heart, lungs, digestive system, to have plenty of room to operate to advantage.

Some steps to good posture include standing with the feet parallel, about six inches apart; holding the head high as if balancing a book; chest out; stomach and hips firm; weight slightly forward over the balls of the feet and distributed evenly on each foot; knees lightly flexed; abdomen and back as flat as possible. Sit tall in a chair so the hips touch the back of the chair with the feet flat on the floor; rock forward from the hips when writing and keep the chest out and neck in line with the upper back.

The heel touches the ground first with toes pointed straight ahead and the legs close together; swing from the hip joints with the head and chest high and the shoulders free and easy.

MOVE TO COLORADO

Mr. and Mrs. Alfred Snyder and children have left for Colorado Springs, Colorado, where they will make their home.

Alfred suffered increasingly, with arthritis and felt the change to a dry climate would prove beneficial. His parents, Mr. and Mrs. Mott Snyder, have lived in Colorado Springs for a couple of years.

Joe Baker has purchased the Snyder building and some of the plumbing and electrical supplies. Mr. and Mrs. Snyder took some of the appliances and electrical supplies with them although they did dispose of a great many items.

Mr. and Mrs. Snyder have been in the electrical and appliance business here for a number of years, and their many friends wish them the best in health and success in their new home.
