Angus Baker Dies

Angus M. Baker, who spent the early years of his life in Mentone, died in Jackson, Mississippi, August 30, 1957. His body is being sent to the Allen Funeral home in Peru and he will be buried at Deedsville Cemetery beside his wife who died many years ago.

Mr. Baker, the son of William T. Baker and Emoline (Heighway) Baker was born in Rochester, Indiana May 6, 1870.

Three brothers and two sisters preceded him in death. One sister, Mrs. Anna Nellans of Mentone survives.

Mrs. Nellans, who has been in Steubenville, Ohio, the past year, arrived in Mentone Tuesday to make funeral arrangements which are not at this time complete.

New Daughter

A nine pound twelve ounce daughter, Melanie Ann was born Friday, August 30, at 9:30 a. m. to Mr. and Mrs. Jack Shinn at the Murphy Medical Center.

The maternal grandparents are Mr. and Mrs. William Carew, of Gary and the paternal grandparents are Mr. and Mrs. Earl Shinn of Mentone.

Mrs. Carew has been staying with her daughter helping to take care of the new youngster.

1957 Baseball

The 1957 Baseball Schedule for Mentone High School is as follows:

Thursday, Sept. 5, Silver Lake at home; Monday, Sept. 9, Claypool at Home; Thursday, Sept. 12, Etna Green at Etna Green; Monday, Sept. 16, Beaver Dam at home; Thursday, Sept. 19, Sidney at Sidney.

Game time 4:00 p. m. Everyone welcome, come and help boost your team.

Parents of Son

Mr. and Mrs. Lloyd H. Hallopeter are the parents of a son born August 28 in the Marion General Hospital. His weight was 8 pounds 13 ounces and he has been named Randal Duane.

The maternal grandparents are Mr. and Mrs. Wilvin R. Long of Route 2, Rochester. The paternal grandparents are Mr. and Mrs. Lewis A. Hallopeter, R. 4, Albion.

Barry Holloway Home from Hosp.

Barry Holloway, 8, a Burket polio victim has been dismissed from the Lutheran hospital.

Barry is the son of Mr. and Mrs. Nelson Holloway of Burket.

Barry has made excellent progress toward recovery and is now able to continue his convalescence at home.

It will be several weeks before Barry will be strong enough to enter school.

Enters College

Dayton, Tenn.—Glen Deverl Davis, son of Mrs. Ina T. Davis, Mentone, Ind., will enroll at Bryan University, Dayton, Tenn., this fall as a freshman. Mr. Davis is a 1957 graduate of Mentone High School. During his senior year he served as president of his class, president of the Speech Club, and president of Hi C Club. Mr. Davis also won a miniature gold track shoe in his junior and senior years for scoring the most points in track.

Club Calendar

The Mothers of World War II will meet Monday evening, September 9, with Mrs. Claud Barkman at 7:30 p. m. Will be our annual school party. Bring lunch and come dressed as a school girl.

Jolly Janes Club will meet Monday evening, September 9, at 8:00 in the Private Dining Room at Pete's.

D. A. R. will meet at the home of Mrs. Max Smith on Tuesday, September 10 at 7:30.

The Mentone H. D. Club will meet September 12th at 1:30 p. m. at the home of Mrs. Leroy Cox.

The Merry Mollys will meet Monday, September 9, at 7:30. There will be a silent auction.

Mentone Legion Auxiliary members will meet Friday, September 6 at 8 p. m. at Post Home for installation practice. All new officers are to be present.

A committee meeting of all Egg Show Committees at 7:30 p. m. at the Mentone High School.

Mentone Legion Auxiliary Unit 425 will meet Tuesday, September 10 at 8 p. m. at Post Home. Regular Business meeting and installation of new officers.

Egg Show Tickets On Sale

Eldon Horn, chairman of the Ticket committee of the Mentone Egg Show today announced the Banquet tickets for the Mentone Egg Show Banquet to be held on Friday evening, September 20 are now on sale.

Mr. Horn urges all people who are interested in going to get their tickets early. In the last several years the tickets have all been sold before the banquet.

People who wish to purchase the tickets can purchase them from any Egg Show Committee members and the following business places: Creighton Bros. Poultry Farm, Manwaring Poultry Farm, Nellans Poultry Farm, Co-Op. Elevator, Valentine Elevator, Farmers State Bank and Porky Jones Barber Shop.

**EVELYN MENDENHALL
"Queen of Tap"**

Evelyn—the Tip Top Tap Lady has been named by her thousands of admirers as "Queen of Tap". She is a regular member of the

Elmer Hinkle Show and will appear at the Mentone Egg Show September 19. Miss Mendenhall is a popular entertainer combining personality with dancing to the delight of her audiences. Her routines include rhythm tap-calypto and comedy numbers.

P. T. A. Supper

The Mentone P. T. A. is sponsoring a Potluck Supper on Wednesday, September 11th. Bobby Taylor, a young magician from Culver, Indiana will provide the entertainment.

Married Recently

Miss Karen Marie Pinkerton and Royal Baum were married in evening rites, Saturday, August 24, at the home of the bride's parents, Mr. and Mrs. John Pinkerton, of West Prairie street, Warsaw.

Rev. Irvine Olson, pastor of the Mentone Baptist church, performed the double ring ceremony. Mr. Baum is the son of Mrs. Trella Baum, of near Mentone.

Given in marriage by her father, the bride wore a pale turquoise two-piece sheath dress. She carried a white Bible and red roses.

The couple were attended by Miss Lana Pinkerton, sister of the bride and Doyle Baum, of Mentone, twin brother of the groom. Miss Pinkerton wore a pink dress and a blue carnation corsage.

A reception was held at the home of the bride's parents. Guests were served by Miss Marcia Wolfe, of Warsaw.

Following a short wedding trip, Mr. and Mrs. Baum now reside in the Clutter apartments, Mentone. Mr. Baum is employed at the Utter Service station, and Mrs. Baum at Business Equipment in Warsaw.

School Safety Reminder

With the reopening of school, Charles M. Hayes, president of the Chicago Motor Club who pioneered the School Safety Patrol movement in 1922, reminds parents that traffic safety education for children begins in the home. Parents are asked to alert their children to the proper traffic safety rules for pedestrians and to map a safe route to and from school for their youngsters.

Hayes recommended that parents impress upon their children the importance of the following: 1. When getting off of a bus, wait until the bus has cleared the intersection before crossing the street; 2. While crossing a street, stay within painted crosswalk lines; 3. Watch traffic signals and walk only with the green light; 4. Be alert for turning cars; 5. Obey signals and instructions of policemen, crossing guards and patrol boys; 6. Be calm when crossing a street or highway; 7. never take chances.

Mrs. Bernice Rush moved to her new home Monday in the northern part of town.

Bessie Jones Dies

Mrs. Rudolph (Bessie) Jones, 77, lifetime resident of the Sevastopol and Burket communities, died of complications at 11:33 p. m. Friday in the Murphy Medical Center.

Mrs. Jones had been in poor health a year and seriously ill the past three months. Her home was two miles southwest of Burket.

Born in Sevastopol July 21, 1880, she was the daughter of Alfred and Lagarda (Toll) Kees-ecker and married Rudolph Jones in 1904. Mrs. Jones was a member of the Evangelical United Brethren church at Burket.

She leaves her husband; a son Alden, of near Mentone; a sister, Mrs. Lillie Jones, of Warsaw; three grandchildren and two great-grandchildren.

Last rites were held at 2:30 p. m. Monday in the Reed funeral home at Mentone. Burial was in the Palestine cemetery.

PURCHASE NEW HOMES

Mr. and Mrs. Oro Tucker have purchased the former Mae Borton home and are planning to move to Mentone about the Middle of October.

Mr. and Mrs. John Miller have purchased the James Rodibaugh home. They are planning to move into the new home about the first of November. Mr. Rodibaugh has accepted a position with the First National Bank of Goshen and will move there about November first.

New Arrival

Mr. and Mrs. Cecil Whetstone are the parents of a daughter born Wednesday at the Murphy Medical Center at 11:30 a. m. The new daughter weighed seven pounds and 15 ounces and was named Joune Key.

Paternal grandparents are Mr. and Mrs. Everett Whetstone of R. 1, Tippecanoe, Indiana and the paternal grandparents are Mr. and Mrs. Herschel Shoemaker of Winona Lake, Indiana.

Virgil Robbins and Everette Clabaugh are spending this week at Rice Lake, Wisconsin.

Mr. and Mrs. Abe Hoogenboom Rhoda and Randy spent last week at Lake Papakeechee near Wawasee.

Mr. and Mrs. Robert Smith and daughter are spending this week in Michigan.

Record Turkey Crop This Year

Lafayette, Ind. Indiana farmers are raising a record crop of 2,588,000 turkeys this year—26 percent more than in 1956, preliminary reports received by Purdue University agricultural statisticians indicate.

The statisticians estimated today that slightly more than two million of these are heavy breeds 27 percent higher than last year's total. Light breeds are estimated at 506,000, a 22 percent increase over 1956. The light breeds constitute about 20 percent of the total raised, about the same percent as in 1956.

Light breed turkeys include Beltsville, Small White, Jersey Buff, Royal Palm and Wild Turkeys. Heavy Breed birds include Heavy White and Bronze.

The 1957 Hoosier turkey crop increase is larger than the national increase of five percent, according to the statisticians. At the national level about six percent more heavy breed turkeys are being raised while light breeds show a decrease.

Turkey prices during the first half of 1957 averaged 15 percent below the comparable period of 1956, but feed prices increased one percent above last year, the statisticians said.

Local News

Monday Harry Gochring of Pennsylvania and Nancy Goodman of Mentone were dinner guests of Mrs. Ina Davis and family.

RETURN FROM TRIP

Mr. and Mrs. Russell E. Huffer have returned from a ten day conducted tour with Hoosier Travel Service. Traveling via "Trailway Van" and Steamship. We stopped at Detroit, Michigan, and Greenfield Village at Dearborn, Michigan, Toronto, Ontario, Canada, Brockville, Ont. where we took a cruise of the Thousand Islands of the St. Lawrence River, sight-seeing trip of Montreal, Canada, and boarding the Steamer "S. S. St. Lawrence" where we took a cruise down the St. Lawrence and Saguenay rivers docking at Bagotville, then returned to Quebec staying at the famous Chateau Frontenac Hotel then touring the city the next day. Coming back from Quebec we traveled by "Trailway" on the north side of the river to Montreal. Coming on to Niagara Fall we stopped at the "General Brock Hotel" on the Canadian side, seeing the Falls at night. Also visited "Old Fort

Niagara" which was very interesting. On our Tour we were permitted to visit the Project Electro Hydro Plant which will cost \$603,000,000, and will cost \$26,000,000 a year to maintain. It will take 3 years to finish. We stopped at Cleveland, Ohio, returning to Fort Wayne where we had boarded our "Trailway Van" having had a fine trip and ideal weather.

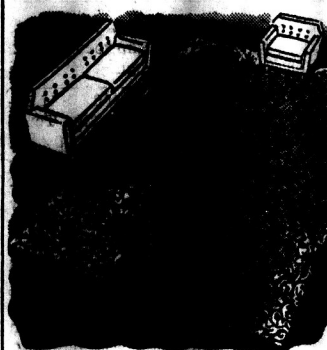

Scales, used to sort pigs for market, can pay for themselves in a hurry, according to Purdue University swine specialists. Many farmers have a small beam scales on the farm which can be used to weigh hogs.

Purdue University animal husbandmen say ewes should be kept on bluegrass pasture—away from legume pasture → during the breeding season. It may be necessary to feed hay and grain in drylot if pastures are not available. Ewes pastured on legumes during the breeding season do not readily "get with lamb" until after frost.

CARD OF THANKS

We wish to thank everyone for their prayers, cards, flowers and many acts of kindness during my sickness. Also for the card show-er on my birthday. Words cannot express my appreciation.

STUDY TIME—DO'S AND DON'TS

The Perfect Picture of Study Two Things Wrong Here

IN YOUR first days back to school, before you learn anything else, learn how to study. These words of wisdom are not only approved by educators, but they will be recognized immediately by all students as having the ring of good, common sense.

There are right and wrong ways to study, as Jeannie Beacham, Hollywood starlet, Chicago beauty queen and recent high school graduate, demonstrates in the pictures.

The picture at the desk shows the proper way to study. The room should be well ventilated and there should be as few distractions as possible. The phonograph Jeannie has beside her is played only when she takes a break between study subjects. If the phonograph would be otherwise distracting, it should be removed.

The student's position should not be too comfortable, but it should not be strained. But the lighting is very important according to the Murine Company research service and should not shine directly into the eye or be seen from the corner of the eye. Neither should there be a glare on the page you are reading.

In the picture with the sofa

Jeannie is violating two common-sense rules for studying. The light is very poor—in fact the book is in a shadow—and she is too comfortably ensconced in an easy chair.

Good study demands concentration and it is up to the student to discipline himself. Get the right amount of sleep, don't overeat, consider study as an adventure in learning. It also helps if the student uses the same desk or table in the same place in his home night after night as it will be easy to get set for studying and it will be easier to keep the mind from wandering.

Remember that good study is related closely to doing away with all distractions, and to making study a pleasant habit.

Mr. and Mrs. Delois White and family of Kokomo, Mr. and Mrs. Ernest Wilson White and family of Anderson and Mrs. Artis Miller were Monday dinner guests of Mr. and Mrs. Delemer White.

Mr. and Mrs. Eugene L. Shurte of Wanatah, Indiana were luncheon guests of Mr. and Mrs. Clayton E. Goodwin Sunday. Mrs. Florence Bruner and daughter Sadonia of Winona Lake called in the afternoon.

Mrs. Wm. Fryar, Mr. and Mrs. Glen Goodwin, Arthur Goodwin and Mrs. Carrie Goodwin all of Wanatah visited in the C. E. Goodwin home recently.

Agronomists at Purdue University say that bromegrass will produce more forage in late summer if it is allowed to rest between hay or pasture harvest. The new white shoots growing from the base of the plant are the "go ahead sign" for grazing or cutting bromegrass. The agronomists suggest an application of 75 pounds of nitrogen per acre to brome in late August to stimulate fall growth and storage of root reserves.

Agricultural engineers at Purdue University advise farmers to prepare and seed new waterways—or re-seed and repair existing ones—in August. Gullies should be filled and a fine seed-bed disked for new grasses. Alta or Kentucky 31 fescue are excellent grasses for waterways, according to the engineers.

Alfalfa-grass mixtures can be seeded in August, report Purdue University agronomists. Dual wheat makes an excellent companion crop for early August seedlings. Dual is fly resistant and a good grain and forage wheat.

Net Farm Income Up

Net farm income of 493 Indiana farmers who have their farm accounts analyzed by Purdue University agricultural economists averaged \$9153 in 1956 compared to \$3446 in 1955. The figure for 1956 is the highest since 1947.

The average net cash income in 1956—\$7199—was \$1200 more than in 1955.

Economist F. V. Smith who supervised the record study said "net farm income is the net cash farm income plus (or minus) the net change in inventory values, minus the unpaid family labor."

Net cash income is the receipt's from all commodities sold minus cash farm expenditures. In 1956 there was an average net increase of \$2167 in inventory values of improvements, machinery, feed, grain and livestock. This was in contrast to an average net decrease of \$2325 in 1955.

The farm economist pointed out that the \$5492 difference in the inventory values accounted for most of the \$5707 difference in net farm incomes between the two years.

The averages represent the entire farm units operated by account cooperators and include investments, income, expenses and earnings of both the operator and the owner when the land is rented.

Smith said these figures should not be considered representative of all farms in the state since farm units operated by account cooperators are larger than the

average farm and the quality of management, in general, probably is above average.

A significant trend, Smith said, is the increase in the number of acres farmed by one operator. The average size of farm account cooperator's farm units in 1956 was 274 acres—70 acres more than the average for the five-year period 1935-39. Increase during the last 10 years has averaged 47 acres per unit.

Capital investment per farm unit averaged \$80,026 in 1956 compared with \$37,935 in 1946 and \$19,523 in 1936. These amounts include the value of real estate—rated at "conservative" current prices—and the average investments in equipment, feed and livestock.

Feed bins in laying houses should be built before the new flock of pullets are brought in, say poultry specialists at Purdue University. The bin should be constructed so that it can be filled from the outside off a truck.

Telephone Week

Governor Harold W. Handley has proclaimed the week of September 8-14 as Independent Telephone Week in Indiana.

The week of service, in which the independent telephone industry will be observed nationally as independent telephone companies throughout the United States mark the anniversary of American independent telephony.

According to N. E. Watson, district commercial manager of the General Telephone Company of Indiana, there are 230 independent (non-Bell System) telephone companies in Indiana. At the present time, these companies operate 600,000 telephones in Indiana, serving approximately 75 per cent of the land area of the state.

About 300,000 of these telephones are served by the General Telephone Company of Indiana, the largest independent in the state. This company, with a telephone plant investment of over 70 million dollars, operates in 287 communities in the northern two-thirds of the state.

The independent industry, which includes 4,400 companies throughout the United States and its territories, serves approximately nine and one quarter million telephones in 11,000 communities. (This is more telephones than are in all of Great Britain and France combined.) These companies own nearly two and one half billion dollars worth of plant and equipment and provide jobs for 100,000 persons.

The independent telephone industry has been responsible for a number of major technical ad-

vances in the telephone field, including the first practical automatic switching system. Its first commercial application was made more than 60 years ago at LaPorte, Ind. A few years later, the independents introduced the first dial telephones in a number of exchanges in various parts of the country. Today, about 70 percent of all independent telephones are dial operated.

The independent industry also is credited with the invention of handset telephones and direct operator-dialing over long distance lines.

The development of the telephone industry resulted from the basic patents granted to Alexander Graham Bell in 1876 and 1877. Following the expiration of these patents in 1894, a large number of independent telephone companies came into existence, some of which are still operating today.

The nation's long distance service is furnished primarily by the Bell System toll network but all long distance facilities are interconnected with independent telephone company lines. Long distance traffic between the two segments of the industry is freely interchanged.

Among the Indiana telephone men serving on the board of the United States Independent Telephone Association is L. H. Meyer of Fort Wayne, president of the

General Telephone Company of Indiana.

As a member of the General Telephone System, the largest independent telephone company in the world, the General Telephone Company of Indiana is one of the 27 operating companies serving 30 states from Vermont to California. Having its own manufacturing components, Automatic Electric Company and Leich Electric Company, this billion dollar corporation provides telephone service to nearly three million telephones spread across the country.

Do Not Overfeed Heifers

Lafayette, Ind.—A Purdue University extension dairyman, G. A. Williams, has advised farmers not to overfeed dairy heifers due to freshen in the next few months.

Williams said a study made at the Tennessee agricultural experiment station showed that overfeeding dairy heifers may prove harmful.

Six pairs of identical Jersey twin heifers were used in the experiment at the University of Tennessee. One heifer in each pair was fed a normal ration and the other a fattening ration.

The heifers fed a normal ration weighed an average of 741 pounds before calving compared to 943 pounds for the fattened group. Eight months after calving, the overfed group weighed 928 pounds—a loss of 15 pounds—while those on normal rations averaged 866 pounds—a gain of 125 pounds.

After the first six months in milk, the heifers which were overfed were averaging 16 pounds of milk daily compared to the 19.7 pounds daily for the group fed normal rations.

Williams said the extra 23 percent of milk being produced by the heifers which received a normal ration proves that more high quality roughage and less grain feeding is need on dairy farms.

He added that the Tennessee research shows that the feeding of plenty of high quality roughages with limited grain allowances is preferable to "over conditioning" heifers by feeding too much concentrate.

Sister Dies In East

Mrs. Mahlon Mentzer received word Monday evening that her sister, Mrs. Rose Boggess, 85, had died at Baltimore, Md., where she has resided for the past several years. She died at the home of a daughter after being in failing health for a number of years. She suffered a stroke a few months ago.

Mrs. Boggess was born in Mentone Oct. 3, 1871, the daughter of James H. and Phoebe (Bloomer) Blue and lived in this community most of her life. She was married to Stephen Boggess, who preceded her in death in 1897.

Surviving are the daughter, Marian Kern and grandson, James Kern, of Baltimore; one granddaughter, Mrs. Eldora Stroud, of Warsaw; four great-grandchildren; and the sister, Mrs. M. O. Mentzer, Mentone. One son, Byron, preceded her in death.

The body was to arrive in this county Wednesday and funeral services will be held at the Reed funeral home at 2:30 Thursday afternoon. Burial will be in the Mentone cemetery.

CLIPPED FOR "SPEEDING"

An item in the "50 Years Ago Today" column in the Warsaw Times Tuesday stated that: Carlin Myers, of Mentone, had been hailed before Justice J. P. Eiler's court and fined for speeding over the six-mile limit in the countryside.

In those days, six miles per hour was too fast! And before anybody starts to laugh at this, take a minute to evaluate the condition and situation of the day. About all the "hot-rodders" had to "drag" in in those days were horses and buggies, and six miles an hour was too fast in them.

M. O. Mentzer said he was in the crowd that waited on a Mentone street corner until 10 o'clock one night waiting for Mr. Myers to arrive from Toledo with his new 1-cylinder Cadillac. It was about six in the evening when Mr. Myers arrived in Fort Wayne, so unknowns to the waiting crowd up town, he had telegraphed Mrs. Myers that he would not make it home that evening.

Mr. Mentzer said he believed that Dr. Anderson and he were the next two in Mentone to buy one of those "new-fangled contraptions."

Brother Dies

Funeral services were held at Fort Wayne Friday for Richard Eugene McLaughlin, 33, brother of Mrs. Raymond Busenburg of Mentone, who died of self-inflicted gunshot wounds early Thursday morning.

It is believed a nervous condition resulting from war service was further aggravated by the death of his step-father, Lester Atchison, of Palestine, last Memorial Day, had a bearing upon the young man's act.

The deceased was born Feb. 14, 1924, the son of Mrs. Patricia Atchison of Palestine. He was a truck driver for the state highway department.

Surviving in addition to the mother and sister mentioned above are his wife, Mary; six sons, Everett, Richard Jr., Rex, Daniel, Steven and Donald; two daughters, Gloria and Joyce, all at home; a brother, Robert of Warsaw, and another sister, Mrs. William Johnson of Warsaw.

Parents of Son

Mrs. Mickey Eaton and new son are now at their home south of Talma. They came home from the Woodlawn hospital Tuesday. Kim Dee, weighing seven pounds four ounces, arrived Sept. 5th. The Eatons have one other son, Kevin Dee, 18 months old. The grandparents are Mr. and Mrs. Devon Eaton of R. 5, Rochester and Mr. and Mrs. Gerald Balenger of near Mentone.

BADLY INJURED IN AUTO ACCIDENT

Don K. Piper, 30, of Route 2, Rochester, suffered fractures of both legs and head lacerations that nearly "scalped him," in a one-car accident on the Fulton county line west of Mentone on Saturday night. His pickup truck was damaged to the extent of about \$1400 when it came out of a T-intersection and ran into a cement abutment.

The injured man was taken to the Woodlawn hospital and on Tuesday he was taken to the St. Joe hospital in South Bend in the Johns ambulance. He is in room 200.

The young man is a son-in-law to Mr. and Mrs. Gordon Lent.

CLUB CALENDAR

Eastern Star Monday, Sept. 16, 7:45 p. m.

Place Often At State Fair

As usual, the Latimers came back from the Indiana State Fair with a fine record in the sheep exhibits. In the "Open to the World" class, which included 394 Shropshire sheep from breeders in Ohio, Illinois, Oklahoma, Indiana and Tennessee, they placed as follows:

Ram, 1-2 years, 7th.
Ram lamb, 1st, 2nd and 7th.
Pen ram lambs, 1st.
Ewe, 2 yrs. or older, 5th.
Ewe, 1 to 2 yrs., 3rd and 6th.
Pen yearling ewes, 1st.
Ewe lamb, 1st and 4th.
Pen Ewe lambs, 2nd.
Flock, 3rd.
Young Flock, 3rd.
Get-of-Sire, 2nd and large trophy never won in Indiana before.

In the bred and owned in Indiana classes:

Yearling ram, 4th.
Ram lamb, 1st and 2nd.
Ewe, 1 to 2 yrs., 1st and 3rd.
Pen 3 yr. ewes, 1st.
Ewe lamb, 1st and 2nd.
Ewe lamb, champion ewe.
Pen 4 lambs, 1st.
7 head bred and owned, 1st and trophy.

Also all the Gold Medal lamb classes.

The Hampshires placed well, including 1st pen Gold Medal ewe lambs and 5th in open and 2nd in state.

The first place Shropshire lamb was sold to the University of Missouri.

Karen Latimer received 1st in ewe lamb, 1st in yr. ewe, and champion ewe for the fourth year in a row. (She also had the champion in 1952.)

Wilburta Latimer had the champion ewe in 1953.

New Son

A seven pound one ounce son, Randy Allen, was born to Mr. and Mrs. Robert Brown at the Osteopathic Hospital in South Bend at 3:47 a. m. September 4th. The mother will be remembered as Linda Lou Hudson, daughter of Mr. and Mrs. Jack Hudson of Argos.

Roland Ferverda, formerly a Mentone school instructor, spent some time in Mentone Tuesday afternoon calling on old friends and making a few business contacts. He is a representative of the Brotherhood Mutual Insurance Co.

Cow Establishes National Records

Quite an event was commemorated at the Harold Gawthrop farm, just south of Etna Green on Road 19, Tuesday afternoon when some fifty people gathered at the 230-acre farm to honor a four year old dairy cow that has just established two national records for a four-year-old.

Prince Pica Harest Beth, a Holstein-Friesian, with a production record of 27,526 pounds of milk eclipsed the old mark of 26,773 pounds set in 1948 by a California cow. At the same time, her production of 1,135 pounds of butterfat was 56 pounds over the previous record of 1,079 pounds set last year in Kansas. She was milked twice daily and the records were based on a year-long lactation period. Both marks are subject to review by the Holstein-Friesian Association of America, Brattleboro, Vt., but a spokesman for the association, present at the barbecue Tuesday, said the records "will most likely stand."

In addition to representatives of the breeding association, there were Purdue Extension Dairymen, correspondents from news and farm journals, and the Hales & Hunter Feed Company present at the coronation.

FEED STORE NEARLY COMPLETED

The Red Comb feed retail store being built along the railroad right-of-way for Don Wentzell, is rapidly nearing completion and it is planned there will be an "open house" in the very near future.

Although it is not yet complete, the storage room is being used for storing and distributing of feeds.

A SURE WAY TO GET SOME ACTION — FAST!

According to a hear-say story, Jimmy Bryan found out that you can stir up quite a bit of excitement if you put a chameleon in mother and daddy's bed without them knowing anything about it.

It seems Jimmy made a trip to the State Fair and invested in one of those little lizards that seem to change colors to match its surroundings. The only trouble was that when Mrs. Bryan got her first glimpse of the thing in bed with her, she changed color and moved so quickly the perennial circus animal was confused.

Name Egg Show Queens

Etna Green, Atwood, Beaver Dam and Silver Lake schools have selected and announced their candidates for the Mentone Egg Show queen contest to be held on the evening of September 19th.

Atwood has named Beverly Ann Creighton, a 17-year-old senior, as the candidate from the high school. She is the daughter of Mr. and Mrs. Kermit Creighton.

Beaver Dam has also chosen a senior as its candidate. She is Miss Karen Latimer, daughter of Mr. and Mrs. Wilbur Latimer.

A sophomore, Jane Mellott, 15, will represent the Etna Green high school. She is the daughter of Mr. and Mrs. Harley Mellott.

Another 17-year-old senior, Sharon Puls, daughter of Mr. and Mrs. Wayne Holle, has been chosen as the candidate for the Silver Lake high school.

Five other nearby high schools are expected to have candidates in the queen contest.

The 1957 Mentone Egg Show has a mighty fine program arranged, and at the general committee meeting held Tuesday evening, the general atmosphere indicated every feature of the show was in top notch condition. The banquet ticket committee announced that banquet ticket sales are ahead of normal and that there weren't too many yet available.

Dies At Son's Home in So. Bend

Mrs. Alice C. Emmons, 83, of 820 E. Fox St., South Bend, died in the Lerch Nursing Home there at 5:30 p. m. Saturday after a five-year illness.

Born in Mentone as Alice Barton, she married Albert Emmons in 1901. He died Nov. 9, 1944.

Surviving are one son, Sampson B. Emmons, with whom she lived; three grandchildren, and four great-grandchildren.

Funeral services were held at the Bubba Chapel, Mishawaka, at 1 p. m. Monday with Rev. Roy G. Hamman, pastor of the First Baptist Church, Mishawaka, officiating. Burial was in the Fairview cemetery.

Mr. and Mrs. Floyd Dorsey are spending this week vacationing in Michigan.

Purdue Farm Price Outlook

Prices of farm products are expected to strengthen as personal incomes rise but farm costs will continue to increase in the next few months, agricultural economists at Purdue University have reported.

This will result in little change in the net incomes of farmers.

Prices for corn this fall are expected to be near last year's levels. Total U. S. feed grain supplies October 1 should be at an all time high despite a probable

12 percent smaller corn crop than in 1956.

Some of the corn will be high in moisture, according to the economists. They recommend that farmers consider storing good corn and buying high moisture corn for early season feeding.

Fairly stable fed cattle prices are in prospect at least for the next several weeks. The economists say feeder cattle prices will remain around 20 percent higher than last year.

Farmers are advised to "continue to keep hogs topped out at 200-220 pound weights."

A seasonal rise in milk prices is expected but the economists say the may not reach last year's levels. Pointing out that egg prices rose about 10 cents a dozen from July 1 to August 1, the economists say further mild increases may be expected.

Fall broiler prices "at, or below, the 16-17 cent levels of October and November, 1956, are strongly indicated." Slight price increases may occur in the turkey market from Now until November but the level is not expected to rise even to the 25-26 cent figure of 1956.

Purdue University dairymen say that forages grown on efficiently managed land can yield large amounts of essential feed nutrients at lower cost than other crops. Poorly managed forage crops, however, can be low yielding and expensive feeds. Dairymen should make every effort to grow a liberal supply of quality roughages for the 1957-58 feeding period.

MENTONE, INDIANA

Open Friday and Saturday evenings for Your Convenience

NEWCASTLE TOWNSHIP NEWS

Lavo, Montgomery is confined to his home on account of illness.

Mrs. Tressie Bockover and daughter, Mrs. Mildred Hendricks of Peru, called on Mr. and Mrs. Fred R. Miller Thursday.

Mrs. Helen Coplen has accepted a position at the Hatfield Grocery here.

Mrs. George Waltz, formerly of this community, fell in June and fractured her hip. She is now at the home of her son, Truman Waltz, 527 E. Keasy St., South Bend. She would appreciate hearing from her old friends.

Mr. and Mrs. Charles Good spent Sunday in Elkhart visiting their son and daughter-in-law, Mr. and Mrs. James Good, and family.

Mr. and Mrs. Oliver Grove of Rochester were guests on Friday evening at the Lou Grove home.

Mrs. Jeanette Dick was a business visitor in Westville Thursday.

Herman Alber of Rochester, was a business visitor here Saturday.

Mr. and Mrs. A. E. Walker of Indianapolis spent Saturday here.

Mr. and Mrs. Fred D. Barr spent Friday evening in Bremen.

Mr. and Mrs. Harry Sriver and family spent Labor Day in Akron visiting with Mrs. Sriver's parents, Mr. and Mrs. Fred Roe.

Friday evening, Sept. 13, the Grass Creek Panthers team will travel to Talma where they will meet the Talma Tigers softball team on the Tiger diamond at 7:30.

Chuck Coplen fashioned the first no-hitter of the 1957 Fulton county high school softball league

Friday evening as Talma squeezed past Akron 1-0. The defending champions had more trouble with the Flyers than expected and didn't get the winning run until the bottom of the seventh inning. Bob Deamer led off the decisive frame with a single and Jerry Finney followed with a perfect bunt sacrifice when Finney beat it out for a hit, Deamer came all the way home with the game's only run. Powell was on the mound for Akron, giving only four hits until the seventh. Both teams were under new coaches—Joe Barnett at Talma and Ted Dunn at Akron.

Sorority Meets At Simcoe Home

Beta Epsilon chapter of Psi Chi met Tuesday evening, Sept. 3, at the home of Mrs. Kenneth Simcoe for the regular business meeting. There were 16 members present. Miss Joyce Hathaway gave an interesting report on Girls' State. Miss Hathaway was sponsored by the sorority. It was announced that the northern province meeting will be held Oct. 19 at Logansport. Three reports were read by Brownie troops which are sponsored by the sorority.

The president, Mrs. Forrest Miner, appointed the following committees to work on suggestions and ideas for revision of the national constitution: Mrs. Cecil Long, Mrs. Harold Utter, Mrs. Kenneth Simcoe and Mrs. Don Ernsberger.

The meeting closed by singing the sorority song and repeating the ritualistic closing.

The next meeting will be held at Peterson's Restaurant Sept. 17 at 8:00 p. m. with Mrs. Don Ernsberger as hostess. There will be a book review and musical program. Each member may invite a guest.

Will Provides 'Copter Award

National recognition of outstanding work in the field of helicopter development will be provided by an award created in the will of the later Lawrence D. Bell, founder of Bell Aircraft Corporation.

The award is known as the Grover E. Bell Award, in memory of Mr. Bell's brother who was an early pioneer aviator and who lost his life in an airplane accident in California in 1913.

Mr. Bell, who spearheaded the development of the world's first commercial helicopter, established the award "for the purpose of fostering and encouraging research and experimentation in the important and relatively new field of helicopter development."

Income of his bequest to the Buffalo Foundation will provide the award annually "to the person or persons making an outstanding contribution to helicopter development during the preceding calendar year in the United States."

The first annual award, which will include a medal, certificate and cash honorarium, will be presented by Leston Faneuf, Bell Aircraft president, at the honors night dinner of the Institute of Aeronautical Sciences in New York City in January.

Club Meets At Hibschan's

The Merry Mollys Home Economics club met at the home of Mrs. Robert Hibschan for their September meeting.

The vice president, Mrs. Glen Mellott, called the meeting to order with the pledge to the flag and the group singing of "America the Beautiful." The history of the song-of-the-month, "My Bonnie," was given by Mrs. Glen Puterbaugh. She also read two poems about children for meditation.

During the business meeting, conducted by the president, Mrs. LaMar Leffert, an election of officers for the following year was held. The new officers are: president, Mrs. Glen Mellott; vice president, Mrs. Robert Hibschan; secretary, Mrs. Dean Meyer; treasurer, Mrs. Glen Puterbaugh, and reporter, Mrs. Marion Smith.

The following committees were appointed for our special meeting with Mrs. Ruth McCleary, the Jolly Janes and the Mentone Home Ec. clubs Friday evening: Decorating—Mrs. Dean Meyer, Mrs. Clayton Holloway, Mrs. David Cooper and Mrs. Charles Hunter.

Models — Mrs. Glen Mellott, Mrs. Robert Hibschan, Mrs. Donald Bennett and Mrs. Herschel McGowen.

Reception — Mrs. Carl Whetstone, Mrs. Glen Puterbaugh, Mrs. Harold Horn, Mrs. Dale McGowen and Mrs. Jerry Hudson.

Refreshment—Mrs. Gene Sarber, Mrs. Everett Welborn, Mrs. Marion Smith and Mrs. Al Runnells.

After the business meeting a silent auction was held. The door prize was won by Mrs. Everett Welborn. Secret Pal gifts were

received by Mrs. Marion Smith, Mrs. Jerry Hudson, Mrs. Donald Bennett, Mrs. Al Runnells and Mrs. Harold Horn.

Two interesting games pertaining to colors and cakes were played with prizes going to Mrs. Carl Whetstone, Mrs. Clayton Holloway, Mrs. Dean Meyer and Mrs. Herschel McGowen.

Delicious refreshments were served by the hostess, Mrs. Robert Hibschan, and co-hostess, Mrs. Dale McGowen, to 16 members and two guests, Mrs. Dale Hawley and Mrs. Ralph Warren.

NEWS — Ph. ELMwood 3-3985

Purdue University swine specialists say market hogs do not receive much benefit from pasture during the hot dry summer months. Dust also becomes a problem in the field. More rapid and efficient gains can be realized if hogs nearing market are taken off pasture and put on concrete when the pastures become dry and dusty.

MORE PEOPLE DRIVE CHEVROLETS THAN ANY OTHER CAR

New Chevrolet Bel Air Sport Coupe with spunk to spare!

Great to have — and only Chevy's got 'em!

Chevrolet's the only leading low-priced car with *any* of these advances — the only car at any price with *all* of them!

BODY BY FISHER. You get more to be proud of in Chevrolet. No other low-priced car is quite so beautifully or substantially built down to the last detail.

SHORTEST STROKE V8. This helps explain Chevrolet's smooth and lively V8 ways. Short-stroke design also means less piston travel, longer engine life. Here's

super-efficient power with plenty of vim and vigor!

STANDARD BALL-RACE STEERING. Chevy's Ball-Race steering gear mechanism is virtually friction-free! That means easier parking, surer control, more relaxed driving.

POSITRACTION REAR AXLE*. When one rear wheel slips in mud, snow or ice, the wheel with the traction *grips* for sure going!

TRIPLE-TURBINE TURBO-GLIDE*. The silkiest automatic drive anywhere! You move from

standstill to top cruising speed in one gentle stream of motion. Special "Grade Retarder" position saves braking on hills.

P.S. Chevy's got the big "details," too! See all the exclusives at your Chevrolet dealer's!

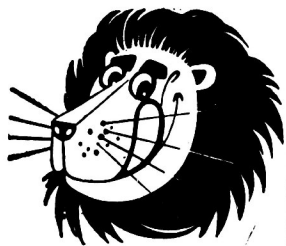

*Optional at extra cost

service

Born in 1897...the United States Independent Telephone Association is growing bigger and stronger every year.

Today, with 4300 telephone companies serving over 9,000,000 subscribers in two-thirds of the geographical area of the nation, the Independent Telephone Industry has a \$2.5 billion investment that helps you reach all America.

Steadily extending its far-flung telephone network...developing new communications devices and techniques...Independent Telephone Companies grow with the ever-expanding needs of the nation.

THE American telephone industry is composed of the Bell System and the Independent companies. Bell operates essentially in the big metropolitan areas, the Independents serve mainly in the smaller towns, fast-growing suburbs, rural regions. Together, they form the world's greatest communications network.

September 8-14 is Independent Telephone Week in 11,000 U. S. Communities

Mr. and Mrs. Fred Swick were Sunday afternoon callers of Mr. and Mrs. Clarence Leininger.

Mr. and Mrs. John Laird and Mr. and Mrs. Claud Barkman attended the No. 7 school reunion Sunday at Tippecanoe.

LOST KITTEN

On Sunday, August 18th, a birthday gift came to live at the home of Mike Whetstone. It was dark grey and white striped, white neck and feet with a black tipped tail. Seems it really "took over" the Whetstone home — sharpened its claws on mom's furniture—slept on every available overstuffed chair — made itself at home on all beds and was constantly tangled between feet. On Friday, August 30th, it disappeared and Mike and his family have searched the town to no avail. If Frisky (the kitten's name) by any chance happens to see this article — Mike says he will gladly trade beds with you — just come home — please!

some need a lot

some need a little

always ready **automatically**
with an **electric water heater**

Luxury or necessity? An automatic water heater is *both*. Enjoy the convenience of plenty of hot water in your home . . . where and when you want it! Imagine the time you save when you can do the dishes or start the laundry . . . without having to wait for the water to heat. The whole family will welcome

the comfort of baths when they want them, all through the warm summer weather.

Start NOW to forget "hot water schedules" at your house . . . install an electric water heater today. Give your home the luxury of hot water that's always ready!

NORTHERN INDIANA *Public Service* COMPANY

David Tibbets Establishes Record

David Tibbets, a second grade student in the Mentone grade school, broke all former records in the Mentone Library Vacation Reading Club by reading 513 books this summer with a score of 1261 points, which is equal to a fourth grade reading level average.

All members of the Reading Club received one point for each book marked for their own grade, two points for each book for the next grade higher and three points for a book two grades above their own. High point winners in each of the grades were as follows:

David Tibbets, 1261 points; Kathy Tridle 189 points; Pamela Abbey 99 points; Linda Myers, 95 points.

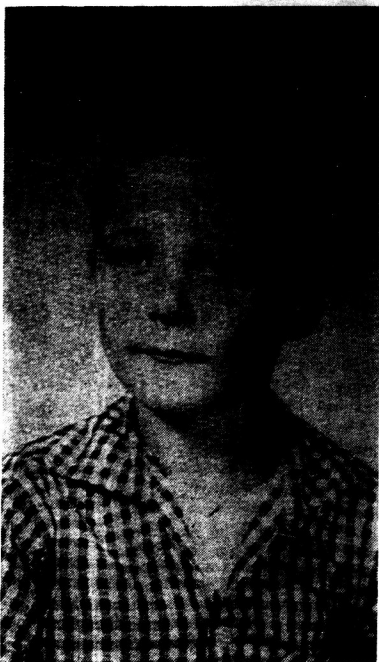

Third Grade: Linda Howard 223 points; Vickie Bowser 147 points; Diane Sarber 137 points; Connie Teel 100 points.

Fourth Grade: Kathy Shinn 198 points; Mary Ann Peterson 192 points; Cynthia Elsworth 159 points; Marlene Brallier 142 points.

Fifth Grade: Lorna Tridle 52 points; Virginia Goodman 38 points.

Sixth Grade: Robert Adams 19 points; Lowell Gruenewald 7 points.

Forty-nine children took part in the Vacation Reading program and the total number of books read and reported upon by the club members was 2341. These children put forth a great amount of effort to do so much reading during their vacation and we truly appreciate their interest in

the reading program and also the help of their parents in making it possible for their children to take part in the summer reading club.

Farmers To Hold Picnic

Kosciusko County Farmer's Union will hold its annual picnic at Camp Mack on Waubee Lake Sunday, Sept. 15 at 12:30 p. m.

The guest speaker will be Marion Clawson, president of Delaware County Farmer's Union. Being a farmer and also a member of the State executive board, Clawson will discuss "What is Farmer's Union, What it has done for the farmer, and what the future aims of Farmer's Union are."

Meat will be provided by the Farmer's Union, but each family is to bring a covered dish or dessert. Members are also asked to invite their neighbors as dinner guests.

Baseball News

On Sept. 5th Mentone had its opening game with Silver Lake. Jim was the starting pitcher and he was relieved in the fifth by Larry Teel.

The final score was 13-3 in favor of Silver Lake. The Mentone box score follows:

	AB	R	H
J. Irwin, 2nd	4	1	2
T. Holloway, cf.	4	0	1
L. Teel, lf. & p.	4	0	1
J. Manwaring, 3rd	1	0	0
B. Long, ss.	4	0	1
L. Nellans, 1b	2	0	0
M. Holloway, rf.	1	0	0
L. Hatfield, c.	2	1	0
J. Teel, p.	3	1	1
G. Barkman, rf.	2	0	0

The winning pitcher was Rose, Jim Teel the loser.

Mentone vs. Claypool

Sept. 9th the second game was played here at Mentone with Claypool.

Larry Teel started out as the pitcher. Jim Manwaring relieved him in the fifth inning. The final score was 201 in favor of Claypool.

The Mentone box score follows:

	AB	R	H
G. Barkman, lf.	1	0	0
J. Irwin, 2b	3	0	0
J. Teel, ss.	3	0	0
J. Manwaring, 3b., p.	3	0	1

Dick Long, rf.	3	0	1
L. Nellans, 1b	3	0	0
T. Holloway, cf	3	1	0
L. Hatfield, c.	3	0	0
L. Teel, p.	2	0	0
Bob Long, 3b	1	0	0

The winning pitcher was Eng-land. Larry Teel was the loser.

Agronomists at Purdue University say that lack of oxygen in the soil may reduce corn yields. The agronomists report that continuous corn may limit the amount of decaying root material in the soil, causing the soil to become dense and hard. Such soil will lack oxygen and normal root growth will be retarded.

TIPPECANOE PRODUCE MARKET

Swine Records Are Important

Accurate records are a must for the efficient swine producer, report two Purdue University extension swine specialists.

Richard Hollandbeck and Vernon Bell say records provide the basis for herd improvement. They can serve as a guide in culling sows and in the selection of

gilts and boars.

Breeding and farrowing data—which can be recorded in a matter of minutes—should give the identification of the sow, dates bred and farrowed, number of pigs farrowed, and number weaned. A record also should be kept of the date and reason for disposing of the sow.

The feed required for a hog to make 100 pounds of gain can be determined by feed efficiency records. The feed conversion information will aid the swine producer in culling and selecting replacement breeding stock.

Farmers who are not equipped to establish feed efficiencies for individual animals, Hollandbeck and Bell suggest that rate of gain be determined. "A positive correlation exists between feed efficiency and rate of gain for pigs on a full feed," they say.

Open House At New Feed Outlet

Open house will be held all day Friday for the new Wentzel Feed and Farm Supply store just completed along the railroad right-of-way and on the north side of West Main Street, in Mentone.

Mr. Wentzel is Northern Indiana distributor for Red Comb and Pioneer Feed, manufactured by the Red Comb Pioneer Mill, also in Mentone. The new 40 x 60 warehouse will also be used as a branch warehouse for the Poultry and Veterinary Supply Co. of Goshen.

Miles Igo has been sales representative for the Wentzel Fed Co. the past few months.

The building, of wood and concrete, was built by the Yutz Construction Co. of Middlebury.

and an office room 15x30 is located on the street side of the warehouse. Landscaping is not complete, as it can be seen by the News photo above, but the area has been leveled and preliminary work done on the driveways.

Mr. Wentzel, shown at the door of the office building, stated that the building represented an expenditure of about \$12,000. The structure is heated with automatic bottle gas, and the office is nicely finished with texture plywood on the walls and vinyl plastic tiles on the floor.

The Baker Appliance Store did the plumbing and the Romme Electric handled the electrical work. Building materials were from the Mentone Lumber Co.

Hospital News

Timmy Harman, 3 year old son of Mr. and Mrs. Tom Harman, returned home last Saturday after having surgery for hernia on Wednesday at the Woodlawn hospital.

Clayton Goodwin is much improved after being a patient at the Woodlawn hospital for a short time.

Rosalind Wagner, 8 year old daughter of Mr. and Mrs. Mervin Wagner is now home from the Murphy Medical Center where she was a patient. She is still in bed but is much improved. She is suffering from a bronchial infection.

Robert Boggs is home and is improving after being a medical patient at the Murphy Medical Center.

**TO LEAVE SOON
FOR GERMANY**

Diane Bitting, daughter of Mr. and Mrs. Earl Davis, has now obtained her passage to go to Germany to join her husband, James Bitting. She leaves New York Sept. 20 on the ocean liner, New Amsterdam which will dock at Rotterdam, Holland.

CLUB CALENDAR

W. S. C. S. of the Mentone Methodist Church will meet on Thursday, September 26th, 7:45 p. m. at the home of Ethel Shafter. Guest speaker will be Mrs. J. N. Rodeheaver of Winona Lake. All women of the church invited to attend.

Masons, Monday evening, Sept. 23. Master Mason Degree.

**Mrs. Herendeen
Dies Suddenly**

Death claimed Mrs. C. O. (Ida) Herendeen at 11 a. m. Wednesday after an illness of one day. She was taken ill Tuesday morning and taken to the Woodlawn hospital where she passed away. The cause of death was given as complications.

Mrs. Herendeen was born near Bourbon May 6, 1873, the daughter of Lester and Nancy Jane Case and was 84 years of age at death. She had lived her entire life in the Bourbon and Mentone communities. She was married to Chester Herendeen in 1902. She was a member of the Mentone Methodist church.

In addition to the husband, she is survived by one son, Allen, of Mentone; two grandsons, two great-grandchildren; one half-sister, Mrs. Bonnie Latta of Warsaw, and one step-sister, Mrs. Lillie Eaton of Mentone.

Funeral services will be held at Mentone Saturday afternoon at two o'clock, with burial in the Mentone cemetery. Friends may visit the Johns funeral home after seven o'clock Thursday evening.

**McMahan To
Build Road 110**

The McMahan Construction Company of Rochester submitted a bid of \$494,271.52 for road construction on State Road 110, from U. S. 31 to State Road 25 on the Marshall-Fulton County Line.

McMahan was the only bidder. The engineers estimate was \$497,203.25. Approximate distance to be paved is 5.55 miles.

McMahan Construction Company also was low bidder on a bridge on State Road 110 over the Tippecanoe river at the Marshall-Fulton county line. The bid was \$119,458.60.

Have New Girl

Mr. and Mrs. Kent Smith are the parents of a 7 pound daughter born last Thursday at the Murphy Medical Center. The new baby has been named Mindy Sue.

EXTEND REVIVAL MEETING

The Revival meeting at the Vincent Goodman Building has been extended for another week.

**Egg Show
Starts Thursday**

The Mentone Egg Show officially opens Thursday evening at the Mentone gym, with a fine program arranged. The Elmer Hinkle troupe will present an interesting and entertaining musical program, and representatives from nine neighboring high schools will compete in the Egg Show queen contest.

The candidates are:

AKRON—Karna Hoffman, 15, daughter of Mr. and Mrs. Earl Hoffman. She is a junior.

MENTONE—Bonni Spradlin, 15, daughter of Mr. and Mrs. Howard Ruihley. She is a sophomore.

TIPPECANOE—Beckie Robinson, 15, daughter of Mr. and Mrs. William Robinson. She is a sophomore.

SILVER LAKE—Sharon Puls, 17, daughter of Mr. and Mrs. Wayne Holle. She is a senior.

CLAYPOOL — Patricia Elaine Davis, daughter of Mr. and Mrs. Max Davis. She is 15 years of age and a sophomore.

TALMA — Karen Harvey, 16, daughter of Mr. and Mrs. Clyde Harvey. She is a junior.

ETNA GREEN—Jane Mellott, 15, daughter of Mr. and Mrs. Harley Mellott. She is a sophomore.

BEAVER DAM—Karen Latimer, 17, daughter of Mr. and Mrs. Wilbur Latimer. She is a senior.

ATWOOD—Beverly Creighton, 17, daughter of Mr. and Mrs. Kermit Creighton. She is a senior.

Friday evening, in addition to the fine banquet of barbecued chicken, Dr. Stanley Mitchell, noted hypnotist (shown above) will give a demonstration of this interesting and unusual science.

**Charles Jones
Buried Sunday**

Charles H. Jones, 83, lifelong resident of Burket, died of complications at 10:30 p. m. Thursday in the Alfran nursing home at Warsaw.

Mr. Jones, retired employee of the Nickle Plate Railroad, had been in failing health two years and seriously ill three months.

Born in Burket December 26, 1873, he was the son of John and Nancy (Hire) Jones. In 1905 he married Estella Warren who died about three years ago. He was a member of the Burket Evangelical United Brethren church.

Surviving are three sons, Allen, of Fort Wayne, Edward, of Burket, and Franklin, of Silver Lake; a brother Rudolph, of Burket; two sisters, Mrs. Neva Mattox, of Claypool, and Mrs. Myrtle Dickey of near Warsaw.

Last rites were held at 3 p. m. Sunday in the Johns funeral home at Mentone. Burial was in the Palestine cemetery.

**Two Men
Lose Fingers**

Two Fulton County men, William (Bud) Snipes and Herb Carlisle, were patients in the Woodlawn hospital last week following farm accidents.

Mr. Snipes tripped and fell into a field cutter which was running. He lost the end of three fingers on his right hand.

Mr. Carlisle lost a finger on his right hand in the same type of machinery.

**Talma Senior
Class Play**

The entire Talma senior class, comprising 12 students, are involved in their class play, "Books and Crooks," to be presented at the Talma Community Building on Friday and Saturday, Sept. 27 and 28, at 8:00 p. m. Reserved seats are available, according to Mrs. John Frederick, director.

Daughter Is Born

Mr. and Mrs. Howard Ernsts of Talma are the parents of a daughter born at the Woodlawn hospital at Rochester on September 13.

Palestine Home-makers Meet

Mrs. Isaac Horn was hostess to the Palestine Homemakers Club at her home in Warsaw on September 5th. The meeting was called to order by Flo Shirey, vice President. The pledge to the flag and the song of the month, "My Bonnie Lies Over the Ocean" was sung. A Health and safety discussion was held. Meditation, "What to do with old tooth Brushes," was given by Mrs. Henry Pletcher.

Roll call was answered and a penny collection was taken. The meeting was adjourned by repeating the Club Creed. Mrs. Horn with Mrs. Jessie Baum assisting served ice cream and cake. The next meeting will be October 3rd at the home of Mrs. Gordon Hackworth near Palestine.

In Germany

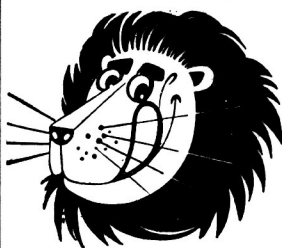

Grafenwohr, Germany (AH-TNC)—Army Pfc. Arthur Quier,

son of Mrs. Cleora E. Quier, Mentone, Indiana, is participating in a 30 day field training exercise with the 74th Field Artillery Battalion near Grofenwohr, Germany.

Quier, a cannoneer in the battalion's Battery C, entered the Army in September 1954 and completed basic training at Fort Leonard Wood, Mo. He arrived overseas in May 1957.

The 21 year old soldier attended school in Mentone.

Midwest Rodeo Action

CHICAGO—Rodeo star in his own right is "Come Apart", bucking bronco appearing in the International 'Golden Spurs' Rodeo October 9 to 20 here. Named top bareback bronc in 1956 by Rodeo Cowboys of America, here he is tossing a cowpoke in a Great Falls, Montana rodeo. The Chicago event is held in conjunction with the International Dairy Show in the International Amphitheatre of the Chicago Stock Yards.

Lions Entertain Teachers

Wednesday evening the Mentone Lions club was host to the teachers of the Mentone and Beaver Dam schools, and the Lions ladies. Other guests included the wives and or husbands of the teachers, and the township trustees and their wives.

A very delicious dinner was served to the gathering of nearly one hundred individuals, after which Lion H. V. Johns led the group in a number of familiar songs.

Introductions were under the

leadership of Lion Kenneth Romine, president of the Mentone club. President Romine, after conducting the regular business of the club, introduced Dale Kelley, chairman of the entertainment committee. He promptly introduced Judge Seth Rowdabaugh who informed the gathering of some of the little-known duties of the court.

A hitchhiker has the same rights as any other "guest rider." In case of an accident, he can sue the automobile driver for damages, says the Chicago Motor Club, in warning drivers against picking up people on the road.

STRICTLY BUSINESS

by McFeatters

"It's Whimple, Sir. Crick in the neck again!"

Mrs. Ernsberger Psi Iota Hostess

Beta Epsilon Chapter of Psi Iota Xi met at Pete's Restaurant Tuesday evening, September 17, with Mrs. Don Ernsberger, as hostess.

The book review, "Dr. Kate" was capably given by Mrs. Russell Simmons of Warsaw. Mrs. Herbert Shipley, also of Warsaw, sang several songs, accompanied by Miss Carol Hill.

A handkerchief shower was given for Mrs. Jack Pritchard who is leaving next week to make her home in Denver, Colorado. Plans were completed for serving the Egg Show banquet on Friday evening.

It was announced that pecans are still available and may be purchased from sorority members.

An invitation was extended to attend the Brownie Scout Sunflower Troop program at the Methodist Church September 27, at 7 p. m. Mrs. Betty Kinzie is their Den Mother.

The next meeting will be a business meeting at the home of Mrs. Forrest Miner, October 1st.

War Mothers Meet

The Mothers of World War 2, Unit 106, met at the home of Bertha Meredith for their annual school party, September 9. The president, Dora Norris declared the meeting opened for business, after the pledging of Allegiance to the flag, singing one verse of the National Anthem and prayer by the Chaplain. Roll call was responded to by 18 members and one guest. Mrs. Eva Laird, Secretary's report was accepted as read, the Financial Secretary's report was also accepted as read and the Treasurer's report was given and accepted.

Communications were read and taken care of. It was voted to send a box of needed articles to Beatty's hospital at Westville. The articles are to be brought to the November meeting and made ready for shipping. Final plans meeting in October. A school day were made as to the anniversary program was held during the social hour, with recitation, songs and contests. The meeting was closed by repeating the Mother's Creed in unison, singing one verse of "God Bless America" and prayer by the Chaplain.

HOME FROM FLORIDA VACATION

Mr. and Mrs. Denton Abbey and daughter returned a week ago Sunday from a 3 week vacation in Florida. They visited a brother of Denton's who lives in Miami and then went on to Key West for some fishing.

Mentone Hi-C Club Meets

The first meeting of the Mentone Hi-C Club was held Tuesday evening at the home of Barbara Unzicker. Since our leader, Darwin Nedo, a student at Grace Seminary in Winona Lake, was unable to be there he sent as his assistant Norbert Darr to speak.

Mary Kate Miller led the songs and Janice Davis played the piano. There were 20 present, 17 high-schoolers and 3 guests. We had 10 new members although we lost some from last year. Our officers for this year are as follows: President, Donna Eaton; Vice President, Larry Teel; Sec'y-Treas., Barbara Unzicker; and Reporter, Janice Davis.

The next meeting will be held

Tuesday, September 17 at 7:30 at the home of Dan and Janice Davis. Everyone is welcome to come.

NOVEMBER STYLE SHOW

The Anthony Nigo Chapter of Mentone are sponsoring a "Fashion Style Show" on November 19, 7:30 at the Mentone School Gym. Other announcement will be in a later issue.

CARD OF THANKS

I wish to thank all who sent me cards, flowers and prayers. Also the many acts of neighborly kindness during my accident and sickness.

MRS. GOLDA BROWN

Stop in at the Baker Jewelry and Appliance Store and look over the Siegler room heaters. There will be a free gift for you if you come early.

D. A. R. Meets

The Anthony Nigo Chapter, Daughters of the American Revolution held their September meeting at the home of Mrs. Max Smith and Mrs. Vera Kelly as co-hostesses.

Our recent, Mrs. Eldred Paul was in charge of the meeting. After the ritualistic service and pledge to the flag was given, one verse of America The Beautiful

was sung. The President-General's Message was read by Mrs. Tony Hight. Reports from various committees were given. The chapter bought twelve chairs for our D. A. R. school at Tamasee. Mrs. Ray Linn was elected delegate to attend the State Conference to be held October 3-4 at Sheraton-Lincoln Hotel, Indianapolis, Indiana.

Mrs. Arthur Brown presented a lovely briefcase to Mrs. Frank Smith, a gift from our chapter to be used when Mrs. Smith takes over the office of Northern District Director.

Mrs. Miles Manwaring read a poem "The Genealogists" and Mrs. Arthur Brown gave an interesting article on "The Constitution" and suggestions for observing Constitution week Sept. 17-23. Many plans were discussed concerning a style show to be given the evening of November 19, sponsored by the Anthony Nigo Chapter.

Guests present were Mrs. Garwin Eaton of Warsaw and Miss Elaine Manwaring.

Delicious refreshments were served by the hostesses.

The chapter adjourned to meet October 15 with Dr. L. Z. Bunker of North Manchester.

H. D. Club Meets

The Mentone H. D. Club met at the home of Mrs. Leroy Cox with 17 members present. Lesson subject, "Teen-agers and parents" was presented by the leaders, Mrs. Howard Horn and Mrs. Claude Gates. Questions were passed to the group and discussion period followed with ways and means of solving problems. Song of the month history was read by Mrs. Jess Whitmeyer.

Mrs. Agnes Rans recited "The Psalm of Life" and read some comments on the Life of Christ

Co. H.D. News

The Home Demonstration Council Christmas Workshop, committee has completed plans for an all day workshop for all who are interested in getting ready for Christmas. This meeting will be held on Thursday, October 3 at the Women's Building from 9:30 a. m. - 3:00 p. m. Swedish darning, shell jewelry, door decorations, table decorations, gift wrapping, and inexpensive gifts will be some of the displays and suggestions on various tables. No provisions will be made for lunch this year.

Those interested in Swedish Darning should bring a piece of huck toweling, a heavy embroidery needle and some 6 strand embroidery thread. For the Shell jewelry a pair of tweezers, small match box, clear plastic glue, pointed nose plyers, and old cloth will be needed.

For the other displays bring scissors, paper to cut patterns from and note book and pencil.

The committee in charge of the work shop are: Mrs. Paul Kaufman, Mrs. Carlton Jones, Mrs. Carl Blinger, Mrs. Norman Phillips, Mrs. Sherman Bryant, Mrs. Merrill Kirkpatrick, Mrs. Harold Swihart and Mrs. Bernard Roberts.

The health and safety leaders of the Home Demonstration clubs have been asked to represent their club on an especially planned tour of Beatty Hospital at Westville, Indiana. This tour is planned for Wednesday, October 2 with the bus leaving from the west side of the court house in Warsaw at 10:00 a. m.

This tour is planned for this group or their representatives so that they may have a better understanding of mental sickness, and treatment of the disease. This will be a fine preparation for the leaders for the Health Program they are promoting, October 30 at the Rainbow room, Westminster Hotel, Winona Lake, which will be open to the public. Further details of this meeting will be publicized at a later date.

Mrs. Herbert McCleary, Home Dem. Agent urges each club to cooperate with this special program by sending the leader on Wednesday, October 2 on the tour of Beatty Hospital, Westville, Indiana.

Home From Convention

Mr. and Mrs. Wilbur Cochran, of Burket, and Mr. and Mrs. Denton Opp, of Aurora, returned Friday evening from the National Convention of the Veterans of World War II, held at Minneapolis Sept. 8-11. They represented the Indiana State Department. Sixteen Indiana barracks were represented at the meeting.

Mr. Opp, who was formerly Indiana State Commander, was named to the National legislative committee, and Mr. Cochran served on the convention steering committee.

Lewis Brake, of North Vernon, Illinois, is the new National Commander, and Mr. Cochran was "propositioned" about becoming the National quartermaster. Wilbur appreciated the honor, but felt he'd rather live permanently in Washington, D. C.

Legion Auxiliary Installs Officers

Members of Mentone Legion Auxiliary Unit 425 met in Pete's for a business meeting September 10. Following the regular opening, Georgiana Teel called the meeting to order. Emma Clut-

ter reported a gift had been sent to our orphan at Knightstown. Georgiana reported the VA hospital officials had no open dates at present. The group thanked Bernice Jones for being hostess for the picnic supper in August. It was reported that Opal Nellans had been recognized in the state auxiliary paper for outstanding membership work.

The meeting was then turned over to past president Phyllis Williamson who conducted a beautiful candlelight installation service. Maude Snyder and Emma Clutter presented two special musical numbers during this service. Mary Frances Hudson was conductress and Marilyn Baker acted as Chaplain. Those officers installed were: President, Bernice Jones; Vice Pres., Iris Dickerhoff;

2nd vice, Opal Nellans; Secretary, Eula Smith; Treasurer, Nell Reed; Sgt. at Arms, Isabelle Morrison; Chaplain, Alice Secrist; Historian, Betty Kinzie. The room was decorated with flowers, and corsages were presented to those participating in this special service.

The new president, Bernice Jones, announced that her chairmen would be: Americanism, Mary Shirey; Child Welfare, Iris Dickerhoff; Civil Defense, Phyllis Williamson; Community Service, Mary Frances Hudson; Constitution and By-Laws, Nell Reed; Education and Scholarship, LaVera Horn; Finance, Nell Reed; Girls' State, Opal Nellans; Junior Activities, Betty Kinzie; Knightstown Home, Emma Clutter; Legislation, Mary Ann Stan-

ford; Membership, Iris Dickerhoff; Opal Nellans, Norma Pulling; Merit System, Emma Clutter; Music, Maude Snyder; National Security, Phyllis Williamson; Pan American, Ethel Wagner; Past Pres. Parley, Ethel Wagner; Poppy, Charlotte Ernsberger; Publicity, Eula Smith; Radio-T. V., Marilyn Baker; Rehabilitation, Georgiana Teel; Service Sales, Norma Pulling; Chorale Leader, Norma Pulling; Money Making Projects, Alice Secrist, Asst. Charlotte Ernsberger; Program and Entertainment, Leafy Hudson, Asst. Georgiana Teel.

Club Meets At McGinnis Home

The Friendly Neighbors Home Demonstration Club was entertained in the home of Mrs. Glen McGinnis on Thursday afternoon with the vice president, Mrs. Allen Shirey in charge.

The pledge to the flag was given and opening song was "America, the Beautiful." Mrs. Abe Whetstone was in charge of Meditations. She used several short poems, such as "The Little Red School House" and "False Teeth." Health and Safety remarks concerning the Asian Flu was given by Mrs. Mahlon Jefferies.

Mrs. Everett Besson gave a very interesting lesson on Teen-agers and understanding parents.

Mrs. Monroe Romine gave the history of the song of the month "My Bonnie", then the group sang the song.

Officers for next year were elected as follows: president, Mrs. Allen Shirey; vice president, Mrs. Glen McGinnis; secretary, Mrs. Charles Eaton; assistant secretary, Mrs. Don Wentzel; treasurer, Mrs. Condia Walburn; assistant treasurer, Mrs. Chancey Mollenhour. Roll Call was answered by each member naming her first school teacher. Mrs. Ottie Walburn gave a talk on flower arrangement.

The meeting closed by singing the Club prayer song and repeating the collect.

Miss Susan Shirey received the door prize. Secret Pal gifts were received by Mrs. Chet Coplen and Mrs. Glen McGinnis.

Delicious refreshments were served by the hostess, Mrs. McGinnis and co-hostess, Mrs. Chet Coplen to 17 members, one child and one guest.

CONSTITUTION WEEK

Today my Flag is flying high
And many people are asking
"why?"

The answer is not hard to seek
For this is Constitution Week.
My Flag is flown to commemorate
A Document that is truly great,
For it assures to you and me
Our civil rights and our Liberty.
So let us treasure our heritage,
And shun encroachment with
righteous rage,

So all the world may know that
we

Are the home of those who are
truly free.

Local News

Mr. and Mrs. H. B. Berkheiser of Miami, Florida, and Russell Norris were dinner guests of Samantha Norris on Friday.

Mr. and Mrs. Roy Bailey of Callene, Michigan, and Mrs. Zoa Warren of Argos spent Monday visiting Mr. and Mrs. Chester Creakbaum.

Mrs. Olive Frye, former chief telephone operator of Mentone, now of Bourbon, is recovering nicely after surgery at Woodlawn hospital.

Mr. and Mrs. Ora Tucker and Lilly Tucker of Fort Wayne were Sunday evening supper guests of Mr. and Mrs. Max Smith.

Miss Helen Case of Seward, Alaska, has been visiting with relatives around Mentone the past week.

Mrs. Bertha Meredith and Mrs. Eva Laird called on Mr. and Mrs. Charles Russell Tuesday afternoon.

A week ago Sunday Rev. and Mrs. John Reid and children of Warsaw, were dinner guests of Mr. and Mrs. Marshall Goodman, Mr. and Mrs. Quentin Lantz and Mr. and Mrs. Doyle Munson of Warsaw called in the afternoon.

Mrs. Earl Meredith attended the wedding of Richard Morris and Miss Shadene Lowery of Claypool at the United Brethren Church of Claypool Sunday afternoon.

Mr. and Mrs. Marshall Goodman and daughter Marcia Ann were Sunday dinner guests of Mr. and Mrs. Milo Lemler of Bourbon.

Dies At Goshen

Mrs. Laura Alice Shobe, 94, of Goshen, daughter of Burket Pioneers, died of complications at 5:30 Tuesday morning in a Goshen nursing home.

In failing health for the past five years, she entered the nursing home two years ago. Prior to that she had resided with a granddaughter, Mrs. Ronald (Esther) Workman, in Goshen since 1941.

Born in Burket Jan. 29, 1863, she was a member of the Beeher family, early settlers in the community. She lived in Burket for some years after her marriage to Charles E. Shrobe. Then the couple had a farm near the Tippecanoe River bridge until he retired and they moved to Warsaw. Mr. Shrobe died in 1933.

Surviving are three grandchildren: Mrs. Ronald (Esther) Workman, 303 Sunset Boulevard, Goshen, who was reared from babyhood by Mrs. Shobe; Marshall L. Reece, of South Bend and

Charles T. Reece, of Claypool; three great-grandchildren and two great-great-grandchildren.

Celebrate Centennial

On Sunday, September 8, the Church of Christ at Normal celebrated its Centennial. Normal is a very small community located two and a half miles south of Swazee, Indiana. At one time it was a very prosperous little village known as Slash. Later when the railroad went through, the station was placed at Swazee and most of the people moved there. However, the Church continued to meet at Normal.

J. S. Johns of Indianapolis, was Master of Ceremonies at the afternoon meeting, at which 25 congregations were represented. It was at this church that Mr. Johns started his Preaching career more than fifty years ago.

Those attending from Mentone were: Mr. and Mrs. Ralph Burris, Mr. and Mrs. H. V. Johns, Mr. and Mrs. Harry Sullivan, Mrs. Bertha Meredith, Mr. and Mrs. Deleamar White, Dale Kelley and Artie Miller.

Delegates Are Named

Twelve Kosciusko county teachers were elected Monday night as delegates and alternates to the representative assembly of the Indiana State Teachers' association.

The election was held during a meeting held at Grace Seminary and College, Winona Lake. Dr. Herman Hoyt, dean of Grace college, led a discussion on views and aims of the college.

Elected as delegates were Dale Kelley and John Frederick of Mentone, Quinten Evans of Claypool, Harold Young of Milford, Bill Abbs of Etna Green, and Nellie Riley of Warsaw, a Leesburg teacher.

Those named as alternates were John Smith of Sidney, Wanda Swick of Beaver Dam, Arlo Beiswanger and Don Kesler of Milford, Herbert Moore of Claypool, and John Svaan of Burket.

Report On Sale

The following was reported on the Hampshire Hog Sale held Tuesday, September 17:

Top boar sold for \$290 to William Neal and Sons, Lafayette, Ind. 2nd top boar was 2 selling at \$200 each to William Neal and Sons of Lafayette. 25 boars sold for a total of \$2,500.

Top gilt sold for \$145 to Joseph Burns and Son, Celina, Ohio. 2nd top gilt sold for \$110 to Ward Chaplin, Montgomery, Michigan. Total for 75 head sold was \$6,000.

Miss Wreatha McFarren, of Elkhart, was visiting in Mentone on Saturday.

Constitution Week

September 17-23 has been designated as "Constitution Week" and is sponsored by the Daughters of the American Revolution as a Commemoration of the 168th Anniversary of the adoption of the Constitution.

It is their wish and intent for the people of America to become more Constitution minded and to realize the importance and value of this great document. To more deeply impress the public with the theme of independence and freedom our country offers, the following list of days to display our national flag is given.

New Year's Day, Inauguration Day, Jan. 20, Lincoln's birthday, Feb. 12, Washington's birthday, Feb. 22; Army Day, April 6, Easter Day, Mother's day, second Sunday in May and Memorial Day, (half mast until noon) May 30.

RETURN TO CLASSES

Terry L. Utter and Howard Alderfer have returned to their studies at the International College, Fort Wayne, after a two weeks vacation. Terry is taking business administration while Howard is taking professional accounting.

P. T. A. Meets

The first monthly meeting of the Mentone P. T. A. on September 11 was a huge success, as a bountiful potluck supper was enjoyed by all. Such good food and a lot of it put everyone present in a happy mood for the entertainment to follow.

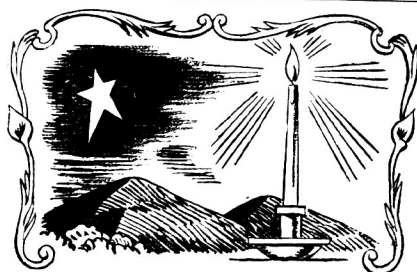

A cordial welcome by our new president, Ralph Mollenhour, and presentation of teachers by the principal, John Fredericks was held. Denton Abbey, program chairman, introduced Bobby Taylor, 17 year old magician from Culver, Indiana. A marvelous performance. Your reporter is happy to say the number present was well over 150. See you the second Wednesday in October at our P. T. A. meeting.

MENTONE

THE NORTHERN INDIANA CO-OP. NEWS

INDIANA

YOUR COMMUNITY
Depends Upon You.
Loyalty to It.

Entered as second-class matter November 18, 1936, at the post office at Mentone, Indiana, under the Act of March 3, 1879.

Volume 27, Number 12

Mentone, Ind., Sept. 25, 1957

Subscription—\$2.00 Per Year

Fire Department Fish Fry

The members of the Mentone Fire Department announce that their annual benefit fish fry will be held at the Mentone school on Saturday evening, Oct. 5th, with serving starting at 5:30.

There will be an advance sale of tickets, and they can be secured at the Farmers State Bank, Jones Barber Shop and any member of the fire department. Tickets will be \$1.25 for adults and 75c for all children of 12 years and under.

OH WHAT A TIME!

Just about the time we get the hay fever season pushed into the past folks start to work the clocks over. Right now everyone in the area is either in the "middle" or on one of the "ends." It seems to be serious business and there isn't a minute to waste.

Warsaw business people, we have been told, have elected to remain on the present time (call it Eastern Standard or Central Daylight Saving as you prefer). In compliance with a suggestive act by the legislature, the various tax-supported units will revert to the Central Standard time.

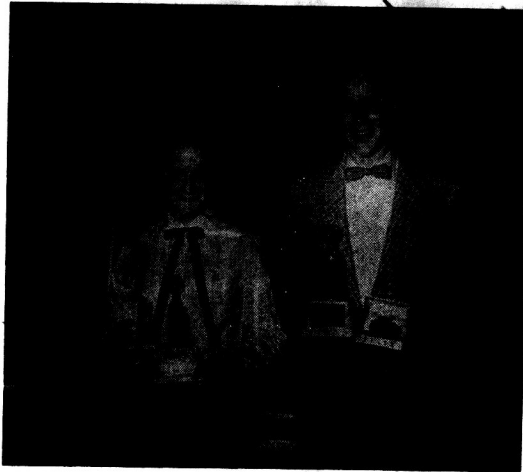

Mentone to Conform to Law

The Mentone town board has announced that it had decided to conform to the usual Central Standard time at midnight this Saturday night.

Mr. Frederick, principal of the Mentone school, announces that in conformity with a decision of the Kosciusko County principals at a meeting some weeks ago, the Mentone school will change its schedule slightly and conform to the time established by the legislature. (This was the decision of all the principals of the county.) Consequently, starting Monday the school doors will open at 8:00 and school will take up at 8:15 a. m.

So, as we take a swift glance at this time business, all we can say is that Gov. Faubus will just have to handle that colored situation down south without our help—we got our hands full and "no time."

Clayton Goodwin is at home after spending a couple of days in the Woodlawn hospital last week.

Connie Wise, R. 2, Claypool, champion in the brown egg division at the Mentone Egg Show, and Philip Nelson, R. 5, Warsaw, who won the white egg championship, and the grand sweepstakes award of a wrist watch for having his eggs score the highest in the show.

Appointed to Medical Group

Dr. Burgess L. Gordon of Philadelphia, President of the American College of Chest Physicians, recently announced the appointment of Dr. Dan Urschel to the Section on Rehabilitation of the International College. This Section serves under the committee on Cardiovascular Diseases of the College, and is concerned principally with the rehabilitation of patients following cardiac disease.

KIMES ESTATE

The total net value of the Nora Kimes estate has been set at \$23,114.50, plus \$2,015 in a joint savings account at the Farmer's State Bank of Mentone, with the executrix Opal M. Tucker, a sister of Etna Green. Inheritance and transfer tax is determined at \$1,048.49. The estate distribution is, Opal Tucker, Etna Green, a sister, \$18,129.50; Ora Beeson, Etna Green, brother, \$500; Robert Q. Tucker, nephew, Argos, Joe Tucker, nephew, Etna Green, Mary Jane Tucker Hill, niece, Mentone, James B. Beeson, and Charles Beeson, nephews, both of Etna Green, each \$1,000. Dorothy Winland, Warsaw, Treva Haines, Whitecloud, Mich., Howard Kimes, Goshen, Milo Nye, Valparaiso, and Doyle Hathaway, Danville, Pa., each \$200. Ray and Leta Hathaway both of Claypool, each \$150. The Harrison Center Church and Cemetery association, of Route 5, Warsaw, each \$100.

O. E. S. Inspection

Joint inspection of Mentone, Warsaw and Pierceton chapters of the Order of Easter Star will be held at the Warsaw Masonic Temple on October 5th.

A reception for the district deputy, Ellen Lambert, will be held at 3:30 p. m. followed by the banquet at 6:00.

The baby dedication will be at 7:00 and inspection is to begin at 7:30.

Mentone officers will have the initiatory work.

WRITES FROM ARIZONA

A recent letter from Robert L. Sanders states, in part:

I have been receiving the paper for some time and enjoy it very much. It keeps me in close contact with my many friends in the Mentone area.

We will soon have our first year completed as Arizona residents. We like it fine and the baby has responded to the climate so very well, that we have decided to make this our home.

It is not as good as Indiana in some respects, but the weather is fine and if it can help David I guess we will stay. We are both working now and while wages are not as high out here, we are still able to make a living.

I am working as a diesel tractor mechanic and Peggy is working as an R. N. in a doctor's office.

Jo Ann was in Mentone this summer with Donna-Rae. I guess she had a fine time. She came back to Arizona on a plane, which was quite a thrill for her.

Mrs. Bagdon Buried Monday

Mrs. Mary E. Bagdon, 72, died at her home in Akron at 2:45 p. m. Thursday of complications. She had been ill since June.

Mrs. Bagdon was born in Germany, January 29, 1885 and after coming to this country resided in Fort Wayne, Mentone and for the past seven years in Akron.

Following the death of her former husband, Ed Hickman, she was married to Adolph Bagdon on January 29, 1950, at Akron where she was a member of the American Legion and attended the Church of God.

Surviving are her husband at Akron and relatives in Germany.

Funeral services were held Monday at 2:30 p. m. at the Reed funeral home in Mentone with Rev. Conrad of the Church of God in charge of services. Burial was in the Akron cemetery.

Births

Mr. and Mrs. Don Gross of Talma are the parents of a son born at the Woodlawn hospital at Rochester.

Mr. and Mrs. Gene (Lefty) Stavedahl of near Talma are the parents of a daughter born at the Woodlawn hospital at Rochester September 20th.

Daughter Married

Miss Lou Ellen Rouch, daughter of Mrs. Caddy Rouch, of Mentone, was married August 31 to Gerald Louis Woughter, son of Mr. and Mrs. L. A. Woughter of Binghamton, N. Y., in a ceremony performed in the First Methodist church in Dayton, Tenn. Both the young people are members of the faculty at Bryan University at Dayton.

Dr. Jon Rouch who is now in French Equatorial Africa, is a brother to the new Mrs. Woughter.

CLUB CALENDAR

Reading Club Wednesday, Oct. 2; 6:30 p. m. Pot Luck supper at Emma Clutter's home. Payment of dues.

Jolly Janes Club members who are going to South Bend Monday morning September 30, meet at the Drug Store corner to leave promptly at 8:30.

Brownie Sunflower Troop party and program Fri., Sept. 27, 7:00 p. m. Methodist Church Basement.

The J. O. Y. Circle will meet Tuesday, October 1st at 9:00 a. m. at the Parsonage.

New Plumbing, Electrical Outlet

Mr. and Mrs. Ed Bach, shown here as they stand at the front of their new plumbing and electrical store on the west street in Mentone, announce that they are having an open house for all the people of the trade area this Saturday, Sept. 28th.

The new 30x40 structure was constructed just to the north of their home and is less than a half block south of Main street

and faces the west on the last street at the west edge of Mentone.

They have on display a full line of light fixtures, light bulbs and supplies, electric wiring and plumbing supplies, water pumps, door chimes, Easy automatic washers and driers, Admiral refrigerators, home freezers and electric ranges, and Sunbeam and Admiral appliances.

Is There A Difference

"The following is reprinted from the column, "My Wayside Window," written by one of our school instructors, Mrs. Caldwell, for the Rochester News-Sentinel. — Ed.)

Sometimes we common people wonder about millionaires, how they live, what they think, if they're different from commoners. A librarian of the Lawrence D. Bell library in connection with Mentone high school, I have come in contact with the late Mr. Bell's personal library which was sent to Mentone recently. Mr. Bell, a multimillionaire, until his death last year president of Bell Air-

craft Corporation, was a great man, important in the airplane industry, but he never lost sight of his lowly origin in a small town in Indiana. He was a great philanthropist, endowing many institutions, and scholarships through the Bell Foundation. Our library is one of the beneficiaries along with the town of Mentone.

It was interesting to note the type of books he had in his New York Apartment. As president of Bell Aircraft, he must have been called upon for speeches many times and the books show that he was concerned about his speech and he probably studied speech privately. Here is a list of some of his books: A high school book on rhetoric. English usage and speech; Winston's simplified dictionary; 10 volume Historic Characters and Famous Events; 10 books on Shakespearean plays; 10 volume Winston's Encyclopedia; book on Indiana; a guide to Japan; 15 lessons (15 booklets) on Practical English and Effective Speech by the Better Speech Institute of America; a book on Leonardo da Vinci. The only airplane book, "Clouds, Air, and Wind" was written and personally autographed by Eric Sloane.

The most beautiful book I have ever seen was "Our Father" in which the world's greatest prayer, "The Lord's Prayer", has been illustrated in seven beautiful vi-

vidly colored paintings by the world's greatest artist, Frank O. Salisbury, who spent two years of painstaking thought and talent to perfect every exact detail. The original pictures are now held in the Art Galleries in London. There are seven pages of explanations, one page for each picture and phrase of the prayer. This book is now published in Kansas City by Ernest Benson, who personally autographed Mr. Bell's book and wrote: "Dear Mr. Bell, May the guidance of the Lord's prayer provide courage and spiritual strength to you and your family this day and always. Ernest Benson, Dec. 30, 1955."

Be abouts Meet

The Be-About Mission Circle of the Baptist Church met Monday evening at the home of Mrs. Glen McGinnis. The meeting was opened by group singing. After a short business session conducted by the president, Mrs. Everett Welborn, the meeting was turned over to Mrs. Florence Torriac. Mrs. Torriac, who is a teacher at the European Bible Institute, showed many slides and gave a very interesting talk on her work, and also the work of her husband, who has gospel radio broadcasts into Spain.

Delicious refreshments were served by the hostess to the 11

members and one guest present. The Be-Abouts would appreciate it if anyone who had worn sheets that could be used for bandages please contact Mrs. Everett Welborn or leave them at Lemler's Market.

Miss Jeri Pritchard celebrated her fourth birthday on Thursday. The little friends helping here celebrate were Pam Coleman, Darlene Igo, LuAnn Miller, Christene Miner and Reid Bowser.

200 pounds of feed.

EVERETT CRAMBLET, R. 5, Warsaw
100 pounds of feed.

LAWRENCE McKEE, Argos
50 pounds of feed.

Winners can receive their Merchandise by calling at the store.

Country Neighbors Meet

The Country Neighbors Club met at the home of Mrs. Earl Zent for their September meeting. Eleanor Hoover, club president, called the meeting to order.

The pledge to the flag was given and the club creed was repeated. Uda Maxwell read Proverbs 31:10-23 for Devotions. Also a story entitled "The Christian Home."

It was voted to buy an indirect light for the nursery at the Woodlawn hospital. An apron sale at Christmas was planned to raise the money for this project.

Dorothy Herendeen gave an interesting lesson on Home made articles and displayed several that could be used for Birthday or Christmas gifts.

Some of them were a beautiful crocheted stole, crocheted and embroidered pillow cases, lunch cloths, tea towels, pot holders, Mr. and Mrs. aprons and mitts for outside barbecues. A basket of homemade cookies, jelly, etc.

Elnora Craig received a gift from her secret pal.

Refreshments were served to eleven members and four guests. Guests were Mrs. Mary Konneck, Mrs. Nellie Zent, Louise Zent and Yvonne Rathfon.

Arsanilic Acid Boosts Gains

Hogs on drylot fed a ration containing arsanilic acid gained 10.6 percent faster than hogs fed a ration containing none of the chemical, an experiment at Purdue has shown.

The arsanilic acid, according to J. H. Conrad, swine nutrition specialist, was fed at the rate of 90 grams per ton.

The animals fed arsanilic acid consumed 314 pounds of feed per 100 pounds of gain. Feed costs were 10 cents cheaper per 100 pounds of gain for the pigs fed the arsanilic.

A combination of arsanilic acid and aureomycin did not give results equal to arsanilic acid alone. The combination of arsanilic acid (45 grams per ton) and aureomycin (10 grams per ton) resulted in a 6.3 per cent increase in gains.

All hogs used in the experiment were fed ground corn (78 percent) mixed with 22 percent of Purdue Supplement 2 to make a 16 percent protein ration. This was fed until the pigs weighed 100 pounds. A 14 percent protein consisting of ground corn (84.5 percent) and Purdue Supplement 2 (15.5 percent) was fed from 100 pounds to a market weight of 200 pounds.

Mrs. Leslie Laird of Richmond and Mrs. Gary Baker of North Webster spent Thursday with Mrs. Laird's mother, Mrs. Joe Johnson.

Farm Price Index Up

The Indiana farm price index on August 15 was the highest in three years, agricultural economists and agricultural statisticians at Purdue University have reported.

Purchasing power of Hoosier farmers increased two percent above mid-July and was five percent higher than a year earlier.

The increased purchasing power

resulted from a two percent rise in livestock and grain prices. Prices paid by farmers remained unchanged.

The hog-corn ration remained at 16.8, the highest level since May, 1954, as a result of the highest hog prices in three years. Other commodity-feed ratios ranged from a 16-percent increase to an eight-percent decline during the month ended August 15.

Mrs. Ray Linn and Mrs. Frank Smith were in South Bend Wednesday on business.

F. F. A. News

The Mentone Chapter of the Future Farmers of America held their meeting in the ag. room of the Mentone school on September 24, 1957.

There were 2 members and 12 guests present.

The chapter decided to go to Chicago on October 12th to the International Dairy Show and Rodeo. It was decided to have a father and son chili supper, but no plans were made.

We initiated 10 boys into the

chapter. Kenneth Riner and Ralph Long were received as honorary Chapter Farmers.

The meeting was adjourned for refreshments.

CHEVROLET PICKUP CLIMBS PIKES PEAK THE HARD WAY ...OFF THE ROAD!

An off-the-road run up Pikes Peak was called impossible by people who know the mountain well. But a production Chevrolet pickup actually did it . . . to prove its pulling power and ruggedness!

All the way to the top without using the road! Here the truck scales high boulder pile near the 14,110-foot summit.

Steep grade near timberline—a rugged test of power. The power and torque of Chevrolet's famous Thriftmaster 6 proved more than a match for the most difficult grades.

Miles of loose boulders and thinning air offer extreme challenge. Yet the big Chevy engine never faltered; it performed flawlessly mile after mile, all the way up the mountain!

Final effort achieves summit! Pickup conquers Pikes Peak . . . shows why Chevrolet trucks are famous for staying and saving on tough jobs! Talk trucks with your Chevrolet dealer.

Special Care For old Hens

Lafayette, Ind.—Old hens, held over for market egg production, require feed and care tailored to meet their special needs at this time of year, says Joe W. Sicer, Purdue University extension poultry specialist.

Sicer points out that a larger than usual number of poultry keepers will be dependent on old hens this fall since they raised few or no pullets this summer.

If old hens are to be the chief source of eggs because few or no pullets were raised they should be kept in the same laying house they have occupied all summer.

If some pullets have been raised

they should not be housed with the hens. Sicer says movement of hens or adding pullets to the flock may throw the hens out of production.

Artificial lights should be used starting not later than September 1 to stimulate egg production among the old hens. The hens should have 14 hours of artificial and natural light per day. Lights should be placed over the feeders to give the hens the greatest exposure to the stimulating rays, according to Sicer. Sicer recommends a 60 watt bulb, four feet above the feeder, for each eight to ten feet of trough.

Hens should be fed a ration relatively high in protein. Sicer suggests 17 percent protein for an all mash ration. If a 20 percent protein mash is used with hand fed grain the grain should be limited so that at least twice as much mash as grain is eaten. A supplementary feeding of laying pellets or condensed milk will encourage more feed consumption.

In late fall the hens should be force-molted by taking all mash away from them for about a week and turning off the lights. Then hens should be returned to full feed and, after about eight weeks put on artificial lighting again to hasten their return to production. The exact time of the forced

molt will depend on production and the price of eggs, Sicer adds.

Local News

S. Z. Huffer had a hernia operation last Friday at the Woodlawn Hospital in Rochester.

Mr. and Mrs. Noble Babcock and Sherry spent the week end with Mr. and Mrs. Spencer Hess of Centerville, Michigan.

PHYSICIANS TO CONVE- NE AT FRENCH LICK

More than 1,800 physicians, their families and members of allied professions are expected to attend the annual convention of the Indiana State Medical Association which is to be held October 6 through 9 at the French Lick-Sheraton Hotel in French Lick, Indiana.

Featured speakers from throughout the United States will provide a top program for this 108th annual meeting, which will include also the annual golf tournament and trap shoot and other entertainment for the physicians, their wives and guests.

Workshop Class On October 3

The Home Demonstration Christmas Workshop which will be held at the Women's Building of the Fairgrounds on Thursday, October 3 from 9:30 a. m. - 3:00 p. m. will have some very interesting displays and demonstrations.

Mrs. Russell Cauffman and Mrs. Fred Rollings will have charge of Swedish Darning. Christmas decorations will be handled by Mrs. Bernard Roberts and Mrs. Norman Phillips. Mrs. Carl Bolinger will have a table of inexpensive gift suggestions. In charge of Shell jewelry will be Mrs. Walter Swanson and Mrs. Con Chase and of Mosaic tile work Mrs. Delva Stalter and Helen Griffith will be in charge.

Christmas cookies will be demonstrated by Mrs. Norman Hankins and Mrs. Richard Zimmer at 10:00 a. m. and at 2:00 p. m.

Mrs. Paul Kaufman, chairman

"Can you imagine anybody crazy enough to get up this early in the morning to go fishing?"

of the committee and Mrs. Herbert McCleary, Home Demonstration Agent, urge all those who are interested in picking up new Christmas ideas to visit the workshop.

Mr. and Mrs. Edward Davis have moved into the Charles Christian property which they have purchased.

NEWS Ph. ELmwood 3-3985

Dual Wheat Proven Best

Dual wheat again proved itself the highest yielding wheat in Indiana in 1957 Purdue University variety demonstrations.

The demonstrations were conducted in 30 counties in the northern two-thirds of the state. The yield for Dual was 36.5 bushels per acre with test weight the same as two other popular varieties, Knox and Vermillion.

In the tests Vermillion yielded 33.5 bushels per acre compared with 32 Bushels per acre for Knox. Vermillion showed much less smut than Knox.

Seneca showed well on the tests in north-central Indiana counties with an average of 36 bushels per acre. In six northwestern counties it trailed Dual by 1.5 bushels.

Gilbert Walker, Purdue University extension agronomist, reported that "dairymen who used early seeded Dual for fall and winter pasture are praising it for the resulting big flow of odor free milk."

Walker said the dairymen preferred Dual to rye for fall and winter pasture. A number of the dairymen said the grain yields were not hurt by heavy grazing in fall and winter.

Walker recommends that, for the best pasture results, early seeding (3-4 weeks before the fly free date) should be fertilized with high nitrogen analysis fertilizer such as 500 pounds of 10-10-10 per acre. The seeding rate for the wheat should be two bushels per acre.

Dual wheat was developed by Purdue and USDA plant breeders.

Clintland Oats Outstanding

Lafayette, Ind. — Clintland yielded the highest and had the heaviest test weight of eight varieties compared in 14 central Indiana oats demonstration trials this year.

Gilbert P. Walker, Purdue University extension agronomist, said Clintland, a variety bred to resist a new race of leaf rust that attacks Clinton 59, withstood a heavy infestation of the disease.

He said the disease caused serious damage to Clinton 59 and Benton oats. Low yields of light test weight were the rule throughout central and north-central Indiana for these two varieties.

Clintland averaged 55 bushels per acre with a 30-pound test weight in the 14 tests. This compared to 37.5 bushels per acre and a 24.5 test weight for Clinton 59.

Bentland with resistance to the new leaf rust equal to Clintland was second in yield at 52.5 bushels. Newton and Barnett showed considerable rust tolerance with yields of 48 bushels and 28.5 and 27.5 test weights, respectively.

Putman, a new early oats, which has beaten all other varieties in southern Indiana trials in previous years was seriously damaged and yielded 38 bushels per acre and had a test weight of 26.5 pounds. When early seeded, however, Putman showed little rust damage.

Gary, a later Canadian oats very popular in eastern states, was very chaffy with a 23 pound test weight and a 40-bushel yield.

The faster a motorist drives the more gasoline it takes to cover a definite number of miles.

Co-Op: Building Dept.

More Food; Less Labor

A \$9.00 order rung up at the supermarket check-out counter costs the average factory worker about 1½ hours less than in 1952, the time when food prices work-time now than in August are reported to have reached their previous all-time high. John A. Logan, President, National Association of Food Chains announced the figures compiled by the association showed the typical worker could earn a lb. of bacon in July 1957 with only 24 minutes of work, compared with 26 minutes in August, 1952—when bacon was ten cents a lb. lower. Other meat items—now lower in price than in 1952—show sharper differences. Examples are a pound of rib roast in 22 minutes, compared with 32 minutes of work, compared with 31 minutes at the earlier 84 cents a pound price.

"It is natural that recent publicity on 'cost-of-living' increase would cause concern," said Logan. "The fact is that prices of many food items are lower now than a year ago or five years ago. Also, purchasing power is more than keeping pace with food price increases for the average worker."

Here's a tip from agricultural engineers at Purdue University to farmers building farm ponds: "Deepen the edges so that there will be four feet of water within ten feet of the water's edge. This will prevent weeds from becoming a problem."

Before a motorist switches inside and outside rear view mirrors to make sure there are no inside an outside rear view mirror "blind spots," the Chicago Motor Club warns. It takes only a second to check that other mirror, and it may prevent an accident.

PUBLIC SALE

Due to Mr. Tyler's work, we are moving into a house trailer and will sell our entire household furnishings at Public Auction, located 10 miles north of Rochester to Road 110 or County line, then 3 miles east, or 5 miles west of Mentone.

Saturday, September 28th

at 12:30 o'clock (D. S. T.)

Hot Point Refrigerator, 9 cu. ft., like new; Hot Point Electric Stove, (almost new); R. C. A. T. V. (good); Maytag Washer (extra good); Davenport (a beauty); overstuffed chair; desk, chair and lamp; cuckoo clock (from Germany's black forest); Dinette set; Utility cabinet; rug and pad; chest; a bed rollaway bed; twin Hollywood beds complete; T. V. lamp; Booster; lamb table; dresser; 6-v. baby bed and chest; full size bed; high chair; baby feeding table; Hassock; 4 folding chairs; oil burner; twin tubs; dishes; power lawn mower; car radio; David Bradley tractor mower, 7 ft.; Electric Brooder stove (500 chick); garden tools, and other articles too numerous to mention.

Two 1-year old registered Blue tick Coon hounds.

This furniture is 5 years old and is in fine shape. One sale you don't want to miss.

Mentone Hi-C Club Meets

The Hi-C Club met Tuesday evening September 25 at the home of Donna Lou Eaton. There were 23 present, an increase of 9 over the last meeting. For our program we played "Bible Tic Tac Toe." We all enjoyed it very much.

On October 26, there is going to be a party. It is all in secret except for one word we have told. Cemetery. As you can imagine by looking at that word it should be fun. It's at 7:00. For more information be sure to be at the next meeting.

Refreshments of Sandwiches, salad and punch were served. We all enjoyed playing the game of "Secret Formula". The next meeting is to be held at the home of Linda Hart at 7:30. Everyone is welcome.

CARD OF THANKS

We wish to thank the Legion and Auxiliary and our many other friends and neighbors for all the condolences, floral offerings and other acts of kindness shown us during our recent bereavement.

ORDER TREES FOR SPRING PLANTING

If you expect to plant trees on your farm next spring, they should be ordered now.

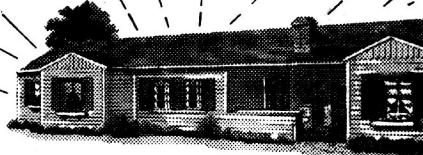

Ed Lott, extension forester at Purdue University, advises quick action to obtain any certain kind of tree. Last year the supply of many varieties was exhausted by January.

Order blanks can be obtained from county agricultural agents, Soil Conservation District officers, or extension foresters. The order blank lists the different kinds of trees available, the best uses for each type of tree and the prices.

Report Of Experiment Of Wet Corn Stored In Plastic-Lined Bin

High moisture corn stored for a year in a plastic-lined grain bin has produced a little better gain than has dry corn when fed to hogs in some tests made by agricultural engineers at Purdue University.

Using a new experiment method for storing high moisture corn G. W. Isaacs and I. J. Ross of the Purdue agricultural engineering staff have found that in their trial the hogs fed wet corn gained 8 percent more than those fed dry corn. The hogs on wet corn ate 92 percent more corn and 19.7 percent less free-choice supplement.

Polyethylene plastic film of 6 millimeter thickness was used by the scientists to form an air tight liner for a conventional cylindrical sheet metal grain bin. Last October they placed 500 bushels of 25 percent moisture shelled corn in the large plastic bag inside the bin. Such wet corn would under normal conditions be expected to spoil.

Instead Isaacs and Ross found that the condition of their stored corn was similar after a year to that of high moisture shelled corn stored in other types of hermetically sealed storages. The corn had undergone a fermentation or ensiling process but had kept its feeding value for hogs, as shown by the feeding trial.

Feed cost for the hogs on wet corn was \$7.78 per 100 pounds of gain as compared to \$8.14 per 100 pounds of gain for those on dry corn. Cost of the plastic and other materials to make the 500-bushel steel bin a hermetic storage was about 5 1/2 cents per bushel stored. Cost per bushel

would be less for a larger storage, the engineers say.

Although their corn is not considered suitable for sale in the usual market channels because of its softness and fermented odor, little or no mold was found on the corn when it was taken from storage. Where some surface molding did appear on the corn around the unloading port of the bin, this corn did not harm the hogs to which it was fed.

Experimental storage for this first year of the trial was located on the Purdue Throckmorton Memorial Farm near Lafayette. Farm Superintendent Evan Baugh helped with construction of the bin and in the swine-feeding trial to compare values of the wet corn stored in plastic with corn stored dry in the conventional way.

Research aimed at developing lower cost hermetic storages for high moisture corn has been conducted at Purdue since the fall of 1955 when some small plastic bags were filled with 10 pound lots of high moisture corn. On the basis of the success with the small bags, the work was expanded to the 500-bushel storage last year.

Further research is planned this year using larger steel bins. The effects of higher moisture contents at the time of storage, the consequences of more extensive moisture migration expected in the larger storage, and the

possible effects of swelling due to freezing on the bin structure will be evaluated this year. Migration of moisture and swelling due to freezing were experienced in the 500-bushel storage filled last year, but no serious ill effects were noted.

Conversion of other types of grain storage to hermetic storage is being considered, Isaacs and Ross say. In order to assure the maintenance of airtight conditions necessary to hermetic storage, the structure to be converted must be: (1) Rodent and bird proof; (2) Capable of being made smooth on the inside so as not to tear the plastic; (3) Adaptable to a suitable handling system for the product stored; (4) Structurally sound under the conditions imposed.

Wet Leaves Are Dangerous

A colorful carpeting of leaves on the street or highway can be as deadly as an icy spot, says the Chicago Motor Club.

You may not expect slippery pavements until the winter months, but you'll find them during autumn when the leaves are falling.

Avoid piles of leaves, warns the

motor club. If you can't drive around them, slow down and proceed with caution. Leaves also become a hazard when they conceal children at play. Youngsters often are hard to see while romping in a pile of leaves.

If your car skids, these are steps the club suggests for bringing it under control.

1. Be calm. Control yourself and you'll control your car.
2. It's the car's rear end that skids, so turn your front wheels in the direction the rear is skidding. This will straighten the car and make it easier to handle.
3. Take your foot off the accelerator and don't jam on your brakes. This will let the braking power of the engine slow your speed.

Burket 4-H News

On September 11th, the Burket Busters held a 4-H meeting at the Burket gym at 7:30 p. m. We held a business meeting and paid our dues. We elected officers and this is how they went:

President, Orvin Thompson; Vice President, Perry Hathaway; Secretary, Arlys Thompson; Reporter, Jerry Newton; Assistant Reporter, Linda Hauptert; Song Leader, Chip Gast; Assistant Song Leader, Danny Newton; Health and safety, Mike Ault and

Ronald Hathaway; Recreation, Joyce Hathaway; Treasurer, Bob Hauptert; Assistant Treasurer, Ronald Swick.

After the election we had refreshments served by our leader Ted Thompson.

Boni Spradlin Chosen Egg Show Queen

Entrants From Tippecanoe, Akron, Beaver Dam and Atwood Included in Queen's Court

Miss Boni Spradlin, 15, of Mentone, was chosen queen of the Mentone Egg Show queen contest, was selected as the winner by the judges.

It took many years for Mentone—sponsor of the Egg Show—to be honored with their candidate being selected queen, but since that time have been since favored twice in that respect. Miss Geneva Wenzel, in 1951, was the first queen from the Mentone High School. Miss Betty Griffin repeated the performance in 1955, and this year Miss Boni Spradlin.

Mentone school was awarded the honor by the judges. She is 15 years of age and the daughter of Mr. and Mrs. Howard Ruhnley.

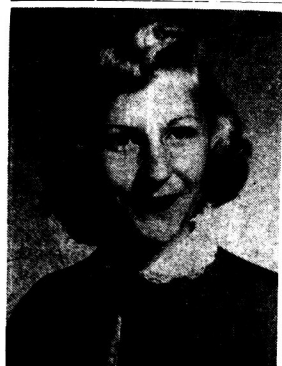

Chosen to serve in the queen's court at the coronation ceremonies Friday evening were the candidates from the Atwood, Tippecanoe, Akron and Beaver Dam High Schools. They were as follows:

ATWOOD—Beverly Creighton, 17, daughter of Mr. and Mrs. Kermit Creighton. She is a senior.

TIPPECANOE—Beckie Robinson,

"MISS SILVER LAKE"
Sharon Puls

"MISS ETINA GREEN"
Jane Mellott

"MISS TALMA"
Karen Harvey

"MISS CLAYPOOL"
Patricia Elaine Davis

Max Davis. She is 15 years of age and a sophomore.

TALMA—Karen Harvey, 16, daughter of Mr. and Mrs. Clyde Harvey. She is a junior.

Witham (Atwood's queen in the 1950 contest), who is now Home Economics instructor in the High School at Warsaw; Paul Snyder, of Kokomo, representative of the

Syracuse Boy Wins Again

It seems we might just as well

QUEEN AND HER COURT—The photo above shows Miss Boni Spradlin, Mentone, who was chosen Queen of the Mentone Egg Show. On her left are Karna Hoffman, Akron, and Karen Latimer, Beaver Dam. At right are Beverly Creighton, Atwood and Beckie Robinson, Tippecanoe.

CROWNED QUEEN—The above photo shows Robert L. Hogue, Executive Secretary of the State Poultry Association, as he gracefully placed the crown upon the new Egg Show Queen.

son, 15, daughter of Mr. and Mrs. William Robinson. She is a sophomore.

AKRON—Karna Hoffman, 15, daughter of Mr. and Mrs. Earl Hoffman. She is a junior.

BEAVER DAM—Karen Latimer, 17, daughter of Mr. and Mrs. Wilbur Latimer. She is a senior.

Other contestants were from Talma, Etina Green, Claypool and Silver Lake High Schools. Each of these four young ladies were presented with gifts by the Egg Show Queen Committee, Thursday evening. The queen's four attendants were given special gifts at the coronation, and a beautiful wrist watch was presented the queen.

The four unsuccessful candidates Thursday evening were:

SILVER LAKE—Sharon Puls, 17, daughter of Mr. and Mrs. Wayne Halle. She is a senior.

CLAYPOOL—Patricia Elaine Davis, daughter of Mr. and Mrs.

ETNA GREEN—Jane Mellott, 15, daughter of Mr. and Mrs. Harley Mellott. She is a sophomore.

A change in procedure was evident during the queen contest Thursday evening. A fine routine had been arranged by Mrs. Chester Smith. The young ladies marched onto the stage from the main floor of the gymnasium, and five girls were stationed on each wing of the stage. When they entered as a group, they assumed alternate positions on the stage.

Miss Jo Tucker, the 1956 queen, did a splendid performance of introducing the 1957 queen candidates.

Ken White favored the gathering with organ music while the contestants appeared, and he played the song of the school being represented while that institution's candidate was appearing.

Judges were Miss Tomaline

Whitmoyer Laboratories, and Ed. Swartzendruber, director of the Elkhart Broiler Association.

Pictures of the queen, her four attendants, and the other four contestants appear in this issue.

Mrs. Miles Manwaring and Mrs. Harold Nelson served as attendants to the ladies before and during the contest.

A modern freeway, which is generally designed for movement of 1,500 vehicles per lane per hour, is not the place for slow or sightseeing motorists.

IT PAYS TO ADVERTISE

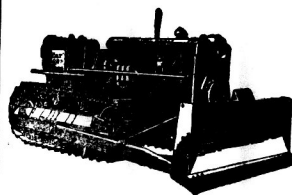

keep the above heading standing from year to year. Again this year, Syracuse, with five contestants, placed first in the 4-H demonstration contest.

Ronald Hipschman, with his demonstration on "How to Keep Eggs Clean," was awarded the wrist watch presented to the first place winner.

Doyle Eiler, of Mentone, was second with his demonstration on "What Do You Want in Quality Eggs?" He received a plaque.

Mrs. Caldwell, of the Mentone school, and Maynard Johnston of the Atwood school, served as the judges.

Beaver Dam Franklinites

The Beaver Dam Franklinites Home Demonstration Club met September 11 at the home of Mrs. Merl Harrold.

Mrs. David Bryant opened the meeting and conducted the business session. Mrs. Merl Harrold

gave meditation. Election of officers was held for the coming year with the following results:

President, Mrs. Doll Barber; V. pres., Mrs. Glen Lawman; Sec'y., Mrs. Don Kuhn; Ass't. Sec'y., Mrs. Roland Lukens; Treas., Mrs. Charles Adams; Ass't. Treas., Mrs. Wayne Baumgartner; Song Leader, Mrs. Dick Clark; Health and Safety, Mrs. Don Stackhouse.

Mrs. Don Kuhn gave a very interesting lesson on "Parents and Teenagers," stressing cooperation and understanding as a key to a secure family relationship.

Delicious refreshments were served to 13 members by the hostess.

Beaver Dam School News

The classes have elected their officers for the school year.

Seniors: President, Wayne Cumberland; V. President, Larry Bibler; Secretary, Joyce Hathaway; Treasurer, Jo Tucker; Reporter, Susie Barber. Sponsor Ronald Malott.

Juniors: President, Max Um-mel; v. President, Jim Adams; Secretary, Dora Kelley; Treasurer, Margaret Baugher; Reporter, Marilyn Horn. Sponsors, Fred Haney and Barbara McFadden.

Sophomores: President, Roger Nellans; V. President, Howard Adams; Secretary, Phyllis Um-mel; Treasurer, Marlin Valentine; Reporter, Nancy Shively. Sponsor, Glenn Webster.

Freshmen: President, Roger

Bucher; V. President, Jerry Lackey; Secretary - Treasurer, Diana Ballenger; Reporter, Sherry Babcock. Sponsor, Boyd Reutebuch.

Seventh and Eighth: President, Freddie Horn; V. President, Darrell Valentine; Secretary-Treasurer, Linda Smalley; Reporter, Betty Smith. Sponsors, George Noonan and Mary Price.

Mrs. Zelma Summe has been substituting in the absence of Mr. Webster.

The first P. T. A. meeting was held at the school this past Wednesday evening. Gene Marshall, President presided. Jack Engle, Mayor of Warsaw, spoke to those present.

School will begin at 8:30 C. S. T. this coming Monday.

Test Fence Durability

Time and money spent in rebuilding fence on Indiana farms may be cut to a minimum in the future as a result of a 30-year experiment underway at Purdue University.

The study, now two-thirds completed, is designed to test the atmospheric corrosion (rust caused by weather) of wire fence and various coatings applied to the wire.

A. C. Dale, Purdue agricultural engineer, said "to date farmers have had to rely on the word and reputation of the dealer selling fencing materials. They purchase fence by the trade name or by other indications of the manufacturer without any knowledge of the composition of the wire or of the protective coating."

It is usually impossible for a farmer to judge the quality of

fence until several years after its erection, he pointed out.

Results of the experiment have been informative.

Dale said a 14.5 gauge fence with .78 ounce of zinc coating per square foot was not completely rusty after 20 years. The same gauge wire which had not been zinc coated was completely rusty after just one year. In seven years fence coated with .25 ounce of zinc per square foot was completely rusty. The time was extended to 10 years when the fence was coated with .40 ounce per square foot and to 15 years when coated with .55 ounce per square foot.

Most fence is now sold with .30 ounce of zinc coating per sq. foot. Dale, however, recommends that, if the added cost is not too great, farmers buy wire fence coated with between .70 and .80 ounce of zinc per square foot.

Fences with heavier coatings of zinc or those made from stainless steel or copper will last longer but the cost may be prohibitive.

APPLES

We will open our orchard to the public on Saturday, September 28. This is the plan we have used for the past three seasons and is briefly this:

You come to our orchard bringing with you the containers in which you wish to pick and to take away your apples. You pay us for the net weight of your apples. We sell only by weight.

At all times you pick only the best apples mixing varieties at will. We ask that you treat the ones you don't take kindly. Some day you yourself may not be perfect.

Our total of good apples is probably as large as in previous years but with a large crop there is a small sacrifice in size and condition. We have adjusted our price accordingly.

We advise coming early as on opening day all will have an equal opportunity. If you come several days late please don't blame us anymore than you would anyone else if you went late to a big picnic or reunion dinner and had to take what was left or nothing. Remember, you are under no obligation to pick or buy. You are invited to eat all the apples you can eat "on the house." Open week days 6 a.m. to 6 p.m. Sundays, after morning worship.

Our price this year, you pick them and take them a pound or a ton

3 ½ c a pound

TEEL ORCHARD

2 miles south ¾ mi. west Mentone.

INTERNATIONAL LETTER WRITING WEEK

International Letter Writing Week will be celebrated on an international basis during the week October 6 to 12. Postmaster Kenneth Romine announced today.

Commenting on the establishment of International Letter Writing Week, Mr. Romine pointed out that each year since 1938 the Post Office Department has joined in the observance of National Letter Writing Week—an annual event celebrated to emphasize the meaning and value of letter writing as a symbol of American freedom.

"As a result of its success," Postmaster Romine stated, "National Letter Writing Week will

be conducted on an international basis this year for the first time. International Letter Writing Week is based on the idea that written communication between people in all the countries of the world will contribute toward the building of a lasting peace.

"I am sure we are all aware that a personal letter is, next to an actual visit, the most intimate means each of us has to communicate with our fellow human beings. Letters between peoples of different nations are a sure method of establishing friendly relationships and understandings. The problems of

freedom loving peoples will be more quickly solved if they are better understood.

"I urge all citizens of Mentone and surrounding area to join in this first celebration of International Letter Writing Week and at the same time write that overdue letter to friends and relatives in America."

SINCERE THANKS

We want to express our sincere thanks to everyone for the many acts of kindness and expressions of sympathy during our hour of sadness.

THE HERENDEEN FAMILY.

Fifth—Nelson Poultry Farm, R. 5, Warsaw.

Mrs. Everett Besson of Mentone, and Ronnie Hirschman of Syracuse also entered in this class.

Judges in the egg contest were Ray Roberts, extension specialist at Purdue University, and Joe Wiltshire, of the federal egg and poultry grading department.

The Poultry Veterinary Supply Co., of Goshen, paid \$37.50 for the grand sweepstakes dozen of eggs at the auction Friday night. The Big Dutchman Automatic Feeder Co., of Zeeland, Michigan, paid \$30 for the prize dozen of brown eggs.

Graduates

Miss Sue Ann Barkman of Mentone, was recently graduated from the Private Secretarial School of International College.

She has accepted a Secretarial position with Widaman, Bowser and Widaman, Attorneys, Warsaw, Indiana.

Miss Barkman was graduated from Mentone High School with the Class of 1956.

She is the daughter of Mrs. Leatha E. Menzie of Mentone.

Newly harvested small seeds need special care to prevent deterioration. Biochemists at Purdue University say that green materials should be removed immediately or the seed may heat and the germination be destroyed. As soon as the seed is cleaned, samples should be submitted to the state seed laboratory at Purdue for test. County agents have envelopes and instructions for sampling and mailing.
