## MRS. RUYLE DIES FOLLOWING STROKE

Death came suddenly to Mrs. P. D. Ruyle, 51, this afternoon at the Murphy Medical Center at Warsaw, where she was taken by the Reed ambulance following a stroke at her home Tuesday morning.

The deceased was born in Pulaski County, Kentucky Oct. 26, 1902, the daughter of Carl and Lola (Lane) Eastham. She and her husband have resided on a farm one and one-half miles west of Mentone on Road 25 the past nine years where Mr. Ruyle has operated a farm repair shop.

Surviving in addition to the husband are one son, Fay Trammel of Hobart, Indiana; one grandchild; one sister, Ruby Perry of California; three brothers, Harold and Eugene Eastham in California, and James Eastham who lives in Iowa.

Funeral services will be held at the Reed funeral home at ten o'clock Saturday morning and burial will be in the North Salem Cemetery at North Salem, Ind.

Friends may call at the Reed funeral home after twelve o'clock noon on Thursday.

## NOTTINGHAM — EMERICK

Roxie Clay Emerick, of Fort Wayne, and Earl Nottingham, formerly of this place, were united in marriage on Oct. 4 by Rev. Carl Brown at the Emmanuel Baptist Church in Fort Wayne.

Many beautiful gifts were received at a reception held at 1721 No. Meridian street where Mr. and Mrs. Nottingham will reside following a short trip through the south.

## ATTENDS HEART FOUNDATION MEETING

Dr. Dan Urschel attended the annual meeting of the Indiana Heart Foundation in Indianapolis last week. He has been a member of the board of directors of that organization since its founding, and has also served as a member of the Research Allocation Committee. Mr. P. W. Ross of Indianapolis, president of the foundation, announced this week that Dr. Urschel had been elected to the executive committee of the organization, its chief governing body. Dr. Urschel also recently received notice of his selection as Indiana state counselor in the Henry Ford Hospital Medical Association.

## MRS. MATTIE E. CRALL

Mrs. Mattie Estella Crall, 213 N. Pontiac St., died at 11 a.m. Sunday in the Yocum Nursing Home, 1424 Bancroft Avenue, Rochester, Indiana, where she had lived for the past year. Death followed a five-year illness. Born in Fulton County, September 24, 1875, she had spent her life here. Her husband, Simon Crall, died in 1946. Mrs. Crall was a member of the Olive Bethel Church of God southwest of Mentone. Surviving are two sisters, Mrs. Emma Sheppard, Boise, Idaho, and Mrs. Ida Richmond, Kansas City, Missouri; a brother, A. L. Dunham, Clovis, New Mexico; a stepson, Estel Crall, Mentone, Indiana, and a granddaughter. Funeral services were held at the Zimmerman Brothers Funeral Home, in Rochester, Tuesday.

## FLORENCE E. WHITE DIED LAST SATURDAY

Mrs. Florence E. White, 84, died at two p. m. Saturday at her home four and a half miles north of Akron. She had been a resident of the Akron community her entire life.

She was born Dec. 26, 1869, to William W. and Delilah (Judd) Ballenger. In 1893, she was wed to Charles F. White, who preceded her in death in 1942. Mrs. White was a member of the Olive Bethel Church of God congregation.

Surviving are three sons, Andrew W., Fletcher W. and Charles, all of near Akron; three grandchildren and six great-grandchildren. An infant daughter preceded her in death.

Funeral services were held at two p. m. Wednesday at the Olive Bethel church with Rev. Carter Cummins, assisted by Rev. Daniel L. Slaybaugh, officiating. Burial was in the Nichols cemetery.

## CLUB CALENDAR

PTA Oct. 13, at the school house. Panel discussion "Student Driving and Safety Problems."

Jolly Janes Club will meet Monday evening, Oct. 11 at 8:00, at the home of Mrs. Roger Kelley in Etna Green. Election of officers.

The Mentone Home Demonstration club will meet Thursday, Oct. 14, at 1:30 p. m. at the country home of Mrs. Harry Vernet. Remember the silent auction.

## DANIEL M. HART DIES AT HOME NEAR MACY

Daniel Miller Hart, 91, retired farmer, died at 3:10 a. m. Monday at the home of his daughter, Mrs. Don Merley, R. R. 1, Macy. He had been seriously ill for seven weeks. He had been a resident of Miami county since 1936.

Mr. Hart was born Sept. 23, 1863, at Beaver Dam to John and Nancy Hart. On March 8, 1884 he was married to Martha Wiley, who died in 1930. He was a member of the United Brethren church of Fulton.

Surviving are two daughters, Mrs. Joe Hunneshagen, Woodward, Oklahoma, and Mrs. Don Merley, near Macy; two sons, Ned Hart, Rochester, and E. R. Hart, South Bend; 10 grandchildren, 15 great-grandchildren and two great-great-grandchildren. Two children, Asa Hart and Mrs. J. Waltz, preceded him in death.

Funeral services were held at 1:30 p. m. Wednesday at the Foster funeral home in Rochester. Rev. Donald Decker officiated and burial was in the IOOF cemetery.

## NO POLIO IN SCHOOL

We called Mr. Kent at the school on Wednesday to check on a rumor that a child had been taken home on Tuesday because of illness. Mr. Kent said this was not so, and that there has been very little illness in the school. The teachers are alert for the first signs of any illness, and in case of symptoms, the child is immediately isolated from the group and taken to their home.

We are glad that this was a false rumor and urge you to check all such reports before being alarmed.

## CELEBRATE FIFTY-SEVENTH WEDDING ANNIVERSARY

Mr. and Mrs. Fred Swick spent the week end at Huntington with their daughter and husband, Mr. and Mrs. Adrian Little. On Saturday, they celebrated their 57th wedding anniversary. Their daughter and family, Mr. and Mrs. Doyle Earwood, Nancy and Christine, of Elkhart, were also present for the occasion.

## PASTOR'S FATHER HOME AGAIN

Rev. Gosser reports that his father, Millard Gosser of Delmont, Pennsylvania, is now home from the hospital where he was being cared for because of a heart ailment.

## TOY BALLOONS TRAVEL FAST

On Monday, Sept. 20.—just prior to the Mentone Egg Show—The Northern Indiana Cooperative Association, in cooperation with the McMillan Feed Company, released 500 toy gas-filled balloons, each carrying a tag advertising the Egg Show.

A number of the balloons were retrieved by people of the Mentone area. A few of those returning the tags were: Jim Beeson, Marvin Romine, of Mentone; Buell Hoffer and Walter Miller of Etna Green; Fern Taylor of Claypool, Emory Summy of Warsaw, Carl Egolf of Columbia City, and others.

However, the mystery of how the balloons could reach into Ohio in time for people to reply that day, is almost too much to fathom. The following replies were received by the Cooperative, and all were dated the day the balloons were released:

Dear Sir:

Received your Master Mix message on a balloon at 6 o'clock today in our barnyard, three and one-half miles northwest of Hicksville, Ohio. Thanks for the invitation to your show. Sorry we can't attend.

Yours very truly,  
JOHN M. SMITH.

Dear Sir:

I am too far to attend your Egg Show, but thought maybe you would like to know how far out your balloons had reached. I live on a farm near DeGraff, 10 miles west of Bellefontaine, Ohio.

I found the tag in my garden.

HARRY HEMINGER.

I seen this tag and balloon come down on our farm this afternoon. Our farm is located 2 miles east of New Knoxville, Ohio on State Route 219. This is almost 125 miles from Mentone. The balloon burst when it hit the ground.

RALPH HOELSCHER,  
R. R. 3,  
St. Marys, Ohio.

## HAMILTON

Mr. and Mrs. Homer Hamilton, Jr., are the parents of an eight-pound daughter born September 22nd at the McDonald hospital. The new daughter has been named Rebecca Sue.

**PROOF OF THE CATCH**—Some time ago we mentioned that Ralph Warren caught a five and one-fourth pound bass at Crystal Lake, but it took until last week for Ralph to get the printed picture as evidence. Above Ralph and his wife are holding the 22-inch fish which he caught on a fly rod and a four-pound test leader. To make things more difficult, the night was dark, Ralph's flashlight was in the tackle box and the bass was trying to get the line tangled in the weeds. Elery Nellans, who was fishing nearby, came to the rescue with a landing net.

**OFFICE GIRLS PROMOTE BIRTHDAY PARTY**—The office girls at the Northern Indiana Cooperative, last Wednesday, fixed up a little surprise birthday party for Manager Ed Ward. The girls, Phyllis Boyer, Mrs. John Miller, Julia Nelson, Eleanor Rush and Velma Coplen, had provided three cakes—one complete with lighted candles—and two pots of coffee. At a given time the employees of the hardware, oil station and mill marched in on Ed. The bottom view shows Ed carving Cake No. 1, with two more in reserve. (The party was slightly delayed as the 15-amp. fuses in the light circuit wouldn't hold up under the load of two electric percolators.)

## PALESTINE NEWS

Mrs. Edison Vandermark

Mr. and Mrs. Herbert Riley, of Muncie were Sunday evening visitors at the Bert Rickel home.

Mrs. Edison Vandermark spent Friday afternoon with Mrs. Goldie Powell of near Leesburg.

Mrs. James Rose held a Stanley party at her home Wednesday morning.

Mr. and Mrs. Joe Stickler spent Sunday afternoon with the latter's father, Joe Leiter, of the Mt. Pleasant community.

Everyone should get in the spirit of the "Go to Church" movement which will be Oct. 17. Let's all work to have all of our churches filled that Sunday and continue throughout the year.

Mrs. Wm. Klaar and Mrs. Edison Vandermark attended a 'Go to Church' meeting held in the Warsaw Methodist church Monday evening.

Mr. and Mrs. Eldon Horn and two daughters, Cheryl and Karen, spent Sunday afternoon with Mr. and Mrs. V. Cumberland of near Beaver Dam.

Mr. and Mrs. Howard Hudson spent Sunday afternoon with Mr. and Mrs. Bert Rickel.

The Palestine Busy Bees of '53 held their anniversary dinner party at the Petro restaurant Tuesday evening. After their dinner they spent the evening at the home of Mrs. Orval Secor of Warsaw.

Mr. and Mrs. Cleon Overmyer and son Michael and daughter Mona Lynne were Sunday dinner guests of Mr. and Mrs. Floyd Blackwell.

Mrs. Ray Willtrout and Mrs. Ada Brown called on Mrs. Hubert Shilling Monday afternoon.

Mr. and Mrs. Floyd Blackwell called

on Mrs. Hubert Shilling Monday afternoon.

Homecoming will be observed at the Palestine Methodist church, Sunday, Oct. 10. Basket dinner at noon. Program in the afternoon. Rev. Laurence Smith of Etna, a former pastor, will be the speaker. Everyone welcome. Come and enjoy the day with us.

### P. T. A. OCTOBER 13

What do you think of the teenage driver? Is he a good driver or a poor one? Come to the PTA meeting Wednesday, Oct. 13, at 7:30. At that time there will be a panel discussion on "Student Driving and Safety Problems."

County Superintendent Glen Whitehead will serve as moderator. Panel members are Wm. Hunter, editorial safety director of the Indiana State

Police; Glen Longenecker, principal of the Syracuse school; Gale Metzger, driver training instructor, and John Humes, vice president in charge of claims of an auto insurance company.

This program is one of great interest and it is hoped that the students of driving age will come to hear it, too.

# **DATES SET FOR OVERSEAS CHRISTMAS MAILINGS**

Christmas parcels for members of the armed forces serving overseas should be mailed between the period Oct. 15 and Nov. 15. Parcels for Japan, Korea, and the islands of the Pacific should be mailed as early as possible, preferably not later than Nov. 1, in view of the distances involved. Air Parcel Post intended for personnel of the armed forces serving overseas or on naval vessels should be mailed not later than Nov. 25. Air parcel post mailed after this date cannot be assured of delivery before Christmas. The movement of air parcel post by air from the ports to overseas areas during the Christmas mailing period will be contingent upon the military requirements. Therefore, the Post Office Department can guarantee transportation only to the ports

of embarkation. Air parcel post is limited in size to 30 inches in length and girth combined and 2 pounds in weight.

Parcels addressed to APOs and FPOs through New York, N. Y. and APOs through New Orleans, La., are subjected to certain prohibitions. Persons sending parcel post through these APOs and FPOs should check with the post office so as to find out what articles can and cannot be sent and as to the other requirements applying.

The term "Armed Forces Overseas" includes military and civilian personnel who receive their mail through an APO or FPO.

Boxes for overseas must necessarily be of strong construction on account of the great distance these parcels must be transported. The post office department recommends that all fiber-board boxes be wrapped in heavy paper and all parcels be securely tied with

strong cord. Address must be legible and prepared in typewriting or ink. It is preferable that the outside addresses be hand-printed directly on the wrappers rather than on labels pasted to the wrappers. It is highly desirable that a slip of paper containing the names of sender and addressee together with a

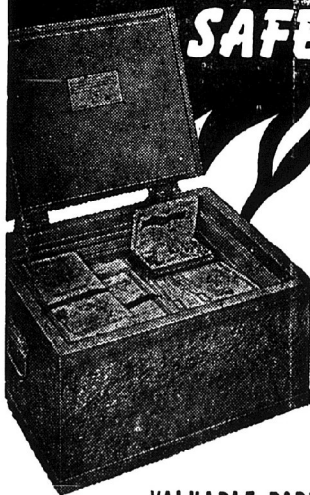

list of the contents be enclosed in each parcel to provide identification in the event the address becomes defaced or the parcel becomes broken open.

**FROM THE SKYWAYS TO THE HIGHWAYS**

**FOR MILITARY USE** Phillips originated new super-power aviation fuel components—DI-isopropyl (pronounced di-iso-pro-pull) and MF Alkylate. These made possible more powerful, higher anti-knock fuels for combat aircraft.

**RESTRICTED** for use in high performance aviation gasoline, these powerful components have for years been on U.S. Government priority. But now restrictions have been relaxed and Phillips is able to use them in automotive gasoline.

**TODAY**, DI-isopropyl is available to motorists exclusively in a new gasoline called Phillips 66 Flite-Fuel. It gives increased power, greater fuel economy, higher anti-knock quality, freedom from stalling . . . and it's clean-burning!

## MORE BLOOD DONORS NEEDED

With the visit of the Red Cross Bloodmobile Unit just a week away, plans are well underway by Kosciusko county volunteers and Mentone workers as well.

As was previously announced, the visit will be Thursday, October 14, at the Mentone Methodist Church. Appointments may be scheduled from 10:00 a.m. to 3:45 p.m. by calling the Red Cross office in Warsaw or by calling Mrs. Charles Manwaring or Mrs. Vance Johns of Mentone.

It is urged that Mentone residents

and also those residing in neighboring towns respond to this call for blood donations. It is necessary to schedule 148 appointments in order to meet the expected quota of 125 pints of blood.

Those planning to donate blood are urged not to come hungry, but to avoid fatty foods 4 hours before coming.

Recommended breakfast:

Fruit

Poached or boiled egg

Coffee or tea without cream.

Bread with jam or jelly—no butter.

Recommended lunch:

Vegetables without dressing

## To See Purdue-Duke Football Game

Forty-one high school pupils will attend the Purdue-Duke football game at Lafayette this Saturday afternoon. The students plan to leave Mentone about 8:00 by bus, spend some time touring the campus, attend the game, and return to Mentone right after the game. Mr. Kelley will drive the bus, Mr. Hoogenboom and Mr. Kent will also be along on the trip. This is an activity planned by the Mentone Student Council.

## School to Sell Season Tickets

This year the Mentone school will offer season tickets for the eight home basketball games. Tickets will go on sale at the high school office next week. Adult tickets are priced at \$3.50 for the eight games and student tickets are \$1.50. Tickets do not include admission to tournaments, but in case of a shortage of County or Sectional tickets as occurred last year, season ticket holders will be given preference.

## Report Cards to be Distributed

Next Wednesday evening report cards for the first grading period, which ends this Friday, will be given out. It is sometimes difficult to mark grades accurately during the first few weeks of school since children sometimes find it difficult to get back to studying after the summer vacation. It is especially difficult for new teachers to become acquainted with the pupils and the abilities of each. Parents are asked to sign the cards and return them to the school promptly.

## Athletic Fund Receives \$120.00

The Mentone School has received a check from the Indiana High School Athletic Association for \$120 as the school's share of a special distribution of the profits from the 1954 tournaments. Since 1932 each member school has received a total of \$1,337.00 from the regular and special distributions. During those years the Indiana High School Athletic Association has distributed a grand total of \$1,029,819.00.

## Senior Play Practice

The members of the Senior Play cast have been practicing almost every night in an effort to have the play ready by Friday, October 15. The play will be given two nights this year, October 15 and 16. On Saturday evening, October 16, the Junior Class will serve a Penny Supper in the school cafeteria. This will make it possible for school patrons to eat at the school and attend the play the same evening. Tickets for the play are now on sale. See any senior.

## Basketball Practice Underway

Basketball practice got underway last Friday evening with 29 boys reporting. Those trying out for the teams this year are: Freshmen; Junior Bare, Bill Hudson, Larry Mellott, and James Manwaring; Sophomores: Fred Anderson, Glenn Davis, Tom Hoover, Larry Horn, Larry Long, Dwayne McKinley, Ronald Secrist, Dale Kindig; Juniors: Doyle Baum, Royal Baum, Gary Hatfield, James Romine, Charles Ross, John Smith, Dick Tombaugh, Ted

Ward, and Jerry Secrist; Seniors: Larry Boggs, Rex Dickey, Garwin Eaton, Bob Holloway, Larry McKinley, Bill Nellans, Francis Rickel, Junior Shirrey. The first game is at Mentone on November 5 with Bourbon.

## Students Choose Yell Leaders

Yell leaders for the high school were selected by the students on Monday under the direction of the Student Council. Those selected were: Betty Griffis, Sandra Witham, Dee Wagner. This year the students decided also to have second team yell leaders. Those selected were: Leah Nell Lemler, Janet Romine, and June Romine.

Mr. Borton and Mr. Morrison attended a meeting of all school custodians of the county at Milford on Monday.

Mrs. Harold Markley has given the school library several volumes of the Harvard Classics. The school appreciates such contributions to help build up our school library.

## 4-H CLUB CHATTER

By Ruth Snellenberger

Dear 4-H Parents and Friends,

Because I wish to chat about leaders I have addressed this column particularly to "4-H Parents and Friends." Have you guessed already? Leaders are needed for the 1954-1955 4-H club year.

Last week I suggested areas in the county where there surely are girls interested in a small 4-H club. This chatter about leaders, I hope, will answer questions from persons in those and all areas of the county about advantages of being a 4-H leader.

What are the advantages of being a 4-H adult leader?

First, she learns right along with the girls. Many mothers who are leaders make this comment. They say they learn about new and approved practices in homemaking activities — an easier method for putting in zippers, information about lighting needs, correct measuring, recommended parliamentary procedure, and so forth.

Second, she gains poise in appearing before groups. Several leaders have told of learning about 4-H members giving demonstrations and of preparing some themselves to give before their club groups as an example.

Third, a leader achieves a satisfaction of having helped youth in her community to grow in leadership and in getting along with others as well as to grow in project experiences. The

club experiences under the guidance of a good leader helps girls and boys apply democratic principles in taking part in meetings, assuming responsibilities, and so forth.

Fourth, a home economics adult leader has the satisfaction of helping girls prepare for their future job as a momemaker. I've had girls, now married and with families of their own, say that the experience of being in charge of family meals for a week or two (a requirement in division V, food preparation) was certainly particularly helpful.

Fifth, a leader is a recognized member of her community and of her county. In Kosciusko County as well as many other counties in the state, the Chain Store division of the Retail Merchants Association give a dinner and present pins and/or certificates to leaders. A bronze 4-leaf clover pin is given for first year service as a leader; a silver for completing five years as a leader and a gold pin for ten years

as a leader. Certificates are given for the in-between years. There are other pin awards for higher number years service.

Who can be a leader? Any mother or interested person in a community who likes girls and boys and is interested in helping them could be a leader. Such a person would need to be able to give time for local club meetings and to attend as many county adult leader meetings as possible, would want to help give project instruction whenever she could, would need to give encouragement when sometimes interest begins to lag, and would need to be patient, kind, understanding, and so forth.

How much instruction should a leader give? During the first year a leader will probably have little time to give much project instruction. Once she is familiar with enrollment, demonstration, judging, and record book requirements, then she would be able to set some time aside at meetings for

instruction or feel that she could take a particular project group in her home for instruction. A leader is not expected to be proficient in all phases of homemaking! ! ! Perhaps the leader is recognized as a successful baker in the community. A lady in the community who sews well might be named on the advisory committee and could give the instruction in clothing.

Training meetings arranged by the county extension office give training in some places for adult and junior leaders to take back to local club members.

Next week I'd like to discuss local club organization and to give information about enrollment practices and policies.

'Bye now.

## METHODIST CHURCH NEWS

Fifteen members of the local church, including the Pastor, attended the Spiritual Life Rally held in the Warsaw Methodist Church on Tuesday evening of this week. The program was in charge of the Board of Lay Activities of the South Group Churches: Mr. Donald Poulson of Etna Green, chairman, presided. Mr. Homer Roose, Conference Lay Leader, led in prayer; and Mr. Evans, the District Lay Leader spoke words of appreciation for the speaker and made announcements concerning Lay Man's Sunday, November 7.

A very brief First Quarterly Conference, which included the filing of reports by the Pastors, was conducted by Dr. Thurman Morris, District Superintendent. The important part of the service, however, was the address or sermon by Dr. Joseph T. Edwards, general chairman of the Spiritual Life Mission from the Board of Evangelism in Nashville. He spoke emphatically on the sin of "Bargain Counter Religion," trying to purchase our religious experiences too cheaply.

This service, directed and sponsored by laymen, was geared in with the Spiritual Life Mission of October 17-24, when the local church will have its missioner, the Rev. Ray M. Mitchell of the Rossville Methodist Church in the Crawfordsville District.

Mr. Mitchell is a graduate from the Shelbyville High School, Franklin Col-

lege, DePauw University, and Garrett Biblical Institute. He is a young man who for two and a half years served in the Navy during World War II. He is married and the father of a daughter and son. He has served the Jolity Methodist Church, the Brazil Larger Parish, and the Yeoman Methodist Church prior to the Rossville appointment. He will direct our visitation and speak at each service.

This Sunday is Rally Day in the Mentone Methodist Church. A special program is prepared for the service with participation by children, youth, and adults. All members and friends are cordially invited.

This Thursday night is Choir Rehearsal at 7:15 and Official Board meeting at 8 o'clock. The Commission on Membership and Evangelism and the Committees for the Spiritual Life Mission are invited to meet with the Board.

A Junior Choir is meeting after school each Monday afternoon. If you are in grades 4 through 6 in public school, you are welcome to participate.

The Methodist Church will participate in the County-wide Go-To-Church-Sunday Program.

## CHURCH OF CHRIST NEWS

The Fall meeting of the church started last Sunday and Mr. Wayne Porter arrived on Monday to assume the work of preaching for this meeting. The attendance has been fine in the meeting thus far with crowds totaling for Monday and Tuesday of 191. The services will continue each evening at 7:30 P. M. through October 17, except Saturdays. Mr. Porter will be speaking on Sunday at the morning hour also . . . 10:30 o'clock.

Sunday morning, just as Mr. Grant got in the position to speak he became ill and the burden of speaking fell on Mr. Delois White, who was visiting in town. Mr. Delois White lives in Kokomo now but was originally from Mentone. A fine lesson was received by the large audience present and we thank Mr. White. The illness was temporary, brought on by some unknown

food poisoning and Mr. Grant was able to assume the task of preaching at the evening service.

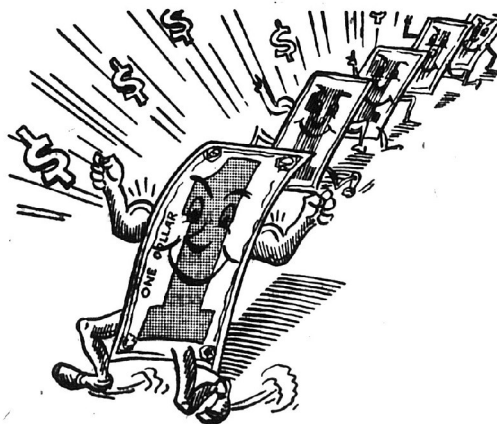

We invite you of the community and surrounding communities to come and be with us in our services.

### SHAKE HANDS BEFORE AND AFTER CORN HARVEST

Farmers who are going to operate a corn picker this fall might first try tying their shoes with their fists, suggests R. M. Lien, agricultural engineer of Purdue University.

Unless time is allowed to observe safety precautions, the corn harvesting period, just starting, will take its annual toll of lives and hands. A few years ago the corn picking period required months instead of weeks. Development of the picker subtracted harvest time but multiplied the number of dead, maimed and crippled farmers.

Don't set out each morning to break the record of the previous day, Lien advises farmers. He suggests they "quit for the day before fatigue brings on clumsiness.

Gauge the speed of operation according to conditions, as would be the case in safe operation of a car on the highway. Always stop machine and shut off motor to make adjustments in the field. Prevent need for many adjustment stops by having the picker in proper working condition before going into the corn, thus heading off many accident situations.

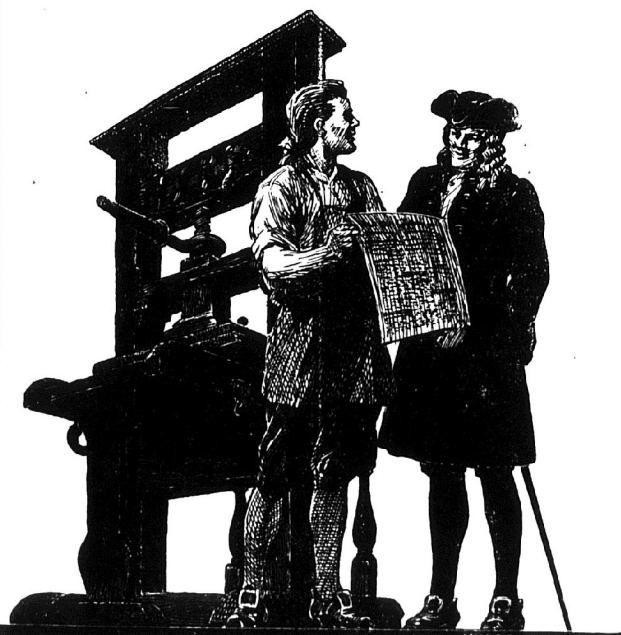

Loose clothing can be dangerous around machinery. The extra thumb sewed on work gloves to permit wearing both sides could prove to be costly, instead of economical, when operating a corn picker.

An added precaution, highly recommended, is carrying a fire extinguisher. Stop the machine occasionally and remove accumulated trash so a chance spark won't start a fire. Replace glass sediment bulb with metal and be careful about smoking in dry corn.

## OUR DEMOCRACY—by Mat

"We see by the papers..."

A SMALL NEWSPAPER ADVERTISEMENT OF LESS THAN 150 WORDS LAUNCHED THE CITY OF RICHMOND, VIRGINIA. IT RAN IN THE VIRGINIA GAZETTE AT WILLIAMSBURG 217 YEARS AGO AND WAS SIGNED BY WILLIAM BYRD, WHO OFFERED LOTS ON THE JAMES RIVER TO THOSE WHO WOULD BUILD HOUSES ON THEM.

THE LOCAL NEWSPAPER, THROUGH THE NEWS AND ADVERTISING IT PUBLISHES, CONTINUES AS A GREAT ECONOMIC AND CULTURAL MEETING-PLACE FOR THE COMMUNITY. WHETHER HELPING TO ESTABLISH A CITY OR SELL A SACK OF POTATOES, ITS COLUMNS ARE DEDICATED TO THE PROPOSITION THAT TRADE AND THE FREE INTERCHANGE OF INFORMATION KEEPS PROSPERITY GOING IN OUR DEMOCRACY.

## DO YOU RECOGNIZE THIS SET OF FARM BUILDINGS?

## WHOSE FARM IS THIS?

Can you identify the farm pictured above? This is another of the farm pictures to be printed in the Co-Op. News, and as no one knows whose farm it is, can you help identify it? There's no prize to the first to tell us whose farm it is, but it is interesting to know who can be first in reporting the information to this newspaper.

Call, phone or write us if you believe you know the farm.

The owner of the farm pictured in our last issue hasn't called to identify it, but Leroy Norris phoned that it was the Earl Zent farm, and one or two made a verbal identification to the editor that was the same as that of Mr. Norris.

The series of farm pictures are nearing an end, so try your luck at identifying the few that we have left to print.

**CLYDE EMMONS, 74,  
DIES IN LOGANSPORT**

Clyde Emmons, 74, well known barber of Logansport, died at 6:30 a. m. Sunday in the St. Joseph hospital in that city following a lengthy illness. A native of Fulton county, he was born at Talma on May 26, 1880. His parents were George and Sarah (Brum) Emmons. He was a member of the Ninth Street Christian Church of Logansport.

Surviving are his wife, Catherine; a son, Paul, of Buffalo, N. Y.; four brothers, Glen of Talma, Grover of Logansport, Verine of Ocean View, Va., and Ray of New Carlisle, Ind.; three sisters, Mrs. Faye Long of Talma, Mrs. Perry Sayger of Logansport, and Mrs. Letha Shanks of Tyner, and two grandchildren.

Funeral rites were held at two p. m. Wednesday at the Kröger funeral home in Logansport. Burial was in the Mt. Hope cemetery, Logansport.

**LEGION HOME ROBBED**

Last Thursday night as John Ellsworth was opening the Mentone Legion home for its regular Thursday night use by the members, it was discovered that burglars had visited the place. Approximately \$20 in cash was taken from a cash register and the record player.

The break-in was investigated by the county sheriff's department.

A delightful birthday and wedding anniversary party was enjoyed at the home of Mr. and Mrs. Merl Linn, the evening of October 6. The occasion was the birthday of Mrs. Ray Linn and wedding anniversary of Mr. and Mrs. Ray Linn. Mr. and Mrs. Bert Rickel of Palestine, were present also.

**RECEIVES 25-YEAR AWARD**

C. E. Walburn, well known insurance man of Mentone, who represents the Continental Insurance Company, a member company of the America Fore Insurance Group, has just been presented with the company's gold medal, a token of more than twenty-five years representation of the company. The presentation was made by William A. Hake, fieldman for the company, and accompanied by a letter from President Frank A. Christensen, which said:

"It is with great pleasure that my associates and I welcome you into the 'Old Guard'—that association of loyal agents and company employees who have been connected with companies of the America Fore Group for at least twenty-five years.

"Our company has grown and prospered greatly during the period of your association with it and we wish to acknowledge your contribution to this success.

"We thank you for your loyalty and sincerely trust that your splendid representation of this company will continue for many years to come."

**CIGARETTE BLAMED FOR CRASH**

Cigarettes are being blamed for lung cancer by medical authorities, but a Marshall county man Friday blamed one for causing a wreck.

Harold G. Jefferies, 22, R. R. 1, Tippecanoe, told State Trooper John Hatch that he dropped a lighted cigarette on the floor of his 1950 Ford as he was driving through Talma Thursday at 6:35 p. m. When he leaned over to pick it up, Jefferies told Trooper Hatch, he lost control of his automobile. The car crashed into a parked 1949 Ford belonging to Oakley Rigney and pushed it into a parked 1940 Dodge owned by Gerald Bannan.

Trooper Hatch, who arrested Jefferies on a charge of reckless driving, estimated damage in the freak accident at \$300 to the Jefferies car, \$250 to the Rigney auto, and \$50 to the Bannan vehicle.

**CLUB CALENDAR**

**SENIOR CLASS PLAY THIS  
FRIDAY AND SATURDAY**

The Senior play, "Rest Assured" will be presented in the high school gymnasium on Friday and Saturday evenings of this week. The play is a three-act comedy produced by special arrangements with the publishers. Some of the same pupils who appeared in last year's play will have leading roles in this production. The play will start at 7:30 each evening and is a two hour production. All members of the senior class are selling tickets and there will be tickets on sale at the door. On Saturday evening, the Junior class will serve a penny supper from 5:00-7:00 in the school cafeteria. Many school patrons are planning to attend the supper and see the play afterward.

**99 HEAD SOLD AT PURE-  
BRED HAMPSHIRE HOG SALE**

The 19th sale of the Kosciusko Hampshire Breeders was held at the fair grounds on Tuesday evening of last week, with 99 head selling for over \$8200. Buyers were present from four states.

A boar from the Leroy Norris herd brought top money of \$160 and a gilt from the Robert Hoover herd brought top money of \$135.00.

**HAVE NEW DAUGHTER**

A daughter, Suzanne Lynn, was born Sept. 27 to Mr. and Mrs. C. James Paris of Granada Hills, California. Mrs. Paris was the former Gloria Jean Cook, granddaughter of Mrs. Effie Personett and Mr. and Mrs. William Cook.

**ADMITTED TO McDONALD**

Mrs. Mahlon Jefferies and Milo Grifis, of Mentone, were admitted to the McDonald hospital at Warsaw Tuesday.

**FALL HORSE SHOW AND  
RODEO AT TIPPECANOE**

The fall horse show and rodeo of the Tippecanoe Saddle Club, Inc., will be held at the Lester Anglin farm, one mile south of Tippecanoe, on Sunday, Oct. 17, starting at noon. Rain date is Oct. 24.

\$100 in trophies and \$80 in merchandise certificates will be given away.

**TALMA BOYS PUT OUT FIRE**

Alertness on the part of two Talma youth averted a possible tragedy Saturday afternoon. Jerry Duzan, 18 year old son of Mr. and Mrs. Joe Duzan, and Larry Simpson, 15 year old son of Mr. and Mrs. Noel Simpson, put out a fire caused by an oil cooking stove explosion in the Talma home of Mr. and Mrs. Raymond Mays.

The youth were riding past the Mays home on a motor scooter when Mrs. May called to them for help. They ran into the house, threw sand on the stove and carried it outdoors before the flame caused any damage.

The Mentone fire department was called, but the fire was out when the truck arrived.

**PARENTS OF DAUGHTER**

Mr. and Mrs. Stanley Sowerwine, of Franklin Park, Ill., are the parents of a seven pound, four ounce daughter, Nancy Lou, born Thursday night at the Elmhurst hospital. Grandparents of the infant are Mr. and Mrs. Ernest Sowerwine and Mr. and Mrs. Hobart Creighton, rural route, Warsaw.

**PARCEL POST PACKAGES  
FOR FOREIGN COUNTRIES**

Unless already known to them, persons desiring to send Christmas packages to foreign countries should check at the post office in advance for information as to import regulations for the various countries and the number and kind of customs forms required per parcel, etc. Parcels in all cases must be enclosed in strong boxes.

Owing to the long sea transit frequently involved in the transmission of parcels by surface means, and to customs inspections and other formalities to which parcels may be subjected in the countries of destination, it is recommended that mailings be made as early as practicable to assure delivery by Christmas day. Senders can be reasonably sure that parcels mailed not later than the dates shown below will reach their destinations before Christmas.

## MENTONE MOTORS, Inc.

MENTONE, INDIANA

**4-H CLUB CHATTER**

By Ruth Snellenberger

Dear 4-H Parents and Friends,

**WHAT IS 4-H WORK?** Four-H is an organization for rural girls and boys to help them to do better the jobs they help to do at home. Hence, the motto "To Make the Best Better." For example a girl may already help can and prepare foods for the freezer. There are new and better ways for doing these things which a girl may learn through the 4-H food preservation project. Another example is in clothing where through 4-H a girl may learn new developments in clothing construction.

**WHO MAY JOIN?** Anyone who is from 10 to 20 years of age, inclusive, sometime within the current calendar year. One advantage of this lower age limit is that girls are then interested and excited about helping mother in the kitchen. Through 4-H work this interest can be guided.

**HOW DO YOU JOIN?** By signing an enrollment card available through the county extension office, one becomes a member. In signing, the member agrees to complete the requirements of the project or projects she or he checks to participate in. The signature of both the parents and the adult leader are required to approve and encourage the member.

**WHAT MUST BE DONE TO COMPLETE A PROJECT?** To complete a project enrolled in, one must do the required work listed in the project record book, keep the record requested and fill out remainder of record book, read the information in the project bulletin, attend as many club meetings

as possible, participate in judging and in a demonstration, exhibit the required items at the county fair, and turn in the completed record book. A member must do her or his own work. The bulletins and record books are available through the county extension office.

**WHAT DOES IT COST TO JOIN?**

There is no membership fee for joining 4-H. What clubs do to provide refreshments at meetings vary. Some ask each member to give five cents, others have members take their turns providing refreshments, and some others have bake sales to make a little money.

**WHAT IS GAINED BY BEING A 4-H MEMBER?** In addition to the project instruction (more is planned for 1955 than previous years in girls' work) the girl or boy (1) learns behavior in a group—consideration of wants of others, to take turns, to be quiet when others are talking, to understand one does not always win, to practice parliamentary procedure; (2) learns how to organize equipment and information to "show how" (demonstrate) to do something; (3) has an opportunity to develop leadership by being an officer in the club, serving on committees, and by helping younger members; (4) has an opportunity to develop ability to make wise choices through judging activities where several items are studied before selecting the best one, and (5) has an opportunity to achieve many awards of ribbons, medals, trophies, trips, and so forth.

Are there other questions about 4-H work?

In my opinion there is no other organization which helps prepare girls for their future job as a homemaker and as a citizen in a democratic com-

munity as well as 4-H work. And in such a practical way, too.

'Bye now.

Sincerely,

RUTH R. SNELLENBERGER,  
4-H Club Agent for Girls' Work

## DO YOU RECOGNIZE THIS SET OF FARM BUILDINGS?

## WHOSE FARM IS THIS?

Can you identify the farm pictured above? This is another of the farm pictures to be printed in the Co-Op. News, and as no one knows whose farm it is, can you help identify it? There's no prize to the first to tell us whose farm it is, but it is interesting to know who will be first in reporting the information to this newspaper.

Call, phone or write us if you believe you know the farm.

The farm pictured in our last issue was the 200-acre farm owned by John and Charles Urschel, of Tippecanoe. It lies five miles northwest of Mentone and has been tenanted since March first by Mr. and Mrs. Albin Anderson. The farm has been in the hands of the Urschel brothers for the past 16 to 18 years, and about 175 acres are in pasture and farm lands.

They keep about 1200 laying hens, milk about 20 head of cattle and feed out about one hundred hogs a year.

Mr. and Mrs. Anderson have one daughter, Janice, aged three years.

The farm pictured in our September 22 issue was that owned by Frank Nellans and Harry Sponseller, and is located about a half mile west and three quarters of a mile south of Mentone. Lester and Doris Grubbs are the tenants on the farm. They have one daughter, Beverly Kay, aged seven.

General farming, including hogs, chickens and beef cattle, is conducted on the farm.

SEED A WINTER COVER  
CROP ON THE GARDEN

A winter cover crop on the garden has several advantages, according to W. B. Ward, Purdue University department of horticulture. It keeps the soil from blowing or washing, holds the available plant foods which will add much needed organic matter when plowed under next spring. The winter cover crop will also add color to the garden during the bleak winter months ahead.

Rye, wheat, and in some localities, winter oats or barley may be seeded during October. Ward advises that the seed may be broadcast by hand and worked into the soil with a small garden tractor. The small amount of seed used on the garden is a very small investment, when compared to the dividends and benefits received from next year's garden.

(With the heavy rains the past few days, you may have to use a rowboat to do the planting.)

Sheep growers will want to inspect the udders of ewes this fall. Henry Mayo, Purdue University animal husbandry extension specialist, says every ewe with a spoiled udder should be disposed of; because her lamb will not have a fair chance next spring. Lamb profits depend on how much milk the ewe can produce.

## FALL DRIVING PROBLEMS

The Chicago Motor Club gives this advice to motorists who find their autos stalled because of wet ignitions:

1. Raising the auto hood may provide enough circulation to dry off the plugs and ignition wires.
2. Should this not work, spark plugs may be wiped dry with either a dry cloth or one wet with kerosene. The ignition MUST be turned off before attempting to dry plugs.
3. If neither of these procedures help, then the motorist should seek expert help.

Motor Club road service experts pointed out that after driving through water puddles, brakes often will slip. They advised trying the brakes several times before entering heavily trafficked areas, after leaving a wet area.

Motorists should be cautious about parking their cars off roads or on shoulders until the ground dries thoroughly. The heavy rains have undermined many dirt areas.

There is a danger of ground giving way under the weight of an auto in such areas, and also in new housing developments where ground around the driveways has recently been filled in, warned the club.

AT THE  
MENTONE METHODIST CHURCH

This Sunday, Oct. 17, at 9:30 a.m.

and  
Sunday through Friday, Oct. 17-22  
at 7:30 p.m.

REV. RAY M. MITCHELL,  
Speaker

A special service for children of kindergarten and Primary ages will be held in the Junior Church Room each evening as well as on Sunday morning. This will follow the song service of each program.

The Methodist Church is co-operating in the County-wide GO-TO-CHURCH-SUNDAY Program and emphasizes the need of regular church attendance as an important holy habit.

### LIONS PLANNING BIG PANCAKE SUPPER OCT. 30TH

The Mentone Lions Club has made plans for a big pancake supper to be held in the school gymnasium on the night of October 30th. Here you will be able to eat all the pancakes and sausage you can hold—and still get a free package of Pillsbury pancake mix to take home. The price is only a dollar, and tickets will be on sale tomorrow. Children's tickets will be 50c with no free pancake mix.

It is believed that the club plans to arrange a program of entertainment for the same evening. Watch for further announcement.

### BANKERS TOUR FARM CO-OP PLANTS

A news release from the Indiana Farm Bureau Co-op. Association says: There was a time not so long ago when bankers looked slightly askance at farm cooperatives. Today, they take time out to go and visit these growing farmer-owned enterprises and see what makes them tick.

Twenty-six representatives of banks of west central Indiana are spending three days (Monday, Tuesday and Wednesday) this week to visit the co-op plants in Indianapolis and other cities of the state.

Monday they toured the oil refinery

of Indiana Farm Bureau Cooperative Association at Mt. Vernon.

Tuesday they saw the co-op's warehouses and fertilizer plant at Indianapolis. After a dinner at the co-op's employee restaurant they heard Marvin J. Briggs, general manager, describe how the co-ops affect the local community in which they are located and what they do to make agriculture and the family farm more prosperous. During the first eight months of 1954, he said the co-ops distributed farm supplies worth \$36,520,521, or more than 15 per cent above the same period of 1953.

Wednesday they will see the co-op oil blending plant at 733 West Henry Street, the big terminal grain elevator at Beech Grove, and will go to Thornton where they will see anti-hog cholera serum produced in a co-op-owned plant and to Crawfordsville, where a seed-cleaning plant is operated.

This is a part of a planned program by which the co-op hopes to make

bankers throughout Indiana more familiar with its operations.

Houseplants which have been enjoying a vacation out-of-doors should be cleaned of insect pests before bringing them indoors. A general purpose spray or a spray of nicotine sulphate or malathion will usually take care of infestations of aphids, mites, mealy bugs and white flies. If not controlled before bringing indoors, these pests may build up large numbers and be difficult to control.

### THE BLOODMOBILE

### ENTIRE BIBLE IS RETOLD IN PICTURES FOR SUNDAY SCHOOLS

THE STORY OF

## The Creation

from Genesis

IN THE BEGINNING GOD CREATED THE HEAVEN AND THE EARTH. WATER COVERED THE EARTH, AND THE DARKNESS WID IT. UNTIL GOD SAID, 'LET THERE BE LIGHT' AND THERE WAS LIGHT. THAT WAS THE FIRST DAY.

NEXT, GOD MADE THE DRY LAND APPEAR. GRASS, PLANTS AND TREES SPRANG UP AND GREW AT GOD'S COMMAND. THAT WAS THE THIRD DAY.

ON THE SECOND DAY GOD MADE THE SKY TO HOLD THE RAIN CLOUDS ABOVE THE EARTH.

ON THE FOURTH DAY, GOD MADE THE SUN, MOON AND STARS TO APPEAR IN THE SKY. NOW THERE COULD BE REGULAR DAYS AND NIGHTS AND SEASONS AND YEARS.

The story of Creation (above) begins the complete story of the Bible in full-color picture strips for use in Sunday schools throughout the country. "Our Bible in Pictures" is a new feature of Sunday Pix, a 12-page picture weekly that is distributed to more than a million Sunday school students of all denominations. It is the first time such a project has ever been undertaken for Sunday schools. Editors estimate it will take three or four years for the entire Bible, from Genesis to Revelations, to be pictorialized in weekly installments. The David C. Cook Publishing Company of Elgin, Ill., which produces Sunday Pix, decided to undertake it because it feels that cartoon strips, which have been used so long and successfully by newspapers to entertain their readers, are a particularly effective educator. "Our Bible in Pictures" is expected to give its young readers a religious background they will never forget.

**TALMA PTA MEETS**

The first meeting of the Talma PTA was held at the Talma school building Friday night. Preceding the meeting was a chili supper, proceeds of which will go to the music department of the Talma school. The band played a few

selections under the direction of their new instructor, Mr. Schultz. A silent auction of donated articles was also held.

The meeting of the parents and teachers was then turned over to the new president, Mrs. Lena Eaton. Officers for the ensuing year are: vice

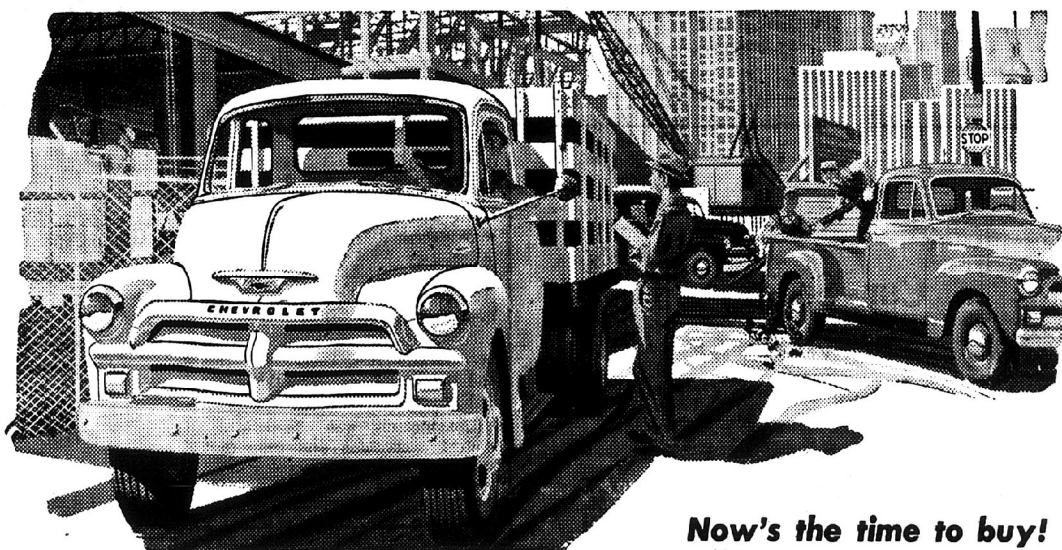

president, Mrs. Everett Rathfon; treasurer, Miss Mary Norris; secretary, Mrs. Charles Miller; pianist, Miss Marilyn Rathfon; chorister, Everett Rathfon; membership, Devon Eaton and Ronald Malott; publicity, Mrs. Byron Gordon; hospitality, Mrs. Sid Dick and Mrs. Richard Coplen.

Rev. Ruberg of the Talma Christian church, gave the devotions.

Teachers, both old and new, were introduced after which Principal Malott gave a report on the hot lunch program.

## THINK IT WON'T HAPPEN?

- We seem to always believe that the neighbor's car may not start . . . but ours will. That isn't always true. It just means that it hasn't happened to us yet . . . but it will if you expect it to go forever without mechanical care. Some folks have been late to work already this fall because their cars didn't start in the humid weather we've had. Is your wiring still free from shorts? Is there good compression and all gaskets sealing properly? Are the points and plugs up to par? Is the coil or condenser ready for winter? Do the brakes hold evenly and the steering safe for slippery roads? ONE WAY to be sure and safe is to have our mechanics give it a thorough checkup. Bring your car or truck in today.

Appropriate souvenirs of monkeys and map-napkins were part of the table settings. Group singing led by Rev. Willard Doyle included an Indian folk song. The speaker, Mr. Marion Baumgardner of Purdue University, spoke on the importance of the exchange-student program in the making of friendly relations around the world, but the high point of his message came in the presentation by colored slides and tape recordings of his own three-year service in India as an agricultural missionary. The still-primitive methods of farming on depleted soils in attempting to feed a large part of the world's population was evidenced in picture and by word.

The challenge for Christian youth to meet the needs of this world by being the hands, the feet, and the lips of Jesus Christ, stirred the minds and warmed the hearts of youth and counselors alike.

It was not without difficulty that some of the 470 youth and adult leaders attended the banquet, because several car and bus loads stalled in the high waters which still covered many of the roads in the Warsaw District.

Plans for the Spiritual Life Mission are about complete. The pastor will meet the guest speaker on Saturday afternoon at the introductory session at Goshen. Services, as announced in the advertisement, are Sunday morning and evening, and Monday through Friday evenings.

### LIONS SPONSORING SPELLING BEE AT PANCAKE SUPPER

Following the pancake and sausage supper being sponsored by the Mentone Lions Club on Saturday evening, Oct. 30th, there will be a spelling bee for students of the fourth, fifth and sixth grades of the schools of the Mentone area. Nine schools are invited to participate, and in addition to prizes of \$2 and \$1 in each grade, there will be a prize offered to the champion of the winners.

The sausage and pancake supper is expected to draw a large crowd. A \$1 ticket entitles an adult to all he or she can eat, and a free package of Pillsbury pancake mix will be given. Children of school age up to 12 years will be admitted for 50c and all children under school age will get their meal free. There will be no free pancake mix, however, given to children.

This is just another way in which the active Mentone Lions club is using to secure funds for carrying on the community charity work which they are constantly doing. One recent such good deed was to pay the cost of an operation for a lady who was losing her sight.

### MILLER

Mr. and Mrs. James Miller are the parents of a six pound, three ounce son, born Tuesday morning at the Woodlawn hospital. The new boy has been named Darrel Ray.

Grandparents are Mr. and Mrs. Leonard Boganwright, Mentone, and Mr. and Mrs. Joe Miller, Warsaw.

### MALLOTT

Mr. and Mrs. Ronald Mallott are the parents of a seven pound, eight ounce son born last Friday at the Woodlawn hospital. The new boy has been named Stanley Kevin.

### PARENTS OF SON

Dr. and Mrs. John Bodie, Salt Lake City, Utah, are the parents of a son, John Virgil, weighing seven pounds, 10 ounces, born Oct. 2 in that city. The grandparents of the infant are Mr. and Mrs. Hobart Creighton, Crystal Lake road, and Mr. and Mrs. Virgil Bodie, Los Angeles, California.

### ENLISTS IN WACS

Miss Beverly Jo Coleman, 18, daughter of Mrs. Marie Coleman, left Tuesday for Fort McClellan, Ala., for basic

training after enlisting in the Wacs. Miss Coleman was a member of the 1964 graduating class of the Mentone high school. Her enlistment is for a period of three years.

### SON IS BORN

Mr. and Mrs. Don Kinkead are the parents of a six pound, 14 ounce son born October 9 at the Bartholomew County Hospital, Columbus. The new boy has been named David Dean.

Mr. and Mrs. Vernon Nelson, of near Silver Lake, are the maternal grandparents.

Mr. and Mrs. Kinkead and family resided in Mentone several years ago when Don was employed at the Country Print Shop.

### CELEBRATES 80th BIRTHDAY

Forty relatives and friends gathered at the home of Mr. and Mrs. Gordon Young, Sunday, to celebrate the 80th birthday of Mrs. Mary Vandermark. With a pot luck dinner at noon, music and games in the afternoon, everyone had an enjoyable time. All left wishing Grandma Vandermark many more happy birthdays in years to come.

### BRIDAL SHOWER AT LINN HOME

On Friday evening, Oct. 15, Mary Edith Linn (Mrs. Larry Linn) was the recipient of many lovely gifts at a bridal shower held at the Ray Linn home at Mentone.

Those present were: Mesdames Lawrence Hudson, Claypool R. 1; Howard Hudson of Mentone; Raymond Hudson, Kenneth Leiter and Dick Kehoe of Warsaw; Bert Rickel of Palestine; Gerald Clinker of Akron; Gene Butts of Akron; Carl Metheny of Bourbon, Monroe Romine of Mentone, J. R. Baum of Winona Lake, Leo Linn of Elkhart; Miss Betty Mellott, Miss Janet Romine, Linda Sue and Dixie Lee Linn of Mentone; Miss Nancy and Lucy Heaton and Miss Howard of Winona Lake; Miss Karen Linn of Elkhart; Miss Wilma Clinker of Akron, and the guest of honor, Mary Edith Heaton Linn. Those unable to attend who sent gifts were: Mrs. Henry Robbins of Mentone and Mrs. Bolce Howard of Winona Lake.

Assisting Mrs. Ray Linn were Mrs. Merl Linn and daughters Dixie Lee, Linda Sue and Donna Lee and Mrs. Gene Butts. Contest prizes were given to the bride.

### DRUDGE — HIVELEY

Miss Gean Drudge, daughter of Mr. and Mrs. Wayne Drudge, Akron, and Mr. Marlin Hiveley, son of Mr. and Mrs. Lester Hiveley, Mentone, were united in marriage Saturday, Oct. 9, in a candlelight ceremony performed by Rev. David Gosser at the Methodist parsonage in Mentone.

The bride wore a beige street-length dress with hat to match, and brown accessories. Her corsage was of red rosebuds. The groom wore a navy blue suit with a white carnation in the lapel.

Attendants were the bride's sister, Miss Louise Drudge, who chose a beige dress with green accessories and red rosebud corsage and the bride's cousin, Leon Good.

Pictures of the wedding were taken by the bride's cousin, Keith Good. The couple is now at home near Mentone. The groom is employed at the Nellans Dressing Plant.

### CLUB CALENDAR

Those present were: Mr. and Mrs. Alfred Nelson of Sidney, Mr. and Mrs. Lewis Nelson and family from Marion, Mr. and Mrs. Bruce Nelson and son from Elkhart, Mr. and Mrs. Ted Nelson and family from Bristol, Mr. and Mrs. Paul Nelson and family from Mentone, Mr. and Mrs. Fred Floor and family and Julia Nelson from Mentone; Dick, Stanley and Lindy Nelson from Sidney, and Sally Green from Bristol.

Milo Griffiths is recovering from an operation performed in a Warsaw hospital last week.

Don Ernsberger is confined to bed at his home following a fainting spell suffered soon after he entered the Mentone Cafe last Thursday evening.

# INTERESTING DISCUSSION AT P. T. A. MEETING

Every two minutes around the clock someone under the age of 25 is killed or injured. Mr. Hunter, of the State Police, stated that the accident rate for the younger age group is about nine times the rate of middle aged drivers.

Concerned with the above statistics, a discussion of "Student Driving and Safety Problems," was arranged for the P.T.A. program. As moderator, Mr. Glen Whitehead asked if schools are responsible for student driving at noon and during the day. Mr. Longenecker, of Syracuse High School, said that while the school encouraged and promoted safe driving practice, the responsibility rests on the parent who allows the child to drive. He also said that usually students will go along with any rules, but that some parents will not cooperate.

Mr. Metzger, driving instructor for nine Kosciusko county schools, told how he tells his students that any moron can get attention by show-off driving, but that you must be good to

gain attention for good driving. Mr. Hume, of the claims department of an insurance company, says that while the young drivers are physically able to drive better than older drivers, their experience and judgment has not taught them caution. Most persons, old or young, do not realize what a powerful piece of equipment they drive.

During the discussion, one got the impression that all of the panelists were "for" the youngsters and wanted to help them to live safely.

Preceding the discussion the group had joined in a pledge to the flag. Mrs. Urschel gave the meditation, "Thinking of Others." Kenneth Riner announced that the program for next month will commemorate National Library Week.

Following the meeting refreshments were served in the cafeteria. During the social hour there was much comment on the interesting program, and regrets that more school patrons were not on hand to hear it.

## CHARGED WITH DESERTION

A former Mentone man, Roy R. Hoover, 30, was lodged in jail at Warsaw Sunday night by Sheriff Carl Latta on a circuit court affidavit charging him with deserting his wife and five children, who reside east of Mentone.

The affidavit was signed by Hoover's wife, Mary, who alleges that Hoover deserted the family on September 20. He was taken into custody in the Gary and Hammond area.

Hoover formerly operated a grocery and meat market in Mentone.

## DEMONSTRATION CLUB MEETS

The Mentone Home Demonstration club held its meeting at the country home of Mrs. Harry Vernett on Tuesday afternoon, Oct. 14, with 18 members and three guests present. Secretary Mrs. Howard Horn opened the meeting, and Mrs. Vernett gave the meditation by reading a poem entitled, "I Know."

Mrs. Raymond Weirick read the history of the song of the month, "Day Is Dying In The West," after which the group joined in singing.

Mrs. Harry Sullivan read the Health and Safety remarks which dealt with fire safety, emphasizing the keeping of the house free from waste materials, cleaning yards of dry rubbish and keeping garages clean and free from oily rags. Other things were keeping matches away from children, watching careless smoking, make chimneys safe and check the wiring.

After roll call, and the secretary-treasurer's report, the president, Mrs. Oliver Teel, conducted the business meeting. Plans were completed for family night which will be Tuesday evening, Oct. 19, with a carry-in supper at the school cafeteria.

A donation was voted to the "Go to Church" movement.

Report of the nominating committee was given and the following officers were elected for the ensuing year:

President, Mrs. Elmer Sarber.

Vice president, Mrs. Howard Horn.

Secretary, Mrs. Opal Tucker.

Treasurer, Mrs. Raymond Weirick.  
Publicity, Mrs. Gertrude Hill.  
Pianist, Mrs. Leroy Cox.  
Chorister, Mrs. Harry Sullivan.  
Health and Safety, Mrs. Blanch Paulus.

The flower committee is Mrs. Bertha Meredith, Mrs. Ada Meredith and Mrs.

Agnes Rans.

Gifts were presented to Mrs. Claude Gates, Mrs. John Laird, Mrs. Emra Anderson and Mrs. Claude Barkman. Silent auction was held which netted a goodly sum to the treasury.

Delicious refreshments were served by the hostess.

Mrs. Earl Smith and Mrs. Ollie Davis, of Rochester, both former members, and Mrs. Emma Meredith, were our guests.

The next meeting will be with Mrs. Leroy Cox on Nov. 11.

### BAPTIST CHURCH NEWS

A week ago last Monday evening a good number of our membership and friends met in the church for a little program in honor of the Burton Bartlings who were formerly members of our church while attending the Grace Seminary in Winona Lake. They are now residing in Argos where they will open and organize a new Baptist church in the near future. After the program the people went to the basement where the Bartlings were presented with a food shower. Light refreshments were served and a time of Christian Fellowship was enjoyed by all.

Last week the Ladies' Missionary Society spent another day out at our State Baptist Youth Camp at Crystal Lake to can food for next summer's camp season. This is the third such canning day our ladies have put in out there.

This week, they met on Wednesday in the church basement for an all day meeting to sew for the missionaries. Everyone appreciates the fine work that the ladies are doing.

The pastor is bringing a series of messages on the book of the Revelation on Sunday night. This book deals with the turn of events at the close of this age in which everyone should be interested. Everyone is invited to come and share in the blessings of the preaching of this book.

### MRS. SID DICK HOSTESS TO W. S. C. S. MEETING

The Women's Society for Christian Service of the Talma Methodist church met at the home of Mrs. Sid Dick for their October meeting. Mrs. Ann Staldine opened the meeting by reading a meditation, after which the Lord's Prayer was repeated in unison. Mrs. Ruby Good had charge of the Worship service using John 14:1-10 and a responsive reading, "The New Birth," after which she led in prayer. After the group singing, "Leaning on the Everlasting Arms," Mrs. Paul Trombauer gave the lesson on "The Assembly Hall in Milwaukee."

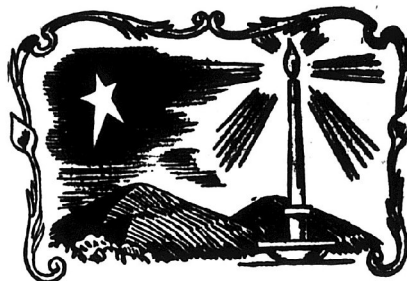

Group singing of "O Master Let Me Walk With Thee," was followed by roll call which was answered by Bible verses, then the Secretary and treasurer's report was read and approved.

Evelyn Dick read a letter on supply work and asked for donations to Mercy Center in Chicago and Mary Johnson Hospital School, which was approved. Nora Brockey gave, "The Puerto Ricans Fly to New York," from the study book.

Mrs. Arline Walters, president, is confined to her home by illness.

Rev. and Mrs. Paul Trombauer closed the meeting with prayer.

Mrs. Dick assisted by Mrs. Ann Staldine served refreshments to 15 members and four children.

## DO YOU RECOGNIZE THIS SET OF FARM BUILDINGS?

## WHOSE FARM IS THIS?

Can you identify the farm pictured above? This is another of the farm pictures to be printed in the Co-Op. News, and as no one knows whose farm it is, can you help identify it? There's no prize to the first to tell us whose farm it is, but it is interesting to know who will be first in reporting the information to this newspaper.

Call, phone or write us if you believe you know the farm.

Judging by the calls we had since

our last issue, the farm pictured was the Carl Mahoney farm, about six miles northeast of Mentone.

The first year's series of the farm pictures are nearing an end, and we still have four or five pictures that have never been picked up by the farm owners. These fine mounted pictures are free to the farm operator, and we want every owner whose farm is pictured, to have the pictures. Additional prints can also be secured at a small cost.

A pot luck dinner was held at the Earl Davis home Sunday honoring the birthdays of Mrs. Myrtle Davis and Diann Bitting. Present were Mr. and Mrs. Earl Leedy and family of Warsaw, Mr. and Mrs. Emory Davis and daughters of Etina Green, Mr. and Mrs. Howard Horn and family of Mentone, Mr. and Mrs. Royce Bemenderfer of Chili, and Mrs. Ruby Day and sons of Chili.

Mr. and Mrs. Harley Sprague and family of Royal Oak, Michigan, were Saturday and Sunday visitors of Dr. and Mrs. Orville McFadden and daughters.

Greta Latimer was a Sunday dinner guest of Mr. and Mrs. Raymond Lash.

Mr. and Mrs. Carey Landis and Mrs. Velma Shaffer visited the Cloyse Shaffer family Sunday afternoon at Plymouth.

Egg producers should guard against letting the first cool days of fall be the cause of a drop in egg quality; and a consequent reduction in the weekly egg check. This often happens when furnaces are started, because the heat dries out the basement where the eggs are held. Poultry department specialists at Purdue University advise sprinkling the floor and walls of the egg room. This will help prevent excessive evaporation and drop in quality of the eggs.

### CO-OP HARDWARE

#### 99 PINTS OF BLOOD CONTRIBUTED HERE THURSDAY

The Bloodmobile which visited Mentone last Thursday, collected 99 pints of blood during its six hour stay.

"The quantity collected was disappointing," said Mrs. Orrin Smith, general blood program chairman. "However, the continued heavy rains and general weather conditions likely was a factor in falling short of the quota of 125 pints," she added.

Chairman of the day was Mrs. Miles Manwaring, and other Mentone residents who helped were: Mesdames H. V. Johns, Charles Manwaring, C. E. Walburn, Artley Cullum, Jack Shinn, and Jerry Kralis, and Miss Martha Sullivan.

Factories and business places which sent donors were: Kralis Brothers, Nellans Dressing Plant, Manwaring Leghorn Farm, Midwest Spring Company, Farmers State Bank, Mentone Locker, Frank Manufacturing Company, Moltenhour Lumber Company and Northern Indiana Co-Op.

The Kosciusko Chapter of American Red Cross is in need of volunteers: 10 for canteen, 10 for motor service and

20 for Gray Lady. Canteen duty is preparing and serving food at Bloodmobile and other ARC needs, when necessary; Motor Service—to furnish transportation for Bloodmobile visits, and general chapter programs. Training course is three classes each, with Motor Service plus Standard First Aid Course. Gray Lady—serve convalescent patients in hospitals and nursing homes. Course: three classes and ARC First Aid. Classes begin October 28. Those interested call Local Red Cross by Oct. 22, Mrs. Howard M. Scott, chairman of Service Groups, Warsaw No. 4.

## To the Voters of HARRISON TOWNSHIP

Subject to the decision of the Voters at the Election November 2, 1954, I submit my qualifications and background for your consideration.

My family and I live on our farm northeast of Mentone. I was in business in Mentone for six years and have been a farmer for the past 8 years in Harrison Township. From such experience I am aware of the needs of both the Businessman and Farmer in our Township, and I firmly believe that knowledge of the problems in our township and willingness to work hard are important attributes of a good Trustee.

I was in the Army 33 months in World War II.

I am a member of the American Legion.

I have been a member of the Masonic Lodge 18 years.

I am now Sec. and Treas. of the Harrison Township Farm Bureau.

My wife Louise and I are the parents of two children, Jane and Mitchell and we are very interested that our children and your children be provided with good education and good school facilities here in Harrison Township. I have driven a school bus in our Township for 8 years.

If elected as trustee of Harrison Township I will treat everyone fairly and impartially and I will work hard to keep Harrison Township one of the best townships in Kosciusko County.

Your support will be appreciated.

### Good home lighting may mean the difference

between success and failure. Follow these simple suggestions and your child will never be at a disadvantage due to faulty lighting.

1. Eliminate dark shadows in the study room by having an adequate source of general light (ceiling or indirect light).
2. Have a lamp of at least 150 watts for reading (preferably diffused-type giving "soft" light).
3. Eliminate glare (have no unshielded lights within direct vision of child at work in the room).

Your child will be able to make the best progress in study with good lighting. And the suggestions may be used to benefit the whole family. Why not review your lighting needs today?

By Ruth Snellenberger

Dear 4-H Members and Friends,

Now for the chat about policies for girls' work. Until recently policies have been a matter of words and decisions reached chiefly by extension office personnel. A 4-H policy committee was named this year by the chairman of the County 4-H Council. Serving on this committee were two parents and two women adult leaders along with yours truly, representing the extension office.

Policies set up regarding enrollment are as follows:

1. "The new club year begins immediately following the county fair." Actually this is a practice throughout the state and is stated here in answer to frequent questions of new club members and leaders.

2. "Every girl in 4-H work should be encouraged to be enrolled in at least one home economics project." The thinking behind this was that every girl will be a homemaker some day, and that project work done now would be wisely selected to prepare for that future job.

3. "A member should enroll in the division of a project where she will learn something." (For example, usually 14-year-olds should not enroll in a first division of baking, clothing, food

preparation, or one division of preparation or food preservation.) Members should be encouraged to do a good job in one division rather than doing more than one division in the same project. Generally speaking, no more than two divisions in the same project should be taken in one year and one should be completed before the second is started. No credit will be given for projects completed below those of greater difficulty already completed.

4. "A member who enrolls in crafts, electric, radio or health project is required also to enroll in one or more of the five basic home economics projects—baking, clothing, food preparation, food preservation, and home improvement."

5. "The deadline enrollment date is June 1 for the County Extension Office." Local clubs sometimes set their enrollment date earlier in order to be sure members get started on their project work, or sometimes the club has as many members as the adult leader feels she can take care of.

6. "A member who is unable to complete her project(s) through no fault of her own (lengthy illness, moving

away, etc.) will be marked 'Not Officially Enrolled'."

Other policies will be mentioned from time to time as phases of club work are discussed to which they are related.

This year November 13 has been designated as National 4-H Achievement Day. In this county a special 4-H enrollment drive is to be made since many clubs are organizing now. More about that next week.

Bye now.

## BIG PERSONALITIES TO ADDRESS ANNUAL BUREAU CONVENTION

Louis Bromfield, nationally known author and owner of the well known Malabar Farm in Ohio, will be one of the headliners on the annual Indiana Farm Bureau convention program at Indianapolis next month. The event will be held in the Murat Theater November 10 and 11 with the delegate session during the forenoon of the twelfth, according to plans announced by President Hassil E. Schenck. Bromfield will speak Thursday forenoon, November 11, on the increasing need for better rural-urban understanding.

Governor George N. Craig will extend the state's official greeting to the 5,000 farm people expected during the three-day event. Other eminent personalities on the program include: Allan B. Kline, president of the American Farm Bureau Federation; Mrs. Charles W. Sewell, Otterbein, Indiana farm woman and former member of the national organization staff; and R. Flake Shaw, executive vice-president of the North Carolina Farm Bureau.

The annual meeting of the Indiana Rural Youth organization will be held concurrently the first day in the Egyptian room of the Temple with a joint meeting for the evening session. Annual awards for organization achievements will be made during the convention.

Several members of the Indiana Farm Bureau staff and officials will speak on their special fields of interest. Special music will be provided by a Hancock county group, Five Hits and A Miss; by the Dixie Four, and by Howard W. Holmes, vocal soloist, Morgan county.

## W. S. C. S. "QUIET HOUR"

The W. S. C. S. of the Mentone Methodist church will have a "Quiet Hour" in observance of the Week of

Prayer and Self-Denial, Monday evening, Oct. 25, at 7:30 p.m. in the church. The theme is Christ—Our All, and there will be special meditations and music. This is the regular meeting date for the Mary Martha Circle, but the invitation is for all the women of the church. Please attend and support

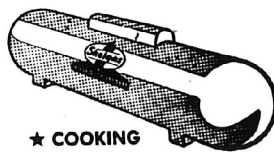

your women's society as they plan to carry on the work.

**FAMILY OF TEN MADE HOME-  
LESS BY EXPLOSION, FIRE**

An oil stove explosion at 8:20 A. M. last Wednesday, sent flames roaring through the home of Mr. and Mrs. Shuey and family, four and one-half miles north of Rochester in Newcastle township. No one was injured in the

blast or the fire, which left the ten members of the Shuey family homeless.

It was the second explosion in a Fulton county home in thirty-six hours. Late Monday night a gas explosion virtually wrecked the home of Mr. and Mrs. Wayne Hittle, 118 East 15th St., Rochester.

The flames destroyed the rear porch of the Shuey two-story frame dwelling and extensively damaged the kitchen, wash room and two upstairs bedrooms. The fire also left gaping holes in the roof.

The Shueys have eight children, ranging from 18 years to six months old. Mrs. Shuey and the three young-

est children were in the house at the time of the fire. The other five children were in school at the time of the fire.

A tub of water was heating on the oil cook stove when the explosion occurred. The flames spread rapidly from the kitchen to the porch and upward through the second floor.

Most of the family's clothing was destroyed, as well as a major portion of the family's household goods. Nothing was insured, according to Shuey. Rochester Firemen answered the alarm.

The Fulton County chapter of the Red Cross is working with the Fulton County Welfare Department in giving all possible aid to the family. Blaine Tilman, Red Cross secretary, has issued a plea to residents of the area for donations of clothing, household goods and information concerning permanent housing for the family. Neighbors of the Shueys have volunteered temporary housing and labor and trucks for moving what remains of the family's household goods, plus financial aid.

**HAVE FAMILY NIGHT**

The Mentone Home Demonstration club club their annual family night, Tuesday evening, October 19, at the school cafeteria. A carry-in supper was enjoyed at seven o'clock.

After the meal, a short musical program was given. Two piano duets were played, the first by Mrs. Agnes Rans and her granddaughter, Judy Beeson, the second by Mrs. Leroy Cox and Mrs. S. M. Hill. A cornet duet was played by Sue Ann Borton and Sheila Fitzgerald. Vocal numbers were sung by Marita Tucker and Marilyn Horn.

The program closed with Mr. Leroy Cox showing colored slides of the Tournament of Roses at Pasadena, and the Warsaw Centennial Parade.

# WHAT METHODISTS BELIEVE 6

## We Believe in Salvation from Sin

This experience comes through faith in Jesus Christ as Saviour and Lord. The act involves penitence for past sins and the acceptance of His mercy and forgiveness. Salvation comes not by our own striving or any achievement of merit. It is the free gift of God's grace who "shows his love for us in that while we were yet sinners Christ died for us." Thus God takes away our sins, restores His

image in our hearts, and grants to us a new birth, another chance, through the unmerited love of His Son and our Saviour, Jesus Christ.

## BELL FOUNDATION GIVES \$5,000.00 FOR LIBRARY AT MENTONE SCHOOL

Mrs. Opal Tucker, trustee of Harrison township, has received a check for \$5,000.00 from the Bell Foundation, Inc., for the purchase of books for a Mentone School Library. The check was mailed to Mrs. Tucker October 15, and the letter accompanying it stated that from two to three hundred dollars would be given each year for the purchase of additional books for the unit.

Lawrence Bell, of the Bell Aircraft Corporation of Buffalo, N. Y., is a native of Mentone, and when he returned here last fall as the speaker at the formal dedication of the new gymnasium, he indicated he wanted to do something for the school. In fact, he was eager to do something for the school and the town which has meant so much to him throughout the years. Mentone is still "home" to him and "Larry" is just one of the boys as far as many of the older citizens are concerned.

Since Mr. Bell's offer last fall, local school officials have been working with Mr. Bell and officers of his foundation, but the greatest of expectations by the local officials were far exceeded when they learned of Mr. Bell's plans.

Wednesday afternoon a group of Mentone people met with Morrison Rockhill, Warsaw attorney and boyhood chum of Mr. Bell, and organized a group to administer the funds and establish the new unit in the Mentone school. Mrs. Tucker, trustee, was named chairman, with Dale Kelley, treasurer and Ruth Urschel, secretary. Other members of the board are Walter Kent and Kenneth Riner. The group will meet again Monday to further plan for the Lawrence D. Bell Library for the Mentone School. The state librarian is expected to be in our city in the near future to help with the establishment of the library, and some of the school officials are visiting other libraries to seek guidance and information. Mrs. Tucker, thoughtfully, had already provided a sum in her budget which can be used for furnishings for the library and they will be available after the first of the year.

Mentone has always been proud to claim Mr. Bell as one of its great men, and the choice of the library as a gift

## GEORGE REED, 48, KILLED IN AUTO CRASH SUNDAY

George Reed, 48, a plasterer who resided two miles west of Akron, was instantly killed about eight o'clock Sunday evening on State Road 14, about five miles west of Rochester, when his car ran into the rear of a ton and a half truck driven by Bill Conley, of rural route, Rochester. The trucker had stopped to wait for east bound traffic to pass before making the turn into his driveway.

The truck was moved a great distance down the highway by the impact and the Reed Chevrolet was a complete wreck. Reed's body was badly mangled and death was almost instant. Conley was also injured and was taken to the Woodlawn hospital in Rochester.

Reed was born in this county June 18, 1906, son of Clyde and Bertha (Kreakbaum) Reed. He spent most of his life in the Akron community. In 1938 he was married to Alice Bogson, of Mentone. He was a war veteran and a member of the Akron American Legion post.

Surviving besides his wife are three sons, Clyde 14, George, 7, and Bruce, 5, all at home; his father, Clyde Reed of Akron; three sisters, Mrs. Mary Camahan of Naperville, Ill., Mrs. Esther Markley of Mentone, and Mrs. Gladys Mandelbaum, of Chicago.

Funeral services were held at the Moyer-Hauptert funeral home in Akron at two o'clock Wednesday afternoon, with Rev. Harold Conrad, of Akron, officiating. Burial was in the Mentone cemetery.

## MR. AND MRS. H. R. REGENOS TO CELEBRATE GOLDEN WEDDING

Mr. and Mrs. H. R. Regenos of near Yellow Creek Lake, Claypool, Indiana, will celebrate their golden wedding anniversary on Sunday, November 7. They will have open house from 2 to 5 p. m. for their friends.

further emphasizes the greatness of the man. Perhaps nothing he could have chosen to do could ever have a more lasting benefit to Mentone and its future citizens and their successes. Our sincere thanks to Mr. Bell, his foundation and the officials who administer it.

## PANCAKE SUPPER AND SPELLING CONTEST SATURDAY

The Mentone Lions Club is sponsoring a pancake and sausage supper at the Mentone school cafeteria Saturday evening, Oct. 30th. Serving starts at 5:30. Each adult, in addition to his supper, will be given a free package of Pillsbury pancake mix. Tickets are \$1. Children under six years will be given their supper free, while a charge of 50c will be made for school children 6 to 12 years of age.

At eight o'clock there will be a spelling contest held in the gymnasium. The contestants will be representatives from nine area schools in grades 4, 5 and 6. This program is free. The Lions club is offering prizes in each grade and a grand champion prize.

## MRS. DELLA SECRIST CLAIMED BY DEATH

Mrs. Della Secrist, 80, died at the McDonald hospital last Sunday where she had been a patient since July 28th, for a fractured hip. Death was due to complications.

The deceased was born in Miami county on May 12, 1874 to Israel and Elizabeth Shoemaker. She was married at Condo, N. D. to John Secrist, who preceded her in death. She had resided in Mentone for a number of years.

Survivors are a daughter, Mrs. Orlan Eller, of Detroit, Michigan; two granddaughters, Mrs. Richard Trecartin and Mrs. Robert Bunt, of Michigan.

Funeral services were held at two p. m. Tuesday at the Reed funeral home with Rev. David Gosser officiating. Burial was in the Mentone cemetery.

## MENTONE MOTORS TO UNVEIL NEW CHEVROLET THURSDAY

The local Chevrolet dealer will show the new 1955 V8 Chevrolets at his showrooms on Thursday, Oct. 28.

## MILO GRIFFIS DIES

Milo Griffis, 63, died at 12:40 a. m. Wednesday morning at the McDonald hospital of complications following major surgery last week.

Born near Mentone June 23, 1891, to Marion and Ida Webster Griffis, the deceased had spent his entire life in the Mentone and Claypool communities. He was a retired farmer and had operated the cigar store for a year.

He was married in Plymouth on Oct. 3, 1912, to Chloe Yantiss, who survives. Other survivors are a son, Gilbert, a daughter, Mrs. Howard Holbrook, of Warsaw, and four grandchildren.

He was a member of the Modern Woodmen order.

Funeral services will be held at the Johns funeral home Friday afternoon at two o'clock, with Rev. David Gosser officiating. Burial will be in the Mentone cemetery.

Friends may call at the funeral home.

## MRS. JENNIE THOMAS DIES.

Mrs. Jennie Thomas, 89, of Mentone, died at 5:30 p. m. Thursday at the Bradbury nursing home, Warsaw, of complications following an illness of several months.

Born in Marshall county, Nov. 16, 1864, Mrs. Thomas formerly taught school here. She was married to Ben Thomas and they lived in Canada for a number of years before moving to Mentone. She was a member of the Mentone Methodist church.

Survivors include a nephew, Dr. Wm. Middleton, and a niece, Mrs. Nellie M. Kelley, both of Argos, and two other nieces living out-of-state. Her husband and three children, Arthur, Ross and Phyllis, preceded her in death.

Funeral services were held at 1:30 p. m. Sunday at the Reed funeral home, Mentone, with Rev. David Gosser officiating. Burial was in the Argos cemetery.

## Eggs for Halloween Favors

Which is witch?? None! They're all good eggs in witches' hats. They're part of the fun at Hallowe'en parties. Each is a favor to take home or consume on the spot. Each bears the guest's name on its collar and can be used as a place card.

The hard-boiled look on the shell is achieved with a black crayon or a few strokes of a paint brush dipped in pure vegetable color.

Assemble a few hard-cooked eggs in array, such as the, surround with popcorn, use sheaves of grain (or autumn leaves) for background and—presto!—you have a centerpiece to radiate magic for Hallowe'en.

Here's how it's done:

Cut witches' hats and collars from black paper, using above pattern.

Twist collars into circles of size to hold eggs and fasten with paste. Then paste names of guests on collars.

Make witches hats by joining the two straight edges of the crown on the inside with cellulose tape. Attach crown to hat brim with more tape. Use pieces of wool yarn for witches' hair by pasting to under side of brim.

When hard-cooking eggs, cover them in pan with water to come at least one inch above eggs. After bringing rapidly to boiling, turn off heat. Cover and let stand fifteen minutes. Then cool

promptly and thoroughly in cold water. This helps to prevent dark surface on yolks.

## REPUBLICAN

### For Re-Election As

# Prosecuting Attorney

## IF RE-ELECTED I WILL CONTINUE . . .

- Full Time Service to the entire County.
- Keeping my office open to everyone.
- Co-operation with all Police and Judicial Officers, including Justices of Peace and Town Marshals throughout the county.
- Diligence in all prosecutions, without prejudice or favor to anyone.
- Respecting and protecting the rights of everyone without discrimination.

I HAVE TAKEN AN ACTIVE INTEREST IN OUR GOOD COMMUNITY AS —A family man, church member, veteran of World War II and a member of American Legion, and by doing my part in all worthy community and charitable activities.

I DO NOT BELIEVE THAT YOU VOTERS WILL BE MISLED BY THE DISTORTIONS AND SLURS OF MY DEMOCRATIC OPPONENT concerning the costs of operating the Prosecutor's office — whoever is elected will receive the same salary since I receive the MINIMUM . . . everyone knows that any farm, business or public office has operating expenses if it is to be productive — For my democrat opponent to say he will have no operating expenses can be only to mislead the voters or means that he would not make the office function . . . I do not believe in misleading the public to obtain votes . . . There must be operating expenses if the Prosecutor's office is to function, but fortunately such expenses come from the Prosecutor's activities and not from taxes — they are collected from defendants in criminal cases.

*I have done my best to faithfully serve the public on a full time basis during my first term as Prosecutor, and I will continue to do so if re-elected.*

*Philip J. Harris*

Chevrolet and General Motors took a whole new look at the low-cost car

—and just look what happened! **FIRST SHOWING TOMORROW!**

The Bel Air Sport Coupe—one of 14 new Fisher Body beauties in three new series.

The valve-in-head V8 as only the valve-in-head leader can build it!

8

Now Chevrolet introduces the "Turbo-Fire V8"! High horsepower (162), high-compression (8 to 1), high performance and surprisingly high gas mileage! Available with standard transmission, or with the extra-cost options of Overdrive or Powerglide.

Now Chevrolet and General Motors have come up with a completely new idea: to build a car that offers the very newest styling, the most modern features, and the finest performance. It's something that took a lot of doing and that only the world's leading car builders could do. *Everything's* new in this Motoramic Chevrolet from its lower top right down to its tubeless tires. Come see it!

6

You can choose from two new sixes, too!

The last word in six-cylinder performance! New "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with standard transmission or Overdrive.

## 4-H HOME EC. LEADERS AND MOTHERS TRAINING MEETING

December 2 was set as the date for an all-day training meeting in project instruction during the recent meeting of 4-H home economics adult leaders held in the county extension office. Four areas of instruction will be available, each repeated four times during the day so mothers and leaders may attend all or part of the instruction to be given, explains Mrs. Ruth Snellenberger, 4-H Club Agent for Girls' Work. Details as to subject matter content, place, and time will be released

later.

Mrs. Edward Summers, Warsaw, presided at the session. Definite plans for the County Dress Revue had to be carried over until after the first of the year although the group approved consideration of the revue being held during the county fair. Miss Reba Pyle, Home Demonstration Agent, reported on progress thus far with dress revue plans.

Miss Pyle also announced the services of Mrs. Lottie Sumner, extension specialist in clothing from Purdue University, who will be available one day next year. The group set the date of

"Oh, minerals are the very thing,  
We all need for a lift,  
Especially when our Supplement  
Is made and sold by Swift."

And you'll sing, too, when you see the way Swift's Mineral Supplement puts on low-cost pounds, speeds up production and gives a lift to profits from all your livestock and poultry.

You see, Swift's Mineral Supplement has ten essential elements required for health, vigor

and top condition. It prevents costly "mineral starvation" and gives proper mineral balance to whatever ration you feed.

Keep your livestock healthy—and yourself happy—by ordering Swift's Mineral Supplement today.

## NELLANS POULTRY PLANT

April 18 for this instruction in fitting patterns and garments.

A committee was appointed, composed of Mrs. Carl Cook of Claypool, Mrs. Carl Duncan of Milford and Mrs. Leonard Smith of Claypool, to consider revising and continuing the radio project.

Procedures used at the County Fair this year were approved for use again next year except for a change in getting ribbons and picking up exhibits, reports Mrs. Snellenberger. Colored stickers with the grade—A, B, or C—are to be placed on the exhibit. The girl will receive her ribbon when she picks up her exhibit.

Temporary county contest dates were

as follows: Judging—during the week of June 13-17; Senior Demonstration—July 6; Junior Demonstration—July 8.

Suggested meetings for next year for home economics adult leaders were discussed. The group voted to meet next at the same time of the 4-H Officers' Training School which will be held the latter part of January.

## DO YOU RECOGNIZE THIS SET OF FARM BUILDINGS?

Can you identify the farm pictured above? It is another in the series of farm pictures we print each week. All are farms in the Mentone community and trading area, and we do not know the identity of them. If the above is your farm, call at our office and we will give you a free 5 x 7 mounted picture of your farm. The only obligation is that you give us a little information about your farm, your family, etc. Additional pictures, and enlargements in color, can also be secured. Ask us about them.

There's no prize for being the first to identify the farm pictured, but it is interesting to see who can be first. Do you recognize the one above? We'd like to know whose farm it is.

The farm pictured in our Oct. 13 issue was that of Edna and Carl Mahoney.

The 80-acre farm is located two miles north of Palestine and the Mahoneys have resided there since 1904. There are three children: Howard, Mildred and Carol.

We have received no information about the farm pictured in our Oct. 20th issue. Did you recognize it?

## CLUB WINS COUNTY AWARD

The Country Neighbors Home Demonstration club won the purple ribbon on their scrap book at the Fulton Co. Achievement program. The book was prepared by Mrs. Earl Zent and Mrs. Robert Hoover. The scrapbook is a month by month record of the club's accomplishments and is presented to

the president of the club at the close of the club year.

The October club meeting was held Thursday, October 21, at the home of Mrs. Howard Chamberlain. Members were glad the president, Mrs. Wilbert Utter, could be present and to know she and her baby daughter are doing so well.

The pledge and creed were repeated in unison followed by meditations by Mrs. Allen Herendeen. By request she repeated the article, "Mother's Day at Church," which she had read in September. Mrs. Joe Peterson gave the safety lesson on the timely subject, "The Common Cold." Mrs. Howard Chamberlain read the history of the favorite old Christian hymn, "Day is Dying in the West." The group then sang the song.

For roll call, many interesting ideas were given on "Tricks in Meal Planning that Save Time." Mrs. Earl Zent gave an interesting report on the Ful-

ton County Achievement Day Program. Of special interest was the report of the speaker's address. She is a policewoman in South Bend.

Officers elected for the coming year are: Mrs. Joe Peterson, president; Mrs. John Teel, vice president; Mrs. Leroy Norris, secretary; and Mrs. Roy Maxwell, treasurer.

Mrs. Earl Zent received a secret pal gift. Auction articles went to Mrs. Herendeen, Mrs. Shunk, Mrs. Peterson, and Mrs. Hoover. Contest prizes and the door prize were awarded to Mrs. Zent, Mrs. Hoover, Mrs. Norris and Mrs. Maxwell.

Mrs. Chamberlain served delicious refreshments to twelve members, three children and one guest, Mrs. Wayne Shunk.

## CARD OF THANKS

I wish to take this opportunity to thank everyone for the lovely cards and the Friendly Neighbors Club for the lovely plant. They are all very encouraging in time of sickness. Once again, "we thank you."

ALTHA HARROLD

Mr. and Mrs. Sam Rookstool, of South Bend; Mr. and Mrs. Walter Smith, of Indianapolis, and Mrs. Gertrude Ball, of Rochester, spent Sunday at the Sam Leech home. The occasion happened to be Mr. Leech's birthday and he received a number of nice gifts and cards.

Now, here's a household tip; darkened bulbs and fluorescent tubes mean just one thing—they're deteriorating and need to be replaced. Miss Gertrude Monhaut, extension home management specialist at Purdue University, advises homemakers to dispose of old bulbs and tubes carefully; so children will not play with them. There is a chance they can be cut by broken glass or harmed from materials used inside some fluorescent tubes.

Wet leaves can be as slippery as ice, says the Chicago Motor Club. The careful driver snubs his brakes on clear pavement before letting his wheels hit a leaf-covered stretch.

The Travelers Safety Service

"Drunk and doing eighty. Never mind the ambulance. Send a basket."

The best rule for driving in fog is not to, says the Chicago Motor Club. If you must, reduce your auto's speed and be prepared to stop it within the limits of your vision—even if the limits are not more than 20 feet. Set headlights on dim to cut down glare. But

if fog is too thick, pull your car off the road, advises the Club.

Three of five fatalities involving autos occur after dark, safety experts warn. The coming winter months bring more hours of darkness, making it necessary to be extra alert.

**MUCH RESEARCH** has been done since the decline of beef prices to prove the soundness of using low grade rations to produce cheap gains on beef cattle.

We are now in position with our new equipment to help you take advantage of these new methods.

We recommend the following ration for feeder cattle 500 pounds and over:

600# EAR CORN  
800# COBS plus grinding and processing  
300# MOLASSES and Mixing  
300# 44% CATTLE SUPPLEMENT with UREA  
2000# at \$4338 Complete.

Cattle will consume approximately 2% of their body weight daily of this ration and make good daily gains.

## KEEP FROM BETWEEN PARKED CARS

This humorous presentation of a very important safety message will be distributed to 44,000 primary school classrooms in Illinois and Indiana by the Chicago Motor Club during November. The importance of keeping from "between parked cars" is shown the children in class discussion, also. But, in November's early darkness, it also is the responsibility of the motorist to be alert, in the event a youngster should heedlessly dash into traffic from between cars. The poster is a top prize winner in a national contest sponsored by the American Automobile Association among high school students.

**OPTIMISTIC DAIRY**

**OUTLOOK SEEN**

Over one-thousand dairymen, mostly producers from 11 states, heard Dr. W. E. Petersen, professor of dairy husbandry from Minnesota University, predict an optimistic future for efficient dairymen at the seventh annual meeting of the American Breeders Service held recently at Carmel, Indiana.

Based on his recent observations of methods in New Zealand and Australia, Dr. Petersen said that greater production per man hour of labor and per acre of land is necessary for efficient production. He predicted a milk shortage in the foreseeable future if the present population trend continues. A goal of 400 pounds of butterfat and ten thousand pounds of milk per cow per year to qualify for service from stud bulls is considered practical, according to Petersen.

Feeding of quality roughage which is harvested early in its development to provide more digestible nutrients is one of the ways New Zealand dairymen get 1100 pounds of butterfat in 286 days with no grain in the ration. One herd averaged 542 pounds butterfat per cow on an all roughage ration.

Practical labor saving methods recommended by Petersen included loose housing, pipeline milking and self feeding. Cows given free choice of warm dairy barn and a cool shed showed preference for the cool shed in experiments conducted at Minnesota and Wisconsin experimental farms. The loose housing should provide a dry bed. With pipeline milking, one man can milk from 35 to 40 cows per hour and lift nothing heavier than a teat cup.

In efficient milk houses bulk storage tanks make mechanized cleaning methods possible. More and more the dairy cow eats her way through the stored supply of feed in stacks, pole barns and trench silos, thus saving the cost of hauling the feed to her.

Recent research on milking frequency and time interval carried out at Minnesota showed twice a day milking to be most profitable. Experiments on time of milking showed equally spaced, twelve hour intervals to be no more efficient than ten and fourteen hour intervals within the same twenty-four hour period.

## SCHOOL NEWS

### To Open Basketball Season Nov. 5

Next Friday evening, November 5, the Mentone basketball teams will attempt to continue where they left off last year. However, with five regulars from last year's championship team missing, Coach Abe Hoogenboom expects some trouble in winning all of the games. Since October 1, thirty players have been practicing almost every day in an attempt to be ready for the opening game with Bourbon. The squad this year includes eight seniors, several of whom saw action last year. Of this group, Rex Dickey at 6-1½ is the tallest player. Junior Shirey, a transfer student from Larwill, stands 6 ft. tall and has shown considerable rebounding ability in practice. On the opposite side, Larry Boggs at 5-4 is the smallest man on the squad but has plenty of speed and basket accuracy. Other promising seniors are Francis Rickel at 5-10, Bob Holloway at 6-0, Larry McKinley at 5-10, Garwin Eaton who is 5-11 tall, and Bill Nellans at 5-10. Three Juniors who have been scrimmaging consistently with the first team are Charles Ross at 6-0, Ted Ward also 6-0, and James Romine at 5-6. The latter has shown considerable adeptness at ball-hawking and drive. Other junior candidates are Dick Tombaugh, Gary Hatfield, Royal Baum, and Doyle Baum. At present Tom Hoover, a sophomore, shows the most

promise of the underclassmen. Tom's uncanny ability to hit the basket may yet earn him recognition as a starter.

The Bourbon game will begin at 7:00 with the second team game. The first team game will get underway at 8:30. The band will perform between games. Those patrons holding Booster tickets will occupy the same section as last year. Season tickets good for all home games are on sale at the school office. Patrons holding season tickets will be given preference on tournament tickets.

### H. S. Pupils to Have Hallowe'en Party

Committees of students from the student council are hard at work making plans for the high school hallowe'en party to be held at the school on Friday

evening. Plans now include movies, games, and dancing. There will be special refreshments in the cafeteria. This year each high school student may invite a guest. The elementary grades will hold parties on Friday afternoon with a parade through the rooms shortly after 2:00 p. m.

### Teachers Attend Conventions

Those Mentone teachers attending the convention at South Bend were June Aughinbaugh, Dale Whitehead, Wreatha McFarren, J. Arthur Witham, Stella Buck, Moira Fuller, Trella Tombaugh, Wilma Dawson, Martha Folk, Ralph Hoffman, and Tressie Hoffman attended the Fort Wayne convention. Abe Hoogenboom, Dale Kelley, Delmer Bunnell, and Walter Kent attended the Indianapolis convention. Those teachers attending at least four sessions as requested by school officials were: Walter Kent, Dale Kelley, Wilma Dawson, Dale Whitehead, Wreatha Mc-

Farren, Stella Buck, Martha Folk, Trella Tombaugh, J. Arthur Witham, Delmer Bunnell, Moira Fuller. Mr. Hoogenboom was a delegate to the Indiana State Teachers General Assembly. He was elected as an alternate to attend the NEA Convention in Chicago next summer.

Sandra Hackworth entered the first grade on Monday from West Ward school in Warsaw. Nancy Shepherd withdrew from the first grade last Wednesday to enter the West Wayne school at Warsaw.

The Mentone school band will march and play in the parade at Warsaw on Thursday evening. The band will be paid \$25 for making the appearance. It is a policy of the school to play for either political party when asked to do so.

Susan Mesier has been absent from the second grade with the mumps.

# WHY UNICEF IS DISTINCTIVE

It is the only intergovernmental organization concerned with children. As such, it is non-political and non-denominational.

For every dollar UNICEF spends, local governments spend at least an equal amount. In some instances they spend much more.

Unicef aid is not permanent but is designed solely to get the country started on its own.

The results, however, are permanent. Immunize a child against diphtheria,

protect him against tuberculosis, or teach a mother how better to care for her children, and the achievement endures. Aid for milk-drying and pasteurizing plants, vaccine production laboratories and training centers likewise have permanent value.

Remember—on Friday evening, October 29, "treat" our children with as many coins as you can. Your contribution—large or small—will help in this work of the United Nations International Children's Emergency Fund.

# To the Voters of HARRISON TOWNSHIP

Subject to the decision of the Voters at the Election November 2, 1954, I submit my qualifications and background for your consideration.

My family and I live on our farm northeast of Mentone. I was in business in Mentone for six years and have been a farmer for the past 8 years in Harrison Township. From such experience I am aware of the needs of both the Businessman and Farmer in our Township, and I firmly believe that knowledge of the problems in our township and willingness to work hard are important attributes of a good Trustee.

I was in the Army 33 months in World War II.

I am a member of the American Legion.

I have been a member of the Masonic Lodge 18 years.

I am now Sec. and Treas. of the Harrison Township Farm Bureau.

My wife Louise and I are the parents of two children, Jane and Mitchell and we are very interested that our children and your children be provided with good education and good school facilities here in Harrison Township. I have driven a school bus in our Township for 8 years.

If elected as trustee of Harrison Township I will treat everyone fairly and impartially and I will work hard to keep Harrison Township one of the best townships in Kosciusko County.

Your support will be appreciated.

## SOCIAL SECURITY FOR FARM FAMILIES

Over five and a half million farm operators and farm employees will begin earning old-age and survivors insurance protection for themselves and their families beginning January 1, 1955.

Farm operators—people farming for themselves—have not been covered by the social security law up to now. Beginning January 1, 1955 farm operators who make a profit of \$400 or more in a year will begin earning social security protection.

People doing farm work for others as farm employees are already covered by the law if they work regularly for one farm operator. The new law brings old-age and survivors insurance protection to all farm employees who earn \$100 or more cash wages in a year from any one farm.

Gerald O. Kelter, manager of the district office of the social security administration in Elkhart, has stated that this change in the law means that the farm earnings of 2.6 million more farm workers will now count for

the first time toward social security benefits for farmers and their families. Kelter adds that this means farmers will now be able to receive insurance payments in their old age based on earnings from farm work covered by the law and other members of the farmers family may be entitled to payments based on his social security account both during his retirement and after his death.

Informational leaflets telling more about the change in the social security law which affects them may be obtained by writing the district office of the social security administration in Room 222, Equity Bldg., Elkhart, Indiana.

## NOTICE OF SALE OF REAL ESTATE BY EXECUTOR

The undersigned executor of the estate of Mary Caroline Dawson, deceased, hereby gives notice that by virtue of an order of the Marshall Circuit Court, it will at the hour of 1:30, P. M., of the 13th day of November, 1954, at Mentone, Indiana, and from day to day thereafter until sold, offer for sale at private sale, all the interest of said decedent in and to the following described real estate located in Marshall County, State of Indiana, to-wit:

Commencing at a corner 164 feet west from the southeast corner of Lot Number 4 in Section 24, Township 32 North, Range 3 East, on the Center Section line and running thence west with the Center Section line 50 feet; thence North parallel to Range line 147.8 feet; thence east parallel to said Quarter Section line 50 feet; thence South 147.8 feet, to the place of beginning; also,

Commencing 206 feet west of the southeast corner of the Northeast Quarter of Section 24, Township 32 North, Range 3 East, the place of beginning; thence North 147 feet and 8 inches; thence West 90 feet; thence South 147 feet 8 inches; thence East 90 feet to the place of beginning.

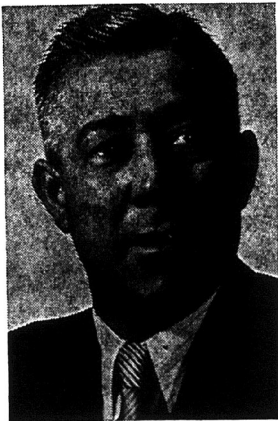

Said sale will be made subject to the approval of said court, for not less than the full appraised value of said real estate, and upon the following terms and conditions:

At least one-third of the purchase money cash in hand, the balance in two equal installments, payable in not to exceed six and twelve months, evidenced by notes of the purchaser, bearing six percent interest from date, waiving relief, providing attorneys' fees, and secured by mortgage on the real estate sold.

A complete abstract of title will be furnished to the purchaser.

**MOTHERS OF WORLD WAR II  
HAVE ANNIVERSARY MEETING**

Mothers of World War II Unit 106 met at the Crystal Dairy Bar at Warsaw, Monday evening, October 11, 1954 for the eleventh anniversary gathering with nineteen members answering roll call. After the dinner a business session was held, following the usual opening ceremonies. The secretary and treasurer's report was read and accepted. Plans were made for fixing our Christmas boxes for overseas service boys. It was voted to fix them at the home of Mildred Fawley, Monday evening, November 1. Some reports were given of the District meeting at Walton. The next district meeting will be held at Knox.

Twelve dollars was donated by Ollie Barber for use of bed. Birthday offerings were given by Myrtle Davis and Mariam Shinn. At our September meeting Edna Walton took the Obligation and joined our unit. The meeting was closed by repeating the Mothers creed and singing one verse of "God Bless America," followed by prayer by the Chaplain. The next meeting will be at the home of Maude Romine (note change of meeting place).

After the business session a short program was enjoyed. The "Nonsense School" was played by Emma Cook as teacher; Ethel Whetstone as the negro boy, George; Maude as a Hebrew scholar and Dora Norris as Hiram.

Maude and Bertha sang, "Side by Side," which was followed by a parody to "Side by side" by Maude and Dora

Norris. Also a reading by Dora Norris, "God's Flowers."

The War Mothers will meet at Mildred Fawley's Monday night, November 1 to fix boxes for our overseas servicemen. The ladies will bring the same things as before to out in them.

**LOCAL NEWS**

Mr. and Mrs. E. E. Wagner visited all last week in Michigan City with their daughter, Dorothy, and other friends. Sunday morning they visited the replica of the old North Church,

the home of George Washington at Mt. Vernon, the House of Seven Gables and other sights. These were brought across the lake from the Chicago World's Fair, on barges, and set up. It was a very interesting trip.

Mr. and Mrs. Gilbert Griffiths and family were Sunday dinner guests of Mr. and Mrs. Judah Trowbridge and family, honoring the birthday of Mrs. Jennie Ford. Others present were Mr. and Mrs. Ernest Ford of Hammond, Arden Rhodes of Plymouth, Mrs. Idella Hahn and Don Kuhn of Bourbon, and the honored guest, Mrs. Jennie Ford.

**New V8, Complete Re-styling Mark Chevrolets**

Chevrolet's announcement of a complete styling transformation in 1955 models is verified by this view of the Bel Air sport coupe. Re-engineered from the tires up, the new models offer improvements in every phase of motoring. Power, suspensions, steering, visibility, comfort, safety have all

been advanced in what the company credits as the most sensational model in its history. A new V8 engine of 162 horsepower is a feature. The luxurious two-toned interiors are color-keyed with the exterior. The windshield sweeps gracefully around to vertical corner pillars giving greater visibility.

# 4-H CLUB CHATTER

By Ruth Snellenberger

Dear 4-H Members and Friends,

Today I'd like to stir up a little chatter among some of you 4-H'ers who are going to be fourteen years of age during 1955. Why? Because I want to discuss the Home Improvement project and members are required to be fourteen years old to enroll in this project.

Now is the time to make plans if you think you'd like to enroll in this project. The reason is because sometimes it concern other family members. And most certainly it is a project to be discussed with mothers.

The room you improve may be your own, the room you share, or the room of some other member of the family.

The requirements in division I are as follows: (1) Rearrange a bedroom to best advantage, (2) Make a drawing of this room before and after rearrangement (pages in book provided), (3) take entire care of the room for two months, (4) provide a place for shoes other than closet floor, (5) at least five (you may do more) of the "Things to Do" listed, one of which should be made. (6) Complete record book.

Some "Things to Do" to improve your room are (1) Locate rod or rods

for needed hanging space and greatest convenience in closet, (2) Provide sufficient shelf space, (3) Improvise a closet if room does not have one, and then there are twelve suggested items to provide (sheets, covers, suitable light, coat and skirt hangers, hat boxes, and so forth) which may be made or selected.

Because in this county the member is required to make one article and exhibit it, I would like to list some additional suggested items to make.

Drawer partitions is one. These can be varied sizes of boxes selected to fit together in a drawer to keep articles orderly. The boxes can be made attractive by covering with wall paper (perhaps the same as in the girl's room) or painted.

Framing a fabric for a picture is a popular trend and could be done by a girl. Perhaps she'd wish to frame a floral picture instead. Or if she has artistic tendencies, she might choose to make some other kind of picture.

Making a display board for ribbons, party favors and so forth could be an idea for something to make in division I.

Convert a top dresser drawer into a writing area to slide out of sight at will is another possibility. This would give a dual-purpose to a piece of furniture.

Making a lampshade, or making a lamp, or making pillows are some other suggestions.

Do you see now why the home improvement project concerns the whole family? Dad's help, and certainly his tools, are apt to be needed. Yes, and some money will be needed. Where it comes from will depend on whether the girl has had an opportunity to earn or not.

Some time soon I want to continue with discussion about division II, home improvement. Details on the enrollment plans were not complete for giving to you this week so maybe that'll be the topic next week.

'Bye now.

## METHODIST CHURCH NEWS

The success of the Spiritual Life Mission will not be determined entirely by the Covenant Cards signed and the very good attendance during the services of the past week, but must be evidenced in the spiritual life and growth within the church. The excellent cooperation of the lay people, the work and prayers of Commission, Committees and other individuals, in addition to the inspiration of the guest speaker, will, for a long time to come, bear fruit when their efforts fall on fertile minds and souls. Every Sunday should be a Go-To-Church-Sunday, every home a garden where all members follow the paths of Holy Habits. Then, and only then, will the Spiritual Life Mission of October 17-24 have been a success.

The Senior and Intermediate Youth Classes attended the concert of band music presented by the President's own Marine Band which appeared in Rochester last Sunday afternoon.

Several selections of the Christmas Cantata have been tried. More male voices are needed. Rehearsal on November 4 will be short because of the Official Board meeting which begins promptly at 8 o'clock.

Sunday Evening Services will be a part of the regular weekly Church Program. A short song service of well-known and requested Gospel Songs and Hymns will precede the evening message.

## LOCAL NEWS

**NELSON — SNYDER**

Miss Cloanne Nelson, North Manchester, daughter of Mr. and Mrs. Delford Nelson of near Burket, and John Steven Snyder, son of Mr. and Mrs. Paul Snyder of North Manchester, were united in marriage at three o'clock on Sunday afternoon at the Mentone Church of Christ.

Rev. Leslie Grant, pastor of the church, performed the double-ring ceremony before an altar decorated with palms, candelabra and baskets of bronze chrysanthemums. Phil Nelson, brother of the bride, and Thomas Clapp of South Whitley, cousin of the groom, lighted the candles preceding the ceremony.

"Through the Years," "I Love You Truly," "The Lord's Prayer," "Song of My Heart to You," and the traditional wedding marches were included in the prelude of nuptial music presented by the Misses Linda Warner, Bonnie Freed and Geraldine Harris, all of North Manchester.

Given in marriage by her father, the bride wore a floor-length gown of Chantilly lace over satin. The fitted bodice featured a scalloped yoke decorated with seed pearls and long sleeves tapering to points over her hands, and the full skirt fell into a chapel-length train. Her finger-tip veil of illusion was held in place by a headpiece of lace and satin, trimmed with seed pearls. She wore a single strand of pearls, a gift of the groom, and carried a cascade arrangement of lilies of the valley and stephanotis, centered with a white orchid.

Miss Janice Nelson attended her sis-

ter as maid of honor and Miss Eleanor Rush, Mentone, and Miss Patricia Haupt, Wabash, were the bridesmaids. The honor attendant wore a waltz-length gown of iridescent green styled identically to that of the bride. The bridesmaids wore identical gowns of plum color. They wore matching headpieces trimmed with seed pearls and carried colonial bouquets of chrysanthemums. Their pearl necklaces were gifts from the bride.

Martha Nelson, sister of the bride, and Anne Giles, Columbia City, cousin of the bride, were flower girls. They wore floor-length gowns styled identically to that of the bride. Richard Kerlin, Goshen, cousin of the bride, was ring bearer.

David Clapp, South Whitley, cousin of the groom, served as best man and the 200 guests were seated by Michael and Pat Snyder, and Michael Nelson.

For her daughter's wedding, Mrs. Nelson chose a copen-blue wool dress with navy blue and white accessories. They wore corsages of white spider chrysanthemums.

Miss Ann Nelson, Warsaw, Miss Mary Jo Vandermark, Rochester, cousins of the bride, Miss Sara Jane Miller, Marion; and Miss Shirley Lohr, Ft. Wayne, assisted at the reception held in the church social room following the ceremony. Miss Barbara Carille, Rochester, held the guest book and Miss Barbara Bender, North Manchester; Miss Carol Spurlock, Akron, and Lyle Vandermark, Rochester, assisted with the gifts.

Following a wedding trip to the Smoky mountains, the newlyweds will reside at 203 South street, North Manchester. The bride is a graduate of the Mentone high school and the groom is a graduate of Central high school at North Manchester. Both attended Manchester college. The groom is associated in the grocery business with his father.

For traveling the bride changed to a brown tweed suit with mink trimming and brown accessories and wore the orchid from her bridal bouquet.

Following the rehearsal the wedding party were guests at a dinner at the Westminster hotel, Winona Lake, given by the groom's parents.

**IN JUSTICE COURT**

Following an arraignment before Justice C. O. Eller, Garwin Eaton, 17, entered a guilty plea to a charge of speeding on Main street in Mentone on Sunday evening. The arrest was made by Officer Schooley, who was the complaining witness. A minimum fine of one dollar and costs was suspended, pending a ninety-day probation, during which time the defendant is required to report each Monday to the court.

Mr. and Mrs. Ira D. Anderson, of Evanston, Illinois, and Mrs. Mabel McCarty, of Frankfort, Indiana, spent Sunday night at the Dr. Anderson home.

**HALLOWEEN—FOR THE WORLD'S CHILDREN**

This Hallowe'en, for the second time in our community's history, children will be raising money for the United Nations International Children's Emergency Fund. As always, their cry will be "Trick or Treat." But the treats this year will be for the world's underprivileged children, helped through UNICEF.

All boys and girls in the community are urged to join in this fun. Put on your Hallowe'en garb: spook, goblin, or whatever you wish. Bring an empty milk carton with you to the basement of the Methodist church at 7 o'clock, Friday evening, October 29. There you will be assigned into groups. Each group will be given either a street or section of town to "Trick or Treat." Some groups will be taken by auto through sections of our surrounding community to "Trick or Treat" our farmer friends too.

When done with your "Trick or Treat" jaunt return to the church basement for a party, and between bobbing for apples and other Hallowe'en games,

the money will be counted and sent on to the United States Committee for UNICEF.

**BEAVER DAM BOYS 4th IN NATIONAL SHOW**
