**EARL M. HORN DIES  
AT HOME OF BROTHER**

Earl M. Horn, aged 54, died Thursday evening at the home of his brother, U. B. Horn, Route 1, Tippecanoe. He had been ill for a year and a half but seriously ill only about a week.

He was born November 20, 1897 in Olney, Illinois, and resided there until coming to the Tippecanoe community last May. He had been a farmer until ill health forced him to retire.

Surviving are his mother, Mrs. Ruth J. Beck and one brother, U. B. Horn, both of Route 1, Tippecanoe; two half-brothers, Foster Horn, Paris, Ill., and George L. Boatman, of Walkerton; a half-sister, Mrs. Ethel Meadows, of Olney, Illinois.

Funeral services were held at 2 p. m. Sunday at the Robbins funeral home in Bourbon and burial was in the Tippecanoe cemetery.

**MRS. SAM BLUE**

Short grave side services were held on Monday at the Mentone Cemetery for Mrs. Minnie Blue of Fort Wayne. Widow of Sam Blue, a former citizen of Mentone.

Mr. Blue died several years ago and Mrs. Blue made her home with her daughter, Mrs. Vance Chapman, in Fort Wayne. She also leaves a son, Wirt Blue and several grandchildren of Fort Wayne. She was an aunt of Mrs. Jessie Bybee. The Blue family lived in the home now occupied by Mr. and Mrs. Kenneth Shoemaker.

**SINGSPIRATION SATURDAY**

The monthly community singspiration will be held at 8:00 p. m., DST, Saturday, September 6, at the Olive Bethel Church of God. The song leader will again be Rev. Jack Harvey.

At the August meeting the young people expressed the preference for all musical programs, so if you can sing, play a musical instrument or give a reading, you are urged to come whether or not you have been contacted personally.

At the Olive Bethel meeting this Saturday evening there will also be an important announcement about the election of officers for the next year. Remember to come to your Singspiration!

**SERVICES HELD FOR MRS. GOOD**

Mrs. Cora Alice Good, aged 83, well-known Etna Green woman, died at 6:30 a. m. Tuesday, August 26, at her home there. She had not been well since July 6, due to a heart ailment and complications, but was seriously ill only three days.

Mrs. Good, a lifelong resident of the Etna Green community served as telephone operator there for 20 years, retiring seven years ago. She was a member of the Etna Green Church of Christ.

Surviving relatives include on son, Theodore Good, and a grandson, Donald Lee Good, of Etna Green, and three sisters, Mrs. Blanche Van Gilder, of Etna Green, Mrs. Wildia Cochran and Mrs. Myrtle Gaskill, of Atwood.

Funeral services were held at 2:30 p. m. Thursday at the Etna Green Church of Christ, with Rev. Jesse Dunn, officiating. Burial was in the Etna Green cemetery. The Bilby-McHatten Funeral home was in charge of the arrangements.

**NATIVE OF COUNTY DIES**

Thos. J. Eiler, of Hicksville, Ohio, a native of Franklin Township, died at the Community hospital in Hicksville, Monday, September 1. He had been taken to the hospital following a stroke suffered last Wednesday.

He was the son of Wm. H. (Squire) Eiler, late of Warsaw and a former attorney there. He was born near Sevasopol on February 19, 1868 and died on September 1, 1952 at the age of 84 years, 6 months and 13 days.

Mr. Eiler was a retired telegraph operator and station agent, having spent forty-six years as such on the Big Four, Nickel Plate and B & O railroads.

He has three sons and two daughters living; C. O. Eiler, of Mentone, Ernest E., of La Jolla, California, Russel V., of Mishawaka, Mrs. Marie Short, of Warsaw and Mrs. Beatrice Winterrowe. One daughter, Hazel I. preceded him in death.

Funeral services are to be held at Perkins and Reed funeral home, Hicksville, at 10:00 a. m. Thursday. Rev. Roth of the Evangelical United Brethren church, of Hicksville officiating.

Interment will be in Independence cemetery four miles east of Defiance, Ohio.

**FINE PROGRAM FOR  
MENTONE EGG SHOW**

Nationally Famous Personages Slated to Appear at Three Night Show Sept. 24-26

Charles Manwaring, chairman of the program committee for the 1952 Mentone Egg Show, announces that his committee has been fortunate in booking some mighty fine talent for the entertainment portion of the event.

The first night the Monarchs Musical Marvels, a 30-piece electric accordion band, will be on hand to present a free entertainment to the visitors. The group has been adjudged the grand champion accordion band six years in a row at the Illinois State Fair, winning both the Gov. Small and Gov. Stephenson trophies. They won first place the past four years at the Chicagoland Music Festival.

Friday evening, during the banquet session, Art Richards, formerly pianist on the French Luxury Liner, Normandy, will supply the dinner music.

The same evening, Sir Edward will entertain with a mentalist and magician act.

There will also be the Dixie Playboys Show, of South Bend, formerly with Radio Station WSM at Nashville, Tenn. Dolores Johnson, formerly with Radio Station WRSW, will present a comedy act.

The banquet this year will consist of hoosier barbecued chicken, plus all the appetizing trimmings and deserts. Serving will start at 6:30 and the \$2 banquet tickets will be on sale within the next few days. See your hatcheryman, feed dealer or bank.

Thursday's program, the educational part of the show, will be interspersed with four brief but vital talks about poultry problems and diseases, plus entertaining music by the Mentone High School and the Baer-Bennett Novelty team, of Wabash.

The final event of the evening will be a 20-minute colored film on "Protecting Poultry Profits."

**Industry Display Tent**

It is assumed that the industry display tent will be visited by most of the egg show visitors. Here will be displays and representatives of almost 20 business or manufacturing firms allied to the poultry industry. They will be here to give you any information you may desire.

**KAREN LATIMER WINS CHAMP  
TITLE AT STATE FAIR**

Karen Latimer, 12, daughter of Mr. and Mrs. Wilbur Latimer, of Beaver Dam, captured the 4-H state championship Shropshire female title at the state fair yesterday and first place in the Shropshire ewe lamb class, and her sister, Wilburta placed in the same class.

Karen had previously shown the grand champ and Wilburta the reserve champ in the 4-H fat lamb class at the county fair.

Other county 4-H club members took honors in state fair competition.

Russell Williamson, Etna Green, placed 20th and Nancy Williamson, of Etna Green, 24th in the heavyweight Angus Steer class. Several Kosciusko County 4-H members received blue ribbons with other project exhibits.

**CHAMBERLAIN**

Mr. and Mrs. Howard Chamberlain are the parents of a daughter born at the Woodlawn hospital in Rochester.

**POLIO VICTIM**

Pasty Ann Hawley, the 13-year-old daughter of Dale Hawley, is a patient in the St. Joseph hospital at Fort Wayne, afflicted with polio.

**CLUB CALENDAR**

The Merry Mollys Home Demonstration Club will meet on Monday, September 8, at 7:30 at the home of Mrs. Ed Smeltzer.

The Mentone Home Demonstration Club will meet on Thursday afternoon, September 11, at 1:30 p. m. at the country home of Mrs. John Laird.

Jolly Janes Home Demonstration Association meets Monday night, September 8, with Mrs. David Gosser.

O. E. S. rehearsal Thursday night at 7:30 at Piercetown.

Mentone Legion Auxiliary, Tuesday, September 9 at 8 p. m. at Legion home.

Mrs. Tessie Newton was a dinner guest on Sunday at the home of Mrs. Earl Meredith. In the afternoon, Mrs. Gertrude Hill, Mrs. Newton and Mrs. Meredith went to Winona Lake, where they attended the services at the Tabernacle.

**BOND SALE NOTICE**

Notice is hereby given that the Trustee and Advisory Board of Harrison Township of Kosciusko County, Indiana, will meet at the office of the Trustee at the school in Mentone, Indiana, on the 25th day of September, 1952, at the hour of 8:30 o'clock p. m. and at said time and place will receive bids on and sell to the highest bidder therefor the following described bonds:

An issue of bonds of Harrison School Township of Kosciusko County, Indiana, designated as "School Building Bonds of 1952," in the amount of \$83,500.00; Dated as of January 15, 1952; Bearing interest at a rate not exceeding 4% per annum (the exact rate to be determined by bidding), payable on July 1, 1953, and semi-annually thereafter; Denomination one \$500.00 the remainder \$1,000.00 Maturing as follows:

\$2,500.00 on July 1, 1953;  
\$2,000.00 on January 1 and \$2,000.00 on July 1 in the years 1954 to 1966 inclusive;  
\$2,000.00 on January 1, 1967 and \$3,000.00 on July 1, 1967;  
\$3,000.00 on January 1, and \$3,000.00 on July 1 in the years 1968 to 1971 inclusive.

Also, an issue of bonds of Harrison Township of Kosciusko County, Indiana, (the same being the Civil Township), designated as "School Aid Bonds of 1952," in the amount of \$83,500.00; Dated as of January 15, 1952; Bearing interest at a rate not exceeding 4% per annum (the exact rate to be determined by bidding), payable on July 1, 1953, and semi-annually thereafter; Denomination one \$500.00 the remainder \$1,000.00; Maturing as follows:

\$2,500.00 on July 1, 1953;  
\$2,000.00 on January 1 and \$2,000.00 on July 1 in the years 1954 to 1966 inclusive;  
\$2,000.00 on January 1, 1967 and

\$3,000.00 on July 1, 1967;  
\$3,000.00 on January 1, and \$3,000.00 on July 1 in the years 1968 to 1971 inclusive.

Bidders for the bonds will be required to name the rate of interest which the bonds are to bear, not exceeding 4% per annum. Such interest rate must be in multiples of  $\frac{1}{4}$  of 1%, and not more than one interest rate shall be named by each bidder. The bonds will be awarded to the highest responsible bidder who has submitted his bid in accordance herewith. The highest bidder will be the one who offers the lowest net interest cost to said School and Civil Townships respectively, to be determined by computing the total interest on all of the bonds to their maturities and deducting therefrom the premium bid, if any. Each bid for these bonds must be accompanied by a certified or cashier's check in the amount of \$500.00 payable to Harrison School Township of Kosciusko County, Indiana, and a certified or cashier's check in the amount of \$500.00 payable to Harrison Township of Kosciusko County, Indiana. In the event the bidder to whom said bonds are awarded shall fail or refuse to accept delivery of the same within five days after being notified that the bonds are ready for delivery, said checks and the proceeds thereof shall become the property of the said School and Civil Townships respectively, and shall be considered as liquidated damages growing out of such default. No bid for less than the par value of said bonds, including accrued interest to the date of delivery, at the rate named in the bid, will be considered. The right is reserved to reject any and all bids.

Said School Township bonds are being issued under the provisions of Chapter 220 of the Acts of 1949, for the purpose of procuring funds to be applied on the cost of construction and

equipment of an addition to the existing school building. Said bonds are the direct obligations of the School Township, payable out of unlimited, ad valorem taxes to be levied and collected on all taxable property within the School Township.

Said Civil Township bonds are being issued under the provisions of Chapter 220 of the Acts of 1949, for the purpose of procuring funds to be used in aiding the School Township in the construction and equipment of an addition to the existing school building. Said bonds are the direct obligations of the Civil Township, payable out of unlimited, ad valorem taxes to be levied and collected on all taxable property within the Civil Township.

The approving opinions of Ross McCord Ice & Miller, bond counsel of Indianapolis, Indiana, will be on file on the day of sale, and will be furnished to the successful bidders at the expense of the Townships. No conditional bids will be considered. The bonds will be ready for delivery within approximately twenty-one days after the date of sale. If bids are submitted by mail, they should be addressed to the undersigned at R. R. 1, Etna Green, Indiana. Dated this 25th day of August, 1952.

**PROPER FOOD HABITS HELP  
TO PREVENT CHRONIC ILLNESS**

According to a recent report from the Indiana Committee on Chronic Illness, "good food habits developed in teen-age years play an important role in the prevention of chronic illness in the later years of life."

At that period of life, boys and girls are growing rapidly and the need for food is even greater than for many adults. Teen-age boys, as a rule, show better sense than their sisters in eat-

ing well-balanced meals. Their only problem is in getting enough to eat.

Girls in their teens often suffer a loss of appetite, and they need to learn that underweight may be a danger sign, since it retards growth, impairs efficiency and reduces resistance to disease. Statistics show that despite the general decrease in tuberculosis, its rate has increased in young women between the ages of 15 and 24.

Teen-age girls should be sure their diets contain a liberal supply of iron found in meat, eggs and green leafy vegetables. Plenty of iron in the diet may prevent anemia which often develops in young girls.

Recent diet surveys reveal that breakfast starts the teen-ager out with a feeling of well-being and prevents that mid-morning restlessness and fatigue. A quarrelsome teen-ager may just be hungry.

The committee urged parents to "give your teen-ager three good, nutritious meals a day. One good meal cannot make up for the short-comings of a poor one."

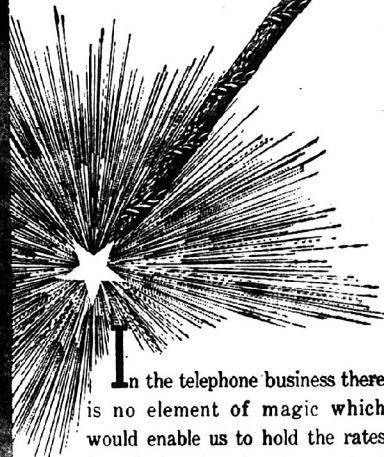

Parents will find that if they eat the right foods regularly themselves, their children are more likely to have good food habits throughout life.

It is advisable to sow rye between the rows in the garden previous to the last cultivation. This insures good seeding, provides an additional green manure crop and add color and soil protection to the garden, say Purdue University horticulturists.

## "FAMILY" FARM SHOWS SIGNS OF GROWTH

Lafayette, Indiana — "The family farm has not disappeared, it is simply getting larger," says Dr. Earl L. Butz, head of the department of agricultural economics at Purdue University.

The size of the typical "family farm" is increasing as a result of mechanization and higher output per worker. In 1951, the average capital investment on a group of 316 central Indiana farms which kept records in cooperation with Purdue, amounted to \$82,774 per farm. These farms average 250 acres in size. Just 10 years earlier, the average capital investment on a group of 488 farms in the same area averaged \$27,821.

The central Indiana farms last year had an average of 1.76 workers per farm, including unpaid family labor. This represents a capital investment of over \$46,000 per farm worker. Dr. Butz points out that this fact means that it took \$46,000 capital investment to create one job on the farm.

It has been shown that it requires, on the other hand, from \$10,000 to \$15,000 investment in American industry to create a job for one industrial worker.

With typical family farms having from \$50,000 to \$100,000 invested in their business, and with a single farm job requiring capital investment of nearly \$50,000, agriculture is truly big business, says Dr. Butz.

**NEW**  
Swift's  
Mineral Supplement  
BLOCK

Mineral feeding hits a new high in ease and economy with Swift's Mineral Supplement in block form. Perfected by Swift for cattle and sheep, the new mineral block meets these strict regulations:

- It's soft enough so animals get their mineral quota easily
- It's hard enough to resist weather
- It's easy to handle, easy to feed

In formula and quality the block is the same as the familiar Swift's Mineral Supplement in powdered form. It provides ten essential mineral elements all livestock need. It's held together by a palatable molasses binder. Swift's Mineral Supplement contains no fillers or waste. Every ingredient has feeding value.

Supplies these ten profit-making elements:

- Manganese
- Iron
- Copper
- Cobalt
- Sodium
- Chlorine
- Calcium
- Phosphorus
- Magnesium Sulphate
- Iodine

THE CO-OP. MILL

Swine producers from Indiana and neighboring states will find antibiotics and detergents in hog rations in the limelight at the 32nd annual Swine Day at Purdue University, Friday, Sept. 12. Tours of the experimental feed lots and pastures at the University Swine Farm will be made in the morning by the visitors. Talks will be given in the afternoon at the Hall of Music.

# **MOST FARMERS FERTILIZE WHEAT AT SEEDING TIME**

Lafayette, Indiana—Fertilization of wheat at seeding time is almost universal practice in Indiana, and 3-12-12 or higher analyses of that ratio makes up the bulk of the fertilizer tonnage used. The principle variation among farmers is the rate used per acre; a marked trend has been noted in recent years to heavier rates than in the past.

Heavier rates give the wheat a reasonable amount of nitrogen to push the young seedlings along for a good start before winter, Purdue University agronomists explain. The larger amounts of phosphate and potash also stimulate earlier growth, carry the crop through to maturity and help produce more vigorous stands and growth of the legume or legume-grass mixtures seeded in the wheat.

Often, 200 pounds of fertilizer per acre produces yields of wheat as large as double that rate. Average yield of 21 county demonstration trials on representative farms over the state this season was just one bushel higher (33 bushels per acre) for the 400-pound rate than for 200 pounds.

Apparently, the limitation at these yield levels is the shortage of available nitrogen during the cool late spring and early summer period when the

crop must make its fast vegetative growth and develop the grain. Where the heavier fall fertilized wheat was top dressed in the spring with 25 pounds of actual nitrogen per acre, the average yield was increased seven bushels per acre. In the few cases where the spring nitrogen was applied on wheat with no fall fertilizer the increases were small.

Since early spring top dressed nitrogen is so effective, some farmers wonder why the extra nitrogen couldn't be applied in the fall, especially since fields are often too wet for tractor or equipment in early spring. However, trials in a few counties of increasing the nitrogen in solid carriers in the fall over the usual rate of "starter" nitrogen have given poor returns compared to the same rate top dressed in the spring.

On year trials on the Sand Experiment field near Culver, on Sandy soil that is highly responsive to nitrogen, gave similar results. Twenty lbs. of nitrogen in the fall increased wheat and rye yields two and six bushels per acre, respectively, compared to increases of 13 and 18 bushels for spring applications. Forty pounds of nitrogen made five and 12 bushels more, respectively, for fall applications and 13 and 21 bushels for spring applications.

Late (fly free date and later) appli-

cations of anhydrous ammonia, where the nitrogen must be put down into the ground, seem to have some possibilities. In two-year trials, such applications on cold wet soils were about 80 per cent as effective as spring top dressing with equal amounts of nitrogen. On sandy loams this extra fall-applied nitrogen was ineffective.

## **AMAZING PAZO ACTS TO RELIEVE PAIN OF SIMPLE PILES INSTANTLY**

Speed amazing relief from misery of simple piles, with soothing Pazo! Acts to relieve pain, itching instantly—soothes inflamed tissues—lubricates dry, hardened parts—helps prevent cracking, soreness—reduce swelling. You get real comforting help. ## Way Back When

In the days when the sword was used for defense, the rule of the road was: "Keep to the left." The custom as a practical bit of medieval etiquette that placed passers on the right where it would be easier to strike at them with a sword, if necessary for self-protection. Today, the custom of passing to the left still prevails in many European countries although the sword has long since been replaced by the musket.

Today good will may starve to death. Keep it alive with customer courtesy and carefully advertising.

## SCHOOL NEWS

Mr. John E. Jackson, of Sweetwater, Tennessee, has been employed to teach Vocational Agriculture and Chemistry in the Mentone School. Mr. Jackson is a graduate of the University of Tennessee, and has taught two years prior to coming to Mentone.

The bus drivers this year are Wayne Tombaugh, Ed Bach, Lloyd Lowman, John (Lonnie) Webb, Albert Tucker and one driver to be employed.

Enrollment as of Tuesday, September 2nd was:

1st—34  
2nd—34

3rd—24  
4th—33  
5th—28  
6th—39  
7th—29  
8th—35  
9th—38  
10th—35  
11th—26  
12th—24

This makes a total enrolled on September 2nd of 379.

Several pupils are expected to enroll late this year.

New pupils in the high school are Marilyn Fuller and James Drake. Pupils who moved away during the vacation were: Noretta Shively, Marilyn Rathfon, Pierre Ferverda, Wallace Oy-

ler, Lucille Dirck and Betty Dirck.

Thirty-two high school boys were given physical examinations on Tuesday by Dr. Waltz. The softball schedule will start this week with a game Friday evening.

W. D. Fitzwater, USDI rodent control specialist located at Purdue University, claims that mice are easier to trap than rats. And, when it comes to bait, gumdrops get the nod—and the mouse. Mice have a sweet tooth. When it comes to cheese, the smellier the better. Fresh toasted cheese has wide appeal. Peanut butter, table scraps and bacon rind get good results also. Regardless of which bait is used, plenty of traps should be set.

Mr. and Mrs. Royal Blue and children, Dennis Royal and Karen Lynn, left Sunday to return to their home in California, after spending the past two weeks with their family and relatives here. Royal is the son of Mr. and Mrs. Pete Blue, of Mentone, and is attending Bible School at Los Angeles, California. He will enter his third year of school on his return there. Along with his schooling he has a position as visitation pastor in a large Baptist Church, in Van Nuys, California and many other activities in the work there.

Mrs. Mabel Igo, of Elkhart, spent last week with her sister, Mrs. Pete Blue, and her nephew and family, Mr. and Mrs. Royal Blue, of Conoga Park, California.

## BAPTIST NEWS

On Tuesday at noon the pastor came home from his Holy Land trip. He had to come from Indianapolis on the bus the last leg of the trip as the TWA flight from Pittsburgh was cancelled on account of mechanical trouble and he had to go to Indianapolis instead of Ft. Wayne, where his wife and family were waiting. In some 13,000 miles of travel by plane, train, bus, boat and limousine, this was the only time when connections broke down. The flight to Indianapolis was rough as the storm was not over yet and the landing was made in a driving rain. At no time on the trip was weather a cause for

trouble. The flight from Athens to Geneva was rough and for the main party there was so much fog over the Swiss Alps that little could be seen. The pastor and Emerson Ward, of Warsaw, went on ahead of the main party two days and so had clear weather over the Alps and some fine pictures were taken. TWA pilots were most accomodating and gave some fine chances for pictures. For instance, over Italy, the pilot circled Mt. Vesuvius and gave pictures looking right down into the volcano.

On Sunday the pastor will begin a series of messages based on experiences on the trip. In the morning serv-

ice he will speak on the subject, "If any man thirst" and in the evening on the subject, "Isaac vs. Ishmael." This evening message will have to do with the trouble between Israel and the Arabs. Since several days were spent in and around Jerusalem, a good chance to hear both sides of the question was given. The former mayor of Jerusalem spoke to the Flying Seminar one night and the present mayor of Bethlehem spoke another night. Both of these men are Moslems and gave us the Arab side.

As soon as the Kodachrome slides come back the pastor will begin mes-

sages on Sunday evenings with the slides to show the things seen on the trip. Some 600 pictures were taken so it should be possible to show the people at home how things are in the East. The public is cordially invited to any or all of these services planned for the weeks that are ahead.

A new circular, "Inspection of Commercial Feeding Stuffs," has been released by the Purdue University Agricultural Experiment Station. Copies of the circular are available, free, from the University and from county agricultural agent offices.

**ENJOY PLENTY OF HOT WATER  
24 HOURS EVERY DAY WITH**

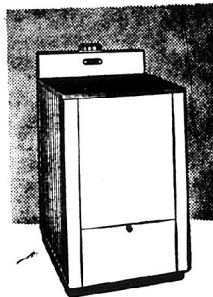

*Philgas*

**And it Costs  
Only a Few Cents  
a Day!**

Just turn on the faucet and you get hot water when you need it. A Philgas automatic water heater operates at least three times faster than electricity. Special gas rates make costs amazingly low. No premiums for extra hot water. No waiting for off-peak periods. No time clock controls with Philgas. Just dial the heat you need and forget it.

Compare Philgas water heating with any other type, and you'll find Philgas is the leader in thrift, convenience and dependability. You just can't beat an automatic Philgas water heater. Completely automatic Philgas water heaters come in different sizes and prices. Tank type or table top models. See our selection of models. Convenient terms if you wish. See us today.

## ADVERTISEMENT FOR BIDS

The Trustee of Harrison Township, Kosciusko County, Indiana, will receive sealed bids for the construction of an addition to the Mentone School until 7:30 p. m. Central Standard Time on the 25th day of September, 1952, in the office of the Trustee at the school house in Mentone, in the State of Indiana, at which time and place all bids will be publicly opened and read aloud.

Proposals will be received separately on the work as set out under the General Contract, Electrical Contract, Plumbing Contract, and Heating and Ventilating Contract. Combination bids will be accepted on all or any portion of the work, however, if it is not designated that a bid is a combination bid, the Trustee will consider each bid separately.

Proposals shall be properly and completely executed on proposal form furnished by the Engineer in accordance with Form 96, with non-collusion affidavit required by the statutes and must be accompanied by Questionnaire Form 96a, State Board of Accounts.

An acceptable certified check or bank

draft, payable to the Trustee of Harrison Township, or a satisfactory bid bond executed by the bidder and a surety company, in an amount not less than 5% of the bid shall be submitted with each bid. Contractors awarded work will be required to furnish acceptable surety bond in amount of 100% of the contract price.

The contract documents, including plans and specifications, are on file in the office of the Trustee of Harrison Township, at the office of D. H. Lessig, Engineers, Times Building, Warsaw, Indiana, and at the office of the State Board of Accounts, Indianapolis, Indiana. Copies of the documents, including plans and specifications, may be obtained by depositing \$25.00 with D. H. Lessig, Engineers, which amount will be refunded to each actual bidder who returns such documents, plans, etc., in good condition within 10 days after the opening of the bids.

Wage rates on this work shall not be less than the prescribed scale of wages as determined pursuant to the provisions of Chapter 319 of the Acts of the General Assembly of Indiana for 1935.

Payment shall be made from funds derived from the sale of bonds and

building fund, and the award shall be conditioned on funds being available for such construction and no bids shall be withdrawn after the opening of the bids without the consent of the Trustee of Harrison Township for a period of 60 days after the scheduled time of closing bids. The amount of funds made available for this project, including all construction is \$208,000.00.

The right is reserved to reject any or all bids and to waive any informalities in bidding.

Dated this 25th day of August, 1952.

ROYSE TUCKER

Trustee of Harrison Township  
a27, s3 & 10

## WILLOW PTARMIGAN

Eskimos have to keep a sharp lookout when they are hunting Willow Ptarmigan, for the big birds are clever at concealing themselves. When snow covers the ground, they're mostly white with just a little black on their tails. After spring thaws, they turn partly brown to match the summer landscape.

Spotches of brown, mixed with some black, cover the male's neck, upper breast, and sides. The rest of his body in the summer, is mostly white. His tail is dark brown. The female is about the same color, but paler, and there is more white on her head.

Most people in the United States never get to see the changeable birds, be-

cause they stay so far north all year. The National Wildlife Federation says that Willow Ptarmigan make their summer homes from Greenland to Alaska. In the winter they come down to central and southern Canada, and only a few of them venture into the northern fringes of our country.

So hardy are the Willow Ptarmigan that they build their nests on the ground of the treeless Arctic plains. In a hollow lined with a few feathers, leaves, or bits of grass, the female lays from six to fifteen large eggs. The eggs are a deep, reddish-cream color, with blotches of purple-brown.

©1952 National Wildlife Federation  
Willow Ptarmigan

After the female keeps them warm for 26 days, the eggs hatch sometime in July. Both before and after the young birds appear, the male stays near to protect his home against fur-bearing animals and birds of prey.

Getting food for the nesting family is another problem for the parents themselves are big, and the young have hearty appetites. In the summer, while they are still in the far north, they eat leaves of bushes and trees, together with some insects now and then. For winter meals, they like berries and the tips of tender twigs.

Though they sometimes have trouble in finding enough food, Willow Ptarmigan grow to be large birds—measuring seventeen inches from bill to tail. They are plump, too, and this is much to the liking of the Eskimos, who make many a meal of Ptarmigan.

## EGGLAC® BEATS LAYING SLUMPS

**Egg PROFITS** depend on steady, high production. Don't let laying slumps interfere. Spread Egglac Pellets once a day on top of your regular egg mash feeding to get your flock into full production quickly.

Stop up Egglac feeding when cold weather strikes or production starts to drop. Egglac keeps your flock healthy and working straight through the year.

Stop in and order Egglac today!

**IN KOREA**

Cpl. Arnold L. Snipes is now serving as gunner on a 155 howitzer near Chowon, Korea.

Mr. and Mrs. Roy DeWitt, of Fort Wayne, Indiana, ate dinner with Mr. and Mrs. John Laird on Labor Day.

Mr. and Mrs. Wm. Noehl and daughters, Anne and Mari Lee, and Mrs. Leona Snider, of Chicago, spent a few hours Sunday at the John Laird home and attended the Vernetta reunion at the Harry Vernetta home, Sunday, August 31.

Mr. and Mrs. Herschel Lehman, Mrs. Wayne Anglin, of Warsaw, Mrs. Collins Eiler, of North Manchester, were callers at the home of Mr. and Mrs. Chet Herendeen on Sunday afternoon.

Mrs. Earl Meredith spent a few days last week with her son and family, Mr. and Mrs. Roy Meredith and family, of Akron.

Mrs. Charles Davis and daughters Patricia and Peggy, arrived last week for a visit with the former's sister, Mrs. Artley Cullum at Mentone. She is also spending some time with her mother and two other sisters at South Whitley.

Mrs. Dan L. Urschel and children, Sarah and Charles, arrived home Tuesday evening after spending some time at Grand Marias, Minnesota. Dr. Urschel and Jon Cullum, hay fever victims, remained behind for a lower pollen count in this area.

Jean Ann Wiley, 7, daughter of Mrs. Dale Hawley, of northwest of Mentone, returned to her home Saturday from the Woodlawn hospital at Rochester. She fell from a haymow Aug. 22 and fractured an arm. She is recovering rapidly.

Jay Paulus, of North Manchester, spent the past week with his grandparents, Mr. and Mrs. Cloice Paulus.

**LOCAL HOG MEN PLACE  
HIGH AT STATE FAIR**

This part of Kosciusko county was well represented with winning animals in the swine exhibits at the Indiana State Fair.

Edward K. Severns & Son, of near Mentone, won the following placings with their Duroc swine:

Fourth in senior yearling sow; junior yearling sow, sixth; fifth in senior sow pig; ninth in young herd, section 862 and 874; ninth in produce of dam; fourth in senior yearling sow, section 851 and 870; sixth in senior junior yearling sow, and fifth in senior sow pig.

Leroy Norris, of Mentone, showing in the Hampshire swine class, came away with grand champion boar, senior champion boar, grand champion sow and senior champion sow in addition to the following placements: first in senior yearling boar; sixth and ninth in senior spring boar pig; first in junior yearling sow; ninth in young herd. In the Hampshire futurity class he came out sixth and ninth in senior spring boar and third in senior spring futurity litter.

**LATIMERS PLACE 26 TIMES  
AT INDIANA STATE FAIR**

The Latimer family came away with 26 awards at the Indiana State Fair with their showing of Shropshire sheep.

Karen Latimer placed second with her ewe lamb in the open class and first in the state class.

In the gold medal lamb club, Latimer & Son were awarded bronze and gold medals in single ram lamb, and silver medal for pen of 3 ram lambs and two single ewe lamb entries.

They also placed third in pen of 4 lambs and ram lamb under 1 year; fourth place in ram lamb under 1 year and group of 7; fifth in ram 1 year and under 2; sixth in flock and ewe 1 year and under 2; seventh in pen of 3 ewe lambs and ram 1 year and under 2; eighth in get of sire, ewe 1 year and under 2 and ewe lamb under 1 year; tenth in ram 1 year and under 2 and ewe 2 years or over; thirteenth in ewe lamb under 1 year and fourteenth in the same class, and fifteenth in ram lamb under 1 year and ewe 1 year and under 2.

**PARENTS OF DAUGHTER**

Mr. and Mrs. Gerald Romine are the parents of a daughter, Susan Kay, born at six o'clock Tuesday evening at the McDonald hospital at Warsaw. The new arrival weighed five pounds seven ounces.

**SOME EGG QUEEN  
CANDIDATES CHOSEN**

A number of the surrounding schools have announced their entry in the Egg Show queen contest to be held the first night of the Mentone Egg Show, Sept. 24th. Those announced to date are:

Beaver Dam—Judy Clinker, aged 15, daughter of Mr. and Mrs. Gerald Clinker, Akron.

Mentone—Kay Hatfield, 17, daughter of Mr. and Mrs. Albert Hatfield, Mentone.

Atwood—Sally Williams, 16, daughter of Mr. and Mrs. Howard Williams, Atwood.

Laketon—Nancy Bright, 16, daughter of Rev. and Mrs. J. F. Bright, Laketon.

Talma—Shirley Overmyer, 17, the daughter of Mr. and Mrs. Nelson Overmyer, R. R. 5, Rochester.

Claypool—Sharodene Lowery, 15, the daughter of Mr. and Mrs. H. B. Lowery, R. 2, Claypool.

Tippecanoe—Eleanor Hazen.

**CHARGES FILED AFTER WRECK**

Charges of drunken driving were filed Tuesday in Warsaw against Wm. Bailey, 27, of Plymouth, Route 5, a utility employee, following an automobile accident Monday at 8:00 p. m. at the first curve going into Palestine from the west on highway 25.

The charges were brought by State Trooper Henry Cripe, Jr., of Silver Lake, after Bailey's car failed to make a curve at the south edge of the city, left the highway, smashed against a highway guard rail, crashed into a tree and plunged down an embankment where it turned over in the soggy earth below. Bailey was alone at the time of the accident.

He was taken to the Warsaw Medical Center by the Johns ambulance for emergency treatment. He suffered lacerations about the head, some teeth were knocked out and he sustained a cut knee and deeply lacerated cheek. He was released from the hospital on Wednesday.

**MRS. BUNNELL DIES  
FOLLOWING AUTO ACCIDENT**

Mrs. Miriam Bunnell, 29, wife of Delmer Bunnell, a teacher in the Burket school, died on Monday afternoon at the Murphy Medical Center of injuries received in an auto-truck collision last Wednesday, just north of Beaver Dam lake.

The fatal crash was caused when Willis Wideman, 17, turned left with his truck as he approached Mrs. Bunnell's oncoming car. Also injured in the accident was Janet Bunnell five year old daughter of the Bunnells. She suffered deep cuts on her jaw, forehead and knee.

Mrs. Bunnell was the daughter of Mr. and Mrs. Ralph Hoffman, teachers in the Mentone school. She was married to Mr. Bunnell, Dec. 20, 1943 and they had lived at Yellow Creek lake for the past three years.

Mrs. Bunnell had taught school for two years following her graduation from Manchester College. She was graduated in 1940 from the Gilead high school. She was born near Roann March 10, 1923, the daughter of Ralph and Tressie (Heeter) Hoffman.

Surviving relatives include her husband; a daughter, Janet; her parents, Mr. and Mrs. Hoffman; two brothers, John, at home, and Paul, who is a student at Manchester College; one sister, Mrs. Elizabeth Bauer, of Wabash, and her grandmother, Mrs. Mary Heeter, of Roann.

Funeral services were held Wednesday afternoon at 2:30 at the Roann Church of the Brethren. Rev. Leonard Custer and Rev. William Eberly officiated. Burial was in the Akron cemetery. The Moyer-Haupt funeral home of Akron, was in charge.

**VISIT NIAGARA FALLS**

Mrs. Agnes Rans and Mrs. Gertrude Hill enjoyed a pleasant 3 days' trip to Niagara Falls this last week end. Going by bus from Fort Wayne via Detroit, they arrived at the falls on Saturday evening and left Monday morning. During the day there they enjoyed a 3-hour tour and a ride on the "Maid of the Mist" and an illuminated 2-hour tour in the evening. They bring home a report that Niagara Falls are as inspiring and beautiful as they have ever been.

**THIEVES ENTER CO-OP.  
HARDWARE AND OFFICE**

Office employees discovered Monday morning that thieves had entered the offices of the Northern Indiana Co-operative Association some time over the week end. An effort was made to gain entrance to the vault, but the unwelcome intruders evidently gave up after a brief try at the steel vault door. The outside knob of the combination had been knocked off, but they did not get the door opened. Even if they had been successful in this respect, there would have been little opportunity for them to have secured anything of value because of the heavy, thick-walled safe that is used to protect the small amounts of cash that are kept overnight.

Entrance was made through a south window at the office, and the visitors carefully replaced the window strips and locked the window. Only one item of consequence was left that was of any particular value in their eventual apprehension.

Either before or after entering the office, they forced open the east door at the hardware building and the only items reported missing to date was three pressure cookers.

The break-in was investigated by Sheriff Latta and State Detective Dave Milbourne.

**HARMAN—CULLUM**

On Saturday afternoon, September 6, at four o'clock, Jo Lynn Cullum, daughter of Mr. and Mrs. Arley Cullum, of Mentone, and Thomas W. Harman, son of Mr. and Mrs. Walter Harman, of Etna Green, were united in marriage at the Church of God, in Warsaw.

The double ring ceremony was read by Rev. Otis Johnson, pastor. (A detailed account will be given in the Co-Op. News next week.)

**CLUB CALENDAR**

P. T. A.—The first fall meeting is to be potluck at 6:30, Friday evening, September 19.

Talma Gun and Rod Club to meet Monday evening, September 15, at 8 p. m. at the Talma High School gym.

## RING-NECKED PHEASANT

There was a time, many years ago, when Ring-necked Pheasants were found only in China. From there they spread to Europe, America and other parts of the world. Wherever they live today, the colorful birds are eagerly sought each season by hunters.

To keep the supply plentiful in our country, state game departments raise and free large numbers of Pheasants every year. Though hatched and held in captivity part of their lives, the birds are wild when turned loose. They show no signs of having lived in pens.

©1952 National Wildlife Federation  
Ring-necked Pheasant

When on their own, Pheasants dominate the territory in which they roam. With a fighting spirit, they crowd out other birds. The male Pheasant is the battler of the family, and he often engages in combat with another male or with a barnyard rooster.

The male also sports some of the gayest feathers in the world of birds. Around his eye there is a bright spot of red. His head and neck are dark greenish purple. Below that he wears a white collar. The rest of his body is a mixture of brilliant colors—red, bronze, green, brown, yellow, and bluish-black.

By comparison the female Pheasant is dull and plain—a mixture of brown and chestnut, speckled with black. While this makes her less attractive,

the National Wildlife Federation points out that she can hide in the grass more easily than her mate.

This is especially important in the spring, when she is sitting on her nest. It is built on the ground, among some weeds, and contains from six to twelve large, olive-buff eggs. After she keeps them warm for 23 days they hatch.

The female takes care of the young until fall. Then they lose their first feathers and begin to resemble their parents. When fully grown, the males are from 33 to 36 inches long and the females are about 20 inches in length. They weigh up to four and a half pounds. Both birds have long slender tails, and the male wears strong spurs on his legs.

As the weather turns cold, Ring-Necked Pheasants do not journey southward, but stay right where they are. Most of them live the year round in the northeastern fourth of the United States—from Maine to the Dakotas and south to Kansas and Pennsylvania.

Their favorite haunts, in this region, are the farmlands where corn and other grains grow. About two-thirds of their food consists of grain and plant life. To round out their meals, they eat great quantities of insects.

Despite their appetite for grain, Pheasants are not a serious menace to farmers. According to the National Wildlife Federation, hunters keep the number of birds down within limits which are controlled by game and conservation authorities.

## JOLLY JANES MEET

Mrs. David Gosser was hostess to the Jolly Janes Home Demonstration club Monday evening, September 8th, to the 17 members present.

The meeting was opened with the club creed and singing "America the Beautiful." Mrs. Lamar Anderson read

a poem "Home" for meditation. Mrs. Kenneth Romine gave the history of the song of the month and lead us in singing "Carry Me Back to Old Virginia."

"Survival under Atomic Attack" was shown by Dick Clark. It showed us what to do if it should occur in our locality. Mrs. Harold Markley stated it might not happen in our smaller cities but in larger cities where the industrial plants are located but we might be called upon to help out in the larger cities.

Mrs. Walter Kent, the safety and health leader, told about their family experiences with the flu and what they are doing now that helps them. She recommends flu shots several times a year.

Mrs. Wayne Bowser, vice president,

presided over the business meeting. She stated there wouldn't be any women's exhibits at the egg show this year. Mrs. Harold Utter, Mrs. Walter Kent and Mrs. Ilo Goshert were put on the nominating committee and are to report the next meeting. Mrs. Stella Emmons was co-hostess and helped serve the refreshments.

The next meeting will be October 13th with Mrs. Iris Anderson. The lesson will be, "New Fabrics and Finishes."

## DEPAUW HOLDS SECOND INSTITUTE FOR METHODISTS

Ralph Mollenhour, Charles L. Manwaring, and Raymond Cooper of Mentone are some of the Indiana Methodist laymen who attended the second annual Institute for Methodist Men held on the DePauw university campus September 5-7. The institute brought together the key laymen of Indiana's 360,000 Methodists.

The laymen heard five nationally known church leaders who addressed the institute and then served as resource leaders for the laymen in a "question and answer" period. The keynote speaker was Bishop Richard C. Raines, resident bishop of the Indiana area of the Methodist Church. Other leaders were Dr. W. Vernon Mid-

leton, who is in the Division of National Missions of the Methodist Church; Dr. G. Ernest Thomas, secretary of the Spiritual Life Department of the General Board of Evangelism of the Methodist Church; Mr. J. P. Stafford, lay leader of Mississippi; and Dr. Russell Humbert, president of DePauw university.

During the three day session, the laymen studied and discussed their responsibilities to the church and to the community. Workshops were held for men interested in boy's work, Christian citizenship, church extension, stewardship, or Methodist men's clubs.

Interspersed with the study and discussion hours were a recreation period directed by Charles P. Erdmann, associate professor of physical education of men at DePauw university and an organ recital by Dr. Van Denman Thompson, Director of the School of Music at DePauw and an authority in religious music.

The institute was sponsored by the Board of Lay Activities of the three Indiana Methodist conferences. Dr. Edwin R. Garrison, administrative assistant to Bishop Raines, served as institute coordinator. Dr. Orville L. Davis,

**NEW**  
Swift's  
Mineral Supplement  
BLOCK

Mineral feeding hits a new high in ease and economy with Swift's Mineral Supplement in block form. Perfected by Swift for cattle and sheep, the new mineral block meets these strict regulations:

- It's soft enough so animals get their mineral quota easily
  - It's hard enough to resist weather
  - It's easy to handle, easy to feed
- In formula and quality the block is the same as the familiar Swift's Mineral Supplement in powdered form. It provides ten essential mineral elements all livestock need. It's held together by a palatable molasses binder. Swift's Mineral Supplement contains no fillers or waste. Every ingredient has feeding value.

Supplies these ten profit-making elements

- Phosphorus
- Iron
- Copper
- Cobalt
- Sodium
- Chlorine
- Calcium
- Phosphorus
- Magnesium Sulphate
- Iodine

## THE CO-OP. MILL

## LADIES AID HOLDS MEETING

The members of the Ladies Aid Society of the Olive Branch E. U. B. Church were entertained Tuesday at the home of a former member, Mrs. Agnes Rams in Mentone.

A bountiful carry-in dinner was served at the noon hour with Mrs. Ermal Riemenschneider giving grace.

The afternoon meeting was opened with group singing of hymns, "Leaning on the Everlasting Arms" and "Is My Name Written There." Mrs. Bertha Nellans gave the Devotions.

Roll call was answered with "My first school teacher." After the regular business meeting a program was given with a vocal duet by Mrs. Roy Cox and Mrs. Bertha Nellans, A reading, "Fill up those front seats," by Mrs. Katie Cox, a duet by Mrs. Archie Webb and Mrs. John Smith, and short talks were given by the visitors. Meeting was closed with the Lord's Prayer.

Guests who had been former members of Olive Branch were Mrs. Paul Easterday of Fulton, Mrs. Florence Rouch and Mrs. Loyd Rouch of Rochester. Other guests were Mrs. William Ford of Claypool, Mrs. Everett Beeson and Mrs. Raymond Lewis of Mentone.

## CARD OF THANKS

I wish to thank everyone who remembered me with cards, flowers, gifts and calls during my recent illness. They were all greatly appreciated.

JIMMIE CUMBERLAND

## SCHOOL NEWS

The pupils and teachers were saddened by the death of Mr. and Mrs. Hoffman's daughter. Since a number of teachers and pupils planned to attend the funeral, school was dismissed at 1:30 on Wednesday. Mrs. Harold Nelson has substituted for Mrs. Hoffman. Rev. Gosser, Mr. Jones and Mr. Joe Boggs took turns filling in for Mr. Hoffman.

Regular classroom work is going along in good fashion. Almost all pupils have the books needed. Several pupils have made last minute changes in their schedules in view of the deadline for class changes which will be Friday. There are fifteen pupils enrolled in high school art, twenty in chemistry, seventeen in first year wood-working (shop), thirty-seven in the two sections of bookkeeping.

The high school band is preparing a concert for the Egg Show. There are thirty-nine in band this year. The high school band meets each day at 11:00 for fifty-five minutes of practice.

All high school classes elected class officers last week. The new officers are:

Seniors—president, Boyd Blue; vice-president, Carol Rule; secretary, Elaine Dunnuck; treasurer, Eleanor Rush.

Juniors—president, Mary Vandewater; vice-president, Robert Boggs; Secretary, Sherry Shoemaker; treasurer, Larry Yieter; store manager, Don Rush.

Sophomores—president, Connie Doyle; vice-president, David Gosser; secretary-treasurer, Larry McKinley.

Freshmen—president, Jackie Dowden; vice-president, Terry Utter; secretary-treasurer, Rita Olson.

Eighth Grade—president, Nancy Vandewater; vice-president, James Drake; secretary treasurer, Sue Borton.

Seventh Grade—president, LeRoy Markley; vice president, Sue Fenster-

maker; secretary-treasurer, James Manwaring.

The senior class held a meeting on Tuesday noon to see the pictures of the Robert's Studio of Fort Wayne. A committee has been selected to choose a class play which will be given in October.

Group pictures of all grades will be taken by the Haberman Studios of Bourbon on Thursday, September 18.

The Mentone softball team now has a record of one win and one loss. On Friday the local boys defeated Burket in a loosely played contest, 19-14. Dickey pitched for Mentone with Brown catching. On Tuesday, Beaver Dam defeated the Bulldogs by a score of 9-3. Tinkey pitched for Mentone with Brown the catcher. The next game will be played at Etna Green on Friday of this week. On Tuesday, September 16, the locals play Claypool at Mentone. The final game of the regular schedule will be with Silver Lake at Silver Lake.

The lunch program will begin on Monday, September 15. About 150 pupils plan to eat this year according to a recent survey. Mary Teel has been employed to manage the lunch program and Mrs. Christner, of Palestine, will be the helper. Mrs. Christner has cooked four years on the Silver Lake lunch program prior to moving to Palestine. The price of the meals this year will be thirty cents. The school has refused to accept government relief this year.

# "FAIR, FAT AND FORTY"

The Indiana Committee on Chronic Illness revealed that "those who are overweight die younger and they more easily fall prey to diseases such as heart trouble, high blood pressure, diabetes, arthritis, and cancer."

Speaking for the committee was the chairman, Dr. F. R. Nicholas Carter, South Bend Health Officer, who also is chairman of the Chronic Illness Committee of the Indiana Medical Association.

"Fair, fat and forty, has long been used to describe the person who may

develop gall bladder disease. This can be extended to include the majority of chronic illnesses that are more prone to attack those individuals who have entered into the "best years of life" Dr. Carter said.

Gout has long been the butt of jokes, as being the wages of "Wine, Women and Song" Dr. Carter pointed out. "While this is not strictly true, there is much evidence that it is the result, partially at least, of over eating certain types of food.

When a reduction of the total amount of food being eaten becomes necessary in later years, it is important to remember that there are vital elements that are necessary to maintain good health. This is particularly true during the advanced years when poor digestion or poor chewing equipment causes the person to select soft starchy foods. For this reason, food fads should be avoided and reducing diets should be undertaken only under the guidance of the family physician.

## TALMA GUN AND ROD CLUB TO HOLD MEETING

The members of the Talma Gun and Rod Club will hold their meeting on Monday evening, September 15, at 8 p. m. at the Talma High School gym. Joe Duzan, president of the club, will be in charge of the meeting. Refreshments will be served after the meeting.

## FUTURE FARMERS OF AMERICA.

We the members of the Future Farmers of America have elected officers for this year. They are as follows:

President—Phil Carney.  
Vice President—Larry Yieter.  
Secretary—Burdell Blackburn.  
Treasurer—Wayne Romine.  
Reporter—Jerry Ross.  
Sentinel—Merlyn Holt.

We also have appointed a committee to check over Greenhands of the club. They are: Mr. Jackson, Mr. Holt, Mr. Ross and Mrs. Yieter.

We, the club, will meet every two weeks.

We, the members of the Mentone Chapter of the Future Farmers of America are well pleased with our new advisor, Mr. Jackson.

Sunday dinner guests of Mrs. Earl Meredith were Mrs. Maggie Laird and daughter, Mildred, of Bourbon, Mrs. Mary Barkman and Mrs. Tessie Newton and Judy and Linda Barkman, of Mentone.

**FIRST P. T. A. MEETING  
TO BE POTLUCK**

The first fall meeting of the P. T. A. will be held Friday evening, September 19th. There will be a potluck supper at 6:30, everyone invited. Bring children, too, as there will be entertain-

ment for them during the business meeting.

The P. T. A. goal for the year is to acquaint the parents with the teachers, so to better do this there will be open house at this time for parents to visit their children's classrooms and meet the teacher.

Mr. Whitehead and all the faculty will be introduced.

A regular meeting date will be decided later.

Come one, come all, and bring well filled baskets and your own table service.

Don't forget the date.

Mrs. Charles Davis, daughters, Patricia and Margaret, and son, Michael, have returned to their home in Three Forks, Montana, after being guests in the Artley Cullum home. Mrs. Davis and Mrs. Cullum are sisters.

## GRAND AND PETIT JURORS ARE CHOSEN

Members of the county grand jury and petit jury were selected Monday in a drawing conducted by George McKrill and Rolla Anglin, jury commissioners, and Ernest Bushong, county clerk. The drawing was held in Bushong's office at the court house.

Chosen for the grand jury were the following: William Baker, of near Warsaw; Dearl Tucker, Mentone; Floyd D. Floyd, R. 4, Warsaw; Harry Beatty, Elmer F. Barley and Ralph Bennett, all of near Leesburg.

Drawn for the petit jury were: Guy Symensma, R. 1, Syracuse; Robert R. Sittler, R. 1, Claypool; Joyce Saylor, Winona Lake; Clayton G. Harlan, Milford; William Whiteleather, of Etna Green; Ernest Penrod, R. 2, Claypool; Earl Slaybaugh, R. 2, Nappanee; Forrest McDaniel, Warsaw; Tom A. Arnold, Leesburg; Albert S. Fisher, Silver Lake; Roy W. Harter, Leesburg, and Ralph Guy, Warsaw.

The fire department was called on Wednesday evening to put out a trash fire at the rear of the Orthopedic Equipment Company factory in Mentone. The fire was spreading to a pile of lumber and stoker coal.

Mr. and Mrs. Richard Manwaring, of Mentone, and Mr. and Mrs. Perry of North Carolina, recently spent two weeks at the Lionel Green Camps at Crow Lake, Ontario. Mr. Manwaring and Mr. Perry were World War II buddies.

Don Smythe, after serving about a year and a half in the Air Corps National Guard and 18 months in active service, has received his honorable discharge.

Jon Cullum is confined to his bed

this week while a ruptured vein in his right leg mends. He slid a little hard into third base Monday evening while playing softball.

**RESCUE TRUMPETER SWANS**

The National Wildlife Federation today called rescue of the trumpeter swan from threatened extinction a "conservation triumph" and drew hope from the swan story that the rare Key deer of Florida may also be saved.

In 1935 only 73 of the graceful trumpeters were left alive in the United States. Larger numbers existed in Canada, but everywhere the great birds were becoming scarce.

Three weeks ago the U. S. Fish and Wildlife Service announced the results of the 1952 trumpeter swan census. The latest count showed 571 birds, an increase of 36 over last year.

Restoration of the snow-white trumpeters began when the Red Rocks Migratory Waterfowl Refuge in Montana was established by the federal government for the specific purpose of protecting a small band of swans that existed there. Under complete protection the big birds began a slow comeback. The 1952 census showed 407 trumpeters in Red Rock Refuge and vicinity. Smaller flocks were found in Idaho, in Yellowstone National Park, and at other points in Wyoming.

A few swans have been transplanted to the Malheur National Wildlife Refuge in Oregon and the Ruby Lake National Refuge in Nevada for the purpose of starting new nesting colonies.

The diminutive deer of the Florida keys, a sub-species of the Virginia

white-tail, is about where the trumpeter swan was 17 years ago. Wildlife authorities estimate only about fifty of the little animals remain alive. A bill to establish a key deer refuge failed to pass the last session of Congress but will be reintroduced next session.

Meantime the National Wildlife Federation raised funds through public subscription to keep a special game warden in the Florida keys. Illegal hunting, natural hazards and the inroads of civilization upon their habitat have depleted the key deer. The same factors brought the trumpeters down to their precarious position of 1935.

"The conservation triumph with the trumpeter swan proves the key deer also can be saved," said Carl D. Shoemaker, conservation director of the Federation, "provided the next Congress acts to establish a sanctuary and the public cooperates in protecting the remaining herd."

Hay Fever "vacationers" now home are Mr. and Mrs. Mace Nelson and children and Mrs. Ora McKinley and son, DeWayne, who were in Michigan.

Fresh Chocolate Candies, good variety of Brachs and other fine candy, 29c to 69c lb. Coopers' Store.

Mr. and Mrs. David Cooper, of Port Austin, Michigan, spent Sunday in Mentone visiting with relatives.

**SOW WHEAT AFTER****FLY-FREE DATE**

Hessian fly populations are on the increase in southern Indiana. It is important that farmers throughout the state observe the fly-free date for seeding wheat so that the pest will not increase further, says G. E. Lehker, Purdue University Extension entomologist. The fly-free date is well established and does not change from year to year. It ranges from September 22 in northern Indiana to October 9 in the extreme southern part of the state. Any county agricultural agent knows the date for his locality.

The Hessian fly, 25 to 30 years ago, was a major pest of wheat and sometimes destroyed thousands of acres of this crop in a single year. These severe losses brought about a general observance of the fly-free date for seeding wheat, and the fly soon became of minor importance. It has remained that way in most years because the majority of wheat growers have continued to observe the safe seeding date, which operates on a simple but effective principal. It is the time when the flies have emerged and died so that they can no longer lay eggs on the wheat as it comes up in the fall.

In addition to the safe seeding date, Lehker says there are several other practices which are also detrimental to fly, wheat joint worm and other pests. They are as follows:

Grow strong-stemmed varieties of wheat which do not break over easily. Have the seed bed in good condition and the land in a high state of fertility so that the wheat will grow rapidly and vigorously.

Do whatever possible to keep down volunteer wheat. Such wheat provides an ideal place for the flies to lay their eggs so that an extra generation may be produced to infest fields in the fall and again in the spring.

Plow under wheat stubble during the summer if and when it is possible to do so.

BAPTIST NEWS

On Wednesday night the church met for a farewell service for the Gordon Wray family, missionaries to the Philippines. Mr. Wray is a teacher in the Bible Institute at Iloilo and they are hoping to sail next month for the field.

Last Sunday night the pastor brought the first of a series of messages based on his trip to the Holy Land. Next Sunday night he will show colored Kodachrome slides of the pictures taken from the airport in Fort Wayne 'till they left Rome. This will include pictures taken in Paris of the European Bible Institute and of the Munn family, members of the church, and missionaries in the city of Paris.

Last Sunday night the pastor showed slides of pictures taken in the Arab countries and then some of those taken in Israel. There was a sharp contrast in the scenes in Arab countries of the people thrashing out the wheat with oxen, horses or a donkey, and those in Israel that showed the same job done with combines, balers and modern tractors. In Israel a great deal of money has been spent to irrigate the soil. This makes it possible to raise from six to seven crops a year on the same ground. The pastor saw corn fields that would match any in Indiana and it is all done by the use of water. The soil is high in minerals and while it looks red and rocky, yet, it will produce fine crops if irrigated each evening with water.

The service will begin Sunday night at eight o'clock and the public is cordially invited to any and all services. In the morning service the pastor will speak on the subject, "Back to Bethel." Sunday School begins at 9:30 with classes for all ages.

MERRY MOLLIES MEET

The Merry Mollies Home Demonstration Club met Monday evening, September 8th at the home of Mrs. Ed Smeltzer, with Mrs. Marion Smith acting as co-hostess. There were nineteen members, one guest, Mrs. Wayne Baumgardner, and one child, Connie Teel, present.

"America, The Beautiful" was sung, followed by repeating of the club creed. Mrs. Elwin Teel read the 23rd Psalm for meditation. A Bible verse was given in response to roll call.

Mrs. Gene Sarber gave the lesson on "Know Your Fabric Finishes."

A social time followed with Mrs. Elwin Teel and Mrs. Clayton Holloway on the committee.

Mrs. Donald Horn and Mrs. Marian Smith received birthday gifts from their Cheerio Pals.

Corp. Lee Norris flew to Ft. Laughton, Washington, on Monday for a new assignment, after spending two weeks with his parents, Mr. and Mrs. Sam Norris. He has been with the 1st Armored Division, as Fire Director, at Ft. Hood, Texas.

For instance, education in personal cleanliness...

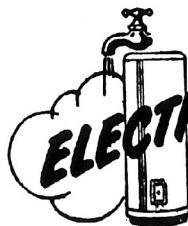

that's something a child learns at home. Teaching cleanliness habits to youngsters is much easier when automatic hot water service is available.

No one likes to wash in cold water... especially children.

Plenty of hot water for every need—day or night—at the turn of a faucet, will do much to keep the family clean, healthy and happy

the year 'round. With an automatic **ELECTRIC WATER**

## LEGION AUXILIARY NEWS

The Mentone American Legion Auxiliary No. 425 met at the Legion Home on Tuesday, September 9. Mrs. Phillis Williamson, president, presided over the meeting. There were 15 members and one guest present, Mrs. Walt Dean, of Indianapolis. Miss Cloanne Nelson, our Girl Stater, gave a very interesting report on her activities at the Indiana University where Girl State was held. She enjoyed all eight days of activities while running for a state office. The Unit discussed a money making project. Mrs. Vadis Ward, Mrs. Bernice Jones and Mrs. Grace Boggs are to investigate the project. Mrs. Eva Eherenman's name was drawn for the door prize. The galloping horse was won by Mrs. Grace Boggs. Installation of officers will be held at our next meeting, September 23, at the Legion Home at 8 o'clock.

Roy Rush and daughter and Mrs. Bert Rush spent the Labor Day week end in Detroit visiting the Earl Rush family. Mr. Rush attended his regimental reunion while there.

# LEARN TO CONTROL FOOD HABITS

When we reach maturity, our physical activity decreases, but because of habit, primarily, we continue our usual consumption of food. That's when young men and women begin to "spread." These facts were brought out recently by the Indiana Committee on Chronic Illness.

Our food habits are not turned on and off as if by a thermostat on the

basis of the amount of fuel needed by the body. Our food habits remain with us.

"Although we have the same desire to eat, as in our more active years, we may have the additional problems of emotional strain and stress of a job, family difficulties, or many other trials that go with adulthood. In fact, we often eat to excess to divert our attention from emotional problems, and this excessive eating can only add inches to our waistlines," a committee spokesman said.

An overweight young man or woman is rushing toward a red light and should obey its warning. Many of the disorders of the middle years are determined by a food intake over and above that required for our every day activity.

Diabetes occurs more often and at a younger age in those who are overweight. The same may be said of heart

disorders and various types of rheumatism.

Weight reduction should be planned and followed with a continuous pattern for maintaining weight at the desired level, and not attempted through overnight wonders concocted by some fads. Drugs should not be taken except under the direction of a physician.

For successful weight control, "your own physician should be consulted so that sufficient amounts of necessary food elements are assured while decreasing the amount of pound-producing elements of the diet. Only in this way can constant weight be maintained for maximum health and vitality throughout the years."

## IN MEMORIAM

In memory of Mrs. Frank Fisher, Our Mother.

We mourn today an empty chair, And sorrowfully shed a tear. The Lord doth give and take away, And, if, "Thy will be done" we pray, He'll lead us thru these darkened days. Our loved one whom we bade farewell a year ago, Will in God's mansions dwell.

Mr. and Mrs. Dewey Whetstone

Mr. and Mrs. Charles Hand and Richard Deafenbaugh returned Saturday night from Hancock, Michigan in the upper peninsula, where they went to get relief from hay fever.

# LANDS 6 lb. LARGE MOUTH FROM WILSON LAKE

Mr. and Mrs. Ralph Ward and son, Ronald, of Mentone, Ind., out fishing for blue gills on Wilson Lake Saturday evening, hooked onto a 6 lb. large mouth bass. Mr. Ward had already taken his limit of blue gills. The bass was taken on a small blue gill hook, a worm for bait, and a cane pole. Needless to say Ward was headed Sunday morning to have this 6 lb. prize mounted, and we don't blame him!

—Central Lake Torch

Mr. and Mrs. Ralph Ward and son, Ronald, returned home Sunday from a combined hay fever-vacation trip. They went first to Scott Lake, Michigan, where they spent some time with Mr. and Mrs. Lawrence Elick at their resort there. Going on north they crossed the strait into the upper peninsula and into Wisconsin to Eagle River where they spent some time with Mr. and Mrs. Delbert Bowles at their resort. A clipping from the Central Lake Torch, to be found elsewhere in this issue, tells us a little of Ralph's fishing luck.

## CARD OF THANKS

I wish to express my sincere appreciation and thanks for the beautiful flowers and cards I received from my many friends and neighbors during my recent stay at the hospital.

# ADVERTISEMENT FOR BIDS

The Trustee of Harrison Township, Kosciusko County, Indiana, will receive sealed bids for the construction of an addition to the Mentone School until 7:30 p. m. Central Standard Time on the 25th day of September, 1952, in the office of the Trustee at the school house in Mentone, in the State of Indiana, at which time and place all bids will be publicly opened and read aloud.

Proposals will be received separately on the work as set out under the General Contract, Electrical Contract, Plumbing Contract, and Heating and Ventilating Contract. Combination bids will be accepted on all or any portion of the work, however, if it is not designated that a bid is a combination bid, the Trustee will consider each bid separately.

Proposals shall be properly and completely executed on proposal form furnished by the Engineer in accordance with Form 96, with non-collusion affidavit required by the statutes and must be accompanied by Questionnaire Form

96a, State Board of Accounts.

An acceptable certified check or bank draft, payable to the Trustee of Harrison Township, or a satisfactory bid bond executed by the bidder and a surety company, in an amount not less than 5% of the bid shall be submitted with each bid. Contractors awarded work will be required to furnish acceptable surety bond in amount of 100% of the contract price.

The contract documents, including plans and specifications, are on file in the office of the Trustee of Harrison Township, at the office of D. H. Lessig, Engineers, Times Building, Warsaw, Indiana, and at the office of the State Board of Accounts, Indianapolis, Indiana. Copies of the documents, including plans and specifications, may be obtained by depositing \$25.00 with D. H. Lessig, Engineers, which amount will be refunded to each actual bidder who returns such documents, plans, etc., in good condition within 10 days after the opening of the bids.

Wage rates on this work shall not be less than the prescribed scale of wages as determined pursuant to the provisions of Chapter 319 of the Acts of the General Assembly of Indiana for 1935.

Payment shall be made from funds derived from the sale of bonds and building fund, and the award shall be conditioned on funds being available for such construction and no bids shall be withdrawn after the opening of the bids without the consent of the Trustee of Harrison Township for a period of 60 days after the scheduled time of closing bids. The amount of funds made available for this project, including all construction is \$203,000.00.

The right is reserved to reject any or all bids and to waive any informalities in bidding.

Dated this 25th day of August, 1952.

# CHURCH CENTENNIAL TO

## BE CELEBRATED SUNDAY

The Silver Creek Church of God will celebrate the centennial of the church at the Homecoming, September 14. All are invited. There will be a basket dinner at noon and afternoon services at 2:00. Dr. V. G. Barnhart, president of the General Eldership, will bring the afternoon message and Rev. Alva Klopstein, of Auburn, Indiana, the evening message. The church is located 5 1/2 miles southwest of Silver Lake on the county line road. Rev. Victor Yeager is pastor.

## ROYAL NEIGHBORS MEET

On Tuesday evening of last week the Royal Neighbors were entertained in the home of Neighbor Georgia Teel. The meeting was called to order by the Oracle. Ten members responded to roll call. Under new business, two names were accepted for beneficial membership.

The mystery package was won by Chloe Griffiths. Contest winners were Snowden Halderman, Chloe Griffiths and Mary Teel. Auction was purchased by Cathryn Teel.

Shelia Fetzgerald and Sue Ann Barton played several selections on their cornets.

Next meeting will be with Cathryn Teel. The hostess and her assistant, Della Dillingham, served delicious refreshments.

### FRIENDLY NEIGHBORS MEET

The Friendly Neighbors Home Demonstration Club met at the home of Mrs. Everett Rookstool on Monday evening. The meeting was called to order by the president, Mrs. Rookstool, after which "America, the Beautiful," the State Club Song, was sung in unison. This was followed by everyone repeating the Home Economics Creed.

Meditation was given by Mrs. Oral Welch, who read three poems: "The Woodbox," "Mother Entertains the Club" and "What Do You Owe?"

Mrs. Ernest Studebaker led the group in singing "Carry Me Back to Old Virginny," the song of the month.

Health and Safety remarks on "Why Worry" were read by Mrs. Alden Jones.

Miss Peggy Tinkey of the Burket Cheerio 4-H Club gave a very interesting demonstration of preparing a vegetable tray. Peggy showed some interesting and new ways to prepare the same old vegetables.

The lesson, "New Developments in Wool and Cotton," was given by Mrs. Alden Jones, who gave some very interesting facts about Orion, Dacron, Dynel and Vicara.

Fifteen members and one guest, Mrs. Clarence Tinkey, answered roll call with a favorite salad or salad dressing. The secretary's report was read followed by the treasurer's report.

The meeting adjourned by singing the Club Prayer Song.

Delicious refreshments were served by the hostess, assisted by Mrs. Monroe Romine.

The next meeting will be a Hard Times pot luck supper at the home of Mrs. Turner Boggs at six o'clock on October 13.

### EXTRA TEACHER AT TALMA

Due to a large number of first graders enrolled in the Talma school this year it has become necessary for Trustee Charley Green to hire another teacher for the primary classes.

The new teacher is Mrs. Lena Barkman who will have the second grade and a portion of the third grade.

With the start of school it was found there would be 46 in the first and second grades. Miss Mary Norris had been engaged to teach both grades originally. With the large number Miss Norris will have the first grade only.

Mrs. Barkman graduated from the Talma High School and took her training at Indiana State Teachers College. She formerly taught in the Newcastle schools and at Leiters Ford and Akron.

Mr. and Mrs. Don Snipes are now residing in Talma since his discharge from the army. Mrs. Snipes is the former Bonnie Jean Emmons.

Mr. and Mrs. Lawrence Elick have returned home after spending the summer at their resort at Scott's Lake, Michigan.

Subscription—\$2 Per Year

## MENTONE EGG SHOW TO START HERE WEDNESDAY

Finest Program Ever Arranged for 1952  
Event at "Egg Basket of the  
Middlewest"

### QUEEN SELECTION WEDNESDAY

Without question, the 1952 Egg Show has arranged the finest schedule of entertainment ever to be offered. The show has been increased to three nights for this year and each evening's program includes an abundance of high class entertainment features.

Wednesday evening's program, in addition to the selection of the egg show queen and her four attendants from the 11 candidates entered, includes the Monarchs Music Marvels, a 30-piece electric accordion band that has won almost every honor it is possible for a group of this kind. The past six years they have won first place at the Illinois State Fair and have placed first the past four years at the Chicagoland Music Festival.

Thursday evening there are four brief but valuable educational talks which no poultryman should miss. In addition there will be musical features and the showing of a colored movie.

Friday night will start off with the usual banquet dinner. The dinner this year, however, will be different in that the chicken barbecue will be completely prepared and cooked over charcoal ovens right at the banquet hall and will be served hot and delectable. The dinner will be properly balanced with the usual variety of trimmings.

Following the dinner there is a splendid program of entertainment and the crowning of the Egg Show Queen. No one should miss this night. Banquet tickets are now on sale at your hatchery, feed merchant or banker. The price is the same as in the past—\$2.

For more complete detail of the program, refer to another page in this issue.

Mr. and Mrs. Henry Utter, of Wabash, and Mr. and Mrs. Russel Eber attended the Stock Car races at the 87th Street Speedway in Chicago, Tuesday evening.

### TO LIVE IN ENGLAND

Mr. and Mrs. Louis Rees, who have resided in Mentone for about two years, will leave today for Windsor, Canada and then on to Toronto, for a few days visit with friends before sailing on Friday, September 26 for England.

They will sail on the Empress of Scotland and plan to arrive in Liverpool on Friday, October 3.

Mr. and Mrs. Rees are the parents of Mrs. Robert Nottingham, of Mentone. Prior to moving to our community they resided in Canada.

In England, they will live in Birkenhead, at the old family home, now maintained by Mr. Rees' sister, who is to be gone for two years caring for a relative on the island of Cyprus. Mr. Rees has four brothers in England, too.

Mr. and Mrs. Rees express regrets at leaving Mentone, having enjoyed their stay among us. We in the community, too, are sorry to lose these fine people, but trust that their future plans may again bring them our way.

### DON'T FORGET P. T. A. POTLUCK

All school parents and teachers are urged to bring your family and well filled baskets to the P. T. A. potluck supper this Friday evening at 6:30. Bring your own table service, too.

In addition to the social hour, the teachers will hold open house, giving the parents an opportunity to meet each teacher and visit the classrooms. Do try and be there.

### HOME FROM KOREA

Sgt. Dale H. Stiffler arrived home Sunday after being released from active duty at Camp Carson, Colorado. He was overseas 18 months and had spent 14 months of that time in Korea. Dale was a radio operations sergeant with the 4th Signal Battalion. Before leaving his outfit, near Inje, Korea, he was awarded the Bronze Star for meritorious service, by the battalion commander.

### FLYS HOME FROM CALIFORNIA

Herschel (Hody) Fenstermaker was a caller at the Co-Op. News office on Tuesday, having just come in from Etna Green. It had taken him just 6 hours and 20 minutes to fly from Los Angeles to the airport in Chicago. His trip from Chicago to Etna Green, by bus, had taken him nearly that long.

Hody and son, Don, made the trip by car to Los Angeles, where Don will be a junior at the University of Southern California.

They saw the south rim of the Grand Canyon, the Painted Desert and the gambling town of Las Vegas.

### A SURPRISE SHOWER

A surprise bridal shower was given in honor of Miss Geneva Whetstone at the home of Mary Louise Bare on Tuesday evening. She was assisted by the co-hostess, Pat Starr.

Contests were enjoyed by Mrs. Jody Harmon, Mrs. Bonnie Snipes, Donna-gene Dillman and Jackie Blue. Those sending gifts but unable to attend were Darlene Boyer, Mary Esther Creamer, Martha Creighton and Berna Dean Sensibaugh.

Dainty refreshments of ice cream and cake were served.

Geneva received many lovely gifts.

### BRIDAL SHOWER GIVEN

Miss Ramona Goodman was honored September 10th with a bridal shower given at her home by Mrs. Mike Yazel and Mrs. Marshall Goodman.

The afternoon was spent socially. Ramona received many lovely and useful gifts. Those present besides Mentone guests were from Bourbon, Etna Green, Bremen and Argos.

Refreshments of ice cream, cake and mints were served to the 42 guests.

### WISE

Mr. and Mrs. Leroy C. Wise are the parents of a 7 lb. son born Saturday, September 13 at the Woodlawn hospital.

The new boy has been named James Edward. Mrs. Wise and infant son were brought home Tuesday.

"Bud" received his discharge from the army on Wednesday of this week. Mr. and Mrs. Wise and son will reside with her parents, Mr. and Mrs. Francis Kehoe, for the present.

### O. C. MONTGOMERY DIES

Omar Charles Montgomery, 76, well-known resident of Talma, passed away at 5:30 o'clock Sunday morning from a heart attack at his home. Mr. Montgomery had been in ill health for the past year. He had many friends throughout Fulton county and had resided in Newcastle township all his life.

He was born November 5, 1876. His parents were William and Clara (King) Montgomery. He followed the occupation of farming until retirement several years ago.

Mr. Montgomery was thrice married, first to Noreen Groves on September 1, 1898, who died on July 25, 1914. He then married Verda Woods on November 23, 1915, and she preceded him in death on December 28, 1949. His third marriage was to Maude Kinsey on March 30, 1951. She survives.

Other survivors are a son, Lavoy Montgomery, at home; two sisters, Mrs. Walter Sweet, of Long Beach, California and Mrs. A. J. Blakely, of Rochester. A sister and a brother preceded him in death.

Funeral services were held at 2 p. m. Wednesday at the Zimmerman Brothers funeral home, in Rochester, with the Rev. Paul Trumbauer, of Bourbon officiating. Burial was in the Reichter cemetery.

### HAVE PINK AND BLUE SHOWER

On last Thursday afternoon, Mrs. Frank Smith and Mrs. Herschel Teel were hostesses at a pink and blue shower honoring Mrs. Orval McFadden, at the Smith home.

The afternoon was spent socially. The guest of honor received many lovely gifts.

### CLUB CALENDAR

The Sodales Club will meet with Genavee Nelson Tuesday evening, September 23.

Regular meeting Masonic Lodge on Monday night, September 22, at 7:30 p. m. Work on E. A. Degrees.

American Legion Auxiliary Tuesday evening, September 23, at 8 p. m. at the Legion Home. Installation of officers. All members are urged to attend.

D. A. R. meeting on Tuesday, September 23, at 7:30 p. m. at the home of Mrs. Vera Kelley.

P. T. A. pot luck supper, this Friday evening, September 19, at 6:30 p. m. Come and bring the family.

### LOCAL BREEDERS BUY STOCK AT NATIONAL CONGRESS

Local purebred Duroc breeders from Mentone bought one of the ten top selling pens of three gilts at the recent 70th Anniversary National Duroc Congress at Indianapolis, Indiana. The local buyers were the Nellans Pig Hatchery who paid \$165 for the 11th placing pen of three gilts at the Congress. The animals were consigned by E. W. Bridges & Sons, Henderson, Ky.

Despite state embargoes, 1,400 persons attended the national event, coming from 26 states and Scotland. Visitors saw an educational program including a type conference, judging contest and carcass demonstration. Leading specialists in the swine world were there to set future Duroc type with purebred Duroc breeders. The breed is specializing on the hog that will gain fast and efficiently for the farmer, produce large litters and cut out lean, red meat.

The 63 prize winning animals averaged \$225.91 and the exhibitors won nearly \$4,200 in premium money paid by the United Duroc Record Association. That association and Purdue University sponsored the event.

### MENTONE HOME DEMONSTRATION CLUB MEETS

New fibers and fabrics were discussed by Mrs. Earl Smith, who gave the project lesson at the meeting of the Mentone Home Demonstration club, held Thursday afternoon at the home of Mrs. John Laird, near Mentone. Mrs. Smith told of the good points, the uses, the care and the problems in using fibers newer than nylon. These include Orlon, Dacron, Vicara, Dynel, Acrilan and Fiberglass, which are not yet available in large quantities.

Mrs. Edith Darr read the article, "Blind, But Now I See," for the meditation. Mrs. Howard Horn, vice president, introduced the program.

The new club constitution and by-laws were adopted as read by Mrs. Elmer Sarber. Mrs. William Vernet, Mrs. Masa Nelson and Mrs. Edith Darr were appointed as the nominating committee. Mrs. Harry Vernette presided.

Mrs. Smith, Mrs. Claude Gates, Mrs. Howard Horn, Mrs. Cloice Paulus and Mrs. Bertha Meredith were high bidders in the auction.

Mrs. Gates was awarded the mystery package. Gifts were received by Mrs. Everett Long, Mrs. Vernette, Mrs. Ada Meredith, Mrs. Nelson, Mrs. Gertrude Hill, Mrs. Darr and Mrs. Homer Blue. Mrs. Darr assisted Mrs. Laird in entertaining the 21 members present and their guest, Mrs. Ray Terry, of South Bend, a former member of the club.

Mrs. Leroy Cox will be the hostess at the next meeting of the club. Mrs. Gates will assist her and Mrs. Cloice Paulus will present the lesson, "New Developments in Wool and Cotton."

### MRS. CHARLES TUCKER

Mrs. Charles H. Tucker, 68, of near Burket, died at 9:15 p. m. Tuesday at the Woodlawn hospital at Rochester. She had been ill five months, due to complications.

Mrs. Tucker was born February 18, 1884, near Beaver Dam, the daughter of Wesley and Alice (Middleton) Flenar. She was Blanche Flenar before her marriage to Mr. Tucker on August 24, 1902.

Surviving relatives include her husband; four daughters, Mrs. Harry Herendeen of Silver Lake, Mrs. Chester Christian, of Bourbon, Mrs. Homer Holloway, of Warsaw, and Mrs. Henry Hartman, of Akron; one son, Harold Tucker, of Logansport; three sisters, Mrs. Walter Rager, of Akron, Mrs. Cloice Baum, of Mentone and Mrs. George Keefer, of Marion, Ohio; two brothers, Charlie Flenar, of Warsaw, and Merle Flenar, of Rochester; 14 grandchildren and seven great-grandchildren.

A daughter preceded her in death.

Funeral services will be held at 2 p. m. Friday at the Moyer-Haupt funeral home, in Akron. Rev. Lee Hill, of Silver Lake, will be in charge. Burial will be in the Akron cemetery. Friends will be received at the funeral home.

### FINE LIONS MEETING

The Mentone Lions Club met at the school building Wednesday evening, with a large number of the members present.

Lions Raymond Cooper and John Boggs were presented with past-president and past-treasurer lapel pins, respectively, honoring their services as former officials.

Dr. Frank Waltz, Maynard Johnston, John Jackson and Raymond Lewis were initiated into the club as new members.

Following the meeting the group went to the Midwest Spring Manufacturing plant where Manager Riewoldt explained some of the work they do at this new but modern Mentone industrial plant. They make all kinds of springs and all of their work is done for customers that order certain specified springs or spring products. They now employ 27 people.

### ASSISTANT COACH

With a name like Hoogenboom—with Abe as the leadoff—one naturally presumes that there should be a few new things added to the coaching at Mentone High this year, but few of the fans expected what they saw Wednesday afternoon.

The Mentone boys were playing their rivals from the north, Atwood, and just when one of the Atwood players went after a hit ball, Abe's dog dashed out and bit him on the leg.

Mentone should go quite a ways this year—either ahead of the fans or the foes.

### ACTIVE BUILDING PROGRAM

Carpenters are busy in Mentone, especially at the Bob Reed subdivision south of the creek. The Milo Fawleys are building a new home there, and south of them Mr. and Mrs. Albert McKeighan and Mrs. McKeighan's parents, Mr. and Mrs. Metz Peterson, are starting a new home. Bob Reed, too, is building a cattle shed on the northeast of his barn.

The Mentone American Legion has been busy recently putting a new porch and porch roof on their Post Home.

### IN SERIOUS CONDITION

Everett Long announced Wednesday evening that his father, in a Warsaw hospital, is in a serious condition. Mr. George Long has not been well for several months.

Mrs. Ella Latham is much improved from her recent sickness. She is in the home of her daughter, Mrs. Fawn Janke.

September is a good time to reseed bare spots in the lawn. Kentucky bluegrass, sown at the rate of three pounds per 1,000 square feet and worked lightly into the soil, should make good growth before winter. Purdue University landscapers advise keeping the soil moist at all times.

Harold Nelson, C. E. Walburn, Miles and Charles Manwaring, C. O. Mollen and Elmore Fenstermaker returned on Wednesday from a short fishing trip into Michigan. Unofficial reports are that the fishing "wasn't so hot."

**GRASS SILAGE BEATS  
SUMMER MILK SLUMP**

One of the most important benefits to be derived from the making of grass silage is the protection it offers against a slump in summer milk production, according to G. A. Williams, Purdue University extension dairyman.

When pastures do not provide ample feed supplies to meet the needs of the herd, a few pounds of grass silage reduces the daily grain allowance required. Silage helps to maintain milk production without forcing the cows to lose weight during the hot weather. Later in the season, the silo may be re-filled with corn and the full winter's feed supply will not have been reduced.

Dairymen who do not have a silo can feed a few pounds of hay per cow after each milking. Feeding trials have proved that the increase in production resulting from feeding hay to cows on improved blue grass pasture may be more than \$100 per ton for the hay fed.

### BAPTIST NEWS

On Monday the pastor and his wife left with Mr. and Mrs. Leroy Norris, Mr. and Mrs. Cecil Nelson and Mr. Earl Nottingham for Cambridge City for the state meeting of the General Association of Regular Baptists. They came home on Tuesday evening from the two-day meeting. Three new Baptist churches were accepted into the fellowship in the state which now brings the number of churches in the denomination in the state up to 48 churches. Churches came into the fellowship from West Lafayette, Gary and Kokomo. Most encouraging reports were given of the work and especially of the new church to be organized in Plymouth the first of October. A church building was purchased in Plymouth last week and a full time pastor will move there this week to begin the work.

Last Sunday evening some 259 people went to the Baptist Church for the service and saw the Kodachrome color slides the pastor took of the trip to the Holy Land. Pictures shown were those from the take-off in Fort Wayne to Paris and then on to Rome. This next Sunday evening pictures will be shown of Cairo, Egypt to Beirut, Tyre and Sidon in Lebanon. The public is cordially invited to come and see these pictures taken in Arab countries. These pictures will be fully explained in the light of the present trouble between the Arabs and Jews in Palestine.

Thursday evening in the mid-week service a short report of the Cambridge City meeting will be given by those who made the trip. Plans are in the making for a special meeting in the week of Thanksgiving with Evangelist

Paul Levin and Bob Findley. Brother Findley is blind and the two will make a great radio team while they are here. They will sing each night of the services. They have been together for 17 years. Bob Findley, though blind, knows some 3,000 Gospel hymns by heart. Further information of these meetings will be given later.

### METHODIST CHURCH NEWS

On Friday, September 5, the following ladies of the W. S. C. S. attended the Warsaw District Officers' Training Day sessions at Ligonier: Mrs. Adam Carper, Mrs. F. B. Davison, Mrs. John Ellworth and Cindy, Mrs. Robert Firkins, Mrs. David Gosser, Mrs. A. Hatfield, Mrs. Dan Urschel, Mrs. Jack VanGilder and Mrs. Abe Whetstone.

The topic for Sunday's sermon is "This Bogy-man, FEAR."

After many requests for definite counselling hours, the pastor has set the following hours when he may be contacted in his church study: Tuesday through Friday, nine to twelve a. m., afternoons and evenings by appointment, Thursday afternoons and evenings before and after scheduled activities, and Mondays and Saturdays by appointment. It is to be known that the pastor will make himself available, however, when emergency calls and counselling are necessary. The ministry is not a profession—it is a Christian Service to people who need spiritual guidance and must be available when the needs arise, therefore, the stated hours are made for the convenience of those who desire information when the

pastor is most likely to be available.

Rally Day will be observed by the Church School on Sunday, September 28, by a program, special worship service and promotion activities.

The University of Life Program will begin on Sunday evening, October 5, with the Rev. Dale Stackhouse as our speaker. This will be an opportunity for the members and friends of the church to become acquainted with the new District Superintendent of the Warsaw District. The invitation has been extended to his family, also.

Layman's Sunday will be October 19 this year, and the gentlemen in charge of this service will be Raymond Cooper, Charles Manwaring and Ralph Mollenhour. These men recently attended the Laymen's Retreat at DePauw University.

## IF THIS WILL ONLY WORK ON TAXES

A chemical which may replace the lawn mower is being tested at experiment stations, reports Capper's Farmer.

Maleic hydrazide seems to throw plants into low gear and keep them from growing for a while, says the nationally-circulated farm magazine. It may substitute for pruning shears and the lawn mower, detassel corn, and hold back early flowering plants until danger of late frost is past.

"Heavy applications of maleic hydrazide kill grass, but in smaller doses growth is checked and plants retain their fresh green appearance," continues the article. "Grass along roadsides and in parkways, sprayed with

2 pounds of the chemical an acre in early May by the Connecticut State Highway Department required only 2 mowings throughout spring and summer. Adjacent sections had to be mowed 19 times in the season.

"Tests also found that maleic hydrazide can be mixed with 2,4-D weed-killer so that one treatment would not only slow growth of desirable grasses but would destroy objectionable weeds. Until more is known about effects of this material, not more than one application should be made in a season. What effect it has on winter survival of various grasses has not yet been fully determined.

"At a California Experiment Station maleic hydrazide was sprayed on half a hedge after it was trimmed, leaving half as a check. Three months later the unsprayed section had produced shoots from 12 to 15 inches long, 40 shoots to the square foot. The sprayed portion sent up one shoot to every square foot and these were less than two inches long.

"Maleic hydrazide stops development of tassels, and seems to act over a longer period than 2,4-D. It has been generally toxic to corn but scientists

**NEW**  
Swift's  
Mineral Supplement  
BLOCK

Mineral feeding hits a new high in ease and economy with Swift's Mineral Supplement in block form. Perfected by Swift for cattle and sheep, the new mineral block meets these strict regulations:

- It's soft enough so animals get their mineral quota easily
- It's hard enough to resist weather
- It's easy to handle, easy to feed

In formula and quality the block is the same as the familiar Swift's Mineral Supplement in powdered form. It provides ten essential mineral elements all livestock need. It's held together by a palatable molasses binder. Swift's Mineral Supplement contains no fillers or waste. Every ingredient has feeding value.

Supplies these ten profit-making elements

- Manganese
- Iron
- Copper
- Cobalt
- Chlorine
- Calcium
- Phosphorus
- Magnesium Sulphate
- Iodine

THE CO-OP. MILL

hope to find a time in the life of the plant—or some method of application—which will inhibit tassels without reducing stalk and ear growth. Chemical detasseling would be a boon to commercial growers because the job costs about \$10 million yearly."

## SOCIAL SECURITY PAYMENTS TO BE LARGER NEXT MONTH

Social Security checks mailed September 3 to 2,796 people in the tri-county area of Elkhart, LaGrange and Kosciusko were the last under the old rates of payment, according to Gerald Kelver, Manager of the Elkhart Social Security Office. The total amount the beneficiaries received was \$114,270. Payments due to the same people early in October will amount to about \$129,299.

As a result of changes made in the Social Security Law in July, nearly everyone receiving old-age and survivors insurance benefits will get higher payments. Most retired workers will receive increases ranging from \$5 to \$8.60. Increases for dependents and survivors will be less than those for retired workers. In most cases, these increases will be about \$2 to \$5.

"For example," Kelver says, "a retired insured worker whose August payment was \$40, based on earnings received since 1936, will get a September payment of \$45; a worker who got \$68.30 in the current check will get \$77.10 the first week in October.

It will not be necessary for persons now getting old age and survivors insurance payments to call or come to the Elkhart Social Security Office to get the increases. The checks they will receive early in October will automatically carry the increased amounts.

### NAMED CHAIRMAN OF CROP PROGRAM

William A. Orr, Warsaw, has been named Kosciusko County chairman of the Christian Rural Overseas Program's 1952 harvest appeal.

Mr. Orr will organize the campaign for food contributions throughout Kosciusko County townships. Each township will have chairman and canvassers will be asked to sign up. The CROP film, which will be shown in schools, movie theaters and other meeting places, features a talk by John D. Metzler, National Director of CROP, who shows pictures taken on his recent trip to Europe and the Middle East.

Contributors may designate their gifts to any church or humanitarian organization they wish. CROP undertakes to channel the gift to the agency chosen for distribution overseas.

In many countries of the world great masses of people are on the brink of losing faith because they have nothing to eat. Their future holds nothing but hunger, loneliness and despair.

The Christian Rural Overseas Program is better known throughout the nation as CROP. The program calls for donations of food for persons overseas who cannot help themselves and are not being supplied through regu-

lar channels. They are refugees from behind the iron curtain countries, war victims in Korea, needy people in the drought-stricken areas of India, and countless thousands of displaced Arabs in the Holy Land.

When a neighbor is in need, it has always been the good American custom for all of us to pitch in and help.

The people overseas, in the starvation areas of the world, are our neighbors.

We can help restore hope to these people and help them to help themselves through CROP, the Christian Rural Overseas Program.

I have undertaken to organize the CROP appeal in Kosciusko County because I believe that we all must help when a human being is in need. I am asking all who read this to volunteer for this great Christian cause.

Mr. and Mrs. Howard Newton and children, of Hammond, spent the week end at the home of Mrs. Tessie Newton.

**MOTHERS OF WORLD WAR II**

The Mothers of World War II met at the home of Opal Tucker Wednesday evening, September 10, 1952 with their annual school party.

Roll call was answered by 17 members.

The usual order of business was held

with reports given and communications read.

The Anniversary Party is to be held at the Eskimo Inn at Winona Lake on October 8.

Several donations were received by the unit for the use of our hospital equipment.

Several recitations and songs were given by each member in memory of our school days.

Cracker jack and grape juice were served by our hostess along with our school lunches.

Each member reported a very enjoyable time.

Sunday dinner guests at the home of Mr. and Mrs. Stanley Newton and family of Burket were: Mr. and Mrs. Howard Newton and family, of Hammond; Mr. and Mrs. Franklin Newton and family, of Rochester, and Mrs. Tessie Newton. The event being in honor of Jerry Ray on his tenth birthday.

# There's NO value like Chevrolet value!

...the lowest-priced line in its field!

Measure value by what you get for what you pay . . . and it's easy to see why more people buy Chevrolets than any other car.

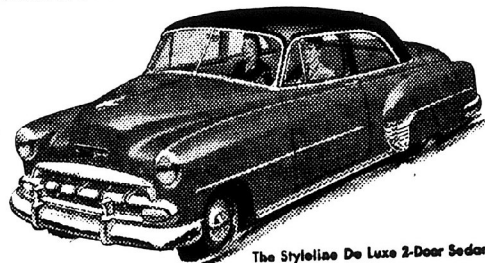

For you get *more* with Chevrolet . . . fine quality features found in no other low-priced car. And yet you pay *less* . . . for Chevrolet is the lowest-priced line in the low-price field.

Today more and more people are looking for greater value in everything they buy. Come in and let us show you all the reasons why—in automobiles—there's no value like Chevrolet value.

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

**MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CARS**

## THE RACCOON

Raccoon, pirate, pet, predator, prize or pest. So varied are the relationships between men and raccoons that you may take your choice for a single designation. Teddy Roosevelt built his Bull Moose party about a wild animal. This being an election year we found Senator Kefauver following his example and using a coon skin cap as a campaign symbol. The fate of the Senator's ambitions matters little to the coon who seems able to survive dogs, traps, civilization, fire, hunters and almost anything. Even the rage of college boys for coon skin coats did not wipe the animals out of their range over our whole country.

Raccoon

©1952 National Wildlife Federation

When a country boy in his early spring wanderings finds what look like the prints made by little 2x4 inch hands in the mud along the creek he has a hunch that the coons have come out of hibernation. If he is a careful observer he looks for one track with four toes instead of five and if he finds one he knows he has found a track of a woodchuck rather than a coon.

Raccoons breed in February just after coming out of their hibernation. In 63 days two to six young are born of the union and both parents take part in the success of the little family which may remain as a group through the

first winter. By the first winter a young coon may have reached a weight of 12 pounds. Two hundred acres of suitable woodland should yield an annual crop of one raccoon in spite of the normal accidents of nature. A full meal may be about a half pound of fish but it may be equivalent in crayfish, insects, sleet corn or vegetables.

We hope this clown of our neighborhood never vanishes off our home range. If he does we will move to his just for the fun of it. Without prejudice for or against Senator Kefauver's political future the National Wildlife Federation of Washington, D. C., this year elects his political symbol, the raccoon, to its 1952 Hall of Fame—its remarkable popular wildlife stamp series by E. Laurence Palmer.

Dr. Dan Urschel returned to his home here Friday from Grand Morris, Minnesota, where he and his family spent their vacation. Mrs. Urschel and children had returned home for school while Dr. Urschel stayed longer for hay fever relief.

Mr. and Mrs. Denton Abbey and daughters spent their vacation in Pennsylvania with relatives.

# ELEVEN CANDIDATES LISTED IN EGG QUEEN CONTEST

Eleven young ladies, from as many schools in this area, are listed as candidates for the title of queen for the Mentone Egg Show to be held next week, Sept. 24, 25 and 26 at Mentone. The queen and four attendants will be chosen on Wednesday evening, following the musical program to be put on by the Monarchs Music Marvels, a 30-piece electric accordeon band that has won the Illinois State Fair Championship the past six years.

The queen candidates are:

## AKRON—

Helen Miller, aged 17, senior, the daughter of Mr. and Mrs. Ed Miller of R. 1, Akron.

## ATWOOD—

Sally Williams, 16, senior, daughter of Mr. and Mrs. Howard Williams, Atwood.

## BEAVER DAM—

Judy Clinker, aged 15, sophomore, daughter of Mr. and Mrs. Gerald Clinker, R. R. 2, Akron.

## BURKET—

Sharon Williamson, aged 17, senior,

daughter of Mr. and Mrs. E. W. Williamson, Burket.

## CLAYPOOL—

Sharodene Lowery, aged 15, sophomore, daughter of Mr. and Mrs. H. B. Lowery, R. 2, Claypool.

## ETNA GREEN—

Josephine Heisler, aged 16, junior, daughter of Mr. and Mrs. John Heisler, Etna Green.

## LAKETON—

Nancy Bright, aged 16, junior, the daughter of Rev. and Mrs. J. F. Bright, Laketon.

## MENTONE—

Kay Hatfield, aged 17, senior, daughter of Mr. and Mrs. Albert Hatfield, Mentone.

SILVER LAKE—Sereta Ring, aged 14, freshman, daughter of Mr. and Mrs. Clifford Ring, Silver Lake.

## TALMA—

Shirley Overmyer, aged 17, senior, daughter of Mr. and Mrs. Nelson Overmyer, R. R. 5, Rochester.

## TIPPECANOE—

Eleanor Hazen, aged 16, senior, the daughter of Mr. and Mrs. Fred Hazen, R. 2, Bourbon.

ADVERTISE — IT PAYS!

# GIVE BRIDAL SHOWER FOR MISS CATHERINE MARTIN

Miss Catherine Martin, daughter of Mr. and Mrs. Charles Martin, of route 4, Warsaw, was the guest of honor at a bridal shower given Wednesday evening at the Camel Club. Her marriage to Donald McGowen, of Mentone, will take place Wednesday evening at the Atwood Evangelical United Brethren church.

Mrs. John Steffe, Mrs. Gene Kindle and Mrs. Junior Gross were the hostesses at the shower. Pastel colors were used throughout the decorations. These included the trellis, behind the table on which many miscellaneous gifts were placed. Other features were white wedding bells and replicas of wedding rings, above the nicknames of the couple, "Kate and Pete."

Gladioli in rainbow colors were the floral decorations on the U-shaped table at which refreshments were served. Favors were miniature bridal figurines.

The guests included Mrs. Bert McGowen, Mrs. DeVon Hibschan, Mrs. Charles Miller, Mrs. Herschel McGowen, Mrs. Erm McGowen and Mrs. Mel McGowen, of Mentone; Mrs. Charles Martin, Mrs. Robert D. Martin, Mrs.

Mabel Watkins, Mrs. Ward Haney, Mrs. Clyde Summy, Mrs. Robert Dunnuck, Mrs. Jack Powell, Mrs. Ray Williamson, Mrs. W. H. Griffin, Mrs. Ralph Hoffer, Mrs. Earl Burwell, Mrs. Earl Goshert, Mrs. John Kindle, Mrs. Howard Swoverland, Mrs. Junior Taylor, Mrs. Cleo Taylor, Mrs. Lowell Taylor, Mrs. Harold Miner, Mrs. Lester Taylor, Mrs. Glen Steffe, Mrs. Royce Cox, Mrs. Hazel Marsh, Mrs. Donald Clase, Mrs. Tracy Cochern, Mrs. Beryl Yeiter and Mrs. Kenneth Parks, of Warsaw; Mrs. Robert Martin, Mrs. Jack Garman and Mrs. Albert Orcutt, of Atwood; Mrs. Paul Harris, of Winona Lake; and Mrs. Dewey Martin, Mrs. Richard Cain, Mrs. Fred Jensen and Mrs. Oreal Corl, of Nappanee.

—Warsaw Times-Union

Mrs. Chas. Cooper, of Tippecanoe, left Sunday to visit with Cpl. and Mrs. Robert C. Smith, of Oceanside, California. Mrs. Cooper is the mother of Mrs. Smith.

## SCHOOL NEWS

The lunch program began serving meals on Monday with 204 pupils and teachers eating. The cafeteria tables were refinished by the bus drivers under the direction of Albert Tucker. Omer Morrison and Jack Pritchard also helped.

The Mentone High School softball team won a close game from Etna Green last Friday 12-10. Dickey pitched for Mentone with Brown behind the plate. On Tuesday evening at Mentone, the local boys played the strong Claypool team. Friday evening the Bulls play at Silver Lake. On Saturday evening the high school team will play Atwood under the lights at Mentone. The Kosciusko County Softball tourney will begin next week.

The first issue of the Mentonette, the weekly school newspaper, appeared on Monday. Over one hundred pupils have subscribed to the paper this year. Kay Hatfield is editor.

The Student Council held its first meeting on Thursday of last week. The following officers were elected: President, Mary Van De Water, vice-president, Boyd Blue; Secretary-Treasurer, Phyllis Grubbs. The students made plans for the election of cheer leaders. Committees were appointed by the president.

The Senior Class has selected as its

Senior Play, "If You Knew Susie," a royalty play by James F. Stone. Try-outs will be held during the noon hour on Thursday and Friday. Dale Kelley will coach the play. The tentative play date has been set for October 17.

A faculty meeting was held on Monday evening. Routine matters were discussed. A short discussion of the Annual School Report was given.

Sharon Miekley has withdrawn from the sixth grade to move to California. Charles and Ronnie Wood have entered the Mentone School. Charles is in the sixth; Ronnie is in the second.

# HARMAN — CULLUM

In an impressive ceremony on Saturday afternoon, September 6, at the Warsaw Church of God, Jo Lynn Cullum, daughter of Mr. and Mrs. Artley Cullum, Mentone, was united in marriage to Thomas W. Harman, son of Mr. and Mrs. Walter Harman, Etna Green.

A musical prelude of piano selections was played by Miss Lucinda Steiner, of Kokomo. "I Love You Truly" and "Because" were sung by Miss Carol Boyer, of Winona Lake.

A trio composed of Dolores Knouff, Norma Wiard and Norma Leedy sang "Saviour Like A Shepherd Lead Us" just before the wedding vows were exchanged.

Lighted tapers in tall candelabra, palms, and beauty baskets of white gladioli and yellow spider mums formed a background before which the double ring ceremony was performed by the pastor, Rev. O. L. Johnson.

The matron of honor, Mrs. Kenneth Wagner, wore a floor-length gown of rosewood taffeta, and carried a hand bouquet of ivory gladioli.

Miss Rosemary Harman, of Etna Green, sister of the groom and Miss Patricia Davis, Three Forks, Montana, cousin of the bride, were bridesmaids. Miss Harman's gown was of golden chartreuse and Miss Davis' of frost green taffeta. They were styled identically to that worn by the matron of honor. Their hand bouquets were of rose gladioli and yellow gladioli. All three of the attendants wore matching plaited headbands.

The flower girls were little Paula and Donna Kaptan, of Chicago, cousins of the bride. They wore floor-length gowns of yellow taffeta, styled like those of the other attendants. Their headbands were of yellow daisies.

Douglas Johnson, son of Rev. and Mrs. O. L. Johnson, and John Lancaster, of South Whitley, cousin of the bride, were ringbearers.

Kenneth Wagner attended the groom as best man. Max Harmon, brother of the groom, and Paul Cullum, uncle of the bride, also were attendants.

Ushers were Nick Carey, South Whitley, Steve Strong, South Bend, Douglas Mock, Syracuse, and Jon Cullum, Mentone.

As the bride entered the church with her father, who gave her away, she was wearing a gown of nylon tulle over white taffeta. The bodice was of Chantilly lace fashioned with a high neckline and a small peter pan collar, edged in pearls. The sleeves of the same material extended to points over the hands. A full lace peplum was applied to the over skirt of nylon tulle. Her finger-tip veil fell from a lace-covered crown and was edged with appliques of pearl-centered Chantilly lace roses. The bridal gown and veil were fashioned by the bride's grandmother, Mrs. Roy Cullum. Her hand bouquet was of white gladioli centered with yellow roses.

The bride's mother wore a dress of teal blue with navy accessories. Mrs. Harman wore a green crepe dress with brown accessories. Their corsages were of red roses. The three grandmothers wore corsages of baby mums in deep pink.

Following the ceremony, a reception was held for around 200 guests at the Cullum home in Mentone. The reception table was spread with a cloth of Irish linen lace and was centered with a three-tiered wedding cake, topped with three spun-sugar bells. The cake was encircled with a garland of gladioli blooms and huckleberry foliage.

Those assisting at the reception were Miss Elaine Harshner, Etna Green; Miss Laura Hawkins, Lafayette; Mrs. Robert Humphries, Plymouth; Miss Ann Shope, Flora; Miss Lucinda Steiner, Kokomo; college friends of the bride; Miss Berna Dean Sensibaugh, Warsaw; Miss Jean Blankenship, Warsaw; Miss Wreatha McFarren, Mentone; Beth and Susan Lancaster, of South Whitley; Mrs. Charles F. Green and Miss Monna Darr, Mentone.

When leaving, the bride pinned her corsage of yellow roses to her dress of aqua shantung. Her accessories were of brown.

Mr. and Mrs. Harman are now living in Etna Green since returning from a wedding trip to the Wisconsin Dells.

Mr. Harman is an employee of the County Highway Department. Mrs. Harman is working in the Revenue Accounting Department of the Telephone Company in Warsaw.

## PARENTS, THIS IS FOR YOU

We are borrowing a set of rules entitled "Give the Children a Break" from our neighboring paper, the Argos Reflector.

Our principal, teachers and P. T. A. have stressed these rules many times, but here they are again, in concise form.

### Give The Children A Break

The Mentone Schools are enlisting the cooperation of all parents at the beginning of the new school year by asking them to study these common sense rules:

TO PARENTS: Vacation is over and school is starting again. Now, you will be sharing your children with us for more than 25% of every school day. How can we work together for the best interests of this precious human cargo—for your children are our children!

OUR PART: Trained teachers will use available scientific research to teach certain knowledges and skills, so your child may live intelligently in a troubled world.

Reading, writing and arithmetic and the fundamentals will be taught better than ever as essential equipment for all citizens.

The schools will do much to teach love, honesty, and fair play—the basis of good citizenship.

Books audio-visual aids, projects and

plans, bus trips, and various educational materials are available for constant use.

YOUR PART: See that your child has plenty of sleep at regular hours. Fatigue slows down all his facilities.

Set your clocks right. Few tardies are the fault of the children. A tardy child is often emotionally upset for the rest of the day.

Feed him as good food as you can afford—a balanced diet. Be sure he eats an adequate breakfast in leisurely fashion. He must start the day right.

Insist on clean hands before touching food. Take extra good care of his teeth. This is important!

Keep a sick child home.

Keep your child happy. Morale is a tremendous factor in his success.

See that he leaves home early enough to arrive at school promptly without hurrying. A tired pupil is in no condition to work carefully.

Instruct your child to come directly home after school.

WHAT WE CAN DO TOGETHER: We can have the same objective—the children's welfare.

We can consult with each other.

We can make the child understand that school is his business!

We can help train the youngsters to meet life squarely and face its issues with courage. They must learn to give and take.

We can stimulate good thinking habits. We want pupils to succeed. Fail-

ures double the cost of education and are detrimental to good school morale.

We can inspire high ideals by example and precept.

We can exercise constant vigilance with respect to safety regulations as they particularly refer to traffic and parking near the school.

We can teach the children the art of getting along together—the science of human relationships.

We can get acquainted! Some parents never visit school until trouble arises. Do visit school soon. We'll like each other! We have a mutual friend—your child!

Purdue University agricultural engineers urge farmers to check their farm buildings now for needed repairs so that materials can be obtained and the tasks completed before winter weather sets in.

Mud is a menace in the feed lot or barnyard. It increases the problem of producing clean milk for the dairy farmer and makes it harder to keep the herd clean. Purdue University dairy specialists point out that foot rot is hard to control when the barnyard is soft and muddy.

When harvesting pumpkin or squash for winter storage, the stem should be cut from the vine, not from the fruit, caution Purdue University garden specialists. These fruits should be harvested before frost and stored in a fairly warm and dry place.

## FREE ENTERTAINMENT MENTONE EGG SHOW

## TO CELEBRATE

## GOLDEN WEDDING

Mr. and Mrs. Jacob Weiss, of Claypool, Indiana, who were married September 27, 1902, will celebrate their 50th anniversary next Sunday, September 28. Open house will be held from 2 until 5 p. m. at the Conservation Building, which is just west of the overhead bridge at Claypool.

They were married at Burket and have always lived in this vicinity. All seven of their children are living. The children are: Harry Weiss and Mrs. John Kehoe, of Warsaw; Russell Weiss, of Elkhart; Mrs. John Dickey, of Jenkins, Minnesota; Mrs. Lawrence Hudson, of Claypool, Mrs. Harry Huppert, of Akron and Donald Weiss, of Fort Branch, Indiana. They also have 17 grandchildren and five great-grandchildren.

Mrs. Weiss was born in 1881 near Mentone. She was Miss Mertie Eaton, daughter of Mr. and Mrs. Thomas Eaton, before her marriage.

Mr. Weiss was born in Berne, Switzerland in 1874 and came to this country at the age of eight.

## CLOCKS TO BE TURNED

## BACK ONE HOUR

This coming Saturday night at midnight, the clocks will be set back one hour, so, everyone please note.

Like one minister said, in making reference to some who might forget to set the clock back, "We want you to come to church early, but not quite that early."

## PARENTS OF DAUGHTER

Mr. and Mrs. Eldred "Bud" Paulus of Rochester, Indiana, are the parents of a daughter born September 19, at the Woodlawn hospital. The new arrival weighed 5 pounds fourteen and a half ounces and has been named Rita Lou. The maternal grandparents are Mr. and Mrs. Dean Nellans of Warsaw, Indiana, Route 5, and the paternal grandparents are Mr. and Mrs. Cloice Paulus of Mentone.

## SMITH

Cpl. and Mrs. Robert C. Smith, formerly of Mentone, are the parents of a daughter, Sarah Jo, weighing six pounds, seven ounces, born Saturday evening at the Marine hospital, at Oceanside, California.

Mr. and Mrs. Chas. Cooper, of Tippecanoe, and Mr. and Mrs. Max Smith, of Mentone, are the grandparents.

## MCGOWEN — MARTIN

White gladioli with palms and lighted tapers provided the setting for the ceremony, which took place Wednesday evening at the Atwood Evangelical United Brethren church in which Miss Catherine Martin became the bride of Donald McGowen. Her parents are Mr. and Mrs. Charles Martin, of Route 4, Warsaw. The bridegroom is the son of Mr. and Mrs. Bert McGowen, of Mentone.

As the double ring service was read by Rev. I. E. Longenbaugh, Mrs. Robert Martin, organist softly played "The Lord's Prayer," "Indian Love Call," "Liebestraum" and "Because" were organ selections included in the prelude presented by Mrs. Martin and the vocalist, Mrs. Howard J. Gross. Vocal numbers were "Always," "I Love You Truly" and "The Bells of St. Mary's."

White gladioli, tied with white net bows marked the pews at the aisle as the bride approached the altar with her father, who gave her in marriage. Her white satin ballerina length gown was overlaid with lace and nylon tulle. Tiny self-covered buttons extended from the Peter Pan collar to the waistline. She wore lace mitts complementing the cap sleeves. Her finger tip veil was attached to a tiara of seed pearls. Sweet peas were caught in the shower of satin streamers falling from the red roses that carried with her white Bible.

She was attended by her sisters, Mrs. Lester Taylor, matron of honor, and Mrs. Harold Miner, both of Warsaw. Mrs. Taylor, in bud green and Mrs. Miner, in orchid, were wearing identically styled taffeta gowns of ballerina length fashioned with strapless bodice. Each wore a net stole and taffeta mitts of matching color, and a head band of matching net entwined the pearls. Their colonial bouquets were of yellow and orchid gladioli encircled by a net frill.

Matching pearl earrings and necklaces were gifts from the bride.

Dale McGowen served his brother as best man and Lester Taylor, of Warsaw, and DeVon Hibschan, of Bourbon, seated the 75 guests.

Mrs. Martin, mother of the bride, was attired in a black faille dress with black accessories and Mrs. McGowen mother of the bridegroom, in a gabardine suit and accessories, also black.

(Continued on back page)

## MISS TALMA

## EGG SHOW QUEEN

Atwood, Etna Green, Tippecanoe and Burket Share in Attendant Honors.

Miss Shirley Overmyer, aged 17, the daughter of Mr. and Mrs. Nelson Overmyer, R. 5, Rochester, a senior in the Talma High School, was chosen queen of the Mentone Egg Show at the queen contest held at the Mentone Community Building on Wednesday evening. She was chosen from eleven young ladies who had entered the annual Egg Show queen contest.

Miss Overmyer will be crowned as the 1952 Egg Show Queen on Friday evening, the last night of the three night egg show at Mentone.

## Attendants Chosen

The representatives from Atwood, Etna Green, Tippecanoe and Burket were next in line for the queen honors and will serve as attendants at the coronation ceremonies. They were:

Sally Williams, 16, senior, daughter of Mr. and Mrs. Howard Williams, Atwood.

Josephine Heisler, aged 16, junior, daughter of Mr. and Mrs. John Heisler, Etna Green.

Eleanor Hazen, aged 16, senior, the daughter of Mr. and Mrs. Fred Hazen, R. 2, Bourbon.

Sharon Williamson, aged 17, senior, daughter of Mr. and Mrs. E. W. Williamson, Burket.

Judges for the contest were Miss Marcia Fisher, of the Mary Ann Shop, and Ronald Sharp, circulation manager of the Warsaw Daily Times, both of Warsaw, and Joe Doyle, sports editor of the South Bend Tribune. Milo Clase, of Radio Station WRSW, was at the microphone during the queen contest.

## To Appear on TV

The queen, Miss Overmyer, and one of her attendants, are scheduled to appear on a television broadcast over the Indianapolis station WFBS at 12:05 Thursday noon.

## TAKEN TO HOSPITAL

Word was received this evening that Mrs. Elizabeth Krathwohl was taken seriously ill and was removed to a hospital at Evergreen Park, Ill.

## LANTZ—GOODMAN

In a candlelight ceremony at 7:30 o'clock Friday night, Miss Ramona Goodman, daughter of Mr. and Mrs. Marshall Goodman, of Mentone, became the bride of Quentin Lantz, son of Mrs. Isabella Lantz, of Mentone.

The Rev. Max Smith, pastor of the Church of Christ at Etna Green, read the double ring ceremony before an altar decorated with beauty baskets of white gladioli.

A musicale by record, included "The Indian Love Call," "Because," "The Bridal March" and "The Wedding March."

The bride, given in marriage by her father, wore a dress of beige and brown, and her accessories were of brown. She carried a corsage of red roses on a white Bible with satin streamers tipped with budded pebbles.

Miss Elaine Goodman, maid of honor for her sister, was dressed in a brown taffeta. She wore a corsage of yellow mums. Victor Lantz, Mentone, attended his brother as best man.

Mrs. Goodman chose for her daughter's wedding a two-piece suit of navy blue check, with navy accessories. Mrs. Lantz, mother of the bridegroom, was attired in a navy blue dress with accessories in black. Each wore a corsage of red roses.

Following the ceremony a reception was held in the home. A two-tier wedding cake and ice cream were served to the following guests: Rev. Max Smith, Mr. and Mrs. Milo Lemler of Bourbon, Mr. and Mrs. Abe Whetstone, Mrs. Isabella Lantz, Mr. and Mrs. Harold Yazel, Victor Lantz and Mr. and Mrs. Marshall Goodman and daughter Elaine.

After returning from a trip east, the couple will reside at their home in Warsaw.

## FINE FOLLOWS ACCIDENT

Willis F. Wideman, 17-year-old Akron youth, was assessed a minimum \$100 fine, (amounting to \$114.65 with costs), had a six month penal farm sentence suspended, and his driver's license revoked for six months by Judge Walter Brubaker when he plead guilty Wednesday in circuit court to a charge of reckless homicide. The suit resulted from the death Sept. 8 of Mrs. Miriam Bunnell, of Burket, following an automobile-truck collision on Sept. 3, north of Beaver Dam Lake. State Trooper Henry Cripe filed the charge.

## DEDICATION OF WILLOW SLOUGH SEPTEMBER 21

Willow Slough, a mecca for fishermen and hunters, now is a reality.

The program of dedication was held last Sunday, September 21.

Located about three miles northwest of Morocco, Indiana, the new game preserve has been created as another link in the chain of restoration projects which the Indiana Department of Conservation has brought about.

The area will be primary importance for migratory birds because of its close proximity to the famed Kankakee region.

The entire purchase area involves 8,789 acres of which as of this date, 7,637 acres have been bought by the Division of Fish and Game of the Conservation Department in cooperation with the U. S. Fish and Wildlife Service under Pittman-Robertson Participation.

Maximum depth of the 1500 acre water area is about six feet with the exception of places where it covers old ditches.

The lake has been stocked with large and smallmouth bass, crappie, bluegill, red-eared sunfish, channel cats and minor species. Fishing will open June 16, 1953 but waterfowl may be taken during the open season this fall, according to Kenneth M. Kunkel, Director of the Conservation Department, and Henry P. Cottingham, Assistant Director. Such sport is strictly on a permit basis.

## DAIRY FARMS NEED MORE LEGUME ROUGHAGES

Lafayette, Indiana—An urgent need exists for the production and feeding of more legume roughages on our dairy farms. According to G. A. Williams, Purdue University extension dairyman,

this fact is borne out by a recent publication released by the Bureau of Dairy Industry.

During the 15-year period, 1935-1950, milk production per cow in the United States increased from 4,184 pounds to 5,314 pounds or 27 per cent. During the same period, grain consumption rose from 943 pounds to 1,629 pounds. For each additional pound of grain fed only 1.6 more pounds of milk were produced. Therefore, in addition to providing material used for maintenance, the roughage provided 48 per cent of the nutrients used for milk production in 1935 but only 29 per cent in 1950. Almost all of the increase in milk production therefore was the result of increased consumption of concentrates. This increased the cost of milk production. Roughages, especially legumes, produce nutrients at a much lower cost per unit than concentrates.

More legumes included in the rotation on Indiana dairy farms will prove

profitable, because of the following reasons:

There is an increase in crop yields, hence fewer acres should be needed to feed each cow.

Increased protein content of the crops produced will lessen the amount of protein-rich feed needed in the grain mixture.

The crop contains more calcium thus making it more valuable for milk production.

The palatability of the herbage is improved, therefore consumption of hay silage and grass per animal will be increased and less concentrates will be needed.

By virtue of the higher carotene content of legumes, the vitamin A value of milk is increased.

Mr. and Mrs. Ed Bowser attended the county fair at Centerville, Michigan on last Friday and Saturday. They were accompanied on the trip by Mr. and Mrs. Adam Bowen, who stopped on their way and were the week end guests, at the home of Mr. and Mrs. Dean Bowen and family at Mendon, Michigan. Dean will be remembered as a former boy, of our community. The group returned home on Sunday morning.

Mr. and Mrs. William Schooley and Mr. and Mrs. Robert Parker and family were guests at the wedding of Mr. Donald Grubbs and Miss Mary Jane Sisk at the Warsaw Methodist Church on Saturday evening, at 7:00. A reception followed in the home of the bride's parents. Donald is a grandson of Mr. and Mrs. Schooley.

## TOMORROW'S CITIZENS TODAY

The following pictures of Mentone youngsters were taken recently by the Woltz Studios, of Des Moines, Iowa, who furnished the printing plates to the Co-Op. News.

Kenny Dale, aged 2½, son of Mr. and Mrs. Kenneth Simcoe, Mentone.

Stevie, aged 1, son of Mr. and Mrs. Kenneth Simcoe, Mentone.

Ken, aged four, son of Mr. and Mrs. Kenneth Romline, Mentone.

Linda Kay, aged 10 months, daughter of Mr. and Mrs. Howard Pawley, Etna Green.

Claudette, aged 2, daughter of Mr. and Mrs. Claude Shoemaker, R. 1, Argos.

Rickey Gene, aged 3 months, son of Mr. and Mrs. Gene Stave-dahl, R. 5, Rochester.

### BABY HEALTH NOT MATTER OF POUNDS

"Every baby has its own rate of growth, and can be healthy even though it may not weigh as much as the neighbor's child who is the same age," Miss Nellie Brown, R. N., and member of the Indiana Committee on Chronic Illness, said today.

"Your child may be a big boy, long with large bones, or he may be a short baby with small bones, but chubby. He has inherited his body build," Miss Brown said.

She pointed out that the important thing is for the baby to gain steadily rather than to weigh a certain amount at a certain period. The younger the baby, the faster he will gain weight. In fact, he will probably add more to his weight during his second and third months than during his ninth and tenth months.

It is best if parents will let the baby tell them how much milk he wants at any one feeding. The child does not have to finish every bottle offered him, nor does he have to be given a bottle every three or four hours. He usually knows when he is hungry, and will let

you know his needs by a cry. If given the chance, he will probably put himself on schedule.

When the baby begins to take solid food, he has two adjustments to make. First, the consistency and taste of the food are different. The food forms a lump or ball in his mouth instead of slipping down like liquid. The second adjustment necessary is that up to now the baby has had to suck and then swallow—now he must learn to swallow without sucking. It takes time for him to learn the new methods of eating.

If parents are patient and not over-anxious for the baby to accept new foods, the problem of eating will take care of itself.

Purdue University horticulturists say that late cabbage heads can be kept from splitting after maturity by loosening the root system and soil surrounding the roots. A spading fork forced into the soil six inches away from the stem will pry the plant loose and check further growth.

## DECEPTIVE TAXATION IS ALARMING

Not one taxpayer in a hundred suspects the extent to which buried taxes are cutting into his earnings. He kids himself that he at least isn't footing the heaviest part of the nation's tax bill. It is the big corporations and the millionaires, he figures, that get hooked for that. He's wrong: through hidden taxes, he, the American consumer, is shouldering the bulk of the load.

Today the average American is turning over 32 cents out of every dollar he earns to one tax collector or another. The federal income tax is bad enough. More insidious, however, are the hidden levies that hit the taxpayer when he isn't looking—the taxes imposed on manufacturers and merchants, which

are quietly passed along to the consumer in the form of higher prices. These also include the excise taxes slapped on by many states and cities.

When a man walks into a showroom and plunks down \$2000 for a new auto, nowhere near that amount reaches the pockets of the dealer, the manufacturer and the suppliers of parts and raw materials. Some \$624 has already stuck to the fingers of the federal, state and local tax collectors. By the time he shifts into gear, the new owner will have joined in paying taxes on at least 200 separate transactions that went into creating the car.

Hidden taxes multiply rapidly. For example, there are more than 475 taxes on the construction and materials costs that go into a new house. A new spring hat for a woman carries 150 hidden levies, a man's suit 116.

On some items the invisible taxes total more than the real value of the product. This is true of a ton of coal, a gallon of gasoline, a pack of cigarettes. On a loaf of bread, a quart of milk, or a pound of beef, the tax comes to at least half the real value.

The Tax Foundation, a private research group that keeps an eye on

## We have the NEW Swift's Mineral Supplement BLOCK

Mineral feeding hits a new high in ease and economy with Swift's Mineral Supplement in block form. Perfected by Swift for cattle and sheep, the new mineral block meets these strict regulations:

—It's soft enough so animals get their mineral quota easily

—It's hard enough to resist weather

—It's easy to handle, easy to feed

In formula and quality the block is the same as the familiar Swift's Mineral Supplement in powdered form. It provides ten essential mineral elements all livestock need. It's held together by a palatable molasses binder. Swift's Mineral Supplement contains no fillers or waste. Every ingredient has feeding value.

Supplies these ten profit-making elements

- Manganese
- Iron
- Copper
- Cobalt
- Sodium
- Chlorine
- Calcium
- Phosphorus
- Magnesium Sulphate
- Iodine

## THE CO-OP. MILL

Government spending and taxing, has figured out the load of hidden taxes on families of similar size in several income brackets. There are the foundation's findings:

On a \$3500 income, the family pays out \$799 in hidden taxes—\$249 to merchants and manufacturers, \$302 in retail sales and excises, \$140 for social security, and \$108 in realty and minor taxes. The family's income taxes, incidentally, total only \$299.

On \$4500, hidden taxes come to \$1039; income taxes to \$455.

On \$7500, hidden taxes total \$1932; income taxes \$869.

It is widely agreed that a tax load of 25 cents on the average citizen's dollar is about as far as a government can safely go. Up to this point, taxes pay their way and act as brakes on inflation. Above it, taxes push up prices and sap incentive. They make a man think twice before risking his cash to make a profit. They scare off and dry up the flow of equity capital into new plants, equipment and products. And this flow is the foundation on which America's industries are built and on which their future growth depends.

Americans are now taxed an average of 32 cents on the dollar—seven cents above the danger line. Persons with higher incomes, the biggest potential investors, are socked much harder. Unless there is a retreat, unless the Government forces itself to loosen its

grip at least partly on the taxpayer's pocketbook, industry's future growth and development stand in jeopardy.

The United States is in real danger of biting off its nose to spite its face.

—Newsweek, reprinted in Reader's Digest

## 20,000 QUAIL RELEASED

BY CONSERVATION

In order that conservationists may find ample game when sighting down that shotgun barrel, the Fish and Game Division of the Indiana Department of Conservation has begun distribution of 20,000 quail in the state.

Augmenting the supply of quail released by Conservation organizations throughout the state, the department recently purchased the birds it now is releasing.

They are being liberated in counties which, according to Kenneth M. Kunkel, Director of the Indiana Department of Conservation and H. P. Cottingham, Assistant Director, are most suitable in regard to habitat.

The quail, all adults, have been received at the Indiana State Fairgrounds and deliveries to counties in which they are to be liberated is being made from there.

Kenneth Shoemaker is recovering from an injured knee, which he received while at work at the Nellans Dressing Plant.

### THE PINYON PINE

Thousands of Americans eat pine tree seeds. As much as eight million pounds of the nut-like seeds of the pinyon pine have been shipped from our Southwest in one year. The nut is rich and tasty.

Actually there is nothing new about the eating of pinyon nuts, Indian nuts or pinones (pronounced peen-yown-ees), as the Mexicans call them. In Europe the seed of the pinyon, or stone pine, has been eaten since time immemorial. There the nut is called pignolia. The early Spanish explorer, Cabeza de Baca found the Indians using pounded nuts for flour. He considered the New World pinyon nuts better than those of Spain. Today dark-eyed children of Mexican extraction sell little bags of pinones to passing motorists.

Many wild creatures also have found that the nuts are good eating, according to the National Wildlife Federation. Turkeys and band-tailed pigeons fatten on them. They provide 71 per cent of the food of the beautiful white-headed woodpecker. The pinyon jay got its name because it feeds so extensively upon the seeds of this tree. Numerous rodents, which in turn become food for larger animals, rely upon them.

Surprisingly, the scrubby, misshapen, unpretentious pinyon pine played a major role in the development of our

great Southwest. It is the common evergreen seen with junipers (cedars) in scattered, open growth between the desert and the tall timber of New Mexico, Arizona, Utah, Colorado and California and is generally considered by travelers to be a rather picturesque but worthless

Pinyon Pine  
©1952 National Wildlife Federation

less weed tree. It is so important today, however, and has played so prominent a part in history, that both New Mexico and Arizona have declared it their

state tree.

Early settlers found that it made a hot fire and was invaluable for cooking and heating. Together with the juniper it served for building ranch houses, fences and corrals. The diminutive pine was cut for props in the mines and cross-ties for the early railroad. It is still the Christmas tree of the Spanish-speaking people and the decoration for special occasions. The fragrant cones, one and a half to two inches long, are used commercially to produce incense.

The pinyon pine (*pinus edulis*) has a short bole and is usually under 20 feet tall. It is recognized by its stiff short dark green needles three-fourths to one and a half inches long, two to the cluster. A single-leaf pinyon (*pinus monophylla*) occupies the western part of the range.

Originally, valuable range grasses grew among the scattered junipers and pinyon pines. In large areas now, as a result of overgrazing, the grasses have given way to weeds, the trees have

been cut for man's use or torn out by bulldozers to make room for more forage. Soil erosion is ruining the land. The National Wildlife Federation cautions that the value of the pinyon pine as shelter for soil, for livestock, for range grasses may not yet have been thoroughly assessed. It grows very slowly, they say. Let us not lose this honored, picturesque and valuable citizen.

### REPORTER'S STORY

A visiting bishop delivered a speech at a banquet on the night of his arrival in a large city. Because he wanted to repeat some of his stories at meetings the next day, he requested reporters to omit them from their accounts of his speech. A rookie reporter, commenting on the speech, finished with the line: "And he told a number of stories that cannot be published."

## METHODIST CHURCH NEWS

Forty-five young people and counsellors of the South Group Methodist church of the Warsaw District met in Mentone on Tuesday evening for the Installation Service of the Sub-District or Group Officers.

Jackie Stidham, of the local Methodist Youth Fellowship was installed as president. Don Haeche, of North Webster, provided the organ music. Judy Clutter and Beverly Platt, of Warsaw, participated in the service and Max Stackhouse, of Warsaw, sang "Sweet 'Lil Jesus Boy."

The Rev. Willard Doyle, of Albion, District Director of Youth Work, presented the Meditation, "The Light of The World," and installed the officers in a very impressive candle-lighting service. The Rev. Jack Aebersol, of Pierceton, directed the evening's activities. Rev. Aebersol is the Youth Director for the South Group Methodist churches.

The local Youth Fellowship was host and provided refreshments following a brief period of recreation.

The Settlement Day Program originally set for this past Wednesday had to be cancelled because of a severe back injury the Rev. Dale Stackhouse suffered recently. Rev. Stackhouse is confined to the Methodist hospital, in Fort Wayne where he will undergo surgery this week. It is doubtful that he will be able to be with the local church on October 5 to initiate this year's University of Life Program.

On Wednesday the following ladies met in the church kitchen to can tomatoes and lima beans for Rev. and Mrs. E. E. DeWitt: Mrs. D. L. Bunner, Mrs. Mary Johnson, Mrs. Lillian Harrison, Mrs. David Gosser, Mrs. Pearl Meredith, Mrs. Effie Personette, and Mrs. Glen Snider.

## D. A. R. MEETS

The Anthony Nigo Chapter, Daughters of the American Revolution, met on Tuesday evening at the home of Mrs. Vera Kelley, with Mrs. Max Smith as assisting hostess. This was the first meeting for the year.

The Regent, Mrs. Miles Manwaring, conducted the business session which was followed by the report of several committee chairmen, giving an outline of their work for the coming year.

The President-General's message was read by Mrs. Edna Carey.

The State Regent's message was read by Mrs. Ernest Igo.

Mrs. Kenneth Riner, chairman of the program committee, presented her sister, Dr. Ladaska Bunker, of North Manchester, who presented an interesting talk on the U. S. Civil Defense program.

The Chapter will meet on October 28 in a joint meeting with the Tippecanoe River Chapter at the home of Mrs. Miles Manwaring.

During the social hour the hostess served delicious refreshments.

Mrs. Eldon Ummel, of Etna Green, was a guest of the chapter.

Mr. and Mrs. Robert Anderson and children, of Midland, Michigan, arrived the fore part of the week to visit relatives here.

Mr. and Mrs. Hobart Stiffler and son, Dale, were Sunday dinner guests of Mr. and Mrs. Frank Williamson, of Claypool.

Charles "Chuck" Feldman is home after being a patient in the McDonald hospital following an emergency appendectomy last Wednesday.

Mr. and Mrs. John Dowden, of Cedar Falls, Iowa, returned home last Friday after spending a week with their son, Rev. Milton Dowden, and family.

Mrs. Della Gambel and W. Fenstermaker, of Hammond, spent last week with their brother, John Fenstermaker.

The vegetable grading and identification contest will be held Saturday, October 11, at Purdue University in the Horticulture Building. More than 350 junior vegetable growers are expected to compete, according to Roscoe Fraser, extension horticulturist, in charge.

Both in the one package

SELL IT WITH A CLASSIFIED AD.

## Champion Gets Hero's Welcome at Home-Coming

The greatest ovation ever given an 11-year-old American occurred when pint-sized Joe Lunn returned to his native Thomasville, Ga. Joe was winner of the All-American Soap Box Derby, sponsored by Chevrolet, after his racer had been virtually wrecked in a first heat crackup. A parade (shown above), speeches by civic dignitaries and lavish gifts for Joe and his family featured the home-coming.

### \$35,000 DAMAGE ACTION

A \$35,000 damage action has been filed in circuit court by Mrs. Marilyn Lozier Sells, 18, formerly of near Claypool, against Miller and Sons Lumber, Co., Inc., of Silver Lake, Asa Dirck, of Mentone, and Harold Nelson, of Silver Lake. The action was filed for Mrs. Sells by her husband, Duane C. Sells. The plaintiff states that on June 12, 1951, the car driven by Mrs. Sells was involved in a collision with a pick-up truck driven by Nelson and owned by the lumber company and a car driven by Dirck. It is alleged that the accident was caused due to negligence on the part of the defendants. Mrs. Sells, it is contended, suffered various serious and permanent injuries, and judgment of \$35,000 is asked against all and each of the defendants.

Boy's 2-piece jacket and trouser suits of gabardine or corduroy, sizes 3 thru 8. \$5.98 and \$7.85 at Coopers' Store.  
Pajamas, 2-piece knit for boys or girls. Sizes 4 to 16. \$2.39 to \$3.18 at Coopers' Store.

### HAVE CLASS REUNION

Forty-eight members and guests, of the 1935 graduating class of Mentone High School held their 2nd annual reunion at McLaughton Park, in Elkhart, on Sunday, September 14th.

At noon a carry-in dinner was enjoyed by all. During the business meeting it was voted to hold the reunion next year on the second Sunday in September at the Center Park, in Warsaw. Officers for the ensuing year are: Charles Eaton, president; Heston Creveston, vice president; and Mary Shirey, secretary and Treasurer.

Those present were: Mrs. Robert Plotner and son; Mr. and Mrs. Charles Eaton and daughter; Mr. and Mrs. Leo Linn and children; Mr. and Mrs. Donald Blue and son; Mr. and Mrs. Heston Creveston and children; Mr. and Mrs. Robert Cole and daughter; Mr. and Mrs. Walter Boice and daughter; Mr. and Mrs. Hale Herd and children; Mr. and Mrs. Guido Shirey and son; Mr. and Mrs. Paul Jones and children; Mr. and Mrs. Paul Carter and children and Mr. and Mrs. Deverall Bowser.

Mrs. Rhoda Jones and grandson, Ken Jones, were Saturday evening guests at a chicken supper at the home of Mr. and Mrs. Hobart Stiffler and son, Dale.

Bendix Tumble-Action. Only automatic method safe as hand washing for Orion, Dacron, Nylon, Dynel and your other "Miracle Fabrics." Baker's Jewelry and Appliance Store.

Storm Doors and Windows—Transparent Plastic or Flex-O-Glass. Inexpensive protection against cold, wind, snow and drafts. 98c and \$1.98. Coopers' Store.

### LEGION AUXILIARY NEWS

The American Legion Auxiliary Unit 425 of Mentone met Tuesday, September 23, for their regular business meeting. The unit was awarded the Merit Citation at the 2nd District meeting at North Webster.

Our Christmas card selection is handled by Mrs. Mary Ann Stanford. If printed ones are wanted please order now.

Our meeting was closed in the usual order by all members present singing "God Bless America."

All members are urged to pay their dues by the middle of October.

The new officers were installed by our Past President, Mrs. Nell Reed. These are: President, Mrs. Phillis Williamson; First Vice President, Mrs. Arvilla VanGilder; Second Vice President, Mrs. Grace Boggs; Third Vice President, Mrs. Mary Ann Stanford; Recording Secretary, Mrs. Jean Pritchard; Corresponding Secretary, Mrs. Mary Wagner; Treasurer, Mrs. Vadis Ward; Historian, Mrs. Jean Rodibaugh; Chaplain, Mrs. Bernice Jones; Sergeant at Arms, Mrs. Marilyn Baker.

If you wish to contribute to boxes for soldiers overseas please bring it at our next meeting, October 14th.

Mrs. Juanita Paulus' name was drawn for the door prize.

### FAREWELL PARTY

The neighbors held a farewell party Monday evening for Mr. and Mrs. Noble West, of west of Mentone, who are leaving this week for Arizona.

Those present were: Mr. and Mrs. Joe Shaffer, Mr. and Mrs. Lloyd Shoemaker, Mr. and Mrs. Herbert Kubley and sons, Mrs. Harlan Railsback and son Don, Lawrence and Kathryn Bunch, Mr. and Mrs. Jack Hudson and children and Kenny West.

### DEMOCRATS SPONSORING

#### FREE BARBECUE

A free beef barbecue is announced by the Democratic central committee, to be held at the Warsaw fair grounds on Wednesday evening, Oct. 1.

Among those expected to be present will be Gov. Schricker, candidate for senator; E. Spencer Walton, mayor of Mishawaka, who is a candidate for Lt.-Governor, and Wm. Shaw, second district democratic chairman. Other officials and candidates of the party will likely be in attendance. The Syracuse high school band will furnish music for the occasion.

Mr. and Mrs. Jack Hudson and family spent last week end at the home of Mr. and Mrs. A. J. Haimbaugh and family, at Oxford, Michigan. The families were formerly neighbors.

### SCOUTS SPONSORING

#### SAFETY MEETING

The Mentone Boy Scout troop will be host to the Atwood and Etna Green troops and their committee members, at a meeting to be held at the Mentone Methodist church on Monday evening, Sept. 29.

The main feature of the evening will be a safety talk and film to be presented by James DeArmond, former state trooper, from Wabash.

All boys, 11 years or older, who plan to join the scouts, are invited to attend.

### CARD OF THANKS

I want to thank each and every one for the gifts, cards, flowers and visits during my illness. May God bless each and every one, is my prayer.

MRS. ELI JULIAN.

**CATTLE NUMBERS SHOW  
RECORD INCREASE**

Lafayette, Indiana—Cattle numbers in the United States have reached a record level and have increased about 15 million head since 1948.

According to M. Paul Mitchell, marketing specialist, department of agricultural economics, Purdue University, the increase in cattle numbers has not been confined to the western range states. New Cattle producing areas of the southern states as well as more beef cattle in the Corn Belt will add to the potential supply of feeder cattle this fall.

A much larger potential supply of feeder cattle for the fall months and greater buying caution on the part of cattle feeders have depressed prices on these cattle well below the record levels of 1951.

The effect of these high numbers may not be as feedwise as it might appear because other roughage consuming livestock, chiefly horse and sheep numbers, are substantially reduced. With feed supplies limited this year there is likely to be some liquidation of stock cattle from many areas in addition to the natural increase from larger cow herds.

In addition to increased numbers in the country, approximately a million head of thin cattle from Mexico are likely to enter the United States following the lifting of the embargo on Mexican cattle on September 1. Prior to the embargo, imposed because of foot and mouth disease, from 300,000 to 600,000 head were imported annually. A sizeable backlog of these cattle will add to

the available supply of feeder cattle. Although this inmovement would be small in relation to our supply of cattle it could have some price depressing effects, Mitchell states.

**NOT GUARANTEED**

A man stopped in at a jewelry shop to look at some sale watches advertised at a below cost price.

"If you're selling these at less than cost, how do you make any profit?" he asked.

"Oh," replied the jeweler, "we make our profit repairing them."

### NEW HOME DEMONSTRATION AGENT ANNOUNCED

Miss Mary Ann White will assume the position of home demonstration agent for Kosciusko County on September 22, Paul Jackson, county agent announced today. Miss White was recommended by the state extension service at Purdue and was approved by the county home demonstration association council of presidents and members of the executive committee of the county extension board at the regular council meeting September 15. The membership of the home demonstration coun-

cil is made up of the presidents of each of the fifty-two home demonstration clubs in the county.

Miss White, the daughter of Mr. and Mrs. William White of Sulphur Springs in Henry County, graduated from Ball State in 1950 and taught vocational home economics in the Connersville High School for two years. This past summer she worked as home agent in training in Henry County. During her college career she served as assistant dietitian in the Ball Memorial Hospital in Muncie.

Mary Ann was a 4-H club member for nine years, six years of which she

# SCHOOL NEWS

The Senior Play cast for the play "If You Knew Susie" has been selected and play books distributed. The cast will be:

Daisy—a maid Cloanne Nelson  
Mrs. Chase—the house mother

Arty—hopes to be an opera star Carol Rule

Trudy—conscious of her father's wealth Barbara King

Susie—typical college girl Eleanor Rush  
Fran—a young artist Sue Hammer

Charlene—a Powers model Kay Hatfield

Aunt Sally—a confident woman Colleen Kindig

Bob—"Catch" of the campus Boyd Blue

Billy—Easy going young man Charles Urschel

Cutey—Campus wrestling champ Warren See

The Dean—college dignity John Davis

Practice will start soon under the direction of Dale Kelley.

Attendance has been very good so far this year. The eighth grade had perfect attendance for fourteen days. Parents are urged to help the school maintain good attendance records by not keeping pupils out to work or to shop.

The Mentone softball team defeated the Silver Lake team on last Friday by a score of 13 to 7. Dickey pitched for Mentone. On Saturday evening under the lights, the Atwood team defeated the local boys by a one-sided score. In a preliminary game the junior high defeated the Atwood junior high. Mentone met North Webster in the first round of the County Softball tourney on Wednesday. The softball season will end with the tourney finals next Monday.

Group pictures were taken by the Haberman Studios of Bourbon on Wednesday morning. Prints will be available for sale to those desiring them. Individual pictures will be taken on Monday, October 13.

Two hundred and fourteen ate lunch at the school on Monday. Thirteen of this number work at various jobs for their meals. No free meals are given this year. Pupils seemed to respond well to Tuesday's menu—corn on the cob and ham salad sandwiches.

Patch tests will be given to grades two and five on Monday, September 29. All pupils in these grades will be tested unless parents send written objections.

Saturday evening guests at the home of Mrs. Earl Meredith were: Mrs. Minnie Anderson, of near Rochester, and her daughter, Bernice Anderson, of Indianapolis.

Mr. and Mrs. Adam Bowen were guests on Sunday afternoon at the wedding of Rosemary Boggess, granddaughter of Mr. and Mrs. C. O. Blue, to Kenneth Ege. The wedding took place at the Gilead Methodist church.

## BAPTIST NEWS

Good attendance was shown last Sunday in all services. There were 221 to Sunday School, 207 to the morning service and 249 to the evening service where the pastor showed colored Kodachrome slides of Cairo, Beirut, Tyre and Sidon. Next Sunday morning the pastor will go to the First Baptist Church of Elkhart to preach the morning service and Rev. Hugh Hall of that church will preach in the Mentone church. This change will be made to increase interest in the attendance contest to be held with the Elkhart church and the Ft. Wayne church for the month of October and the first Sunday in November. The attendance contest will include the Sunday School, evening service and the prayer meeting. The Sunday School teachers and officers will be asked to work on the Sunday School part of the contest. The Trustees will make special effort to build up the evening service and the Deacons will put their efforts on building up the prayer meeting attendance. It is hoped that this will all yield dividends in the revival meetings coming the week of Thanksgiving with Paul Levin and Bob Findley. All members of the church and Sunday School will be urged to attend all the services all the time during the five weeks of the contest. The first Sunday in October at the 6:30 hour the pastor will begin a course of study for Sunday School teachers. This course will take all winter and should be helpful in preparing the teachers to do a better job in their teaching. About 20 have signed up for the course so far and it is hoped that at least twice this number will be prepared to take the complete course of study. You are invited to listen each morning to the Family Altar Broadcast at 7:15 and hear the pastor tell of his trip to the Holy Land. Each Sunday evening for several weeks to come he will be showing the pictures of the Holy Land trip. You are invited to attend any or all of the services of the church.

Sunday dinner guests of Mr. and Mrs. Elva Jones were: Mr. and Mrs. Dennis Jones, of Wisconsin, and Mrs. Rhoda Jones.

Mr. and Mrs. John Teel and son were Sunday dinner guests at the home of Mr. and Mrs. Veri Halderman.

## WINS SECOND AT STATE FAIR

Sandra Joe Barkman, daughter of Mr. and Mrs. Kenneth Barkman, placed first in 4-H cookie baking at the Mentone school and the Warsaw fair, and won second place at the Indiana State Fair where there were 800 entries.

The fall cattle feeders meeting has been set for Friday, November 14, at Purdue University, according to the Department of animal husbandry.

## McGOWEN — MARTIN Con't.

Their flowers were red roses.

The reception was held immediately following the ceremony. At the refreshment table, laid with white linen, a garland of orchid and white gladioli encircled the three-tiered wedding cake which was topped by a miniature bridal couple. Guests were served by three friends of the bride, Mrs. John Steffe, Warsaw, who cut the cake, and Mrs. Gene Kindle, Warsaw, and Miss Donna Ailer, South Bend, who presided at the punch bowl.

Out-of-town guests were from Mentone, Warsaw, Nappanee, Osceola, Tippecanoe, South Bend, Bourbon, Rochester, North Manchester and Etna Green.

When leaving for their wedding trip to Niagara Falls, N. Y., the bride was wearing a suit dress of green and white wool with black accessories and a corsage of red roses.

Upon their return at the end of the week they will reside at 322 East Winona Avenue. Mr. McGowen, who attended Mentone high school will be engaged in farming. Mrs. McGowen, a graduate of Atwood high school, is affiliated with Lamba Chi Omega sorority.

Now On Display—1953 21" Philco Television console. Baker's Jewelry and Appliance Store.

## P. T. A. POTLUCK

### GREATLY ENJOYED

The first P. T. A. meeting of the year was opened with a potluck supper last Friday evening. A beautifully decorated table was filled with delicious food.

Miss Herriman's art class was responsible for the lovely floral centerpiece bearing the large P. T. A. letters.

After the meal, Mrs. Ira Moore, the president, called the meeting to order and expressed her thanks to the various committees and introduced the chairmen of these committees. She then turned the meeting over to the program chairman, Mrs. Delford Nelson, who introduced Mr. Walter Kent, the principal. Mr. Kent introduced each teacher and his or her family; bus drivers, janitors and class officers. Then each head of the family introduced himself and family.

Mrs. Nelson then outlined the various topics for programs for the coming year. This year should be very interesting. It will be worth your while to attend every meeting possible.

The meeting was then turned back to the president who invited everyone to come to the next P. T. A. meeting. Special entertainment was furnished for the children during the business meeting.

# DOG ODDITIES
