GEO. NELLANS
DIES AT 89

George W. Nellans, aged 89 years, six months and twelve days, died at his home in Mentone at 11:30 p. m. Tuesday, after a short illness. He had been bedfast but a week when death came.

Mr. Nellans was born in this county February 22, 1856, the son of Thomas and Mariah Nellans and had followed the occupation of a farmer until his retirement a few years ago.

Mr. and Mrs. Nellans celebrated their 60th wedding anniversary just two months prior to his death. He was a member of the Mentone Baptist church.

Besides his wife, Ella, he is survived by three sons, Devane of Vicksburg, Michigan, Charles of Colorado Springs, Colorado, and Dean of Mentone; one brother, John, of Tippecanoe; 11 grandchildren and 10 great-grandchildren. One daughter, Mrs. Golda Tinkey, preceded Mr. Nellans in death.

Funeral services will be held at the Reed funeral home on Friday afternoon at two o'clock. Rev. John Jones, of Syracuse, will officiate and burial will be in the Mentone cemetery.

GIRL SCOUTS TO MEET

A Girl Scout meeting will be held right after school Sept. 13th in the Agriculture room. All are urged to attend.

HOME ECONOMICS CLUB
TO MEET THURSDAY

The Mentone Home Economics Club will meet at the home of Mrs. Roy Cox on Thursday afternoon, Sept. 13th. ADA MEREDITH, Reporter.

KENNETH VANCUREN AT
MENTONE CAFE NOW

Effective the first of the month, Kenneth VanCuren has taken over the management of the Mentone cafe from Wm. Romine.

Mr. and Mrs. Harold Nelson are up in Michigan where Mrs. Nelson is trying to get her breath and Mace is trying to get out of work.

Y. F. C. GROUP
SCORES AGAIN

The Tri-County Youth for Christ meeting Saturday night was another successful event. A large crowd was in attendance in spite of the competition of the Warsaw fair, the Jubilee Singers at Winona and the Labor Day holidays. Youth Marches On!!

Next month, Saturday, Oct. 6, Dr. John Brown from John Brown's university in Siloam Springs, Ark., will be the speaker. Other meetings on Sunday the 7th and Monday the 8th are being planned. Watch for further announcements.

4-H CHAMPIONS
WIN STATE TRIP

Miss Marcella Dickey, of Beaver Dam, county 4-H Club dress revue champion, and Miss Patty Jones, of Claypool, reserve champion, Tuesday went to Indianapolis to attend the state 4-H fair. The girls received the trip as awards. They were accompanied by Miss Janalyce Rouls, county home demonstration agent, and Mrs. Elmer Dickey, mother of the champion.

BURNED ON HIGH VOLTAGE LINE

Forrest Brock, north of Rochester, an employee of the Public Service Co. of Indiana, received serious burns at noon Wednesday while making repairs on a voltage line at the "Speck" Smith corner on road 31, seven miles south of Rochester. Brock, a lineman for the utility for several years, was making a cut on a high voltage line when the heavy current arced across knocking him off the pole and onto the ground 25 feet below.

Rushed to the Woodlawn hospital in the Foster ambulance, an investigation revealed that although severely burned and shocked, his condition is not considered serious. Physicians believe that he will be out of the hospital in a few days.

—Newcastle Reporter.

SOLDIER SPEAKS AT
LIONS CLUB MEETING

Lt. Robert Nottingham, a Marine who saw considerable action with a 155mm gun unit in the Philippines, gave a very interesting talk at the Mentone Lions Club meeting Wednesday evening. Arthur Brown, a former Mentone citizen, was also a guest of the club.

C. RINGENBERG
DIED SATURDAY

Charles H. Ringenberg, aged 76 years, one month and sixteen days, died at his home in Mentone Saturday at 10:00 p. m., following a stroke of apoplexy which he suffered four days previous. He had been in poor health for a number of years.

The deceased was born near Leesburg July 15, 1869, the son of Rudolph and Anna Ringenberg. He had farmed in the Leesburg and Warsaw vicinity his entire life until he moved to Mentone seven years ago to retire. He was a member of the Mentone Methodist church.

Surviving relatives include the wife, Rilla; two sons, Merl of Seattle, Wash., and Chas. Jr. of Mishawaka; a daughter, Mrs. Charles Rowell of Jackson, Michigan; a foster daughter, Mrs. Forest Campbell, of South Bend; one brother, Dan, of North Manchester; a sister, Mrs. Lydia Kensinger of Leesburg; 7 grandchildren and 8 great-grandchildren.

Funeral services were held at the home on Tuesday afternoon at two p. m., with Rev. S. M. Hill officiating. Rev. A. G. Simmons assisted. Interment was in the Pleasant View cemetery with the Reed funeral home in charge.

MOTHERS OF WORLD WAR NO. II

Unit 106, Mothers of World War No. II, will meet Wednesday night, Sept. 12 at eight o'clock in the Mentone high school basement. All members are urged to be present. All mothers of service boys and girls are eligible to become members. Why don't you join us?

BEAVER DAM, LOON LAKE
CONSERVATION CLUB MEETING

The Beaver Dam and Loon Lake Conservation clubs will hold a business meeting on Thursday, Sept. 13, at 8 p. m. at the club house.

Everybody is invited. Ice cream and cake will be served.

TRELBA FITTON, Sec'y.

Marshall and Mrs. J. F. Warren gave the ornamental street lights a bath the fore part of the week.

LOCAL NEWS

A \$9,000,000,000-a-year demand for houses will mean jobs in steel, as well as in lumber and other things.

Needed: 5,000,000 refrigerators. Result: Jobs making steel for them.

New Rails for the railroads' postwar program. More jobs in steel

What's the Chance of a Postwar Job—in Steel?

HOW MANY jobs will there be in the steel mills for returning veterans and war workers? No one knows exactly. But this much is certain:

Plans have long been made to meet quickly after Victory the tremendous, pent-up demand for goods—and it will be out of production to meet this demand that jobs by the thousands will come.

Consider a few of the facts. The steel industry faces, right now, an accumulated demand for more than 600 articles of iron and steel that have not been made for civilian use since 1942—including an estimated 23,000,000 radios,

5,000,000 refrigerators, 3,000,000 washing machines.

Postwar building is expected to run to 9 billion dollars a year. There will be an immediate need for at least 7,000,000 automobiles to replace those junked since the war began. The rebuilding of European countries will open a tremendous market for American steel.

Over and above this, will be the demand for steel in new products—planes, deep-freeze units, air-conditioning equipment, television receivers, and hundreds of other devices grown out of war discoveries.

And all this will result in countless

jobs—for demand for goods makes jobs.

Now that Victory has been won, the steel industry and other industries will put into operation their plans for the jobs and opportunities all of us want.

PUBLISHED EVERY WEDNESDAY BY THE NORTHERN INDIANA CO-OPERATIVE ASS'N. OFFICE OF PUBLICATION, WEST MAIN STREET, MENTONE, INDIANA
Entered as second-class matter November 18, 1936, at the post office at Mentone, Indiana, under the Act of March 3, 1879

Volume 15, Number 13

Mentone, Ind., Sept. 12, 1945

Subscription—\$1.50 Per Year

HEROISM IN FINAL HOUR

WASHINGTON, Sept. 4.—How Marine Warrant Officer William E. Rush, whose wife lives at 1837 East Donald street, South Bend, (and son of Mr. and Mrs. Ray Rush, of Mentone) was killed March 8, 1945, while locating enemy targets for our artillery is vividly described in "The U. S. Marines on Iwo Jima," a book written by five official marine combat writers and just published by the Infantry Journal here.

According to the authors, Rush was described by his major as fearless. "He stood in the open repeatedly to spot gun positions better. He found them by the dozens and guided his artillery fire accurately until the enemy emplacements were destroyed. In the battle for hill 382, on D plus six, Rush discovered that there was only one place from which he could spot the enemy well. The men begged him not to expose himself again. But Rush crawled into the open and a few minutes later a Jap rifleman shot him."

O. E. S. NOTICE

The first regular meeting of the Order of Eastern Star will be September 17.

After summer vacation. A pot luck dinner will be the special feature at 6:30. All members are expected to be present with your table service and some food.

O O O

Capt. Donald VanGilder and family, who are here on furlough from Camp Atterbury, spent Wednesday at the home of Mr. and Mrs. S. O. Stookey, near Leesburg.

MARRIED SATURDAY

In a beautiful candlelight service which was held at eight o'clock Saturday evening, at the United Brethren church in Atwood, Miss Betty Miner, daughter of Mr. and Mrs. Loyd C. Miner, of Crystal Lake, became the bride of Raymond Cleveland, son of Mr. and Mrs. Clayton Cleveland, of Warsaw. The double-ring ceremony was read by Rev. I. E. Longenbaugh, before the altar which was lighted on either side by large candelabra and banked with coral-pink gladioli. Before the ceremony, a musicale was given by Miss Kathryn Eisenhardt, who sang the numbers, "Indiana Love Call," "Ah, Sweet Mystery of Life" and "Always." She was accompanied at the piano by Mrs. Marion Coplen. Mrs. Marjorie Witham, of Atwood, played the traditional wedding music for the processional and recessional of the bridal party. The bride, who was given in marriage by her father, wore a floor-length gown of white satin, fashioned with full train and wore a veil of finger-tip length. She carried a bouquet of white roses from which fell a shower of white satin streamers trimmed with white rose buds. Her only jewelry was a string of pearls, a gift from the bridegroom.

Mrs. Miner, mother of the bride, wore brown crepe with brown accessories and yellow rose corsage.

Following the ceremony a reception was held at the home of the bride's parents for the many relatives and friends who attended. A three-tiered wedding cake topped with bridal figurines was cut by the bride and groom.

Mr. and Mrs. Cleveland will make their home at Crystal Lake in the near future.

QUIETLY MARRIED

Miss Mary Beth Shinn, daughter of Mr. and Mrs. Earl Shinn, and Robert Blodgett, son of Mr. and Mrs. H. O. Blodgett, were quietly married in Chicago on September 4th.

The bride is a graduate of the Mentone High School and the groom has been employed as a draftsman at the Lake City Machine Shop at Mentone.

COURT JURORS ARE DRAWN

Grand and petit jurors for the September term of circuit court, which gets under way at Warsaw Sept. 17, were drawn Monday by County Clerk Ernest Bushong and Jury Commissioners Rolla S. Anglin and Charles S. Ramsey.

Those selected for the six-member grand jury were: Glee Long, route 4, Warsaw; Roy Sprigg, route 2, Warsaw; Alpha O. Miller, Mentone; Arthur Thompson, route 2, Leesburg; George Crooke, route 2, Milford, and Ralph Sawyer, route 2, Milford.

The following twelve were named for petit jury duty: Noah Eaton, Warsaw; Hugh D. Rickel, route 5, Warsaw; Althea Hamlin, Etna Green; John Fitton, Burket; Emma E. Miller, Etna Green; Dale George, route 2, Nappanee; Rozella Ford, route 2, Warsaw; Mildred Cole, Leesburg; Carl Zimmer, Warsaw; Emma Teeter, Silver Lake; Alfred D. Wilson, Milford, and Justin Bruner, Warsaw.

CELEBRATE ANNIVERSARY

Sunday, September 9th, being the forty-second wedding anniversary of Mr. and Mrs. C. A. Fretz, of Mentone, his brothers, sisters, nieces and nephews came to help them celebrate.

Those present to enjoy the day and carry-in dinner were:

Mr. and Mrs. D. A. Fretz, Mrs. Elizabeth Ginter, John Fretz, Mrs. Bert Dillingham and Mrs. Emma Vining, all of Bourbon, brothers and sisters; Mr. and Mrs. W. H. Fretz of South Bend; Mr. and Mrs. Russel Fretz and Larry Dale Miss Edna Vining, Mr. and Mrs. Deward Fretz and daughters, Genae and Marcella, Mr. and Mrs. Bill Marshall, all of Bourbon, nieces and nephews, and Mr. and Mrs. Gilbert Bertsch, of Warsaw.

The guests presented Mr. and Mrs. Fretz with a beautiful lamp stand and four pounds of choice chocolate candy to help keep them sweet for the relief of the sugar shortage, it was reported.

LICENSED PILOT AT 17 YEARS

Bobbie Gene Herendeen, aged 17 years and son of Allen Herendeen, recently received his private pilot's license, permitting him to carry passengers in a plane he's piloting and to travel anywhere in the continental United States, which is quite an accomplishment for a lad of his age. The Civil Aeronautics Administration regulations make it unlawful for anyone to solo under 16 years of age, and after soloing, a pilot must log a certain specified number of hours in the hour and pass a rather rigid examination on the care of planes, navigation, meteorology, and other matters of importance to the safety of a pilot and his plane. It is believed that there are few people in the United States who have private licenses at 17 years of age.

W. S. C. S. SOCIETY

The Woman's Society of Christian Service of the Methodist church, met in the home of Mrs. Dora Goodman on Friday evening, Sept. 7.

The devotion was led by Mrs. Lillian Witham. She used as her subject, "Wide Open Doors for the Sick."

The lesson for the evening, "Down the Malayan Land Bridge," was given by Mrs. Orpha Blue.

During the social hour the hostess, assisted by Mrs. Sarah Ellsworth, Mrs. Bessie Kohr and Mrs. Emma Yocum, served lovely refreshments.

The society will meet on Oct. 5 at the home of Mrs. Wade Whetstone.

DAILY HOG MARKET TO START AT MENTONE

Dwayne Garrison and Byron Bauman announce in an advertisement in this issue that they will soon start buying hogs at Mentone each day.

Mr. Garrison is from North Manchester and owns or owns an interest in the sale barns at Claypool and Liberty Mills. Mr. Bauman spent eight years purchasing for Brady Bros., of Payne, Ohio, and has been buying at South Whitley for some time. Both of the gentlemen are now buying livestock at Liberty Mills. They plan to install an office building at the stock yards here.

A BIBLE MESSAGE

By Rev. E. Coleman Ralston

Prophetic signs of the times.

Someone has said that Isaiah in Chapter 60, verse 8, prophesied the coming of the airplane. It reads, "Who are these that fly as a cloud, and as the doves to their windows?" He may or may not have prophesied the coming of the airplane but it is interesting to note that in chapter 31, verse 5, he says that the Lord will defend Jerusalem "as birds flying, so will the Lord of hosts defend Jerusalem, defending also. He will deliver it, and passing over He will preserve it." During the first world war British army planes flew over Jerusalem and terrified the Turks to such a degree that it helped the British capture the Holy City.

I recognize the danger of reading something into the Scriptures—something that is not there—or of adding something that it does not mean, for God has said, "If any man shall add unto these things, God shall add unto him the plagues that are written in this book, and if any man shall take away from the words of the book of this prophecy, God shall take away his part of the book of life." But was there ever any other time or events in the history of the world since these prophecies were made that could be interpreted as a likely fulfillment? We are told that in the end time there shall be many signs and wonders. Truly there are many signs and wonders today. Rocket and jet planes, the atomic bomb and the promise of unlimited atomic energy to be released soon. "Men's hearts are failing them for fear" of the future. Jesus said that "there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken." Luke 21:25-26. One astronomer has said, "the universe is expanding and will burst like a bubble." Some are saying that man will destroy himself with the atomic energy. Whether they will try it or not remains to be seen but we do know that the atomic bomb makes a great noise and has such intense heat that it consumes everything within its reach. Man will not completely destroy himself because God will take care of that.

But we know that there is a great day coming "The great day of the Lord will come as a thief in the night: in the which the heavens shall pass

away with a great noise and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up. Seeing then that all these things shall be dissolved, what manner of persons ought ye to be in all holy conversation and Godliness, looking for and hasting unto the coming of the day of God, wherein the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat?" IIPet. 3:10-12

And remember this day will come suddenly and unexpectedly as we learned last week in Matt. 24: 37-39.

To be continued.

Mr. and Mrs. Floyd Tucker spent Sunday evening at the home of Theodore Haines and family, in Churubusco. ○ ○ ○

Mrs. W. C. Clutter, Judy and Jay have returned from Manistee, where they were staying for the health of Judy, who was much improved by the trip.

"Excuse me. I thought you were my wife!"

PROBATE WILL, CODICIL

George W. Nellans, of Mentone, who died September 5, named the widow, Ella Nellans, and his children and grandchildren as heirs in a will and codicil admitted to probate in circuit court Monday morning. All money and ten shares of stock in the Farmers State Bank, Mentone, were bequeathed to the widow as well as an income for life from 25 additional shares of stock in the Mentone bank and a life estate in the home property in Mentone. At her death, it was stipulated, property was to be distributed as follows: To a granddaughter, Ruth Brenzikofer, Lafayette, and a grandson, Clarence Tinkey, Claypool, 10 shares of bank stock each; to three sons, Dean Nellans, Mentone, Devane Nellans, Vicksburg, Mich., and Charley Nellans, Colorado Springs, Colo., five shares of bank stock each; to son, Charley, and daughter Margaret Nellans Nichols of Arkansas, proceeds from sale of the home property in equal shares; to sons Dean, Devane and Charley, proceeds from sale of the balance of the property in equal shares. Advancements to heirs were taken into consideration in making disposition of the property, it was set out. The will was made Feb. 1, 1940, and the codicil on Nov. 1, 1941. The son, Dean, was named as executor.

Kill Weeds

Cultivate the garden only to kill weeds, and get them while they are small, with a single-blade hand weeder, a wheel hoe with a scuffle blade, or a hand hoe. Deep cultivation does more harm than good.

Fire Bill

Each year forest fires destroy property valued at \$30,000,000 to \$45,000,000, and in exceptionally bad fire years the damage has exceeded \$100,000,000. The cost of preventing and suppressing forest fires is met individually and cooperatively by the forest owners, the states, and the federal government. Recent figures indicate that the cost of guarding against and fighting forest fires ranges between \$25,000,000 and \$30,000,000 each year. This brings the total forest fire bill to \$55,000,000 to \$75,000,000 a year, to which must be added human lives, domestic livestock and many wild animals and birds.

Pristine Land

Honduras (about the size of Pennsylvania) a land of farms, forests, and wilderness, is divided into three agricultural divisions — the mountain, the plateau and the coastline. On the mountain heights coffee and fruit are grown; in the mountain valleys tobacco and cereal grains and corn flourish; and on the coast are planted Honduras' new war-crops — hevea rubber trees, abaca fiber for manila rope, palm oils — and the world's biggest banana crop.

Serve Seamen

During 1943 366,864 lodgings were provided for active merchant seamen of all nationalities and creeds, and 1,193,630 meals were served them at the Seamen's Church institute of New York. Other vital services included the handling of 179,522 pieces of seamen's baggage; the protecting of 18,037 deposits of seamen's earnings; the lending of 12,186 credit loans to 5,526 individual seamen.

Wood Structure

Dry wood is essentially about 70 per cent cellulose and 30 per cent lignin and very small amounts of mineral and organic substances. The various species differ from each other mainly in how these two substances, cellulose and lignin, are distributed and arranged.

China's Harvest

China harvests 6,000 different plants.

Dining Car Meals

During World War I and through 1920, dining-car meals were priced considerably higher than in the last century. High operating costs forced a number of railroads to offer only a la carte service, and the price for a well-balanced meal often ranged from \$1 to more than \$2 as the choices varied.

Paper Industry Grows

Output of the paper industry in Brazil, stimulated by wartime curtailment of imports, increased from approximately \$26,000,000 in 1938 to around \$70,000,000 in 1943. Parana pine and other Brazilian fibrous plants and local waste materials are being utilized extensively in the expansion of paper production. A new paper mill is designed to produce 40,000 tons of newsprint and 40,000 tons of chemical wood pulp annually, contributing to a further increase in Brazil's rising self-sufficiency in paper products.

JOE CLARK ON WOWO.

A subject of particular interest to farmers of the Mentone vicinity will be discussed on the Little Red Barn, dally farm feature of WOWO, on Monday morning, September 17, 6 o'clock, Central Peace time, according to an announcement made by the station officials. At that time, Joe Clark, Kosciusko County Agricultural Agent, will make another of his regularly scheduled visits to discuss a farm topic with Jay Gould, director of farm programs for the station. In addition to the discussion between the two authorities, the program will feature music by the Oregon Rangers, a new addition which is fast becoming the popular favorite throughout this area.

Mrs. Ora McKinley and son and Mrs. Artley Cullum and son returned from Ludington, Michigan Thursday, where they had gone to give the two boys relief from hay fever.

Civilian G-2 reports that Capt. Richard B. Manwaring and Flight Officer John L. Shinn are off on a barnstorming trip to do a little night bombing in the bright lights.

STATE PARK GROUP CAMPS AVAILABLE FOR FALL, WINTER

Group camping facilities for both youth and adult organizations desiring short term camping accommodations will be available in many state parks throughout the fall and winter months.

Robert F. Wirsching, director of the parks for the Indiana Department of Conservation, urged groups desiring to conduct short camps to make reservations as early as possible.

Bunk cabins, equipped with cots and mattresses, are grouped around central lodge buildings equipped with cooking ovens and fireplaces to accommodate both large and small organizations.

Parks affording group camp facilities include Pokagon, Dunes, Ippecanoe River, located in the northern part of the state, and McCormick's Creek, Shakamak, and Versailles in the central and southern sections.

Reservations should be made with superintendents of the various properties, Wirsching said, and not at the central parks office.

In addition to group camps, nearly all park properties offer tent and trailer camp facilities for visitors owning their own tents and trailers.

Best Half-Grown

Most vegetables are at their best when half-grown, though thrifty housewives always give preference to the big, and usually tougher ones, when they buy

FUEL DELIVERY CONTROL ENDS.

WASHINGTON, Sept. 13.—Solid Fuels Administrator Harold L. Ickes has revoked government control over retail deliveries of coal and other solid fuels.

Ickes said, however, that controls over shipments from producers and wholesalers to retailers would be retained in order to assure that each community receives an equitable share of coal and coke.

The restriction on retailers had limited the winter supply of a domestic consumer to 80 per cent of his normal annual requirement for anthracite, scarce Eastern-mined bituminous coal, and processed and packaged fuels.

Ickes said that the overall supply of home heating fuel now is sufficient to meet consumer needs in general.

FISH, GAME LAW VIOLATIONS BRING OVER 300 ARRESTS

Conservation officers arrested 307 violators of the state game and fish laws during the fiscal year ending June 30, John H. Nigh, chief of the enforcement branch of the Indiana Department of Conservation, said this week.

Convictions were obtained in 293 cases, and the total of \$6,157.21 was paid in fines and costs, Nigh said. Only two cases were dismissed and one violator received a suspended sentence. The other cases were pending at the end of the year.

Marion county, with 24, led the state in the number of arrests. No violators were apprehended in 18 counties.

Mechanical Milking

Reports vary as to the time saved when milking by machine but a recent study reported by Dr. D. R. Theophilus, head of the department of dairy husbandry at the University of Idaho college of agriculture, showed that on 452 dairy farms mechanical milking decreased the time of milking, in comparison to hand milking, by 36 per cent. It is doubtful if milking machines are economical for herds of less than 10 or 12 cows under normal conditions. When, however, competent hand milkers are difficult to employ or labor costs are abnormally high the use of milking machines for smaller herds may be advisable.

Wood Waste

Only 28 per cent of the tree is now utilized

Like to Run

Melons need more room, as the vines like to run. They should have light soil, and full sun, and abundant plant food. Mix in a tablespoonful to the hill before planting. Choose a melon which will suit the season of growth in your vicinity. There are varieties which mature in from 75 to 110 days and as you cannot plant the seed until the ground is warm, you can figure out what are the chances of getting mature fruit before frost comes. Much depends on the weather; warm sunny weather is required to produce sweet melons.

○ ○ ○

Mrs. Florence Roberts entertained Mr. and Mrs. Donald stump, of Decatur, Mr. and Mrs. Floyd Elliott, of North Manchester and Edgar Raymond, of South Bend, to a dinner in the home of Mrs. Bertha Mulford.

Eyestrain Picks Its Victims YOUNG!

ONE school child in five, on the average, has defective vision. Four college students in ten are victims of eye troubles. Accustomed for centuries to outdoor living, mankind has never adjusted eyes to lower levels of indoor lighting.

Fortunately, science is bringing sunlight indoors. And the science of seeing is teaching us how to use indoor light with least danger of eyestrain. Here are four simple rules for eyesight conservation it will pay every family to follow.

1 Do all reading, studying, sewing, or game-playing close to a good light source, preferably a modern reading lamp.

2 Avoid glare from bare bulbs. Don't sit facing the light. Glare strains eyes.

3 Avoid shadows. Make sure you have good light directly on your book or work. Shadows strain eyes.

4 Have eyes examined regularly. If eyes are defective, vision can be greatly helped with proper glasses.

YOUTH FOR CHRIST TRI-SECTIONAL RALLIES

Dr. John Brown, president and founder of John Brown University and founder of three other of America's most unusual schools, will fly from Siloam Springs, Arkansas to speak at the regular Youth for Christ meeting Saturday, Oct. 6 at 7:30 p. m. at the First Baptist Church in Mentone.

Dr. Brown, one of America's most unusual characters, is a practical idealist and has dedicated his life to America's youth—to working out his dreams of training young people for a full life in a Christ-centered program combining the most advanced vocational specialization with the highest standards of cultural education. His plan for training is to add heart and hand training

to the commonly accepted idea of education.

Dr. Brown is in great demand because he is a gifted youth speaker and stirs the hearts of the youth wherever he goes. He will speak on the subject, "Choosing the Highest."

He will also speak at the tri-sectional rally to be held in Plymouth Sunday afternoon, Oct. 7, at 2:00 p. m. at the U. B. Church.

Other tri-sectional rallies will be held in Akron Sunday, Oct. 7 at 7:30 p. m. at the Church of God, and Monday, night, Oct. 8, at 7:30 in Warsaw at the Presbyterian church.

Mrs. Alma Ruth Small, a missionary in China who spent several months in a Jap prison camp and returned home on the Gripsholm, will be the guest speaker Sunday and Monday nights.

Each of these meetings will be a unique Y. F. C. service and you will miss a real treat if you are not present. A cordial invitation is given to all.

JOHN FAWLEY DIES AT CLARKSVILLE, MICH.

John (Jay) Fawley passed away at his home in Clarksville, Mich., on Sept. 13. He was born near Mentone April 24, 1874, the son of George and Arlissa Fawley. He leaves a wife, two daughters, three sons, two brothers, one sister, five grandchildren and one great-grandchild.

MILO KESLER LAID TO REST

Milo S. Kesler, 73, died Sunday evening at his home, three miles southwest of Elma Green. The immediate cause of his death was a stroke which he suffered on Thursday, although he had not been well for a period of a year and one-half having undergone an operation at that time.

He was born near Talma, September 25, 1871, the son of Harrison and Hannah Kesler, and resided on farms near there and in Marshall county his entire lifetime. He was a member of the Summit Chapel church.

Surviving relatives are his wife, who was Alta Kreakbaum before her marriage; two daughters Mrs. George Feldman and Mrs. Dewart Hodges, both of Bourbon; six grandchildren including Norman Hodges, who is serving in France; a twin sister, Mrs. Villa Ernberger, of Mentone, and a brother Elmer Kesler, of Bourbon.

Funeral services were held at the home at 2 P. M. Wednesday, with interment in the Mentone cemetery. The body was removed from the Reed funeral home to the residence until the service was held.

WAYMIRE-GRUBBS

EXCHANGE VOWS

Miss Arlene Waymire and Mr. Jesse Grubbs were united in marriage Sunday afternoon, September 9, at 5:30 in the Winamac Methodist Parsonage, with Rev. E. J. Peters officiating.

Miss Waymire is the daughter of Mr. and Mrs. Wright Waymire, of Winamac. Mr. Grubbs is the son of Pete Grubbs, of Mentone. He has recently been discharged from the army, after having seen five years in service, 35 months of which were spent in the South Pacific.

JOHN NELLANS DIED TUESDAY

John N. Nellans, 94, died at 1:25 a. m. Tuesday at his home four miles northwest of Mentone. He had not been well for a period of ten years and his death was the result of the infirmities of age. Mr. Nellans was born in Fulton county, the son of Thomas and Maria Nellans and had resided for the past forty years on the farm where he passed away.

His marriage to Emma Nelson who survives, took place November 19, 1877, and they would have celebrated their sixty-eighth wedding anniversary had he lived until Nov. 19, of this year. He was a member of the Church of Christ at Mentone.

Surviving relatives are: his wife, Emma; three sons, Curtis of Tippecanoe and Hershel and Earl, of Mentone; a daughter Mrs. Mary Kehoe, who also resided at the same home with her parents; thirteen grand children and ten great-grandchildren. A brother George W. Nellans, 89, of Mentone, passed away Sept. 4.

Funeral services were scheduled for 2 p. m. Thursday at the Mentone Church of Christ and burial will be in Sycamore cemetery.

TIME SHORT ON GIFT PACKAGES

Anyone mailing Christmas packages to members of the armed forces overseas must mail them before Oct. 15th to insure their arrival in time for Xmas.

The size of the package is restricted to 15 inches in length or 36 inches in length and girth combined and shall not weigh more than five pounds. Particular attention is called to the fact that the boxes must be rigid and the address must be written directly on the package or wrapping.

For further information see your postmaster or rural carrier.

CELEBRATE FOURTH BIRTHDAY

On last Wednesday afternoon, Sept. 11th, at the Wade Whetstone home, 25 of Mentone's small folk helped Billy Whetstone celebrate his fourth birthday.

Mrs. Kenneth Romine assisted the hostess with games and stories.

Ice cream and cake were enjoyed by all.

WARRIORS AT LIONS MEETING

The Mentone Lions club was favored Wednesday evening by visits from three of Mentone's boys who have been fighting in various parts of the world.

Capt. Richard Marwaring, who spent many months in the ETO, gave some information regarding his work as a fighter pilot. Flight Officer Jack Shinn, who served as a glider pilot in the same area, gave a very interesting talk on his work, and many of the intimate details regarding his short period of combat operations—and especially how it feels to be hit by an enemy bullet.

Warrant Officer Miles Igo, who has been in the south Pacific on an aircraft carrier for many months, told of some of his experiences. His ship took part in every major invasion in the past year and a half and spent much time near the shores of Japan. His unit encountered several typhoons when the waves were often as much as 100 feet high.

The boys, however, didn't give us all the details of their work, as they well know that it would be almost impossible for those who have never been in combat to comprehend just what it is like.

The club members always enjoy having these boys with them, and are glad that they are returning from the war. Joe Boggs and Alfred Snyder were also guests of the club.

Miss Emmabel Myers, who has been looking after our Nickel Plate railroad station for several months, has entered an Art institute in Chicago.

○ ○ ○

Mrs. Bessie Bybee spent the week end with her brother and wife, Mr. and Mrs. Abe Wertenberger.

BOURBON EDITOR DIES

G. B. Harris, 71, editor and publisher of the Bourbon News-Mirror the past 44 years, died suddenly at 5 a. m. Wednesday at his home in Bourbon. His death was caused by an acute heart attack.

Mr. Harris was one of the few remaining typical country newspaper editors. He had been associated with the people of his community so long that he knew the personal traits and characteristics of everyone, and his news items were constantly interspersed with little bits of interest that escaped the average citizen. The people of the Bourbon vicinity will miss him greatly, and it will be difficult for them to ever find another editor that can fill his place in every respect.

Funeral services will be held at two o'clock Friday afternoon at the Methodist church in Bourbon, with Rev. George Snider, pastor of the church, officiating.

LIGHTNING STRIKES TWICE

The fire department was called to the Cal Fretz home about three o'clock on Thursday morning, after lightning set fire to their barn. The small structure, containing about 14 tons of alfalfa hay and some straw, was entirely destroyed. It was believed there was no loss of livestock or any other buildings.

Several months ago the department was called to the same farm when a large barn, filled with hay, was set fire by lightning and completely destroyed.

CARD OF THANKS

I want to thank everyone who helped make my birthday such a happy one by sending cards, gifts, and flowers. They were deeply appreciated. May I also express my thanks for the many good wishes, cards, and flowers received since I began resting.

LOIS DAVISON.

A BIBLE MESSAGE

By Rev. E. Coleman Ralston

Prophetic signs of the last days.
"Peace, Peace, when there is no peace" Jer. 6:14.

Jesus said, "Think not that I am come to send peace on earth: I came not to send peace, but a sword." Matt. 10:34 and again in I Thess. 5:3 we read "When they shall say peace and safety; then sudden destruction cometh upon them."

The world never heard of a peace conference until just before 1914 and in that year the worst war of the world's history broke out. From then on men tried to talk peace but it seemed they only succeeded in stirring up more warlike hatreds between nations until it resulted in the recent conflict which was more destructive than any preceding war.

During recent months the "United Nations" spent several weeks and millions of dollars setting up elaborate machinery for considering and settling international disputes. The cry was "lasting peace," yet, now, hardly has the ink dried on this "United Nations charter" when many of the analysts in the capitol are saying that the atomic bomb has "blown it into the wastebasket." They say that the basic conceptions upon which the charter was based no longer apply in a world subject to sudden devastation by the atomic bomb and kindred weapons. In other words the great preventative and safeguard against future wars has become useless. If Hitler had possessed the atomic bomb, he could have defeated the world in a few weeks time. The United Nations charter would have meant nothing to him, nor would it mean anything to anyone else of like mind.

"When they shall say peace and safety, then sudden destruction cometh upon them." The United Nations were planning a lasting peace in which all the world would be safe from any aggressor, but now it seems that sudden destruction could come upon them at any time, and if the secret of the atomic bomb ever gets into the right—or shouldn't we say, the wrong hands, it is quite possible that that would be the result.

God warned us way back there over 700 years before Christ through his prophet Isaiah in chapter 48 and verse 22 and again in 57:21 that "there is no peace, saith the Lord, unto the wicked." The world turned its back upon God to such an extent that some nations substituted their own worship above that of God. "Let God be true and every man a liar." "Heaven and

earth may pass away but my word will never pass away." Men may ignore the warnings of God but they cannot escape the judgment nor the punishment for their sins.
To be continued.

MR. AND MRS. K. E. TANIS BUY EUGENE EBBESON FARM

Mr. and Mrs. K. E. Tanis have determined to remain at Etna Green. Some days ago they had a sale and prepared to move to Denver. Their plans were changed overnight, Tuesday when they purchased the 80-acre farm of Mr. and Mrs. Ebbeson, one and one-half miles south of Etna Green, which the latter has made one of the most modern and attractive places in Kosciusko county. They will take possession in a few days, after Sept. 18th, when there will be a big sale of the Ebbeson personal property on the farm. The farm was formerly owned by Mrs. Gail Zinn. Mr. Tanis will continue, therefore, to purchase and ship eggs as per his former work and in addition to this he and his wife will bring up the farm along dairy lines, building their own herd. The Ebbeson family came to the farm they purchased a few months ago. They came from Chicago and soon established themselves in the respect and admiration of the community fully one-hundred percent. They will initiate a vacation period following the sale, then will most likely re-establish themselves in Chicago.—Bourbon News-Mirror.

Mr. and Mrs. Alva Shunk and Mr. and Mrs. Wayne Shunk left Wednesday morning to visit the former Miss Ruth Shunk, daughter of Mr. and Mrs. Alva Shunk.

Miss Fawn Grubbs, who has been living in Warsaw, has moved back to the home of her father, Mr. Pete Grubbs.

○ ○ ○

Rev and Mrs. Silas Hill attended the United Brethren conference held at Winona Lake last week. Rev. Hill preached at Center on Sunday forenoon and at Etna Green Sunday evening.

SCHOOL NEWS

Mrs. Eileen Fenstermaker, who teaches the first grade, has 33 little children who are very happy to be in school.

Miss Wreatha McFarren has thirty-three pupils in her second grade class. They have just started on their lessons, as their books were slow in getting here.

The third grade, taught by Mrs. Rea Ward, has a total attendance of thirty-seven. She taught at West Millwood school last year.

The thirty-three pupils of the fourth grade have chosen a name of a city for their group. Each desk is a house. They have helpers who are the city officials, named as follows: mayor, policemen, postmen, firemen, press reporter, health inspector, housing, food, and street. This group is taught by Mrs. Leroy Norris.

Arthur Witham, who teaches the fifth grade, has a total of thirty-two pupils, nineteen boys and thirteen girls.

The sixth grade, taught by Mrs. Wayne Tombaugh, has thirty-three industrious pupils. They were slow in getting started as the books were hard to get, but they are now studying the beginning of civilization in their History class.

Miss Ellen Davis, who teaches music, is very busy organizing a girls' chorus, and arranging her pupils' lessons so that they will not conflict with

some other subject. The band has elected their officers for the year. They are: president, Freeda Kesler; vice president, Bedelia Belle Weirick, and secretary and treasurer, Elma Jean King.

Mr. and Mrs. Hoffman, who taught at Macy last year, have come to honor us with their teaching ability. Mrs. Hoffman teaches Mathematics, Home Economics and Health. Mr. Hoffman teaches Agriculture, General Science, Biology, and Shop.

Mrs. Walter Lackey, who teaches English to all of the high school except the Freshmen, is very bashful as she didn't want anything on the notes about herself.

Mr. Law teaches Civics, History, Typing, and Bookkeeping. He has charge of the school purse and locks the safe every night.

Mr. Bevington, the coach, (and a very good one) is very busy teaching Geography, English, History, and Physical Education on the side.

Mr. Ott, who teaches Mathematics, is very elusive as the reporter cannot find him to get any information.

High School Athletic News

The Mentone High School softball team has now won three of its last four games. If the team can win the next two games, it should be assured of a place in the finals at Warsaw. They have Beaver Dam to play this Friday on the Beaver's court. At the present time Beaver Dam and Etna Green are in a tie for first place which means if the Bulldogs defeat the Beavers there will be a three way tie for first place. From all indications, the Mentone team is not planning to drop its last game to Silver Lake on the following Tuesday at their own diamond. With Etna Green and Beaver Dam to play each other anything can happen.

The record for the Mentone team includes:

- Mentone 10, Burket 6.
- Mentone 2, Etna Green 5.
- Mentone 21, Atwood 9.
- Mentone 4, Claypool 2.

The county softball champions will be decided differently this year. The two teams ranking first and second in each of the two divisions of the county will play in the finals at Warsaw. The first place contenders of each division

will play and also the second place contenders of each division. The county is divided into the north and south division with six schools in the first and seven in the latter.

The Mentone team's batting averages and other statistics follow:

Player	Hits At bat	Bat. Av.
David Bowser	6	11 .545
Bob Hirschman	3	6 .500
Gerald Romline	1	2 .500
Dick Flarsky	5	12 .416

A SURPLUS HANGOVER

Like an amateur cooking rice, the various war agencies now find themselves scratching their heads and wondering how in the world they could have purchased so much unnecessary equipment since Japan took a jump in the drink.

The surplus store includes everything from picadore heel plates to two-min-

ute curls for a Wave's eyelashes. Included in the lot are horses, mules, trucks, potatoes, raisins, dried milk—all to the tune of ninety BILLION dollars in excess. That figures up to 700 interest bearing prunes for every man, woman, or child, whether he has any hands left for a fingerprint or not.

The September 10 list is headed by 237,360 pounds of bleached raisins, to be sold only to distillers for alcohol. They can't be used in breakfast foods or it would take two red points for every dish—the blamed things are loaded with both dead and live insects. If you see some bird worming his way along the sidewalk or trying to burrow under the curb, you can guess he had a shot of the latest panther sweat brewed from fortified raisins.

In times, I've suspected some of those mellow social equalizers were made by a guy with a hornet's nest and a clothes wringer, but I never heard of raisin jack from lady bugs, et cetera. If this keeps up, a man will have to dunk moth balls in a highball to keep from having the wool eaten off his eyes.

Another little bundle of abundance in the surplus dept. is ten thousand pounds of contraceptive jelly, which would indicate that there are places where surplusses aren't desired.

Mr. and Mrs. Milton Dorsey, Pat and Floyd were Sunday dinner guests of Mr. and Mrs. Don Paxton and family.

Mrs. I. F. Snyder was the guest of Mr. and Mrs. William Chinworth and family in Warsaw, Sunday.

Mr. and Mrs. Fred Garrison and daughter, Maridean, Mr. and Mrs. Stanley Wise and Miss Evelyn Smith, all of Fort Wayne, were guests of Mr. and Mrs. J. F. Warren, Sunday. The special occasion was the birthday of Mr. Warren.

First Lieutenant R. L. Kinsey left for New York on Tuesday to continue in the service of the government.

Mr. and Mrs. Harry Groshans, of Camp Custer, Mich., spent Sunday with Mr. and Mrs. George Clark and sons.

FOR SALE—Certified Fairfield Seed Wheat. Ernest Harrold or Gail Harrold, phone 1½ on 92, Mentone. S19p

The meeting was opened with silent devotions, after which the president, Wilfred Deaton, Harrison Township, took charge of the business meeting. He secretary Sarah Ringgenberg, Plain township, read the minutes and the treasurer, Richard Ummel, Franklin township, gave a report on the financial condition of the club. The president announced to the group that the district meeting would be held in Warsaw, October 9, at the Masonic temple and urged all to attend. A program for the year had been outlined by the board of directors and it was read before the group for corrections, but it stood as read, so a committee was appointed to prepare a program book. The committee consisted of Argyl Rowland, chairman, Scott Township; Charles Adams, Franklin township; Mabel Buhrt, VanBuren township, and Rosalie McDonald, Jefferson township.

The speaker for the evening was Joe Clark, the county agent. He gave

Beware Coughs from common colds That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Solar homes—with windowed walls. More healthful, enjoyable, economical housing. And new jobs for glassworkers.

Fireproof glass draperies. Greater public safety—more jobs from glass.

Glass insulation—in home appliances—will mean jobs.

Making Postwar Jobs—Out of Glass!

HOW MANY postwar jobs will there be—for soldiers, sailors, war workers? No one can tell exactly. But this much we do know:

Business management, in scores of industries, has long since planned new products, new ventures, new services, that will make jobs by the thousands by creating new demands.

For example, the glass industry in producing for war has found amazing new uses for its product. Imagine glass through which nails can be driven, like wood. Glass that bends. Glass that

bounces. Glass that floats, like cork.

Soon, now, beautiful textiles will be made of glass—textiles that are fireproof and mothproof. There will be rotproof glass tarpaulins. Glass awnings. Glass windows that will not frost. Improved glassware for homes.

All these new uses will increase the demand for glass—and demand for goods makes jobs.

The glass industry is only one of many along the Chesapeake and Ohio, the Nickel Plate, and the Pere Marquette, that have planned very thor-

oughly for postwar employment.

And now that Victory has been won, these industries and others throughout the country will put into operation their plans for the jobs and opportunities all of us want.

HONORED WITH A SHOWER

On Tuesday evening at the Fred Lemler home, a surprise bridal shower was given in honor of Mrs. Kenneth Romine, the former Mary Esther Smith.

Bunco was played during the evening, prize for high score going to Lucille Whetstone and low to Fern Beeson.

The guest of honor received many lovely gifts.

Those present were: Mrs. Lucille Whetstone, Mrs. Everett Beeson, Mrs. Lurena Warren, Mrs. Monroe Romine, Mrs. M. O. Smith, Mrs. George Rans, Mrs. Frank Smith, Mrs. Fred Lemler, Mrs. Robert Whetstone, Mrs. Robert Kinsey, Mrs. Ruth Gustafson, Mrs. John Beeson, Miss Gertrude McLain, Mrs. Kenneth Romine and the two hostesses, Miss Grace Rans and Miss Phyllis Lemler.

FRED COCHRAN DIES

AT NILES, MICHIGAN

Fred Cochran, aged 52, rural route No. 4, Niles, employed by the Clark Equipment company in Buchanan, was found dead on a road near his home at 8:30 p. m. Sunday by his wife, Vernice. She had gone to look for him when he failed to bring the cows home from pasture. A heart attack is believed cause of death. The family resides on a farm between the Chicago and Niles-Buchanan roads. He was born in Burket, Ind., Nov. 5, 1893 and came to Niles from Indiana 17 years ago. He was formerly employed by the French Paper company in Niles. Surviving are his widow and three children, Rosemary, Norma Jean and Norman Glen at home, and a sister, Mrs. Ira Borton, Mentone, Ind.

The funeral was held in the Evangelical church, of which he was a member. Rev. Streiby officiated.

Those attending from a distance were Mrs. Ira Borton, Mr. and Mrs. George Borton, of Mentone and Huntington, respectively; Mrs. Arvilla Fisher, Palestine; Mr. and Mrs. John Cochran and Mrs. Dale Barber of Burket, and Mr. and Mrs. Charles Cochran and daughter Edith, of Elkhart.

COX TO HANDLE NEW AUTOMOBILES

Leroy Cox announces that he has secured the agency for Plymouth and DeSoto automobiles and is looking forward to receiving his demonstrating models.

Both the Plymouth and DeSoto are manufactured by the Chrysler Corporation, and Mr. Cox is convinced that they produce some mighty fine automobiles. He is busy these days getting his show room all ready for the new cars.

NEW OFFICES AT CREIGHTONS

The Creighton Bros. Hatchery, owned and operated by Hobart and Russell Creighton, have started construction on a new hatchery and office building just south of Highway 30, across from the Russell Creighton farm home. The new structure is of brick veneer construction, two stories high with a 100-foot front, 50 feet in depth.

The new building, in addition to the rooms necessary for the main offices, will give ample room for the incubators, packing department and egg grading.

MARGARET JANE WHITE WEDS DONALD GRASS

Miss Margaret Jane White, daughter of Mrs. Edward White, of Elkhart and Donald D. Grass, son of Mr. and Mrs. Jos. J. Grass, of Talma, were united in holy matrimony at the home of Merle Wood at Winona Lake, Friday evening, September 21.

The double ring ceremony was performed by Rev. Wood.

Mrs. Grass is a graduate of the Elkhart High School and has been employed as operator for the Elkhart Telephone company.

Mr. Grass is a graduate of the Talma High school and was recently discharged from the army after 38 months service. He is employed at the American Coating Mills, Elkhart.

After a long wedding trip they are at home at 1137 Middlebury St., Elkhart.

★ Save Money—Buy Cooperatively.

CO-OP. BLDG. GOING UP

The Northern Indiana Cooperative Association, at Mentone, now has under construction a fine new office building at their main plant here. The new structure will house the main office departments, and the scale house, while the basement will be used as a central heating plant for it and the hardware department. The new structure will be of lime block laid on concrete foundations, and will make a decided improvement in the frontal appearance of the buildings there. The base for a 50-ton platform scale was constructed some time ago and a continuous drive will furnish approach to the scale from two directions.

The new building has been needed for some time, especially due to the fact that the hardware department is not large enough to properly accommodate the merchandise now on display or in the process of procurement. When the building is completed, and the offices moved into the new quarters, the hardware department will be extended to the front of the present building and a new display front installed. The department anticipates adding many new lines for the accommodation of their hundreds of patrons.

The nation and its people are realizing more fully each day that the co-operative principle is becoming more prevalent and beneficial to the lives of its people. Today, cooperatives are serving millions of Americans in every state, and their accelerated growth is an indication that the benefits are profitable and worthwhile. Your Co-operative at Mentone is based upon the ideals of a true cooperative, and the people associated with it are sincerely seeking to make every improvement necessary to give the greatest amount of service possible.

In honor of Pvt. Don A. Herendeen, Mr. and Mrs. W. C. Kercher had as their Sunday dinner guests: Mr. and Mrs. Kenneth Mollenhour and Mr. Bobby Herendeen, of Rochester; Mr. and Mrs. W. F. Hudson and son Jerry, of Claypool; Mrs. Nina Working, of Peru; Miss Joyce Perry, of Akron and the honored guest, Pvt. Don A. Herendeen.

MARRIED TUESDAY EVENING

On Tuesday evening at 8 o'clock, Miss Doris Flenar, daughter of Mrs. Mildred Flenar, and Leslie Gene Grubbs son of Pete Grubbs, were united in marriage by Rev. S. M. Hill at the Hill home. The single ring ceremony was used. Bob Flenar and Fawn Grubbs were the attendants.

Seaman Grubbs is in training at the great Lakes Naval Training Center, Chicago.

OPENING SHEET METAL SHOP

A. O. Miller and son John are opening a sheet metal shop at the Cooperative at Mentone, and the officials of the association feel that the two Millers will make fine additions to the personnel and services of the Cooperative.

In addition to sheet metal work, the Millers will handle furnaces, installations, and other sundry items and services.

PINK AND BLUE SHOWER

A pink and blue shower was given for Mrs. Robert Goshert, of Burket, by Mrs. Zanna Hammer and Mrs. Ned Miller at the Miller home at Etna Green on Friday night, September 21. The evening was enjoyed with contests and playing bunco. Appropriate refreshments were served. Lovely gifts were received from the following: Mrs. Robert Kinsey, Mrs. Dale Wallace, Jr., Mrs. Arnie Gustafson, Mrs. Gene Marshall, of Mentone; Mrs. Kay Paulus, Mrs. Frank Smith, of North Manchester; Mrs. Roy Goshert, Mrs. Dean Goshert, and Mrs. Porter Williamson, of Burket; Miss Helen Louise Zimmerman, Mrs. Eldon Horn, Mrs. Chares Hammer, Jr., Mrs. Dale Tucker, and Mrs. Charles Hammer, Sr. of Warsaw; Mrs. Forrest Hoffer, of South Bend; Mrs. Robert Beeson, of Fort Wayne; Miss Mary Alice Mosier, of Atwood; Mrs. Junius Van Curen, of Etna Green and the guest of honor, Mrs. Robert Goshert, of Burket.

AMA-TOUR

TYPEWRITER FINGERS ON A
DETOUR

By ART CULLUM

COON HUNTER BY NECESSITY

The regular scold on coon hunters is about like the habitual worm-dunker or squirrel skinner—it doesn't matter what it costs, or how foolish it may look in the eyes of a banker or a housewife with cold feet—just so we get to enjoy our sport.

A coon hunter gets a sand burr under his saddle blanket every time he hears a dog yodel. The first whips of fall start him staggering like a sociable bar tender and he always ends up out in the barn with his lantern and his ring-tailed underwear—and it does not take him long to slide into his rubber foot canoes, twist his cap with the bill backwards and head for the woods.

He has lived with his dogs so long he can't even walk past a big tree without his eyebrows twitching and taking a sniff or two. A good coon hunter is one who can take several sniffs and not have a headache the next day.

There are many more of the intimate details of coon hunting, but they all add up to a good sized chunk of fun and they do it because they like it—almost. But the hand-painted piccolo wrappers go to our new station agent who tried coon hunting in front of the library Monday.

An expressman, regardless of sex, encounters quite a variety of merchandise twixt one pay day and the next, so it wasn't unusual last week when a 150 buck coon chaser too big for a crate landed in the depot. Everything was in order until some lady opened the wrong door and the pedigreed track-smeller headed up town looking for a friend.

Station agent Black, serving as relief operator here, was only a few yelps behind and he said he never saw 150 dollars go so fast before. Fortunately, while the pup was making a

date in front of the library, Mr. Black threw a half-Nelson around his neck and hollered for help which arrived promptly. A coon hunter (we presume) hauled a chain out of his pocket and put a handle on the brute so they could steer him back to the NYC, etc.

How times change! If that had happened a week or so ago, half the air force would have been there to help.

PARTY FOR VALOURS JANKE

A very enjoyable chicken supper was served at the home of Cpl. Valours Janke and family Friday evening before his return to camp. Those present were: Mr. and Mrs. Frank Denius, of Warsaw; Mr. Everett Claybaugh, Mentone; Mr. and Mrs. Franzel Minear and son, Hal, of Warsaw; Mr. and Mrs. George Tinkey and daughter, Norma Jean and Miss Marlene Tinkey, of Warsaw; Mrs. Wilodean Cornican and son, Joe, Mr. and Mrs. John Latham and Mr. Grover Janke, of Mentone. It being the birthday of Mrs. Denius and Mr. Claybaugh made the evening a double social event, after supper the evening was spent in games. All departed at a late hour wishing Cpl. Janke, wife and son a happy future, and Mr. Claybaugh and Mrs. Denius many more happy birthdays.

A six o'clock dinner was served at the home of Mr. and Mrs. John Latham for Mr. and Mrs. Walter Boice and Mr. and Mrs. Scott, of Dearborn, Mich.

Beware Coughs from common colds That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

IN MEMORIAM

In loving memory of Edward Halterman, who passed away three years ago September 25.

Wife, Children and grandchildren.

DO YOU WANT A

New Automobile?

Most of us do—and we're glad to announce that we are now representing one of the Nation's leading automobile manufacturers—Chrysler Corporation.

We'll handle two of the company's leading cars—Plymouth and DeSoto—and will have the new 1946 demonstrators as soon as they are available.

Ask any Plymouth or DeSoto owner how his car has held up during the "car famine"—and you'll want to try one yourself!

COX MOTOR SALES

LEROY COX

ATHLETES FOOT GERM KILL IT FOR 35c

IN ONE HOUR, if not pleased your 35c back. Ask any druggist for this powerful fungicide, TE-OL. Its 90% alcohol makes it PENETRATE. The germ can't be killed, unless reached. Feel it PENETRATE, reaches more germs. APPLY FULL STRENGTH for itchy, sweaty or smelly feet. Today at Denton's Drug Store.

WE ARE PLEASED TO ANNOUNCE—

'Dobbs' Is Back

Your Cooperative officials have been hoping and planning the past several months . . . dreaming, so to speak . . . of the day when the restrictions of war were relaxed sufficiently to permit them going ahead with some of the things they were planning for the citizens of Mentone and community. We have many plans for the betterment of our services, but they cannot all be inaugurated at once. However, we are glad to announce that we are now able to take care of all of your needs in our new

SHEET METAL SHOP

A. O. MILLER, former operator of the Miller Sheet Metal Shop at Mentone, and his son, John, have been secured to work for the Cooperative, to operate our new department, and supply all your needs in sheet metal work, furnaces and installations, and any other work that rightfully belongs to their department.

Mr. Miller is well known to all the citizens of Mentone and needs no introduction. No one questions his ability in his chosen line, and his genial nature will make it a pleasure for you to deal with him. He has been a foreman in the sheet metal department of the Bell Aircraft Plant at Buffalo, N. Y. during the war, and prior to his coming to Mentone he was a specialist in one of the largest heating plant companies in Minneapolis, Minn., having done considerable research work in heating and air-conditioning.

*We invite you to call and see our new
SHEET METAL DEPARTMENT
located in the Building and Hardware
Department.*

START DEEP LITTER FOR FALL PULLETS

It's here to stay!—the deep litter in the hen house! M. V. Flock, Purdue University extension poultryman says the practice resulted from the war time labor shortage and makes once a year cleaning adequate if properly handled.

Start this fall when the pullets are housed, Flock advises, using a three inch litter of a mixture of shavings sawdust, or ground cobs with straw. Fresh material is added on top, every two or three weeks, until by December the litter should be six inches deep or it may all be put in at one time.

An occasional forking over or raking of the litter may be necessary when

a daily feeding of grain is given. Ventilating the house freely and avoiding overcrowding are also important to keep in mind, reminded Flock.

Incidentally, the much dreaded cold floors, are eliminated as the deep litter provides better insulation, especially when it is at least six inches deep.

DESCRIBES HOME USES FOR DDT INSECTICIDES

Homemakers who have been waiting hopefully for the insecticide, DDT, are probably due for some disappointments now that the product is reaching civilian markets, reports George Gould research entomologist at Purdue University. DDT turns out not to be the cure-all of all the household insect problems, altho it has proven quite efficient for some insect pests of the home.

The insecticide will be available in several forms—a dust, an oil spray, an oil emulsion, or a water dispersible powder. In the home, the dust form of DDT or a 5 percent oil spray will be most frequently used. The dust will be used for roaches, but is no better than present remedies. Too, the dust will be used for fleas on dogs, but it may not be satisfactory on cats—cats might lick off the material, which is poisonous.

Of all home uses, 5 percent DDT appears to be the most efficient in the treatment of bedbugs. If the oil spray

is sprayed on the mattress, cracks of the bed and in hiding places around the room, DDT offers protection for a year or longer. The spray will be used for mosquitoes—and it has some value against flies and ants.

Professor Gould issues some warnings about the use of DDT in the home. The material is still in the experimental stage, and it is a poison. Care should be taken to avoid contaminating food. In oil it is soluble through the skin, and the DDT can be carried into the system. Also, pure DDT—though available in some places—has no value as an insecticide unless made into formulations. The average individual cannot mix the pure form into a usable dust, and the mixing of sprays is such a bothersome process that it is impractical to do so at home.

CIVIL AIR PATROL TO AID IN FIRE CONTROL WORK

For the fourth straight season the Bloomington squadron of the Indiana wing of the Civil Air Patrol will make daily flights over southern Indiana state forests during the fall fire hazard season.

Announcement that the CAP will again cooperate with the Indiana Department of Conservation in fire control work was made today by James E. Penetron, assistant state forester.

Flights will be made in areas where there are no forest fire towers. They will start as soon as the leaves begin to fall the latter part of October and will continue until the middle of November. None will be made in rainy weather, but from two to three flights will be made each day during periods.

Starting from headquarters in Bloomington, the planes will circle over Monroe, Morgan, Putnam, Clay and Owen counties.

Lt. Roger Hartsock is in charge of the Bloomington squadron.

CO-OP. MILL

Rea Ward, Forrest Kesler, Dale Kelley and Artley Cullum spent Wednesday evening at the Lyndes Latimer home. The "fishing gang" hadn't had pancakes and tea since they were in Canada several weeks ago. Lyndes put a few finishing touches to the affair by getting a few sticks of firewood to sit on

instead of chairs—trying to make it rough enough for us—and then added one of his famous delicacies to the delicious repast: lamb fries. He didn't say just what they were, but from what information I could gather, it was what would be left if a lamb took a running two-wire jump over a three-wire fence.

PSI IOTA XI ENTERTAINS

The Beta Epsilon chapter of Psi Iota Xi recently entertained in honor of friends, and husbands of the members, who assisted with the sorority eating stand at the Warsaw fair. A pot luck supper was enjoyed at the home of Mr. and Mrs. Lyman Mollenhour, after which the party went to a dance at Rochester.

The following were present: Dr. and Mrs. T. J. Clutter, Mr. and Mrs. Curtis Riner, Mr. and Mrs. Russell Henderson, Mr. and Mrs. Max Nellans, Mr. and Mrs. Harold Utter, Mr. and Mrs. Earl Dwyer, Mr. and Mrs. Glenn Weatherbee, Mr. and Mrs. Mont Bryan, Mr. and Mrs. Wayne Nellans, Mr. Wilvin Long, Mrs. Lucille Whetstone, Mrs. Rex Burnett, Miss Mildred Bradway, Mrs. Robert Whetstone, Mrs. Earl Anderson and Mrs. Ralph Ward.

Meet at Argos

The chapter recently spent a most enjoyable evening at the home of Mr. and Mrs. Glenn Weatherbee, of Argos. The first prize went to Mrs. C. E. Camplejohn, and Mrs. Esther Shoemaker won both the second and door prize. Guests were Mrs. Ruth Gillin, of Chicago, Mrs. Earl Anderson and Mrs. Ralph Mollenhour.

The following members were present: Mrs. T. J. Clutter, Mrs. Esther Shoemaker, Mrs. Curtis Riner, Mrs. Lyman Mollenhour, Mrs. Russell Henderson, Mrs. Max Nellans, Mrs. Harold Utter, Mrs. Lucille Whetstone, Mrs. C. E. Cam-

plejohn, Mrs. Earl Dwyer and Mrs. Ralph Ward.

Delicious refreshments were served at the close of the evening, with the hostess being ably assisted by Mr. Weatherbee.

New shipment household brooms at Clark's.

○ ○ ○

Mary Coon-Stockberger, of Newton, Iowa, visited relatives and friends in Mentone Wednesday. She called at the Fred Horn and J. D. Long homes.

○ ○ ○

Mr. and Mrs. Alpheus Taylor, of South Bend, and Mr. and Mrs. Chas. Christian and daughter spent the weekend in Milwaukee, Wis., visiting Ray Christian and family.

○ ○ ○

Pfc. George E. Mollenhour arrived home Sunday evening after spending two and one-half years overseas serving as a paratrooper. He has received an honorable discharge.

○ ○ ○

Mrs. Max Hire, daughter of Mr. and Mrs. Fred Rush, has returned to her home at Winona Lake, after spending the past eight months with her husband in Boston, Mass. Mrs. Hire has accepted a secretarial position with the Republic Tube Corporation in Warsaw. Warrant Officer Hire has returned to the South Pacific theatre aboard the U. S. S. Xanthus. He expects to be discharged from the armed forces within the next few months.

**MRS. EDNA CAREY
ENTERTAINS D. A. R.**

The Anthony Nigo chapter of the Daughters of the American Revolution was entertained Tuesday evening in the home of Mrs. Edna Carey, with Mrs. Ray Linn as assisting hostess.

In observance of Constitutional Day, Mrs. Ray Linn had arranged a very instructive program.

The refreshments were in keeping with return to the school program.

Each member responded to roll call for classes giving their Maiden names, and the lunch boxes were filled with a very appetizing lunch. The chapter adjourned to meet on Oct. 23 with Mrs. Dora Taylor.

Mrs. Robert Plotner of Argos was the guest of her parents, Mr. and Mrs. George Mollenhour, Marjorie, and George E. Jr.

**NEW WATER FOUNTAIN AT
POST OFFICE CORNER**

Frank Warren was busy Thursday installing a new drinking fountain at the corner next to the post office. This replaces the old fountain with its continuous stream, which was far from sanitary. The stray dogs in town frequently were seen lapping water from the old one and no one could be expected to enjoy drinking from it. The new fixture is equipped with a push button release that automatically closes the valve when a person is through drinking. (It will be capital punishment for the first bird caught trying to teach a dog to operate it.)

CARD OF THANKS

SCHOOL NEWS

Eighth Grade Officers

The eighth grade chose their class officers Sept. 21. The president is Junior Emmons, vice president, Forrest Dunnick, secretary and treasurer, Jeannine Blue and reporter, Donald Grubbs. Our sponsor is Mrs. Lackey.

Donald Grubbs, reporter.

FRESHMEN REPORT

Three of the freshmen girls cleaned the laboratory aquarium.

September 20, the freshman class of Mentone High school elected Mr. Bevington as their sponsor.

June Eaton, a cousin of Helen Thomas visited the freshman class, September 21. She has spent the past two months visiting her father, who is in the army, and stationed in Georgia. She stopped here on her way back to her home in Washington.

—By Martha Warren.

The seventh grade held its election of officers on September 24th. The president is Bonita Miner, vice president, Danny Anglen, Secretary, and treasurer, Sally Hoffer. Their sponsor is Miss Davis and reporter, Mary Jane Tucker.

A Visit To the Second Grade

On our tour of the down-stairs grades we stopped in on the second grade. Upon our arrival, we found them making good health posters, which in-

cluded: Mr. Pear (yellow with black eyes, nose and a red hat); Miss Apple (red with black eyes and a yellow hat) and Mr. Orange (orange with black eyes and a red hat). These were pasted on different colors of paper and the letters GOOD HEALTH printed underneath them in black. I believe Miss McFarren has some prospective artists in her class.

Next we noticed the little pieces of paper pasted on their desks in the right hand corner which had each one's name on it in script, so they could learn to write their own names without any help. Therefore we could identify them very easily.

We were also informed that they had been reading about airplanes. One little boy was at an airplane port over the week end. They also had a number of airplane pictures on the board, which were inclusive of the late war models.

The fingernail face on the board showed its black face, because of the dirty fingernails they had. When they have clean nails the white face is always showing. Last week it was showing all week.

Upon leaving we decided they were quite a progressive group of children.

On the educational side of the news, Mr. Kelly has informed us that we have a new DeVry 16 mm. sound projector. As soon as the room is equipped and we have a regular schedule we will have some educational pictures.

Strange Happenings of Mentone High.

It seems as though one of the teachers was celebrating the week end, for he appeared Monday morning with a terrific head-ache. (Feeling better, Mr. Law?)

We wonder what kind of "Secret Love" Miss Blackburn of the seventh grade is having; it seems as though all her mail is addressed to Mentone High instead of Warsaw R. R.

One of the 8th grade girls did not get off to a very good start Monday morning. She was too mischievous in one class and stood in the hall for a while.

Does anyone have any information on how to cure a black eye that was acquired while roller skating? If so, please notify Dick F.

One of our well known students met with a slight accident while acquiring some vitamins in the watermelon patch. (He was apparently seen without knowing he was being looked upon.) Better watch that Curly.

Mr. Ott, our well-known math teacher, was absent last Thursday and Friday. He was . . . ill. So sorry!

PHYSICS STUDENTS ARISE! Mr. Kelly deserves a medal for struggling with his class of thirty-five, five days a week.

—Special reporters: Betty Cain, Bulldogs Beat Silver Lake.

The Mentone Bulldogs growled viciously Wednesday afternoon. They put a tight clamp on the Silver Lake Ramblers after gaining a four-run margin in the third inning. Going into the seventh the visitors chalked up three more runs before being stopped by a final score of 9 to 6. (If predictions go according to Hoyle—and sometimes that fellow is way off—Mentone and Etna Green should be playing the two winners—Syracuse and Milford—in the finals at Warsaw.) However, Beaver Dam plays Etna Green and should they take the "wind" out of the Etna Green boy's sails, it would mean a three way tie for first place. There is a possibility that could happen as Beaver Dam has played some good games, having lost only to the Bulldogs. In spite of this possibility it still looks like Etna Green and Mentone will represent this end of the county.

(Lack of space prevents printing the Mentone statistics, to date.—Ed.)

A BIBLE MESSAGE

By Rev. E. Coleman Ralston

Prophetic signs of the last days.

"Men's hearts failing them for fear."

Last week we considered the text, "Peace, peace, when there is no peace". "When they shall say peace and safety then sudden destruction cometh upon them" Just a few weeks ago the "United Nations" met for a peace conference which was to establish lasting peace. But today the world is greatly disturbed and fearful of what may happen within the next few years. Men's hearts are failing them for fear. So far as we can determine there was never a time in the history of the world, especially when peace is supposed to reign, when mankind was so apprehensive and fearful of one another.

Jesus said that "there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress

of nations with perplexity;—men's hearts failing them for fear, and for looking after those things which are coming on the earth." Luke 21:25-26. We have won a fearful war but our worries have just begun—the question is what will we do with our vanquished. Our government officials and we, as a people, are disagreed. The problem is a complex one. The question is constantly coming up, "what is Russia going to do?" "How much can we trust her?" "What about Hirohito?" "Should we keep the atom bomb a secret?" "What if some unfriendly nation should discover it or some like-destructive instrument?" "In the last days there shall be "upon the earth distress of nations with perplexity—men's hearts failing them with fear."

But to the Christian Jesus continued, "when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh", verse 28. But to those who reject Him as their Saviour He says, He that believeth not the Son . . . the wrath of God abideth on him." . . . For "it is appointed unto man once to die, but after this the judgment" . . . "and before him shall be gathered all nations: and he shall separate them one from another, as a shepherd divideth his sheep from the goats and he shall set the sheep on his right hand, but the goats on the left. Then shall the King say unto them on his right hand, come, ye blessed of my father, inherit the kingdom prepared

for you from the foundation of the world: . . . then shall he say unto them on the left hand, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels." Prepare to meet thy God!

CARD OF THANKS

We wish to thank our neighbors and friends for their many acts of kindness, sympathy and floral offerings during the sickness and death of our loved one.

Mrs. John Nellans and family.

CARD OF THANKS

I want to thank everyone for the flowers, cards, and visits made, during my illness this past summer. They were deeply appreciated.

COUNTRY NEIGHBORS HOLD GUEST DAY MEETING

The Country Neighbors Home Ec. club held a guest day meeting Thursday afternoon at the home of Mrs. Faye Long with Mrs. Della Shock and Mrs. Beulah Cook as assisting hostesses.

The meeting was called to order by the president, Marcella White. The history of the song of the month, "Grandfather's Clock," was given by Lizetta Nots. Roll call was responded to by members introducing their guests. Minutes of the last meeting and a treasury report was given by the secretary, Mildred Meredith. Plans were discussed for a family supper and program. The project lesson, "Psychology of Everyday Living," was given by Uda Maxwell and Dorothy Herendeen. The entertainment committee, composed of Willedean Henderson and Mildred Meredith, conducted bingo with many mystery prizes being won by the members and guests.

Refreshments of ice cream, cake and coffee were served, to seventeen members, five guests and nine children.

The next meeting will be held October 18 at the home of Sylvia Richardson.

Mrs. Frank Newton, reporter.

Mr. Harry Wenger, who has been seriously ill at his home here, is improving and is able to sit in bed part of the time.

MENTONE H. E. CLUB MEETS

The Mentone Home Economics club met Thursday at the home of Mrs. Maud Cox with Mrs. Edith Darr as assistant hostess. The meeting was opened

by all repeating the club creed, followed with the history of the song of the month, "Grandfather's Clock", by Mrs. Mary Barkman, which was then sung by the group. Twenty members responded to the roll call with a Bible

quotation after which the prayer song was sung. The lesson on planning and Preparing Every-day Meals", was given by Mrs. Esther Sarber and Mrs. Blanche Paulus. The club received \$6.25 for prizes won at the county fair. The mystery package was won by Mrs. Horn and high bidders at the auction were

Mrs. Anderson, and Mrs. Cox. A special meeting will be held September 29, at the home of Mrs. Lennie Vernet. The meeting closed with the song, "America the Beautiful." During the social hour contests were conducted and delicious refreshments were served.

News of Mentone and Vicinity

Marion Smith is visiting with home folks.

Rev. and Mrs. S. M. Hill called on Mr. and Mrs. Oliver Wallace, of Clunette, Sunday afternoon.

Miss Frances Clark, of New Paris, came home on Friday evening, to assist with business and care for her mother.

Mrs. Dewey Whetstone and daughter, Mrs. Edna Cowen, were in South Bend on Monday.

Dale Lightfoot, Herschel Shoemaker and George Irvin Mollenhour are some of those given recent discharges.

Mrs. Warren Shearer and children, of Crawfordsville, have been visiting at the home of her parents, Dr. and Mrs. L. H. Davis, in Argos. She spent Wednesday in Mentone.

Phillip Lash is home from the ETO and visiting his parents, Mr. and Mrs. Raymond Lash.

Mrs. John Rickel, of Warsaw, spent the week end at the home of her daughter and family, Mr. and Mrs. Ed Severns.

The two Mollenhour boys — Chance and George—weren't worth a nickel Monday. The former had a new grandson and the latter's son just returned from two and a half years in Europe as a paratrooper.

Jimmie Gates, son of Mr. and Mrs. Claude Gates, arrived home Wednesday evening for a ten days furlough. He has been in Little Rock, Ark. for four and a half months and will report back there.

Your Best Market --

Our prices for live poultry have always been as high—or higher—than any other dealer. Take advantage of a good local market.

Just give us a call when you're interested in disposing of your birds.

CALL 56 or 10 on 172

Mr. and Mrs. C. L. Manwaring, Mr. and Mrs. Charles Manwaring and Capt. Richard Manwaring made a business trip to Lafayette on Thursday.

Navyman Lowell Dee Whetstone, who has been in Sampson, N. Y., for the past three months, is spending a 7-day furlough with his parents, Mr. and Mrs. Dewey Whetstone and family.

Mr. and Mrs. H. V. Johns and Mr. and Mrs. Sherman Bybee spent Tuesday evening in Pierceton where they attended a ladies' night program at the Lions club. Mr. Johns sang during the evening's program and was accompanied on the piano by Mr. Bybee.

Mrs. Alice Borton remains in a critical condition. She is confined in the McDonald hospital with a fractured leg.

A kerosene stove got unruly at the Kenneth VanCuren rooms, above the Mentone Cafe, Sunday evening, but it was brought under control before any serious damage resulted.
