Adams Boy Hit By Auto

Russell, the 11-year-old son of Mr. and Mrs. Herbert Adams, was seriously injured about six o'clock Tuesday evening when he was struck by an auto being driven by Kenneth Bright, of near Akron.

Russell was playing with his twin brother, Robert, when he rode his bicycle off the lawn and onto Highway 19 at the south edge of Mentone. It is not known whether he ever saw the oncoming car, but evidently he did and made an effort to get across the road to safety. The autoist, in an effort to avoid the collision, applied the brakes and swerved to the left side of the highway. As the auto hit the bike, Russell's head cracked the windshield on the right side. The body of the boy lay in the center of the highway and the Bright auto skidded on the lawn of the Bernice Rush home.

First aid was given the boy and he was then taken to the Woodlawn hospital at Rochester in the Reed ambulance.

Russell suffered a five inch cut on the back of his head, and he has a basal skull fracture. He remains in an unconscious state and it is expected it will be several days before he will regain consciousness.

Mrs. Mattie Anglin Dies

Mrs. Mattie T. Anglin, 67, wife of Herbert S. Anglin of one mile south of Atwood, died unexpectedly at her home at 5:30 a. m. Monday.

She was born near Clunette October 27, 1889, daughter of George W. and Katherine (Miner) Easterday and February 13, 1910 was married in her parents' home to Herbert S. Anglin. She was a member of the Atwood Methodist church.

Surviving besides the husband are a son, Lester, of South of Tippecanoe; one grandson, a sister, Mrs. Glen (Ethel) Snyder of Mentone, and one brother, Edward Easterday, of Fremont, Ind.

Funeral services were held at the Atwood Methodist Church at two o'clock this afternoon, with Rev. Edward Hager officiating. Burial was in the Mentone cemetery with the Reed funeral home in charge.

Mrs. Fleck Dies Monday

Mrs. Alice Mae Fleck, 73, of Akron, who with her husband operated groceries in Mentone, Disko and Akron for many years, died Monday afternoon in Woodlawn hospital, Rochester.

Mrs. Fleck suffered a stroke September 21 and entered the hospital a week ago.

Born in Fulton county March 3, 1884, she was married to Christian F. Fleck who died in 1952. She was a member of the Mentone Methodist church, the Gleaners lodge and Royal Neighbors.

Surviving are a son, Edward Fleck, Akron; a daughter, Mrs. Kenneth (Bessie) Haldeman, of Warsaw; three grandchildren, and seven great-grandchildren.

Rev. M. C. Persons of the Mentone church and Rev. Maurice Kessler of the Akron church conducted services at 2 p. m. Wednesday in the Moyer-Haupt funeral home. Burial was in the Mentone cemetery.

Mrs. Myrtle Rogers Dies

Mrs. Myrtle E. Rogers, 81, died at 5:45 p. m. Wednesday of last week at her home six and a half miles southwest of Mentone, from a heart ailment. She had been ill for 11 years, the past four months seriously.

Born Jan. 28, 1876, at Churubusco, she was the daughter of Frank and Clara Bugby. She had lived in the Mentone and Talma communities since she was three years old. Mrs. Rogers was married in 1895 at Talma to Mader-ville Rogers who died in 1937.

She was a member of the Bethlehem Baptist church.

Surviving are three sons, Lester, Claypool; Bernard and Maurice, both R. R. 2, Rochester; two daughters, Mrs. Lowell (Georgia) Smith, South Bend, and Mrs. Kyle (Bernice) Gibson, Warsaw; five grandchildren; eight great-grandchildren; one sister, Grace Bupp, South Bend; and one brother, Loyal Bugby, Grass Creek.

Funeral services were Saturday at 2 p. m. at the Bethlehem Baptist church southwest of Mentone. The Rev. Harry Smith officiated and burial was in the Sycamore cemetery, four miles southwest of Mentone. The Reed funeral home was in charge.

Mrs. Clutter Painfully Injured

Mrs. Emma Clutter, 46, suffered a concussion and several bumps and bruises about supper time Friday evening when she was hit by an auto being driven west on Main street by Mrs. Virgil Cooper, also of Mentone. Mrs. Clutter was walking across the street from the Utter filling station and as the sun was about to go down in the west, it was almost impossible for anyone to see while going west. Mrs. Cooper didn't see Mrs. Clutter until the auto hit her, and she stopped immediately.

Mrs. Clutter was taken to the Woodlawn hospital at Rochester where she is recovering from a concussion. There was no fractures, although she was badly bruised.

Latest reports are that the injured lady is well on the road to recovery.

LATE REPORT

A report from the Woodlawn hospital, Rochester, late Wednesday night gives us the information that the Adams boy is resting better, Mrs. Clutter is feeling fine, Mrs. Melvin Cain is reported improved. She has an ulcer on her limb.

60TH WEDDING ANNIVERSARY DINNER

A number of close relatives are helping Mr. and Mrs. Fred Swick celebrate their 60th wedding anniversary this evening. They're enjoying a family dinner at the Westminster Hotel in Winona Lake.

Parents Of Son

Mr. and Mrs. Floyd Nicodemus are the parents of an 8 lb. 7 oz. son, Daniel Alan, Friday at the Woodlawn hospital in Rochester.

CLUB CALENDAR

With Mrs. Howard Horn as hostess, the Mentone Home Demonstration Club will observe guest day at Petro's social room Thursday, Oct. 10, at 1:30 p. m.

The American Legion Auxiliary will meet Tuesday, October 8th at 8:00 p. m. C. S. T. at Pete's Restaurant.

The Friendly Neighbors Home Demonstration Club will meet at 1:30 p. m. Thursday, October 3 with Mrs. Ike Jefferies.

Mrs. J. S. Johns Passes Away

Mrs. J. S. Johns, aged 83 years, passed away about nine o'clock tonight (Wednesday) at the home of a daughter, Mrs. Gerald Pretz, in Fort Wayne. Death was due to complications following an illness of many years standing.

Mrs. Johns was born in Tippecanoe County, Indiana, Aug. 12, 1873, the daughter of Wm. and Mariah (Rhodes) McMunn. On Oct. 12, 1894 she was married to J. S. Johns, who survives.

She was a member of the North Side Church of Christ at Indianapolis where her husband served as minister for 17 years. Mr. Johns served the Mentone Church of Christ from 1924 until 1935.

Surviving in addition to the husband are three daughters, Mrs. Lois Chastain, Campbellsburg, Ind., Mrs. Amelia Pretz, of Fort Wayne, and Mrs. Miriam Craft, Indianapolis; two sons, Oren of Salem, Indiana and H. V. Johns of Mentone; 11 grandchildren and 22 great-grandchildren.

The Sheets funeral home of Akron will be in charge. Friends may call at the Johns funeral home from 3:00 p. m. Thursday until 10:00 a. m. Friday (CST) when the body will be taken to the Shirley Bros. Central Chapel at 946 No. Illinois St., Indianapolis, where funeral services will be held. Burial will be at Greentown, Ind.

Fire Dept. Fish Fry Saturday

The annual fire department benefit fish fry will be held at the Mentone school on Saturday evening, Oct. 5th, with serving starting at 5:30.

Advance tickets are now on sale at a number of Mentone business establishments, and by members of the fire department.

RUMORS UNFOUNDED

Dean Meyers, owner of the Meyer Super Market in Mentone, stated this week that contrary to rumor, he has not disposed of his store.

It was true, Mr. Meyers stated, that another individual had made an offer to purchase the store, but no sales agreement was entered into.

Candidate For District Director

The 57th annual Indiana State Conference of the Daughters of the American Revolution will convene at the Sheraton-Lincoln Hotel in Indianapolis, Thursday and Friday, October 3 and 4. At the formal opening on Thursday evening Mrs. Frank D. Smith of the Anthony Wayne Nigo Chapter, Mentone, will be presented as a candidate for the State Office of North District Director of Indiana. She will be place in nomination by the Regent of the Chapter, Mrs. Bud Paulus of Rochester. Gov. Harold Handley will be the guest speaker at that session of the Conference. Election of a new state board will take place on Friday. At the Formal Banquet on Friday evening, Indiana Daughters will be honored to have Mrs. Frederic A. Groves, National President General, as the guest speaker. Members from Anthony Nigo Chapter attending the entire Conference will be: Mrs. Ernest Igo, Treasurer of the Chapter; Mrs. Ray Linn, a delegate; Mrs. Frank D. Smith, serving as personal page to the State Regent; and Mrs. Glenn Clauss of Bourbon, serving as a floor page; Mrs. Bud Paulus, Regent.

ASIAN FLU VICTIM

Word has been received that Pvt. Noble Wallace Oyler, son of Mr. and Mrs. Noble Oyler of Plymouth, is hospitalized with the Asian flu at Ft. Carson, Colo. The Oyler family formerly resided in Mentone.

For those who care to write Pvt. Oyler, he is in Co. B, 5th Bn., 39th Inf. Regt. His serial number is 55606361.

IN HOSPITAL

Charles Besson, R. 3, Warsaw, was admitted to the Lindville Memorial Clinic September 26, at Columbia City for observation. He is now in the Lindville Memorial Hospital for surgery October 2. He can be addressed at the Lindville Memorial Hospital, Room 18, Columbia City, Indiana.

CHURCH PROPERTIES ARE IMPROVED

The First Baptist Church is in the process of building new walks at the front of their sanctuary, and the members of the Church of Christ have been doing quite a bit of landscaping at the front of their fine building.

Baptist Church News

First Baptist Sunday School will observe Rally Day on Sunday, October 6th. Special Rally Day programs are being prepared for the various departments. Each teacher is working hard to make this an outstanding Sunday for our Sunday School, both numerically and spiritually. All pupils who were promoted last week will begin their new classes this Sunday and all newly appointed teachers will assume their responsibilities. The Sunday School begins at 9:30 a. m. C. S. T. the worship Service is held at 10:30 a. m.

Rev. Alvin Showalter, a missionary from Israel, will be the speaker at the evening services. He will speak to a joint meeting of the Sr. High and Jr. High Training Unions at 6:30 p. m. and will address and show pictures of work at the evening service at 7:30 p. m. All folks in the Mentone area are invited to join with us for Rev. Showalter's first hand report on spiritual conditions in the land of Palestine today. The Young People of the

First Baptist Church have been contributing to the support of Rev. Showalter during his past term on the field.

All these services will be on central standard time at this church.

Is your turn signal on? How many times do you pass another car whose turn signal is steadily blinking an intention to turn, although the driver is proceeding straight ahead? Yet you yourself may be committing this driving error. Make sure that your turn signal is not blinking, particularly after making turns of less than 90 degrees. It confuses other drivers and may cause another accident.

Psi Iota Xi Meets

Beta Epsilon Chapter of the Psi Iota Xi met Tuesday evening for the regular business meeting at the home of Mrs. Forrest Miner. 17 members answered roll call. The Secretary's and the Treasurer's reports were read. Three bills were presented and allowed. The Correspondence Secretary read an invitation to attend a reception at Sullivan, Indiana honoring the new National President, Mrs. Eula Gorbey.

It was announced that a new order of pecans and walnuts will be here soon and anybody wishing to purchase some for the coming holidays may contact any of the Sorority members.

The President named the following committee on Extension: Mrs. Dale Cook, Chairman; Mrs. Curtis Riner and Mrs. Don Ernsberger.

The next meeting will be an initiation service for four new members October 15th at 7:30 p. m. C. S. T. at the home of Mrs. Arthur Kendall. Those being initiated are: Mrs. Lee Arnsberger, Mrs. Byron Doran, Mrs. Richard Dickerhoff and Mrs. Kent Riner.

Irresponsible pedestrians place added responsibility upon motorists. Careless walkers who cross streets in mid-block or against green lights create extra problems for drivers, who must swerve or stop to avoid them. Watch out for the footloose pedestrian who may not be watching out for himself!

P. T. A. to Meet

The second monthly meeting of the Mentone P. T. A. will be held October 9th, 7:30 p. m. C. S. T.

More and more we are becoming safety conscious. Come and hear Sergeant Bill Hunter of the State Police talk on the newest features of Highway Control. This will be National Safety Week. Also Mr. Carlton Myers of Mentone, driving instructor, will discuss his program.

This will be a very interesting and educational program so let's all come and hear these talks.

Blanche Smith and son spent Friday evening with Mrs. Bessie Robbins.

Bottom row: Ernest W. Welborn, 6, son of Mr. and Mrs. Everett Welborn; Rhonda Kay Yazel, 5½, daughter of Mr. and Mrs. Harold Yazel, and Maria Sue, four months, daughter of Mr. and Mrs. Lamar Leffert, R. 1, Etna Green.

Top row (l. to r.): Julia Diane Hewlett, aged 9 months, and Stephen Hewlett, 1½, children of Mr. and Mrs. Robert Hewlett, Mentone, and Teresa Renee Yazel, 2½, daughter of Mr. and Mrs. Harold Yazel, Mentone.

Bottom row: David William Wentzel, 1, son of Mr. and Mrs. Don Wentzel; Bruce Wendell Bryant, 7 months, son of Mr. and Mrs. G. Wendell Bryant; and Pamela Coleman, 3, daughter of Don Coleman.

Quotations From Bell Will

Two paragraphs in the will of the late Lawrence Bell, are of particular interest to Mentone citizens and are reprinted below:

"I give and bequeath to the Mentone High School, Mentone, Indiana, my collection of personal mementos, awards, publications, models, having a personal sentimental value but no substantial monetary value, which will be found among my belongings segregated and identified, all the same being presently in a separate room in my home. This bequest shall include all cases, removable backwalls and other equipment in connection with my said collection, and I specifically authorize and direct my Executor to arrange for and pay the full expense of removing said collection and equipment, transporting the same to Mentone and installing the same in the Mentone High School as a part of said bequest."

Also:

"I give and bequeath the sum of Twenty Thousand Dollars (\$20,000) to the City of Mentone, Indiana, my home town, to be used and expended for the erection and/or maintenance of a memorial to my late father and mother, I. E. Bell and Harriett Sarber Bell, in such form as may be recommended by the Governing Body of said City of Mentone."

The money mentioned in the paragraph next above has been received by the town of Mentone. However, no definite plan has been selected, to use as a suitable memorial. The members of the town council are inviting suggestions from the citizens as to what would be the best or most suitable memorial. If you have a suggestion, notify some member of the town board, or write this newspaper.

The collection of models, etc., mentioned in the first paragraph have not been transported to the Mentone school.

FIRST MEETING OF READING CLUB

The first meeting for the fall season was held at the Artley Cullum home Wednesday evening. It was a pot luck dinner.

"He sure was anxious to get rid of us! Notice how he slammed the door!"

SCOUTS PARTICIPATE IN RANCH-O-REE

The Mentone Boy Scouts were among the 834 scouts that participated in the parade and demonstrations at Goshen over the week end.

The Mentone group, with an old covered wagon pulled by a team of mules, attracted considerable attention. Dale Kelley, all decked out in a sour-dough getup and whiskers, was the driver, and many wanted to know "who that old geezer was" that was driving.

Saturday night the boys were treated to a pancake feast and two cement mixers were used to mix the batter, and regular square-nosed shovels were used as "turners." Mentone's Larry Hatfield won the honors for eating the most—we believe. At least the boys said they had a

little trouble getting him awake the next morning.

NEW POST OFFICE HOURS

Due to a change to Central Standard Time, the following time schedule is announced for the Mentone post office:

Lobby open from 6 a.m. to 8 p.m. daily. Windows will be open from 8 to 5 daily and the rural carrier will leave at 8 a.m.

The star route arrives at 6:30 a.m. (east) and at 2:00 p.m. (west) each day. Train No. 8 goes east at 11:30 a.m. and Trains 7 and 5 go west at 12:15 p.m. and 3:25 a.m.

Mrs. Emma Underhill spent Sunday in Rochester where she visited Mrs. Emma Clutter and Mrs. Nellie Fleck, who were patients at the Woodlawn hospital.

NO TAX DUE

The court has ruled that no inheritance tax is due from the Wilbur Ray Tucker estate, which has a total net value of \$18,691.90. Reba Tucker, of Burket, the widow, is entitled to a \$12,200.90 share. Sue Tucker Lowman, a daughter, of Claypool, Nedra Brown of Warsaw, a daughter, and Joan Tucker Napier of Burket, are entitled to \$1,685.25, and Robert Tucker, of Burket, a son, is entitled to \$1,435.25. The Farmer's State Bank of Mentone is administrator.

NATIONAL DELEGATES

Keith Stump, 17, of Pierceton, and Mary Gawthrop, 16, of near Etna Green, have been named as delegates to the National 4-H Dairy Conference in Chicago Oct. 8 to 12.

Miss Gawthrop is the daughter of Mr. and Mrs. Harold Gawthrop.

Mrs. Bill Hudson, and daughter, Jody, spent last Tuesday in Pierceton at the home of her parents. A dinner was given in honor of Mrs. Hudson's grandmother, Mrs. Jennie Guy, who was celebrating her 85th birthday.

Mr. and Mrs. Richard Fletcher and son Clinton of Pierceton were Sunday evening dinner guests of Mr. and Mrs. Bill Hudson and girls.

A uniform motor vehicle code will bring to motorists the same regulations in Illinois and Indiana as those in New York or California, explains the Chicago Motor Club. Eliminating confusion increases the margin of safety.

1957 Safe Corn Harvest Program

"Disengage that Power Take-Off"

That's the theme song this fall for members of the Mentone chapter of the Future Farmers of America who are taking part in the 1957 Indiana FFA Safe Corn Harvest Program.

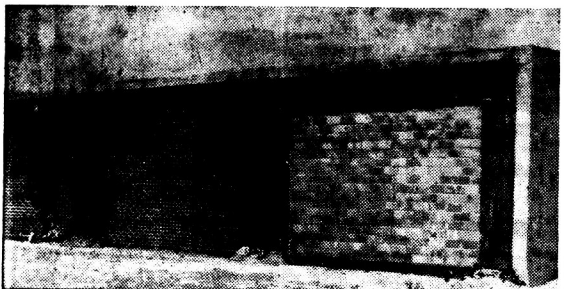

Robert Hewlett, vocational agriculture instructor, says that FFA chapters all over the State are united in this campaign to prevent corn harvest accidents this year.

As their part in the campaign, the Mentone boys will visit farms

in the area and will make sure that the farmers they visit know the rules for safe operation of tractors, corn pickers, forage harvesters and combines.

Each farmer who pledges himself to observe the rules for corn harvest safety will have a special "Safe Operator" sticker placed on his equipment by the boys.

The campaign will also include films on preventing corn harvesting accidents, to remind farm people that farm equipment is designed for safe operation, but the operator must follow safe operating rules. These films will be shown to farm groups at meetings and in the vocational agriculture classes.

EFFECTS OF STEEL reinforcement are shown clearly in these wall panels tested under high pressure during the current atomic tests in Nevada. The eight-inch brick wall at left was unreinforced, while the other brick and tile walls of the same thickness were reinforced with quarter-inch steel rods, and survived the atomic blast intact. A 26 x 32-foot windowless brick structure, adaptable as a school or utility shelter, also was undamaged even though it was exposed to blast pressures five times those for which a house is normally built.

(NTO Lookout Mountain Lab Photo)

Don't Rush - Consider!

When death enters a home, don't be rushed into buying a monument by high-pressure salesmen during your grief.

A monument is a once in a life time purchase. Give it careful consideration, as it deserves. Our plainly marked prices include the complete cost of lettering, foundation and installation.

WARSAW MONUMENT WORKS

633 S. Buffalo

Rd. 15 South

Pictured in the photo above are Bernice Jones, Charlotte Ernsberger, JoAnn Miner and Mary Fran Hudson, members of the Mentone Psi Iota Xi Sorority; Betty Kinzie, Brownie troop leader and her assistant, Alice Secrist, and the following members of the Brownie Scout Troop: Sherry Yazel, Connie Teel, Nancy Wagner, Carolyn Warren (presenting the corsage), Cathy Shinn, Ruthie Erwin, Sandra Ballinger, Sandra Mosier, Mary Ann Peterson, Ellen Secrist. The little guests were Gigg Kinzie, Donita Teel and Candy Shinn.

"The Brownie Sunflower troop welcomes you to their program" —so was the start of the party and program given Friday evening at the Methodist church honoring their sponsors, the members of the Psi Iota Xi, with corsages and a word of thanks to them as well as the Methodist church for giving them a place in which to meet.

A most interesting musical program was given by the members, starting with the presentation of the colors.

The following program was presented:

Salute to the Flag, Star Spangled Banner and prayer by Grace Lewis.

A welcome message by all the girls.

The troop sang the "Pussy Willow" and the announcer, Connie Teel, introduced Carolyn Warren who played two accordion solos.

Cathy Shinn read a story, "Poor Old Lady," and Mary Ann Peterson sang, "Jesus Loves Me."

Ruthie Erwin presented a poem, "Where Are You Going?" Connie Teel's piano solo was "Ten Bells Are Ringing." Sandra Ballinger sang, "I Love Little Pussy" and Connie Teel sang "Open Up Your Heart." Sherry Yazel's song was "Three Little Puppies," and Ellen Secrist and Sandra Ballinger gave "Over the Prairie" as a duet. Sandra Mosier sang, "Pop Goes the Weasel" and "Twinkle, Twinkle Little Star." Connie Teel introduced three of our permanent guests: First, Danita Teel sang "I'm a Little Tea Pot." Candy Shinn sang "School Bells Ringing," while Gigg Kinzie sang "Fishers of Men" and "Polly Wolly Doodle."

The pianist was Leah Neil Lemer.

Lunch of sandwiches, cookies, potato chips, coffee and Kool Aid was served. Acting hostesses were Georgianna Teel, Gertrude Shinn, Gretchen Persons and Mary Fran Hudson. Fifty-eight guests were present.

Growing pains felt by practically all cities and towns and many villages these days place the responsibility for street safety squarely up to the engineering profession, the Chicago Motor Club emphasizes in asking for the employment of more traffic engineers.

Don't try to save time by crowding extra hundreds of miles into your daily driving schedule. Whether you are vacationing or traveling on a business trip, your daily driving stint should be planned to reduce fatigue, one of the motorist's most dangerous enemies.

PURDUE FARM FACTS

Replacement gilts should be sorted from market hogs when they weigh 175 pounds, report Purdue University swine specialists. A clean legume pasture and less corn in the ration will save money on the gilts and assure more growth and less fat. If possible, probe for thickness of

backfat when selecting gilts.

Cattle affected with pink eye should be separated from the herd and stabled in a darkened pen away from flies. Veterinarians at Purdue University say this precaution will benefit the individual animal and also will help to prevent the spread of the disease to other cattle.

Good seed is the basis for a

good wheat crop, according to Purdue University agronomists. They advise farmers to buy seed of a recommended variety that is high in germination and relatively free of loose smut. Chemical seed treatment, the agronomists say, prevents stinking smut and helps control seedling blight.

Animal husbandmen at Purdue University say the most economical method of improving hogs for meat type characteristics, feed efficiency and rate of gain is to select replacement gilts from the herd and buy a good production tested boar. Many breeders will furnish the information concerning carcass data and feed efficiency.

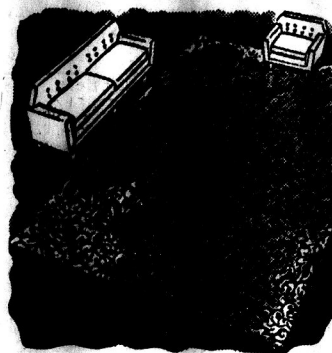

Purdue University dairy specialists report that "young dairy calves should be encouraged to consume hay at an early age." When grain allowances are limited to 50 percent of the daily hay consumption, growing heifers develop more capacity than if allowed unlimited amounts of grain.

Cattle should be sprayed for louse control in late September, according to Purdue University entomologists. A treatment at that time will prevent build up of lice that normally occurs through the winter months. The entomologists recommend that lindane be used on beef cattle and methoxychlor or ortenone on dairy cattle.

Motorists should show extra caution when approaching or leaving an expressway, the Chicago Motor Club advises. When entering an expressway, there should be a safe distance between the entering car and the oncoming traffic. When leaving the expressway, the motorist should slow down to a safe speed, get over to the right, and provide the motorists behind with adequate warning signals.

A "hurry complex" results in speeding, improper passing, failure to yield, close crowding and indifference to driving conditions. All these can be cured by administering a dose of self-discipline, according to the Chicago Motor Club.

ATOMIC BLAST churns the Nevada desert and rises skyward as "Frisco" shot of Operation Plumbbob, the current series of atomic tests, hurls tremendous forces against a new "ghost town" of shelter structures built as possible prototypes for future blast-resistant buildings and shelters in the more vital target areas. W. S. C. S. Meets

The Woman's Society of Christian Service met at the home of Mrs. Ethel Shafer the evening of September 26. Assisting hostesses were Mrs. Nell Reed, Mrs. Jean Gibson, Mrs. Wanda Simcoe, and Mrs. Ellen Stanford.

The meeting opened with prayer by Mrs. Zoa Ward. The business session was conducted by the president, Mrs. Lois Davison. Various Department Secretaries gave reports on their work.

Mrs. Zoa Ward gave a "This Is Your Life" sketch and presented Mrs. Rosa Kinsey with a Life Membership pin from the Woman's Society. Each lady pres-

ent was deeply impressed by the examples set before them of the many services which Mrs. Kinsey has performed for her church, community, neighbors, and family.

The worship leader was Mrs. Iris Anderson, who through worship lead us into the program subject, "Mission Cinerama". The guest speaker was Mrs. J. N. Rodeheaver of Winona Lake. Mrs. Rodeheaver has filled the office of Secretary of Home Missions in the North Indiana Conference of the Methodist Church. By the use of color slides which she had taken while visiting in many mission stations she took us on a geographical march of missions in home fields ... to the Hawaii-

an Islands, to Alaska, to the land of the Navajo Indians in our southwest, and to the work of the rural workers in New England. Through her stimulating comments, Mrs. Rodeheaver made us aware of what is meant by "bringing to bear on all of life the spirit and teachings of Jesus Christ."

Mrs. Golda Mollenhour, vice president, closed the program through the reading of an Indian prayer. A social hour followed.

To Hold Gospel Meetings

The Mentone Church of Christ will begin a series of gospel meetings on Sunday, October 6 and continue through Sunday, October 13. D. L. Winger, minister of the South Marion congregation at Marion, is the visiting evangelist.

A cordial invitation is extended to all to worship at any of the services which begin each evening at 7:30 CST. The Sunday morning service begins with Bible study at 9:30 and the worship hour at 10:30.

LIONS HEAR CARTOONIST

Max Gamm, artist and cartoonist from Nappanee, spoke to the Mentone Lions club and their guests Wednesday evening. His talk was very interesting and informative. He stated that one must expect many rejection slips in a career of his kind, but one usually gets a percentage of "takes" if his ideas have average quality.

Several business and farm people were guests of Lions members.

Entertain Lawmakers

A special fish fry was held at the Conservation Club Camp on McClure Lake last Saturday night for about 75 senators and representatives of Indiana. The meet was sponsored by the State Conservation Advisory Committee and it was in appreciation for the fine support of the conservation measures in the last session of the legislature.

ELECT SMITH TO HEAD FAIR BOARD

Directors of the Kosciusko County Fair Association Wednesday night of last week elected Russell "Red" Smith, 52, Warsaw baker, as president to serve out the unexpired term of Victor Anglin, Etna Green.

Anglin, president the past nine years, died of a heart attack Sept. 2. Smith will serve until a regular election is conducted at the annual meeting of common stockholders in November.

As vice president under the late Mr. Anglin for the past nine yrs., Smith has been in charge of programming and concessions. The board will not elect a new vice president. Henry Butler is executive secretary and Albert Hartman is treasurer.

**Sister Dies
In Minnesota**

Mrs. Minnie Melgard, aged 82 years, died at her home at Warren, Minn., Sunday night following a heart attack. She is a sister to Russell Carper of Mentone. Funeral services will be on Friday.

Mrs. Melgard was born at So. Whitley Aug. 18, 1875 and moved to Minnesota at the age of 16. She and her husband are the parents of four sons and one daughter. One sister also survives at Pine River, Minn.

Just five weeks ago Mr. Carper visited at the Melgard home at Warren. He reports it is the largest farm in Minnesota and contains 3,600 acres. At the time of his visit they were in a remodeling program and \$50,000 was being spent on the farm buildings.

BURIED AT MENTONE

Funeral services for Miss Bonnie Hardesty, 66, of 525 Leland Ave., South Bend, who died Friday afternoon in Memorial hospital, were held in the Methodist Church at Argos at 2 p. m. CST, Monday. Rites were conducted by Rev. E. J. Peters, pastor. Burial was in the Mentone cemetery.

Miss Hardesty was born and raised in Tippecanoe.

REMAINS AT HOSPITAL

Mrs. Emma Clutter, 46, remains in the Woodlawn hospital where she was taken on the evening of September 27th after being hit by an auto being driven by Mrs. Virgil Cooper. She suffered painful bruises and a concussion. She is recovering satisfactorily and was able to walk a few steps this week.

FIRE AT TRIDLE HOME

The fire department was called to the Loren Tridle home Tuesday morning to extinguish a roof blaze. The chimney "burned out" and the heat set fire to the roof shingles. Damage was estimated at about \$100.

HOME AGAIN

Rosalind, the eight-year-old daughter of Mr. and Mrs. Mervin Wagner, is home again after being in the Murphy Medical hospital at Warsaw about two weeks. She is troubled with an inactive gland in her shoulder. The young lady had been in the hospital a short time previous.

**Suffers Electrical
Burns on Hands**

"Blackie" Wagner was severely burned on both hands and face about 6:45 Wednesday morning at the CoOp. Mill at Mentone. One of the electrical circuits had failed and "Blackie" was checking fuses in the power bank when he came in contact with live wires. The flying electrical sparks burned both hands and his face. His glasses protected his eyes. He was treated at the Woodlawn hospital at Rochester and released.

Last week Mr. Wagner suffered a couple of broken ribs in a fall and reported back to work this morning to advise regarding the operation of one piece of equipment.

Married Sunday

Anita Parker, daughter of Mr. and Mrs. Paul Parker, and Darrel Bruner, son of Mr. and Mrs. Lester Bruner were united in marriage Sunday, at 2:30 p. m. at the Methodist Church in Silver Lake.

**HALLOWE'EN PARTY
AT MENTONE**

A meeting was held Tuesday evening to formulate plans for a Halloween party to be held at Mentone. The tentative date is Oct. 26th. It will be sponsored by the Mentone Lions Club and prizes will be offered to those who participate in the masked affair. The prize schedule will be announced next week.

HAS OPERATION

Jimmy Bryan, 12 year old son of Mr. and Mrs. M. O. Bryan, returned to his home a week ago Tuesday after undergoing an operation for hernia at the Parkview Memorial Hospital in Fort Wayne.

**MENTONE SHARES IN
IHSA DISTRIBUTION**

The Mentone School, because it participated in the 1957 sectional basketball tourney and was a member in good standing of the Indiana High School Athletic Association, recently received a warrant for \$125.00 as a distribution to such Indiana high schools.

Distribution by this organization to Indiana schools since 1932 has amounted to \$1,359,809.

**Celebrate 60th
Anniversary**

In celebration of their 60th wedding anniversary on October 2nd, Mr. and Mrs. Fred Swick entertained their family and close relatives at a buffet dinner party at the Westminster Hotel at Winona Lake.

The tables were decorated with fall flowers and oak leaves. The "Good Luck" theme was carried out by the use of diamond horse shoes used in the centerpiece and the favors.

Following dinner, a musical program was given by members of the family. Mr. and Mrs. Swick were presented with lovely gifts among which were gold watches given them by their children.

Mr. and Mrs. Swick have spent practically their entire married life on a farm one mile west of Mentone. They have five daughters, Mrs. Vance Johns, Mentone; Mrs. Earl Smalley, Warsaw; Mrs. Adrian Little, Huntington; Mrs. Doyle Earwood, Elkhart, and Mrs. Hale Herd, Logansport. There are ten grandchildren and three great grandchildren.

Those present besides the host and hostess were: Mr. and Mrs. Johns, Mr. and Mrs. Smalley and son, Mr. and Mrs. Little, Mr. and Mrs. Herd and family, Mr. and Mrs. Earwood and family, Mr. and Mrs. Francis Kehoe and Mr. and Mrs. Ralph Burris of Mentone, and Mr. and Mrs. Charles Emmons of Warsaw.

Club Calendar

Merry Mollys Home Dem. Club will meet Monday evening at the home of Mrs. David Cooper, A hard times party will be held.

7:00 p. m. CST, bring materials to make toys.

The W. S. C. S. of the Mentone Methodist Church will meet Thursday, October 17th at the home of Mary Utter, at 7:45 p. m. Mrs. Wilkerson of Fort Wayne Community Center will be the guest speaker. Please remember your Christmas gifts for the boys and girls of this Center. O16

The Jolly Janes Club will hold a hard times party at the home of Mrs. Albert Hatfield Monday evening, October 14 at 8:00.

The Mothers of W. W. 2 anniversary meeting Monday evening, October 14th. Please meet at Bertha Meredith's at 5:45 p. m. fast time for conveyance to same.

**Engagement
Announced**

Mr. and Mrs. Homer Fetterling of South Bend, announce the engagement of their daughter Joanie Lynn, to Clarence Dickey, son of Mr. and Mrs. Otis Dickey, Roue 2, Warsaw.

Miss Fitterling, a graduate of South Bend Riley high school, is now attending Florida Southern college. Mr. Dickey graduated from Mentone high school. He is employed at Collier's Construction company and will be transferred soon to Florida.

No date has been set for the wedding.

Married Recently

Miss Nettie Wagoner, daughter of Mr. and Mrs. Claude Wagoner of Talma and Larry Fisher, son of Mr. and Mrs. Everette Fisher of Nappanee were married recently in the Church of God Parsonage in Nappanee. The Rev. Robert Fields performed the ceremony.

The bride is a graduate of the Talma High School class of 1957. The groom attended the Nappanee High School.

The couple are living in Talma.

NEW DAUGHTERS

Daughters were born recently to Mr. and Mrs. Donald Boyer of Route 5, Warsaw, and Mr. and Mrs. Edward O. Napier, Burket.

FISH FRY WELL ATTENDED

The Mentone Fire Department fish fry held at the school last Saturday evening was well attended and the firemen report a net of \$256. It is estimated about 500 people were fed.

The firemen, however, were somewhat apologetic in that they were not able to give the service they normally do. Two things conspired against them: They had one less cooker than they had planned and the people seemed to appear in droves rather than the normal steady stream.

Regardless, we can report that the department men and women gave a fine feed.

Thursday evening the department will have one piece of its equipment at the giant parade and fire fighting demonstration to be put on at Warsaw. Our school band and American Legion color guard will also take part.

For safety's sake, a number of the firemen will remain at home for fire protection purposes.

**Adams Boy
Still Serious**

Russel Adams, 11 year old son of Mr. and Mrs. Herbert Adams of Mentone, remains in a serious condition at the Woodlawn hospital at Rochester where he was taken after being hit by an auto on Tuesday evening of last week. He was riding his bicycle across Highway 19 in Mentone when he was hit by an auto driven by Kenneth Bright of near Akron.

The boy suffered a basal skull fracture and is still in a semi-conscious state. He takes fluids orally and is able to open his eyes, but doesn't speak and there is no indication he is aware of others around him. The mother stated Wednesday evening that she sees changes in his condition daily, but that he is still critical.

D. A. R. GOOD CITIZEN

Sue Shoemaker, daughter of Mrs. Howard Shoemaker of Mentone was chosen as D. A. R. Good Citizen of the Mentone School, as announced by Mrs. Miles Manwaring, Anthony Nigo Chapter, D. A. R., Good Citizens chairman.

Each contestant was chosen on the basis of dependability, service, leadership and patriotism. Personality and self-control are among other qualities the girls must have. Atwood, Beaver Dam, Claypool, Etna Green, Silver Lake and Sidney are also under jurisdiction of the Anthony Nigo Chapter.

Each school selects their Good Citizen, and all 7 will be entertained in March.

HOME FROM HOSPITAL

Mrs. Melvin Cain arrived home Tuesday after spending some time in the Woodlawn hospital at Rochester.

CELEBRATES 80th BIRTHDAY

Sunday, October 6th the family of M. O. Mentzer assembled to assist in celebrating his 80th birthday. Those present were Mr. and Mrs. James Mentzer, Park Ridge Ill.; Mr. and Mrs. K. C. Foulks and children, Frank and Peggy, South Bend; Miss Rosalind Mentzer, East Lansing, Michigan; and Miss Annabel Mentzer, Mentone. Mr. Mentzer's sister and husband the C. B. Cole's of Elkhart were also there.

This was one of those beautiful October days both in fact and memory.

Some of the Many Advantages IN HAVING YOUR FARM MORTGAGE LOAN AT THIS BANK

- ◆ Full prepayment privileges without any penalty.
- ◆ Interest ceases on principal payments on the day they are paid, rather than on the next succeeding interest payment date, thus affecting a savings in interest.
- ◆ Advance payments are credited to the next succeeding installments enabling you to skip principal payments during periods of low income.
- ◆ Maturity dates and terms are arranged to coincide with your marketing program.
- ◆ Extensions are granted to enable you to complete your harvest or feeding program.
- ◆ With your farm mortgage at this bank you can use your equity for additional working capital.
- ◆ You will be doing business with people whom you know and who are interested in your welfare and progress.
- ◆ You have the convenience of discussing your problems and programs in person with those who hold your mortgage.
- ◆ We have had over Sixty-five Years of farm mortgage loan experience and are familiar with local values and the capacity of our farms to produce.
- ◆ No commissions or appraisal fees.

Guard Against Soybean Losses

Rushing through soybean harvest to shorten a dusty job may result in a loss of beans and money, reminds Les Hill, Purdue University agricultural engineer.

If the cylinder and straw rack on the combine are overloaded, an excessive number of beans may be lost on the ground. The cutter bar shatters more beans at high rates of speed too.

A combination of high speed and overloading the rack and shoe may result in bean losses of more than 10 percent, Hill estimates.

This percentage can be reduced by slower operation, by cutting below the lowest pod on the stalk and by having the reel adjusted to the proper height and speed.

To estimate total losses in a field, Hill suggests marking off a square yard that has just been cut, counting the number of beans on the ground inside this area and dividing by 33. The resulting figure represents the number of bushels per acre that are being left in the field. Several areas should be checked across the entire width of cut of the combine to insure accuracy, Hill suggests.

After an estimate of losses has been made the farmer can evaluate his machine adjustments and method of operation and improve them.

A leaflet entitled, "Harvesting With Combines" can be obtained by writing the Agricultural Engineering department, Purdue University, Lafayette. It contains additional information on operating combines.

Fall Pasture Management

Some cropping practices to insure good pastures next spring should be considered now, according to M. R. Teel, agronomist at Purdue University.

In order to maintain a balance between grasses and legumes, the pastures, if they have been eaten down, should be rested from now until the first freeze. Teel says that with ample fertility this practice will guarantee a rich supply of stored foods to support the spring growth of legumes.

If fall pasture is needed, grazing after a couple of hard freezes will cause less severe damage to the legumes because they have no tendency to regrow.

Fall grazing as well as spring grazing, is guaranteed by either

applying 30 pounds of nitrogen per acre for the benefit of the grasses or by drilling a bushel of winter wheat or rye per acre into the pasture sod.

Rye or wheat can be seeded into a pasture by disking lightly and planting with a conventional wheat drill. Teel warns that it probably won't pay to drill wheat or rye into extremely dense sod because the seedlings will not survive the competition.

Teel advises sowing rye and wheat separately in one field. Wheat matures later than rye, giving greater flexibility for either a silage program or a grazing program.

Late Planted Corn For Silage

Late-planted corn and early frosts have many Hoosier farmers worried.

Corn silage is one answer to the problem, according to Purdue University agronomists. However, the silage must be made before the corn is frosted enough to dry out the leaves and stalks. Dry corn leaves and stalks are difficult to pack in a silo and cause excessive heat. Heating uses up valuable energy, resulting in a great loss as cattle feed during the winter months.

Corn makes the best silage for beef cattle when the kernels are well dented and most of the stalks and leaves are still green.

Dairy cattle do best on corn silage that is less mature—when the stalks and leaves are entirely green and the kernels are not later than the milk to early dent stage.

Sorghum silage should be made in the dough stage and before frost. Sorghum silage made before this stage of maturity may result in a sour, unappetizing silage.

A new method of storing silage is in a loaf-shaped stack using a 6 mil black plastic cover.

With a great number of foreign cars and other vehicles of unusual design on the roads, the motorist should look carefully when moving from one lane to another. Frequently the front and rear of such cars are strikingly similar.

Production of sweetclover seed in Indiana in 1957 is forecast at 518,000 pounds, according to agricultural statisticians at Purdue University. This compares with 385,000 pounds produced last year and a 10-year average of 443,000 pounds. Acreage this year is estimated at 4,500 compared with 3,500 last year and an average of 3,970 acres. Yield per acre this year at 115 pounds is near average, the statisticians report.

Palestine H. D. Club Meets

The Palestine Homemakers Club met recently at the country home of Mrs. Gordon Hackworth with Mrs. Tom Harman assisting as co-hostess. The vice president, Mrs. Flo Shively opened the meeting with several members and one guest, Mrs. Jessie Baum.

The pledge and club creed were repeated by the members. "America the Beautiful" was sung by all. Health and Safety was a discussion. Meditation was given by Geraldine Perry entitled "Grow Old Gracefully," in the absence of the secretary, Mrs. George Hipsher. Roll call was given by Mrs. Tom Harman.

The committee reported the names for officers of the coming year.

An election was held with the following new officers elected: President, Mrs. Flo Shirey; Vice President, Mrs. Gordon Hackworth; Secretary-Treasurer, Mrs. Tom Harman.

Mrs. Perry conducted the business at hand and the meeting closed by repeating the club prayer.

The next regular meeting will be November 7th with Mrs. Tom Harman as hostess.

Jolly Janes Visit So. Bend

Ten members of the Jolly Janes Home Demonstration Club journeyed to South Bend, Monday, September 30.

A conducted tour was made through the Goodwill Industries building. It was also learned that it is not supported by any organizations. Perhaps we forget that crippled children become adults, and sometimes still need to be aided in finding a place where they can feel they are needed and are helping themselves.

The group then went to visit the Children's Hospital. It was quite enlightening to learn that there were no polio cases there.

Next was a guided tour at W. S. B. T. Broadcast Center. This was quite interesting. A T. V. Program for "The Studio" was being rehearsed at the time.

After dinner and some shopping a tired group wended their way back to Mentone.

Even a cellophane wrapper, if unbroken, can prevent food from being contaminated by radioactive fallout, according to the Federal Civil Defense Administration. Radioactive materials may be washed off the cellophane, allowing for safe use of the food.

Beaver Dam School News

By Sherry Babcock

Last Monday ten high school girls tried out for Cheerleaders. The three receiving the most votes were Jo Tucker, Susie Barber, and Liana Ballenger. Good luck, girls.

This Friday ends the first grading period. Wednesday the grade cards will be handed out.

Students in the 1st, 4th, 7th and 11th grades will be given physical examinations at school this Monday.

This Monday, John Heinman of Indianapolis, will start teaching at Beaver Dam. He will teach English, social studies and he will be the Jr. Hi. coach.

The seniors have started practicing for their play. It will be given on November 14th and 15th with Mrs. McFadden as the director.

The boys have started practicing for their first basketball game at Milford on November 1st.

Local News

Mr. and Mrs. Heston Creviston and family of Wabash, and Mr. and Mrs. Raymond Lewis and family were Sunday dinner guests of Mr. and Mrs. Everett Besson and family.

Mrs. Florence Blazer and Mrs. Leroy Paulson and daughters of Fort Wayne spent Sunday afternoon visiting Mrs. Blazer's brother and wife, Mr. and Mrs. Delemer White.

Mr. and Mrs. Adam Brickel of Millersburg, were dinner guests Thursday of Mr. and Mrs. Dale Stiffler.

Mr. and Mrs. Adam Brickel and Mr. and Mrs. Dale Stiffler spent Thursday afternoon visiting Mr. and Mrs. Hobart Stiffler.

This Is Fire Prevention Week

The best time to think about fire on your farm is before it happens, according to F. R. Willsey, Purdue University farm safety specialist.

During Fire Prevention Week, October 6-12, Willsey suggests that farm families select one specific fire hazard and eliminate it during that time. Don't give fire a place to start, he emphasizes.

For instance, condition of heating equipment, including chimneys and flues, should be checked before the cold weather arrives and repairs should be made if needed.

Electric wiring and loads on

circuits should be given close scrutiny. Worn and inadequate wiring should be replaced; only 15-ampere fuses should be used unless a circuit has been specially designed for larger loads.

Rubbish, newspapers, magazines, etc., which often are piled in the attic, garage or basement should be collected and disposed of, Willsey suggests.

The safety specialist reminds farm folk that their fire fighting tools should be easily accessible in an emergency. Ladders should always be ready for escape and fighting roof fires.

The right fire extinguishers should be in the right place. Willsey suggests checking them frequently and recharging them if necessary.

Be certain you know how to call the fire department. It's a good idea to post your fire department number and exchange at the telephone.

Fire safety on the farm, or anywhere else, is not a matter of luck, Willsey adds. Those who think about farm fires before they happen are least likely to have them.

Hi-C Club Meets

Tuesday evening, October 8th at 8:00 the Hi C Club met at the home of Sandra Lackey.

Randy Pointer of Grace College at Winona Lake opened the meeting by leading us in two songs. Larry Jordan of Grace College played the piano while Randy Pointer and Dan sang two duets. Following that Harold Reynolds, also attending Grace college gave us a short talk on Genesis 3.

We had a quiz after that over the first five chapters of Genesis. The questions were made out by Mary Kate Miller.

There were 22 present including the three visitors.

The next meeting will be held Tuesday, October 15 at 8:00 in the guest room at Pete's Lunch. Everyone is welcome.

Don't forget the Halloween party October 26th. If you want to know about it come to the next meeting.

CARD OF THANKS

Thanks to the Mentone Fire Department for their quick response and putting out our roof fire.

NORTHERN INDIANA COOPERATIVE ASSOCIATION

MENTONE, INDIANA

Open Friday and Saturday Evenings For Your Convenience.

Local News

Mr. and Mrs. Ermal Riemenschneider of Fulton and Mr. and Mrs. Ernest Studebaker spent Sunday visiting Mrs. Agnes Rans.

Mrs. Helen Ellis of Warsaw spent Sunday at the home of Mr. and Mrs. Lyman Mollenhour and family.

Sunday afternoon visitors of Mrs. Minnie Busenburg, Mary Jane, and Suellen were Mr. and Mrs. Wilbur Repine of Claypool and Mrs. Alice Busenburg and family.

Mr. and Mrs. Albert Satfield and son Larry spent Sunday in Star City with Mr. and Mrs. Peter A. Hatfield.

Mrs. Charles Carter of Caledonia, Wisconsin is visiting relatives and friends in and around Mentone this week.

Keith Besson was home over the week end and returned to school Sunday evening.

Jackie Julian was a Sunday dinner guest of his grandmother, Mrs. Nellie Julian.

Mr. and Mrs. Andrew Hall were Sunday dinner guests of Mr. and Mrs. Charles Green and family of Warsaw.

Mr. and Mrs. Glen Watkins of Bourbon called on Mr. and Mrs. Robert Jones Sunday afternoon. In the evening they all went to the home of Mr. and Mrs. Noble Babcock and daughter Sherry.

Mr. and Mrs. Rug Dunlap of California visited a week in Illinois and Indiana. The Mrs. stopped at Harvey, Illinois, where she visited her sister, and Rug came on to Indiana to see his brother and wife, Mr. and Mrs. Max Dunlap and they spent a few days over the week end at Arbutus, Michigan with Mr. and Mrs. Bernard Black and on Wednesday Mrs. Dunlap joined her husband at the Max Dunlap home. The following Saturday Mr. and Mrs. Max Dunlap drove them back to Harvey, Illinois, and Monday they returned to California by plane.

Mrs. Harley Utter, who has been ill at the home of Mr. and Mrs. Harold Utter was moved Monday to the home of another son, Mr. and Mrs. Wilbert Utter. Charles Russell was admitted to the Woodlawn hospital Tuesday for medical treatment.

Mrs. Sam Smith of Spencer, Indiana, is visiting this week with her daughter, Mr. and Mrs. Chester Smith.

Mrs. Bertha Clayton Chilson of Buffalo, N. Y., called at the M. O. Mentzer home last Sunday. Mrs. Chilson was a former resident of Mentone. Her parents built the house north of the Mentzer home and left Mentone in the 1890's for Lorain, Ohio.

Hunters Must Think Carefully

Although more than 300,000 Indiana hunters will care little for the safety of game animals during the 1957-58 hunting season, these sportsmen should concern themselves with their own safety, says the Chicago Motor Club.

Since Hoosier hunters spend an enormous amount of money and travel thousands of miles to enjoy the sport, their efforts should not be marred by a hunting or auto accident, the motor club cautioned.

In Indiana, all state forests, Hoosier National Forest, and fish and game areas are open to hunters; state parks are not.

Indiana seasons are: rabbit, Nov. 10-Jan. 10; squirrel, Aug. 15-Oct. 13; partridge, Nov. 10-Dec. 20; quail, Nov. 10-Dec. 20, and woodcock, Oct. 19-Nov. 27. Pheasant season will be set by discretionary order. Resident licenses cost \$2.50 and non-resident licenses cost \$16.00.

The motor club suggests that hunters follow the following rules of safety:

—Drive carefully before dawn and after sunset; most hunters are on the road at that time.

—Never hunt on farmland without the owner's permission.

—Never carry a loaded gun in the car.

Break your gun or put on the safety catch when crawling through a fence.

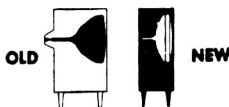

—Don't overtax yourself while hunting; the exertion may be too much for your heart.

—Never shoot from the car, or fire from or toward a road or highway.

Farrowing pigs in the fall can often be troublesome. Purdue University animal husbandmen recommend that sows and young pigs be kept in a clean area that is free from dust. This will help get the pigs off to a fast start.

HURRICANE AUDREY winds shriek across the flat marshes of southwestern Louisiana as cattle are herded to safety before the onrushing storm of last June 27. Loss of livestock as well as human life was heavy. Prompt local civil defense action prevented a greater toll. Survivors were moved to safe areas where the Red Cross provided food and shelter. Good home lighting may mean the difference

between success and failure. Follow these simple suggestions and your child will never be at a disadvantage due to faulty lighting.

1. Eliminate dark shadows in the study room by having an adequate source of general light (ceiling or indirect light).
2. Have a lamp of at least 150 watts for reading (preferably diffused-type giving "soft" light).
3. Eliminate glare (have no unshielded lights within direct vision of child at work in the room).

Your child will be able to make the best progress in study with good lighting. And the suggestions may be used to benefit the whole family. Why not review your lighting needs today?

Report On DAR Convention

Mrs. Frank Smith of the Anthony Nigo Chapter, D. A. R., of Mentone was elected Northern District Director of Indiana at the D. A. R. Convention held at the Sheraton-Lincoln Hotel in Indianapolis the 3rd and 4th of October.

Mrs. Eldred Paulus, Chapter Regent had the pleasure of giving the nominating speech for her sister, Mrs. Smith.

High lights of the Convention were: Greetings to the Daughters by Hon. Phillip L. Bayt, Mayor of Indianapolis; an address by Hon. Harold W. Handley, governor of Indiana, his talk was based in "a need for readjustment of federal-state relationships and functions essential before the American tax situation passes the present alarming stage and becomes actually confiscatory."

Music was furnished by Mrs. Hazel Dell Nordsieck, soprano; Paul Fidler at the piano, and the Sahara Grotto Male Chorus with Ernest F. Gilyeat as director.

General W. H. Wilbur gave an excellent talk on "The True Menace of Communism." He pointed out the rapid strides Russia has made in all phases of industry, in many cases equal or surpassing the U. S. We cannot therefore be lulled by any feeling of false security but must every be prepared and on the alert.

"Rededication" was the subject of the address given by Mrs. Frederick A. Groves, President

General, National Society, D. A. R.

A State Regents Reception was held in the Lincoln room, to meet the President General.

Chapter Regents of the Northern District were Hostesses. Mrs. Eldred Paulus was one of these. Others attending from Anthony Nigo Chapter were Mrs. Glenn Clauss, Mrs. Ernest Igo, and Mrs. Ray Linn.

Baptist Church News

Five persons received the right hand of Fellowship as new members of the First Baptist Church at the Communion Service on Sunday, October 6th. They were: Mrs. Finedred Bussey, Harry Gehring, Bruce Miller, Mrs. Bruce Miller and Chester Walters. Steven Lewis and Keny Romine were received into the church at the last Communion service. Seven other individuals have presented themselves for membership and will be welcomed into the church at a later date when all membership requirements have been completed.

Rev. E. Gordon Wray, who has been serving as a missionary in

the Philippines under the auspices of the Association of Baptists for World Evangelism, will be the speaker at both the morning and evening services, Sunday October 13th. Mr. Wray has been supported by the First Baptist Church during his past term on the field. Pastor Olson will be guest speaker at the Berean Baptist Church in Indianapolis.

Sunday, October 13th, will also mark the opening of our participation in an inter-church Sunday School Contest among the various churches of the Northern Indiana Fellowship of Regular Baptists. Mr. Devon Eaton has been appointed Campaign Manager for the contest.

Harry Witham was dismissed from the St. Joseph Hospital in Fort Wayne Tuesday.

NEWCASTLE TOWNSHIP NEWS

Mrs. Walter Jordan has returned to her home here after undergoing major surgery at a Wabash hospital in that city.

Mrs. Carrie Miller has accepted a position at the new factory here.

Lavoy Montgomery attended the funeral of Mrs. Amanda Harley at Tippecanoe Wednesday afternoon.

Mrs. Cora Bryant has returned to her home here after visiting in the home of Mrs. Von Kochenderfer at Rochester.

Mrs. Versa Smith of Akron has returned to her home after visiting in the home of Mr. and Mrs. Fred Miller.

Lou and Oliver Grove spent Saturday afternoon in Rochester. Miss Pat Zimmerman of Rochester was the week end guest of Miss Janlene Sriver.

Mr. and Mrs. Charles Good spent Saturday afternoon in Rochester.

Mr. and Mrs. Fred R. Miller spent Sunday evening in Tiosa visiting with their son and daughter-in-law, Mr. and Mrs. Paul Miller and family.

Claude Jamesson has returned to his home after visiting in Ro-

chester, Minn., for several weeks with relatives.

Mr. and Mrs. Jerry Dush has returned to their home in Cedar Lake, Indiana after visiting with his parents, Mr. and Mrs. Joe Dusan.

The Talma Methodist Church is holding a Smorgasbord supper in the Church dining room on Friday evening, October 11, serv-

ing from 5:30 to 8:00 p. m. Tickets are on sale at the church.

Contribute To Blood Program

Blood donors from this area who gave blood to the Red Cross Blood Bank at Warsaw last Thursday were:

Mr. and Mrs. Marvin Romine, Mr. and Mrs. Herschel McGowen, Dr. Orville McFadden, Frances Marshall, Ottilie Walburn, Jack Riner, Dale Wallace, Gene Black, Anna Brannum, Larry Stavedahl, Ray Shumacher and Ralph Mollenhour.

A pamphlet from the Fort Wayne Regional Blood Center states that they serve the people of the region:

1. By providing blood for a transfusion to anyone in need of it in accredited hospitals.
2. By giving the opportunity to replace in their own communities and at convenient times, blood used by friends and relatives in hospitals anywhere.
3. By providing donors thru our volunteer service to replace blood used in veterans hospitals and by the friendless and aged patients in other hospitals.
4. By providing blood and its derivatives FREE. Laboratory, administration, collection and supply charges are billed to the patient by the hospitals.

Hospitals in the following cities are supplied blood free, as above: Angola, Auburn, Bluffton, Bremen, Columbia City, Decatur, Ft. Wayne, Frankfort, Garrett, Goshen, Huntington, Kendallville, Knox, Kokomo, LaGrange, LaPorte, Lebanon, Logansport, Peru, Michigan City, Plymouth, Portland, Rochester, Union City, Valparaiso, Wabash, Warsaw, Westville, Winamac and Winchester, Indiana. A number of Ohio hospitals are also in the area.

"TOMBAUGH'S STEW"

Brownie Troop 3 enjoyed a cook out at Tridle's lawn, Tuesday evening. Mr. and Mrs. W. Tombaugh prepared the delicious stew. All members were present.

NEWS — Ph. ELmwood 3-3985

"Spite" Involved In Bus Vandalism

Indications are that revenge of a Mentone school boy for being reprimanded by a school bus driver motivated a spree of vandalism on the Harrison township school bus driven by Sam Boggs. Monday morning Mr. Boggs found that during Sunday night some persons had thrown the bus cushions into the hog lot, soaped the windows and windshield, broken a wiper, removed all the valve cores from the tires, and turned on the ignition key so that the battery was discharged.

Deputy Sheriff Cecil Latta investigated the vandalism and on Tuesday Trooper Hammersley appeared at the Mentone school. Two high school boys, one from Mentone and one from Warsaw, were found out as the ones who did the damage. It is not known what form of punishment will be given the young men.

A spare bus was used for the Monday morning trip.

ENROLLED AT ANGOLA

Barry L. Igo, son of Mr. and Mrs. Ernest Igo, R. R. 1, Claypool, is among new students enrolling at Tri-State College, Angola, Indiana, at the opening of the fall quarter.

Enrolled in the Department of Aeronautical Engineering, he will be among candidates for the Bachelor of Science degree upon completion of the course.

Mr. Igo formerly attended the Beaver Dam High School.

CHOSEN CHEERLEADER

Larry McKinley, a junior at Manchester College, North Manchester, was one of five Cheerleaders recently elected by the student body, to serve during the 1957-58 school year.

McKinley is the son of Mr. and Mrs. Ora L. McKinley, 504 West Main Street, Mentone, and a graduate of the Mentone High School. He is sports editor this year of the 'college annual and is majoring in business studies.

NO REPORT OF RUSSIAN "MOON"

A check with local amateur radio operator Dale Wallace this evening regarding the Russian man-made satellite indicated that neither he nor Kenneth Simcoe had received any radio signals that could be definitely traced to the 23-in sphere that is now circling the earth some 400 miles out into space. Mr. Wallace stated that many signals have been heard, and in talking with other "ham" operators they indicate the radio signal was becoming weaker and had decreased to approximately 40 per minute.

Mentone Senior Class Play

The Mentone senior class will present its play, "Hobgoblin House," a three act mystery-comedy in the Mentone Gymnasium Friday and Saturday nights, October 18 and 19 at 7:30 p. m. Matinees will be given Thursday afternoon for the grade children and Friday afternoon for the upper classes at 15 cents each. Night performances will be 50 cents for reserved seat and 40 cents for bleacher seat.

Sharlene Ware will be the M. C. and the music between acts will be furnished by Donna Eaton and Mary Kate Miller.

The play is a mystery in an old house in the Ozarks. Miss Priscilla Carter had bought the house where she and her two young attractive nieces, Marian and Jill Carter, expect to live for six months until the nieces come into their inheritance. However, the old house seems to be haunted, according to old Krupp, the caretaker. After many wierd and exciting experiences, a plot is revealed that a young heiress, who had been kidnapped, is being held in the house. The kidnappers were trying to get Miss Carter and her nieces out of the house by frightening them. The girls' boy friends find out about the plot and capture the kidnappers. The humorous parts are played by the 'Henglish' 'ouse-

keeper, the colored gardener and the colored cook, whom the kidnappers succeed in frightening terrifically.

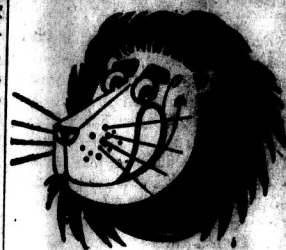

The following is the list of characters: Krupp, the old caretaker, Jim Manwaring; Miss Priscilla Carter, Sue Hauck; Marian Carter, Linda Linn; Jill Carter, Beverly Horn; Marian's boy friend, Frank Loring, Lee Markley; Jill's boy friend, Jack Harlow, Melvin Keplinger; Susan Parkins, the 'Henglish' 'ousekeeper, Nadene Kittrell; Henry Goother, the colored gardener, Bill McGinni; Delilah Worts, the colored cook, Lucy Coplen; Bluebeard Bronson, an escaped maniac, Tim Utter; Bill Wilkins, his keeper, Ronald Severns; The Headless Phantom ???; Patricia Arnold, the heiress, Sue Blackburn.

Mrs. Caldwell is the director of the play.

Come and see the excitement and near all those screams of fright and the weird lights and headless apparitions!!! Don't miss it!

Charles Russell
Buried Sunday

Charles C. Russell, 83, Mentone, died at 5:54 p. m. Thursday at the Woodlawn hospital at Rochester after a long illness.

A native of Kosciusko county Mr. Russell was born in July 17, 1874 to Zane and Ellen (Tullis) Russell. He was one of 11 children.

On Jan. 7, 1899, he was married to Dora R. Taylor, Newcastle township, who survives. He spent most of his life in Detroit, Mich., and was a member of the Church of Christ at Sycamore, near Mentone.

Surviving besides the widow are two sons: Herschel, Clearwater, Fla., and Taylor, Detroit; four grandsons; five great-grandchildren; a sister, Mrs. Clarence (Beulah) Peterson, Rochester; a brother, Fred F. Russell, Washington Courthouse, O.; several nieces and nephews. A son, Harry and a daughter, Mary, preceded Mr. Russell in death.

Services were held at 2 p. m. Sunday at the Johns funeral home in Mentone with Ralph Burris, pastor of the Mentone Church of Christ, officiating. Burial was at the Sycamore cemetery southwest of here.

New Arrivals

A seven pound 14 ounce daughter, Cynthia Sue, was born to Mr. and Mrs. John D. Fitzgerald, of Atwood, at the Woodlawn hospital at 3:58 Tuesday morning. Grandparents are Mrs. Thomas Fitzgerald of Mentone and Mr. and Mrs. Roberta Hendrickson of Kewanna.

Mr. and Mrs. Albert Orcutt are the parents of a son born at 4:25 a. m. Tuesday at the Murphy Medical Center.

Mr. and Mrs. Robert Riewoldt of Etna Green are the parents of a seven pound 14 ounce son, born at 1:40 Monday afternoon at the Murphy Medical Center at Warsaw. The new son has been named Robert Chad.

SUFFERS HEART ATTACK

Devon Eaton, aged 49, was returned to his home Sunday after spending a few days in the Woodlawn hospital at Rochester. He suffered a heart attack a week ago today. "Spud," as most of us know him, has had trouble of this nature in times past, but is responding to treatment even though he must remain bedfast.

Hallowe'en
Festival Here

Cash prizes will be offered to participants in the Hallowe'en masked parade to be held in Mentone on Saturday evening, Oct. 26th.

Plans for the event are not all completed, but the following prizes have been announced:

Largest Family Group	5.00
Best Dressed Couple	2.00
Best Bridal Couple	2.00
Best Tramp	1.00
Best Clown	1.00
Ugliest Dressed	1.00
Youngest Person Masked	1.00
Oldest Person Masked	1.00
Most Unusual Costume	1.00

The exact time of the parade will be announced at a later date.

It is planned that cider, popcorn, hot dogs, bingo, etc. will be available for those who wish to make an evening of it. The Mentone school band may be on hand to furnish music for the occasion.

FLYING CLUB NEWS

The Mentone Flying Club, Inc., reports that Francis Brown has been included in the membership and is ready for flying instruction.

Denton Abbey has traded his four-place Piper Pacer in and now has a 172 Cessna stationed at the local field. The Cessna is also a four-place plane and is well equipped with radio equipment.

PHYSICIANS, COACHES TO
CONFER ON ATHLETIC
INJURIES

The Indiana State Medical Association in cooperation with the Indiana High School Athletic Association, Indiana College Coaches and the Indiana High School Coaches Association, has issued an invitation to coaches and physicians over the state to confer on the vital subject of athletic injuries, their causes, prevention and treatment.

This will be the first such conference ever held in Indiana and will be watched closely by other states who are giving consideration to the same type of meeting.

All coaches attending the conference will be the special guests of the Indiana State Medical Association at the annual coaches dinner which follows the conference. One of the nation's foremost college coaches will speak at the annual coaches banquet.

Father Dies

Funeral Services were held at 2 p. m. Wednesday at the Zimmerman Brothers funeral home, Rochester, for Roy E. Hill, 44, Rochester barber and father of Robert Hill of Mentone, who died at 8:30 a. m. Monday at St. Joseph hospital in South Bend of a cerebral hemorrhage.

The Rev. Richard Mitchell of the First Baptist church officiated and burial was in the IOOF cemetery there.

Mr. Hill, who lived on R. R. 4, a half-mile west of Rochester on State Road 14, was born May 6, 1913, a mile south of the Fulton county line on State Road 25 in Cass county, the son of Harry and Glenn Powell Hill. He had resided in the Rochester community 16 years, coming here from Fulton.

He was married July 14, 1932, in Royal Center to Lucille Redd, who survives. Also surviving are two sons, Robert J., Mentone, and Jack at home; one daughter, Linda, at home; one sister, Mrs. John (Wilma) Snyder, Metea; one brother, Robert, Rochester; his mother, Mrs. Glenn Hill, Metea; one granddaughter and several nieces and nephews.

He was a member of the Moose and Eagles lodges and of the Izaak Walton League of America.

Sister Dies

Mrs. Louis (Minnie) Seelig, 68, of Chicago, a sister of Mrs. Ben Scarbrough, Mentone died of a heart ailment and complications Saturday afternoon in the Murphy Medical Center, Warsaw.

Mrs. Seelig was transferred from Chicago to the Warsaw hospital on October 1st.

Born in Chicago October 28, 1888, she was the daughter of John and Clara (Shelander) Anderson. She leaves her husband and two sisters, one residing in Chicago.

Services were held in the Brown funeral home, 2939 95th street in Chicago. Reed funeral home, Mentone, was in charge of local arrangements.

CLUB CALENDAR

The W. S. C. S. of the Mentone Methodist Church will meet Thursday, October 17th at the home of Mary Utter, at 7:45 p. m. Mrs. Wilkerson of Fort Wayne Community Center will be the guest speaker. Please remember your Christmas gifts for the boys and girls of this Center. O16

Legion Remodels
Club Rooms

Officials of the Mentone American Legion announce that their club rooms have been subjected to considerable remodeling of recent date. Two partitions have been removed, new interior framing installed, interior repainted, and other visible improvements. The officials express their thanks and appreciation to the citizens, Post members and business firms for their fine assistance.

LIBRARY NOTICE

Because the librarians are attending the State Library Convention at Indianapolis, there will be a change in the Library hours for Thursday, Friday and Saturday of this week. The Library will be open from 1 to 4 p. m. on Thursday and Friday and from 1 to 5 p. m. on Saturday. The Library will not be open Saturday evening of this week.

CELEBRATE ANNIVERSARY

Mr. and Mrs. Leonard Summe of Akron will celebrate their 65th Wedding Anniversary on Sunday, October 20th.

Adams Boy
Is Improving

Herbert Adams reported late Wednesday evening that their son, Russell, continues to improve. He has not fully regained consciousness, but today he replied with a firm "No" to questions of the nurse about whether he desired a drink or more to eat.

Russell, who is 11 years of age, was struck by an auto while riding his bicycle near his home in south Mentone on the evening of October 1st.

The boy was removed from the Woodlawn hospital at Rochester Friday to the Memorial hospital at South Bend where he was examined by medical men specializing in such cases. Monday night he underwent surgery for the removal of two blood clots.

The medical men state that there was injury to the brain but that nature was the only healer for this. It was also found that there was a fracture of the collar bone.

WELCOME RAIN

The weather has been beautiful so far this fall, but a rain started falling yesterday which is mighty welcome to the farmers.

To Solicit
Scout Funds

The annual canvas for funds for the Boy Scout movement in this area will be next Monday evening, and the solicitors will meet at the Methodist Church basement at 6:00 p. m. CST.

Solicitation will be in the local Scout area, which includes rural homes as well as city homes. (Solicitation of the business concerns is now being made during daylight hours.)

Without question, the Scouting program has been found to be beneficial to every participant as well as the community in which he resides, and the Scouts themselves pay only 50c per year to the organization. Funds for the directors, maintenance of camping facilities, etc., come from the financial programs of the Scouts and direct contributions by parents, citizens and business or professional people. All the funds received here will be used in the Pioneer Trails Council which includes the counties of Elkhart, Kosciusko and LaGrange.

Individual contributions makes it possible for any boy to enjoy the privileges of Scouting even though he may be financially unable to pay all his own way.

There are 22 Boy Scouts and 28 Cubs involved in Scouting in the Mentone units.

SENIOR PLAY FRIDAY
AND SATURDAY

The Mentone senior class play, "Hobgoblin House," will be presented on Friday and Saturday nights, Oct. 18 and 19, at 7:30 p. m. CST. Matinees will be given Thursday afternoon for the grade children and Friday afternoon for the upper classes.

SCHEDULED FOR GERMANY

A letter from Merrill Peterson states that he has completed his eight weeks of basic training and is now in his third week of advance training. When this training is completed he will be a mortarman.

He indicates his regiment is scheduled for duty in Germany.

ANNUAL P.-T.A. SUPPER
AT BEAVER DAM

The annual Beaver Dam Parent-Teacher supper will be held at the gymnasium on Wednesday evening, Oct. 23rd, with the serving starting at 5:30 CST. The menu includes ham and chicken and all the trimmings.

Trapping Rodents

Trapping is often overlooked as a control for rats and mice around the farmstead, reminds William D. Fitzwater, assistant agent of the U. S. Fish and Wildlife service at Purdue University.

There is no safer or cleaner method of control available than trapping, he says.

"You don't need complicated or electronic devices, either," Fitzwater adds, "just a little knowledge of the habits of these rodents."

The wooden base snap trap that grandpa used is still one of the simplest, most versatile of traps.

Fitzwater suggests that the trap can be made more sensitive by enlarging the bait pan with a piece of cardboard or wire screen. Traps modified in this fashion can be placed in runways where the rodents normally travel. A box should be placed along side of the trap so that the rat or mouse has to squeeze across the trigger.

The bait pan can be left unbaited, but a bit of peanut butter or a few oats serves as a prime attraction for the rodents. If rat or mice runs cross on wooden joists, traps can be nailed in place.

Fitzwater says that traps need not be boiled or other efforts made to remove human odors or

the scent of rats previously caught. Rats and mice are not repelled by these odors. Everything they touch is usually associated with human beings and the odor of dead kin only attracts them.

It is usually advisable to leave the traps in place for several days before moving them to better locations. This will overcome the instinctive shyness rats exhibit toward new objects. This trait is sometimes mistakenly thought to be cleverness on the part of these animals, Fitzwater says.

A number of traps should be used rather than relying on one or two to do the job.

All heifer calves should be vaccinated against brucellosis between the ages of 120 and 240 days. The protection produced at the earlier age is about as effective as that produced when the heifers are older, according to Purdue University veterinarians. The earlier vaccination is less likely to produce a permanent titer or a positive reaction to the blood test.

Late Planting Means Wet Corn

Indiana farmers who planted corn late will have soft or wet corn in many instances this fall, irrespective of the time of a killing frost, according to Keller E. Beeson, Purdue University extension agronomist.

The time of a killing frost has little to do with the moisture content. Beeson explains that what the frost actually does is stop the growth of the corn plant. If the corn is not mature at the time of a killing frost, the grain will be pinched and chaffy.

At the time of frost, corn will carry the amount of moisture determined by its stage of maturity. Following the frost, the corn will continue to dry. If the moisture content of the grain is above 25 percent at the time of harvest the excess moisture will have to be dried out artificially or the grain will have to be fed or sold before the warm spring weather causes heating and molding.

Farmers usually crib corn freely when the moisture in the grain is down close to 20 percent. Full season hybrids planted late in May are likely to be low enough in moisture for safe cribbing sometimes in late October, according to Beeson. Such corn carried 40 to 50 percent moisture in mid-September.

Late June planted corn of even early hybrids generally carried 50 percent water in the grain in mid-September. Full season hybrids planted late carried 60 percent or more moisture. Such corn will still be high in water in late October.

The average loss of moisture is only 15 or 20 percent in October, says Beeson, unless the weather is unusually warm. Since corn dries slowly in November, late-planted corn is likely to be wet or soft and to present storage hazards.

No matter when frost occurs, the water must still be lost from the grain if it is to be safely stored. Some persons think frost dries corn faster. Others say that frost makes corn wet. Neither statement is accurate, Beeson asserts. The frost primarily determines whether corn is finished or the degree of chaffiness in immature corn when growth is halts.

Mentone H. D. Club Meets

The Mentone H. D. Club observed guest day at Pete's Social Room recently with Mrs. Howard Horn of near Mentone as hostess and Mrs. Harry Vernet as co-hostess. Eighteen members attended and also Eighteen guests and one child.

Meditations were read by Mrs. Vernet using two poems, "Wanted, A Messenger" and "America First."

Mrs. Jess Whitmyer read the history of the song of the month and all joined in singing "Indiana, Our Indiana."

Vice President, Mrs. Vernet conducted the meeting and the President, Mrs. Harry Sullivan reported on the President's Council and read some communications which were acted on.

For our entertainment a Film entitled "Home at the Wheel" was shown. Nine members of Mothers of World War II are organized into a Rythmettes band and played and sang several numbers for us and also a reading was given by Mrs. Harry Sullivan entitled "An Afternoon at the Matinee."

Roll Call was answered by introducing our guests.

Auction was purchased by Mrs. Vernet and gifts were presented to Mrs. Edith Darr, Mrs. Nora Teel and Mrs. Claud Barkman.

The next meeting will be held with Mrs. Edith Darr on November 14th.

Purdue University entomologists recommend spraying cattle in late September for louse control. A treatment at this time will prevent the build up of lice that normally occurs throughout the winter. Lindane is the material of choice for use on beef cattle. Methoxychlor or rotenone are suggested for use on dairy cattle.

however, are those of the writer and not necessarily of this publication.—Ed.)

The State Tax board has been wrecking the 1958 budgets of the Township Trustees. Most Township Trustees do their best to keep the tax rates down as low as possible. The State Tax Board probably has orders from Indianapolis to cut all the Tax rates in Townships and Towns. You know next year is campaign year again.

The State seems to want to cut taxes in all local government level. They do not care how hard they make it for the Trustees in the townships to pay expenses and keep the township's schools in operation. I made the Harrison Township 1958 budget in August and I did my best to keep it as low as possible and have enough money to operate the Mentone school as it should be operated. I met with the State Tax Board Wednesday, October

9th. They cut one cent off the special school fund and five cents off the tuition fund. This cuts the operating balance down to where an emergency would put things in a bad shape. I tried to be economical in my 1958 budget and have enough working balance to go ahead in case of an emergency.

H. EARL BOGGS,
Trustee Harrison Township

Baptist Church News

The Sunday School of First Baptist church is now participating in a seven week contest between the Sunday School of the Northern Indiana Fellowship of Regular Baptist Churches. The contest which began October 13, will be scored on the basis of the percentage of increase in attendance over the average attendance

for the same period during 1958. Mr. Wm. Tipmore has been selected as campaign manager for the contest to work with Superintendent Lee E. Norris and Pastor Olson in promoting the contest. Last Sunday we had an attendance of 221. The Sunday School has set as its goal an increase of 50 per cent during the contest. To accomplish this we must bring our attendance up to 300 or more. All members and friends of the church are urged to attend Sunday School each week and bring new members with them. Monday evening of each week has been set aside for visitation in behalf of the Sunday School. We are competing against the Sunday Schools in Bremen, South Bend, Laporte, Kewanna and Plymouth.

More profit from reducing the number of cows in the herd is a definite possibility on some dairy farms, according to Purdue Uni-

versity dairy specialists. The average milk production per cow in Indiana is 8,720 pounds. Many cows produce less than 4,000 lbs. a year and are liabilities. Selling the lowest producers and giving more feed and better care to the higher producing cows has proved profitable on many farms.

Meditation was given by Mrs. Del Nelson.

A report on a conducted tour through Westville was given by the Health and Safety leader, Mrs. Jim Goshert.

The lesson on Teenage Problems was given by Mrs. Max Friesner and Mrs. Wayne Bowser.

Mrs. Kenneth Romine won the door prize and birthday gifts were received by Mrs. Raymond Lewis and Mrs. Wayne Bowser.

Refreshments were served by Mrs. Hatfield and Mrs. Dick Gross.

The next meeting will be Nov. 11th at the home of Mrs. James Goshert. The lesson will be on "Homemade Toys."

CELEBRATE BIRTHDAYS

Mr. and Mrs. C. O. Eller entertained at dinner, Sunday October 13, a group of friends and relatives in honor of the birthday anniversaries of Mr. Eller, Ray Mellott and Mrs. Noble Thuait, which occurred on October 9.

Those present were Mr. and Mrs. Roy Mellott, Mr. and Mrs. Noble Thuait, Russell Eller, Mrs. Charles Gordon, Mrs. Joan Romig, Mrs. Winifred Bussey and daughter Marsha, Julia Creakbaum and Mr. and Mrs. C. O. Eller. The meal was featured with Barbecued Chicken prepared by Chef C. O. Eller.

Mrs. Lawrence Adams and daughters spent Thursday with her granddaughter, Mrs. Nellie Julian.

DON'T WEAR LOOSE CLOTHING ON CORN PICKING DAYS!

AND REMEMBER! DISENGAGE THAT PTO!

THREE RULES MAKE PICKER OPERATION SAFER

Most corn picker accidents happen because some farmer did not obey one of the three basic rules for safe operation.

1. Shut off power to the picker before you leave the tractor seat. The little time that you might save by cleaning or adjusting a picker while it is running will not pay for an accident.

2. Wear close-fitting clothes that will not catch on moving parts. If you wear gloves, don't wear the double-thumb variety.

3. Keep all guards and shields in place, especially on the power take-off shaft.

Follow these three rules, says Ronnie Severns, president of the Mentone chapter of the Future Farmers of America, and you'll get through the picking season with small chance of an accident.

Members of the Mentone FFA are taking part this fall in a statewide campaign to reduce the number of corn harvest accidents. Reports of last year's accidents, show that the above three factors cause most of the trouble.

Your sincere cooperation with the FFA in following these three rules will help them to keep the 1957 corn harvest season in Kosciusko county entirely accident-free.

The sense of humor is the oil of life's engine. Without it the machinery creaks and groans. No lot is so hard, no aspect of things is so grim, but it relaxes before a hearty laugh.

—G. S. Merriam

Mentone P. T. A. observes national Safety Week

The meeting of the Mentone P. T. A. was opened with prayer lead by Dale Kelley. Pastor Irwin Olson of the Mentone Baptist Church gave the devotions from Matthew 7:13.

An announcement was made that the P. T. A. would hold a Penny Supper November 23.

Denton Abbey, program chairman, introduced Clayton Myers, Mentone School Driving Instructor, who discussed his method of teaching students to drive. Mr. Myers stated that "Courtesy is the key to good driving."

The grade count was won by the Seventh grade. Mrs. Eula Smith is the sponsor.

Mary Kate Miller, accompanied at the piano by Donna Eaton, sang "The Man I Love." Donna Eaton then sang "The Dessert Song" with Mary Kate Miller at the piano.

Sergeant Bill Hunter of the Indiana State Highway Police spoke on "Safety on the Highways."

The next meeting will be November 13 with William Visser, superintendent of the Peabody Home, North Manchester, as the speaker.

Nobody can think straight who does not work. Idleness warps the mind. Thinking without constructive action becomes a disease.

Monday there were 19 absent from school and Tuesday there were 22 absent.

Grade cards were distributed last night. Everyone was anxious to receive their cards to see what grades they got.

We will have only 3 days of school next week. On Thursday and Friday the teachers will attend the State Teachers Institute.

Our basketball coach, Mr. Reutebach, has invited the parents of the basketball boys for a meeting at the school this Friday night at 7:00.

This next Tuesday at 9:00 Joyce Hathaway, Wayne Cumberland, John Davis, and Orvin Thompson will take the Scholarship qualifying Test.

Everyone will want to eat at our Annual P. T. A. Supper next Wednesday evening.

Those with perfect attendance for the last six weeks are: Anna Murcia, Linda Smalley, Sonia Smith, Helen Welty, Kent Jeffries, David Haney, Joe Shively, Dick Sittler, Darrell Valentine, Rita Lockridge, Betty Smith, Paul Bucher, Ned Heighway, Dean Holloway, Fred Horn, Carl Marshall, Diana Ballenger, Rita Davis, Mary Golde, Jean Swick, Sue Welty, Roger Bucher, Paul Holloway, Jerry Lackey, Monte Lackey, John Sheppard, Nancy Shively, Phyllis Ummel, John Ault, Burl Blosser, Charles Engle, Dave Jenke, Roger Nellans, Kurt Shoemaker, Marlin Valentine, Dick Woods, Pat Holloway, Marilyn Horn, Doris Kelly, Carolyn Miller, Carol Welty, Jim Adams, Bob Stackhouse, Mike Summe, Bill Whetstone, Pat Engle, Joyce Hathaway, Eleanor Shively, Jo Tucker, Larry Bible, Wayne Cumberland, John Davis and Arvin Thompson.

At a senior class meeting recently the members of the class selected 3 girls as candidates for the Good Citizen contest. The three chosen were: Joyce Hathaway, Eleanor Shively, and Jo Tucker. From the three chosen, the high school faculty selected Jo Tucker as Beaver Dam's Good Citizen.

TO ALL 4-H MEMBERS AND PARENTS:

The Harrison Township Farm Bureau will hold its annual Ham Supper October 23, 1957 at 6:30 p. m. in the Mentone High School Gymnasium.

All completed 4-H members with their parents are invited to be our guests. 4-H leaders will present awards to their club members.

Please bring one dish and table service. Ham will be furnished by the Harrison Township Farm Bureau.

Entertainment by 4-H Club members.

Newt Barkman of Elkhart spent Sunday with Mr. and Mrs. Claud Barkman.

Merry Mollys

The Merry Mollys were entertained at a "Hard Times Party" at the new country home of Mrs. David Cooper, Monday evening. In keeping with the Hard Times theme, all furniture had been removed from the living room and orange crates, barrels and planks substituted. Also the lighting was done by candle light.

The vice-president, Mrs. Glen Mellott opened the meeting with the pledge to the flag, repeating of the creed and the group sang "America, the Beautiful."

Meditation was given by Mrs. Dale McGowen. The history of the song of the month, "Indiana, Our Indiana" was given by Mrs. Glen Paterbaugh.

Health and Safety Remarks, "Tips on Safer Driving" were presented by Mrs. Al Runnels.

The president, Mrs. LaMar Leftert then asked for roll call, which was answered by "A Verse from Your Childhood." The Mother Goose Rhymes seemed to be the most remembered ones.

The lesson on Home Made Toys was very ably presented and demonstrated by Mrs. Herschel McGowen. Each member present made some toy. Broom stock horses and bean bag monkeys were the ones made by the majority of members.

Mrs. McGowen also demonstrated how to make a "Humpty Dumpty" bean bag, a very cute monkey from just 2 work socks, tin can stilts and home made past and clay. The lesson was thoroughly enjoyed by all.

Those receiving gifts from their secret pals were Mrs. Dale McGowen, Mrs. David Cooper, Mrs. Clayton Holloway and Mrs. Dean Meyer.

Mrs. Herschel McGowen and Mrs. Dale McGowen were awarded prizes for being the "Poorest Dressed" ones present.

Clever "Hard Times" refreshments of pop-corn balls, apples, cokes and candy were served in paper sacks by the hostess, Mrs. David Cooper and co-hostess, Mrs. Gene Sarber to the 14 members present.

Attends Conference

Mary Gawthrop, Etna Green, Indiana, attended the Third Annual 4-H Dairy Conference in Chicago last week (October 8-12) on an all-expense award from Pure Milk Association.

She was selected by the State 4-H Club Department as a delegate to the Conference because of an outstanding record in dairy project work. Approximately 200 4-H'ers from 20 states took part in the Conference which was held in conjunction with the 5th Annual International Dairy Show.

The cash award for over expenses was only one of six given to 4-H'ers in Indiana by PMA, which is a dairy marketing cooperative of 15,000 dairy farmers in Wisconsin, Illinois and Indiana. An all-expense award also went to Gordon Jones, Recreation Specialist, Purdue University, W. Lafayette who served as chaperone to the group.

Awards also went to six delegates and one chaperone in Illinois and to 10 delegates and one chaperone in Wisconsin.

Delegates and chaperones participated in lectures and discussions regarding careers, opportunities and outlook in the dairy industry. They were honored by various dairy and agricultural companies in Chicago at luncheons and dinners. They also went on special tours of dairy plants and implement companies in the Chicago area.

The dairy farmers cooperative has receiving plants at South Bend, Indiana, where it also bottles and distributes milk. It also has bottling plants in Lisle and Chicago, Ill.

Beaver Dam 4-H Club Meets

The Beaver Dam Agriculture 4-H Club met on September 23rd, 1957.

They elected officers for the coming year, which are as follows: President, Marlin Valentini; vice president, Karen Latimer; Secretary, Diana Ballenger; Assistant Secretary, Carol Welty; Treasurer, Roger Neilans; Reporter, Dixie Bergstrom; Assistant Reporter, Janet Welty; Health and Safety, Sasie Barber; and Recreation Leaders, Phyllis and Max Umme, Darrell Valentini and Kent Jefferies.

The old and new business was then discussed and the meeting was then adjourned.

IN JUSTICE COURT

A plea of not guilty was entered by Kent Smith in the court of Justice Eiler, on Monday evening, October 14, to a charge of permitting a dog to run at large. The affidavit was filed by Mrs. Bettie Kinzie and Mrs. Latha Mosier.

A time for the hearing of the case will be determined later.

Two Initiated Into Sorority

Mrs. Arthur Kendall was hostess Tuesday evening for Beta Epsilon Chapter of Psi Iota Xi Sorority.

Candlelight initiation services by Sorority officers for two new members were impressively given. Mrs. Richard Dickerhoff and Mrs. Byron Doran were pinned.

A social evening followed the service with high score in bridge going to Mrs. Curt Riner. Mrs. Dale Cook received the door prize. Refreshments were served to 20 guests. The next meeting will be held at the home of Mrs. Lyman Mollenhour, November 5th.

Those attending were: Miss Annabelle Mentzer, Mrs. Dale Cook, Mrs. Wm Hudson, Jr., Mrs. Chet Smith, Mrs. Kenneth Simcoe, Mrs. Ralph Ward, Mrs. Mervin Jones, Mrs. Lyman Mollenhour, Mrs. Paul Quinn, Miss Barbara King, Mrs. Curtis Riner, Mrs. Harold Utter, Mrs. Cecil Long, Mrs. Iris Anderson, Mrs. Forrest Miner, Mrs. Don Ernsberger, Mrs. Mott Bryan.

On Saturday, October 19th, Beta Epsilon Chapter will be represented at the Northern Province luncheon held in the Elks Temple at Logansport. Those attending are: Mrs. Harold Utter, Mrs. Mott Bryan, Mrs. Dale Cook and Mrs. Don Ernsberger.

VISIT SOUTH DAKOTA

Mrs. Lucille Fisher and Mrs. Emma McCoughan of Palestine just returned home after spending ten days with Mrs. Fisher's daughter, Mrs. Thurman E. Kittrell and family of Rapid City, South Dakota. The time was spent sight-seeing in the Black Hills of South Dakota.

Neighbors Plant Grain

A neighborly act was rendered for Devon Eaton, Monday, Oct. 14, when neighbors and friends came with their equipment, disced and drilled 30 acres of wheat and 32 acres of wheat.

Those who participated were: Morris Rogers, Earl Zent, Kermit Zent, Herb Carlisle, Howard Reed, Jim Richardson, Fred Richardson, Dale Ladsen, Jim Rogers, Morris Peterson, George Craig, Don Pfeiffer, Dick Morris, Wm. Snipes, Alfred Rice, Byron Gordon, Wilbert Utter, Joe Peterson, Dick Coplen and Mickey Eaton.

76th BIRTHDAY

Mrs. Charlotte Berry was the guest of honor at a birthday supper held at Pete's Restaurant last Tuesday. The hosts were Raymond and Fred Ross. Other guests were: Mr. and Mrs. John Lackey, Mr. and Mrs. Walter Lackey, Mr. and Mrs. Raymond Ross, Mona Belle, Mr. and Mrs. Fred Rodd and son Freddie, from Bannister, Michigan, and Bessie Gross.

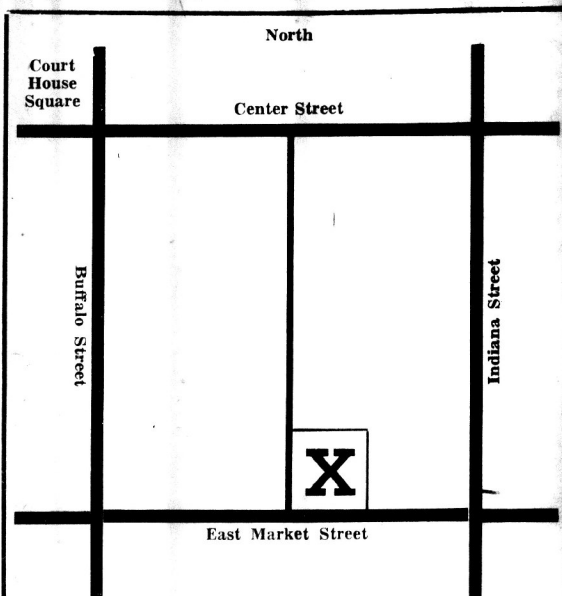

ATTEND DAIRY SHOW

Friday, October 11th, thirty-four FFA boys, Earl Boggs, Jim Eaton and Mr. Hewlett attended the International Dairy Show and Rodeo at Chicago. The boys enjoyed the Rodeo very much and impressed with the number of fine dairy animals on display. Mr. Griffith drove the school bus and the boys appreciated the time that Mr. Griffith donated to take them on this trip.

Mr. and Mrs. Robert Hibschan and family will return from a trip to Wichita, Kansas, this week end. They visited Mrs. Hibschan's mother, Mrs. Hazel Tanis, and other relatives. Mr. and Mrs. Raymond Hibschan of Little Chapman Lake stayed at the Hibschan home.

Mr. and Mrs. Ora Nelson of Logansport spent Sunday visiting Mr. and Mrs. Dearl Tucker and family.

Purdue University agricultural engineers remind farmers to replace baling wire and ill-fitting bolts with new bolts on all corn harvesting machines.

Style, Power Mark 1958 Chevrolet Trucks

Fresh styling, more power, and many chassis improvements mark the 1958 Chevrolet truck line. This Low Cab Forward heavy-duty model has a new 336-cu.-in. 230-horsepower engine designed for durability with sodium-cooled valves, heavy bearings, and other heavy service features. Combustion chamber is wholly within the cylinder bore. All 1958 Chevrolet trucks have dual headlamps and redesigned grille, hood, and fenders.

Farmers Class To Meet

The first meeting of the Young Farmers Class will be at the Mentone Vocational Agricultural Room at 7:00 CST on October 29th.

The first five meetings will be a series of arc welding lessons for beginners and others wishing to improve their welding skill. Mr. Robert Hewlett, Mentone Vocational Agriculture teacher will instruct the course, teaching welding in various positions, on different kinds of metal, welding

cast iron, hardsurfacing and soldering, cutting and brazing with an arc welder. This course is based on instructions developed by the Lincoln Electric Company, who make arc welding equipment and have been conducting welding schools since 1917.

The remaining ten lessons will be based on Farm Machinery repair and Farm Electricity.

Control Of Cattle Lice

This is the season of the year to spray for cattle lice, according to Purdue University entomologists. Lice control practices should be used early in the fall for a head start on the pests.

Cattle, infested with lice, rub and scratch against fences, stanchions and other objects, often causing bruises. Close examination of cattle will reveal lice crawling among the hairs. Lice are a year-round problem; however, damage is usually most severe in late winter and early spring.

Since good management has an effect in controlling lice, cattle should be well fed, kept in clean, well-ventilated stables, and not overcrowded.

Outbreaks should be controlled by spraying, says Glen Lehker, Purdue extension entomologist. This means that the job must be done before cold weather, since the spray, to be effective, must wet the cattle to the skin. Cleaning and spraying stables, and separating the treated from untreated cattle will also help control the lice.

For beef cattle, two pints of 20 percent lindane concentrate in 100 gallons of water is an excellent treatment. Lindane should not be used on animals less than three months old, nor within 30 days of slaughter.

For louse control on dairy cattle, the only effective material

now approved by Federal laws is Rotenone. This material comes as a five percent powder and should be used at the rate of one pound in 100 gallons of water. DDT, lindane and other materials are no longer acceptable for use on dairy animals because these materials are known to contaminate the milk, says Lehker.

Smaller quantity mixtures of lindane for beef cattle should be 10 teaspoonsful of 20 percent lindane per gallon of water; for dairy cattle, one a half teaspoonful of five percent rotenone per gallon of water.

Talma Home Ec. Club Meets

The Talma Home Economics Club met recently at the home of Mrs. E. C. McGowen, for their monthly meeting.

The Vice President, Mrs. Lewis Johnson opened the meeting. Guests were welcomed. The pledge to the flag and the club creed were repeated in unison.

History of the song of the month, "Indiana, Our Indiana" was given by Mrs. Verdie Brockey, who then led the members in singing it.

Devotions were given by Mrs. Ed Staldine from the 12th chapter of Romans. The Health lesson was presented by Mrs. Elgie Vandermark. Secretary's and treasurer's reports were read and approved.

An election of officers for 1958 was held with the following results: President, Mrs. Lewis Johnson; Vice President, Mrs. Leroy Grossman; Secretary, Mrs. Sid Dick; Treasurer, Mrs. Frank Hay; Reporter, Mrs. Gerald Doud, and Song Leader, Mrs. Herman Matthews.

The social period was in charge of Mrs. Harold Walters, with the

prizes going to Mrs. Dick, Mrs. Grossman, Mrs. Hay, Mrs. Staldine and Mrs. Overmyer.

Door prize was won by Mrs. Gerald Doud. Sunshine gifts went to Mrs. Robert Calvert, Mrs. George Deamer and Mrs. Ed Staldine.

Refreshments were served by Mrs. McGowen to seventeen of the members, seven children and three guests, Mrs. Roscoe Overmyer, Mrs. Ilene Weiger and Mrs. Lillie Staldine.

The November meeting with Mrs. Elgie Vandermark will be held on November 14th.

It is still practical to fertilize bluegrass or mixed lawns in early October to encourage vigorous fill-in and earlier growth next spring, say Purdue University agronomists. A pound of actual nitrogen per 1,000 square feet of lawn is generally considered as standard application. This would be equal to 10 pounds of a 10 percent nitrogen material.

Mentone, Ind., Oct. 23, 1957

Subscription—\$2.00 Per Year

Big Parade Here Saturday

Plans are in readiness for the big parade and Hallowe'en festivities to take place in Mentone Saturday evening, Oct. 26th. A list of prizes have been announced by the committee in charge, and masked individuals and groups participating in the parade will be judged. The parade will form at 7:00 CST, on Main street in Mentone.

A cash prize of \$5.00 will be given to the best family group, \$2.00 each couple for the best dressed couple and the best bridal couple. \$1.00 each will be given for the best tramp, clown, ugliest dressed, youngest person masked, oldest person masked and the most unusual costume.

There is to be music, entertainment, concessions, etc., to make the evening one of fun and frolic.

CELEBRATE ANNIVERSARIES

Mr. and Mrs. D. P. Meredith, Mr. and Mrs. M. O. Smith and Mr. and Mrs. M. O. Mentzer were guests of Mrs. Myrtle Whetstone, Friday evening. The occasion was the 57th wedding anniversary of the Merediths and the 32nd anniversary for the Mentzers.

A delicious buffet supper was served by the hostess, assisted by Mrs. Smith. The table was tastefully decorated with autumn flowers and foliage.

The evening was spent visiting and recalling old times.

APPEARS ON NEW YORK TV SHOW

Early morning TV viewers of this area Wednesday morning saw Miss Linda Lukens as she appeared on the Dave Garraway show, "Today."

Miss Lukens is the daughter of Mr. and Mrs. Roland Lukens and the trip was a result of her winning first place in the State 4-H demonstration contest. She presented her demonstration, "A Bag of Tricks," in which she illustrated what could be done with printed feed bags. She presented Mr. Garraway with a bow tie which she had made of the material.

CLUB CALENDAR

Mentone Reading Club will meet November 6th at Pete's Restaurant with Mrs. Earl Shinn and Mrs. Chester Miller as hostesses.

To Construct Medical Building

Dr. Wymond Wilson, of Mentone, reports the start of construction on the new medical building on the southwest corner of the area where the old school was located. This is directly east across the street from the Baptist church.

The 30 x 50 building will be of brick construction and there are to be 10 rooms, which includes one storage room and one for the utilities.

Russell Henderson, of Warsaw, is the contractor, and the footings are already poured. Dr. Wilson hopes to be located in the new building by the first of the year.

New Arrivals

Mrs. Joe Good and daughter, Sandra Kay, went to their home at Rochester Monday afternoon from the Woodlawn hospital at Rochester. The new daughter, born early Friday morning, weighed seven pounds fourteen and one-half ounces. The father is employed at the Baker Jewelry and Appliance Store in Mentone.

Mr. and Mrs. Jerry Tinkley, of R. 5, Warsaw, are the parents of a daughter.

INJURED IN COLLISION

Mr. and Mrs. Tim E. Derf, of route 1, Claypool, were taken to the Murphy Medical Center at Warsaw Monday evening following a collision at the twin bridges, north of Sevastopol. The north-bound Derf auto was hit by an auto driven by Robert Norris, of near Mentone.

Norris was charged with failure to yield the right of way by the state troopers who investigated the accident.

FISH FRY NOV. 16

The Mentone Lions Club announces that plans are afoot for a big fish fry to be held at the school gym on the evening of Nov. 16th.

The Lions expect to give you all you can eat for \$1.25. It will be 75c for children 6 to 12 years of age, and no charge for those under 6 when accompanied by the parents.

The advance sale of tickets will start shortly. The net proceeds will be used for the many community projects sponsored by the club each year.

Hallowe'en For The World's Children

This Hallowe'en children will again be raising money for the world's children. As always their cry will be trick or treat but they will be asking for coins as part of their treat because it is our way of helping unfortunate children ravaged by malaria, tuberculosis, yaws, hunger, diphtheria and other diseases in Africa, Korea, India, Malaya, Philippines, the near-East, Italy, Greece and Central and South America.

Each dollar we collect will provide one of the six following benefits:

1. Enough powdered milk to give nine children a glass every day for one week; or
2. Enough BCG vaccine to immunize 24 children against TB or
3. Enough vaccine to protect 33 children against diphtheria; or
4. Enough penicillin to treat eight children for Yaws; or
5. Enough fish-liver oil capsules to fortify 13 infants against rickets every day for a month; or
6. Enough DDT to safe-guard 13 people against malaria for a year.

Wednesday night, October 30 the youngsters will go on their rounds dressed like ghosts, goblins, tramps, etc. Later they'll have their own party at the Methodist church basement and they will count their collection for UNICEF (United Nations International Children's Emergency Fund).

All of the children in our community are invited. We will meet in the Methodist Church basement at 7:00 o'clock. We will go out from there in groups of 3 or 4 and will tell we are trick or treating for all the World's Children by our arm bands. We will also be carrying milk cartons for our collections.

We hope that all of our boys and girls in this community can join the fun and at the same time help some unfortunate children. Remember October 30 at 7:00 o'clock, Methodist Church basement.

When the little ambassadors for UNICEF call at your door you too can help by giving your coins.

It's 90 percent of the politicians who give the other 10 percent a bad name.—Changing Times.

Sister Dies

Mrs. Josephine Dewald, 92, a native of Newcastle Township, and a sister of Delbert Leavell of Mentone, died Monday, October 14th at the Lutheran Old People's Home in Kendallville, where she had resided since January, 1952.

Mrs. Dewald is survived by two daughters, Mrs. Orpha Umbaugh, Talma and Mrs. Eva Pence of Phoenix, Arizona; one sister, Mrs. Eva Umbaugh, also at the Lutheran home in Kendallville; one brother, Delbert Leavell of Mentone, and two nephews and two nieces.

Funeral rites were held at 1:30 p. m. Wednesday of last week in the St. John's Lutheran Church at Rochester. Burial was made in the Reichter Cemetery near Talma.

ADAMS BOY CONTINUES TO IMPROVE

Russell Adams, the 11 year old son of Mr. and Mrs. Herbert Adams continues to show improvement at the Memorial hospital in South Bend. The boy suffered a basal skull fracture and other injuries on the evening of Oct. 1st when his bicycle collided with an auto driven by Kenneth Bright, of near Akron.

Mrs. Adams reported Wednesday evening that she sees an improvement in him each day, and that he appears to have that he appears to maintain normal weight, temperature, etc. He still does not talk when questioned, but does obey commands and nods his head in answer to some questions. He eats normally and feeds himself a part of the time.

ADVISED TO REST

K. A. Riner, who recently suffered mild coronary attacks, has been advised to spend much of his time resting for a short period. He is not confined to bed, and has been permitted to be up town occasionally.

HOSPITALIZED AFTER ONE-CAR ACCIDENT

Alonzo Selby, 79, and Florence Cromer, 71, of Royal Center, were hospitalized at the Woodlawn hospital at Rochester Tuesday afternoon after their auto skidded and ran into a tree on Road 25 about three miles west of Mentone. The folks were coming to the Urschel Clinic at Mentone when the accident happened. The roadway was wet because of the rain.

Brother Dies At Ft. Wayne

Irvin S. Holloway, 74, brother of Mrs. Ray Dillingham and Bert Holloway of Mentone, passed away at Fort Wayne at 11:00 p. m. Tuesday, after an illness of several years.

The deceased was born near here on April 16, 1883, the son of David and Annie (Warren) Holloway, and was a resident of this place until 1925 when he moved to Fort Wayne.

Surviving in addition to the sister and brother named above are three sons, Wilbur and James of Fort Wayne and Merl of Richmond, and one grandchild.

Funeral services will be held at the Reed funeral home Friday afternoon at two o'clock DST, with Ralph Burris officiating. Burial will be in the Mentone cemetery.

URSCHELS MOVE INTO NEW HOME

Dr. and Mrs. Dan L. Urschel moved into their beautiful new home on Road 19 north from Mentone, Saturday. The ranch type home contains seven rooms and a two-car garage and is faced with Bedford limestone.

Mr. and Mrs. Abe Hoogenboom, who have purchased the former residence of the Urschel's on East Main Street, also moved Saturday.

RETURNS FROM HOSPITAL

Mrs. John Boganwright returned to her home Sunday after spending four days in the Woodlawn hospital at Rochester. She is troubled with a stomach ailment.

Help Celebrate 80th Birthday

A special event took place at the home of Mr. and Mrs. Kermit Zent Sunday when a number of the family gathered in honor of the 80th birthday of Mr. Charles Christian.

Those present were the families of Mr. and Mrs. Chet Christian, Mr. and Mrs. Lowell Zents, and Mr. and Mrs. Max Nifong, of near Etna Green, and Ray Christian, son and daughter of Decatur, Ill.

Ray Christian and his children flew here for the occasion and during the afternoon took Chet Christian and Lowell Zents for a sky-ride over the area.

D. A. R. Meets

Dr. L. Z. Bunker of North Manchester was a gracious hostess to the Anthony Nigo Chapter of the D. A. R. of Mentone and the Dr. Manasseh Cutler Chapter of North Manchester at the Sheller Hotel in North Manchester on Tuesday evening.

Mrs. Eldred Paulus, Regent of the Anthony Nigo Chapter presided. The meeting opened with ritualistic service and one verse of the Star Spangled Banner was sung.

Mrs. Bernice Rush read the President General's message and Mrs. Kenneth Riner gave two minutes of National Defense News.

Mrs. F. R. Burns read her speech of greetings as she had

given it at the recent State D. A. R. Convention, when she represented The Indiana Honorary State Regents. This was read so that both Chapters might enjoy its cleverness, originality and humor.

Mrs. Arthur Brown and Mrs. Ray Linn were in charge of the evening's program. It consisted of two vocal numbers by Mrs. Mary Kate Miller, "Indian Love Call" and "I'm Always Chasing Rainbows" with Miss Marilyn Rathfon at the piano. Miss Rathfon rendered a piano solo "Soaring" by Schumann. Both girls proved that they have much musical ability. Mr. Theodore Good was the guest speaker. His subject was "The Other House You Own." This was a very complete account of the renovating of the White House at various times throughout the years, life as each President and family lived in it in their day and what changes or contributions were made by each

President during his term of office. Some of their changes to more modern living proved quite amusing.

Mr. Good closed by showing samples of fabrics in actual use today in each room of the White House for wall covering, upholstering furniture and for draperies. Some of the prices were \$35 and \$40 per yard.

Our meeting closed with the singing of "God Bless America" after which our hostess invited us to the beautifully decorated dining room. The table had a wrought iron candelabra holding 8 orange candles with Autumn flowers, bitter-sweet leaves and grains as a part of the centerpiece scheme. Delicious and dainty cookies, candies, punch and coffee were served from the table by Mrs. Bernice Rush and Mrs. Kenneth Riner. The entire effect made one recall these words—"A Thing of Beauty is a Joy Forever."

Mrs. Fred Burgay of near Mentone, Miss Mary Kate Miller and Miss Marilyn Rathfon of Mentone were guests of the Anthony Nigo Chapter. Our November meeting will be at the home of Mrs. Tony Hight of Etna Green.

that pigs receiving supplement gained one-half pound more per head per day. Each bushel of corn produced 4.5 pounds more pork when supplement was fed. Each pound of supplement saved 6.4 pounds of corn.

Feed Hog Supplement

Farmers should continue to feed protein supplement to hogs turned into corn fields, says Richard Hollandbeck, Purdue University extension swine specialist.

Most hogs turned in corn fields are fairly large, causing some producers to ask whether it will pay to feed protein supplement to these animals. A summary of 13 experiments conducted throughout the Cornbelt indicates that supplement will pay dividends.

Results of experiments show

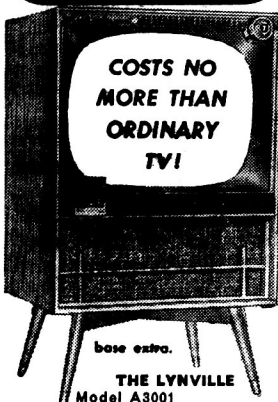

A Gentleman's Code

A man that's clean inside and outside; who neither looks up to the rich nor down on the poor; who can lose without complaining and can win without bragging; considerate to women, children and old people; who is too brave to lie, too generous to cheat, and too sensible to loaf; and who takes his share of the world's goods and lets other people have theirs, is my idea of a true gentleman.

Hunting Season For Waterfowl Opens Oct. 26

The 70-day season for waterfowl will open one-half hour before sunrise Oct. 26, and close at sunset Jan. 3, 1958.

Daily shooting hours for ducks, geese, brant and coot will be from one-half hour before sunrise to sunset.

There is no open season this year for wood ducks, and it will be illegal to kill them.

Migratory game birds shall not be taken with or by means of any automatic-loading or repeating shotgun capable of holding more than three shells in the magazine and chamber combined.

The plug used in all guns must be such that cannot be removed without disassembling the gun.

Persons over 16 years of age must have on their person an unexpired federal migratory-bird hunting stamp at the time of hunting ducks. This stamp is to be attached to the state hunting license. The stamps can be secured at any post office. Persons not over 16 years of age do not need a stamp to hunt migratory waterfowl.

Daily bag limits may not include more than one hooded merganser in Indiana, four ducks, five geese, 10 coot and eight Wilson Snipe or Jacksnipe, and four woodcock.

The possession limits are eight ducks, five geese, 10 coot, eight woodcock and eight snipe.

In addition to the daily bag and possession limits on other ducks, the daily bag limit on American and Red-breasted mergansers is five, the possession limit 10, singly or in aggregate of both kinds.

The limit for geese may not include in the alternative more than two Canada geese or its sub-species, two white-fronted geese or one Canada goose or its sub-species and one white-fronted goose.

Beaver Dam School News

We want to thank George Black for printing our basketball schedules for this year. We also want to thank Moyer-Haupt funeral home for the pencils.

Wednesday we had 50 out of school and hope that everyone will be well by Monday.

The juniors have completed their magazine sales. Margaret Baugher and Bill Whetstone each received a small prize for selling the most magazines.

Our first ball game is for next Friday night at Milford. We hope everyone goes and backs up our team.

NEWS — Ph. ELmwood 3-3985

October Reading Club Meeting

The October meeting of the Mentone Reading Club was held at the home of Mrs. Artley Cullum. A pot-luck supper was enjoyed.

The new president, Mrs. Denton Abbey, was in charge of the business session. She welcomed three new members, Mrs. Herman Olson, Mrs. Don Wentzel and Miss Von Jenkins.

Mrs. Don Bunner and Mrs. Chauncey Mollenhour had charge of the program. Mrs. Mollenhour introduced Mrs. Don Poulson of Etna Green. Mrs. Poulson showed a number of colored slides showing places of interest she and her husband visited when on a world tour a year ago. Mrs. Poulson had many personal experiences to relate, which made a most interesting program.

Trap Shoot

There will be an all day trap shoot at the Mentone - Beaver Dam Conservation Club Shooting grounds on the shore of Beaver Dam Lake, Sunday, October 26. Shooting will begin about 10 in the morning. Lunch will be available to the shooters and visitors.

Local News

A birthday surprise for Mr. and Mrs. Herb Carlile Sunday afternoon was held at their home and those present were: Dr. Anderson, Mr. and Mrs. Masa Nelson, Mr. and Mrs. Harry Sullivan and daughters, Mr. and Mrs. Pat Kehoe, Mr. and Mrs. Howard Horn, Mr. and Mrs. Bob Hewlett and daughters, Mr. and Mrs. Delbert White, Mr. and Mrs. R. Burris, Mr. and Mrs. Vance Johns, Mr. and Mrs. Elgie Vandermark and Mrs. Carlile's father, Lark Fields. They served cake, lemon-ade and coffee and an enjoyable time was had for all.

Mr. and Mrs. Ora Tucker called Sunday at the Garrie Rose home.

Mr. and Mrs. Rex Yazel were Saturday evening guests of Mr. and Mrs. Ralph Baker of Bourbon. They helped the Baker's celebrate their 19th wedding anniversary.

Mrs. Pearl Mahoney of Tippecanoe, and Mrs. Myrtle Davis were dinner guests Sunday of Mrs. Chloe Griffiths and Mrs. Howard Holbrook called in the afternoon.

Mrs. L. M. Baker of Bethlehem, Pa., has been visiting Mrs. Ray Linn, a niece, and other relatives near Mentone the past week. She is returning home from a visit with a daughter, Mrs. Marion Young of Minneapolis, Minn.

While in Mentone she called on Von Jenkins, a former Minneapolis resident and Mrs. Letha Klingenhagen. Mrs. Baker makes her home with Mrs. Lee L. MacLellan, a daughter of Bethlehem, Pa.

UPENDED AFTER SECTION was all that remained intact of an unmanned U. S. Navy airship which was cruising more than five miles away when a recent atomic test device was exploded in Nevada. The remains of the forward section are on ground at left. Among the experiments conducted during the current Nevada atomic series, called Operation Plumbbob, are tests of nuclear effects on shelters, doors, vaults and buildings which could serve civilians in time of attack. (ATO-Lookout Mountain Lab Photo)

Mr. and Mrs. Max Dunlap left Wednesday for White Bear, Minn., to visit their daughter and family, Mr. and Mrs. John Longergan.

George Leach, Della Franks and Mrs. Bennett of South Bend were Sunday callers at the home of Mr. and Mrs. Earl Carbiener.

Mrs. Bert Ricker spent Monday with her sister, Mrs. Ray Linn.

Mr. and Mrs. Norman Teel of Rochester, visited Sunday with their mother, Mrs. Alfred Teel. Mary Barkman, Mr. and Mrs. Howard Teel, and Oliver Teel called on Mrs. Teel Sunday.

Denzel Nelson was admitted to the Lutheran Hospital in Fort Wayne for observation Friday.

Mr. and Mrs. Arthur Witham visited Sunday with Mr. and Mrs. Robert Riewoldt and family.

Mr. and Mrs. Leonard Bogan-wright, Mrs. Al McKeighan, Mrs. Ina Davis and Janice Davis called on Mrs. Tressie Newton Monday evening.

Mr. and Mrs. S. Z. Huffer called Saturday on Mr. and Mrs. Garrie Rose.

Mrs. Lucinda Jones called last Tuesday at the Etta Halterman home.

Miss Lillie Tucker of Ft. Wayne is spending her three weeks vacation with her parents, Mr. and Mrs. Ora Tucker.

Mrs. Bessie Robbins called Sunday afternoon at the Mildred Carpenter home.

Mr. and Mrs. Ralph Tucker called Sunday evening at the Ora Tucker home.

Miss Janita Reed spent Sunday with Janice Davis.

Mrs. Flo Borton of Wabash, called on Mr. and Mrs. Byron Linn Sunday afternoon.

Dr. and Mrs. Dan L. Urschel entertained at their home Tuesday evening in honor of an uncle, George Urschel, and wife of Houston, Texas. The Urschels have been visiting relatives in this area. Also present were Mr. and Mrs. Jack Urschel and Mr. and Mrs. C. M. Urschel of Tippecanoe.

Mr. and Mrs. Walter Bowers and family of Mishawaka, spent Sunday visiting the David Cooper and Glenn Snider families.

Mrs. Ray Smith returned Saturday from a two weeks trip to Prescott, Arizona. She visited her daughter, Jolane, who is X-ray technician at the Community hospital in Prescott. Mrs. Smith made the trip by bus, and enjoyed the unusual scenery and points of interest found in the southwest.

Our Good Deeds

Live for something. Do good, and leave behind you a monument of virtue that the storm of time can never destroy. Write your name, in kindness, love, and mercy, on the hearts of thousands you come in contact with year by year; you will never be forgotten. No, your name, your deeds, will be legible on the hearts you leave behind as the stars on the brow of evening. Good deeds will shine as the stars of heaven. —Chalmers.

Woman driver to friend: "Look how close that maniac is driving ahead of me!"

Pasture Dual Wheat

Dual wheat, adequately fertilized and sown early for pasture, can be grazed during the fall with little damage to prospective fields, R. R. Mulvey, Purdue University agronomist, reminds Indiana farmers.

Very heavy growth of fall sown wheat may have some smothering effect on the wheat itself, however. This justifies October clipping where pasturing is not practiced. "Jointing" does not occur in the fall, Mulvey points out.

Where sown early and not grazed, Dual wheat used as a companion crop for fall sown alfalfa need not be clipped. While any variety of wheat making sufficient growth in the fall may be pastured, Dual is the only variety that can safely be sown preceding fly-free date. It is, therefore, regarded as a highly potential pasture wheat. In addition Dual ranks at the top in yielding ability under Indiana conditions, according to Mulvey.

Now that the days are growing shorter, electric lights should be turned on for old hens still in the poultry flock. The added stimulation will help to hold production at a satisfactory level longer into the autumn, according to the Purdue University poultry department.

Levon Eaton, who suffered a heart attack has been returned to his home here.

Miss Alice Haines has been called to Mishawaka by the serious illness of her sister, Mrs. Alva Burket.

Carbon Monoxide Season Here

Motorists face a deadly enemy in carbon monoxide. The colorless, odorless, tasteless gas may become a sneaking killer in cold weather, the Chicago Motor Club warns.

Even small doses of the lethal gas may cause an accident by slowing down the driver's reaction, the motor club explains. One part of carbon monoxide in 700 parts of air can be fatal, and one part in 1,700 parts of air can cause nausea.

Nausea, drowsiness, headache, delayed braking reaction, faulty coordination, and poor vision are warning symptoms of carbon monoxide. When these reactions are noted, car occupants should immediately inhale deep breaths of fresh air.

Carbon monoxide is produced by imperfectly burned motor fuel. An excess may be produced by faulty engine adjustment, but even the best adjusted engine may leak enough carbon monoxide to be fatal. Chief danger points are faulty gaskets, defective exhaust systems, and clogged exhaust pipes.

To avoid being overcome by carbon monoxide, the motor club recommends the following precautions:

- Never run a motor in a closed garage or other unventilated enclosure.
- Always keep a car window open to assure air circulation.
- Shut off the motor if you are sitting in a parked car for more than a few minutes.
- Check your engine for proper combustion.
- Check all points of the exhaust system for leaks and stoppages.
- Remember, the exhaust pipe may become clogged by backing into a snow bank.

Mothers Of W.W. 2 Meet

Mothers of World War II, Unit 106 met Monday evening, October 14, 1957 at the Westminster Hotel, Winona Lake, for their annual Anniversary meeting. 20 members and two guests enjoyed a most delicious Smorgasbord dinner at seven o'clock.

After which the president called a short business session, the flag was presented by the Sergeant at Arms, pledging allegiance, singing one verse of the National Anthem and prayer by the chaplain.

The meeting was then declared opened and the guests were introduced, Mrs. Lucinda Julian, District 2 president of Onward; and Mrs. Gladys Bowyer, 2nd

vice president of the state also of Onward. Roll Call was given. Rec. Secretary's report was accepted, also the Financial Secretary's and Treasurer's reports were read and accepted. Bills were allowed.

Several gave their birthday offering. Bertha Meredith, Maude Romine and Ellen Stanford were named on the nominating committee. Lavera Horn, Myrtle Davis and Emma Cook were appointed to make arrangements for a food sale in November. Watch for date and place.

A card of thanks from the Mentone Home Demonstration Club for the Kitchen band entertainment was read and also Mary Barkman thanked the unit for the get well card she received.

Articles for the Westville hospital are to be brought to the November meeting.

The November meeting will be held with Lavera Horn or Elorna Coplen. Watch for further notice.

The meeting was closed by repeating the mother's creed in unison, retiring of colors and singing one verse of "God Bless America."

The meeting was then given over to the social committee, who gave the following program.

A playlet: "No Visitors Allowed" was presented by Elorna Coplen, Maude Romine and Dora Whetstone.

A reading, "Old Dr. Wilson" was given by Dora Whetstone.

Two relay contests were played by those present, side one won the first and side 2 the second. A contest was played ring the numbers which was won by

Gladys Bowyer.

Those present were: Belle Morrison, Ellen Stanford, Jane Jeffries, Bertha Meredith, Ethel Wagner, Sadie Ellsworth, Dora Whetstone, Edith Young, Dora Norris, Folsom Newell, Maude Romine, Myrtle Davis, Elorna Coplen, Edith Scott, Blanche Whitmyre, Lavera Horn, Ethel Whetstone, Mary Barkman, Rhonda Jones, Miriam Shinn, and

guests, Lucinda Julian and Gladys Bowyer.

Sunday guests of Mr. and Mrs. Wendel Bryant were Mr. and Mrs. Charles Bryant and son Wayne, Mr. and Mrs. Eugene Bryant and family of Pierceton, Miss Jalline Kirchenfaut of Warsaw, and Mr. and Mrs. Sherman Bryant and family of North Webster.

State Winner In 4-H Contest

The County Agriculture Extension Office was notified today that Ronald Roberts, 17 year old son of Mr. and Mrs. J. B. Roberts of Route 3, Syracuse, was picked as winner in the State 4-H Agriculture Program Contest. The award for winning this contest is a trip to the National 4-H Club Congress which will be held in Chicago in December. Members competing in this contest were judged on their entire farming program which they have built up during their years as 4-H Club members.

Ronald has just completed 8 years of 4-H Club work and three years of Vocational Agriculture and Future Farmers of America. In this time Ronald has carried 62 projects including livestock, hay and grain. He is farming 80 acres for himself and works with his father in farming 320 acres more. He has accumulated eight head of registered angus cattle, 4 sows, a Ford tractor, a car, a farm wagon, and other equipment.

This is another award for Ronald, who placed second in the State Poultry Demonstration Contest this year. Ronald is an outstanding boy who believes in his work and has the ability to put to use what he learns.

Local News

Mr. and Mrs. Zanna Hammer and family entertained for dinner Tuesday evening, October 22, Gene Hayes of Los Angeles, Mrs. Clint Hayes of Long Beach, California; Mr. and Mrs. Albert Thiesjohn of Plymouth, Mrs. J. Underhill of Mentone. The evening was enjoyed by showing colored slides, taking pictures and visiting. Last Friday Mrs. Emma Underhill spent the day visiting with the following relatives: Mrs. Geo. Park, Mrs. Carlin Underhill of Uniondale, Garth and Darrel Underhill of Huntington.

Mrs. Clayton Holloway underwent major surgery at the Murphy Memorial Center at Warsaw on Tuesday.

Mr. and Mrs. Raymond Lewis and family spent Sunday afternoon visiting Mr. and Mrs. Ernest Lewis of Argos.

Mr. and Mrs. Lyman Mollenhour and family and Mr. and Mrs. Bud Shaffer and family of Plymouth were Sunday evening supper guests of Mr. and Mrs. William McFadden of Tippecanoe.

Mrs. Nellie Julian and Linda Besson have been confined to their homes with the flu.

Mrs. Earl Meredith visited Sunday afternoon in home of Mr. and Mrs. William Norris and Mr. and Mrs. Clarence Leininger.

Mrs. Dora Russell of Mentone and Mr. and Mrs. Taylor Russell of Detroit, Michigan called at the home of Mrs. Earl Meredith last Tuesday afternoon.

Mr. and Mrs. Wayne Bowser and daughters and Mr. and Mrs. Earl Bruner, Jr. and sons were Sunday evening supper guests at the home of Mr. and Mrs. David Bowser and sons.

Mrs. Susan Blue has been ill at her home this week.

Mr. and Mrs. Lyman Mollenhour and family, Mary Jane Busenbush and daughter Suellen, Eddie Jones, Mr. and Mrs. Harold Coplen attended the Ice Show at Fort Wayne Saturday evening.

Mr. and Mrs. James Watson and daughter Linda and son Donnie of Warsaw spent Sunday visiting at the home of Mr. and Mrs. Ellis Hill.

Mr. and Mrs. Anthony Hill and daughters Dianna, Donna and Sally of Larwill, spent Saturday evening visiting with Mr. and Mrs. Ellis Hill.

Mr. and Mrs. Abe Whetstone spent Sunday visiting with Mrs. Emma Clutter.

Mrs. Cinda Jones and Mrs. Corbin visited recently with Mrs. Alfred Teel.

Mr. and Mrs. Richard Kindig and son were Friday evening guests of Mr. and Mrs. Rex Yazel and family.

Miss Joan Halterman of Fort Wayne spent Friday night visiting Mrs. Bessie Robbins and Mr. and Mrs. Merl Linn, also attended the Senior Play.

Mr. and Mrs. Ray Linn and Mr. and Mrs. Merl Linn spent Sunday evening in Fort Wayne.

Mr. and Mrs. Leonard Boganwright, Mr. and Mrs. Emory Davis, and Mr. and Mrs. Dick Boganwright were Saturday evening guests of Mr. and Mrs. James Miller and son Darrel of Plymouth. They had a birthday party for Darrel's third birthday.

Verl Halterman was admitted to the Murphy Hospital in Warsaw for observation.

Sunday Mr. and Mrs. Donald Boganwright and family of Three Oaks, Michigan, Mr. and Mrs. Emory Davis and daughters, Mr. and Mrs. Richard Boganwright and Mrs. James Miller and son Darrel were Sunday dinner guests of Mr. and Mrs. Leonard Boganwright. The dinner was in honor of Donald Boganwright and Darrel Miller having birthdays.

Mrs. Fred Evans, and Mrs. Bob Smith and children called recently at the Garrie Rose home.

Mr. and Mrs. Raymond Hudson, Mrs. Bert Rickel and Mrs. Ray Linn took Mrs. L. M. Baker to Baer Field Airport at Fort Wayne on Tuesday. She returned home by United Air Lines.

Mr. and Mrs. Jack Kirchoff of Marion were Sunday dinner guests of Mr. and Mrs. William Cook.

Mr. and Mrs. Eugene Hatfield and Mrs. Milo Kinch were Monday evening guests of Mr. and Mrs. Arthur Witham.

Mr. and Mrs. Harold Coplen, Eddie Jones, Mary Jane Busenbush and Suellen Shepler attended the Ice Show at Fort Wayne Saturday night.

Week end guests of Mr. and Mrs. Herbert Adams and son were Mrs. Vander Woude of Sanborn, Iowa, Mrs. Otto Erickson and Mrs. Charles Keller and daughter of Chicago.

Mrs. Max Dunlap called on Mrs. Evelyn Shilling recently.

First Supersonic Airplane Flight Occurred 10 Years Ago This Month

Buffalo, N. Y.—Monday marked the tenth anniversary of man's first supersonic flight.

On October 14, 1947, the Bell X-1 rocket-powered research airplane flashed through the sky over Muroc Dry Lake, Calif., at 670 miles an hour to become the first airplane to fly faster than the speed of sound.

Its mission was to prove that the so-called "sound barrier" in reality was not a barrier to man's progress in flight.

The diminutive X-1, designed and built for the Air Force by Bell Aircraft Corporation, of Buffalo, N. Y., was flown by Capt. Charles E. Yeager on this history making aviation accomplishment.

The X-1 subsequently achieved a speed of nearly 1,000 miles an hour in 1948 and reached an altitude of 73,000 feet a year later. Both were records.

The feat of the X-1 paved the way to today's supersonic jet fighters and high-speed jet transports and the late General Hoyt S. Vandenberg, then Air Force chief of staff, described the first supersonic flight as "the greatest achievement in aviation since the

flight of the Wright brothers' airplane in 1903."

Data gained from the flights of the X-1 also influenced the design of later Bell supersonic airplanes, the X-1A and the X-2, which were able to press even further into the unexplored regions of speed and space.

The original X-1 now is in the Smithsonian Institution in Washington, D. C.

Beaver Dam Better Daughters

The Beaver Dam Better Daughters 4-H Club met at the home of Betty Smith October 15 with Linda Smalley assisting. The meeting was called to order by the vice president, Karen Latimer. Pledges to the flags were led by Lynn Lackey and Betty Bibler. Officers were then elected. They were: President, Karen Latimer; Vice President, Sharon Heighway; Secretary, Marilyn Horn; Treasurer, Karen Heighway; Song Leader, Lynn Latimer; Reporter, Betty Smith; Health and Safety, Linda Smalley; Recreation Leader, Marianne Tipmore, and Betty Bibler.

Demonstrations were then given by Betty Smith and Linda Smalley. Group singing was led by Karen Heighway. Delicious refreshments were then served to 13 members, 3 mothers and two leaders.

BETTY SMITH, Reporter

Farmers storing oats for seed in 1958 should make sure that moisture content is under 13 percent, Purdue University agronomists advise.

Rod and Gun Club to Meet

The members of the Talma Rod and Gun Club will meet on Monday evening, October 28, at 7:30 p. m. at the home of Lavoy Montgomery. All members are urged to attend. Refreshments will be served after the meeting.

Local News

Sunday callers at the Clarence Leininger home were Mr. and Mrs. Ralph Tucker, Akron; Mr. and Mrs. Arthur Stiffe, Mr. and Mrs. Max Wiman of Kokomo, Mr. and Mrs. Masa Nelson, Mrs. Bertha Meredith and Saturday Mr. and Mrs. Marion Leininger of Akron and Mrs. Jane Carroll of Iowa called. Mr. Leininger is not so well at this time.

Mr. and Mrs. Richard Stewart of Lansing, Michigan, spent the week end with Dr. and Mrs. O. L. McFadden and daughters.

Mr. and Mrs. Frank Smith, and Mr. and Mrs. John Teel and son were Sunday dinner guests of Mr. and Mrs. Herschel Teel and sons.

Mr. and Mrs. George Hall and family were Sunday dinner guests of Mr. and Mrs. Andrew Hall.

Mr. and Mrs. Max Dunlap had Sunday dinner with Mrs. Lois Fenstermaker and in the afternoon they called on Dr. and Mrs. Venable and Mrs. Pearl Jennings at North Manchester.

WINTER EARLY ORDER DISCOUNT

Order By November 1st

Profit by the
LARGE SIZE of the
EARLY EGGS laid
by

KimberCHIKS

- ✓ An exceptionally heavy layer, producing large eggs early.
- ✓ Especially good egg quality, including a firm albumen.
- ✓ Excellent livability and high resistance to leucosis.

We could say a lot more about the latest Kimber Leghorn—the K-137—but the real test is how it will perform for you.

Compare Kimber Leghorns with other strains on your own farm. Run a split brood. That is, start Kimberchicks on the same day you start chicks from other sources. Check egg lay. Compare egg size. Do the layers live?

K-137 is a strain cross. The chicks you will get are identical to those produced by Kimber Farms for their California customers, where one out of every four light breed chickens purchased by California poultrymen is a Kimber Leghorn.

Kimber Farms, with a staff of five geneticists and three veterinarians, all holding doctor's degrees, is unparalleled in the field of poultry breeding.

MANWARING'S have pioneered the egg business in the section which is known as "Mentone, Egg Basket of the Middle West" and have an ESTABLISHED REPUTATION FOR PRODUCING QUALITY CHICKS.

KIMBERCHIKS are the kind of egg machine that are needed now and in the years ahead.

THE 1956-57 SEASON (Manwaring's first year with Kimberchicks K-137) was our most successful in forty-six years. We produced chicks and hatching eggs for more than 1,500,000 Kimberchicks. Our shipments of chicks and eggs extended from Canada to Cuba, Texas to New Hampshire. Customer demand for Kimberchicks and their satisfaction in the ultimate fine results far exceeded our anticipations.

GOOD BREEDING is the foundation for success. You can't afford anything less than the best you can get. Kimber leghorns are available at reasonable prices.

KIMBER BREEDING provides outstanding PROFIT POTENTIAL in chicks. You can be assured this is preserved in Manwaring's production of Kimberchicks K-137.

Leaves For Compost

The autumn fall of leaves brings to Hoosier gardeners a source of organic matter for improvement of the soil in their gardens, flower beds and shrubbery borders.

H. W. Reuszer, Purdue University soil microbiologist, points out that for such use the leaves should be composted.

Well-composted leaves break up into a crumbly form which can easily be spaded into the soil.

As the leaves are placed in the heap they should be moistened, Reuszer advises. Fertilizer should also be added to hasten decay and improve the fertilizing value of the compost.

For each bushel of tightly packed leaves, Reuszer recommends adding two cups of a mixed fertilizer containing 10 or 12 per

cent nitrogen. As a substitute, one cup of ammonium sulfate or two-thirds cup of ammonium nitrate can be used. If the compost is intended for use with azalea or rhododendron, a cupful of ammonium sulphate should be used to give an acid reaction. The fertilizer and the leaves should be well mixed. If there is insufficient rainfall, water should be added to keep the compost moist, but not soaked.

Bins help conserve moisture and prevent blowing of leaves. Reuszer says satisfactory bins can be made of small mesh woven wire, wooden slat snow fence or of boards nailed to posts. More permanent bins can be built of bricks or concrete blocks. If bricks or blocks are used, part of the vertical joints at the bottom of the walls should be left open to allow air to penetrate into the heap. One side of the bin should be arranged so it can be opened readily for mixing and removal of the compost.

Three or four weeks after the leaves are piled they should be turned so that the drier outer portion is in the middle of the pile. Turning gives better aeration and hastens decomposition.

Other plant residues can be composted in the same manner as leaves, says Reuszer. Among them are sawdust and woodchips, straw and ground corn cobs.

Compost made late this fall should be ready for use next May or June. If the weather is warm the compost may be ready in a month to six weeks, but two or three months are more often required.

When turned under, compost can be used at widely varying rates. One or two bushels per 100 square feet is a suitable rate. Compost also can be used as a mulch. A layer three or four inches thick will help conserve soil moisture, lower soil temperature during the summer and furnish some nutrients to plants.

Fall Application Of Nitrogen

Nitrogen applied this fall should be in either the ammonia or urea form, Cliff Spies, Purdue University extension agronomist, reminds Indiana farmers.

On winter cereals Spies advises applying nitrogen only in the spring because nitrogen is soluble and will leach to a depth beyond the reach of plant roots.

If lack of time in the spring necessitates fall application only ammonia or urea forms should be used. These are the best forms because they stick to soil particles. Nitrate forms will repel soil particles and leach away.

Spies suggests only spring application of nitrogen where the soil is sandy because of extreme leaching. Heavy soil that is usually too wet to work in the spring and is to be used for corn in 1958 will satisfactorily hold fertilizer after fall applications.

Farmers who have heavy soil

and prefer fall application normally can take advantage of a discount in fertilizer price and ease in obtaining custom application.

The most important point to remember, says Spies, is to buy only ammonia or urea forms of nitrogen for fall application.

Farm Bureau Convention

Delegates to the thirty-ninth annual convention of the Indiana Farm Bureau meeting at Indianapolis November 13-15, for the 1st time in 20 years, must elect a new president. This situation has been created by the announced retirement of President Hassil E. Schenck with the end of the current year. He will make his final address in this capacity to the opening session of the convention, meeting in the Murat Temple.

Other events on the program, expected to attract thousands of farmers from all parts of the state, include an address by Mrs. Eleanor Roosevelt, recently returned from a trip to Russia where she met top Red leaders. She will speak to the farm audience Wednesday evening, November 13, on the subject: "The United Nations and its Importance to the Individual Citizen of the U. S."

For the first time in Indiana Farm Bureau convention history,

commodity sessions have been planned for the first afternoon. Experts in the production of livestock, dairy products and poultry will appear on this part of the program.

The Indiana Rural Youth will hold their annual convention concurrently, their sessions to convene during the day and evening of November 13 in the Egyptian Room of the Temple. Their presiding officer will be Miss Phyllis Milner, Plymouth.

Mother and daughter comparisons can help dairy farmers measure herd improvement, say Purdue University dairy specialists. A system of ear tagging or tattooing will help maintain identity of the animals. Then when heifers are brought into the milking line up, their records can be compared with that of their dams.

Franklinettes Meet

The Beaver Dam Franklinettes Home Demonstration Club met October 9th at the home of Mrs. Charles Adams. The group arrived dressed in the Halloween theme and the door prize was awarded to Mrs. John Huff and Mrs. Bernard Kuhn for the best costumes.

The recent President's Council Meeting was reviewed by the President, Mrs. David Bryant. Mrs. Dick Clark gave the lesson on "Parents and Teen-agers."

The group voted to hold a Tupperware party which will be during the 1st week of November at the home of Mrs. Dick Whittemberger.

Refreshments of apples, cider and doughnuts were served following the meeting.

Christmas Mail For Armed Forces Overseas

The period November 1 to November 20, for ordinary parcels, and December 1 to December 10, for air parcels, has been designated for the acceptance of the Christmas parcels for members of our Armed Forces serving outside the continental United States. The following instructions have therefor been issued with the view of assuring delivery of the gift parcels on time and in good condition: Patrons are advised that military personnel are well supplied with food by the Armed Services and that parcels containing foodstuffs subject to spoilage and breakage in transit are likely to reach overseas destination unfit for use. The term "Armed Forces Overseas" includes the personnel of our Armed Forces, members of their families and authorized U. S. Civilians employed overseas who receive their mail through an A. P. O. or N. P. O.

TIME OF MAILING: The importance of mailing Christmas parcels during the designated period cannot be emphasized too strongly—the earlier the better. The public can be reasonably assured that parcels mailed through the regular surface mails prior to November 20 will reach their destinations before Christmas. However, no assurance can be given that surface parcels mailed after November 20 or air parcels post mailed after December 10, will be delivered in time for Christmas.

SIZE AND WEIGHT: Air Parcel Post, other than official matter, is limited in size to 30 inches in length and girth combined and 2 pounds in weight. The maximum size and weight limits for surface parcel post vary according to APO's and NPO's to which the parcels are sent. Customs declarations are required for parcels addressed to some APO's and NPO's, and some articles are prohibited to certain APO's and NPO's. Therefore it is suggested that mailers, before packing parcel post for mailing, make inquiry at the post office as to the weight and size limits, customs declaration forms needed, and a list of prohibited articles, that are applicable to certain APO's and NPO's.

PREPARATION: Boxes for overseas transmission must necessarily be of strong construction on account of the great distance these parcels must be transported and the handling and storage they must undergo. It is absolutely necessary that all articles for overseas delivery be packed in boxes of metal, wood, solid fiberboard, or strong double faced corrugated fiberboard. Each box should be securely tied with strong cord. Boxes should contain sufficient cushioning material so that the contents will be tightly packed to prevent any rattling or loosening of the articles within the parcels. It is also desirable that all fiberboard boxes be securely wrapped in heavy paper.

ADDRESSING: Addresses must be legible and prepared in type-writing or ink. It is best that the outside address be hand-printed on the wrappers of the boxes rather than on labels pasted to the wrappers, since experience has shown that the labels frequently fall off when subjected to moisture. It is highly desirable that a slip of paper containing the names and address of the sender and addressee, together with a list of the contents be enclosed in each parcel so as to provide identification and proper disposition of the mail (in the event the addresses on the outside become defaced.)

PERMISSIBLE ADDITIONS: In addition to the name and address of the sender, inscriptions such as "MERRY CHRISTMAS", "PLEASE DO NOT OPEN UNTIL

CHRISTMAS", "WITH BEST WISHES", and the like, may be placed on the covering of the parcel in such manner as not to interfere with the address, or on a card enclosed therewith.

CHRISTMAS CARDS: Greeting cards for Armed Forces personnel overseas may be mailed at any time, but patrons should deposit such cards prepaid at the first-class rate prior to November 20; at the airmail rate prior to December 10, if they are to have a reasonable expectation of delivery prior to Christmas.

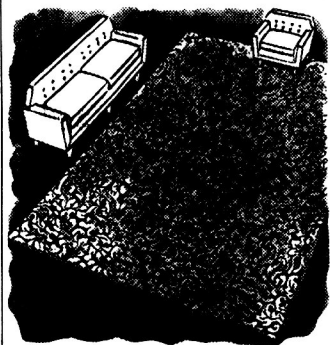

REGISTRY AND INSURANCE: Mailers are encouraged to register valuable letters and insure valuable parcels. It is recommended that patrons use Postal Money Orders to transmit gifts of money to members of the

All Name Good Citizens

Mrs. Miles Manwaring, chairman of the D. A. R. Good Citizens committee of the Anthony Nigo chapter, Mentone, reports that there is one hundred percent participation in the schools under the chapter's jurisdiction. (The Mentone chapter represents the southern half of the county and the Warsaw chapter the northern half.)

The good citizen representatives are as follows:

Atwood—Carolyn Haney.

Beaver Dam—J. J. Tucker.

Claypool—Dorothy Thompson.

Etna Green—Margaret Graber.

HELEN'S BEAUTY SHOP REOPENS

Phone EL 3-3542

Mentone—Sue Shoemaker.

Sidney—Rosaline Baker.

Silver Lake—Myrtle Allen.

Good Citizen representatives are chosen because of dependability, service, leadership and patriotism, and a written examination will be taken within the county to choose the county winner. The winning county paper will be sent to the state contest where 13 winners will be chosen.

HAS OPERATION

Mrs. Clayton Holloway was taken to the Murphy Medical at Warsaw Monday evening and on Tuesday underwent major surgery. She is reported as making a normal recovery.

Air Force ROTC Cadet

Cadet Neil B. McKinney, son of Mrs. Esther Pigel of Fort Wayne, has been accepted as a member of the Air Force Reserve Officers' Training Corps at Ball State Teachers College, Muncie, Ind. His program during the first two years of training will include instruction in the history of aviation, the theory of flight, component parts of aircraft and numerous other subjects related to the Air Age. He will be given numerous opportunities to participate

in flights in Air Force Aircraft in order to familiarize himself with the sensation of flying. He will also be taken on trips to various Air Force installations to observe the inner workings of the Air Force in operation.

Successful completion of the first two years of training will make him eligible for entrance into the advanced phase of the AFROTC program. The summer program will give him actual "on the job" experiences of the subjects he had been studying for the previous three years.

Upon completing his four years of study, he will be eligible for an appointment as a Second Lieutenant in the United States Air Force Reserve. If he is physically qualified, he will be given an opportunity to earn his wings as either a pilot or an observer in the United States Air Force.

CARD OF THANKS

We at this time want to thank neighbors and friends for their kindness and sympathy, during the hour of our sad bereavement of our dear husband and brother, also we want to thank the church for the dinner. We will never forget.

Let Not The Ghosts Be Real

Children only want to dress like ghosts, they don't want to become one, according to Chicago Motor Club officials, who appealed to both motorists and parents to take extra precautions during the Hallowe'en festivity season.

"Trick or Treat" antics will begin well in advance of October 31, the club warned. In the excitement children may dart across streets from between parked cars. But even if they remember their safety rules, masks may hamper the vision of the little holiday spooks. This makes the Hallowe'en season a time for special vigilance.

For safety's sake, parents should make sure that children are properly dressed, with their vision unrestricted, the club advised. School and community costume parties help to keep children off the streets at Hallowe'en. Also, the club urged civic groups to plan appropriate neighborhood events for their children.

The club lists five safety tips which parents should enforce or tell their children during the last minute briefing period:

- Wear something white.
- Walk on left side of roadways in rural areas.

—Avoid making quick moves into streets.

Make sure that masks don't restrict vision.

—Cross only at lighted intersections.

HOME FROM COLLEGE

The flu that has been attacking the people of Indiana has brought some of our college students home for short periods.

Sarah Urshel was home for the week end from Valparaiso, and Tom Hoover came home from Purdue Monday. Wednesday afternoon Dick Tombaugh came home sick. It is extremely difficult to get medical attention at the college towns as the disease has been hitting too many students at one time.

Gifts For Mental Patients

The Library here has agreed to serve as a depot for Christmas gifts collected for patients in our state mental hospitals.

Mrs. Howard Horn, who is in charge locally of the Christmas gifts collection, announced that all individuals and organizations interested in purchasing and wrapping gifts for patients may pick up at this depot a tag for the gift and a list of suggestions of what to buy.

Dec. 1st has been set as the deadline for collection of gifts. As soon as the gifts accumulate, they will be passed on to Fort Wayne State School for distribution to patients in mid-December.

A quota of 214 men's gifts and 214 women's gifts as well as 47 optional gifts has been set for this area by the Indiana Ass'n. for Mental Health. Officers of the state voluntary health organization announced that last year there was a shortage of men's gifts. Last year more than 35,000 gifts were collected throughout Indiana. Most female patients received at least three gifts and men patients received one to two gifts each. Kosciusko County people gave 1001 gifts last year.

The annual Christmas gifts collection program of Kosciusko County Chapter of the Indiana Association for Mental Health is one of many programs that county chapters undertake to further the mental health program in Indiana.

1. Select a Nice, New Christmas Gift suitable for an adult patient. (Children's gifts are not solicited. They are provided in a separate project.) Please wrap your gift attractively, but do not seal with scotch tape or stickers. Do not enclose a note or letter.

2. Fill in the Special Gift Tag available through your county chapter or at collection depots.

Every cent of any cash donation for the purchase of a Christmas Gift will be spent only for Patients' Gifts.

FACE BURNED BY BURNING FAT

Duane Eckert suffered burns to his face one day last week while "escorting" a pan of burning grease from their basement home east of Mentone. The burns were dressed at the Murphy Medical Center at Warsaw.

Theft or Prank

A pickup truck belonging to the Dickerhoff Trucking Co., was taken from its parking place on Main street near the library on Tuesday evening, and about ten this morning a call from Jim Tibbetts of Producers Market, east of town, stated the truck was parked in the alleyway at the stockyards. There was nothing to indicate how it was managed to get the truck into its position at the market.

Two used tires were also missing from the truck. If this was the work of Halloweeners, perhaps the tires will be found, and again they may have been stolen.

BOY HOSPITALIZED FROM ACCIDENT INJURIES

Ronald Walton, 16, of Mentone, spent a couple of days in the Murphy Medical Center recuperating from injuries received when an auto he was driving Thursday noon collided with one being driven by Mrs. Herschel Albert of Pierceton, about a half mile south of Warsaw on Road 15. Mrs. Walton and her five passengers escaped injury.

Damage was listed at \$250 to the Walton car and \$500 to the Albert auto.

SPECIAL MEETINGS AT ARGOS CHURCH

Evangelist Harry Ketcham, for many years a Baptist minister, will be speaking at the First Baptist Church of Argos each evening at 7:30 p. m., November 3-17. The public is cordially invited to attend these services.

NOW IN GERMANY

Crailsheim, Germany (AHT-NC)—Pfc. Arthur Quier, 21, son of Mr. and Mrs. Elmer O. Quier, Mentone, Ind., is a member of the 74th Field Artillery Battalion in Germany.

Quier, a cannoneer in the battalion's Battery C, entered the Army in September 1954 and arrived overseas last May.

He was a butcher at Mentone Locker Plant.

INDIANS ON THE LOOSE

Larry Carey and Kenny Wagner of Warsaw and Tom Harman of Mentone, left Friday on a deer hunt in the Upper Peninsula of Michigan. They are hunting under a special license where the only weapon permitted is a bow and arrow.

Former Talma Man Dies

Harley E. Zoleman, 63, of Rochester, died at 4 p. m. October 23 in the Woodlawn hospital at Rochester where he was admitted at 2 p. m., following a heart attack suffered while at work in the Rochester Post Office. Mr. Zolman has been in failing health for the past six years. A post office employee since 1921, he only recently returned to his work there from several months' sick leave.

Born March 25, 1894, in Talma, Newcastle township, he was the son of John and Nancy Adeline (Zolman) Zolman. He was a long time resident of this community. He was married on Aug. 18, 1923 at Joseph, Michigan to Bernice Horn of Talma who survives.

He was a member of the First Presbyterian Church, American Legion and Odd Fellows Lodge all of Rochester. A veteran of W. W. I, he served in several major European battles. Zolman was a graduate of the Rochester high school, where he was on the school's first basketball team in 1915. He continued his baseball career as a top notch pitcher on local independent teams.

Also surviving are two daughters, Mrs. Richard (Anne) Van Dalsen, Macy, and Mrs. Donn (Donna Jo) Nickols Jr., Fort Wayne, and four grandchildren.

Funeral services were held Friday afternoon in the Zimmerman Brothers funeral home at Rochester at 2:30 p. m. The Rev. Donald Decker of the First Presbyterian Church of Rochester officiated at the last rites and burial was made in the Rochester I. O. O. F. Cemetery. The Leroy Shelton American Legion held graveside rites.

Club Calendar

Order of the Eastern Star, Nov. 4th, 7:45 p. m. at Masonic Hall, visiting Matrons' and Patrons' night. Special program.

Tippecanoe PTA Smorgasbord Saturday, November 2. Serving to start at 5:30.

Friendly Neighbors H. D. Club will meet with Mrs. Mahlon Jeffries on Thursday afternoon, November 7th at 1:30.

Tuesday, November 5th at 9 a. m. the J. O. Y. Circle will meet with Mrs. Bernice Rush.

New Arrivals

An eight pound 14 ounce daughter was born to Mr. and Mrs. Jerry Kralis at the Murphy Medical Center about 4:15 this morning.

Mr. and Mrs. Boyd Blue are the parents of a son, born Friday at the Woodlawn hospital. The new boy weighed eight pounds six ounces, and has been named Ronald Ardel.

Mr. and Mrs. Richard Smith are the parents of a daughter, born Monday at Woodlawn hospital. Mrs. Smith is the former Esther Quier.

Mr. and Mrs. Clarence Ellison, Rochester, are the parents of a daughter born Monday at the Woodlawn hospital. Mrs. Ellison is the former Ruth Lash.

Mr. and Mrs. Don Snipes, R. 5, Rochester, are the parents of a son born at the Woodlawn hospital at Rochester. The mother is the former Bonnie Emmons.

TOO MUCH CARBON MONOXIDE GAS

Chet Smith, mechanic for the Boardman Chevrolet at Mentone, spent a short time in the Woodlawn hospital at Rochester after inhaling too much carbon monoxide gas.

The deadly fumes from auto exhausts activated a heart reaction. He is now back at his duties at the garage, but likely he will be extremely careful with exhaust gases from now on.

PLEADS GUILTY

An affidavit was filed in the court of Justice C. O. Eller on Wednesday evening by State Trooper J. Hammersley, against Robert D. Norris, of near Mentone, charging failure to yield the right of way in connection with an accident on the county road at the twin bridges, south-east of Mentone, on October 21.

A plea of guilty was entered by the defendant and a fine of \$20 and costs totaling \$35.75, was assessed by the court.

CELEBRATE 57th ANNIVERSARY

Mr. and Mrs. Ora Tucker celebrated their 57th wedding anniversary Wednesday, October 30. In the evening Mr. and Mrs. Ralph Tucker and Tom, Mr. and Mrs. Albert Tucker, Jane and Mitchell, Mr. and Mrs. Robert Smith and Sara Jo and Lilly Tucker and Mr. and Mrs. Max Smith, all enjoyed the celebration with ice cream and cake.

Basketball Starts Friday

High school basketball gets off to a big start in Indiana Friday, and all county teams except one have games scheduled for Friday evening.

Mentone opens the season with a game with the Comets at Bourbon. The first home game will be Nov. 8th when North Webster will be the opponent.

Other games this Friday evening are:

Talma at Atwood.
Beaver Dam at Milford.
Sidney at Claypool.
Etna Green at Argos.
Leesburg at Silver Lake.
Syracuse at North Webster.

ADAMS BOY CONTINUES TO IMPROVE

A report from Mr. and Mrs. Herbert Adams late Wednesday evening stated that their son, Russell, continues to show daily improvement from injuries received when he was struck by an auto. He has been sitting up in bed, and will laugh, smile and otherwise respond but yet does not talk. As near as can be determined, he is making a normal recovery.

WITH THE SICK

Mrs. Irvin Nelson is a patient in the Murphy Medical Center, suffering from a blood clot in the leg. Her condition is improved.

Verl Halterman, who has been suffering with lobar pneumonia, is somewhat improved. He is a patient at Murphy Medical Center.

Jerry Zolman, son of Mr. and Mrs. Carl Zolman, had a tonsillectomy last week and is convalescing at his home.

Earl Smalley is improved after being quite sick with stomach ulcers.

Mrs. Raymond Cooper is back in bed today after being up one day after a two weeks siege of the flu.

MOVE TO GOSHEN

The James Rodibaugh family moved to their new location in Goshen Friday. Mr. Rodibaugh has a position with a bank at Goshen and they purchased a home there the past summer. The John Miller family purchased the Rodibaugh home in Mentone.

Drainage Ditch Repairs

Now is the time for farmers to make needed repairs on open drainage ditches, says Donald Sisson, Purdue University agricultural engineer. Water levels are at their lowest at this time of year. This means farmers can get the job done conveniently and at low cost.

Stopped-up open ditches will never be an effective outlet for water running from both the surface area and tile drains; therefore, the main job will be to remove all obstructions from the drainage channel. Farmers will have to contend with erosion of ditch banks and perhaps the entire water-shed, as well as woody vegetative growth in the ditch itself.

Where soil has washed, check the ditch closely for small shoals or bars, advises Sisson. Removal of these by hand or with tractor-drawn scoops may prevent a worse fate—a major filling of the ditch with silt during the coming rainy season.

If the ditch is generally filled with silt now, it may be necessary to hire a dragline for the

clean-out. An excessive amount of silt in the ditch in less than five years after the previous cleaning is the farmer's cue to look for and eliminate causes.

It may be the banks of the ditch are not stabilized with grass. Perhaps hogs were allowed in the ditch. Or sheet erosion in cultivated fields that drain into the ditch could be the trouble, and if so, farmers will want to consider revising the farm plan to include proper soil conservation practices.

Trees, stumps and other vegetation within the ditch must be removed. Trees with several years of growth should be grubbed out or cut off. Smaller brush, even if green, can be burned off with an oil flame thrower. Once the job is done, chemical spraying, done annually, will easily control any new sprouts.

Another problem has faced the farmers at locations where fences cross ditches. Here, it's best to construct a swinging gate anchored to posts on each side of the ditch rather than attempt to maintain a stationary one that will only be a catch-all for silt, brush and corn stalks.

Sisson reminds farmers that drainage is one of the expensive

improvements on land. Regardless of who makes the original investment, the present landowner is losing money if his farm drainage system is not regularly maintained.

Danger Lurks In Corn Fields This Year

Heavy corn borer damage plus heavy stalk growth will make working in the corn fields doubly dangerous this fall.

But you can still keep yourself from becoming an accident statistic, says Robert Hewlett, vocational agriculture instructor at Mentone high school. Just be sure to recognize the hazards in your fields and be extra careful when you pick corn. Manufacturers of corn harvesting equipment design their equipment for safe operation—but the operators must follow safe operating rules.

First of all, heavy borer damage means that more stalks than usual will be down across the rows. Your picker is likely to clog more often than you'd like and than is normal. Curb your impatience,

turn off that power every time you leave the tractor seat, FFA members advise.

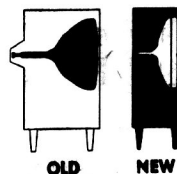

Heavy stalk growth because of the late summer rains also means slower, heavier going in the fields. Don't try to get through too fast or you'll have more clogging than necessary. And get more cautious as each day's harvesting

wears on. The most dangerous time of all is just before quitting time when you are tired and in a hurry to finish up another row or two before dark.

Help the Mentone FFA boys ring up an accident-free record for Kosciusko county during this 1957 FFA Safe Corn Harvest Program. Turn off that PTO.

Facts On Corn Raising Costs

What yield does a farmer have to have in order to break even raising corn? How much does it cost to raise an acre of corn? What yield should a tenant have to break even growing corn?

Paul H. Robbins, Purdue University agricultural economist, and Monte Juillerat, a graduate assistant, found the answers to these questions in a farm management study in crop production. They interviewed approximately 350 farmers in northern Indiana. These farmers tilled soils ranging from prairie to light sand.

Figuring the price of corn at \$1.12 a bushel (the 1954-56 harvest-time average), the economists say a yield of about 44 bushels per acre is necessary for a farmer to break even on first-year corn after a legume sod. The yield must go up to 49 bushels on second or future-years corn. The yields were averages for all soils and may vary slightly, depending on the type of soil farmed.

A slightly higher yield is necessary for a tenant to break even. Assuming a 50-50 crop share lease, the economists say it requires a 49-bushel per acre yield on first-year corn and a 55-bushel yield on second and later years plantings.

The farmers reported an average cost of \$49 an acre to raise corn following a legume sod in 1956. There was as much as \$9 an acre difference in costs, depending on the type soil. Costs and also yields were generally higher on the prairie, dark sand and level, silty clay loam soils. There the average cost was about \$52 an acre. For the sloping, silty clay loam the cost was \$48 and for the light sands it was \$43.

Resulting chiefly from increased fertilizer and manure expenditures, costs of growing second-year corn increased from \$5 to \$6 an acre over first-year corn.

Principal cost of corn raising was land charge—taxes and interest. On first-year corn, land charge was slightly more than one-fourth of the cost. Fertilizer made up the second biggest item, 19 percent. Tractor cost was 13 percent, labor and machinery nine and one-half percent, each.

The economists found that it costs "very little more to raise corn than it does to raise soybeans, wheat, oats and alfalfa." For instance, first-year corn costs were only \$2 more an acre than wheat, \$4 more than soybeans, and \$7 more than oats and alfalfa. These differences would be about \$6 greater in each case for second or other years corn than for first-year corn.

Trends in crop production in the area studied showed more corn in prospect, greater use of commercial nitrogen, more meadow intercroppings and fewer stand-over meadows.

Sheep raisers are warned by Purdue University veterinarians to be on the alert for signs of

sheep scab. Symptoms of the disease include loss of wool; itching of the skin and formation

of yellow scabs on the wool. Dipping is the most satisfactory method of controlling the disease.

What the world needs today is more honest, sincere, average people.

Leading Oat, Barley Varieties

Clinton was the leading oat variety grown in Indiana this year and Kenbar was the most popular variety of barley in the state, agricultural statisticians at Purdue University report in their first survey of these cereals.

Forty-five percent of the total oats acreage in Indiana was planted to Clinton. Clinton 59 was next in popularity, representing 27 percent of the total acreage. Newton was third with eight percent and Bentland fourth with five percent.

Dubois, a winter variety grown in southern Indiana, was used on five percent of the total oats acreage in Indiana. It was the only winter variety of any importance, the survey showed.

Thirty-nine percent of the total barley acreage was planted to Kenbar. Hudson ranked second with 19 percent and Kentucky Number One was third with seven percent.

A much larger proportion of the barley acreage is seeded to

unknown varieties than is the case for wheat or oats, the statisticians explain. Unknown barley varieties account for 38 percent of the state's total acreage.

Mr. and Mrs. Ed Creakbaum of Claypool and Mr. and Mrs. S. McIntyre of Burket, arrived home Sunday after a four-day trip into Michigan.

Mr. and Mrs. William Moore of Sacramento, California were Tuesday evening dinner guests of Mr. and Mrs. Macy (Harold) Nelson and family.

Since carbon monoxide is an odorless, tasteless, colorless killer, motorists should check their auto's exhaust system now and prepare for winter driving. With car windows rolled up during winter driving, the danger of carbon monoxide poisoning is present. Never warm up your car in a closed garage or drive with all windows completely closed, the club advises.

Most of the good extemporaneous speeches are well-thought out ahead of time.

Miss Karen Miller of Ball State College of Angola, spent the week end visiting her parents, Mr. and Mrs. Charles Miller.

Steve Coplen, who is attending Tri-State College of Angola, spent the week end visiting his parents, Mr. and Mrs. Bill Coplen.

Mrs. Gertrude Utter of Akron has been admitted to the Woodlawn hospital at Rochester. Mrs. Utter is formerly of this place and is the mother of Wilbert Utter.

Monte Sriver, who attends Ball State Teachers' College at Muncie, has been accepted in the Air Force ROTC.

Mr. and Mrs. Jim Hittle and family of Rochester were recent guests of her parents, Mr. and Mrs. Robert A. Calvert.

Mr. and Mrs. Fred Roe of Akron were Sunday guests of their

son-in-law and daughter, Mr. and Mrs. Harry Sriver and family.

Mr. and Mrs. Ralph Hatfield have returned from a motor trip through Southern Indiana and other places of interest.

Mr. and Mrs. Oliver Kalmbacher of Huntington spent Monday visiting his parents, Mr. and Mrs. John Kalmbacher.

Beaver Dam School News

The Honor Roll for the first grading period is as follows:

All A's—Roger Nellans and Eleanor Shively.

All B's—Orvin Thompson.

All A's and B's—Sonia Smith, Sherry Babcock, Sue Ann Welty, Phyllis Ummel, Janet Welty, Margaret Baugher, Pat Holloway, Carol Welty, Wayne Cumberland, Pat Engle, Jo Tucker, Karen Latimer, Carol Smith.

Mrs. Price, our Commercial teacher missed a few days this week.

We are sorry to see Si Gates leave our school. He is now going to Mentone School.

Season Tickets for our home Basketball games will go on sale next Monday evening to the parents of the players, student managers and cheerleaders. Others may purchase tickets at a drawing to be held Tuesday evening at 7:15. If you do not have your request in by 7:15 it will be necessary to wait later that evening to get your ticket. The blanks for your ticket request may be gotten next Tuesday evening prior to the drawing at 7:15.

Don't forget to go to Milford tomorrow night and back up our team. The B-team game will start at 7:00.

Farm Trip To Tile Factory

A trip to a tile factory in Decatur to see how drain tile are made will be one of the highlights of the county agricultural extension program for December says County agent Paul Jackson. On Monday, December 2, busses will leave the county fairgrounds at eight a. m. for the trip. Upon arrival at Decatur the group will tour the facilities of the tile factory and will have lunch through the courtesy of the Krick-Tindall Company. Krick-Tindall will also furnish transportation for the trip.

Jackson states that this is a stag trip for adult farmers. Those desiring to go should notify the county extension office before November 30 so that sufficient buses can be chartered to provide transportation. The group should be back in Warsaw about 4 p. m.

Honey production in Indiana during 1957 totaled 6,510,000 lbs.—13 percent above the relatively low production last year, according to agricultural statisticians at Purdue. The increase is due entirely to larger production per colony, which averaged 35 pounds compared with 31 pounds last year. The number of colonies, at 186,000 is the same as a year ago.

Replacements gilts and brood sows can make excellent use of legume hay fields at this time of year, Purdue University animal husbandmen assert. Placing them in the fields also will give the animals the needed exercise.

A half-truth is far more dangerous than no truth.

Newly constructed soil conservation practices should have a green coat for the coming winter, agricultural engineers at Purdue University remind farmers. Levees of terraces and diversion terraces, disturbed areas around farm ponds and banks of drainage ditches can still be seeded to small grain cover crop.

Trace Element Needs of Animals

Indiana farmers should be particularly concerned with three trace elements—manganese, iodine and iron—in supplying the needs of their livestock and poultry, reports H. E. Parker, Purdue University biochemist.

Farm animals differ in the amount of trace element they need, according to Parker. Chickens and turkeys need more manganese than they normally can get from natural feeds. But the four-footed farm animals almost always get more manganese in their feed than they actually need.

Complete poultry rations should contain 100 parts of manganese in a million parts of feed. Hogs and cattle can get along with less than 1/10 this amount, Parker says.

Unless some manganese-containing compound is added to poultry rations, the chickens come down with a condition known as slipped tendons or perosis.

Farmers should check the feed tag to make sure manganese has been added. If the farmer mixes his own feed, he should add about ½ pound of manganese sulfate to each ton of feed.

Our natural feeds should be supplemented with iodine, either as iodized salt or some other form of iodine in the feed, according to the biochemist.

Iron deficiencies often occur in young suckling animals, particularly young pigs that do not get access to soil or other sources of iron. Older animals usually get enough of this element in their feed.

Poor Ventilation Spreads Disease

Plenty of ventilation in the chicken house, without direct draft on the roosting birds, aids in decreasing the spread of respiratory diseases in chickens, reports Joe W. Sicer, Purdue University extension poultryman.

In a recent USDA study, 20 nine-week old chickens were placed in each of two pen. Half of the chickens in each pen were inoculated with PPLO organisms, the germs closely tied up with

chronic respiratory disease (CRD) in chickens.

In one pen, the movement of air was so controlled that only one half cubic foot of fresh air was provided per bird per minute. In the other, pen, three cubic feet of air per bird per minute were provided.

After four weeks, all chickens were carefully examined. In the pen that had the slow rate of air exchange, the chickens that had not been inoculated with PPLO showed definite evidence of having acquired the infection. The non-inoculated group in the pen with the high rate of ventilation showed no evidence of the spread of PPLO.

It would appear, Sicer says, that the abundance of air in the one pen resulted in so diluting any infectious material coming from the inoculated birds that the other birds in the same pen did not succumb to the infection.

Low Producers Increase Costs

Low producers in the dairy herd add to their owner's labor, investment and feed costs without increasing income and net returns, G. A. Williams, Purdue University extension dairyman, reminds Indiana farmers.

The Purdue specialist takes as an example a 10-cow herd with an annual average of 10,000 lbs. of milk per cow. This results in a 100,000 pound annual production for the herd. If, during the following year, four first-calf

heifers enter the herd and produce only an average of 5,000 lbs. each, the total production rises to 120,000 pounds a year, but the average production per cow drops to 5,575 pounds.

The herd owner may feel these heifers deserve another chance and decline to sell them. He wants to maintain his herd average of 10,000 pounds per cow, so he buys some high producers to restore the average.

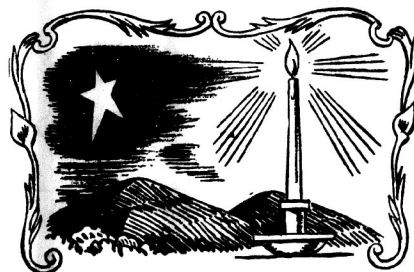

Assuming the owner can secure cows with an average of 12,500 pounds each, he must add eight animals to the herd. Thus, a total of 22 animals in the herd will bring the average back to 10,000. However, the owner must provide housing, feed and labor for a dozen additional cows—all of which costs money.

A fall application of three or four pounds of 3-12-12 fertilizer to every 100 feet of row will benefit the growth of strawberry plants for improved crop prospects next spring, say Purdue University horticulturists.

Joan Mollenhour spent the week end with her grandparents, Mr. and Mrs. William McFadden of Tippecanoe.

Mr. and Mrs. A. R. Wood and family of Michigan City and Mr. and Mrs. Foy Scott of Logansport, Mr. Clayton Holloway and son were Sunday dinner guests of Mrs. Edith Scott and daughter. In the afternoon they visited Mrs. Clayton Holloway, who is a patient at the Murphy Medical Center in Warsaw.

Janice Mollenhour spent the week end at Palestine with her grandparents, Mr. and Mrs. Geo. Mollenhour.

Mrs. Emma Clutter spent Sunday visiting Mr. and Mrs. Abe Whetstone.

Mr. and Mrs. Roy Meredith and daughter Marcella, and Mrs. Flora Blesch of Akron were Saturday dinner guests of Mrs. Earl Meredith. Mrs. Dora Russell called in the afternoon.

Cecil Whetstone and daughter, Mrs. Smantha Norris and Mrs. Earl Meredith called on Mrs. Dora Russell Friday afternoon.

Chester Smith was admitted to the Woodlawn hospital Saturday morning, but was able to be brought home on Tuesday.

Mr. and Mrs. Wayne Drudge of Silver Lake were Sunday evening supper guests of Mr. and Mrs. Chester Creakbaum.

Mr. and Mrs. Ernest Cartwright of Warsaw spent Monday evening visiting Mr. and Mrs. Chester Creakbaum.

Mr. and Mrs. Chester Miller and daughter, Mary Ann spent the week end visiting with Pvt. Merrill Peterson at Fort Meade, Maryland.

Mr. and Mrs. Ralph Robbins of Fort Wayne visited Saturday with Ralph's mother, Mrs. Lou Robbins and sister, Mrs. Mildred Carpenter and family.

Mrs. Cora Beltz of Magadore, Ohio, is visiting Mr. and Mrs. Andrew Hall, Mr. and Mrs. Dallas Martin and other relatives around Mentone and Bourbon.

Mr. and Mrs. Harold Nelson and family attended the 60th wedding anniversary of Mrs. Nelson's parents, Mr. and Mrs. Lee Moore at Rochester Sunday. They held open house at the Social Rooms in the Methodist Church with 250 people attending. A son and wife, Mr. and Mrs. William Moore of Sacramento, California, came to Indiana to be with the family on this occasion.

Mr. and Mrs. Albert McKeighan called on Mrs. Tressie Newton Friday evening. Mrs. Newton has been on the sick list for some time.

Mr. and Mrs. Floyd Hibschan of Athens called on their aunt, Mrs. Alfred Teel last Tuesday.

Mr. and Mrs. Arthur Witham were in South Bend last week where Art attended the teachers convention and Mrs. Witham visited with her brother and family, Mr. and Mrs. Owen Hatfield. Little Janice Bach is home with the Chicken Pox.

Verl Halterman still remains in the Murphy Medical Center but he is improving.

Jerry Zolman, son of Mr. and Mrs. Carl Zolman, had a tonsil operation Thursday of last week at the Murphy Medical Center of Warsaw.

Rev. and Mrs. Lester Young of Warsaw visited Sunday afternoon with Mr. and Mrs. Wendell Bryant and family.

Mrs. Emory Hindenlang of Laotta, Mr. and Mrs. Wilbur Holloway, Mr. and Mrs. Jim Holloway and daughter of Fort Wayne and Merl Holloway of Richmond called Friday afternoon at the home of Mr. and Mrs. Garrie Rose.

Mr. and Mrs. Ray Linn were in Milford Friday on business.

Mrs. Pearl Mahony of Tippecanoe spent the week end with Mrs. Velma Shaffer and Mrs. John Landis.

Mrs. Loren L. Tridle, Mrs. Robert Plummer, R. R. 4, Warsaw, Indiana, Mr. and Mrs. Edward Ayres, Sidney, Ind., Mr. and Mrs. John Ayres, Silver Lake, Indiana spent Wednesday at Weldon, Illinois, attending the funeral of Charles Ayres, uncle of Mrs. Tridle.

Sherry Babcock spent the Teachers Institute vacation with Mr. and Mrs. Richard Maple and sons at Kendallville. Mr. and Mrs. Noble Babcock were Sunday dinner guests of the Maples and Sherry returned home with her parents.

Mrs. Pearl Horn and daughters Marilyn and Jody were shopping in Plymouth Friday afternoon.

Mrs. Daisy Enyeart of South Bend spent Friday visiting her brother, Verl Halterman at the Murphy Medical Center Saturday. Mr. and Mrs. Bob Enyeart visited relatives in Mentone and Mrs. Enyeart returned with them to South Bend.

Mrs. Merle Wagner and children of Burket were Sunday dinner guests of E. E. Wagner, Mrs. Wagner and children left Monday to join her husband in Florida. They will be residing there.

Mrs. Loren Tridle spent last week attending Ohio-Indiana regional Training Camp held at Bradford Woods, Martinsville, Indiana. Mrs. Tridle was sent by the district of Middle Indiana sponsored by Indiana Council of Churches.

Mr. and Mrs. Joe Baker and Linda spent last week end touring in the Smokey Mountains. Saturday there was a nice snow while they were there.

Monthly reports by Indiana DHIA herd supervisors reveal that more first-calf heifers enter herds during September, October and November than during any other three-month period of the year. This is the best time for a cow to freshen, according to Purdue University dairy specialists. Fall freshened cows produce more milk and return more income than cows which freshen during the summer.

Gladiolus bulbs should be allowed to dry and then dusted lightly with five percent DDT dust before they are stored. This treatment is to kill gladiolus thrips—insects which overwinter on the stored corms, Purdue University entomologists report.

Do You Know?

Where a man can buy a cap for his knee?

Or a key for the lock of his hair?

Can you call his eyes an academy because there are pupils there?

In the crown of your head, what jewels are found?

What travels the bridge of your nose?

If you wanted to shingle the roof of your mouth

Could you use the nails in your toes?

Can you sit in the shade of the palm of your hand?

Or beat the drum of your ear?

Can you eat the corn that grows on your toe?

HOME SHELTER of reinforced concrete (top) at the Operation Plumbbob atomic tests in Nevada withstood a blast pressure of some 65 pounds per square inch (bottom) with damage only to vent pipes (the average house can withstand a pressure of about one pound per square inch). The shelter, which could accommodate about six persons, was covered with 5½ feet of earth for near-complete protection against initial radiation in blast areas. When specially-dressed radiological monitors (inset) entered the area after the A-blast, they found the steel plate door undamaged and easily opened with normal pressure. (NTO Lookout Mountain Lab Photo)

Well, why not grow corn on your ear?

Can the crook of your elbow be sent to jail?

If so, just what did it do?

Where can I sharpen my shoulder blades?

I'll be darned if I know, DO YOU?

Buy Good Drain Tile

High quality tile is the basis for a good tile drainage system, says Don Sisson, Purdue University extension agricultural engineer.

Unless strong, durable tile is used, the drainage system will not give the long life and trouble-free service expected.

To help farmers secure high quality tile, the American Society for Testing Materials has prepared specifications for drain tile. It is a good practice for the buyer to make certain the tile meets these specifications, particularly as to strength and density.

High strength is necessary to prevent tile from being crushed by heavy machinery and by earth loads when tile is installed in extra deep or wide trenches. A dense tile will have low absorption—the lower the absorption the more durable the drain tile will be, Sisson says.

At the present time 27 clay and concrete tile manufacturers in Indiana have had tests made to indicate their tile passes these ASTM specifications.

A strong tile is free from any cracks and chips, says Sisson, and will retain its strength after it is in the ground. Prospective buyers can determine the soundness of the tile by placing a dry specimen tile on end and striking it with a light hammer. If a clear ring is sounded, the tile may be accepted as sound. The tile should also be inspected for uniformity in shape, wall thickness, checks, and foreign material.

Contrary to popular belief, Sisson says that ground water should

enter the tile at the joint. It will not seep through the side wall in any great quantity. Good quality tile should be dense and should absorb a minimum amount of water.

Drain tile made from clay, shale or concrete will give satisfactory results if properly made and installed. Concrete tile should last as long as clay or shale with two exceptions—in peat or muck or other acid soils, or when the ground water or soil contains strong alkali salts.

Know Leading Wheat Variety

Knox was the leading variety of wheat grown in Indiana this year with 55 percent of the total acreage planted to that variety, according to agricultural statisticians at Purdue University.

Seneca, with 12 percent of the

acreage, was second most popular with Indiana farmers and Vigo, with about 10 percent, was third.

Knox, Seneca and Vigo are all relatively new varieties. Knox gained in popularity because of its yielding ability, short straw and earliness of maturity. It was in the seed multiplication stage prior to 1955.

Seneca was developed in the early 1950's and reached its peak popularity two years ago. Vigo was introduced in the late 1940's and was the leading variety in 1954 and 1955.

Dual and Vermillion are two new varieties which reached sufficient acreage to measure this year. Dual represented about six percent and Vermillion about two percent of the total wheat acreage.

Fairfield was the leading variety in 1949 with 29 percent of the acreage, but by 1957 it has declined to only two percent.

Fultz wheat was the leading variety in 1929, 1934 and 1939 and Poole was most popular in 1919 and 1924.

Common chickweed, which may be severe in lawns next spring, usually germinates in late fall

during damp, wet periods, say Purdue University agronomists. They point out that it is very easily killed with 2,4-D used at regular weed control rates. The agronomists remind users to follow container directions carefully.

Don't Rush - Consider!

When death enters a home, don't be rushed into buying a monument by high-pressured salesmen during your grief.

A monument is a once in a life time purchase. Give it careful consideration, as it deserves. Our plainly marked prices, include the complete cost of lettering, foundation, and installation.

ARE YOU IN THIS PICTURE??

They say one of the indications of "old age" is when you start thinking about the past, so if some of our "younger" readers feel that we may be enjoying something that may not be of much interest to them, we can only say: wait a few years.

The above picture, in a good state of preservation for its age, was brought to us by Joe Baker of Mentone, and a good number of the individuals pictured still remain in our area.

The picture was taken some time during the 1916-1917 school year and shows the youngsters who attended the Harrison Center one-room school that was located across the road east from the present Harrison Center church. Carl Mahoney was the teacher.

Before you read the list of names, try and see how many you can identify. Mr. Baker was unable to identify the first lad in the third row, but likely one of our readers can.

Reading from left to right, the

first row includes: George Decker, Cletus Unrue, Homer Gibson, Lawrence Hudson and Ray Eckert.

Second row: Lyman Baker (deceased), David Gibson, George Baker, Joseph Baker, Orin Parks, Milton Dorsey (deceased), Clyde Johnson and Grimm Latta.

Third row: (First unknown),

Fourth row: Harley Carls (deceased), Ray Baker, Opal Parks, Wanda Gates, Howard Hudson and Maurice Dunnuck. As stated above, the teacher was Carl Mahoney.

PUBLIC SALE

Due to the death of my wife, I am offering for sale the following personal property located one and a half miles south of Burket, Ind., and one-half mile west on the "angling" road.

SATURDAY, NOVEMBER 2, 1957

12 NOON C. S. T.

LIVESTOCK

6 Hamp. sows; 1 Hamp. boar; 20 shoats, 125 lb.; 20 weaning pigs; 2 Black Angus Cows (fat); 1 calf; 20 hd. 400 lb. White Face Feeder Steers.

HOUSEHOLD GOODS

1 two piece velour living room suite (good); 1 two piece mohair living room suite (good); 1 lounge chair; 1 lounge chair and ottoman; several rocking chairs, and straight chairs; end tables; dining room tables; side board; two dressers; 2 beds with springs and mattresses; 1 9x12 wool rug; 2 library tables; numerous pedestals; mirrors; lamps; clocks; 2 radios; 1 good electric iron and ironing board; 2 nice coffee tables; 1 large size wardrobe; 1 sewing machine; 2 electric refrigerators; 1 tank type electric sweeper with attachments; 2 electric washing machines, 1 Siegler five room oil space heater, good, with fan; 1 three burner oil stove; 1 two burner oil stove; 1 Marion electric range with timer; 2 wood or coal range stoves; 1 66-in. double sink with fixtures; a number of pots; pans; crocks; glass cins and jars; silverware and dishes of all kinds; also some antique dishes, vases and jardenars.

MISCELLANEOUS ITEMS

2 electric brooder stoves; chicken feeders and other articles too numerous to mention.
